Π B Φ Fellowship for 1937-38—Barbara Kimbrough, Washington B

GRAND COUNCIL announces that the 1938 Convention will be held June 26 to July 2 at Grove Park Inn, Asheville, North Carolina, in deference to the often expressed wish of the fraternity for a convention in close proximity to the Settlement School. Since the capacity of Grove Park Inn is limited, an additional hotel, the Manor, and adjacent cottages will be used for those who cannot be accommodated at the Inn.

Reservations will be made for officers and official delegates first, then for visitors in the order of receipt of requests for reservations. All meals will be served at Grove Park Inn.

Gamma, Zeta and Epsilon province chapters and alumnae clubs will serve as hostesses.

Trips through the Great Smoky National Park to the Settlement School at Gatlinburg will be arranged for recreation day. An added feature will be a tour of the famous Biltmore Estate, property of the Vanderbilt family.

For further announcements concerning Convention, watch for the November ARROW.

For the year 1938-1939, the Fraternity will offer one graduate fellowship with a value of \$500. This fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university, either in this country or in Europe, which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-round development of character with its resulting ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations must be in the hands of the Grand President not later than January 1, 1938.

All material must be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

\$7.50 Life Subscription to the ARROW will be continued until further notice. Send all subscriptions to Central Office.

ADVERTISING NOTICE

Business announcements of such enterprises as European tours, articles for sale, hotels, shops, etc., managed by Pi Phi will be used as regular advertising. Rates for space may be had by application to the business manager of the ARROW.

All chapter histories must reach the National Historian by April 1. They will then be considered by her for the prize award of \$25, which was announced last year.

National Committee on Loan Fund, Ruth Heseltine, chairman, will receive applications for loans at the address given in the Directory in this issue.

Calendar for both active and alumnae reports and events, and destination of various fraternity funds will be found on page II.

THE ARROW OF PI BETA PHI

SEPTEMBER, 1937

VOLUME 54

NUMBER 1

EDITORIALS

HERE is your copy of what may be called the annual report of Pi Beta Phi—and again we call to your attention the fact that few organizations ever give their members as complete an accounting as do we in this annual Information number. It deserves careful study and appreciation by every member.

From membership statistics to the last page of personals, here is food for thought, inspiration for continued interest.

For Convention this year we offer you a treat. The formal announcement of place and time appears on the Announcement page—to that the Editor wishes to add her comment. So many times we have heard Pi Phis say "I want to go to the Settlement School!" And here is your chance, not only to see the school, but to enjoy a Convention in the loveliest of surroundings besides.

Grand Council can personally vouch for the beauty and comfort of Grove Park Inn—it is the finest type of resort hotel, a picturesque stone building looking down a delightfully landscaped valley to a background of the rolling piled-up mountains of the Blue Ridge. It has only one fault—it can only accommodate 350 people!—in rooms, that is. The entire Convention will have meals there, and the Grove Park Inn accommodations will go to those making earliest reservations. Later comers will be practically as well taken care of in the Manor, a fine old hotel in a park of its own, and in various cottages which are operated by the two hotels.

Pictures, stories, and arrangements must wait for later issues; but begin now to plan to be in Asheville for Convention. You will see some of the most satisfying mountain country in the world, at its most thrilling time, with laurel and rhododendron in undreamed of profusion of beauty and color. You will spend a day traveling over the new highway through Great Smoky National Park to Gatlinburg and our own school.

Laura Thornborough, Chi Omega, long time resident in the Gatlinburg vicinity, has written a delightful book called "The Great Smoky Mountains." In it is all the information a guide book would give and in addition, such beautiful descriptions of the park, with wonderful photographs, as will make you feel you must see it all.

Even at this early date, we can promise you an air-cooled, air-conditioned special train leaving Chicago June 25, at 7 P.M., over the Big Four, and arriving at Asheville the next day at 3:30 P.M.

Come to Convention, June 26 to July 2. You will find a warm and happy welcome!

The ARROW extends the sympathy of the Fraternity to Ohio Delta chapter in the explosion and fire which resulted in the serious injury of four of the girls, and the death of a young man who tried to help them. The explosion came as the result of his attempt to relight a gasoline burner under a water heater in a summer cottage at Ruggles Beach, where the girls were having a house party. Latest reports say that none of the girls were dangerously burned, but that all will bear scars as a result.

A study of the charts in this issue will give an interesting picture of the work being done by our alumnæ clubs and the splendid province vice presidents who watch over them. Space forbids a complete analysis—but here are some interesting facts.

Three provinces, Theta, Iota, and Lambda, were 100% in their contributions to our three great national projects, the Settlement School, Loan Fund, and Endowment Fund.

Seventeen clubs reported 100% paid memberships—every Pi Phi in the town a paid member—truly an honor roll!

But there is a darker side to the picture. Let's dare to look at that! Out of the entire list of 181 clubs (we point with pride to that number!) only seventeen report an average attendance of 80% or over—the average of all clubs would be far less than that. The smallest percentage occurs in the great city clubs. Here the number of Pi Phis in the city may run high into the hundreds, the paid membership below one hundred, the average attendance even lower than that.

The Editor claims one of those large clubs as her original home, and so knows well their problems. True it is that such places have a life that is complicated in the extreme—that club and church, society and home, claim one's time. Yet why must it be Pi Beta Phi which is in the background, something very dear and permanent, to be sure, but to be brought out perhaps once a year for Founders' Day? Why do we place other clubs before Pi Beta Phi?

There seems always time for the Junior League or the Woman's Club, time for bridge clubs—why not one day or one evening a month or less for the Fraternity that has brought so much that is fine into our lives?

Very few there are among us who do not love Pi Beta Phi and the friends we have made among its members—and Pi Beta Phi asks of us all only what service we want to give.

Please, this year, let's join our local alumnae club—and more than that let's go to its meetings.

Personally, we feel we miss a great deal when we are away from home on the fourth Saturday of the month!

→ →

The Editor sends real appreciation to the chapters which have sent to her copies of their chapter news letters. Without exception they reflect credit on the girls who edit them. Please may we see more of them?

And incidentally, experience in working on such papers is an excellent qualification for positions on the Convention Daily. If you are interested, you editors, or you journalism students, will you inform the Editor of the ARROW? Will you volunteer for service on the Convention Daily?

→ → →

A word of explanation as to alumnae club letters in the ARROW—and this is especially for corresponding secretaries of clubs. The date for receipt of these letters by the alumnae club editor, Lotta Johnson Weir, is printed in the Calendar in this issue. These dates must be kept as an absolute deadline if the ARROW schedule is to be maintained. Letters reaching Mrs. Weir after she has forwarded her section of the ARROW to the Editor cannot be used, since they would be out of date as to news if saved for the following issue. Therefore, if your letter does not appear in the November issue, for instance, do not assume that it will appear in February, but write another one in time for the February issue. Please, study the Calendar! We want as many clubs represented as possible, but we cannot hereafter hold space for tardy letters. Incidentally, in this issue, we have letters from seventy-seven clubs—less than half of those on the list.

→ → →

In this issue is a most interesting report from Lois Snyder Finger, chairman of the Endowment Fund Committee. The new contest is well on its way, and in the November ARROW we shall have another race track chart, showing the progress that has been made. Completion of the fund before the coming Convention is the goal of the committee—won't you help? Surely we cannot let Pi Beta Phi do less than other fraternities have done in the matter of raising endowments!

Minutes of the Annual Meeting of Grand Council

June 7-13, 1937

THE annual meeting of Grand Council was held at the Settlement School in Gatlinburg, Tennessee, from June 7-13, 1937, all members being present.

The first order of business was the joint meeting of Grand Council and the Settlement School Committee. Those present at this meeting were the Grand President, the Grand Secretary, the ARROW Editor, the Chairman, the Treasurer, and the member on Ways and Means of the Settlement School Committee. Reports of the past year and plans for the coming year at the Settlement School were presented and discussed.

Reports of National Officers, Province Officers, and Chairmen of National Standing Committees were read and all recommendations were considered.

The suggestions of the Extension Committee were carefully considered and instructions for the coming year given.

Grand Council authorized the publication of manuals for the Chapter Recording Secretary, for Censors, and for Sponsors; and an addition to the Manual for Chapter Vice-Presidents to include instructions for her work as Chapter Parliamentarian.

After considering the Standardization and Survey reports and the recommendations of the Province Presidents, Grand Council voted to award the Balfour Cup to Oklahoma A, the Stoolman Vase to Michigan A, and the Certificate of Honorable Mention to Illinois B-A. The Fellowship award was won by Barbara Kimbrough of Washington B. The National Amy B. Onken award was given to Ella Garth Choate, Kentucky A.

Grand Council voted:

1. That four Fraternity News bulletins be continued next year.

2. That the Settlement School committee and staff be thanked for the marked success of the past year.

3. That the constitutional changes suggested by Mr. Lee be approved in general for submission to the next Convention.

4. That during the coming year a special effort be made for greater contact between the inactive alumnae and the national fraternity and that Missouri be taken as a trial state where a state chairman will be appointed to work with the Assistant to the Grand Vice-President and the Epsilon Province Vice-President in bringing about these increased contacts.

5. That a recommendation to the active chapters be that they include among their standing committees a song leader.

6. That the fraternity publish a new Directory as a regular issue of the ARROW in the fall of 1938.

7. That the Historian be asked to prepare a historical display at Convention.

8. That the fraternity no longer express disapproval of conducting the initiation ceremony on Sunday.

9. That since the majority of province presi-

dents have expressed a desire to take a short course of study of the Busey System, all province presidents be required to take the course under their respective supervisors.

10. That Central Office be requested to make a new detailed list of the contents of chapter archives.

11. That when the next edition of *Baird's Manual* appears, the Central Office purchase copies for Grand Council, for the Chairman on Extension, and for active chapters, billing each chapter for the cost of its copy.

12. That the enforcement of the all-inclusive initiation fee be deferred until July 1, 1938.

13. That grateful thanks be expressed to the Grand Treasurer for the excellent financial showing of the fraternity.

14. That the National Historian be instructed to notify chapters that all chapter histories must reach the National Historian by April 1, 1938.

Grand Council expressed its sincere appreciation to all officers and members of committees, all Pi Phi who have faithfully and efficiently done their part of the work of the fraternity, and to all members of Pi Phi for their cooperation in helping to make the past year one of progress.

Grand Council expressed its special appreciation to the Honolulu Alumnae Club for the excellent showing of the Club in spite of its few national contacts; and also, to the Washington and Philadelphia Alumnae Clubs for their cordial invitations to Convention.

The following changes in the Statutes were voted by Grand Council:

Amend Stat. III., B. Sec. 9 DUTIES OF CHAPTER HISTORIAN, by adding "e" to read:

e. To work under the direct supervision of the National Historian and to submit to her an annual report based upon her instructions.

In conformity with the present tendency of college administrators to set an age limit for chapter house and dormitory chaperons, Grand Council adopted a recommendation which amended the Statutes by adding Stat. IV., Sec. 33: RESTRICTION UPON CHAPTER HOUSE CHAPERON, to read:

Effective August 1, 1939, no chapter may employ a chaperon whose age exceeds sixty-eight years.

Amend Stat. V., Sec. 13: REINSTATEMENT, by striking out "c" and inserting a new "c" to read:

Life subscription to the ARROW, relinquished upon suspension or honorable dismissal, shall be restored upon reinstatement.

Amend Stat. II., Sec. 1: CHAPTER DELEGATES by striking out "i" and inserting a new "i" to read:

At a regular meeting of the chapter within one month from beginning of college year to make to the chapter a detailed official report covering the legislative, social, and inspirational phases of Convention. This report must be typed in duplicate, the original copy to be filed in the chapter archives and the duplicate sent to the Province President.

Amend Stat. IV., Sec. 13: ARCHIVES by inserting after "procedure" "or an authorized substitute" so that the clause will read: "Roberts Primer of Parliamentary Procedure or an authorized substitute."

Since so many members of Pi Beta Phi everywhere have requested Grand Council to hold a convention near Gatlinburg in order that they might visit the Settlement School, Grand Council, after

inspecting nearby sites and taking into consideration the inconvenience of a convention housed in two or more hotels, granted this request by voting to hold the Thirty-third Biennial Convention at Grove Park Inn in Asheville, N.C., with June 19-25, 1938, as the suggested dates. Plans for official visits to chapters were formulated.

The meeting of Grand Council was adjourned.
NITA HILL STARK, *Grand Secretary*

NATIONAL INTERFRATERNITY CONFERENCE

FRATERNITY CRITERIA

We consider the Fraternity responsible for a positive contribution to the primary functions of the Colleges and Universities, and therefore under an obligation to encourage the most complete personal development of its members, intellectual, physical, and social. Therefore, we declare:

- I That the objectives and activities of the fraternity should be in entire accord with the aims and purposes of the institutions at which it has chapters:
- II That the primary loyalty and responsibility of a student in his relations with his institution are to the institution, and that the association of any group of students as a chapter of a fraternity involves the definite responsibility of the group for the conduct of the individual:
- III That the fraternity should promote conduct consistent with good morals and good taste:
- IV That the fraternity should create an atmosphere which will stimulate substantial intellectual progress and superior intellectual achievement:
- V That the fraternity should maintain sanitary, safe, and wholesome physical conditions in the chapter house:
- VI That the fraternity should inculcate principles of sound business practice both in chapter finances and in the business relations of its members.

A few hundred copies still remain of the third printing of the Pi Beta Phi Cook Book. Single copies or large orders may be had by sending the price (fifty cents per copy) to Helen Hurd, 4359 Victoria Park Place, Los Angeles, California.

Five hundred dollars (\$500) has already been sent to the Settlement School from the proceeds of the Cook Book, and will be spent in much needed refurnishing of the Teachers' Cottage at the School.

Grand Council Reports

ANNUAL REPORT OF THE GRAND PRESIDENT

TO PI BETA PHI FRATERNITY:

"Off to the races!" With this slogan, $\Pi B \Phi$ has launched an intensive drive to complete before the coming Convention the special \$50,000 Endowment towards which \$38,000 has already been given. Surely the more than 27,000 members of the Fraternity, to whom $\Pi B \Phi$ is endeared by chapter associations and alumnae contacts and for whom life has been infinitely enriched by friends within the Fraternity, will not fail to run this race with success! $\Pi B \Phi$ is financially strong but, even though the total amount of its various endowments is large, it needs this special fund because it serves purposes not adequately provided for by other funds. Each endowment is, of course, definitely assigned to one special field and may not be diverted from it. Many fraternities hold all trust funds available in principal for chapter house loans, but $\Pi B \Phi$, except for a small assigned fund which is not a trust fund, has only this one special endowment available for such loans. The need for increased assistance in building or refinancing houses for chapters, which must have homes which compare favorably with those of their rivals and which provide adequate housing conditions, alone more than justifies any emphasis which could possibly be placed upon the need to raise this additional \$12,000 before next June. However, there is added reason for urging the completion of the fund, since its interest is available for many types of internal development. Naturally, the principal of even \$50,000 could not mean the allotting of large sums to any chapter or of relatively small sums to many chapters and the interest could not in any one year do all the things which are possible over a period of years but, even now, the partially completed fund has helped a number of chapters refinance their present houses on more favorable terms or begin greatly needed building and has made it possible for the Fraternity to give many chapters special help with problems of rushing, organizing or morale; to send officers to province and sectional conferences; to publish news bulletins for isolated alumnae, alumnae clubs, and chapters; and to add to the strength and prestige of $\Pi B \Phi$. The appreciation of the Fraternity for the \$38,000 already given is as great as is its realization of the need to complete the fund. No "quota" is set for any individual, chapter, or alumnae club, and no gift which represents true devotion to the Fraternity could possibly be considered "too small." Is it not true, however, that no gift could ever be large enough to repay the Fraternity for the riches of even one cherished friend whom you would not have had except for $\Pi B \Phi$? If you have given before, give again if that is possible for you; if you have not given, please believe that you cannot afford not to have at least some part in insuring for $\Pi B \Phi$ a continued high place among fraternities. "Finish the course" for your Fraternity!

It is not possible, ever, to speak even briefly of the Fraternity's loss in the passing of each member whose devotion and service have indelibly marked the progress of $\Pi B \Phi$, but it is not possible, either, to fail to speak of the special loss which came,

this year, in the deaths of Gail DeWolf, former Grand Secretary, and Melinda Stuart, former Treasurer of the Settlement School. What a high goal they set for every $\Pi B \Phi$ in the living of love for the Fraternity and for the friends within it!

Again this year, the Fraternity has had heart-warming proof of the cherishing of Fraternity ties in gifts to its special projects. It is with humility and pride that acknowledgement is made of a gift of \$1,700 to the Settlement School Endowment from Illinois B, a chapter which gave early and long-continued contributions to the development and strength of the Fraternity and lost its separate place on the list of chapters only to become a splendid part of Illinois B- Δ , and of bequests of \$1,000 to the Settlement School by Jessie Marie Thomas, Iowa Z, beloved former president of the Burlington Alumnae Club, and of \$500 to the Endowment Fund by Miriam Luther Stark, Texas A, esteemed Convention Initiate in 1931.

Reports for the year show that it has been one of true progress and achievement. The Grand Vice-President will speak in detail of the work of the Alumnae Department and of its splendid accomplishments. Active chapters, too, have had a year of marked success: organization has been efficient and effective; rushing has been successful not only from the standpoint of competition but also from that of quality of material chosen; initiations have set an all time high record; the place held in campus activities has been exceptional; and the standards maintained have been those which rightly represent the Fraternity. Scholarship has been unusually satisfactory. The complete report for the college year 1935-36 shows ten chapters in first place and thirty-eight of the Fraternity's seventy-nine chapters in the upper third of their comparative scholarship lists, and the incomplete report for 1936-37 shows twelve first places. Surely there is a right emphasis upon scholastic achievement and adequate help from Advisory Committees and from the Committee on Scholarship when almost fifty per cent of the active chapters have a place in that desired "upper third"!

The Balfour Cup was awarded at Grand Council meeting to Oklahoma A; the Stoolman Vase, to Michigan A; and Honorable Mention, to Illinois B- Δ . The $\Pi B \Phi$ Fellowship for 1937-38 has been granted to Barbara Kimbrough, Washington B, who was graduated from Washington State College in June with $\Phi B K$, $\Phi K \Phi$, and many other high honors to her credit. Applications for the 1938-39 Fellowship should reach the Grand President by January 1, 1938. Application blanks and full instructions will be sent by her upon request. The Fellowship is open to any graduate member of the Fraternity and may be used in America or abroad. The Amy Burnham Onken awards for the year, for individual achievements in scholarship, personality, Fraternity service and campus activity participation, have been made as follows:

National Award—Ella Garth Choate, Kentucky A, Epsilon Province.

Alpha Province East—Marion Wishart, Vermont A.

Alpha Province West—Beth Maxwell, New York A.

Beta Province—Mary Kennedy Russell, Ohio B.

Gamma Province—Marian Carlisle, Virginia A.

Delta Province—Alice Lloyd, Indiana B.

Epsilon Province—Ella Garth Choate, Kentucky

A.

Zeta Province—Eleanor Williams, Florida B.

Eta Province—Elizabeth Johnson, Illinois B-Δ.

Theta Province—Phyllis Emmons, Iowa B.

Iota Province—Eloine Cook, Wyoming A.

Kappa Province—Ruth Clark, Oklahoma A.

Lambda Province—Martha McCall, Oregon A.

Mu Province—Pauline Berg, California T.

The Fraternity's altruistic projects have received their usual splendid support. The Grand President feels a special pride and pleasure in the fact that, for the first time in several years, contributions to the Settlement School have showed an increase over those of the previous year. It was, she believes, not interest or loyalty which decreased in recent years but only ability to give or to earn for the school. This year, however, every active chapter but two and every alumnae club but ten are included in the honor list of those contributing to the Settlement School—an enviable record indeed!—and the total contributions from clubs and chapters and Magazine Agency have increased from \$15,258.32 in 1936 to \$16,725.46. A careful study of the detailed report of the Settlement School treasurer is urged in order that there may be a general understanding of the financial condition of the School, of the source of its support, and of the use which it makes of that support. It is especially gratifying to note that the Committee found it possible, this year, to reduce the School's debt to its endowment by \$3,945.59 and to retire the mortgage previously held by the Litcher-Moore Company. The Undergraduate Loan Fund Committee has again been able to grant loans to all applicants who met with the Committee's approval. Should federal funds for student aid be withdrawn or decreased, the demands upon the Loan Fund would immediately increase materially; for this reason, support for the Loan Fund is still asked for, even though the fund is at present in excellent condition. The wide-spread support given the "II B Φ Cook Book" which was published by the Los Angeles Alumnae Club means that there is a special interest in the announcement that this Alumnae Club has sent to the Settlement School \$500 from the profits of the Cook Book to be used in furnishing the Director's room and buying mattresses and other greatly needed equipment for the other bedrooms in Teachers' Cottage.

The past year was a splendid one for the Settlement School in every way! Mr. King, principal of the school and for many years a member of its staff, said last winter that there was "the best feeling and best cooperation among the staff that there had been since he had been at the school," and results were evident in an exceptionally successful school year, which culminated in the first commencement exercises for a full four-year high school in Gatlinburg. It is not hard to understand the joy and pride which the community felt in its capped and gowned graduating class! For the current year, the County has added an additional high school teacher, thus making evident its appreciation of the high service which the Settlement School is

giving. Last Winter, it was found possible to give to the community some greatly needed help in recreational direction. Mr. Andrew Huff, friend of II B Φ from the earliest days of the School, cooperated with it in bringing to Gatlinburg for two weeks a trained director who brought practical help with recreational problems and gave special training for local leaders. Words are inadequate to express the debt of gratitude which the Fraternity owes to the Settlement School Committee; to Eunice Weaver, able and beloved Director; and to the staff for their devoted giving of their best to Pi Beta Phi's great altruistic project. This year marked the end of the term of office of Charlotte Cropley Brown who has served the school so splendidly as Publicity Member and as Editor of "News From Little Pigeon." The Fraternity is poorer indeed when it loses the active service of an officer like Charlotte Brown! Her successor on the Committee is Helen Pierce Bang, who will be remembered with appreciation and affection by the hundreds of Pi Phis who knew her as Guide for the 1936 Convention.

With regret at the necessity for releasing officers whose service to the Fraternity has been so marked, II B Φ has accepted the resignations of Sarah Fisher, Assistant to the Grand Treasurer; Mildred Hood, Alpha Province East President; Charlotte Martin Fox, Alpha Province West President; Lucy Pope Auxier, Zeta Province President; Margaret Glass Altwater, Gamma Province President; and Nell Weaver Will, National Supervisor of Chapter Accounting and Supervisor of District 3, and has welcomed as their capable successors Belle Fullerton Foote, Lydia Douglas, Clara Hall Sipherd, Elizabeth Dreka, Louise Dubose Magruder, Enid Van Alstine Hayward, and Elizabeth French.

Five chapters will rejoice, this Fall, in new homes. Ohio B and New York Δ have bought and Iowa Γ, Texas A, and South Dakota A are building houses which will be outstanding for their completeness and loveliness. It is a joy to know that, with the completion of these houses, every II B Φ chapter which is allowed by college regulations to maintain a house will be entirely adequately housed.

As II B Φ's N.P.C. Delegate, the Grand President has served during the year as member of the Committee on City Panhellenics and as Chairman of the Committee on the Protection of Fraternity Insignia. She and all other members of Grand Council will attend the meeting of National Panhellenic Congress in New York, in October.

The approval of Convention for the plan of voluntary province conferences has found general expression in the enthusiastic support, during the year, of conferences in Γ, Δ, E, Z, H, Θ, I, and K Provinces. From these conferences went much in increased Fraternity knowledge, efficiency, interest, and appreciation.

Early last fall, the Grand President, assisted by the Grand Secretary and by the President and the Vice-President of Kappa Province, installed the newly chartered Louisiana Beta chapter at Louisiana State University. She has watched with satisfaction and pleasure the progress of this newest chapter of the Fraternity. During the year, she visited officially Florida A, Florida B, Florida Γ, Alabama A, Colorado A, Colorado B, Wyoming A, Utah A, Arizona A, California A, California B, California Γ, California Δ, and Nevada A; attended the Theta Province Conferences at Ames and Minneapolis and the Iota Province Conference at Colo-

rado Springs; and represented the Fraternity at the Panhellenic Conclave at Ohio Wesleyan University.

She had the privilege of being the guest of the following alumnae clubs: Jacksonville, Winter Park, De Land, Birmingham, Denver, Poudre Valley, Laramie, Cheyenne, Salt Lake City, Tucson, El Paso, San Diego, Los Angeles, Santa Monica, Pasadena, Glendale, Long Beach, Santa Barbara, Reno, Delaware, and Ames; of the Salt Lake City Panhellenic;

and of the college Panhellenics at Wyoming and Utah Universities.

For the rare and lasting joy in $\Pi B \Phi$ hospitality and friendships, and for the privilege of serving the Fraternity, the Grand President feels the deepest gratitude.

Respectfully submitted,
AMY BURNHAM ONKEN
Grand President, *Pi Beta Phi*

REPORT OF THE GRAND VICE PRESIDENT, 1937

THE INTERESTS of alumnae everywhere means a great deal to the high ranking of $\Pi B \Phi$. The alumnae clubs furnish a substantial background for the active chapters upon which they depend, always. They and the active chapters together are responsible for the functioning of the national projects. The continued alumnae enthusiasm evidences to outsiders that our fraternity holds us through the years.

This has been a good year for the alumnae department. Six new clubs have been chartered since the 1936 Convention. In Alpha province, Halifax, Nova Scotia, and the Northern New York club, centering around Canton; in Theta province, Vermillion, S.D.; in Kappa province, Texarkana, Texas-Arkansas, and in Mu province, Ogden, Utah, and Sacramento, California. Several other groups have made inquiries but have not yet become formally organized. One club, Portsmouth, Ohio, has relinquished its charter.

Many clubs have increased their national membership this year. Not a few clubs have one hundred per cent memberships from the resident *Pi Phis*. Seven of the provinces, Alpha, Gamma, Epsilon, Zeta, Eta, Kappa and Mu show a definite increase over last year's memberships and the total alumnae dues paid this year (exclusive of the Senior dues) stands at 5,169 as against 5,062 last year. The number of Seniors joining the alumnae department this year is also greater.

A new method has been tried for reaching the alumnae not having available fraternity relations through an alumnae club. A News bulletin has been issued three times during the year under the supervision of the ARROW Editor and the Assistant to the Grand Vice President. The one dollar subscription includes membership in the national alumnae department. While the response has not been general, those receiving the bulletin have been appreciative of the information it contained and the alumnae department has welcomed the new members. These bulletins have also been mailed to all alumnae clubs and fraternity officers.

The coming year still further effort will be made to reach the inactive alumnae of the fraternity. As an experiment, the Council has selected Epsilon Province in which a chairman will be appointed to work with the Province Vice President in reaching all resident alumnae and impressing them with the advantages of affiliating with the national and assisting with its projects. There are still far too many living where club associations are possible without taking advantage of them. They should be a challenge to club membership committees.

While the plan of having an Army and Navy Auxiliary to bring the *Pi Phis* of these branches closer to the fraternity even though they are re-

moved from possible club relations made some progress, it has not been the success hoped for. The experiment will be continued for another year at which time Convention may decide the future policy on this point.

Perhaps it will signify the millennium when every club and chapter contributes to all our national projects but the desire continues from year to year that such may be the case. Theta province clubs are again one hundred per cent in their donations to the Settlement School, the Loan Fund and the Endowment. Delta and Kappa province chapters are one hundred per cent in giving to all three projects and all chapters of Eta province have contributed to the Endowment Fund.

Without the voluntary contributions to the Settlement School, our efforts for the Tennessee mountaineers would soon cease. The regular club contributions show a nice increase over those of last year. Particularly pleasing are the augmented profits in Arrowcraft, due to more widespread interest and sales of Arrowcraft products. The support of the Magazine Agency by both clubs and chapters has been most gratifying. This has netted more than twenty three hundred dollars. The renewals of subscriptions already filed with additional ones will mean greater things for Gatlinburg.

The Loan Fund and the Endowment have also shared the alumnae interest. While the need of money for student loans has not been as great the past few years, it did not seem best to relinquish our support of the Fund because of possible future needs when the government lessens its assistance to the college students. As the year closes, the Endowment Fund contributions are stimulated by the announcement of the contest, the rewards of which are expenses to Convention of a representative of the leading chapter and the leading club. No alumnae club will be found wanting in this endeavor.

Though the cooperation of the clubs in supporting the national projects has been mentioned first, no less important nor appreciated has been their cooperation with province and national officers. Almost every club has a smoothly running organization serving under well-chosen officers. Club officers have been exceedingly prompt in sending their questionnaires and officers' lists at the close of the club year. Iota province deserves particular mention because its clubs have sent all questionnaires and officers' lists. Gamma, Theta and Lambda province clubs all sent their questionnaires. The prompt answering of all fraternity correspondence and the immediate and favorable response to all requests for special assistance is of inestimable value to the Province Vice President.

The national committee appointed to receive sug-

gestions for the improvement of the alumnae department will give its report at the 1938 Convention. To date it has received little material and would suggest that alumnae send their suggestions to the chairman, promptly.

The clubs located near active chapters have been doing their share in assisting the chapters. Some other clubs have each adopted a chapter for the year; this has been mutually pleasurable and beneficial.

Province or State conferences have been very general this past year, all but three having worked out successful plans for one or two day programs. Alumnae everywhere have voiced their satisfaction in these conferences which bring alumnae and actives together to discuss their problems and to arrive at solutions which will strengthen chapter and fraternity. Conferences were held in Durham, N.C. for Gamma province; in Indianapolis for Delta province; Epsilon province met in Chattanooga in June and spent one day at the Settlement School; Zeta province met in Florida; Theta province divided its province geographically with the Iowa Pi Phi meeting in Ames, Iowa, and the northern half of the province convening at Minneapolis. This latter group had the very great joy and inspiration of Mrs. Libbey's presence. Colorado Springs was hostess for Iota province; Kappa province met in San Antonio, Texas. Lambda province will have its conference in the early fall. In each instance, these conferences were presided over by the province officers and in almost every case, a national officer was also in attendance. It was the privilege of the Grand Vice President to attend the Delta province conference when returning from visits to the chapters of Alpha province East

and West. She was also able to accept the hospitality of the Chattanooga Pi Phi for a part of their conference. These conferences make her feel how small a part she plays in the functioning of the fraternity and how very important is the loyalty of the many in the fraternity.

One of the most important requirements of all alumnae clubs is the celebration of Founders' Day with the nearest chapter or chapters. The fact that we have lost one of our beloved Founders, Miss Margaret Campbell, this past year made the day seem even more significant to all. Throughout the month of April, varied and delightful were the occasions planned to celebrate the seventieth birthday of $\Pi B \Phi$. Most fortunate were the groups gathered in Minneapolis and in Seattle where Mrs. Libbey and Mrs. Soule were individually honored. What a privilege for those actives and alumnae to know these two dear Founders, personally!

The alumnae department has had a good year but that is not enough. There must continue to be progress; the alumnae department needs new clubs in every province; every club can profit by increased memberships; every alumna can do more for Pi Phi. The alumna who continues her active affiliations gains more than she gives. She acquires new friendships, she enters worthwhile activities and she has the satisfaction of knowing that she compares favorably with others in her fraternity enthusiasm.

To all those alumnae, whether officers or club members, who have contributed to this year's accomplishments in the alumnae department and thus have added to Pi Phi's strength, the Grand Vice President expresses her very grateful appreciation.

REPORT OF THE GRAND TREASURER

Peoria, Illinois
August 5, 1937

TO THE GRAND COUNCIL OF THE PI BETA PHI FRATERNITY: We have made an audit of the Cash Receipts and Expenditures of your Grand Treasurer, Mrs. Lois F. Stoolman, from July 27, 1936 to July 23, 1937.

The Cash Receipts from all sources have been entered of record, placed to the credit of the several funds and deposited in banks. The Expenditures were evidenced by checks properly entered of record and passed through the banks. The balance of Cash on Hand was reconciled with the amount as shown on deposit by the banks. The Securities belonging to the various Funds are carried on the records at cost price.

The Schedules attached hereto, as a part of this report, have been prepared from the records as closed, and we believe that they are in such form as to be self explanatory.

From our examination of the records, we are warranted in certifying that the Cash Receipts and Expenditures have been properly accounted for during the period under review, and that the attached Balance Sheet represents the true financial condition of the Pi Beta Phi Fraternity on July 23, 1937.

Respectfully submitted,

ARROW EDITOR

THE year 1936-37 has brought a marked change in the external appearance of THE ARROW, and apparently the change has done exactly what the Editor had hoped it would do. It seems to have stimulated interest in the magazine, if the wonderful letters of comment that have come in are to be taken as proof. The pictures on the cover seem well-liked, and the only adverse comment has been that three people wrote that they liked last year's wine and blue cover, for the sake of the color.

The format of the magazine has been unchanged. The type we are using is not only attractive, but has the great advantage of allowing us to use more words to the page than other type faces—especially important since space is a very difficult problem always, and no change in it is contemplated.

The paper used this year has proved very satisfactory, and its cost has been the same as the old one would have been. There has been an increase in the price of paper this year, and further increases may be looked for. When in the Northwest this spring, the Editor asked questions of various people connected with the lumber industry as to the cost of wood pulp used in paper manufacture, and found that it was increasing in price, and this will of course affect the price of paper stock, both for body and cover.

This year we have returned to our regular schedule of issues, interrupted the last two years by the publication of the History and Directory of the Fraternity. September was as usual the Information number, November Convention news, February devoted to the Alumnae, May to the active girls. The twenty-fifth anniversary of the Settlement School very appropriately coincided with the February issue. The interesting material in the "News from Little Pigeon," which was made the leading article in that number has brought much favorable comment, both from our own girls, and in the magazines of various of the fraternities which are like a barometer of the interest of our rivals in what we are doing.

The staff remains unchanged, and we hope will continue so. They have done fine work and have cooperated splendidly, and this has been especially

appreciated this year when work has been done under some difficult conditions. To them we express the deepest appreciation.

Costs of the magazine have remained about the same, with, of course, the additions that come with our normal increase in circulation—an increase this year slightly larger than last year, due to our larger number of initiates.

Two possible lines of economy have been considered—fewer cuts and fewer pages. Both seem unwise since the magazine can only serve its twofold purpose of interesting our own membership and representing us worthily before other fraternity people who see it, if kept at its highest possible attractiveness. We have, however, studied the most economical layout of our material and have effected some savings in this direction.

We have to report a year of fine cooperation and service from the George Banta Publishing Company. The better acquaintance brought out by the Editor's summer in Menasha last year has been a great help, and the Editor has to report that she has learned much of great value in a professional way and has found her work much easier in many ways in consequence.

The Editor wishes to express her most grateful appreciation to the people at Banta's who have been so kind and helpful, and especially does she wish to thank Grand Council for their kindness and patience with her during this last year. Their suggestions and contributions have been most helpful.

During the past year, the Editor has visited officially all the chapters of Lambda Province except Alberta Alpha; the following clubs, Spokane, Wenatchee, Yakima, Seattle, Tacoma, Olympia, Boise, Portland, Corvallis, Eugene, and Salem; unorganized groups in Bozeman, Pullman, and Moscow; and has made unofficial visits to District of Columbia Alpha and the Washington Alumnae Club.

It was a great privilege to take part in the Founders' Day celebration of Oregon Alpha and Beta at Eugene, to be with the Salem club on Founders' Day, to visit the grave of Nancy Black

Wallace, Founder, on that day, to meet Paul Wallace, Mrs. Wallace's son; and to attend the Founders' Day Banquet at the Town Club in Portland the same night.

For the always delightful meetings with the members of the Fraternity that these visits have meant, the Editor is most grateful.

ADELE TAYLOR ALFORD

ASSISTANT TO THE GRAND PRESIDENT

AFTER celebrating the seventieth birthday of Pi Beta Phi with many different chapters and alumnae, and after looking over the figures for this college year, no gift of prophecy is needed to be able to forecast developments for the future. The assurance of Pi Beta Phi's growth is manifest. Confidence in the future is based on the past and present spirit of the fraternity everywhere, this spirit of unity and sympathy without which nothing substantial could be accomplished, while with it everything is possible. And this has been a year with more than thirteen hundred initiates!

The supervision of pledge supervisors, rush captains, and Alumnae Advisory Committees has been the routine work of this office. What a fine type of officer the chapters have as pledge supervisors is shown by the fact that of eighty such officers all but five answered my fall letter exactly on time. Their letters have been interesting and most enlightening. The fine results of this year's rushing have been manifest and give an idea of the excellent work done by the rush captains. Both in numbers and type the pledges this year are outstanding. The fine cooperation of most of the Advisory Committees has helped the work with the active chapters. The alumnae who comprise these committees are given a service for which the fraternity is most appreciative. The chapters show what the committees do for them.

It has been the very great pleasure of the Assistant to the Grand President to visit officially Iowa

A, Iowa B, Iowa G, Iowa Z, Nebraska B, Kansas A, Kansas B, and the following alumnae clubs; Omaha, Lawrence, Lincoln, Manhattan, Mt. Pleasant, and Ames. To have had the very real joy of this Founders' Day with the St. Louis Club and Missouri Beta, with the Kansas City Club and their guests Kansas A, Kansas B, Missouri A, Nebraska B, and the nearby alumnae clubs, was a wonderful inspiration. She had the pleasure of attending the splendid Florida State Conference in Tampa and the Eta Province Conference in Madison.

Again this year, as last, the survey of initiation and pledging statistics shows continued growth in numbers. This year the number reaches thirteen hundred for initiates, the largest number ever initiated in one college year.

Total pledges this year, 1968; last year, 1842.

Total initiation this year, 1347; last year, 1237.

Sixty-six per cent of all pledges were initiated; last year the same.

Sixty-one per cent of this year's pledges were initiated; last year 59 per cent.

There were 1641 new pledges this year and 1526 last year, with 1002 initiated this year and 901 last year.

For the real happiness gained by working with the Grand President and for the help given by the splendid officers of the fraternity, the Assistant to the Grand President is most grateful.

Respectfully submitted,

FLORENCE HUNT WEBSTER

ASSISTANT TO THE GRAND VICE-PRESIDENT

EACH year sees new accomplishments and the passing of important milestones. This has been particularly true for Pi Beta Phi for the year 1936-37. The 25th birthday of the Settlement School and the 70th anniversary of our founding offered a real incentive to make the work of the year truly worthy of report.

One of the most important phases of the work of the Assistant to the Grand Vice-President is the work with the Province Vice-Presidents in organizing new alumnae clubs. This year, with our two important milestones in mind, a double effort was made to bring Pi Beta Phis together. Eighty-five letters were sent out in January to a member in each locality where the requirements for a chartered club could be met, and seventy-five letters were sent out in March. Six clubs have been chartered since June 1936, with other groups as hopeful possibilities for next year. The per cent of responses to letters sent out was somewhat disappointing, but these contacts are continued with the hope that eventually the proper persons will be reached. All those who desire closer fraternity associations are urged to write the Assistant to the Grand Vice-President.

The isolated alumnae continue to occupy the thoughts of the officers of the Alumnae Department. At the last convention it was decided that a publication to supplement THE ARROW be sent to each isolated alumna paying national alumnae dues and to each alumnae club and chapter. The Assistant to the Grand Vice-President worked with the ARROW Editor in compiling the first issue which was sent to the entire mailing list and included, of course, the highlights of Convention. Subsequent issues were sent to subscribers only and were written by the Assistant to the Grand Vice-President. It is hoped that each year will bring added subscribers for this bulletin, and more active members for the Alumnae Department.

The work of the Assistant to the Grand Vice-President for this year really began with the writing of the minutes of the Alumnae Sessions of Convention which appeared in the last INFORMATION ARROW. Following this she worked with the Director of Central Office in revising the Province Vice-Presidents' Manual and in completing the Alumnae Directory for THE ARROW.

Letters of greeting have been written to each newly chartered club, offering special assistance.

Letters have also been written to the clubs chartered last year, planning with them for their second year of club activity.

The mid year report of the Magazine Agency was sent out to the Province Presidents.

The Army and Navy Auxiliary has since its inception been under the supervision of the Assistant to the Grand Vice-President. It was hoped that members of service families might avail themselves of this opportunity for closer contact with the fraternity when they were living at stations where there is not a club, and also that the fraternity might assist in bringing Pi Beta Phi together more quickly at service posts. This effort on the part of the fraternity has met with little success.

The work with Mothers' Clubs is also the responsibility of this officer and she is pleased to report that two new clubs have been organized this year. One is in Cheyenne, Wyoming, and the other is in Edmonton, Alberta, Canada. The last mentioned club has the distinction of being the first Canadian Mothers' Club organized. There are now a total of thirty five Mothers' Clubs. The Missouri Beta Mothers' Club sent \$10.00 as a Christmas gift to the Settlement School.

The Assistant to the Grand Vice-President served as general chairman for the Delta Province Conference held in Indianapolis April 23 and 24, and was assisted by Helen Scott and Ann Jamison, Delta Province President and Vice-President. Ruth Barrett Smith was the Council representative at

the Conference. In addition to Mrs. Smith, guests of honor were Emma Harper Turner, Beatrice Stephenson Purdunn, Director of Central Office, and Rosemary Moorehead from the Settlement School.

The Assistant to the Grand Vice-President worked with Mrs. Smith in revising the annual questionnaire which is sent to alumnae club presidents. In April she wrote the monthly letter to the Province Vice-Presidents while Mrs. Smith was making fraternity visits. At the time of writing this report information is being compiled for use at the annual meeting of Grand Council.

All constitutional duties have been performed together with the requests for information or assistance from various sources which go to make the office of Assistant to the Grand Vice-President the interesting job that it is. The Assistant only hopes that she has been of some assistance to the Grand Vice-President, who is at all times a source of inspiration and help, and to the Province Vice-Presidents, whom she wishes most sincerely to thank for their cooperation and friendship. Especially does she extend her appreciation to each member of Grand Council for their help and words of encouragement. She pledges for the coming year her continued loyalty to them and to Pi Beta Phi.

Respectfully submitted,
MARIANNE REID WILD

HISTORIAN'S REPORT

PROVISION was made by the 1936 Convention for the nomination of an alumna historian for each chapter who should be responsible for writing a complete history of the chapter from its founding. The nominations for such historians have been made by the Alumnae Advisory Committees and the historians are now at work gathering data for the many chapter histories which are scheduled to be completed by May 1, 1938.

Special instructions were sent to all chapter historians during the year in order to enable them to carry out specific things relative to the chapter's history.

The annual reports of the chapter historians which tell of the year's work show that the active girls are doing splendid work in preserving the current history of the Fraternity.

OUTLINE OF PI BETA PHI HISTORY

June 1936- June 1937

The Thirty-Second Biennial Convention of Pi Beta Phi was held at the Edgewater Beach Hotel, Chicago, Illinois, June 21-27, 1936.

On October 16, 1936, Louisiana Beta was installed at Louisiana State University, Baton Rouge, Louisiana.

The year has been marked by the deaths of some of the most outstanding members of the Fraternity, including:

Oct. 11 Dr. Grace R. Hebard, Iowa Z, a nationally known writer and suffragist.

which were loaned to the National Historian for use in compiling the History of Pi Beta Phi which was published in THE ARROW, February, 1936, have been preserved in fireproof files and are being returned to the owners as fast as duplicates can be made for the permanent archives of the Historian.

I wish to recommend that everyone who has interesting data, scrapbooks, photographs, clippings, and the like relative to the history of her individual chapter, get in touch with her chapter and volunteer to assist in the writing of the local chapter history by loaning such material to the alumna historian. These chapter histories will supplement the general History of Pi Beta Phi.

REPORT OF THE NATIONAL SUPERVISOR OF CHAPTER ACCOUNTING FOR THE SCHOOL YEAR 1936-37

At Convention in June, 1936, Grand Council, in order to lighten the work of the National Supervisor of Chapter Accounting, decided to divide the work into four districts as follows:

District No. 1—Alpha, Gamma and Zeta Provinces

Supervisor—Mabel Welton Guthrie (Mrs. Randolph H.)

Thornycrest, Scarsdale, New York

District No. 2—Epsilon, Theta and Iota Provinces

Supervisor—Virginia Sandberg Hicks (Mrs. David)

848 Hinman Ave., Evanston, Illinois

District No. 3—Epsilon, Theta and Iota Provinces

Supervisor—Nell Weaver Will (Mrs. Ralph) Box 2641, Tucson, Arizona

District No. 4—Kappa, Lambda and Mu Provinces

Supervisor—Enid Van Alstine Hayward (Mrs. Harry G.)

4165 4th Avenue, Los Angeles, California

The entire four districts remained under the supervision of the National Supervisor.

In October the Fall Letter of instructions was compiled by the National Supervisor and was sent to each chapter treasurer and financial adviser. In May the Spring Letter of instructions for closing the books for the year was sent to each chapter treasurer and financial adviser.

Our delinquency problem is becoming less each year as shown with \$4088.87 owing chapters at the close of school this year. Over \$1500 of this amount is secured by negotiable notes and should be paid soon. With the continued cooperation from chapters it will be possible to cut the delinquency problem to a very low figure.

Twenty chapters showed a loss on the year due to the following reasons:

- 13 Budgets insufficient
- 4 over-expenditures
- 1 unexplained
- 2 careless or treasurer not fulfilling duties

When the above figures were compiled the final reports for the school year were on hand except

- Nova Scotia A
- South Carolina A
- Ohio B
- West Virginia A

and two chapters, California Δ and Arizona A were having audits made. Following tabulation shows the losses by districts.

A few chapters showed losses which were due to investments, which losses are not included in the above, as this office did not consider the investment as a real loss.

Due to illness it has been necessary for me to resign as National Supervisor of Chapter Accounting. In the main this office has had fine cooperation from chapter treasurers and financial advisers.

Mrs. Harry G. Hayward has been chosen to become National Supervisor and to continue as District Supervisor No. 4. Miss Miriam Graham, 5829 Woodland Road, Des Moines, Iowa, has been selected as District Supervisor No. 3.

NELL WEAVER WILL

NATIONAL SUPERVISOR OF CHAPTER ACCOUNTING DISTRICT 4

THERE seemed to be considerable confusion last year owing to the change from one supervisor to four, and because of this some of the reports were late, or were sent to the wrong place and appeared to be late. After making allowance for this, there have been only three reports late among the twenty-one chapters of Kappa, Lambda, and Mu Provinces.

Though all chapters eventually sent budgets, several made out far too late to be of any material guidance to the chapter of the supervisor. Also several chapters failed to send two copies of the

Budget Control Sheet until further request was made. It is very essential that the budgets be carefully and fully worked out before the first bills of the year are made out—and then adjusted to fit the size of the chapter in case it varies too much. Very often difficulty arises from not allowing sufficient margin between income and expense.

In District Number 4 seven chapters had no new delinquents during the whole year and ten show none at this time. Among the other eleven chapters most of the total amount still owing is found in

two or three chapters. The other chapters will probably be able to collect everything by the end of the year.

Of the twenty-one chapters, six show a loss as per the last report received totalling \$2,960.58. This will be considerably reduced by the time school closes. In one case loss is shown because of equipment or furnishings purchased. In the other cases it seems to be mostly because of inadequate budget planning and following. On the other hand, fifteen chapters show to date gains varying from \$260.00 to \$3,400.00, totalling nearly \$14,000.00.

Any figures given at this time are necessarily tentative as they are based on reports up to May 1 or April 1, or in case of those chapters on a quarterly basis, through the 3rd quarter.

All chapters have received monthly or quarterly grades either by card, or letter, if explanation was necessary, or note attached to the report returned for correction.

Chapter treasurers and presidents have been most cooperative and willing. I have found it a great pleasure to work with them.

Respectfully submitted,

ENID V. HAYWARD

MAGAZINE AGENCY

IT IS indeed a great pleasure and a most cheerful task to make the report of the National Magazine Agency for the year 1936-37, as the total in commissions is the largest of which the National Director has any record. \$2,366.48 has been sent to the Settlement School Treasurer. This amount is the actual profit.

With the great interest being shown in magazine selling in the business world, as well as in the schools, libraries, and clinics, we are building up a most unique business, and one to be proud of. This report shows that the magazine work is growing in power and that commissions from our Agency are a potent factor in the support of our school in Tennessee. The Pi Phi Agency is building up a most successful business and is leading all agencies of its kind in the United States.

We are most gratified in the response we have had from every Pi Phi member. With the new set-up of one National Director, four enthusiastic District Chairmen, and many active club agents giving their sincere cooperation, we have made the greatest stride and have had the most successful year that the Agency has any account of.

It is most interesting to note the profits from the Agency in the past ten years.

1927-28	Approximately	\$1200.00
1928-29	Approximately	1100.00
1929-30	Approximately	810.00
1930-31	Approximately	950.00
1931-32	Approximately	1500.00
1932-33	Approximately	1400.00
1933-34	Approximately	2050.00
1934-35	Approximately	2000.00
1935-36	Approximately	1450.00
1936-37	Approximately	2366.48

From 180 alumnae clubs and 75 active chapters, our Grand President, Grand Officers, and many individuals we have received our contributions. Our business profits show a wonderful increase.

In crediting the clubs, the Agency has credited the commission per club as well as per paid member. The smaller groups of from 10 to 12 members have in many cases created as much business as the larger clubs of 50 or more members. Congratulations on their success.

The active chapters are also aiding this project and their profits are most pleasing to the Agency. Our only hope is that they will become as "magazine conscious" as our alumnae and count on the income from their magazine subscriptions to increase their Settlement School contributions.

For increasing our business we must depend on

the constructive and coordinated efforts of every Pi Phi. We must marshall all members in every club to send in at least their own subscriptions if outside orders are not available. We are confident almost every Pi Phi home and family subscribe to at least one magazine. No matter how small the profit on each order it all adds to our great volume of business.

For continued success of the Magazine Agency we must have more of the type of workers we already have, an inspiring and enthusiastic committee, for the more workers in an organization the more contacts they have and the more subscriptions are obtainable.

Our subscription prices are the lowest on the markets. All club prices and special offers are available. We meet the prices of every competitor.

One special feature of our Agency is that we are allowed to place bids on large orders to hospitals, libraries, schools, clinics and etc., by writing in the information to the National Director.

Our Christmas business is greatly valued by our Agency. We have been most successful in the promptness and efficiency of our Christmas orders. There are many problems involved in this work but soon we hope these difficulties will be eliminated when our subscribers realize the amount of clerical work which must be done to place an order, also that the Agency requires three or four weeks of delivery of magazines, which is the time the publishers require of us.

As many organizations and clubs are conducting an agency similar to ours, it is necessary for every Pi Phi to adhere to the rules sent to us from the publishers. We do not allow any cut prices except those duly authorized or any irregularity in regard to subscriptions. All eyes are upon Pi Phi and we must set the standard as a most trustworthy and dependable organization. As yet many magazine agents do not adhere to all rules and there is apparently no ethics in this magazine business, but Pi Phi does adhere to all rules and regulations sent to us by our respected publishers.

Our Magazine Agency ranks the largest of all such agencies in the magazine world.

The enthusiasm of our subscribers will pave the way to many new orders and aid us in building up a list of good prospects. For the good will of our subscribers is our most valuable possession. Our reports indicate a future that is indeed promising. Our business extends everywhere and reaches every corner of the United States, Mexico, Canada, Alaska, and other surrounding territories.

There is really no limit to our growth and more

success is in store for us. As a reminder Magazine Subscriptions are now recognized as the most delightful gift.

Side-step the worry of selecting gifts, avoid the jostle of crowded stores, and save money by making this a "Magazine Year." Gift suggestions have a great appeal to our busy friends of today, for Christmas gifts, anniversaries, birthday gifts, wedding gifts, Valentine, Easter, Mother's Day, Father's Day, bridge prizes.

Many club agents are realizing that doctors, dentists and hair dressers are our best customers. We must also bear in mind magazines may be placed in 1. *Every Home*, 2. *Every Club*, 3. *Every*

School, 4. *Every Hospital, Clinic & Library*.

To these suggestions add your enthusiastic cooperation and most loyal support and watch the earnings of your agency grow.

I am deeply grateful to our Grand President, Miss Onken, who herself gives much cooperation, the Grand Officers, the officers of the Fraternity, the District Chairmen who have given most of their constructive and untiring efforts and all club chairmen for their efficient help and patience in carrying on this great project.

Following is the report of each District and the financial statement for the year 1936-37.

CENTRAL OFFICE

PI BETA PHI FRATERNITY has 1347 new initiates for the year 1936-37, an increase of over one hundred members as compared with last year, when 1237 members were initiated. When an initiation certificate is received in the Central Office it is supplied with a national number; four bright new cards are typed; an Addressograph plate is cut; a Directory is sent out; an embossed initiation certificate is filled out and mailed . . . and then a member is truly a Pi Phi in the Central Office records.

Besides the new initiate work the regular routine of the office was followed, such as mimeographing manuals, blanks, and letters; sending material to the printer for new printing and re-printing; writing up the ARROW Personals; changing addresses; distribution of supplies and blanks to chapters and officers; endeavoring to find the "lost" members.

The Central office has handled more mimeographing this year than in previous years. The equipment for mimeographing is quite adequate and more national officers are sending their mimeographing to the Central Office for distribution. New projects which were mimeographed are: the Province President's Manual, the Province Vice-Presidents' Manual, "Suggestions for Celebrating Founders' Day," Questions and Answers for the Pledge Examination.

This year the Central Office has supplied chapters with initiation robes. To date chapters have ordered six president's satin robes and 107 regular sateen robes. These robes have proven popular with the chapters. This spring a form letter was sent out to all chapters asking that they determine the number of robes they would need so that the Central Office could be having the robes made up in the summer, ready for delivery and payment in the fall. Twelve orders have come to the Central Office as a result of this letter. In most cases it is necessary to have two weeks' notice for making up the robes, but when the order is for more than thirty, additional time must be given for this work. The Central Office has collected \$427.00 for robes this year. The sateen robes cost \$3.50 per robe and the satin or president's robe costs \$6.50. A local seamstress makes the robes for the Central Office.

From August 1, 1936 through May 31, 1937, the operating expenses of the Central Office were as follows:

Salaries including Director's salary	\$2,829.25
Rent	250.00
Express and Postage	1,184.40

Miscellaneous Expense and Supplies	888.89
Telephone and Telegrams	54.54
Tax on Checks	11.33
Ribbon	98.41
Robes	206.53
Social Security Act Payments	10.40
Personal Property Taxes	22.38
Total	\$5,556.13

The expenses were higher this year than in previous years because of the handling of the initiation robes, and because of special mailings such as the isolated alumnae mailing, the Fraternity Magazines' mailing, and Endowment mailing.

The special isolated alumnae mailing was sent out October 1, 1936, to all the membership with the exception of the active members. The special mailings for the Fraternity Magazines Associated were sent out in January and February 1937. The Endowment mailing expenses have been paid in advance, and the mailing is ready to be sent out in the fall.

From August 1, 1936 through May 31, 1937, the Central Office has collected \$1,339.20 from chapters, individuals and alumnae clubs which is distributed as follows:

Songbooks	\$ 63.55
Stationery	215.50
ARROW subscriptions	45.00
Ribbon	145.34
Annual Dues	52.00
Recording Secretary's Books	35.00
Initiation Robes	427.00
Histories	8.50
Directories	10.50
Installation	45.00
Miscellaneous	291.81
Total	\$1,339.20

Subscribers to the ARROW will notice that the return postage guarantee does not appear on the ARROW wrapper except on the Information issue. It is therefore more necessary than ever that you notify the Central Office when your name or address is changed. Every time the ARROW is sent out and undelivered the post office notifies the Central Office of non-delivery. This service costs 1½ cents per notice. The Central Office then sends out postal cards to verify the address, which costs 2 cents per card. There are usually four hundred ARROWS which are undeliverable so you can see that this expense is considerable throughout the year.

Each year a complete inventory of the supplies and equipment of the Central Office is given to Grand Council. This year the Central Office was authorized to purchase a new file for the geographical section of the card file which greatly facilitates the filing of that section.

The Central Office has been fortunate in having the following Pi Beta Phi national officers as visitors this year: Lois Franklin Stoolman, Grand Treasurer; Marianne Reid Wild, Assistant to the Grand Vice President; Florence Hunt Webster,

Assistant to the Grand President; Helen Glessner Scott, Delta Province President; Agnes Hildebrand Daniel, Epsilon Province President.

In closing, the Director of the Central Office wishes to thank the members of the Grand Council and the national officers for their assistance and loyalty; and the chapters, clubs, and individuals for their kind cooperation.

Respectfully submitted,
BEATRICE S. PURDUNN
Director, Pi Beta Phi Central Office

CHAIRMAN ENDOWMENT FUND COMMITTEE

THE past year has been a busy one for the members of the Endowment Fund Committee. After much thought and careful planning the "PI PHIS ARE OFF TO THE RACES" contest was formulated and the idea was presented to the Fraternity in the May ARROW. On October 1 a letter will go out to the entire membership giving the details of the contest.

Province presidents and Province vice-presidents were contacted to ask their help in presenting this contest to their groups and to urge them to see that the Endowment Fund was given a place on all Province Conference programs. The Committee was most fortunate to be able to have Margaret Tasher Smith, publicity chairman for the Fund, present the interest idea to Pi Phis in twenty

cities while she was on a trip in the South and East. Key Pi Phis in these cities were previously contacted in order that arrangements could be made for her visit.

With the beginning of this new year the contest will be begun in earnest. Every Pi Phi will be given the opportunity to credit her pledge or contribution either to her own chapter or to her nearest alumnae club. By wholeheartedly entering into this "race," which will be equally fair to groups of all sizes, clubs and chapters will not only fill the treasury of the Endowment Fund but they will benefit from it as groups if they are among the three winning chapters and the three winning clubs. This is true because of the awards that are to be given, the winning club and the winning chapter each to be awarded the opportunity of sending a member to the 1938 Convention. The club and chapter thus rewarded should benefit because of the opportunity afforded them to have Convention "taken back" to them by one of their own members. It should benefit the Fraternity generally by creating a certain amount of Convention enthusiasm. Other awards will be fifty dollars and twenty-five dollars to clubs and chapters in second and third places. The progress of the contest will be presented in each ARROW until the 1938 Convention.

It has been a real pleasure to work out the plans for this contest with the members of the Committee and Grand Council. The plan is submitted to the membership of the Fraternity with the earnest hope that it will create the required amount of interest and enthusiasm in clubs, chapters and individuals to bring into the Fund \$12,000—the amount required to complete the desired \$50,000.

Every Pi Phi should wish a part in establishing this Fund which means so much to the development, both present and future, of the Fraternity.

Respectfully submitted,

LOIS SNYDER FINGER

On October 1 an important letter will go out to every Pi Phi from the Endowment Fund Committee. Be sure to note its contents and be one of 28,000—(or whatever the membership is at present) to respond to its appeal. Your interest and cooperation in this project will make possible both the present and future development of Pi Beta Phi.

There are only three things which clubs and chapters should bear in mind if they wish to win the greatest number of points in the Endowment Fund Contest.

1. The larger the per cent of the membership contributing, the more points the club or chapter will receive.
2. The more donations it can get from its members or from alumnae unaffiliated with a club, the more points it will receive.
3. The more money it can send in, the more points it will receive.

Every one of Pi Beta Phi's eighty active chapters has at some time contributed to the Endowment Fund. During the years 1936 and 1937 all but three of the eighty sent in a contribution. Was YOUR chapter one of the three that failed the Fraternity? Will you see that it contributes this year?

All one hundred and eighty-eight alumnae clubs of Pi Beta Phi have at some time contributed to the Endowment Fund. The largest total amount sent in by any club is \$930, contributed by the Kansas City Alumnae Club. What do you think your club's contribution should be this year?

CHAIRMAN OF THE SETTLEMENT SCHOOL COMMITTEE

July 1, 1936 to June 1, 1937

THE fine condition in which my predecessor, Frankie Cochran Hill, turned over the affairs of the Settlement School when her term of office ended has made my work as chairman much easier than it might otherwise have been. Another thing which helped was the fact that I had had one year's experience as a member of the Committee and so was familiar with the School and with the Committee work. Now at the end of my first year as chairman, I can report a year of satisfactory work with progress along many lines.

I took over the chairmanship immediately following the 1936 Convention, and my first work was arranging for and presiding at the 1936 Committee meeting which was held in Gatlinburg, June 19 to 26, 1936. A complete report of that meeting was sent to you immediately following, and a short report was printed in the September ARROW.

The work of the Committee has been divided as follows: Josephine McCleverty continued as treasurer and her watchful attention to expenditures and her efficient work as an accountant have been great factors in enabling the School and

Arrow Craft to be managed most economically and at the same time most efficiently. It is not an easy task to make a budget when certain expenditures must be covered by an uncertain income as is the case of our School. The budget of \$21,960 was made as carefully as possible and the careful supervision of Mrs. Weaver has kept various items within their estimated cost. Our alumnae contributions have come up to the anticipated total and so we are able to close the year with a balanced budget.

Charlotte Cropley Brown has edited the *News* from Little Pigeon and has made that department not only readable and informative but has given it real literary value. She expended much time and effort in collecting and editing material for the twenty-fifth anniversary number which, with over twenty-five contributors, was a valuable addition to the history of Gatlinburg and the School.

Marie Bacon Hagee, a new member of the Committee, has been a most efficient secretary. The minutes of the 1936 meeting were carefully kept and were copied and sent to the members of Grand Council and the Committee in an unusually

short time. She is cooperating with the Grand Vice-President in revising the list of "Ways of Making Money" for Alumnae Clubs.

Jeffries Green Pace, the other new member on the Committee, was not able to attend the annual meeting, but visited the School in the fall and took up her work on programs for clubs with great enthusiasm. She has put many new ideas into her work and has helped many clubs with films and other material for Settlement School programs.

In addition to the individual accomplishments enumerated above, each member has been faithful in correspondence with the chairman, has given careful consideration to all problems, and has helped to decide all questions which have come up.

As chairman of the Committee, I have given at all times my closest attention to the affairs of the School. The difficulties of distance have been overcome by telegraph, air mail, and special delivery when quick communication was necessary. Regular monthly letters and many others have been sent to the Committee and to Miss Onken. Weekly and sometimes daily communication with Mrs. Weaver has been kept up. Correspondence with other staff members and much general correspondence has been carried on.

I have tried to keep the officers, the active, and the alumnae members of the Fraternity informed about the School. Instead of the annual letter, customarily sent out by the chairman, I sent out a News Letter, gotten up in newspaper form. I edited two numbers, one in November and one in April, and Mrs. Weaver edited one in January, letting that take the place of her annual letter. Copies were sent to all clubs, province, and national officers. Although the News Letter lacks the personal touch of a letter, we feel that the news is presented in a more striking and readable way. Another change was made in sending a letter directly to chapters telling of vacancies in the School staff, instead of to Province Presidents as was formerly done. This letter, which not only listed vacancies but described the type of community work that our teachers must fit into, brought many applications. We only regret that there are not enough positions for all Pi Phis who are so earnestly interested.

I made my mid-year trip to visit the School early in November. As we had made quite a change in giving the teaching of agriculture and the supervision of the farm to the principal, the Committee and Director thought it advisable for me to make my visit in the fall. I stayed ten days, a length of time sufficient for me to get the feeling of belonging there, and time enough to get acquainted with every phase of the School and community work. I visited a class of every high school teacher and every grade room. I spent some time at the weaving building and at the shops. I went over the farm with Mr. King. With Mrs. Weaver, I visited various shops and many people in the community. Together we were able to make decisions on many problems. I made a complete report of this visit to the Committee and Grand Council.

On my way home from attending the national A.A.U.W. meeting in Savannah in March, I was able to stop for a short time at the School and so had the opportunity of talking over a number of problems with Mrs. Weaver. This was a great help in making several decisions.

One new teacher in the high school and three in the grades were the only changes in the staff

until April when the resignation of Mrs. Mary Ella McDonald was accepted, and Mrs. Ben Fleming was elected to take her place as house manager. Mrs. McDonald's service to the School as supervisor of the boarding department and house mother for the dormitory girls and boys has been greatly appreciated. All other members of the staff have worked ably and much has been accomplished by them.

Mrs. Eunice Weaver has completed her third year as director. A charming personality, executive ability, and untiring effort to be of service have made her work increasingly successful. All branches of our work have shown improvement. A detailed report of these activities will be given you by Mrs. Weaver.

The greatest change that was made in the school was the addition of the fourth year to the high school, making a regular standard high school. This required an enrollment of 75 pupils in the high school. The county paid for the extra teacher required and we equipped a chemistry laboratory for the additional science necessary. The enrollment came up to the required number and the fine graduating class of twenty-two certainly justified the additional effort and expense involved.

Mr. William King, principal, has taught agriculture and managed the farm during the past year, which arrangement was very successful but cannot be continued on account of a change in the state ruling. Mr. King is a good administrator and his work in the community is most valuable. He will continue as principal and will teach in the high school. A teacher of vocational agriculture will be employed to take that work in the high school. The Committee voted to retain Stella Huff Cox in the high school. Stella has been a valuable member of the staff, not only because of her fine teaching ability but because of her help in the community. We are glad that Ben Fleming is to continue in his position, for he is a fine teacher and his work with the young people is most valuable. The seventh and eighth grades have been taught by Pauline Torley who will return. The grade school has had a good year with Roger Ward teaching the sixth grade and supervising the discipline. Mr. Ward has coached the girls' basketball team, but he has failed to fit into the staff so will not be retained another year. Rosemary Moorhead, Illinois H, completed her second year as a grade teacher. It is with regret that her resignation has been accepted, for, in addition to her teaching, she has been a great help with the music and with the entertainments. Mary Durkee, Nevada A, is another Pi Phi who has successfully completed her second year in the grade school. She will continue her work in the grades and help with the music in the high school. Mary Glenn Walker, Tennessee A, taught the second grade and her pleasing personality and conscientious work meant much to the School. Elinor Brabson, who has been with us a number of years, continued her fine work as primary teacher.

Arrow Craft has had the most successful year in its history. Not only have 105 families been benefited by the work but the profit has now risen to such a figure that the Committee feels that a sum can be used to decrease the debt to the endowment and still leave enough reserve to carry on the increased business. Last year Grand Council accepted the recommendation that this should be

done when the Grand Treasurer and Settlement School Treasurer agreed upon the amount and the advisability. In January of this year our treasurer put \$2,500 of Arrow Craft profit into a savings account to be used for this purpose. This has now been turned over to the Endowment. Arrow Craft has expanded greatly in volume of business done without increasing the number of employees, and consequently without increasing the cost of production. Wholesale costs of materials have advanced, but this has been met by buying in large quantities and whenever possible before advances came. The use of the Woodcraft building, although entailing some extra expense in heat, light, and upkeep, has greatly facilitated the weaving work. In fact, I do not believe that this increased business could have been carried on without the increased space thus made available. This also released some space in the high school which was needed for laboratories required for the fourth year high school course. Mrs. Snow has worked very hard and very successfully in managing the sales end and Gene Redding has been most efficient in managing the production end of Arrow Craft. Pauline Requarth, Illinois H, has been a faithful and efficient bookkeeper and has been a great help to Mrs. Weaver as well. She has fitted into the staff and into the community life, and it is with regret that her resignation has been accepted. Frances Brown, Missouri F, has been elected to take her place.

The work of the Jennie Nichol Health Center has been carried on by Mrs. Marjorie Chalmers who has completed one full year and part of another in the work. She has most ably carried on the work which has increased in proportion to the increase in the size of the community and the school enrollment. She has cooperated with the county health officers and has done as much work as possible in outlying districts. The Committee consulted with the county health physician in regard to her work and secured all county assistance possible.

I began my report by saying that we have completed the year with a balanced budget. This has been made possible by the care and economy of everyone on the staff, by the efficient planning and constant supervision of the Committee, especially the treasurer, and by the generous response of the alumnae and actives in donations. Our Settlement School cannot continue without the continued interest and help of all Pi Phis. Our work in Gatlinburg is not finished. As the county is able to support the School we are not only taking what support it can give but urging it to do all it can. In the village, we are getting all the cooperation and help that the people are able to give. We are helping a community to help themselves. There is no one on relief in Gatlinburg.

The Committee feels deeply grateful to Edith

Updegraff Stephenson and her assistants, Elizabeth Newberry Motycka, Sarah Huston Fowler, and Ruth Rose Postell for the efficient management of the Magazine Agency. The year's profit reached the highest amount in the history of the Agency. We hope that all alumnae will read the report of this work as given by Mrs. Stephenson and so will gain enthusiasm to make next year's profit even greater.

The Pi Beta Phi Cook Book, gotten out by the Los Angeles Club, has already made a profit of \$700 for the School. This project, directed by Nita Day Carman, has been promoted by Alumnae Clubs all over the country, so heartfelt thanks go not only to Mrs. Carman and her committee of the Los Angeles Club but to all who assisted in the sale. The Los Angeles Club not only carried on this nation-wide project but kept up the usual money-making activities, giving, beside the Cook Book money, \$1,001.44, which was the largest donation received from any club. The Cleveland, St. Louis, Kansas City, North Shore Chicago, and Denver contributions ranked next in size. Many smaller clubs have done as well in proportion to their size and the Committee is most grateful to all for their fine work and generous gifts. The active chapters have also been most generous in their contributions.

Just at the end of the year comes the news that alumnae of Illinois B are giving \$1700 in government bonds to the Settlement School Endowment. This is a fund which Illinois B had before that chapter was combined with Illinois A and the Settlement School Endowment fund seemed the place where all Lombard Pi Phis would be happy to put the money. We are certainly most happy to receive this gift and appreciate the assistance and the interest that Illinois Beta Pi Phis have always given to the School.

I wish to extend to all members of Grand Council the grateful appreciation of the Committee for the consideration and approval of the recommendations we made at our meeting of July 1936. The Grand Vice-President, Ruth Barrett Smith, was most helpful as our Council adviser at that meeting and has continued with suggestions during the year, for which we are grateful. Our Grand President, Amy B. Onken, has continued as Grand Council Adviser to the Committee and her wide knowledge of the past and present affairs of the School, her willingness to give advice at all times, and her unflinching good judgment have been of inestimable value to me and other members of the Committee.

Thus all forces have combined to make the year most successful in every way and I am sure that the continued interest and work of all Pi Phis will make the School of even greater service in future years.

ARE YOU transferring to another college this year? If so, please notify the Committee on Transfers, the address of whose chairman appears in the Directory at the front of this issue.

PI BETA PHI SETTLEMENT SCHOOL — REPORT ON AUDIT TREASURER'S ACCOUNTS YEAR ENDED JUNE 30, 1937

July 23, 1937

Miss Josephine McCleverty, Treasurer
Pi Beta Phi Settlement School
Seattle, Washington

DEAR MISS MCCLEVERTY:

At your request we have audited your accounting records as Treasurer of the Pi Beta Phi Settlement School for the year ended June 30, 1937. We have received a copy of the report of Homer K. Jones & Co., Certified Public Accountants of Knoxville, Tennessee, covering the operations of the Settlement School and Arrow Craft Shop for the year as reflected by the accounts that are kept in Gatlinburg. We have given effect to the figures contained in this report in your books, and have prepared therefrom and submit herewith the financial statements showing the results of your operations for the year.

FIXED ASSETS

Fixed Assets, \$72,456.96, are stated at cost and depreciated values. Live stock is included at inventory value as reported from Gatlinburg.

The mortgage was paid off during the year, leaving the Settlement School entirely free of debt.

The rapid multiplication and extension of a wide variety of honorary, professional, and semi-professional societies in colleges have been a matter of concern to college administrators and officials of the general fraternities and many of the outstanding and long recognized honorary societies. The National Association of Deans and Advisers of Men, at their meeting in Philadelphia last year, heard a report on this subject presented by a committee of which Dr. J. A. Park, dean of men at Ohio State University, is chairman. He said in part:

"Assuming for the moment that scholarly endeavor or extra-curricular attainment is furthered by recognition such as is accorded by membership in the various societies under consideration, we are faced with a question for which we must immediately admit we do not have an answer, namely, exactly what standards or skills deserve recognition of this kind? Some of the older and best known societies recognize achievement in a general or professional college course. Such recognition is usually highly valued and seldom questioned, but when societies are formed not only for individual subjects of study but these subjects are again sub-divided, we reach a reduction to the point of absurdity. . . .

"Something is to be said for any device which will unite students of common interests in a relationship which will be mutually stimulating. Some of the professional societies do this, though necessarily in a circumscribed area. Honorary groups are in many cases simply mutual admiration societies. Having been elected their sole duty is to elect their successors. Incidentally, the line dividing honorary from professional groups is a very shadowy one since some so-called 'honorary' organizations are satisfied to elect to membership almost anyone able to do work of average quality. . . ."

DIRECTOR OF THE PI BETA PHI SETTLEMENT SCHOOL, 1936-37

Community

MORE and more our community takes on the appearance of the real summer resort. Though it would appear at first glance that the 1937 improvements have been tourist cabins, there are really many substantial new homes, a Swiss chalet, another large hotel, and some tea rooms which add to the beauty of the west section. During the past two years the Business Men's Club has made great effort to improve Gatlinburg and the Women's Garden Club is just beginning.

The gymnasium of our high school is still the social center and it is kept so busy and crowded that we often wish for a public community center. Christmas entertainments, class plays, picture shows, basketball games of both local and school teams, business meetings, so fill the season that chairs, benches and bleachers are in a constant state of setting up and moving out.

For the benefit of school and community we had for three weeks in February a recreational leader, Mr. Richard Seamon, sponsored by the Conference of Southern Mountain Workers and partly financed by the Kappa Delta Phi's, the service of this well qualified leader was available for a number of southern centers. With the cooperation of Mr. Huff, who offered a room for Mr. Seaman at the hotel, and with board at the school, we managed a good three weeks instruction in singing, games, play ground supervision, and the singing of folk songs.

A Girl Scout troop was organized, having for leaders Mary Glenn Walker and Pauline Torley, teachers in the school.

The Parent-Teachers Association has not failed in its efforts to provide the hot lunches for the grade children by means of rummage sales and entertainments.

School

Our school has undergone more drastic changes in 1936-7 than any of the previous ten years and we felt that these changes were necessary. With the addition of the fourth year class our high school was complete. One of the class rooms was converted into a laboratory for general science and chemistry, and economics, American history, and fourth year French were added to the other courses. There were twenty-two graduates. Five of these have made definite arrangements to attend college. Our year ended with baccalaureate sermon in the Baptist Church, class day and commencement in the gymnasium.

The seventh and eighth grades were moved into the high school building. Ceilings and upper side walls of the grade school building were painted white to bring more light into the rooms. Both buildings are still crowded. The enrollment was 365. Eighty-seven of these were high school students.

Great progress was made in certain extra-curricular activities, play production especially. The junior and senior plays would have been a credit to any school. The Christmas entertainment was divided into a day and evening performance so that all of the children could conveniently take part, for this was as usual the real thrill for the

school children. Those who were not able to attend because of the distance or illness were remembered in the distribution of Christmas baskets from the school.

Both boys' and girls' basketball teams, coached by Ben Fleming and Roger Ward, did excellent work. Games drew crowds too large to seat around the sides of the gymnasium. Both teams played in the district tournament and one boy was named on the all tournament team.

A very great help was the twenty-four dollar (\$24.00) monthly allowance from the N.Y.A., which was used to pay students for taking care of the library, washing dishes in the lunch room, cleaning up the campus, or helping in the office. Care was taken in hiring those who most needed the money.

Dormitory

There were twelve boys and eight girls in the dormitories when school opened. After the first of the year, three of the girls found homes in the Burg with families who were relatives. It was arranged that a number of students could in turn spend week ends at home, leaving enough at school to carry on the work.

During the winter months, because the dormitory was much too crowded, two boys roomed in the weaving building. An epidemic of flu and measles in February was a noticeable hindrance to school attendance.

"They appreciate all that is being done for them to make possible their education," said Mrs. McDonald, who has had supervision of the dormitories for five years, "and while many will not express themselves, you will find that all do realize and appreciate the advantages you are giving them."

A great improvement was made in the girl's dormitory, in moving the furnace from the dining room into an outside addition built to protect it. Hardwood floors were put in the dining room and kitchen.

An April 9, Mrs. McDonald gave up her position to go to the Riverside Hotel as dietitian. Mrs. Josephine Fleming then filled the position in the dormitory as manager and housekeeper, with Bess McCarter as cook.

Home Economics

The Home Economics classes under Anne Bell had an interesting year. The first year class numbering eleven, had the usual program beginning with foods, then home courtesies and personal grooming, clothing, making toys, and ending with child care, which lasted for a month.

The second year class of twelve followed the same basic plan in a more advanced way, the clothing unit ending with the making of very pretty evening dresses by the seniors for class day, and voiles and linens for the others.

The annual dinner for the staff, planned, prepared, and served by the seniors was as usual one of the most enjoyable events of the year. The favors and decorations were original and made by the freshmen.

For two weeks in April, there was an exchange of students between the freshman home economics

and agriculture classes. It is interesting to find that boys are anxious for instruction in some of the home ec subjects and they were allowed to express a preference. Eating properly, setting the table, and pressing a suit and making candy was requested by all. All were taught to make biscuits, to darn, and to make beds.

A monthly meeting was conducted for outside classes by Cornelia Bell, County Home Demonstration agent. A better homes campaign was organized by this group with Mrs. Newt Clabo as chairman. This meant the improvement of twenty-five homes in Catlinburg.

A new sewing machine was bought and the old ones mended, making in all four Singer machines.

The Home Ec. Club entertained F. F. T.'s with a party.

Agriculture

Wm. King, Agriculture
Arlie Watson, Gardner
Ambers Ogle, Stock manager

Farm management was taken over by Mr. King this year. Having lived on the place for seven years during school terms, he was familiar with conditions and routine of the school farm and being qualified to teach agriculture carried on the farm work and taught the course.

This was done as successfully as under the Smith-Hughes vocational agriculture plan of last year, though not at much time could be spent on outside classes.

There were twenty-one boys in the agriculture classes. They attended state and county fairs. At the county fair they took six first, and two second prizes on their shop work. Other prizes were taken on farm products. They also visited large creameries, dairies, and hatcheries.

The class of home economics girls exchanging with the agriculture class was taught garden making and chicken raising for two weeks.

Student labor on the farm was more satisfactory this year due to the fact that the boys were older and more experienced. They built all of the new fencing and cut all of the wood. Larger vegetable gardens have been made in order to supply C.C.C. camps and hotels.

Perhaps the most attractive scene on the farm to visitors is the wonderful Jersey herd which this season produced 125 lbs. of milk per day.

The F.F.T.'s entertained the home ec girls with a party. They also sponsored a show.

Arrow Craft

Ethel Snow, Iowa T, Arrow Craft Manager
Gene Redding, Weaving Supervisor
Georgia Duffield, Hotel Shop
Veatress Parton, Shop Assistant
Lura Owenby, Weaving Assistant

Every spring when I see new handicraft and gift shops appearing along the highway, I fear a reduction in our sales, but thus far, they have not been a serious drawback. Fine workmanship and lovely new designs seem to appeal to the discriminating.

Through our membership in the Southern Highland Handicraft Guild, which has become one of the foremost organizations of its kind in the country, we are informed of the progress handicrafts have made in the south and the importance of high

standards. Their discussions on how to keep pace with the demands of increasing tourist business are helpful. As yet, we have not benefited greatly by membership in Southern Highlanders Inc. which includes the majority of Guild members, but it has made possible the experimenting with wholesaling, cooperative buying and styling. And through its three markets, the shop at Norris Dam, the shop at Chattanooga, and the one at Rockefeller Center, New York, we have taken in during the past year an average of \$135 per month. Since the shops take a twenty-five (25) percent discount and we pay the express, very little of this is profit.

Spring vacationers and people returning from Florida are good customers and boosted the sales of the hotel branch shop to nearly \$900 for one month. Clubs have made remarkable sales this year. No matter how much stock we plan for, we seem to be low at inopportune times. Since the prices of materials have advanced, in all probability the selling price will change accordingly.

Mrs. Snow, manager of Arrow Craft Shop thinks the best free advertising the shop has had during the past year was the article in the magazine section of the Nashville *Tennessean*. The most exciting was the visit paid us by Mrs. Roosevelt, and the most far reaching was the picture of our garden basket in *Better Homes and Gardens*. I would add—the reference to our school in the *Geographic*, in Laura Thornborough's new book, "The Great Smoky Mountains," and also an order from the White House for Arrow Craft goods.

Ten prizes were taken on articles exhibited at state and county fairs.

The Weavers' Guild gave the first act of their play of last year in the University of Tennessee gymnasium, during the Southern Mountain Worker's conference. They will repeat it in June at the school and also present a new play.

Out of the efforts of the Weavers' Guild to beautify their own homes has grown the Garden Club with a membership extending from Gatlinburg to Roaring Fork in the Glades.

Until February, a class in weaving, of junior and senior girls was taught by Miss Redding. When it was found that this course could not be accredited it was discontinued and outside classes were held.

Hospital

"It is surprising to note," says Marjorie Chalmers, our nurse, "how health conscious our community is growing. It has been a gradual building up through the years." As the community grows, so does the health tabulation, as follows:

	1936-7	1935-6
Field visits	1380	1049
Office Calls	1831	1434
Individual Pupil Inspections	1343	1008
Class Room Inspections	67	59
Class Room Health Talks	166	85
Blue Ribbon Children	248	239
Surgical Dressings	1909	
Total Typhoid Shots	1408	
Completed Typhoid Inoculations	404	138
Diphtheria Immunizations	59	33
Small Pox Vaccinations	242	127
Schick Tests for Diphtheria Immunity	129	290

Our school children are always interested in the Blue Ribbon contest carried on every year by the County Health Department, for they like to march in the parade and carry the Pi Beta Phi Settlement School banner. This year we won first prize for larger schools—a silver cup, our percentage of blue

ribbons being 78.1 percent, an increase over 71.2 of last year. The nurse visited six mountain schools for inspections and inoculations.

A telephone was put in the hospital in March. This was decided upon after an emergency case of five injured people brought in at one time. There was great difficulty of communication with doctors and relatives. Night calls may now be answered more quickly. Our nurse has her living quarters in the hospital and her big white dog guards the place.

A student assisted with the office work and was paid by the National Youth Administration.

From "Friends of the Mountain Children" we received our yearly allowance of fifty dollars (\$50.00) to be used for medical treatment of children.

Office

Pauline Requarth has for the past two years kept the accounts for all departments of the school most efficiently and we deeply regret that she cannot be with us longer. It seems logical for the bookkeeper to handle the funds for organizations such as P.T.A., the movies, and local benefits of all kinds, and these have received the same careful attention as the regular business. Old Arrow Craft accounts have been cleared up satisfactorily and the same system of accounting has been carried out.

In closing, I want the members of Committee and Council to know how deeply grateful I feel to them for their patience and kindness to me in my efforts to carry out their wishes in directing the work of the school. The interest and support of officers and clubs have been constant and it is my sincere desire to have the opportunity of expressing our appreciation in person as they visit us here at the school.

Respectfully submitted,

ARROW CRAFT REPORT, 1936-37

WE ARE all happy over records broken in the year just past. That part has already been told many times so I will not dwell on it. The figures from July 1, 1936, to June 1, 1937 may be found on a separate sheet, as May first, when this is written, is a little early for that part of it. This is to be more a listing of problems so that they may be worked out wherever possible.

There were many advantages in packing the large club orders in the stock room at the weaving building. Figures show that we shipped more, but it was so much easier that it did not seem so. It was nice to fill up the boxes from the fresh stock on the shelves. The girls did almost as much carrying, except that it was the other way; from the shop to the weaving building. There were a few more mistakes made as Miss Redding had no time for direct supervision and some one has to be at the shop. Two San Jose boxes were sent to Lawrence, Kansas, which was sad. But, there are bound to be some mistakes during that hectic time before Christmas. There were times when we were out of certain things so that we either had to hold up orders or send without. That, also, will always

Recommendations for 1937

1. An agreement with the county board as to how many county teachers we are to have in our school, might prevent many difficulties. I do not think we can employ teachers who are neither county residents nor Pi Phi's after this year.

2. Unless we can afford two bookkeepers I do not advise moving our office to the shop. The farm men, nurse, housekeeper and director have business with the bookkeeper so much of the time that it would be inconvenient for all to go to the shop. Giving the director an assistant would hardly solve the problem and we do not have room for another person.

3. We have been warned by the sanitary officer that our drain at the front gate should be done away with. We can not be forced to do this but it might be a very good example to do so. We might have underground disposal. The officer has offered to help us plan, whenever convenient, a better arrangement.

4. It does not seem wise to put as many boys in the dormitory as we had this year. With Mr. King occupying one room and possibly an agriculture teacher another, only two rooms are left for boys. We can easily put a shower in the basement and with very little expense. In this way all could bathe before supper time.

5. Under building repair—Walk from teacher's cottage to weaving building. New gutters on grade school and hospital. New steps and other mending on boys dorm. Roof on farm shop. Screens on grade school (\$10 given by alumnae). Extra garage space (2). Porch (boys dorm).

6. Painting—Girl's dormitory, Boy's dormitory Grade School, gables on high school, walls in gym, at least lower portion, dining room and upper hallway (girl's dorm).

7. Purchase—Folding chairs or seats of substantial construction for gymnasium. Trade in Ford car on new one if this is best time for trade.

8. Salaries raised—Cook, Farm and stock men.

happen I fear, because having the shelves where Jean could check did not solve it. It goes back to more stock which is a hazard in more ways than one. The loss from a financial point would be greater and the moth situation begins to loom large. There have been more holes than at any time since I came. The only way to be at all sure of that situation is to spray every bit of wool weaving that comes in, and keep it where moths would not enter.

A great many of the smaller clubs were more thoughtful, and a great deal better about the returns. The balance of the large returns comes from the clubs which hold large sales each year. They want a large display and they usually do sell a great deal. I feel that also, will have to be borne with as long as they still sell sixty percent (60%) of our goods. Club problems are bound to come up with the various types of chairmen. This is more or less a repetition of past years, but by repeating my problems, I am always in hope there will be some happy solution suggested for some of them.

I am proud of the way Pauline has cleared up

many old accounts. Having the correspondence at the shop and most of the other records at the office still creates difficulties. Some of both Pauline's and my time is wasted, which is only the least important. I feel the only way to correct this is to give Mrs. Weaver a helper at the cottage, and Arrow Craft a bookkeeper who could also act as a checker on the new and old costs, and many other details.

I started to say, "petty details," and it has gotten to the place where it almost needs one person to check every tag that goes into the orders, and recheck everyone that returns. Even so, when tags are missing, as they often are on returning, it is hard to say if it should read, Nu, NB, or Bi. One sometimes wonders if we are not inconsistent in our business, paying attention to small details and allowing larger things to remain the same.

We have found that the reason some clubs have not cleared up their accounts is because they have held to the rule of "NOT RETURNABLE." A former chairman may have fancied baskets and then been unable to sell them. One club so informed me. I would suggest that the total cost prices of the baskets might be added and sent, and that much received from them, rather than have a lot of baskets returned. That, however, would start a precedent. No matter how it is handled, baskets are a problem. At that certain time of year it is impossible to fill the demand, and if we had all the baskets, to find cartons to send them in would be difficult. If we have to pay for cartons, which will have to be done if we fill even the orders received last year, it would take away that little profit we now get. Finding boxes to ship in slows us up as it is, and grows harder each year.

Letters of inquiry came from many states in the Union, and also Honolulu. There were not many

direct orders from the twenty-five or thirty letters answered, but I do know there were a number of contacts made, such as other purchases from us and from clubs in their vicinity.

Answering a letter from Honolulu I told of our club there. Mrs. Denison, the club chairman, wrote that my letter bore fruit, as she bought a number of things from them besides ordering a basket for a friend to be shipped from this shop. I also received a note of appreciation from the lady herself. And speaking of far places, one of our old lady dolls went to Vienna, Austria, not long ago.

Competition, as you all know, steadily increases. Some in the Burg have realized they have been selling too low and there is a tendency for higher prices. They are still able and willing to buy baskets at less and pay less for their weaving done by their own people. But unless we can take all the baskets and all the chairs and stools turned out by these people, there is nothing we can do about it, because, there are times when they need that little bit in order to eat.

If the customers take time to make the rounds of various shops, they all agree ours is the best as a whole. But there are a good many who make their purchases before turning the bend in the road near the Post Office. There are others who do not venture in just because our shop is of a higher class, just as there are people who always buy from a second class department store. One wonders if it is not time to recommend a new little shop at the turn of the road. Ample parking space, adequate heat, and close proximity to the Hotel might solve various problems which continue to harass at present.

WEAVING REPORT—JUNE 30, 1936 TO JUNE 1, 1937

THIS year, although the work has gone very smoothly, has not been without its problems.

One great concern of mine from the producing end is how much stock it is wise and necessary to keep on hand in order to allow the clubs the privilege of returning 50 per cent of all the weaving they take. We found last fall that it was necessary to keep invested in stock about 33 per cent more than would be required if we were doing a cash business. I realize that a cash business is impossible under our conditions but would it not help to keep down the amount of returned goods if the percentage were raised? It would help from Mrs. Snow's end as well as from mine.

Then of course it is impossible to predict the vagaries of the public. Last fall I thought I had an ample supply to fill orders only to find that some of the least expected articles went better than we thought possible, thus causing a shortage. I also had difficulty in getting some satisfactorily dyed threads that took weeks to adjust which meant a shortage in a few cases.

This brings me to the point of buying weaving materials in larger and larger quantities. I have had to run over my allotment figure in order to get some materials at all as the factories demanded large wholesale orders before shipment. Also the market prices have continued to advance so I have bought staple warps in cotton and linen to last

at least a year. This not only helps to standardize our products but will help to keep our cost prices more stable for some months to come, a most important item. In dyed threads this is quite a consideration as it is much easier to keep our dye lots separated when they are larger.

The stock room for the finished weaving has been one of the biggest helps Arrow Craft has had. We use it for tagging, storing of finished weaving, and in the fall, for shipping. Already we need more shelf space and I would recommend a moth proof closet for the woolen articles.

One of our greatest worries is the detail incurred from the cost prices. Now it is worse than ever due to the rise in the cost of materials. The same article in many instances will have to go out under three cost prices; those made entirely of old material, those of part old and part new materials and those of all new material. This is necessary to keep a balance between the physical and computed inventories. The bookkeeping is tremendous and we fear it will be impossible to keep it straight. Tags will get lost and removed and then we have no way of telling which cost price has been on the article.

The selling prices will have to advance as a result of this advance in the price of raw materials. We have no articles in our stock that have not been touched by the rise.

The monthly weaving meetings continue to be a big event in the lives of the weavers. We have had programs of a lighter nature this year as I realized the lack of the opportunity to play that so many of the weavers have. The play the weavers gave last year was so successful they have written another that they are preparing to give this June. The proceeds are being used as an emergency fund for the weavers and are administered by them.

The Gatlinburg Garden Club was started this spring under the auspices of the Weavers' Guild. It has made a splendid and enthusiastic start. The club is not confined to weavers only, but is open to all the women of Gatlinburg. It meets once a month in the high school auditorium.

The school weaving class was much more successful with the third and fourth year age group of girls than with the eighth grade. The girls were keenly interested and were sorry to give it up. The disadvantage I encountered from having the class was the lack of time to do my regular work, especially my calling, which resulted. I do my calling in the afternoons and having the class every day until 2:30 makes it hard to work with the women in the homes, especially in the winter when

the days are short. Previous to this year, the assistant has taken more time with the class than was possible this year. If this course is put in a school department in order to receive credit, it would be necessary to have Lura undertake some of the teaching to leave me free for my routine work.

When the school class was discontinued, I started two classes for the women. They received one lesson a week for eight weeks during the spring.

We had a total of 106 weavers this year, our record number. The greatest number working at one time was 97 in December. A rotating system is used so that they will all get an equal chance to work. In the time between July 1, 1936 and May 30, 1937, there were 2153 calls at the weaving building, 145 calls made in the homes, and we had an average attendance of 70 at the weaving meetings.

Lura Ownby has continued to render her faithful and efficient service. I sincerely recommend that her pay be increased from \$45.00 a month to \$50.00 a month.

JENNIE NICOL HEALTH CENTER

THE past year has been one of improvement in many ways over the year that went before. In almost every line of endeavor, there has been an increase of service, that shows how large a place the Center holds in the life of the community.

There have been a large number of sick and emergency calls, the usual rush at recess time for the treatment of burns and bruises, cuts and sores, and the visits for advice on baby care. School examinations and inoculations have been made, well baby and chest clinics have been arranged, and, whenever there was time, routine calls in the homes of school and pre-school children.

According to the county officers, the district has a good percentage of immunization for diphtheria and typhoid. It is much easier to give small-pox vaccinations than the year before. In only a few cases do we find that the children have been forbidden to have vaccination done.

Classes in Home Hygiene were taught by the Economics teacher, with a few demonstrations by the nurse. A short talk was given to the science class on First Aid, and the boys and girls thoroughly enjoyed bandaging themselves and each other. In less than a week, one of the bandages was sent back to the hospital as a First Aid dressing for a sprained ankle. The bandaging was well done, and a credit to the interest aroused by that demonstration.

Boys of the Economics class had a demonstration on bed making and each boy took his turn at the bed in the Clinic Room. Some of them were quite deft, and the boys in the Dormitory, and those who expect to work in the tourist camps, did very creditable work. Inspection of the dormitory rooms show results of that talk, and the request of house-keeper that the rooms be left in good order before school takes up.

All the schools in the district showed intense interest in the Blue Ribbon Contest, and nearly all made increase in their percentage over the preceding years. Two of them won cups this year,

Elkmont won the gold cup in the small school class with 87.2 per cent, and Gatlinburg, with 176 Blue Ribboners, won the first in the large school class. Their percentage was 78.1, a good increase over last year's 71.2.

Dentist days continue to be extremely busy, and it may be that Dr. Mayberry will find it necessary to give the community two days a month instead of one. People as a rule, do not delay calling the doctor in extreme cases, as they used to do. In fact, many of them call him quite often. But there are those who wait until the nurse insists on his advice and aid.

It seems presumptuous, in a way, this ordering of peoples' lives, just because one assumes more knowledge of life as it should be. Too deep a contemplation of one's responsibility would cause a faltering that might impair usefulness.

The days seem to pass rapidly, each with its series of problems that must be met with as much wisdom as one possesses. In spite of a decrease in population, there is an increase in work. More people are taking advantage of office hours, some because of illness, and some merely to discuss the bettering of living conditions, diet, and the like. The new outside telephone in the hospital has proved a friend indeed. Calls may be answered more quickly, or a direct call may save miles of travel. In time of emergency, the benefits are immeasurable. I wonder, now, how we managed without it.

The friendliness of the people for the Health Center seems to increase month by month. This is a great cause for satisfaction, for antagonism would surely end our usefulness.

It is surprising to note how health conscious is this community. One would have to search far and wide to find any district, rural or urban, to equal it. It has been a slow and gradual building up, one that has grown through the years, until now, the closing of the Health Center would be catastrophe, indeed.

We are always grateful for the cooperation of the doctors with whom we come in contact. Their helpfulness smooths rough going many times. Although we greatly miss Dr. Kash, who resigned his County office in November to take a position in New York City, Dr. Sauberli has shown himself to be a worthy successor. We are grateful, too, for the interest of the community, and of the members of the Fraternity. They have helped in so many ways since I came here.

Because of the spirit of unity that exists among the members of the staff, we are assured of prompt and willing aid in any emergency. But, above all, we are grateful for the sympathy and understanding of our resident director. Firm, of course, where her duties require it, she is always just and kindly, and her solicitude about our welfare, and the good of the school has endeared her to us all.

MARJORIE CHALMERS, R. N.

HOME ECONOMICS DEPARTMENT TERM—1936-1937

First Year

IN THE first year Home Economics class there was an enrollment of fourteen—eleven first year girls and three second year girls.

The first week of school a short unit on food preservation was studied. The girls canned vegetables by two methods; the use of the pressure cooker and by the intermittent process—without the cooker.

The next month there was a combination of two units, home courtesies and personal grooming. In those units we tried to establish standards for the betterment of habits of courtesy and good grooming.

The next unit was clothing-selection, construction and care of clothing. The problem was the construction of a uniform smock to be used in the unit on foods. It took six weeks to complete this unit. The girls did fine work and had neat looking smocks.

The next unit was foods—planning, preparing, and serving breakfast. In this unit the girls studied menu planning, cooked, served and ate a breakfast.

The week before Christmas there was a special unit on toys for children and presents for the family.

The freshman girls made favors and helped decorate for the Christmas dinner given to the staff.

The child care unit covered one month. In this study we tried to get a better understanding of the needs of the pre-school child, the use of various methods in guiding the child toward desirable habits and giving them the right diet for proper growth. Mrs. Chalmers demonstrated bathing the baby by using a doll.

The next unit—clothing, the selection, cutting and construction of a school dress. All the girls showed great improvement and speed in their sewing. The dresses were completed in a month. The girls did excellent work and were really proud of their dresses.

The food unit for the second semester dealt with luncheons, school lunches, suppers, and teas. The girls cooked meats, vegetables, breads, and desserts. The class as a whole cooked and served a luncheon. The girls had a tea for the adult class of women.

The unit on health of the family was next studied. Mrs. Chalmers gave a demonstration on bed making and bathing a patient in bed.

In the last unit, the house, the bedroom was studied and each girl tried to improve her own room in some way.

Second Year

In the second year class there was an enroll-

ment of twelve—six sophomore girls, one junior girl and five senior girls.

The first unit, the preserving of vegetables and fruits, the newest methods of canning was completed in two weeks.

In the clothing unit the girls planned a budget to follow throughout the year. They planned, selected and constructed a tailored wool dress. Part of the girls made over wool garments. One girl made a beautiful tailored silk dress. This combined project took seven weeks.

The foods unit, planning, preparing, and serving dinners lasted until Christmas holidays. They completed their study by preparing and serving a dinner to the staff.

In the house planning and furnishing unit the girls studied the arranging and decorating of the house, floor plans, and period furniture. The girls were very interested and made some excellent notebooks. We also visited some homes in Gatlinburg and saw some of the principles we had studied put into use.

The study of the child in the second year is different from the first in that the girls study the prenatal stage, the diet of the mother-to-be and the care of the young baby. The unit deals also with hereditary, environment, and family relationships. Mrs. Ralph Lawson bathed her baby for the second year class.

In the last half of unit on Child Care, the girls all made some garment for the baby or preschool child. Three girls made some wraps for the hospital. The others made clothes for some child in the family. One girl made a beautiful tacked comfort for a baby bed.

In the clothing unit the senior girls made evening dresses and slips for class night and the other girls made voile and linen dresses. They also studied the principles of sewing and textiles.

Mr. King taught the first year girls gardening for two weeks and I taught the boys. The boys were so very interested in all the lessons which dealt with etiquette, setting the table, cooking of biscuits and candy, darning, the pressing of a suit and making beds.

The Home Economics Club had fifteen members. We sold candy to pay our state and national club dues. The club belongs to the State and National Home Economics Student Club Association. The club entertained the F. F. T.'s during the year.

Besides the Home Economics classes, I also taught one class in Chemistry, planned the meals for the school lunch and did eighty hours of outside adult teaching.

REPORT ON DORMITORY, 1936-1937

SCHOOL opened August 24, 1936, with eight girls and twelve boys in the dormitories. Four girls and four boys were seniors, four girls and six boys were juniors, and two boys were freshmen.

In Stewart Cottage were Mr. King and the boys; in Pollard Cottage were Mrs. McDonald, Miss Durkee, Miss Torley, Bess McCarter, and the girls. Bess McCarter and her sister, Kate, have been the cooks, and Mertie Ogle has been the laundress, with assistance from the girls.

Improvements have included new floors laid in the student dining room and in the kitchen, and a new arrangement for the heating plant—the furnace moved to a small house built back of the student dining room.

On the School girls' basketball team, six dormitory girls played. All of the dormitory boys played

on either the first or second boys' team in the School. A few students were left at Christmas to help with the work—all seemed delighted to return to School after the holidays.

The boys have done all kinds of farm work—they have taken care of the stock, gotten in wood, and many other things. The girls have waited tables, washed dishes, worked in the laundry, and done house cleaning.

The dormitory student grades have on the whole been good, some making outstanding grades and only a few poor ones. With their work and activities, it is remarkable the good grades they do make.

The general atmosphere of the dormitory life has been good and all have been happy together.

PRINCIPAL'S ANNUAL REPORT, 1936-1937

SCHOOL opened on August 19, 1936 with the following teaching staff: William King, Principal, Agriculture, History; Ben Fleming, Science, French, Math.; Stella Huff, English, History; Anne Bell, Home-economics, Chemistry; Pauline Torley, Seventh and Ninth grades; Roger Ward, Fifth and Sixth grades; Mary Durkee, Fourth grade; Rosemary Moorehead, Third grade; Mary Glenn Walker, Second grade; Eleanor Brabson, First grade.

The elementary school enrollment on opening day was slightly less than last year, but the high school enrollment was 78 the first day. The enrollment and promotions by grades are as follows:

Elementary School. Although the elementary school enrollment dropped from 300 last year to 278 this year, the attendance was much more regular this year due to the open winter. The placing of a man in charge of the elementary school worked well. The general discipline in that building improved greatly. The building is still very crowded and an assembly room for chapel exercises is badly needed. The basement room under the hall was cleaned out to be used as a playroom for bad weather, but no floor has been put in yet. The walls and ceilings of the classrooms were painted a light color, which makes lighting much better in that building.

The textbooks were changed this year. The new books are a great improvement over the old ones and should be helpful in improving instruction.

High School. The fourth year of high school was added to the school this year. Twenty-four seniors were enrolled, twenty-two of whom were graduated. A laboratory was installed to teach chemistry and general science. The smallest room in the high school building was used for the laboratory room. Enough equipment was purchased to meet the minimum state requirements. Chemistry, General Science, American History, Economics, and fourth year French were added to the high school curriculum this year. Non-vocational agriculture was taught in the place of vocational agriculture. Special emphasis was placed on practical agriculture for this section.

The attitude of the high school students towards their work improved throughout the year. Most of them are serious minded and in earnest about their work.

Extra-Curricular Activities. Both the boys' and girls' basketball teams had successful seasons. The boys' team won all their games but two, and the girls won more than half their games. The boys went to the semi-finals in the district tournament. More people attended the home games than we could well accommodate. Mr. Fleming coached the boys' team and Mr. Ward the girls' team.

The local chapter of the Future Farmers of America held their regular bi-monthly meetings. They initiated sixteen new members this year, making a total of thirty members in the organization. Besides their regular meetings they had two

socials—a weiner roast in the fall and spring, having the home-economics girls as their guests. They sponsored a program "The Crazy Tennesseans," from Knoxville to make money to pay their club dues.

The Christmas programs went off nicely. The larger pupils presented their program on Thursday evening, and the primary group had theirs on Friday morning, after which the stockings were given out. The Junior class gave the play "Don't Darken My Door," in March, and the Seniors presented the three act comedy "Redheaded Stepchild," during commencement week. Both plays were well received by large crowds.

The pupils enjoyed Mr. Richard Seamen's work with us. He taught folk songs and games to the pupils. He also led songs and games at community parties, which were enjoyed by old and young.

Student Aid. Ten students received \$216 from the National Youth Administration for work at school. Two girls had charge of the library, two others washed dishes for the school lunch room, one boy worked on the campus, and others did various jobs about the school.

Commencement. Rev. O. E. Turnor from the First Baptist Church of Knoxville, preached the baccalaureate sermon, and Prof. B. O. Duggan, from the University of Tennessee, delivered the graduating address. Class night and the senior play were also part of the commencement activities.

Agriculture. Twenty-one boys were enrolled in the agriculture class this year. Eighteen of these finished the year and received credit for course. The work was divided into six units of six weeks each. These units were: 1. Horticulture, 2. Livestock and Poultry, 3. Field Crops, 4. Home Orchards, 5. Cattle enterprise, 6. Farm Management.

Shop Work. Eighteen class periods were devoted to shop work. This time was divided between familiarizing the boys with carpenter and blacksmith tools and doing useful repair work about the place. A shopwork exhibit at the County fair won six first prizes and three second prizes.

Field Trips. The agriculture class made numerous field trips during the year. Visits were made to the Sevier County, and East Tennessee fairs. Other trips included visits to packing companies, woolen mills, dairies, creamery, hatchery, lime quarry, and fertilizer factory.

Community Work. The agriculture community work had to be worked into an otherwise full program. A class for the seventh and eighth grade boys was held at Wearwood school last fall. The work consisted of rope and leather work and a little carpenter work. The chief value of this work is in interesting these boys in high school. Numerous visits were made to farms to doctor farm animals.

Farm Improvements and Changes. The chief improvements on the farm this year were the building of new fences around all the poultry yards, and a new line fence between the school and Mr. Huff's land. The sheep have been disposed of and this will be a great help to the pastures, as the sheep ate the grass so short that the steep land was beginning to wash in some places. Two Duroc Jersey gilts were purchased for breeding stock. The vegetable garden is being considerably increased this year with the hope that the surplus can be sold to the hotels and CCC Camps.

Student Labor. Student labor has been quite satisfactory this year. The older and more experienced boys required less supervision, and have done better work than could be expected from younger boys. All the wood used by the Arrow Craft Shop and the school was cut by them. They also built the new fences.

Ambers and Arlie have been agreeable to work with. Both work hard at their jobs and have the interest of the school at heart.

COMMITTEE ON EXTENSION

YOUR Committee on Extension has tried hard, since last Convention, to discover new fields that seemed to have possibilities for extension for Pi Beta Phi. Correspondence with Alumnae clubs, scattered alumnae, and national officers has been very helpful. A few inquiries were received from local groups at universities and colleges where there is not a chapter of our organization.

Inquiries as to our policy of extension were received from groups at Akron University, Berea College, Kent College, Lake Forest College, Toledo University, and Miami University.

Alumnae have written this Committee in the interests of local sororities on the campuses of the University of British Columbia, Creighton University, University of Kansas City, and Willamette University.

This Committee has sent out letters to alumnae regarding possibilities on the following campuses; Florida Southern, University of Georgia, McGill University, Queen's University, Mississippi University, North Carolina, Storrs, University of Tennessee, University of New Mexico, and Washington College in Maryland.

We feel Willamette University at Salem, Oregon, furnishes a field that may prove quite interesting as soon as National groups are permitted on the campus by the Board of Trustees of the school. The merits of the three local sororities on the campus have been investigated and alumnae in the vicinity will soon report on the possibilities of the school.

We are grateful to all Pi Beta Phis who have answered our inquiries so promptly and fully. It is

only through this method of contact that this Committee can function. Any information from other clubs or scattered alumnae on any school that might be a field for investigation, will be greatly

appreciated. Thanks must be extended, also, to all national officers who have so willingly been helpful with suggestions.

COMMITTEE ON SCHOLARSHIP 1936-1937

THIS year the Scholarship Committee has concentrated on carrying out the organization as planned by Margaret Willis Smith, last year's chairman. Some of the old blanks were improved and some new ones added to facilitate the gathering of information in time to help the chapters.

The committee also asked for assistance from Province Presidents in the matter of checking over the files of the chapter scholarship chairmen when visiting the chapter. A check list was furnished for this purpose, with the hope that this would keep materials on hand for the instruction of the new chairmen. Next year the committee is planning to send to the Province Presidents a copy of Blank No. 2, on which the scholarship standing is reported.

It is to be regretted that Mrs. Smith's hopes for an improved scholarship for 1935-1936 were not realized. The scholastic average of the whole fraternity dropped from 26 or 65 per cent in 1934-35 to 24 or 60 per cent in 1935-36. There was also a drop from fifteen to ten in the number of chapters standing first on their campus. To offset this the committee wishes to report thirty-eight chapters in the upper third on their campus. Two provinces stand very high in scholarship. Theta, with all chapters in or almost in the "Upper Third," and Zeta, with all chapters well in the "Upper Half."

Most of the chapters which were low last year are not the chapters low this year. This shows that the committee's work is effective when the information reaches them in time. In that connection, the committee would like to ask that the chapters be urged to retain their scholarship chairmen for one year. So often just when a chapter chairman begins to understand how to help the chapter a new chairman is elected who needs to learn the ropes again.

While it has been almost impossible, at the present time, to get returns on the chapter averages for the fall term of 1936, seven chapters who were not first in 1935-1936 have reported first place for the fall of 1936. This looks good for 1936-1937.

The monthly reports from the chapters to the supervisors have been most helpful in giving them an understanding of the chapter problems. The revised Form A and the new Form B makes this help available early in the term. Through the use of these and the monthly letters the supervisors have been able to make many constructive suggestions for improvement in the work.

An order blank has been prepared for use in obtaining an O.K. for the scholarship ring. While far from perfect, it has helped in ordering these rings.

The chairman regrets that the Ohio flood and its aftermath curtailed some of her anticipated activities. She hopes, however, to carry them out in the fall.

She also wishes to take this opportunity to thank her committee for their cooperation and constructive suggestions, and Grand Council for the opportunity of serving the Fraternity and the inspiration of working with them.

COMMITTEE ON TRANSFERS

THE transfer committee this year followed a new plan, determined by the adoption at convention of the recommendation: "That the responsibility for reporting Pi Beta Phi transferring from one campus to another on which there is a Pi Beta Phi chapter shall be placed on the original

chapter." New transfer blanks were issued by the Central Office, to be filled out and sent in all cases involving possible transfer contacts.

Some misunderstanding on the part of chapters necessitated more follow-up work than usual mainly because many did not understand their re-

sponsibility to answer the first letter even though they had no transfers. This difficulty can certainly be cleared up another year.

Numerically there were fewer changes reported and these in fewer localities. There were on record only seventy-nine new transfers in thirty-two chapters. These figures are rather deceiving, however, since those for previous years included transfers to schools where there is no Pi Phi chapter and in some cases those carried over for a second year. The statistics for this year represent only new transfers to campuses where there is a Pi Phi chapter.

Comments from chapters and advisory board members were consistently enthusiastic. Chapters seemed glad of an opportunity to help their members get acquainted with new friends and were

apparently most appreciative of information from other chapters giving them an introduction to girls coming to them. Advisory board members seemed to feel that such introductions were most helpful in a chapter's efforts to make the new girls feel at home and to use their talents where they fitted best.

It is hoped that another year greater familiarity with the procedure will bring better results from all chapters. Any suggestions for improvement will be greatly appreciated. The work has been pleasant, and my sincere thanks go to the grand officers, the Director of Central Office, and others who have helped so much.

Epsilon and Lambda Provinces are both 100 per cent supporters of the fund, as also are the chapters of Alpha, Delta, Eta, and Kappa Provinces, and the clubs of Theta and Iota. All but nine chapters contributed to the fund this year. We have had this good year because of the splendid cooperation I have received, and I wish to take this opportunity to thank everyone who has helped in any way.

COMMITTEE ON SOCIAL EXCHANGE

THE purpose of the committee on Social Exchange is to give the chapters material which they can use for Founders Day, Homecoming, and Rushing. Therefore, this year we adopted the plan of publishing the material in those three separate units.

The first contact with chapters was made in October, by the Chairman. The second and third contacts were made directly by the Province Supervisors. All of the material submitted was first sent to the Supervisors who sorted the material and sent the best of the reports to the Chairman. The material when sorted and organized was published by Central Office.

It is our plan to send the bulletins to the chapters when they are most needed. Therefore, the Founders' Day material was sent the first of April.

The Rushing bulletin will be sent to the Rushing Chairman this summer, and the bulletin for Homecoming will be sent to the chapters the first of the next school year. By this means we expect to insure the use of all the publications.

The chapters in general have cooperated well. Only in those provinces where the Supervisor failed to cooperate has there been a lack of cooperation on the part of the chapter. The effectiveness of the new system will be evident this next year.

I sincerely appreciate the cooperation given to me as chairman. We as a committee will be most happy to know how the chapters feel toward the new plan and will accept most heartily any suggestions for improvement on the forthcoming bulletins.

ADVISORY COMMITTEE ON CHAPTER FINANCES

THE advisory committee on chapter finances, house building and plans has had a very busy year due to the interest shown in new chapter house building. This committee has had extensive correspondence with five chapters regarding new chapter houses, and has had several inquiries regarding loans for remodeling and decorating.

The plans and financial setups of three chapters have been checked, New York Δ, Iowa Γ, and Texas A. The first two are building now and the third hopes to begin shortly. South Dakota A is having plans drawn now and hopes to build this summer.

A request was sent to all chapters owning houses for a copy of their plans to be placed in our files. The result to date has been poor, only three chapters responding with plans—Iowa Γ, Illinois Z, and Washington A.

The budgets of 74 chapters have been examined;

for the most part they were in good order, houses show an increase in girls living in them, and if chapters have abided by their budgets they should be in good financial condition at the close of the year. All chapters should exercise great care in making out next year's budget as the items of food and fuel will have to be revised considerably due to the marked rise in prices. There are still too many chapters paying too large a per cent of their total income out as rent; it is to be hoped that chapters building in the future will consider this item of rent more carefully than has been done in the past. As has been stated by this committee many times before a chapter should not be required to pay more than one fourth to one third of its total income out as rent.

COMMITTEE ON CHAPERONS

ONCE more, I have an appreciative "Thank you" for the many corresponding secretaries who sent promptly the chaperon cards and data accurately and carefully filled out. But October 1 was not quite a Perfect Day for, as usual, a few secretaries had not read or had not heeded the Arrow Calendar; of these some were quick to make good and courteous to add a pretty, "I'm sorry." To do one's work thoroughly and accurately and to be gracious are valuable habits college girls should cultivate. Let by-gones be by-gones, but see that October 1, 1937, rates that expected 100 per cent. You see, I do not hold an Arab's philosophy that only Allah is perfect.

This year there have been 17 new chaperons. No doubt they will remain as long as Pi Phi chaperons usually do, at least two years; more often two, three, four, and longer.

Of our chaperons, 8 are Pi Phis; this makes relations in these chapters all the closer between chaperon and members.

Fifty-three chapters maintain houses—not merely to solve the housing problem, but to provide real

homes for "gentlewomen," as our Bulletin phrases it. All campuses are giving more and more importance to the qualifications of their chaperons. Ames requires at least two years of college and an adequate financial background. To preside with distinction over a family of "gentlewomen," a chaperon should have fine principles, good judgment, good health, innate culture, together with educational and social experience; should be up and doing, ready with great tact and humor to meet and to mould present day tendencies. And girls should remember to be those "gentlewomen." It is a poor rule that does not work both ways. My ideal chaperon is one who is to the House what a Dean is to the college—guide, counselor, and friend. Let's hitch our Pi Phi wagon to such a star!

This committee is always glad to hear of qualified women who are interested in being Pi Phi chaperons and is glad to pass on names to chapters seeking new chaperons. Usually, however, chapters fill vacancies from among local women or those known locally.

To Grand Council who give us our House Rules, Chapter Rules, and Bulletin on Relations between Chapter and Chaperon—veritable corner stones are these little leaves!—I acknowledge my appreciation of their staunch support. To Mrs.

Stark, I wish to express my sincerest thanks for her never-failing monthly letter keeping us in touch with the work of other committees and always encouraging and inspiring us.

REPORT OF NATIONAL COMMITTEE ON ALUMNAE REORGANIZATION—1935-36

NOTE: This report was omitted by mistake from September, 1936, Information ARROW. The action taken at Convention on its recommendations will be found in the September, 1936, Information ARROW.—A.T.A.

THE committee on alumnae reorganization wishes to make the following report:

On October 30, 1935, a letter which Ruth Barrett Smith, Grand Vice-President, sent to all alumnae clubs contained this paragraph: "A national committee, newly authorized by Grand Council, is to receive and present to Convention, suggestion for an improved alumnae department." After listing the names of the committee, she continued, "Please give this committee your assistance. Mrs. Phelan asks that your suggestions be in the hands of the committee by December 1, in order to receive proper consideration." She adds, "If you are satisfied with the organization of our alumnae department as it is now, please write and tell us—if you are not satisfied, send us your suggestions for improvement."

Many clubs responded, several asking for more time in which to submit their suggestions. This, of course, was granted. On January 12, your committee again sent out a postal card to all clubs unheard from. Our final response was as follows:

Province	Responded	Not heard from
Alpha	8	4
Beta	5	15
Gamma	2	3
Delta	5	10
Epsilon	4	5
Zeta	3	8
Eta	9	11
Theta	8	6
Iota	2	12
Kappa	8	13
Lambda	4	8
Mu	7	12
Total	65	107

Of the 65 clubs responding, 35 clubs wrote merely to express their satisfaction with the present organization of our alumnae department; 15 clubs expressed their approval of our present organization, then added minor suggestions, such as closer cooperation with active chapters, fewer reports, more visits from national officers, etc.

Therefore a total of 50 clubs, actually expressed themselves as desiring no change in our present organization. Nine clubs made suggestions which would in their opinion improve our present plan or organization. Six clubs wrote endorsing plans for reorganization submitted to them by clubs actively engaged in promoting their own plans. Therefore, 15 clubs in all recommend or approve a change. Your committee went over these suggestions carefully and approved unanimously the following suggestions, and I present these as recommendations.

I. Concerning alumnae delegates to convention—this suggestion was made by Los Angeles.

a. The Alumnae delegates to any biennial convention shall be members in good standing of the respective alumnae clubs which they represent, and shall have discharged all their financial obligations therein during the last two years preceding the biennial convention to which they are delegates, or such shorter period as such clubs have been chartered.

b. Any club member in attendance at any biennial convention from a club not represented by any regular chosen delegate may be seated by vote of the convention as a delegate from such club, only after consent therefrom shall have been first obtained.

II. Concerning the Committee on Nominations—suggestion made by Los Angeles and Ann Arbor.

That we recommend to the regular session of convention that the nominating committee of five be changed from four active and one alumna members of convention to three active and two alumnae members of Convention.

III. Concerning a continuing committee—suggestion made by New York Club.

That we recommend a continuing committee be appointed at the alumnae session of convention to serve during the interim of convention and act as a clearing house for club suggestions.

The following suggestions we are listing for you. The club making them seemed anxious to have them presented but your committee could not agree unanimously upon their acceptance. In a spirit of fair play to all, I wish to submit these suggestions for your careful consideration, but wish to make clear that the committee is not unanimous in recommending these.

I. The Chicago West Suburban Club recommends a Province Conference plan. I will quote: "To supplement the biennial visits of the Province Vice-Presidents to the alumnae clubs with a Province Conference to be held in the spring of convention year. This conference shall discuss all problems relating to alumnae growth and activity of the Fraternity, its projects, and shall acquaint the clubs through its conference delegates with the issues that are to come before the convention body. Each club shall send its best qualified member to the conference which group shall elect a Province Vice-President from the membership of the Province who shall perform all the duties of that office as prescribed by the constitution.

If a club does not send a delegate to the National convention, a proxy vote may be given to the Province Vice-President who shall cast the club's vote at convention. On all issues brought up at

Convention not discussed in the Province Conference, the Province Vice-President shall use her own discretion, being responsible to the alumnae clubs.

The conference shall be planned and conducted by the outgoing PVP in cooperation with the Grand Vice-President who shall acquaint all PVPs with issues to come before the national convention and the PVP shall appoint two persons from separate clubs to present both sides of such questions with a time limit for speaking of them. Time shall also be allotted for new business, thereby giving clubs the opportunity to present new ideas. If the Province delegates approve such ideas, a committee of three shall be elected by the conference delegates to work them out for presentation of them at the national convention by the PVP. No vote will be taken on national issues since the purpose of the discussion would be informative. Any Pi Phi may attend the conference and may speak in an open discussion but only conference delegates may vote for the PVP and approval of new ideas."

The committee members voting against this plan did so because there could be no important legislation at these conferences, without making them compulsory. To do this they must be financed by the national organization or by the clubs.

Mrs. Trow worked out a cost plan for us, and suggested a tax of \$12.50 per club per year be voted for a Province Conference Fund. The majority of the committee did not wish to ask the clubs to increase their dues, nor did they wish the clubs to lessen their Settlement School donation, which they feared might result. The voluntary Province Conference which many provinces now hold was unanimously sanctioned—the planning of which is to be left to the Province.

II. Washington, D.C. suggests—"The only body having the power to make constitutional changes affecting the Fraternity as a whole shall be the combined active and alumnae session of convention." The majority of your committee approved this, and felt that some satisfactory balance of power could be worked out so that it could be an equal representation of active and alumnae delegates. The two committee members opposing it did so because they felt that it would eventually mean a taking over of the regular session of Convention by alumnae delegates. There is already a large representation of alumnae in the personnel of Convention, and this we felt was quite enough.

Ann Arbor suggested, as a substitute for the Joint Session plan, that the approval of both the regular session and the alumnae session of Convention be had on all constitutional questions affecting the Fraternity as a whole.

III. Limited tenure of office for Grand Vice-President, Assistant to the Grand Vice-President, and Province Vice-Presidents was suggested by Los Angeles and Little Rock, Arkansas.

Three consecutive terms for Grand Vice-President and Assistant to Grand Vice-President, eligible for re-election after a period of 4 years. Two con-

secutive terms for Province Vice-Presidents, eligible for re-election after a period of 4 years.

This was approved by the majority of your committee. Your chairman opposed it because her club, the Kansas City Club, feels *definitely* that this would be a very grave mistake. Pi Phi, we think, owes her enviable position in the fraternity world today to the very fine work which her officers have done. This very fine work might not have been accomplished had we had frequent changes in her officers. They feel also there is ample provision in the present plan—to limit any officer's term of office if she prove inadequate. Efficient service and that alone should be the deciding factor.

IV. Suggestions regarding the Settlement School Committee:

a. Washington, D.C. suggests: The present Settlement School committee of 5 be replaced by one person, to have complete charge of Settlement School—shall be elected at convention and be a member of Grand Council.

b. Ann Arbor and Los Angeles suggest that the Grand Vice-President be the ex-officio Grand Council member of the Settlement School committee.

c. Ann Arbor suggests that the Settlement School committee consist of 3 members instead of 5.

V. Washington, D.C. suggests:

That all reports of alumnae officers and committee chairman be printed or mimeographed and given to delegates at first meeting—none read at convention.

VI. Toronto suggests:

That important questions concerning alumnae to be presented at Convention, shall be in the hands of club secretaries by May 1 of Convention year.

VII. Hartford, Connecticut, suggests:

The director of Central Office secure services of secretary to take shorthand notes at alumnae session of convention. Those not approving this did so because of the expense involved.

We wish to explain that many suggestions coming to us were not within the province of this committee—since we are concerned with alumnae business only. On many suggestions your committee were unanimous in their disapproval. These we have omitted from our report.

Your committee has enjoyed serving you and we wish to thank Mrs. Smith and all of you for your splendid cooperation, and ask, at the termination of this Convention, this committee be officially discharged and a new committee, composed of members from clubs who have no particular plan to sponsor be appointed to continue this work during the interim of Convention.

Province Presidents' Reports

ALPHA PROVINCE EAST PRESIDENT

IT HAS been a pleasure to work with the five chapters in Alpha Province East during the past year. Vida Peene's thoughtfulness in arranging for a meeting with the Maine and Halifax Pi Phis during the summer was a material help and the conference of the Maine Alumnae at Belgrade Lake last July would have been an inspiration to any new province president.

The two Vermont chapters and Massachusetts A were visited in the Fall and Nova Scotia A and Maine A in February. Throughout the year girls in the various chapters took turns in writing a weekly letter to the province president. No group had any serious difficulties during the year and all have striven to raise their scholarship rating, while maintaining their prominence in campus activities.

The Nova Scotia Alpha chapter was somewhat smaller than usual owing to decreased enrollment in the women's college at Dalhousie University. There is a preponderance of upper classmen in the group since many girls enter with advance standing and may not be rushed during their first year. The girls are active in the college and maintain a high scholastic standing. Nova Scotia A deplors its isolation from other Pi Beta Phis and looks forward to having closer contacts with the other chapters in the province sometime.

Since the chapter was quite small last September, Maine A has had a strenuous year but the concerted effort of its alumnae and earnest work on the part of each chapter member resulted in a successful rushing season and great progress. No small part of the success was due to the untiring efforts of Lydia Douglas who returned to the University and acted as sponsor for the chapter while carrying on her studies. By arranging for quarters where girls might meet formally and informally, the alumnae and Grand Council have provided Maine A with a privilege not enjoyed by any other sorority on the Orono campus—a chapter room. Perhaps their appreciation is best expressed in the words of the chapter president who wrote, "Without doubt, Pi Beta Phi has been the greatest of my college experiences. It has been hard work this year but I am very sure it has been worth it."

Massachusetts A has just finished its second year in the new Panhellenic House where the eight N.P.C. fraternities are housed. The Panhellenic Conference, which was held at the House this Spring, brought representatives from many colleges and stimulated fraternity interest throughout the University. The College of Liberal Arts has a new Dean and Pi Phis were glad to learn of

the appointment of Ralph Taylor whom they had previously known not only as an efficient and friendly Registrar, but also as a Pi Phi father. On the campus Massachusetts A has been very prominent in activities and the girls have worked for closer contacts with their alumnae. The chapter was particularly fortunate in entertaining girls from every other chapter in its province and has benefited from contacts with Pi Phis from several more distant chapters.

Vermont A has had a good year. Middlebury College is still enjoying that era of good feeling among fraternities which followed the recent agitation, and Pi Beta Phi, with the other sororities on the campus, is proving that national fraternities can, and do, make a distinct contribution to a college. Campus honors are kept distributed at Middlebury but Pi Beta Phi is well to the fore. Vermont A entertained the Vermont B and Massachusetts A girls at Founders' Day, proving themselves generous hostesses.

Vermont B is justly proud of its successful rushing season. The chapter is the only one in this province to maintain a chapter house and has been especially fortunate this past year in having a Pi Phi housemother. The girls have been active on the campus and held several important offices. Following the Founders' Day celebration, the Vermont B girls entertained eight of the Boston Pi Phis overnight.

Contributions to the Undergraduate Loan Fund, the Endowment Fund, and the Settlement School were made by each of the five chapters, in amounts varying in proportion to the size of the chapters.

The greatest achievement in the province appears to be the closer contacts between chapters, resulting from the interchange of visits, the Christmas cooky-shine when girls from Maine A, Vermont A, and Vermont B were entertained at Boston, and the above mentioned Founders' Day celebration. At the Christmas party we were fortunate to have Charlotte Brown of the Settlement School committee with us to tell of her Gatlinburg experiences.

In conclusion, I wish to make grateful recognition of the encouragement received from Miss Onken and other officers of Pi Beta Phi; the assistance rendered by the several advisory committees, and finally, the friendly cooperation manifested by the active chapters throughout the year. It has been a pleasure to meet and know so many Pi Phis.

MILDRED HOOD

ALPHA PROVINCE WEST PRESIDENT

AS ANOTHER year draws to a close, I feel grateful and encouraged by the steady progress which is being made in this Province. This is largely due to the fine ambition and splendid cooperation of the chapters with which I have been

privileged to work. As always, the contacts with the chapters, the individual girls, and with the alumnae have been truly delightful.

I had the pleasure of being with New York Gamma chapter at St. Lawrence University for

part of the rushing season in the fall. This visit was followed by trips to Ontario B at London, Ontario, and Ontario A at Toronto in October. My visits with New York Δ and New York A were made before Christmas and after the holidays I made my really official trip to New York Γ. In every case, my chapter visits were very happy ones, due to the many kindnesses of actives and alumnae.

The chapters in this Province have continued to have some pleasant and helpful contacts with each other. For instance, three of the Ontario A girls went down to New York Γ to help with their rushing in the fall. The Ontario B and Ontario A chapters have exchanged girls for dances during the year and once last fall seventeen members of Ontario B chapter were entertained at luncheon by the Ontario A chapter in their Toronto apartment. A number of New York A girls visited the New York Δ house one week end in the fall and several of the New York Γ chapter came down to Syracuse to celebrate Founders' Day with New York A actives and alumnae. This is the second year that the Ontario B and Ontario A chapters celebrated Founders' Day together at Hamilton, Ontario, with many alumnae from that vicinity.

It is gratifying to report that all chapters contributed generously to the Settlement School Fund, the Loan Fund, and the Endowment Fund.

The Amy B. Onken award for Alpha Province West went to Beth Maxwell of Essex Fells, New Jersey, a member of New York A chapter. All chapters nominated very outstanding girls for this award.

The Province was unusually fortunate in having as its guest this spring the Grand Vice-President, Ruth Barrett Smith. All of the chapters were delighted with Mrs. Smith and found her very helpful and inspiring.

Ontario A was honored this year in having one of its members elected to the presidency of the Women's Undergraduate Association. Besides having other offices in this Association, the chapter has members on the Students' Christian Movement executive and on the executives of the different years. The chapter initiated all of its pledges this year. Two of the pledges distinguished themselves by making the college swimming team and others appeared in plays.

Ontario B continues to hold the office of Sub-Prefect, the highest office on this campus. Other honors held by this chapter are offices on Women's Council, *Gazette* and *Occidentalia* Staffs, Athletic Directorate, and the chapter holds the badminton and tennis championships. The Board of Governors Gold Medal in 4th Year German, Alumnae Association Prize in Canadian History, Board of Governor's Prize in 4th Year English, Board of Governor's Scholarship in 2nd Year Romance Languages and the Sir Wilfrid Laurier Scholarship in French were all won by Pi Phis.

New York A has had some fine honors this year. One of its members won the highest honor which can be given to any girl on the campus, that of May Queen. The chapter has seven girls on the Chapel Boards, two on the first board and five on the second, more than any other chapter on the

campus. Five Phis were among the Junior Guides of the University which is more than any other chapter has. The chapter had one of the six Junior Beauties selected. Other members of the chapter were selected to the following honorary fraternities: Π Γ Μ, Θ Σ Φ, Σ Α Ι, Σ Χ Α, Α Κ Δ. Two girls are on the staff of the *Daily Orange* and another girl was appointed to the May Queen's Court. Two Pi Phis were initiated into Α Ε Ε and the chapter has officers in Women's Senate and City Women's Club and W.A.A. Three members of the chapter are in Η Ι Τ, Senior Women's Honorary.

New York Γ is proud that one of its members was recently elected president of Panhellenic. A member of the chapter is the Co-ed editor of the University newspaper, three members are editors of the Year Book and Pi Phis are manager of Varsity basketball and president of the Literary Club. We have two girls in the honorary German Club and two in the honorary French Club.

New York Δ has a lovely new house which is considered the finest women's chapter house on the Cornell campus. Since they moved into the house this spring they have had two large receptions, one for Faculty and townspeople with Mrs. Smith as guest of honor and the second was for students and about six hundred of them attended the affair.

This chapter has the honor of having one of its members Women's editor of the Cornell *Daily Sun*. It has members of Φ Β Κ, Κ Δ Ε, Mortar Board and Raven and Serpent. Other Pi Phis are active in Glee Club, Dramatic Club, Cornell United Religious Work and *Widow Magazine*. A member of the chapter was elected chairman of Organized groups in the Women's Self Government Association and will be one of the two women to sit on the Student Council of the University.

All chapters are working hard on scholarship and are endeavoring to have every member busy in at least one campus activity. All chapters have made a point of having very interesting chapter programs this year. These programs have centered around the Fraternity and most of the chapters have also had a number of interesting outside speakers as their guests during the year. These talks have covered a wide variety of subjects.

The chapters, generally, are awake to the importance of very thorough pledge training as the basis of a strong chapter. They also see the importance of social training in the chapter. Some chapters have had their pledges give teas. All the chapters have given teas during the year, Mothers and Fathers teas, teas for alumnae or officers, interfraternity teas, faculty teas, and so forth. They have also seen the importance of entertaining university officials and friends of the chapter individually.

Again I wish to thank Grand Council for the great privilege of serving the Fraternity as Alpha Province West President. I shall always cherish the memory of this experience, as well as the many beautiful friendships which it has brought me. Working with Miss Onken has been a constant inspiration for which I am grateful.

CHARLOTTE M. FOX

BETA PROVINCE PRESIDENT

THINKING back over the year just past, I realize that the experiences and impressions of a new Province President are unforgettable. Almost at once, one catches a vision of the wisdom and meaning behind the fine organization of the Fraternity—an organization recognized in the Greek world for its merit. Soon refreshing contacts with actives and alumnae make one feel, with humility, the privilege of being a wearer of the arrow. And day by day a deep appreciation grows for the loyalty, alertness, and sheer attractiveness of the girls in our active chapters, who take each claim upon their services in their stride and come, bearing new honors for their fraternity. It has been both a privilege and a challenge to take up the work in a province as well organized and as happily shepherded as Beta Province has been under the direction of Mrs. Finger. Much of the fine record of this year has been because another has labored and we have entered into her labors.

Three of the chapters, Pennsylvania B, Pennsylvania I, and West Virginia A were visited in November, and the other three, Ohio A, Ohio B, and Ohio C, in early February. Weekly letters and a monthly report from the president helped to picture for me the life and problems of each chapter in the interim. I feel that special commendation is due the presidents of Beta Province for their fine cooperation in this. Also, I have received reports from the scholarship, activities, and other chairmen, and from pledge supervisors, which were not actually required but which were of great help to me and deeply appreciated. This generous service in time and effort was never accepted as a matter of course. The spirit of goodwill and willingness to cooperate has been a continued source of encouragement and joy, and has made every effort seem worthwhile. Every chapter has welcomed suggestions and enthusiastically worked them out according to their needs and abilities, each making definite progress in organization and national viewpoint.

Rushing results were happy, for the most part—some groups taking in only a few girls, carefully chosen, and others, because of the wealth of material, undertaking a rather formidable trust. These latter have chosen their supervisors wisely and the whole chapter has assisted them in the process of assimilation. Sixty-eight girls have already received their arrows from Beta Province chapters this year and one little girl said, after initiation, that she didn't believe that she had a kiss or a hug left, expressing that which is a familiar echo in the hearts of Pi Phi's, old and young. Beta Province has been fortunate in its pledge supervisors for the year 1936-1937.

To that ever present problem, scholarship, we bring a commendable amount of success. Pennsylvania Gamma holds first place on her campus, proudly displaying cup awards for both the active and pledge groups. Pennsylvania B and West Virginia A, each hold second place and deserve commendation for their determined climb toward the top. The other three chapters in the province are scholarship conscious and are adopting plans which will bring them on their way, speedily.

The roll of honors is too great to record here and, in mentioning the few, we are not forgetting the faithful service of many girls who have worked

in less spectacular fields in order that their chapter might be represented wherever it seemed best. Beta Province has three girls in Who's Who; one judicial president of W.S.G.A., another officer and three members; one editor-in-chief; one vice-president and eleven cabinet members of Y.W.C.A.; one chairman of Monnett Day; two presidents of K Δ II; three C.E.A.; four Chimes; six Links; three Mirror; one Cresset; two Wheel and Chain; one treasurer and four members of the Women's Senate; two Matrix; sixteen in various dramatic honoraries; and representatives in T K A, Ψ X, A K Δ, Δ Φ A, Orchestis, Θ A Φ, and in French honoraries. There are also representatives in two university school councils; five R.O.T.C. sponsors, one regimental and one band; two house presidents; one Athena board and two *Sun Dial* editors; one English Writer's club president; a senior vice-president and class secretary, and a junior class treasurer. The Φ B K and Mortar Board reports are not in as yet, so the record cannot be complete. We do feel that on each campus, Π B Φ is taking her place honorably and in a wide range of activities. All chapters are displaying the charts, and thereupon, the cumulative service of each girl to her chapter and fraternity.

This has been a banner year for two of our chapters because of the joy they are experiencing in achieving a new home. Ohio A entered a spacious, beautifully appointed house last fall, proudly displaying it to some three hundred and seventy-five guests at their housewarming in November. Ohio B is just in the exciting process of building, having purchased a lovely old home of Georgian style which is being remodelled and adapted to their needs by the architect, without destroying any of its original charm. They will have it ready for the fall rushing season, and the actives, pledges, alumnae, and mothers have been engaged, tirelessly, in the raising of money for the new house. West Virginia A is planning to redecorate and the other three chapters have attractively furnished apartments, one in a dormitory suite and the other two on the second floor of quaint old houses. Beta Province has four chaperons, all of whom have been an asset to the chapters and have aided materially in the comfort, efficiency, and attractiveness of their Π B Φ homes.

I have realized anew the value of the services of all those adults who contribute to the welfare of Π B Φ chapters, the chaperons, deans, and alumnae. Every dean was most cordial and helpful in her suggestions and none spoke ill of the girls. Several expressed a reliance upon Π B Φ to take the leadership in any projects they might have for campus improvement. And my first contacts with the alumnae committees have warmed my heart. They serve faithfully and unassumingly and have a very great share in the achievements of their chapters, not only in the conspicuous but in the less heralded and fundamentally essential fields of chapter life and duty. During the year, as the replies would come back faithfully and often accompanied by a personal note, I felt that I was not working alone—that they were "on guard" and a bulwark of dependability. It was a pleasure to see that the girls were appreciative.

Beta Province has contributed to the three funds of the Fraternity very generously and not all of the

gifts are in at this time. I feel sure that the province will be one hundred per cent in its giving, as in the past. Projects for the Endowment drive are already planned. Pennsylvania B will hold a benefit dance for the Settlement School this week and has already given an anniversary gift. Pennsylvania T made a wonderful record in the sale of Arrow Craft products and Ohio A had three generous checks in for the three funds early in the year, the first in the province.

The girls who attended Convention and those who have enjoyed personal contact with Miss Onken and other Grand Officers have a fine vision of the Fraternity nationally, evidenced in the quality of their chapter life. Through the Round Robin and an exchange of Convention reports, the ties in the province have been strengthened. I feel that in

every group there is a delightful zest for achievement and a group loyalty that can only mean forward marching.

The experiences of this year of service in $\Pi B \Phi$ have been a privilege for which I am deeply grateful. They have added much in store—of inspiration, fellowship, and happy associations. Mrs. Finger and Miss Onken have smoothed the way before me many times and to them I am deeply grateful. To the chapters and alumnae of Beta Province, to Grand Council and to Miss Onken, I would express my gratitude because you have walked down this road with me—a road so new and strange, yet so inviting. Your patience and loyal response, always, has helped me keep in step!

LUCILE DOUGLASS CARSON

GAMMA PROVINCE PRESIDENT

THE work with the chapters in Gamma Province this last year has, in every case, been very pleasant, and in most cases gratifying. In each chapter there has been a willingness to accept suggestions and the earnest desire to uphold $\Pi B \Phi$ aims and ideals. Some of course are more successful in their accomplishment of these than others.

Last year the enrollment of the chapters ranged from 14 in the smallest to 31 in the largest. This year the figures have increased to 20 members in the smallest chapter to 53 in the largest. All the pledge groups, except in one case, were considerably larger than last year. As yet none of the chapters is under the quota system, but one university is to have a form of it, which will be enforced within four years.

North Carolina A and Virginia T maintain homes. Maryland A, South Carolina A and D.C. A have apartments just off the campuses, the latter being in a Sorority Building used only for sororities. Virginia A owns a bungalow on the campus which is used for chapter purposes, and North Carolina B has a chapter room in the Panhellenic House.

There are alumnae clubs in four of the seven college towns in our Province. In each case these are very active and a great aid and asset to the chapters. All but two of our chapters have full excellent Advisory Councils and these two chapters suffer from lack of Pi Phis, save one or two, in their towns who can give their time. Great credit should be given these faithful Alumnae who serve so willingly and helpfully.

Scholarship has been very good throughout the Province. In a comparative rating with other women's fraternities on their respective campuses only one chapter ranked below third place and that chapter was fourth. One chapter this year received permanently the Panhellenic scholarship cup for having the highest average for three consecutive years. There are five Phi Beta Kappas in the province and nine "Also-Rans," girls whose scholastic average was slightly lower than that required by $\Phi B K$.

Each chapter stands very well in extracurricular

activities, some of the more important of which are: 3 members of Mortar Board, including a president and treasurer, 3 members of similar organizations, 2 Dramatic Club presidents, 1 Junior Class president, editor of a literary magazine, an assistant editor of the Year Book, editor of a school paper, 2 Dormitory presidents, 2 presidents of literary clubs, a president of a scholastic organization, a president of Y.W.C.A., a president of A K T, a chairman of all Freshman Advisers, a May Queen and 8 members of May Courts, May Day chairman, 4 listed in "Who's Who in American Colleges and Universities."

In addition to these Pi Phis have had numerous minor offices and committee appointments in the class organizations, student governments, school publications, dramatics, science organizations, foreign language clubs, literary societies, athletic associations, and music clubs.

Our Province Convention held April 24, 25 and 26 was the high-light of our year in Gamma Province. North Carolina B, of Duke University, Durham, North Carolina, was the hostess chapter. They were ably assisted by the Durham and Chapel Hill Alumnae and North Carolina A.

The convention included various social get-togethers, a cooky-shine, round table discussions, a tea, and culminated with a lovely Founders' Day Banquet carried out in the clever idea of a "Gamma Province Constellation."

Including the hostess chapter 114 actives and 30 alumnae attended the convention. It was truly a success.

It is with deep regret that I find it necessary to give up my work as Province President. I am grateful that I have been allowed these rich experiences and the privilege of serving my fraternity, whose contribution to me has been so great.

I want to express my deep appreciation to my chapters for their cooperation, to Miss Onken for her wise counsel and splendid guidance, and to all of the members of Grand Council and the Fraternity whose help has been so willingly given.

MARGARET G. ALTVATER

EPSILON PROVINCE PRESIDENT

THIS fourth year as Epsilon Province President has meant renewed friendships and continued joy in such inspirational work. I visited the five chapters early in the fall, meeting the new pledges and renewing old friendships with actives before the year's work was too far under way. This is a great help in the rest of the year's work. Knowing the girls with whom you are corresponding, knowing their pledges and the conditions of the chapter, brings a much closer relationship. As a direct result, I have received splendid cooperation from all of my chapters.

The scholastic average of each of the five chapters was raised last semester which is most encouraging. Missouri Γ won the Panhellenic Scholarship Cup for getting first place in scholarship, making an average of 2.84. Tennessee A ranked second for last semester and Kentucky A ranked fourth making an average which was little below that made by the chapter getting first place. Missouri A brought their average from twelfth to sixth place last semester; the chapter had more hours of 'E' which is equivalent to 'A' in some universities, than any other fraternity on the campus. Missouri B brought their average from eighth place to seventh. There is not a chapter where scholarship is not receiving its due importance, and the girls have become convinced that the scholastic standing of a group is an almost infallible indicator of the worth of the chapter in other respects.

Epsilon Province President is very proud of the extra-curricular honors won by chapters in her province, and is sorry that limited space does not permit her to enumerate them. A marked improvement has been made in the organization of activities committees and in encouraging active participation.

Each of the five chapters has contributed liberally to the Settlement School, to the Endowment Fund, and to the Loan Fund. In spite of the terrible flood in Louisville, Kentucky A sent their contributions, increasing the amount over that of last year.

The housing conditions in this province remain the same. Every chapter has careful financial supervision and in no case do we have any financial worries. Missouri A, the only chapter living in their chapter house, is still very proud of their lovely colonial home. Mrs. Curtis Hill who has

been their chaperon since 1926, fulfills the requirements for an excellent chaperon; she is capable of guiding college girls adequately, managing the house, and cooperating with university officials and with the alumnae. Missouri B is very proud of their chapter room in the lovely Woman's Building. The alumnae redecorated it last year for the chapter. Missouri Γ has added new furnishings to their apartment which is located directly across from the campus. Kentucky A was fortunate that the flood waters barely missed their apartment building. One entire room was redecorated this year and their apartment is very attractive. Tennessee A completely refurnished their bungalow last fall and installed all new plumbing.

Deans of Women were most complimentary and felt that our chapters were decidedly a power for good on their respective campuses. In every instance the Deans spoke of their reliance upon our chapters and their regard for particular girls.

Rushing was most successful this year. Missouri Γ is the only chapter that is forced to use the quota system. Drury College limits all of the chapters on their campus to thirty-two members counting actives and pledges. Each chapter in our province is perfecting its organization for rushing and the whole chapter has been better instructed in its duties.

The Advisory Boards have been active and a real help to the chapters. The active chapters cannot realize too strongly that wherever one finds a well balanced chapter, one finds that the assistance of the Advisory Board, so willingly proffered, has been sought and used.

To Miss Onken, Epsilon Province President cannot give enough words of appreciation for her splendid help and advice at all times and her understanding of all problems. And to all of Epsilon Province, actives and alumnae, she wishes to add her message of appreciation for their willingness to cooperate and to consider any suggestions or criticism she may have had to offer, and for the many courtesies extended throughout the year. Such marvelous spirit as exemplified in the five chapters of Epsilon Province is a challenge to any officer.

AGNES HILDEBRAND DANIEL

ZETA PROVINCE PRESIDENT

ALTHOUGH only a short time has passed since my appointment as President of Zeta Province, I have already begun to realize the duty which rests upon my shoulders and to me the meaning of $\Pi B \Phi$ has taken on a new light. I only trust that I will be able to impart to those with whom I am to work these innermost feelings, and all that $\Pi B \Phi$ stands for.

The State Biennial Convention which was attended only by the Florida actives and alumnae two years ago was enlarged this year to include Alabama A actives and alumnae making it henceforth a Biennial Province Convention. The Convention this year was held at Tampa in April, and was attended by a representative group from each chapter, Florida A, B and Γ , and Alabama A; and a large group of alumnae from over the state. Mrs.

Florence Webster, Assistant to Miss Onken, was our honor guest. Her talks were most inspiring and enlightening to our whole organization. Mrs. Webster indeed made our convention a success. This convention has done much toward bringing about a closer cooperation between alumnae and active chapters; and we have certainly gained a clearer understanding of our responsibilities to National.

Scholarship has continued about the same as last year. Alabama A still holds first place, and certainly is to be congratulated on its continued high standing; Florida A remained second for another year; Florida B dropped from second place to fifth place; this chapter is still working very hard on its scholarship standing; and Florida Γ remains in the upper third on Rollins Campus.

Florida B and Florida Γ, the only chapters in this province maintaining houses, have very fine women as chaperons, who have really made "homes" for the girls.

The Deans of Women gave most satisfactory and even complimentary reports on each chapter. They have found the members and pledges of each group to be cooperative with the college authorities, and leaders in various campus organizations.

All chapters held their usual good record in donations to the Settlement School and Endowment Fund.

The chapters in Zeta Province enjoyed a particularly successful rushing season this year. An outstanding example of this success is Florida B which pledged forty-three girls. There were only seven bids lost to other fraternities in the province. Both Florida A and Florida Γ were forced to have deferred rushing last fall, but there will be a change this year. Alabama A does a great deal of its rushing during the summer months.

In extra-curricular activities each chapter has carried its part. At Alabama A the outstanding honors were: members in several honorary fraternities, A Λ Δ, Π Γ M and Θ Σ Δ, two members on Mortar Board and Co-Ed Council, and May

Queen. Florida A had members on the Dean's List (mention for scholarship), Torch and Scroll, Π K Σ, M Ω Ξ, Σ Δ Π and Glee Club, Most attractive Girl and City Hostess at Homecoming Day. Florida B, Mortar Board president, members in A X A and X Δ Φ and newspaper staff. Florida Γ, members in Φ Society, Φ Γ M, President of the Libre (similar to Mortar Board) and Φ B. The chapters are showing real interest in campus activities and the participation should be even better next year.

The greatest problem in the province is the lack of cooperation between the alumnae advisory boards and the chapters. There is no doubt that the Province Convention has done much to create a better understanding between the two. It is sincerely hoped that this situation will show great improvement next year.

The work has indeed been a real pleasure for the Province President, and she has particularly enjoyed making the acquaintance of her four chapters who have so eagerly cooperated in every possible way. To Miss Onken and my predecessor, Lucy Pope Auxier, I wish to express my deepest appreciation and gratitude for their helpful suggestions and personal interest.

BLANCHE ELIZABETH DREKA

ETA PROVINCE PRESIDENT

WISCONSIN A, Wisconsin B, Illinois E, Illinois Z, and Illinois H were visited in the fall, but since Illinois A and Illinois B-Δ are so near and seen often during the year, they were not visited until this spring. We were very privileged to have the National Convention in our province which is a great advantage. The year following Convention, its inspiration is very evident in the chapters, and of course this time, a large per cent of the actives in this province could attend.

Illinois B-Δ and Illinois Z are both, again, first on the campus in scholarship. They have wonderful records. Another chapter came from 19th place to 7th, surely showing what can be done; and another is in second place, so we have a very creditable record. Seventy-four per cent of the girls pledged in this province in the fall were initiated in February. Every chapter has a scholarship program and all make an effort for creditable grades.

We have nine Phi Beta Kappas this year on the five campuses where there is a Φ B K chapter. In the other two schools, one girl from each chapter has been elected to the equivalent to Φ B K on that campus. We have seven elected to Mortar Board on four campuses that have Mortar Board. Illinois B-Δ has five of the six chosen for Mortar Board on their campus. Three chapters have college publication editors and one a business manager, one has a president and another the secretary of Y.W.C.A. There are two chapters with presidents of W.S.G.A., two with treasurers and one a secretary of W.S.G.A. One chapter has a W.A.A. president and one the W.A.A. manager. Some chapters have social honors such as a Prom Queen, an inter-fraternity queen, a beauty queen, a Junior Prom chairman, one girl led Junior Prom;

two chapters won the first prize for house decorations at Homecoming, and in both cases the pledges were responsible, one won the first prize for their stunt at the College Frolic at Homecoming time, the Wisconsin Π B Φ trio you heard at Convention sang at the Beloit College Founders' Day in Chicago and Milwaukee and one chapter has already won the College Sing, with six others to hear from. Many have class officers and committee chairmen, etc., making a very remarkable record for the province.

The chapters in this Province gave 100 per cent to the Settlement School, the Endowment Fund and the Loan Fund. This report would not be complete without giving much credit to the alumnae advisory committee. In every case, they are most helpful, all interested, and understanding, and give much in time and counsel to the chapter.

Wisconsin A and Illinois Z are both doing quite extensive remodeling on their houses. They both have fine locations and with new improvements will have delightful homes.

The Dean's reports have been very satisfying and inspiring. It is a real privilege to be working for such a wonderful fraternity, and with groups of girls so well qualified to carry on the work.

This year was held our second Province Conference. Wisconsin A was the hostess chapter and on April 30, and May 1, representatives from every chapter in the province and many of the alumnae clubs gathered for an inspiring celebration of Founders' Day, an instructive discussion program and a delightful cooky-shine in the chapter house, a very happy occasion for all who attended.

INEZ WEBSTER

THETA PROVINCE PRESIDENT

THIS year has given me a greater knowledge of our fraternity and of this province, and as a result a greater delight in my work as province president. I wish to take this opportunity to thank all the girls for having made this office such an enjoyable experience through their friendship and cooperation.

The Iowa chapters had the inspiration from Mrs. Webster, Assistant to the Grand President, in her visit to them in the fall. At that time, I visited Minnesota A, North Dakota A, and Manitoba A, leaving my visit to the Iowa chapters until the spring, when it was also my privilege to attend two province conferences, Iowa State Day at Ames, April 24, and Theta Province North Conference at Minneapolis, May 1, both of which were very successful. At the latter, we had the honor of Mrs. Libbey's presence, and at both, the honor of Miss Onken's.

Scholarship has been improved throughout the province. Two chapters raised their average, three raised their average and standing, and two stood first on their campuses, one of which gained permanent possession of the campus scholarship cup. One group's pledges stood first among all pledges on the campus. Another group initiated all its pledges. There are two Phi Beta Kappas, two Pi Lambda Thetas, one Iota Pi, two Epsilon Sigmas, three Phi Kappa Phis, three Phi Delta Phis, three Omicron Nus, one Pi Gamma Mu, three different scholarships, and several other scholastic honors in the province.

Rushing was very successful on the whole, but it is felt it can be improved by rushing training for the new members, and programs along that line have been carried out in the chapters, this spring. A large percentage of pledges were initiated. Pledge supervision was in the hands of very capable officers.

Five of the chapters have houses, the other two, rooms. One of the chapters which maintains

a room tried an interesting experiment with five other groups on its campus. They took a house together, each having a room in it with a common room for all. The experiment proved successful financially and otherwise. All houses and rooms have had improvements made to them in the way of furnishings and redecorating. One of the chapters is to have a new house by the fall of this year.

Conferences with the Deans of Women have been very enjoyable and it has been gratifying to learn that on all campuses are our chapters placed as outstanding and leading groups which gives us added responsibility to maintain this high standard.

All but ten girls in the province had some extra-curricular activity, and the interest and achievement on the part of the various chapters has been very fine. There have been a large number of honors reported among which were five Mortar Boards one of whom was president; three presidents of Y.W.C.A., one Who's Who, president of A.W.S., four editors, two queens, two beauties, and other miscellaneous honors.

The chapters contributed one hundred per cent to the Settlement School, Endowment Fund, and Loan Fund, and in addition special gifts were received from all but one chapter for the Settlement School at the time of the conferences. The response from the groups has been splendid.

The cooperation from the advisory boards has helped this office considerably and their work with their respective chapters has been invaluable. It would be impossible to carry on a well-rounded program without these boards and their contribution to the Fraternity in this way.

The chapters and the president of this province wish to express thanks to Miss Onken and the members of Grand Council for their ever willing assistance.

ISABEL A. CLARK

IOTA PROVINCE PRESIDENT

THE school year is drawing to a close and so Iota Province President summarizes the achievements and activities of her province.

All chapters were visited in the fall by the Province President, and in January Miss Onken visited Colorado A, Colorado B, and Wyoming A, and in March Mrs. Webster visited Kansas A, Kansas B, and Nebraska B.

South Dakota A and Wyoming A are first in scholarship on their campuses. Colorado A and Colorado B are in the upper half on their campuses.

Pi Beta Phis of Iota Province are very representative in extra-curricular activities. Some of the major activities are: South Dakota A has a Phi Beta K, 2 Mortar Board, A Gamma Delta, Guidon, and Editor of Year Book. Nebraska B has "The Best Dressed Co-ed." Kansas A has three Phi Beta Ks, "Who's Who Among College Women," and attendant to the Relay Queen. Kansas B has a Theta Sigma Phi, Y.W.C.A. Cabinet, Royal Purple Staff member (Key Award), Beauty Queen and "K" Queen. Colorado A has president Mortar Board, president and treasurer of Associated Women Students, president and

treasurer Hesperis, president and two members of Spurs, "Who's Who," Miss Colorado University, and several class officers. Colorado B has one Sigma Phi Alpha (comparable to Phi Beta K) one Mortar Board attendant to May Queen, May Princess, Who's Who, Y.W.C.A. treasurer, and Panhellenic president. Wyoming A has two Phi Kappas, president and treasurer Mortar Board, two Who's Who, Panhellenic president, Prom Queen, most popular girl, four Sigma Alpha Iota, five Spurs. Fifteen actives on the honor roll is the record of this chapter.

Living conditions at the present are practically the same as last year, but South Dakota A expects to have a new home in the not too distant future. Colorado A built a recreation room on its already very lovely house last year which has proved a great joy to all.

All of the chapters have contributed to the Settlement School, and all but one to the Loan Fund and Endowment Fund.

There is an excellent feeling between the chapters and the advisory boards in this Province, and where there is such fine cooperation small prob-

lems are solved before they are allowed to become serious.

The splendid chaperons have contributed much to chapter life, and it is with regret that Iota Province President hears of the resignation of anyone.

KAPPA PROVINCE PRESIDENT

THE chief event of interest this year in Kappa Province was the installation of Louisiana B, its seventh chapter. Louisiana B is a fine addition to the province and, on account of its geographic location, has infinite possibilities for rapid growth and development. Immediately following installation the new members began in earnest to perfect their organization and chapter routine. Their cooperation has been so eager that it has matched that of the other six chapters, which has been almost perfect. As I review their work I am grateful for the privilege of being so closely associated with these seven chapters for it has been an inspiration and source of pleasure to me.

Throughout the province I have noticed the influence of our last Convention which is evidenced by renewed interest in chapter organization and a decided improvement in national viewpoint. Each chapter has shown its loyalty to and appreciation of the fraternity by a generous contribution to the Settlement School, the Loan Fund, and the Endowment Fund.

We are not exactly pleased with the scholarship. The chapter averages have fluctuated considerably since the second semester of last year. At the beginning of the year two chapters ranked first on their respective campuses but now only one, Oklahoma A, remains at the top. Another, Louisiana A, has risen from sixth place to second and remained there for two semesters. The other five have lowered their averages with two dropping from second place to ninth. Three of the five, however, still remain in the upper third. In spite of the generally lower chapter averages there are many outstanding students who have brought honor and recognition to their chapters. There are seven new members of Φ B K, or organizations petitioning Φ B K, namely: Frances Rather, Frances Hackett, and Frances Hildebrand, of Texas A; Frances Hallam of Texas B; Patience Sewell of Oklahoma A; Louise Schramm of Louisiana A; and Helen Muldore of Oklahoma B. In Alpha Lambda Deltas, Texas B leads with five; Oklahoma A has four and Texas A two. Arkansas A leads on its campus in honor roll students. There are also many honor roll students and some of the graduating seniors have won individual scholastic awards.

Participation in activities has been unusual. All chapters have gained honor offices by election and appointment and their leadership has been felt and recognized on every campus. Since the list is so long and varied, I shall only be able to give a general enumeration. There are eleven members of Mortar Board, or its equivalent; there are three presidents of W.S.G.A., with a number of class officers and student council members; and there is a large representation in Θ Σ Φ , X Δ Φ , Σ A I, Orchesis, and other honorary and departmental organizations with many officers included. Each chapter, too, has been prominent in musical and dramatic productions with its members showing exceptional ability. Never before has Π B Φ been so well represented in social honors. There are queens

To the actives, to the alumnae, and to Grand Council, Iota Province President expresses her gratitude for the very fine cooperation she has had.

FAITH MARTIN HANNA

of every description, as well as several outstanding personal honors. Frances Rather of Texas A was chosen Queen of the Drake Relays. Co-eds from twenty-two colleges competed for this honor which was awarded on the basis of high scholarship, student activities, and personality.

Four of the chapters maintain chapter houses, and three, chapter rooms. Oklahoma A, Oklahoma B, and Arkansas A are permanently and comfortably located in substantial houses that are attractively furnished and well suited to the chapters' needs. Texas A is now building a handsome Colonial house that, when finished, will be ideal in every respect. Louisiana A has permanent rooms that are adequate for the chapter's needs and convenient to the campus. Both Texas B and Louisiana B have temporary rooms while the question of lodges and Panhellenic buildings is being discussed and considered by their colleges. Mrs. Charles Clifton, a member of Indiana B, accepted a position with Arkansas A in January and will remain with them next year. Each chapter is fortunate in having as chaperon a woman who is genuinely interested in its development and who has helped create an atmosphere of grace and hospitality in the chapter house.

Conferences with the Deans of Women have been interesting and helpful. In all instances they gave satisfactory reports of Pi Beta Phi's cooperation and in some cases showed personal pride in the progress of the chapters.

I have especially enjoyed my contacts with the alumnae advisory committees. Complete harmony exists between them and the chapters. Their cooperation and understanding have given the chapters confidence and set examples of unselfishness and loyalty.

Rushing this year has been unusually successful. The pledge classes have been, on the whole, outstanding in scholarship and talent. It has been especially interesting to note the large percentage of Pi Phi daughters who are now being initiated in the province. Four chapters have initiated daughters of their own charter members. Two chapters are handicapped by the quota system and a third will be compelled to operate under it next year.

The province conference held in San Antonio, Texas, in June and sponsored by the San Antonio Alumnae Club was an inspiration to the one hundred and fifteen alumnae and actives who attended. It was a privilege to have Mrs. Luther Stark, Grand Secretary, as guest of honor. It is with pride that we announce the initiation of Mary Camp Leachman of Dallas, Texas, and Jane Lewis Maverick of San Antonio.

As I complete my third year of office I wish to take this opportunity to thank my chapters for their cooperation and the alumnae for their support and interest. To Miss Onken and the members of Grand Council I feel deeply indebted for their wise counsel and inspiration.

Respectfully submitted,

GLADYS HAYES SCIVALLY

LAMBDA PROVINCE PRESIDENT

FORTUNATE, indeed, is the province president who comes into office the year of a Convention so full of inspiration as was the 1936 Edgewater Beach Convention. Although I was not privileged to attend, I did catch much of the spirit of it from the delegates who were there. Five of the seven delegates from this province were presidents of their chapters at the beginning of the Fall semester, and, as my visits were made during the first semester, I was able to feel that all the chapters were benefited by the inspiration brought back by the delegates. Probably, of even greater value to the chapters was the visit of Adele Taylor Alford. Coming early in the Spring semester as she did, was most satisfactory; and to say that every girl who had an opportunity to know her is a better $\Pi B \Phi$ is no exaggeration. The visit of a National officer does mean so much to all of us.

My early visits to the chapters gave me a feeling of greater understanding of the chapters and of the girls with whom I have had such a happy contact during the year. Wherever I visited there was the very finest atmosphere of true friendliness, hospitality, cooperation, and a willingness to put the Fraternity ahead of self. I have a feeling of very great admiration for all the girls who have served their chapters as presidents this year, and for the other chapter officers with whom I have worked.

In scholarship the general average has been quite satisfactory, one chapter being first on its campus, three chapters well up in the upper third in comparative rating, two that we should like to see improve, and the other is located on a campus where no comparative rating is made. We can only hope to maintain a high scholastic standard when we pledge girls who can be depended upon to carry their own scholastic load, and I wonder if we always give as much thought to this fact in rushing as we should.

All the chapters had very satisfactory results in rushing, and pledged a fine group of girls. Some chapters were better organized in their rushing campaign than others, but I think the ones who were not so well organized realize what their weakness was and are thinking how to avoid a recurrence. This willingness on the part of the girls to profit by past mistakes and to take suggestions is most gratifying.

We have been most fortunate in having an adequate number of girls living in all chapter houses this year as all the institutions have had a normal enrollment. Five own their chapter houses, one is buying a unit of the quadrangle in which they live, and the other lives in a rented house on the edge of the campus.

Three chapters will have new chaperons in the Fall, and the other four who have been so devoted to the interests of their chapters will return. We are greatly indebted to these four, particularly, for their fine influence with the girls, because they are all loved by the girls which helps so much to make chapter homes rather than just a place to live. We should be sorry to lose any of them. The girls who are to have new chaperons have been most fortunate in securing women who come with excellent recommendations.

It is always a pleasant part of a province presi-

dent's chapter visit to talk with the deans of women, for without exception they give excellent reports of the place our Π Beta Phis are occupying on their campuses. For the girls, the alumnae interest through our organized advisory boards, and the supervision given chapters by National they express a genuine sort of gratitude for the high standards we are helping them to maintain on their campuses. They mention, among other things, the friendliness found in the chapter houses, their leadership in campus activities and general dependability.

This province has been unusually well represented in campus activities this year, with 3 Phi Beta Kappas; 1 Who's Who in American Colleges; 15 Mortar Boards including 1 president; 3 A.W.S. presidents; 1 W.A.A. president and 2 vice-presidents; 2 Junior Week-end and Prom Queens; 4 Phi Kappa Phi; 3 Omicron Nus including 1 president; 1 secretary, 1 treasurer student body; 2 Student Board of Control; 1 class president, 6 class vice-presidents, 2 secretaries; 1 Honorary Major, 1 Honorary Colonel; 1 Phi Kappa Phi, 1 Phi Chi Theta, 1 Omicron Nu awards; 1 Associate, 1 Art, 1 society editor College Yearbook; 2 Cardinal Key; 1 W-Key, 2 Talons, 8 Spurs; 1 Theta Sigma Phi; 2 Delta Phi Delta; 1 Phi Upsilon Omicron; 3 Alpha Lambda Deltas; 1 Sigma Epsilon Sigma; 1 Mu Phi Epsilon; 1 Phi Sigma Alpha; 2 Gamma Alpha Chis; 1 Amphibian, president; 2 Phi Theta Upsilon; 2 Kwama; 2 Phi Chi Thetas, including 1 president. A number of girls have held highest scholastic honors on their campuses, most of the chapters being represented among that number. Two girls have received worthy recognition, one a scholarship for a year of study in Art in Paris, the other a fellowship for a year's study in textiles at the University of Washington.

The work of the alumnae advisory boards can hardly be overestimated and they have been very effective in the help they gave to the chapters this year. In some cases where the clubs are small the same people have given this faithful service year after year.

All seven chapters have contributed to all three of the fraternity projects and two chapters have supported the magazine agency. I do believe we could by a little more effort find it possible to increase our support of some of the projects.

We have considered having a Province conference this year, but do not feel well enough organized at this time to go ahead with any definite plans, but is a hope for the future.

It has been only through the excellent coöperation of the chapters and the courtesies shown me during my visits; the assistance of advisory boards and fraternity officers; and the unflinching advice and help given me by our Grand President, Miss Onken, that this year as Lambda Province President has been one of such genuine enjoyment. The opportunity it gives for such close contact with probably the most interesting phase in the lives of these young women is a privilege, and to help them in meeting fairly and squarely some of their problems is a challenge. If I am able to meet this challenge then I am grateful for the privilege of serving the Fraternity.

Respectfully submitted,

ISLA MCCAIN DONERT

MU PROVINCE PRESIDENT

MY SECOND year as Mu Province President has brought to me a deeper value of fraternity life, the joy of contact with active chapters and national officers. I have been very proud of the place our Pi Beta Phi chapters hold in the universities of the groups I visit. Everywhere I have found the chapters doing their utmost to strengthen the fraternity on their campus.

This spring Miss Onken visited all of the chapters in this province and brought to the groups the inspiration and deeper appreciation of the fraternity as only she can do. Her visit was a great incentive for each chapter to excel and show their real ability.

In scholarship the province has made a definite step forward. Last year there were no Phi Beta Kappas, but this year we can boast of six. California Gamma leads the list with four elections, and California Alpha and California Delta each have one. There were nine elections throughout the province to $\Phi K \Phi$. We have three places in scholarship rating. They are Arizona A, California I, and California Δ . Utah A had only two small groups of six and ten members respectively, ahead of their large chapter of sixty members.

In activities our chapters have been very successful in obtaining the outstanding offices. We have five members of Mortar Board. Two were elected at Arizona A, two at California I, and one at Utah A. California I will have the presidency of Mortar Board next year. Some of the activities that are most noteworthy are here listed. California A holds the Junior and Senior class vice-presidency and president of the freshman dormitory. They have three members of Cap and Gown. California B has had the vice-president of the Sophomore class and a number of girls have received appointments in dramatics. California I has held the vice-presidency of the Student Body; five members of Amazon; Secretary of W.S.G.A.; General chairman of the national meeting of Associated Women's Students held on the Southern California campus. One of their members was chosen as the outstanding Senior Woman of 1937. California Δ has the vice-president of A.W.S.; vice-president of the Senior class; two members of Spurs and president of the Freshman club. Utah A has the president of Art Guild, and president of Spurs. Arizona A has the secretary of A.W.S.; associate editor of the school publication, and three out of seven Desert Riders. Nevada has her share of campus honors with three staff positions on the annual; president of A.W.S.; one member of Mask and Dagger and a staff position on the Sage Brush.

In rushing this year large classes were taken by all chapters with few bids lost to rivals. The pledge supervisors have been good leaders who have been

able to guide the new girls in such a way that a very small percentage of the pledge classes failed to be initiated.

The Deans of Women, without exception, expressed appreciation for the cooperation given them by $\Pi B \Phi$. They had very little criticism to make of any of the chapters.

The advisory boards in Mu Province are made up of devoted and loyal members willing to give a great amount of their time for the interests of the fraternity. With the exception of one chapter, cooperation between the chapter and the advisory board has been excellent. The success of a chapter depends so much upon a strong, loyal advisory group that I feel we cannot thank these women enough for the time and energy they expend in helping the girls.

There have been no violations of Panhellenic rules this year. At the University of California at Los Angeles, they are to try a new rushing plan next fall with formal rushing being held one week before school opens. It will be interesting to see how this experiment meets the needs of this campus.

There is little change in the housing conditions. All of the chapters live in houses owned by themselves and with the exception of one chapter have finished the year in splendid financial condition. Additional furnishings have been added to all of the houses which make them more attractive. In house mothers we have had a big turnover. Mrs. Arthur has just completed her twenty-first year with California I and Mrs. Gardiner at California A her tenth. All of the other houses have had new chaperons which have proved very satisfactory. They are all returning for the second year with their group.

One project in which I am very interested is the revival of the news letter to chapter alumnae. Both Arizona A and California I have sent me a copy of the letter they sent and I found them most interesting and informative. This is a splendid way for the chapters to keep in touch with their own alumnae and retain their interest. I hope that by next year that all the chapters will have such a publication.

In closing the year I wish to thank all of my chapters for the many courtesies extended me and for their cooperation throughout the year. It has been a pleasure and an inspiration to work with such splendid young women. To Miss Onken and the other members of Grand Council, I wish to express my appreciation for their help and guidance.

Annual Reports of Province Vice-Presidents

ALPHA PROVINCE VICE-PRESIDENT

THE season of 1936-37 has been one of quiet but steady growth in this province. Three new clubs have been added to the list, viz., Portland, Maine, Halifax, Nova Scotia, and Northern New York, centering at Canton. Also we have welcomed back to the fold the Northern New Jersey Club, which is very much of a "going concern" but which strayed away for a few years to join the flocks in our neighboring Beta Province.

Interest in our various projects has been maintained in spite of the fact that several clubs are devoting themselves, mainly, to assisting their own active chapters. Three clubs "adopted" chapters

and sent them gifts of money to be used in any way the chapter wished.

Many of the clubs were disappointed when the proposed conference at Burlington during Easter Week did not materialize, but we are hoping that a more convenient time for everybody will be arranged before the 1938 convention.

In closing I wish once more to thank the executives of my clubs for their cooperation and support. It has been a real pleasure to become friends with, and to work with them.

Respectfully submitted,

MARY HERDMAN SCOTT

BETA PROVINCE VICE-PRESIDENT

TO BE contented with your possessions but not satisfied with yourself until you have made the best of them . . .

This one of Henry Van Dyke's "little guideposts" comes to my mind often and often as I carry on the duties of Beta Province Vice-President. Not with a personal application, but with reference to us all as fraternity women. We would indeed be hard to please were we not content with the heritage of our fraternity, but we may not forget that we assumed a responsibility when we accepted the privileges $\Pi B \Phi$ offers.

Most of the alumnae clubs in the province are strongly conscious of this, and are helping to maintain $\Pi \Phi$ in its high place in the fraternity world. Concretely,—only a few clubs have failed to increase their membership this year; most of them have increased substantially their gifts to our projects. I hope all Beta Province clubs will analyze the chart for the province; they will find it of interest, at the same time recognizing the suggestion as a variation of my most frequent admonition, *Read Your ARROW*. I grow more

ARROW-conscious all the time, remembering often the emphasis I once heard Mrs. Alford lay upon it, as she commented upon the unfortunate impression made by fraternity women uninformed about their fraternities.

If special mention of one club's progress is to be made, it is that of Cincinnati. I have regretted that I did not give the Akron Club such mention last year. This does not at all mean that I undervalue any other club; I do not; I appreciate the cooperation given me during the year. I have been cordially received by the nine clubs I have visited, and have enjoyed not only being with them, but looking back upon my visits.

My thanks, again, to Miss Onken, to Mrs. Smith, to Mrs. Wild, to all Pi Phi's officers, in fact, who don't know the bulwark of strength they are to me in my occasional dark moments; remembering their untiring efforts, I take heart of grace, and sit down again at my typewriter.

Respectfully submitted,

CANDACE CLOYD JOHNSON

GAMMA PROVINCE VICE-PRESIDENT

IN THE five clubs of Gamma Province we have 197 paid members with a resident membership of 616. This is a gain of 27 over last year. Three clubs gave to all the national projects. Four had active magazine chairmen. The four which are situated in towns where there is a chapter maintained an advisory committee and helped the chapter in many ways. The fifth made a gift to its nearest chapter. A total of \$275.75 was sent to the Settlement School; \$40.00 to the Endowment,

and \$20.00 to the Loan Fund. The clubs all held their four required meetings and had a special celebration for Founders' Day. Six chapters contributed to the Settlement School and three to the Loan Fund.

The contacts made in my role as Gamma Province Vice-President have been most pleasant and all my visits have been delightful.

Respectfully submitted,

NELL A. SPRUCE

DELTA PROVINCE VICE-PRESIDENT

THE outstanding event of the year in Delta Province was the province conference arranged by the Indianapolis Club. It was our first conference. We were very fortunate in having present the Grand Vice-President, Assistant to the Grand Vice-

President, Director of Central Office, and the Chairman of the Committee on Fraternity Study and Examination. The meetings were held in the beautiful new chapter house at Butler University and at the Columbia Club. They included a cooky-

shine, a model initiation, joint and separate sessions for alumnae and actives and Founders' Day Luncheon. The 25th birthday of the School was celebrated as well as the birthday of $\Pi B \Phi$. Emma Harper Turner and Rosemary Moorehead gave never-to-be-forgotten talks about the starting of the school and the school and community as they are today. There was, of course, no official business, but by way of conveying the sentiment of the province three recommendations were forwarded to Grand Council for their consideration.

The Grand Rapids Club celebrated Founders' Day with a luncheon to which they invited the Pi Phis from that section of Michigan. This was their first open meeting and it was a delightful occasion. It was a pleasure to tell them something of the larger meeting on the previous Saturday.

I have had the pleasure of visiting the Bloomfield Hills, Flint and, of course, the Ann Arbor Clubs. All of them are in a most flourishing condition.

The prize award, a handsome gavel, for club excellence has been given to the Fort Wayne Club.

The promptness with which they fulfilled all of their assignments as to correspondence, reports, and contributions, their enthusiasm and splendid spirit of cooperation, their 100% paid membership and large average attendance all contributed to their success. Making a decision proved very difficult because of the outstanding accomplishments of several of the clubs.

The fine results of the Grand Rapids, Detroit, and Indianapolis magazine committees are very noteworthy. It is of interest that the La Fayette Club had the largest sale of Settlement School products.

I want to acknowledge the big part that Delta Province President and chapters played in making the financial report of the province as satisfactory as it is. The clubs alone would have shown rather less than last year, the all-time high for the province. I have appreciated the fine spirit of cooperation and generosity of the club and am grateful to them for their forbearance and friendliness.

Respectfully submitted,

ANNE JAMISON

EPSILON PROVINCE VICE-PRESIDENT

A GAIN all of the alumnae clubs of Epsilon Province have recognized the privilege which is theirs in being a part of the organization of $\Pi B \Phi$. A real feeling of pride in the fraternity has existed, evidence of which is the splendid way in which each club has given to the three projects maintained by $\Pi B \Phi$, and a definite increase in membership for the province as a whole.

Although there are 382 paid members, including 28 affiliated seniors, in the province this year, there is still a real opportunity for a gain in membership. There are too many Pi Phis living in cities where there are clubs who are not active members of the Alumnae Department. However, one club, the Little Pigeon Alumnae Club, has 100% membership, and two others, the Louisville and Kansas City Clubs, have increased their memberships by eleven and twenty-six, respectively.

The clubs of Epsilon Province continue to show a real interest in the Loan Fund and the Endowment, and have supported them with enthusiasm.

Not only by their actual gifts to the Settlement School, but by the way they have sold Arrow Craft products and magazines, have the clubs made evident their loyalty to this most important altruistic project of $\Pi B \Phi$. Five clubs sold products from the Arrow Craft Shop for the amount of \$811.10. Two others also sold these products, but at the time this report is being written, the amount is unknown. All but two clubs have sold magazines through the Pi Phi agency.

Nine of the clubs of this province gave a total

of \$1,258.18 to the Settlement School this year. The tenth club, the one at Gatlinburg, gave directly to the School. For three clubs, Louisville, St. Louis, and Kansas City, the amount given is a real increase over last year.

The five clubs located where there are active chapters have realized their responsibility to these chapters and have assumed an attitude of helpful cooperation toward them. In Kansas City, though there is no chapter there, the club gave money to the three nearest chapters. Other clubs, away from chapters, helped the active girls give rush parties.

It was a real privilege and pleasure for the Epsilon Province Vice-President to visit all of the clubs in the province this year, and she wishes to thank them, and the active chapters, too, for the delightful way in which she was entertained. The St. Louis and Kansas City clubs were indeed fortunate in having Florence Hunt Webster with them at the time of their Founders' Day observances.

Praise enough cannot be given to the officers and cooperating memberships of the clubs for making the record of Epsilon Province what it is for the year. The Province Vice-President is grateful for the fine cooperation she has had from the clubs, and from members of Grand Council and the Assistant to the Grand Vice-President. It has been a real privilege to serve in this office.

Respectfully submitted,

KATHARINE LYONS

ZETA PROVINCE VICE-PRESIDENT

MY SECOND year as Zeta Province Vice-President comes to a close with a deeper realization of the privilege it has been to serve $\Pi B \Phi$.

From all the clubs I have had splendid cooperation. Each club has made progress, which must be attributed in a large part to the wise and able leadership of its efficient officers. Seven out of the

eleven clubs in the Province are 100% in contributing to the three National Projects—Settlement School, Loan Fund, and Endowment Fund. All but one has increased its membership. The Lakeland Club has 100% paid membership again this year. The Miami Club has increased its membership from eleven paid members in 1936 to thirty-

five paid members in 1937. The Birmingham Club sold almost \$200.00 worth of Arrow Craft articles. Florida B contributed \$75.00 to the Settlement School and \$75.00 to the Loan Fund.

A Province Conference was held April 17-18 in Tampa, Florida. The members of the Tampa Club were perfect hostesses. Those attending could not help but come away with a keener love for $\Pi \Phi$. The talk given by Florence Hunt Webster, the night of the banquet, was a real inspiration.

The next Province Conference is to be held in Miami in 1939. Already plans are under way for an even bigger and better gathering.

All the clubs observed Founders' Day in some manner. Several clubs joined with active chapters in their celebrations.

It has been a pleasure to work with the alumnae clubs in Zeta Province. The friendships gained have meant much to me, and I am looking forward with eagerness to visiting the clubs in the fall.

I wish to express my thanks to Mrs. Smith and the other members of Grand Council for their constant help and inspiration.

ETA PROVINCE VICE-PRESIDENT

IT is with much pride that Eta Province Vice-President makes her annual report on the work of clubs in the province for 1936-37. Inspired by the great national convention held in Chicago last June, which, because it was held in our province, it was the privilege of many in the province to attend, clubs have broadened their national vision, and have accomplished much this year.

Some of these achievements are worthy of mention. Membership in clubs has increased from 620 in 1935-36, to 655 paid dues this year; Settlement School donations have increased \$172.00; Arrow Craft sales have increased \$326.00; Endowment contributions have increased \$141.00. These financial gains are a source of pride, but we are even more happy that clubs have had a year of fine programs, have made many new friendly contacts within their ranks, and have developed even finer working, social organizations. In this year of the seventieth birthday of the fraternity, we celebrated also the twenty-fifth anniversary of the founding of the Settlement School, our greatest national project. In honor of the birthday of the latter in February, the Milwaukee Alumnae Club sent to the school a special birthday gift of \$15.00, and the Chicago South Alumnae Club sent a gift of \$5.00, in addition to their regular donations. All clubs except two are 100% in donations to all three national projects. Many clubs, also, have contributed to local causes, such as, Braille work for the blind, charity, Christmas boxes and funds, and to Panhellenic organizations. The North Shore Club of Evanston gave \$50.00 to the neediest most outstanding freshman girl in the active chapter of

Illinois Epsilon. Madison gave awards for different types of merit or achievement to one girl in each of the three upper classes of Wisconsin Alpha chapter. Many clubs have generously remembered chapters with gifts during the year.

We had a splendid Province Conference this year, April 30 and May 1, at Madison, Wisconsin, at which time the seven active chapters and the twenty alumnae clubs joined in sending delegates and guests to a Founders' Day "Get-together." The Wisconsin Alpha chapter and the Madison Alumnae Club were hostesses at a "Cooky-shine" on Friday night at the Pi Phi house; the Founders' Day luncheon Saturday noon, after the morning sessions, was the climax of the Conference. The province appreciated much the generous hospitality of its hostesses, and feels that the conference was a great success in its inspiration.

Eta Province Vice-President has had exceptional cooperation from clubs in the province. She has enjoyed beyond measure and been inspired by her visits to the eleven clubs which she has met this year, and is anticipating with the greatest pleasure the visits to the other nine clubs in the fall. The success of the year for the province is due to the enthusiasm, loyalty, and dependability of officers of clubs who have worked with the loyal cooperation of clubs to achieve such splendid results. It is a real privilege and an opportunity for the Vice-President to work together with such officers and clubs to bring about the visions we glimpse for the future of $\Pi \Phi$ in this province.

THETA PROVINCE VICE-PRESIDENT

ONCE again Theta Province Clubs can report being 100% to the fraternity philanthropies. We are especially proud of the fact that our gift to the Settlement School is \$100.00 more than the amount sent last year. This increase is due to the special birthday offerings made to the school at the times of our province conferences.

We are sorry that the contributions sent to the Undergraduate Loan Fund and to the Endowment Fund are a trifle less than last year. This is not due to a lessening in interests in these projects but rather might be to the fact that we have not stressed them since we were urging all to make the special gift to celebrate our school's 25th birthday.

Contacts with the clubs have been not only

pleasant but profitable. Our exchange of letters during the months when meetings were held has been of mutual benefit. We endeavor to keep the clubs informed on matter of general fraternity interest, to include also items about other clubs which are noteworthy and also to stimulate our groups to greater activity.

In the fall we visited the clubs in St. Paul, Minneapolis, Duluth, Grand Forks, Indianola, Winnipeg, Des Moines, and Ames. These visits were of great value to me and we trust of some profit to the group visited. Many of the members are now old friends. We have now visited all of our clubs at least twice and are finding that each year is bringing more satisfactory results in the

province due to a better mutual understanding which in turn is responsible for greater cooperation.

The high spot in our year was the culmination of a dream. Since our province is geographically large we were given permission by Grand Council to hold two conferences this year. On April 24 240 Pi Phis gathered in Ames to celebrate Iowa Pi's 60th birthday as well as the 70th of the fraternity and the 25th anniversary of the opening of our Settlement School. May 1 about the same number were in Minneapolis for the Theta Province North Conference. Miss Onken, Miss Clark and I attended both, and Theta Province North had the additional pleasure, honor, and inspiration of Mrs. Libbey's presence. It was our object to make these days educational, inspirational, and social, and the results were more than gratifying.

Miss Onken conducted an initiation at each conference and this perhaps created more interest than any other one feature since many alumnæ had not been present at an initiation since their college days.

Alumnæ interest and satisfaction we expected but the actives' expressions of pleasure and profit have made firm our conviction that bringing province conferences to the many who are never able to go to convention is of great value not only to the individual but to the fraternity.

Service to our fraternity has made this a year rich in experience and we thank all who have given us their friendship and cooperation.

LAURA STORMS KNAPP

IOTA PROVINCE VICE-PRESIDENT

THE year 1936-37 has, for the most part, been a year of progress throughout Iota Province. All of the clubs have supported the three major projects, the Settlement School, the Undergraduate Loan Fund, and the Endowment. Several have increased their gifts to the School, thereby appropriately recognizing the twenty-fifth anniversary of its founding. Eight clubs handled the Arrow Craft products; and eleven supported the Magazine Agency. Iota Province ranks first in the amount of receipts obtained through the Agency, with Denver and Wichita among the eight highest in amounts obtained by individual clubs; and Wichita and Casper among the eight highest in per capita receipts. Almost without exception, they aided the active chapters with money, entertainment or suitable gifts.

Iota Province extends hearty greetings to the new club at Vermillion, South Dakota, and assures its members of a cordial welcome into the sisterhood of Pi Beta Phi clubs.

The majority of clubs in the Province were visited by National officers during the year. The Denver, Poudre Valley, Cheyenne, and Laramie clubs were fortunate in receiving a visit from Miss Onken. Mrs. Webster brought added enthusiasm and inspiration to the clubs in Kansas and Nebraska, while Mrs. Hanna acted as guiding spirit in the organization of the club at Vermillion.

The Manhattan, Lawrence, and Topeka clubs, together with Kansas A and B, joined with Missouri A and the Kansas City Club in the celebration of Founders' Day in Kansas City. They reported a very enthusiastic and profitable meeting.

An important event of the year, for those who were able to attend, was the Iota Province Conference held in Colorado Springs, May 22-23. It was a combined Founders' Day celebration and a recognition of the Twenty-fifth Anniversary of the establishment of the Settlement School. The Con-

ference opened with an afternoon session at which problems of general interest to the Fraternity were discussed. This was followed by a model initiation with Miss Onken presiding. Margaret Anderson, the granddaughter of the Founder, was in charge of the banquet in the evening. Among others on the program was Mrs. Leonora Bosworth, one of the early members of the Monmouth Chapter. Miss Onken spoke on "The Founders as I Knew Them." Following the banquet, there were games, stunts, and, at midnight, a cooky-shine. The morning session, under the leadership of Mrs. Hanna, was devoted to the discussion of topics of particular interest to the active chapters. The luncheon program was devoted to the Settlement School. Miss Onken spoke on the Settlement School of today—its place in the Gatlinburg community, and some of its more pressing needs. Miss Mary Frost, the Conference Chairman, spoke on the "Spirit of the Settlement School." There were one-hundred eighty-eight in attendance, representing membership in seventeen chapters. Members from the Omaha, Lincoln, Cheyenne, Laramie, and Salt Lake Clubs were in attendance as well as those from Colorado clubs. Nebraska B, Kansas B and Wyoming A sent delegates, and Colorado A and B had a 100% representation. Eloine Cook, of Wyoming A, was presented with the "Amy Burnham Onken Award" for Iota Province. It was a delightful occasion in every respect; and those attending felt that it was well worth while.

In closing this report, Iota Province Vice-President wishes to express to the clubs her appreciation for their loyal support through-out the year. Any progress made, is due to their hearty cooperation. Thanks too, are due the members of Grand Council and other officers for their advice and assistance at all times.

Respectfully submitted,

HALLIE COLLINS

KAPPA PROVINCE VICE-PRESIDENT

IT is with especial pride that I wish to start my report with an account of the Kappa Province Conference held in San Antonio, Texas, June 16 and 17. May I here quote just one paragraph from Mrs. Williamson's report in the September ARROW

for 1935? "There is a new club in the province; San Antonio sent in their application in April, and will begin their activities in the fall. We shall hear from them again, I am sure." Those of you who attended the conference will indeed agree with me

that we have heard from the San Antonio club. They spared no effort to make our stay charming and delightful in every way. Over one hundred active and alumnae members were present, and I only hope that each one received as much inspiration and help as I did from the inspiring talks, and from the able leadership of Mrs. Stark and Miss Scivally.

I consider it particularly fortunate for me that my first year as Kappa Province Vice-President was the year for club visits. I knew it would be a great pleasure to meet Pi Phi in different cities, but I never dreamed of such a cordial welcome and friendly interest and cooperation as I received everywhere. I consider it a rare privilege to be a province officer of our great Fraternity.

Although I cannot report a perfect record for Kappa Province, I do feel that splendid progress was made by both alumnae clubs and chapters. It is with great pride that I report all active chapters 100 per cent in their contributions to our three national projects. Texas A and Oklahoma A each contributed \$50.00 to the Settlement School and to the Endowment Fund, while Texas B and Arkansas A each contributed \$50.00 and \$55.00 respectively to the Endowment Fund. Louisiana A paid \$25.00 on an old pledge, and \$25.00 additional to the same fund. Also, Texas A and Texas B sent \$25.00 each to the Loan Fund. The

climax in chapter achievement was the fact that Oklahoma A won the Balfour cup for this year.

One new club, Texarkana, Ark.-Tex., was chartered this year, bringing the number up to twenty-three. Several outstanding donations were made to the Settlement School; Dallas and Houston each contributed \$200.00, Oklahoma City \$125.00, Austin \$100.00, and Sabine District \$97.30. These clubs contributing to all three projects were: Austin, Baton Rouge, Dallas, Fayetteville, Fort Smith, Fort Worth, Houston, Little Rock, Muskogee, New Orleans, Norman, Oklahoma City, Okmulgee, San Antonio, Shreveport, Stillwater, Texarkana, and Tyler. That is a good start toward a perfect record.

The number of paid members is 608, with an increased membership for nearly every club. Corpus Christi and Muskogee have the distinction of having enrolled as paid members, every $\Pi \Phi$ living in these two cities. If space permitted, there are special things I should like to mention about the work of each club, but I can only say in closing that I am very proud of the Fraternity work of Kappa Province. I wish to extend to Grand Council my sincere gratitude for the help and encouragement each member has given me, and to the officers and members of each club my appreciation of their most cordial interest and cooperation.

Respectfully submitted,

OLIVIA SMITH MOORE

LAMBDA PROVINCE VICE-PRESIDENT

CONVENTION influence has been far-reaching; never before has there been such a fine spirit of cooperation in building up the national program and in adhering to the fundamental ideals of $\Pi \Phi$ as has been shown in Lambda Province this year.

The Province is again happy to have an increase in paid membership, and is 100% in contributions, —all clubs and chapters have contributed to the Loan, Endowment and Settlement School Funds. Portland is the banner club in making the greatest increase in paid membership, Settlement School and Endowment contributions. Calgary, Corvallis, and Wanatchee are 100% in paid membership.

All clubs stressed the paying of dues early in the fall, and a decided increase was made in the first installment, in November.

No official P.V.P. visits have been made this year, but I have attended two or three meetings of the Seattle club, and gave a report of Convention at their September meeting. I also had the pleasure of attending the meetings of the Olympia and Tacoma clubs which were given in honor of Mrs. Alford.

It was a very great pleasure to have our ARROW Editor, Adele Alford, visit our chapters and clubs in April, with each visit she brought much fraternity information and enthusiasm. It was the happy privilege of Boise, Corvallis, Eugene, Salem, and Portland clubs and Oregon A and B chapters to have her a honor guest and speaker at their Founders' Day celebrations.

Five clubs have had successful Settlement School sales, and two others plan to have summer sales. The sale of Pi Phi Cook Books increases daily and many clubs are making second orders.

Most of the clubs have sent in their monthly

letters promptly and regularly and I have been kept well informed in their activities; the club meetings that seem to be the most popular are those that have suppers or luncheons preceding the regular business meeting and social hour. Nearly all clubs find that the easiest method making money is through rummage sales and bridge parties. Spokane and Portland sponsored Beatrice Edmonds.

In Lambda Province, four active chapters out of the seven have alumnae clubs located in the same town, and there is a close contact between the alumnae and actives; every assistance possible is given by the alumnae. Clubs in towns where there are no chapters are always eager to help in rushing, and the new rushing rules have met with great favor. Alumnae are growing more and more conscious of the importance of their selection of Advisory Committee members and a greater appreciation is shown for the valuable service these women are giving to their fraternity.

Our pride and joy in having our beloved Founder, Inez Smith Soule, in Lambda Province is unparalleled; her active interest in the Tacoma alumnae club, and her presence at the Founders' Day Banquet held jointly by the Seattle and Tacoma clubs and Washington Alpha chapter brings inspiration and adds greatly to the realization of $\Pi \Phi$ ideals which her influence has strengthened.

The province rejoices in claiming a national officer this year; our Grand Vice-President, Ruth Barrett Smith, has come to Lake Stevens to make her home and Seattle Club has the honor of having her as an active member. We are also delighted to have our National Endowment Committee Chairman, Lois Finger with us this year.

We have not yet had a province conference, but hope to have one next spring.

Words cannot express my appreciation to Harriet Johnson, our most capable past Province Vice-President, for taking over the duties of Lambda Province during the months of October, November, and December. I am deeply indebted to her for assuming my responsibilities and for giving such valuable assistance to the clubs.

I greatly appreciate the kindness of the Grand President and the Grand Vice-President in granting me a leave of absence which made it possible for

me to have this wonderful trip abroad without having to sacrifice my work in the province.

It is a happy privilege to work with Lambda Province clubs, and I want to thank them for their friendships and splendid cooperation.

All contacts with national officers and committee chairmen have been most helpful and greatly enjoyed.

Respectfully submitted,
SUE WINTON FLETCHER

MU PROVINCE VICE-PRESIDENT

ONCE again Mu Province closes a year of Club activity. I feel that although a few clubs have found themselves unable to meet last year's splendid record, they have progressed in other ways which will bear the Fraternity rich profit in the future. I believe that there does not exist in the province a club who has not this year recognized the prominence $\Pi B \Phi$ maintains in the world of women's fraternities. All have striven to broaden their national viewpoint and to educate their members to the importance of supporting Pi Phi's national projects. Each club has realized the necessity of employing efficient club officers and has endeavored to give its new ones full instructions as to carrying on. With these important requisites for club success and the inspiration that a fresh start will add, I look forward to a banner year in 1937 for the Clubs of Mu Province.

As a résumé of the club donations I am happy to report that there is an increase of 19 paid members over last year. Contributions to the Endowment and Loan Funds show an increase. While there is a loss in donations to the Settlement School, there exists an increase of almost \$1,000 in Arrow Craft Sales and Magazine commissions. I am most gratified that the province shows this increase, for only by that can we hope to progress as a whole.

Two new clubs have been added to the roll this year, Ogden, Utah, and Sacramento, California. I had the pleasure of visiting Sacramento to help them organize, and I found them to be a splendid group of Pi Phis, whose efforts this first year of new club activity have fully proven their future

worth to the Fraternity. Ogden has also made a fine start; and I am anxiously looking forward to the future of these two "baby clubs."

I made two official visits this last year. One to Palo Alto, California, and one to San Jose, California. As well as having had a splendidly enjoyable and profitable time with each, I came home filled with the inspiration that only real true loyal Pi Phis can impart.

Los Angeles again gave their unusually large donation to the Settlement School which they raised alone at one function, their annual Bridge Tea and Fashion Show. This year their donation was \$1,001.44 which I am most proud to report. The Honolulu Club tops the list in Arrow Craft Sales, which I believe will set a record for all provinces. They have sold to date \$614.10 worth of goods. My hearty congratulations go to them!

Mu Province was most fortunate this year in having Miss Onken as its official Grand Officer to visit them. Although she could not reach all the clubs, she did a great many, and wherever she went she left her imprint of fine Pi Phi loyalty and keen understanding of the national fraternity.

I wish to thank the officers of the clubs of Mu Province for their fine cooperation with me. Without it I could not hope to carry out the duties of the Province Vice-President. Together—I believe we have left behind us a splendid year of endeavor and accomplishment for $\Pi B \Phi$. May the future hold many more!

ETHEL LUNSFORD FROST

ARMY-NAVY AUXILIARY

THE Army-Navy Auxiliary has apparently remained static during the past year but in reality there has been the gain of a number of dues paid the New York Alumnae Club due to the activity of Mrs. Hauck, wife of Lieut. Jonathan Hauck, stationed at West Point. The military service has fewer college women than almost any service but where a $\Pi \Phi$ is living on Navy or Army reservations along the east coast an effort has been directed to interest those members in the nearest Alumnae Club.

Mrs. Hauck acted as chairman for a Panhellenic group at West Point holding monthly meetings with resultant constructive interest. The Naval Academy Panhellenic group joined Washington and Baltimore Alumnae Clubs due largely to several Army-Navy Pi Phis.

In the present world situation I believe fraternities form a stable link for peace and patriotic service, therefore I strongly recommend the continuance of the Auxiliary until the next convention. In the coming year I believe more progress will come to the auxiliary since the reason for the formation, i.e., closer contact among the Pi Phi alumnae, has gone out through the 25 delegates of District of Columbia Panhellenic.

The purpose and aim of the Auxiliary will be set forth in a coming issue of the ARROW.

The Washington alumnae gained twelve Army-Navy Pi Phis in the last year, this number may increase or decrease as military assignments change.

Respectfully submitted,

ALUMNAE CLUB LETTERS

Edited by *LOTTA JOHNSON WEIR*

The charter members of Vermont A held a reunion at Middlebury during last Commencement. Of the original nine, five—Bertha Ranslow Jocelyn, Cora Brock Daniels, Mary O. Pollard, Lena Roseman Denio, and Harriet Gerould—were present, and letters were read from Laura Clark, and Mary Towle Snyder. Thus all but one of the charter members was represented in the reunion, and as she was a member for only a few weeks and then became a charter member of Vermont B, her loyalty is naturally to that chapter. In addition to the charter members, two of the first three initiates were present, Florence Allen and Luella Whitney Dunn, and the third, Fanny Sutton Lake, wrote her greetings. That record would be hard to beat: after forty-three years all the charter members and the first initiates are living, and seven of the twelve were present at the reunion and all but one of the others heard from.

State of Maine Alumnae had a most successful conference at Lakewood, Maine, during the summer. A feature was a display of Arrowcraft articles, which sold well—and the remaining articles were taken by one of the girls to her shop in Greenville. Thirty-five girls, all Maine Alphas except one, attended the dinner which was the principal event of the second day. The state convention will hereafter be a permanent event for Maine Pi Phis—Convention years it will be held the last week in July—interim of Convention years it will be held the last week in June, with the idea of interesting and meeting the vacationists who go to Maine, as well as for the convenience of the Maine girls themselves.

On September 15 a Maine Alpha day is being held. On that day, every Maine Alpha wherever she is, is to earn some money for the room fund for the chapter. A fine idea, and worth copying for many other chapters!

Last year, 60% of the Maine Alphas in the state were paid members, 34% of those in Massachusetts, 15% of those elsewhere, and 19% of the Pi Phis in the state who are from chapters other than Maine Alpha. The total Maine Alpha paid memberships make a total of 44% of the total.

A record to be proud of, one that we pass on to the Fraternity at large with pleasure.

ALPHA PROVINCE

BOSTON CLUB

The first meeting of the 1936-37 season was held in real II Φ style with a cooky-shine. Mrs. Bruce Scott was our guest speaker, and she told some of the highlights of Convention, and led a discussion on proposed constitutional changes. The December meeting was led by Dr. Leland Wyman, who spoke about the Indians of the Southwest, with whom he has lived for several summers. In March we had a dessert-bridge and fashion show. There were two features of this meeting: the active girls staged the fashion show, and the newly formed Metropolitan group acted as hostesses. The finest meeting of the year was the Founders' Day observance. The active chapter had initiation on the same day and the climax came at a very lovely banquet. Gertrude Stewart, chairman of the Settlement School committee, gave a very inspiring talk.

There are 45 paid members and an average attendance of 40. \$5.00 was given to the Endowment fund and, of the proceeds of the dessert-bridge, 50% was given to the active chapter, and 50% to Settlement School.

The officers for the coming year are: President, Marion Reid, 10 Claybourne St., Dorchester; Vice-President, Madalene Brackett, 73 Park Dr., Boston; Recording Secretary,

Ethel Sanford, Newbury St., Boston; Treasurer, Miriam Bernt, 43 Brookdale Rd., Newtonville; Corresponding Secretary, Dorothy Hey, 32 Arlington St., Lawrence; Chairman of Advisory Committee, Miriam Taylor Rae, 12 Atwood St., Wellesley.
DOROTHY E. HEY

BUFFALO CLUB

Twenty members of the Buffalo Alumnae Club accepted the invitation extended by the Hamilton, Ontario, club for a Founders' Day tea on April 10. A cooky-shine was held at the April meeting, at which Ruth Miller, the new club president, presided. The guest of honor, Ruth Barrett Smith, our Grand Vice-President, told of chapters she had visited and gave Convention news.

The annual picnic is planned for the last of June.

ALICE K. BUSCH

BURLINGTON (VERMONT) CLUB

The Burlington Alumnae Club spring activities have included two meetings, one the Annual Meeting and an-

other at which the Club entertained members of the active chapter at a covered dish supper.

At the annual meeting the following officers were elected for the coming year: President, Mrs. Bosworth; Vice-President, Mrs. Arms; Treasurer, Mrs. Kimball, and Secretary, Mrs. Webster.

Besides the regular meetings the Club held a successful rummage sale in April and celebrated Founders' Day by going to Montpelier with members of the Active chapter to join Vermont A in their celebration.

Plans are underway for the annual June Spread to be held at the chapter house on June 12.

DORIS S. WEBSTER

NEW YORK CLUB

The New York Alumnae Club has just closed another successful year under the able leadership of its president, Helen McKendrew. There were a few more members than in 1935-1936, and among our seventy-two members were twenty-six new ones. Due to the constant change of residence among members in a large city like New York, the membership committee has a difficult task to try to reach all Phi Phis who might be interested in the club and its activities. This year, the membership chairman, Helen Monsen, reported seventy letters had gone out in addition to many telephone calls.

The program chairman, Beatrice Louise Ecks, arranged with her committee a varied and stimulating program of meetings. The year opened in October with a Convention luncheon held at Beekman Tower. Mary Herdman Scott, our Province Vice-President, was our guest of honor and gave us a most interesting résumé of Convention. The delegates from the Westchester and Northern New Jersey Clubs added interesting highlights. Both the November and December meetings are generally devoted to teas and sales of Settlement School products. The November tea was held at the home of our President and was a splendid success financially as well as a delightful occasion. The December tea is given annually for Panhellenic, and the Presidents of other fraternities are invited as honor guests. This time there was a very enjoyable program of Christmas carols sung by a girls' high school chorus from the Friends' School in New York. A two-day sale was held at the home of Lillian McElvare on Long Island.

At the January cooky-shine, our "deb" group entertained the whole club in the Panhellenic Clubroom at Beekman Tower. The February and March meetings were devoted to topics of general interest. Unexpectedly apropos was the talk by a distinguished $\Pi \Phi$ husband, Judge Jerry B. Sullivan, Judge of the U. S. Customs Court, on "Our Constitution: Does It Meet Our Present Needs?"

In March we had the pleasure of listening to an informal but very illuminating discussion of radio by Martha McGrew, D.C. A. assistant to the president of the National Broadcasting company. The April meeting was held at the home of Marquerite McKenzie. The nominating committee presented their candidates for new officers for another year, and they were duly elected. We had the pleasure at this meeting of having with us Mrs. Smith, publicity chairman for the Endowment Fund, who told us of the plans for completing it next year.

Founders' Day luncheon represented the high point of the year—the only regret was that our President was out of town and couldn't be with us. Elizabeth Speir acted as toastmistress, and the New Jersey club met with us. Josephine Schain, Minnesota A, chairman of the Committee on the Cause and Cure of War, spoke to us on her work in the Peace Movement. A fashion show followed, prepared and presented by the "deb" group, showing the trend of the styles for each decade since our founding. The candle lighting ceremony was presented by the New Jersey club.

Due to the great energy of our president, the Settlement School sales totaled \$453.25 in spite of the fact that no chairman could be found to replace Mrs. Ouderik who left the city unexpectedly. The Magazine Agent, Miss Kimmel, reported commissions of \$39.15 to our credit.

In early April, a dinner was held at Beekman Tower honoring the Grand Vice-President, Ruth Barrett Smith. A meeting followed at which she told us many interesting things about the neighboring clubs and chapters she had just visited. It is always a pleasure to have these visits from grand officers since it helps materially to keep one's viewpoint broad and national in scope.

Miss Woodman, our $\Pi \Phi$ representative on the Board of Directors of the Panhellenic House Association, reported very much better financial returns this year for Beekman Tower, the percentage of occupancy being from ten to fifteen per cent higher than previous years.

Marjorie Haynes has again been our splendid representative on the Board of Governors of the New York City Panhellenic, with Frances Hungerford as alternate. Panhellenic has inaugurated a most interesting new service this year in offering to its members a "Vocational

Guidance Service." Letters have been sent out this spring to fraternity women throughout the country describing the idea. The Club sponsored a series of talks by members prominent in the various professions and businesses for women at the monthly supper meetings. The club has also awarded a five hundred dollar scholarship for next year.

The New York Club wishes to take this opportunity to invite any new Phi Phi living in and near New York to join our club next year and help us carry on.

RUTH HANCORNE NEWLAND

PORTLAND CLUB

The Portland, Maine, $\Pi \Phi$ Alumnae Club has had a year of pleasing success with its small membership. We were glad to welcome as an interested member, Mrs. Maynard Swift, Vermont A, who moved to Portland last fall. Out of our total of twelve members we have representatives from five chapters—Genevieve Corey, Michigan B, Olive Fessenden, Ohio A, Mildred Norwood, Ontario A, besides Mary Swift and the eight Maine A girls.

The club has rounded out the year with a rushing party at the home of Mildred Norwood in September for the assistance of the Maine A chapter; a visit from Alpha Province (East) Vice-President, Mrs. Bruce Scott; a public bridge in October; several displays of Arrowcraft products at various local clubs in November and December; a Christmas party and tree at Dorothy Frye's with an impromptu pantomime with the participation of all members; constitution and history study in February; a supper and shower of inexpensive articles for the Maine A chapter room in March at the home of Helene Daniels; a tea for the actives and visiting Phi Phis from Bath and other nearby towns at Elizabeth Laughlin's in April; a Founders' Day supper celebration at The Forest, a residence which caters to supper parties; and in June at Mary Swift's we discussed the state alumnae Convention to be held at Lakewood on July 17 and 18. A get-acquainted party for the actives and new alumnae was discussed for the summer.

The club has participated in the Round Robin letter of the state groups of Phi Phis, has financially aided the Maine A chapter, and was especially successful with its sale of Arrowcraft goods. It was the first time many of the girls had seen a large assortment of the goods made by the Settlement School and the sales showed the enthusiasm with which the townspeople greeted the displays.

Although Phi Phi residence in Portland seems to be more or less transient we anticipate the continuation of our club for many years, for there exists a sincere feeling of mutual interest and congeniality which is truly a grand thing on which to build.

RUBY CARLSON WILLIAMS

STATE OF MAINE CLUB

The state of Maine $\Pi \Phi$ Alumnae Association completes its first year in July when it again holds a state-wide convention at Lakewood, Maine, July 17 and 18. The Executive Council will hold its meeting Saturday, the 17th—thus avoiding the too strenuous schedule of devoting one day almost wholly to business meetings as we did last year at Belgrade Lakes.

Lakewood is the home of a widely known summer theatre so we are looking forward to seeing more than council members on the 17th.

Since the first Convention—July 26, 1936—the Association has held two council meetings—one at Pleasant Pond, Gardiner, at the camp of Ruth Small Sewall, '21, first Maine A chapter president, and the other at Orono.

The first council meeting was held August 15, 1936 and duties of officers were decided upon, budgets drawn up, and plans laid for a strong foundation for a lasting organization. Mrs. Maud Crawford, Washington A, accepted chairmanship of the State Magazine Committee and has served ably.

The second council meeting was held in the Maine A chapter room and was a week-end affair, beginning at 3:00 P.M. Saturday, April 17, 1937. The Bangor Alumnae group served us a bean supper at the chapter room which most of us viewed for the first time. The room has been very well arranged and gives us alumnae real pride in feeling we were able to furnish this for the chapter this year. Saturday night the council members were graciously entertained by the Bangor and Orono alumnae. Sunday we dined with the actives, pledges, and nearby alumnae at Spruce's Log Cabin. In the afternoon the new actives served tea at the chapter room and gave us a real chance to get acquainted with our new girls and to join in singing Pi Phi songs once more, Monday being a holiday the lingerers had an opportunity to visit the campus and see how beautifully it has grown and improved.

Real interest and a willingness to do her part has been shown by each alumna throughout the year, just as was shown when the idea of the association was first put forth. Our feeling that an alumnae association was sincerely wanted by all Phi Phi in Maine has proven justified.

ELIZABETH LAUGHLIN

SYRACUSE CLUB

The Syracuse Alumnae Club has continued its practice this year of holding alternate luncheon and evening meetings. We have had twelve in all, and they have been very well attended, the evening meetings especially so. We have had a paid-up membership of 56 with an average attendance of 32.

We sent \$50 to the Settlement School, \$10 to the loan fund, and \$10 to the endowment fund, and have sold very nearly our usual amount of Settlement School products, with several sales pending even now. We gave our active chapter a Christmas gift of a new slip cover for one of their davenport, and have finished the year with \$18.00 in our treasury.

Our meetings have all been reported in detail with the exception of the last two.

We departed this year from our usual custom of entertaining our active chapter by classes at our evening meetings, and for Founders' Day entertained the entire chapter at a dinner at Brummins. Six of the actives from St. Lawrence joined us at that time, and we welcomed also Mrs. Edward Reid, New York A, Gwen Mason, Vermont A, and Beatrice Patterson, Ohio B, all from Rome.

Our final business meeting of the year was held at the home of Mrs. Chaffee, as it has been many times in the past.

The entire alumnae club is united in its thanks to our loyal and efficient retiring president, Ellen Manning Beall, who has served the club so faithfully these past years, and is also just as united in its promised allegiance to Naomi Ellis Womer who is so cheerfully taking up the burden.

Our final social event is to be the June dinner sponsored by the Alumnae Association of Pi Beta Phi which will be history when the ARROW comes out in September.

MRS. GUY CHAFFEE

TORONTO CLUB

The Toronto Alumnae club has just completed a very successful year. We have a paid-up membership of fifty-five and the meetings have averaged an attendance of forty-two. We adopted the same chronological group system, which was inaugurated last year, namely dividing the members into seven chronological groups, and each meeting was in complete charge of one of these groups. The executive comprised the eighth group, and took charge of the annual meeting.

Our meetings were held usually on the first Tuesday evening of each month. Our first meeting was held on October 6, when Tats Ball gave a very interesting talk on Convention.

The November meeting took the form of a bridge, which was most successful, with a large number in attendance. Our birthday party was held at the University Women's Club, when we were very pleased to have twenty-four actives present. Arnie Edgar, who was home on furlough from India, gave a most interesting talk, and showed wonderful slides. The Christmas stockings, which were filled by the alumnae and actives, were brought to this party and distributed to the children of the out-patients at the Toronto General Hospital. The raffle was drawn, also, at which we made approximately \$212.00.

The alumnae club gave the active chapter a rushing party in January. This party took the form of a cabaret, with a fashion show and various stunts.

The group in charge of the February meeting put on a very amusing Settlement School play.

We had a very interesting speaker at our March meeting, and in April, the Founders' Day celebration was held at the Ancaster Golf and Country Club in Hamilton, with 150 members present from Toronto, Hamilton, Buffalo, London, Niagara Falls, and many parts of Ontario. It was a very enthusiastic gathering.

We have been delighted to have so many Pi Phis from other chapters at our meetings this year.

The club season ended with a luncheon on June 12 in honor of the seniors.

HELEN M. BARKER

WESTCHESTER CLUB

The Westchester Alumnae Club had an active and suc-

cessful year under the able guidance of its president, Mrs. James Fri (Florence Parks). Most of its forty-three paid members were active. Four regular meetings were held during the year. The first of these was held at the home of Mrs. S. Murray Jones (Norma Hopson) in Scarsdale. Mrs. Randolph H. Guthrie (Mabel Welton), our delegate to Convention, gave an interesting and complete report of Convention. We were most fortunate in having present at this meeting Mary Herdman Scott, our Province Vice-President, who stressed the highlights of Convention, giving us a vivid picture which was most inspiring.

Our Settlement School meeting was held at the home of Mrs. John West, Jr. (Judith Rhoads) in Hartsdale. Handicraft made at the Settlement School was displayed, and many articles were sold. Mrs. S. Murray Jones was assisted by Mrs. Oliver Gang (Frances Westfall) and Mrs. John Robertson (Nelle Mitchell).

A meeting on the Constitution was held at the home of Mrs. James Fri in Bronxville. Mrs. Roscoe Morton (Fanny Plummer) gave an enlightening talk on the Pi Beta Phi Constitution. In April a dinner dance was held at the Westchester Country Club in Rye; and everyone thought it was such a good idea that we should do it each year, and that it would result in the husbands not begrudging any time spent on Pi Phi projects!

Founders' Day was observed by a luncheon at the home of Mrs. John Robertson in Scarsdale and there were fifty Pi Phis present. Those who attended were impressed with what seventy years of growth in Pi Beta Phi has meant and felt a deep sense of gratitude to the Founders. Several of the Westchester Pi Phis attended the luncheon of the New York club which was held at Beekman Tower in New York City, and at which Josephine Schain, one of our own Pi Phis, spoke on the Cause and Cure of War.

The Bridge group, under the competent leadership of Mrs. John West, Jr., had a splendid year and continued through the summer. It is through this group, which meets once a month at members' homes, that many new Pi Phis have been discovered and subsequently interested in other activities of the club. Mrs. West was most generous in opening her home for a luncheon which she gave for members of the group when she retired as chairman. This group sponsored a bride tea for the benefit of the Settlement School at the Scarsdale Woman's Club and over two hundred attended. Due to the earnest efforts of Mrs. Oliver Gang and her supporting committee, a sizeable sum was raised for the Settlement School, and the party called forth the praise of many, particularly those familiar with such undertakings. Mrs. S. Murray Jones had a large and attractive display of Arrow Craft articles, and assisted by Mrs. John Robertson, Mrs. Randolph H. Guthrie, and Mrs. Edwin Shumate (Elizabeth Chapin), a substantial sum for cleared for the school. The bridge group has as its new chairman, Mrs. Oliver Gang. The first meeting under her chairmanship was held at the home of Mrs. Carl DeLong (Alice Ward) in June.

The Book Group under the capable leadership of Mrs. Peter Reilley, Jr. (Jeanette Parker), proved worthwhile and popular. It met once a month and the last meeting of the year was held at the home of Mrs. Roscoe Morton in Bronxville and "The Years" by Virginia Wolfe was discussed. The next meeting of the Book Group will be in October. Mrs. Melvin Dawley (Dorothy Tisch) has been chosen as the chairman for the coming year.

Two hundred and fifty dollars was raised for the Settlement School this past year and over \$25 was made by the Magazine Agent, Mrs. Roscoe Morton. A contribution was made to the Endowment Fund, and a number of Pi Phi Cook Books were sold.

The officers for this year are: president, Mrs. Paul Arnall (Edna Chain); vice-president, Mrs. John W. West, Jr. (Judith Rhoads); recording secretary, Mrs. Orland Zeugner (Ethel Finn); corresponding secretary, Mrs. S. Murray Jones (Norma Hopson); treasurer, Mrs. Charles Neale (Geraldine Truscott).

Mrs. Peter Reilley (Jeanette Parker) is our new Settlement School Chairman, and Mrs. Burr Horn (Winnette Emery) is in charge of the Magazine Agency.

The year that has just passed was enjoyable and productive. Now we look forward to another year which we hope will be increasingly happy and progressive. Our club extends a cordial welcome to all Pi Phis living in Westchester.

AKRON CLUB

The Akron Alumnae club opened the new season with a luncheon-bridge at Tally-Ho Tavern where the president, Mrs. Henry Alden, presented numerous plans for the year. Our Convention delegate, Edith Dorman, made us all

realize what an inspiration Convention had been.

The most important fall event was our rummage sale, the profit of \$84.00 to go to the Settlement School Fund. Throughout the year various members of our club entertained with small benefit bridges which proved most entertaining and also helped augment the Fund.

The Christmas meeting held at the home of Mrs. John Williams was marked with preparations for our welfare work, assembling and wrapping gifts of clothing, food and toys for a deserving and appreciative Russian family.

The January meeting was postponed because of the death of one of our members, Mrs. H. L. Dorman. We also deeply regret the passing of Mrs. E. G. Reed, who died from an automobile accident, and we shall miss them both for years to come.

Our February meeting was concerned with plans for the sponsorship of the play "Animal Kingdom," given by the Akron Little Theater group at which we made a profit of \$33.00.

In March we held an informal business meeting and bridge at the home of Mrs. Kenneth Ewart. Our cooky-shine this year was a most enjoyable event. Twenty-three responded to the roll call at the home of Mrs. B. J. Humphrey. The following officers for next year were elected: president, Mrs. W. F. Warden; vice-president, Mrs. Kenneth Ewart; secretary, Mrs. Charles P. Evans; treasurer, Mrs. B. J. Humphrey.

Mrs. L. O. Gunther opened her home for our final meeting in May. The Settlement School chairman, Mrs. R. A. Kirchner, reported a profit of \$27.92 from our impromptu spring rummage sale. Everyone was entertained with a White Elephant sale and more than pleased with their purchases. We are looking forward to an increased membership and many successful meetings next year.

MARY KAY EVANS

CLEVELAND CLUB

The year 1936-1937 has been an active one for the resident alumnae. For the first time we have been running on a budget and are happy to announce that the plan has been most successful. The afternoon and evenings meetings have been well attended and the program committee has presented enjoyable entertainment.

One of the most interesting events of the year was the Founders' Day meeting held at the College Club. Following the banquet Mrs. Merald Luc and Mrs. John Patt gave us the prize winning skit at Convention, Living Puppets.

This spring every Pi Beta Phi has been busy selling as many ticket books for the Great Lakes Exposition as possible since the fifty cent profit on each \$2.50 book will go into our Settlement School fund. Following this sale members will begin on a sale of tickets for a lecture series sponsored by the Panhellenic Association.

June 11 Pi Beta Phi will entertain the Panhellenic representatives, alternate and president, of each of the twenty-two fraternities belonging to the Cleveland Panhellenic Association. The party, a salad bridge, will be given at the home of Mrs. H. N. Cole.

The sum sent to the Settlement School was \$820, the greatest amount of which was realized at the annual rummage sale. In May Mrs. J. E. Kewley gave her annual luncheon bridge party for the benefit of the school. The winners of each bridge group who have played throughout the year competed for the championship prize. A contribution of \$10 was sent to the Undergraduate Loan Fund and the sum of \$25 to the Endowment Fund.

Committees for the coming year have been appointed and we are anticipating an interesting and profitable season.

BALTIMORE CLUB

Another year of enjoyed friendship and growth together is over. Our club is larger in numbers and we think in enthusiasm. The active chapter in Goucher is stronger and off to a new start for 1938 with rushing plans already in swing.

During April we had a nice visit from Mrs. Altwater, our province president. Dr. Mary B. Harris, director of the Federal Institute for Women of West Virginia, was also our guest for tea. It was certainly an inspiration to hear Dr. Harris talk informally of her work. Have all of you read her very interesting book "I knew them in Prison"?

Our Founders' Day celebration this year was in the form of a seventieth anniversary banquet. Every guest joined in the entertainment, including the active chapter, and we even had a birthday cake with candles.

After a restful summer we will meet again in the fall with another program for 1918 and renewed interest in II B Φ.

CATHARINE W. DONNELLY

OHIO VALLEY CLUB

This year the Ohio Valley Club has initiated the plan of holding its monthly meetings at the homes of members who act as hostesses for the occasion. All receipts above actual expenses are turned over to the club treasury. We recommend this plan to other clubs. Besides being a novel and entertaining one, it is profitable as well.

The Settlement School bridge was held in December with a large attendance of Pi Phis and their friends. Our February meeting was an evening social held at the home of Mrs. John Cook on Wheeling Island. Proceeds from this meeting were donated to the Red Cross for flood relief work.

The April meeting had as hostesses the Moundville members. Founders' Day was celebrated in May and the year's activities were brought to a close with a picnic in June.

ARDATH HILTON

SOUTH HILLS CLUB

The South Hills Club brought its meetings to a close with a picnic for members and their escorts. There were ten meetings held during the year. Two of these were devoted to Settlement School and two to helping local charities. All of the meetings were held in the homes of the members with the exception of the Founders' Day luncheon which was a joint celebration with the Pittsburgh club. This was the largest celebration that either club has had for some time. There were about sixty-four Pi Phis present. Six girls from each group dressed as Founders and gave a short speech telling something of the Founder whom she represented.

The club was unfortunate in losing four active members who had moved out of town but was happy to welcome three new members, which makes a total membership of sixteen.

Ferne Wein who will be Mrs. Herbert Horne in the Fall, was elected president for the coming year.

ALICE SIMMONDS THOMPSON

SOUTHERN NEW JERSEY CLUB

It was with much regret that the Southern New Jersey Alumnae club accepted the resignation, because of ill health, of the newly elected president, Caryl Slifer, last fall. Jane Coolidge, the new vice-president, took over the presidency with much hesitation but under her leadership the club has had a most prosperous and active year in spite of the late start.

There has been a meeting each month with an average attendance of eighteen members and at the time of writing the club has twenty-six paid members. In November the meeting was a card party and sale for the benefit of the Settlement School held in the Moorestown Community House. There were twenty-one tables of bridge and more than \$40 were cleared.

The club donations to the Settlement School for the year total \$62.25. One dollar for each member of the club, or \$26, was sent to the Endowment Fund and \$5 to the Undergraduate Loan Fund.

The club is happy to report that with the exception of the secretary the present officers have consented to act again next year and every one is looking forward to an even better year under their more experienced leadership.

ADELAIDE ENGLISH

WASHINGTON CLUB

Another enjoyable year has been completed by the Washington Alumnae club. There have been many new faces at the meetings and we have had the pleasure of welcoming Pi Phis from practically every state.

As the club didn't receive any financial help from benefits, a campaign was carried on to secure members with the result that one hundred and nineteen responded to the call for dues. This is our biggest year from a membership standpoint. We were able, therefore, to carry out the financial program for the season which included the following gifts: \$25 Endowment Fund, \$10 Student Loan Fund, \$182 Settlement School, and \$100 gift to District of Columbia A.

Our first and last meetings of the year have become almost a tradition and incidentally our most popular ones. They are supper meetings with generous time allowed for conversation before the business of the evening is begun. In October Mrs. Arthur E. Nesbit entertained the club. The past Convention was discussed and plans

for the year made. Mrs. Wilson Compton was hostess in May when the officers for the ensuing year were installed. This meeting was held later in the month than the rest of the meetings in the hope (which did materialize) that the weather would permit us to enjoy her lovely terrace and garden. Mrs. Alford's unofficial visit was a delightful feature of the evening.

In November we met at the home of Mrs. James W. Clift and had the pleasure of a talk by Ethel Hueston, novelist.

The Settlement School and its products was nicely taken care of at the December meeting at Marion McCoy's. Generous pledges were made to the School and a quantity of handicraft purchased.

Mrs. John E. Larson entertained in January at a meeting primarily social.

District of Columbia A took us on a tour of George Washington University in February and put on an entertaining show with their freshman talent. February was also the month of the Panhellenic luncheon.

One of the most interesting meetings of the year was held in March at the home of Mrs. W. Franklin Stickle. Emilie Margaret White prepared an account of "The Participation of District of Columbia A and the Washington Alumnae club in the National Life of $\Pi B \Phi$ "

but as she was unable to attend that evening it was read with some additions by Ruth McGowan. Between the two of them, a great list of honors and activities were compiled. Though most of us couldn't take personal credit for the many achievements of the Washington group, we were mighty proud to be able to belong to a club that could.

Founders' Day celebration was the largest in several years and takes its place among the top as being one of the most enjoyable and successful. Mrs. Rogers Fred (our president next year) headed the committee that planned the dinner held at Columbia Country Club. Over one hundred and thirty gathered to honor our Founders. The lovely candle-lighting ceremony was enacted.

The afternoon group of the club had two well-attended functions this year, a luncheon at the home of Mrs. Edmund Parry and a tea at Mrs. George Ober's. It is found that having a few afternoon functions gives some an opportunity to participate in Pi Phi's activities who cannot manage to come to evening affairs.

A report of the year would not be complete without a word of appreciation for the work done by our capable president, Mrs. Samuel Spruce, who has given so generously of her time, thought, and hospitality for the past two years.

BERYLE EDMINSTON PLEDGER

DELTA PROVINCE

BLOOMINGTON CLUB

The Bloomington Alumnae Club had a very successful year under the leadership of Mrs. J. E. Krueger, president. A rummage sale in September reimbursed our low treasury to the amount of \$25.40.

In October the "alums" entertained the freshmen with a potluck dinner at the home of Mrs. J. M. Van Hook. A Settlement School tea, December 7, given at the chapter house was quite a success.

We celebrated Founders' Day, April 24, at Indianapolis. Our active chapter and alumnae joined delegates from the entire Delta Province in a very successful two-day session.

A farewell dinner for the graduating seniors of the chapter was given on Monday evening, May 3, at the home of Mrs. Homer Woolery. It is with regret that we will say "goodbye" to these girls.

Indiana B will have a lovely new home next Fall. An additional \$40,000 unit is being added to the present chapter house. The "alums" are proud of the efforts and achievements of the active girls this year.

Remember "alums," do your part by assisting in rush. Send names of any prospective rushees to the rush captain at once!

MILDRED E. KING

FRANKLIN CLUB

The Alumnae Club entertained the actives and pledges in Indiana A chapter of $\Pi B \Phi$ at the Red Elephant Inn with a spread, on the evening of April 6. We feel that in this manner we are in closer contact with the active chapter and gives each alumna an opportunity to know all the girls. Chances were sold on a pair of hose and the money placed in the Settlement School fund.

A special guest was Miss Thomasine Allen of Morioka, Japan. She talked to us about her very interesting work among the Japanese people.

On May 11, Mrs. Leroy Cooke opened her home to the club and, with the assistance of her committee, served a beautiful as well as a delicious dinner to the members.

This was the last meeting until Fall, and the evening was spent in giving final reports and winding up the business of the year. Our new president, Mrs. Roger Owens, took charge of the latter part of the meeting and made announcement of her plans for the coming year. We are looking to a larger and a more active year than ever before in celebration of our Golden Anniversary.

June 7 the annual Commencement dinner was held at the Hill View Country Club with approximately a hundred guests in attendance. A short program was in charge of Mrs. Owens, who presented the senior girls to the visiting alumnae. Also all awards were made at this time. The program was closed by the group singing "Speed Thee, My Arrow."

JULIA H. STARK

DETROIT CLUB

The Detroit Alumnae Club celebrated Founders' Day with a cooky-shine at the home of Mrs. Colin Campbell. At this meeting it was voted to send \$200 to the Settlement School, \$50 to the Endowment Fund, and \$10 to the Loan Fund.

On April 7 we were happy to have Margaret Tasher

Smith as our guest at luncheon at the Woman's City Club. Mrs. Smith spoke to the club concerning the new Endowment Fund contest.

Three of our members attended the Delta Province at Indianapolis, Mrs. Gatward being the delegate. This conference with its model initiation and cooky-shine at the Butler chapter house and its Founders' Day luncheon attended by about 400 Pi Phi was a very successful occasion. The Indianapolis Club should receive high praise for planning this meeting.

Mrs. Frederick B. Fisher, whom Pi Phi is in attendance at the Edgewater Beach Convention will remember for her stimulating address, will entertain the Detroit Club at a garden party on June 19. This will close the year's program.

MARY E. BAUMANN

GRAND RAPIDS CLUB

Our Grand Rapids Alumnae Club feels that we have had a very successful and enjoyable year with Mrs. Raymond Dunwell as president.

In February we met for an evening meeting at the home of Mrs. Henry Sullivan with Mrs. Morris Knowles as assisting hostess. For our March meeting we had a dinner at the home of Miss Virginia Ulrich. A committee headed by Mrs. Mallory Cassidy prepared the food and we cleared a nice profit. After both of these meetings we had a program given by individual members—book reviews, etc.

In April we planned our most ambitious undertaking—a Founders' Day luncheon for our local alumnae and Pi Phi in neighboring cities. We sent out seventy invitations and had particularly nice responses from the Marshall and Ann Arbor clubs. The luncheon of which Mrs. Mallory Cassidy was chairman, was held May 1 at the Rowe Hotel with twenty-eight in attendance. Anne Jamison, our Province Vice-President, was our guest speaker and brought very interesting reports from the Indianapolis conference. A history of our local alumnae club was given by Mrs. John Nichols, after which the luncheon closed with the candle-lighting ceremony being given by Mrs. J. Raymond Dunwell. It was a thoroughly enjoyable occasion and we hope next year to have even a better response.

We have had two brides in our club this spring: Miss Virginia Ulrich, who married George Pidot of New York on June 5, and Miss Helen Spencer, who became Mrs. William Logie on June 12 and will live in Chicago. A May tea was given in their honor at the home of Miss Camilla Bowman. We shall miss these girls greatly in our local group.

The final meeting of the year was a business meeting at the home of Mrs. Mallory Cassidy in June. Reports showed splendid work on the part of the Settlement School chairman, Mrs. Morris Knowles, and the magazine chairman, Mrs. Henry Sullivan. Contributions were given to the Settlement School and Loan Funds.

New officers for the coming year were elected as follows: president, Mrs. Mallory Cassidy; vice-president, Mrs. Robert Rowland; secretary, Mrs. Harry Sullivan; treasurer, Mrs. John Nichols; settlement school chairman, Mrs. Dorothy Hagerman; magazine chairman, Mrs. J. Raymond Dunwell; membership chairman, Miss Marion Lamb; program chairman, Mrs. Morris Knowles; publicity chairman, Mrs. Stephen Clarke.

KATHRYN CLARKE CASSIDY

INDIANAPOLIS CLUB

The Indianapolis Alumnae Club closed one of the best years of its history with a luncheon at the home of Mrs. S. O. Dungan, June 12. As is the custom, there were two guest meetings, one in November, the other in March. The Settlement School anniversary meeting was held in February, at which time the club was delighted to have as a guest, Emma Harper Turner, who gave an interesting sketch of the founding of the Settlement School. Throughout the year programs, representing a wide range of cultural subjects, have been stimulating and diverting. The membership of ninety-five represented fifteen chapters.

The club has carried on a number of money-making projects. The annual fall bridge tournament netted \$92.57; sale of Arrow Craft articles \$112.77. A second order of II B Φ cook books did not supply the demand. The club is proud of the excellent work of the magazine committee of which Mrs. H. C. Curtis is chairman. The final report of this committee was \$503.90 collected on sale of magazines. According to the last report received, this committee ranks first in the district and second in the nation.

The highlight of the year was the Delta Province Conference held in connection with the Founders' Day Luncheon, April 23 and 24. The conference opened with registration at the Indiana P chapter house Friday afternoon, April 23. At the opening session, there were 140 delegates from sixteen alumnae clubs, the four Indiana active chapters, Michigan A, and Michigan B. Delta Province was most fortunate in having among those attending the conference and luncheon Miss Emma Harper Turner, first chairman of the Settlement School; Mrs. Warren T. Smith, Grand Vice-President; Mrs. C. M. Purdunn, Central Office Director; Mrs. Charles L. Jamison, Delta Province Vice-President. National and province officers from the Indianapolis Club were Mrs. Robert F. Wild, assistant to the Grand Vice-President, and Mrs. Jasper P. Scott, Delta Province President, who planned the conference; Mrs. Carlos Deeds, national fraternity examination committee chairman; and Miss Margaret Kellenbach, national music chairman. The opening program included a model initiation ceremony by Indiana F, a cooky-shine, and an informal discussion led by Mrs. Wild. Separate active and alumnae sessions were held Saturday morning at the Columbia Club, the number, 386, attending the Founders' Day Luncheon held at the Columbia Club, April 24, surpassed that of all previous years. The chief speaker of the afternoon was the charming Rosemary Moorehead, a teacher at the Settlement School. Miss Moorehead's vivid and inspiring talk on the Settlement School of today renewed one's pride in the Fraternity's famous work at Gatlinburg. The combined Delta Province

Conference and Founders' Day celebration proved to be such a happy affair that the Indianapolis Club anticipates repeating it some time.

KATHERINE BOOK

LAFAYETTE CLUB

For the sake of variety and experiment the Lafayette Alumnae Club carried out its activities somewhat differently from its traditional program this past year. Instead of entertaining each of the four classes of the active chapter, we limited our invitations to freshmen and seniors. The freshman dinner was a lovely affair in November at the home of Mrs. Howard Baldwin. After our dinner we all sat in a large circle and had "getting acquainted" talks. We had our seniors as guests for dinner in May at the home of Mrs. Burtis Horrall. We gave them each a white purse from Settlement School as a parting gift in memory of our four years' happy associations with them. By omitting our parties for the sophomore and junior girls, we gave our own members a better opportunity to enjoy one another and to become acquainted with the several new alumnae members who moved to Lafayette and joined our club this year.

We changed our Settlement School sale arrangements from the annual tea and display at the chapter house to a down town sale in the floral store of one of our members, Mrs. Lewis Clark. This public sale netted us very satisfactory results. Our other efforts at money making was in February in cooperation with the Mothers' Club at a big bridge party. We cleared over one hundred dollars to be given to active chapter toward a new piano for the chapter house.

Some of our dinner meetings which were especially attractive were the "Husbands' Party" in December, the "St. Patrick's Party" in March at which we had a book by a Pi Phi author reviewed, and the April dinner at which the entire alumnae club were guests of the active chapter at the chapter house.

RHEA E. WALKER

SOUTHWESTERN INDIANA CLUB

The Southwestern Indiana Alumnae Club has had an enjoyable year. Regular meetings were held on the second Monday of each month with the exception of February which was during the flood. Each meeting consisted of a buffet supper, program, and business meeting. The club now has twenty-six members.

Plans for a summer rush party were made at the final business meeting in May.

In June the alumnae, their husbands or friends will have a picnic at Mesker Park at Evansville.

RAGENE RALPH WILLIAMS

EPSILON PROVINCE

CHATTANOOGA CLUB

The Chattanooga Alumnae Club closed the 1936-37 season with a luncheon which took place during the Epsilon Province Conference which convened at Chattanooga June 12-15, honoring the Tennessee A graduates. The annual Achievement award was presented at that time to the most outstanding active.

Nine meetings were held during the year, generally following luncheon at one of the hotels.

Cooperation between active and alumnae groups has been strengthened this year through joint rush parties, buffet suppers honoring the initiates, trips to Birmingham and Gatlinburg to join the respective clubs in Founders' Day celebrations, and, most important, the Epsilon Province Conference, at which Miss Onken was an honored guest.

The formation of two book clubs within the whole club has served as additional means for socials as well as educational advancement. These meetings are held in individual homes in the afternoons and evenings. Mrs. Esther Haven Fonseca's latest book, "The 13th Chair in the Ballroom," appears on the list of books in both clubs.

Money-raising projects took the form of bridge parties, rummage sales, yarn raffles for knitted suits, and sale of Settlement School products. Income from the above as well as individual contributions enabled the club to participate in all the national projects of the Fraternity.

Officers for 1937-38 were elected at the May meeting and were installed at the June meeting.

RUTH WILLIAMSON

COLUMBIA CLUB

President—Miss Helen Hungerford, Beverly Apartments, Columbia, Mo.

Vice-President—Mrs. R. H. Westveld (Amy Lindroth), Dumas Apartments, Columbia, Mo.

Corresponding Secretary—Mrs. H. E. Scurlock (Ruth Jones), 1105 Paris Road, Columbia, Mo.

Treasurer—Mrs. John Allton (Mildred Thompson), 1204 Wilson, Columbio, Mo.

Resident Alumnae 37

Members of Club 27

Average Attendance 18

Monthly meetings have been held on the first Thursday of each month from September to June inclusive. Most of the meetings were in the afternoon with one evening meeting for the benefit of members who could not attend in the afternoon.

Programs have included: a talk on European Affairs, a talk on Personal Grooming, a Play Reading, the Constitution, and the Settlement School. Mrs. Donald Lyons, our Province Vice-President, was a guest at the March meeting of the club.

Pledges and active members of Missouri A were entertained, by classes, at tea following alumnae club meetings. Each member of the club sponsored one pledge this year and tried to get well acquainted with her.

The club's total contribution to the Settlement School was \$32.18. Ten dollars was given to the Endowment Fund and \$5.00 to the Loan Fund. The magazine chairman sent in orders to the amount of \$119.00.

Members of the club and Missouri A chapter were invited to celebrate Founders' Day with the Kansas City Alumnae Club. Very few members could go, but the active chapter attended in a body.

RUTH JONES SCURLOCK

KANSAS CITY CLUB

This has been for the Kansas City Alumnae Club a successful and interesting year and one of marked growth

both in attendance and interest in Pi Phi enterprises. Since many of us do not get together except at alumnae club meetings it was with real regret that we left our last meeting of the year.

A considerable amount of Settlement School merchandise and Pi Phi cook books have been sold. We have also had two very successful rummage sales.

In addition to the regular monthly meetings we have inaugurated this year the plan of meeting once a month for Dutch-treat luncheons and bridge in order to become better acquainted with our new members.

Probably one of the most outstanding events of the year was the Founders' Day banquet held Saturday evening, April 24, at the Hotel Muehlebach. The gathering of almost three hundred Pi Phis and the impressive ceremonies made it an unforgettable experience for all. The active chapters from the University of Missouri, Kansas University, and Kansas State attended in a body as well as a group from the University of Nebraska, and many from the surrounding alumnae clubs. We were very fortunate to have Mrs. J. E. Webster, Jr., assistant to Miss Onken, as our guest of honor, as well as the Province President and Vice-President, who are members of our own club.

The Carnival, held May 22 at the Blue Hills Country Club, proved to be not only a financial success, but also a lot of fun for the many who attended.

We have sent \$500 to the Settlement School and have given a girls scholarship of \$100 to the University of Kansas City in the name of the Kansas City Pi Beta Phi Alumnae Club. Money has also been sent to Missouri A, Kansas A, and Kansas B to be used for rushing.

Under the able leadership of Mrs. J. W. Jenkins, III, we have had a fine year and we are all looking forward to meeting again in the fall.

MARION DAVIS

LITTLE PIGEON CLUB

The Little Pigeon Alumnae Club has had a very busy and profitable year. Being in Gatlinburg, the club is readily acquainted with some of the important needs of the Settlement School, and when money is raised for that project it can be set aside for some definite purpose.

At Christmas time money was given to help buy flour and other staple goods for the baskets which are sent to needy families. Later, money was donated to the Parent-Teachers Association to help finance the hot lunches which are served to the grade school children during the winter months.

The money raising program the past year has consisted mainly of monthly benefit bridge parties and sponsoring a picture show. The club holds monthly meetings and we try to get in touch with any Pi Phis who happen to be staying in Gatlinburg at the time, and also the Pi Phis in Knoxville and Norris.

Founders' Day was celebrated this year with a luncheon at the Mountain View Hotel. Some of the actives and alumnae from Tennessee A, Chattanooga, came to be with us at that time.

Members of Grand Council and the Settlement School Committee were honored guests at a tea given June 7 by the alumnae club, and on June 16 the delegates to Epsilon Province Conference who visited from Chattanooga were entertained with a tea at the Settlement School.

The corresponding secretary will be glad to have any information about Pi Phis who move to the vicinity of Knoxville or Norris, Tennessee, so as to inform them of the activities of Little Pigeon Alumnae Club.

MARY LOUISE DURKEE

MEMPHIS CLUB

Our club has enjoyed a successful year under the leadership of Mrs. J. L. Mullen. At the September meeting a report from the Panhellenic board was given and a trip to the Settlement School was interestingly related by Nita Wellford. In November a spaghetti dinner was given to which the husbands of club members were invited. A congenial group of twenty-two enjoyed the evening.

Mrs. Katharine Lyons, province vice-president, was with us for two days in March. At noon on March 19 a buffet luncheon was served at the home of May Weiss. That evening Mrs. J. L. Mullen entertained Mrs. Lyons and the club members at dinner. Founders' Day was observed at the home of Ruth Brankstone and a book report on "The Good Earth" was given by Mrs. S. C. Chapin.

In May the club members drove to Mrs. Chapin's plantation near Truman, Arkansas, where a delightful luncheon was served. Officers for the coming year were elected.

CATHARINE CLEMENT

NASHVILLE CLUB

The Nashville Alumnae Club started out as did the "ten little Indians" but one and then another went away until—now we are six! In spite of this small membership we have carried on. However, the question keeps arising—"To be or not to be—that is the question."

Our magazine subscriptions have proven a worthwhile effort. At Christmas time we had an evening bridge party with the husbands as our guests. In January an interesting meeting was held at the home of Mrs. Fitzgerald Parker. Mrs. Parker, a talented harpist and teacher of the harp at Ward-Belmont College, gave a lovely musical program.

We were quite glad to have a much needed visit from our Province Vice-President. It always gives us pleasure to be with her. Just a few days after Mrs. Lyon's visit, one of our most beloved members passed away—Mrs. Fred Colby (Margaret Quantock Smith, Tennessee A)—following a brain operation. It was a distinct shock to all her many friends, although Mrs. Colby had been ill since January.

Late in March the Nashville Alumnae Club had the distinct honor of entertaining Mrs. Frederick Fisher (Welthy Honsinger) at the home of Mrs. Gilbert Marshall, Dr. and Mrs. Fisher were guests of Vanderbilt University where Dr. Fisher was Cole Lecturer for the week.

Our April meeting was spent in observance of Founders' Day. Just one week after Mrs. J. P. McShane (Betty Suggs, Texas A) was elected our local president for the coming year, she and Mr. McShane were transferred to Chicago. Thus has ended a year of highlights and shadows for the Nashville Alumnae Club.

ELIZABETH MARCH MARSHALL

ST. LOUIS CLUB

The St. Louis Alumnae Club of $\Pi B \Phi$ has had ten very successful meetings this year. The committee worked very hard on the program this year and they were varied and interesting: a talk on the European situation, book review, movies of the Orient, lecture on hand wrought jewelry. We also had a report of Convention by our president, a meeting on the Constitution, a bridge luncheon for our Christmas meeting, election of officers, the junior-senior ceremony, and our annual picnic in June.

In November we had a tea for Mrs. George M. Hagee, a member of our club, who is the Secretary of the Settlement School Committee and in charge of Ways and Means. About 500 invitations were sent and a great many of the Settlement School products were sold. Mrs. Hagee gave a very interesting talk about the school and many people learned about our project for the first time.

Our big money making project this year was a theater benefit. We had Jane Cowl in "The First Lady" which was very well attended. We also made money having a gift table at one of the department stores during the holiday season. We added a small amount to our sum by selling old coat hangers and clothes. We have had a good amount to send to the Settlement School this year.

The Founders' Day banquet was very well attended this year. The program was very well planned and worked out by the committee, a day at Monmouth College in 1867 when $\Pi B \Phi$ was founded. The participants wore dresses of that period and the tables were decorated with cardboard figures of the styles of that year. Mrs. J. E. Webster, assistant to the Grand President, was our guest speaker. We all enjoyed Mrs. Webster so much and she gave us many helpful suggestions for the coming year. After the dinner and program the husbands came and we had a dance for a couple of hours. It was altogether a very successful event.

Several new members have joined the club this year and the last year's seniors from Washington have become active alumnae club members. We have had an active and happy year with Mrs. Thomas and the other officers and committees and hope that the coming year will be successful.

RACHEL D. CAMPBELL

SPRINGFIELD CLUB

The Springfield Alumnae Club has held regular monthly meetings throughout the year. Two book reviews, one by Mrs. George Baldwin, of Ivan C. Link's book, "The Return to Religion," and the other by Miss Marion Bissett, of Margaret Mitchell's "Gone With the Wind," and also a travel talk by Mrs. Garrett Hogg about her trip to the British Isles proved to be very interesting features of three of our monthly meetings. One meeting was entirely devoted to a "song revival" of Pi Phi songs.

Other events of the year included: the Settlement School tea held December 19, at the home of Elizabeth and Pauline Baldwin; a Christmas luncheon at Heer's Tea

Room; a rummage sale held April 5; and the Founders' Day banquet. The proceeds from the tea and rummage sale were sent as our contribution to the Settlement School and the Loan Fund.

This year each alumna "adopted" a pledge as "grand-daughter" to establish closer relationship with the active chapter. Next year we will have four new members in this year's seniors: Mary Virginia Hobbs, Edythe Callahan, Miriam Evans, and Mary Rupard. One of our members, Frances Brown, of Ozark, Missouri, has gone to the Settlement School in position of bookkeeper.

The club entered a breakfast table setting in the May Flower Show and won first prize for artistic arrangement. Mrs. Dexter Stevens and Mary Margaret Ragsdale were in charge. This summer the alumnae plan to make new initiation robes for the actives.

In the fall we plan to sponsor a series of book reviews and charge a small admission to earn money for the Settlement School.

The year's activities will close with a luncheon, June

15, at Heer's Tea Room. New officers will be installed, and plans for the future discussed.

FRANCES A. ELLIS

ST. JOSEPH CLUB

St. Joseph Club gave a Settlement School tea in October at the home of Mrs. Von Baker. This tea has become an annual event and Pi Phi friends look forward with anticipation to seeing and buying articles from the Arrow Craft Shop each year.

Founders' Day was celebrated with a dinner held at the Moila Golf and Country Club. We were honored by the presence of our province vice-president, Mrs. Donald E. Lyons of Kansas City, who gave an interesting and instructive talk regarding province activities.

In June the club gave a tea for the active Pi Phis who returned from college for the summer. Four of the fourteen girls returning for the summer have been graduated from their respective schools. FLORENCE TODD DAVIS

ZETA PROVINCE

DAYTONA BEACH CLUB

The Daytona Beach Alumnae Club has held nine regular supper meetings during the year 1936-37. In place of the December meeting, a Christmas tea was held at the home of Mrs. C. H. Gardiner honoring active chapter girls home for the holidays and their mothers and a selected number of rushers.

In place of the regular April meeting, the club entertained the Stetson University actives at a beach picnic in celebration of Founders' Day.

Four new members joined the club this year—Helen Horn, Maxine McLarty, Evelyn Northern, and Kathleen Dator.

An assessment of 25 cents a meeting was made to augment the treasury.

The annual Settlement School program was held at the September meeting. Ten dollars was sent to Settlement School this year.

A national Convention report as well as an active chapter report was made by Helen Spaulding and Betty Dreka from Stetson University at the November meeting.

One meeting was devoted to discussion of the Constitution.

RUTH M. CANN

JACKSONVILLE CLUB

The Jacksonville Alumnae Club has completed a successful year under the guidance of Miss Betty Chitty, our retiring president. We have had eight regular monthly meetings. We were very much delighted to have Miss Onken as honor guest at our first meeting in October. There have been four dinner parties, three luncheons, and a Founders' Day banquet.

The State Convention was held in Tampa, Florida, in April with enthusiastic Pi Phis from all parts of Zeta Province attending. We were most fortunate to have with us Mrs. J. E. Webster, Jr., assistant to our Grand President, and also Mrs. D. R. Paige, Zeta Province President. The Tampa Club members proved to be gracious hostesses and are to be congratulated for their part in making the convention a success. Mrs. L. J. Larzelere, a member of our club, very ably conducted the Conference, as vice-president of the state association.

During the year the club has contributed \$10.00 to the Settlement School and sold Arrow Craft articles amounting to \$100. We have also contributed \$5.00 to the Loan Fund and \$5.00 to the Endowment Fund.

Our May meeting brought to a close a very enjoyable year for the alumnae club of Jacksonville.

INEZ GRUMBLES CHRISTIE

MIAMI CLUB

Since the previous letter from the Miami Club there have been many activities: the Zeta Province Convention in Tampa, April 17-18, at which Mrs. J. E. Webster,

assistant to the Grand President, was honor guest; Founders' Day luncheon, at which Mrs. A. W. Stoolman, Grand Treasurer, was the principal speaker; summer rushing.

Fifteen members from Miami attended the Convention in Tampa at which there were more than a hundred alumnae and actives present from Florida, Georgia, and Alabama. Mrs. L. J. Larzelere of Jacksonville, state president, presided at a joint meeting of actives and alumnae. Miss Betty Dreka of De Land, Province President, and Mrs. Herschel Auxier of Miami, retiring Province President, presided at the meeting of actives. Mrs. D. R. Paige of Atlanta, Province Vice-President, presided at the alumnae meeting. Mrs. Webster spoke at a joint meeting of actives and alumnae and also at the banquet.

Miami was chosen as the Zeta Province convention city for the next convention to be held in 1939. Mrs. J. O. Phillips of Miami was elected president; Mrs. Herfoot Bryan of Lakeland, vice-president; Mrs. Fred Girton of Miami, secretary; and Mrs. A. D. Davis of Tampa, treasurer.

Founders' Day was celebrated by a luncheon at the Coral Gables Country Club, Mrs. Stoolman being the guest of honor.

The May meeting was held at the home of Mrs. Fred Girton, with Mrs. Fred Ingley assisting. Election of officers was as follows: president, Mrs. T. H. Whiteside; vice-president, Mrs. H. A. Riviere; recording secretary, Mrs. Richard Mack; corresponding secretary, Mrs. L. H. Kerr; treasurer, Mrs. H. L. Clark. Mrs. Willoughby Cox was appointed to have charge of issuing the year book. Thirty dollars was voted to the Settlement School. The Miami Club is having the largest average attendance in its history.

MARIAN TIMMINS KEDD

ST. PETERSBURG CLUB

Monthly meetings of the St. Petersburg Alumnae Club were held during the winter months. The club assembled during the first part of the year for dinner meetings at the local Yacht Club, but later returned to the customary cooky-shines at the homes of individual members. At several meetings white elephant sales were diversions, which at the same time somewhat increased the treasury.

As much interest was manifest in the Florida state Convention held in Tampa on April 17 and 18, several local alumnae attended the interesting sessions and banquet at the Hillsboro Hotel and the Panhellenic tea at the Tampa Yacht Club. The presence of Mrs. Florence Hunt Webster, assistant to the Grand President, and Mrs. Winifred Smith Paige, Zeta Province Vice-President, afforded the guests much pleasure and inspiration.

A luncheon at the Virginia Tavern in celebration of Founders' Day and a bridge party at the home of Mrs. C. F. Leonard completed the activities for the season. Miss Janet Poulson is again serving as president.

KATHERINE WARMINGTON LEWIS

ETA PROVINCE

BELOIT CLUB

During the year 1936-37, the Beloit Alumnae Club has held monthly dinner meetings at the homes of the various members. We have eleven members living in Beloit, three from Janesville, and three from Sharon, Wisconsin.

On December 1, 1936, the alumnae club, together with the active chapter, gave a Settlement School tea. We considered this very successful in that we made many townspeople acquainted with the work of the Settlement School, and articles amounting to approximately \$114 were sold. Founders' Day was celebrated by a dinner meeting at

which the active chapter and the Executive Council were present.

In May approximately ten members attended the Eta Province Convention at Madison, Wisconsin.

During Commencement week-end the alumnae club gave a buffet supper for the seniors of the chapter and returning alumnae.

FRANCES BURNS

CHAMPAIGN-URBANA CLUB

The Champaign-Urbana Alumnae Club has enjoyed a very profitable year financially as well as socially. We have had an average attendance of thirty-five members at each dinner meeting which occurs the third Monday of each month.

At the first meeting we welcomed seven new members among whom was Mrs. Roger Adams, the 1936 Convention initiate. These new members increased our roll to fifty-five.

Each year our club entertains the new pledge class and this year there were nineteen prospective Pi Phi's present. We earned money by having a rummage sale in November which netted \$47.00 and a raffle on a dress which netted \$29.00. In December instead of our regular meeting we had a Settlement School tea in the chapter house at which time all Arrow Craft products were on display and for sale. This tea is open to members and their guests and is an excellent time to sell our Settlement School products for Christmas gifts and create a demand for them throughout the year.

At the February meeting we had a White Elephant sale, the proceeds of which were sent to the Endowment Fund.

Mrs. Murkland was our guest in March and we greatly enjoyed her discussion of Pi Phi activities throughout this province.

The club sent a delegate to the Province Conference in Madison and her report was given at the May meeting.

Beginning this year the club has decided to present the best all-round sophomore girl, of the active chapter, with a Pi Phi bracelet, the selection to be made by the Advisory Board.

The seniors were guests at our last meeting of the year.

ANITA B. WOOD

CHICAGO SOUTH CLUB

The Chicago South Club has just completed a successful year, meeting their budget and increasing the membership in its five groups which meet either at two weeks, three weeks, or monthly intervals as suits their own convenience.

The entire club participated in two pot-luck suppers at which the average attendance was about 60, a tea for the election of officers, and a luncheon to celebrate Founders' Day with the North Shore, Chicago North, Business Women's, and West Suburban Clubs.

In May we held a bridge benefit party at the Smyth Furniture Co., which added considerably to our finances.

Our new president, Mrs. William A. Pennington (Eugenia Shaw), attended the Eta Province Conference at Madison, Wisconsin. Her report was of great interest to the club and will most surely serve as an inspiration for renewed interest in the fall.

CRCILE GILROY MUNNECKE

CHICAGO NORTH CLUB

The last joint meeting of Chicago North Alumnae Club was held at the home of Beulah Woods, at which nominations of new board members were made. The highlight of the meeting, however, was the presence of a most eminent guest, Mrs. Murkland, our Province Vice-President. She gave us a very inspirational talk on our program for the coming year.

Three of our members attended the Province Conference at Madison, Wisconsin, at which the active chapter of the University of Wisconsin and the Madison Alumnae Club were hostesses. Needless to say, our members brought back with them great enthusiasm for more such conferences.

Gamma group sponsored a most interesting trip to the Benson Orchid Growers, at which there was a very nice attendance by Pi Phi's and their friends.

We have decided to continue meeting during the summer months but instead of our usual group meetings we are to have joint meetings. The committee appointed for arrangements has planned a series of parties which cannot help but bring out a record attendance. First of these is a beach party scheduled for July 14 at which we are to revert to our grade school days and vie for honors and prizes with three-legged races, etc. Our second party is to be a tour of the Jewel Tea Company at Barrington on August 3, which includes an inspection of the huge

plant, a luncheon furnished by the company, and an afternoon of bridge in their air-cooled parlors. We expect a huge turn-out for this as each member is inviting friends. The proceeds of these summer entertainments are to go toward the National Endowment Fund.

Our calendar for the coming year was decided upon at the last board meeting and promises to be a very active one for all our members.

The first meeting of the year is to be held at the home of Mrs. E. P. Russell, 1419 Grove St., Evanston, Ill., to which we cordially invite any new Pi Phi's.

DOROTHY FISHER KIRK

CHICAGO WEST SUBURBAN CLUB

This past year has been an interesting and successful one. The club has had an average attendance of 26, with 39 paid members. The sale of Arrow Craft articles has increased over last year's as has also our contribution to the Settlement School. We have contributed to the Loan Fund and the Endowment Fund.

Our Christmas party at Helen Berry's in Hinsdale had been an annual affair since the beginning of the club. This is the one party for the children where those of college age renew their acquaintances and join with the younger children in games and the singing of Christmas carols. Another annual affair is the May picnic at Grace Green Brown's country home near Downer's Grove. At one meeting Mildred Ingram reviewed Malvina Hoffman's Heads and Tales. At another meeting we had tea at Clayborn Stewart's studio in Beverly Hills.

We have welcomed several new members into our club this year. Lillian Hobart is moving to Aurora but will still retain her membership in Chicago West Suburban.

FRANCES FURSMAN GALE

DECATUR CLUB

The anniversary party on April 3, celebrating the seventieth anniversary of our national founding, the twenty-fifth anniversary of Settlement School, and the twenty-fifth anniversary of the local $\Delta \Theta \Psi$ becoming $\Pi \Phi \Phi$, was one of the largest parties ever given by our alumnae group. Special recognition was given to our local founders, fourteen of whom were present at a luncheon at which ninety-six alumnae were assembled. Of special interest was the pledging and initiation of Katherine Barnett Sinclair (Mrs. Brevard Sinclair) of Oahu, Hawaii, who had been a member of the local $\Delta \Theta \Psi$. For twenty-five years Mrs. Sinclair has made her home in Hawaii and it was quite by chance that she arranged her trip to coincide with our celebration.

At the May meeting, Rosemary Moorehead of our alumnae club, who has been teaching at Settlement School for the past year, gave a most interesting account of the school.

Our alumnae calendar closed with the June breakfast held June 5, at Sunnyside Country Club. This time we honored the four graduating seniors, Emily Jane Wood and Lois Holmes of Decatur, Margaret Jane Stormont of Salem, and Beatrice Hill of Sullivan, Ill. Each girl received a silver bracelet as a gift from the alumnae.

JOSEPHINE HUTCHINGS CAMPBELL

DU PAGE CLUB

Club meetings are held the second Monday evening of the month at the homes of members. We are not an old club as alumnae clubs go, having been organized five years ago this spring, but with increased membership and interest we anticipate another successful and profitable year with our new president, Florence Gentry, at the helm.

The October meeting was held at the home of Nestor Thorwaldson, at which Nina Harris Allen gave a report on Convention. The November meeting was given to an informal discussion of the Settlement School. At the December meeting we packed a lovely box of toys which we sent to the children of the Settlement School. At the January meeting we studied and discussed the History number of THE ARROW. In March each member gave a talk on various fraternity projects.

In April Founders' Day was delightfully celebrated with a cooky-shine at the home of Clara Bates. The bridge prize was a wine and blue chiffon handkerchief.

Our sales of Pi Phi cook books put out by the Los Angeles Alumnae Club have netted large returns and we are well pleased with the results of our efforts thus to raise funds for the Settlement School.

MINNIE ARMSTRONG JOHNSON

MADISON CLUB

The Madison Club concluded a successful year with a membership of 32 and an average attendance of 25.

There have been seven regular monthly meetings consisting of supper followed by the business session, a program and a social hour. Two meetings were held with the active chapter, one at the chapter house devoted to convention business and reports, and one in connection with the Founders' Day celebration.

This year the Wisconsin Alpha chapter was hostess to the Eta Province conference at the time of Founders' Day, and the alumnae club was active in assisting the actives in the many business and social gatherings of the weekend. The conference was successful and beneficial and greatly enjoyed.

One meeting during the year was given over to the Settlement School and movies of the School were shown. A sale of Arrow Craft articles was also held. A food sale and a rummage sale were also given to raise funds for the School.

At the May meeting officers were elected for the coming year and committees named for assisting with rushing.

BETTY HUTCHCROFT

MILWAUKEE CLUB

This year effort was made on the part of the program committee of the Milwaukee Alumnae Club to put special emphasis on Founders' Day celebration. The club was particularly fortunate in having as its guests on this day Mrs. Phillip Murkland, Province Vice-President, and Miss Inez Webster, Province President, both of whom talked at the banquet which was held at the Cudahy Tower. The program included the Candle Lighting Ceremony and music under the direction of Mrs. H. K. Thomson.

In May, when the club members met at the home of Mrs. John Dieterle for a one o'clock luncheon, they heard a talk on "China and Glassware" by Howard M. Watts, and witnessed installation of the new officers. Mrs. Arthur Sawers is the new president, and Mrs. Samuel Eckstein will take the office of secretary; Mrs. Valentine Blatz will continue as vice-president, and Florence Butler as treasurer.

The club has made the following contributions during the year: two hundred dollars to the Settlement School; five dollars to the Loan Fund; ten dollars to the Endowment Fund; and a gift to Wisconsin Alpha and Wisconsin Beta chapters. The sale of Arrow Craft products amounted to \$185.68. Donations were made to the local Panhellenic Association, which helps needy high school students.

The usual June picnic in the country will complete the year's program. It is felt that the club has had a most satisfactory and enjoyable year. The meetings have been varied in type, and have included both dinner and luncheon functions. Although the meetings will continue throughout the summer, various members of the club will be occupied with summer rushing parties and with preparations for an early fall rummage sale.

The fifteen Milwaukee alumnae who attended the Province conference held in Madison this spring came back with new interest and enthusiasm, having felt that the conference was most worthwhile and stimulating.

HELEN METCALF CROWELL

MONMOUTH CLUB

The Monmouth Club entertained with the active chapter at a Commencement Tea on June 7 at the home of Mrs. Louise Campbell. Their guests were alumnae of the chapter, mothers of the actives and patronesses of the

fraternity. This year's return of alumni to the campus was the largest known for commencement time.

On May 20 the senior girls of the Illinois Alpha chapter were guests of the club at the annual Senior Party at Mrs. Robert Gamble's home in Kirkwood.

Plans have been made by the actives and the alumnae to meet together in informal social affairs through the summer months.

MARY MACDILL

NORTH SHORE CLUB

The first fall meeting of the North Shore Club was held the third Friday of October, and regular meetings were held the third Friday of every month following. During the first part of the year acquaintance bridge parties were held between the regular meetings. The last meeting will be a swimming party to be held in July. The average attendance has been 50 members.

The programs included a travel talk, a book review, a pre-election talk by Mrs. J. N. Van der Vries, who is an Illinois State Congresswoman and a Pi Phi, the Settlement School sale and tea, a Christmas luncheon and bridge party at the Pi Phi house, a discussion of current events, a dramatic reading, and a meeting based on the Pi Phi Constitution, famous Pi Phis, and Pi Phi history.

The club achievements have included sponsoring a silver exhibit by the Towle Silver Company which netted the treasury \$75. The annual rummage sale was held in October and added \$237 to the treasury. A committee began work on another enterprise by selling advertising on fronts and backs of playing cards. These cards were later sold and the amount from the advertising and sale totaled \$43. In March the annual benefit bridge party to raise funds for the Settlement School was held, and the amount raised was \$141. The sale of Pi Phi cook books totaled \$33.

Founders' Day was celebrated at the Chicago Women's Club in conjunction with all the Chicago district alumnae clubs. Also in April the Eta Province Conference was held at Madison. The North Shore Club representatives feel that the Conference was of great interest and benefit. At the May meeting the Conference report was given and the new officers installed. The gift to the Northwestern chapter of a vase and lamp was presented.

ALMINA E. AURELIUS

ROCKFORD CLUB

The Rockford Club ended the year with a picnic in June, given in one of Rockford's lovely parks. Active members living in Rockford were the guests of honor. Plans for rushing were discussed and the active members were asked to help rush girls going away to college.

We have recently lost two of our club members, Jane How and Winona Dennis, who have moved to other cities.

HELEN FOX

SPRINGFIELD (ILLINOIS) CLUB

A large number of out-of-town members were at the Founders' Day banquet which had a record attendance of 32. Following a luncheon at Washington Park Pavilion, the speaker of the afternoon, Mrs. Berneice S. Van der Vries, state representative from Winnetka, spoke on Women in Politics. Mrs. Greer of Virginia, Illinois, who was one of the original members of I. C. Sorosis, told us of some of experiences in the Fraternity during its early days. The final business meeting of the year was election of officers for the coming year.

JANE DICKSON BUCHLEY

THETA PROVINCE

BURLINGTON (IOWA) CLUB

The Burlington Alumnae Club of $\Pi B \Phi$ opened their season with a supper meeting October 13, when President Jessie Thomas outlined the year's work.

November 14, our club members were again privileged to hold their Settlement School benefit card party and tea at Mrs. Louis Blaul's beautiful home. Our success was even greater than last year.

A week later we were inexpressibly saddened by the death of our president, Jessie Thomas, a woman of high ideals, who had served our club faithfully and well in various capacities for many years.

Supper meetings with appropriate programs were held in December and February at the homes of Mrs. Gilman and Mrs. Wilson, respectively. At the December meeting Mrs. Hanna talked interestingly of her visit to the Settlement School.

Three members greatly enjoyed the Ames reunion April 24.

Founders' Day was celebrated in May with a dinner at the home of Miss Emily Ranke. Tributes to the Founders were read, and reports given of State Day activities.

Election of officers resulted as follows: president, Miss Josephine B. Burt; vice-president, Mrs. Harold Wilson; corresponding and recording secretary, Mrs. W. F. Gilman; treasurer, Mrs. Walker Hanna.

The club contributed to the Settlement School, Endowment and Scholarship Funds, and made a special birthday gift to the School at the Ames meeting.

Although handicapped by the loss of our leader, we feel the club met the challenge and had a year of real accomplishment and fine fellowship.

EDNA U. GILMAN

SIoux CITY CLUB

This year the membership in the Sioux City Alumnae Club has been the largest since the founding of the club in 1914. Mrs. L. K. Pollard (Marie Van Ousterhout),

Iowa Z, is our newest member whom we are glad to welcome.

On April 10, death took our oldest member, Mrs. Harriet (Wright) Currey, Iowa A. Mrs. Currey was 80 years of age and had been a Pi Phi for 37 years. She was an enthusiastic alumna, having attended meetings regularly until shortly before her death, and she will be greatly

missed by all the members.

Several alumnae motored to Vermillion to celebrate Founders' Day with South Dakota Alpha. It has been customary since the installation of the active chapter, to have a joint meeting on that day.

HAZEL CONWAY

IOTA PROVINCE

BOULDER CLUB

The Boulder Alumnae have had the usual supper meeting during the year, closing with a picnic at Chautauqua in May.

The club has contributed to the Settlement School, and to the Endowment and Loan Funds.

The initiation banquet in charge of the alumnae, and Founders' Day, bring the active chapter and the alumnae together as a group, while the buffet supper, served at the chapter house after the annual Homecoming Game in October, brings the families of the girls in close touch with the active group and the alumnae.

Founders' Day was celebrated with Denver at the Province Conference in Colorado Springs.

LOU H. McALLISTER

CHEYENNE CLUB

The 1936-37 season proved an enjoyable and successful one for the Cheyenne Club. Regular and well attended meetings were held the first Monday of each month. Under the able guidance of our president, Gladys Bunten, a budget system was adopted. As a result of this plan we are in a better financial condition than ever in the past.

In December we gave a card party at which time the Settlement School articles were displayed for sale. The result was very gratifying. Two rummage sales were held in March and April and the goods left over from these were given to the Salvation Army.

On January 22 we were happy and honored to have Miss Onken with us. An inspiring meeting was held at Fort Francis Warren, after which we enjoyed a luncheon at the Casserole.

We are pleased to have Agnes Wright Spring, National Historian, active in our group. This year the Pi Phi mothers became so interested that they organized. We gave a tea in their honor at the Governor's Mansion on April 17 with an interesting and varied program.

The last meeting of the year was a cooky-shine followed by an evening of bridge. At this meeting we voted to send \$25 to the Settlement School in celebration of their 25th anniversary. The Pi Phi cookbooks were displayed at this time and many of them sold.

A province alumnae conference was held at Colorado Springs May 22 and 23. Several members from our club attended and we hope that this conference may become a yearly event.

BETTY SPALDING BLACK

LINCOLN CLUB

The Lincoln Alumnae Club held its first meeting in September at the Pi Phi house, and all the alumnae were urged to lend their assistance in rushing. At this meeting, Miss Cynthia Tupper was appointed treasurer in place of Helen McAnulty who resigned.

Monthly meetings following either a luncheon or buffet supper were held every month throughout the year except in January. Following the regular November meeting, the alumnae club entertained pledges and their mothers at a tea at the home of Mrs. Stanley Zemer, and our annual food and Settlement School sale was held this year at the home of Mrs. Ernest Ames.

We celebrated Founders' Day with a cooky-shine at the Pi Phi house, followed by a bridge benefit for Pi Phi only at the home of Mrs. Ames. Our banquet this year was given on initiation day at the Cornhusker hotel with the Omaha alumnae in charge of the affair.

The seniors of the active chapter were our guests at our April meeting, and at our May meeting, the rushing chairman of the active chapter and her assistants were our guests. At our May meeting we voted to send our president, Mrs. Carl Junge as delegate to the province Convention in Colorado Springs.

The Lincoln Alumnae Club has been able to meet all its financial obligations this year, including the retiring of a bond on the Pi Phi house. Along with our Settlement School contribution we also contributed to the rushing fund at the chapter house.

The active chapter and the alumnae club are planning strong cooperation this year in rushing, and with our

system of dividing the state into several rushing sections, we hope for a most successful year.

ALAIINE M. HARTWELL

MANHATTAN CLUB

A picnic in June completed the year's activities for the thirty members of the Manhattan Club. Afternoon and evening meetings, a fall cooky-shine, a luncheon for the Kansas B initiates, and the picnic composed the meetings this year. The club joined the Kansas City Club for its Founders' Day Banquet.

Activities this year included rummage sales which netted \$100.71; a benefit bridge which made \$48.00; a sale of Christmas cards, \$2.00; sale of cook books, \$7.50, and \$15.00 from sale of Settlement School goods. Two hundred and eighty-five dollars worth of Settlement School products were sold. The last rummage sale held in June is not included in these figures. The club sent \$125 to the Settlement School, \$10.00 to the Endowment Fund, \$10.00 to the Loan Fund, and \$25.00 to the Kansas B chapter.

Officers and members of the Manhattan Club for next year are looking forward to another successful year.

MARY HOLTON SEATON

OMAHA CLUB

The final meeting of the 1937 season was held at the home of our new president, Mrs. Herman F. Metz. Plans were completed for a picnic entertaining our husbands and escorts May 17, at the summer cottage of Mrs. John Nixon on the Platte River.

We were fortunate in being able to send two delegates to the Iota Province Convention in Colorado Springs, our president and corresponding secretary. The reports were interesting and constructive to all.

Plans are under way for an extensive rushing program this summer, and we plan to aid the active chapter in Lincoln, Nebraska, by taking charge of the parties one day of Rush Week. We look forward to a successful season.

The club has contributed \$100 to the Settlement School; \$10 to the Endowment Fund; \$10 to the Undergraduate Loan Fund; \$10 to the Fellowship Fund; \$12.50 to the Omaha Community Chest, and allowed \$75 for summer Rushing.

We are planning a membership campaign in the Fall and we anticipate an interesting year.

ROSALIE REINHARDT PEERY

VERMILLION CLUB

The Vermillion Club assisted the active chapter with rushing in the fall and with the sale of Settlement School products in December. During the winter the patronesses and later the pledges were entertained. Founders' Day was celebrated at a luncheon with the active chapter present. Several members of the Sioux City Club also attended. Officers have recently been elected for the coming year. The alumnae club is enthusiastically helping the active chapter in their plans for a house which is going forward rapidly. It is to be French-Norman style and will be completed late in the fall.

LUCY CONNER

WICHITA CLUB

The last meeting of the year of the Wichita Alumnae Club was a cooky-shine, celebrating Founders' Day, held in the lovely new home of Mrs. Lee Hobbs. At this time officers for the next year were elected with Mrs. Louis Roberts as our new president. We were pleased to have present Mrs. John Powell, who was a member of I. C. Sorosis.

The final report of the magazine agency shows that the Wichita Club ranks fifth in the United States in magazine sales. The club made \$87.75 in commissions for the Settlement School which made it rank first in highest commission per paid member, with an average of \$4.39 per member.

Tickets were sold to the picture show, "Carnille," to raise funds for the treasury. Other activities included rushing parties, packing a Christmas Box for the Settlement School, and celebrating Founders' Day. Our club joined with the City Panhellenic in sponsoring two Panhellenic bridge teas and a formal dance. Our Panhellenic

representative, Mrs. Joe Bell, was chairman of one of the bridge parties.

The following new members are welcomed into the Wichita Club: Mrs. Alexander Hamilton (Janet Gear), Pennsylvania A; Mrs. Bruce Billingsley (Amy Hoffman), Kansas A; and Miss Ruth Allen, Colorado B.

HELEN HUGHES FAULCONER

KAPPA PROVINCE

AUSTIN CLUB

The Austin Club has had a most successful year under the leadership of Mrs. Ruth Brunand, our president for 1936-37. The majority of our fall meetings were given to a discussion of plans and for financing the new chapter house which we are building for Texas A.

In December we held our annual tea and sale of Arrow Craft articles which was very successful. The March meeting was in honor of our two Texas A founders in the club, Anne Townes Finch and Vivian Brenizer Caswell. Mrs. Frankie Cochran Hill who has been appointed chairman of the Settlement School committee gave us an interesting and informative talk.

Founders' Day banquet was held at the Driskell Hotel with about 160 active and alumnae members present. A huge arrow-shaped table covered with golden satin cloth extended from one end of the ballroom to the other, with smaller tables radiating therefrom like light rays. Sprays of red roses formed the table decorations.

Our May meeting was given to the history and constitution of our fraternity. Mrs. Emily Maverick Miller gave the talk with Mrs. Gavord of Illinois showing interesting pictures of the first Pi Beta Phi convention which she attended.

We have been fortunate in having several visits from our beloved Nita Hill Stark, Grand Secretary. We have also thoroughly enjoyed calls from our Kappa province president, Miss Scivally and from Mrs. Moore, our Province Vice-President.

VIRGINIA WILMOT ROBERDEAN

CORPUS CHRISTI CLUB

Mrs. Henry Moore, Jr. Province Vice-President, was guest of honor at a cooky-shine in February. All of the club members were present and three new ones to hear Mrs. Moore's helpful and interesting talk. Our new members are Alice Quigley Mull (Mrs. J. A. Jr.) Oklahoma A, Ollie Knight Jackson (Mrs. Leslie) Texas A, Gwendolyn Hiberger Beasley (Mrs. Jack) Colorado B.

The March meeting was a party in honor of Mary Ellen Peal Gibson who had just become Mrs. Weldon Gibson.

Founders' Day was celebrated in April with a buffet supper at the country club. Husbands and sweethearts were invited so that they might know how proud we were to be celebrating the fiftieth anniversary of our fraternity.

Our new money-making project is the selling of Ever-Flow salt and pepper shakers, a much needed article in our gulf coast climate.

Rushing parties are planned for summer and fall.

BETTY ALLEN

DALLAS CLUB

A successful and happy year has just been completed by the Dallas Alumnae Club under the leadership of Mrs. C. E. Granger. Mrs. Granger has been most gracious and capable as an executive for the past two years. Her able vice-president, Mrs. A. A. Rowland, promises worthy future guidance as incoming president for 1937-38.

The programs of the club this past year have been both interesting and instructive. Rushing and reports from National Convention were considered during the early fall meetings. In addition to the usual luncheons and teas in the homes of members there have been talks and addresses by outstanding Dallas citizens. Rabbi Stanley Brav talked on "Clowns and Playwrights." Mr. James E. Scott conducted an informal discussion and round table on Interior Decoration. Mrs. Reuben Gray gave a book review.

The annual Arrow Craft exhibition tea was this year held in the spacious parlors of the Highland Park Methodist Church under the supervision of Mrs. Joe Ellis and Mrs. A. Cole Stephens.

"Call It a Day" was a play sponsored by the Alumnae Club in benefit of the Settlement School given by the school of the Dallas Little Theatre. Mrs. A. L. Wimmer assisted by a capable committee was in charge of this affair.

The Founders' Day Banquet was held at the Woman's

Club April the twenty-eight. Ninety-five members of the Alumnae Club and active Texas B chapter were present. Red radiance roses and silver blue candles in crystal containers were placed on mirror reflectors for table decorations. Mrs. Henry A. Hawley and committee were responsible for the appointments.

Incoming officers for the Dallas Alumnae Club for 1937-38 are as follows: Mrs. A. A. Roland, president; Mrs. H. H. Hawley, Jr., vice-president; Mrs. Charles F. Steiner, recording secretary; Mrs. Paul M. Helms, corresponding secretary; Mrs. Cole Stephens, treasurer; Mrs. E. Dale Mount, parliamentarian.

MRS. DONALD FITCH

FORT SMITH CLUB

Our club year closed with a May meeting after a very successful year. Number of paid members is nineteen.

Contributions: Settlement School, \$25.00; Endowment Fund, \$5.00; Student Loan Fund, \$5.00.

Our magazine agency chairman reports \$42.05 in magazine subscriptions.

Founders' Day was celebrated with a banquet at a local tea room with fourteen Pi Phis present.

Because of the great demand for Pi Phi cook books, the club ordered fifty more copies, making the total number sold 113.

In June the club gave a rushing party at Burn's Gables on Highway 71.

Our officers for next year are: Betty Speer, president; Lucy Katherine Harper, vice-president; Ruth Lee, secretary-treasurer; Ruth Morton, corresponding secretary.

RUTH MORTON

FORT WORTH CLUB

The Fort Worth Alumnae Club celebrated Founders' Day with a barbecue for husbands and wives at the home of one of the members. On May 21, 1937, we had our last meeting for election of officers for the following year. Miss Zane Irwin, president; Mrs. Ed B. Callatt, Jr., vice-president; Mrs. Dwight Koenig, corresponding secretary; Mrs. Charles S. Wise, treasurer; Mrs. J. Aubrey Fairey, recording secretary; Mrs. W. G. Swenson, executive member at large.

POLLEY COX SWENSON

OKLAHOMA CITY CLUB

Several inactive members have returned to take an active interest in our club so we feel encouraged over the year's report. Mrs. Moore, our Province Vice-President was with us at the November meeting and gave an interesting and helpful address.

This year we have had several small money-making projects instead of one large one, and the result has been so successful that we have almost doubled our contribution to the Settlement School. First we gave a silver tea sponsored by the Towle Company. Later in the season several members acted as saleswomen in smart shops for two days, inviting in their friends to see the clothes for sale. For this the club received a substantial commission. Our next project was a book review for which we charged a fee. This was also a great success.

Founders' Day was celebrated with the Oklahoma A chapter in Norman with a banquet which many of our members attended. Our election meeting was a combination cooky-shine and picnic at the country home of one of our members. No regular meetings are held in the summer but active rushing is carried on and plans made for the coming year.

LOUISE HOPFLANDER

SHREVEPORT CLUB

The Shreveport Alumnae Club has completed a successful year under the able guidance of Catherine Coast (Mrs. J. W.), our retiring president. The nine monthly luncheon meetings were terminated in May to be resumed in September under the new officers headed by Sidney Gal-

loway (Mr. J. U.), president. The sixteen active members have maintained a higher average attendance than last year.

Contributions have been sent to the Settlement School (\$25), the Loan Fund (\$5), the Endowment Fund (\$5). Sixty-five dollars has been sent to the newly installed chapter at Louisiana State University to help purchase furniture for the chapter room. The club also had initiation robes made for the chapter.

The largest money raising project was a dress raffle held this Spring. Dues were paid on the "Dollar Days." This is the third year we have used this plan. It is most suc-

cessful. Each member also pays twenty five cents for her luncheon and the money goes into the treasury and not to the hostess.

Summer rushing is being handled by a committee and plans are almost complete for an all day rush party on June 23 which will include swimming, horsebackriding, and a buffet luncheon.

Olivia Moore (Mrs. Henry Jr.), Kappa Province Vice-President, is a member of our club and gives us many valuable suggestions. Amanda Salisbury (Mrs. E. F.) gave us our Yearbooks again as she has done for the past several years.

HELEN GRAY SOLOMON

LAMBDA PROVINCE

EDMONTON CLUB

The following items will show our activities during the season of 1936-37.

In September Ruth Bowen (now Mrs. K. Freund) gave a talk on her trip to Alaska last summer. A certain amount of rush-work was covered among the town girls by a Pi Phi tea and individual teas.

In October Mary Davidson (active) reported on her trip to Convention. Further rushing took place the first two weeks.

In November Betty Farquharson gave a paper on the History of Pi Phi. An afternoon meeting was held at which initiation gowns were washed and ironed, articles sewn for the Christmas hampers, and dolls were dressed to send north in parcels. A Mothers' Tea was held honoring Mrs. Donert.

In December a box supper was held at which boxes were auctioned for hamper money. At this supper a handkerchief shower was held for Ruth Bowen. Just before Christmas hampers were packed and visits made to "our Family."

In January Helen Ford spoke on the constitution of Pi Phi and a handkerchief shower was held for Ruth Cushing Bothwell.

In February Margaret Vant gave a talk on Settlement School. We met with the mothers one afternoon to interest them in forming a Mothers' Club which they organized a few weeks later.

In March election of officers was held, and an afternoon spent in getting things ready for the rummage sale.

In April Founders' Day was celebrated with the actives at a banquet, and a bridge was given on Founders' Day. Senior Farewell Ceremony was held at the end of the month. A rummage sale was held one Saturday morning and afternoon.

In May a breakfast party was given in honor of the seniors. There was a meeting at Anne Malone's for report on magazine agency, and final business discussions.

In June a picnic was organized by the new executives, and all Pi Phis were invited to be present.

We feel we have had quite a successful year, as our magazine and cook book agency has gone over so well. Most outstanding of our work during the year has been the formation of our Mothers' Club, at least we think it is one of the most important events of the year as the Mothers are so interested in working with us, during rushing especially.

MARY SUTHERLAND

SPOKANE CLUB

The first meeting was held in October.

Announcement that Mrs. Isla Donert was elected Province President following the resignation of Mrs. Rusch at the Convention in June was read. There was a discus-

sion on abolishing summer rushing and letting each active chapter do its own rushing. We also heard Convention reports given by Mrs. Rusch and Marian Bailey.

The November meeting inaugurated a new spirit in our alumnae club—a meeting of both evening and afternoon groups. Panhellenic representative reported new ruling passed on summer rushing which abolishes old program of formal dinners and group parties. As the rule now stands: Only individual rushing is permissible providing more than one sorority is represented at the time. Our group voted to present Miss Beatrice Edmonds, April 19, 1937. Ruth Swann gave a report on her visit to Gatlinburg Settlement School.

December meeting consisted mainly of making plans for annual Christmas Tea to be given for actives and their mothers, and Helen Rice was appointed chairman of the tea. The president appointed Mary Le Gore corresponding secretary to fill the vacancy left by the resignation of Gertrude Nelson. The treasurer reported December 14 was the official deadline for membership dues and after this date the telephone committee did not have to call those who had not paid their dues.

January meeting consisted of reports and discussion of the Christmas tea which 40 attended, making it one of the most successful yet presented. Jane Baldwin was named publicity chairman for Beatrice Edmonds.

February meeting of committee reports and plans for Edmonds program to be held in Little Theatre. Two hundred tickets were printed, selling at \$0.85. The nominating committee consists of Grace Campbell, Alice Stilson, and Helen Browder. Mrs. Powers of A.A.U.W. talked on "Better Music Drive for Spokane." Petitions were submitted to the group for our signature to go on record favoring movement.

March meeting had a report on the Settlement School. Announcement was made regarding visit of Mrs. Alford, Arrow Editor.

Report of nominating committee as follows: president, Marion Bailey; vice-president Margaret Morris; secretary, Jane Baldwin; corresponding secretary, Mary Le Gore; treasurer, Helen Lambert. Lessons from constitution were read on membership, alumnae clubs, and fraternity jewelry.

April 11—Arrival of Mrs. Alford, Arrow Editor.

April 12—Tea at Mrs. Ohme's—Panhellenic representatives and members—Breakfast with Mrs. Donert, Dinner with officers.

Beatrice Edmonds' recital was held April 19.

April 28—Founders' Day Banquet was given at Spokane Hotel, and new officers were installed.

A representative of the club attended Delta Gamma Convention held in April at Davenport Hotel.

May meeting was a dessert instead of a dinner, our first meeting with our new president, Marion Bailey presiding. Plans were made to have a picnic at summer cottage of Mrs. Hancox.

BERKELEY CLUB

The month of March was a very important one for our Alumnae Club because Miss Onken was visiting the local chapter and could be present for the Divertissement that we gave in cooperation with the Mothers' Club. The affair was given at International House in Berkeley and there were approximately four hundred in attendance. All of the program was of Pi Phi talent; the theatrical acts were produced and acted by Mrs. Dorothy Gerrity, California B, and the musical portion was done by Ann Everingham, one of the active girls in the house. She is an accomplished harpist who recently made her debut in the music world in San Francisco.

Miss Eleanor Rowley was in charge of the event and the tickets were managed by Mrs. R. W. Dumm.

The last affair on our Club Calendar was the Founders'

Day Luncheon which was held April 17, at the Lake Merritt Hotel in Oakland.

The final piece of business was the election of new officers for the ensuing club year.

PEGGY PORTER

FRESNO CLUB

The Fresno Alumnae Club has concluded the 1936-37 season with the feeling that some progress has been made as an organization. We have a growing number of Pi Phis in Central California, and some of our out of town members drive great distances to attend the meetings. Our Settlement School benefit tea has become the annual event and the goods for sale have become much more widely known.

We have held four meetings this year, including the

tea in December. Our Founders' Day luncheon brought twenty five Pi Phis together at the home of Mrs. Chester Hansen on April 28. Officers for the coming year were elected and installed. The Club presented our I.C. member, Mrs. John D. Hare, Iowa A, with an antique pitcher for her collection.

ALICE M. REGAN

GLENDALE CLUB

The year 1936-37 proved to be a most successful one for Glendale Alumnae Club. Under the leadership of Elizabeth Randall, all obligations were met and many interesting meetings enjoyed.

Two of the most outstanding meetings were cooky-shines, held at the chapter houses of California Δ and California Γ. In each instance, the dinner was prepared and served by members of our group. A "white elephant" party was held at Christmas time. Founders' Day was celebrated jointly with all other Southern California alumnae clubs and the two active chapters at the Victor Hugo in Beverly Hills. Glendale also cooperated in a joint tea, honoring Miss Onken in March at the Town and Gown Club on the University of Southern California Campus.

Two rummage sales and a theatre party proved to be effective means of raising money for the Settlement School, Loan Fund, and Endowment pledge.

The closing meeting of the year was a pot-luck dinner, after which installation of officers occurred.

LOUISE MALIN

HONOLULU CLUB

This has been the most active and interesting year the Honolulu Alumnae Club has ever had. Each meeting has been planned with the idea of making it so interesting every Pi Phi would make a special effort to be there.

The Constitution meeting was most unique. Charlotte Gibner Train, California A, was given the task of working up something that would be interesting and different. She truly succeeded, and confronted us with an original crossword puzzle pertaining almost entirely to the constitution. Each one present was given a copy and a time set for it to be completed. Some of us realized how much we had forgotten about the constitution.

In March the Settlement School committee planned a guest tea which celebrated the twenty-fifth anniversary of the founding of the school. Mrs. Helmick, who is ever and always the most enthusiastic and loyal Pi Phi to wear an arrow, and who, as all Pi Phis know, went down to Gatlinburg and had such an active part in the pioneer work, came and told us the story of her first trip into the mountains. She made us feel as if we too knew those people at the time the school was started. It was a thrill not only to Pi Phis but to the guests. The committee had an excellent display of every kind of Settlement School article and sold \$79 worth of things. The Honolulu Club has never made a serious attempt to sell for the Settlement School until this year. I believe the inspiration came last July when Mildred Brown, Oregon B, and Alice Kiewith, Nebraska B, told us of what their clubs had done. Geraldine Ridings Denison, New York A, volunteered to take the responsibility of an order and see what success she could have. The first small order arrived in August. Other and larger orders have come until now, believe it or not, a total of \$612 worth of articles have been sold—\$165 to Pi Phis, \$447 to others. Geraldine has worked untiringly and unceasingly and to her belongs the credit for this grand piece of work. The Honolulu Academy of Arts, one of the finest art centers in the United States, has recently bought five articles and may borrow other pieces for a special exhibit of weaving. Any Pi Phi who has ever been in Honolulu will be thrilled with this bit of news, and it is quite a compliment to the quality of the work done at the Settlement School.

Founders' Day was celebrated with a luncheon at the home of Grace Ziegler Saunders, Kansas B. We sat on the floor, ate cookies, and sang Pi Phi songs led by Mrs. Helmick. Twenty-one chapters were represented by the twenty-seven present. Hawaii, the Crossroads of the Pacific, is also the crossroads and meeting place of many Pi Phis.

The Honolulu Club welcomes all newcomers and visitors. Aloha.

MARY STEWART WHITE

LOS ANGELES CLUB

The Los Angeles Alumnae Club is closing the year with a feeling of deep satisfaction over the success of its many projects. The Settlement School benefit bridge party was a complete financial and social success, enabling us to make our usual contribution to the Settlement School.

From dues and bridge club fees the club has contributed to the Loan Fund and Endowment Fund, and made our annual gifts to the two active chapters in Los Angeles. The Philanthropy Group provided a number of Christmas baskets and made some timely gifts to some of our own Pi Phis. The Arrow Craft sales and magazine subscriptions have been very gratifying. \$400 worth of Arrow Craft articles were sold, \$360 worth of magazine subscriptions were received.

The national support of the Pi Beta Phi Cook Book, sponsored by the Los Angeles Alumnae Club has been splendid. At the present time 9000 books have been sold. The profit will be used by the Settlement School to increase its home economic equipment.

The membership for the year has been normal and attendance at the meetings very good. The Founder's Day Banquet, held at the Victor Hugo restaurant in Beverly Hills brought out some 300 Pi Phis. The Book Group teas continue to be a popular feature of the year's program. The books reviewed are carefully chosen and well presented by our own members.

March sixth, the Southern California alumnae club welcomed Amy B. Onken with a tea at the Town and Gown Clubhouse on the campus of the University of Southern California. The visit of Miss Onken was really the outstanding event of the year. Her charming personality and enthusiasm for Pi Phi are a real inspiration. The Club was most happy to have Adele Taylor Alford with us that same day, as we had long looked forward to a visit from her.

VERA BONSALE OLDS

SAN FRANCISCO CLUB

The San Francisco Alumnae Club has had a most interesting and enjoyable year. The meetings have been well attended and besides the usual business there have been specially planned programs, some of which have been given by members of the club. Besides the regular meetings, an attractive Christmas tea was given in December, and a monthly bridge group of Pi Phis was organized for not only the social contacts, but with the Settlement School as an incentive for its contributions.

The outstanding highlight of the year was Miss Onken's visit with us on March 14 at a luncheon at the Women's Athletic Club. Her message from National and her news of the Settlement School was received with great interest. With the Berkeley and Stanford chapters, we were together again at the Founder's Day Luncheon on April 17 at the Lake Merritt Hotel in Oakland.

Raffling two tickets for the theatre and two tickets for dinner dancing at 10 cents a chance proved a very successful way of replenishing our treasury. "White Elephant" sales enlivened several of our meetings and also contributed in a small way to the Settlement School fund.

With the close of this year and the election of new officers, we feel that the closer sense of cooperation which has developed during the past months will give the club added strength in the year to come.

New Officers: president, Miriam Cutter; vice-president, Alexia McCarthy Draper; corresponding secretary, Virginia Canfield; recording secretary, Virginia Oliver; Settlement school, Lucy Dickinson; magazine subscriptions, Lillian Stookey; treasurer, Gladys Jones Fair.

VIRGINIA CANFIELD

SAN JOSÉ CLUB

The San Jose Alumnae Club celebrated Founders' Day at a very delightful cooky-shine at the home of Margaret Bowman. We met at the home of Grace Aldrich for the May meeting, at which the election of officers occurred. Our final meeting of the year was held the later part of June, and we enjoyed our annual outdoor barbecue at the home of Mildred Brown.

We feel very proud of our achievements of the past year, as we have been able to increase our membership, and our contributions to the Settlement School and to various funds.

ETHEL MCKENNA HART

UTAH CLUB

On January 20 Amy Burnham Onken was the honored guest at a dinner given at the Alta Club by the alumnae and active chapters. Miss Onken gave a most interesting talk on Settlement School, relating several amusing incidents in dialect. The newly-formed Ogden Alumnae Club was represented by several members on the occasion. The following day at the City Panhellenic luncheon Miss Onken graciously consented to give an impromptu address on National Panhellenic Congress, allowing other fraternal women to share a portion of her valuable time with us.

Our February meeting was an evening Dessert in charge

of the younger group. Jane Wright, an active, described Settlement School which she visited enroute home from an extended eastern motor trip. Alice Murphy gave her impressions of the high-lights of Convention and Jeanette Clawson entertained us with several delightful vocal solos.

The guest speaker at our March tea was a representative of a local furniture firm, who gave an informal lecture on Interior Decorating.

Early in April a rummage sale was held at which we cleared over thirty dollars.

Our Founders' Day Banquet in Starlit Gardens of the Hotel Utah was unusual due to clever originality on the part of Susan Richardson, general chairman. Toastmistress Gretchen Horst cleared the air for broadcasts from pledge and active members impersonating famous radio stars in their naive manner.

May 22 brought the end of an enjoyable year under the guidance of president Evelyn Reeves Hardy. The Senior Breakfast was given at the Art Barn after which election of officers took place.

Mrs. Walter S. Payne (Majel Kipp) Chairman of the Magazine Agency Committee, broke the record for Utah by handling close to \$150 in subscriptions. Fifty dollars was sent to Settlement School, \$5.00 to the Endowment and \$1.00 to the Loan Funds. DOROTHY PERCIVAL LEHMAN

SACRAMENTO CLUB

To some of us, at least, this year has seen the beginning of dreams come true—in that Sacramento now has an alumnae club.

In November our Province Vice-President, Mrs. Ethel Frost, met with us and told us of the function of alumnae clubs. Having a sufficient number of enthusiastic Pi Phis, we applied for a charter. We have held four meetings, one of which celebrated Founder's Day.

With hopes high, we look forward to a future of happy association with one another and the work of fulfilling our purpose.

NINA D. CRAIG

SANTA MONICA CLUB

The Santa Monica Alumnae Club closed its year with an outdoor luncheon and surprise bridal shower in the gardens of the home of Mary Carolyn Palmer. The hostess is the bride elect of Mr. Charles Coleman of Omaha, Nebraska. Several guests were present, including Mrs. Arthur Miller (Hazel Hill, Missouri A.), Kansas City, and Miss Dorothy Hill, Nevada, Missouri, sisters of Helen Hill, vice-president of our Santa Monica Club, also Betty Jo Reardon (Arizona A) and sister of Mrs. Walter Matzinger. Following the luncheon and shower a short business meeting was held. We are very happy to have Mrs. Murray (Maurine Conway) continue as president for another year. The Club has had a very happy and successful year under her able leadership.

EDITH BACON

TUCSON CLUB

The Tucson Club feels that it has finished an enjoyable and profitable year. The first meeting was held at the Arizona Alpha chapter house in October. In November a Settlement School tea was given at the Pioneer Hotel at which \$100 worth of articles were sold. In December a cookie-shine was held at the home of Mrs. John Murphey. Everyone came dressed in something she had worn during college days.

March 31 a business and social meeting was held at the home of Mrs. William Pictor at which officers for the coming year were elected as follows: Mrs. Pictor, president; Mrs. Roscoe Kerr, vice-president; Mrs. Harold Muth, treasurer; Mrs. Ruth Bushnell, corresponding secretary; Mrs. Virginia Scott, recording secretary.

Founders' Day banquet was held with Arizona Alpha at the Pioneer Hotel in April. This was followed by the installation of officers. On May 5 a tea was given at Mrs. Harold Vinson's country home in the Catalina Foothills in honor of Arizona Alpha chapter and pledges. This closed our year's meetings. The next meeting will be held in October at the chapter house. RUTH BUSHNELL

PALO ALTO CLUB

Palo Alto Alumnae Club closed a successful year with a May meeting at the home of Mrs. Elmer Fagin, at which the seniors from the Stanford chapter were honored guests.

The Club began its yearly activities with a luncheon given early in the fall by the president, Mrs. Dean Buchan, for Mrs. Harry Frost, Province Vice President, and the club officers. From this stimulating start the club progressed with its yearly plan.

In November a business meeting with election of officers was held at the chapter house. Dolls to be dressed for Palo Alto's Christmas Toystack were taken by the members and returned for distribution at the next month's meeting at the home of Mrs. Buchan.

The January meeting was marked by a large attendance, thirty, and a talk helpful to housewives was given by Mrs. Lane of the Sunset Magazine staff. The making of doileys and napkins for the chapter house was the project of the next meeting which was held at the chapter house. In March the club had the pleasure of entertaining the Grand President, Miss Onken, at a luncheon given at the Los Altos Country Club, and attended by members of the San Jose, Burlingame, and San Francisco alumnae clubs. Tales of Mrs. Percy Martin's trip to the Settlement School marked the April meeting which was held at Burlingame at the home of Miss Barbara Steinbeck. In May Mrs. Paul Manning, president of the advisory board, was hostess to initiates and club members at a delightful outdoor Sunday morning breakfast. This was followed by initiation at the chapter house.

Contributions were made this year to the Endowment Fund, Loan Fund and the Settlement School.
