The former members of Grand Council Marianne Reid Wild, Lolita Snell Proudy, Nina Harris Allen, Mary K. Lutz, Clara Hall Sipherd, Lou Ann Chase Tuft, Ruth Williams Hansen and Marie Bacon Haggee—coming later in the week, were introduced. All other former officers were asked to stand so that the convention could see them.

The Grand President led the convention in traditional demonstrations which included recognition of members and chapters who had earned scholastic honors, campus and fraternity activity and service recognitions, charter members of chapters, chapters assisting in fraternity colonization, mothers and daughter and sisters, and the attendance count of previous conventions.

The Grand Secretary, Fay Martin Gross, gave a brief description of each traveling award as it was brought to the front of the platform by the pages. These awards were on exhibition during the convention, to be awarded again to the honor chapters of 1967 at the Awards Dinner concluding the Convention.

The opening meeting concluded with the Memorial Service. The impressive ceremony was led by active delegates, dressed in silver blue and carrying wine carnations. The procession moved down the center aisle and divided at the platform placing the wine carnation in two large silver urns. The Convention Chorus provided background by singing of the Memorial Hymn.

2. Alumnae Committee Chairmen, active chapter alternates, and visitors shall have the privilege of the floor but may neither propose motions nor vote.
3. No member may speak for more than three minutes the first time nor for more than two minutes the second time without the unanimous consent of the voting body.

7. Robert's Rules of Order, Revised, will govern procedures in all cases where it is applicable and where it is not inconsistent with these rules.

The chair stated that unless there is objections, these will be the rules that will be followed during these meetings. The convention rules were adopted as read.

The chair announced a change to be made in the printed program before it is adopted. Under Tuesday on your program it states the polls will be open for voting that day from 2:00-8:00 P.M. The Election Coordinating Committee has asked that these hours be changed to 1:00-6:00 P.M. Unless there is objection, the printed program will be adopted with that one change. There being no objections the printed program becomes the order of business for this convention.

The Grand President stated that with the consent of the Convention, the minutes of the meetings of the convention in session would not be read in convention but will be approved by the Grand Council and included in the Information Issue of *The Arrow*. There being no objections it was so ordered. Unless there is objections, the mimeographed copies of all motions will be sent to officers, chapters and clubs during the summer. There being no objections such was ordered.

Committees for the 1967 Convention were announced as follows:

Attendance Award Committee: Carol Hagaman Miller, Pittsburg-South Hills Alumnae Club, Chairman; Marilyn McKnight Harrison, Midland, Texas; Laura Scott, Pennsylvania Gamma delegate; Patricia Ann Krieger, Kentucky Beta delegate; Bryan Bird, Utah Alpha delegate.

Pages Committee: Ruth Ann Bandy Edwards, chairman; Sabra Hansen Qua, Co-chairman.

The order of business to be posted daily on the bulletin board outside the convention room.

The next business of the meeting was the report to convention from the Grand President. Quoting her message, "As it is fitting, we have each of us brought gifts to Pi Beta Phi—the officers, their reports of their year's service; the alumnae delegates, the records of the alumnae donations to fraternity projects; and the active, the list of achievements made on college campuses this year. As we share the pleasure of this week, we will pay our tribute to the past recognizing the proud heritage that is ours—and we shall lay plans for the future. It is my hope that each Pi Beta Phi present at this Centennial Convention will take away from it a keener understanding of the value of her fraternity membership and a deeper devotion to the objects and ideals for which it stands."

The report of the Grand Alumnae Vice President and the Grand Vice President of Philanthropies will be read in the alumnae meeting. The report of the Grand Secretary will be printed in the Information Issue of *The Arrow*. There being no objections it was so ordered. The Grand Vice President gave her report at this time. It will be printed in the Information *Arrow*.

The chair asked for the report of the National Panhellenic Conference Delegate, Dorothy Weaver Morgan reported the fraternity's 65 years of association with the conference, which was founded in 1902. Currently composed of 27 Greek letter groups, NPC from its inception officially recognized Pi Beta Phi as the first national fraternity for women—and Pi Beta Phi has always supported NPC through the fraternity's belief that cooperation is more important than competition. She said that criticism of Greek letter groups has always been present, from the 1870's to today, but in spite of poor publicity (in which the bad, seldom the good of the Greek world is presented to the public) college dean after college dean has praised the Greeks for opposing the corrosive effects of unrestrained social behavior. Pi Phi is confident, she said that its chapters will support the three "R's" of fraternity life: Respect for oneself and others; Restraint in habits, speech and actions; and Responsibility, the word so often forgotten when freedoms are demanded, not earned. She noted that even though Greek letter groups have never attempted to fulfill the need of all students, NPC membership growth has been spectacular. In the past five years, NPC groups have colonized on 63 new campuses with a gain of 350 new sorority chapters—a 100,000 student membership in 2,225 chapters. Greek groups are not student activity groups or dormitory units, but there are those who would deny us our privilege of choice. NPC believes—and the U. S. Congress has upheld our constitutional rights—that choosing one's own friends is a social privilege. In this modern, computerized day, she said, "We must distinguish the just from the unjust, the reasonable from the unreasonable. We must make our voices heard as we resist with courage those who would substitute license for freedom, regimentation for personal, responsible freedom." In looking at our meaningful role on the American college scene for 100 years, she added that "Pi Phi can be proud that we are not good because we are old, but old because we are good." She concluded, "May Pi Beta Phis be the leaders in protecting and cherishing the esoteric meaning of fraternity."

The chair stated that all reports of the Grand Council members, the Directors, National Officers and standing committees will be printed in the Information Issue of *The Arrow*.

The next order of business was the consideration of the Grand Council recommendations. The Grand Secretary read the recommendations to the 1967 convention and by the direction of the Grand Council moved the adoption of the recommendations.

Elections Committee—Lucile Jennings, Sabra Hansen Qua and Mary Frances Pirkey.

The next order of business was the report of the Grand Treasurer. She gave the assets and liabilities of the fraternity when she came into office in 1952 and for 1967 when she leaves the office of the Grand Treasurer. The audited

report the Grand Treasurer will be printed in the Information Issue of The ARROW.

The chairman of Extension, Fay Martin Gross, reported that during the current year 47 inquiries have been received. There were 26 from local groups, 6 from administrations, 4 from Dean of Women and 11 from alumnae. The list will be given in the printed report in the Information Issue of The ARROW. Over a year ago a petition was received from Pi Alpha Theta, a local sorority at Bethany College, Bethany, West Virginia, for active membership in Pi Beta Phi. Also, a very cordial invitation from the President of Bethany College to locate a chapter of Pi Beta Phi on the Bethany Campus. Bethany College, established in March 1840, is located near Wheeling, West Virginia and 38 miles southwest of Pittsburg, Pennsylvania. It is a distinguished and fully accredited institution for higher education. Enrollment deliberately limited to about 1100 student, admission is selective. The faculty is composed of 70% doctorates and all professors have their masters degree. Pupil-teacher ratio is 14 to 1. The Director of Extension, the Delta Province President and Alumnae Province President, a delegate from the chapters in Delta province have visited the college and met with Pi Alpha Theta local sorority. No negative votes have been received since the visit. This group of young women in Pi Alpha Theta have put a lot of thought and work into their organization. Their scholastic average is above the all sorority, all women and all college. Pi Beta Phi was selected after studying *Baird's Manual* because of Pi Phi's strong alumnae organization and our well known service to others. They also knew of the local Alumnae Club in Wheeling, West Virginia. Delta Province Alumnae Clubs and chapters have enthusiastically endorsed Pi Alpha Theta for active membership in Pi Beta Phi. There are 4 national sororities at Bethany College—Alpha Xi Delta installed in 1903; Zeta Tau Alpha installed in 1905; Kappa Delta installed in 1923 and Phi Mu installed in 1931. There will be no expense for housing as the sororities live in sorority suites in the dormitories. The school has offered the counselor a position as assistant head resident of the dormitory where Pi Alpha Theta lives, room and board will be free, her own apartment plus a salary of around \$150 per month. She will be allowed to take courses or audit them. The Director of Extension moves that the convention accept the petition of Pi Alpha Theta of Bethany College, at Bethany, West Virginia to be a colony of Pi Beta Phi in the fall of 1967. The motion was seconded by the delegate from West Virginia Alpha. The Delta Province President, Alumnae Province President, delegate from the Wheeling Alumnae Club and the delegate from North Carolina Beta spoke in favor of accepting the petition of Pi Alpha Theta.

The second invitation came from Dean Betty Cosby and the Panhellenic Council of the University of Florida, Gainesville, Florida. The invitation reads as follows, "On behalf of the Panhellenic Council of the University of Florida and the office of the Dean of Women, I should like to extend to Pi Beta Phi an invitation to colonize at the University at your earliest convenience." For over ten years there has been hope that this invitation would come to Pi Beta Phi. The Director of Extension met with the actives and alumnae from Theta Province, attending the Centennial Convention, to discuss the invitation from the University of Florida. It was the unanimous vote to "move that the convention accept the invitation from the University of Florida to colonize at the university at Pi Beta Phi's earliest convenience."

The Grand President announced the tellers for extension: Jo Oberlin, Ohio Zeta delegate; Sharon Langemo, Montana Alpha delegate; and Carol Christensen, Kansas Beta delegate. The chair announced the vote would be taken at this time on the two invitations.

The next order of business was the continuation of the Grand Council recommendations.

The Grand President called the meeting to order Thursday, June 29th, at 9:00 A.M. Greetings were read from Phi Delta Theta Fraternity; Frances Brigrance Calvert, Arkansas Alpha and Alpha Epsilon Phi.

The chair stated unless there is objection, the reports of the Directors, the Province Officers and the Committee Chairmen will not be read at this time but will be printed in the Information Issue of *The Arrow*. Consent granted.

Special orders of the day—the chair called for the report of the tellers for the election of the regular (active) session. The tellers appointed for the active session of the Centennial Convention submit the following report: Number eligible to vote for Grand Council, Directors and Province Presidents 169. Number of votes cast for Grand Council and Directors was 164 and 148 votes cast for the Province Presidents. All members of the Grand Council and the Directors nominated had been elected as previously listed.

The report on the result of the election of the Province Presidents:

- Alpha Province—no votes received
- Beta Province—Vera Hendricks Starbuck
- Gamma Province—Isabell Brown Dautel
- Delta Province—Eloise Frink Cleveland
- Epsilon Province—Barbara Heath Killins
- Zeta Province—Nancy Cox Fountaine
- Eta Province—Jean Harlor Thomas
- Theta Province—Marian Heper Wing
- Iota Province—Mary Elizabeth Frushour Hill
- Kappa Province
- Lambda Province—Jeanette Simpson Roberts
- Mu Province—Shirley Jones Mann
- Nu Province—Georgiann Burdick Halla
- Xi Province—Jean Ransbottom Karr
- Omicron Province—Barbara Meston Stuart
- Pi Province—Evelyn Long Fay.

The report was signed by the entire committee—Helen DeForest Fox, Chairman, Valerie A. Taaffe, Linda Phillips, Beth Dyer, Melinda McClellan, Ann Timerlake and Carolyn Hammann.

The next order of the day was the report of the com-

mittee to study recommendation procedures by the chairman, Mary Jane Derringer. The vote of the 1966 convention was that a committee continue to exist, reporting back in 1967 and 1969. This year our committee has studied all new proposals, suggestions and areas of concern of both actives and alumnae. All interested persons have had an opportunity to meet with our committee to express pertinent information and feelings. All communications received were circulated among committee members prior to convention. These proposals have been carefully considered, researched, and evaluated both through correspondence and committee meetings. As a result, our committee has the following four areas on which to report.

First: Under the present system, every recommendation blank from an area where there is a chartered alumnae club, must be accompanied by a consent to bid sheet. We sympathize with the almost impossible task of the Alumnae Recommendation Chairman in trying to find *Meaningful* information on each of the ever-increasing number of rushees. Communication and efficiency might be aided by the addition of a "no information" sheet. This "no information" sheet would be used in place of a no consent sheet only when there is a lack of information on the rushee after a sincere effort has been made by the Recommendations Chairman. It could be beneficial to the active chapter to know when there *is* a lack of information. Therefore, our committee recommends that this area of concern be studied during the interim of convention and be reviewed and reported on at the 1969 convention.

Second: We recommend that the Pi Beta Phi Statutes, page 33, Article II, "Membership," Section 1, "Requirements for Invitation to Membership," paragraph 3, be amended by striking out the first sentence in paragraph 3 and inserting the following sentence: Article II—Membership, Section 1. Requirements for Invitation to Membership. 3. No person coming from a college where a chapter of Pi Beta Phi is maintained shall be invited to membership by any chapter until it shall have secured the consent of the chapter in the college from which she comes, refusal to grant such consent being subject to overruling by the Grand President or the province president concerned, following complete investigation. We based our decision on the correspondence we received from the chapters and alumnae clubs which complained about the policy requiring the consent of the chapter on the high school graduates from the town or city in which they are located. They wrote that in large cities they usually did not know the girls especially when many of the actives were from out of town and out of state. However, we do reaffirm that if a girl has previously attended a college or university which has a Pi Beta Phi chapter that the consent of that chapter still must be secured. In addition, we recommend that a corresponding change be made to the form of the green consent to bid sheet and the recommendation blank. We recommend that the sentence on the green consent to bid sheet, "The Alumnae Club and/or the active chapter in the rushee's home town must sign this form," be deleted and that the following sentence be inserted under the dotted line: "This part of the form is to be completed only if this rushee has previously attended a college or university where a Pi Beta Phi chapter is located." We also recommend that the words on the recommendation blank, "and/or a Pi Beta Phi chapter" and "and the active chapter" be deleted so that the sentence reads: "When a rushee lives in an area where there is an alumnae club, this recommendation must be approved by the Club Recommendation Committee. If the rushee has attended a college or university which has a Pi Beta Phi chapter, the consent of that chapter must also be secured. A green consent to bid blank must accompany this blank (see Summer *Arrow* for names and addresses.)"

Third: We recommend that one of the annual required alumnae club meetings specifically concerned with recommendation education, and that the Director of Alumnae Programs be responsible for this program. We further recommend that the active chapters arrange a meeting with all

the alumnae club recommendations chairmen in their area to arrive at a more complete understanding of their mutual responsibilities for the selection of membership.

Fourth: We report that the Manual for the Membership Chairman is being revised which will help to clarify rules and regulations concerning membership selection.

Finally, the 1967 Committee to Study Recommendation Procedures and Policies would like to reaffirm its belief in sponsorship and point with pride to the smooth implementation of the new legacy policy and the new policy of acknowledging implementation of the new legacy policy and the new policy of acknowledging recommendation. We hope that this committee can continue to be of service to Pi Beta Phi.

The chair ask for the report of the tellers on the extension vote. The following report was submitted: The convention vote was in favor of establishing a Pi Beta Phi colony in the fall of 1967 at Bethany College, Bethany, West Virginia. The vote was in favor of establishing a Pi Beta Phi chapter at the University of Florida at our earliest convenience. The report was signed by the Jo Oberlin, chairman; Sharon Langemo and Carol Christensen.

The other chapter officers, with the exception of the historian, shall be elected at a regular election and serve during the immediately following half year of college. The historian shall be elected at the regular session at the close of the year and shall serve until the election of her successor at the close of the following college year. The retiring historian shall be responsible for completing and submitting the annual chapter history. The motion lost.

Motion by Indiana Beta: Article III, Section 20—Chapter officers as listed in the Statutes, Part 11, Article II, Section 1 shall be elected annually between the date of December 1 and March 30. She retracted the motion.

New York Delta's motion as amended to change the dates to December 1st and March 30, voted upon and carried. This then became the main motion, was voted upon and carried—statutes will be amended accordingly.

Mrs. Dix followed an historical text on the development of alumnae clubs. Emma Harper Turner was the first president of the alumnae department. In 1902 there were twenty clubs and two hundred fifty members. In 1910 there were thirty-eight clubs and thirteen hundred two members. In 1910 the Washington Alumnae suggested the Settlement School project and interest was quickened at a great pace. In 1923 a President and Vice President for Alumnae were noted with dues one dollar per year. In 1929 it was found variance in age was no problem if worthwhile programs were presented. Now thirty-eight years later this is still true. We now have three hundred forty-one alumnae clubs with seven new clubs in the past year. Programs need to stimulate interest and the Director of Alumnae Programs was thanked for her work in this area. The continuing objective of the alumnae, Mrs. Dix added, is to reach more and more alumnae not in direct contact with the fraternity.

The Convention Guide, Helen Lewis, announced that Workshops for the alumnae were scheduled for the afternoon from 2:00-5:00 P.M.

Meeting was adjourned until Tuesday morning at 10:30 A.M. June 27, 1967.

The next order of business was the report of Grand Vice President of Philanthropies, Evelyn Kyle. Mrs. Kyle gave an inspirational talk showing how generations of college women have learned to know and appreciate membership in a voluntary organization whose first major decision was to be of service to others. Through the years this has continued locally and nationally, through the fifty-five years of our philanthropic work of the Settlement School in Gatlinburg, of Tennessee, and it will be accredited Loan Fund to student attending Canadian universities and majoring in the field of social service. Now in our Centennial year, we are beginning our Art and Craft School in Gatlinburg, Tennessee to be conducted in co-operation with the University of Tennessee, and it will be accredited by the University. The future Settlement School Committee will act as a Board of Governors headed by an Executive

Committee to manage this new undertaking. Giving gladdens our lives on earth and it is our privilege and responsibility to make our contributions which are the lifeline of success for this philanthropic project.

It was decided that the report of the Director of Alumnae Programs would be printed in the Information issue of the ARROW.

Chairman of the Settlement School Committee, Dorothy Thorman, gave a comprehensive report on work of her committee showing three hundred five alumnae clubs contributed \$11,215.00 and one hundred chapters gave \$3,706.00 making total contributions \$14,921.00 for the year 1966-1967. The committee was able to pay all bills and clubs and chapters were thanked for their assistance.

A letter from Grace Cooper, Curator of Division of Textiles of the Smithsonian Institution to Marie Lingo was read regarding permanent exhibit of Arrowcraft art and materials in the Smithsonian Institution.

The Chairman of Holt House Committee, Shirley Mann, reported the committee proud to present Holt House to all Pi Phis making the journey to Monmouth on Wednesday June 28, 1967. Many gifts have been gratefully received and our contributions are needed to properly maintain this property.

Helen Knapp Hauser the delegate from the Pasadena, California Alumnae Club, next introduced Isabel Cramer of Pasadena, who presented silver bowl and ladle to Holt House in honor of their distinguished club member Evelyn Kyle. Mrs. Kyle responded graciously for the honor.

Time permitting, Betty Hall, Chairman of Centennial Fund Committee, gave report on the work of her committee. \$35,000.00 was received from Brochures sent out. Centennial Fund now totals \$246,454.97.

Myldred Hightower, Chairman of Centennial Projects Committee, told of the work of her committee. She said Pi Beta Phi is proud of the one hundred years of background of scholarship, leadership, and devoted service. Last year thirty-three clubs saw slides of Art and Crafts School. Grand Council gave permission for Centennial Spoon project and one thousand spoons have been sold. The Dallas Alumnae Club was thanked for their assistance. All were asked to be loyal and carry on in the next one hundred years. Handicapped people can be made happy with help. We can train those who want to work in our Art and Craft School.

Following announcements from Convention Guide the meeting was adjourned until 9 A.M. Friday morning June 30, 1967.

The Chair asked the Secretary to read the following recommendation: "Grand Council recommends to the alumnae session of convention that the Pi Beta Phi Statutes, page 56, Article III, Sec. I entitled Alumnae Delegate, be amended by striking out the word 'biennial' in paragraphs a and b'".

The Secretary was also asked to read the following Proposal of the Alumnae Province Presidents:

THAT the Statutes, Part III, Alumnae Clubs, be amended by striking out Article I, Section 2. Requirements for chartered alumnae clubs, and inserting a new Section 2 to read:

Section 2. Requirements for Chartered Alumnae Clubs. Every chartered Alumnae Club shall:

- a. Have every member enrolled as a member of the National Alumnae Department. The annual national dues of clubs chartered after April 1 of any fiscal fraternity year shall apply to the immediately ensuing fraternity year.
- b. Hold not less than four regular meetings each year, one of which shall be devoted to active chapter interests; one to the study of the Constitution, of the History of Pi Beta Phi, and of the annual examination questions; one to the interests of the Settlement School; and one to the observance of Founders' Day.
- c. Open and close all regular meetings with the reading of ritual.
- d. Elect all officers annually, no later than March 31, by ballot vote. A majority vote of all members present shall elect. When there is but one nominee for each office, it shall be in order to move that the secretary cast the elective ballot for the candidates.
- e. Elect two members for the Alumnae Advisory Committee if so situated geographically that such action is required.
- f. Have complete official files including up to date copies of the fraternity Constitution and Statutes for

the club president and the chairman of the Alumnae Advisory Committee.

- g. Provide annual audit of club treasurer's books.
- h. Maintain close contact with the Alumnae Province President concerned.
- i. Maintain contact through either correspondence or attendance at meetings with an active chapter, if so situated geographically that such action is practicable.
- j. Send annually to the Central Office a corrected list of resident alumnae.
- k. Send annually to the Grand Alumnae Vice President, the Grand Vice President of Philanthropies, the Secretary of the Alumnae Department and the Alumnae Province President a report completed by the club president on forms provided by the Central Office.

(the following paragraphs to be corrected to correspond.)

After discussion and motions it was decided to delete "one to the interests of the Settlement School" in *b* and insert "one to the interests of fraternity philanthropies." This was carried, and editorial changes were allowed.

Shirley Bradshaw member of the Nominating Committee asked that all alumnae, officers, delegates and visitors assist Nominating Committee by turning in names of eligible alumnae for fraternity service to the committee.

The Chair asked the Secretary to read the following recommendation from Grand Council:

Grand Council recommends that interim workshop meetings of the National Officers, which include the Province Presidents, the Alumnae Province Presidents, and such other officers and/or committee chairmen as deemed necessary shall be authorized.

There was no objection and recommendation carried.

Under new business the Director of Alumnae Programs

moved that three (3) Ruth Barrett Smith Scholarships be awarded each year during the coming biennium and that the money for the scholarship in the amount of \$900.00 be allocated from the Alumnae Funds. One scholarship would be awarded automatically as a matter of policy and this year, the Alumnae funds are sufficient to permit three scholarships to be awarded. Two of the three will have to be voted by the Alumnae session. The Director of Alumnae Programs moved that these scholarships be voted. Evelyn Kyle seconded the motion and motion carried.

Marie Tunstall Lingo, Citizenship Chairman, moved that Pi Beta Phi in Centennial Convention re-affirm the motion adopted in previous conventions that the members study the great documents of the United States and Canada to become informed and participating citizens. Motion was seconded and carried.

The Grand Treasurer Olivia Moore spoke to explain confusion in minds of some Pi Phis regarding the \$50,000.00 gift of the fraternity to Monmouth College. This money was not taken from Centennial funds. The gift came from money obtained from the condemned land sale in Gatlinburg, Tennessee, belonged to Pi Beta Phi and could be used as Grand Council authorized. It was the wish of Grand Council that the fraternity give this amount to Monmouth College in this our Centennial year. Mrs. Matthew J. Wilson was thanked for a generous gift to Settlement School.

Following announcements by Convention Guide, Helen Lewis, there being no further business, the Chair declared the Alumnae Session of the 46th Convention of Pi Beta Phi adjourned sine die. The meeting was closed with the Ritual, at 12:00 noon June 30, 1967.

The extension program of the fraternity was discussed. Grand Council voted to recommend to the convention that the petition of Pi Alpha Theta of Bethany College, Bethany, West Virginia to become a chapter of Pi Beta Phi be acted upon favorably. The Council voted to present to the convention a motion to accept the invitation of the Dean of Women at the University of Florida in Gainesville, Florida to establish a chapter there on a time schedule which will insure the strongest possible chapter.

There was a review of every chapter in the fraternity, using reports of Province Presidents, the report of the Director of Scholarship, the report of the Director of Alumnae Advisory Committees, reports of the Deans of Women, the Standardization and Survey Report, and recommendations and Panhellenic statistics.

The following action was taken by the Grand Council:

That, the deadline of March 10th for inactive requests for that college year to be received by the Grand President be placed in the Policies and Standing Rules of the Fraternity.

That, girls with inactive status pay national dues.

That, chapters do not function officially during summer terms.

The Grand Council session recessed for the Province Officers' Meetings and the Forty-Sixth Biennial Convention of Pi Beta Phi.

POST CONVENTION GRAND COUNCIL MEETING

The post convention Grand Council meeting of Pi Beta Phi convened July 1, 1967. The meeting was called to order by the newly elected Grand President, Dorothy Weaver Morgan, who presided over all discussions.

The Grand Council met with the Directors and discussed with them the workshops that were held at Convention, as well as the plans for the fraternity program for the coming year.

Helen Anderson Lewis, National Convention Guide, reported to the Council on the Forty-Sixth Convention. Mr. James Hopper of Ernst & Ernst reported on the financial situation of the fraternity, detailed plans for the change over in Grand Treasurer's duties, and on his conferences during the Convention.

Plans for an Officers' Workshop in St. Louis in September, a Grand Council meeting in conjunction with the 1967 National Panhellenic Conference Meeting, and the 1969 Convention were made.

Plans were made for the establishment of a chapter at

Bethany College, Bethany, West Virginia and for working toward the establishment of a chapter at the University of Florida, Gainesville, Florida.

Grand Council conferences during convention were reviewed and plans made to implement decisions made during those conferences.

The following action was taken:

That, the Information Issue of *THE ARROW* be sent to every member of Pi Beta Phi.

That, each chapter is to receive 10 copies of each issue of *THE ARROW*.

That, the new member of the Nominating Committee be Lola Story Finch, and that the Chairman of the Nominating Committee for the next biennium be Susan Rose Saunders.

The meeting of the Grand Council adjourned July 2, 1967. The closing ritual was observed.

FAY MARTIN GROSS, *Grand Secretary*

INTERIM MEETINGS OF THE GRAND COUNCIL

An interim meeting of the Grand Council of Pi Beta Phi was held November 14-17, 1966 at the Edgewater Beach Hotel, Chicago, Illinois. The meeting was opened with the ritual with the Grand President, Alice Weber Johnson, presiding over all the sessions. All members of

the Grand Council were present, as was the Director of Chapter House Corporations—Grand Treasurer in training, Louise Rosser Kemp.

The Grand Council reviewed with Mr. James Hopper of Ernst & Ernst the funds and fiscal policies and opera-

tions of the fraternity. The Grand Council voted to accept Ernst & Ernst's recommendation that the fraternity's general accounting system under go some revisions.

On Tuesday, November 15, with Mr. James Hopper and Mr. Harry Manley of Ernst & Ernst present, the Grand Council interviewed representatives from six architectural firms interested in developing the plans and supervising the construction of the Art and Craft Center in Gatlinburg, Tennessee. They were Mr. Eric Smith of Smith & Entzeroth, St. Louis, Missouri; Mr. William D. Peckham, Architect, Inc., St. Louis, Missouri; Mr. James H. Stange of Davis & Wilson, Lincoln, Nebraska; Mr. Roy Harrover of Roy Harrover & Associates, Memphis, Tennessee; Mr. Bruce McCarty and Mr. Robert Holsaple of Bruce McCarty & Associates, Knoxville, Tennessee; and Mr. Richard M. Bennett and Mr. Donald J. Hackl of Loebel, Schlossman, Bennett & Dart, Chicago, Illinois. Because Mr. Bennett's conception of the future of the Art and Crafts School was identical with that of the fraternity and because his firm is well qualified, the Grand Council voted to employ his services in the development of the Centennial Project.

With Mr. James Hopper and Mr. Manley of Ernst & Ernst present, the Grand Council reviewed the organizational groundwork of the Art and Crafts Center. The set-up of the interim Planning Board for the project was gone over in detail, the personnel of the Planning Board was appointed as follows:

Evelyn Peters Kyle, Chairman & Grand Vice President of Philanthropies

Olivia Smith Moore, Grand Treasurer

Louise Rosser Kemp, Director of House Corporations

Henrietta Huff, Gatlinburg, Tennessee

Marian Heard, Director of Summer Craft Workshop

Carol Estes, Del Mar, California

Mrs. Eugene Kingman, Omaha, Nebraska

The first meeting of the Planning Board was planned for February 1967. The formation of the Board of Control and the permanent Executive Committee to be in charge of the day-by-day running of the Center, plus the appointment of the Director, were also discussed.

The report of the Settlement School Committee and the audit of the Settlement School funds were reviewed.

The National Convention Guide, Helen Anderson Lewis, met with the Grand Council to plan for the Centennial Convention. The list of arrivals was approved, the Convention program and the trip to Monmouth were outlined, and other detailed plans for Convention were made.

The Grand Council voted to accept the proposal of Dr. Wimpres, president of Monmouth College, that Pi Beta Phi's Centennial gift of \$50,000 be made to the college to be used for the construction of an antheaem in the science library building on the Monmouth campus, to be known as the "Pi Beta Phi Centennial Athenaeum."

The personnel for the Committee to Study Recommendations Procedures, to be chaired by the Director of Membership and to report at the 1967 Convention was appointed. The following will be asked to serve on this committee; Frances Ross, Alpha Province President; Mady Van Buren, Pi South Alumnae Province President; Mary Knipmeyer, Kansas City Club; 1966 delegate from North Carolina Beta—Molly DuBois; 1966 delegate from Texas Alpha—Joanie Amacker and the 1966 delegate from Oregon Alpha—Nancy Greenfield.

The Grand Council voted that the Holt House Committee is authorized to meet annually.

The following policies were voted by the Grand Council: That, any requests for consideration of extension must be filed with the Director of Extension by a given date in order to be considered at a Grand Council meeting; by December 15 to be considered at the spring meeting, by March 15 to be considered at the June meeting and by August 15 to be considered at the fall meeting. That, Pi Beta Phi chapter houses are provided for and supported by the fraternity. Residents of Pi Beta Phi houses, other than employed, shall be limited to members or pledges of Pi Beta Phi. Guests in residence shall be limited to students from foreign countries. Invitation from an individual chapter may be extended such guests upon a 90% vote of the chapter concerned and the unanimous consent of its Alumnae Advisor Committee, its Chapter House Corporation of Directors and the Grand President of Pi Beta Phi.

Campus conditions and chapters were reviewed by the Grand Council.

The Director of Extension reported eighteen extension inquiries had been received since the June 1966 Grand Council meeting. They were read and considered but no action was taken.

The meeting of the Grand Council was adjourned with the ritual, November 17, 1966.

An interim meeting of the Grand Council of Pi Beta Phi was held April 3-6, 1967 at the Sheraton Motor Inn, El Paso, Texas. The Grand President, Alice Weber Johnson, presided over all sessions. All members of the Grand Council were in attendance, as was the Director of Chapter House Corporations—Grand Treasurer in training, Louise Rosser Kemp.

The Centennial Project was discussed, and the name: "Arrowcraft in the Smokies: Pi Beta Phi Settlement School—University of Tennessee" was decided upon. It was voted that the recommendations of the architect, Mr. Bennett, for the museum and the addition to the Arrowcraft Shop be followed. A motion was passed THAT the recommendations of the Planning Board as presented to the Grand Council be accepted. The personnel of the Board of Governors was discussed, and the following people were appointed to the Executive Committee of the Board of Governors: Chairman, and Chairman of the Ways and Means Committee, Betty Yelm Kingman; Vice Chairman, Shirley Jones Mann; Secretary, and Chairman of Promotion and Publicity Committee, Henrietta McCutchan Huff; Treasurer, Olivia Smith Moore; Marian G. Heard, Director of the Summer Craft Workshop; Dr. Mills, Head of the Related Arts and Crafts Interior Design Department at the University of Tennessee.

There was a detailed review of plans for the Centennial Convention with Helen Anderson Lewis, National Convention Guide.

The Grand Council reviewed individual chapters.

Grand Council voted that the deadline for fraternity scholarships be set at March 1st and that scholarship be awarded and the recipients notified by April 30th each year.

The meeting was adjourned with the ritual on April 6, 1967.

Annual Reports of National Officers

GRAND PRESIDENT

On April 28 of this year, 1967, Pi Beta Phi—pioneer among national fraternities for women—become 100 years old. Because of this and because this is the last time this officer will address a Pi Beta Phi Convention as Grand President, this message is not the traditional "state of the fraternity" report but rather a tribute to the past and a hope for the future.

Those of us here today are members of a fraternity whose hundred-year record proves beyond the shadow of a doubt the value of an organization based on high standards of behavior and ideals of friendship and service. Pi Beta Phi has 88,867 initiated members, 111 active chapters and 342 alumnae clubs in the United States and Canada. The record of alumnae activities for this Centennial Year is truly outstanding, and the active chapter members have added 167 Mortar Boards or similar honors, 94 Phi Beta Kappas, Phi Kappa Phis or similar Honoraries, 33 presidents of campus-wide organizations, 22 editors in chief of student publications, and innumerable queens.

From the Settlement School in Gatlinburg, Tennessee, which was the first national philanthropic project undertaken by a Greek letter fraternity and which brought prestige not only to Pi Beta Phi but to the whole fraternity system, has evolved a definite project to carry us into the second century. A year-round craft school sponsored by Pi Beta Phi and the University of Tennessee is about to become a reality.

One wonders how the original twelve members would react to the Information Bulletin this year—listing the number of officers necessary to carry out the fraternity program and the financial statement which shows so clearly that the fraternity is very big business. Often it has been noted that the dreams of our Founders became a reality beyond their fondest hopes as strong leadership and loyal members developed the fraternity. Emma Harper Turner, May Lansfield Keller, and Amy Burnham Onken, who has been acclaimed by many as the greatest fraternity member—woman or man—of all time, guided Pi Beta Phi to a top position in the Greek letter world—a place it is our responsibility to maintain.

The respect Pi Beta Phi presently enjoys is reflected in a letter from a Dean of Women, a letter which also expresses a challenge for our future.

"The 100th Birthday Anniversary is a very special occasion in the life of an individual, of an educational institution, of an organization, and I want to add my words of congratulations and good wishes to all Pi Phis for completing a century of contributing so much to the campuses of this country.

This contribution has made itself felt in maintenance of scholarship standards, good moral attitudes, bonds of friendship, and service to both the local community and the Settlement School at Little Pigeon.

May your next century of growth help us to meet the shortage of men and women with intellectual capacity and qualities of character necessary to cope with the cosmic nature of our problems."

We are grateful for these kind words which have not been earned easily.

We once heard quoted an old Chinese curse: "May you live in interesting times." In these past few years our fraternity has weathered some truly "interesting" times. Nor are these times ended—in spite of the fact that we have gained some victories and have learned some valuable lessons.

The Grand Council statement of a few years ago that *it was neither honest nor practical to be expedient* has

proved to be correct. Entrusted with the leadership of the fraternity, the officers have had to act as integrity demanded—to defend the principles on which Pi Beta Phi was founded and has functioned.

Our statement on membership policy which has been requested by various university administrations is concise and clear and has been the same since our beginning.

"Pi Beta Phi has nothing in its constitution discriminating against anyone. We consider valid recommendation action based on the fraternity qualifications for membership—good scholarship, excellent character, congeniality and sympathy with the work of the fraternity. We have always had a system of sponsorship to assure the continued strength of the fraternity."

For those officers the resolution presented by the delegates from Gamma Province and unanimously voted by the 1966 Convention is the most important action of recent years—for with these words "that the Forty-fifth Biennial Convention of Pi Beta Phi reaffirm its belief in the idea of sponsorship, realizing the strength and atmosphere of true National sisterhood that this practice perpetuates." Pi Beta Phi in convention assembled affirmed their belief in the basic premise of the fraternity—the bond that makes this type of organization what it is and assures its continued strength.

Sponsorship—carefully and responsibly considered, will be increasingly important in the years ahead if Pi Beta Phi is to continue to be strong, proud and fine. The trend toward the total relaxation of all rules on most university campuses places a terrific responsibility on young college women today.

Very few administrators are willing to make a statement like the one made recently by Chancellor Dean McHenry of the University of California at Santa Cruz in reply to a demand by students for dormitory rules like those at the Irvine campus which permit "intervisitation" between the sexes. He said that those students who preferred the regulations at Irvine were free to transfer—and added: "In my family my daughters did not invite boys to their rooms nor did my son invite girls to his. And I think that is true of most good families. We not only have an obligation to our students but obligations to their parents—and to the taxpayers."

One hundred years ago Fannie Thompson wrote to Jennie Horne: "Ours are just such restraints as should be thrown around every young girl away from home deprived of a mother's counsel and advice."

As soon as fraternities became recognized on college campuses, they assumed leadership in social training—and this leadership must be carefully maintained. One sees too much sloppiness in dress—everywhere—a sloppiness that extends, unfortunately, to manners. Bad or careless manners reflect against anyone—and will decidedly reflect against a chapter. One of the basic responsibilities of living together is to train the chapter members in social amenities. Group living requires certain rules—based on courtesy and the desire of each member to do her part. Another habit to avoid is sloppiness in speech. Vulgar, crude language and unnecessary loudness of tone create most unfavorable impressions. It is expected that Pi Beta Phi chapters will select as members only those young women who can meet standards of good taste—who scorn the cheap and ugly—the dangerous customs that appear on college campuses—and are able to stand against pressures of conduct that bring unhappiness of the most bitter kind.

It is also expected that they will choose members who will strive for worthy scholarship—which means doing their best and making the most of their opportunity.

It is from this sort of member that Pi Beta Phi has earned its reputation for being the type of fraternity that can be depended on—a fraternity that is recognized as a strong force behind any movement for good—respected and trusted always.

"That which comes with time (changing styles—methods of travel—computers) "time will take away." Values which are eternal: integrity, kindness, self-discipline, good taste, loyalty, will remain. It will continue to be a responsibility to defend sanely but positively the fraternity system—and it has always been true that actions speak louder than words.

As long as there are young women to whom these things are important, so long will there be a place in the world for Pi Beta Phi.

Again this year it has been a rare privilege to meet many Pi Phis wearing their arrows responsibly. Official visits were made to California Beta, Nevada Alpha and Arizona Alpha. A January celebration of 100 years of Canada and Pi Beta Phi, with Manitoba Alpha and the Winnipeg Alumnae Club, was delightful as was Founders' Day in Berkeley, with California Beta and the Bay Area Pi Phi; a combined Founders' Day and the 50th anniversary of Oregon Beta; the Founders' Day with the Monterey Peninsula Club. The warmth of these Pi Phi contacts is truly heartwarming.

In Marianne Red Wild's last report as Grand Vice President she quoted an ancient saying: "'Tis the torch the people follow, whoever the bearer may be."

For nine years it has been the privilege of this officer to carry the torch of Pi Beta Phi—to strive not to make a wrong turn—and to work at all times for what is best for this fraternity; trying always, as Abraham Lincoln said, "for firmness in the right as God gives us to know the right."

When one arrives at this point with a full heart and a desire to express in some measure what this experience has meant, again, as it has happened so many times, the words of a graduating senior express the feeling of this officer far better than her poor efforts with words.

"My feelings about Pi Beta Phi are many and varied, but at the same time, extremely hard for me to ex-

press on paper. Pi Phi has aided me greatly in my growing and maturing process. It has helped me to prepare for various roles which I will fill as a responsible citizen. Through the sorority, I have been able to exploit and develop my talents and assume leadership responsibilities which I never felt I could have begun to tackle on my own.

Perhaps the greatest and deepest feelings which I have for Pi Beta Phi lie in the true friendships which I have found here. Possibly I could have found these friendships elsewhere, but I will never be convinced of that. We have something in our chapter which I call 'a specil glow.' It is an inner feeling which can be communicated to another person by a simple smile or even a glance. The girls seem to care about one another and people in general—a quality very rare in my opinion. In Pi Phi I have found the joy of giving—not because I will get something in return, but because of the personal satisfaction which it brings. This is only a small part of the moral code for which Pi Beta Phi stands.

For me the Pi Beta Phi Creed well sums up a code by which I would like to live. I realize that I could never achieve this perfection, but if I can keep these ideals forever before me, I can continuously strive towards these aspirations.

Yes, Pi Beta Phi has truly given me much. I only hope that I have also given in return and that I will do for another Pi Phi what Pi Phis before me have done for me."

There is great joy in working for an organization to which one can dedicate oneself with utter conviction of its worth to society, and to work with such outstanding women as the officers of Pi Beta Phi. To each of them and to everyone who has helped there are heartfelt thanks—for these wonderful years. We come now to another turning in the road ahead—the beginning of Pi Beta Phi's second century. We feel confident that your Pi Phi leaders—our torchbearers—will hold high the torch we are so proud of—for: "'Tis the torch the people follow, whoever the bearer may be."

ALICE WEBER JOHNSON, *Grand President*

GRAND VICE PRESIDENT

Over four years of Grand Council experience has convinced this officer that, while the advantages of fraternity membership are obvious, there is no concise definition of fraternity life for it is a truly individual experience. It can be only judged by the self-discipline, the individual intelligence, the mental and emotional balance and the grasp of true values based on the breadth of mind and depth of thought of the individual member. Therefore throughout the past century Pi Beta Phi has endeavored to develop individual and chapter initiative and to avoid stereotyped programs.

This policy has been successful because the affairs of the fraternity have always been handled by volunteer officers. So great has been their conviction that a fraternity experience is an important part in the education of a woman, that hundreds of alumnae have contributed their time and talents to the development of fraternity programs. Campus life, service projects and financial management have benefited from the dedication of these women to the principles upon which our fraternity was founded.

Volunteer workers offer two great advantages to any organization. First, their services are free,—this no doubt has much to do with the sound financial position Pi Beta Phi enjoys. Second and most important, volunteers bring to their office a great breadth of personal experience. Living full lives with family responsibilities, participation in cultural and community affairs, and enjoying a wide circle of acquaintances outside of the fraternity world enables

them to keep abreast of their time and to supply a vitality that is often lacking in those with a single interest however sincere that interest may be.

As the fraternity has grown it has become more and more apparent that the demands upon the conscientious volunteer have left little time for any outside interest. Therefore, in the early sixties Grand Council called upon an eminent firm of management consultants for expert advice in formulating a long range organizational plan which, hopefully, would preserve that unique quality of widely diverse individual officer experience that through the years has been our greatest strength.

The 1964 convention in Victoria adopted the first stage of this plan by creating the offices of Grand Vice President and seven directors, each of the latter to be assigned to specific aspects of fraternity life. The wisdom of this action is undisputed. The four directors whose departments handle active chapter programs work closely with the Grand Vice President and in three years have developed material that is of tremendous value to the fraternity as a whole.

The Director of Scholarship has tabulated the academic achievement of each chapter in relation to the all women's average and the all fraternity average on its own campus, as well as in relation to these averages nationally. These figures give an accurate picture of academic trends and Pi Beta Phi's position in relation to these trends. Also for the first time an accurate analysis can be made of the contribu-

tion of the Alumnae Advisory Committee to chapter development. The Director of AAC has studied the value of strong active-alumni relationship in all chapter programs and supplied this committee with valuable material to implement its effectiveness.

The Director of Chapter Programs over the past three years has been able to study various programs and now recommends those areas that need additional direction to meet the requirements of our active chapters. The Pledge program which has served well in the past is no longer adequate when addressed to the mature university woman of our day. An officer capable of devoting full time to creating and administering a new program is indicated for this department. With the broad question of standards of behavior confronting us, we must be able to answer the questions, provide the guidelines, and formulate the policies that our members are requesting. Knowing that it is in this area that the future of fraternity life and growth lies, the need for an officer with the experience, background, and ability to devote time to standards alone has become imperative! It is, also, evident that present rush techniques will need revision and that practices more compatible with the future must be developed. With the tremendous growth we have experienced and with the prospect of expansion ahead the Director of Membership can no longer devote the time necessary to processing several thousand recommendation blanks, develop accurate statistics and be responsible for the rushing of 111 chapters so a third new director, Director of Rush, is suggested.

These three new officers at the director level, each concentrating on a given area of chapter programming will provide material for province and the chapter officers. By clearly describing each office and streamlining procedures, it can be assumed that the additional directors will contribute greatly to the over all efficiency of the organization.

The years since the Victoria convention have been years

of study, years of change, years of review and re-evaluation so that at this time a recommendation is being made that the fraternity move into the second stage of organizational growth. The volunteer officer corps of the 1930's, the 40's, or even the early 60's is inadequate to meet the demands of the present or the immediate future. Each of the Director positions described in the Grand Council proposals to the Centennial convention were made with a clear understanding that the fraternity must constantly move forward for only creative thinking and long range planning will determine the future of Pi Beta Phi and of the fraternity system.

Throughout the past year this officer has served for the Grand President when requested, visited Colorado Alpha, Kansas Alpha and Kansas Beta, attended the National Association of Women's Deans and Counselors meeting as an associate member and enjoyed Founder's Day with the Dallas and the Houston Clubs. As a member of the City Panhellenic Committee of NPC much time has been spent working with the thirty-seven city panhellenics in Area II. Convention planning principally concerned with the Active chapter workshop program and the Centennial banquet has been an interesting activity throughout 1966 and 1967.

No report whether verbal or written can describe the stimulating experience four and one half years as a member of your Grand Council has been. Neither can this officer adequately express her gratitude for the privilege of working with the Directors of Chapter Programs, AAC, Membership and Scholarship and to have had a small part in the exciting work they have done.

To have been so honored by the fraternity will be an enduring memory and the friendships so happily formed will be a lasting joy. That Pi Beta Phi will continue to provide opportunity for an association so unique and of such strength, there can be no doubt.

EDYTHE M. BRACK

GRAND ALUMNAE VICE PRESIDENT

It is particularly fitting that this, the Centennial Convention of Pi Beta Phi, is being held in the very city which was the site of the Convention which inaugurated the Alumnae Department of the Fraternity. Pi Beta Phi was the first women's fraternity to incorporate alumnae into the general fraternity organization. The Thirteenth Grand Alpha, as the national conventions were then called, met in the Isabella Club, Chicago, Illinois on July 17-21, 1893. It was the largest yet held, with 19 of 21 chapters represented and a representative alumnae contingent present. This convention ratified the formation of the National Alumnae Association and adopted a ritual for Alumnae Clubs.

The fraternity idea originated with the founding of Phi Beta Kappa at the College of William and Mary in Williamsburg, Virginia. It was first a social group and later became the honorary which we know today. Fraternity remained a men's organization for 98 years, during which time other Greek-letter societies for men were developed. Phi Beta Kappa limited its membership to seniors only, but those which followed included students from all of the undergraduate classes. The first two women invited to membership in Phi Beta Kappa were members of Kappa Alpha Theta at the University of Vermont in 1874.

Prior to the founding of I.C. Sorosis there were a few local societies, probably the earliest one being Adelphean, established at Wesleyan College in Macon, Georgia, in 1851 and followed soon after by Philomathean in 1852. Adelphean became Alpha Delta Phi in 1903 and again in 1913, Alpha Delta Pi; Philomathean nationalized in 1904 under the name of Phi Mu.

On a campus where Greek-lettered societies had been unknown, the establishment of chapters of Beta Theta Pi, Delta Tau Delta and Phi Gamma Delta stimulated great interest among both men and women undergraduates, in-

cluding the young ladies, who decided that college girls could also have a fraternity and became the founders of Pi Beta Phi Fraternity. The founders planned seriously. At the very first meeting in April, 1867, the idea of a national order was thoroughly discussed. I.C. Sorosis had three chapters before Kappa Alpha Theta was founded and had established six chapters before Theta chartered its second.

To gather accurate information about the early history of Alumnae organization was difficult. Evidently there were gatherings of I.C. groups as early as 1870 at stated times and places, when active and inactive members met to discuss Fraternity affairs, but not until 1880 or 1881 was there a concerted movement to foster a closer relationship between the active and alumnae members, or for organizing alumnae clubs or chapters. An I.C. Constitution which pre-dates 1880 contains a provision for alumnae organization which reads, "Members of the several chapters shall, upon graduation, become members of the alumnae chapter, but shall retain connection with their former chapter. The alumnae chapter shall have no power to transact business." The 1880 Convention at Mt. Pleasant, Iowa, amended this last clause to read, "Alumnae chapters shall have power to transact any business which does not in any way conflict with the workings of the general organization."

The first alumnae chapters were given the name of the parent chapter followed by Omega, but after the Convention of 1882 they were named without regard to their origin. Early in 1882 a society, composed entirely of alumnae, was formed in Des Moines, Iowa, existing as an independent alumnae club until it received a charter from the Grand Council on February 6, 1893, just previous to the organization of the National Alumnae Association. This was the last alumnae chapter.

The stated object of the Alumnae Association was, "To

maintain the Fraternity associations of Pi Beta Phi alumnae and to secure their cooperation in the development of the Fraternity." At the time the Alumnae Association was formed a full Alumnae Council was elected. Emma Harper Turner, the retiring Grand President, became the first President of the Alumnae Association. State secretaries were appointed in the principal Pi Phi strongholds and a regular Alumnae Department was scheduled in the Directory of the Fraternity in the ARROW.

Four Alumnae Conventions were held before the National Alumnae Association on July 4, 1901, petitioned the Biennial Convention at Syracuse, New York, through the Grand Council to become a part of the general fraternity organization, that the Grand Vice President be given the duties of Alumnae Secretary, and that she be nominated by the alumnae; and that in each chapter to the duties of vice president be added those of chapter alumnae secretary. The ARROW of July, 1893, reported that this was a convention notable for its reunions. I rather suspect the same may be said about this Centennial Convention.

Following conventions granted the privilege of the floor to all members of the Alumnae Association and later, to all visiting Pi Phis "as though members of convention." Life Membership in the Alumnae Association was granted upon the payment of \$5.00 in one installment, or \$6.00 if paid in six installments.

In 1893 The Colorado State Association of Pi Beta Phi was organized and adopted a constitution. Five years later small "Round Robin Circles" were formed under the direction of Emma Harper Turner. The whole membership of the Association was divided into small circles, in charge of secretaries, according to geographical location, for the purpose of promoting Association development. The secretary circulated among the Pi Phis in her district all Alumnae publications and such other materials as the president directed.

By 1898 alumnae clubs in Chicago, Illinois; Creston, Iowa; Lawrence, Kansas; Des Moines, Iowa; Washington, D.C.; and Denver, Colorado were reported, and the next year clubs at Athens, Ohio; Franklin, Indiana; Baltimore, Maryland; Galesburg, Illinois; and Syracuse, New York were in operation. The Colorado and Indiana State organizations were holding regular annual reunions. There were 20 clubs with about 450 members in 1902—by 1909 there were 38 clubs, of which 26 had applied for charters, with a total membership of 1302.

The Twenty-First National Biennial Convention of 1910 at Swarthmore granted seats in Convention and privilege of the floor to alumnae club representatives and approved the plan suggested by the Washington Alumnae Club to the Alumnae Department for maintaining a school in the Appalachian Mountains in honor of the Founders.

The establishment of the Settlement School quickened alumnae interest at an amazing pace. This created such a work load on the Grand Vice President that she reported the need for additional officers to spread the detailed work which had developed in the interim of convention!

The 1912 Convention granted all alumnae the privilege of the floor, approved Province Vice Presidents, to be elected at Convention, having the same district as Province Presidents, and assisting the Grand Vice President and Alumnae Editor. These succeeded the alumnae secretaries. This convention voted \$250 per year for running expenses of the Settlement School and asked the Chicago Alumnae Club to assume control of the project.

An interesting Conference of the Grand Council and Alumnae Club delegates held in Chicago in 1913 was the outcome of a growing desire among the older members for a closer and more intimate knowledge of fraternity matters. A few outstanding accomplishments of the Conference were:

A recommendation that each alumna pay 50¢ per year into the grand treasury to meet expenses of the Alumnae Department.

The drafting of a model and uniform constitution for all alumnae clubs.

Better and larger representation of alumnae in biennial conventions.

A recommendation that the Constitution be amended to authorize an advisory committee, to be appointed from the nearest chartered alumnae club, with three members to be selected by the active girls and two by the alumnae club, to be advisory only. (This was another of the "firsts" in Pi Phi's record of leadership in the fraternity world.

A recommendation that alumnae club provide for a systematic study of the Constitution, the Historical Documents, and the Yearly Examinations which had been instituted by the 1904 Convention.

The war years, 1918 and 1919, were hampered by the influenza epidemic and war conditions. With a ban on gatherings, many clubs had no meetings for months, and programs for the year had to be abandoned. The new Grand Vice President, Anna Robinson Nickerson, whose pin I wear today, initiated the custom of writing directly to all clubs in the early fall, making suggestions relative to their work and endeavoring to establish a feeling of nearness and confidence in the spirit of helpfulness that the Alumnae officers wished to have exist in their department.

Alumnae Club Charts, showing progress of the various groups, were presented for the first time at the 1921 Convention.

The 1923 Convention voted to have the Grand Vice President and the Province Vice Presidents elected by the alumnae session. A report for the year 1924-25 showed 112 clubs visited by a member of the Grand Council, with only 34 clubs unvisited by a Council member. The 1925 Convention raised alumnae dues to \$1.00 and created the office of Assistant to the Grand Vice President.

There were 136 clubs in 1927, with 30 new charters granted in the two-year period and losing only two clubs.

At the close of her term of office in 1929 Grand Vice President Emilie Margaret White reported: "Most clubs find that variance in ages and occupations of members present no problems, if they provide worthwhile programs and plenty of work. A club with an efficient executive committee which disposes of routine business and permits time in club meetings for real discussion of fraternity questions, the reading of officers' letters, and news from the active chapter and Settlement School, and real sociability holds the interest of members more successfully than the one in which all the time is consumed with matters of routine." These words are as true today, 38 years later, as when they were spoken.

In the year of deepest depression, 1933, no club gave up its charter, and by 1935, under Grand Vice President Ruth Barrett Smith, 21 new clubs were chartered, two relinquished charters, and either others ceased to function, but there were 173 clubs with a paid membership of 5,284.

This resume covers some of the highlights of the early years of the Alumnae Department as recorded in the 1915 and 1936 Histories. The new Centennial History will cover the gap of the ensuing years, and we welcome its advent with enthusiasm. We do have some figures to show the growth of the Alumnae Department in the past ten years, which then will bring us to the current year.

Research into membership figures printed in the 1957 and 1967 Directory Issues of "Fraternity Month" show that in the ten-year period, 1,180 new alumnae groups were added. Pi Beta Phi, in 1957, had 272 clubs with a paid membership of 11,474. Today, in 341 clubs, alumnae are living up to the stated object of the 1893 Alumnae Association: "To maintain Fraternity associations of Pi Beta Phi alumnae and to secure their cooperation in the development of the Fraternity." The 15,383 paid members support with interest and enthusiasm the national projects of the Fraternity.

The tally of 341 alumnae clubs includes seven new clubs since the 1966 Convention. They are: Rhode Island, centered at Providence, Rhode Island; Tri State, Vermont, based at Brattleboro, Vermont; Central Ohio, in the area of Delaware, Ohio; Southport, Indiana; Hot Springs, Arkansas; Lake Oswego, Oregon; and Ventura County, California. Tri-State, Vermont and Hot Springs, Arkansas were chartered in May of this year. It is most disappointing to announce the loss of one club, Roanoke, Virginia, which has forfeited its charter—but a number of letters requesting information on the procedure of forming an alumnae club have been received, and three additional groups definitely working toward an early charter date.

Impressive as these figures are, far more important than the physical numbers are the members who are renewing Pi Phi association and friendship, finding again the pleasures of shared experiences and of Fraternity service. Only as we keep informed about the Fraternity, its current policies, operations, and campus affairs across the continent, can we know what Pi Beta Phi stands for, what it is doing, and the "why" and "how" of both of these. One of the continuing objectives of the Alumnae Department is to reach out to more and more of those alumnae who, for reasons of geography or personal involvement, are not in direct contact with the Fraternity. The Centennial Fund slogan, "Each one reach one" applies to members of established clubs with "inactive" members. The so-called isolated Pi Phis must be the responsibility of the officers. We strive to find a way to reach them.

Your officers are impressed with the originality and effectiveness which many clubs have achieved in the presentation of the required programs. These programs hopefully meet the everconstant need to keep alive in the minds and hearts of the members the knowledge of the fraternity which they once learned in the chapter as well as to stimulate interest in the current procedures policies, and problems. The topics are general, and, with imagination and research, can be presented in a challenging, though-provoking, or amusing manner.

The reports of the Grand Vice President of Philanthropies and her committee chairmen present at Convention will cover the magnificent record achieved by our alumnae clubs in their support of the fraternity's projects.

The Director of Alumnae Programs has been in contact with club presidents or program chairman throughout the year and has provided invaluable assistance in program planning and guidance to these clubs. Her development of this position has shown a complete understanding of the needs of the clubs and the possibilities available. Gladys Bon has given valuable support and constructive assistance to the Grand Vice President of Philanthropies and to this officer. The well-planned workshops which you will begin to attend this afternoon are but one of her responsibilities.

One facet of this position is the travel required. Each chapter of Pi Beta Phi is visited once every two years by a member of the Grand Council or by a Director. In October the Grand Alumnae Vice President spent two days with each of five chapters in Delta Province. The two weeks spent with the members of D.C. Alpha, Maryland Beta, Virginia Gamma, Virginia Delta, and West Virginia Alpha chapters were not only informative but were most rewarding to this officer. The warm hospitality, eager interest, earnest cooperation, and obvious enthusiasm of the officers and chapter members enrich and revitalize the officer privileged to visit them. In April while en route to the spring meeting of the Grand Council she was the guest of the Kentucky Beta chapter and the Lexington Alumnae Club at their joint Founders' Day Luncheon.

Later in April she attended the Founders' Day Banquet given by Ohio Epsilon and the Toledo Alumnae Club, as well as the Founders' Day Celebration of her own Ohio Beta and Columbus, Ohio Alumnae Club. These three Founders' Day observances were exceptionally well planned for this Centennial celebration. From reports received, this was true of virtually all Founders' Day programs.

These contacts with active and alumnae members of the Fraternity provide knowledge and understanding of both achievements and problems which enable the officers to work more constructively for the development of the fraternity. Pi Beta Phi's program of officer visits is conceded to be one source of its strength.

This year there were 49 applicants for the Ruth Barrett Smith Scholarships. The choice of the two recipients was made by the Grand Vice President of Philanthropies, the Director of Alumnae Programs and the Grand Alumnae Vice President. The winners will be announced at the Convention Banquet.

As this report for the year is concluded, we must take note of the new century which lies ahead. Our history has given us a heritage of vision, of achievement, but most of all, of love—the fraternal love that binds us all together, young and old, active and alumna, with the links of our golden chain of friendship. The new century blends the challenges of the changing educational and fraternity conditions and our response to these changes with the challenge of our new philanthropy, Arrow in the Smokies, the Art and Crafts Center. As Alumnae we can meet these challenges by recognizing our responsibilities as well as enjoying our privileges; by participating in and supporting the work of our alumnae clubs; by keeping informed about current policies and regulations of the fraternity and of the college campuses; by being aware of and informed about the criticisms and edicts leveled at the fraternity system—not only what the criticisms are, but why and by whom they are voiced—and to be willing to stand and be counted as a member, not just a member who belongs, but one who participates.

Daniel Webster once said:

"If we work upon marble, it will perish;
If we work upon brass, time will efface it;
If we rear temples, they will crumble into dust;
But if we work upon immortal souls,
If we imbue them with principles,
With the just fear of God and love of fellowmen,
We engrave on those tablets
Something which will brighten all eternity!"

Pi Beta Phi has been "working upon immortal souls" since its founding, and what it has engraved upon its members' souls has brightened the lives of each one of us and has had lasting effects for one hundred years. With wisdom and foresight in its leadership and with the loyal support of its membership it will continue to work its elevating influence for countless years to come.

It has been a great privilege to work with the five women who serve Pi Beta Phi with such devotion. The alumnae officers, Evelyn Peters Kyle, Grand Vice President of Philanthropies and Gladys Bon, Director of Alumnae Programs, have been most helpful as we developed areas of responsibilities; and the eighteen Alumnae Province Presidents have given dependable and thoughtful cooperation with this officer and excellent guidance to their clubs.

Thank you for the privilege of serving Pi Beta Phi in her one-hundredth year!

HELEN BOUCHER DIX

GRAND VICE PRESIDENT OF PHILANTHROPIES

"As one small candle may light a thousand, so the light here kindled hath shown to many." Thus wrote the Pilgrim Governor, William Bradford.

In 1867 with one small candle, a great organization came into being in a small mid-western co-educational college. Those who guarded its flickering light could not re-

alize the beam it would cast one hundred years later. Through its light generations of college women have learned to know and to appreciate membership in a voluntary organization. For from generation to generation we have passed on our belief, like a torch, in the importance of group action. The core of strength in our organization lies in two basic elements. First, it is a voluntary organization and second, it is composed of individuals, who have joined together for a common purpose. These elements have brought us strength and stature. We organized, we met, we discussed and we acted. One of our first major decisions was to be of service to others.

Have you ever stopped to think of the close relationship between philanthropy and education for women? It was philanthropy that was influential in determining to whom the college would open its doors. The extension of college level instruction for women, which began slowly in the 19th century, and reached a climax in the twenty years following the Civil war, was a strikingly creative achievement in generosity.

At the time of our founding, the philanthropist, Mathew Vassar, had declared his intention to establish a complete women's college, giving as his motive his belief "that woman having received from her Creator the same intellectual constitution as man, has the same right as man to intellectual culture and development." Philanthropy in such magnitude was unheard of in those times for when he died in 1868, Mathew Vassar had endowed the college bearing his name with \$800,000.

Monmouth College came into existence in 1853. At the time the Founders of Pi Beta Phi attended there were very few co-educational institutions. In 1867 there were about fifty women students enrolled in Monmouth. The times were similar to the present. The world was in somewhat of a state of turmoil. Our country was recovering from the Civil war. Yet 1867 was not without many interesting events. Mark Twain referred to these years following the war as the Gilded Age. It was the year that Johann Strauss wrote the Blue Danube Waltz and Nobel invented dynamite. The woman whom we acquired as an honorary member, Elizabeth Cady Stanton, addressed the New York State Assembly on behalf of woman suffrage. The United States made treaties with the Dakota and Kansas Indians and we purchased Alaska from the Russians for \$7,200,000. Nebraska was proclaimed the 37th State of the Union. Across the sea, Queen Victoria was celebrating her 48th birthday and Eugenie and Louis Napoleon were on the throne of France. Maximilian and Carlotta were ruling Mexico, and Maximilian was shot on June 19 of that year. Garibaldi marched on Rome and Bismarck was at the height of his power in Germany. And in that year the trade mark of every Pi Phi officer was invented—the typewriter.

And in Monmouth, Illinois the first philanthropic project of the fraternity came into being. The Founders paid the rent and bought coal for a poor family in town. As other chapters were chartered, the first Benefits were given for charitable purposes. The most ambitious was at York, Nebraska at the Nebraska Methodist College, a chapter no longer in existence. This chapter gave a Mikado entertainment and realized a profit of \$100. This was used to start a library which the Pi Phis maintained for ten years. At the end of that time the library became the nucleus for the city library and was turned over to the citizens of York.

Seemingly one of the foremost principles of Pi Beta Phi was the desire for service and when that desire was granted it made life worth living. Over the years this desire and its fulfillment have grown to great proportions both locally and nationally.

In 1867 also, the British North American Act established the Dominion of Canada. In 1908 Pi Beta Phi installed its first Canadian chapter, Ontario Alpha, at the University of Toronto. Four other chapters followed and nine alumnae clubs have been chartered. At the 1952 Convention, the Canadian Project Fund was approved. This fund has been a loan fund available to students attending

Canadian Universities and majoring in the field of social service. Ruby White Trill has served as Chairman this year. Since she, as well as other chairmen are present at Convention no detailed report of their work will be given here, but each will elaborate on her own years accomplishments and the reports will appear in the Information Issue of *The Arrow*.

The Centennial Project has been divided between two committees. These are the Centennial Project Development committee and the Centennial Fund Committee. Myldred Allen Hightower has served as chairman of the Project Development committee and Betty Bailey Hall as chairman of the Fund committee. This has been an exceptionally full and busy year for both of these committees. The Centennial design contest for active chapter members, was ably conducted by our former Settlement School Committee Chairman, Helen Moffet Russell. From the designs submitted, Grand Council chose the beautiful and imaginative work of Maryla Walters, Massachusetts Alpha.

Tomorrow we will all have the pleasure of a trip to see our founding place, and our Holt House Committee Chairman, Shirley Jones Mann, will give you a peek into that memorable visit. You will feel as Phillips Brooks did, when he remarked that the place where friends first meet is sacred to them all through their friendship, all the more sacred as their friendship deepens and grows.

As everyone knows, our Settlement School, memorial to our Founders, begun at the close of our first fifty years, was the first national altruistic project of any woman's fraternity. It has been our major philanthropy and this year we make the transition to our Centennial Project, "Arrow in the Smokies," at the Pi Beta Phi Settlement School in Gatlinburg, Tennessee. One of the highlights of each year has been the awarding of the little pigeon awards by the Chairman of the Settlement School Committee, Dorothy Coleman Thorman, to the highest rate clubs and chapters.

The story has been told that a man once dreamed he had entered the storehouse of God. An angel stood behind the counter and the man said, "I have run out of the fruits of the Spirit, can you restock me?" The angel replied, "I am very sorry, Sir, we do not stock fruit—only seeds." How appropriate this is in the establishing of our newest philanthropy for in our second hundred years we must remember to become effective sowers, so that future generations may also reap a harvest. The seeds of "Arrow in the Smokies" were originally planted in 1954, when the idea of a centennial project was born. This past year a Planning Board met and formulated recommendations, which have been adopted by Grand Council. The future Settlement School committee will act as a Board of Governors. It will be headed by an Executive committee composed of a Chairman, a Secretary, a Treasurer, two representatives from the University of Tennessee and the Grand Vice President of Philanthropies. The Craft Center will, as was the Summer Craft Workshop, be conducted in cooperation with the University of Tennessee, and will be accredited by the University. The Chairman of the Executive committee will also serve as Chairman of Ways and Means. The Secretary will serve as Chairman of Promotion and Publicity. Each member of the Board of Governors will serve on an active committee. Grand Council has appointed as Chairman of the Executive committee, Betty Yelm Kingman, Colorado Beta. The Secretary will be Henrietta McCutchan Huff, Missouri Beta and the Treasurer will be Olivia Smith Moore, Missouri Alpha. The Board of Governors will be appointed following this Convention by the incoming Grand Council. The committee will meet annually in Gatlinburg.

Buildings will be erected as funds are available and "Arrow in the Smokies" will become the major philanthropy of the Fraternity.

The letters in the word philanthropy may be made into an acrostic for contained within the intent of the word are perspective, hope, insight, love, appreciation, thoughtfulness, humility, responsibility, opportunity, pride and yield. The final letter is the key letter, for without that word

yield, the balance of the word is impossible. Our contributions—our yield is our means of support and the vitality—the lifeline of our success. There is something about giving that blesses us, for those who give most have most left. Giving will gladden all our days on earth. Our days on earth have also been gladdened because the chain of friendship has widened and lengthened as the years have passed. Active members have realized the true meaning of sisterhood. It has then been their joy as alumnae to sponsor initiates in order that those new wearers of the arrow might share in joy. It has been a privilege and a responsibility. There is an interesting story connected with those last two words.

Dr. R. Franklin Thompson, of the University of Puget Sound attended Oxford University and this is his story. When you go to Oxford you are told you must take an oath of the University and you get a little handbook that tells you how to take the oath. It says you must wear an Oxford gown. An Oxford gown is just like a suit coat except that it has no sleeves. The student scuttlebut is that you wear the oldest gown you can possibly secure. Dr. Thompson had to wear a new gown. But the young Englishman near him wore one that was tattered and frayed. Dr. Thompson was fascinated and asked its history. The man replied, "When Cardinal Newman stood here and took the oath he wore this gown. When Pusey the great Historian stood here he wore this gown. When Blackstone

the Legal authority stood here he wore this gown. Today, Sir, I wear it and may God make me worthy of so great a privilege and so great a responsibility." We must recognize our privilege and responsibility. This recognition is shown well in the work of our committee chairmen, who have felt it a privilege to carry out their duties. Their joy in serving has been like sunshine in their souls and they have our deepest gratitude in return. Deep gratitude too is offered to the four Lambda Province chapters, Mississippi Alpha and Beta and Louisiana Alpha and Beta for their cordial reception and receptive attitude on the occasion of chapter visits.

It was a great privilege to be Centennial Founders' Day speaker and to help celebrate our one hundredth birthday with San Diego, North Orange County and South Coast alumnae clubs, and to speak at San Fernando Valley's Centennial Cookie Shine.

We have traveled our first one hundred years and placed our milestones with pride. As we go forward, life is no brief candle for us. It is as George Bernard Shaw said, "A sort of splendid torch, which we have hold of for the moment, and we want to make it burn as brightly as possible before handing it to future generations." "As one small candle may light a thousand, so the light here kindled hath shown to many."

EVELYN PETERS KYLE

GRAND SECRETARY

This past year was so crowded with plans for the Centennial Celebration there was not too much time to reflect on the nice convention last summer at Gatlinburg, Tennessee. However, the convention was the source of much inspiration and enthusiasm this year.

Chapter visits offer opportunities to review with Pi Phi, actives and alumnae, the national program. The Grand Secretary visited Oklahoma Alpha, Oklahoma Beta and Texas Alpha in October. It was most interesting to see how very large chapters operate and remain so closely tied. Each chapter has a beautiful house, well kept, good chaperons and hard working alumnae that keep the chapter in tune.

An interim Grand Council meeting was held in November in Chicago, Illinois and a second meeting held in April in El Paso, Texas. These meetings projected detailed plans for the Centennial Convention.

A workshop program was conducted with Michigan Beta and Illinois Epsilon. Participation in such programs are

helpful to a National Officer in as much as it gives experience and knowledge for future programs.

A fraternity statutory policy includes pre-convention preparation by active delegates and filing of a convention delegates' report. This year the delegates were asked to give information on the following: charter date of their chapter; total number of initiates; number of pledges and actives in the chapter; type of housing; best known people from their chapter and their field—arts, science, education, professional, etc.; Pi Beta Phi National Awards the chapter has won from the date of chartering.

The Grand Secretary had the privilege of attending the Edgewater Conference with the NPC Delegate, Dorothy Weaver Morgan, in New Orleans, Louisiana, February 8-11, 1967. The meeting was interesting and informative.

Serving as secretary for The Grand Council has added a rich experience to my life and memories to be treasured for all time.

FAY MARTIN GROSS

GRAND TREASURER

This past year the duties of the Grand Treasurer of Pi Beta Phi have been, to a greater degree than usual, those directly connected with finances of the Fraternity. The business of Central Office was checked each month, letters were sent to chapter treasurers, as well as to the parents of actives and pledges relating to Fraternity financial obligations. A letter was also sent to the treasurer of each alumnae club. Insurance premiums were paid on all officers, and all officers handling money were bonded.

The report of the Fraternity auditors, Ernst & Ernst, on the funds administered by the Grand Treasurer follows. Also included is their report on the Pi Beta Phi Trust which is administered by the Board of Trustee Funds through a Trust Agreement with the Harris Trust & Sav-

ings Bank, Chicago, Illinois. The auditors' report on Holt House and Settlement School funds are included immediately following the respective reports of each of these committees.

It is with great pleasure that the Grand Treasurer announces that over one hundred thousand dollars was contributed last year to the Centennial Project. This is an excellent beginning, but if our "Arrow in the Smokies" is to grow and develop into the wonderful project envisioned by the Fraternity, it will need the continued interest and support of every Pi Beta Phi.

It has been a pleasure and privilege to serve Pi Beta Phi as Grand Treasurer for the past fifteen years.

NATIONAL PANHELLENIC CONFERENCE DELEGATE

Officers of Pi Beta Phi are asked to make traditional, impersonal annual reports, properly written in the third person. Since this is a Centennial Celebration as well as a convention, I hope you will accept a less formal talk. I'm positive you will be happy to know that again this year I shall file statistics of work accomplished in the Information Issue of the ARROW.

It seems fitting as we celebrate Pi Beta Phi's 100th birthday that your NPC Delegate review briefly Pi Phi's 65 years of association and cooperation with NPC, founded in 1902 although not officially named NPC until 1951. National Panhellenic is a *conference*, not a Council. Some of you may know that another group composed of Greek letter societies also uses the designation NPC, but its "C" stands for *Council*.

Baird's Manual, the definitive source of information for all Greek letter organizations, provides a wealth of information about NPC and the many Greek letter societies which are unique to our democratic way of life in North America. Baird's recognized Pi Beta Phi as the first national fraternity for women, first known publicly as I. C. Sorosis at Monmouth College, Monmouth, Illinois, in 1867.

The ten groups present at NPC at the second meeting in 1904 also officially recognized Pi Beta Phi as first when the rotation plan of chairmanship was established.

At one time the roster of NPC had eight additional

member organizations, but these have disappeared by merger with other groups, and there are presently 27 NPC groups. Miss Amy Onken, our late Honorary Grand President, served ably as Chairman of NPC from 1947 to 1949, and Pi Beta Phi will not again hold the Chairmanship until 1997! Hopefully, some active chapter member present here today may be Pi Beta Phi's representative in that far-off date, if dedication to the ideals of fraternity in the tomorrow of you young ladies who are assembled here today can match that of those ladies of other years.

Pi Beta Phi was fortunate to have the distinguished service given by Marianne Reid Wild, Past Grand President, who served as Pi Beta Phi's NPC Delegate from 1958 to 1962.

Pi Beta Phi has been a staunch supporter of National Panhellenic Conference, for by the 1900s our leaders were aware that cooperation was more important than mere competition.

Pi Phi, like any other family association, has its private family stories which we do not repeat outside our family. One is based on the fact that the Greek ladies who called the first meeting may have done so because they desperately needed Pi Phi's cooperation. In those long ago days there was no rule that a prospective member could not have been a former member of a rival group. It was not uncommon for a dissatisfied member of one sorority to turn in her pin and join another. Ohio Alpha at Ohio

University was founded by a one-time Theta who returned her kite to wear a Pi Phi arrow. Some of you may know that one of our famous early national presidents was a disenchanted Kappa who petitioned Pi Beta Phi and founded Indiana Alpha at Franklin College in Franklin, Indiana in 1888. She became one of our earliest and strongest leaders. It was Emma Harper Turner who dreamed and brought into reality many firsts in our fraternity program. Noteworthy and most important was her work for the first Greek philanthropy, Pi Beta Phi's Settlement school, a project so worthwhile and so unique that both our NPC and IFC friends have followed suit in providing support for a wide variety of causes on the campuses and in communities from ocean to ocean.

That first conference in 1902 discussed the impropriety of stealing members, but no action was taken at that time. However, the delegates did define rushing and recommended a formal pledge day with formal written invitations to membership. Pi Beta Phi officers sternly advised the banning of mock initiations and hazing, or "goating" as it was then called. Incidentally, Pi Beta Phi had taken action against hazing at the 1897 Pi Beta Phi Convention.

Elda Smith, Pi Beta Phi Delegate to the conference in 1910, reported in the January, 1911 ARROW that the Conference "is a body composed of delegates from independent organizations, a body authorized by those organizations and thus far absolutely their creature. . . ." Pi Phi Delegates of today's College Panhellenics might well be reminded of that quaintly worded statement, for in 1967 some College Panhellenics tend to consider themselves autonomous. They forget the fact that there could be no College Panhellenic nor representatives to the College Panhellenic if it were not for their membership within their own national fraternity, and in turn its recognition and representation in NPC.

The 1911 report further states: "The most conspicuous result accomplished has been the postponing of pledging until matriculation day." This binding agreement was in effect until 1965, when NPC revised it to read instead: "No student shall be asked to join a fraternity before the time designated by the College Panhellenic."

Our delegate in 1921-22 was the late, beloved Dr. May L. Keller. She reported in The ARROW that year that too much emphasis was placed on petty rush regulations and also expressed her concern about the superficiality of Greek programs and projects. She noted that non-fraternity women outnumbered fraternity women, particularly at the large universities. These observations are as timely in 1967 as they were in the 1920s.

Other old records of NPC and Pi Beta Phi report events similar to those on a number of campuses today, such as anti-fraternity agitations. Greeks were banned from Monmouth College in 1874, although the chapter managed to meet secretly until 1884 when the members finally relinquished the charter, not regaining it until 1928. Chapters of NPC groups were harassed in Ohio, New York and Iowa in the 1880s. Pressures appeared at Stanford as early as 1917 and at Newcomb in 1920.

It is apparent that yesterday and today there was and is a need for concerted action and cooperation of all women's fraternities. As to the concerns expressed so long ago, NPC Delegates are equally aware today that we must press for solutions to the complexity of rush regulations, which have on some campuses become strangulations. We must be certain that the worthwhile Greek programs and projects found on the majority of campuses continue to be the rule, not the exception. Unfortunately, our good programs generally go unreported, while one such adolescent affair as the following can do irreparable harm to thousands of fine Panhellenics. I quote from a recent report from an NPC Area Advisor:

Newspaper coverage today reported that members of fraternities and sororities were holding their third annual Greek Week, and festivities began Monday with an egg toss and a cold foot race for the "fastest girl on

campus" on the Mall; Tuesday featured a muddy rope pull among the men, while the women held a "shoe scramble"; a songfest and fraternity skits tonight; the women will stage a "marathon" tomorrow at noon; a chariot race will take place tomorrow as well as fraternity open houses; one good project, a campus clean-up, takes place on Saturday, but one fraternity woman told me that by taking some of the trash to a certain place here on the boulevard, this would be admission to a beer party!

This particular kind of Greek Week activity, juvenile though it is, appears to be almost harmless when compared to the complete breakdown of standards on other campuses. Student newspapers and magazines filled with meaningless smut and demands for so-called student rights such as visitation privileges, key privileges, no hours, apartment living, and experimentation with drugs are the order of the day. Some administrations choose to ignore the ancient and obvious truth that conduct and character are an expression of the inner life.

The breakdown of moral codes and values to some extent affects Greeks, but it is heartening to hear from Dean after Dean that the Greeks have been articulate in opposing the corrosive effects of unrestrained social behavior.

Pi Phi officers have every confidence in our own members, and I'd like to quote from two of the Province Officers' annual reports this year. From one, "Chapters like these—laden with warmth and talent—make me certain that the standards and ideals of Pi Beta Phi mean a great deal to these girls." From another, "I am proud of our chapters. They are strong in leadership, high in scholarship, and have high moral standards. They are attractive, friendly, sincere, reliable and fun-loving. I have faith in the future of Pi Beta Phi because of them."

It is my belief that such Pi Beta Phis deserve something better than the looseness and laxity so often seen in the college dormitory. I believe that Pi Beta Phi should take the leadership in the implementation of the following NPC resolution: "THAT on a campus without adequate regulations related to student living the National Panhellenic Conference chapters, by mutual agreement, establish for their groups a set of rules relating to residence and social conduct of their members." Your Pi Beta Phi officers are confident that there will continue to be ample numbers of superior young women and their parents who will embrace such a policy and happily promulgate the three Rs of fraternity life: respect for oneself and others, restraint in habits, speech and actions, and responsibility—that word so often forgotten when freedoms are demanded, not earned.

As Dr. Keller was concerned in 1920 about the number of fraternity women compared to non-fraternity women, so NPC is concerned in 1967. Today's percentage is even more disparate. It is unnecessary to quote statistics about today's spiraling campus enrollments. You remember the cliché—statistics are like alienists, they will testify for either side. NPC concedes that fraternities, even with the best executed extension programs, cannot keep up with increased enrollments. However, I should like to add that there has never been a desire nor an intent among NPC groups to fulfill the needs of all students, nor do all students desire to be Greeks.

In the last quarter century chapter losses have been minimal, and our gains are quite spectacular. In the past five years alone, NPC groups have colonized on 63 new campuses, and there has been a total gain of more than 350 new sorority chapters in this same five-year period. In the April, 1967 "Fraternity Month" magazine there is a documented statistical study which gives a current listing of 2,225 sorority chapters in the United States and Canada. Total student membership in these 2,225 chapters is approximately 100,000. In addition, alumnae groups flourish in over 400 cities across the world. Total NPC membership of alumnae and actives is more than a million.

It is obvious that our Greek societies continue to show

a healthy growth despite the fact that through the years there have been constant attacks on the fraternity way of life. These attacks have grown in intensity over the past decade. NPC delegates believe its member groups must stand together more firmly than ever if we are to provide meaningful fraternity experience for future generations of college women.

We are all aware of the change and confusion on the college scene, from computerized records to the faculty pursuit of excellence in intellectual and personal behavior and student movements which take precedence over the pursuit of excellence in intellectual and personal behavior patterns. NPC representatives recognize that we must respond with intelligent solutions to both the change and growth of higher education. Hopefully, we may control the direction of change if we continue to press for enduring values amidst the flux.

Part of the change affecting fraternities on the campus today is that while on one hand administrations have completely surrendered their supervisory role over many phases of student life, on the other hand they are asserting more authority over fraternities. Seemingly, some administrations and student governments categorize us as student activity groups or mere dormitory units.

Fraternities are not student activity groups even though we furnish the major leadership on most campuses. Nor are we dormitory units, although we provide millions of dollars of housing on more than 70% of our campuses.

A National Panhellenic Conference release defines fraternity thusly:

College social fraternities are voluntary organizations, formed by the mutual decision of the prospective member and the members, intended to provide an enrichment of the college experience beyond the classroom. They are not student body organizations, for they receive no financial nor operational assistance from the associated students. Nor are they laboratories of social experimentation or social reform. The fraternity is a group of individuals, both undergraduates and alumni, who by reason of common ideals and social interests have joined together in order to obtain a pleasant, enriching experience in democratic living.

There are many who would make fraternities into something quite different—those who would deny us the privilege of making choices, who would tell us how to choose our friends and whom to choose as friends, those who would cut the ties of alumnae and students.

Most of our active chapter members are quick to recognize and resent the invasion of privacy as outsiders seek to impose 100% membership, local autonomy, or a change in the unanimous and secret ballot. To accept interference from others in our traditional methods of membership selection, to do away with alumnae ties, to permit any but Pi Phis to choose Pi Phis, is to give up those happy lifetime friendships which have served to make us strong for our 100 years. It is my opinion that if we should do away with our unanimous ballot, we should also do away with the 100% mutual responsibility between chapter and pledge which would erode the inherent strength of the chapter and make membership meaningless.

NPC believes that the choosing of one's own friends is a social privilege which cannot be confused with civil rights. The Congress of the United States upheld our belief that we are justified in the protection of our constitutional rights. Specific amendments in the Higher Education Act of 1965 guarantee protection to fraternities and other private organizations.

We believe that there is a greater need than ever in the computerized world of today for the special friendships and the leadership opportunities provided by the experience of fraternity membership.

Those in America who feverishly seek radical rather than orderly change would do well to recall these sobering words from Boris Pasternak:

You must remember the beginning of disintegration, how everything began to break down all at once—the foundations of the family and moral standards . . . The main misfortune, the root of all the evil to come, was the loss of confidence in the value of one's own opinion. People imagined that it was out of date to follow their own moral sense, that they must all sing in chorus and live by other people's notions, notions that were being crammed down everybody's throat . . . This social evil became an epidemic. It was catching. And it affected everything, nothing was left untouched by it.

We must determine we shall be unlike the characters from Pasternak's story who could not distinguish the falsehoods which crept into their lives. We must remember our promise to the past which gave us our cherished freedoms, including the all-important one of association.

The great Greek civilization of ancient times died from within because of apathy. In this modern day we must not capitulate to the temper and the timidity of our time. As we view the increasing inroads on the personal activity of our lives, and as we view the moral disorder of our times, we cannot shrug away as mere acne the Job's boils which fester and weaken our universities and in turn our communities, our fraternity, and our family life. We must distinguish the just from the unjust changes, the reasonable from the unreasonable. We must make our voices heard as we resist with courage those who would substitute license for freedom, those who would substitute regimentation for personal, responsible freedom.

As responsible educated women, we must not discard the old merely because it is old. We must weigh carefully the worthwhile lovely things we wish to keep.

By mutual trust and continued discussion I believe we can wisely choose the direction of inevitable change. We can solve the problems facing us in our time. We can preserve the traditional values which are based on the virtues of truth and honor.

Pi Beta Phi has played a meaningful role on the American college scene for 100 years, and as we look to our past we can be proud that we are not good because we are old, but old because we are good. I believe we can look forward to another bright century of strong but intimate friendships—another century of service. May Pi Beta Phi be the leaders in protecting and cherishing the esoteric meaning of fraternity.

ADDENDA FOR ARROW REPORT

Assignments to NPC committees for the present biennium, 1965-67, gave the Pi Beta Phi NPC delegate and the first and second alternates wide opportunities for service in the Panhellenic world. Mrs. Irwin Johnson, first alternate, served as chairman of the NPC Eligibility and Nationalization committee; Mrs. Reginald Brack, second alternate, served as an area advisor for the NPC City Panhellenic committee; and the Pi Beta Phi NPC delegate served as a member of the NPC College Panhellenics committee and is area advisor for College Panhellenics in Manitoba, Canada, Minnesota, North Dakota, South Dakota, Kansas, and Nebraska.

As area advisor for College Panhellenics, a campus workshop for six schools was attended in Emporia, Kansas, and meetings were held with University of Nebraska Deans and Advisors. Correspondence with 25 College Panhellenics has been fruitful and interesting. A key note speech was given at the annual Omaha, Nebraska City Panhellenic Awards luncheon. NPC committee meetings were held in conjunction with the annual meeting of the National Association of Women Deans and Counselors. Attendance at the Edgewater meeting gave the NPC delegate further opportunities for interfraternity service.

The California Southern Area Council of Pi Beta Phi and Lincoln, Nebraska Alumnae Club provided happy associations at Centennial Founders' Day celebrations. It was

a pleasure to attend the Omaha City Alumnae Club executive committee meeting in May.

Pi Beta Phi Grand Council meetings and visit assignments to Texas Gamma, Texas Beta, Texas Delta, New Mexico Alpha and Arizona Beta were heartwarming proof of the worth of fraternity service. It is truly a privilege to work with national Pi Beta Phi officers, Alumnae Advisory Committees and active chapter members. The cooperation and reports from 111 Pi Beta Phi College Panhellenic Delegates and several hundred Pi Beta Phi City Panhellen-

ics have been most helpful in assessing needs and goals for NPC. A special word of gratitude must be added for the outstanding work of Lucie Larsen, graduate counselor, who served the fraternity so ably this past year.

A sincere thank you for the efforts of the many Pi Beta Phi across our United States and Canada who have made this year of fraternity service a happy one for the NPC Delegate.

DOROTHY WEAVER MORGAN

DIRECTOR OF ALUMNAE ADVISORY COMMITTEES

At the Pi Phi Convention in Gatlinburg in June, 1966, it was my privilege to meet with the members of Alumnae Advisory Committees who were attending Convention. It was an opportunity for all Advisory Members at Convention to get together for discussion and to exchange ideas and successful procedures used to maintain Pi Phi standards of performance in every area of chapter life.

Many of the questions, suggestions and ideas of this Workshop meeting of AACs were used as the basis for type of information included in letters, AAC Calendar and procedure clarifications sent to our Advisory Committees during the year.

The AAC Questionnaires returned in December and the Annual AAC Reports in April listed many ingenious and yet practical methods used by our Chapter Advisors to guide and to inspire our active members to improve chapter operations and functions for the benefit of all. This information was compiled for use of all Advisory Committees and National Officers.

The Annual AAC Reports attest to the time and effort that our chapter Advisors give to our student members to help them achieve and maintain Pi Phi standards of social responsibility and responsible leadership in chapter and campus activities.

It is our Alumnae Advisory Committee members' personal interest in our actives as individuals, their pride in chapter achievements, their concern and loyalty as Pi Phi sisters, and their mature guidance to our actives and pledges that build and develop strong chapters. Our AAC Advisors, as the Pi Phi alumnae most closely associated with our student members, cement the bonds of sisterhood and a lifetime loyalty to Pi Beta Phi.

The AAC Annual Reports gave further proof of the necessity and importance of good communications and relationships between Pi Phi actives and Pi Phi alumnae in our college communities for building and maintaining

strong outstanding chapters of Pi Beta Phi.

Dean Shofstall, former Dean of Students at Arizona State University, in his address to a Women's Fraternity Convention, last June, said: "I have never known a strong chapter with weak alumnae relations nor a weak chapter with close relations with alumnae."

Chapter visits were made to the seven chapters in Alpha Province in November; Maine Alpha, Nova Scotia Alpha, Vermont Alpha and Beta, Massachusetts Alpha and Beta and Connecticut Alpha. The enthusiasm of the actives, their gracious hospitality and warm friendship were most rewarding. It was a real pleasure to personally meet with the members of the Alumnae Advisory Committees of the chapters.

In April, it was an honor and privilege to be the guest speaker at the Northern New Jersey Alumnae Club and the Philadelphia area Alumnae Clubs' Founders' Day celebrations.

My personal thanks to Martha Cohagen Stanhope, Chairman of Committee on Chaperons, who supplied our Advisory Committees with many suggestions and procedures concerning Chapter House Chaperons, and expressed to our chaperons, Pi Phi's appreciation and gratitude for their daily guidance and supervision in maintaining gracious Pi Phi homes.

My grateful thanks to all those who gave me the opportunity and privilege to serve Pi Beta Phi in several national offices and to the members of Grand Council for their guidance and assistance. Working with Pi Phi alumnae clubs, active chapters and finally with our Chapter Advisory Committees has been a most stimulating and rewarding experience.

I leave this work with so many memories of the joys, happiness and inspiration shared with Pi Phis in working for the ideals and dreams of our Founders.

MILDRED MOYER O'DONNELL

DIRECTOR OF ALUMNAE PROGRAMS

This officer assumed the office of the Director of Alumnae Programs three years ago at Victoria B.C. in Canada at the 1964 Convention. The office has been developed as the needs arose from correspondence and the direction received. Believing communication to be the life-line of an organization, this director has carried on correspondence with all alumnae clubs and has shared their problems and successes to a great degree. The great volume of mail has been promptly processed and answered.

In the fall, all alumnae clubs are asked to send Year Books or program outlines so a complete picture of our alumnae club work can be obtained. Each one received is studied, recorded and answered with comments or suggestions on the year's planned activities. Since Pi Beta Phi requires four specific programs each year of its chartered clubs, it is important to note if the clubs are observing this request. These need not be dull programs, but under an efficient program chairman, can be most informative and interesting. Alumnae need to know the heritage of our past, the work of our chapters and the philanthropic

efforts of Pi Beta Phi. This year 256 Year Books and program outlines were received and answered by this director.

Many requests for program assistance are received during the club year and are answered promptly to the best of this director's ability. The program files are used for suggestions for club use suitable to the type of program desired and requested. The files are an accumulation of program ideas sent in by clubs and much appreciated by the director who is glad to act as an exchange medium.

A Program Bulletin, stressing our Founders and our Centennial Year, was prepared in early spring and sent out to all clubs in the spring mailing. It was the hope of this director that this might be helpful in Founders' Day planning and for future program use.

One of the duties of this officer is to handle applications for the Junior Group Scholarship given by the Junior clubs of Pi Beta Phi. This year twenty applications were received and sent on to the Houston Texas Jr. Alumnae Club for judging. The Junior clubs do this in turn according to a planned sequence.

From the Alumnae Province Presidents, monthly copies of club letters and club reports are received and close contact through correspondence is maintained with these province officers. This is a pleasant assignment as all are good friends and personal notes are exchanged.

Each alumnae club president sends a report on the year's accomplishments to several officers, one of whom is this director. To date 293 of these Questionnaires have been received, recorded and answered.

In Convention years this director acts as credential chairman and is responsible for correct tallying and reporting of alumnae club delegate registration. A report is given to Convention on the number of alumnae delegates and officers allowed to vote in the alumnae sessions. To date 219 credentials have been received, sorted alphabetically in provinces and listed for Convention purposes.

The Director of Alumnae Programs acts as Secretary of the Alumnae sessions, by taking minutes of the proceedings and preparing these for the records following Convention.

The Alumnae Convention Workshops are planned by this director for Convention. Assignment of Workshop topics are given to Alumnae Province Presidents who head these panels and general arrangements are made through correspondence and pre-Convention briefing sessions.

As the three year service of this director is coming to a close, at this Convention, she wishes to state it has been most rewarding service. The associations with Pi Phi

workers, the friends made, and the experience gained, are invaluable to an individual. The fine co-operation of all members of Grand Council, Directors, Province Officers, Central Office and Pi Phis in general has been a wonderful experience and certainly appreciated. Working closely with Grand Alumnae Vice President, Helen Dix, and Grand Vice President of Philanthropies, Evelyn Kyle, in this alumnae work has been a great pleasure and only hope this director's efforts have been a benefit to our fraternity.

Pi Beta Phi is young—it has the vitality to try new ways. It is old—old enough to have traditions and to profit by experience. In these times this is a fortunate balance. One hundred years have shown us that a vital factor in the progress of Pi Beta Phi has been the unity, not only of purpose, but of physical structure. If it were not for our unified nature, it would be possible for chapters to be snuffed out like candles. But the whole supports the units and we prosper and survive through the years.

After fifty years of active work in Pi Beta Phi, the last seven on a national basis, this director can truly say it has been a great influence on her life's activities. Now as a Golden Arrow member, this Pi Phi will continue to serve as she is able, for the good of the fraternity and be forever grateful for the privilege and opportunity to have served as your Director of Alumnae Programs.

GLADYS BON

DIRECTOR OF CHAPTER HOUSE CORPORATIONS

Chapter house corporations continue to strive for better housing facilities for active chapters. Occupying new houses this year are Alabama Beta and Louisiana Beta. District of Columbia Alpha moved into a new apartment. Florida Beta sold its house and will occupy a rented apartment until a new house is completed. Corporations which enlarged or remodelled houses during the year include Alabama Gamma, Arizona Alpha, Iowa Beta, North Carolina Alpha, Ohio Beta, Ontario Beta and Washington Beta. Every corporation which maintains real property has reported that necessary repairs and redecorating were done.

House plans, either for new houses or for remodeling old ones, as received by this officer, were examined and constructive criticisms made.

Of the 111 chapter house corporations, 63 own houses, 9 rent houses, 5 own lodges, 4 rent lodges, 4 own or rent apartments in Panhellenic buildings, 4 occupy separate wings in college dormitories, 7 rent apartments, 14 rent rooms, and 1 chapter holds meetings in a university classroom building and the president keeps the chapter archives in her own room in a dormitory.

88 corporations reported an increase in net worth, 11 reported a decrease and 12 reported no change. The net increase was \$555,456.24. The present total assets amount to \$12,683,794.46, with a present total net worth of \$8,625,234.57. With a combined housing capacity of 2942, reports indicate that at the close of the 1966 school year, 2819 active members of Pi Beta Phi were housed.

The privilege of representing Pi Beta Phi at the dedication of the Louisiana Beta chapter house in Baton Rouge in November was an honor and a happy experience. Attendance at meetings of Grand Council in November and April, and the Centennial Planning Board meeting in February, was enlightening and impressive, and most educational for this officer.

An invitation to speak to the members of Lambda Chi Alpha Fraternity at their regional conference held on the campus of New Mexico State University in April was accepted with great pleasure.

Definite fraternity policies on housing, financing and use of facilities grow more important each year. During the past year, requests for guidance by the fraternity, through its Director of Chapter House Corporations, have become more and more frequent. It is the hope of this officer that all decisions have been wise, and helpful.

Once again I wish to express my deep appreciation to Mrs. Peter Schuyler for her dedicated service to the fraternity as Assistant to the Director of Chapter House Corporations.

At the close of another era in service to Pi Beta Phi, gratitude to chapter house corporation officers and all others who have given support to this officer, and especially to Mrs. Johnson, Mrs. Moore, Mrs. Morgan, Mrs. Kyle, Mrs. Brack, Mrs. Dix, Mrs. Gross, Mrs. Cecil Bon and Mrs. Ira K. Evans, must be expressed with sincerity.

LOUISE ROSSER KEMP

DIRECTOR OF CHAPTER PROGRAMS

Experience, as well as increasing pleasure, were determining factors for this Director, for 1966-67. Cooperation from Active Chairman and lack of confusion over deadlines seemed very evident and a great deal of credit for this is due to the almost mandatory use of Procedure Notebooks for all chairmen and officers.

A Fall letter of instruction was sent to PLEDGE SUPERVISORS, not only to remind them of the mechanics of their work, but also to stress the importance of laying

groundwork for future knowledgeable Actives. Inspiration, enthusiasm and information are prime requisites for a good Pledge Supervisors' program.

A Fall and Spring letter was sent to the ACTIVE PROGRAM CHAIRMEN, presenting the four required Pi Phi Nights' topics. These were: "National Panhellenic Conference," "Oldest Arrow," "Pi Beta Phi Recommendation Procedure" and "Centennial Year Convention Delegate."

Proof-reading of PI PHI TIMES, edited by Isabell Dau-

tel, is an easy and pleasant duty, as it is evident from the Active Chapter reports that much use is made of this "exchange of ideas" booklet.

A Fall and Spring letter was sent to the MOTHERS' CLUBS. The Newsletter in the Fall contained excerpts from the Spring questionnaire, telling of their donations, gifts and projects.

National Supervisor of MANUALS, under Helen Raup, continues to aid each area with revised or new manuals.

Louise Dierks, as Chairman of FRATERNITY STUDY AND EDUCATION, perseveres with her improvement of the Pre-Initiation and Annual Fraternity examinations.

Mary Catherine Arthur, as Chairman of Committee on TRANSFERS, and Martha Stanhope, as Chairman of Committee on CHAPERONES, continue their work with efficient experience.

Committee on FRATERNITY MUSIC, under Anne Heflin, will show the Centennial Convention the efforts of her talent when we have the "singingest" gathering, ever.

A questionnaire, compiled from the Standards Workshop at the Gatlinburg Convention, was sent to each Chapter Vice President. The questions involved work done or problems involved for Chapter Standards Boards. It was

felt the questionnaire was an incentive to many who had let the importance of their Standards (or Arrow) Boards lag.

My Chapter visits included the six chapters in Gamma Province, Ohio Alpha, Ohio Beta, Ohio Delta, Ohio Epsilon, Ohio Zeta and Ohio Eta. The inspiration of seeing the unending succession of lovely Pi Phi girls, fulfilling chapter offices and obligations—proves to yearly renew this Director's faith in the continuance of our bonds of sisterhood.

It is with the same pride that I attend Panhellenic gatherings and make Alumnae contacts and ever appreciate the dedication of Alumnae and Chapter Advisors.

Eternal gratitude, as always, is sincerely expressed here to my 'advisor', Edythe Brack, Grand Vice President and to Ruth Ann Edwards and her Central Office staff for their hours of paperwork, in behalf of this area of work. To each one of the members of Grand Council and to the Directors I extend appreciation for their assistance and understanding. By no means last in thought, to the Actives, who so faithfully followed "due dates" and instructions—"I think you're wonderful"!

SALLY PAULSON VANASSE

DIRECTOR OF MEMBERSHIP

Pledge figures for the 1966-67 college year show that we have welcomed 3127 new pledges to Pi Beta Phi. 47 repledges were also reported and 108 broken pledges sent to this office. The figures show an increase in new pledges and repledges and a decrease in broken pledges which is an excellent report for our one hundredth year.

The 339 alumnae clubs have reported over 20,000 recommendations sent to the 111 chapters. This does not include the thousands sent by individual Pi Phis and by the devoted and tireless State Recommendations Chairmen. These recommendations are the lifeline of all rush programs, for without them the chapters cannot evaluate their rushees which they do exceptionally well.

Chapter visits were made in the fall to the six chapters of Eta Province. As always, this was a warm and wonderful experience. Volumes have been written about Kentucky and Tennessee hospitality, but I think the expression was coined to describe the Pi Phi chapters in these states.

As a result of the 1966 Convention and the report of the Committee to Study Recommendation Procedures, a new recommendation blank has been written. Material for the manuals to accompany the blanks was compiled and sent to the National Supervisor of Manuals. A new committee was appointed by Grand Council for the year, and once again is chaired by the Director of Membership. A report of that committee's findings will be given at the 1967 Convention.

The personal correspondence with many active rush chairmen and alumnae club recommendations chairmen has been particularly rewarding this year. I am deeply indebted to all of them for making this so challenging and enjoyable. Their splendid cooperation when some seemingly hopeless crisis arises has been an inspiration to me. Thank you—to all the Pi Phis who have made this a most successful year.

MARY JANE DERRINGER

DIRECTOR OF SCHOLARSHIP

Despite increased academic challenges, Pi Phi chapters during 1965-66 recorded scholastic accomplishments of which our fraternity can truly be proud. To those chapters and individual members, whose dedication to the pursuit of excellence has resulted in high academic achievements, congratulations are extended.

Seven chapters ranked first in scholarship on their campuses for the 1965-66 academic year:

Tennessee Beta	Missouri Alpha
Manitoba Alpha	Iowa Gamma
Alberta Alpha	Iowa Zeta
	Washington Gamma

Fifteen additional chapters ranked first for one term and 28 others were in the upper third of the NPC groups, making a total of 50 chapters with high rankings on their respective campuses.

The national grade point average for Pi Phi chapters was 2.721 or a C+. Worthy of special commendation are the six chapters maintaining B averages for the entire year: Vermont Beta, Ontario Alpha, Manitoba Alpha, Alberta Alpha, Oklahoma Beta and Washington Gamma.

Members receiving individual high honors included 98 elected to Phi Beta Kappa and Phi Kappa Phi. A total of 352 Pi Phis were given special recognition through election to honor societies or graduation honors.

ORPHA O'ROURKE COENEN

ARROW EDITOR

Pi Beta Phi's Centennial year has been a meaningful period for *The ARROW*. The sense of accomplishment and mood of happiness that pervaded the Fraternity were evident in the quantity and quality of material submitted for publication—material that added greatly to the breadth of the magazine's coverage and the depth of its meaning for the Fraternity it serves.

ARROW correspondents continued to serve the fraternity well. This year they discussed standards programs in their chapters and prepared brief chapter history sketches for the Fraternity Forum section. They also provided an outstanding feature section. Several deans of women have been complimentary of the standards program section.

ARROW circulation climbed past the 68,800 mark this year. The average cost per issue was \$13,928. Pages averaged 104 per issue.

Adele Alford Heink, alumnae letter editor and Mary Elizabeth Lasher Barnette, Pi Phi Pens editor continued to serve the magazine and the Fraternity with their time and talent. Sally Wild Gordon, Little Pigeon Editor, provided outstanding coverage of the Settlement School scene in that section's final volume. Nancy Kennon Cochran assisted in the preparation of the Fraternity Forum in the Winter issue.

Pi Beta Phi lost one of its great ladies and *The ARROW* one of its most devoted servants, in the death of ARROW

Editor Emeritus, Adele Taylor Alford, in September, 1966. Adele Alford had served as ARROW Editor for twenty-six years.

During the past year the ARROW Editor has served as chairman of the National Panhellenic Editors Conference, "Operation Brass Tacks Committee," designed to provide articles of educational and inspirational value and interest for use in NPC magazines. In this capacity she participated in a September, 1966, meeting of this committee in St. Louis, at which time the members visited the Pi Beta Phi Central Office.

Highlighting the year for the editor, was the invitation from her chapter, Arkansas Alpha, to share her thoughts with them at their Centennial Founders' Day dinner on April 28, 1967. The real high point of this occasion was the announcement by the Arkansas Alpha seniors of 1967, that they were creating the Mary Campbell Gregory Chapter Service award. This large silver punch bowl honors the 55-year period of service to the chapter by this charter member of Arkansas Alpha, who was present for the dinner.

The 83rd volume of the ARROW of Pi Beta Phi closed, as others have before it, with the full realization of the editor that it was made possible only through the loyalty and interest of this remarkable sisterhood.

DOROTHY DAVIS STUCK

NATIONAL HISTORIAN

The Historian has spent her entire year, with the exception of chapter visits, preparing the centennial history material for publication.

The last week of September was spent working with Marianne Reid Wild, President Emeritus, who came to Stillwater, Oklahoma, to advise and assist her by editing the historical material. Mr. Kenneth Dean, from the George Banta Company, came to Stillwater, at this time for a day, to help determine certain publishing decisions regarding the history.

Chapter visits were made by the Historian early in the fall, October 5-23, 1966. She had the pleasure of visiting Kappa Province chapters and met many lovely Pi Phi actives and dedicated alumnae. She enjoyed visits in the home of Mrs. Ruth Witherspoon, Alberta Alpha AAC Chairman, and Connie Adams, Kappa Province President. An additional treat was that of being able to have a brief visit with Pauline Hackett Burns, Kappa Alumnae Province President and to attend the Madison, Wisconsin, Alumnae Club supper meeting while she was in Madison. It was an interesting experience to visit the George Banta Company printing plant where "A Century of Friendship," the centennial history, was printed. She met Harold J. Bachmann and John Robson. Mr. Bachmann has been responsible for the printing of the ARROW for many years.

The President Emeritus visited the Historian again in March, 1967, and the last batch of copy was edited and revised at that time. Business in Oklahoma City provided another opportunity for Mr. Dean to come to Stillwater while Mrs. Wild was there. The time required for plant employees to print galley, make corrections on revised

galley, and for printing the completed history copies was estimated by Mr. Dean. At this time, Mr. Dean felt that there was a remote possibility of meeting the Convention deadline. Upon his return to Menasha and after conferring with Mr. Harold Bachmann, he wrote the Historian that it would be inadvisable for her to count on completed copies of the history for distribution at Convention in June. Mr. Dean did assure the Historian that a rough dummy would be prepared for Convention.

The last copy material was sent to Banta's on March 31, 1967. The remainder of the year was spent by the Historian in making galley revisions, pasting dummy pages, preparing the Convention Historical Exhibit and selecting illustrations for the centennial history.

The Historian spoke at the Chi Omega house (OSU) during Greek Week; at the Tulsa Alumnae Founders' Day Banquet; at the Oklahoma State Day "Cookie Shine" and presented the Convention Historical Program at the Oklahoma State Day luncheon with actives of Oklahoma Alpha and Oklahoma Beta participating. She gave a historical program for Oklahoma Beta during Founders' Week and gave a standards program for Alpha Delta Pi actives (OSU).

The Historian wished to thank Grand Council and members of the Fraternity who cooperated in supplying material for the history. She can never express her gratitude to Marianne Reid Wild, President Emeritus and Ruth Sundell Orr, the Historian's mother who literally held her hand and encouraged her as well as spending many hours assisting her with the work on the history.

JEAN ORR DONALDSON

NATIONAL SUPERVISOR OF CHAPTER HISTORIES

All chapter histories, except those from Indiana Delta, Missouri Beta, and South Dakota Alpha were exhibited at the Centennial Convention. Most historians followed our suggestion of introducing the history with a section on the founding of their own local chapter, and a great many used the Centennial Theme in presenting their material. Only one book failed to have the plastic page protectors, which this year became a requirement.

After the Gatlinburg Convention, the actives had especially requested more time for viewing exhibits, so Mrs. Brack arranged this in the Workshop schedules so both the delegates and the alternates had specified times for coming to the history room. It was thrilling to see large groups of girls gathered together, some leaning over the display tables, examining books, and others sitting on the floor, histories open in their laps, taking notes. There was some quiet exchange of ideas but many times the room was very still, as they read. We limited our remarks to a few casual suggestions made most informally, just to call their attention to pertinent details of history making and the proper form for the carbon copies (some of which we had brought for display). Since good histories include write-ups on all phases of college and chapter life, the actives eagerly gathered suggestions from them to take back home. Allowing this definite time for them to browse in the exhibit rooms should definitely be continued.

A special thank-you to Vera Moss who kept our exhibit room open on Wednesday so that those who did not go to Monmouth were able to view both the Historical Exhibit and the Chapter Histories.

This year the Nita Hill Stark Vase was awarded to Mass. Beta, a chapter which had won an Honorable Mention for its 1966 history. This book best exemplified a his-

tory, nicely illustrated with art work enhancing but not overpowering the essay contents. Patricia Hamel was Historian, and Alice MacIntyre, Assistant Historian.

The Historian's Cup went to Iowa Beta, one of our oldest chapters, which stressed the Centennial and presented Founders' Portraits as a decorative motif. Coren Cordeova was Historian, and Sally Novak, Assistant Historian.

Histories deserving Honorable Mention were Maine Alpha, Historians Mary Jean Ness and Susan Hiester; Tenn. Delta, Joan Nunnally, Historian and Pat Widner, Assistant Historian; Kansas Beta, Nancy Hodgson, Historian and Barbara Brown, Assistant Historian; Nebraska Beta, Linda Kugler and Susan Black, co-Historians; Oklahoma Beta, Barbara Lyons, Historian, and Judi Donaldson, Assistant Historian; Iowa Alpha, Susan Eddy, Historian; Kansas Alpha, Betty Kastner and Connie McLain, co-Historians; Colorado Beta, Margo Newlin, Historian; Texas Alpha, Nancy Naber, Historian and Lyn Arnot, Assistant Historian; and Illinois Theta, Jill Poricelli, Historian and Marty Foster, Assistant Historian.

We enjoyed the opportunity to visit chapters in Iowa, and North and South Carolina this year and felt a special thrill in meeting girls from those groups at convention. Our deepest appreciation to Grand Council members who helped us in making plans for these chapter visits, and without whose assistance and cooperation we would have been unable to do our task. And a special word for the Province Presidents, who cooperated with me so well and whose personal contact with the historians enabled us to have a fine chapter exhibit for our Centennial Convention, a display which would have astonished and thrilled our twelve founders if their spirits could have wandered into the Chapter History Room.

CENTRAL OFFICE REPORT

Last year I reported Central Office was trying to "build its reputation for fast and efficient service." This year I believe we have come a long way toward achieving this goal. We had few problems this year.

Mailings seemed to go smoothly this year. Active and pledge exams were mailed on schedule with none of the past confusion.

The receiving and receipting of Centennial money went very smoothly. The clubs and chapters cooperated beautifully, following the new procedures and most of them using the new yellow Centennial Form. Due to our book-keeper's effort the records were also kept accurately and up to date. It took many hours at Central Office to receipt and list contributions from over 4,500 Centennial Brochure returns plus all the regular contributions coming in through the clubs and chapters.

The Zip-Code problem is upon us and we are in the mist of zip-coding our entire mailing list . . . over 65,000 addresses of Pi Phis on the ARROW Mailing list.

ARROW returns have taken a marked decrease in the last two years. Parttime help can easily take care of the changes of address now. The Geographical club listings were sent out in early June rather than late July.

The jewelry department had a banner year, also. Over 4,000 jewelry orders were processed.

The chapter accounting dept. is operating under a revised program and the improved results have already made themselves evident.

The supply dept. has been swamped with orders this year. Now, orders for recommendation blanks are coming in faster than we can get the blanks printed.

The Director of Central Office wants to thank every member of the fraternity for the cooperation extended Central Office this year. It has been a pleasure serving you.

MAGAZINE AGENCY

Following is our Annual Report of Commissions earned for the year 1966-1967. Our total sales for this year were \$3,456 over that of last year making an increase in commission of \$2,741.

Once again, at this time, increasing our effort will greatly boost our sales throughout the coming year. Consult the enclosed commission report to see what your total earning was for the past year. Now set a goal for your club or chapter to reach during the coming sales year of 1967-1968. Why not 20 or 25 per cent higher than your total of this year!

Georgia Alpha, thanks to the fine work of Mary Anne Ballis, took top honors in all three categories; Commission per Chapter, Capita per Chapter, and Dollar Increase per Chapter. Congratulations to this chapter for such a fine job.

Among the Alumnae Clubs, Dallas, Texas, with Mrs. Edwin Paramore as their Chairman, won top honors for total Commissions per Alumnae Club as well as Highest Dollar Increase. Highest Commission per Capita for Alumnae Clubs goes to the Duluth, Minn.-Superior, Wis.,

Alumnae Club, with Mrs. L. F. Bowman as Chairman.

Only three Provinces decreased their sales the past year, Xi, Kappa, and Delta, while all others showed a considerable increase.

During the coming year encourage those who are now subscribing through our agency to keep their renewals up. By sending your renewal through two or three months in advance of expiration you are assured of no break in receiving your issues.

Encourage each member of your club or chapter to order at least one subscription through our agency. Consider what our sales would be if this could be achieved!

All orders sent to publishers *must* be zip-coded. Please that every order sent to us has the proper zip code.

We at the Magazine Agency at Central Office wish to thank you for your hard work as Magazine Chairman this past year and to assure you that we are trying harder each day to give the best possible service to those who subscribe to their favorite magazines through us.

RUTH ANN EDWARDS (MRS. JON), *Director*

NATIONAL SUPERVISOR OF MANUALS

This has been a year of many beginnings but few completions, partly, because this is another Convention year, and the changes relative to Manuals which always occur then.

The Policies and Standing Rules have been revised, also the Corresponding Secretary's Manual, and the Alumnae Club Recommendation Committee Manual has been brought up to date. With the elimination of the separate job of State Membership Chairman a revised Chapter Membership Manual is partially completed. We hope that the Revised National House Rules will be more in keeping with our present living. The major effort has been in the area of the Province President's Manual and Note-

book. Sections of it have virtually been completed—officers' training, for example. Work has been done on forms which should make for the easier keeping of data. Martha Stanhope has cooperated in the ground work for a new, and, what we think, will be an exciting Manual for Chapters.

This job deals with changes, and when one occurs that change should often be recorded in several Manuals. These are too numerous to enumerate here.

It has been slow and detailed work, but thanks to many of you we have great hopes for the future.

HELEN FORSYTH RAUP

NOMINATING COMMITTEE

In the fall of 1966, a letter and Nominee Information Blank was sent to each person in the Nominating Committee file to determine who would be available in 1967, and who wished to be removed from the list. During Convention, with the assistance of the active members of the committee, the list was revised and many names removed as requested.

All officers received a letter in December 1966 asking their intent of continuing in office for the 1967-69 term. After these replies were received in January, a list of vacancies was compiled and sent to all officers, active chapter and alumnae club presidents.

A letter requesting nominations accompanied by Nominee Blanks and Nominee Information Blanks was mailed to all officers, active chapter and alumnae club presidents in January. These were to be returned by April 1st.

Because of the very large turn-over among province officers permission was granted to the committee by Grand Council to fill the slate of province officers prior to going

to Convention. This was partially accomplished.

The creation of four new directorships and the vacancies in four others made it necessary to move some of the province officers who had consented to continue in office. As a result, it was with deep regret that the committee presented a slate with vacancies.

Responses by mail and at Convention were: 70% of the officers, 75% of the active chapters, and 42% of the alumnae clubs.

It was from these suggestions that the Nominating Committee prepared and presented the slate to the voting delegates of the Centennial Convention.

NATIONAL CONVENTION GUIDE

Following the close of the 1966 convention in Gatlinburg, our thoughts had to turn immediately to the completion of plans for the 1967 Centennial Convention in Chicago. The ensuing months were filled with receiving and filing reports of the 1966 convention chairmen, and setting up a new current file for the year.

Frequent trips to Chicago were made during the year, some of them being combined with other Pi Phi trips which fortunately provided for stopovers in Chicago without duplication of travel.

Two trips were made to Dallas, Texas, one in September and one in January which afforded a stop in Chicago. In October a trip was made to Monmouth, Illinois at the time of the meeting of the Holt House Committee with the Grand Vice President of Philanthropies. At that time, tentative plans were made with the Committee and with Monmouth College, for the Pilgrimage to Monmouth.

We were privileged to attend a portion of the Grand Council meetings in Chicago in November and in El Paso, Texas in April, and once again could arrange meetings

with the convention committee and with the hotel personnel.

It was a privilege to be the speaker at the Founders' Day Luncheon sponsored this year by the Detroit-Dearborn Alumnae Club, and in the absence of the Province President, to have the honor of presenting some active chapter awards. Also, it was a pleasure to attend the Founders' Day celebration of Michigan Alpha chapter and the Hillsdale Alumnae.

To sum up the year's work, we can only say that it was a busy time preparing for the big celebration. Our sincere thanks go to co-workers Jamie Jo Buntain, Lora Warvel, Jo Ann Brooks, Eleanor Guerine and Peggy Phelan for their invaluable assistance, and to the many loyal Pi Phis in Epsilon and Iota Provinces who gave time and effort to make the Centennial Convention a wonderful experience for all.

We wish to thank the members of Grand Council, the Administrative Assistant to the Grand Council, and the Central Office for their help throughout the year.

Settlement School

CHAIRMAN OF SETTLEMENT SCHOOL COMMITTEE

After 57 years of service, the Settlement School Committee, established in 1910, will be replaced by a new Board of Control under the leadership of Elizabeth Yelm Kingman, Mrs. Eugene, Colorado Beta. The Board of Control will be the governing body of Art and Crafts Center, established on the foundation of the Settlement School as the Centennial Fund Project.

It is with pride and optimism, that, we, the members of the last Settlement School Committee submit our final report. We are passing on to the Board of Control:

A well established Summer Craft Workshop School of national renown

A successful Arrowcraft Shop
The Red Barn project

Special Craft Workshops, offered spring and fall.

The success of the operation of the Settlement School has been made possible because of the devoted service of the members of the staff.

Director of Settlement School: Mrs. Marion W. Prince, Indiana Gamma, has served the fraternity for 14 years and will be retiring during her 15th year.

Manager of Arrowcraft Shop: Mrs. Maria Hutchins Tate, Florida Beta, has served the fraternity 5 years and has resigned, effective July 15th, 1967.

Director of Summer Craft Workshop, co-sponsored with the University of Tennessee: Miss Marian Heard, Professor of Craft Design, University of Tennessee has served the fraternity for 22 years and will continue her interest in the Centennial Project.

Pi Beta Phi has always been concerned with helping others to help themselves, this is evident in the organization of Chapters and Clubs. This concern has been extended to people outside the membership of Pi Beta Phi through the program of the first philanthropy supported by a fraternity—THE SETTLEMENT SCHOOL.

In 1910, the first Settlement School Committee was formed to find an opportunity to offer education in an area where it was most needed.

In 1912, the area of Gatlinburg, Tennessee, was selected. The Settlement School was established to offer education to children to prepare them for a better way of life. A high school was added, many boys and girls went on to college and returned to Gatlinburg to improve the economic development of the community. Pi Beta Phi helped hundreds of children by offering educational opportunities.

Pi Beta Phi appreciated the beauty and value of handmade articles found in the homes of the area. The first cottage industry in the United States was established through providing a market for handwoven items and baskets which the people were encouraged to make.

Arrowcraft Shop was opened in 1926. Countless number of weavers and craftsmen have enjoyed happier, fuller lives because of the opportunity for self expression and the ability to improve themselves economically. 82,000 members of Pi Beta Phi and hundreds of thousands of customers of Arrowcraft Shop have had the opportunity of purchasing these articles.

In 1923, the Red Barn was constructed to teach improved methods in agriculture. Hundreds of young boys and farmers benefited from this experience. Sitting on bales of hay, the people of Gatlinburg saw the first movies shown in the area. The Barn served as a recreation center on Saturday nights.

In 1959, the Red Barn was remodeled into a dormitory for summer Craft Workshop students. On weekends in the fall and spring it has been offered to philanthropic

and educational groups, as well as Pi Phi chapters for retreats. At least 5000 boys, girls and adults have enjoyed the beauty of the Great Smoky Mountains because of the availability of the Red Barn.

In 1943, Sevier County assumed full responsibility for the public school system in Gatlinburg.

In 1945, a unique association was established between a State University and a fraternity when the first Summer Craft Workshop, co-sponsored by Pi Beta Phi and the University of Tennessee was offered to 50 students. Students, ages 16 to 80 have come from all over the United States and many foreign countries. They have been—art students, teachers, therapists, craftsmen and hobbyists. The majority return to their communities to give the benefit of the skills and techniques learned in Workshop to thousands of other students and individuals. Approximately, 3000 students have attended classes in craft workshops, and hundreds of thousands of other people have benefited.

Each year work scholarships have been given to 6 or 7 students to be assistants to Craft Workshop Instructors. In addition, during the past 6 years, 10 clubs have given scholarships to students from their areas to attend Summer Craft Workshop. These clubs are: Albuquerque, New Mexico; Berkeley, California; Buffalo, New York; Chicago South Suburban, Illinois; Chicago West Suburban, Illinois; Houston, Texas; Oklahoma City, Oklahoma; Orlando-Winter Park, Florida; Spokane, Washington; Southern California Area Council.

Pi Beta Phi has been able to help others help themselves because of the generous support of Chapters and Clubs to Settlement School. In appreciation of this support the Settlement School Committee is happy to present Little Pigeon Awards.

A new price list with a cover in color will be sent to all clubs for the 1967-68 season. Many new colorful items

have been added. Between 65 and 70 weavers have been working all year to produce a large inventory. Clubs are urged to place orders as early as possible.

Arrowcraft Shop Personnel: It was with extreme regret that the resignation of Mrs. Maria Tate, Arrowcraft Shop Manager had to be accepted. The position is still open, any Pi Beta Phi who is interested in applying please write to Mrs. Eugene Kingman, Chairman of the Board of Control, 312 So. 56th Street, Omaha, Nebraska, 68132. Mrs. Elizabeth Rue, Iowa Gamma will continue as manager of the Arrowcraft Shop in the Mountain View Hotel. Faye Cook is Head of Shipping and likes to fill big orders. June Parrot is her assistant. Nella Hill continues to be the acting Weaving Designer and Supervisor, with assistance from Mrs. Patricia Crowley Spillman, New Mexico Alpha, Albuquerque New Mexico. Mrs. Spillman creates the new designs and is working on an hourly basis in her home in New Mexico. Nella Hill and Mrs. Spillman work out the process of production.

Other members of the sales staff are: Jean Hembree, Ruby Watson, and Ruth Kenney. Mrs. Margaret Mayfield is the Bookkeeper. Pi Beta Phi is indebted to this wonderful staff for their loyalty and interest in making Arrowcraft Shop the successful project that it is.

Craft Workshops: Summer Craft Workshop, co-sponsored with the University of Tennessee and Directed by Miss Marian Heard, Tennessee Gamma, continues to be a tremendous success with the most outstanding craftsmen as instructors. 1966 School had the largest enrollment of the 22 years it has been offered. Miss Betty Street, University of Illinois, Assistant Director contributes to the success of the program through her ability as a craftsman and as an administrator. Pi Beta Phi is grateful for the devoted hours of service given by Miss Heard and Miss Street.

Courses offered are: Weaving, Pottery, Ceramics, Enameling, Jewelry, Textile Design, Recreational Crafts and Stitchery. Seven Assistantship scholarships were given for the 1966 session and also for the 1967 session. Club scholarships have been listed. Other workshops were held in the spring of 1967.

Red Barn—Besides being an attractive dormitory for 32 students attending Summer Craft Workshop, it is in constant demand by religious, educational and philanthropic groups for weekend retreats in fall and spring. Pi Beta Phi chapters are urged to take advantage of using it for educational seminars.

The Settlement School grounds and buildings are kept in excellent repair and appearance by our loyal maintenance men. Orlie Watson, is on duty each weekend to check on the safety of all equipment. Neal Watson, Head Maintenance man, Zanley Watson and Richard Watson work diligently and with a personal pride in keeping everything in excellent condition. We are indebted to them for their loyal service to Settlement School.

Legacies and Gifts

Mrs. Anne Wilson was thanked personally for the generous legacy given by her husband, Mr. Matthew J. Wilson Jr. The legacy was in the form of stock, the income to be used toward the salary of outstanding instructors of the Summer Craft workshop. The bequest was made to the Settlement School of Pi Beta Phi. Mrs. Wilson was Anne Coghlan, Colorado Alpha, and is now living in Scottsdale, Arizona.

Mrs. Edith Hoyer Rankin, Ohio Beta, gave an enameling kiln in memory of her daughter, Mildred Rankin Rader, Ohio Beta.

Mr. John Collier and Mr. James Collier gave \$100.00 as a memorial to their father, Mr. James D. Collier, in June 1966. A second gift of \$100.00 was received in June of 1967. James D. Collier and Co. is the Insurance Agency for Settlement School.

Craft Honorary Fund contributors: Dorothy C. Thorman, Sally B. Schneiter, Eloise Hensley, Sally W. Gordon,

and Edith H. Rankin. It is with deepest gratitude that these gifts are accepted.

Director of Settlement School—Mrs. Marion W. Prince, changed to this name in March 1967 when she married Mr. Herbert Prince of Gatlinburg. We all wish her a very happy new life. Her resignation has been accepted effective not later than December 1967. Marion W. Prince, Indiana Gamma, has served the fraternity for 14 years. Pi Beta Phi is indebted to her for her loyal and devoted service to Settlement School. Her standards have always been high and as a result a firm foundation has been established for the continuation of the program into the Centennial Fund Project.

Committee Members: Treasurer—Sally Bozman Schneider, Indiana Alpha; Eloise Glazner Hensley, Texas Alpha; Sally W. Gordon, Wisconsin Alpha; Edith Hoyer Rankin, Ohio Beta; and Dorothy Coleman Thorman, Illinois Epsilon, have carried out the responsibilities of their offices as efficiently as possible with a loyalty and devotion to the ideals of Pi Beta Phi. We thank Evelyn Peters Kyle,

Grand Vice-President of Philanthropies, for her leadership, as contact member for Grand Council.

During the past four years all work has been directed toward preparing the Settlement School for the change that is to take place with the Centennial Convention of 1967. We are delighted that the same ideal of wanting to help others help themselves through education is to be continued in the establishment of the Centennial Fund Project.

As members of the Settlement School Committee we have enjoyed our work. Our relationship with each other and with everyone associated with Settlement School has been stimulating and rewarding. We are grateful to the fraternity for providing us with this experience of service to the Memorial to the Founders of Pi Beta Phi.

In June 1967, the last Settlement School Committee completes its services and passes on to the new organization of the Centennial Fund Project this wonderful heritage of 57 years—THE SETTLEMENT SCHOOL.

DOROTHY COLEMAN THORMAN

SETTLEMENT SCHOOL DIRECTOR

The spirit of 1867 is launched into the second century of Pi Beta Phi. Those who were at our Centennial Convention in June realize that many goals were achieved during our first hundred years and that goals were set for our second century. There is no better place to realize these achievements of Pi Beta Phi than at our Memorial to our Founders—Settlement School.

Members who have worked devotedly for our project realize the magnitude of these accomplishments. It is with pride that these are reviewed for the last fiscal year. This could well be termed the year of transition with the launching of the new craft program.

The building of the County Elementary School erases the last area for several of our workshop classes hence a new classroom building is a necessity for further expansion. And we have had expansion almost yearly since 1945 in our workshop with the University of Tennessee. In 1967 there were twenty more people than a year ago. Twenty-seven states and Canada were represented among our personnel. There were two from far-away Washington (state), two from Massachusetts, six from Florida and seven from Texas. Our one Pi Phi assistant was from Texas. Sorry, there was a dearth of Pi Phi applicants. This could be a wonderful experience for senior art or craft majors and recent graduates. It is an opportunity to live at our Pi Beta Phi School in the Smokies, and to obtain credit for one course.

The Lolita Prouty Ceramic wing was recently completed (dedicated June 1966). This pottery wing is a great satisfaction for those who use it, and a great source of pride for Pi Beta Phi. Many of the workshop classes were filled. Imagine fifteen or more students learning to put on a warp on a floor loom, or a similar number making pots—turning on the wheel. One can readily see why such laboratory classes are limited in number. The standard of workmanship is high, and it is largely for this reason our students appreciate the school. Almost without exception our students were not only satisfied with their experience at our school, but many reiterated their intention of returning next year.

There were more men enrolled this year than usual. For the last two years there have been two trailers and because of the shortage of dormitory space four double motel rooms were subsidized for the six weeks. The climax of workshop is the Open House when the public is invited to view the students' work. Here again much enthusiasm is displayed. At this point a big "thank you" is in order for the workshop director, Marian Heard (Tennessee Gamma), who has served for twenty-two summers. The following is a partial list of student occupations this summer: undergraduate and graduate students, elementary teachers, home

economics teachers, art teachers, extension workers, retired teachers, librarian, secretary, housewives, home demonstration agents, art supervisor, craft instructor, insurance representative, banker, psychiatric social worker, textile pattern maker, and architect.

A big "thank you" is extended to the following Alumnae Clubs who provided scholarships for students—Albuquerque, Buffalo, Dallas, Fort Worth, Houston, Orlando, Spokane and St. Petersburg. Three Pi Phis attended as students. Along with the growth of the workshop a memorial Craft Library has grown. Scholarships and memorial gifts are two most acceptable ways of promoting this project. Word-of-the-mouth publicity spreads the information, too. In the future additional workshops will be scheduled. There are myriads of possibilities for future seminars, little workshops and big workshops!

Arrowcraft Shop represents a large part of the Settlement School and Craft program. Started in 1925 primarily to provide an outlet for the craftsmen, it has also served as an outlet for our Clubs in their philanthropic work. The patronage and loyalty of our Alumnae Clubs and Active Chapters is deeply appreciated. Forty-five Alumnae Clubs paid Arrowcraft one thousand dollars—or more. Twenty-five active chapters (busy as they are) found time to order from Arrowcraft.

New Arrowcraft price lists have been mailed to each Alumnae Club. Marjorie Chalmers (Illinois Beta-Delta) is acting manager since Maria Tate's (Florida Beta) departure July 15. Trish Crowley Spilman (New Mexico Alpha) has capably designed not only Centennial items, but new items for the price list. A desirable Centennial item is the wine and blue bookmark for all Pi Phis. For the active chapters Arrowcraft has Centennial Pi Phi mugs—Greek letters with 100 on the mug. Elizabeth Rue (Iowa Gamma) operates the Arrowcraft Shop at the Mountain View Hotel in her semi-retirement.

Our Red Barn has become very popular when workshops are not in session. The kitchenette, Chaunticleer's dining area, the Owls' Nest for assemblies, twenty-nine single beds and eight portable cots provide housing for varied groups. These groups must be essentially educational or philanthropic. Word-of-the-mouth information has spread regarding the availability of the Barn. Bus loads come for so-called retreats, for one or two nights—or more. Neighboring Pi Phi Chapters have come from South Carolina, Alabama, Tennessee and Indiana. And we welcome Pi Phis especially. We usually have an armchair tour of the premises, than a quiz with Arrowcraft prizes as a reward for the most prompt answers.

Only highlights are given in this brief report. There have been changes and growth in Gatlinburg as well as at

our Settlement School. It is a constant effort to meet these changes as we strive for growth in our program and thus meet the ideals of Pi Beta Phi in having a project of which all Pi Phis can be proud.

Respectfully submitted,
MARION W. PRINCE

PI BETA PHI SETTLEMENT SCHOOL—
GATLINBURG, TENNESSEE

Accountants' Report

Pi Beta Phi Settlement School
Committee,
Pi Beta Phi Settlement School,
Gallinburg, Tennessee.

We have examined the balance sheet of Pi Beta Phi Settlement School (a division of Pi Beta Phi) as of May 31, 1967, and the related statements of income and expenses and fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. We previously made a similar examination of the financial statements for the preceding year.

In our opinion, the accompanying balance sheet and statements of income and expenses and fund balances present fairly the financial position of Pi Beta Phi Settlement School at May 31, 1967, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

DIRECTOR OF EXTENSION

In this year 1967—our Centennial Year, we look to the future with anticipation and optimism. Although Pi Beta Phi is 100 years old we are eagerly sought and still growing and going strong.

During the current year 47 inquiries have been received by the Director of Extension. There were 26 from local groups, 6 from administrations wishing Pi Phi to establish a chapter on their campus, 4 from Dean of Women and 11 from Alumnae. The following are extension requests reviewed in the past year:

Indiana University, New Kensington, Pennsylvania
University of Wisconsin-Milwaukee, Milwaukee, Wisconsin
Sacramento State College, Sacramento, California
Stephen F. Austin College, Nacogdoches, Texas
Newberry College, Newberry, South Carolina
State College of Iowa, Cedar Falls, Iowa

May we now turn to an important order of the day—current extension consideration. It was with regret that Grand Council rejected some invitations from schools of sound scholastic reputation. Loyal and interested Pi Phi local alumnae would have been willing to provide their assistance but the current faculty attitudes and restrictions

on membership selection rights, precluded further consideration.

Other invitations were rejected because the schools do not meet Pi Phi requirements or because our current commitments prevented our involvement.

Over a year ago a petition was received from Pi Alpha Theta, a local sorority at Bethany College, Bethany, West Virginia, for active membership in Pi Beta Phi. Also, a very cordial invitation from the President of Bethany College to locate a chapter of Pi Beta Phi on the Bethany campus.

Bethany College, established in March 1840, is located near Wheeling, West Virginia and 38 miles southwest of Pittsburgh, Pennsylvania. It is a distinguished and fully accredited institution for higher education. Enrollment deliberately limited to about 1100 students, admission is selective. The faculty is composed of 70% doctorates and all professors have their masters degree. Pupil-teacher ratio is 14 to 1.

The Director of Extension, the Delta Province President and Alumnae Province President, a delegate from the chapters in Delta province have visited the college and met with Pi Alpha Theta local sorority. No negative votes have been received since the visit.

This group of young women in Pi Alpha Theta have put a lot of thought and work into their organization. Their scholastic average is above the all sorority, all women and all college. Pi Beta Phi was selected after studying Baird's Manual because of Pi Phi strong alumnae organization and our well known service to others. They also knew of the local Alumnae Club in Wheeling, West Virginia. Delta Province Alumnae Clubs and chapters have enthusiastically endorsed Pi Alpha Theta for active membership in Pi Beta Phi. There are 4 national sororities at Bethany College—Alpha Xi Delta installed in 1903; Zeta Tau Alpha installed in 1905; Kappa Delta installed in 1923 and Phi Mu installed in 1939.

There will be no expense for housing as the sororities live in sorority suites in the dormitories. The school has offered the counselor a position as assistant head resident of the dormitory where Pi Alpha Theta lives, room and board will be free, her own apartment plus a salary of around \$150 per month. She will be allowed to take courses or audit them.

The Director of Extension moved that the convention accept the petition of Pi Alpha Theta of Bethany College, at Bethany, West Virginia to be a colony of Pi Beta Phi in the fall of 1967. The motion was seconded by the delegate from West Virginia Alpha. The Delta Province President, Alumnae Province President, delegate from the Wheeling Alumnae Club and the delegate from North Carolina Beta spoke in favor of accepting the petition of Pi Alpha Theta. The convention voted to accept the petition and Pi Beta Phi will have a colony on the Bethany College campus in the fall of 1967.

The second invitation came from Dean Betty Cosby and the Panhellenic Council of the University of Florida, Gainesville, Florida. The invitation reads as follows, "On behalf of the Panhellenic Council of the University of Florida and the office of the Dean of Women, I should like to extend to Pi Beta Phi an invitation to colonize at the University at your earliest convenience."

For over ten years there has been hope that this invitation would come to Pi Beta Phi. The Director of Extension met with the actives and alumnae from Theta Province, attending the Centennial Convention, to discuss the invitation from the University of Florida. It was the unan-

imous vote to "move that the convention accept the invitation from the University of Florida to colonize at the university at Pi Beta Phi earliest convenience."

The convention voted to accept the invitation from the University of Florida, Gainesville, Florida.

THE HOLT HOUSE COMMITTEE

The Holt House committee wishes to express its appreciation and thanks to all the chapters, alumnae clubs and individuals for their contributions in 1966-67. It is only through the combined efforts of all Pi Phis that we can make Holt House a truly living memorial to our Founders.

This year the committee moved upstairs with their re-decorating. The Historical room has been papered, the carpet cleaned, new curtains and shades hung, a new brass and crystal light fixture installed, and three antique chairs re-upholstered in velvet.

The Founders' room has new eyelet ruffled curtains, new braided rugs, and a new light fixture.

Downstairs the parlor has a new 8' x 10' hooked rug which adds greatly to the beauty of the small formal parlor. The kitchen windows and the front door have new curtains and the powder room has a new skirt on the dressing table, matching covers on the benches and new hangers for the closet.

The Pine room has a new brass light fixture.

The basement stairs and walls, and the back stairs and walls have a fresh coat of paint.

New exterior shutters were hung on the parts of the house that did not have them, and the outside of the house has been painted.

There are many memorials, honorariums and gifts still available in the garden. The landscaping has been completed, but contributions covered only about one third of the cost.

The old narrow driveways are a hazard for the wide cars as we discovered when both the southeast and southwest corners of the retaining wall were damaged. The wall has been shortened and curved back at both ends making it easier to get in and out of the driveway.

A new cypress fence has been added across the back of the property line. The parking area at the rear of the house was extended three feet to the west; a cypress curb was installed around the entire parking area and four parking curbs were installed.

The house was rented 90 times from May 1, 1966 through April 30, 1967. Twenty-one of these were for various Pi Phi—active and alumnae—activities. The rest were clubs and individuals who use it for wedding receptions, anniversary celebrations, showers and family reunions.

The gifts, memorials and honorariums for the house and garden are as follows;

GIFTS FOR THE HOUSE

Two years ago Mrs. Prouty gave \$100.00 in memory of her mother and asked that it be used for something in the house. The committee purchased a lovely framed mirror which has been hung over the mantle in the parlor.

Irma Sage Peters gave two 12" Gorham reverse bowls as memorials to Mollie Duryee Sage and Mary Shannon Mallory. These have been placed on the two tables underneath the portraits of the Holts.

Lenore Brown Webb gave an antique walnut dining room table with six caned chairs, in memory of her grandmother, Inez Smith Soule, and her mother, Myrt Soule Brown.

The Kansas City, Missouri Alumnae Club gave the two Windsor chairs in the Music room.

STATEMENTS OF FUND BALANCE

HOLT HOUSE TREASURER—PI BETA PHI
MONMOUTH, ILLINOIS

From May 16, 1966, to May 31, 1967

Accountants' Report

Holt House Committee,
Pi Beta Phi,
Monmouth, Illinois.

We have examined the accompanying statement of fund balance of the Holt House Treasurer—Pi Beta Phi, resulting from recorded cash transactions, from May 16, 1966, to May 31, 1967. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records, and such other auditing procedures as we considered necessary in the circumstances. We previously made a similar examination of the financial statements for the preceding year.

In our opinion, the accompanying statement presents fairly the fund balance of the Holt House Treasurer—Pi Beta Phi at May 31, 1967, resulting from recorded cash transactions, and the receipts collected and expenses disbursed during the period then ended, on a basis consistent with that of the preceding period.

COMMITTEE ON TRANSFERS

The past one hundred years of Pi Beta Phi have indeed developed the richest and most rewarding friendships. These friendships—lasting throughout several generations—embody many facets which are certainly evidenced by this committee as Pi Beta Phis have moved from campus to campus. Their link of loyalty and devotion to one another has helped introduce them to new campus environments and situations. This year one hundred sixty-six Pi Beta Phis were reported to the Committee on Transfers as having moved from one campus to another where there was a Pi Beta Phi chapter. Many more transferred to campuses where there was no chapter. The former are the girls with whom this committee deals. The chapter corresponding secretary reports twice a year to this committee, filing out a brief and concise form. Since many girls move in mid-year, the second report sent in March is just as important as the one sent in October. These two reports ask for the names of those girls who have transferred to a campus where there is a chapter and an Introduction Transfer Blank is sent by the first chapter to the second with a copy also coming to this committee. The committee then sends a letter of introduction to the transfer explaining her status as a transfer student. Hopefully, too, the letter makes her realize the importance of her membership in Pi Beta Phi and that although each campus has its own policies and rules regarding the affiliation of transfers, she is still a member of Pi Beta Phi. When the second chapter has received the Introduction Transfer Blank from the first chapter, the recording secretary is then responsible for contacting the transfer student and inviting her to meet the chap-

ter and help her with any problems she might have. These contacts are vital—the transfer can be lonely but letters from some of these girls have shown that Pi Phi contacts can mean so much. When campus and chapter policies make affiliation possible, the chapter then writes for Approval for Affiliation Blank from the girl's original chapter, with a copy also coming to this committee. The next step is the actual affiliation when the Note of Affiliation Blank is filled out and sent to this committee and to Central Office. Accurate and complete filling out of these blanks is essential. This year thus far 43 Note of Affiliation Blanks have been received with more to come at the end of the school year when many affiliations take place. The committee has been well pleased with the response from the corresponding secretaries in filling out the reports and also to all the officers for filling out the respective blanks when they are needed. Eighty two chapters received a perfect 25% on their S & S report for their cooperation with the committee this year. Only one chapter failed to respond to either report.

Heart-warming notes have been received through the year from transfers, all of them sad to leave their chapters, but always glowing with pride with their sisters on the new campus. They are grateful for the interest shown in them and the ease in adjusting to new campus routines through bonds of wine and blue. As one transfer wrote, "I will try to live up to Pi Phi ideals as long as I live, the chain of friendship is lasting, I know"—what better way to launch ourselves into our second one hundred years!

The Committee on Fraternity Study and Education has reason for double celebration this Centennial Year of the fraternity. The examination grades for the collegiate members remain at an excellent high level, and the grades on the pre-initiation examination reached an all-time high which should indicate that the new initiates are the smartest in the fraternity's history.

Cooperation with the committee on the part of the chapter officers was very good, and the all-out response to the "thought" question for active members on the fraternity's direction and goals for its second century brought many interesting comments—comments which showed not only careful thought but also gave many practical and provocative suggestions.

The committee is most grateful to the many alumnae serving as chapter advisors without whose assistance the fraternity's program of education could not be accomplished. We also are most appreciative of the prompt and technical assistance received from Central Office, and of the invaluable support and advice from members of Grand Council and the fraternity Directors.

The chairman's personal gratitude, however, must go first to the Province Supervisors who patiently devoted so many hours to the fraternity's program on study and education.

PI PHI TIMES

The *Times*, in its ninth year, had three issues released. The fall issue presented ideas for homecoming, Dad's day, Halloween, scholarship, helping others, pledge projects and miscellaneous. The winter issue dealt with parties, pre-initiation, Pi Phi rites, standards, Mother's weekend, and miscellaneous. The spring issue contained one hundred years, pledging and pledge activities, songs, senior ceremonies, scholarship, rush, and miscellaneous ideas.

Over eighty chapters contributed materials to their coordinators. The cover artists were Sheri Guirey, Oregon Alpha, C. Jaye, Ohio Beta, Janet Field, Oregon Beta. The three issues were filled with clever sketches and great ideas.

The *Pi Phi Times* award, a *Revere* bowl, is presented to the chapter on the basis of promptness, presentation of

materials, originality, and adaptability of ideas for general use as submitted by the chapter reporter. The winner this year is Missouri Gamma. South Carolina and Utah Alphas tied for second place.

Honorable mention for best grades are: New York Gamma, Oregon Beta, Texas Gamma, Indiana Zeta, Michigan Delta, Maine Alpha, Iowa Gamma.

This has been a successful year for the *Times*. Both the chapter reporters and coordinators have done their jobs very well. My sincere thanks to all of them, Mrs. Vanassee and the personnel of Central Office. My three years as Coordinator of the Pi Phi Times Committee have been very rewarding and I hope the years to come for this publication will increase its use and value.

COMMITTEE ON CHAPERONS

The Committee on Chaperons maintains personal records and employment contracts of all chapter house and lodge chaperons. It serves as a contact between Grand Council, Alumnae Advisory Committees and Chapters in matters related to chaperons. It receives applications from persons desiring to serve as chapter house chaperons and, whenever requested, in an advisory capacity for chapters seeking chaperons.

In 1966-67 there were 76 chapters employing chaperons. The average tenure of a chaperon is 3.6 years; the range of service being from one to 23 years. The average age of the chaperon is 61 years and the greater percentage are rated as "Superior."

Annually, due to a variety of reasons mostly age and health, there are many changes made in chaperons. This Committee therefore, always welcomes the receipt of names and information regarding capable women inter-

ested in serving in this capacity. This may be accomplished by contacting the Chairman.

The high standards and graciousness apparent in Pi Beta Phi chapter houses and lodges is a direct result of the cooperation between the Alumnae Advisory Committees, active chapters and chaperons. The key to smooth operation is free communication. This Committee is most grateful to the Alumnae Advisory Committees for their time, sincerity and devotion and for their prompt cooperation.

Early in 1967 a Questionnaire for Chaperons was compiled and mailed to all Pi Beta Phi chaperons requesting an interpretation of their duties, responsibilities as well as their favorite recipes and menus. From the information returned the new *Manual for Chaperons* will be prepared by Mrs. Allen C. Raup, National Supervisor of Manuals.

I would like to express my thanks to Central Office for

the processing of major mailing of this Committee. Also, to Alumnae Advisory Committee chairmen with whom I have corresponded for their promptness; and, of course, to those Pi Beta Phi chaperons who have so carefully pro-

vided data to this Committee and who have served so long and so well.

MARTHA COHAGEN STANHOPE

CENTENNIAL FUND COMMITTEE

As the work of the Centennial Fund committee approaches completion, we look with gratitude to all those who have served on the committee through its years of service. Special appreciation goes to Betty C. George, Paula Reagan McDowell, the previous chairmen, and Elizabeth Johnson, the first treasurer. Their efforts in the beginnings started all clubs and chapters thinking Centennial and making plans to include the fund in their programs.

This Year of Centennial has been one of hope and gratification. The active and alumnae members of Pi Beta Phi have contributed generously of both their efforts and their money. Our hopes lie in the continued enthusiasm and support for the craft center from all the fraternity.

In the fall mailing we joined with others under the editorship of Evelyn Kyle to produce the Centennial Times. The spring mailing contained a letter to club Centennial chairmen. This information was compiled as a result of a survey made at the local level in an effort to determine continuing needs for understanding of the fund and project.

In October, after a year of planning, a folder about the Centennial project and fund was sent to every Pi Phi on the ARROW mailing list. This entailed much extra work by the staff and director of Central Office, since all the details of printing, assembling and mailing were handled through them. We had hoped that the total expenses of \$6,000 would be met by the resulting contributions, with the profit to the project accruing in increased numbers of members learning at first hand about it. Delightedly we find that six months after the folders were mailed, contributions are still being received by Central Office with the total reaching past \$40,000.

A note of appreciation must be expressed to Miss Kay Brinkley, Central Office bookkeeper, for the efficient manner in which she has tabulated and listed the thousands of donations. These are divided into five different categories and making accurate listings has been truly a mammoth job. She has also faithfully kept each of the committee informed of the donations and for this we are indeed grateful.

The secretary of the committee, Virginia Hagaman, has continued to acknowledge all those donations to be listed in the In Memoriam and Golden Arrow sections of the Memorial Book and all those over \$50.00. The rest of the committee members have written to the chapters informing them of their members who have made Chapter Loyalty gifts. This has been quite time-consuming, but it has served to strengthen bonds of fraternity as the active members in turn thank the many alumnae who have expressed their loyalty with their donations.

In addition to her Chapter Loyalty letters, Barbara Thurmond has again supplied the copy for the Centennial Fund pages in the ARROW. The last one will appear in the 1967 Summer issue. Caroline Shreve, Treasurer, has worked with Connie Adams and will give the financial report at the Centennial Convention. She gave the committee's report at the 1966 Gatlinburg Convention at which

occasion she and her sisters helped dedicate the pottery wing at the Settlement School to their mother, Lolita Snell Prouty. Isabel Cramer and Mary Anna Hudson have proven to be valuable resource persons for their respective alumnae clubs which are always in the list of highest contributors.

Each year we have expressed appreciation to Tot Avis (Mrs. John) of the Northern New Jersey Alumnae Club, for the lettering in the Memorial Book. This year our gratitude is multiplied many times, as the number of donations listed in the book has increased so greatly. This book will be a beautiful and permanent reminder to future Pi Phis of those who were honored by donations to the fund.

At the 1966 Gatlinburg Convention, Connie Adams, Kappa Province President, introduced an arrow cookie cutter, to be sold for \$1.00 with the proceeds to go to the Centennial Fund Committee. Those she brought to convention were quickly sold and orders were filled during the fall and winter. 1,000 are being made for the Centennial Convention and Centennial Fund Committee is grateful to Connie for her enthusiasm, her ingenuity and her time and efforts. The proceeds from the cookie cutters will be listed in the special donations section of the Memorial Book in honor of Mrs. Cuyler C. Adams.

The Dallas Alumnae Club supplied the capital to produce the Centennial spoons designed by Balfour, the proceeds from which will go to the Centennial Fund on behalf of the Centennial Development Committee.

Throughout the work of the Centennial Fund Committee, our eyes have been on 1967. Now that we have reached our Centennial, we look again to the future and see many possibilities for regular support as well as additional special gifts to the craft center. As the specific needs for the new project are realized, specific requests for funds can be made on an individual or small group basis. The million dollar dream envisioned in 1954 can yet become a reality.

At the writing the Centennial Fund Committee is looking forward to an exciting Centennial Convention. Our association with each other has been a precious thing, enhanced in turn by our association with Myllie Hightower, Helen Russell and Evelyn Kyle. To these and to Alice Johnson, Dorothy Stuck, Dorothy Morgan, Connie Adams, and the many others who have helped and encouraged us during the year, we say a heartfelt thank you. We close our work wishing it had been five times as successful, but grateful to those donors who brought the fund to the present total. We are confident that the future holds great promise for the "Arrowcraft in the Smokies," and for the second one-hundred years of Pi Beta Phi.

COMMITTEE ON CENTENNIAL PROJECTS

The consistent and positive thinking of many fine people through the years have made it possible for us to be one hundred years old and we can be proud of a back-

ground that has shown excellent scholarship, true friendship, good leadership and outstanding community service.

Each year, the Seniors make very near the same state-

ment. "I will always look back on my four years with pleasure and feel because of my affiliation, I am better equipped to meet the daily routine of community life."

As Pi Phis, we have been trained in the field of service. We love our social fraternity that has made us aware that we want to share our talents, our money and our time with others.

Our Pi Beta Phi Settlement School has made it possible for the backbone of Gatlinburg to be able to stand on their own feet, make their own living and have the pride of doing a good job. Now that they can do for themselves in the every day living, our fraternity has gone to a more complex field. We are making it possible for the individuals to develop their talents, make the handicapped capable of being independent and give an outlet to the Senior Citizens to make them happy. We are living in a very specialized time. We want to train people to want to work and be independent.

"Arrow in the Smokies" will give us a wonderful opportunity to have local projects that can tie in with the Centennial project. We hope every Alumnae Club in Pi Phi will want to have a project in philanthropy and tie it in with our new national project. We realize how busy our actives are in their school work and their campus activities, but if they have time for community service, we hope they will assist our newest project also.

It has been a pleasure corresponding with so many Pi Phis and clubs, this year. I am glad that thirty three clubs could see the colored slides of our grounds, buildings and future plans for "Arrow in the Smokies." We had two sets of slides going at the same time and of course most programs were set up for the same months—so we had to have each club mail the slides on to the next group and only one time were they delayed and, I am afraid, disappointed three clubs in having them. For this, I apologize and hope maybe they might want to use them this next year. We did assist a number of other clubs with their programs and discussed projects with a number of clubs.

I want to particularly thank my Alumnae club (Dallas), for making it possible to offer the Centennial spoon. I designed the spoon in the early hours one morning and wrote to the other members working on Centennial. Each one wrote back and liked the same one out of the three I had drawn. We then asked for the Centennial Project committee to have permission from Grand Council to sell these spoons as mementoes from our Centennial year and have all profit go to the Centennial Fund. After the committee was given this permission, I asked our Alumnae Club in Dallas to finance the spoon—since it would take several thousand dollars to buy the spoons in order that we might offer the spoon to our members at a very reasonable price and yet be a good weight in sterling silver.

Mr. Balfour has been a really fine friend in getting this spoon on the market. We buy them in lots of 500 or 1000 and we must pay cash for them. After we got underway, I found I would have to have a local committee help me in order to fill the orders and give good service.

I would like to thank personally, Mrs. J. N. Ingraham (Louise, Oklahoma Alpha), Mrs. William Moore (Barbara, Indiana Beta), Mrs. Murphy Dalton (Dorothy, Texas Alpha), Mrs. Lloyd Birdwell (Dorothy, Texas Alpha), and Mrs. Earl Manning (Blanche, Tennessee Alpha), for giving many hours to our Centennial project. As of June 1st, 1967, we have sold over 1000 spoons.

We have several clubs that are sending someone to our Arrowcraft work shop, this summer. With our beautiful grounds, our outstanding Instructors and the interesting work that goes on there, I'm sure these people will be wonderful public relations for us, all over the country.

Previously, clubs that have given craft workshop scholarships are: Albuquerque A. C., Chicago South Suburban

A. C., Buffalo A. C., Houston A. C., South California Area Council, Virginia Alpha, Okla. Alpha, and Okla. State Beta. There may be more that have not been reported to me. Those that have reported sending this summer are: Albuquerque A. C., Dallas A. C., Houston A. C., (2), Orlando A. C., Spokane A. C., Buffalo A. C., and St. Petersburg A. C.

We are proud that we can continue our Arrowcraft shop in order that the mountain people will have an honest and fair market for their beautiful workmanship. They will need all of our support in keeping this shop going and we hope you will continue your "Arrowcraft Sales."

At this time I want to express very sincere appreciation to each of our clubs and chapters for their loyalty and their work for the Centennial project. The most important thing is not how much you have given, (even though every penny is appreciated) but the most important thing is the spirit in which we work for our fraternity. This will make it possible to have another one hundred years.

The various projects have been most interesting to hear about this year. Ones that have been reported to your project committee are: tasting bees, theatre parties, country fairs, flea markets, chinese auctions, bridge parties, breakfast fashion shows, tasting survey with a research firm, "Tots and the Young at Heart" fashion brunch, white elephant sales, used clothing to organizations that sell them, giving us a percent, loyalty day penny ceremony (one penny for each year you have been a Pi Phi), house and garden tours, neighborhood coffee arrowcraft sales and many various types of Arrowcraft sales. One club charges for the supper plate on meeting night, the hostesses prepare and pay for food and the money paid by members went to the Centennial fund. We have interested Pi Phis that are doing their part and we thank each one of them.

Some of our loyal Pi Phis are not with us any longer and their families and friends have been nice enough to give to our Centennial Fund in their memory—for this, we thank you. I'm sure it will be gratifying to know it will help to continue an interest and reality in an undertaking related to education, cultural development and to community service as they relate to the ideals of the fraternity.

We would like to express our appreciation to the Settlement School committee that have worked through the years and have contributed so much to the success of our project in Gatlinburg. It was wonderful that our little Miss May Keller who rode to Gatlinburg from Knoxville on the mule to start negotiations for our school there could live to see it become so successful and have a place of prominence in the Smithsonian Institute.

It has been a real privilege to serve as your Centennial Project Chairman. I feel that my life has been enriched by the many contacts that I have made in this service.

Evelyn Kyle, Betty Hall and Helen Russell are wonderful people and I appreciate greatly having had contacts with them again in this area of our fraternity.

In our second century, we will broaden our aims to help with the individual talents of many people for pleasure, for educational purposes and to help those less fortunate than ourselves.

We are offering an opportunity in our Centennial project that will equal any and all of the newest methods of teaching and the approach in these fields, equals that of all accelerated academic goals of our Universities. In finishing up these last seven years of concentrated service on this project, my one request is—Alumnae stay interested and help to keep Pi Phi what it has been for one hundred years and actives—please carry on the ideals of our fraternity. It isn't so bad to be loyal to something, stand for something and make a strong second one hundred years.

THE CANADIAN PROJECT

The Canadian Project of Pi Beta Phi is, as its name implies, a project of the Canadian Alumnae Clubs and Active Chapters. It does not replace those funds and philanthropies administered by the fraternity as a whole, but is co-existent with them.

For the past twelve years the project has provided a Loan Fund for students in the eight Schools of Social Work in Canada. The Loan Fund is now considered self-sustaining but will be reviewed annually and requests for additional money will be considered.

This Centennial year of Canada and of Pi Beta Phi seems an appropriate time for us to look to the future and we hope that a new project will be chosen by the Canadian

Alumnae Clubs and Chapters at the 1967 Convention.

My appreciation and thanks to all the Pi Phis who have been such a great help during the past year, with a special thanks to Mrs. Kyle.

EMMA HARPER TURNER MEMORIAL FUNDS COMMITTEE

A report of this committee is essentially a report of many wonderful Pi Phis everywhere who have cared because some other wearer of the Arrow has been carrying too great a burden and who have reached out to help. As she found that a "lift" was on the way to another Pi Phi, one such Pi Phi wrote, "This IS Pi Phi!" The bearing of another's burden requires an awareness of the other's need and a quality of heart which cannot allow inactivity when there is a possible way to assist.

The Emma Harper Turner Memorial Fund is not designed for charity giving. Its purpose is to walk beside one who feels the loneliness of struggle and to say, "Our gift of money cannot be great; the Pi Phi love coming to you is. You have worn your Arrow with honor, devotion, and courage. We want you to know that we know this and that Pi Phi is 'standing beside you' as She promised."

For twenty-one years this Fund has touched the lives of over sixty Pi Beta Phis—some in a single emergency; others, in a continuing situation. In the latter, a small check allows small indulgences, a bit of independence, and a big lift of spirit. More often, the emergency has occurred among the younger alumnae; the continuing need, among older members who are assured of home and food but have no funds for the little extras which make so much difference.

Because the Fraternity created this Fund with careful concern for the privacy and personal dignity of Her members, few know who has received the grants made. Therefore, a published report such as this cannot list those aided or give information which would point clearly toward a given individual. While composing this report, the chairman is conscious of three things: (1) that alumnae,

sensitive to another's feelings and need, have responded with understanding and capable reporting to this committee; (2) that the boost in morale is equal to, if not greater than, the monetary lift which the EHT checks bring; and, (3) that it is the Pi Phi who has quietly lived her devotion to Pi Beta Phi and who has kept that association close, who is the one whose sometimes lonely and anxious struggle reaches the desk of this committee.

During the current year our Fraternity has offered assistance in five emergencies and has been issuing small monthly checks to seven members. Of the latter, only one is not a Golden Arrow Pi Phi and the initiation dates range from 1898 to 1908. The sponsors, who have solicited these gifts, speak of the quality in Pi Phi spirit and service of these precious ones whose Arrows now glow softly with age. And, the courage and steadfastness of heart of Pi Phis under trial, young and old, should be an inspiration to every wearer of the Arrow.

We commend every alumnae club and individual Pi Phi whose alertness has brought the comfort of this aid to a Pi Phi sister. The committee gratefully acknowledges, for Pi Beta Phi, each memorial gift and contribution made to this Fund. In making our work effective, we have been encouraged and enabled by the never-failing assistance of our Grand President and our Grand Treasurer. With grateful heart, the chairman testifies to the privilege of working with Pi Phis of the caliber of Lillian Beck Holton and Nenabelle Green Dame. Every club and every chapter—Pi Phi everywhere—can honor their Fraternity the more and feel the glow of joy in service, for having shared in this act of love.

LUCILLE DOUGLASS CARSON

COMMITTEE ON FRATERNITY MUSIC

This may be the Year of the Lamb in the Chinese calendar, but it was the Year of the Song Bird as far as this office was concerned! Not only were there three song contests to judge, but the new edition of the Song Book finally went to press.

The time limit for the Centennial Song Contest was extended to November 15 and as soon as school started in the Fall, letters were sent to all chapters advising them of this opportunity to submit a song in celebration of their fraternity's centennial. New Mexico Alpha's entry, "Pi Phi Will Be Always With You," was chosen as the winner, with Kansas Alpha being given special recognition for their song with original music and lyrics.

In January, letters went to all chapter music chairmen announcing the Convention Song Contest. This letter also contained a list of songs with which I asked each chapter

to be familiar in order that we might have some 'togetherness' in our singing at Convention.

For the first time in our fraternity's history, it was decided to have an alumnae club song contest at Convention. Thus, also in January, a letter was written to all alumnae clubs advising them that for this Convention *only* the Alumnae Dept. would give a prize of \$50 to the alumnae club submitting the best Pi Phi song with original music and lyrics. The chapter contest entries may be either original music and lyrics or original lyrics set to an established tune.

The Committee met after all entries were in and selected six finalists from the 22 songs submitted by the active chapters and four from the 12 sent in by alumnae clubs. These will be presented by the Convention Chorus and the winners selected by the entire body of delegates at

Chicago. This was also the year of a change in due dates for the chapter music chairman's reports. I am hoping for a better record next year when the officers learn when these reports should be sent in and are reminded about the due date. Theta, Mu and Nu Provinces missed having 100% March reports in by just one chapter and Beta, Eta and Iota by only two chapters.

My deep appreciation goes to Alice Johnson and her sec-

retary, Sally Schulenberg, for the ever-present help given me this year and again, my thanks to Ruth Ann Edwards and all at Central Office for the great amount of clerical work which they do for this officer. It has been a hard-working year but, as always, a rewarding experience and I am grateful for the privilege of serving Pi Beta Phi which has given me so much.

ANNE LOGAN HEFLIN

CITIZENSHIP COMMITTEE

A report was mailed on Citizenship Proclamation, September, 1966.

A report on the opening of the 175th Anniversary Observance of the Ratification of the Bill of Rights, December 15th, 1966.

A concluding report is enclosed on the Bill of Rights exhibit.

Panhellenic Delegate from the Washington Alumnae Club is enclosed together with special information sent to me concerning Law Day 1967.

As Community Service Chairman of Washington Panhellenic Association I was asked to bring a resumé of the charge as given in Ceremonial Court, Naturalization Proceedings by the monthly speakers, to the monthly meetings.

The charges include special brief messages to the petitioning citizens on the subjects of understanding the great American documents, the Constitution and the privileges of Citizenship.

May 1st, 1967 the tenth anniversary of the Joint Resolution by the 87th Congress and signed by the President of the United States establishing Law Day U.S.A. as a permanent national observance May 1st each year was reaffirmed as Law Day U.S.A.

The Joint Resolution by the 87th Congress and signed by the President of the United States establishing Law Day U.S.A. as a permanent national observance May 1st.

87th Congress: 1st Session H. J. Res. 32 Joint Resolu-

tion to designate the first day of May of each year as Law Day U.S.A.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the first day of May each year is hereby designated as Law Day, U.S.A. It is set aside as a special day of celebration by the American people in appreciation of their liberties and the reaffirmation of their loyalty to the United States of America; of their rededication to the ideal of equality and justice under law in their relations with each other as well as with other nations; and for the cultivation of that respect for law that is so vital to the democratic way of life.

The President of the United States is authorized and requested to issue a proclamation calling upon all public officials to display the Flag of the United States on all government buildings on such day and inviting the people of the United States to observe such day with suitable ceremonies and other appropriate ways, through public bodies and private organizations as well as in schools and other suitable places.

American Citizenship did not just happen, it is the result of wisdom, courage and character. And so on Law Day and every day as Citizenship Chairman I present the motion as passed by five Conventions to study our great documents and become informed and participating citizens.

Reports of Province Presidents

ALPHA PROVINCE PRESIDENT

Again this year, it has been a great pleasure to work with the Alpha Province chapters. The Gatlinburg Convention gave us all a tremendous amount of inspiration as well as education, and it seemed as if all the chapter delegates made the most of it. They shared generously with their chapters, and all profited thereby.

The fall scholastic reports indicated wonderful numbers of girls on Deans' Lists, and this gave the chapters a big boost and a fine start. Each chapter had won either a national or a province award or recognition for the previous year, and this too was good for morale and ambition. Interest in worthwhile campus and community activities has increased and every chapter has its outstanding leaders as well as the equally indispensable and cooperative followers.

Chapter visits have been delightful everywhere. The girls have been charming, helpful, and most appreciative. Their standards remain high and they are the kinds of young women Pi Beta Phi can be proud to call her own. It has been a good year all around—with very few problems and much cheerful accomplishment.

Mildred Moyer O'Donnell, Director of Alumnae Advisory Committees, was our official visitor in November. She was a tremendous help and inspiration to all of us, and we are deeply appreciative.

The Province Amy Burnham Onken Award was won by Diane Monti, Vermont Beta. Other nominees were Ruth Swimmer, Connecticut Alpha; Nancy Bates, Maine Alpha; Estrella Fowlie, Massachusetts Alpha; Carole-Jean Smith, Massachusetts Beta; Judy Ellen Cosgrove, Nova Scotia Alpha; and Susan Swinburne, Vermont Alpha.

The Province Chapter Service Award went to Catherine Wotjkun, Massachusetts Beta. Susan Stewart, Connecticut Alpha; Donna Belleau, Maine Alpha; Gayle Odessky, Massachusetts Alpha; Virginia Gill, Nova Scotia Alpha; Susan Schweikart, Vermont Alpha; and Diane Monti, Vermont Beta, were the other candidates for this honor.

The Portland, Maine, Alumnae Club Award for the Outstanding Sophomore in the province went to Martha Whittaker, Vermont Beta. Other chapter nominations were Mary Van Bibber, Connecticut Alpha; Connie Merrifield,

Maine Alpha; Cherryl Berlin, Massachusetts Alpha; Joan Swardlick, Massachusetts Beta; Vicki and Kitty Murray (twins), Nova Scotia Alpha; and Ann Harris, Vermont Alpha.

Scholarship Certificates have been awarded to Susan Stewart, Connecticut Alpha; Connie Merrifield, Maine Alpha; Estrella Fowlie, Massachusetts Alpha; Judy Leach, Massachusetts Beta; Virginia Hopper, Vermont Alpha; and Nancy Baldwin, Vermont Beta.

Cheryl Bogie, Massachusetts Beta, is the Alpha Province candidate for the new Centennial Award.

The Alpha Province Scholarship Plaque given to the chapter with the highest percentage of averages above the Panhellenic average was awarded to Massachusetts Alpha. The Fraternity Study and Education Award travels to Maine Alpha, and Vermont Alpha retains the Province Angel Award for the very successful continuance of their project of weekly tutoring in a one room school. Honorable mention must go to Nova Scotia Alpha for their 100% participation in a blood drive and to Vermont Beta for their very successful candy apple sale to benefit the Heart Fund.

It has been a real joy to have such wonderful Pi Phis to work with. The alumnae advisors are helpful friends to their chapters as well as to me, and the same is true of our scholarship supervisor, Phyllis Bragg, and our fraternity study and education supervisor, Jacqueline Boazman. We are grateful to our three housemothers, Mrs. Carlson of Connecticut Alpha, Mrs. Cheyne of Massachusetts Beta, and Mrs. Waterman of Vermont Beta. They are wise and gracious ladies, and their chapters have been fortunate to have them.

To Grand Council and Sally Schulenburg, the directors, and to Ruth Ann Edwards and the staff of Central Office—all praise and thanks for inspiration, education, help, guidance, and much patience.

To the chapter members in the province go my deep and sincere appreciation for allowing me the joy and privilege of sharing their lives these few years—years that have enriched my life and will never be forgotten.

FRANCES FARRELL ROSS

BETA PROVINCE PRESIDENT

Beta Province has continued to grow in grace and goodwill, in strength and knowledge and in organization and performance.

There has been very satisfying progress to each Pi Phi in the two projects of reorientation that we undertook last year. We began a real campaign in each chapter and in the alumnae clubs, that we could reach, to help create the proper procedure for procuring recommendations for new members . . . that is, encouraging the voluntary recommendation from the alumnae instead of the requested recommendation from the chapter. The fruits of our labor were most evident in both chapters and alumnae clubs as rapport was established and "thank yous" went back and forth. With the new Recommendation blank and the clear concise procedure that is to be followed by both chapters and clubs sent to all local officers by our Grand President, there should be a real upswing in this most important area. Both the actives and I are deeply grateful to all of our alumnae who have supported us so generously and made our beginning in this project a reality.

Our second project is well toward its completion. The chapters have worked diligently rewriting their by-laws, redirecting their energies and reorganizing their official duties so that they are no longer out of step with the Constitution. The many adjustments related to this transition have been met with loyal Pi Phi spirit, and the coordination and accomplishment of each group is growing with great enthusiasm.

The long list of honors to each chapter from their respective schools is sustaining evidence of this accomplishment. Leadership on each campus in government, in honor societies, in Panhellenic, in campus publications, as queens, as sweethearts and as outstanding students is displayed by our talented Pi Phis.

Honors presented to them within the fraternity are: For the Amy Burnham Onken Award: Joyce Gardiner, New York Alpha; Margery Burton, New York Gamma; Louise Elving, New York Delta; Deborah Lamke, Pennsylvania Beta; Linda DaVincenzo, our Province winner, Pennsylvania Gamma; Catherine Starbird, Pennsylvania Epsilon.

For Chapter Service Award: Gretchen Schein, New York Alpha; Kathy Dodge, New York Gamma; Sue Kelsey, our Province winner, New York Delta; Sue Gangwere, Pennsylvania Gamma; Carol Schneider, Pennsylvania Beta.

Pennsylvania Epsilon won the Rochester Bowl for the chapter with the most improved scholarship and New York Delta won the Philadelphia tray for the highest scholarship, having retired the previous tray and, now, starting on their next one. The Buffalo Club Recognition Pin went to Sue Kelsey New York Delta for outstanding chapter service and Margaret Demyanovich won the Long Island North Shore Club Golden Key for the student with the most improved scholarship.

My chapter visits were made in the two weeks before Thanksgiving. It was a thrilling experience to this time already know some of the girls, to feel welcome, to enjoy the gracious entertainments and to confer with them in

our many meetings. Their enthusiasm is vast and we all had a wonderful time.

Anticipation is high for the coming year as we put our projects to work and, hopefully, enjoy some of the benefits of a deeper friendship with one another while working more closely with every Pi Phi in Beta Province.

Again my deepest most affectionate thanks to all of Grand Council, the Directors, the AAC, the housemothers and all of our faithful alumnae. Your patience, understanding and constant help have been invaluable and the source of great inspiration to me.

My special thanks go, again, to Jane McMicken Whitney and her magic typewriter. Without her, we simply could not go to press.

And so another exciting year comes to a close. This, our Centennial year, has been a memorable one from every point of view.

EVELYN WILIE MOODY

GAMMA PROVINCE PRESIDENT

The Gamma Province delegates at Gatlinburg experienced the National meaning of Pi Beta Phi. They returned rededicated and have worked all year to instill some of this spirit to their chapters. We were pleased to have Ohio Beta receive the Stoolman Vase (co-winners with Montana Alpha), honorable mention to Ohio Epsilon for their history and Pi Phi Times, several scholarship winners, and we all considered we were "winners" in the knowledge we gained at the workshops, the personal associations with the National officers, and the chance to get to know sisters from the other chapters.

Maybe all this enthusiasm did return as the college year (except at Ohio Beta) began with rush and all got wonderful pledge classes. They in turn worked hard and we had a high percent become active. Ohio Eta has the distinction of having 100% attain initiation.

Housing has remained the same this year. Ohio Zeta came back to a beautifully redecorated apartment. All of the chapters have very nice accommodations. At mid-year Ohio Alpha moved out of its house into dorms and will be entering new, enlarged quarters this fall. Ohio Beta is in the process of doubling its capacity with a new addition. Other chapters are beginning to think ahead to possible housing changes. They are fortunate to have Mrs. Maybee and Mrs. Ellifson returning as housemothers. Ohio Delta and Ohio Eta had faculty resolutions to contend with but campus concerns have settled down for awhile. Several chapters may have to go on delayed rush.

We are fortunate to have many interested alumnae in Gamma Province. They are a big help to the chapters. Special thanks are given to Gene Wheaton, Barb Hoge, Sally Woods, Marge Winger, Charity Carson and Ginny King as AAC chairmen. It is a pleasure to know and work with these women. They are the ones who are on the scene and keep our chapters in top condition. Also the House Corporations have worked hard and faithfully and are responsible to present and future housing improvements. Those involved in the building programs have given of their time and interest far beyond expectations.

The chapters have been dedicated and responsible. The young women never cease to amaze me at the tremendous amount they are able to accomplish on the campus and in their chapters. Many who never have held a high position or received special mention still have been instrumental in helping in some area or with some person. All seem true Pi Phis and many mention how much the sisterhood and chapter spirit mean to them. My visits were pleasant and

well planned. We were fortunate, too, this year to have Sally Vanasse, Director of Chapter Programs as our National Visitor. She ran into a 8" snow, a flood, a school strike, along with our beautiful Ohio weather and usual transportation problems. The chapters were delighted with her visit nevertheless. While she was here Ohio Eta hosted State Day. Every chapter was represented and a worthwhile day was had by all. Helen Dix, Grand alumnae Vice President, was the speaker.

The young women of Gamma Province are such fine individuals I wish it were possible to honor more. Each of the ABO and Chapter Service chapter nominees is a credit to her chapter. The Amy Burnham Onken nominations are Ohio Alpha—Sara Barnhart; Ohio Beta—Marty Rose; Ohio Delta—Ellen Madsen; Ohio Epsilon—Mariann Simpson; Ohio Zeta—Brooke Stengel; Ohio Eta—Ann Whitehead. The Province nominee is Marty Rose of Ohio Beta.

For Chapter Service: Ohio Alpha—Mary Lou Darrow; Ohio Beta—Lauren Brown; Ohio Delta—Marty Becker; Ohio Epsilon—Nancy Morris; Ohio Zeta—Chris Vobbe; Ohio Eta—Anne Lynn. Ohio Zeta's Chris Vobbe is the Province nominee.

On each campus we are represented by Phi Beta Kappa, Mortar Board, Chimes, and other honoraries, by beauty queens, cheerleaders, activities, and leadership positions in campus government, organizations, and dormitories. Scholastically, most of the girls are well above initiation average and the chapter averages are all 2.7 and up. Many of the actives are looking forward to coming to Chicago for the Centennial Convention.

In Gamma Province we have Province Supervisors who fulfill their responsibilities. Thanks go to Scholarship Supervisor, Mrs. William Van Pelt, F. S. & E. Supervisor, Mrs. George Qua, and Pi Phi Times Coordinator, Mrs. Wilson Wood.

It has been a worthwhile and rewarding year as Province President. I truly have gained from my association with the chapters and their advisors. The encouragement I have received from Grand Council and the Directors is immeasurable. It is a pleasure to work with these leaders of our fraternity. They have been ever ready and responsive to my queries and are a joy to know. It makes me appreciate the opportunity to wear and serve the Arrow. Although much time and energy is necessary, truly much more in value is received. Thank each and every Pi Phi who has in some way contributed to our fine year in Gamma Province.

VERNAH STEWART GARDNER

DELTA PROVINCE PRESIDENT

The 1966 Convention in Gatlinburg was a marvelous start of a new year in Delta Province. The opportunities our national conventions provide in the way of inspiration, exchange of ideas, new friendships, training in leadership, and education in the ideals of Pi Beta Phi, were invaluable to the delegates and the chapters they represented, and each chapter has shown results of this experience during the 1966-67 year.

Scholarship has been the main concern of each chapter and through strong scholarship programs, dedicated Scholarship Chairmen, and the wonderful attitude of every chapter, there has been much improvement in the Province. Much thanks goes to Pat Johnson, Province Supervisor, for her interest and helpful advice to the chapters.

All chapters have revealed much enthusiasm for activities. Key positions on campus have shown leadership and responsibility. Every chapter can be proud of the honors which have come to the chapters and to individuals. Delta Province is well represented in Student Government and Judiciary committees, Mortar Board, Phi Beta Kappa, honoraries in every field, class officers, Sweethearts, Queens, *Who's Who in American Colleges and Universities*, and athletic skills. Many are participating in the Experiment in International Living, People to People, and scholarships and fellowships for graduate study.

Mary DeLoache, South Carolina Alpha, is the Province winner of the Amy Burnham Onken Award. Other chapter nominees are Nancy Mott, Maryland Beta; Dale Kline, D. C. Alpha; Deborah Anderson, West Virginia Alpha; Shirley Harkess, Virginia Gamma; Kathryn Steel, Virginia

Delta; Sharon Finch, North Carolina Alpha, and Josephine Humphreys, North Carolina Beta. The Province winner of the Chapter Service Award is Tona Renforth, West Virginia Alpha. Other chapter nominees are Prudence Larramore, Maryland Beta; Joanne Fulton, D. C. Alpha; Sherri Carpini and Ginny Goolsby, Virginia Gamma; Diane Bowles, Virginia Delta; Martha Hardee, North Carolina Alpha; Paula Phillips, North Carolina Beta and Betsy Boyle, South Carolina Alpha.

The Delta Scholarship Plaque and Best Chapter Bowl were won this year by West Virginia Alpha.

There are a great many loyal Pi Phis who have made my work easier. My grateful thanks to the members of Grand Council; to Katherine Salley, Fraternity Study and Education Supervisor, to Elizabeth Hechtkopf, Pi Phi Times Coordinator. The active and interested Alumnae Advisory Committee members contributed a most valuable service to the Fraternity and my sincere appreciation and thanks go to these members in Delta Province for their excellent assistance given to the chapters and to me. The House Corporations have done a splendid service and should be commended for their dedication to the houses and their upkeep.

I take great pride in the successful year we have had in Delta Province. Our chapters are wonderful, but they continue striving toward even greater excellence, aware that this is Pi Beta Phi. The opportunity to serve and work with these actives has been one of the most pleasant and rewarding experiences of my life.

ELOISE FRINK CLEVELAND

EPSILON PROVINCE PRESIDENT

Because Epsilon Province has chapters in Ontario and Michigan, we are privileged to have two Centennials to celebrate—the founding of Pi Beta Phi and the One Hundredth Birthday of Canada. Many Arrows will be visible in Chicago and Montreal this year.

In spite of heavy snow and wintry blasts, I enjoyed all of my chapter visits. It is most reassuring to meet our fine girls and to receive good reports about them. They are campus leaders with high moral standards and high scholastic achievement, truly a credit to the Fraternity.

As always, many honors have been bestowed upon the Pi Phis. However, in this report, only Fraternity honors will be listed. The Amy Burnham Onken nominees from the chapters were as follows: Michigan Alpha—Patricia Becker; Michigan Beta—Patricia Scott; Michigan Gamma—Joan Daniels; Michigan Delta—Karen Klippert; Ontario Alpha—Susan Carter; Ontario Beta—Jane Shier. The Province nominee for the National Award was Karen Klippert. The Chapter Service Nominees were: Michigan Alpha—Judy Wolker; Michigan Beta—Elnora Smith; Michigan Gamma—Lynn Alford; Michigan Delta—Judy Dagenas; Ontario Alpha—Catherine Leahy; Ontario Beta—Patricia Washburn. The nominee for the National Award was Katherine Leahy.

Ontario Alpha is very comfortable in their newly renovated house which the Toronto Alumnae have provided for them. It is hoped that Pi Phis on their way to Montreal for Expo 67 will visit 200 Beverley Street. The Michigan Alpha Alumnae have been raising funds with which to build a new house in Hillsdale. Receipts to date have not kept pace with building costs but everyone keeps hoping for the happy day when construction can begin. Michigan Delta members are nearer their goal and with a bit of luck and more funds it is hoped that excavating ma-

chinery will be on their lot in Albion this summer. Our other chapters are very comfortable in their present quarters.

As my term of office draws to a close I know that I shall miss the contacts I have had with pledges, actives, alumnae and house mothers. Everyone has been so kind and helpful in my work as Province President. I appreciate the many hours given by the Alumnae Advisory Committee members and their devotion to the chapters. Our House Corporation members do an excellent job of providing pleasant living for the girls. The Province Fraternity Study and Examination Supervisor, Mrs. Symmes, the Scholarship Supervisor, Mrs. Hayes, and the Pi Phi Times Coordinator, Mrs. Converse have done a wonderful job this year. My thanks also goes to Mrs. Lauer, our State Membership Chairman.

It has been so nice to work with Mrs. Killins, Alumnae Province President and I do want to thank the Alumnae Clubs for their concern and support. They have worked so hard to assist the chapters who are hoping to build. They have made large contributions in money and have given gifts and goodies to the chapters. This year the Toronto chapters were given special President Pins as well as Helen Lewis Award pins. One of the Junior Groups is making Initiation Robes for one of the chapters. My only regret is that we can not all get together as a Province to celebrate Founders Day. School schedules just make it impossible.

Finally, I extend my grateful thanks to the National Officers and to the Central Office staff for their help. It has been a privilege to serve Pi Beta Phi for five years as Province President.

VIRGINIA LOSEE MEYER

ZETA PROVINCE PRESIDENT

With the beautiful Smokies as a background, the Gatlinburg Convention was thoroughly enjoyed by the Zeta Province officers and delegates. All of the chapter officers that attended felt that they had learned a great deal more about Pi Phi and had a new feeling to take with them to give to their chapters.

With this incentive and inspiration to guide them the chapter officers returned in the fall with high ideals. It is well that they did for Indiana Gamma and Indiana Alpha start their rushing season immediately upon return to school.

After a year of living in temporary quarters, Indiana Delta was delighted to be back in their enlarged and remodeled house. Indiana Epsilon returned to find their upper halls carpeted. Indiana Zeta and Beta had a few months to wait for rushing upon their return. Zeta at Ball State was thrown into a tizzy when they found their suite carpeting soaking wet the day before rush. However as usual Pi Phi angels came to the rescue and all was well when the rushees walked in the door.

Again this year part of my chapter visits were made during Indiana Summer and the chapters were filled with charming, capable, enthusiastic girls. For Province Presidents this is always the best time of the year—getting to meet the Pi Phis with whom she has been corresponding. At the same time meetings are held with the backbone of the chapters—the AAC. Each time I visit I am impressed with the intelligent girls and the loyal Pi Phis who give so many hours of their time as Alumnae Advisors.

State Day this year was held at Purdue in the large ball room of the Student Union. Over 500 Pi Phis were present to hear awards announced and hear each chapter sing their favorite song. It is the custom to present Province Awards at State Day, and it was my honor to present the Province ABO award to Barbara Weihmiller. The other

nominees were: Susan Dunn, Indiana Alpha; Lynda Glendenning, Indiana Delta; Marilyn Meyers, Indiana Gamma; Judy Herbst, Indiana Epsilon; Jackie Atkins, Indiana Zeta. The scholarship cup was awarded for the second year in a row to Indiana Beta.

The Chapter Service Award went to Susan Dunn, Indiana Alpha. The other nominees were Leigh Watley, Indiana Beta; Molly Megahan, Indiana Gamma; Molly Alger, Indiana Delta; Elizabeth Witler, Indiana Epsilon; Diana Edington, Indiana Zeta.

Peggy McQuiston Jay presented the Barbara McQuiston Memorial Award of \$500.00 to Diana Edington, Indiana Epsilon for graduate study in medicine or some related field. Zeta Province has had its share of honors in Queens, leaders, Mortar Boards, etc. Especially outstanding were Indiana Alpha, Laurel Vicari, Junior Class Queen; Indiana Beta, Jane Samuelson and Alice Gettlefinger, Mortar Board; Indiana Gamma, Marilyn Meyers, Outstanding Panhellenic Woman; Indiana Delta, Lyn Glendeing graduated with distinction, Candice Lichtenfels, graduated with highest distinction; Indiana Zeta, Rusty Mullen, Miss Ball State University; Indiana Epsilon, Jill Kneen, Head Varsity Cheerleader.

As in every province there have been problems through the year; however with the help of AAC and the ever helpful advice of Grand Council they were weathered through. With all of the chapters striving upward we are looking forward to our Centennial Convention with great anticipation. It has been a terrific experience for me to have been Province President. Everyone is so helpful and so truly Pi Phi sisters that I shall have many wonderful memories of terrific Pi Phis. It has been certainly a privilege to have served as Zeta Province President.

PATRICIA MELOY LEAKEY

ETA PROVINCE PRESIDENT

Having the 1966 Convention in Gatlinburg, in our own province, was an added thrill to the chapters of Eta Province. As usual, the inspiration of a convention seemed to carry over into better chapter organization and cooperation in the fall. The contact with other officers from chapters all over the country was a stimulating and valuable experience. Among the convention awards, Tennessee Beta received the Philadelphia Bowl, Susan Crowder of Tennessee Beta won the Ada Prentice Williams Chapter Scholarship Program Award, Tennessee Alpha and Tennessee Beta received Honorable Mention for Chapter Histories, and Virginia Graves of Tennessee Gamma received a California Alpha Scholarship.

All the Eta Province chapters held fall rush, and 150 girls were pledged in the six chapters, with 16 more added in spring rush. The number going out for rush has decreased on some campuses, but all chapters filled their quotas. Chapter scholarship ranking went up on every campus but one, with Tennessee Alpha and Tennessee Beta each in first place.

The Province ABO Award went to Robin Jennings of Tennessee Delta. Other chapter winners were: Ann Moon of Kentucky Alpha, Dane Bridgewater of Kentucky Beta, Dona Gray of Tennessee Alpha, Judy Carmack of Tennessee Beta, and Priscilla Davis of Tennessee Gamma. Janice Rothe of Tennessee Alpha won the Chapter Service Award for Eta Province, and other chapter nominees were: Carleen Crosier of Kentucky Alpha, Barbara Sprowl of Kentucky Beta, Nancy Manning of Tennessee Beta, Vir-

ginia Graves of Tennessee Gamma, and Ann Robinson of Tennessee Delta. The Memphis Sophomore Award went to Jane Denton of Tennessee Alpha. Never before has the choice of winners been more difficult, as there were so many outstanding nominees, and each had contributed so much to her chapter. Other honors are too numerous to list individually, but were widely representative of all campus activities, with members chosen for Phi Beta Kappa, Phi Kappa Phi, Mortar Board, Tassel, Who's Who, numerous class and departmental honoraries, head cheerleaders, dorm presidents, a Homecoming Queen, a Military Queen, class officers, a Panhellenic president, editors, student government officers, a Beauty Queen, and numerous officers and chairmen of campus organizations and fraternity sweethearts. I am proud of all the accomplishments of the chapters.

It has been a privilege and a rewarding experience to work with the chapters of Eta Province. They are a wonderful group, and I never cease to be amazed at the talents and accomplishments of today's college girls. I am deeply grateful for the counsel and assistance of the Grand President and other Grand Council members, Directors, National Committee Chairmen, and Central Office; and for the loyal and faithful service of all the devoted Pi Phis who serve on AAC's, House Corporations and Alumnae Clubs. My warmest thanks to all who have worked for the good of our province.

MARGARET PROCTOR GARRECHT

THETA PROVINCE PRESIDENT

Another year has rolled around and it is now time to evaluate the fine accomplishments of the girls in each chapter of Theta Province. This year has been a very rewarding one. I am proud of the way my girls have strived to make their chapter the best on campus and to uphold the ideals of Pi Beta Phi. In every instance, they have done just this. The theme of the year was working toward our Centennial Convention. This was foremost in our minds and the officers have worked diligently to prepare themselves for this big occasion. I made all my official visits in the Spring this year, in order to work with my delegates. My first visit was to Florida Beta. I am happy to say that at long last they have sold their house and hope to start building their beautiful new one in June, making it ready for occupancy in the fall of 1968. Florida Beta has maintained high scholarship throughout the year and these girls have had more than their share of honors.

My next visit took me to Florida Gamma. This chapter is by far the most outstanding chapter on the Rollins campus. Their President, Lynn Fort has done a magnificent job and the way this chapter has shaped up in every phase of fraternity life is unbelievable. The spirit and unity they have gives me a warm glow.

Florida Alpha was next on the agenda and these girls have improved their scholarship greatly this year and have taken a wonderful pledge class which has enhanced this chapter. They had to elect a new president at the beginning of the year and this is always hard, but she has been doing a good job with these girls.

Georgia Alpha has done a fantastic job this year in many areas. They filled their quota at rush and have entered into many, many activities on campus. The Dean of Women is very pleased with the progress this chapter has made this year. They have fine officers to lead this chapter and they work very hard to do their jobs.

In April I visited Alabama Alpha. This chapter still maintains first on campus in scholarship and activities. They have an outstanding officers workshop which to me is the secret to the fine work this chapter does all year. Their officers are well trained in every phase of fraternity life.

I had the pleasure of staying in the beautiful new Pi Phi house at Alabama Beta. I wish everyone could see this lovely home. The girls are very proud of this and Pi Phi maintains a very high place on the University of Alabama campus. The honors and activities of this chapter are unbelievable and they are working very hard to keep this place.

My last visit was made to Alabama Gamma. This year they brought their scholarship from thirteenth place to third and have maintained this rank for three consecutive

quarters. They won the Derringer Bowl this year. I left with many of these girls for Montgomery on April 29th for Alabama State Day. This was a gala occasion. The Montgomery Alums had a large luncheon at the Country Club with over two hundred actives and alumnae present. Each of the Alabama chapters did a part of the Founder's Day program and it was beautiful. I gave out the ABO Certificates and Chapter Service awards. This is always a pleasant task.

Each chapter has had more than their share of honors in scholarship, activities, beauty queens and fraternity sweethearts. The girls who were nominated for the Amy Burnham Onken award were: Patricia Graybill, Alabama Alpha; Susan Price, Alabama Beta; Kandace Walker, Alabama Gamma; Barbara Warthan, Florida Gamma; Kitty Morris, Florida Alpha; Elizabeth Ann Greer, Georgia. Elizabeth Ann Greer of Georgia is the Theta Province ABO nominee.

Those nominated for the Chapter Service Award were: Ann Howard Fenn, Alabama Alpha; Linda Burdette, Alabama Beta; Cheryl East Francis, Alabama Gamma; Susan Rickett, Florida Beta; Dianne Gussman, Florida Alpha; Sabra Whiting Shannon, Florida Gamma; Mary Olsen, Georgia Alpha. Cheryl East Francis is the Theta Province nominee.

The Jacksonville Alumnae Club silver tea tray went to Florida Beta. Without our Alumnae Advisory Committees, House Corporations and alumnae clubs over three states this fine year could not have been accomplished. My sincere thanks to Annette Mills, Province Scholarship Advisor, Ruth Arnold, *Pi Phi Times* Coordinator, Barbara Robinson, Fraternity Study and Education for all the help they gave me and the chapters this year.

It has been pleasant and very rewarding to have worked with my AAC Chairmen and so my deep appreciation for all you have done goes to Jean Curry, Alabama Alpha; Cecile Horton, Alabama Beta; Jan Gober, Alabama Gamma; Sis Mullis, Georgia Alpha, Sue Hilton, Florida Alpha, Myrtle Aase, Florida Beta and Dianne Highes, Florida Gamma.

My very deep appreciation to all of Grand Council for their help and last but certainly not least, I thank all of my girls in Theta Province for their hard work and cooperation with me in all that we have endeavored to do. We have had some rough spots, but we always worked it out. This has been a wonderful year in every way and it is still a great privilege for me to work with such outstanding girls and to serve Pi Beta Phi as Theta Province President.

MARIAN HEPER WING

IOTA PROVINCE PRESIDENT

The excitement of Centennial Year hovers over Iota Province. With Holt House in our area, and with the Convention in Chicago, Pi Beta Phi and its first 100 years have been uppermost in our thoughts this year.

My chapter visits were made in February, March and first week of April this year. Having been at Convention with all the first semester presidents, I felt it would be of more value to the chapter and to me to visit after elections. Since this was my third year of chapter visits, at each chapter it seemed as though I was returning to visit old friends rather than just to make a formal, official visit. Suggestions and advice are eagerly considered and accepted by both the girls and the alums who work with them. The members of AAC and House Corporations in this Province are all excellent, hard-working and devoted Pi Phis who have won the love and respect of the chapter members.

Selected as Iota Province winner of the ABO Award

was Kathy Grady, President of Illinois Eta. Other outstanding nominees were: Judith Sission Hawley, Illinois Beta-Delta; Liz McPike, Illinois Alpha; Lynn Zimmerman, Illinois Epsilon; Jan Koenig, Illinois Zeta; and Cheri Raber, Illinois Theta. Karen Surgalski of Illinois Zeta was selected as Province winner of the Chapter Service Award. Other nominees were, Edith Isaacson, Illinois Alpha; Jan Sanford, Illinois Beta-Delta; June Hetler, Illinois Epsilon; Nancy Freischlag, Illinois Eta; and Phyllis Sharp, Illinois Theta. Karen Koerper of Illinois Alpha was selected by the Arlington Hts. Alum Club as the Outstanding Sophomore in Iota Province. Choosing one winner for these awards is virtually impossible as each of the girls is an outstanding leader and Pi Phi.

We have innumerable honors in each chapter, both individual and collective. We have many members of Mortar Board, including the presidency of two; president of

Shorter Board, many *Who's Who*, 2 Panhellenic presidents and many members of campus honoraries. On each campus, our members hold key positions in Student government, student-faculty governing committees, campus productions, yearbook and newspaper staffs, and each group has many Freshman counsellors and members on the Dean's List. Needless to say, we have many queens and fraternity sweethearts and two girls who were selected as "Greek Goddess" during Greek Week on their respective campuses.

I feel the main areas of improvement in our Province have been: (1) improved active-alum relationship; (2) im-

proved scholastic attitudes; (3) increase in sensible activity participation and representation on campus; (4) higher requirements for pledging which in turn is resulting in a higher percentage of initiation.

As we happily enter our second 100 years, I would particularly like to extend my appreciation to Grand Council. It is very comforting to know that their helping hands are just a letter or a phone call away. Certainly our Founders would be most proud of these gracious ladies who devote so much time and talent toward perfecting what already must be THE perfect Fraternity.

ELIZABETH F. HILL

KAPPA PROVINCE PRESIDENT

1967, Pi Beta Phi Centennial Year and also Canada's Centennial Year, was appropriately opened by our Grand President, Alice Webber Johnson, accepting Manitoba Alpha's invitation to visit Winnipeg January 8th to initiate the pledges who would be the first new actives of our second hundred years.

1966-67 has been a year of accomplishment, honors, growth, and joy; on some campuses, administrative pressures for local autonomy for Greeks present problems.

Our two Canadian chapters, Alberta Alpha and Manitoba Alpha, are first in scholarship on their campuses. Examples of other chapter accomplishments are; Minnesota Alpha Pi Phis teamed with SAE and won First Place in Skit and Second Place in All Par for Campus Carnival. North Dakota Alpha invited all Manitoba Alphas to spend a week-end in the Pi Phi house at Grand Forks; from the many enthusiastic comments in letters following this event, it was a memorable success. Wisconsin Alpha placed First in Homecoming Displays, 2nd in Overall, had the Homecoming Queen, placed First in Original Choreography in Humorology, and 3rd in Overall for Winter Carnival. Wisconsin Beta won Derby Day and had the Derby Day Queen. Wisconsin Gamma achieved a 1.995, (A = 3), bringing the chapter standing from 5th out of 5 to 2nd place in Kappa Province was visited in the Fall by Mrs. R. H. Donaldson, National Historian. Everyone enjoyed her friendly personality, warm Pi Phi spirit, and perceptive help. I made my official visits in the Spring and was delighted to be with the actives and pledges and to greet old and new friends among the alumnae.

The hardest part of being Province President is selecting Province winners from the fine nominees for Amy Burnham Onken and Chapter Service Awards. The 1967 Kappa Province A.B.O. nominee is Karol Konrad of North Dakota Alpha. Other chapter nominees are; Jean

Fishbeck, Wisconsin Alpha; Kathi Austin, Wisconsin Beta; Mary Sue Dillingofski, Wisconsin Gamma; Grace Hall, Manitoba Alpha; and Maryann McFadden, Minnesota Alpha.

Kappa Province Nominee for Chapter Service Award is Barbara Shelford, Manitoba Alpha. Other chapter nominees are; Greta Smith of Wisconsin Alpha, Nancy Milne of Wisconsin Beta, Susan Miller of Wisconsin Gamma; Judy Olson of North Dakota Alpha; Sandra Knapp of Minnesota Alpha, and Margaret Penn of Alberta Alpha.

It is heartwarming to know these fine young women. Many other honors have come to Kappa Province Pi Phis. My congratulations go to all who have been elected to chapter offices, to campus positions, and who have received honors.

It is with the most sincere gratitude that I thank all Grand Council members for their kind and loving help. The Kappa Province officers who have been loyal and devoted workers are; Scholarship Chairman Marjorie Blackburn Bjornstad, Chairman of Fraternity Study and Examination Alice Brown Larsen, Chairman of Pi Phi Times Jane Mueller Burdick. Many thanks go to them, as well as to the diligent AAC and House Corporation members and to the many alumnae who serve chapters and enjoy Pi Phi contacts.

Kappa Province welcomes the new members of Grand Council, to be elected in June. To Alice Webber Johnson, Grand President; and to Olivia Smith Moore, Grand Treasurer, who will retire from office, we express our hearty thanks for years of devoted service. You have been an inspiration to all of us as examples of the finest Pi Phis. To you, and to the new Grand Council our sincere best wishes.

CONSTANCE FEGLES ADAMS

LAMBDA PROVINCE PRESIDENT

As my term as Province President of Lambda draws to a close I realize how much I shall miss the many friends I've made on my visits to the nine chapters. I have thoroughly enjoyed and appreciated the hospitality of actives, alumnae and house mothers. I know my Pi Phi travelling companion and chaffuer, Emma May Giger, who accompanied me on three of my visits will agree with this. I deeply regret that family obligations and the time element forced me to cancel trips to Arkansas Alpha and Missouri Gamma this April.

My conferences with the various Deans of Women and Panhellenic Advisors confirmed in my mind that Pi Phi chapters are held in high esteem on every campus in Lambda Province.

The official chapter visits made by Evelyn Peters Kyle, G. V. P. of Philanthropies, and Orpha O'Rourke Coenen, Director of Scholarship last fall proved most beneficial to

Louisiana Alpha and Beta, Mississippi Alpha and Beta, Arkansas Alpha and Beta and Missouri Gamma.

This year was marked by a number of accomplishments and a definite improvement in scholarship in most all chapters. Every Lambda Chapter is represented on Mortar Board or its equivalent, *Who's Who* and most are included on other class honoraries. Added to this, Pi Phis are providing leadership in a diversity of campus activities from Student Government to Class Officers. Each year I think there are more queens and sweethearts than ever, but I do believe this year tops them all. The honors and other achievements of these nine chapters are too numerous to list, but every chapter has reason to be proud of their individual members.

Chosen for special recognition by their chapters as nominees for the ABO Award were: Mary Denker, Arkansas Alpha; Sara Wynn, Arkansas Beta; Virginia Villamez,

Louisiana Alpha; Anne Krisom, Louisiana Beta; Nancy Hathorn, Mississippi Alpha; Sandra Smith, Mississippi Beta; Minta Hash, Missouri Alpha; Virginia Glover, Missouri Beta; and Sahnn Johnson, Missouri Gamma. Selections for the Chapter Service Award nominees were: Harriet Hubbard, Arkansas Alpha; Carol McLaughlin, Arkansas Beta; Vicky Hammond, Louisiana Alpha; Lynn Wilson, Louisiana Beta; Louise Bailey, Mississippi Alpha; Maureen O'Rourke, Mississippi Beta; Susie Glenn, Missouri Alpha; Barbara Braun Mitchell; Missouri Beta; and Leslie Day, Missouri Gamma. I am proud to announce that Sahnn Johnson of Missouri Gamma won the coveted Province ABO Award while Carol McLaughlin of Arkansas Beta received the Province Chapter Service Award. The winner of the St. Louis Sophomore Award this year was Sharyn McDowell of Louisiana Beta.

The only change in housing developed when Arkansas Beta happily moved into their larger house on the lot owned by the House Corporation. All the other chapters were pleased with the various improvements and redecorations accomplished in their quarters.

I was most fortunate to be able to attend two State Days as guest speaker, one in Hattiesburg, Mississippi for Mississippi State Day and the other (a first) in Columbia,

Missouri for Missouri State Day. Both were delightful and well planned.

Anti-fraternity pressure continues to harass Louisiana Alpha at Sophie Newcomb where deferred rush is a threat for 1968. Again a faculty committee has requested a statement by Panhellenic Council on membership policy.

The opportunity to serve as Lambda Province President for five years has been an honor. I am deeply grateful for the spirit of cooperation and support shown me from the chapter officers, chairmen and the entire membership. A president can accomplish little without this. I urge every member to continue to do her part in her chapter so that in the future success will be assured, for while Lambda chapters have made progress during the past year, a few problems remain to be solved.

I wish you all the very best.

My sincere and special thanks go to all loyal AAC members, Alice Johnson, her secretary, Sally Schulenburg, Sally Hunt, Lambda APP, Ruth Ann Edwards, Director of Central Office, Caroline Barrere, her assistant and my right arm, and indeed all members of the Central Office staff who have so generously assisted me and made my work easier and more pleasant.

MADELEINE C. LAFON

MU PROVINCE PRESIDENT

This has been another wonderful and happy year for the eight chapters of Mu Province. Our year really began with Convention in scenic Gatlinburg, Tennessee. As usual, every Pi Phi alum, chapter president, or active member, fortunate enough to have attended Convention, went home inspired and proud of their national officers, and determined to improve standards, ideals, and records of their chapters.

Our province was very pleased as national awards were presented. Lynette Berg of Kansas Alpha was awarded a Pi Phi Fellowship; Kansas Alpha received Honorable Mention for Pi Phi Times Award and Honorable Mention for Chapter History Award; Iowa Alpha won the Settlement School May L. Keller Award. The Nita Hill Stark Vase was awarded to Iowa Gamma and historians Lori Krebs and Pamela Woodstra; Kansas Alpha shared the Alice Weber Johnson Bowl; and the new Olivia Smith Moore Silver Slipper Award was proudly claimed by Nebraska Beta. It was my pleasure again to receive a "Little Pigeon," awarded by Settlement School Chairman Dorothy Coleman Thorman for all chapters' continued loyal support.

It is almost impossible to single out one girl from the outstanding Pi Phis nominated for the Amy Burnham Onken Award, but the Province is very proud of Jeanne Burgardt from Kansas Alpha who received the nomination.

Other outstanding girls honored by their chapters for this coveted award are: Elizabeth Davenport, Iowa Alpha; Anne Ogen, Iowa Beta; Susan Eisele, Iowa Gamma; Mary Shantz, Iowa Zeta; Ashley Allison, Kansas Beta; Diane Focht, Nebraska Beta; and Jan Hyldahl of South Dakota Alpha.

We are also proud, and most grateful to all the seniors who were honored by their Alumnae Advisory Boards as candidates for the Chapter Service Award: Leigh Livsey of Iowa Alpha; Carla Johnson of Iowa Beta; Vivian Voelker

of Iowa Gamma; Rene Ross of Iowa Zeta; Barbara Norton of Kansas Alpha; Martha Crane of Kansas Beta; Connie Petersen of Nebraska Beta; and Sandy Smit of South Dakota Alpha. Martha Crane of Kansas Beta received the nomination.

Chapter visits, as usual, were a source of great joy and most rewarding, for every chapter continued to be cooperative and a real credit to Pi Beta Phi. The warm hospitality and friendship extended to me by actives, chaperones, and devoted Advisory Boards was greatly appreciated and will long be remembered.

Scholarship has received great concentration in each chapter, and we all are very proud of the results. I am certain the girls feel as I do, that Lucille C. Bostwick, Mu Scholarship Supervisor, deserves a big "Thank You" for her assistance.

Celebrating Founders Day and our 100th year was a special occasion in all chapters with special guests National Panhellenic Delegate Dorothy Morgan, National Supervisor of Chapter Histories Rose Dressler, alumnae, and many fifty year Pi Phis.

Mu Province was charmed and honored this year by a visit from Rose McColloch Dressler.

It would be impossible to enumerate the impressive list of Who's Who in American Colleges, queens, Mortar Boards, Phi Beta Kappas, Qui Est, fellowships, A.W.S. leaders, class officers, etc., but each chapter has good reason to be proud of its members. Their finest compliment comes from Deans of Women on each campus. All have great respect for Pi Phi leadership, dependability, and contributions to each campus.

Being Mu Province President has been a great pleasure and has given me many, many cherished memories for which I am most grateful. I am also grateful to our Grand President Alice Weber Johnson and Grand Council for their wise leadership and unending devotion.

BETTY SUMMERWILL KOZA

NU PROVINCE PRESIDENT

After the Convention Workshop in Gatlinburg in June the Chapter Presidents could not wait to introduce new ideas and innovations to their chapters. Everyone went away from Gatlinburg with a storehouse of ideas. This

year the tempo of our Centennial Year is reflected in Nu Province. We all get "starry eyed" when we think of our 100th Anniversary.

The continuance of our fraternity and the ideals of Pi

Beta Phi are evident in the untiring service and decisions of our beloved Grand Council members. They are appreciated by us all. Thanks also goes to our fraternity directors, committees and alumnae clubs. Other strong links in our chain are the alumnae advisory members and our active members.

Chapter visits to Oklahoma Alpha, Oklahoma Beta and Texas Alpha were made by our Grand Secretary, Mrs. Morell Gross; visits to Texas Delta, Texas Gamma and New Mexico Alpha by Mrs. Kent Morgan, our National Panhellenic Conference Delegate and President elect. Mrs. Henry Moore, Jr., Grand Treasurer, visited Texas Beta.

In the fall I visited Texas Gamma and New Mexico Alpha, and in the spring Texas Alpha, Oklahoma Beta, Oklahoma Alpha, Texas Delta and Texas Beta. Chapter visits are a rewarding experience. The girls possess high ideals and you know Pi Phi will continue for another century.

Good scholarship and campus activities are stressed. Chapters list individual members of Phi Beta Kappa, Phi Kappa Phi, Mortar Board and other honoraries. Three chapters had a member of *Who's Who*. Leadership is represented on campus with officers in AWS, BSO, Student Senate and similar student government organizations. We are also represented with queens, yearbook beauties, cheerleaders and sweethearts.

Chapters contribute to philanthropic projects, and individually many contribute time to tutoring or reading to the elderly or blind. They are recognized for service and friendship. Time is also found for dating, social events and attendance at cultural events on campus.

Holly Kinkade of Oklahoma Alpha received the ABO Province Award. The other nominees were Mary Louise Kinne, New Mexico Alpha; Carla Gaither, Oklahoma Beta; Joan Amacher, Texas Alpha; Martha Pitchford, Texas Beta; Joybell Die, Texas Delta; Nan Faulkner, Texas Gamma.

Chapter Service nominees were Karen Abraham, New Mexico Alpha; Sharon Ansley, Oklahoma Alpha; Susan Scheffel, Oklahoma Beta; Leann McKenzie Larkin, Texas Beta; Celia Roberts, Texas Alpha; Mary Rebecca Gracey, Texas Gamma. Sharyn Martin of Texas Delta received the Province Award.

Special recognition goes to Oklahoma Alpha. Thirty-seven pledges, the entire pledge class, made their grades for initiation.

Good leadership makes for a strong chapter. We have members with great potentials and Nu Province looks to the turn of the century to the continuance of Pi Phi high endeavors.

DOROTHY JONES BIRDWELL

XI PROVINCE PRESIDENT

A few days at the June Convention-Workshop in Gatlinburg provided actives and myself as well with a wealth of new ideas and enthusiasm. Getting acquainted with Pi Phis from other chapters made everyone realize the importance of Pi Beta Phi from a province point of view.

With the Gatlinburg enthusiasm running high October brought news of many, many new and wonderful pledges. What a delight to meet these wonderful new Pi Phis on my chapter visits.

Capable Mrs. Robert Severs is finishing her first year as Scholarship chairman in this province. With her constructive help several chapters have been tops in campus scholarship. Actives, pledges and their scholarship chairmen are to be complimented for their hard work in this most difficult but rewarding area of Pi Phi work. We are aiming for even better results next year.

Visits to the chapters were delightful experiences. I appreciate the way in which the officers work with the chapters and the way they have all worked with me this year. The AAC members, housemothers and actives could not have been more friendly or cooperative. How wonderful to see these valuable, happy relationships being formed and knowing that they will continue to grow more fruitful and endearing as Alumnae and actives further the goals and ideals of our founders of a hundred years ago.

The Xi Province winner of the Amy Burnham Onken award for this year is Caren Coffman of Colorado Beta. There are so many wonderful girls nominated it is always hard for the committee to make a final decision. Other

nominees were: Colorado Alpha, Barbara Bate; Colorado Gamma, Susie Betts; Montana Alpha, Judy O'Donnell; Utah Alpha, Laraine Segal; Wyoming Alpha, Suzanne Armstrong.

The Xi Province Chapter Service award winner was Judy Burton of Utah Alpha. Others nominated by the Alumnae Advisory Committees for outstanding service to their chapters were: Colorado Alpha, Nancy Mates; Colorado Beta, Marty Hillner; Colorado Gamma, Marilyn Berry; Montana Alpha, Dee Veillieux MacDonald; Wyoming Alpha, Suzanne Armstrong.

It has been a most thrilling experience to find the mailman bringing glowing reports of the many activities and KEY positions occupied by actives on their respective campuses. Not only have honors been bestowed on Juniors and Seniors but Freshmen and Sophomores as well have been granted memberships in campus honoraries. Crowns have graced the heads of numerous Xi Province actives throughout the year. We're truly proud of our Mortar Boards, Pi Beta Kappas, Class officers, Outstanding Campus Women, Sweethearts, and members of numerous honoraries.

It has been a real honor to be a member of the "official family" and to observe first hand the wonderful dedicated AAC's; House Corporations; local Alumnae who all continue year after year giving constructive help to the active chapters. A special and heartfelt thanks to the National Officers and the wonderful support which is ever available.

JEAN RANSBOTTON KARR

OMICRON PROVINCE PRESIDENT

As Pi Phi starts its second hundred years it is important to note that the trends on many campuses will call for greater growth and strength in our fraternity. With less regulation from the universities as to women's hours and housing, our chapters must rise to the challenge of keeping the standards of Pi Phi high. This challenge I am confident they will meet as their leadership is strong and their goals are worthy.

Upon the completion of a most successful rush the

eight chapters of Omicron Province started off their year with a Province Conference, inspired and planned completely by the active members and hosted by Washington Alpha. There were about seventy-five members and pledges participating in the exchange of ideas and the fun of new Pi Phi friendships. It was a new experience and all felt a worthwhile one. Because of the convention in Gatlinburg and the Province Conference, it was decided that chapter visits should be delayed until after the election of new

officers so my impressions for the first half of the year were based solely upon the excellent reports from chapter officers. I felt, then, that this was going to be another banner year for Pi Phi, and it has been borne out as each month brings word of new honors, new queens, new campus offices. When I did make my chapter visits, I was again impressed by how fortunate we are to have these fine young women as members, not only those who enjoy outside recognition but also those who deserve our recognition for being loyal dedicated sorority women.

Amy Burnham Onken Award nominees were: Mike Skok, Idaho Alpha; Nancy Greenfield, Oregon Alpha; Sally Woodard, Oregon Beta; Nancy Hall, Oregon Gamma; Kathy Olsen, Oregon Delta; Judith Haig, Washington Alpha; Diane Miller, Washington Beta; Libby Brown, Washington Gamma. Libby Brown was chosen as the province nominee, and it is of interest that her sister won this same award in 1963.

The work of a Province President would be impossible without the wonderful co-operation of the AAC. I want to thank all of those with whom I have worked these last three years and to say how much we all owe them for the endless hours and help and advice. Their nominations for Chapter Service Award were: Camilla Good, Idaho Alpha; Sally Williams, Oregon Alpha; Patty Hammond, Oregon Beta; Julie Branford, Oregon Gamma; Raylene Soika, Oregon Delta; Claudia Moyer, Washington Alpha; Pam Tay-

lor, Washington Beta; Janie Nelles, Washington Gamma. Congratulations to Claudia Moyer for being the province nominee.

Carole Cooke Jones deserves our thanks for her untiring efforts as Province Scholarship Supervisor. Carole felt she had to resign this year, and she will be missed, but her duties are being ably taken over by Marjorie Brake Butcher, a new comer to Bellevue, Washington from Phoenix, Arizona. Thanks, too, to Karen Falk, Supervisor of Fraternity Study and Education. These jobs don't entail the inspiration of chapter visits, so both loyal Pi Phis should be particularly commended for their work.

I am sure that all Founder's Day celebrations this year were particularly memorable. I was privileged to attend two, one in Portland and the other in Salem, Oregon. Unfortunately, I couldn't be at Corvallis where they had the double pleasure of celebrating Founder's Day and the fiftieth birthday of Oregon Beta. I am sure, though, that I wasn't missed because they had as their special guest, along with the charter members, our Grand President, Alice Johnson.

In conclusion, I would like to express my appreciation for this opportunity to serve as a province officer. It is a rare privilege to work with the actives, the alumnae and the national officers. It has been an experience which I shall cherish.

ELIZABETH TURNER ORR

PI PROVINCE PRESIDENT

It was a good year, that wonderful Centennial Year for Pi Beta Phi, for Pi Province, representing the states of California, Nevada, and Arizona. It was also thrilling to think that two chapters, Arizona Alpha and California Gamma celebrated their fifty years of chartering this same year that all of us are celebrating double that for national chartering. Nevada Alpha celebrated their fifty year birthday in 1965 and California Beta, our oldest chapter, will be sixty-seven years chartered in August of '67.

At San Diego, Epsilon chapter, negotiations were completed for signing the certification clause in the summer of 1966, so with the fall term once again the Pi Phis were recognized as an official group on campus. Their problems of recognition from the university certainly hadn't hurt them, for in the fall semester this chapter ranked in second place in scholarship on campus. Arizona Beta and Nevada Alpha both held the rank of second on their campuses too for the first semester of 1966-67. It is highly possible that there will be other high rankings from the University of California system for the year also, but with the change-over from semester to quarter system the computers do not seem to be as smart as the students—they still are behind in giving out rankings for the first quarter on some of the campuses!

Our Grand President, Mrs. Johnson, was the national visitor at three of our oldest chapters this year—California Beta, Nevada Alpha, and Arizona Alpha. All felt extremely privileged to be visited by her in the last year of her active service to the fraternity as President. Mrs. Andrew Coenen gave added scholarship incentive to California Gamma, Delta, Zeta and Epsilon when she shared our California sunshine in February, while Mrs. Kent Morgan returned to visit our Sweetheart chapter, Arizona Beta, the chapter chartered on Valentine's Day two years ago.

In April Mrs. Morgan was the keynote speaker for

hundreds of Pi Phis celebrating our Centennial year at the Beverly Wilshire Hotel under the sponsorship of the Southern California Area Council. At this time the Amy Burnham Onken province winner, Margie Uhalde of Nevada Alpha, and Suzanne Knoll, California Epsilon, province winner of the Chapter Service Award were given recognition, along with individual chapter winners. Credit was also given at this time to the several chapters who won awards at the Gatlinburg Convention: Nevada Alpha, the Vera Moss Bowl and Westchester Club Award; Arizona Beta, Historian's Cup; California Zeta, Fraternity Education Award, runner up in *Pi Phi Times* Award and Honorable mention in Chapter History Award.

Pi Phis reigned as Homecoming Queens at Arizona State, and San Diego State, as well as Rodeo Queen at Nevada; Interfraternity Council Queen at University of California at Los Angeles; Easter Relays Queen at University of California at Santa Barbara; and Helen of Troy Princesses at University of Southern California.

At all three campuses of the University of California, Berkeley, Los Angeles, and Santa Barbara, scholarship chairmen tried to smooth over the transition from semester system to quarter system, which took place on these campuses, and in spite of the confusion, found that scholarship did improve in all instances.

Improvement in all phases of achievements characterized Pi Province as they went into the Centennial Year and as the school year comes to a close it is with satisfaction one views the awards and honors that are being awarded to all chapters. Also, it is heartwarming to realize that each chapter will be represented at convention, the 100th one, with both delegate and alternate, and in some cases, three or four other chapter visitors. It is such enthusiasm which brings all challenges to such a rewarding attainment, attainment evident in the eight chapters of Pi.
