The Grand President reviewed each Pi Beta Phi chapter with the members of the Grand Council.

The Grand Alumnae Vice President reported in the year four alumnae clubs were lost and there were four new alumnae clubs formed. There were four alumnae province presidents resigned.

The Grand Vice President of Philanthropies announced that Lucille Woodworth is the new Director of Arrow in Smokies and the manager of Arrowcraft Shop.

The following action was taken by the Grand Council:

That, In the absence of a chartered Alumnae Club a Sponsorship committee may be formed wherever there are three to nine Pi Phis residing in an area. Each member of this Sponsorship Committee shall pay two dollars annual alumnae dues. The Committee shall have authority to sponsor rushees and shall have the right to issue consents to bid for membership into Pi Beta Phi.

That, the Grand Treasurer, Louise Rosser Kemp, attend the meeting of the Board of Governors in Gatlinburg, Tennessee in July since the new Grand Vice President of Philanthropies, Orpha O'Rourke Coenen, cannot attend.

The plans for the Leadership Workshop in August in Knoxville, Tennessee were reviewed. The personnel at the workshop will be the Grand Council, Directors, Province Presidents, Alumnae Province Presidents, chapter presidents, Alumnae Advisory Committee chairmen and chapters have the privilege of sending their pledge supervisor, vice president or membership chairman. There will also be other na-

tional officers in attendance. The awards will be given and the scholarships announced. A trip to Gatlinburg for everyone is on the agenda.

The Grand Council reviewed the plans that have been made for the 1969 convention in Pasadena, California. More decisions on the convention will be made at the fall meeting of the Grand Council.

Since some of the provinces are too large, preliminary work was done on redistricting the provinces. This will mean new officers so the final redistricting will be announced at a later date.

The reports of the Grand Vice President, Grand Alumnae

Vice President, National Panhellenic Conference Delegate, Grand Treasurer and Grand Secretary were reviewed. These reports were filed for inclusion in the Information Issue of *The Arrow*.

The Grand President, Dorothy Weaver Morgan, installed Evelyn Peters Kyle as Grand Vice President, Orpha O'Rourke Coenen as Grand Vice President of Philanthropies and Helen Boucher Dix as National Panhellenic Conference Delegate.

Following the closing ritual the Grand President adjourned the meeting on May 24, 1968.

FAY MARTIN GROSS, *Grand Secretary*

## INTERIM MEETINGS OF THE GRAND COUNCIL

An interim meeting of the Grand Council was held in Clayton, Missouri September 25th through 29th 1967, in conjunction with the Officers' Workshop. The Grand President, Dorothy Weaver Morgan, presided over all meetings. The meeting was opened with the ritual. All members of the Grand Council were in attendance. The National Convention Guide, Helen Anderson Lewis, and the Director of Central Office, Sally Perry Schulenburg, were present to give reports.

Each officer gave a brief report on what she had been doing since convention and what goals she has for the year ahead.

Plans were discussed for the August 1968 Leadership Workshop to be held at the Andrew Johnson Hotel in Knoxville, Tennessee. Also, the plans that had been made for the 1969 convention to be held in Pasadena, California.

Grand Council reviewed campus situations, rushing, drinking policy and the letter on standards to be sent to the parents of the actives.

Mr. James Hopper of Ernst & Ernst gave a summary of the financial condition of the fraternity and the Grand

Treasurer's Funds from the June 30th, 1967 audit.

The meeting was adjourned and the closing ritual was observed.

An interim meeting of the Grand Council of Pi Beta Phi was held in New Orleans, Louisiana, November 6th and 7th, 1967, after the National Panhellenic Conference Meeting. The Grand President, Dorothy Weaver Morgan, presided over all meetings. All members of the Grand Council were in attendance with the exception of the National Panhellenic Conference Delegate, Alice Weber Johnson. The Director of Central Office, Sally Perry Schulenburg, was also present. The meeting was opened with the ritual.

The Grand Council reviewed the Directors reports, individual chapters, organization of Art & Crafts School and the Board of Governors personnel.

The plans were worked out for the installation of West Virginia Gamma at Bethany College, Bethany, West Virginia on March 2, 1968.

The meeting was adjourned and the closing ritual was observed.

FAY MARTIN GROSS, *Grand Secretary*

# Annual Reports of National Officers

## GRAND PRESIDENT

An annual report serves several purposes. It is an official record of the fraternity year and of the officer's work. It must also review and analyze the failure or accomplishment to attain the goals as set forth in the I.C. and Pi Beta Phi preambles to the constitution—"to cultivate sincere friendship . . ." and "to secure the intimate association and mutual cooperation of the membership in moral, mental and social advancement."

The intention of the Founders was clearly that Pi Beta Phi should exert a rich refining influence on the members carefully chosen for friendship's sake, excellent character, good scholarship and congeniality. The immediate past Grand President and the Grand President, then serving as National Panhellenic Conference Delegate, outlined in 1967 at the Centennial Convention the needs and chief goals of the current fraternity year necessary to promote the intention of the Founders as related to the increase in membership and the changes on college campuses a century later. The continued growth of the fraternity is indicated in the statistics of June, 1968. With 2,785 members initiated this year the total number of initiated members is now 94,414. Pi Beta Phi's 112th active chapter was installed at Bethany College, Bethany, West Virginia in March, 1968. The Grand President is indebted to the Grand Secretary who serves as the Director of Extension, the Grand Alumnae Vice President (now the National Panhellenic Conference Delegate) and the Director of Rush for assuming the duties of the installation.

The intellectual atmosphere of the chapters is a primary goal of Pi Beta Phi. 87 of the 112 chapters maintained an average well above the all women's average this past year. A count in recent ARROWS of Phi Beta Kappas, Phi Kappa Phi and similar honoraries, and the number of members chosen for Mortar Board and positions of responsibility in campus government and worthy activity organizations illustrate continued leadership by undergraduate members.

The growth of the fraternity requires an added core of volunteer alumnae officers. The Grand Alumnae Vice President has directed the work of the several Directors giving added assistance to clubs. Under the supervision of the Grand Vice President, the other National Directors have aided in providing new programs and services for chapters.

Pledge Education has been directed for the first time by an officer giving full attention to chapter Pledge Programs. With the Director of Pledge Education working with the Director of Chapter Programs and the loyal province committee members, Fraternity Study and Education has been reviewed and revitalized with an awareness of the maturity of the present day college student. Membership Selection and Rush have been given added depth with the aid of Directors for each phase of these two important areas.

The National Directors of Scholarship, House Corporations and Alumnae Advisory Committees continue to offer creative services to these previously well established fraternity programs.

The history of the Fraternity has been recorded and cherished under the capable direction of the National Historian, the Supervisor of Chapter Histories, the ARROW editor and the Grand President Emeritus.

In the past several bienniums undergraduate members have requested added assistance in the area of standards. Under the newly elected Director of Standards guidelines were presented to chapters and to all Pi Beta Phi parents. Some of the stimulating responses are recorded in the 1968 summer issue of the ARROW and need not be here detailed. This program will continue to be refined and emphasized in 1968 and 1969.

Standing Committee members of the fraternity, although

too often unsung, are the firm foundation of a vast amount of work. The Nominating committee's assistance has been invaluable in providing dedicated personnel for *Pi Phi Times*, Scholarship, FS&E, Transfers, Music and Chaperone committees. The philanthropies of Pi Beta Phi—Holt House, Settlement School, Emma Harper Turner Fund, Scholarships and the Loan Funds—are reported elsewhere in the Information issue of the ARROW, but are worthy of perusal by interested Pi Phis who can take pride in the contributions of the membership at large and the devoted committee chairmen and members who truly further the "happiness of humanity" as sought by the Founders.

Changes in residence or in the personal lives and activities of officers have necessitated a number of personnel replacements. The resignation of Ruth Ann Edwards, Director of Central Office, demanded Central Office reorganization in July, 1967. This officer and the fraternity at large are deeply indebted to Sally Perry Schulenburg, Director of Central Office, and her assistant, Caroline Barrerre. Both are members of Pi Beta Phi and have the able assistance of non Pi Phi staff members in bookkeeping, the Magazine Agency and Finance, a newly created position which has added increased efficiency in chapter accounting.

It was with deep regret that resignations were accepted in May, 1968 of Alice Weber Johnson, National Panhellenic Delegate; Dorothy Davis Stuck, ARROW Editor; Vera Hendrix Starbuck, Beta Province President; and Carol Kloote Travis, Kappa Province President.

Helen Boucher Dix, who has served as Grand Alumnae Vice President for seven years, accepted appointment as NPC Delegate Evelyn Peters Kyle, a Grand Council member since 1958, will serve as Grand Alumnae Vice President, and Orpha O'Rourke Coenan, Director of Scholarship, has moved to Grand Vice President of Philanthropies to assume that position which was held by Mrs. Kyle.

Frances Farrell Ross, able Alpha Province President, has accepted the position of Director of Scholarship. The fraternity is fortunate to obtain Marilyn Simpson Ford as ARROW Editor. Marilyn has professional journalistic background and has served the Atlanta Georgia Club in many offices and the Georgia Alpha chapter as an advisor and House Corporation president.

The newly appointed Province Presidents, Marjorie Montgomery Yale, Alpha Province; Myra DePalma Reimer, Beta Province; and Pauline Hackett Burns, Kappa Province, bring a wide variety of fraternity experience to their new offices.

It has been a privilege for this officer to work with the sixteen outstanding province presidents who have dedicated their efforts and time to strengthening Pi Beta Phi's 112 chapters.

The 1967-68 fraternity year for Province officers started with a post convention officer training workshop in St. Louis, Missouri in September, 1968. The able assistance of the National Convention Guide, the Central Office staff, Grand Council, the Directors, the National Historian, and the Supervisor of Chapter Histories provided education for the work of the province officers with chapters and clubs. Province officers have the heavy responsibility of maintaining close association and supervision of the organization and programs of chapters and clubs.

Pi Beta Phi's Grand President by statute serves as the first alternate to the National Panhellenic Conference. Those duties would have been onerous but for the able and gracious assistance of Alice Weber Johnson, National Panhellenic Conference Delegate and immediate past Grand President, and Edythe Mulveyhill Brack, second alternate National Panhellenic Conference Delegate and immediate

past Grand Vice President. Deep appreciation is extended to these officers who represent the fraternity so well.

With the National Panhellenic Conference delegates and other Grand Council members the Grand President attended the 1967 fall National Panhellenic Conference, a January interfraternity meeting and a meeting called by Kappa Kappa Gamma at their headquarters in Columbus, Ohio to discuss mutual campus problems. Panhellenic speeches were given by this officer for the IFC and College Panhellenic at Oklahoma State University, the College Panhellenic at the University of Arkansas, and the Alpha Gamma Delta National Convention.

Visits have been made to a number of campuses to resolve problems created by interference with the membership selection procedures and internal organization of fraternities. It is well to again remind undergraduates and alumnae of the amendment to the Higher Education Act of 1965 which protects the rights of universities and those of private groups. Under the heading of Federal Control of Education Prohibited, Section 804 states:

(a) Nothing contained in this Act shall be construed to authorize any department, agency, officers, or employee of the United States to exercise any direction, supervision, or control over the curriculum, program of instruction, administration, or personnel of any educational institution, or over the selection of library resources by any educational institution.

(b) Nothing contained in this Act or any other Act shall be construed to authorize any department, agency, officer, or employee of the United States to exercise any direction, supervision, or control over the membership practices or internal operations of any fraternal organization, fraternity, sorority, private club or religious organization at an institution of higher education (other than a United States Service Academy) which is financed by funds derived from private sources and whose facilities are not owned by such institution.

Voluminous correspondence with fraternity members has reflected the deep concern of Pi Beta Phi's membership with the campus problems of the past year. The activities of the leftist groups have continued to exert great pressures on private associations.

Dissent seems to be the keyword on the college campus today. Professor Boorstein of the University of Chicago recently made this distinction between dissent and disagreement—"Disagreement produces debate, but dissent produces dissension. Dissent, which comes from Latin, means originally to fall apart from others. People who disagree have an argument, but people who dissent have a quarrel. Disagreement is the life blood of democracy, dissension is its cancer."

Fraternities stand for the direct antithesis of the dissenting forces on today's campus. Fraternity promulgates mutual respect, agreement in ideals, careful selectivity, and freedom of choice in our associations. Fraternities stand for law, order, and regulations befitting the high moral and spiritual standards which have influenced the lives of more than 90,000 Pi Beta Phis.

Although disagreement has been voiced in some chapters concerning some of Pi Beta Phi's procedures and traditions, dissent, though occasional, has been the exception.

There has been some disagreement among the undergraduate members concerning the current standards program of Pi Beta Phi. It is hoped thoughtful discussion and evaluation can provide a standards program relevant to the changing times without loss of the timeless verities enunciated in the initiation service.

This year dissent concerning the ritual has been voiced by a small minority of undergraduate members. These members will present to the chapter presidents' workshop in August, 1968 a resolution for changes based on the premise that the ritual is discriminatory. It is proper that discussion be provided for all issues, but in the opinion of this officer this is a challenge to the root structure of Pi

Beta Phi. To even consider the deletion of any of the beautiful writings chosen from the Old and New Testament and the Book of Common Prayer is to practice discrimination in reverse. The traditional words repeated thousands of times at thousands of meetings of both alumnae and undergraduates have given an added dimension of meaning to Pi Beta Phis everywhere. Members of all creeds are welcome in Pi Beta Phi, but they then must honor the pledges of "mutual acceptance." Again, it is hoped the membership at large will choose to keep the worthwhile lovely things rather than to permit an exploitation of a cause as an excuse for change.

Fraternity leaders soon must make definitive choices concerning the role of fraternity on those campuses where outsiders insist that fraternities are subject to the dictates of non-members.

Pi Beta Phi has been told that there must be an abandonment of the recommendation and sponsorship system and the unanimous ballot which have created the very character and meaning of Pi Beta Phi. In the opinion of this officer abandonment of these three procedures will result in divisive influences. The atmosphere of mutual respect and responsibility among the members can be easily eroded when there is a lack of selectivity and unanimity. Confusion still exists concerning the difference between social and civil rights. Pi Beta Phi has members of every creed and color, but prides itself that each member chosen has met the timeless qualifications as stated in the constitution—"good scholarship, excellent character, congeniality, and sympathy with the work of the fraternity . . ." To abandon proven procedures for the sake of expediency or for the furthering of political philosophies is to abandon the intent of the Founders and the interests of the thousands of women who have built the fraternity for sincere friendship's sake and worthy service to campus and community.

If Pi Beta Phi and other fraternities are to survive the onslaught of socialist planners, then the membership at large must accept the possible loss of some chapters and members. Pi Beta Phi was not designed to serve everyone. Any organization which attempts to serve everyone can serve no one. Pi Beta Phi was not designed to be a mere dormitory unit or student activity group.

A fraternity leader for Kappa Sigma recently wrote, "It is drawing near the time when hard decisions must be made. Those groups which are willing to surrender their prerogatives to the so called sheltering institution will inevitably become an extension of the educational system and of the institution. If this is fraternity we have worked a century in vain . . ."

The Grand President's correspondence and personal visits with hundreds of undergraduate and alumnae wearers of the arrow are indeed proof that Pi Beta Phi's 101 years have not been in vain. Many constructive changes have been made through our history, and the many loyal Pi Beta Phis in the two countries which support the chapters and clubs will in this century meet the challenges faced determined that there be no obliteration of Pi Beta Phi's history, contributions, cherished traditions and friendship by the few who negate their initiation vows.

Fraternity travel has permitted the Grand President the opportunity to be the guest of the Chicago West Suburban; Fayetteville, Arkansas; Mount Pleasant, Iowa; Decatur, Illinois; and Lincoln, Nebraska Pi Beta Phi Alumnae Clubs this past year. Alumnae members deeply concerned with preserving fraternity continue to provide the chapters with dedicated assistance.

Chapter invitations provided the Grand President with the privilege of meeting with the members of Oklahoma Beta, Illinois Eta, Illinois Zeta, Wisconsin Alpha, Wisconsin Beta, Wisconsin Gamma, Iowa Alpha, Arkansas Alpha, Arizona Beta and Nebraska Beta. It is a gratifying experience to know and work with undergraduate members. Their understanding of the current issues as well as their loyalty reassure this officer that the meaning of Pi Beta Phi will never die because it is constantly being reborn in the minds of new generations of Pi Beta Phis.

## GRAND VICE PRESIDENT

As Grand Vice President it has been my privilege to serve as an aide to the Grand President while she is away from her desk and to act as liaison officer between the Directors. My goal is to supervise and develop this program for Grand Council and Central Office.

The election at the Centennial Convention of additional Directors has further aided the work of Grand Council, as well as adding to the coordination of work between the Alumnae members and the Active Chapters.

Since the Grand Vice President is more directly involved with the Active Chapters, these officers now include: the Director of Chapter Programs, Director of Membership, Director of Pledge Education, Director of Rush, Director of Scholarship, Director of Standards and Director of Alumnae Advisory Committees.

The Director of Chapter Programs has now been able to devote more time to fraternity education due to the division of previous duties. She also handles the functions of Fraternity Study and Education.

The Director of Membership has now been able to devote more of her time to processing recommendation blanks and the many duties involved in this area by the addition of a Director of Rush, who handles all facets regarding parties, rush mechanics and Panhellenic and Pi Phi policies.

The Director of Pledge Education instigated a new educational program for pledge instruction and has been able

to handle many individual inquiries.

The Director of Scholarship has continued her fine program of tabulation of academic averages, as well as giving advice and inspirations toward finer scholarship programs.

Meaningful material and constructive advice has been passed along thru the Director of Alumnae Advisory Committees.

The new office of Director of Standards brought an outstanding letter of Pi Beta Phi policies to the attention of all Actives and to their parents, as well. Further study in this area will be given by the special committee at the Knoxville Workshop.

This first year for this officer has included attending the Grand Council meetings, the N.P.C. Conference in New Orleans, the Edgewater Conference in Los Angeles, the visitation of Oregon Beta, Oregon Delta and Oregon Gamma, as well as California Beta. The Grand Vice President was also speaker for the Sacramento Alumnae Club and the San Francisco Alumnae Club Founders' Day celebrations.

None of the above duties would have been possible without the assistance of our outstanding Grand President and all of the members of Grand Council. I am ever grateful for the cooperation of the Directors and wish to express especial appreciation to our Director of Central Office. The inspiration of Chapter visits is the reward for the many volunteer hours spent in service for one's fraternity.

SARAHJANE PAULSON VANASSE

## GRAND ALUMNAE VICE PRESIDENT

"Time is on the side of people with clearcut aims . . . and time is against those who are confused as to the objectives of their work . . ."—*adapted from a worksheet, Industrial Bakeries Workshop*

Since the Alumnae Department was organized in 1893 as the Alumnae Association, its stated object has been "To maintain the Fraternity associations of Pi Beta Phi Alumnae and to secure their cooperation in the development of the Fraternity." The goals of this officer, printed in the 1963 Information Bulletin, have been to promote 1) a valid increase in the participating (dues-paying) membership, 2) a fair and proportionate increase in the support of Fraternity projects, 3) a reasonable and steady growth in the number of chartered alumnae clubs, 4) a membership better informed about the Fraternity, its policies, and its role in today's changing world, so as to better inform friends and critics alike, and 5) a membership steadfast in its loyalty to the Fraternity and to the principles upon which Pi Beta Phi was founded.

This annual report to the membership of Pi Beta Phi will state the progress made in the direction of these goals in the past year and during the five year period since they were in print.

The number of alumnae who pay national dues grows steadily each year but at a much slower rate than the membership increases. In April, 1968, there were 15,958 paid members in the Alumnae Department compared to 14,807 in April, 1963, a growth of 1,151 paid members in five years and of 575 in the past year. The total living membership in 1963 was 75,319 and will approach 87,000 this year which will be a growth of over 11,000 in total membership. These figures show clearly that there is a broad area of opportunity to re-enlist the interest and support of many members now not involved in support of "the development of the Fraternity."

Support of Fraternity projects remains somewhat static over this five year period, with the exception of the truly praiseworthy response to the Centennial Fund in the latter years of this effort. Contributions to the Settlement School have averaged about \$10,000.00 over the past five years;

with the emphasis now concentrated on the Centennial Project, Arrow in the Smokies, through the Settlement School contributions, it is hoped that this average will be greatly increased to provide the funds necessary for the development and the maintenance of this most worthy project.

The Holt House support is likewise static, averaging about \$2500.00 per year. This amount is barely enough to maintain the property in respectable condition with little or no allowance for major improvements or repairs. The property is in excellent condition at present, as the hundreds who made the Pilgrimage from the Centennial Convention will attest, but planning must include future renovation as well as current maintenance.

The Emma Harper Turner Memorial Fund receives an average of \$2800.00 each year. Since this fund is available to chapters for loans to build or remodel chapter houses, with the interest income being designated for assistance to Pi Beta Phis in need, an awareness of the dual benefits derived from such contributions should bring a desirable growth in alumnae support of this useful and deserving fund.

As the Junior Groups have increased in number and strength so has their support of the Junior Group Scholarship. From a total contribution of \$95.00 in 1963 the average of the past three years has been a more realistic \$450.00, the scholarship being \$300.00 to the most deserving person applying for this aid for her junior year in college. As the fund increases, it may be possible to grant additional scholarships.

The third of the listed goals is a reasonable and steady increase in the number of chartered alumnae clubs. Four new clubs received charters in this fiscal year. It was most gratifying to extend a warm welcome to the members of new clubs in Valparaiso, Indiana; Sioux City, Iowa; Portsmouth, Ohio; and Black Hills, South Dakota. This pleasure was exceeded only by our regret over the loss of clubs in Muscle Shoals, Alabama; Eastern Connecticut; Midland, Michigan; and Okmulgee, Oklahoma; who were obliged to relinquish charters because of depleted membership. Thus, in this first year of the second century, our club roll remains static at 340. Over the five year period there has

been a net increase of 18 clubs. Requests for information concerning the chartering of new clubs continue to be received, however.

To promote a membership better informed about the Fraternity and its role, the fourth in the list of goals to be achieved, several steps have been taken in this five year period. The position of Director of Alumnae Programs was created to provide extended and creative assistance to club officers in the planning of required fraternity education programs and others. Letters, programs, and other communications bearing upon current fraternity affairs were sent through the semi-annual club mailings, Alumnae Province Presidents, and through direct mailings, when deemed necessary. With the help of conscientious club, province, and international officers, it is hoped that this effort has produced a measurable advance in the direction of more knowledgeable alumnae.

Elections at the Centennial Convention of 1967 brought a number of new officers into service to Pi Beta Phi. A fall orientation and workshop program was planned to provide training for the new personnel and to set up objectives for the year. The newly created office of Secretary of the Alumnae Department, ably filled by Betty Rowton Holt, was given the responsibility of planning this workshop for the alumnae officers with the help and guidance of the Grand Vice President of Philanthropies, Evelyn Peters Kyle, the Director of Alumnae Programs, Myldred Allen Hightower, and the Grand Alumnae Vice President. Both new and experienced officers concurred that it was most informative and very helpful.

The achievement of a membership steadfast in its loyalty to the Fraternity can be measured only in terms of the first four stated goals. An increasing membership, well informed about the Fraternity and its policies, which gives tangible and earnest support to the philanthropies and projects of its club and Fraternity, swelled by interested members and officers who work toward the organization of new clubs, can be the only true evidence of progress in this area. There has been steady progress but much, much more can be achieved; the preceding paragraphs have indicated the potential for much greater and more rapid growth.

When the 1967 Convention voted to accept the petition of the Pi Alpha Theta local sorority at Bethany College, Bethany, West Virginia, this officer was appointed to assist the Grand Secretary, Fay Martin Gross, in the development of this group in preparation for a charter. This entailed several trips to Bethany, to pledge the members of the existing group, to assist with plans for rush which was under the guidance of the Director of Rush, Mrs. George A. Gardner, and finally, to initiate the members and to install the West Virginia Gamma Chapter of Pi Beta Phi. This was an unforgettable experience, embellished by the outstanding contributions of time, energy, and enthusiasm of

devoted alumnae from the Wheeling-Ohio Valley, West Virginia, the Pittsburgh, and the Pittsburgh-South Hills alumnae clubs and of ardent and interested members of Delta Province chapters. Past and present province officers gave much needed assistance, also.

The annual request for club programs or yearbooks brought a response of 242, while 305 club presidents, with the help of their executive boards, presented the helpful information on the annual questionnaire which helps to guide the planning of your officers.

Members of Pi Beta Phi continue to be leaders in their communities as well as staunch supporters of their Fraternity. The responsibilities, as well as the benefits, of fraternity membership are well known to such members who demonstrate their loyalty and interest by maintaining their membership in their clubs and serving the Fraternity as needed.

The Alumnae Province Presidents gave unremitting service to their clubs while maintaining a flow of information to the Directors and the Grand Council regarding club needs and interests. Because of their devoted and dependable efforts all related officers were well informed throughout the year concerning club activities. The annual reports of the Alumnae Province Presidents reveal the willing cooperation of club officers and a recognition of the necessity to maintain communication between the executive branch of the Fraternity and its components to facilitate the operation of this large and extensive organization. The charted reports which are printed in the back of this issue of the ARROW give a clear picture of the record of each province in support of Fraternity projects.

It is an added responsibility, really an opportunity, of the Grand Alumnae Vice President, as a member of the Grand Council, to visit designated active chapters. One's assurance of the merits of fraternity membership is given impetus in the company of enthusiastic, idealistic, and energetic young ladies. This year the chapters so visited were New York Alpha, New York Gamma, and New York Delta.

The Biennial meeting of the National Panhellenic Conference, the convention of the National Association of Women Deans and Counselors, and the interim meetings of the Grand Council were attended. This officer was present at Founders' Day observances in Pittsburgh, Pennsylvania and Columbus, Ohio.

To be given the opportunity to serve Pi Beta Phi and the inspiration of working with the outstanding women she chooses for her officers is just one more item in the constantly building debt of gratitude to Pi Beta Phi. Thank you, each and every one, for this rewarding, even though demanding, commitment.

HELEN BOUCHER DIX

## GRAND VICE PRESIDENT OF PHILANTHROPIES

"All means of action—the shapeless mass, the materials lie everywhere about us. What we need is the celestial fire to change the flint into transparent crystal, bright and clear. That fire is genius." The word genius has been defined as an aptitude for doing or achieving some particular thing, especially an outstanding gift for some specialized activity. Thus genius can reasonably be applied to the founders of Pi Beta Phi. Their outstanding gift for a specialized activity was in the field of organization. It is a well known fact that everything that has ever been accomplished in human life was first a vision. Looking back over our own history, we can see that our entire development was propelled by vision. We were fortunate in our leaders for they recognized that in order to be a "potent factor in the society of educated women," we must have a well rounded program of activity. This included service to others.

The roots of modern philanthropy in general are as old

as man himself and lie buried deep in human nature. Philanthropy in addition to its relation to economics is related to education and religion. Education and religion are basic principles of Pi Beta Phi. Thus we see that philanthropy becomes a link in the eternal chain of friendship.

Perhaps the past century, since about the time of our founding, has marked the greatest growth of organized philanthropy. It was about 1870 that cities and communities on this side of the Atlantic Ocean began to found Charity Organization Societies. These were largely given over to public relief and were carelessly administered and extravagantly managed. Strangely there was little voluntary service. Volunteer service is a product of our times. With the mechanical age came time-saving devices for the women. Their energies and talents could then be directed to other paths and an amazing number of them chose volunteer service. And with this service came a sense of ful-

fillment and satisfaction, a feeling of contribution and value to society.

Thus it was that Pi Beta Phi found itself pioneering in the field of philanthropy with its individual altruistic project, the Settlement School in Gatlinburg, Tennessee. Our contribution in that community is well known by every member of our fraternity. As we kept pace with the times, we realized a need for a change in direction at the School. Thus was the Summer Craft Workshop, founded in 1945, converted in 1967 to Arrow in the Smokies, the Centennial philanthropy of Pi Phi.

This past year has been one of planning in many ways. These included architectural plans as well as administrative ones. It was a year of change and transition. It witnessed the appointment of a new Settlement School Committee to be known as the Board of Governors of Arrow in the Smokies. This Board will hold the first of its annual meetings in Gatlinburg July 12-14 of this year. The Board is composed of an Executive Committee which includes Elizabeth Yelm Kingman, Chairman; S. Lucile Jennings, Secretary; Olivia Smith Moore, Treasurer; Betty Bailey Hall, Chairman of Ways and Means; Marian Heard, Director of Craft Workshop; and Dean Laura Odland, of the School of Home Economics, University of Tennessee. Members of the Board are Christine Yerges Conway, Geraldine Hall Dalton, Beth Olwin Dawson, Allice Locke Garrard, Hesperia Aylesworth Henderson, Henrietta McCutchan Huff, Carolyn Ottenger Kovener, Sarah Ruth Mullis, Jean Dunbar Solcolowski, Jean Bobst Venable and Mariantha James Williams.

The new Director of Arrow in the Smokies, Lucile McCutchan Woodworth, Missouri Beta, arrived on June first. Mrs. Woodworth, who has great executive and administrative experience, will also act as Manager of the Arrowcraft Shop. Until her arrival Marion Mueller Prince and Marjorie Chalmers bore the responsibility of the project and of Arrowcraft Shop. We are much indebted to them for their willingness to continue to serve. It was a contribution "beyond the call of duty" and made this a much smoother year.

Plans have been drawn for a fine class room building. A Museum and additional parking for Arrowcraft are among the first plans to be inaugurated. As was indicated in the 1967 report of the Grand Vice-President of Philanthropies, this project will take a great deal of support in all ways and particularly financial support. For it is Pi Phi's dream to construct and create the finest Craft School anywhere. This will require the efforts of every member of the fraternity for some time to come. Construction is costly and prices continue to rise. It is essential that each chapter and club recognize the need for generous and wholehearted support.

Holt House Committee has had a busy year as will be noted in the report of the Chairman, Martha Bradford, which is published in this issue of the ARROW. The new committee met in the Fall of 1967 at Holt House to evalu-

ate the needs and see that those needs were met. A campaign for Green stamps is being carried on in order to purchase additional flatware for the house. It was a pleasure to meet with the committee and to become better acquainted with the new members, Mary Patricia Patterson Warneke, Lois Fuller Foreman and Susan Davis Lafferty. The excellent Treasurer, Helen Carey Lovejoy, is the continuing member on the committee. The Arrow Board of Illinois Alpha chapter has served as an "Active" Holt House Committee and has helped with the polishing of silver pieces.

The Canadian Philanthropies are reported fully by the Chairman, Ruby White Trill, in this issue of the ARROW. There was excellent coverage of the Canadian Centennial project of the libraries—Yukon at White Horse and Hay River, Northwest Territories—in the ARROW of January 1968. Chapters and clubs in Canada welcome this additional philanthropy, while they continue to support the Social Service Scholarship program in the universities across Canada.

National Panhellenic Conference in New Orleans in November 1967 was an interesting and stimulating experience. Chapter visits were enjoyed at Mississippi Alpha, Illinois Alpha, Zeta and Eta. It was a special treat to visit Illinois Alpha as an Alumna of Monmouth College.

This is a personal year of transition from Grand Vice-President of Philanthropies to Grand Alumna Vice-President, filling out the term of office of Helen Boucher Dix, who became National Panhellenic Conference Delegate. It has been an interesting and challenging year. The privilege of working with the chairmen of the committees for Arrow in the Smokies, Holt House and Canadian Philanthropies has been most rewarding, and greatly appreciated. In the beautiful new History of Pi Beta Phi, edited by our National Historian, Jean Orr Donaldson, one can see the list of names of all those who have served Pi Phi up to the present. It is a lengthy and impressive list and perhaps emphasizes and exemplifies the meaning of the wearing of the arrow. Those pioneering predecessors constantly faced challenges. They used their creative powers and developed their initiative. They built helpful services, pioneered in humanitarian advances, brought skill to unskilled hands, and hope and education to an area that was without advantages of any kind. They proved conclusively that Pi Phi was formed to accomplish something for the good of all mankind and to share its dreams and visions with others. They recognized that materials lay everywhere about us, waiting for the celestial fire, changing flint to crystal. Their and our philosophy may well be summarized in these thoughts of Harriet du Autermont: "No vision and you perish, no ideal and you're lost; your heart must ever cherish some faith at any cost. Some hope, some dream to cling to, some rainbow in the sky, some melody to sing to, some service that is high."

EVELYN PETERS KYLE

## GRAND SECRETARY

For this officer the Centennial Year of Pi Beta Phi melted away for the following reasons:

1. April and May, getting the work done for the convention in June.
2. After convention, picking up the loose ends, sending in the annual reports and getting ready for the Officers' Workshop in September in Clayton, Missouri.
3. During the fall, three trips to Bethany College, Bethany, West Virginia to help West Virginia Gamma colony with pledging and rushing.
4. November, attending the National Panhellenic Conference meeting in New Orleans, Louisiana, plus the Grand Council meeting.

5. December, getting four hundred Centennial Christmas Greetings ready for an early mailing.
6. February, making a chapter visit to Michigan Beta and Illinois Epsilon.
7. Another trip to Bethany College for the installation of West Virginia Gamma on March 2nd, 1968—Pi Beta Phi's 112th chapter.
8. In March, a trip to Gainesville, Florida with the Director of Chapter House Corporations, Freda Stafford Schuyler, to start plans for the Florida Delta chapter.
9. In April, attended part of the National Association of Women Deans and Counselors meeting in Chicago, Illinois. Also, attended Chicago West Subur-

ban Founders' Day celebration and enjoyed the guest speaker, Grand President, Dorothy Weaver Morgan.

10. In May, attended the Grand Council and Directors meeting in El Paso, Texas.

So, another fraternity year has come to an end. It has been an interesting year and many new Pi Phi friends have been made.

FAY MARTIN GROSS

## GRAND TREASURER

Assuming the office so graciously and devotedly filled by Olivia Smith Moore was a challenge which has brought personal satisfaction and unceasing activity.

The adoption of the computer system of bookkeeping by the Grand Treasurer and Central Office has resulted in a clear understanding of fraternity financing.

Routine procedures of the office have been enhanced by additional duties during the year such as correspondence with and annual letters to chapter treasurers, letters to parents of active members and pledges relating to fraternity financial obligations and letters to alumnae club presidents. Insurance and bonding programs have been reviewed and brought up to date. Six loans have been made to chapter house corporations and include two to Ohio Alpha, and one each to Ontario Alpha, Illinois Eta, Michigan Delta and Georgia Alpha. Loans to Alberta Alpha and California Gamma have been retired during this fiscal year. Collec-

tions are now made on thirty-nine loans to chapter house corporations.

This report is supplemented by auditor's reports prepared by the Little Rock, Arkansas, office of the firm of Ernst & Ernst. These reports cover the fraternity funds administered by the Grand Treasurer, the Pi Beta Phi Trust which is administered by the Board of Trustee Funds through a Trust Agreement with the Harris Trust & Savings Bank, Chicago, Illinois, the Holt House Committee Funds and the Settlement School Funds.

A visit to Arkansas Alpha and its house corporation was a rewarding experience for the Grand Treasurer. Meetings attended with members of Grand Council, the Directors and National Officers have renewed the faith of this officer in the aims of Pi Beta Phi.

#### Accountants' Report

Grand Council,  
Pi Beta Phi,  
El Paso, Texas.

We have examined the financial statements, resulting from cash transactions, of Grand Treasurer's Funds—Pi Beta Phi for the year ended June 30, 1968. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records, and such other auditing procedures as we considered necessary in the circumstances.

The accompanying statements include only the twenty-five funds having equities in the Grand Treasurer's Funds; other funds of Pi Beta Phi are reported on separately.

In our opinion, the accompanying balance sheet and statement of income and expenses present fairly the financial position of Grand Treasurer's Funds—Pi Beta Phi at June 30, 1968, resulting from cash transactions, and the income collected and expenses disbursed during the year then ended, on a basis consistent with that of the preceding year.

## NATIONAL PANHELLENIC CONFERENCE DELEGATE

For this officer the actual work in this first year of Pi Beta Phi's second hundred years was much less than in any office ever held. This was due, of course, to the set-up of National Panhellenic, which requires that a fraternity NPC Delegate serve the total biennium of that organization. Accordingly, Mrs. Morgan continued to represent Pi Beta Phi through the New Orleans meeting of the National Panhellenic Conference.

Questionnaires were sent to College Panhellenic Delegates in the fall and in the spring. Requests for information were answered and necessary advice given to chapter delegates. These contacts with active chapter members were as usual a rewarding part of service to the fraternity. With few exceptions these young college women have amazing maturity and the ability to think clearly as they work for their campus Panhellenic and their own chapters.

However, the result of having more time to study reports and to consider present day campus situations brings serious concern for the future. The fraternity system, which has so far withstood the various attacks by those forces which seek the abolishment of all private social organizations, finds itself in a position where the very essence of its being is questioned—the sponsorship of its members and the invitation to membership as the result of a unanimous ballot by the members of the chapter.

In the beginning of the push against the fraternity system the fraternities were accused of being adolescent organizations intent only on social activity. This was refuted by the records of worthwhile campus and community service. Then it was said they caused heartbreak to those who were not invited to join and thus felt the stigma of not being selected. This too was easy to refute. All through life one is invited into some things and not into others—and the individual joins some and refuses others. This does not cause heartbreak—it is merely the matter of choice inherent in a free society.

Then came the accusation of discrimination against certain persons, and the pressure was on as from campus after campus came demands for statements of membership policies. And even though this was actually a violation of privacy since, inherent in a free society is the right to form any type of organization except a treasonable one, NPC member organizations responded courteously. And this charge too was refuted by fraternities whose membership requirements are based on individual merit, which has nothing to do with race, religion, or national origin.

Pi Beta Phi's membership policy as stated in its Constitution is a sound one—based on sponsorship of members of good character who are sympathetic to the work of the fraternity. This policy together with the unanimous ballot vote of the members of the chapter issuing the invitation to join has preserved through one hundred years a strong unified organization. No NPC member organization ever interferes or questions the policies of other NPC groups, but there is a sharing of information for mutual benefit. Thus, it is our understanding that most of our sister fraternities also require sponsorship and the unanimous ballot. And in this year 1968 the attacks on fraternities have hit at these basic policies which are fundamental rights of all private social organizations in a free society.

Enlightened fraternity officers have known that, as the other attacks failed, this would be the final battle. Actually, this is the only "battle," for the policy followed has been flexible enough through the years to meet the changes in the world so that the fraternity could welcome and absorb members of different backgrounds. But still each member has been sponsored and each has the proud security of knowing that even as she chose her organization, every individual in the immediate warm circle of the college chapter wanted her to be a part of that group. Otherwise the chapter house might as well be a college dormitory and the group merely another campus organization.

As in other years chapters are receiving threats and ulti-

matums, mostly having to do with non-recognition if their national organizations do not conform to the demands. Often there is panic on the part of active chapter members as this seems an insurmountable handicap. Yet the American college fraternity did not begin as a campus club, recognized by each university administration. They were begun in secrecy by students of congenial taste. Later university administrations did urge national fraternities to establish chapters because they realized the gain for the university that came with their presence on the campus. In fact, it was to keep them functioning during the years of the great depression that help was offered by universities. Therefore, the one simple solution for fraternities owning their own property and paying taxes on that property is to withdraw their management from the university. This would not mean failure to support the university loyally. A part of Pi Beta Phi's code is support of the institution. It would only mean that College Panhellenic groups would assume their proper responsibility for conducting their own affairs. This has been done on a number of campuses with great success and to the mutual benefit of both the fraternities and the administration. Rightfully, administrations are concerned with the best good of all students—and no small segment should have preferential treatment.

Fraternity functions such as rush should be conducted at times and in such a manner that the university program is not disrupted. Nor should fraternities become so involved in activities that their members cannot find ample time for their studying. Chapter houses should provide facilities to stimulate intellectual growth. Libraries should not be merely files of old examinations but should contain carefully selected books and documents so that interesting and vital material can be available to members.

National Panhellenic Conference in its recent meetings has voted unanimously its belief in high standards of moral and social behavior. Pi Beta Phi has implemented this by creating the office of Director of Standards and by issuing a frank and clear statement of the behavior which members must follow. Fraternity membership is not for everyone. No one can be termed "sympathetic to the work of the fraternity" who is unwilling to do her share by using self discipline when it is necessary to uphold the high standards on which the fraternity functions. Pi Beta Phi has not gained a proud place of leadership through weakness on the part of individual members.

Our fraternity has strong leadership and great potential. The two highlights of the year for this officer were Founders' Day with the San Jose, California, Pi Phis and attendance at the El Paso meeting of Grand Council and Directors. In San Jose, Pi Phis who a few short years ago were chapter officers were serving the alumnae club capably as club officers—with enthusiasm and faith in the future of the fraternity. In El Paso the Directors brought the results of the fraternity's development in the various areas of the total program for this year. The Grand Council was able to determine policy which was then considered by Grand Council and Directors together, and the future charted.

In twenty years of serving Pi Beta Phi in some national office there have been many officer meetings and workshops—all of them outstanding because of the ability of the officers and their devotion to the fraternity—but never has there been a better one than the one in El Paso in May of this year. Perhaps this one seemed special because it was the last such meeting for this officer—and in addition to the pride of being part of a wonderful group there was a bit of nostalgia. No one who has had the experience of serving Pi Beta Phi can give up her work without a feeling of sadness in giving up the close contact with the officers. But never has a Grand President turned the duties of office to a successor with happier feelings than this officer had in turning over the responsibility to Dorothy Weaver Morgan at the June, 1967 Convention. This final meeting with the Grand Council and the Directors was

further confirmation that the fraternity is in good hands. It is good to "think on" this as one ends the active part of one's fraternity service.

Life has been much richer because of Pi Beta Phi, with many rewards in contact with fine young college women and the friendships that have come as a result of serving the fraternity. Not the least of these has been the very special friendship with Sally Schulenburg, presently the Director of Pi Beta Phi's Central Office. There are no words to

properly express gratitude for all she has done for a Grand President, for an NPC Delegate, and for Pi Beta Phi—or for the privilege of working with such a stimulating and delightful personality.

To all Pi Beta Phi—this officer wishes to go on record once more as striving always to live up to the ideals and principles on which our fraternity was founded.

## DIRECTOR OF ALUMNÆ ADVISORY COMMITTEES

At the Pi Beta Phi Centennial Convention I was honored to be elected the Director of Alumnæ Advisory Committees. My predecessor, Mildred Moyer O'Donnell, did such a tremendous job of organizing this office that it has been most difficult to follow in her footsteps.

After taking office the transfer of files and self-education began. In September the workshop in St. Louis for the national and province officers helped cement objectives for the year.

This year my objectives for the Alumnæ Advisory Committees has been to improve the fraternity education of the alumnæ serving on the AAC; encourage the communication with their province officer; stress the duties of their office; give guide lines, stress fraternity secrecy; remind them the AAC is to advise the chapter; to make them aware of campus situations and chapter situations; and to coordinate the advisory with the elected fraternity directors. This I have done by an AAC questionnaire and in letters with "Timely Tips."

In the fall the AAC's were requested to send out a standards letter to parents of active members. In response to the standards letter, many parents accoladed Pi Phi for

defining the moral standards we expect a member of Pi Phi to uphold. This was indeed an appreciated effort by the fraternity and parents.

In February chapter visits were made to Alabama Alpha, Alabama Beta, and Alabama Gamma in Theta province. It is rewarding to visit campuses where the Deans of Women praise Pi Beta Phi for our years of service on the college campus, and for our encouraging the development of the noble womanhood among our members. After visiting the Alabama chapters I know why the girls are called "Bama Belles." The chapter visits were truly a delight.

My appreciation goes to the hundreds of alumnæ who volunteer to serve on the AAC. It is these women who unselfishly serve our fraternity in the guidance of our chapters.

Heartfelt thanks go to Grand Council. These are, dear, wise, and great women. Their inspiration, leadership, integrity, and counsel should make all Pi Phi's proud of their outstanding Grand Council. With continuing strong leadership Pi Beta Phi will celebrate another centennial!

## DIRECTOR OF ALUMNÆ PROGRAMS

In our one hundred and first year, all Pi Beta Phis enjoy a wonderful well established fraternity. The reputation has been made by hard work and loyal individual members. We have accepted what has been handed down to us, and are continuing to work to keep our ideals. To have a second one hundred years, it will take Actives and Alumnæ working together for stronger friendship, high morals, continued scholastic achievement and sharing our talents in community life and in the field of philanthropy.

It has been the privilege of your Director to examine two hundred seventy two year books or pages on programs and membership lists. The four required programs of each club have been presented in many interesting ways and it is my hope that the clubs will submit their best program to be considered for the Jessie Moeur French award to be given next year at the National Convention in Pasadena.

Two Provinces, Gamma and Eta, were one hundred percent on turning in year book material.

Your Director of Programs acts as the exchange to receive your good ideas and then share them with all other clubs. A letter was sent to each club early last fall with reminders for the year's programs.

Three Fact Finding Sheets were sent to the Alumnæ Province Presidents to share with their clubs, which were reminders of our Policies and Standing Rules and other bits of general information.

Your Director listed ideas on projects and programs and gave them to each Alumnæ Province President at our work shop in St. Louis.

Many letters were received and answered throughout the year, asking for help on programs and projects.

One program that has proven quite popular this year are the sixty slides on "Arrow In The Smokies." We have four sets and they were "on the go" all year. In order for every one to have them that made the request, we had to have

the slides travel from one club to another. This took a lot of correspondence and the cooperation of everyone to get them on time to the next club. I apologize for the two times we did not get the slides on time to the next club. If one club failed to mail them when they were supposed to, it broke the "chain" and three clubs missed seeing the slides. A program booklet was made by your Director and sent out in the spring mailing, along with a short program on "Responsibility and Pi Beta Phi." We hope that all clubs will study the booklet that includes requirements for chartered Alumnæ Clubs.

You will find a long list of projects and program ideas listed on the last few pages.

It has been quite interesting this spring to receive the Presidents' reports. We have studied each one, checked it for requirements and answered it.

As of June first, Provinces that are one hundred percent on turning in the yearly report are: Alpha, Beta, Gamma, Zeta, Kappa and Xi.

Our biggest problem in all Alumnæ Clubs is trying to get Pi Phis in the area to be active. This next year is a critical one in the fraternity world and we are asking all Pi Phis to please support your Alumnæ Club by attending the monthly meetings, paying your dues, being alert to the true facts and helping to give out the correct information about our fraternity.

We need to stop and ask ourselves if we are as strong and loyal to the fraternity with which we associated ourselves while in school as the ones that went before us? Will we have left the fraternity strong enough to have the coming generation want the same association?

I have enjoyed my association with the many Alumnæ and Actives through your correspondence, and working with all the National Officers is always a pleasure. It is hard to realize the amount of time that is given by our

Grand Council. This is one of the reasons so many other Greeks say "Pi Phis seem to be so well informed."

College students are becoming adults and there are many people trying to mold their characters. Pi Phi hopes to make them mature, well-adjusted community leaders.

## DIRECTOR OF CHAPTER HOUSE CORPORATIONS

My first year as Director of Chapter House Corporations has been interesting, challenging and inspiring. The opportunity, once again, to meet our actives and alumnae in other areas has enhanced the pride I have always felt for my membership in Pi Beta Phi.

The figures from the annual reports have been compiled and indicate that our present total assets amount to \$13,523,642.61 for the year 1966-67. This is an increase of \$839,848.15 over the previous year. Our net worth totals an amount of \$8,776,183.99, an increase of \$150,949.42 over the previous year.

Our corporations continue to strive for better housing for our active chapters. Ohio Beta added a wing to their house, doubling their capacity. This officer was impressed with the well coordinated efforts at Ohio Beta. All facets worked together—the House Corporation, AAC, Chapter and Alumnae Club. Florida Beta has endured a small rented house this year as they watched their lovely new house being built. This house should be completed in July. Iowa Alpha, the oldest chapter in continued existence, is planning to build a lodge, as is Texas Gamma.

I had the pleasure of visiting five chapters this year—Colorado Beta, Colorado Gamma, Florida Alpha, Florida Beta, and Florida Gamma. It is inspiring to know our ac-

Thank you for your cooperation. I am looking forward to a busy year with all the clubs and hope it will be a year of Alumnae participation.

MYLDRED ALLEN HIGHTOWER

tives with their continuing efforts to keep Pi Beta Phi strong and to see evidence of our strength nationwide. These chapters have been guided by dedicated Province Presidents—Jean Karr in Xi, and Marian Wing in Theta. Another wonderful experience was the opportunity to visit two Alumnae Clubs—Gainesville and Orlando-Winter Park, Florida. It is equally as inspiring to know our outstanding alumnae in other areas.

In March I met Fay Gross, Grand Secretary, in Gainesville, Florida, to look over property in anticipation of our starting Florida Delta at the University of Florida. A great deal was accomplished during our three day stay, and it is our hope that this chapter will soon become a reality.

This has been a learning year for me, and there is still a great deal to be learned. I sincerely appreciate the assistance given me by Grand Council, especially Louise Kemp, Dorothy Morgan, Helen Dix, and Fay Gross. Sally Hinkle Colvett served as Assistant to the Director of Chapter House Corporations and was invaluable to me, as was the full cooperation of Sally Schulenburg and Central Office. This has been a successful year for the house corporations, and thanks must be expressed to our alumnae who serve so faithfully in this capacity.

## DIRECTOR OF CHAPTER PROGRAMS

The Centennial Convention brought about many changes. As a result duties were revised and, as Director of Chapter Programs, I inherited the supervision of Fraternity Study and Examination for active chapter members.

Thus, there were two duties for me as Director of Chapter Programs:

1. Planning fraternity education programs for chapters: the four Pi Phi Nights.
2. Planning the actives' fraternity exams.

As suggested by Dorothy Morgan, Grand President, the relationship of these two plans was to simplify the work of the collegiate members as well as the Province Supervisors of FS&E. The study material to be sent out by Central Office was cut to a minimum and the exam was simplified. From now on it is imperative that the chapter program chairmen provide pertinent information for all programs concerning fraternity education. Since I feel the actives have terrific curricular and extra-curricular activities these days, any possible way to lighten their "loads" seems advisable. The fraternity exam should be more of a refresher and an informant on current changes in the fraternity.

Judging from the variety of provocative answers to the thought question this year on improving the leadership in each chapter, the comments should be invaluable to the national officers, province presidents, AAC advisors and chapters in helping us build a better and stronger fraternity. Better officer training and clarification of Executive Council operation were the most frequently mentioned.

In trying to overcome the stigma in some chapters that Pi Phi Nights "have never been looked forward to," the attempt was made to plan interesting themes.

The subjects for the fraternity education nights were:

Pi Phi Night #1—a. Change in structure of the fraternity as voted at 1967 Centennial Convention, particularly those affecting active chapters.

b. The voluntary status of fraternity officers.

Pi Phi Night #2—Standards based on the excellent letter and material sent out by Liz Orr, Director of Standards.

Pi Phi Night #3—History of Pi Beta Phi based on the record from Convention produced by Jean Donaldson, National Historian, and actives from Oklahoma Alpha and Oklahoma Beta and the new History "Century of Friendship." Both the record and history were sent to each chapter by Grand Council and much appreciated.

Pi Phi Night #4—Know your Grand Council.

My enjoyable chapter visits included Illinois Beta-Delta, Illinois Theta, Indiana Beta, and Indiana Gamma. It was a pleasure to work with the actives and pledges again.

The manual for the Chapter Program Chairman is at last revised and will go out in the fall. The revision of the obsolete FS&E Manual has been started by Connie Adams, Director of Pledge Education, and myself, and should be ready by fall.

I am proud to announce that California Epsilon was chosen for the new Award—The Frances Rosser Brown Silver Pitcher, for the best chapter programs for the year based upon the relationship of their content to the history, policy or aims of the fraternity; the method or style of their presentation and their adaptability for use by chapters or alumnae clubs. The committee composed of Myllie Hightower, Jean Donaldson, and myself selected California Epsilon from the other chapters nominated by their respective Province Presidents: Virginia Gamma (a close second), Washington Beta, Massachusetts Beta, Ohio Zeta, Kentucky Beta and Missouri Gamma.

I should like to express my thanks to Dorothy Morgan, Sally Vanasse, Evelyn Kyle, Jean Donaldson, Dorothy Stuck, and my predecessor, Wootie Dierks, without whose help and encouragement I could not have succeeded. To Sally Schulenburg and, indeed, to all of the staff of Central Office, my sincere appreciation for their aid and assistance, and to the Province Supervisors of F.S.&E., my deepest gratitude for their hard work in supervising and grading the fraternity exams for actives. For example, in Nu Province alone—464 exams were graded. It has been a privilege to work with all of you.

MADELEINE CLOSS LAFON

## DIRECTOR OF MEMBERSHIP

Convention year is always a most memorable one, and certainly celebrating the Pi Beta Phi Centennial at the Chicago Convention was such a Convention, for it elicited warm and happy memories of Conventions past for this officer. The generation gap may not be entirely closed at Convention, but for a week of Pi Phi happenings, a bridge is constructed, and those of us fortunate enough to attend go away feeling a little more secure and kindly affectioned one to another.

Pledge figures for the year 1967-68 are almost the same as last year's. We have welcomed approximately 3100 new pledges, and among these young women are very possibly the finest we have ever pledged. The fraternity qualifications for membership—good scholarship, excellent character, congeniality and sympathy with the work of the fraternity—have been applied with rare judgment and insight by both our alumnae and active members. Pi Phis everywhere can speak with justifiable pride of our outstanding pledges.

Chapter visits were made to Indiana Alpha, Indiana Delta, Indiana Epsilon, and Indiana Zeta early in November. These visits were both inspiring and nostalgic for the Director of Membership, because it meant almost two weeks in my native mid-west and visits to chapters so like my own Illinois Epsilon. Each chapter had their own special meaning to me, and they shall long be remembered for the warmth and the sheer pleasure of being with them.

The winter and spring months were spent participating

in a number of special Pi Phi and Fraternity events among which were Florida State Day, The Auburn University Fraternity Forum and Founders' Day. All were richly rewarding experiences and ones we hope can be repeated often.

There are so many Pi Phis involved with this sometimes arduous task of membership selection that it would be difficult indeed for me to thank any particular group for all the cooperation, interest, and comments received this year. Everyone, from the members of Grand Council and all national and province officers, to the hundreds of chapter membership chairmen and alumnae club membership chairmen, has shown the greatest consideration and assistance to this officer. However, as this year closes, we have learned that our esteemed ARROW Editor has written 30, ending eight years of a great editorship. More than that, her contribution to the fraternity and to her fellow officers will never be equalled. This year then I would like to express a very special thanks to Dorothy Davis Stuck for the inspiring friendship she has given to so many. She said it all so beautifully in her address to Pi Phis at Florida State Day, "We all know the value of Pi Phi friendship and loyalty but only when we strive toward them with new dedication will we feel the force of these ideals through actual living, so that wisdom may crown our endeavors and light our way into the future."

MARY JANE DERRINGER

## DIRECTOR OF PLEDGE EDUCATION

The Director of Pledge Education was one of the new directorships created at the 1967 Centennial Convention of Pi Beta Phi. This year the director augmented the existing pledge program by sending four letters to each pledge president with a suggested new approach to pledge education. Instead of the pledge supervisors presenting the information in these letters to pledge classes, pledge officers were urged to assume the responsibility of some self-education of pledges. I have concluded that many pledge supervisors liked having pledges present a part of fraternity history and development to their pledge sisters, under the guidance of pledge supervisors, of course. According to reports, the attention span is better when several Pi Phis, pledges and actives, take part in pledge education rather than the pledge supervisor consistently assuming the role

of lecturer to the class. The challenge to pledge supervisors is exciting—they can plan for the most effective Pi Phis in their chapters and Alumnae Clubs to present various aspects of fraternity education to the pledges.

This director visited South Dakota Alpha and Nebraska Beta in February and thoroughly enjoyed the pledges, actives, and alumnae in Vermillion and Lincoln.

It is an honor and a rewarding experience to serve as Pi Beta Phi's first Director of Pledge Education. I sincerely appreciate all the help and encouragement I have received from countless Pi Phis. Special thanks go to members of Grand Council and to our Grand President, Dorothy Weaver Morgan, whose dedication is an inspiration to all of us.

CONSTANCE F. ADAMS

## DIRECTOR OF RUSH

It was an honor and a challenge to be elected at the Centennial Convention to the newly created office of Director of Rush. I have enjoyed the year. I have tried to make the job meaningful and worthwhile without asking any more of the chapters. If all rush chairmen pool their ideas, problems, and suggestions, we can arrive at some fundamental help for each other. I hope to be a catalyst and clearinghouse.

I first worked to effect the divisions of rush and membership to ascertain the particular areas and responsibilities of the Director of Rush. Then, in the same way, defined the duties of the Chapter Rush Chairman and updated calendar changes. To make reporting easier I prepared a major rush report which was distributed in the fall mailing along with an opening letter to chapter rush chairmen.

To be an effective director I wanted to get a picture of rush in all of our chapters. This has been possible by studying and compiling information from the rush reports received and through correspondence.

I wanted to establish personal contact with the chapter rush chairmen and have done this by cards and letters

throughout the year. Many of them seem like close friends already and it is a pleasure to work with these creative, organized and interested young women.

Certain basic materials are due the Director of Rush. Chapters to be especially congratulated on form and completeness of response are: Vermont Alpha, Vermont Beta, New York Alpha, Pennsylvania Epsilon, Ohio Beta, Michigan Alpha, Ontario Beta, Indiana Delta, Indiana Epsilon, Tennessee Beta, Florida Beta, Georgia Alpha, Wisconsin Gamma, Alberta Alpha, Missouri Beta, Oregon Beta and Nevada Alpha.

Most of the chapters were very cooperative and sent additional rush materials and information beyond those requested. Rush ideas from the chapters were used in writing a manual for chapter rush chairmen. With some revising and editing, as new areas continue to need rethinking, I am hopeful the completed manual will soon be distributed.

I have been busy gathering and putting into useable arrangement various party plans and skits. Lists of skits available were given delegates at Workshop.

One of the most pleasant aspects of a Director's year is

the opportunity to visit different chapters. I made official visits to our Ontario chapters, Ontario Alpha and Ontario Beta, in January and to the Pennsylvania chapters, Pennsylvania Beta, Pennsylvania Gamma and Pennsylvania Epsilon, in April and May. My welcome was warm and I met lovely and capable Pi Phis each place. I will remember my visits with these chapters always.

I was also fortunate to be able to work with our newest chapter, West Virginia Gamma, at Bethany. I went over for the pledging and colonization in the fall, returned in November for their officer training, and was delighted to return to help with their Installation on March 2nd. It was good to see the work and devotion of the colony and alumnae culminate in the realization of their dream to become our 112th chapter.

This first year I have worked to establish the scope and mechanics of the office. I have been helped greatly by attending province and directors' meetings and workshops.

Without doubt the greatest boost to my morale is the opportunity to work with Grand Council and some of the past officers. These women have been ever helpful and are so nice to know. My special thanks to our Grand President, Dorothy Morgan, and the Grand Vice President, Sally Vanasse. They are a constant example of fine leadership and encouragement to me.

The establishing of a new office has meant work but had brought many rewards. Most chapters greeted the division favorably and it has been wonderful to work with the chapters.

Each campus and chapter is different but there are considerations in the rush program which concern us all. By sharing our concerns, helping each other, and working toward successful rush programs, we can all benefit. Rush is an important step toward an outstanding chapter.

VERNAH S. GARDNER

## DIRECTOR OF SCHOLARSHIP

Statistics compiled from scholarship reports submitted by Pi Phi chapters for the 1966-67 academic year again point up the ever increasing competition for scholastic excellence on campuses everywhere. By meeting the challenges of the academic world squarely Pi Phis have achieved success and honors for themselves and for their chapters. Our fraternity is extremely proud of these accomplishments.

On campuses where scholastic ranking of Panhellenic groups is computed, four Pi Phi chapters maintained top ranking for the year:

Tennessee Beta	Alberta Alpha
Alabama Alpha	Washington Gamma

Fifteen chapters achieved a first ranking for at least one term, and an additional 25 chapters ranked in the upper third of the Panhellenic groups.

The grade point average of 102 chapters either under or converted to the 4-point system was 2.741 as compared with 1965-66's 2.721. Five chapters deserve special recognition for maintaining B-averages for the entire year:

Nova Scotia Alpha	Vermont Alpha
Ontario Alpha	Oklahoma Alpha
	Washington Gamma

Elected to Phi Beta Kappa or Phi Kappa Phi were 80 Pi Phi collegians while 267 others were elected to other honoraries or graduated with honors.

### PI BETA PHI 1967-68 NATIONAL SCHOLASTIC AWARDS

The *Doctor Hazel Rutherford McCuaig Award* is presented annually to the Pi Beta Phi chapter having the highest grade on the scholarship portion of the fraternity's Standardization and Survey Report. *Washington Gamma* is this year's recipient.

The *Grand Council Award* of \$50.00 is presented annually to the chapter in the upper third or first category which has shown the greatest improvement over the preceding year. This year awarded to *Oklahoma Alpha*.

The *Westchester Club Award* is presented annually to the chapter in the lower or lowest category of the preceding year which has made the greatest improvement. Awarded to *Alabama Gamma*.

The *National Scholarship Plaque* is presented annually to the chapter which has ranked first on campus for the greatest number of consecutive semesters or quarters. Awarded to *Washington Gamma* for having ranked first on the University of Puget Sound campus for 11 semesters.

The *Adda Prentice Williams Award* of \$25.00 is presented annually to the Chapter Scholarship Chairman whose program has been the most effective in promoting or sustaining strong scholarship within her chapter. Awarded to the Zeta Province nominee, *Saundra Frazier of Indiana Delta*. Other province nominees are:

Gamma Province—Joel Ann Todd, Ohio Zeta
Delta Province—Lucie Mason, North Carolina Beta
Epsilon Province—Barbara Dienes, Michigan Alpha
Eta Province—Judy Johnson, Tennessee Beta
Theta Province—Jeannine Pippen, Alabama Gamma
Iota Province—Ann Leslie, Illinois Eta
Kappa Province—Bunny Varberg, North Dakota Alpha
Mu Province—Susan Harris, Iowa Gamma
Nu Province—Sally Rapp, Oklahoma Alpha
Xi Province—Diedie Lingle, Colorado Alpha
Omicron Province—Joan Shotwell, Washington Alpha
Pi Province—Riska R. Platt, Arizona Alpha

Nothing is more stimulating or challenging than working with Pi Phi pledges and actives, and for four years it has been my privilege to do so. Knowing that helping and encouraging our collegiate members to make the most of their academic potential is essential in the development of truly educated women, my enthusiasm for the office of Director of Scholarship has never waned; however, with challenge being offered in another area of fraternity work, I confidently place this office in the capable hands of Frances Farrell Ross. My sincere gratitude goes out to the Chapter Scholarship Chairmen, Alumnae Advisors, Scholarship Supervisors and Province Presidents who have given their complete cooperation to this office. To each member of Grand Council I extend my appreciation for her confidence and encouragement . . . to the Director of Central Office and her staff, my thanks for their help and efficient services.

ORPHA O'ROURKE COENEN

## DIRECTOR OF STANDARDS

Since this is a new office created at the Centennial Convention, the work this year has been on a trial and error basis with the hope of evolving an up to date standards program. In the fall a letter was sent to all the active chapters proposing standards guide lines, with a request for an evaluation after thorough chapter discussion. The replies have been carefully considered and tabulated and will serve as the basis for a formalized program to be determined by a committee consisting of the Director of Standards, a

Province President, an Alumnae Advisory Chairman and five actives. This committee will meet at the leadership workshop in Knoxville. The same letter was sent to the parents of the active membership. Their comments have been much appreciated. A copy, also, went to each alumnae club.

New pages were used for the Vice-President's Manual, detailing the functions of Arrow Board.

A very pleasant respite from all the correspondence were

the chapter visits made to Oregon Alpha, Montana Alpha, Wyoming Alpha, Utah Alpha and California Gamma. So much mutual understanding is gained by these visits as well as a re-affirmation of the quality of Pi Beta Phi actives and of the dedication of alumnae who work with them.

Encouragement from Grand Council and Province officers plus the perceptive and intelligent response from the active chapters have given this year's work real purpose.

ELIZABETH T. ORR

## ARROW EDITOR

The ARROW has drawn much favorable comment from its readers this year following a change in format. The editor is well aware that the content of the magazine has rested as always on the responsiveness of those readers who became contributors.

The major innovations this year were in the mechanical aspects of the magazine. The printing process was changed to offset. With the assistance of John Robeson and Harold Bachmann of the George Banta Company, improvements were made in display of type.

We have had the assistance of several sisters this year in the preparation of issues. That of Maryla Walters and Gina Soule was invaluable in the Centennial Convention issue. Evelyn Kyle, Henrietta Huff and Ruby Traill were instrumental in preparation of material for the January issue. Marianne Wild and Jean Donaldson provided factual and feature material for the April magazine. Elizabeth Orr and Dorothy Morgan were most helpful in the preparation of featured articles in the June issue. In addition there has been the usual fine response from ARROW Correspondents, Alumnae Club corresponding secretaries and numerous others who sent material used in this year's magazines. Adele Heink and Mary Elizabeth Lasher Barnette continued to give their usual fine staff assistance.

The ARROW editor completed her two-year term as chairman of the National Panhellenic Editor's Conference Operation Brass Tacks committee in November, 1967. She attended the meeting of the NPC editors in New Orleans that month. It was also her pleasant privilege to join Florida Pi Phis at their State Day at Gainesville in January and to participate in the annual Greek Week program at the University of South Carolina in March. She was very grateful for the honor accorded her by the 1968 seniors of Arkansas Alpha in May, when they named her as the recipient of the Mary Campbell Gregory Chapter Service Award.

With the completion of the 83rd volume of The ARROW, this editor terminated her service to Pi Beta Phi. The eight years of her work in this capacity were years of rewarding endeavor, happy association and fraternal fulfillment. This was due to the cooperative and understanding attitudes of Pi Phis with whom she worked officially and hundreds of other sisters who supported the magazine with contributions or answered requests for assistance.

This official farewell is underlined with warmest appreciation to each of you.

DOROTHY DAVIS STUCK

## SECRETARY OF THE ALUMNAE DEPARTMENT

The 1968 Centennial Convention in Chicago, Illinois, established this office. At the completion of the first year, this officer can look back to a year of learning, experimentation, and definition. At this writing, it can be said that the following responsibilities have been designated and executed for this office.

The first responsibility began immediately after Convention when the Convention Workshops' evaluations were received, tabulated, and compiled into a report which was sent to Grand Council. The summer was also filled with setting up the new files and helping the Grand Alumnae Vice-President plan for the September, 1967, Officers' Workshop held in St. Louis, Missouri. The planning and scheduling of the various meetings was done through correspondence.

Beginning in October, this officer began receiving from the Alumnae Province Presidents copies of all club visit reports. These were carefully studied and briefed for Grand Council. Any questions or information concerning problems were sent to that officer or committee chairman directly concerned.

This director also receives, tabulates, in some instances answers, and files copies of all questionnaires sent by club presidents near the close of the year. Again, other officers and chairmen are contacted concerning specific areas.

One of the most pleasant duties is to handle applications for the Junior Group Scholarship given by the Junior Groups of Pi Beta Phi. This year four applications were received and sent to the Oklahoma City Junior Group for judging. The Junior Groups do this in rotation according to a sequence determined by original contributions.

Also a pleasant task is the sharing in the judging of the Ruth Barrett Smith Scholarship applications. It was rewarding and inspiring to read the many applications repre-

sented the fine young women who are our sisters on campuses across the country.

The Grand Alumnae Vice President appointed this officer Chairman of the Committee to Study Junior Groups. The committee members consist of Mrs. Emrich Van Buren, Pi South Alumnae Province President, and representatives of the following clubs and groups: North Shore, Junior, Illinois; Oklahoma City, Junior, Oklahoma; Denver, Junior, Colorado; Dallas Alumnae Club, Texas; Portland Alumnae Club, Oregon. The purpose of the committee is to study the groups, their operation, their relationship with the senior club, and the question of a vote in the Alumnae Session of Convention. A report is expected at the 1969 Convention. This committee has been functioning for several months by correspondence and plans to draw its conclusions and recommendations in adequate time for the next convention.

This office has also been in the process of formulating ideas and tentative plans for the Alumnae Province Presidents' agendas for the August, 1968, Workshop to be held in Knoxville, Tennessee.

In addition to the above mentioned, the Secretary of the Alumnae Department answers for the following during the two year term between conventions: Acts as Chairman of Credentials for Convention, acts as secretary for the Alumnae sessions of Convention, and plans the Alumnae Convention Workshops.

This first year as a director has been filled with challenge, introspection, inspiration, and warm friendship. The opportunity to be of service, to feel the thrill of motivation flowing through one's veins, to keep young, active and mentally alert was offered by our beloved fraternity. I have accepted the offer with deep appreciation.

BETTY ROWTON HOLT

## NATIONAL HISTORIAN

The activities of the National Historian for the past year have been varied, interesting and rewarding.

Since her last report, she prepared an historical exhibit and program for the Centennial Convention, June, 1967, in Chicago, Illinois. As a result of the demands for the script of the Centennial Historical Program, the Convention Chorus recorded the program. Stereo records were sold to about 340 Convention Delegates and Visitors. Additional records were sent to active chapters which were used for Pi Phi Night #3.

It was hoped that the Centennial History, *A Century of Friendship in Pi Beta Phi*, would be completed in time for the Centennial Convention. The publication was finally ready for distribution just after the first of January, although the final copy was submitted in October.

The National Historian attended the National Officers' Workshop held in St. Louis, Missouri, in September where she recorded the minutes of the meetings of the Province Presidents.

In February, the Historian visited Michigan alpha, Gamma and Delta chapters. She met many lovely Pi Phis and dedicated alumnae which is always a very rewarding experience. The many courtesies extended to her were very much appreciated.

During the months following the completion of the Centennial History, the Historian began the current history of the fraternity; prepared a Model Chapter Meeting used as a demonstration at the August Chapter Presidents' Workshop held in Knoxville, Tennessee; revised the Chapter Officer Check List for Visiting Officers; began revising pages in the Chapter Presidents' Notebook; and attended the

Grand Council-Directors' meeting in El Paso, Texas, May 21-24, 1968, where she recorded the minutes of the Directors' meetings.

In September, 1967, the Historian served as a senior counsellor in the dormitory during Oklahoma State's formal fall rush; presented a program at the April meeting of the Stillwater Kappa Alpha Theta Alumnae Club; attended Oklahoma Pi Beta Phi State Day in Enid, Oklahoma; attended the Founders' Day Banquet of Arkansas Alpha where she was the speaker; and in May, she presented a program for the Stillwater Pi Beta Phi Alumnae Club about the resolutions passed at the November meeting of the National Panhellenic Conference held in New Orleans. This program also included the report of the activities of the Oklahoma State Panhellenic given by Dana Downing, Oklahoma Beta Panhellenic Delegate.

The National Historian wishes to express her appreciation to the many Pi Phis who wrote notes expressing their enjoyment of the Centennial History. The contributions to the fraternity archives were numerous, too numerous to mention by name and article. In behalf of the fraternity, the Historian wishes to thank each contributor. It is through these valuable contributions that the future history of the fraternity can be preserved and enjoyed by the future generations of Pi Beta Phi.

The National Historian is grateful to the Grand Council and the Directors of the Fraternity for the guidance and helpful suggestions given, making the duties of the Historian a pleasure and privilege to carry out.

JEAN ORR DONALDSON

## NATIONAL SUPERVISOR OF CHAPTER HISTORIES

With the historical spirit of Pi Beta Phi stimulated by the publishing of "A Century of Friendship in Pi Beta Phi," we've decided that, instead of destroying the old carbon copies after five years, they will be given to the National Historian who feels that she can glean interesting items from them that could be used in future history supplements. With this procedure, it is even more important that chapter historians realize the value of the essays they write, describing chapter and school events—pictures alone, as a scrapbook would contain, cannot do this, as we keep stressing in our suggestions to historians. This year only the top quality fourteen histories will be displayed at workshop and as these more graphically show the proper history format, we hope that it will be helpful in explaining to delegates just what is expected.

The Supervisor was asked to bring the Historian's Manual up to date, so this was done with the new manual reaching the historians early this spring. In spite of this, there was considerable misunderstanding about the procedure of sending the histories to the supervisor for grading. The girls, knowing that histories had been taken to conventions the past two years, confused the term "workshop" and "convention" and sent only the carbon copies. There has been considerable correspondence over this, but we hope that the situation has now been clarified.

The Nita Hill Stark Vase is awarded to Maine Alpha for a very attractive history, containing excellent material, artistically presented with carnations and Pi Phi angels throughout. This chapter has had many good histories, last year's being a close runner-up for top honors. Marta Hanley and Linda Studley were co-historians.

The Historian's vase is awarded to Oklahoma Beta; Kathy Chapman, Historian and Nona Barton, Assistant Historian. This book is excellently written and shows the results of this chapter's interest and assistance in compiling

the recent Centennial History. Significantly, this history has been dedicated to Jean Donaldson, in appreciation for her inspiration to them.

The twelve histories given Honorable Mention represent many different provinces and portray many phases of chapter and college life. Some are from chapters that consistently have produced good histories; others are first time winners. They are, in alphabetical order: California Delta, Historian, Sue Smith, Assistant Historian, Janis Avery; Georgia Alpha, Historian, Jo Ann Northcutt, Assistant Historian, Linda Dixon; Indiana Gamma, Co-Historians, Ellesa High and Christine Johnson; Kansas Alpha, Co-Historians Sally Stark and Donna Woodard; Kansas Beta, Historian, Nancy Waddle, Assistant Historian, Barb Lee; Michigan Alpha, Historian, Nancy Hitchcock, Assistant Historian, Susan Haight; Ohio Zeta, Historian, Babbie Griffin, Assistant Historian, Barb Callaway; Ontario Beta, Historian, Susan Ringer, Assistant Historian, Kathy Kilbank; Pennsylvania Beta, Co-Historians, Kay Latven and Janet Wolf; Tennessee Beta, Historian, Ann Norman, Assistant Historian, Kathy King; Virginia Delta, Historian, Sigrid Clark, Assistant Historian, Susan Cote; and Wisconsin Alpha, Historian, Lynn Partleton, Assistant Historian, Sue Crider.

We appreciated the opportunity of attending the officers' workshop in St. Louis last fall, as it gave us the chance to meet the new presidents with whom we correspond, as well as indoctrinated us in fraternity policies and ideals that we were to share with the chapters we were asked to visit. We enjoyed going to Missouri Alpha and Missouri Beta chapters, and can only hope that we were able to impart some of the national feeling of the fraternity in our visits with them. Just being with members of Grand Council gave us an inspiration, and we are thankful for being asked to do this work for the fraternity.

ROSE MCCOLLOCH DRESSLER

## NATIONAL CONVENTION GUIDE

Following the close of the Centennial Convention, plans were underway for an Officers' Workshop which was scheduled for September in Clayton, Missouri. In addition to workshop sessions which were of value to the new officers especially, everyone had an opportunity to visit Central Office, meet the staff, and learn about the operation of this busy place.

A trip to Knoxville, Tennessee, was made just before the workshop in order to set up dates at the Andrew Johnson Hotel for a National Leadership Conference to be held in August, 1968.

In February, a trip was made to Pasadena, California to meet with the 1969 Convention Committee and some of the staff of the Huntington-Sheraton Hotel. We were happy to be able to schedule this trip at the time of the Pasadena Alumnae Club's benefit which was held at the Huntington.

The members of the 1969 Convention Committee are busy at work planning for the 47th biennial convention of Pi Beta Phi. They are Geri Kurek, chairman; Jane Higgin, Hospitality Chairman; and Mary Hart, Registration Chairman. We feel most fortunate in having such an enthusiastic committee appointed in the fall of 1967 to allow enough time for the shipment of materials to California, and an early start on preliminary planning.

This spring contacts were made with several hotels by phone and letter to set up tentative dates for the 1971 and the 1973 conventions. Final decision on these sites will be made by the Grand Council.

We wish to thank the members of the Grand Council and the Director of Central Office for their help, and all those Pi Phis who have contributed time and effort to convention committees in the past.

## CENTRAL OFFICE REPORT

This has been the first year behind this particular Pi Phi desk for the Director of Central Office, and it has been a rewarding one for her. She has enjoyed working with the office staff and with the officers and members of the fraternity. It was a pleasure to meet with fraternity officers at the Officers' Workshop in St. Louis in September, and the meeting of the Central Office Executives which was held in conjunction with the NPC meeting in November was particularly helpful.

With the addition to the office staff of the position of Financial Director, ably filled by Mrs. Benjamin Dorlac, the effectiveness of the chapter accounting department has been considerably increased. The time it takes to audit the chapter treasurers' monthly reports has decreased, and necessary adjustments have been made earlier. There has been closer contact between this department and the chapter treasurers this year.

The accounting system for keeping Central Office's own books was changed during the year to match the new system used by the Grand Treasurer, making it easier to allocate income and expenses to the different funds and programs of the fraternity.

The volume of the steady flow of supply orders from clubs and chapters has been amazing to a new Director. However, the majority of these orders has been filled within a day. In order to make ordering easier, new club and chapter stock lists were sent out with the winter mailing. We are trying to have as much of our material up to date as possible, and to that end five new manuals to help officers with their work were issued this year: Alumnae Club Recommendations Chairman, Chapter Historian, Magazine Chairman, Chapter Membership Chairman, and Chapter Scholarship Chairman.

The Assistant Director, Caroline Barrere, has again done an excellent job of heading the membership and jewelry functions of the office. The processing of jewelry orders has been made more difficult by the fluctuations in the price of gold. Price increases have had to be handled by additional billings to chapters. There were 2,785 initiates this past year, and a separate record was kept of the pledging, initiation, payment of fees, etc. of each one of them.

There has been a great deal of work done on the various IBM listings which the office is responsible for keeping up to date. Lists are printed out alphabetically, alphabetically within chapters, by club and state, and of those eligible for the Order of the Golden Arrow, in addition to the regular print-out of ARROW labels for those Pi Phis for whom we have addresses. For the Summer, 1968, ARROW, nearly 71,000 labels were printed. Since Pi Phis seem to move a great deal, the task of keeping these lists up to date is a difficult one. Any notification of an address change is always appreciated. We would like to have as few "lost" Pi Phis as possible, and the corrections are more accurate when turned in by the Pi Phi herself. The Post Office does give forwarding addresses where it has them, but we are trying to get Post Office returns down to a minimum. The present level of these returns is 2.3%, so we feel some progress has been made.

The Director wishes to thank the office staff and the officers of Pi Beta Phi, in particular the Grand Council and the Grand President, Dorothy Weaver Morgan, without whose help this first year could not have been managed—and she wishes to take this opportunity to remind Pi Phis everywhere that Central Office is here to serve them. Please don't hesitate to let us know if there is any way in which we can help you.

## MAGAZINE AGENCY

Following is our annual report of Commissions earned for the year 1967-1968. Our total sales dropped considerably in this fiscal period, making a decrease in our total commissions of \$2,077. Only five of the 16 provinces had an increase in commission this 1967-68 year.

Georgia Alpha, through the fine work of their chairman, Jere Anna Sumner, once again took top honors for Highest Total Commissions and Per Capita for chapters. Jan Pritchard's fine job won top honors for Missouri Alpha for Highest Dollar Increase.

Among the Alumnae Clubs, St. Louis, Missouri, with Mrs. James Breckenridge as their senior club chairman and Mrs. Virgil Snell as the Junior Alumnae chairman, topped all others for Highest Total Commissions. Highest Per Capita for Alumnae Clubs goes to the Little Pigeon, Tennessee, club with Mrs. Mattie H. Lawson their chair-

man, while Highest Dollar Increase goes to the Denver, Colorado, Alumnae Club, Mrs. R. T. Larsen, chairman.

We have omitted from this year's report for The ARROW the list of commissions for each individual club and chapter, but we will be happy to supply any of these figures upon request.

It is necessary for each chairman to begin her work at this time to obtain new business from both current and prospective customers if we are to be assured of success in the coming year. Many chapters and clubs find great success by asking *each member* to purchase one magazine.

Our sincere thanks to all Magazine Chairmen for their hard work this past year. We hope that this coming year will show a sales increase, and we will do everything we can to help bring this about.

# Arrow in the Smokies

## CHAIRMAN, BOARD OF GOVERNORS, ARROW IN THE SMOKIES

The Settlement School began its new phase of development when it launched "Arrow in the Smokies" after the 1967 Convention. Three fine reports on the background of this project have been printed in the September, 1967, *ARROW*. One is the report of the Grand Vice President of Philanthropies, Evelyn Peters Kyle, and the other is the report of the outgoing Settlement School Chairman, Dorothy Coleman Thorman. The third is the report of the Settlement School Director, Marion Mueller Prince. These reports are milestones of fraternity history, fine resumes which present the hopes and ideals of the new phase, while also presenting the successes of the old. My work as Chairman of the Board of Governors has been assisted by Dorothy Thorman and her Settlement School Committee in many instances of advice and help, and by Evelyn Kyle, whose support and knowledge has been invaluable. Marion Prince has given of herself and has extended her administration several months after she had hoped to retire.

The new phase in the continuation of our philanthropy is progressing but cannot be hurried. Continuity in operation has been slowed somewhat by the advent of a new Board and changes in operating personnel. Mrs. Marjorie Chalmers took over the duties of Arrowcraft Manager in October, as a temporary position until a new manager could be found. Marion Mueller Prince (Mrs. Herbert), who has been Settlement School Director for a number of years, continued her administration after January 1, 1968, when it became apparent that there was no Pi Phi yet available to take over. The ability and devotion of these two Pi Phis, who were fulfilling the fraternity's special needs during this period, will be long remembered. My deep appreciation to them.

Miss Marian Heard, as Director, again conducted a successful Craft Workshop in the summer of 1967. Subjects taught at this accredited Pi Beta Phi—University of Tennessee summer program were: weaving, textile design, ceramics, enamelling, jewelry, recreational crafts, and stitchery. Miss Heard is Professor of Craft Design at the University of Tennessee. For many months she has spent additional time in planning the arrangements, equipment and innovations of the projected Arrow in the Smokies classrooms, as well as other features. These have been incorporated in the recent architectural plans. We are fortunate that we have a Pi Phi of such creative talents.

From my close association with the museum field and its publications I have become aware of the growing importance of the crafts as activities which enhance the very fabric of civilized society in all aspects. The new artistic explosion has been making itself felt even more in the areas of advertising, industrial design, interior decoration. In addition, a growing awareness of creative projects which are based on artistic knowledge is reflected in increased attendance at museums in their tours and their arts and crafts classes, and is also reflected in the arts taught in the elementary schools of the nation.

Arrow in the Smokies will become one of the few Craft Centers pioneering in the enrichment and promotion of Craft Design, while preserving the fine aspects of the traditional in crafts.

Our new Resident Manager was found in April and took over her duties on June first. She is Mrs. Lucile Woodworth, a Pi Phi of exceptional administrative knowledge and experience. She assumes both the duties of the past Settlement School Director and the Arrowcraft Manager. She will coordinate all administrative activities of Arrow in the Smokies under its Board of Governors. We have been fortunate that she became available this Spring.

Our first Board of Governors' meeting took place July 12-14, 1968, at Gatlinburg, Tennessee. The Board members were appointed by the Vice President of Philanthropies over the winter months. A glance at the list of its Pi Phi members, published in the most recent *Arrow*, plus the University of Tennessee representatives, will indicate the fine caliber of this Board.

Recent announcements by Grand Council have moved Evelyn Peters Kyle to Grand Alumnae Vice President and Orpha O'Rourke Coenen to Grand Vice President of Philanthropies. Mrs. Kyle's devotion and knowledge of our great philanthropy will surely spark much interest among Alumnae, and meanwhile we shall look forward to working with Mrs. Coenen and her special talents.

After the Board of Governors' July meeting special committees and assignments can be announced. Mrs. Adin Hall has already been appointed to work with the Little Pigeon Awards. She is also Chairman of Ways and Means, working closely with the Board Chairman, Mrs. Floyd R. Hightower is, at present, circulating the special slide lectures on Arrow in the Smokies for Pi Phi groups. Mrs. James Huff will continue with Publicity and Public Relations in Gatlinburg. She has asked to be replaced as Secretary on the Executive Committee, so this position has been filled by Miss Lucille Jennings. Dean Lura Odlund, Dean of Home Economics Department, is also a member of the Executive Committee on the Board of Governors.

Mr. Hubert Bebb, of Gatlinburg, was appointed the architect of the Arrow in the Smokies buildings, to be constructed as time and money becomes available. He is revising plans already drawn for a special exhibit wall, an architectural feature along the grass strip at the front of the Pi Beta Phi property adjoining the Arrowcraft Shop. Presently being reviewed by Grand Council is the completed drawings of the Classroom Building. The Arrowcraft Shop will also be enlarged in due course. There are delays in the actual ground breaking because of decisions that must be made carefully and priorities to be considered because of the care we must exercise in the spending of funds.

Many "loose ends" can be tied together properly after our first meeting this summer. I hope that we can make a good start in helping Pi Phi realize its great plan for this unique Craft Center. Much creative planning has gone into this project long before my appearance as Chairman. As the ideas become forged into the goal envisioned, many of us are absorbing enthusiastically the spirit of this great philanthropy project. I am happy to be a part of it. Pi Phis everywhere, this is your project, and it is worthy of your dedicated support!

ELIZABETH YELM KINGMAN

## DIRECTOR, ARROW IN THE SMOKIES

Highways, expressways, and airlines lead to Gatlinburg via Knoxville. Gatlinburg, a mountain resort population of twenty-three hundred, is a tourist mecca with accommodations for thirteen thousand. The area attracts visitors to the adjoining Great Smoky Mountain National Park.

An increasing attraction of many is crafts of the area. Few of these crafts are in evidence on Parkway, the artery

of Gatlinburg. However, Pi Beta Phi office and Arrowcraft Shop are on Parkway. The craft school area and Settlement School buildings are slightly and comfortably removed from the Parkway.

In summary my last year at Settlement School, our Pi Beta Phi Memorial to our Founders, could well be expressed in one sentence—there has been constant effort to

*Accountants' Report*

*Pi Beta Phi Settlement School Committee,  
Pi Beta Phi Settlement School,  
Gallinburg, Tennessee.*

We have examined the balance sheets of the following funds of Pi Beta Phi Settlement School (a division of Pi Beta Phi) as of May 31, 1968, and the related statements of income and expense and fund balances for the year then ended:

Current Funds  
Land Sale Fund  
Centennial Fund  
Endowment Funds  
Invested in Plant

Our examination was made in accordance with generally accepted auditing standards, and accordingly included

such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of income and expense and fund balances present fairly the financial position of the funds (as described above) of Pi Beta Phi Settlement School at May 31, 1968, and the results of their operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year except as further explained in note appearing above.

## CANADIAN PHILANTHROPIES COMMITTEE

The Canadian Philanthropies Committee grew out of the Canadian Project Fund. The Committee administers two projects, the Loan Fund for Social Work students and the Northern Libraries Project and is responsible to the Vice President of Philanthropies.

The inclusion of the new School of Social Welfare at the relatively new University of Calgary brings the number of schools to nine. This extension of the Fund was made possible by the redistribution of funds. The University of British Columbia and the University of Manitoba both agreed to release \$500.00 so that a \$1000.00 Loan Fund could begin in Calgary. A sum of \$100.00 was sent to the Maritime School of Social Work where the fund is used extensively. Some of the schools have had some difficulty with unpaid loans but it is hoped that this money will eventually be repaid.

At the 1967 Convention it was the unanimous decision of the Canadian delegates to adopt the Northern Library Project. Money is sent to supply books to the libraries of the Yukon and Northwest Territories. The Canadian Government supplies an adequate budget for the purchase of books but there is no money available for the extras that add so much to a library's usefulness, particularly, expensive reference volumes. In July, 1967, a cheque for \$1000.00 was presented to the Commissioners of the Territories to be divided equally between the libraries.

The library project has created considerable interest, especially, among the Actives. While some Alumnae groups still feel we should be adding more money to the Loan Fund, most are in agreement that it should be self-sustain-

ing and that most of the money contributed should go to the libraries.

Communications between groups so many miles apart in distance and in interests is difficult, but this is nothing new to you I am sure. I have tried to keep up interest with frequent letters and I have encouraged the expression of opinion. There was an excellent article on the Library Project in the *ARROW* and I hope this helped to create more interest.

During the coming year I hope to establish terms of reference to act as a guideline for the next chairman. This week I am meeting with a representative of the Hamilton Club, which is responsible for the next chairman's appointment. This will give them an opportunity to become acquainted with the work of the committee.

There are two areas where I would like to see some changes made. The GT2 form should have the Canadian Philanthropies Committee added so that there is no confusion as to where donations are to be sent. So many come to me and I must redirect them.

The other is to find a suitable meeting time at Convention for discussion of the Philanthropies Committee problems with the Canadian delegates. We tried to do this at the Canadian breakfast, but this wasn't too satisfactory. I realize that to try to accommodate half a dozen people at a large convention is almost impossible, but perhaps there could be some workshop time available for this.

My thanks to all those who have made it a pleasure to serve Pi Phi during the past year.

## COMMITTEE ON CHAPERONS

The Committee on Chaperons maintains personal records and employment contracts of all chapter house and lodge chaperons. It has authority to grant or deny the hiring of an individual chaperon. It serves as a contact between Grand Council, Alumnae Advisory Committees and Chapters in all matters related to the chaperon. It receives applications from persons desiring to serve as chapter house chaperons, and when requested in an advisory capacity for chapters seeking chaperons.

In 1967-68, 74 chapters employed women serving as chaperons for the approximate 2950 undergraduate girls housed by Pi Beta Phi. The average chaperon age is 63 years and average service tenure is 3.6 years. The greater percentage are rated as "Superior" or "Very Good." The salary range is dependent on local situations.

Due to a variety of reasons, most concerned with age and health, there is an annual turnover in chaperon person-

nel. This Committee therefore welcomes the receipt of names and information regarding capable women interested in serving in this capacity. This may be accomplished by contacting the Chairman.

This Committee expresses its sincere appreciation to Alumnae Advisory Committees who work so closely with the chaperon and thus enhance the high degree of rapport and communication between the actives, alumnae and chaperons.

The Chairman would like to acknowledge the devoted service of Mrs. Harriette Evans who has been with Iowa Zeta for 24 years and will return for the 1968-69 academic year.

Sincere thanks is extended to Central Office which has processed the major mailing of this Committee.

## CITIZENSHIP COMMITTEE

Citizenship Committee Motion as reaffirmed by vote of the active and alumnae sessions of 1967 Pi Beta Phi Convention followed the intent to become informed and participating citizens to know our great documents, the Declaration of Independence and the Constitution.

As Chairman I attended the 1967 National Citizenship Conference proclaimed by the United States President held annually in Washington and across the nation during the week of September 17, Constitution Week. Attendance was larger than ever before recorded with delegates from many organizations.

The theme 1967 was America's Oldest Legislative As-

sembly. The First Assembly 1619, was held at Jamestown, Virginia.

The program included naturalization proceedings and admittance of some 100 to the privilege of American citizenship, and was widely covered by the Associated Press.

The presiding judge of the ceremonial naturalization proceedings charged the new citizens to know the American Constitution and follow the laws of their adoptive country.

As delegate from Washington Alumnae Club to the District of Columbia Panhellenic Association I attend the monthly Naturalization Court. A detailed report of the

monthly Court proceedings has been mailed to Pi Beta Phi N.P.C. Alternate.

The presiding Judge of each of the Naturalization Court monthly has spoken on the subject of knowing America's great documents.

May 1—Law Day. The theme of knowing America and participating as citizens was the theme of the speakers, along with remarks concerning the new Immigration Laws of the U.S.A.

The announced theme for the September, 1968, National Citizenship Conference is the study of representative government in America and includes the story of America's oldest Legislative Assembly and its Jamestown Statehouses.

Naturalization Court will not convene November, 1968, since a law states no naturalization proceedings during the month in a national presidential year.

Further information concerning Citizenship will be mailed in July, 1968.

## EMMA HARPER TURNER MEMORIAL FUNDS COMMITTEE

For twenty-two years, close to the last fourth of her history, Pi Beta Phi has shown loving concern for alumnae who carry heavy burdens. Nearly seventy wearers of the Arrow have been made conscious of the enduring quality of their Pi Phi membership during these Emma Harper Turner Memorial Funds years. Actually, this awareness is much broader than the individuals thus served. It moves into the life of every Pi Phi who has cared about another member enough to seek assistance for her and who has seen the blessing of this Pi Beta Phi service in action.

The Committee has been aware of increased contributions and size of gifts to this Fund. We hope that all who have added to the scope of this service have gone with their gift in spirit; that they have felt an awareness of the joy which comes to someone whom they may never know when she has this tangible evidence of her fraternity's involvement in her own life and its special problems. To know what happens when a check goes forth at your request is never to be casual about the worth of your investment in this enterprise.

Within the current fraternity year, fourteen Pi Beta Phis have received grants from this fund. Eight of these have been on our list in previous years. Six of these eight have been receiving small monthly payments, intended to brighten days of limited activity and all of these are Golden Arrow members. Two other Golden Arrow Pi Phis have received a single check this year, to meet a special emergency situation. Two others, not yet 50-year members, have received a single check, in addition to one sent to them last year, because the problem for them had not been resolved and they needed additional help.

In addition to the above, we have made six new grants during this year. We have added another Golden Arrow member who will be receiving a small monthly check in-

definitely. The others reach into the lives of younger members who have faced loss of loved ones and carry the financial load of family alone, or others who have faced some form of personal injury or illness and must expect prolonged recovery. Each one endures struggle and heartache and needs the comforting assurance brought to them by Pi Phi sisters who have cared enough to do something to help. We hope that you are aware of the fact that this Fund serves two separate areas: the young Pi Phi alumna who faces unexpected pressure, and the older one who needs a small monthly financial boost. Social Security and Medicare help many, as we all know, but there are limitations which can mean a sad struggle and bare-necessity living. It is for these that we would offer Pi Phi's helping hand.

You will be interested to know that the range of initiation dates of those on our list today is from 1898 to 1958. Geographically, our grants move from California to New Jersey, in a well-distributed balance.

The chairman acknowledges gratefully the prompt and helpful assistance of Lillian Beck Holton and Nenabelle Green Dame, members of the committee. The Grand President and the Grand Treasurer have given prompt and thoughtful consideration, also, in the processing of our recommendations. To all of those who have sent contributions and memorial gifts we would express, in the name of the Fraternity and of those served, grateful thanks. Pi Beta Phi is rich in her heritage of one hundred years and their record but she is rich, also, in the quality of compassion and vision which remain in the lives of her members for the coming century. It is good to be a part of all that she has been and all that she will be.

## DIRECTOR OF EXTENSION

At the Centennial Convention in June, 1967, the convention voted to establish a chapter at Bethany College, Bethany, West Virginia, and one at University of Florida, Gainesville, Florida.

West Virginia Gamma at Bethany College was installed on March 2nd, 1968. Some of the preliminary work has been done for the Florida Delta colony at Gainesville. A graduate counselor has been appointed for the colony.

During the current year sixty-four inquiries have been received by the Director of Extension. These inquiries came from local groups wishing to affiliate, from administrations wishing to establish a Pi Beta Phi chapter and from individual members of the fraternity.

The following are extension requests reviewed in the past year:

## HOLT HOUSE COMMITTEE

It is a pleasure to write of Holt House for I am sure every member of Pi Beta Phi who has seen it possesses a great pride in this charming house. Each member of the present committee will agree that our predecessors on the Holt House Committees accomplished wonders and thereby fulfilled the goal which had been set for the Centennial Convention Tour.

In the Fall of 1967 the Holt House Committee met in Monmouth, Illinois to formulate future plans for Holt House. To assist us in this, it was our good fortune to have Evelyn Kyle, representative of Grand Council, Shirley Mann, the previous chairman, and Helen Lovejoy, treasurer, who remained on the Holt House Committee. The new members, Lois Foreman, Mary-Patricia Warneke, and Susan Lafferty were delegated duties to which they responded beautifully.

The Holt House Committee wishes to express its appreciation and thanks to the chapters, alumnae clubs, and individuals for the contributions received in 1967-68. The treasurer reported in May that we were behind our usual average; it is our hope that by now there has been an increase in our contributions—total participation is the goal.

The members of the committee recommended a fund be set up to provide for the care and restoration of items when necessary. Also, the silver flatware requires additional pieces; therefore the Green Stamp Project was approved. Clubs and chapters have responded generously, and we wish to acknowledge their contributions. We need more stamps to acquire sufficient silver for our hostess to use. Some clubs have promoted this project when they are having the Holt House program and thus Holt House has benefited. I hope you saw the Holt House notepaper at Convention. A print from the original etching by Leon R. Perscheret is very effective on the notepaper. It is priced at \$1.25 a box and may be ordered from Central Office.

This year we have not undertaken any extensive changes. It was recommended that we endeavor to establish a larger fund for maintenance and therefore our accomplishments are not too impressive.

Maintenance expenditures were at a minimum, for the house was in excellent condition when the Holt House Committee assumed the responsibility for it. The plantings for the garden have developed very well. A representative from the nursery reports all is progressing. Our major expenditure provided care for the new plantings and improvement of the lawn. New lighting fixtures were installed to ensure better light in the parking area at the rear of Holt House.

The report on rentals indicates Holt House was used

106 times from May 1, 1967, to May 15, 1968 (23 of these were to Pi Phi groups). The remaining groups were clubs and individuals who used the house for meetings, wedding receptions, anniversary celebrations, showers, and family reunions. Mrs. Shinofield, the hostess, has been most conscientious in the performance of her responsibilities, cooperating with the Committee in every respect.

This year the slides were revised to bring the interior pictures up-to-date. Lois Foreman reports she has had very few requests for the slides. In planning your programs, please remember these are available.

At the Centennial Convention the Pasadena Alumnae Club presented a lovely silver punch bowl to Holt House in honor of Evelyn Kyle.

A silver cake and pie server was given to Holt House by the Arrow Mothers' Club, Monmouth, Illinois.

Evelyn Kyle presented a book in which to keep a permanent record of gifts received for Holt House.

Recently, we received a gift of three hat pins from Miss Elberta Smith, Springfield, Illinois. The donor believes these must be favors which were distributed at early conventions of Pi Beta Phi.

## STATEMENTS OF FUND BALANCE

HOLT HOUSE TREASURER—PI BETA PHI

MONMOUTH, ILLINOIS

May 31, 1968

*Accountants' Report*

*Holt House Committee,  
Pi Beta Phi,  
Monmouth, Illinois.*

We have examined the accompanying statement of fund balance of the Holt House Treasurer—Pi Beta Phi, resulting from recorded cash transactions, for the year ended May 31, 1968. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records, and such other auditing procedures as we considered necessary in the circumstances. We previously made a similar examination of the financial statements for the preceding year.

In our opinion, the accompanying statement presents fairly the fund balance of the Holt House Treasurer—Pi Beta Phi at May 31, 1968, resulting from recorded cash transactions, and the receipts collected and expenses disbursed during the period then ended, on a basis consistent with that of the preceding period.

## COMMITTEE ON FRATERNITY MUSIC

It is my pleasure to report that the culmination of three years work finally resulted in the 1967 revised edition of our fraternity Songbook. Banta Publishing Company did a beautiful job and copies were off the press and ready for distribution at Convention in Chicago last June.

Practically all chapter presidents obtained at least one copy and one chapter bought 20 copies. This meant, in a chapter with 60 members, there would be one Songbook to every three girls. I hope more chapters are able to do this, as one Songbook for a chapter of 40 to 60 members is inadequate.

Many alumnae club delegates also bought copies and I trust Central Office has had orders from many more during the year.

After the busy Centennial Year, this has been a quiet one for this office. The change in due dates for chapter re-

ports of the Music Chairman has now been in effect two years and there were more reporting this year than last, but I hope next year all chapters will send in their two reports when due. Lambda Province was the only one with 100% participation.

I look forward to report time and the joy of reading about the various ways in which the chapters use our Pi Phi songs; whether it be during rush, skits, pinnings, serenades, group competition, or just for themselves, sitting around and singing for their own pleasure and enjoyment. A great deal of talent has the opportunity to come into its own through these activities and my only wish for the future is that it may ever be so. Again my thanks for this opportunity to work with and for Pi Beta Phi.

## NOMINATING COMMITTEE

The National Nominating Committee does not function officially during the interim of conventions. However, the Committee has been called upon to supply names to the Grand Council for use in making appointments to fill vacancies which have occurred during the year. From time to time new names have been forwarded to the Committee

from Central Office. As these names are checked, they have been added to the revised list compiled by the Committee with the assistance of the active members during the 1967 Convention.

SUSAN ROSE SAUNDERS

## PHI PHI TIMES

This has been a year of transition for the *Pi Phi Times*. Following a very slow beginning in the autumn, unavoidable because of a newly-appointed chairman, wandering files, and the necessary reorganization of the fraternity embarking on its second century, all of the missing pieces eventually began to fall into place, and with the invaluable help of enthusiastic province coordinators, the year's single issue of *The Times* came into being.

Because of the many requests received by the national coordinator from chapter members for rush party ideas and songs adaptable for rushing, it was decided to devote the spring issue almost entirely to rush.

A fall issue of the *Times*, currently in preparation, will contain much of the excellent material submitted by the chapter *Times* Chairmen—clever songs, homecoming ideas, party plans—in effect, a composite picture of the good times being shared by Pi Phis all over the nation and Canada.

Ninety chapters responded with contributions and sketches this year, and it is hoped that the missing few will learn to read and enjoy *The Times* issues and to take advantage of the opportunity it provides for each chapter

to share in the fun and fellowship of the fraternity.

Special mention for excellence in material submitted and outstanding cooperation must go to Alabama Beta, Indiana Epsilon, North Carolina Beta, Pennsylvania Beta, and Nova Scotia Alpha, and to be commended for original suggestions and creative presentations are Massachusetts Beta, California Epsilon, Oregon Alpha, Iowa Zeta, Kansas Alpha, Alabama Alpha, Kentucky Beta, Ontario Beta, and D.C. Alpha.

Outstanding material also was received from the following chapters (and it is regrettable that *The Times* cannot include all of it): Washington Beta, Texas Gamma, Iowa Gamma, Arkansas Alpha, Illinois Theta, Georgia Alpha, Indiana Zeta, Michigan Delta, Ohio Zeta, New York Alpha and Vermont Alpha.

Without the loyal assistance and interest of the province coordinators, *The Times* could not exist. The national coordinator also is most grateful to members of Grand Council for suggestions and encouragement, and to Central Office for patience and technical advice.

RUTH LOUISE DIERKS

## COMMITTEE ON TRANSFERS

During the past school year, this committee has received 100 Introduction Transfer Blanks, which is considerably less than in the past few years. Perhaps it indicates that Pi Phis have not moved as extensively as in the past or it may mean that the chapters have not been as careful in notifying one another when a girl transfers to another school. This is an obligation that the original chapter has when one of its members moves to another campus where there is a chapter of Pi Beta Phi. The transfer blank is as the name implies—an introduction of the girl to the new chapter. It is then the duty of the Recording Secretary to follow up when a blank arrives and seek the Pi Phi transfer and invite her to meet the chapter. Even though affiliation does not take place, it, at least, makes the transfer student aware of the chain of friendship which makes Pi Beta Phi so strong. When this blank is sent to the second chapter, a copy also comes to this committee whose job it is to send a letter to the transfer explaining exactly what her status is and what she can expect as a transfer student. If affiliation is to take place, there are two blanks which this committee receives as well as Central Office. One is the Approval for Affiliation from the original chapter and the other is Note of Affiliation which is sent when the actual affiliation has taken place. In this way each initiate's record is completely up to date. The Corresponding Secretary is responsible for sending these blanks and it is extremely vital that they be completed accurately. This year 56 Note of Affiliation Blanks were received by this committee.

Twice during the year, the Corresponding Secretary is responsible for filling out and sending two reports to this committee which indicate who the transfers are. These are called the "out" transfers. The report also asks for "in" transfers to be listed, or those girls who have come from schools where there are chapters. In this way the committee has a double check on those Pi Phis who are moving from chapter to chapter. The second report also asks for ways in which the chapter becomes acquainted with the transfer students and special activities which are planned for them.

These reports, along with the proper blanks constitute the chapter's grade from the committee on the S & S report. Seventy-seven chapters received 25% cooperation on the report. Three chapters failed to respond to either report during the year.

Central Office has worked especially hard this past year in bringing files up to date in regard to affiliation numbers. This has involved countless hours of correspondence with the chapters as well as the actual file work for each affiliate. The committee wishes to thank Central Office for accomplishing this task and thus bringing our own files up to date. The cooperation of chapter Corresponding Secretaries is also so necessary to the Transfer Committee. Without their help it would be impossible to keep in touch with our mobile collegiate members.

# Reports of Province Presidents

## ALPHA PROVINCE PRESIDENT

The honors bestowed upon Alpha Province chapters at the Centennial Convention were a great source of pride to the entire province. Massachusetts Alpha went home with the Vera Moss Bowl, Massachusetts Beta prized both the new Centennial Award and the Nita Hill Stark Vase, and Maine Alpha received Honorable Mentions for both chapter history and Pi Phi Times. The inspiration, education, and happy memories we received from the convention have stayed with us all year and helped to make it a happy one.

In almost every chapter there has been an increased involvement in worthwhile campus activities, and we are pleased with our many enthusiastic leaders. Most chapters have improved their campus standing scholastically and have brought honor to themselves and to Pi Phi.

The Province Amy Burnham Onken Award winner was Sandra Wynne of Vermont Beta. The other chapter nominees were Geraldine Zorn, Connecticut Alpha; Constance Merrifield Perry, Maine Alpha; Patricia Riess, Massachusetts Alpha; Mary Fennessey, Massachusetts Beta; Barbara Campbell, Nova Scotia Alpha; and Sally Brown, Vermont Alpha.

The Province Chapter Service Award was given to Catherine Logan, Nova Scotia Alpha. Mary Jo Rist, Connecticut Alpha; Marcia Blethen, Maine Alpha; Marnie LeClerc, Massachusetts Alpha; Phyllis Rimmer, Massachusetts Beta; Betsy McElvein, Vermont Alpha; and Sharon White, Vermont Beta, were the other candidates for this honor.

Patricia Stefka, Maine Alpha, was honored with the Portland Award which is given by the Portland, Maine, Alumnae Club to the outstanding sophomore in the province. Other nominees were Susan Anderson, Connecticut Alpha; Pamela Penfold, Vermont Alpha; and Joan Aldrich Knight, Vermont Beta.

The Alpha Province Scholarship Plaque, given to the chapter with the highest percentage of the membership with scholastic averages above the all fraternity women's average, was awarded this year to Connecticut Alpha. Vermont Beta will enjoy the possession of the province award

for the highest combined active-pledge average in the fraternity examinations.

The Alpha Province Angel Award travels to Canada where it will be in the possession of the Nova Scotia Alphas for their faithful work with the children in a school for the blind. Every girl in the chapter took part each week in this fine project! Honorable Mention Angels are Vermont Alpha, for their excellent and rewarding work with the children in a one room school; Maine Alpha, for their work with retarded children in the Brewer Opportunity Center; Vermont Beta, for their thoughtful and faithful correspondence with a marine unit in Vietnam; and Connecticut Alpha, for their tutorial projects in Mansfield and Hartford.

Massachusetts Beta is the Alpha Province candidate for both the Centennial Award and the new Frances Rosser Brown Award, as both their pledge program and their chapter programs have been outstanding. Claire Davidson is pledge supervisor and Rheta Kasmer is program chairman.

Special thanks and appreciation are due to our AAC Chairmen, Margaret Mulhern, Marcia Cook, Diann Silvia, Leslie Stiles, Sheila Parker, Judy Cram, and Peggy Van Dine and to their fellow advisors. Their help has been invaluable to both their chapters and to me. Thanks must also go to Phyllis Bragg, our scholarship supervisor; to Jacqueline Boazman, our fraternity study and education supervisor; and to Catherine Clarke, our *Pi Phi Times* coordinator.

To Grand Council and Directors, to Sally Schulenburg and her efficient staff at Central Office we direct our gratitude and praise as well. And to those most delightful young women, our actives and pledges of Alpha Province, go much love and gratitude for the pleasure they have given me for four happy years and for the distinction they have helped to bring to Pi Beta Phi.

FRANCES FARRELL ROSS

## BETA PROVINCE PRESIDENT

The fine achievements of Beta Province chapters this year are the result of Centennial Convention inspiration combined with excellent chapter leadership and chapter cooperation, individual efforts, AAC guidance and a definite desire to abide by and maintain the high standards and ideals of Pi Beta Phi Fraternity of which they are so proud. Each chapter can proudly boast of campus queens and attendants, commendable leadership in campus activities and student government, individual membership in diverse honor societies and greatly improved individual and chapter scholastic averages. Congratulations are certainly due to the members, active and pledge, for individual and cooperative achievements in 1967-68.

New York chapters were privileged to welcome Helen Boucher Dix as Visiting Officer this spring and Pennsylvania chapters were equally honored by Vernah Stewart Gardner's official visit. The Beta chapters not only thoroughly enjoyed their distinguished guests but received valuable advice and assistance from them.

Province President visits were made early in the fall for initial introductions, but more important, to establish a good rapport, and discuss mutual problems and possible solutions. With conventions, two days at St. Louis Workshop, years of alumnae activity and long ago years of col-

lege and active Pi Phi experience, Province President responsibilities, including visits, seemed overwhelming. I cannot describe adequately the wonderful warm reception I received by chapter members, pledges, and AACs. I am delighted to report that this reception was just the beginning of the fine cooperation and the excellent relationship which I have enjoyed throughout the year with Beta Province chapters. There were the usual questions, slight differences of opinion and some minor problems all of which were resolved satisfactorily except in the incidence where administration and campus attitudes, as well as pressure, threatens the fraternity system.

Chapter nominees for ABO Award were—New York Alpha, Vicki Humberstone; New York Gamma, Lucile Burt; New York Delta, Margery Broomell; Pennsylvania Beta, Marilyn Jeanne Olson; Pennsylvania Gamma, Karen Smith; Pennsylvania Epsilon, Sherry Penney. AAC nominees for Chapter Service Award were—New York Alpha, Valerie Taaffe; New York Gamma, Lucile Burt; New York Delta, Jean Hinckleman; Pennsylvania Beta, Carolyn Sutton; Pennsylvania Gamma, Laura Scott; Pennsylvania Epsilon, Mary Beth Petty. Province winners and National nominees were Sherry Penney of Pennsylvania Epsilon, ABO; Valerie Taaffe of New York Alpha, Chapter Service.

As Chapter Service Award winner for Beta Province, Valeria Taaffe is also the recipient of Buffalo Alumnae Club Chapter Service Award.

The Northern New Jersey Award, based on community service, has been given to Pennsylvania Beta for their work with the Headstart Program; Northern New Jersey Alumnae Club invited representatives from the chapter and presented the award at their Founders Day Luncheon.

The Philadelphia Tray, an award donated by two Philadelphia Alumnae Clubs and based on the highest chapter scholastic average in the Province, was won by New York Gamma. The fifty dollar cash award, donated by Westchester County Alumnae Club, based on the highest percentage of members above campus Panhellenic average, was won by

New York Alpha. The Rochester Bowl, donated by Rochester Alumnae Club for most improved chapter scholarship, was won by Pennsylvania Gamma, with Honorable Mention to New York Alpha. The Long Island North Shore Alumnae Club Gold Key was not awarded this year because of inability to determine the winner.

Beta Province Pi Phis thank Grand Council and National Officers for their encouragement, their advice and their guidance. It has been a privilege, a challenge, and a joy to serve as Beta Province President. I deeply regret that change of residence to Arizona has made my resignation necessary prior to completion of my term of office.

VERA HENDRIX STARBUCK

## GAMMA PROVINCE PRESIDENT

With the memory of one hundred candles burning brightly on a birthday cake, the chapters of Gamma started school this fall. Not to be forgotten were the awards the Province received: Ruth Barrett Smith Scholarship, Tony Fingland, Ohio Delta; California Alpha Scholarship, Barbara Bertke, Ohio Epsilon; Harriet Rutherford Johnstone Scholarships, Barbara Morrison, Ohio Beta and Anita Schaffmeyer, Ohio Zeta; Procedure Notebooks (Honorable Mention), Ohio Beta; Harriet Evans Award-tie, Ohio Beta and South Carolina Alpha; Centennial Award (Honorable Mention), Ohio Eta; Amy Burnham Onken-awarded jointly to Martha Rose, Ohio Beta and Karen Klippert, Michigan Delta. All of us gained knowledge at the convention, had personal association with the National officers and became acquainted with our sisters from other chapters.

Housing had some changes this year. Ohio Zeta returned to find their suite with added decorations. Ohio Alpha and Beta were at a disadvantage with their additions not completed but second quarter found both of them living in beautiful houses complete in every way. Ohio Epsilon anticipated having to move from their apartment but did complete the school year and hopes to remain for another year. Our chapters are fortunate to have most of the house-mothers returning.

We must not forget the alumnae of Gamma that devote many hours to helping the chapters. Gene Wheaton, Barbara Hoge, Sally Wood, Marge Winger, Charity Carson and Leila Carlson were our AAC Chairmen. It is a pleasure to work with these women and have their unflinching support. These chairmen and their committees help the chapters greatly. Special thanks to the House Corporations that have worked so faithfully. Also, the Province Supervisors have done their share of work. Mrs. William Van Pelt has worked with the Scholarship Chairmen. Mrs. Wilson Wood is our *Pi Phi Times* Coordinator, and Fraternity Study and Education has been Mrs. Jo. C. Calhoun's department.

As the yearly ABO and Chapter Service nominees were sent to me, I became aware of the fine individuals that are in the province. The Amy Burnham Onken nominations were: Susan Hines, Ohio Alpha; Barbara Morrison, Ohio Beta; Marjorie Ingram, Ohio Delta; Cathy Lewis, Ohio Zeta; and Laura Enos, Ohio Eta. The Province nominee was Laura Enos, Ohio Eta.

For Chapter Service: Sally Smith, Ohio Alpha; Karen Cunningham, Ohio Beta; Sara Seely, Ohio Delta; Sue Marshall, Ohio Epsilon; Jo Oberlin, Ohio Zeta; and Gail Porter, Ohio Eta. The Province nominee was Karen Cunningham, Ohio Beta.

On each campus we are represented by Phi Beta Kappa, Mortar Board, Chimes and other Honoraries. The chapters have their share of beauty queens, cheerleaders, half-time dancers and campus activities. Scholastically, we have had our ups and downs. It is my hope that greater emphasis will be placed on study tables in the future.

My visits were enjoyable. The girls were polite and friendly. These young women never cease to amaze me. They do wonders on the campus and in their chapters. I learned much from them and when all six visits were completed, I felt I had a better knowledge of my job. I will look forward to seeing the chapters next year and if experience be the best teacher I should be able to help them more in the future.

Plans are being made for the Workshop in Knoxville. Our chapter presidents have expressed a great desire to attend the affair. The AAC chairmen are excited, too.

I am grateful for a great province and I thank Grand Council and others that were responsible for letting me "helm" such an outstanding group. With the memory of one hundred candles burning brightly on a birthday cake—and still more to come—, Gamma Province looks to the future with confidence.

ISABELL BROWN DAUTEL

## DELTA PROVINCE PRESIDENT

Once again Delta Province has a new Province President and tho I was unable to attend the 100th Anniversary Convention last June, the inspiration, the enthusiasm, and the learning has come to me from the delegates who did attend.

The Workshop held in St. Louis last September was extremely helpful to me but it was only with meeting and working with the girls in the nine chapters that I learned the true meaning of the province president's job.

Delta Province, as well as the whole fraternity, is delighted over the new chapter, West Virginia Gamma, which is off to a wonderful start with a fine group of girls. The installation was held March 1-3 with Mrs. Carr Dix presiding over a beautiful and most meaningful initiation ceremony. Most of the chapters were able to send representatives and those of us there felt it a privilege to participate.

The year has left all of us with wonderful memories and also tangible proof of work "well done". There is much in which the chapters can take a great deal of pride. West Virginia Alpha had two of the six Outstanding Senior Women on campus; West Virginia Gamma Colony became West Virginia Gamma chapter; D.C. Alpha has the Province winner of the Amy B. Onken Award; Maryland Beta's past president will become the new president of AWS; Virginia Gamma has won the Province Frances Rosser Brown Silver Pitcher Award; Virginia Delta not only has the Province Chapter Service Award winner but also the winner of the "Miss Norfolk Pageant"; North Carolina Alpha has a member who received a Woodrow Wilson Fellowship at Princeton University and one who was presented the Outstanding Senior Woman's Award; North Carolina Beta won the Province Scholarship Plaque; and South Carolina Alpha has a member who won the Sullivan

Award. Thus Delta Province chapter members have not only been recognized for their beauty and poise but also for their leadership and scholarship.

It is with deep pleasure that I announce that Jane Beck of D.C. Alpha is the province winner of the Amy B. Onken Award; that Carter Kimsey is the province winner of the Chapter Service Award; that Virginia Gamma is the province winner of the Frances Rosser Brown Silver Pitcher Award; that West Virginia Alpha is the province winner of the Centennial Award; that South Carolina Alpha is the province winner of the Betty Summerwill Koza Standards Award; North Carolina Alpha is the province winner of the Best Fraternity Education Program Award; that North Carolina Beta won the Delta Province Scholarship Plaque; and West Virginia Alpha is the winner of the Kitty Black Massenburg Bowl for the best chapter in the

province.

No Province President can do her job well without the help of the Alumnae Advisory Committees and I have surely been blessed, for all nine AAC's have been interested and active in giving excellent assistance to the chapters and to me. My deepest thanks to each of these groups. My sincere appreciation for making this job far easier goes to Pat Johnson, Province Scholarship Supervisor; Eloise Cleveland, Fraternity Study and Education Supervisor; Elizabeth Hechtkopf, *Pi Phi Times* Coordinator. And my grateful thanks to the Grand Council members who "have seen me thru" this year—may the next one be far smoother. Without a doubt, this has been for me a tremendous, thoroughly-enjoyed year working with the Delta Province Actives and Alums!

HENRIETTA HOPKINS JERNIGAN

## EPSILON PROVINCE PRESIDENT

My first year as Province President has been a learning situation. Learning to know actives in the four chapters throughout Michigan and two in Ontario has been the high point of the year. My visits to the chapters were stimulating and most enjoyable, and I came away with a renewed faith in our young women.

It has been interesting to contrast the work with that of Alumnae Province President, which position I held for three years, and I found that the previous contacts I had had with alumnae were most helpful in sitting in with Alumnae Advisory and House Corporation meetings. The understanding and help of our AACs throughout the province have been most comforting to me, as have my relationships with the housemothers.

One AAC chairman, Mrs. Ralph Young, saw a dream come true when the new Michigan Delta lodge in Albion was ready for occupancy early this year. It is a beautiful meeting place, over which the actives are very enthused. Their first out-of-town guest to stay in the house was our Alumnae Province President, Mrs. Gordon Lennard of Toronto, who could not resist going out of her way to see the lodge. She came away with rave notices. Michigan Alpha continues to struggle with building problems and is working hard to make a new house a reality.

Our girls in Epsilon Province continue to lead on their campuses and have achieved many fine honors, which will be published elsewhere in the *ARROW*. As for fraternity honors, award winners are as follows: Amy Burnham Onken nominees—Michigan Alpha, Barbara Dienes; Michigan Beta, Virginia Mochel; Michigan Delta, Sally Spitz;

Michigan Gamma, Terri Mallett; Ontario Alpha, Susan Galloway; Ontario Beta, Linda MacLean. The Province nominee for the National Award was Susan Galloway. Chapter Service Award Nominees—Michigan Alpha, Barbara Brenneman; Michigan Beta, Linda Barnes; Michigan Delta, Mary Benedict; Michigan Gamma, Lucy Anders; Ontario Alpha, Barbara Healy; Ontario Beta, Melody Baldwin. Lucy Anders was the Province nominee for the National Award.

Mrs. Carl Morse has been extremely helpful in her role of Province Scholarship Chairman. Her past experience as Province President reflects in the letters she writes monthly to chapter scholarship chairmen. Her efforts have been rewarded by continued and increasingly fine scholarship. Mrs. Mitchell Foster has followed through well with her work on the Fraternity Study and Education Committee, and Mrs. Byron Converse continues to help us out on the *Pi Phi Times* Committee.

My contacts with members of Grand Council have been most satisfying. I was particularly fortunate in being able to travel with my husband last winter and have him meet our Grand Vice-President and her husband, Mr. and Mrs. Horace Vanasse, way out in California, and also to revisit Central Office and become better acquainted with our Director, Mrs. Ralph Schulenburg. From the newest pledge on up through Grand Council, meeting wonderful, friendly Pi Phis is the great reward for whatever help I try to give the fraternity.

BARBARA HEATH KILLINS

## ZETA PROVINCE PRESIDENT

September, 1967, found the Zeta Province officers and delegates "back home again in Indiana," inspired and enthused by attending the Centennial Convention in Chicago and determined to continue on the road toward a most noble womanhood.

Rush was the first order of business at Indiana Alpha, Indiana Gamma, and Indiana Epsilon. December found Indiana Zeta taking new pledges, and February found Indiana Delta and Indiana Beta rushing. Beta had a week's postponement of rush due to incorrect programming of the computer and 2,000 freshmen receiving the wrong grades. We can boast of 183 new pledges in Zeta Province and full quotas at all campuses. By the end of the school year, 155 had traded their darts for arrows.

The chapter visits were made in November by Mary Jane Derringer, National Director of Membership, to Alpha, Delta, Epsilon, and Zeta, and in March by Madeleine C. Lafon, National Director of Chapter Programs, to Beta and Gamma. These were delightful days for all the chapters, and each benefitted from the wonderful enthu-

siasm and knowledge of these dedicated Pi Phis. My visits in November and March were a welcome chance to meet the Pi Phis with whom I had been corresponding. Each chapter has such delightful, capable, and enthusiastic girls that it is a real joy to visit them. I marvel at all they accomplish.

We, in Indiana, are fortunate that we are located close enough to celebrate Founders Day together in Indianapolis. At this State Day meeting in April, 450 Pi Phis, including 31 Golden Arrows, heard Miss Indiana 1967, Lynn Haglund, Indiana Gamma, tell of her year's experiences as official representative of the state, and enjoyed the colorful table decorations of large multicolored tissue flowers which carried out the theme "Beautify America—Keep Pi Phi Growing." Chapter officers, seated at special tables, had an opportunity to get acquainted and exchange ideas. Each chapter sang an original song.

Each year it seems to be more difficult to choose the province winners of the awards as each of the girls nominated are truly deserving. It was my pleasure to present the

Amy Burnham Onken Province Award to Susan Duncan, Indiana Zeta. Other chapter nominees who received the ABO Certificates and gifts of crested circle pins were Margaret Knight of Indiana Alpha, Alice Gettelfinger Hillis of Indiana Beta, Pat Cooper of Indiana Gamma, Mary Helen Yack of Indiana Delta, and Noel Hayashi of Indiana Epsilon.

Each chapter has been the recipient of outstanding work and devotion by the Chapter Service Award nominees. The Province Chapter Service Award winner of the engraved Revere bowl given by the Columbus Alumnae Club and the silver arrow given by the Fraternity was Anne Roberts, Indiana Epsilon. Other AAC nominees for this award were Sharon Carroll of Indiana Alpha, Debbie McAdams of Indiana Beta, Ann Batdorf of Indiana Gamma, Suzy Tappan of Indiana Delta, and Becky Wyman of Indiana Zeta.

Winner of the Southwestern Alumnae Club Silver Goblet for the Outstanding Sophomore was Lynn Haglund, Indiana Gamma. Other sophomores nominated by their chapters were Sally Battin of Indiana Alpha, Jill Grossman of Indiana Beta, Jill Parent of Indiana Delta, Ann Flachmann of Indiana Epsilon, and Sharon Smith of Indiana Zeta.

The Barbara McQuiston memorial pins, gold arrows with two emeralds on the shaft, were presented to the outstanding junior in each chapter. Those who will wear the pins this coming year are Margie McCoy of Indiana Alpha, KK Whittemore of Indiana Beta, Nancy Wright of Indiana Gamma, Lynn Merhoff of Indiana Delta, Mary Jane Glick of Indiana Epsilon, and Nancy Barton of Indiana Zeta.

The Province Scholarship Cup went to Indiana Beta for the third consecutive year. Indiana Delta was recognized for the most improvement in one semester, coming from 10th to 2nd place on the Purdue campus. Indiana Alpha again ranked first scholastically on the Franklin campus.

Pam Heim, Indiana Epsilon, is the Zeta Province nominee for the Centennial Award.

Many honors have come to each chapter this year. To name just a few, Indiana Alpha, Gamma, and Zeta had

members elected to "Who's Who In American Colleges and Universities"; Indiana Delta had an unprecedented seven chosen for Gold Peppers, Junior honorary; Indiana Beta claims the 1967 Indiana State Fair Queen and the Indianapolis 500 Queen for 1968; Indiana Zeta's Miss Ball State 1967 crowned a Pi Phi sister Miss Ball State 1968; Indiana Gamma claims Miss Indiana 1967; and Indiana Epsilon has the State Sweetheart of Sigma Chi. Six of the seven candidates for this honor were Pi Beta Phis.

It takes the work, cooperation, and devotion of many as the chapters continue to improve. The Alumnae Advisory Committees have worked long and hard, and have truly been friends to the chapters as well as to me. Beautiful houses and suites are kept in tip-top shape by the interested House Corporations. Our chapters are deeply indebted to the gracious and understanding women who serve as housemothers: Mrs. Helen Lemert at Indiana Beta, Mrs. Lucy McIntyre at Indiana Gamma, Mrs. Naomi LeVor at Indiana Delta, and Mrs. Boz Edwards at Indiana Epsilon.

Much credit and thanks are due to the Province officers who have given so unselfishly of themselves this year: Emily Wallace, our lovely Alumnae Province President, for her helpful membership lists used by each chapter during rush; Margie Wilson, Province Scholarship Supervisor, who last fall organized a province scholarship chairman's workshop, which resulted in improved scholarship in five chapters; Emmy Lou Anderson, Fraternity Study and Education Supervisor, whose detailed reports were greatly appreciated; and Mary Armington, *Pi Phi Times* Coordinator, for her help in gathering the information together.

Grand Council, the National Directors, Sally Schulenburg have been a great help to all of us in Zeta Province this year. Their genuine concern and interest have been a guide light of inspiration and confidence as we work together for our Pi Beta Phi. I treasure my memories of this past year as Zeta Province President and sincerely thank everyone for being so helpful.

NANCY COX FONTAINE

## ETA PROVINCE PRESIDENT

During my first year as Province President, I have been continually amazed at the efficiency and dedicated diligence of the Pi Phis of Eta Province. My goal for this year has been to strive to be a friend first of all and an aid in time of need.

Fall rush was highly successful for all chapters. Fall rush saw 152 girls pledged and 7 more were added to the roll in open rush. All but two chapters filled their quotas and on one campus, demand caused a quota increase. This is very encouraging to see an increase over last year's pledging.

Scholarship has suffered slightly in Eta Province, but with strengthened programs, our outlook is very bright. I feel that new liberalized hours for woman need immediate attention to avoid possible disastrous consequences. Tennessee Beta still maintains first place, Tennessee Alpha, second, and Tennessee Delta, third, on their respective campuses.

The Province Awards were extremely hard decisions to make—Anna Dalton of Tennessee Alpha was our winner. Other chapter winners were Carleen Crozier, Kentucky Alpha; Christine Dunker, Kentucky Beta; Lyn Bracewell, Tennessee Beta; Jayne Rogers, Tennessee Gamma; and Dotsy Adams, Tennessee Delta. Judie Bailey of Tennessee Alpha won the Chapter Service Award for the Province. Other nominees were Judie Hay, Kentucky Alpha; Donna

Sue Morris, Kentucky Beta; Bebe Selig, Tennessee Beta; and Carol Smith, Tennessee Gamma.

Honors too numerous to list individually went to Pi Phis all over the province. Outstanding among these were elections to Phi Kappa Phi, Pi Lambda Theta, Omicron Nu, Alpha Lambda Delta, Mortar Board, *Who's Who*, Links, and Phi Chi Theta. We have many class officers, varsity cheerleaders, SNEA officers, WAA officers, AWS officers, Judicial Senators, Residence Hall officers, Student Council officers, and members of school election committees. We had numerous girls on Homecoming Courts, one chapter having two for the first time in school history; Best Dressed Co-eds, Fraternity Sweethearts, a Queen of the Army, and contestants in beauty pageants.

I am so pleased that in spite of indulgence in all of the above activities, Pi Phis everywhere have found time for participation in Intramurals, All Sings, Sigma Chi Derby, Greek Week, Follies, and more important—time to think of others through all of their charity projects.

My thanks to all of my girls for making this first year such a pleasant and memorable one. Grand Council has been of invaluable assistance, as has Central Office. Thank you, Pi Beta Phi, for being the great fraternity that you are—so worth working and fighting for.

JEAN HARLOR THOMAS

## THETA PROVINCE PRESIDENT

The 1967 Centennial Convention in Chicago gave Theta Province a wonderful start of a new year. All the chapter delegates that attended were awed by the magnitude of our

Fraternity and the National meaning of Pi Beta Phi was experienced by all who were there. The Chapter Presidents particularly were overwhelmed by the many opportunities

provided by the Convention in the way of leadership, exchange of ideas and the education in the ideals of Pi Beta Phi, and all of this was invaluable to each of the delegates as is shown during the year of 1967-68.

This has been a good year for the seven chapters in Theta Province. Scholarship, which has always been a concern, has greatly improved this year and each chapter has produced fine scholarship programs. While some programs have had to be changed from time to time to encourage the girls, the ultimate results have been rewarding. Every chapter can be proud of the honors they have won, not only in Pi Phi but in the high offices given to individuals for campus leadership. We have been well represented in Mortar Board, Student Government, Phi Beta Kappa, as Queens, Sweethearts, *Who's Who in American Colleges and Universities* and last but certainly not least, in athletic accomplishments.

Lynn Fort was the Province Winner of the Amy Burnham Onken Award. Lynn was President of Florida Gamma. Other chapter nominees were: Judy Gregg, Florida Alpha; Sally Saier, Florida Beta; Theresa Holman, Alabama Gamma; Jamie Cleverdon, Alabama Beta; Martha Merrill, Alabama Alpha and Judy Lent, Georgia Alpha.

Many fine girls were nominated for the Chapter Service Award. The winner from Theta Province was Beth Dyer, Georgia Alpha. Other nominees were; Pat Strother, Alabama Alpha; Jane Hall, Alabama Gamma; Jan Griffis, Alabama Beta; Carol Davis, Florida Alpha; Carolyn Callahan, Florida Beta; Sharon Rozewicz, Florida Gamma; and Theresa Holman, Alabama Gamma, won the Becky Conley Bowl, a province award given to the outstanding senior in the province. The Derringer Bowl was won by Florida Alpha for most improved in Scholarship, and Florida Gamma won the Jacksonville, Florida, Alumnae Club Tray which is given the chapter with the greatest scholastic improvement for the duration of one school year as shown by the sophomore class.

Chapter visits, as usual, were delightful and most rewarding. This year my chapters were honored to receive visits from national officers. My Alabama chapters were delighted with Dorothy Birdwell, Director of AAC's. She gave much to these chapters. Freda Schuyler, Director of House Corporations, paid visits to my Florida chapters and all who met her loved her. Edythe Brack visited Georgia Alpha and she had much to give this chapter. All in all, the national officers were a delight to the girls and they profited much from their ideas and suggestions. My thanks to each of them.

Florida Alpha has done a great bit of refurbishing their apartment. It is lovely and they are very proud of all the improvements. Florida Beta is walking on cloud nine, for their gorgeous new house is finally a reality and they will have it completed and ready for rush in September. I wish all could see it, for it is truly a thing of beauty. It is of

the Spanish motif which will be carried out in the decorating. The alums are working hard to raise money to carry out all of the decorating. Georgia Alpha is also experiencing a building program. They are adding two enormous wings on the house which will also be completed in time for rush next year. They will have new decorations and I know it will be beautiful. It was coming along fine when I made my visit there. Alabama Alpha had their room done over last summer and it is lovely. The girls are enjoying it greatly. Alabama Beta's house is breathtaking. When I made my first visit last year, I saw it for the first time and had the thrill of staying in the house. Alabama Gamma is very excited for they are deep in plans for redecorating their room. The plans sound lovely and I know the girls will enjoy it next year.

We had a wonderful Florida State Day in Gainesville in January. Many Pi Phis from all over the state attended, as well as all the actives from my seven chapters. Mrs. James Armstrong, Alumnae Province President, and Mrs. Thomas Elfe worked very hard to make this a memorable day. Mary Jane Derringer was there and Dorothy Stuck gave a beautiful talk which will long be remembered. The actives put on a skit and singing and Lynn Fort, Florida Gamma President, presided as Mistress of Ceremonies. It was a day to be remembered and hopefully this day brought much enthusiasm for Florida Beta as well as our new chapter we hope will be a reality soon, Florida Delta.

My sincere thanks goes to Annette Mills, Theta Province Scholarship Supervisor. Even though she had serious illness in her immediate family, she did an excellent job and I am most grateful to her. There are just not enough words to adequately thank all of my AAC chairmen and their committees. They have done an excellent job and have worked hard and tirelessly with the chapters. They have given much to Theta Province and to each of them I am most grateful. The House Corporations have done a splendid service and are to be commended for their dedication to the houses and rooms and their upkeep.

My very deep appreciation to Grand Council for their help and also to Central Office and especially to Sally Schulenburg who has always helped me so wonderfully whenever the need has arisen. Last but not least, my sincere thanks to all my girls in Theta Province for their fine cooperation and hard work. We have had some storms to weather, but we have always come through with flying colors. The opportunity for me to serve and work with such fine actives has been one of the most rewarding and pleasant experiences in my life.

Thanks to each and every Pi Phi who has in some way contributed and helped make this a fine year in Theta Province. It has been a privilege to serve Pi Beta Phi as Province President.

MARIAN HEFER WING

## IOTA PROVINCE PRESIDENT

As we enter our second century, Iota Province continues to grow in all phases of fraternity living and development. The girls have won many honors, both individually and chapter-wise, and in this rapidly changing world, are attempting to keep and promote "that which is best." We have many members of *Who's Who* and Mortar Board, including two presidencies; 2 Panhellenic Presidents; many AWS officers, including one presidency; and members of many campus honoraries. Each group has many members who are freshmen counsellors and who hold other key jobs in student government, are on student faculty committees, yearbook and newspaper staffs and in other campus organizations and productions. Needless to say, we also have many Homecoming Queens, All-School Queens, Class officers, and 2 Greek Goddesses.

Selected as Iota Province winner of the ABO Award was

Deborah Jones, President of Illinois Epsilon. Other outstanding nominees were Jennifer Lauer, Illinois Alpha; Kathy St.Cyr, Illinois Beta-Delta; Cathy Lamprecht, Illinois Zeta; Martha Pettry, Illinois Eta; and B. J. Brockmeier, Illinois Theta. Mary Mangieri, Illinois Beta-Delta, was selected as Province winner of Chapter Service Award. Other nominees were Diane Brazier, Illinois Epsilon; Nancy Temple, Illinois Zeta; Mary Barber, Illinois Eta; and Kathy Kahn, Illinois Theta.

Sara Wyant brought honor to Illinois Alpha by being named Outstanding Sophomore of Iota Province by the Arlington Heights Alum Club. Illinois Beta-Delta shared the National Standards Award with Kansas Beta this year. Illinois Epsilon concentrated on scholarship and happily reports that 40 of their members made a 3.0 out of 4.0 or above. This year saw the completion of a beautiful new

addition and complete redecorating for Illinois Eta. The chapter was thrilled and honored to have our Grand President dedicate this new addition at a ceremony and tea in the fall. Later in the year our busy Grand President accepted an invitation from Illinois Zeta to visit their chapter and discuss the many rapid changes being made on campuses and their affect on fraternities. Carole Trump of Illinois Theta also brought honor to Pi Beta Phi by being selected Valedictorian of her graduating class at Bradley University.

In October, Illinois Beta-Delta and Illinois Theta were thrilled with a visit from Madeleine Lafon, National Director of Chapter Programs. In January our Grand Vice President-Philanthropies, Evelyn Peters Kyle, braved the mid-west winter and visited Illinois Alpha, Illinois Zeta and Illinois Eta, to their delight. Fay Gross, Grand Secretary, visited Illinois Epsilon in February with mutually glowing reports from her and from the Chapter. My visits were spaced throughout the year and were all rewarding experiences for me.

In March, the first Iota Province State Day for actives was held with Illinois Eta acting as hostesses. Informal

group and panel discussions filled the day and served as a rewarding exchange of ideas. It was unanimously decided to make this an annual affair and Illinois Theta volunteered to be the next hostesses.

We are extremely fortunate in our province to have so many dedicated, intelligent alums who are willing to give of their time to assist the chapters. The girls in the province continually express their admiration and appreciation for all the patient and beneficial assistance they receive and more and more seniors are inquiring about participating in alum affairs immediately upon graduation so that they can continue their friendships in Pi Phi.

We are all indebted to Grand Council for their many, many hours of trials and tribulations which they endure in helping to keep our Fraternity a leader in its field. It is comforting to know that help and encouragement is only a phone call or letter away from these dedicated Pi Phi friends—for dear and devoted friends they are to all who wear the arrow, and thus they encourage all of us who know and work with them to try just a little harder to succeed in our goals.

ELIZABETH FRUSHOUR HILL

### KAPPA PROVINCE PRESIDENT

This year, as a new Province President, I made Chapter visits as early in the year as could be planned conveniently for all. In October I visited Wisconsin Alpha, Wisconsin Beta, and Wisconsin Gamma. All Pi Phis were extremely hospitable and thoughtful. Not having been closely connected with college campuses for several years, I was impressed by the poise and ability of our actives and pledges. Although many administrations throughout Wisconsin are making demands on student organizations, I was pleased at the thoughtful composure of the Pi Phi students.

In November I visited the three chapters in the western half of the province—North Dakota Alpha, Manitoba Alpha, and Alberta Alpha. Although the Canadian chapters have distinct characteristics, I feel that the similarities between Pi Phis everywhere are pronounced. Western hospitality was very evident on this trip.

In April I visited Minnesota Alpha. Now that I am a resident of Minneapolis, I enjoy becoming better acquainted with this Chapter.

I was impressed by the quality of the girls nominated for A.B.O. and Chapter Service Awards. It was difficult to decide upon the province winners. It is my honor to nominate for Kappa Province A.B.O. winner Sandra Anderson,

Manitoba Alpha. Other A.B.O. nominees were: Marilyn Klies, Wisconsin Alpha; Judy Major, Wisconsin Beta; Susan Libby, Wisconsin Gamma; Carolyn Hamann, North Dakota Alpha; Barbara Hall, Minnesota Alpha; and Barbara Willoughby, Alberta Alpha.

The province nominee for Chapter Service Award is Barbara Varberg, North Dakota Alpha. Other nominees are: Susan Link, Wisconsin Alpha; Alice Goetzke, Wisconsin Beta; Colleen Held, Wisconsin Gamma; Susan Morrill, Minnesota Alpha; Marilyn Wilson, Alberta Alpha; and Jane Simpson, Manitoba Alpha.

I feel that today's students are seriously searching for a better world. Undoubtedly, the traditions of Pi Beta Phi are meaningful in such a changing world. I am impressed with how the bonds of friendship grew and became stronger as one matures.

It is with appreciation that I thank all the Pi Phis with whom I worked for their help and interest. Kappa Province *Times* Chairman, Julie Johnson Cook; FSE Chairman, Alice Brown Larsen; and Scholarship Chairman, Eloise Todd Hetlund, deserve special thanks. The Grand Council members were an inspiration to me.

CAROL KLOOTE TRAVIS

### LAMBDA PROVINCE PRESIDENT

Lambda Pi Phis who attended the Centennial Convention experienced the true meaning of Pi Beta Phi. They returned to their chapters with many new ideas, inspiration and enthusiasm. Chapters have been appreciative of the assistance given them by Grand Council and National Directors. They have benefited from the fraternity's efforts to re-vamp rush, pledge education and standards programs. In these areas, Lambda chapters revitalized their programs and have made marked progress.

Rush was successful for all nine chapters. This was followed by good scholarship and activities programs. Key positions on campus have shown leadership and responsibility. Every chapter can be proud of the honors which have come to the chapter and individual members. Lambda Province is well represented in Student Government and Class Officers, Mortar Board or its equivalent, *Who's Who in American Colleges and Universities*, and honorary fraternities. The chapters are also well represented in the beauty field with numerous queens and sweethearts. Pi Phis

are truly noble young women of intelligence, integrity, and beauty.

On every campus Pi Phi chapters are held in high esteem by the Deans of Women and Panhellenic Advisors. My conferences with college authorities awarded me with pride for the sense of responsibility and dependability in which these officials regard Pi Phi.

Visits to the chapters were delightful experiences. Meeting so many mature thinking and charming young women, feeling the warm hospitality, enjoying the gracious entertaining, and conferring with them in our numerous meetings was sheer pleasure. In the fall, I visited Louisiana Beta, Missouri Gamma, Arkansas Alpha, Arkansas Beta and Mississippi Beta. In the spring, I visited Louisiana Alpha, Mississippi Alpha, Missouri Alpha and Missouri Beta.

Official chapter visits were made by Rose McColloch Dressler, National Supervisor of Chapter Histories, to Missouri Alpha and Missouri Beta, while Evelyn Peters Kyle,

Grand Vice President of Philanthropies, visited Mississippi Alpha.

The most difficult part of being Province President is selecting winners from the nominees for the Amy Burnham Onken and Chapter Service Awards. All the girls nominated for these awards this year were outstanding and loyal Pi Phis. Jean Edwards of Missouri Alpha received the ABO Province Award. The other nominees were Dixie Terrell, Arkansas Alpha; Sylvia Dreyfus, Louisiana Alpha; Sharon Turcan; Louisiana Beta; Carol Bayliss, Mississippi Alpha; Sarah Sue Ritchey, Mississippi Beta; Helen Volimar, Missouri Beta; and Katherine Patterson, Missouri Gamma.

Joan Guidry of Louisiana Beta received the Chapter Service Province Award. The other nominees were Ellen Van Eaton, Arkansas Alpha; Duane Eagan, Louisiana Alpha; Pamela Anne Pritchard, Mississippi Alpha; Melody Her-

ring, Mississippi Beta; Pat Cockayne, Missouri Alpha; Gloria Mills, Missouri Beta; and Cay Coughenour, Missouri Gamma. No nominations for these awards were made by Arkansas Beta. Winner of the St. Louis Sophomore Award was Sonja Hillgren of Missouri Alpha.

Serving my first year as Lambda Province President has been a stimulating and rewarding experience. The encouragement I have received from Grand President Dorothy Weaver Morgan, the Directors, and my predecessor, Madeline Closs Lafon, is immeasurable. They have responded to my many queries and are a joy to know. I appreciate all the loyal AAC members; Sally Hunt, Lambda Alumnae Province President; Sally Schulenburg, Director of Central Office; and all the members of the Central Office staff for their assistance. I am so happy to be a small part of my fraternity.

JEANNETTE SIMPSON ROBERTS

## MU PROVINCE PRESIDENT

Our Centennial Convention marked the high spot of the year for all delegates and visitors who were fortunate enough to attend. Meeting with members of the Grand Council, the exchange of ideas with other chapter delegates and the friendships formed were an inspiration to everyone to continue working to uphold our Pi Phi traditions and ideals.

My first year as Mu Province President has been a rewarding and stimulating one, thanks to the efficiency that my predecessor, Betty Summerwill Koza, had instilled in all the chapters.

The hardest part of being a province president is choosing the province nominee from all the outstanding names submitted from each chapter for the Amy Burnham Onken and Chapter Service Awards. Mu Province is proud to have Carol Christensen, of Kansas Beta as our Amy Burnham Onken candidate. The other girls nominated for this honor are Diane Saylor, South Dakota Alpha; Diane Kay McDonald, Nebraska Beta; Mary Jo Hultgren, Iowa Zeta; Patricia Donavan, Iowa Gamma; Dawneen Nebel, Iowa Beta, and Jean Foss, Kansas Alpha.

The Advisory Board members who give so much and so willingly of their time and experience honored the following girls by nominating them for the Chapter Service Award; Jean Borrall, Iowa Beta; Sherilyn White, Iowa Gamma; Barbara Collins, Iowa Zeta; Sidney Ashton, Kansas Alpha; Connie Hall, Kansas Beta; Sallie Friess, South Dakota Alpha; and Carolyn Stoltenberg of Nebraska Beta, who is the province nominee.

A vote of thanks and appreciation goes to Lucille W. Bostwick, province Supervisor of Scholarship, and Joyce J. Ferguson, supervisor of Fraternity Study and Examination.

These two loyal Pi Phis have given unstintingly of themselves to help our chapters.

Nebraska Beta and South Dakota Alpha were delighted with the visit of Constance Fegels Adams, Director of Pledge Education. Mrs. Adams was a joy to all who met her, and left both chapters with many interesting and new ideas.

Chapter visits were a pleasure! I was thrilled with all the chapters, their graciousness, their wonderful ideals, their top performance scholastically, and, in fact, in all areas of college life. I would like to express my appreciation and gratitude to all the girls, chaperons, and advisory board members who made me feel so welcome.

Founder's Day celebrations were happy meetings of actives and alumnae at all province chapters. Over 200 gathered to help Iowa Alpha celebrate their Centennial. Dorothy Weaver Morgan, our Grand President, was the guest speaker.

Space does not permit listing even the top scholastic honors, activities, queens, and other achievements each chapter in Mu Province has attained this year. There have been numerous and outstanding ones in all lines of college endeavor. The Deans of Women have spoken highly of the leadership, cooperation, dependability and standards of our chapters. I feel privileged to serve Mu Province.

To Betty Summerwill Koza I owe a special thank you for all the encouragement and guidance she has given me this last year.

We are indeed grateful to Grand Council, the Directors, and the staff at Central Office for their love and devotion to Pi Beta Phi.

SHIRLEY JONES MANN

## NU PROVINCE PRESIDENT

Nu province has been a privilege to represent. To see the relationships with the pledges, actives, and alumnae unfold is inspiring and heartwarming.

Centennial Convention delegates returned with glowing reports and new insights in the depth and scope of Pi Beta Phi's first hundred years and the challenges of a second century of fraternity growth. The many facets of Pi Phi were truly learned and appreciated: the wisdom and untiring service of Grand Council members; the continuing love and interest of alumnae; the hopes and dreams of all Pi Phi angels. Each is a binding golden link in our chain.

Chapter visits were made in the fall to Oklahoma Alpha, Texas Alpha, Texas Gamma and New Mexico Alpha. February chapter visits were made to Oklahoma Beta, Texas Beta and Texas Delta.

Chapter visits in Nu Province are pure delight. They

welcome you with warm hospitality and genuine Pi Phi spirit. The girls possess beauty, happiness and enthusiasm. They strive for excellence in scholarship, service, leadership and friendship. Their dormitory section, lodge and houses are beautifully and tastefully decorated, and abound with a friendly, hospitable atmosphere.

University administrators on all campuses look for strong leadership in Pi Phi. Two chapters top all other campus groups in scholarship, with another chapter placing second. Chapters list individual members of Phi Beta Kappa, Phi Kappa Phi, Mortar Board and other honoraries. Four chapters had members of *Who's Who*. Leadership is represented on campus with officers in AWS, Student Senate and similar student government organizations. Nu chapters are well represented with queens, yearbook beauties, cheerleaders and sweethearts. Chapters contribute

to local philanthropic projects; many individual contribute time and talent to tutoring and other social restorative programs.

Appreciation and recognition for distinguished service to the fraternity and university are expressed in the chapters' selections of ABO Awards: Chapter winners are: Jane Buchanan, Oklahoma Alpha; Lindsay Taylor, Oklahoma Beta; Roberta Richards, Texas Alpha; Debbie Culver, New Mexico Alpha; Susan Light, Texas Beta; Edwina Eargle, Texas Delta; Gwen Connelley, Texas Gamma. Announcement of Nu Province ABO Award Winner placed recipient Gwen Connelley in the chapter history of Texas Gamma.

The Alumnae Advisory Committees select Chapter Service Award Winners in recognition for untiring service,

loyalty, and sympathy to the chapter and fraternity. Chapter winners are: Cindy Gaunt, Oklahoma Alpha; Jan Turner, Oklahoma Beta; Kris Thompson, New Mexico Alpha; Priscilla Fullilove, Texas Alpha; Jane Wheeler, Texas Beta; Sharon Haralason, Texas Gamma. Cindy Gaunt of Oklahoma Alpha received the Nu Province Chapter Service Award.

Academic excellence, campus leadership, individual achievement, irreproachable conduct and outstanding chapter recognition are Pi Phi's *raison d'être*. Nu Province Pi Phi's endeavor to uphold these ideals. They cause me to reaffirm the conviction that mine is the best job in Pi Beta Phi.

CAROLINE E. HUGHES

## XI PROVINCE PRESIDENT

The Chicago convention celebrating the 100th year of the fraternity instilled in those fortunate enough to attend the rich heritage which is both theirs to give and to keep. Delegates returned to their chapters eager to share the enthusiasm, ideas and pride nourished by their days with National Officers and members from throughout the United States and Canada. I was most pleased to receive one of the hand carved little pigeons from Settlement School Director, Dorothy Coleman Thorman, for the participation by all Xi chapters in support of the school.

The year has indeed been a fast paced one. One marked on the pages of time by the indication of many changes both actual and contemplated. Several campuses in the province have had what seems at times to be almost continuous student demonstrations. It is encouraging to realize that strengthened Panhellenics have supported the already overworked and burdened university administrators. Truly in times of stress our fraternity women will come forward and be the sustaining bulwarks that are so sorely needed everywhere.

This was a year marked also by the visits of National Officers as well as the Xi Province President. Freda Stafford Schuyler visited Colorado Beta and Colorado Gamma. Edythe Mulveyhill Brach visited Colorado Alpha and Elizabeth Turner Orr visited Montana Alpha, Utah Alpha and Wyoming Alpha. The chapters profited from their wise counsel, graciousness and Pi Phi enthusiasm. My visits to each chapter were made in October and as always upon my return home I was pleased by the memories of the friendliness, intelligence and courtesy shown by each of the chapters to me. I also found a warm glow over the dedicated alumnae committees, the house corporations, and the house mothers. I find that as the years of my visits increase in span my time with you is more meaningful in the renewing of friendships and creating of new ones with the pledges and new members. I also find myself looking forward to returning again to each chapter. After my visits I feel a deep appreciation for the fine support of the Deans of Women and their assistants who give so generously of their limited time for our special concerns.

One of the most difficult of tasks is the annual choice of the province winner for the Amy Burham Onken Award. This year it was granted to Sharon Langemo, the outgoing president of Montana Alpha. Other nominees selected by their chapters were Sherrie Dorward, Colorado Alpha; Sharon Drasites, Colorado Beta; Sally Letsinger, Colorado Gamma; Marie Likens Cotter, Utah Alpha; Karla Baston, Wyoming Alpha.

It was with much pride and great gratitude that Fran Jensen Wong, Colorado Alpha, was selected as the province Chapter Service Award winner from the nominations by the advisory board committees. Other nominees were Elizabeth Johnson, Colorado Beta; Linda Phillips, Colorado Gamma; Marilyn Fitzgerald, Montana Alpha; Bryan Bird, Utah Alpha.

An unusually heavy snow most of the winter is being listed as the lack of inducement to scholarship. Several chapters realized the effect scholarshipwise which dedication to skiing can cause. Despite Mrs. Robert Sever's fine work as Province Scholarship Supervisor (even though she was minding a brand new baby in her family) most chapters were not able to realize top of campus averages. However, with much concentrated effort and fine cooperation Wyoming Alpha came up to first place and Colorado Gamma won the Panhellenic cup for the most improvement shown. Needless to say that many individual members continue to maintain high scholastic averages throughout the school year and are well above the all women's average for their campus.

It is impossible to enumerate the impressive list of those who were listed in *Who's Who in American Universities and Colleges*, Mortar Boards, AWS Officers, Phi Beta Kappa, class officers and recipients of many other honors bestowed on the various chapter members. All chapters can be justly proud of many individual members who were so honored. They have truly reflected honor upon not only themselves but Pi Phi too.

I think it is noteworthy that all chapter houses in the province are attractive and well kept. Colorado Alpha members returned to a beautifully and elegantly newly redecorated house. Colorado Beta is enjoying a newly remodeled dining room and have plans to do some recreation room redecorating with a true love gift from the Denver Alumnae Club. Colorado Gamma is excited about plans for enclosing a very large porch which is a part of their new chapter house and which will be used as a recreation room. Montana Alpha boasts a new sprinkling system at their new house and Utah Alpha is enjoying their new town girl room.

Of course this time of the year each chapter is involved in rush retreats to plan for next fall's activities. Several chapters are delighted to see a return to a rush at the beginning of the academic year. Included in the advance planning is the matter of attendance by active presidents, chapter delegates and Advisory Board chairmen at the Knoxville workshop in August. Indications are that everyone is most eager for this opportunity of again meeting together to see how the National organization functions and the part each chapter plays in the whole.

I wish I could very eloquently express my personal appreciation to Grand Council and the Directors for their most intelligent guidance and understanding. To say they have my respect and admiration is trite but most sincere. What I have personally received from the fraternity has been so much more than I have been able to give. I consider it a high honor to serve as your Province President, for you are such a very fine province. I am most grateful to each of you for your friendship, your trust and for having been given the opportunity to know you.

JEAN RANSBOTTOM KARR

## OMICRON PROVINCE PRESIDENT

The Omicron Province delegates returned from the Chicago convention with enthusiasm and knowledge to be shared with their chapters. Washington Beta received the Philadelphia Bowl (Co-winners with Kansas Alpha) and Washington Gamma received the National Scholarship Plaque. All the chapters held fall rush and October brought news of many new and wonderful pledges.

All chapters have reported many honors in activities. Key positions on campus have shown leadership and responsibility. Omicron Province is well represented in student governments, in honoraries in every field, in Panhellenic, in campus service organizations, Mortar Board, and has queens and sweethearts too numerous to list. Every chapter has reason to be proud of their individual members.

Chosen for special recognition by their chapters as nominees for the ABO Award were: Vicki Haight, Idaho Alpha; Darlene Kutt, Washington Alpha; Gay Brazes, Washington Gamma; Camille Lobato, Oregon Alpha; Janet Field, Oregon Beta; Laurie Monnes, Oregon Gamma; Terrie Todd, Oregon Delta. Barbie Vaughan, Washington Beta was the Province ABO winner. Honored by their Alumnae Advisory Boards as candidates for the Chapter Service Award were: Diane Watson, Washington Alpha; Ethel Jett, Washington Beta; Sue George, Washington Gamma; Carol Robinson, Idaho Alpha; Sue Hufford, Oregon Beta; Melinda Jack, Oregon Gamma; Carol Froloff, Oregon Delta. Julie Blaisdell, Oregon Alpha, received the Province Chapter Service Award.

Chapter visits were most rewarding and every chapter was most cooperative. These visits were most meaningful to me and the fact that I was able to arrange them early in the year has been of help to me in understanding and appreciating the individuality of each chapter. The Oregon chapters were fortunate to have their national visit made by Sally Vanasse this spring, with Elizabeth Orr renewing

friendships at Oregon Alpha, Idaho Alpha and the Washington chapters were visited by Ortha Coenen and received many scholarship tips. It is most beneficial for the chapters to gain the different perspective and viewpoints of their national visitors, and makes the members more aware that National is always there to help when needed.

Because of the increasing academic requirements of our colleges and universities, scholarship is always an area of concentration in the province. Special thanks go to Marjorie Brake Butcher who is finishing her first year as Scholarship Supervisor for the province. With her constructive help several chapters have been tops in campus scholarship. Actives, pledges, and their scholarship chairmen are to be complimented for their hard work in this most difficult but rewarding area. Thanks, too, to Karen Falk, Supervisor of Fraternity Study and Education. We are fortunate to have so many interested alumnae in Omicron Province.

Throughout the entire year there has been the greatest co-operation and untiring effort by the members of the AAC. The individual chapters as well as the entire fraternity owe these dedicated Pi Phis a vote of thanks. Another source of strength and encouragement comes from the many fine chaperons. Their help and devotion is immeasurable. My very deep appreciation to all of Grand Council and our national officers for their help. They have always proved ready with advice and assistance whenever called upon. Last but certainly not least, I thank all of the actives in Omicron Province for their hard work and cooperation with me in my first year as Province President. It has been a year of learning, and has given me many cherished memories for which I am most grateful. With the privilege of being a member of Pi Beta Phi comes many responsibilities, and it has been my pleasure to see our active members accept these responsibilities and rise to the challenge of keeping the standards of Pi Phi high.

BARBARA MESTON STUART

## PI PROVINCE PRESIDENT

Three chapters in Pi Province made an outstanding accomplishment in 1967-68 when they initiated 100% of their pledge classes. California Delta, California Epsilon and California Zeta achieved this, while California Beta initiated all but one. All chapters showed scholarship improvement this year in spite of the computer systems at the universities which seemed to hinder rather than help on grade computation—even to the point of adding several "ghost" names to the rolls of Pi Beta Phi which didn't belong there and did nothing to improve rankings. Fortunately, these were caught in time by alert scholarship chairmen, so that rankings did not suffer.

Honors at all campuses appeared to be more varied than every before, ranging from Panhellenic Girl of the Year for Diane Dwyer of California Beta, to a national Pillsbury Award for Jan Soderstrom, president of Arizona Beta chapter, 1966-67. At California Delta, Homecoming brought recognition when Colleen Brown and Connie Wheeler were princesses and the chapter float won second place in the sweepstakes as well as the Queen's Trophy. Another Homecoming event at San Diego State crowned Pat Scholfield Queen for California Epsilon. When Project Pakistan sends representatives from the campus at the University of California at Santa Barbara, Dian Smith will represent Pi Beta Phi during the summer of 1968. Anne Havrilla was named outstanding council member of AWS at Nevada University, at the same time that five of the ten outstanding senior women there were members of Pi Beta Phi at Nevada Alpha. At Southern California, Pi Phi's cooperation with Panhellenic was rewarded when Melanie deBerard was named vice president for 1968-69. Many

queens and sweethearts were Pi Phis at Arizona Alpha while Pi Phi Riska Platt presided over Mortar Board where two of her sisters, Kathy Raymond and Susie Stiles, were members.

Inspiration and entertainment were the highlights of Founder's Day in Southern California at The Castaway Restaurant in Burbank. Hundreds of Pi Phis gathered to hear Evelyn Kyle tell of our own Arrow in the Smokies and to enjoy the words of Kathie Garver, star of television's "Family Affair," a member of California Delta, as she explained how her fraternity's ideals had aided her in the television field.

Chapter Service was rewarded by the nomination of Arizona Alpha's Susan Stiles, Arizona Beta's Arlinda Brown, California Epsilon's Corlette DeLong, California Gamma's Leslie Newquist, California Delta's Sally Hamlin, California Beta's Barbara Koons, Nevada Alpha's Judy Rolf, and California Zeta's Sally Voye and Chris Harrison (co-winners). Sally Hamlin was the Province Award winner.

Riska Platt, Arizona Alpha, as Province ABO winner, headed the list of other outstanding nominees which included Bunny Olmstead at Arizona Beta, Anne Havrilla at Nevada Alpha, Cheryl Lawrence at California Epsilon, Stevie Mitchell at California Delta, Patti Otto at California Zeta, and Diane Dwyer at California Beta.

All chapters are looking forward to the leadership workshop in Knoxville in August as their opportunity to increase their knowledge of national inspiration as well as the broadest scope of leadership and friendship in Pi Beta Phi.
