Vol. 58 No. 1

Announcement of Winners of 1940-41 Magazine Prizes

FOR ALUMNAE CLUBS:

- \$10.00 to Denver, Colorado, for making the highest total commissions.
- \$10.00 to Casper, Wyoming, for making the highest per capita commissions.
- \$5.00 to Northern Indiana for making the greatest percentage increase.

FOR ACTIVE CHAPTERS

- \$10.00 to Pennsylvania Beta for making the highest total commissions.
- \$10.00 to Iowa Alpha for making the highest per capita commissions.
- \$5.00 to Oregon Beta for making the greatest percentage increase.

For further statistics see magazine report of this year in this *ARROW*.

Congratulations to the winners and better luck in 1941-42 to the losers. The same prizes will be offered next year. See if your club or your chapter can be in the winning column *next* year.

Remember that the Pi Beta Phi Magazine Agency can sell any magazine at its lowest authorized price. Send new orders and renewals to this agency. Do not send your renewal slip to the publishers . . . send it to the Pi Beta Phi Magazine Agency. Use the subscription blank on page 102 of this issue. The Pi Beta Phi Magazine Agency realized a profit of \$4,018.51 from the sale of magazines in 1940-41. If everyone that reads this page would send us just one magazine subscription this year the profits would probably be doubled, and the Settlement School would be benefited doubly in 1941-42.

Below is a representative selection of magazines. If you don't find the magazine you want remember that the Pi Beta Phi Magazine Agency can accept subscriptions for all magazines published and that this agency can meet any legitimate magazine competition.

THE ARROW OF PI BETA PHI

SEPTEMBER, 1941

Volume 58

Number 1

EDITORIALS

SORROW has come to Pi Beta Phi, sorrow none the less sharp because not unexpected, in the loss of the last two of our beloved Founders. They died within a little more than a month of each other, Inez Smith Soule in Tacoma, Washington, on March 31, 1941—Mrs. Libbey's birthday—and Fannie Whitenack Libbey in Lake City, Minnesota, May 21, 1941. No words are needed to tell what the passing of our remaining Founders means to Pi Phis everywhere. Always they have been a warm and living link tying together Pi Phis of all generations and in all places, active and alumnæ members alike. Always they have been a rallying point for Pi Phi love and devotion. Their youth of spirit, their vivid interest in fraternity affairs, their activity in its work, all are the example of how life may be lived in accordance with Pi Phi ideals. The December issue of the ARROW will be a memorial number to Mrs. Soule and Mrs. Libbey, as well as to those who went before them, with articles by the National Historian.

From Mrs. Sawyer, daughter of Fannie Whitenack Libbey, not herself a Pi Phi, but the friend of many Pi Phis from her attendance at Conventions with her mother, comes this note, which she asks to have printed in the ARROW:

"For the very many flowers, for the letters expressing appreciation of my mother's beautiful life, and for all your kindness, love, and sympathy, I thank you—Thank you.

Joann Libbey Sawyer."

→ → →

Far from the age of the Founders, yet their equal in her devotion to Pi Beta Phi, was another member whose loss is widely mourned—Mabel Scott Brown, Maryland A and District of Columbia A, who died suddenly at her home in West Hartford, Connecticut, July 14, 1941. She served the Fraternity with distinction, first as cataloguer beginning in 1925. In 1927 she became the first Director of the Central Office as we know it now, with regular offices in Hartford, and to her the Fraternity owes much of its present fine organization. She was quick to see that the Fraternity records should be condensed and coordinated, and her work proved the value of her ideas and laid the foundation for the present Central Office. In 1931 she became ARROW Editor, and carried on the double work of two offices until 1932, when Beatrice Stevenson Purdunn took over the Central Office, after a period of instruction at the Hartford offices. Of Mabel Brown the Pi Beta Phi History of 1936 says, "The pioneer work of Mrs. Brown can never be overestimated. We owe to her the establishment of the Central Office as a business organization, smoothly functioning and helpful."

Her interests outside of the Fraternity were varied, with time divided between charity, church, and organization work of many kinds. In the last war, Mabel Brown was in charge of a canteen at Brest, France, which fed numbers of men running up into the millions; in recognition of her fine work there, she was sent by the Red Cross into Germany with the Army of Occupation, and there was in charge of all Red Cross activities with the American Forces.

Hers was a limitless capacity for gayety and for kindness, for friendship and happy companionship, often of late years overtaking her frail physical strength. With her friends, her place will never be filled.

At the time of her death Grand Council had just decided to ask of her the further task of membership on the committee on program for the Convention of 1942. In Pi Beta Phi, we can ill spare the service of such truly great members as Mabel Scott Brown.

→ → →

We stand at the beginning of the 75th year of the existence of Pi Beta Phi. That means not only opportunity for special rejoicing and celebration—that we shall have later on. It

means most of all a whole-souled re-consecration of ourselves as Pi Beta Phi to work for the furtherance of the greatness of the Fraternity; it means a decision to feel that the Fraternity which has come with unbroken strength to so significant a milestone must go on to even greater heights, backed by the unity and the hard-working devotion of its members everywhere. To make every chapter of Pi Beta Phi a great chapter, standing high in the estimation of its college community, notable for observance of college and fraternity standards alike, capable of attracting to its membership the finest girls who enter the colleges—surely here is an ambition worthy of a 75th anniversary! To make every alumnæ club a strong group of intelligent, congenial, fraternity-minded women, working to further the national projects of the Fraternity, and to help such local organizations as they desire, these are purposes worthy of such fine women as wear the Arrow. We have over two hundred clubs, with an actively working membership—what a force for good they are, and how much greater strength they may prove to be in their communities in the uncharted days which lie ahead!

It is for each one of us so to work for Pi Beta Phi during this year that it may be not only the Diamond Anniversary of the Fraternity's existence, but the strongest, most active year of her history besides.

→ → →

Thoughts of the world are on war these days—not only active war on the front lines and on the seven seas, in bombarded cities and countrysides laid waste, but war of the kind that is waged behind the lines of battle, in the blessed security of our own towns and our own homes in this our happy land. For each of us there is a place to help; it is for each of us to find the place where she can best fit in, with her present training and experience, and if opportunity offers, to increase that training, so that she may be of real use to her country in the days to come. Working towards that end, and realizing that such gifts of money as the \$5,000 with which Pi Beta Phi started her war effort after the last Convention are only a part of her duty as a fraternity, Grand Council has authorized the appointment of a committee on War Work. Further announcement of this will come in the December ARROW. The work of this committee may mean a concerted effort of some type by the Fraternity as a whole; it may mean an intensification of the work which individuals are doing now; it may mean further training for special work. Meanwhile, there is much to be done, for the American Red Cross, and for all the other great relief agencies. The Red Cross alone lists nine special volunteer services in which help is needed: Administration, Staff Assistants, Nurse's Aide Corps, Gray Ladies, Home Service, Canteen, Motor Corps, Braille, Production. Investigation of the possibilities of these services may well be part of the program of our members everywhere. Real opportunity for unselfish service lies very close to us all.

Corresponding secretaries, please note: the new position of the Calendar and Directory of Addresses, in this issue, and hereafter, will be found at the back of the magazine. There are many new officers, many new addresses of old officers. Before writing any letters, please note changes and check addresses.

For your convenience many new dates have been included in the Calendar, and there are new deadlines for ARROW copy. This year we are asking special care in seeing that material is sent in on time; so that the ARROW may appear on time.

→ → →

Note the announcement of the time and place of Convention on the Announcement page. Plan now to come—you'll find a warm welcome.

Wile Taylor Alford

Announcements . . .

GRAND COUNCIL announces that:

Convention will be held June 21-27, 1942, at the New Ocean House, Swampscott, Massachusetts, fifteen miles north of Boston, in the heart of the vacation country of New England. Details will come in the December ARROW.

→ → →

The Balfour Cup has been awarded jointly to Colorado A and Iowa Γ; the Stoolman Vase to Kentucky A; the Philadelphia Cup to Texas A. The following chapters have had such fine records as to be deserving of special mention: District of Columbia A, Illinois H, Indiana A, Ohio A, Oregon A.

→ → →

The Amy Burnham Onken National Award has been given to Margaret Lou May, Indiana B, Delta Province. Pictures of all Amy Burnham Onken Award winners will appear in the December issue.

→ → →

In this issue we publish again the blank for voluntary service to the Fraternity. Will you make use of it, if you have time to devote to Pi Phi work?

→ → →

The Fraternity Loan Fund has been extended to cover applicants desiring to do graduate as well as undergraduate work.

→ → →

The special rate of \$7.50 for Life Subscription to the ARROW for those initiated before 1908, is continued for this year. All subscriptions should be sent to Central Office.

→ → →

For the year 1942-43, the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1942.

All material must be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

Minutes of Annual Meeting of Grand Council

June 27-July 3, 1941

THE annual meeting of Grand Council was held at the Settlement School in Gatlinburg, Tennessee, June 27-July 3, 1941. These dates were chosen because the Settlement School Committee was in session in Gatlinburg at that time, making possible a two day joint session of Grand Council and the Settlement School Committee immediately preceding the regular meeting of Grand Council.

During the joint session matters of Settlement School policy and administration were discussed, present methods of functioning were evaluated, and future plans for the School were considered. Recommendations on policy formulated by the Committee were presented to Grand Council for approval at its meeting which followed immediately.

Grand Council convened for its regular meeting Friday morning, June 27, 1941, with all members present. Grand Council considered carefully the reports and recommendations of National Officers, Province Officers, and Chairmen of Standing Committees.

Acting upon the suggestions of officers and committee chairmen, it was decided:

"That the Fraternity approve the purchase of the Roemer property in Nashville, Tennessee, by Tennessee Beta for its chapter house, and that the Fraternity assist the chapter to the extent of a \$5,000 maximum loan.

"That samples of correct ribbon for initiation uses be provided for province presidents to carry on their chapter visits.

"That the Committee on Fraternity Study and Examination be told to instruct the member on the Advisory Committee who gives the active examination that the papers are not to be read by her but that they are to be sent immediately to the province supervisor whose duty it is to read and grade the examination papers.

"That some form of blank be issued for use when alumnæ transfer from one city to another—so that the new club can contact the member.

"That the Magazine Agency be authorized to add the sum of \$25.00 to the \$25.00 promised by Mr. Forsythe of the Franklin Square Agency, to total of \$50.00 to be used as awards to clubs and chapters by the Magazine Agency under the rules used this year.

"That Grand Council approve, as corrected, the manual 'How to Order Jewelry' prepared for chapter treasurers by the Director of Central Office.

"That the Director of Central Office continue the policy of holding a balance in the Marshall, Illinois, bank to curtail the expenses of service.

"That the Grand Treasurer investigate the necessity for taking out liability insurance for Central Office employees.

"That Grand Council recommend that for the coming year, chapters elect rather than appoint the scholarship chairman, the end in view being that if this plan seems to be effective for better scholarship, the recommendation for setting up the scholarship director as a chapter officer, with the term of office to be from the middle of one

year to the middle of the following year, would be made to the next Convention.

"That the final date for application for the scholarship ring shall be April 15; that unless the ring is applied for on or before that date, the award for the year concerned will not be made unless delay in making the application has been approved in advance by the National Scholarship Chairman upon application of the chapter.

"That changes in the method of conducting the fraternity examination and the form for the examination, itself, be left to the judgment of the Committee on Fraternity Study and Examination.

"That the Fraternity loan to Texas Beta the sum of \$4,000.00, the same to be applied on the cost of building its lodge.

"That the printing by the Fraternity of individual chapter histories as a separate additional volume of the national history be deferred pending the completion of all chapter histories to date.

"That Grand Council approve the continuation of the policy used this year by the supervisors of chapter accounting, requiring full explanations of any figures used under the items of 'Prior Checks and Deposits.'

"That all chapters be required to send Assessment and Expense sheets with each report.

"That Elizabeth Marshall and Georgine Wheeler be continued as special advisers to Tennessee Beta and to Wisconsin Gamma, respectively.

"That the Grand Vice-President appoint a committee to review and to summarize province conference minutes and the recommendations from alumnæ clubs as contained in the 1940-1941 questionnaires, these to be presented to Grand Council for consideration at its winter meeting.

"That a committee composed of two former province presidents and one former province vice-president be appointed to outline a plan for re-districting provinces.

"That the boxed notice as printed on page IX of the May issue of the ARROW be omitted in future issues; that the boxed announcements as printed on page III include 'Holt House Donations' and that the word 'Individual' be added before 'Holt House Subscriptions.'

"That for the duration of the war, all money that would normally go to the province officers residing in Canada shall be sent to the Grand Treasurer.

"That the Grand Treasurer be authorized to send to province officers and to Canadian clubs and chapters detailed instructions in regard to the Fraternity's present policy for handling Canadian money and for assisting officers residing in Canada to handle the American funds for their provinces.

"That the balance needed to bring the total of the Fellowship Fund to \$500.00 be authorized from the Contingent Fund.

"That the Grand Treasurer be authorized to invest in Canadian Defense Bonds those Contingent Funds of the Fraternity now on deposit in Canadian Banks.

"That the Grand Treasurer be instructed to have copies of the recent survey made by the Assistant

to the Grand Treasurer prepared and sent to the members or the Committee on Chapter House Building and Plans.

"That the Delta Province President be asked to take charge of the Province Presidents' display at the 1942 Convention.

"That the following publications be omitted from the Archives:

'The Wishing Well.'

'Topics of Conversation.'

"That a committee be appointed to consider the best way in which $\Pi B \Phi$ can contribute to the National Defense Program.

"That no funds be appropriated from the Contingent Fund to the Chapter House Building Fund, but that each request be considered as it is presented.

"That the dispensation to allow smoking in the dining room and in the living room of a chapter house be continued for the coming year, the question of its continuance to be referred to Convention."

After careful consideration of the recommendations of province presidents for the Balfour Cup Awards and of the Standardization and Survey reports for the year, Grand Council awarded the Balfour Cup, jointly, to Colorado A and to Iowa F, the Stoolman Vase to Kentucky A and the Philadelphia Cup to Texas A.

It was the decision of Grand Council that those chapters placing close to the winners of the awards be commended for their fine achievement, and they be given the appreciation of the Fraternity. The chapters to be so commended are Illinois H, Indiana A, Ohio A, District of Columbia A, and Oregon A.

The National Amy Burnham Onken Award was given to Margaret Lou May, Indiana B.

After individual consideration of the thirty-seven overdue loans reported by the Loan Fund Committee it was the decision of Grand Council that nine of these cases be put in the hands of the Grand President, those remaining to be given continued attention by the chairman of the Loan Fund Committee. Grand Council reiterated its opinion that the policy of the Fraternity is to keep all overdue loans on the books.

The report of the Committee on Extension brought out a discussion of Gamma Sigma, a petitioning group at Storrs, University of Connecticut. The ARROW editor gave an account of her recent contacts with the group, with the Dean of Women, and with Hartford Alumnae. Definite steps were decided upon to contact the group according to constitutional requirements.

It was the decision of Grand Council that petitioning groups at Kent University, at Massachusetts State College, and at Queen's College be discouraged.

At the request of the Chairman of the Holt House Committee, consideration was given to matters pertaining to the construction and to furnishing of the Holt House.

After general discussion of regulations for province conferences, the ARROW editor was asked to draw up a set of regulations other than those already contained in the *Manual for Province Conferences*, the same to be presented to Grand Council for approval.

The ARROW editor presented for discussion details of publication problems. Plans for economizing on space were discussed, such plans being

necessary both to prepare for meeting a probable increase in paper costs and to allow more space for new and interesting material.

It was a decision of Grand Council that the Fraternity Directory be placed in the back of the ARROW; that chapter letters for publication in the ARROW be limited to 250 words.

The following changes in the Statutes were voted by Grand Council:

Amend Stat. IV, Sec. 8 ("Uniform Accounting System"), by striking out Sec. 8, and inserting a new Sec. 8, to read,

a. Each chapter shall use an accounting system to be determined upon by Grand Council.

b. As each chapter treasurer goes out of office, her accounts shall be audited at chapter expense under the supervision of the National Supervisor of Chapter Accounting.

Amend Stat. V, Sec. 1, "Transfers," by striking out "transferred from one chapter to another" and inserting "affiliated with a chapter on another campus" between "be" and "by"; by inserting the words "of Membership" between "Transfer" and "issued" so that the section shall read:

A member of $\Pi B \Phi$ may be affiliated with a chapter on another campus by means of an official Note of Transfer of Membership, issued at the request of the second chapter and signed by the president and the secretary of the original chapter. In case chapter records have been destroyed, Grand Council may issue such a transfer.

Amend Stat. V, Sec. 1, a, by striking out "transferred to and received as an active member in" and inserting "affiliated with" between "be" and "the" so that the section shall read:

A member of $\Pi B \Phi$ entering a college or university other than the one at which she was initiated must comply with all college and fraternity requirements in scholarship and conduct for at least one term or semester before she can be affiliated with the chapter of $\Pi B \Phi$ in the college or university concerned.

Grand Council voted to recommend to the 1942 Convention the following changes in the Articles, such changes made necessary by the foregoing changes in the Statutes:

Amend Article V, Sec. 6, a, 1, "Grades of Membership," by striking out the words "or officially transferred into" and inserting the words "into or affiliated with" between "initiated" and "the" so that the section shall read:

The college student initiated into or affiliated with the active chapters of $\Pi B \Phi$ shall constitute the active membership of the Fraternity.

Amend Article V, Sec. 6, b, 1, "Grades of Membership," by striking out the words "officially transferred to" and inserting the words "affiliated with" between "is" and "the," so that the section shall read:

A college student in attendance at a college or university other than the one at which she was initiated into the Fraternity shall have the status of an alumna unless, and until the time when, she is affiliated with the chapter at the college or university in question.

Consideration was given to suggestions for the celebration of the Fraternity's Seventy-fifth Anniversary, and preliminary plans for that event were formulated.

The schedule of official visits to chapters for the year 1941-1942 was arranged.

The winter meeting of Grand Council was set for February 1-7, 1942, at Jacksonville, Illinois.

The meeting of Grand Council adjourned.

LOIS SNYDER FINGER, *Grand Secretary*

Annual Reports of National Officers

To the Thirty-fifth Biennial Convention of Pi Beta Phi

MESSAGE OF THE GRAND PRESIDENT

THE things which lie closest in our hearts come first to our thoughts; Pi Beta Phi, as they review the fraternity year just ended, think first and with infinite sadness of the irreparable loss of Inez Smith Soule and Fannie Whitenack Libbey, deeply honored and loved Founders. A member of the Fraternity has very beautifully spoken of the comfort which comes from realizing that, after long lifetimes of cherished friendship and joy in their common fellowship in $\Pi B \Phi$, neither of the last two remaining Founders was long left to be the only living tie between the Fraternity and its founding, but that, almost together, they entered upon their new life of immortality. For almost three quarters of a century, $\Pi B \Phi$ has had, as one of the greatest factors in its development as a fraternity without a superior, the example which its Founders gave of challengingly intelligent interest, unflinching loyalty, and deep devotion and, as one of its greatest treasures, the inspiration which came from their ever present proof that the ideals of $\Pi B \Phi$ can be lived and that living them means true loveliness. A support of inestimable strength has been taken from the finest things of the Fraternity; it must be compensated for by a greater than ever determination on the part of every $\Pi B \Phi$ —and what one has failed to gain much of deepest cherishing from the Fraternity which the Founders made possible!—to build into her own life the things of the creed which made the lives of the Founders such a blessing, joy, and inspiration. "The dead are not dead if we have loved them truly. In our own lives we give them immortality. Let us arise and take up the work they have left unfinished, and preserve the treasures they have won, and round out the circuit of their being to the fulness of an ampler orbit in our own."

True vision and invaluable service do not come only at the beginning; they are vital needs always for a fraternity whose goals are constantly advancing. Seldom has $\Pi B \Phi$ found these qualities more constructively evident than in Mabel Scott Brown, first Director of the Central Office and former Editor. She it was who suggested and outlined the organization of the Fraternity's Central Office, and from her came innumerable other recommendations which have meant increased internal strength for the Fraternity. Her love for $\Pi B \Phi$, her unflinching willingness to serve it at no matter what the cost to herself, and her vibrant personality endeared her beyond measure to the countless Pi Phis who mourn her sudden death. For her and for the other members of the Fraternity whose deaths this past year have taken something deeply valued which cannot be regained, the Fraternity expresses its unending gratitude.

The unity which has been so marked within $\Pi B \Phi$ for more than seventy-four years in no way indicates that there has ever been one sole source of ideas with a blind general acceptance of recommendations from that source. The policies

which have placed and kept $\Pi B \Phi$ at the forefront of fraternities have been the result of the experience, suggestions, and wise thinking of the Fraternity as a whole brought to a focus at conventions when it is possible for members, chapters, and alumnae clubs from all sections to arrive at broad, general understandings of the needs, opinions, and possibilities of the Fraternity as a whole. That, in the past very few years, some groups have felt that their approach to the fraternity should be not through conventions but through widely circulated propaganda seems to threaten the stability which is vital to $\Pi B \Phi$. The Grand Council of $\Pi B \Phi$, together with other members of the Fraternity, has only appreciation and respect for principles arrived at after real study of facts; it believes, however, that it is not safe to divorce thinking from the motives which originally set this thinking in motion. The Grand Council has consistently refrained from issuing any material which could justly be considered propaganda. In reporting in the 1940 Information ARROW the events which occurred at the Pasadena Convention, it purposely refrained from giving personal opinions and limited the official reports to the minutes of convention and the statements of the Fraternity's legal advisers, while it urged all members of the Fraternity who had not been at Convention and so were not familiar with all that occurred there, to read the stenographic minutes of the sessions of July 2. That same policy has been adhered to since that time. The only letter issued by Grand Council to chapters and alumnae clubs included only statements of proven facts correcting misstatements which had been widely circulated. Grand Council believes that deliberate propagandizing efforts within the Fraternity are contrary to the best interests of $\Pi B \Phi$ and that each group within the Fraternity is capable of and should be left free to make its own study and draw its own conclusions about matters of fraternity organization and policy, with final decisions made at and by Convention which is the final authority within the Fraternity. It has no intention of resorting to propaganda; it has, however, a self-evident responsibility for seeing that the Fraternity as a whole has facts and not half-facts or misstatements as the basis for its decisions and it must meet that responsibility. It will welcome requests for data about any phase of the Fraternity's organization and policy. It will correct misstatements whenever these come to its attention. The intention openly expressed by a small number of groups within the Fraternity to "educate the actives" must mean an education through truths if it is to be constructive for $\Pi B \Phi$ and is to make it possible for the Fraternity to hold its present place of unquestionable leadership in the fraternity world. Grand Council urges again that every member of the Fraternity familiarize herself with general Panhellenic trends, but especially with the organization, history, and needs of her own Fra-

ternity. Let us approach our seventy-fifth anniversary a deeply united Fraternity, intelligent as never before about $\Pi B \Phi$, loving it with increasing fullness as we gain through a study of it a renewed and strengthened realization of its place in the educational world and of what it means to us as individuals in happiness and inspiration in our own lives.

That the past year has been one of splendid growth within the Fraternity is unquestionable. The success of pledge day was followed by the still more important success of fine development and help for pledges which resulted in the largest group of initiates in the history of the Fraternity. Honors won and recognitions given to active chapter members speak for themselves of the service which these outstanding young women are making such a marked part of their college experience, and of the place which they and their chapters hold in the esteem, respect, and liking of their fellow-students and faculty. Especially distinguished are the records made by the following girls who received the province and national Amy Burnham-Onken awards, for the year 1940-41:

National award—Margaret Lou May, Indiana B
 Alpha East—Virginia Jewett, Maine A
 Alpha West—Whitney Smith, New York A
 Beta—Mary Morrill, Ohio B
 Gamma—Virginia Lee Pratt, Virginia A
 Delta—Margaret Lou May, Indiana B
 Epsilon—Mary Jean Eckert, Missouri I
 Zeta—Pat Brandt, Florida B
 Eta—Ruth Moffet, Illinois A
 Theta—Jane Shields, Minnesota A
 Iota—Marianna Kistler, Kansas B
 Kappa—Jeannette Russell, Texas A
 Lambda—Mae Callaway, Oregon B
 Mu—Kathleen Hamby, California I

The Balfour Cup for highest service by a chapter to its college, its fraternity, and its own members was awarded jointly to Iowa I and Colorado A; the Stoolman Vase, to Kentucky A; and the Philadelphia Vase, to Texas A, chapters widely separated geographically and in size. It is a privilege to honor not only these four distinguished chapters but also these others whose records for exceptionally fine achievements during the past college year make them richly deserve special mention: District of Columbia A, Illinois H, Indiana A, Ohio A, and Oregon A. The $\Pi B \Phi$ Fellowship for 1941-42 will be held by Katharine Edwards, Louisiana B, whose straight A average at Louisiana State University and whose social, extracurricular, and chapter service were clearly unusual.

Pi Beta Phi today, with other organizations whose membership is made up of women of exceptional background, ability, and training, is meeting splendidly its responsibility for contributing largely to the cause of democracy. The generous gift made by the 1940 Convention to the American and Canadian Red Cross for work with refugee children stands unparalleled by that of any other fraternity. Money alone is not enough, even though the \$5,000 gift of the Fraternity has had added to it innumerable contributions from chapters, alumnae clubs, and members. Everywhere Pi Beta Phis have given of themselves in a way which brings a glow of pride to every member of the Fraternity! There has not been evident the desire, so often found, to claim special publicity for services given or to gain undue personal recognition for individuals or for the Fraternity, but

instead there has been an ideal of high service, gladly given for the results which it makes possible. Truly the members of the Fraternity have heard the call of Convention to make their active support of democratic principles "a vital force in their homes, on their campuses, and in their communities and nations." Working under a special committee which will be asked to determine the best way in which the many outstanding services already given and those to follow can best be coordinated by and for the Fraternity, $\Pi B \Phi$ will meet fully the need for funds, for workers, and for leaders in order that two great nations, many of whose college women have found a tie of special dearness in $\Pi B \Phi$, may continue to be the home of the freedom to live in accordance with the highest ideals of "liberty, equality, and justice."

The Settlement School continues to be the most outstanding altruistic project in the fraternity world and to give valuable and wisely directed service to a community which both appreciates and needs its help. That illness necessitated the resignation, this past spring, of Eunice Sheldon Weaver, Illinois Z, Director, whose place in Gatlinburg and throughout that section of Tennessee was one of deepest affection, admiration, and esteem, brought sadness and regret to all who have worked with her for the School and have known of her wonderful contribution to its well-being. To her go the inestimable gratitude and affection of Pi Beta Phis and every wish for her restoration to the best of health. The Chairman of the Settlement School Committee will announce the appointment of Elizabeth Comstock Peck, California B, as the new Director. Mrs. Peck is already making her many qualifications for this difficult position apparent. Rather than comment upon the outstandingly fine work, this past year, of the Staff and of the Committee under the splendid leadership of Marie Bacon Hagee, Missouri B, and of the constructive forward-looking plans for the coming year under the direction of Ethel Hogan Copp, California I, the incoming Chairman, the Grand President asks every $\Pi B \Phi$, active or alumna, to read for herself in the Information ARROW the Settlement School and Arrowcraft reports, so that she may have a clear, personally-gained knowledge of the work of the School and of the Pi Beta Phis who give so unselfishly and unreservedly of their time, loyalty, and ability to it. Would that each Pi Beta Phi could have the appreciation for the present and could catch the vision for the future which the members of the Settlement School Committee make so evident in their wise direction of this great project! It is indeed a heavy loss to have had to release from the Committee, this spring, Marie Bacon Hagee, Missouri B, efficient and effective chairman, and Jeffries Green Pace, Virginia A, capable and devoted editor of "News from Little Pigeon," whose contributions to the School will be visible for many fraternity generations in heightened effectiveness and increased service in Gatlinburg. Grand Council adds to its expression of lasting gratitude to them its word of welcome and its promise of cooperation to the incoming chairman and to the new Committee members, Lolita Snell Prouty, Colorado A, of the Denver Alumnae Club, and Agnes Wright Spring, Wyoming A, of the Cheyenne Alumnae Club.

The generous bequest of Anne Stuart has made possible the splendid new dormitory for boys which is now under construction at Gatlinburg. Located on the site of the old Stuart Cottage, this will fill a long-felt need for a place where the dormitory boys can study and at the same time learn always valuable lessons in gracious living and fine consideration for others. Pollard Cottage, the girls' dormitory, is being "dressed up," this summer, by the addition of individual closets for the girls, attractive paint, and newly refinished floors. The dream of the Committee that some day there may be a Health Center building as adequate for the headquarters of the School's wonderful health work as the Arrowcraft building is for its splendid community service sets a definite goal for a future which is being carefully planned to meet changing conditions and needs.

The Holt House is like a place reborn! Truly the spirit of this now lovely shrine of the Fraternity's founding is that which breathed above the Holt House in the days of 1867! That the house will play a splendid part in the affairs of the college and city as well as in those of the Fraternity and its local chapter and alumnae club seems unquestionable. Already the Holt House has been hostess to countless Pi Phis, their friends and families, and members of other fraternities interested in this unusual fraternity restoration. The Grand President has pleasure in expressing her own and the Fraternity's appreciation for the untiring and splendid work of the Holt House Committee and for the fine support, financial and otherwise, given this new project. She is confident that it will increasingly reflect credit upon and be a source of inspiration to Pi Beta Phi.

Although no member of $\Pi B \Phi$, at all familiar with her own and other fraternities, can for a minute honestly question the place of outstanding leadership which $\Pi B \Phi$ holds in the college and fraternity world, it is gratifying to receive from those outside the Fraternity continued proof of the high esteem in which $\Pi B \Phi$ is held. Especially pleasing have been the voluntarily expressed eagerness of fraternity officers of wide experience to have their daughters become pledges of $\Pi B \Phi$ and the outspoken desire of college presidents and deans to have $\Pi B \Phi$ chapters installed on their campuses. The officers of the Fraternity are giving their best towards keeping the internal organization, the atmosphere of chapter houses, and the friendships and associations within chapters those which develop characters and personalities worthy of such recognition. The helpful interest and co-operation of the deans at DePauw University are playing a big part in the organization there of a group, $\Pi \Phi E$, which is to enter into active fraternity life on that campus, this fall, and to petition $\Pi B \Phi$ at the coming Convention.

With lasting appreciation for the unusually fine work which she has done, Grand Council has regretfully accepted the resignation of Helen Nold Simons, Epsilon Province President. She will be cherished always by her chapters and by the other officers of the Fraternity who hold her in such great esteem and affection. Her successor is Ruth Wilson Cogshall, who brings to her new position a wealth of fraternity knowledge gained as E.P.V.P. and Chapter Letter Editor, marked ability, and an enthusiastic devotion to $\Pi B \Phi$ —fine qualifications for a most important position!

Work is nearing completion on the beautiful new chapter house for Washington A. After years of what often seemed fruitless effort, members and alumnae of the fraternity chapters at Southern Methodist University have at last secured the consent of the University to build chapter bungalows. The setting of a maximum cost limit and the requirement that the houses make an attractive whole seem to insure the fact that each chapter will have a house suited to its needs but not extravagant and not affected by the often-felt urge of competitive building programs. Tennessee B has found it possible to buy a very lovely house near the Vanderbilt campus, thus giving the Fraternity's next to the youngest chapter a delightful, commodious home.

As $\Pi B \Phi$'s National Panhellenic Congress delegate, the Grand President has served during the past year as the chairman of the National Panhellenic Congress Committee on Publicity and as a member of the Committee on Eligibility and Nationalism of Social Groups. When conditions made it impossible for the Grand President to attend a conference of fraternity representatives and Deans of Women, in advance of the annual convention of the Deans of Women in Atlantic City, $\Pi B \Phi$ was most ably represented there by Frances Evans Ives, former Grand Secretary, to whom go the grateful thanks of the Fraternity. Previous to the Deans' Conference, the Fraternity took out membership in the Association of Deans of Women in order that it may make evident its desire to cooperate with these educators in all the things which affect their campuses for good and that it may keep in touch with their purposes and plans. Mrs. Ives was the guest of the Deans for the sessions which were held while she was in Atlantic City. She attended, also, the conference of the Committee on Eligibility and Nationalization of Social Groups and representatives of the Association of Education Sororities and of the Women's Professional Panhellenic Association. Pi Beta Phi was proud to have the latter Panhellenic Association represented by Mildred Odell Sale, North Dakota A, Executive Secretary of $\Sigma A I$.

The Grand President was privileged to attend for $\Pi B \Phi$ the reception given by $X \Omega$ at the White House at which the Distinguished Service Award for 1941 was given to Carrie Chapman Catt, Iowa Γ , the Fraternity's world-renowned and world-honored member. She had great pleasure in accepting the invitations of Delta, Epsilon, Theta, and Kappa Provinces to be their guest at their province conferences, and she gained much of Fraternity joy and inspiration from these times of thinking together about the Fraternity. She was glad of the opportunity to attend the Eta Province conference and appreciates the courtesies of that conference's hospitality. Early in the fall, she had the inspiring privilege of installing Tennessee B at Vanderbilt University and Wisconsin Γ at Lawrence College. She is grateful for the assistance and happy associations with the other installing officers—Helen Nold Simons and Katharine Kibler Lyons at Vanderbilt and Miriam Williams and Harriette Avery MacClyment at Lawrence—with the local alumnae and active groups, and with the other deeply interested members of the Fraternity whose presence added so much to the success of the installations. She has watched the growth of each

new chapter with true pride. During the year, she has had the happiness of visiting officially Virginia A and I, South Carolina A, D.C. A, and Maryland A; of being the guest of Illinois E; and of being in a special way the guest of Iowa I, Kentucky A, Manitoba A, Indiana B, Illinois B-A, Oklahoma A, and Kentucky A, when province conferences were held in their cities. She remembers, too, with deep appreciation the cordial welcome and gracious hospitality of the alumnae clubs of Nashville; Appleton; Washington; Columbia, South Carolina; Baltimore; and Williamsburg, in addition to that of the clubs which were such thoughtful hostesses to their province conferences. She had the unexpected pleasure of substituting for Beatrice Purdunn as guest of the St. Louis Alumnae Club and Missouri B at the time of their inspiring and beautiful Founders' Day Banquet.

The New Ocean House at Swampscott, Massa-

chusetts, has been chosen as the site for the 1942 Convention. This delightful hotel with its atmosphere of warm hospitality and its reputation as a delightful host to fraternity conventions will be the Mecca for all Pi Beta Phi, in June, next year.

No statement to the Fraternity could satisfy the Grand President if it failed to express her deep appreciation for the untiring devotion, hard work, and constructive service which is given Pi Beta Phi by its many officers and standing committee members, and for their heartening cooperation with her. Her especially close contacts with the province presidents justify her special word of indebtedness to them, personally and officially!

While appreciation for kindnesses, loyal support, and confidence can never be adequately expressed, the Grand President wishes to say again that for these and for the inestimable privilege of serving the Fraternity, she is deeply grateful.

AMY BURNHAM ONKEN, *Grand President*

MESSAGE OF THE GRAND VICE-PRESIDENT

To the alumnae of Pi Beta Phi:

THE closing weeks of the Fraternity year were immeasurably saddened by the passing of Mrs. Soule and Mrs. Libbey, the last of our living Founders, Pi Beta Phi's first alumnae. Through them we had been able to pay tangible homage to all our Founders and the vacancy is one which cannot be filled. Future Founders' Days will take on a special significance as we honor those to whom we owe so much. All the more tenaciously must we cling to the ideals for which they stood. In no finer way can we honor them year by year.

Though the absence of the Founders will be keenly felt, their gentle, kindly spirit will furnish a background for the coming Convention which marks the seventy-fifth anniversary of our founding. To look ahead to Convention brings a thrill to the hearts of us all. If ever, this will be a Convention to attend and every alumna should do her utmost to be present at Swampscott. We hope that the \$2,000 again voted by the alumnae will assure a large number of official delegates whose exchange of ideas will produce much that will be constructive for Pi Phi. The distribution of this fund will be left in the hands of Hazel Murkland, former Eta Province vice-president; Candace Johnson, former Beta Province vice-president; and Sue Fletcher, former Lambda Province vice-president. Their experience in distributing the amounts to the clubs of their own provinces last year qualifies them for this work.

The Foreword of the manual for province vice-presidents contains these three chief aims as their goal for each year:

1. Every club with a membership as nearly 100 per cent of resident and nearby-alumnae as is possible.
2. Every club to give to its utmost ability to all national projects.
3. Every club to have a widened knowledge of and interest in Pi Beta Phi.

Commenting on these three aims in turn, the alumnae department again may boast of an increase in total paid memberships for the year 1940-1941. Though some of the provinces have decreased, the increase in members for Delta, Epsilon, Theta, Iota,

Lambda, and Mu Provinces more than offsets this decrease. It should be a matter of great pride to all alumnae that there has been a steady increase through the past decade or longer and that we continue to lead all other fraternities in our paid memberships as well as our number of clubs. The fact that we permit as few as ten to become a chartered group stimulates our interest and our activity. Honorable mention for clubs achieving 100 per cent memberships this year goes to Lakeland, Florida, in Zeta Province; Cheyenne, Wyoming, Hutchinson and Manhattan, Kansas, in Iota Province; Butte, Montana, Calgary, Alberta, Corvallis, Oregon, Olympia and Wenatchee, Washington, in Lambda Province; and Ogden, Utah, in Mu Province.

One new club, in Pullman, Washington, has been chartered this year. This group has long been active in helping the Washington Beta active chapter and it is fine to have them added to the alumnae department. Other groups have expressed their interest in affiliating and the alumnae department hopes to be able to announce their chartering soon. There is so much to be gained in concerted action, which fact many club members attest.

Two possibilities for further enlarging alumnae activity are offered. One lies in the number of alumnae whose lack of proximity to a club or chapter prevents them from active Fraternity participation but whose Fraternity enthusiasm would assure their interest in Fraternity projects, were they contacted. That alumnae club which can offer a workable contact with these isolated alumnae will indeed be rendering a service and enlarging the field for Pi Phi.

The other opportunity is found in interesting the actives as they leave school. Seniors pay their first year's alumnae dues upon graduation and each club can provide a splendid outlet for their energies. In the larger groups, the Junior organizations have justified their existence by attracting the younger alumnae and by their splendid cooperation with the senior groups, either by taking definite responsibility for certain phases of club work or by contributing their share to the major projects of national.

The life memberships of the alumnae depart-

ment, established by the 1938 Convention, will be further brought to the attention of the alumnae this coming year through a committee which will present its suggestions to the next Convention.

Pi Beta Phi makes no constitutional ruling on the amounts required from each club or chapter as do some other fraternities which require that certain assessments be met in order for their clubs to remain in good standing. Our Fraternity has preferred to maintain its national projects on a loyalty basis with each club or chapter budgeting for and contributing annually as much as possible to the Settlement School, the Loan Fund, and now, the Holt House. The failure of some clubs to forward money honestly earned for a specific purpose can only mean that the remaining clubs must carry a burden of support not rightfully theirs or that the projects, which long have been a source of pride to us and envy among Greek letter folk, may suffer eventually.

The list is long of those clubs which have given 100 per cent to all projects and lack of space precludes their mention here but the Grand Vice-President urges a careful survey of the charts in the September ARROW showing active and alumnae donations. So many clubs and chapters have contributed nobly and the Fraternity is not unmindful of any contribution. Particularly to be commended in the face of the terrific difficulties which face Canada are the achievements of the Montreal and Winnipeg Alumnae Clubs and the Manitoba Alpha chapter in contributing to all our projects. These contributions were made at no small sacrifice. The chapters of Delta, Epsilon, Theta, and Mu Provinces each gave something to the Settlement School, the Loan Fund, and Holt House. The chapters of Eta Province were 100 per cent to the Settlement School and the Loan Fund, missing a perfect record through two chapters' omission of a Holt House contribution.

Because the restoration and maintenance of the Holt House in Monmouth has only been a reality this past year, all clubs and chapters have not become educated to the fact that this is now one of our national projects. In consequence their failure to include something for Holt House kept a number of provinces from being entirely perfect in record. All the clubs of Gamma, Epsilon, Iota, and Mu Provinces gave to both the Settlement School and the Loan Fund. Beta and Theta Province clubs gave 100 per cent to the Settlement School.

Without discounting, in any particular, the splendid showing of the many clubs, special mention might be given to those clubs which had particular success this year with their benefits. Cleveland, Kansas City, Missouri, and St. Louis all sent donations to the Settlement School of \$500 or more with St. Louis hitting a new high by contributing \$1,000. In second place was Cleveland with \$575.62. One other club but for the unforeseen "unusual" deluge on the day of its circus would have been a contender.

Ten per cent more clubs have carried Arrowcraft products this year and the total amount of sales has risen materially. Pride in the beauty of the products presented for public enjoyment as well as the profits and the labor which help our mountaineers should encourage an ever-increasing market throughout the United States. The largest sales were held in New York City, Northern New Jersey, Westchester County, New York, Dallas, Seat-

tle, Honolulu, and San Francisco. First honors go to Honolulu with its sale of \$936.65 and second to the Seattle club credited with \$675.23.

Profits for the Settlement School through the use of the Magazine Agency have been steadily increasing. A careful reading of the report of this agency will prove how fast the profits can accumulate from even small commissions earned. The Denver, Washington, D.C., Kansas City, Missouri, Indianapolis, and St. Louis clubs earned more than \$100 each in commissions; the three highest per capita were Casper, Wyoming (\$3.25), Denver (\$3.12), and Wichita (\$2.81).

This year found greater demand for loans by our active girls and the Loan Fund committee has been appreciative of the efforts of all those clubs whose maintained or increased donations have made it possible to help them. As the government reduces its contributions through NYA, the Fraternity's assistance in larger amounts may be necessary.

The stability and success of the alumnae department rest upon the alumnae themselves. Loyalty to $\Pi B \Phi$ must be expressed by "good works" and a knowledge of the Fraternity can be gained only by concerted study of its aims and projects. Convention supplies the first opportunity. Careful reading of the ARROW furnishes another source of information. Central Office can send material to use as a basis for club programs, particularly the one required on the History and Constitution of $\Pi B \Phi$. The Settlement School committee is equipped to provide material on the school for the meeting on that project. The letters from the province vice-presidents or other officers give news of current Fraternity events. Still another possibility for "widened knowledge of and interest in $\Pi B \Phi$ " is offered by the province conferences. There the alumnae catch the viewpoint of the college girl again, may learn the successful methods of other clubs, may recapture her national viewpoint and enthusiasm.

Province conferences were held this year in Alpha West, at Rochester, New York; Beta Province in Pittsburgh; Gamma Province in Columbia, South Carolina; Delta Province in Bloomington, Indiana; Epsilon Province in Louisville, Kentucky; Zeta Province in Galesburg, Illinois; Theta Province in Ames, Iowa, for the southern section of the province and in Winnipeg for the northern clubs and chapters; Kappa Province in Oklahoma City; and Lambda Province in Spokane. All reported stimulating experiences and the majority of alumnae found great value and inspiration through their associations with the actives and in the exchange of ideas. Social as well as business meetings were important. Two topics, limited tenure of office and greater alumnae representation, were generally considered. A place for these on the 1942 Convention program had already been assured and it is the hope of the Grand Vice-President that no unforeseen incident will again interfere with nor prevent a full discussion and decision on these and other important topics.

There was no request by the alumnae sessions of Convention for the continuance of the special committee appointed for the interim between the 1938 and the 1940 Conventions nor for a new committee to receive alumnae suggestions during this interim. However, Grand Council has authorized the Grand Vice-President to appoint an

alumnae committee to summarize and to present to it suggestions received from the conferences and the club questionnaires, with the hope of facilitating the preparation of Convention topics in time for advance consideration by all clubs and chapters.

Among the comments received on the questionnaires this year, only one president protested the amount of red tape and only one asked the discontinuance of the visits of the province vice-presidents in favor of more visits to active chapters. A great number asked for more visits and personal contacts with national officers. The universal approval of the new presidents' notebook justifies the time spent in its compilation. From the suggestion of Roberta Roberts Rowland, former Dallas Alumnae Club president, that club presidents would find such a hand-book valuable, developed this aid for presidents, and to her appreciation is expressed.

Though Fraternity interests come first, the alumnae department would not have its clubs ignore the needs of their communities. Questionnaires list both money and service contributed to worthy causes; these range from special scholarships, assistance given community drives, Christmas baskets, to Needlework Guild, Goodwill, or Red Cross and hospital aid. Particularly this year with England's needs and, in these later months, the United States' own defense program, do we find our clubs cooperating. To name a few, their activities have included the adoption of a war orphan, Red Cross knitting and sewing, China relief, or British war relief; one club has a Gray Lady unit, another, a unit for nursing. The Fraternity is justly proud of all. With the call for intelligent volunteer workers, the coming year will find the alumnae of $\Pi B \Phi$ in the United States ready and willing to serve their country as have our Canadian members since the beginning of the present war.

It was the pleasure of the Grand Vice-President to visit the active chapters of Arizona A, Nevada A, California A, B, I, and Δ this year and therefrom to gain much inspiration for further alumnae and active contacts. She also attended the very impressive and delightful Founders' Day cele-

brations of the Glendale, the Long Beach, the Los Angeles, the Santa Monica, the Sacramento, and the Reno, Nevada, Alumnae Clubs, and in addition, met many other fine alumnae along the way. In April, she attended officially the Panhellenic Regional conference in Seattle at which were many national officers resident in the northwest and Deans of Women of the colleges and universities of that section. A duty which brought a mingled feeling of sorrow, humility, and love of Fraternity was that of representing the Fraternity at the funeral of Mrs. Soule in Tacoma.

Only one change has been made in the personnel of the province vice-presidents since the elections of Convention. Dorothy McGaughey Mynard of the Champaign-Urbana Club was unable to serve for Eta Province and in her place the Grand Vice-President appointed Harriette Avery McClyment, outgoing president of the Peoria Club.

For the cooperation received from her province vice-presidents and the helpful work done by them in their provinces, the Grand Vice-President is very grateful. Appreciation is also expressed to her ever willing and able assistant, Marianne Reid Wild, to Beatrice Purdunn for her special help, and to the alumnae for their many offers of assistance and for their splendid achievements which have made the year a better one for the alumnae department.

The Grand Vice-President would voice her gratitude for the confidence placed in her by the 1940 Convention. She has endeavored to serve openly and "to the best of her knowledge and ability." The future of the alumnae department depends upon the loyalty of every club member to her club officers and of every club to the national Fraternity policies as legislated by Conventions, or in the interim, by the national officers. With complete cooperation, $\Pi B \Phi$ can not only survive the changing world conditions now facing us but it can grow. Strength in unity may apply to fraternities as well as nations. All shall labor together for a continued great $\Pi B \Phi$.

Respectfully submitted,

RUTH BARRETT SMITH

REPORT OF THE GRAND SECRETARY

THE DUTIES of any office assume new and fuller significance as the officer becomes more familiar with the requirements and with the responsibilities pertaining to the office. A report of an officer should rightly set down an exact account of the performance of those duties with the results obtained. As she endeavors to formulate a report at the conclusion of her third year in office, the Grand Secretary finds it difficult to give to the Fraternity an exact accounting of the work which is done by the Grand Secretary.

It is possible to do this to some extent by recording that (during the year just passed) the Grand Secretary has carried on the routine work of general correspondence; has acted as recording secretary for Convention and for Grand Council meetings; has prepared and issued the Cipher and Key to new chapters and to old ones in emergency needs; has been responsible for the forwarding of all traveling awards to chapters receiving them; has issued instructions for annual reports; has received and prepared for Grand Council discus-

sion and for ARROW publication all annual reports; and has administered other incidental secretarial duties as occasion demanded, such as signing, along with the Grand President, all initiation certificates and all national scholarship certificate awards.

In speaking of supervisory work such a method of report is not possible. In this field the Grand Secretary is given an opportunity to offer constructive suggestions and to make personal contacts which should be a source of inspiration and stimulation for increased activity of a constructive nature to fraternity development. Such mechanical instruments as manuals, inter-committee communications, questionnaires, and printed aids enter into this work, but, generally speaking, supervisory work is of an intangible nature and it is difficult to record.

The Grand Secretary is privileged to supervise the work of standing committees, of alumnae advisory committees, and of all new chapters and those chapters under special Grand Council guidance.

For the greatest strength, there must be the greatest possible contact and cooperation between departments and officers. This idea has been stressed in the work of the standing committees and in that of alumnae advisory committees. Standing committees seek to maintain a closely knit group through the agency of the committees' publication, *The Leader's Digest*. It is issued four times each year to supply fraternity news, to serve as a medium for the exchange of ideas upon points of fraternity development, and to acquaint all committee members with the specific aims and accomplishments of all committees. This publication is compiled by the Grand Secretary with the help of committee members.

There are ten standing committees. The efficiency of their work has been advanced because few changes in the personnel of committee chairmen have been necessary this year. With the continued inspiration and experience of eight continuing chairmen and with the new ideas and the new spirit of two appointees of this year, this department has increased its service to the Fraternity. Experience has shown that regular monthly correspondence between the Grand Secretary and the committee chairmen and between the chairmen and their province supervisors insures the cooperation necessary to produce the results desired. Before fall activities begin, either a new or a revised manual will be in the possession of every standing committee member. With this mechanical phase of their work in hand the committee should be able to function with less effort and with splendid results. The effectiveness of the work of these various committees is fully indicated in the reports of the chairmen of standing committees published in this information ARROW.

The necessary and important service which alumnae advisory committees render chapters of their own fraternities aids immeasurably the cause of all fraternities, because fraternities are known to the world by their active chapters. This significant fact emphasizes the great value of advisory committee work and shows its wide scope of influence and usefulness. Clubs and chapters should feel the definite responsibility they face in choosing the members of these committees.

The work of advisory committees has been simplified greatly by the revised manual, compiled and distributed last fall for immediate use. It is published in note book form and is designed to have under one cover all such material as is directly related to joint chapter and advisory committee functioning.

Contacts with alumnae advisory committees are made twice each year through letters accompanied

by questionnaires. Reports of general chapter conditions and suggestions for increasing the efficiency of the work with their respective chapters are given by the committee chairmen. These reports are supplemented in some instances by personal letters dealing with specific problems.

The personnel of these two departments of our fraternity organization numbers 488. These alumnae are entrusted with the responsibility of creating and fostering in the chapters of $\Pi \text{ B } \Phi$ those forces which produce creditable chapters and fine girls. The fact that no active chapter of the Fraternity has required special Grand Council supervision this year reflects the splendid work and the real service of these committees.

The Grand Secretary has acted as special supervisor to the two chapters installed after the 1940 Convention. In this capacity she has carried on a systematic correspondence with Wisconsin Γ and with Tennessee B . The response of these chapters has again proved the wisdom of $\Pi \text{ B } \Phi$'s extension policy.

Because it was necessary for her to cancel completed plans for chapter visits this year, the Grand Secretary has missed the inspiration and the stimulation which actual contact with active chapters has previously given to her. She is greatly indebted to the Assistant to the Grand Vice-President who so efficiently and with such delight to the chapters made three of those visits. It will be the pleasure of the Grand Secretary to make the delayed visits to Zeta province this fall. Pleasant associations have been enjoyed with the two active chapters in Los Angeles, California Γ , and California Δ .

An unexpected pleasure came with the privilege of attending the joint Founders' Day luncheon of the Los Angeles and the Santa Monica alumnae clubs, the Cooky-shine of the Glendale club and the Long Beach club's breakfast. The fine spirit of fraternity loyalty and true friendship felt at these functions was most inspiring. It was with regret that the luncheon of the Pasadena club had to be given up and attendance at the Beta Province conference cancelled.

The more familiar we become with the past and the present functioning of our fraternity, the more inspired we are with the tireless energy exhibited and the unselfish service given by those who have directed the affairs of $\Pi \text{ B } \Phi$ in the years past. Their lives are a challenge to each one of us. May we gratefully accept that challenge and endeavor to fulfill their hopes in us!

Respectfully submitted,

LOIS SNYDER FINGER

Pi Beta Phi Magazine Agency,
Central Office, Marshall, Ill.

REPORT OF THE GRAND TREASURER

Peoria, Illinois
August 21, 1941

To the Grand Council of the Pi Beta Phi Fraternity.

WE HAVE made an audit of the Cash Receipts and Expenditures of your Grand Treasurer, Mrs. Lois F. Stoolman, from August 1, 1940 to August 16, 1941.

The Cash Receipts from all sources have been entered of record, placed to the credit of the several funds and deposited in banks. The Expenditures were evidenced by checks properly entered of record and passed through the banks. The balance of Cash on Hand was reconciled with the amount as shown on deposit by the banks. The Securities belonging to the various funds are carried on the records at cost price.

The Schedules attached hereto, as a part of this Report, have been prepared from the records as closed, and we believe that they are in such form as to be easily understood.

From our examination of the records, we are warranted in certifying that the Cash Receipts and Expenditures have been properly accounted for during the period under review, and it is our opinion that the attached Balance Sheet represents the true financial condition of the Pi Beta Phi Fraternity on August 16, 1941, subject to any difference between cost and market value of Securities.

Respectfully submitted,

Porter Hamilton & Co.,

By PORTER HAMILTON
Public Accountant

Illinois Certificate No. 967

ARROW EDITOR

THE YEAR following Convention always brings in a flood of material for the ARROW. First, we have the story of Convention itself, and this year we were very fortunate in having an unusually fine set of pictures and cuts from which to choose for illustrations, and were able to make the magazine attractive at a smaller cost than we had expected. Second, through contacts made at Convention, and the opening up of new sources, much fine material has come in, and a choice has often been difficult. We always regret the material we cannot use, much of which is of so timely a character that it cannot be held over for the issues of the following year. Such material is always acknowledged, and the situation explained. During the past year we have had two anonymous contributions, which of course can never be used.

New and interesting this year was the material which came in for the "What a Fraternity Girl Thinks" section. A disappointingly small proportion of chapters responded by the deadline, and only a few after that, but since this was the first year of its re-establishment, it did not seem best to report the delinquent chapters for fines. Another year, when reminders are sent out about it, a statement about a fine may be included. Mrs. Armstrong went through all those submitted, grouping them as to subject, then chose twelve or fourteen as of special merit, and sent them on to me. With only a few exceptions the Editor used all those she had marked. We tried to present two sides of controversial questions, and did very little editing of those which were published, since what we wanted was free expression from the girls. We would like to suggest for future years that a small prize be given for the two best articles submitted, to stimulate interest—this is a department which must never be allowed to become mechanical, either in subject or in expression.

The "From Pi Phi Pens" has seemed even more than usually interesting this year, especially in the last issue, when Mrs. Jorgulesco had asked prominent Pi Phi authors to write the reviews—as I read other magazines, this department seems to me to be one of the most outstanding of its type in any of the fraternity magazines. The Editor's Conference is talking of establishing awards on the same basis as those the men's magazines give, and this department of ours should be a candidate for recognition.

This Spring we have had the advantage of a visit in Menasha which gave opportunity for personal conferences on ARROW affairs. We discussed plans for a significant 75th Anniversary issue next year, which will be presented to Grand Council for approval. We are again faced with difficulties as to our paper supply. Not only is it certain that a further advance in price is coming soon, but the paper mills are unwilling to sell us enough for a whole year in advance, and indeed are reluctant to accept large orders at all, since they seem uncertain of their own ability to get the material from which it is made. The paper industry is not in a happy state of mind by any means, and for the present we can only feel our way and see what

develops. It is more than possible that it might become necessary to accept a much cheaper type of paper, something which would be unfortunate, since the present paper is the cheapest which will take cuts acceptably. We will watch the situation closely, of course, and hope for the best.

Cooperation from staff and chapters has been fine—the alumnae clubs have responded well, too, as evidenced by the number and quality of the letters published, almost too many! We are issuing something more than one half of our space on the letters, personals, standing pages, etc., and for next year would like to try the experiment of limiting the chapter letters in length, as we did last year in the case of the alumnae letters. Figures show the amount of space that can be saved in this way.

This year the chapters have cooperated well in keeping to the recommended size of pictures for the sections of honor girls, thus making a real saving in cost, since they need not be rephotographed in page groupings. By no means all chapters send in pictures—this year something like 25 failed to do so—but we should be quite swamped with them if all sent them in, so perhaps it is well not to put this on a compulsory basis.

This has been a truly heartening year for the ARROW Editor. Many more people than ever before have written letters of appreciation, and the Editor wishes to express her great pleasure in all the new and old contacts that these letters have meant.

The officers of the Fraternity have continued to be most helpful in every way, especially in the clippings and news which they have contributed—the greatest possible help in carrying out our aim in the publication of the magazine, the presentation of the life of Pi Beta Phi everywhere in as graphic a manner as possible. The Editor wishes to express her gratitude to the members of her staff and to her contributors, and most of all to her new assistant editor, Gladys Warren, and to her unofficial secretary, Adele Alford Heink, for all their fine help, and to the George Banta Publishing Company for their unflinching cooperation and fine planning.

During the year the Editor made official visits to six chapters, Colorado A and B, Wyoming A, Montana A, Washington B, and Idaho A; she had the privilege of attending Lambda Province Conference in Spokane April 26 and 27, the Founders' Day Banquet of the Portland, Oregon, Club, April 28; Alpha Province West Conference at Rochester, N.Y., May 16 and 17; she spent a day in an unofficial visit to Wisconsin F and the Fox River Valley alumnae club; she attended a meeting of the Hartford club, and as a result, made a visit to the campus of the University of Connecticut, at Storrs, Connecticut, meeting the Dean of Women and many of the Gamma Sigma girls. All were happy contacts with old friends and new, a fine closing for another year of work as Editor of the ARROW.

Respectfully submitted,
ADELE TAYLOR ALFORD

ASSISTANT TO THE GRAND PRESIDENT

ANOTHER YEAR has passed by, another year of success for $\Pi B \Phi$, which success is due to the untiring efforts and cooperation of so many. It is a real privilege to hold office and realize fully how many work for the progress of our fraternity. It is indeed an organization in which one feels such humble pride and it has therefore been with deep regret that from the oldest to the youngest we have said farewell to our two last living Founders this year. It makes one feel an even greater desire to try to carry on faithfully what these fine women started for us so many years ago.

The future of our fraternity depends greatly upon those chapter officers with whom it is my privilege to work, the rush captains and the pledge supervisors, for it is under the leadership of these two officers that we select and guide our future members. It is a very real responsibility and the fraternity can once more be proud of the type of girl who has been elected to these very important offices again this year.

Two questionnaires were sent to the rush captains this year and their cooperation in replying was splendid. The answers to the second questionnaire were so very fine that a summary of them was made and returned to the chapters for their use if they so desired. This summary showed that customs of one chapter can prove helpful and applicable to other chapters and it is to be hoped that many ideas were shared in this way. At present a revision of the Manual for Rush Captains is being made and this material is to be distributed early in the summer.

One questionnaire was sent to pledge supervisors. It is planned that another year there will be the two sent again as in former years.

It gave the Assistant to the Grand President

great pleasure to visit the chapters of Alpha Province West during the latter part of March and the early part of April. The two Canadian chapters and the three American in this province made a nice contrast, but there was no difference in their desire for giving service and bringing the best to $\Pi B \Phi$. It was also the privilege of this officer to meet many fine alumnae on this trip and to enjoy also a luncheon given in her honour by the Montreal Alumnae Club during an unofficial visit in Montreal.

The questionnaires re health certificates were sent out a little late this year, and it is still a matter of indecision just when the best time is for this questionnaire to be sent to the chapters. However, it is likely to be mailed in the Fall after this year, for that time is when the chapters are checking most carefully on their plans for the coming year, and on the various rules and regulations, old and new, which are required to be followed.

The total number of pledges this year was 1,471; last year 1,647. The total number initiated during the year was 1,513; last year 1,397.

The Assistant to the Grand President has enjoyed this year tremendously, and she realizes that much of the joy experienced in holding her office is due to the close association she is privileged to have with the Grand President. Miss Onken is ever ready to give her interest and time, and it is difficult to express adequately the sincere appreciation felt by her assistant. The Assistant to the Grand President also wishes to express her gratitude to the other members of Grand Council; to the Director of Central Office, who always so willingly gives her assistance; and to the many chapter officers who have cooperated so splendidly.

Respectfully submitted,

ISABEL A. CLARK

ASSISTANT TO THE GRAND VICE-PRESIDENT

"Our hopes, like towering falcons, aim
At objects in an airy height;
The little pleasure of the game
Is from afar to view the flight."

THE PURPOSE of an annual report is to view from afar how well we have measured up to our hopes and our aspirations. We, therefore, feel that from the point of view of this office that $\Pi B \Phi$ in general and the Alumnae Department in particular has had another most successful year.

The first duty of the current year was the writing of the minutes of the Alumnae Sessions of Convention for the Information ARROW, and the writing of the Highlights of Convention which was sent to all chapters and alumnae clubs.

Letters were written in the fall to all Mothers' Clubs and this office has received many replies from these clubs telling of the plans of the clubs for the year. These Mothers' Clubs do a fine work and too much can not be said in praise or appreciation. It is a pleasure to report that new clubs have been organized this year at Iowa A, Wisconsin F, and Tennessee B.

In the fall the Assistant was glad to write for the Grand Vice President one of her monthly

letters to the Province Vice-presidents. There has been correspondence with the Province Vice-presidents concerning the chartering of new clubs. Not as many new clubs have been formed this year due to the fact that most of the remaining localities where there are enough for a club just barely meet the required number and it has seemed best to await a larger membership before applying for a charter. Two clubs have been chartered this year. Pullman, Washington, and Schenectady, New York, are welcomed into the Alumnae Department. Other groups plan to organize in the fall.

Your Assistant to the Grand Vice-president is working with the Assistant to the Grand President in the preparation of a Manual for Rushing Recommendations Committees. This manual will serve both the chapter rush captains and the alumnae committee and it is hoped that it will clarify many points and bring about a closer understanding of this important but difficult function of the Fraternity.

It was the pleasure of this officer to attend meetings of Alumnae clubs in Richmond, Indiana; Mt. Pleasant, Iowa; and Ames, Iowa. She visited for Grand Council, Iowa, A, B, F, and Z, North Carolina A and B, and Tennessee B where she had

the special pleasure of celebrating with the new chapter its first Founders' Day. She represented the fraternity at a Regional Panhellenic Conference at Bloomington, Indiana. As a national officer of $\Pi B \Phi$ she has been the recipient of many Panhellenic invitations locally, including the State Day celebrations of $X \Omega$ and ΣK and spoke at a Panhellenic Forum at Butler University. She has had the pleasure of attending province conferences in Delta, Epsilon, and Beta Provinces. At the Beta Province Conference she had the inspiring experience of initiating the Conference Honor Initiate, Jean Dyer for Pennsylvania B, and of awarding for Grand Council the Province Amy B. Onken Award to Mary Morrill of Ohio B. To each active and alumna met during the course of these visits she wishes to express again her deep appreciation for their welcome and friendship.

Several trips have been made to DePauw University, Greencastle, Indiana, where the Fraternity is interested in the possibility of a petitioning

group. The Indianapolis Alumnae Club is sponsoring a group which is in the process of organization—to be completed during the rushing period next fall.

Your officer has tried to fulfill to the best of her ability the duties devolving upon this office. She wishes to express to Grand Council, especially Mrs. Smith and Miss Onken, the Province Vice-presidents, and Central Office her grateful appreciation for their guidance and assistance at all times.

With the saddening knowledge that we no longer have any of our beloved Founders to guide and inspire us, we realize that more than ever we must strive to make our efforts worthy of them so that we may view from afar the flight of the Arrow and know that it is reaching our lofty aim. To this end we pledge our efforts for the coming year.

Respectfully submitted,
MARIANNE REID WILD

NATIONAL HISTORIAN

THE National Historian has carried on her duties in keeping the records of this seventy-fourth year of $\Pi B \Phi$ which has been so rich in accomplishments. The active chapter historians have given splendid cooperation in the writing of term histories. The average grade of these histories has been very good and the Fraternity may look forward to a fine display of chapter histories covering the years 1940-41 and 1941-42 at Convention in June.

The $\Pi B \Phi$ Library has continued to grow, due to the generosity and thoughtfulness of $\Pi \Phi$ writers. An excellent history of Maryland A from its beginning to 1938 has been completed and sent to the archives by Helen Doll Tottle (Mrs. J. W.), Maryland A. Other members of $\Pi B \Phi$ who have presented material of historical value to the archives during the year as Sara Eikenberry Sigler, Iowa B; Harriet Johnstone, Washington A; Agnes Wright Spring, Wyoming A; Mabel Scott Brown, Maryland A and District of Columbia A; Helen Bartol Leonard, Pennsylvania A; Geraldine Mars Ristine, Iowa Z; Jane Shotwell Hare, Iowa A; Rebecca Downey White, Colorado A and Michigan B; Carrie Shamo Brown, Iowa A; Mary Stuart Kinder, Nebraska B; Louise Rosser Kemp, Oklahoma A; and Amy Burnham Onken, Illinois B. Among the gifts are an I C guard pin as pictured on page 57 of the *History of Pi Beta Phi* written by Agnes Wright Spring in 1936, an I C pin, the record book of Iowa B which is the oldest $\Pi \Phi$ record book in existence, the first $\Pi B \Phi$ Mother pin, and an old I C- $\Pi B \Phi$ banner. This officer will appreciate members pre-

senting items to the Fraternity which they feel will be interesting and valuable additions to the historical collection, and will welcome letters concerning material one may have which she is willing to present to the Fraternity.

A list of historical material available for display in Holt House has been submitted to the Chairman of the Committee for the Restoration of Holt House. It is very fitting that the house in which the Constitution of $\Pi B \Phi$ was written should be the storehouse of tangible evidences of the ideals, beauty, fellowship, and united interests of $\Pi B \Phi$.

The seventy-fourth year has been a sad one for Pi Phi in the loss of the last two of her Founders, Inez Smith Soule and Fannie Whitenack Libbey. $\Pi B \Phi$ rejoices, however, that they were given long years in which they saw the Fraternity make a history which exceeded their girlhood dreams.

The Historian wishes to express her appreciation to the Oklahoma City and Stillwater Alumnae Clubs for their many kindnesses to her when she was their guest and also to Arkansas A, Oklahoma A, and Oklahoma B for their hospitality when she visited in their chapter houses on occasions during the year.

The Historian is grateful to the Fraternity for the privilege of serving in this office, and to the Grand President, Amy Burnham Onken, for her constant aid, and to the Director of Central Office, Beatrice Stephenson Purdunn, for her assistance.

Respectfully submitted,
FRANCES ROSSER BROWN

PI BETA PHI MAGAZINE AGENCY

FROM May 16, 1940 through May 15, 1941, the II B Φ Magazine Agency has realized a profit from the sale of magazines through alumnae clubs, active chapters and individuals amounting to \$4,018.51. Of this amount alumnae clubs contributed \$3,512.27, active chapters contributed \$407.59, and individuals contributed \$98.65. During this same period \$139.68 has been collected from bonuses, refunds and cancellations. This amount is used to help pay for the cost of maintaining the magazine agency.

The agency has sent \$3,000.00 to the Treasurer of the Settlement School for the year 1940-41.

Below are the profits for the past fourteen years:

1927-28	Approximate	\$1,200.00
1928-29	Approximate	1,100.00
1929-30	Approximate	810.00
1930-31	Approximate	950.00
1931-32	Approximate	1,500.00
1932-33	Approximate	1,400.00
1933-34	Approximate	2,050.00
1934-35	Approximate	2,000.00
1935-36	Approximate	1,450.00
1936-37	Approximate	2,366.48
1937-38	Approximate	2,445.09
1938-39		2,716.58
1939-40		3,153.20
1940-41		4,018.51

In September, 1940, alumnae club and active chapter magazine chairmen received copies of a *Manual for Magazine Chairmen*, which were mimeographed and distributed from the Central Office. In February, 1941, alumnae clubs and chapters were notified of the half-year totals that they had made. In May, 1941, the same groups were notified of their yearly totals. The contest winners were:

ALUMNAE CLUBS:

Denver Colorado Alumnae Club, Mrs. R. E. Johnson, Chairman, \$10.00 prize for making the highest total commissions. (\$228.00)
Casper, Wyoming Alumnae Club, Mrs. W. A. Hocker, Chairman, \$10.00 prize for making the highest per capita commissions. (\$3.25)
Northern Indiana Alumnae Club, Mrs. Charles Rock, Chairman, \$5.00 prize for making the highest percentage increase. (1713%)

ACTIVE CHAPTERS:

Pennsylvania B, Marion McConnell, Chairman, \$10.00 prize for making the highest total commissions. (\$35.09)
Iowa A, Velma Ward, Chairman, \$10.00 prize for making the highest per capita commissions. (\$1.86)
Oregon B Malie Corbett, Chairman, \$5.00 prize for making the highest percentage increase. (1900%)

Supplies such as order blanks, price lists, enclosure cards were sent direct to the alumnae club and active chapter chairmen from the Franklin Square Agency.

This year sixty chapters contributed to the Magazine Agency against fifty-one for 1939-40. It is hoped that next year all chapters will become interested in this project.

Canadian clubs and chapters that have sent in subscriptions for magazines this year have received full credit for commissions. The II B Φ Magazine Agency has paid for the loss encountered in the rate of exchange.

Following is the financial statement for the year; magazine statistics; and commissions credited to alumnae clubs, chapters and individuals. The 1939-

40 commissions are also given so that the contributors can see their gains or losses.

The Director of the Magazine Agency wishes to thank all who have contributed to the success of the agency this year, and asks for your continued interest and support.

Respectfully submitted,
BEATRICE S. PURDUNN

CENTRAL OFFICE REPORT

THE cost of maintaining the Central Office from August 1, 1940 through May 31, 1941 was as follows:

Salaries, including Director's Salary	\$3,067.25
Rent	300.00
Express and Postage	1,097.40
Miscellaneous Expenses and Supplies	1,077.46
Telegraph and Telephone	48.13
Personal Property Tax	10.04
Insurance on Office Equipment	105.75
Bank Service Charge on Checks	7.67
Social Security Charge	26.82
Initiation Robe Material and Cost of Making	200.90
Ribbon Purchased for Sale to Chapters and Clubs	49.64
Charge Back on Checks Returned NSF	14.00
TOTAL	\$6,005.06

Collections from chapters, individuals and alumnae clubs from August 1, 1940 through May 31, 1941 for supplies are distributed as follows:

Miscellaneous	\$ 518.67
Songbooks	57.54
Stationery	374.85
ARROWS	53.20
Ribbon	89.95
Robes	336.50
Cook Books	662.55
Bibles	17.50
TOTAL	\$2,110.76

The number of initiates for the past nine years, 1932-33 through 1940-41, are as follows:

	Chapters	Initiates
1932-33	78	1,140
1933-34	77	1,085
1934-35	79	1,281
1935-36	79	1,237
1936-37	80	1,347
1937-38	80	1,354
1938-39	81	1,331
1939-40	81	1,397
1940-41	83	1,513

The II B Φ membership statistics as of June, 1941 were as follows:

Total Initiates for Year 1940-41	1,513
Total Number of Initiates to Date	35,226
Total Expulsions to Date	131
Total Honorable Dismissals to Date	108
Total Honorable Dismissal Reinstated	

REPORT ON JEWELRY SALES

SINCE August 1940 jewelry has been ordered from the II B Φ Central Office.

The following have been sold to members this year:

Plain Badges	246
Jewelled Badges	1,367
Plain Recognition Pins (gold plated)	573
Jewelled and 10K Recognition Pins	210
Mothers' Pins	139
Brothers' Pins	11
Pledge Pins	1,134

New jewelry order pads were used this year which facilitated the ordering of badges. It is hoped that a new publication, "How to Order Jewelry" will be available for distribution next fall.

Recognition pins may be ordered now through

ments	11
Total Honorable Dismissals Still in Force	97
Total Dismissals (formerly called Suspensions)	12
Automatic Probations Now Pending	4
Automatic Dismissals (formerly called Automatic Suspensions)	17
Total Loss by Dismissal	261
Total Loss by Death	1,773
Total Loss by Dismissal and Death	2,034
Total Members of Pi Beta Phi Now Living and in Good Standing	33,192

Routine work of the Central Office includes mimeographing, sending out supplies to chapters, clubs and individuals, handling new initiation records, keeping the files up-to-date, running the mailing list for the ARROW. The following principal publications were issued through the Central Office: loose leaf notebook for alumnae club presidents; *Leader's Digests*, Standing Committee Manuals, Social Exchange Bulletins, Alumnae Advisory Manuals, pages for chapter presidents' notebook, pages for pledge supervisors' notebook, Manual of Instructions for Contributors to the ARROW.

Song books and cook books continue to be sold through the Central Office to clubs, chapters and individuals for gifts and for re-sale for alumnae club benefits.

Eleven chapters purchased robes through the Central Office in 1940-41. Seventy-six sateen and four satin robes were sold.

The future work of the Central Office will consist in issuing new supplies, mimeographing of new material and manuals, issuing stationery and re-arranging of files.

The Director of the Central Office completes the year's work with a sincere message of appreciation to all alumnae clubs, active chapters and individuals for cooperating with her as they have this year. She is grateful to all the national officers and members of Grand Council for the privilege of working with them.

Respectfully submitted,
BEATRICE S. PURDUNN

the Balfour representative and it is not required that orders for these pins come through the Central Office.

This year again, the fraternity gave scholarship rings to the girl in each chapter who had a superior scholarship rating. Fifty-nine chapters sent in orders for scholarship rings, and seven of these were winners of the ring for the second time and their rings were set with sapphires instead of rubies.

The Director of the Central Office is grateful for the cooperation she received from chapter treasurers who sent in orders for jewelry this year.

Respectfully submitted,
BEATRICE S. PURDUNN

Settlement School Reports

LET'S FACE SUCCESS TOGETHER

"Yours to determine
Yours to envision
Yours to carry the old tradition."

SATISFACTION in a glorious Settlement School past and recognition of a needed and constructive present program, is not enough for a determined, intelligent organization.

For an answer to all your questions regarding the wise direction of our Settlement School welfare program, watch for an authoritative analysis in your December **ARROW**.

We are proud of our success. We are not ashamed of our failures. It took both to build the substantial contribution to human betterment that Pi Phi Settlement School now represents. In the heart of every Pi Phi is the wish to preserve the qualities of service that we cherish most, a unified effort to raise the level of an entire community, an effort which in turn reacts to the perpetuation of Pi Phi ideals, Pi Phi strength, Pi Phi's growth.

Throughout the ages, the trial and error method has prevailed as a basic test of separating truth from falsehood. It is indeed a tribute to Pi Phi's sound principles and wise planning that the success of our pioneer aims has had so few interruptions and so few detours as community need was measured.

Changes in the application of our program, if wisely planned and executed, should cause no disruption to a smooth-running community service. We have moved so gradually into ever widening fields that both Pi Phi and the community have scarcely been aware of the transitions of the past thirty-two years.

Today, news of the definite relinquishment to the County of further responsibility of the first six grades of the elementary school will create no community unrest, and will be welcomed by the conscientious far-seeing members of the community, for it has always been their desire to accept their own responsibilities when possible.

Satisfaction will be felt by those progressive Pi Phis who for some years have agreed that we should relinquish this field. Our brain child has grown up; we must give it responsibility and let it try its own wings to prove whether our guidance has been true or false.

There is agreement among even the most sentimental and conservative alumnae whose reluctance to give up this department has been based upon the understandable desire to preserve the intimate influence in the homes that this elementary school work has allowed.

With mingled emotions of satisfaction and regret, Pi Phi will accept the news that official written notification has been given to the SEVIER COUNTY SCHOOL BOARD that we will withdraw assistance in the first six grades at the close of school 1943 as a natural outcome of a service well planned—a proof that we have made progress in our aim to make our community self-supporting.

This step is insurance that we may concentrate upon obligations that have been increasing rather

than diminishing. Growing population, education, and economic advancement, combine in challenging Pi Phis to redouble their efforts as the self-elected sponsor of an entire community.

Can we stand success? Are we big enough to enlarge our perspective? To you, loyal Pi Phis, who have enjoyed hard work together and felt the thrill of satisfaction in seeing far-reaching results, we are sure that you are ready to face the conditions resulting from your sacrifice and labor.

We are sure that you wish to capitalize upon your investment. We know that you wish to increase the dividends by renewed effort to build for the future upon foundations so strong and sturdy, keeping alive roots so deep and far-reaching.

Every Pi Phi has a valued opinion, a personal and sincere desire. The sum total of 33,000 desires will determine the trend of our future service. The value of unified national effort has been so well demonstrated that there is a unanimous will to preserve strength through a centralized service. Endless are the channels through which we could give needed service. Almost any unselfish impulse and personal choice would result in constructive effort.

It is a recognized fact that our foundations in the Smokies are so deep, our material plant and resources so adequate and flexible, the location so desirable, that Pi Phi can adapt this setup to any use determined by changing need and Pi Phi national viewpoint.

Every Pi Phi admits proudly that we have not been standing still. Your committee admits confidently that there is need of the present service with its administration in line with currently suggested improvements. In addition to a serious consideration of the present, your committees have been struggling for years to keep ahead of the times in anticipation of future needs.

While you worked and your committees interpreted your wishes in administering the details of a progressively sound service, there has been laid quietly a foundation. The pattern has been set for a coming broader achievement.

Just when and how and why this pattern evolved itself into a certain compelling groove, we do not attempt to explain. Firm in the minds of those close to the situation, is the conviction that a greater opportunity lies ahead for Pi Phi, if we will heed the suggestions of this pattern.

It is not news that your committee sees the future of our children, our youth and adults, in terms of planting the seeds and nourishing the development of an appreciation of form, color and design. We see for this reason a future of individual and collective opportunity to maintain themselves in ever-growing dignity by means of production of handicrafts of a superior quality. These products must be acceptable to the discriminating traveling public brought to this region by the lavish gifts of nature and the miracle of good roads.

By supplying an ever-widening field in vocational guidance, based upon an awakening to beauty of form and color, a whole community can gradually make for itself a national center for development of arts and crafts.

Before interpreting too fully in terms of committee deductions, we want you to know of a plan that has been under way for years to compile factual proof of the humanitarian and educational value of these tangible and intangible trends.

Your committees have made every possible study preliminary to a factual survey from outside, unbiased, non Pi Phi authorities.

You will understand our wish to have verification of or proof against certain trends; a desire for professional and experienced advice as to the application of Pi Phi welfare service, not only

in terms of need but in terms of whether the need justifies Pi Phi aid.

You will welcome with us the authoritative and comprehensive survey regarding the soundness of the claim of a persistently challenging opportunity to expand our influence and create a new and satisfying future for the people of the Appalachian Mountains.

Look for word of this in the December ARROW.

Your committee welcomes and invites your suggestions, your opinions and your heartfelt wishes.

Mutual enjoyment in sharing a great responsibility has given us a past of which we are proud.

Mutual agreement and determination will build for us a happy future of greater service.

ETHEL H. COPP,

Chairman Settlement School Committee.

RÉSUMÉ OF SETTLEMENT SCHOOL COMMITTEE MEETING, 1941

THE MEMBERS of the Π Β Φ Settlement School Committee met for the annual meeting at the Settlement School from June 20 to June 28, 1941, with three sessions a day. After an official welcome, especially of the new members, Agnes Spring and Lolita Prouty, by Ethel Copp, the assignment of duties followed:

Chairman, Ethel Copp.

Treasurer, Irene Eldridge.

Secretary—Ways and Means, Lolita Prouty.

Films and Publicity, Beth Le Roy.

News from Little Pigeon, Agnes Spring.

The Manual and the minutes of the 1940 meeting were read, followed by reports and recommendations of committee and staff members. All recommendations were discussed and considered.

Besides administrative problems, the Committee attempted a survey of the community as to what they think of our project, and also a survey of the needs of the community in regard to our future policy. Marie Hagee, chairman for the past year, was able to be present ex-officio at the request of the Committee with her invaluable assistance for most of the sessions. Amy B. Onken, the Contact-with-Grand-Council-Member of the Committee for the year 1940-41, added her wealth of experience and information for four days, during two of which all of Grand Council met with the Committee.

Among matters discussed with Grand Council were:

1. A tentative physical plan of our development including discussions of:
 - a. The giving over of the elementary school to the county.
 - b. The new Stuart Cottage.
 - c. A new Health Center.
 - d. A new water system.
 - e. A new gymnasium.
2. A discussion of the Wages and Hours Act. Miss Winogene Redding, weaving supervisor, reported on this and how it may affect our Arrowcraft industry if handloom weaving is not given exemption.
3. A consideration of the recommendations made by the Committee.

The Committee felt it a special privilege to have the opportunity of personal discussion with Grand

Council and hopes that it may serve the Fraternity more efficiently in the solution of the future trend of our project because of the exchange and comparison of ideas.

Both the Committee and Grand Council felt we should know whether we are doing the right thing at the Settlement School and if not, what we should be doing, so definite plans were made for obtaining professional advice for the continued survey of needs and future trends of the Settlement School project.

It was agreed to relinquish the first six years of the Elementary School to the County at the end of the school year 1942-43. In the discussion of this motion it was brought out that the County is able now to take over the School and at the present time has been paying us \$125.00 a month for rent of the building and all the salaries of the elementary teachers. Since our building and equipment is becoming obsolete it would be necessary to build a new building if we kept the school much longer.

The contracts were let for the construction, heating, wiring, and plumbing of the new Stuart Building at a cost of \$8,600.00.

A new Crafts teacher was hired, and special emphasis is to be put on that phase of work next year.

An effort was made to secure a music teacher through the University of Tennessee and the W.P.A. music director by supplementing the salary of someone recommended by them.

Among motions passed dealing with other matters were:

That the discount allowed to alumnae clubs on Arrowcraft orders be increased from 15 per cent to 20 per cent.

That a safe reserve of Arrowcraft funds be maintained for Arrowcraft use.

That the entire cost of the new boys' dormitory including the architect's fees be kept within the bequest of Anne Stuart, i.e., \$9,200.00.

That Bigridge and McCookville schools be turned back to the County for health supervision if after a conference with County officials, the Chairman thinks is advisable.

That the budget for publicity be increased in order that the publicity chairman be enabled to prepare a set of scrap books for fraternity circulation and other new publicity measures.

That Pollard Cottage be renovated.

That the writing of the name Arrowcraft be made to conform to that as registered in the patent office, i. e., one word.

That a new film of the welfare phase of our work be done in color.

That the Director plan for the furnishings of the Stuart Cottage and as soon as possible submit an estimate.

That some adequate fire protection be installed immediately, according to plan and advice of the County Sanitary Director and subject to approval of the Committee and Grand Council.

That some of the money given as gifts last year be used to purchase a movie projector if laws permit its use in the high school building.

That the steps to the Health Center be rebuilt and the surgical dressing room be painted.

That \$100.00 be allowed to obtain a new bull in exchange for the old, and \$150.00 allowed to purchase a new horse.

That a second rest room of the Arrowcraft Shop be equipped.

That the addition of a bag for the nurse and a small refrigerator for serums to the equipment of the Health Center be approved, deferring the purchase in the hope that they may be obtained as gifts.

That a concrete walk be built across the pasture from Pollard Cottage to the Health Center.

That new showers be built for the gymnasium if after further study it seems advisable.

Signed,

LOLITA S. PROUTY,
Secretary.

REPORT OF THE CHAIRMAN OF THE SETTLEMENT SCHOOL COMMITTEE

ANOTHER year brings another report of the progress and expansion of our Settlement School. We Pi Phi who, by our sustained interest and support have made such development possible, have reason to grow more proud of our project. It has become in these twenty-eight years a philanthropy which is unique among both men's and women's fraternities. When delegates from the regional Panhellenic conference at Knoxville visited the school last fall, they voiced amazement at the scope of our undertaking, and whole-hearted approval. Many remarked on the enviable position it gave us in comparison to other organizations.

Through its Chairman, the Settlement School committee makes an annual report of its stewardship, giving to the Fraternity a present-day picture of the school, with its changes, expansion, and policies. As always, any discussion of the school falls into certain divisions, which are in general, the school—elementary and high school—health department, buildings, and Arrowcraft. This has been a year of changes, but the one of most concern to all of us came in March, when our well-loved Director, Mrs. Eunice Weaver, had to resign because of illness. Her leaving was regretted by committee, staff and townspeople alike, for all felt a deep affection for her. In her seven years as director, she had established herself firmly in the life of the school and community, through her fine sense of responsibility, her pleasant responsiveness to all, and her ability to cope with any difficulties which arose. We shall miss her more than can be expressed.

The grade and high school have been well-staffed this year, with Mr. King, our able superintendent as the head. Charlotte Herman, Illinois Z, in charge of the home-economics department, has built up and maintained interest in her program for the high school girls. She has also worked with the adult women. William Coe has again handled efficiently the vocational agriculture, conducting both adult and student classes. Cleo Nelson, North Dakota Alpha, has been in charge of English classes and the library. Of these only Charlotte Herman will return next year, as Mr. King feels that he must give his undivided attention to the renting of his tourist cabins, and Cleo Nelson is taking a business position. We shall miss Mr. King tremendously, as in his

eleven years with us we have learned to rely on his loyalty, good judgment, and efficiency. However, we hope that, since he is to remain in Gatlinburg, we shall be able to count on his continued interest, and help in emergencies. Cleo Nelson has been well-liked and we regret to have to replace her, but we know our new Pi Phi from Kansas B, Miriam Moore, will prove as valuable. After two years as head of the new course in wood and metal crafts, William Oakes is being replaced, since we hope to make changes in the course which will demand a teacher of different capability and training.

You all know, of course, that the elementary school is entirely supported by the county, but is under our supervision. After having the teachers recommended by us, the county board elects them, half to be Pi Phi and half to be county girls. The school will remain under the direction of C. Perm Price who continues his untiring efforts that the grade A rating given by the state last year may be retained.

Our Pi Phi teachers this year—all doing splendid work—have been Ruth Parker, whom we were delighted to have return unexpectedly to us this year for her third year of service; Pauline Morris, New York A; Florabelle DeWitt, Colorado B; and Doris Hatch, Illinois A. Three county girls, Pauline Sharp, Veryl Elder, and Eleanor Brabson will return next year to continue their successful work.

Our high school enrollment increased so greatly this year, that the freshman classes in some studies were too large to conform to the state requirements. Therefore, for this coming year we shall be allowed an extra teacher. We have every reason to be proud of our school program in which minds and bodies have been successfully developed. We hope that handicraft can take an increasingly important place in the lives of boys and girls while they are at our school, and we are laying plans to bring this about.

In my five years on the committee, I have heard repeated discussions of the necessity of adding courses in art and music. I think that this year may see our plans take definite form in putting these in the school curriculum. After visiting classes on my trips to the school, and seeing the vivid interest displayed by pupils in their studies,

I feel that if we give additional opportunities to these children, they will be eagerly seized. Besides this, if we are to market handicraft of these mountain people, we should give the children some training in color and line, so that as they grow older they may develop their sense of the beautiful and fitting, and produce increasingly fine work.

To speak of the school brings up necessarily the health work which is done with the pupils. We have always tried to educate both adults and children along sanitary and health lines, and through inoculations and clinics we have brought up the standard of living in the community until we have practically eliminated such diseases as hookworm, typhoid, and even diphtheria. Marjorie Chalmers, R.N., as head of this department for the past five years, has been not only efficient, but sympathetic and understanding. The county is able to furnish little but serums, so in reality we supply a county nurse. Her days are always full, but when an epidemic of flu strikes the community, we wonder at the number of her calls each day. The question of sanitation in the village and outlying districts is an increasingly urgent one since tourists have flocked into the town, and at present there is always potential danger of an epidemic if there happens to be a long dry spell. Town waterworks are a necessity if this is to be avoided.

The group of buildings on our hundred acres vary in age from the old one, housing arts and crafts, to the gracious new Arrowcraft shop, and as their age varies, their need of repairs, and maintenance varies. The older buildings require an increasingly greater amount in the budget for repairs and improvements, while of course, the newer ones demand less. The "budget"—how brief the word looks, but what hours of study it exacts from the committee at their annual meeting! Donations are uncertain always, but needs remain constant—or increase. This year our receipts from clubs and chapters will fall below what we counted upon, and we are thankful that magazine subscriptions have sold so well. Under Beatrice Purdunn's capable direction, the magazine agency shows an increased profit of \$865 over last year.

This year we are adding to our buildings, through the generosity of Anne Stuart, Nebraska B, who left a bequest of \$10,000, a new Stuart Cottage for use as a boys' dormitory. Barber and McMurray, the architects of our attractive new Arrowcraft shop, have drawn plans for a modern, two-story structure which can accommodate eight boys and two teachers, to replace the old frame dormitory. Two other Pi Phis have been generous, too, in naming the Settlement School as beneficiary in their wills: Mary Rosestengell Ross, Wisconsin A, from whose estate we will receive approximately \$370, and Sue Graham Walsh, Colorado A, whose bequest will amount to about \$320. The committee will decide at their meeting this June just how this money can best be used, since neither donor specified to what purpose it should be put, but we are indeed grateful for having the school remembered. In charge of the buildings which house the sixteen dormitory students, and superintending them in their work about the place, is Miss Annette Morse, Illinois A. Her duties are various, but in spite of the demands on her time, she has managed to add to the furnishings and build up

the supply of bedding by her thrifty mending and wise expenditure.

Arrowcraft continues to be a successful business. So many Settlement School chairmen have reported *how* and *why* it has developed, that I shall not go into its past history. Two factors have contributed largely to its success. One of these is the unforeseen chance which opened one of the most popular of the national parks at our front door, and the other the wise selection as Director of Arrowcraft, Mrs. Ethel Weaver Snow, Iowa G. For the past seven years, by the sound business judgment, and able handling of her department, she has caused Arrowcraft to maintain a steady development. The volume of business has increased from year to year, due in part to the tourist trade, but also to a great extent because of our club sales. We have two shops in Gatlinburg, one under the supervision of Mrs. Snow, and the other in the Mountain View Hotel managed by Mrs. Georgia Duffield who, as has been said before, sells *Pi B Phi* with every article. "Miss Georgia" is noteworthy, also for her church and community interest. Our weaving supervisor, Winogene Redding, has contributed to the development of the business, through her wise buying of raw materials, appealing design of the woven articles, and tactful management of her ninety-five weavers. Nor ought to be overlooked the part which those efficient and attractive local girls, Edna and Bess McCarter, and Lura Oweneby, play in building up Arrowcraft. The first year in our new building shows the wisdom of our venture, for this year's sales have set a high level for all time. Beautifully designed, it attracts the eye of all tourists.

A problem which has arisen this year and which holds serious potential difficulty for us, is the revision of the present Wage and Hour Act to include a code for workers weaving in their own homes. All members of the different weaving guilds will be affected by any increase in scale of pay, so, after an investigator of the Labor Department had visited the various shops, they decided to unite in furnishing correct information and statistics, in hope that such a radical increase might not be written into the law as to put them out of business. At the meeting of the Southern Highland Handicraft Guild, our Gene Redding was chosen to represent them in Washington, if need occurs, to appear at hearings there. Of course, there has been a great deal of correspondence on this matter, but all sent out by us has been submitted to the Fraternity's lawyers for their approval. No definite action has been taken as yet by the Wage and Hour Division of the Department of Labor, and we hope that the matter can be adjusted satisfactorily without jeopardizing our Gatlinburg industry.

In the emergency caused by the illness of Mrs. Weaver and her subsequent resignation, the whole staff carried on nobly. It was thought best by the committee to place temporarily in charge of the management of the school, the heads of the three departments: Mrs. Snow of Arrowcraft, Mrs. Chalmers of the health department, and Miss Annette Morse, our house manager and house mother. With Mrs. Snow as chairman, this group of three has had to deal with the problems which arose. In view of the critical situation, it was voted that I should make a special visit in April after Mrs. Weaver left, and give such advice and aid as I

could to help them organize the work. After spending a week there, I left with the comfortable assurance that everyone was doing her best to keep the school running as usual. Later in May we were fortunate enough to have the former Chairman of the Settlement School Committee, Lillian Beck Holton, spend a week there as she returned from the Gamma Province Conference in South Carolina. Her calm judgment and excellent advice was never more valued than in this time of stress at the school. We of the Committee appreciated greatly her taking the time and trouble to make the visit.

There have been changes in our staff other than in replacing the Director. Our competent and versatile bookkeeper, Frances Brown, Missouri T, resigned after three years of able service at the school. She is being replaced temporarily by Miss Alice Kiburtz, but we still have to find a $\Pi B \Phi$ accountant who can fill the position. We have in the past few days voted to put in as Director of the School, Mrs. Elizabeth Comstock Peck, California B, whom we feel is well able to fill the position. Having not only been a business woman, but also a housekeeper and mother, she will doubtless be capable of dealing with the diverse problems which arise at the school. She arrives to take her new position early in June, and we feel sure that her pleasant personality and efficient training will make her a most capable Director.

This year there are also changes on the Settlement School Committee, two of us rounding out our terms of five years. Jeffries Green Pace, who has furnished the interesting material for "News from Little Pigeon," is retiring this year, as am I. We both voice a great sadness at completing our term of office. However, the three members who are going on with the work make a most competent nucleus for the new board. Ethel Hogan Copp, California Gamma, who has been our secretary, will be the new chairman, and being five feet of dynamic energy, she will carry on the school management most successfully. Irene Eldridge, Wisconsin B, continues as treasurer, taking charge of all donations from Pi Phi, checking the work of the bookkeeper at the school, and in short, supervising all the financial affairs of the school. Beth Brainerd Le Roy, Massachusetts A, has been in charge of publicity and the routing of the films this year. We have kept in constant touch with each other by correspondence and sometimes telegraph, discussing the problems which have arisen since our annual meeting last July. As Chairman of the Committee, I made the usual winter visit to the school to see that the recommendations made by the committee were being carried out, and that the budget was being followed. At this time I, of course, had no idea that a second trip would be necessary. In being chairman of a standing committee, I have been delighted to see how efficiently the work of the Fraternity at large is being carried on. Although the contact member of the committee is the Grand President, I have found that all members of Grand Council have taken a great interest in the work of the school.

In the beginning of this report, I spoke of the changes, expansion, and policies in the school. We

have now come to consideration of these latter, present and future. Each year at the Committee meeting we pause to consider seriously how the school is developing, that we may make our actions in the right direction. Not only does the welfare of the community have to be considered, but also the wishes of all Pi Phi. When we are in Gatlinburg, listening to reports and informal discussions by staff and townspeople, it is a far simpler thing to know how they feel than to entertain your thoughts and desires about the school. Pi Phi bring back varying reports, according to the extent of their contacts during their stay. One of them may speed in over the highway, reach a hotel at nightfall, after dinner walk up the Neon-lighted main street to our Arrowcraft shop where she examines the stock with interest and asks some questions about the school and town, then leaves early the next morning. Another, however, comes for a stay of a day or two, in which time she makes a leisurely tour of the whole school plant, takes a hike or horseback trip over the mountain trails into the sparsely settled districts just outside of the Burg, and talks to everyone she meets. Each of these receives different impressions of the life and needs of the community, and their reports conflict. Some of these visitors have questioned the advisability of our continuing our work in the face of the growing sophistication of Gatlinburg, and to these I replied in the May ARROW. Because the needs reached by us have changed in character does not lessen their importance or number—or our responsibility.

The future of the school, like the future of many other things in our changing world, does not stretch clearly before us. The wisdom of curtailment or expansion, of shifts in curriculum, or of changes in policy, has to be reached after much discussion and investigation in committee meeting, and after all, may not prove to be wisdom. In the year intervening between meetings, trends may alter the whole school picture, as they reflect state and national changes. Decisions may be made which are impossible to carry out, or greatly delayed in putting into effect. For instance, it was agreed, in keeping with our desire to let these mountain people assume responsibility as their ability to do so increases, that the community would soon be able to house their elementary school instead of using our building and paying us rent as it has done heretofore. However, we find this will take time, as the process of transference is an involved one, necessitating adoption by the town of a resolution to erect a building, appearance before the legislature in their bi-annual meeting to get permission to float a bond issue, and ability to sell those bonds.

So, in ending this 1941 report, I wish to ask—as all chairmen before me have asked—your continued support of our school, not only financially but in enthusiastic interest and sympathetic understanding. The tributes paid to our philanthropy by outsiders should give us fine assurance as to its lasting value as a memorial to our Founders.

Respectfully submitted,

MARIE B. HAGEE

Be sure to send a contribution to the Holt House.

PI BETA PHI SETTLEMENT SCHOOL - REPORT ON AUDIT OF TREASURER'S ACCOUNTS YEAR ENDED JUNE 30, 1941

August 29, 1941

To the Settlement School Committee,
Pi Beta Phi Fraternity,
Office of Settlement School Treasurer,
Milwaukee, Wisconsin.

DEAR MESDAMES:

We have examined the records maintained by the Treasurer of your Committee for the Pi Beta Phi Settlement School for the fiscal year ended June 30, 1941. With the data drawn from these records we have combined the report prepared by Homer K. Jones and Company, public accountants, from the subsidiary records kept for the School and its Arrowcraft Shop at Gatlinburg, Tennessee, and we submit herewith the resulting attached statements.

In our opinion, the accompanying balance sheet and related statements of income and surplus present fairly the financial position of the Pi Beta Phi Settlement School at June 30, 1941, and the income and expenses for the fiscal year then ended, subject to the extent of our own verification, which as indicated above did not include the Gatlinburg records.

We examined and tested the income from Club and Chapter contributions, which are shown in detail in Schedule 3-a, and from magazine agencies and we found adequate support and authorization for the expenditures made directly by the Treasurer. The cash balances at Milwaukee were verified by us. The endowment securities and cash, except cash in transit, were certified to by the Harris Trust and Savings Bank of Chicago, Trustees for the endowment funds, and this Trustee's report was accepted without further verification except that we checked the accounting made of changes in investments and the income from securities and found it in good order.

COMMENTS

Cash Balances

The cash balances at June 30, 1941, exclusive of cash with the Endowment Trustees or in transit, consisted of the following:

Milwaukee Accounts:

First Wisconsin National Bank— Treasurer's checking account.....	\$17,772.62
First Wisconsin National Bank— Treasurer's savings account.....	1,040.22

Gatlinburg School Accounts:

Sevier County Bank—School check- ing account	116.69
Sevier County Bank—House checking account	138.09
Sevier County Bank—Arts and Crafts account	52.30

Gatlinburg Arrow Craft Accounts:

Sevier County Bank—Checking ac- count	2,660.05
Bank of Sevierville—Savings account	3,018.75
Hamilton National Bank—Savings ac- count	6,133.62

Morris Plan Bank—Savings account.	6,171.01
Petty cash funds at Gatlinburg	55.00

Total \$37,158.35

As indicated above, we verified the balances in Milwaukee accounts while those at Sevierville or Knoxville were verified by Homer K. Jones and Company, according to their report.

Accounts Receivable

The Arrowcraft accounts receivable at June 30, 1941 amounted to \$6,548.23 and were due principally from alumnae clubs. These accounts, which we did not verify, were listed in the report of Homer K. Jones and Company, and were \$2,712.14 less than those at the close of the previous year.

Fixed Assets

Expenditures for additions to buildings, equipment, and landscaping amounted to \$1,980.27 for the year under review. These expenditures are classified in Schedule 2. Depreciation of the buildings and equipment, computed at rates used in the past, totaled \$3,072.46 as shown in the same schedule.

Included in the income for 1940-1941 is a bequest of \$9,250.00 which we are informed by your Treasurer was designated for building purposes and we understand that a building is now under construction which will absorb this amount but no expenditures for this purpose had been recorded prior to the close of the year.

Endowment

The only changes in the endowment principal for the year under review consisted of the three-fourths appropriation from chapter contributions of \$1,404.75 offset to a considerable extent by losses on securities of \$876.96, the fund showing a net increase of \$527.79. The security losses were due to writing off a worthless bond of \$1,000.00, the securities which were redeemed or sold actually yielding a profit of \$123.04.

No amortization of bond premiums is charged against income by the Trustee although the securities on hand cost \$1,788.64 more than par value. These securities are listed in Schedule 1.

Current Income and Expenses

The income of the Settlement School exceeded operating expenses by \$7,017.34 while the Arrowcraft net profit totaled \$14,103.08. The Settlement School income, however, included the bequest of \$9,250.00 for building purposes as pointed out above. On the other hand the expenses included depreciation of \$3,072.46, a large part of which is attributable to operation of the Arrowcraft shops and stores.

The Arrowcraft net income was approximately \$3,300.00 greater than that of the previous year, the sales totaling \$54,545.35 as compared to \$42,951.03 for 1939-1940. The percentage of gross profit on sales was not quite as favorable for the current year as it was for 1939-1940.

An accounting of the net income is presented as follows:

Net income of Settlement School (including bequests) \$ 7,017.34
 Net income of Arrowcraft 14,103.08

Depreciation .. \$3,072.46
 Expenditures for fixed assets . 1,980.27 1,092.19 3,959.86

Total to account for \$21,120.42

Net increase in operating assets... \$19,715.67
 Funds transferred to endowment 1,404.75

Total as above \$21,120.42

Accounted for as follows:
 Increase in cash balances \$22,280.36
 Increase in Arrowcraft inventories 1,107.77
 Decrease in liabilities 287.40
 \$23,675.53

As indicated in Exhibits "C" and "C-1" the Settlement School operating account includes the income and expenses of the Arts and Crafts department as well as the income and expenses of the farm, both of which were operated at a deficit.

The Treasurer's records are in good order and, as mentioned above, her receipts and disbursements were properly accounted for.

Less:
 Decrease in accounts receivable \$2,712.14
 Decrease in livestock inventory 135.00
 Decrease in prepaid insurance 20.53
 Decrease in book value of fixed assets:

Respectfully submitted,
 REILLY, PENNER AND BENTON
 Certified Public Accountants

ARROWCRAFT REPORT

THE new shop and its surroundings grow prettier as time goes on. The driveway has been changed to the side of the house with parking space toward the rear. This gives a solid expanse of lawn in front. Native shrubs surround it. One of the Park men helped us with the landscaping. The little rustic bridge at the side has been moved up the creek a few feet so that the school children do not cross the corner there. With a few more additions on the interior it should be complete. Hardly a customer fails to exclaim over its beauty.

Taking it month by month through the year business has been consistently better. The amount of returns remained about the same but they were sent back earlier in the year as a whole. One particular club so far out-distanced all the rest this year they should be mentioned in this report. Berkeley up to June 1 has sold \$1,911.80 with the month of June to bring it up to two thousand. The next highest sales record was the New York Club with \$970.94. Dallas was a close third.

To spoil that picture there is over \$5,800 outstanding on our books against clubs. This represents unsold goods or failure to send in money promptly. I am still in hopes the month of June will clear up a great deal of that as our books go

to an auditor the first day of July.

The Fall Guild meeting was just over the mountain at the Cherokee Indian Reservation in North Carolina. The spring meeting was in Knoxville as usual, followed by a meeting of Southern Highlanders Inc. at Norris in the afternoon. The Southeastern Arts Association was meeting in Knoxville at the same time. A great number of our things were in their display. Besides attending those three meetings I have visited the John C. Campbell Folk School this past year.

The Guild Shop in Asheville has done so well through the years that it was decided to use part of the small surplus to start another shop in the Shenandoah National Park. Arrowcraft, as a member, will have that as another market. We have already had several re-orders but it is too early to know if they will be able to sell as much as All-stand has for us. In making out a recent report I find that one third is sold as cash sales to the passing tourists, one sixth wholesale to other shops through the country, and one half by our own alumnae clubs and active chapters. That is a grand record to have kept through the years.

Respectfully submitted,

ETHEL WEAVER SNOW

SCHOOL REPORT

DURING these last weeks of school Mrs. Weaver has been sorely missed. Perhaps I can give you a brief outline of some of the things that have happened.

The grade school was out the latter part of April and the following teachers have been elected for next school year. Mr. Pern Price of Gatlinburg will remain as Principal. Pauline Sharp, Eleanor Brabson, and Veryl Elder will return from the County. Doris Hatch, Illinois A and Flora Belle De Witt, Colorado B, will also return to us in the Fall. Due to the marriage of Ruth Parker and the resignation of Pauline Morris there will be two new Pi Phis to take their places, Mary Hayward, Arizona A, and Sue Viering, Illinois A.

Mr. King, who has been Superintendent for ten years, tendered his resignation. Mr. Fleming will take his place. Cleo Nelson, North Dakota A, has also resigned. Miriam Moore, Kansas B, will be

the Pi Phi to take her place. The new County teacher on the High School staff is to be Margaret Burchfield of Sevierville. She is graduating with high honors from the University of Tennessee and will go on to summer school to finish her Library training so that she may have charge of the School Library along with her other work.

The County board allowed us enough money for one other high school teacher this coming year. It has to be some one who can teach chemistry and I am still hoping some outstanding Pi Phi will offer her services. There is also a position open to a Pi Phi who knows double entry bookkeeping. Mrs. Elizabeth Peck, California B, comes to us very soon as the new Director. The rest of the school staff remains the same. Their reports will speak for themselves.

Respectfully submitted,

ETHEL WEAVER SNOW

Convention, June 21-27, 1942, New Ocean House, Swampscott, Mass.

WEAVING DEPARTMENT 1940-41

Now that the Arrowcraft fiscal year for 1941 is about to pass into history, we can say that we have produced more weaving during this than in any previous year. We have had a total of 97 women weaving for us which is not our highest record but they have earned more during the year than any other group. This year in the eleven months ending May 1941 they have earned \$12,636.35. In the same period a year ago they had earned \$10,114.27 or a gain of \$2,522.08. In December 1940 we reached an all-time high for one month when we paid the weavers \$3,196.68. The weavers have shown their same loyalty and cooperation throughout the year that they always do.

The play "Store Britches," the most ambitious undertaking the Weaver's Guild has ever attempted, was a decided success. The two casts gave 17 performances during the summer tourist season. The play was enthusiastically received by those who saw it. The proceeds of the final performance were given to the Gatlinburg Public Library and they also gave \$25.00 to the Red Cross. Five weavers have borrowed from the fund to get glasses, one to pipe water into her house, and one to pay for an x-ray of her husband's stomach.

They are planning to give the play again as a tourist attraction during July and August with the idea in mind of making it an annual affair whose chief value would be to keep alive in an authentic way a bit of the fast-disappearing type of mountain family life. This year the play will be under the complete direction of Mrs. Phillip Maxwell.

The greatest and most serious development as far as our weaving is concerned during the year is the effect that the application of the Fair Labor Standards Act may have. The Southern Highland Handicraft Guild has been carrying on negotiations with the U. S. Department of Labor since last March. As this will affect not only Arrowcraft but all handicraft organizations of the country equally, the Directors of the Guild thought that there is strength in unity and that we would get further with the negotiations to have the Guild members represented as a whole rather than individually.

It is on this basis that Arrowcraft has been participating. All reports and correspondence that we sent to Washington have been submitted to Miss Onken or Mrs. Hagee first for approval.

At the request of the Guild last March, as they were anticipating the investigation from Washington anyway, the Hearings Branch of the U. S. Department of Labor sent one of their staff members to the annual meeting of the Guild in Knoxville. She stayed in the region three weeks making

an extensive study of the work and set-up of the important centers in which Guild members were located. She stayed four days in Gatlinburg and visited not only Arrowcraft but the other shops as well, as they would have to comply with the law if they are in Interstate Commerce. This would automatically eliminate the price competition with which we have always been faced locally.

Because hand-loom weaving would be the most difficult handicraft to readjust, a committee representing the important weaving members of the Guild was appointed with myself as chairman, to make an exhaustive study of weaving that is done in the homes and paid by the piece. This study included not only the producing but the marketing of weaving. The committee met in Gatlinburg on April 18 with seven weaving centers represented.

The report of their findings has not yet been sent to the Department of Labor as they are still working on some of the questions that were sent to them by the Department of Labor to be studied. At the present time nothing definite has been decided and the issue is still in the hands of the President of the Guild and the Department of Labor.

The future selling prices of weaving are hard to predict with the uncertainty that is attached both to the advancing of the prices for materials and the probable application to handicrafts of the Wage and Hour Act.

I have tried to safeguard as much as possible against the continuous advance in the price of materials by buying in quantity supplies of wool and linen before the rise took place. This is only a temporary advantage for as long as the war lasts, prices will continue to change. Wool has gone up recently and linen has already advanced over 100% with the supply uncertain. We have on hand enough staple linen to last us 8 to 12 more months and wool to last 6 to 8 months at our present rate of production with but few additional purchases. Cotton prices have not advanced materially as yet.

This will necessarily mean increasing our selling prices on many of the woven articles and the cautious weaving of all our linens. It would help our weaving program tremendously this fall if the Clubs would not over-estimate the linens they will need for their sales and order on the hand-to-mouth plan. Everything that we do not have to weave will conserve our supply of materials that cannot be replaced at the prices we paid for them. I hesitate to overstock in face of the uncertain times ahead.

Respectfully submitted,
WINOGENE B. REDDING

PRINCIPAL'S ANNUAL REPORT, 1940-41

THE 1940-41 school year opened on Tuesday after Labor Day, with the brightest promise of a very successful school year. The opening day's enrollment was the largest on record for the high school, and both pupils and teachers seemed anxious to get down to work.

The teaching staff was composed of: William King, principal, History and Social Science; Ben Fleming, Mathematics, Science, and Coach; Cleo

Nelson, English and Librarian; William Coe, Vocational Agriculture; Charlotte Herman, Vocational Home Economics; and William Oakes, Vocational Handicrafts. Miss Nelson and Miss Herman, the new members of the staff, while lacking in experience, worked hard at the job and the high school ran along as smoothly as could be expected.

The large enrollment made a longer school day

necessary as more classes had to be taught by the same teaching force. The school day was lengthened from six to eight periods, and the length of the periods changed from sixty to forty-five minutes.

A new course in Biology was introduced for the sophomore class and Sociology was added for the seniors. The course of study this year consisted of: English, four units; Science, three units; History, and Social Science, four units; Mathematics, three units; Vocational Agriculture, three units; Vocational Home Economics, three units, and Handicrafts, one unit; a total of twenty-one classes daily.

The high school enrollment showed a considerable increase of the preceding year. This rate of increase will probably continue for two more years and then will level off, unless school busses are added to bring students from other communities.

Grade	ENROLLMENT		Total
	Boys	Girls	
9	26	23	49
10	17	18	35
11	15	18	33
12	10	11	21
Total	68	70	138

Average daily attendance for 1940-41 113.9

ACTIVITIES: The high school basketball team although riddled by measles during most of the season, enjoyed one of the most successful seasons in recent years. They won thirteen games and lost

one during the regular playing season, and went to the semi-finals in the district tournament. Fourteen players were awarded letters at the close of the season. The Settlement School staff put on the play "Who's Crazy Now" to a large and appreciative audience. The purpose of the play was to raise money for a moving picture machine for the school. The junior class presented a play in the fall and the senior class gave two plays to raise money for their trip to Washington.

The trip of the senior class to the nation's capital, was one of the high lights of the school year for the seniors. They worked all year to make the necessary money for transportation. They had a five day trip, going to Washington by way of Natural Bridge and the Skyline Drive. They spent two days sightseeing in Washington and returned home by way of Yorktown, Norfolk, and Virginia Beach.

The various clubs of the school had a very active year. The Home Economics club and the FFA furnished much of the social life of the school. The glee club under the direction of Mrs. Chalmers and Miss Nelson furnished the music for commencement.

Dr. Stewart W. McClelland, President of Lincoln Memorial University, delivered the commencement address, and Rev. W. D. Wilkinson preached the Baccalaureate sermon. Twenty seniors received their diplomas.

Respectfully submitted,
WILLIAM KING, *Principal*

JENNIE NICOL MEMORIAL HEALTH CENTER

TWENTY years ago, the Jennie Nicol Memorial Health Center moved into the little white cottage that had been the home of the Andrew Ogle family. Through the years of service and friendly understanding, the few cases of the beginning years have grown to hundreds. Methods change as need arises, but the pioneers builded well, and the policies have changed but little.

One of the most important phases of the work of the Health Center, is the care of the maternity cases. Twenty-six mothers were on the records for the year, most of whom were under the supervision of some doctor. Advice on diet and exercise, lists and articles for layettes, preparation for home delivery or for hospitalization were given. Regular check of weight and general condition were kept as often as possible.

Some of the new babies had regular nursing care for a few days, and some—as well as older babies—had formulas or diets regulated as necessary. Many of them have been in for the Friday afternoon clinics many times. One premature baby was fed with a medicine dropper for several days, until she was strong enough to nurse, and kept in a warmed basket in lieu of an incubator. One baby developed pneumonia, with supplementary infection, and lived but twenty-four hours, in spite of every treatment that could be suggested by the specialists in Knoxville. An oxygen tank was even borrowed from a service station and an inhalation mask devised from a paper sack, all to no avail.

Henry, aged two and a half, and nearly blind from an attack of meningitis the year previous,

had an eye examination by Dr. Robert Leech of Knoxville. The child seems to do little more than distinguish light from darkness, and there seems little hope of any improvement. Probably at some later date, he may be placed in some school for some sort of training.

Little red-headed Marjorie, whose left foot was straightened by Dr. Bagwell, is walking freely. Six months old Margaret has both tiny legs in casts for club foot correction. She is a patient of the Crippled Children's Clinic, and reports there on alternate Fridays for observation, change of cast or treatment. The Crippled Children's work is done under the auspices of the Sevier County Post of the American Legion, and by state funds.

School inspections were held at intervals during the year at Gatlinburg, and at the six rural schools. Inoculations for typhoid, diphtheria, and small pox were made as necessary in each place. Talks pertaining to health were made in class rooms and in other meetings. The general health of the school children seems to be improving year by year. Fewer are underweight, due to supervised lunches, and increased knowledge of both parents and children.

The Sevierville Lions Club has bought glasses for several children of the district, and $\Sigma \Phi \Gamma$ sorority aids in the correction of defects. A number of children had tonsils removed, a few had appendectomies, and many visited the dentist. There were innumerable dressings, a few fractures, and many sprains. But the high light of the school health program is the lessening of the old enemy, impetigo. Better living conditions, more balanced

diet, and persistence of treatment, are undoubtedly responsible.

Community nursing consists mostly of emergency or special treatment. Post-operative dressings, massage, hypodermics, irrigations, and instruction in home nursing. Several were taken to Cancer or Tuberculosis Clinics, and for X-rays. Three doctors in Sevierville have infirmaries, and rapid ambulance service has made it possible to transport patients quickly and safely.

The Loan Closet continues to be of great service. Crutches, rubber sheeting, bed pans, hot water bottles, and ice caps are borrowed in case of need, and returned for the use of others. Night clothing for children and adults, and baby things are used again and again.

As always, we are grateful for the cooperation met on every side, from the doctors who so freely give advice and aid, the members of the staff, and of the Fraternity. Above all, we are grateful for the friendship and appreciation of the people of the community.

The work of the Health Center seems to go beyond mere physical needs. Worry and unhappiness are as tangible as disease, and a tonic for the

system no more necessary than a tonic for morale. It is our sincere hope that the Health Center may continue to stand for those things, whatever they may be, that will make life happier and more healthful for our people.

Following is the summary of the work of the past year, in comparison with that of the preceding period.

<i>Class of Work</i>	1940-41	1939-40
Field visits	2,187	1,922
Office calls	2,283	2,349
Surgical dressings	2,002	2,106
Pupil inspections	2,165	2,140
Health talks	69	78
Diphtheria immunization	53	67
Schick tests	49	78
Small pox vaccinations	125	170
*Total typhoid shots	442	1,261
Completed typhoid series	269	400
Other inoculations	163	302

* New state ruling makes it possible to give but one Typhoid inoculation on alternate years after the initial series of three.

MARJORIE CHALMERS, R.N.

ELEMENTARY SCHOOL

THE II B Φ Elementary School opened on September 3, 1940 with the following teachers: Eleanor Brabson, primer; Doris Hatch, first grade; Ruth Parker, second grade; Veryl Elder, third grade; Pauline Morris, fourth grade; Pauline Sharp, fifth grade; Flora Belle DeWitt, sixth and seventh grades; C. Pern Price, eighth grade.

For the seventh consecutive year the II B Φ Elementary School has won the cup in the Blue Ribbon contest for the larger schools. This is quite a distinction as no other school in the county, large or small, can equal this record.

For the second year the elementary school has been given a rating of 100% in the sanitation program. We are one of the twelve schools in the county to make this record.

A number of books for our library were given to us by friends from Muncie, Indiana. Most all

the books were fiction.

On April 8, 1941, the faculty of the high school and elementary school gave a play, "Who's Crazy Now." In addition to the faculty Mrs. Snow and Miss Redding took part. The purpose of this play was to take the proceeds and apply on a 16 mm. motion picture machine for use of the school.

The enrollment for 1940-41 was 285. The average daily attendance was 225. Inattendance, "flu" and other reasons kept this lower than it should have been.

The elementary school had its first football team. Out of five games played they did not lose a game and had their goal line crossed only twice during the season.

The largest eighth grade class to finish school in the elementary department finished this year.

C. PERN PRICE

HANDICRAFTS

FOR my report I am giving you an exact list of the articles that were made by the high school group for the past year. There were fourteen in this group that finished this year. Five were seniors and nine juniors. There were five of this group who took other classes during this class period. Some few of them came in the afternoons to make some of this time up. I never had the entire group in the shop at the same time. I could not give the organized work that I should have given, because of this. There were some few that became quite skilled. If they could go on with this work, they could accomplish something. As it is

they can't take another year because they have had two vocational credits and can have only four to graduate. This course gives two.

All of the equipment is in first class order. There have been only a few tools lost. A handsaw, hammer, and a pair of side cutting pliers disappeared while the plumbers were here.

Every member of the group this year made an article for the school, to be left here.

Many thanks for the job and the many favors,

Sincerely,

WILLIAM O. OAKES

HOME ECONOMICS DEPARTMENT

FORTY-SEVEN girls were enrolled in Home Economics—the largest number in the history of the Settlement School. Of this group, twenty-

five were freshmen, ten were sophomores, and twelve were juniors. The seniors were unable to take Home Economics as an elective because it

conflicted with their required courses.

In the freshman class, the most popular units were those in clothing construction. The girls made simple blouses, skirts, and aprons in the fall to learn how to use the sewing machine and how to follow a commercial pattern. Some of the girls had sewed considerably at home so each girl chose a clothing problem according to her own skill level so that she could learn something new in her class project. At the end of the six weeks' unit in sewing, the class judged the dresses, and on this basis, two achievement awards were made. The awards were pins given by a commercial pattern company. The girls were very proud of their prizes.

During the first semester, we also studied personal grooming, etiquette, and breakfast preparation and service. In October, the freshmen gave an afternoon tea for their mothers and the school staff. This was the climax of their study of manners, introductions, and the art of being a hostess. During the foods units the girls were divided into families for the purpose of working together in planning and preparing the food. Each family served a breakfast in early December, inviting one of the elementary school teachers as guest.

In the second semester the freshmen studied child care and development, using their own brothers and sisters at home for observation; preparation and serving of luncheons; school lunches; and food for outdoor hikes and picnics.

The sophomore class seemed to be most interested in the foods units. In our first unit—food preservation, we canned tomatoes, and apple sauce, and made orange marmalade and apple jelly. As a result of this study, two of the girls made jelly for home projects. Awards similar to those the freshmen received were given the sophomores on the completion of their fall wool dresses.

The weaving for the sophomores worked out very well this year because there was an even number of girls in the class so that each pair could work on one loom. Three of our six weeks were spent in making the warps and in setting up the looms for weaving. Each girl then wove a sampler, a towel, and a pillow top. While half the girls were weaving, the others were sewing on baby garments for the American Red Cross.

Other units that the sophomores studied included: elements of nutrition, personal grooming, and luncheon preparation and service.

The juniors were especially interested in individual development, so our year's work was planned along that line. The first semester they studied personality improvement, personal grooming, clothing budgets and wardrobes, and clothing construction. Two of the girls made wool suits, several made afternoon dresses, and the others made wool school dresses. One week was spent in the study of vocations for girls. Nursing, office work, and elementary school teaching were especially interesting to the class. The second semester the juniors took up special party cookery, food and health, textiles, clothing construction, and outdoor cookery.

At Christmas time, the sophomores planned the menu, decorated, and served the annual dinner for the faculty. The juniors were in charge of food preparation. This spring the juniors planned and prepared the food for the F.F.A. boys and their parents, and the freshmen and sophomores decorated and served. Ninety guests were served in the general science laboratory.

Four girls went to the Open House at the University of Tennessee. One junior modelled a two-piece wool dress and a sophomore modelled a spring skirt and jerkin. In March, the juniors took a field trip to Knoxville to visit the furniture stores, after studying about the different types of furnishings suitable for their own homes.

Each girl completed three home projects, in addition to her class work. Sewing seemed to be the most popular type of project. Among the projects were: quilts, baby and children's clothes, curtains, pillow cases, slip covers for chairs, and all types of clothes for the girls themselves. Some of the food projects were: baking; preparation of breakfasts, luncheons, and suppers; and a study of pastries.

The Home Economics Club had fifty-five members this year. Bi-weekly meetings were held, with programs planned by the girls at each meeting.

From November through March, the Home Economics teacher and the Agriculture teacher conducted a joint class for adult men and women at the Laurel Grove School in Wear's Valley. The classes met an hour and a half every two weeks. Among the topics discussed for women were: home gardens, menu planning, food and health, and canning.

Respectfully submitted,
CHARLOTTE HERMAN

DORMITORIES, 1940-41

THE year of 1940-41 has been a very busy one. As in any household, looking back, it is hard to say what has been accomplished.

The culinary department has been taken care of by Belle Lowe and Mrs. Lurie Hurst, and the necessary upkeep such as mending, new curtains, helping the boys and girls, has fallen to me.

Two of our girls left us in April to ride the bus to school, but I replaced them by another.

I have bought five unfinished dressers for the girls' dormitory and finished them, and had the floor in the dining room sanded and waxed, and with Mrs. Hagee's assistance bought a linoleum rug for "Miss Georgie's" room.

I would recommend that the kitchen be painted, and if it is possible that an electric mixer be purchased for the kitchen.

Respectfully submitted,
ANNETTE MORSE

VOCATIONAL AGRICULTURE

ALL DAY CLASSES: This year's enrollment in this group reached a total of fifty-one boys. Three classes were taught in Vocational Agriculture. These classes consisted of twenty-five freshman boys, another class was made up of seventeen sophomores and still another consisted of eight junior and senior boys. This year we had thirty-four of the fifty-one beginning boys to complete the entire school year. The remaining thirty-four boys are at present conducting complete supervised Farming Programs.

EVENING SCHOOL CLASSES: One night school was conducted in the Laurel Grove Community for those men who are established in the business of farming. This adult class I teach at least one night out of each month and this continues throughout the year. This year we had seventeen meetings with a total of fifty-three farmers enrolled. Our course of study is based on the needs of the community. We made surveys to determine what were the farming and living conditions of the Laurel Grove Community. After spending one class meeting in a discussion of our data, the farmers came to the conclusion that their greatest problem was low income. Farmers were then led to set up objectives which would increase their farm income. They were:

1. To increase soil fertility through
 - (a) liming
 - (b) phosphating
 - (c) rotating crops
 - (d) growing winter cover crops
2. To provide livestock of good type to consume all feed produced on the farm.
3. To produce the home food supply on the farm as nearly as possible.
4. To improve the farm home and its surroundings through
 - (a) providing electric lights and running water in the home.
 - (b) repairing the farm home.
 - (c) improving the home grounds.

PART-TIME CLASSES: This year one class was taught to a group of out-of-school boys at Camp Morgan, the CCC camp which is located five miles away from the school. I met with this group of thirty-two boys one night each week to study problems pertaining to farming. These boys as a group have three projects on the camp grounds:

1. Poultry
2. Bees
3. Rabbits

On January 1 of this year, there came aid through the Sevier County Board of Education to provide National Defense Training for out-of-school rural and urban youth. The supervision of these classes became the job of the Vocational Agriculture Teachers throughout the State. Our School provided two of these classes to this group. One of these was taught by Mr. Walter Cardwell in woodworking, in which twenty-five boys were enrolled. The other class is now being taught at Pigeon Forge Elementary School House by Mr. Fred Cooper. This course is in elementary electricity, in which twenty students are enrolled. It is hoped that these boys will be better able to do the necessary jobs in preparation for war or in time of war. We have an improved Farm Shop

as a result of this training. We now have \$264.00 worth of additional equipment for our farm shop. We think this equipment will become the property of Sevier County Board of Education and this will be left with the Agricultural Department of our School.

THE FFA CHAPTER: The Future Farmers of America chapter has completed a most successful year. We have taken part in the following outside activities of the School:

1. Showing Dairy Cattle at the County Fair.
2. Exhibiting Farm products, farmshop work, and poultry at the County Fair and at the Tennessee Agricultural and Industrial Fair at Knoxville.
3. Sponsored FFA and Home Economics socials.
4. Livestock and Dairy cattle judging contest at the University of Tennessee in which sixty-eight high school chapters of FFA competed. (Pi Phi won third place in Livestock and Roy McCarter, a senior FFA boy, was high point contestant of the whole contest in which 209 boys entered.)
5. Sponsored Third Annual Parent and Son Banquet. (FFA boys invited their mothers and fathers. Eighty-seven parents and guests attended.)
6. Public Speaking contest at University. (Roy Ogle, a senior FFA boy, placed second in the 5th district which had 14 chapters competing.)
7. FFA Baseball and Basketball teams.
8. Presentation of the FFA cup to best All-around high school girl.
9. Two boys continue to produce Hybrid corn for seed. Last year one boy sold \$224.00 worth of seed corn harvested from one acre.
10. Four town boys who are taking agriculture have rented land from the airport and have what appears to be successful Home Gardens. Some of these boys have in addition, Home Improvement, and twenty-five to fifty chicks for broilers.
11. CAMP CLEMENTS—Five boys and I attended the Tennessee FFA camp for one week last summer. (Pi Phi won the athletic award for that week's activities.)
12. FFA field day, the last Saturday in April, found us competing in field meets at Powell Station High School, Knox County, with FFA chapters of the 5th district. The boys did well in the events, but their total points were not enough to surpass the Powell Station FFA.
13. RADIO PROGRAMS. This year the Pi Beta Phi FFA sponsored two programs over WNOX. The first program was presented by four boys who were growing Hybrid corn for seed. The Title of the program was GROWING HYBRID CORN. Our second program was entitled THE AGRICULTURAL CONDITION OF SEVIER COUNTY AND HOW THE VOCATIONAL AGRICULTURE AT PI BETA PHI PLAYS ITS PART. This program was given by four senior FFA boys.
14. Tennessee FFA Convention was attended

by five boys and myself in Memphis, Tennessee, April 25 and 26. Our chapter was presented with the camp award, mentioned as a third place winner of the Livestock Judging contest and also that Roy McCarter from $\Pi B \Phi$ had made the highest number of points of any boy in the East Tennessee Livestock judging contest. Dot Fox, a junior, and also a Hybrid Corn Grower, was awarded the degree of the Tennessee State planter. Dot plans to try to become an American farmer within the next two years. The fifth district of FFA offered three money awards to the best supervised farming program conducted by a boy last year. Dot won the second prize and the first prize went to a University of Tennessee Freshman boy of the college of agriculture.

THE SCHOOL FARM: This year we had eight boys in the Dormitory who did the work on the farm and janitor work in the school houses. Six of these boys took Vocational Agriculture. They were given charge of certain enterprises in which they were responsible in their work. This causes the boy to take more interest in his work and thus a better job is done. Last fall our Jerseys, poultry, hogs, and farm products placed well at our County Fair. We had the Grand Champion animal of the Jersey Show.

This year we have 140 white Leghorn hens in

our laying flock. 100 white Leghorn sexed baby chicks were bought for replacements in the laying flock next fall. 800 baby chicks were bought and fed to broiler weight for Dining hall and to sell to the hotel. Mountain View Hotel uses all of our extra broilers which we produce and gives us a good price for them.

Two modern brooder houses were constructed on the farm by agriculture boys as a part of their training in Agriculture. A water line was laid from the Boys' Dormitory to the incubator house. This makes it possible for us to provide ample water for livestock at the barn without having to carry it.

As to the financial standing of the farm I present the following:

Month	Sold to Kitchen	Farm Expense	Farm Receipts
July	\$ 229.09	\$ 6.95	\$ 37.93
August	194.36	412.25	4.00
September	145.69	80.71	2.00
October	205.49	152.68	23.35
November	145.25	273.76	36.16
December	141.01	254.62	19.00
January	157.52	3.88	64.48
February	150.05	273.92	72.10
March	264.51	90.22
April	256.69	153.81	27.63
May	175.20	336.78	247.62
Total	\$2,044.86	\$2,052.45	\$534.27
Sold to kitchen plus cash income			\$2,579.13
Total income less expenses			526.68

Committee Reports

REPORT OF COMMITTEE ON EXTENSION

MOST interesting to all Pi Beta Phis, no doubt, in the news concerning extension, will be of the colonizing group which has been organized at DePauw University under the name of $\Pi \Phi E$. This is an unusually fine group of girls which has already established itself on the DePauw campus, and is being sponsored by a committee of alumnae from Indianapolis, enthusiastic Pi Phis from Greencastle and representatives of the four Indiana chapters. $\Pi \Phi E$ will be permitted to petition for a charter at the 1942 Convention.

Considerable interest has been shown by local groups this past year, particularly from the north-eastern section. All inquiries have been met with cordial response from the committee, though in some cases it seems the institutions are not ready for our extension, or the local groups themselves are not ready.

Inquiries have come from ΦZ Sorority at Massachusetts State College; $\Gamma \Sigma$ Sorority, University of Connecticut; $\Phi K X$, Culver-Stockton College at Canton, Missouri; ΘN , Queens College, Flushing, New York; and a group at Kent State University, Kent, Ohio.

The Fraternity has been in touch with a local group at Storrs, the University of Connecticut, for quite sometime. This year another group from the same institution has inquired regarding our policies, but, as is the fraternity custom, the other group has first consideration.

The committee has been ever mindful of any-

thing new which might happen of interest in the groups whom we have contacted previously, with nothing, however, developing in any of them.

The chairman of this committee attempted the idea of a "round robin letter" with members of the committee, but must report that "the bird" was halted in some spots—probably liked the climate better than the northwest—so that I cannot report it a complete success. However, I do wish to express my appreciation for the cooperation these members have given, and to solicit their further interest another year. Sometimes the work of this committee seems a bit futile, there is so much investigating and writing which comes to naught, but it is a very necessary work in the advancement of the fraternity and one which requires both interest and patient perseverance.

To Miss Onken and Mrs. Finger my sincere appreciation is expressed for their never failing assistance and inspiration. May I take this opportunity to also express my confidence in, and my admiration for, the fine work all these Grand Council members are performing so faithfully and unselfishly for the Fraternity. Two years in the capacity of Province President and three years as chairman of this committee, has given me first-hand knowledge of their service. My sincere personal gratitude is expressed to all of them.

Respectfully submitted,

ISLA MCCAIN DONERT

COMMITTEE ON TRANSFERS

RESPONSIBILITY for reporting transfers has been left to the original chapter this year as in the past. All chapter corresponding secretaries were contacted at the beginning of the school year and reminded that they should fill out two introductory transfer blanks for each of their girls who had gone to a new campus and send one to the transfer chairman. Also the request was made that they see that their chapters were cordial to any transfers new on their campus.

Province Presidents asked to cooperate in seeing that all chapters were fulfilling their obligation toward any transfers to their schools and that they had sent the proper forms concerning the girls who had transferred from their chapter. As in the past years the suggestion was made that on campuses where there were several transfers meetings be held once a month by the new girls with the advisory board member in charge of transfers. In order to avoid misunderstandings the transfers were informed by letters early in the fall what they might expect of the new chapters, what the general prac-

tice is regarding affiliation, and what is expected of them in regard to the national organization and the local group.

The number of transfers this year was about the same as last year—seventy girls transferred from thirty-six chapters to thirty-one. Last year there were seventy-five girls who transferred from forty-four chapters. The number of chapters that failed to report dropped from 10 to 8 which is encouraging.

This committee has had many interesting letters from chapters and national officers that show that there is a great deal of cooperation in the fraternity in trying to make Pi Phis feel at home no matter where they happen to be. It wishes to take this opportunity to express its appreciation for those letters and for the suggestions and aid that have come from the Grand President, the Grand Secretary, and the Director of the Central Office.

Respectfully submitted,

SANCHA KILBOURN GARVEY

HOLT HOUSE COMMITTEE

CREATED at the 1940 Convention, the Holt House Committee began its work at a meeting in Monmouth, September 19, 1940. Miss Onken,

representing Grand Council, and Mr. Harry Aldrich, the architect, met with the Committee. Officers of the Committee were chosen, the house was

inspected and detailed plans for restoration were made. Because of advancing building costs, complete restoration was considered advisable.

In October, Miss Onken, Mr. Aldrich and the chairman of the Committee opened sealed bids on the restoration in Galesburg. The contract was awarded Mr. Harry Richey of Monmouth.

It has been the policy of the Committee to keep the house as it was as nearly as possible. Therefore, the restored house has such charming features as the stairway as it was, wide board floors, lower and upper porches at the front, painted metal roof, fireplace in the parlor, and large brick chimneys. And, at the same time, the house has been made usable by adding an upstairs bath, a downstairs half bath and powder room and a large room downstairs for entertaining, made by combining three small rooms.

By autumn, 1941, with restoration complete, the Committee plans to have a resident hostess in the house and the house partially furnished. Some planting is to be done in the fall through the generosity of Mrs. Edwin Stark, Missouri A. of Louisiana, Mo. An interesting gift which will be treasured is a quilt made by Mrs. Libbey, and presented by her for use in the Founders' Room.

All this has been made possible by the ready response and the generosity of the chapters, clubs and individual members. Every member of the Fraternity may be justly proud of Holt House.

The Committee wishes to thank the members of Grand Council and the Province Presidents and Province Vice-Presidents for their help and co-operation.

Respectfully submitted,
LORETTE CHAPMAN TERRELL

COMMITTEE ON SCHOLARSHIP, 1940-41

THE committee takes great pleasure in announcing a consistent rise in scholarship. Two years ago the general average for the Fraternity was 23.61, last year it was 25.69, this year it is 26.21 out of a possible 40.00. Since 26.66 places a chapter in the upper third this year's general average falls just 0.4 of a point short of the upper third.

Forty-one chapters show a gain in scholarship, seventeen of them gaining 12 points or more. Thirty-four show a loss, the rest neither gain nor loss. Four chapters have held first place for the second year, while ten have held first place for the entire year of 1939-1940 and ten others have held first place for one term of 1939-1940. Forty-one chapters were in the upper third on their campuses, only eleven were in the lower third and just one on the bottom. Of the fourteen chapters in the lower third a year ago all but two made a gain of five to thirty-seven points and are steadily improving in scholarship. Six provinces were in the upper third and none were in the lower half. All of this seems to indicate a general interest in scholarship.

The success of the committee is due to the untiring efforts of the scholarship supervisors. They have been continually on the job, writing regularly each month to the chapters and often to the alumnae scholarship advisors. They have aided the chapter scholarship chairmen in every way possible. Some of the suggested methods for improving scholarship were study cards, awards, competitions, charts, graphs, individual conferences, Mothers' teas, date restrictions, and reports on cuts. It is to be regretted that some of these supervisors will be unable to serve again next year.

"Honors" were reported in the December ARROW. It is still difficult to get a complete return on these. Grades are released late in summer and Honors are frequently not announced until after the undergraduates have left school. If these awards go to seniors it is often hard to get the information and pictures in the fall. The national chairman would appreciate very much receiving notification of these awards.

The committee feels that Grand Council's action in awarding the scholarship ring to each chapter has been a real incentive to improved scholarship. A few of these rings have not yet been claimed.

Some of this may be due to a misunderstanding. Except in chapters receiving grades only once a year, the ring is awarded on the year's average ending with the fall term or winter quarter. This should be claimed when grades are released some time in February or March.

The committee wishes to express to Grand Council their gratitude for the inspiration if working with them and to thank all members of the Fraternity who have by their assistance contributed to the improved scholarship.

Respectfully submitted,
MARIE BORRIES

COMMITTEE ON UNDERGRADUATE LOAN FUND

THE Loan Fund has been quite active this year, as shown by report below. There have been no Graduate loans made as yet, possibly because the actives have not become fully aware as yet of this privilege, voted at the Pasadena Convention. The figures on the activities for year 1940-1941 are as follows:

Loans made during 1940-1941\$ 6,018.90
Repayments on Loans\$ 2,287.00

Interest paid on loans\$ 173.48

Contributions:

Active Chapters 650.80
Alumnae Clubs 973.00
Tennessee A Mothers Club 5.00

\$ 1,802.28

Outstanding Loans

Loans past due\$ 3,639.12
Loans due 1941 3,080.00
Loans due 1942 4,530.00
Loans due 1943 4,908.50
Loans due 1944 3,065.40
Loans due 1945 925.00

COMMITTEE ON SOCIAL EXCHANGE

THE Committee on Social Exchange has published three bulletins this year—*Home Coming* in October, *Founders' Day* in April, and *Rushing* in May. In summing up the work for the year, we find that we have 30 chapters with a perfect rating of 10 per cent, six with a grade of 9, eleven making no response and the rest in between. Every Province committee member was asked to send in grades for her chapter and to name the one in her Province most deserving of the Social Exchange Trophy. From this number the chairman picked Nevada A for the following reasons—1. The work was very neat and well organized. 2. It was illustrated. 3. The Chapter Chairman had given a regular outline of all the Rushing Activities, even including the slumber party before initiation and the initiation banquet, the Pledge Dance and a number of other interesting things which had not been required but which in her enthusiasm she had included.

In addition to this award we should like to nominate for the Social Exchange Hall of Fame the following chapters for their perfect record of 10 per cent cooperation.

Massachusetts A	Montana A
Ontario A	Arizona A
Ontario B	Alabama A
Ohio A	New York I
Ohio B	Colorado B
Ohio A	Texas A
Michigan B	Nevada A
Florida A	Tennessee A
Florida B	Illinois B-Δ
Wisconsin A	Illinois E
Wisconsin B	Illinois Z
Wisconsin F	Illinois H
Washington A	Florida F
Washington B	Indiana B
Utah A	Indiana F

For the Outstanding Stunt—Robin Hood and His Merry Men—Louisiana A.

For Songs—Missouri F.

For Number of Unusual, Rushing Parties—Ontario A.

For the Best Founders' Day Material—Utah A.

For the Best Province—Eta—with all but one chapter 10 per cent and that one having a grade

of 9, Zeta second with one chapter not perfect and that one having a grade of 8.

The following changes will be made next year in the dates of collecting and publishing the material. Home Coming and Rushing material will be sent to the Province Supervisors on November 20 instead of November 1 to allow for late Home Coming celebrations. The material on Founders' Day is to be sent on May 10 instead of March 15 to assure the contributions of those chapters who do not plan their celebrations early.

The Bulletins will be published on the following dates: Home Coming on September 20, the one on Founders' Day on March 20 instead of April 1 to give the chapters more time to prepare, the one on Rushing will come out on May 20.

COMMITTEE ON FRATERNITY MUSIC

THE Music Committee can report very little during the year after Convention as our chief work is conducting the song contest. The chairman has taken care of a few individual letters of inquiry from various chapters in regard to sources of songs and other musical matters. The Music

Committee hopes to find a way to get the newest songs into a booklet form to send to all of the chapters as all want to learn the ones that are too new to be in the songbook.

Respectfully submitted,
MARGARET L. KELLENBACH

COMMITTEE ON HOUSE BUILDING AND PLANS

THE Committee on Chapter House Building and Plans has achieved a little of constructive worth this year. It is the plan of the members to compile a questionnaire during the summer months to be sent out in the fall from which definite information may be obtained concerning the status of all $\Pi B \Phi$ chapter houses.

The Committee was gratified to learn that the available fund for these chapters desiring financial aid has been increased by \$20,000.00.

Michigan A is still working on plans for a new house which they hope to begin this summer.

Washington A is building a beautiful Colonial house.

Arizona A has completed an addition to its sleeping porch.

Missouri A asked for suggestions in refinancing its loan and was referred to the Grand Treasurer.

Utah A reports nice progress in meeting the payments on the new house to which they moved last spring.

Texas A has for the second time cleared the debt on its old house which it still owns and is making fine progress in reducing the principal owed on its new house.

The members of this committee are agreed that while it may be necessary for some chapters to improve their living conditions in the next few years that due to the serious world conditions it will be wise not to urge or encourage any additional financial responsibilities at this time. On the other hand they feel that all chapters with financial obligations should make every effort to curtail expense and thus reduce their indebtedness as speedily as possible.

The chairman of this Committee is duly appreciative of all assistance given to her by the members of Grand Council, her fellow committee members and by all the officers of the Fraternity with whom she has had contact.

Respectfully submitted,
DOROTHY HILL THRASHER

COMMITTEE ON PUBLICITY

THE Publicity Committee began its year's work by issuing to all active chapters, alumnae clubs and province supervisors a letter from its chairman, discussing the aims and objects of the Committee. This letter included instructions and detailed information for those members of the fraternity who were not well acquainted with the mechanics of assembling and securing publicity in the newspapers.

It has been the aim of the Committee to further the contacts between the active chapters and the province supervisors; in most cases this plan proved successful, but in other instances the members of the active chapters have been slow to re-

spond to letters from their province supervisors and thus have cut off communication with these alumnae. In the future it is hoped that the Committee will be able to work hand in hand with the chapters and their publicity chairmen as well as with the chairmen of the various alumnae clubs. With a more complete understanding of the various alumnae clubs, with a more complete understanding of publicity and its values, the members of the Fraternity at large will realize the importance of such work, and the prestige of $\Pi B \Phi$ will continue to hold its own with its rivals throughout the country.

Pi Phi's many philanthropies, its Settlement

School, and the individual awards and distinctions of its members should be constantly in the minds of those who wish to help in the publicity field of the fraternity. In this regard, the individual Pi Phi can cast as strong a shadow as the Fraternity as a whole, or an alumnae club or

an active chapter. For this reason, we must write our Pi Phi publicity with care, and govern its influence by intelligent supervision.

Respectfully submitted,
JANE WILSON

COMMITTEE ON CHAPERONS

THE new thing under this year's sun is our Manual. It states the historical facts that we are a committee of One, authorized at the 1929 Convention. Our purpose is defined as two-fold: to emphasize the importance of the position of chaperon and to be a source of contact with chapters, chaperons, and applicants. We are not a placement bureau; we only refer applicants to vacancies; if they and chapters concerned are interested in each other, they continue negotiations.

The year began with sixteen changes of chaperons in our fifty-five chapters maintaining houses; toward Mid-years, there were three more changes—a total much larger than usual. The average age of these new chaperons was forty to fifty; their education varies from high school through college, with music and travel added; only one had previous experience; one is a Pi Phi.

Purdue University, pioneer in Training Schools for chaperons, offers its third season this summer, the previous two having been so satisfactory as

to put the course beyond an "Experiment." Oregon State College experimented last year, was sold on the results, and offers the school again this summer. During the year, several colleges made available to chaperons courses in their particular fields. More and more, fraternities are realizing the importance of the position and are demanding for it a well-trained, accomplished woman. Our Fraternity endorses the movement so wholeheartedly as to pay tuition for any of our chaperons enrolled in such a school.

Such support of us chaperons by the Fraternity is of inestimable value in our work; for it, we are deeply grateful. We honor the organization which has evolved our Bulletin of Relations between Chapter and Chaperon, our definite Rules for Chapter Houses and our Rules for Chaperons, and our *Leaders' Digest*—a link connecting with each other the Standing Committees.

Respectfully submitted,
JESSIE LOCKETT

Reports of Province Presidents

ALPHA PROVINCE EAST PRESIDENT

SOMEHOW each year of province work with its problems and pleasures, its little failures and successes, leaves one eager for the next year to come—eager to see how each chapter will react to its successes and work out its difficulties of this year and accept the challenge therein to turn them into real opportunities for development. This year has been no exception and although we have had our share of problems I feel that generally satisfactory progress has been made.

Visits were made to Maine A in October, Massachusetts A in November, Vermont A and Vermont B in December, and Nova Scotia A in February. We all regretted that we were not privileged to have the inspiration of a visit from a member of Grand Council this year but look forward to it with greater anticipation next year.

Although Vermont B is the only chapter in the province fortunate enough to have a house, Massachusetts A still enjoys the Panhellenic House which it shares with several other fraternities, and Vermont A still has rooms in a business block in Middlebury which it manages to make most attractive. Nova Scotia A this year gave up its room since there is such an increase in demands for rents and rooms of all kinds but the chapter was able to hold its meetings at the Waegwoltic Club through the kindness of one of its members who belongs to the Club. The University of Maine furnishes each women's fraternity with a recreation room in the lovely new girls' dormitory, Estabrooke Hall, in which to hold meetings.

Mrs. Bell is the only Pi Beta Phi chaperon and she certainly is fond of her Pi Phis and they of her. Mrs. Underhill at the Panhellenic House in Boston pays fine tribute to the housekeeping and thoughtfulness of the Pi Phis and Panhellenic is fortunate to have her.

Scholarship in the province has been both encouraging and disappointing. Two of the chapters, Maine A and Vermont A secured first places, and the other three chapters dropped a little. We plan next year to make a very special effort to have all chapters in first place.

Extracurricular activities have been the best they have been during my three years in office, many high honors being shared by all chapters.

On the two campuses which have Mortar Board, Vermont A has one member and Vermont B has two. On two of the other campuses there are similar organizations of which Maine A has three members and Massachusetts A one. Dalhousie University has no similar organization. In scholastic honors Maine A has Φ B K, Φ K Φ , O N, Vermont B has T K A and II F M. In beauty queens Vermont A had Junior Week Queen and

Vermont B Kake Walk Queen and Lilac Day Queen. Vermont B also won the cup for the best float in the Junior Week Peerade. Maine A and Nova Scotia A each had one dormitory president and Vermont B has the presidents of WAA and Student Union. Many other outstanding honors were held by each chapter.

Every campus has a different rushing period and system. Two chapters initiated all pledges. Rushing conditions remain about the same with two of the chapters having quota system to deal with and one with limitation. One chapter does not rush until the second year. Plans for revision of rushing rules were a little more thoroughly discussed this Spring and almost all Panhellenics have made some changes, generally for the better. Panhellenic relations on all but one campus are very satisfactory.

Finances have shown a marked improvement in almost every case, larger balances being shown this June than last year and real progress made with delinquents in those chapters which have had any.

The Amy Burnham Onken Award went to Virginia Jewett of Maine A and the Sophomore Award, presented for the first time to the most constructive sophomore in the province, went to Marjorie Abell of Vermont B.

The province has been proud of its Balfour Cup winner and it has served as an inspiration to the whole province as well as a constant challenge to Vermont A itself.

The Alumnae Advisory Committees have been most helpful. Several of these committees have monthly conferences between each member of the committee and the corresponding chapter officer and these have proven most constructive. In every instance the Chairman of the Committee has been very faithful and I wish to take this further opportunity to thank them.

The Deans of Women have in most cases been very interested and constructive and a few have paid most flattering tribute to our girls.

Fine cooperation has been shown in regular reports and letters and I wish to thank all chapter officers and committee chairmen for their faithfulness in this respect. Province work is made most pleasant by such cooperation from the chapters, from the Alumnae Advisory Committees, from national officers and committee chairmen and especially from Miss Onken. This promptness and willingness at all times leaves me grateful to II B Φ for the opportunity to have so many happy relationships.

Respectfully submitted,
HAZEL SAWYER EVERETT

ALPHA PROVINCE WEST PRESIDENT

IT IS a pleasure to review the activities and achievements of this year that have taken place in Alpha Province West. The year has been an interesting one. All of the chapters, and most

especially the Canadian chapters, have been faced with new problems due to the war and many readjustments have been necessary. Campus activities have been greatly curtailed in the Canadian

Universities and precedence given to war work. The girls have been working at Red Cross, in canteens, and have been taking courses in motor mechanics, nursing and foods and some have even been in women's military training units. The New York chapters have all been engaged in work for the British War Relief, Bundles for Britain, and the Red Cross. There have been benefit teas and the girls have assisted in various campaigns. It is difficult to tell what another year will bring to these chapters, but under any circumstances I am sure that every one will be doing its part.

I visited Ontario A in November, the New York chapters in December, and Ontario B in March. The province was indeed happy and fortunate to have visits from Isabel Clark, the Assistant to the Grand President, in March and April. Everyone reported enthusiastically of the help and inspiration that she gave them.

Rushing throughout the province was most successful this year. The total number of pledges for both formal and informal rushing was 99. There have been 74 initiated into membership.

All of the chapters maintain houses. Ontario A has a three story apartment. The third floor is rented to graduate students and the other two floors are used for chapter quarters. The girls who are active undergraduate members are not permitted to live in, due to university regulations, but luncheons are served daily and at least once a week they have buffet supper there. Ontario B rents a large and comfortable house in a fine residential section of London. All of the New York chapters own their own houses. These houses are large enough to adequately house these three chapters.

It is a pleasure to announce that each chapter in Alpha Province West has had the assistance and interest of a fine advisory committee. Three of the chapters have been "adopted" by alumnae clubs of this province and it is impossible to express the gratitude that these chapters feel for this assistance. I hope soon that every club in this province will be giving assistance to one of the five chapters.

The chaperons have given excellent cooperation and service and in every instance they are women of fine character, sincere purpose and high ideals and influence.

Three of the chapters are on campuses where quota systems are in effect—Ontario A, New York A, and New York F. There is deferred rushing at New York F, Ontario A, and Ontario B.

This province has been unusually active in cam-

pus activities this year and the chapters have reported many fine honors. All five chapters have held offices on editorial staffs of their various campus papers. There have been reported 3 Ball Queens, numerous athletic honors as well as active participation in athletics, class and student administrative offices, presidents of campus clubs, class beauties, leads in dramatic productions, chairmen of various university functions, and winners in song contests.

Scholarship ratings have fluctuated but generally there has been improvement shown. New York A has come up one place in scholarship this past year. One girl in every four in the chapter has been elected to a scholarship honorary. In all, there are 19 honorary memberships in the chapter. New York F lost its coveted first place on campus but hopes to win it back this semester. There are 5 on the Dean's List and 3 elected to Kalon (equivalent to Mortar Board). New York A came up from 10th to 3rd on campus. One girl is in Mortar Board, 2 in Raven and Serpent and two in other honoraries. There are no honoraries on campus at Ontario A but two girls have won scholarships and the chapter has some fine scholarship material.

At Ontario B, 7 scholarship awards and prizes were won by members of the chapter. A Pi Phi won the $\Gamma \Phi \beta$ scholarship award on campus, and one senior has the distinction of having a straight "A" average in general arts.

The Amy Burnham Onken Award for this province went to Whitney Smith of New York A.

In the chapters this year there has been special effort made to develop complete and efficient notebooks for the officers and committee chairmen. Also the chapter by-laws have been brought up to date to conform with the suggested outline recently sent out.

In closing may I express my thanks and appreciation to the members of the active chapters, the officers, alumnae advisory members, and chaperons of this province for the splendid cooperation and support that they have given me during this past year. And may I express to the alumnae clubs who have given such valuable assistance to the active chapters my deep appreciation. I am more than grateful to the members of Grand Council for their guidance and ever willing assistance at all times. Their willingness to give so much of their time and thought to the fraternity should be an inspiration to us all.

Respectfully submitted,
CLARA HALL SIPHER

BETA PROVINCE PRESIDENT

THE year 1940-41 has been a good year in Beta Province—not a spectacular one, perhaps, but one of quiet and steady gain. We have continued to stress a better knowledge and fulfillment of fraternity duty and to work for deserved recognition on the campus in service and in scholarship. That which we have been able to achieve has been due to a genuine appreciation for the privilege of the fraternity and to an accompanying sense of individual and chapter responsibility for excellence. It is good to be able to look back and see many things well done and to know that the fraternity

has been truly represented in spirit and achievement.

Beta Province held its second conference in Pittsburgh, April 25 and 26 and this brought into our bounds the Assistant to the Grand President, Mrs. Robert S. Wild, who was a welcome and delightful guest. There were no official visits by Grand Council in the province this year. Chapter visits were planned in some instances to correspond with campus interfraternity meetings, three being visited in the fall and the other three in February. Further contact was maintained through-

out the year by a faithful and loyal chapter correspondence.

Scholarship is an ever present and necessary topic between the chapter and Province President and encouraging progress has been made in almost every instance. We have two chapters who won first place at the end of the first semester—Pennsylvania B and Ohio A; and two pledge groups, Pennsylvania B and Ohio A. An encouraging fact is that pledge groups have made excellent records in almost every chapter for the past two years and in this we have promise of good things to come.

The gains in campus honors have been in the direction most needed, with representation in Φ B K and Mortar Board increased on almost every campus, and, increase in many departmental honoraries where scholastic excellence is required. Beta Province has two May Queens—Margaret Symington of Pennsylvania B and Lorena Caldwell, a pledge of Ohio B. The Honorary Colonel of R.O.T.C. on Ohio University campus has been a Pi Phi for three successive years. Ohio B has the sponsor of Pershing Rifles and West Virginia A, of Scabbard and Blade. Mary Elizabeth Lasher is the first woman editor of the Ohio University *Post*. President Anna Eileen Heckart is the acknowledged "leading lady" of Ohio State campus and the vice-president of Strollers, the dramatic society. Mortar Board and Φ B K have just been established on Bucknell campus this year and Pennsylvania B has had the first president of Mortar Board and two members, and two out of five of the first women members of Φ B K at Bucknell. Pennsylvania Beta has also had the presidency of W.S.G.A. for two years, and Ohio Beta has had the vice presidency for two years, and the campus has appointed Carol Mesenberg as chairman of next year's convention of W.S.G.A. Ohio A has the Executive Secretary of W.S.G.A., the president of W.A.A., the president of Π Δ Θ and of Swimmer's Club. Pennsylvania Γ has two girls in *Who's Who* and three presidencies—Wheel and Chain, W.A.A. and T Δ Π . Pennsylvania B and Ohio A have representation, in a list of campus honoraries and activities, that is worthy of recognition and high commendation.

There have been no changes in housing arrangements in the province and the only special work done in this field this year was the complete redecoration of Pennsylvania Beta's dormitory suite, which is very attractive. All chapters continue to make improvements as they are able, and to present an inviting setting for their living and hospitality. There have been no changes in chaperons this year and, as I write, I am conscious of the debt we owe to the loyal women who supervise the chapter houses and who bring into the chapter life their own special quality of influence.

Beta Province chapters, alumnae, and officers are

grateful for the assistance and guidance of the Deans of Women. Every contact with them has been pleasant and helpful and we are glad that Π B Φ has continued to be a satisfactory member of their student family.

The third group of women whose service touches the lives of our chapters is found in the Alumnae Advisory Committees. It would be difficult to give full credit to them because so much that they do is unheralded but the girls in the chapters and those of us who come into contact with them realize that they form a part of the fraternity's strength that is important and valued. By personal letters and the regulation postal cards they have been more helpful than they realize in giving the Province President the complete picture she needs, to be of greatest service to all concerned.

The Cincinnati Alumnae Club has presented to the province a cup which they wish to have given to the chapter which has made the most distinguished achievement of the year. This award was made at the conference banquet and given to Pennsylvania B. The Amy B. Onken award for 1940-41 goes to Mary Morrill of Ohio B. The pledge to be initiated at conference was chosen upon a similar basis, and was Jean Dyer of Pennsylvania B.

Beta Province has as its chief claim to a tangible evidence of its love for the fraternity its position in first place among active chapters in commissions for the Magazine Agency. The chapters have been 100 per cent in contributing and four out of the first eight are from this province—Pennsylvania B is first; Pennsylvania Γ , fifth; Ohio A, sixth; and Ohio A, seventh. Here we have evidence of hard working chairmen, loyally supported. Other fine contributions to fraternity projects have been made by various chapters through which they must feel that they have a definite share in keeping the throbbing wheels of the fraternity going.

The closing of the year brings to mind happy associations and months of work with active Pi Phi whose loyalty and ability have made the record which we now write. The record is good and contains promise of good things to come. Friendly letters, prompt and good reports, and the thrill of honors won have been happy incentives for the work of the Province President. To these girls and to the fine alumnae of Beta Province I would express my thanks for the many ways in which you have made my work a real joy. And, beyond the bounds of the province, I have turned frequently to Miss Onken and to other members of Grand Council—always certain of receiving considerate help and guidance. It has been a privilege to serve the fraternity and to know it through active participation in its progress.

Respectfully submitted,
LUCILE DOUGLAS CARSON

GAMMA PROVINCE PRESIDENT

THE fine spirit, interest, and ability of chapter officers, the splendid help of Alumnae Advisory Committees, and the loyal cooperation of each chapter member has formed the basis of a fine year's work for Gamma Province.

All chapters enjoyed having a national visitor, Mrs. Wild going to North Carolina A, while Miss Onken proved a wonderful inspiration to the others.

Being a new Province President I found my

fall visits a wonderful help since I learned to know at first hand both the girls and chapter conditions. An interesting event of my South Carolina A visit was the football game between $\Pi B \Phi$ and $\Delta \Delta \Delta$ for the benefit of Bundles for Britain. It was a thrilling moment when $\Pi \Phi$ won by a touch-down and a successful benefit too since they made \$100 for their cause.

The Deans of Women, except for one who said she knew none of the groups on her campus, were unanimous in their praise of cooperation and support from our chapters.

In scholarship we had one first place, two second, one third, two fourth, and one which was unsatisfactory. One chapter raised its grade from seventh to second place. There were 4 elections to $\Phi B K$ and several to other honorary scholastic fraternities. North Carolina A alone had 12 on the Dean's list, two having all A's.

It was indeed a difficult task to choose the winner of the Amy Burnham Onken award. Each girl had a remarkable record and it was interesting that with one exception all candidates had been selected for *Who's Who in American Colleges and Universities*. Virginia Lee Pratt of Virginia A was the winner.

The activities were truly wonderful. Since they appear elsewhere I shall mention only the most outstanding. All chapters had elections to Mortar Board or its equivalent on their campus, with two presidents and two treasurers. Four chapters had Student Government Officers with Virginia I having 6 including the president, of the 9 possible offices. North Carolina A had the president and 2 other officers in the Woman's Association. There were a Senior President, Junior Vice-President and

Secretary while Virginia A had President, Vice-President, and Secretary of the Freshman Class and Maryland A the President and Secretary. There were Y.W.C.A. officers, Chairmen of Orientation, Hall presidents, Editors, Beauty Queens, May Court members, and many others. District of Columbia A was represented in 38 activities and won 7 cups.

Only North Carolina A and Virginia I have houses and both are fortunate in having excellent chaperons. North Carolina A had hoped for a new house of their own and when it was found not to be possible at the present time they have done redecorating and refurnishing.

A Province Conference was held in April at Columbia. Mrs. Holton represented Grand Council. Few alumnae were able to attend but the chapters were well represented and thoroughly enjoyed the delightful conference South Carolina A had planned. The banquet celebrated their 10th anniversary as well as Founders' Day.

All chapters have supported the Settlement School and Magazine agency and several have held Arrowcraft sales.

It has been an inspiration to me to know and work with the girls in these chapters and I am indeed happy to have had the opportunity to know them. I express again to them my grateful appreciation for their cordial attitude, their friendly letters, and their excellent cooperation. The new friends I have made as well as the continued contacts with those with whom I have worked before are a constant source of happiness. Especially am I grateful to Miss Onken for her un-failing assistance and advice.

Respectfully submitted,
NELL ANDERSON SPRUCE

DELTA PROVINCE PRESIDENT

BECAUSE this has been a most successful year for the six active chapters of Delta Province, it is with a great deal of pleasure and satisfaction that I summarize the conditions in the province.

I visited Indiana A, Indiana B, and Indiana I the latter part of the first semester; and Michigan A, Michigan B, and Indiana Δ the first part of the second semester. It was nice to see again those that I had known on previous visits, and to meet new ones.

Conferences with the respective Deans of Women proved to be very interesting. The deans were very complimentary of our chapters; each one mentioned certain active members that were particularly outstanding on the campus.

The housing situation is the same as last year. The house that Michigan A occupies is owned by the college. Indiana A has a suite of rooms in the Women's Residence Hall. Michigan B, Indiana B, Indiana I and Indiana Δ have their own chapter houses. These four houses are beautiful, attractive, and more than adequate; and they are kept in excellent condition.

The chaperons are efficient in their work and seem to be genuinely interested in helping the girls. Mrs. Case, who has been with the Indiana Δ Chapter for the past five years, is the only chaperon who will not return next year.

Michigan A and Indiana B were first in scholar-

ship among the women's fraternities for the first semester this school year. After being first for two semesters, Indiana A just missed being first by a very small fraction. The other three chapters showed improvement.

The chapters are interested in extracurricular activities and have received many social honors. All the members participate in one or more activities and many of the girls hold prominent positions on the campuses.

In spite of the fact that five of the six chapters have some form of the quota system, all the chapters reported a most successful rushing season.

The finances of the chapters are in good condition. All six of the chapters have contributed to the Settlement School, the Loan Fund, and the Holt House Fund. All the chapters have earned some commission for the Settlement School through the sale of magazine subscriptions. This is the first time that my chapters have been 100 per cent in this respect.

The chapters in the province are very fortunate in having active, interested, and efficient Alumnae Advisory Committees. A great deal of the success of the chapters can be attributed to the loyal members of these committees who give so willingly of their time to the development of the chapters.

The Delta Province Conference was held at

Bloomington, Indiana, March 28 and 29. Each chapter had several active members in attendance, including an official delegate. Miss Onken was the official representative of Grand Council. The Amy Burnham Onken Award for Delta Province was presented at the conference to Margaret Lou May, Indiana B, Bloomington, Indiana.

The Indiana Annual Founders' Day Luncheon was held in Indianapolis on Saturday, April 26. Approximately 400 actives and alumnae attended. I had the honor of presenting the scholarship awards. I, also, attended the Indiana Alpha Founders' Day Dinner on Monday, April 28.

I consider it a rare privilege to have worked with six such fine chapters as those in Delta Province. They have been a real inspiration to me. As my third year as Delta Province President draws to a close, I am glad that I have the opportunity to thank all the actives and the alumnae for the many courtesies they extended me and the co-operation they have given me. I, especially, want to thank Miss Onken for her constant help and words of encouragement. I, also, want to thank Marianne Reid Wild and Helen Anderson Lewis for their assistance.

Respectfully submitted,
GERTRUDE DEER OWENS

EPSILON PROVINCE PRESIDENT

TWO years as president of Epsilon Province has given me an increasingly deep sense of Fraternity values. It has been a real pleasure to work with the girls in the province. Both as chapters and individually, their splendid cooperation has been a great help to me during the year, and their many courtesies and acts of thoughtfulness made my visits to them wholly enjoyable. The many ways in which the girls who attended convention benefited, and the way in which they have carried over the inspiration and knowledge thus gained, to their chapters, is most gratifying in each case.

With the installation of Tennessee B early in September, the Province launched what has been a most fruitful year. We are proud of the new addition to our Province and the Kentucky and Tennessee chapters have been happy in the fraternity contacts that the existence of a chapter at Vanderbilt affords them.

Visits were made to the Missouri chapters early in the first semester and to the Tennessee chapters early in the second. Although I spent many happy hours with Kentucky A at other times during the year, I visited the chapter officially for conferences and meetings in March.

We have one more chapter, Tennessee A, to add to our growing numbers of chapters in the province holding the coveted first place in scholarship. Missouri I and Kentucky A are in the veteran class, having held first place for 3 and 6 semesters respectively. Missouri A fell from 3rd to 6th place and Missouri B has reported a record of no failures for the first semester and a rise in rank from 6th to 4th place. The standings have not been given out at Vanderbilt. I feel that the attitude toward scholarship has shown marked improvement and that in each case the standing is representative of the chapter.

Rushing was very successful in all of the chapters and the unusually high percentage of pledges who made their grades for initiation added a great deal to the actual success of the rushing. The new initiates have worked into the chapters well and have contributed much to the success of the year. Four of our chapters now have some form of the quota system.

In extracurricular activities and honors both scholastic and social, the chapters have led their campuses this year. Missouri A has 2 members of Mortar Board, 4 members of freshman commission, 1 $\Sigma E \Sigma$, 1 $\Phi A \Theta$, President of $\Sigma \Phi A$,

President of $\Sigma A I$, the Homecoming Greeter, the Engineers Queen, the Friendship Queen, 2 Savitar Queens and the intramural winners in golf and pistol. Missouri B has 2 Mortar Board members, 1 member of $A A \Delta$, 3 on Freshman Commission, 1 in Ternion (Junior Women's Honorary), the Managing Editor of the school magazine and of the school newspaper, the Associate Editor of the Year Book, the Homecoming Queen, the May Queen and 1 Honorary officer in R.O.T.C. Missouri I has two members of Skiff (local Mortar Board), 2 members of $A M \Omega$, 1 $\Sigma T \Delta$, 1 $\Pi \Gamma M$, 1 member of Freshman Commission, 1 member of the Student Senate, the chairman of the College Social Committee, and 3 out of the 4 Beauty Queens in the Year Book. Tennessee A has two members of Quadrangle (local Mortar Board), 2 in Les Independents, 2 in Tri Beta, 1 in $\Gamma \Sigma E$, 1 in $\Pi \Gamma M$, the Editor of the Annual, 10 members of Co-ed Cotillion, Queen of the Military Ball, the best dressed and the most popular co-eds. Tennessee B has 3 members of the S.C.A. cabinet, President of the honor council, 1 Junior Prom favorite, 2 Senior Prom favorites, 3 members of Athenians, 4 members of Lotus Eaters, the Society Editor of the *Masquerader* and 4 Commodore favorites. Kentucky A won the School Sing and the president's cup for sports for the third consecutive year. They have the President of the Women's league, President of the "Y" Club, President of the Home Economics Club, 3 members of the Pallas Club (local Mortar Board), President of the Art League, the Co-Editor of the *Thoroughbred*, the Mountain Laurel representative, and the *Thoroughbred* Queen.

Each of the six chapters in the province has contributed liberally to the Settlement School, the Loan Fund, and the Holt House. There was an increase of almost 200% in magazine subscriptions over last year. \$27.21 was sent to the Settlement School from this source. The housing conditions in the province remain the same with the addition of the house rented by Tennessee B which houses six of the girls and a chaperon at present. It was selected to be used as rooms before the charter was granted and the scarcity of houses in Nashville necessitated using this house this year. It is directly across from the new dormitory, a very desirable location, and is lovely for entertaining, but other plans will have to be made for next year as more girls will want to live in the house. Missouri A owns a beautiful colonial type

house while Kentucky A and Tennessee A own small houses built to accommodate the chapter for meetings and social functions. Missouri A has a lovely room in the beautiful Women's Building on the Washington University campus and Missouri F rents an attractive apartment across from the Drury campus.

The Deans of Women, without exception, expressed appreciation for the fine cooperation given them by the Pi Phi chapters. They praised both the individual girls and the chapters as groups.

Our Alumnae Advisory Committees are all well organized groups, that in close cooperation and harmony with their chapters, are striving to promote chapter strength and development. I have been most grateful to them for their wholehearted interest in the Fraternity and its aims, and

for their splendid cooperation with me.

I think that the Tennessee A Mothers' Club is deserving of special thanks for their interest in Pi Phi and its philanthropic project as well as in Tennessee A, which was evidenced by their contributions to the Settlement School and Loan Fund.

To Miss Onken whose sincere friendship and wholehearted interest have been of inestimable value, I want to express my gratitude. The contacts with the other members of Grand Council and with other fraternity officers have been both helpful and enjoyable. To Pi Phi I owe my thanks for the pleasure and privilege it has been to serve as Province President.

Respectfully submitted,
HELEN NOLD SIMONS

ZETA PROVINCE PRESIDENT

HOW wise it is to have a time for us all to pause and look back over a period just passed. In the past twelve months, I have come so to look forward to the next letter bringing new honors and recent accomplishments until to pause now I find a little difficult. And yet how much there is to be gained from it, for when I think of my hopes and fears over starting out in this new field of work, of the helpful letters which came from the national officers almost immediately, of the fall visits to be planned and the reaping of great benefits from each visit in the growing consciousness of how beautifully our girls were living up to our Pi Phi ideals, I marvel at the fullness and richness of the year. It has all been a privilege for which I am truly grateful. Starting in this work was made easier for me because of the splendid work of the former Province President, Betty Larzelere Thorpe. Her fine understanding of the chapters and ability to organize did much to strengthen each chapter. To work with an organization whose influence for the good and fine and beautiful is always felt and to be in a position to see the untiring efforts of the national officers and those in Central Office is a constant challenge to respond to the utmost of one's ability.

Visits to the five chapters in this province early during the month of November proved most helpful in developing a better understanding of each group. This was enlarged and strengthened by weekly letters from actives and pledges and monthly letters from chapter presidents which came with welcome regularity. These were supplemented by reports from Chairmen of the various committees, thus giving a full and well rounded picture of chapter life. In every instance, their earnestness of purpose and willingness to cooperate has made working with them a constant joy. Their fine sense of national unity and obligations is the result to a large degree of the fine letters which come to them from our national officers, serving as a constant guide and inspiration to them in their work.

All the chapters reaped the rewards of their summer rushing by most gratifying results on Pledge Day. Alabama A pledged nine fine girls during the year, two of whom made A A Delta. Two out of the ten girls serving on Y.W.C.A. Freshman Commission were Pi Phis. Florida A pledged fourteen girls this year and initiated a

larger group than any other on campus and the pledges' grades were higher than any other pledge group. One of the pledges was chosen the outstanding freshman girl by the Honor and two of them made Phi Beta, an honorary musical organization and one La Franciade. Florida B pledged thirteen, four of whom were tapped for Sophomore Council. Two of them made the Tarpon Club. Florida F pledged eleven, one of whom took the lead in the outstanding college play of the year, while another made a splendid showing in athletics. Georgia A pledged twenty-four and of these two were selected to serve on Freshman Commission, another took first place in the Horse Show and was made President of the Hunt Club, three were made members of the Pioneer Club, the women's literary and debating society, one was elected to Sophomore Council, another to Phi Mu Delta, pre-medical fraternity, and three initiated into A A Delta. All of which goes to prove that they not only pledged the girls they wanted but that they pledged girls who justified the high hopes placed in them. Sixty girls have received their Arrows this year and from the records they have made, give evidence of the fine guidance they have received from their Pledge Supervisors who were five unusually fine girls and deserve a great deal of credit for the time and effort they gave willingly to their responsible position.

Scholarship will always be a problem, for if a chapter is not working to attain first place, they are determinedly striving to keep it and of the two, the latter (I think we would all agree) is the more difficult. Alabama A has been first in Scholarship on Birmingham-Southern campus for the ninth consecutive semester. Florida A regained her first place the first semester of this year. Florida B lost her first place by a tenth of a point. They have worked desperately hard to regain it on the yearly average and should they succeed, they will win the Scholarship Cup permanently for having been first for three successive years. All our hopes and prayers are with them. The other two chapters are certainly scholarship conscious and by following the splendid plans they have mapped out for themselves, they should have a first place to report before so very long.

The part played by all five chapters in extra-curricular activities is one of no small proportions.

They have all reaped their just deserts and are happy in the honors that have come their way. The list is an impressive one and it would be impossible to list all of them but we might get some idea of the place our chapters hold on their respective campuses from the following information. In Zeta Province, there are: three girls in *Who's Who in American Colleges and Universities*, one $\Phi B K$, one $\Phi K \Phi$, three in Key Society with one Vice-President and one Secretary and Treasurer, five in Mortar Board with two President, four in The Honor, one in Mortarfield, one Vice-President of Student Government Council, one 1st Vice-President of College Government Association, one editor and one news editor of College papers, one Secretary of Interfraternity Council, one on Assembly Committee, two on Freshman Commission, one in University Women's Council, one on Sophomore Council, one President of Women's Athletic Association Council, one Chairman of Even Demonstration, one Director and one Stage Manager of Junior Minstrels, two in ΨX with one Secretary and Treasurer, one in $H \Sigma \Phi$, one President of $K \Delta E$, two in $\Pi \Gamma M$, one in $Z \Phi H$, two in $\Pi \Delta \Phi$, one in $O N$, two in $K \Delta H$, two in $\Phi \Gamma M$, one in La Franciade, one Treasurer of $\Theta \Sigma \Phi$, two in $\Phi M \Delta$, two in Esteren and one in Thalian-Blackfriars, one President and one Secretary of Senior Class, one Representative to Senate from Senior Class, one Secretary of Junior Class, one Vice-President of Sophomore Class, two football Sponsors, one leader of Military Ball, one May Queen, four in May Court, four in Cotillion Club and three in Village Vamps, two in Beauty Section of Annual, one outstanding Senior girl selected by Co-Ed governing body of college and two on Varsity Debate Team. Besides these honors, the chapters can be proud of winning a Tennis Trophy, Ping Pong Cup, Volleyball Cup, Intramural Sing Cup, prize for outstanding float in Homecoming Parade, a second place in both Intramural plays and debate contest and second prize for best decorated house for Homecoming, a National Woman's Skeet Champion and State Archery Champion, first place in the Horse Show and Fencing Tournament. In winning these honors and assuming these responsibilities, we feel that Pi Phis in this Province are striving to maintain the enviable place Pi Phis have always held and thereby are serving their college, their fraternity and themselves.

This year the Amy Burnham Onken Award went to Pat Brandt of Florida B. Besides many and varied activities, she was President of the Senior Class, member of Mortar Board, graduated *Cum Laude* and is in *Who's Who*.

The Province Conference was held this year in April in Birmingham, Alabama, and was responsible for bringing to many Pi Phis a larger conception of the Fraternity. A large part of the success of the conference was due to the marvelous work of the Birmingham Alumnae Club and the assistance it had from the active chapter, Alabama A. The General Chairman of the Conference, Mrs. Jack Mills, and Phyllis O'Day have the gratitude of everyone who knows of their untiring efforts to make it a rich experience for us all. Helen Nold Simons, Epsilon Province President, representing a national officer, was the honored guest and brought a fine message to the

Opening Session. We were unfortunate in not having one of our national officers at this time, due either to illness or a call to duty somewhere, inasmuch as the date chosen was an extremely popular one—there being four province conferences held the same week-end. It was generally agreed that the conference meant a great deal to us in inspiration, training and happy memories and for making all of this possible we are forever indebted to the Birmingham alumnae.

It is a pleasure to report that all the chapters in this province have contributed 100% to Holt House, the Settlement School, and the Loan Fund.

The housing situation is the same as last year with two chapters, Florida B and Georgia A having their own houses. Florida Γ seems to have a "house of its own" and is very comfortable in Mayflower Hall, one of the loveliest of the halls owned by the college. Florida A has a very attractive room in the Library Building as do the other sororities on campus. Due to the generous gift of a patroness, they are rejoicing over the prospects of doing some redecorating. Alabama A has a room also. This is true of all sororities at Birmingham-Southern and of the seven rooms available in Stockham Hall, the Pi Phis certainly have the choice location. These girls are very fortunate in having a Mothers' Club to help them with their decorating problems and they have succeeded admirably in making it most attractive and comfortable. The chapters that have houses do a great deal of entertaining and the girls have the reputation of being charming and gracious hostesses. The Florida Betas have been enjoying their Sunday evening buffet suppers, finding them looked forward to as much by those who remained on campus as those returning from week-end trips. The chapters with house mothers are blessed and doubly blessed. "Ma" Ferguson really deserves her "title" and is truly beloved by everyone of her girls. Miss Green, a $\Pi \Phi$ herself, came to Rollins this last year to take the place of Mrs. Wilcox, who has made a lasting impression on every $\Pi \Phi$, having won their sincere admiration and love. Miss Green has succeeded marvelously in making a real home for the Florida Gammas.

The Alumnae Advisory Boards have without exception been active in helping and advising the chapters this year. There is a close fine relationship between the alumnae and actives in each chapter and it is to their credit that they have taken the suggestions of these interested and efficient committees. Their advice has been invaluable.

As well as each chapter has done this past year, they have all laid the foundation for even greater accomplishment next year and it will be interesting to watch them in their progress. But as interesting as the work will be and has been, it would not have been nearly so pleasant had I not received full support whenever I asked for it, whether it be from active, alumna, or national officer. To all of them, I now express my sincere thanks for their help and especially do I want to thank Miss Onken to whom I turned many times in this, my first year.

Respectfully submitted,
MARY HANLEY BROOKS

ETA PROVINCE PRESIDENT

MY SECOND year as Province President has brought satisfaction in the achievements and progress, and hopes for the future of Eta Province. The opportunity for making new friends and the personal contacts with both actives and alumnae has been a great privilege.

It was inspiring to attend the initiation and installation of Wisconsin Γ at Appleton on September 12 and 13, 1940, so beautifully conducted by Miss Onken, and an enjoyable occasion to attend the social functions.

The experience of working with a new chapter in the province has been a great pleasure, especially after visiting the girls last spring as a petitioning group.

Every chapter has been scholarship conscious this year and improvement has been made in some of the chapters. One chapter secured definite grades of their rushees from the high schools or colleges attended previously. Only one chapter dropped in their average, while the others were the same as last year. Wisconsin A raised from ninth place for last year to second the first semester of this year. Illinois H was first on their campus, having been first for six out of the last seven semesters. Only some incompletes, that could not be made up until the second semester, dropped their average to second place the first semester of last year. When these were made up, their average was first but it was not re-averaged in the college office. It is regrettable that Illinois B- Δ lost their first place by .04 the first semester of this year, as their record was first for twelve consecutive semesters. From all reports, I believe that when the averages are published for this second semester, improvement will be shown in several of the chapters.

The Province Conference in Galesburg on April 25 and 26, with the Illinois B- Δ chapter and the Galesburg Alumnae Club as hostesses, provided a chance for the renewal of friendships and the formation of new ones. At least two girls from every active chapter were in attendance.

At the Founders' Day luncheon in Galesburg, the Amy B. Onken Award for Eta Province was presented to Ruth Moffet, Illinois A.

I attended the initiation of three girls at Illinois A on October 5, this was followed by a cooky-shine.

The Fraternity has sustained a great loss in the death of the two last living Founders. Their memories can be honored by an appreciation for the idealism of the Fraternity and what that idealism can mean to each II B Φ . I attended the service and burial of Mrs. Soule in Monmouth on April 5.

It was a treat for those attending the Province Conference to visit the lovely restored Holt House in Monmouth and be guests of the Monmouth Alumnae Club at tea.

My visits to the eight chapters were made in the months of November, December, and January. It has been gratifying that the Deans of Women have had no criticism of the chapters. In every instance, they have praised the co-operation of the girls, their leadership, and mentioned the outstanding members and the high standards of our Fraternity. One Dean asked

what kind of training the officers and chairmen received as they were outstanding in the performance of their duties and did not waste time in carrying on the fraternity work. A comment such as this from a Dean, who is a fraternity woman, makes one grateful to the national officers who have put time and thought into making II B Φ the splendid organization that it is.

An official Grand Council visit was made to Illinois E by Miss Onken.

Pledge supervisors have been most efficient in almost every case and in addition to the required pledge training, fine programs have been planned which have given the pledges additional information about the fraternity.

Rushing was most successful in every chapter and outstanding girls were pledged. Wisconsin A and Illinois A are the only chapters that do not have the quota system. Illinois Z has a fine quota system and the quota was raised at Illinois H last fall, and the quota was raised for next year at Illinois B- Δ . This will help their rushing in a small extent. The other chapters are not suffering greatly by the limitation. One hundred and twenty-seven girls were initiated in the province.

In activities, the chapters have won distinctive honors, in scholarship, in offices, and social activities. With eight chapters, space does not permit naming anything but the scholastic honors. Five Phi Beta Kappas have been reported, with two at Illinois Z, two Omicron Nus, two Phi Upsilon, one $\Phi \Sigma \Sigma$, five Pi Mu Thetas, equivalent to $\Phi \beta \kappa$, one $\Phi \Psi \eta$, one $\Sigma \Theta \mu$ (equivalent to $\Phi \beta \kappa$), two Alpha Lambda Deltas at Illinois Z, one $\Phi \Lambda \Theta$, two Alpha Kappa Deltas at Illinois Z, one $\Theta \Sigma \Phi$. Many are graduating with honors, and many are on the Dean's and President's lists.

All chapters have supported the Settlement School and Loan Fund 100 per cent and all but two have made contributions to Holt House. Illinois E contributed to Holt House, with \$10.00 each in memory of Mrs. Soule and Mrs. Libbey, this was done instead of sending flowers to the funerals. Only one chapter has not sent in subscriptions to the Magazine Agency. Illinois Z and Wisconsin B were second and third in total commissions of all chapters, and Wisconsin Γ , Illinois Z, Wisconsin B fourth, sixth, and seventh, respectively, in commissions per capita for active chapters.

I appreciate the cooperation, assistance and support given me by the alumnae advisory boards. Several have been unusually efficient. The support of the alumnae clubs has been very admirable.

Wisconsin A, Illinois E, and Illinois Z have large beautifully furnished houses. Most of the chapter are town girls at Illinois H, so the house is small but very nice. Wisconsin B has been building a new house, which they had hoped to dedicate before school closed. It is used for parties, meetings and ceremonies. Illinois A has two rooms in the registrar's house, one very nicely furnished, and Wisconsin Γ has two attractive rooms in the Panhellenic house.

There are two new chaperons at Illinois E and Illinois Z, Mrs. Bettinger and Mrs. Cantrell. All

the chaperons are fine, cultured women and they give a homelike atmosphere to the houses.

The chapter officers and committee chairmen have cooperated nicely and have been conscientious about performing their duties. Most of the chapters have had programs at their meetings, which has added to their fraternity knowledge. Officers and chairmen in many cases have most excellent notebooks which are given to their successors in office, explaining the work of the office or committee. "Rushing education" as practiced at Illinois Z was sent to all rushing chairmen

this spring. The notebook of the social chairman at Illinois Z is used as a model for all social chairmen by Dean Leonard at the University.

Two new Mothers' Clubs have been formed at Wisconsin B and Wisconsin F.

I want to express my gratitude and appreciation to the officers and to the members of Grand Council and especially to Miss Onken for their assistance and inspiration. It has been a joy to serve $\Pi B \Phi$.

Respectfully submitted,

MIRIAM E. WILLIAMS

THETA PROVINCE PRESIDENT

HOSPITAL lists of $\Pi B \Phi$ officers in the late summer of 1940 included the name of the Theta Province President, and the reason for her being on the list was also the reason why she could not make chapter visits until after the turn of the year. After the first of February therefore, all seven chapters were visited, and additional trips made to Ames for the Iowa State Day, and to Winnipeg for the North Theta Province Conference.

I must express here my deep gratitude to Isabel Clark for carrying on correspondence with my chapters in my enforced absence, and to the chapters too, for their fine cooperation with her.

Theta Province has been proud to have the Stoolman Vase held by Iowa I these past two years, the first year shared with Montana A, and this past year alone.

The Amy B. Onken Award for the province was won by Jane Shields, Minnesota A. Her record of activities on the Minnesota campus, her invaluable help to her chapter, and her many splendid personal attributes added up to an ideal $\Pi B \Phi$.

Iowa State Day in Ames occupied two delightful days, made so by the cooperation and hard work of the chapter and club in Ames. We were delighted to have Miss Onken present. The joint session of actives and alumnae went on record as being not in favor of limited tenure of office as a policy of the Fraternity. Manitoba A and Winnipeg Alumnae acted as hostesses to the Pi Phis of the three northern chapters of the province. Here again the time was spent in helpful discussion and good Pi Phi fun. The banquet at the Fort Garry was one of the inspirational peaks of my Pi Phi life. Decorations of silver stars and maple leaves carried out the international theme and the active Manitoba Alphas staged a show that was clever and professional. The desire of the Canadian girls to entertain the conference speaks again of their fine and loyal love for their fraternity.

Another visitor who brought much in inspiration to the Iowa chapters of the province this year was Marianne Reid Wild. Her suggestion that the American chapters do something for the Canadian chapter in the Province was responded to enthusiastically by all six chapters in the knitting of six-inch squares for afghans. Three complete afghans were sewed together and presented to Manitoba A by the president of the province at the conference in Winnipeg. Manitoba A greatly appreciated this gift to be passed on to the

Canadian Red Cross and sends her thanks to all the chapters in the province across the border.

Home life of Theta Province chapters goes along as usual, five chapters occupying their beautiful and comfortable houses, the other two being happy though a bit envious, in their apartment home and the Panhellenic house. Improvements in the way of new furnishings and interior refinishing are made each year as needed. Chaperons are the same as last year, with the exception of Mrs. Cruikshank at Iowa Z, who came to the chapter after Christmas this year, replacing Mrs. Brown who left the chapter to be married.

Rushing was highly successful last fall. One hundred and twenty-five girls were pledged, and approximately two-thirds of this number initiated in the spring, a percentage I should like to see raised to nearly one hundred per cent next year. One point to be mentioned, however, is that only half of those uninitiated failed to make their averages, the other reasons being late pledging, leaving school, bad health, etc.

Panhellenic relations have been pleasant throughout the province with three Pi Phis as Panhellenic presidents sometime during the year, and with two as presidents this coming year, Minnesota A and Iowa I.

The many campus activities held by Theta Province chapters have been a source of pride to the province and the Fraternity as a whole. There have been 8 Mortar Boards; presidencies of $\Pi A \Theta$, $N \Delta \Pi$, Y.W.C.A., Z T A, W.S.G.A., W.A.A., $\Phi T O$, and League of Women Voters. *Who's Who in American Colleges and Universities* included four Pi Phis in the province. Musical organizations are supported by fine musicians from the chapters in Theta Province. Publications and dramatics come in for a large share of interest, and we have had 2 Honorary Cadet Colonels, Homecoming Queen, Beauties, and many other honors. Interest in activities is at a high peak with fine participation by pledges reported from every chapter.

All chapters have supported the Settlement School, Holt House and Loan Fund with generous gifts. Iowa A again led the province this year in its list of magazine subscriptions sent in.

Scholastically, the province has been fairly good, with Iowa Z and Iowa B standing first fall semester, and Iowa I missing first place by only .01 of a point, after standing in a high first spring quarter last year.

While I have not considered this a successful

year from my point of view, I have had the best kind of cooperation from my chapters and appreciate it very much. Grand Council has been

most understanding, and Miss Onken, as usual has been my unfailing guide and help.

Respectfully submitted,

GERALDINE MARS RISTINE

IOTA PROVINCE PRESIDENT

AS THE final reports come in from chapters in Iota Province, the thrill of accomplishment is transmitted to its Province President. Every chapter is filling an important place on its respective campus, and is working in such a sincere and earnest manner that it is with a feeling of satisfaction and pride that I review the results.

Kansas B has been the proud possessor of the Philadelphia Cup this year, and the Amy B. Onken Award for this province went to Marianna Kistler of that chapter. Marianna had the highest four year average of any student at Kansas State.

The western chapters were fortunate in having Mrs. Alford with them this year. She was a great source of inspiration to them.

Of the seven chapters in Iota Province, South Dakota A, Kansas B, Colorado A, and Wyoming A hold first place scholastically on their respective campuses. The others are putting forth a sincere effort to improve, and their Deans of Women are complimentary when speaking of their progress. The following have representations in $\Phi B K$: Colorado A three, Colorado B one, and Wyoming A one. Kansas B has two members in $\Phi K \Phi$, and Wyoming A one. Kansas B has the two highest four year averages in school. Since I cannot group the other honoraries, I shall list the numbers on their rolls: South Dakota A four, Nebraska B thirteen, Kansas A three, Kansas B six, Colorado A three, Colorado B seventeen, and Wyoming A eleven. Colorado B and Nebraska B have had several mentioned for superior scholarship.

In extracurricular activities, the chapters are even stronger than in scholarship. Iota Province has more than its share of Mortar Boards; South Dakota A, Nebraska B, Kansas B, and Colorado A one each, Colorado B three, and Wyoming A the president and two. South Dakota A has one

member listed in *Who's Who in American Colleges and Universities*. Other important offices held include Managing Editor of the *Daily Nebraskan*, and Y.W.C.A. presidency at Nebraska, Editor of the *Collegian* at Kansas State, the National Editor of *Spurs* at Wyoming. All chapters are active in student government, productions, Y.W.C.A., and all have their share of various Queens. Kansas B won the Intramural Plaque, and Nebraska B won the Intersorority Sing. Next year looms even brighter on the horizon. New Mortar Board members include one each from South Dakota A, Nebraska B (president), Kansas B, and four from Colorado A, the president and one from Colorado B, and the president and secretary from Wyoming A. Other prominent offices chosen for next year are Editor of the *Coloradoan* (Year Book), Colorado A, Editor of the *Daily Nebraska*, and Y.W.C.A. presidency, Colorado A.

Iota Province is fortunate in its splendid advisory boards. In almost every case, there is a feeling of close harmony, and a sincere interest each in the other.

All Deans of Women spoke well of our girls, some being eloquent in praise of the chapters, and of individuals in those chapters.

As my first year as Province President comes to a close, I realize more than ever before, the privilege which is mine. My seven chapters have given such splendid cooperation, their officers have been so efficient and sincere, the advisory committees so helpful that I have been inspired and encouraged continually. I wish to thank all national officers, my predecessor, and especially Miss Onken, for the help given so generously.

Respectfully submitted,

COLEITA AITKEN

KAPPA PROVINCE PRESIDENT

ANOTHER eventful year in Kappa Province is finished. We have not wanted for excitement, nor have we lacked accomplishments and attainments. The fire in the Texas A chapter house and the final decision of the Board of Trustees of Southern Methodist University in favor of lodges for the women's fraternities on the campus, have furnished the excitement, and the remainder of this report will give you a brief summary of our achievements.

Again we have no first places in scholarship, but we hold two second places. One pledge class held first place among pledge classes on its campus. The scholastic standing of five of the chapters in this province is not a subject about which we can boast. A real effort to improve it in each instance has been promised, however.

In other fields of endeavor all of the chapters have brought glory to $\Pi B \Phi$. The most important honors won are the following: 3 Phi Beta

Kappas; 1 president and 1 election to $\Lambda \Lambda \Delta$; 2 major scholastic awards; 4 presidents and 8 elections to Mortar Board; 6 elections to *Who's Who in American Colleges and Universities*; 2 presidents of A.W.S. and 1 board member; 1 student body secretary; vice-president and 5 new members of Ashbel Literary Society; president and 8 new members of Pierian Literary Society; 2 Y.W.C.A. officers; 6 class officers; 1 president, 1 vice-president and 1 election to $\Sigma A I$; 2 officers of national honorary Greek letter organizations; 1 Panhellenic president and 1 secretary-treasurer; 4 interfraternity athletic contest winners; Queen of the Drake Relays; 7 beauty queens in year books and 6 campus favorites in year books; and many queens, maids, and duchesses in the annual carnivals of different kinds in our four states.

At the end of next year I will be able to report that lodges are being used by the chapters at Southern Methodist University in Dallas, Tex-

as. At this writing, however, Texas B has a small apartment as its gathering place. The four chapters in the province who live in chapter houses are fortunate enough to have retained the same five chaperons who were with them last year. Louisiana B has made its room in the Panhellenic House more attractive each year, and Louisiana Alpha's cottage boasts a new coat of paint and some refinishing of the interior.

Six of my groups have had excellent advice and help from their advisory committees, but Louisiana B is still hoping to be able to interest at least five of the Baton Rouge alumnae enough to have them act in such a capacity next year.

Kappa Province was again 100% in its contributions to the Settlement School and Loan Fund, and in addition to this each has contributed to the Holt House Fund. The chapters

considered it a privilege to have a part in the restoration of Holt House, and I feel sure each will find pleasure in helping to maintain it.

The passing of Mrs. Soule and Mrs. Libbey has saddened the heart of every loyal $\Pi B \Phi$, but will serve, surely, to strengthen the bond existing between those of us who are left to carry on the work of the great Fraternity which these two and the other ten of our beloved Founders had the vision to foresee.

Grand Council members have, as always, been of great help to me in performing the duties of my office, and it is with a word of sincere appreciation to them for this help, as well as for their constant inspiration to me, that I close this report of a year's happenings in Kappa Province.

Respectfully submitted,

JUNE H. GRANGER

LAMBDA PROVINCE PRESIDENT

THE Lambda Province Conference held in Spokane, Washington, on April 26 and 27 was a fitting climax to a year of activity and progress for Pi Beta Phi in the Northwest. Much help and inspiration were gained by all of those who attended and much credit is due to Emma Lou Thompson, her committee, and the Spokane Alumnae Club.

The discussions, social functions, the initiation, and the Founders' Day banquet will long be remembered. The presence of Adèle Taylor Alford, who brought the greetings of Grand Council, made us all realize anew what our devotion to the Fraternity should be.

All of the chapters in Lambda Province, with the exception of one, made good scholastic averages this year. There are, among the chapters, those who realize that there is room for improvement. In many cases the chapters stand a small fraction below competitors and the difference is not as great as indicated. Harriet Johnstone does a fine piece of work in directing the scholarship of the province. Oregon A leads the province in scholarship. Not only did this chapter win the scholarship plaque of the province, but also they stood first in scholarship on their campus. One chapter stood second on its campus, two stood third, two stood sixth, and one stood eleventh. In the chapters which are not up to standard, strict study rules have been applied. We have stressed scholarship, not alone for grades, but in relation to the privilege these girls have in being able to attend such fine institutions of learning in a free and democratic nation. I do hope within the next year Lambda Province can report no chapter lower than third place on its campus.

Rushing this year was very successful throughout Lambda Province, with alumnae recommendation committees to aid in finding and helping to pledge desirable girls. Many sisters and daughters of $\Pi B \Phi$ are being pledged in the province, and invariably their strong Pi Phi background and training makes them worthy members. Chapters should organize and systematize their rushing, so that pledges once made will be kept. Alberta A, which had long had the problem of no cooperation from the University, reports a change for the better. The Panhellenic groups are to be put under the

same rulings as the university dormitories.

The Advisory Board members in Lambda Province have been most cooperative. I cannot speak too highly of the aid that our chapters have received through the conscientious work of their boards. Also, the Advisory Board is a great aid to the Province President in carrying out and checking upon fraternity requirements.

The chapter houses are, for the most part, in good shape. Albert A has just taken a four year lease on a rented house, and in this way plans for more definite improvements can be made. Washington A will have a new home at the opening of fall term. Montana A has residence in the college quadrangle. Oregon A, Oregon B, Idaho A, and Washington B own very attractive chapter houses. We are most fortunate in the women who are the chaperons in our chapters. All of them are gracious, charming and appreciative of what $\Pi B \Phi$ expects of her chapters. All of the house mothers have been with us in the past except Mrs. Francisco at Idaho A, and Mrs. Rankin at Alberta A. These two are welcome additions to our outstanding group of house mothers.

All of the chapters are in good financial condition. All were 100% in contributions to Fraternity projects. Also, the girls have given generously of their time and service to "Red Cross," "Bundles for Britain," and "Aid to China."

In honors, Lambda Province is again outstanding. The following are major honors of the province for the year: 2 $\Phi K \Phi$; 4 $M \Phi E$; 5 Mortar Board; 3 similar to Mortar Board; 4 $\Phi X \Theta$; 3 $O N$; 4 $\Theta \Sigma \Phi$; 2 $A \Delta$; 7 Spurs; 4 similar to Spurs; 6 Matrix Table; 1 $K \Delta \Pi$; 3 Vice-Presidents, A.W.S.; 1 Secretary, Y.W.C.A.; 3 Treasurers, A.W.S.; 1 Managing Editor Year Book; 1 Chairman Northwest Panhellenic Conference; 2 W.A.A. Presidents.

In addition to these outstanding honors are innumerable major committee appointments, winners of cups, members of local honoraries, R.O.T.C. sponsors, beauty queens and May queens, that show $\Pi B \Phi$ members to be gracious, popular, cooperative, and at the same time above average students.

The last months have brought us an unestimable loss in the death of Inez Smith Soule and Fanny Whitenack Libbey, our two founders.

It gives us reason to renew our faith in $\Pi B \Phi$ and the ideals on which the fraternity was founded, and which our remarkable founders have kept living for seventy-four years. With the hatred that is rampant in the world, with the un-

settled conditions at home and abroad, we can well re-dedicate our service to making the Fraternity a beacon of sanity and faith in a changing world.

Respectfully submitted,
LOU ANN CHASE TUFT

MU PROVINCE PRESIDENT

THIS first year of service to $\Pi B \Phi$ as a province officer has given me a deeper and greater inspiration than I would have dreamed possible, and it is my hope that I have succeeded in some small way in disseminating a deeper appreciation for the intangibles of fraternity associations to the chapters within my province. My visits were all made, with the exception of the official visit to California A, prior to the second week in November, and I was thus able to acquaint myself early with conditions and needs in each chapter. I had much to learn as my former fraternity experience had been entirely with the Stanford chapter where all members of the chapter live in the chapter house.

During the spring, six chapters were visited by Ruth Barret Smith who brought them both inspiration and assistance. Utah A had been visited by Adèle Taylor Alford the preceding year.

Last fall a two day Regional Panhellenic Conference was held in Berkeley, California, and I was privileged to attend as Pi Beta Phi's delegate. In April I attended an all day Panhellenic meeting and in May a meeting of the Panhellenic Adviser's Council, these also being held in Berkeley. At Stanford I have been a regular attendant at the Alumnae Adviser's round table as well as an ex-officio member of their Alumnae Panhellenic Committee.

Sincere efforts have been made by all chapters in this province to maintain high scholastic standings and three are in the first group. Nevada A deserves particular recognition for remaining first for three semesters. Last semester they dropped to second place, but were topped only by a group composed of five members. California A won the silver pitcher awarded by the San Francisco Panhellenic for showing the greatest improvement on their campus by coming up from seventh to second. California I was fourth one semester and first the next. The other four chapters are endeavoring to raise themselves to the top bracket. There were three Phi Kappa Phis and one Phi Beta Kappa.

The activity reports have brought me the accounts of an overwhelming number of honors. I had warned the girls at the beginning of the year that I felt there was too much smattering of interests and not enough concentration of effort by individuals in one or two specific activity fields. But my fears have been allayed by the following outstanding honors as well as the many others too numerous to enumerate. Nine Mortar Board (or equivalent); two Y.W.C.A. presidents and two secretaries; a vice-president of Student Body; a president of W.A.A.; a first woman chairman of Election Board.

To Kathleen Hambly of California I went the Mu Province Amy Burnham Onken award for her service to university and Fraternity. She acted as rush captain and president of her chapter, was

president of the Y.W.C.A., an Amazon, "Helen of Troy," a member of Mortar Board, and at the same time maintained scholarship so high that she was elected to membership in $\Phi K \Phi$ and $\Phi B K$.

Rushing has been very successful throughout the province with 160 girls being pledged. California A distinguished herself by initiating at one time its entire pledge class, being the only chapter to have 100% rating here. This chapter is the only one in the province to have a university controlled quota system.

One project that has been tried this year was that each chapter where there were Pi Phi transfers set a regular transfer day when any transfer was welcome to come to luncheon or dinner, as the case might be. It is my hope that this plan will be continued next year. Five transfers have been affiliated.

All of the chapters have been fortunate in the untiring assistance given them by the members of their Advisory Committees. The chairmen have been most cooperative with me and I feel they have done excellent work with their respective groups.

At this time there are three Pi Phis acting as chaperons in this province, as well as one Pi Phi mother. The other three chaperons are also most desirable social directors for our members. All except one act as managers.

Each chapter maintains a chapter house in which from twelve to thirty-four girls make their college home. Five of the seven have had major additions or construction changes. California A has a new patio, kitchen unit, and an addition to their living room. California Beta's home has been completely remodeled and they have an enlarged dining room, new kitchen unit, new quarters for their chaperon, and additional sleeping porches. California I has an entire new wing, which includes both sleeping rooms and a new chapter room. California Delta's chapter room has been transformed into a most adequate study room, complete with carpet, tables, chairs, and excellent lighting. Arizona A is soon to complete a new sleeping porch and a suite for the chaperon. All of these projects have been costly, but the House Corporations are adequately financed and in sound condition.

National projects have had 100% support from the chapters in Mu. They have sent \$240 to the Settlement School, \$82.50 to the Loan Fund, and \$92.50 to Holt House, making a total of \$415. National Alumnae dues were paid by fifty-seven seniors.

As the year closes, and I look at it in retrospect, I feel the highlights have been the guidance and counsel given me by Miss Onken, the devotion to my many $\Pi B \Phi$ sisters, and a personal satisfaction in having given service to my Fraternity, in whose debt I shall ever be.

Respectfully submitted,
EDYTH ALLEN MANNING

Reports of Province Vice-Presidents

ALPHA PROVINCE EAST VICE-PRESIDENT

THE clubs in Alpha East Province have maintained their interest in the Fraternity and its projects. Four are in the 100% group. Clubs near an active chapter have helped with rushing and donations while one is paying for a chapter house. None of the other clubs have officially adopted a chapter but they have corresponded with near by ones. Portland gave a Christmas gift to two chapters and also donated a Sophomore award for the province.

Arrowcraft sales have increased this year with Boston and Portland doubling the amount sold over last year's total. The clubs in Montreal and Halifax find a sale impossible and their time is very much taken with all kinds of relief work.

Only one club has shown an increase in membership, but there has been a gain in interest. No definite organization of new clubs has been accomplished but there has been correspondence with two communities where there are enough members.

Portland invited the province to a conference but it seemed best not to hold one this year. We

are all thrilled at having the Convention in our province next year.

Every club except one has shown some profit in the magazine agency. Hartford placed seventh in the total sales and fourth in per capita sales. More can be done in this department.

We join with Pi Phi everywhere in regretting the death of our last Founders. To many it will be a personal loss since Mrs. Libbey especially was known to so many through her attendance at Conventions.

It has been a great pleasure to visit some of the clubs this year and to be aware of the activities and problems of the others through the cooperation of the officers with their friendly correspondence. The Canadian clubs have special problems which all of us appreciate.

I particularly appreciate the invaluable assistance given me by the officers of the Fraternity.

Respectfully submitted,

ERMINE L. POLLARD

ALPHA PROVINCE WEST VICE-PRESIDENT

IN SPITE of the many demands made upon the time and energy of Pi Phi in Alpha Province West, their interest in their fraternity and its projects has not waned. This was manifested by their desire for another province conference and the Rochester club expressed a wish to be hostesses so arrangements were made for the delegates to meet on May 16 and 17 at the Hotel Rochester. All but two of the clubs sent delegates and a member of one of the latter came anyway and attended all sessions and contributed greatly to the discussions. Each delegate or alternate explained in detail, methods which their clubs had employed to gain new members and to hold the interest of varying age groups over a period of years. Some new ideas for selling magazines and raising money for Settlement School were brought out and the spirit of friendliness and a desire to work for the good of the Fraternity as a whole were evident in the short two days in which we were together. The presence of three undergraduate members from New York A and Delta and Ontario B was stimulating as they asked questions and answered them and spoke to many points from the floor. Our hostesses had planned as much entertainment as was possible in our limited time together and even the weather cooperated to make our visit pleasant. A list of recommendations was sent to Grand Council for their consideration and most of the clubs are planning to send delegates to the 1942 convention at Swampscott, where, it is hoped that discussion on the above-mentioned recommendations will take place.

The chart of Alpha Province West will show

the progress made by its clubs. The two Canadian clubs show a loss in membership but that is due to the added responsibilities that the War has brought to them. They realize their need of each other in these trying days and the clubs will continue to function until times are normal again. Elsewhere all is well as the various executives meet the particular problems that confront them and solve them satisfactorily. A new group at Schenectady has been organized and will undoubtedly give a good account of itself as the months pass by.

I was very happy to be with the Westchester, New York City, and Northern New Jersey Clubs for their Founders' Day Luncheons, events which from now on will attain a deeper significance in the knowledge that none of our Founders can be with us at conventions or any of our special fraternity celebrations. We have been very fortunate to have had their companionship for so many years and the influence of their sweetness and sincerity will be ever with us in memory.

In closing I would like to thank all of Grand Council for their patience and consideration through the past months. It has been very difficult to function as systematically as an officer should and I have been deeply touched by their messages of sympathy and comfort in the loss of my husband and my youngest son. Many of my fellow officers and friends in the fraternity have written similar expressions of sympathy and for all such I have been most grateful.

Respectfully submitted,

MARY H. SCOTT

BETA PROVINCE VICE-PRESIDENT

A CHANGE in personnel many times causes a lack of interest and cooperation but it seems that the clubs in Beta Province have withstood

very well the change to a new vice-president and the majority have cooperated better than anyone could really expect. With such interest this year,

it should be possible for us to reach a new high during the coming year, which is my sincere hope.

However, it would be very nice if we could have several new alumnae clubs in this province. In looking at the map, it would seem that there are several general localities where groups could be organized which would mean so much to the members who have been out of touch with Pi Phi for some time. Do think it over—organizing a club is such a simple matter and everyone will be so willing to help.

The two Pittsburgh clubs were joint hostesses

for our Conference this year. They worked very hard but did such an excellent piece of work that I am certain they feel well repaid for their efforts. It was well attended and I believe I am safe in saying that everyone left with the feeling that it had been a success and should be repeated every two years.

I do want the National officers to know how much I appreciate the help they have given me, as well as the various chairmen and club officers their cooperation.

Respectfully submitted,

LOIS VASEK

GAMMA PROVINCE VICE-PRESIDENT

ALL of the clubs in Gamma Province have been most helpful and cooperative to me this first year as their province vice-president. While our membership has not been as large nor our contributions to Settlement School as large several chapters have helped on local projects, given to the community chest and all have helped the Red Cross. The province has a total paid membership of 231; gave \$383.13 to the Settlement School and \$54.00 to the Loan Fund. They also contributed \$14.00 towards our new project, Holt House.

The Junior group in Washington is now a well established group with 31 paid members. They were most helpful to the active chapter at George Washington this year, helping them during rush week with their cars and helping to make the favors for their rush parties. All clubs have been most cooperative with the active chapter near

them. I feel sorry for the clubs that are not fortunate enough to be near an active chapter and are therefore unable to receive the benefits that such an association gives.

It has been a great pleasure for me to have served in a small way the fraternity. I am most grateful to each club for their cooperation and the pleasure I have gotten from our work together.

Most of the clubs in this province had a visit from Miss Onken and all profited by the inspiration and help that she never fails to give.

To all the alumnae club officers and to the national officers of the fraternity may I express my grateful thanks for their help to me during this past year.

Respectfully submitted,

MARY SCHAAFF GREER

DELTA PROVINCE VICE-PRESIDENT

ALTHOUGH there were no new clubs chartered during the past year, our number has increased to seventeen, due to the reorganization of the Southwestern Michigan club in the fall. A comparison of records shows that nine clubs reported decreases in membership, bringing our province total down to 504, a decrease of 13 for the year. In the number of affiliated 1940 graduates, Indianapolis leads all others, with 20 enrolled.

As the chart shows, there are a few clubs which are not carrying their share of responsibility for Pi Beta Phi's national projects. From a total of seventeen clubs, thirteen contributed to the Settlement School, eleven to the Loan Fund, and seven to Holt House. Nine clubs sold Arrowcraft products, while sixteen earned commissions on the sale of magazines. The following clubs deserve special mention for their 100 per cent support of the three funds: Bloomfield Hills, Detroit, Fort Wayne, Franklin, Indianapolis, Northern Indiana, and Southwestern Indiana. It is to be hoped that a feeling of pride in accomplishments, and loyalty to the fraternity, will come to the rescue of the other clubs, and that they will not be so easily satisfied with their efforts next year.

It was gratifying to see the part that Delta Province clubs played in making this year a successful one for the magazine agency. Detroit and Indianapolis were on the list of the eight highest total commissions per club, and Franklin and

Bloomfield Hills were on the list of the eight highest commissions per capita. Northern Indiana was awarded the \$5 prize for the greatest percentage increase, which only goes to show that a small membership need not handicap any club, if it has an earnest desire to do its part.

Relations between clubs and chapters have been very satisfactory. In some cases, help has been given to the chapter in the form of some gift, while in others, the only help given has been through the work of the committee on rushing recommendations. Several isolated clubs have continued their custom of entertaining active chapter girls at home during vacations, thus strengthening the spirit of friendliness and close cooperation between club and chapter.

The Indiana State Luncheon Fund was responsible for a generous gift of \$50 to the Holt House, which, with Detroit's \$50 contribution, accounted for more than half the total amount from the province.

The Delta Province Conference was held in Bloomington, Indiana on March 28 and 29. The presence of Miss Onken and Mrs. Wild gave an added inspiration to the occasion for the 130 Pi Phis who attended the meetings. Mrs. H. H. Brooks, Jr., of Greencastle, Indiana, became a member of Indiana Gamma chapter at the model initiation, which was held the first evening following the banquet. The province vice-president speaks for all those who attended the conference,

in expressing deep appreciation to the members of the Bloomington club and Indiana Beta, for their splendid work in planning the conference, and for their exceptionally warm hospitality.

Several clubs have been 100 per cent in the matter of monthly letters. As these letters mean so much to the province vice-president, she takes

this opportunity to thank the corresponding secretaries, and the club members who have been so faithful. She wishes, also, to thank Miss Onken, Mrs. Smith, and Mrs. Wild for their continued help and inspiration.

Respectfully submitted,
HELEN ANDERSON LEWIS

EPSILON PROVINCE VICE-PRESIDENT

THE eleven alumnae clubs in Epsilon Province have continued to manifest their loyalty to Pi Beta Phi during the year 1940-41. It has been a year of real accomplishment that can be measured not only in the amounts contributed to the projects and in the number of dues paid, but in increased interest in club meetings, national spirit, and fellowship.

There are 478 paid members of the alumnae department in the province this year, including 41 affiliated seniors and one isolated member. The Little Pigeon and Jefferson City clubs have 100 per cent membership. The clubs in Chattanooga and Springfield are to be commended for a large increase in membership.

No club failed to make generous donations to the Settlement School and to the Loan Fund, and all but two contributed to the Holt House fund, in which there has been a great deal of interest this year. The large increase in the total amount sent to the Settlement School was possible because of the gift of \$1,000.00 sent by the St. Louis club. Columbia also more than doubled its gift. All of the clubs had Arrowcraft sales, and all but one used the magazine agency. Three of the Epsilon Province clubs were among the first eight in total commissions. The chart for the province to be found on a separate page will

show the statistics in detail.

More than ever the clubs are showing their awareness of community needs by supporting local charities and projects, and the local branches of such organizations as the American Red Cross.

Only the Little Pigeon club which is necessarily remote from chapter contacts made no gift to an active chapter. In clubs located where there is an active chapter, the members are showing an increased knowledge of their responsibilities to these chapters.

The conference held in Louisville on June 12, 13 and 14 was the climax of the year for Epsilon Province. Careful planning by Kentucky Alpha and the Louisville Alumnae club, and the true hospitality shown to all in attendance made it a real success. No one there could leave without an increased knowledge of and deeper devotion to the fraternity.

Willing and able club officers, and interested and cooperative club memberships have made possible the achievements for this year. To them and to Grand Council and the national officers, the Epsilon Province vice-president is grateful for assistance and cooperation.

Respectfully submitted,
KATHARINE KIBLER LYONS

ZETA PROVINCE VICE-PRESIDENT

AGAIN the vice-president of Zeta Province wishes to thank her clubs for their fine cooperation. With the exception of one or two clubs in the Province every club has shown progress along some line.

Lakeland again takes the spot light as the only club with 100 per cent paid membership. Atlanta, Miami, and Tampa showed an increase in membership this year over last. Miami has formed a Junior Group consisting of sixteen members, and they feel this has given an added incentive to the club. Seventeen seniors have affiliated this year with alumnae clubs.

Atlanta, Birmingham, Jacksonville, Lakeland, Miami, Orlando, and Tampa were 100 per cent in their support of the three fraternity projects—Settlement School, Loan Fund, and Holt House.

The five active chapters in Zeta Province were 100 per cent in contributions to the three projects.

Orlando deserves special mention for their large sale of Arrowcraft, amounting to \$150.96. Birmingham was second in sales with \$140.20. The total amount of sales for the Province was \$330.40.

There was a decided increase in commissions earned from the sale of magazines. Last year the commissions for the Province were \$68.25, and this year they were \$101.50. Atlanta, Birming-

ham, and Miami have shown the greatest increase in commissions earned.

Five clubs in the Province gave to local causes.

The Zeta Province Conference was held in Birmingham at the Tutwiler Hotel, April 25, 26 and 27. There was a registration of over eighty. It was a most successful Conference in every way, and everyone profited from the discussions as well as from the associations, and from the friendships made and renewed. The Birmingham Pi Phi are to be congratulated, and should feel well paid for their untiring work in the careful preparations that had to be made in order to assure such a successful Conference. The Province is now looking forward to its next Conference to be held in two years in Jacksonville, they having very generously offered to have it.

It has been a great privilege to serve Pi Beta Phi for another year as Zeta Province vice-president. Again thanks and gratitude are due to the clubs, and to the Grand President, the Grand Vice-President, the Assistant to the Grand Vice-President, and other officers who have given help and inspiration in carrying out the duties of this office.

Respectfully submitted,
WINIFRED SMITH PAIGE

ETA PROVINCE VICE-PRESIDENT

THE alumnae clubs of Eta Province have been most cooperative this year, the first year of my vice-presidency. While all have not felt like substantially supporting the projects by donations, they have given of their time in other ways of help, which shows the ever present interest of $\Pi B \Phi$. A much keener interest between alumnae and active chapters has been shown; each one of our eight chapters has had substantial help in many ways from one or more alumnae clubs.

While our total paid membership has decreased, some clubs have made material gains, such as the North Shore club, increasing from 75 to 105 members and adding an Auxiliary club of 40 young women, who do not have much time to devote to $\Pi B \Phi$ but wish to be affiliated with a chartered group.

This year there has been formed the Chicago Area Council, which consists of eight alumnae clubs in and around Chicago, meeting once a month and working together in behalf of national fraternity-affairs. There has, no doubt, been shown an increase in these interests and in unity and "where there is unity there is strength."

Our Conference this spring held at Galesburg, April 25-26, with the alumnae club there and the

active chapter, Illinois B- Δ , as hostesses, was most successful in every way. It was well attended and sessions were interesting with plenty of time for discussions. All appointments at the social affairs were carried out most beautifully and every thought was for the pleasure of the guests during the entire Conference. The trip over to Monmouth, eighteen miles away, to see Holt House, with tea being served by the Monmouth alumnae club, made a very pleasant ending.

On my official visits this year, which were eight in number, I have found extreme courtesy and it has been indeed a pleasure to know personally, those with whom I have corresponded and I am looking forward to next year, when I shall meet the other remaining clubs.

Our clubs in Eta Province were fortunate in having fine officers this year; their willingness to give of their time and with the support of each member of the individual club, the year has been successful.

I wish to express my gratitude for the privilege of serving $\Pi B \Phi$ in this capacity and to thank those who have helped me so generously.

Respectfully submitted,
HARRIETTE A. MACCLYMENT

THETA PROVINCE VICE-PRESIDENT

FOR the seventh consecutive year, Theta Province clubs are 100 per cent in their giving to the Settlement School. The total in gifts is \$99.00 less than a year ago but the increase in commissions earned through the Magazine Agency almost takes care of this loss. We have also a slight decrease in paid members, and this can be accounted for in the fact that many have moved from the cities where our clubs are located. We must make an additional effort to interest new alumnae in our club activities.

This year ten clubs have held Arrowcraft sales as against seven in 1940. The total in sales was less, but we are glad that more of the clubs are making the effort and finding pleasure in holding these sales which create the market for our handiwork.

There was less sent to the Loan Fund this year than last, but the amount sent to the Holt House committee more than makes up for this.

For some time we have placed emphasis on the possibilities in the Magazine Agency and are gratified that our clubs are showing a substantial interest in this means of support for the Settlement School.

We have visited the clubs in the northern part of the Province during the year. Calls were made on the two clubs in Minneapolis, both of which are operating under the same charter, St. Paul, Duluth, Grand Forks, and Winnipeg. We also visited the Des Moines and Indianola clubs dur-

ing the winter. All were in good condition and in many instances there was a gratifying attendance. The clubs which are actively interested in an active chapter are in each case the most interested and interesting groups. We have suggested that the club which does not have a chapter in its town, adopt a different chapter each year. This is working very satisfactorily for all concerned.

Theta Province held two conferences this year. In April there was a two-day conference in Ames and 200 $\Pi B \Phi$ from all over the state came to help celebrate Founders' Day and partake in discussion groups. Early in May was the second conference in Winnipeg and over 100 $\Pi B \Phi$ were there. In each case all were well repaid for the time and expense involved. Miss Onken, Mrs. Ristine and I were at both conferences and Miss Clark attended the Winnipeg conference. The close contact and discussion of mutual problems which the alumnae and actives enjoy during these conferences are invaluable for a mutual understanding and satisfactory working together especially when it comes to rushing.

Contacts with the fraternity officers and those with many loyal alumnae have made this a year rich in personal gain and my appreciation for the opportunity of service to the fraternity is deep and sincere.

Respectfully submitted,
LAURA STORMS KNAPP

IOTA PROVINCE VICE-PRESIDENT

ANOTHER year has passed, and the clubs of Iota Province have again shown their loyalty to $\Pi B \Phi$ by their earnest efforts in supporting the projects of the Fraternity. The province is

again first in magazine sales, with two clubs, Denver and Casper, winning two of the three prizes offered the alumnae department. The magazine chairman of each club deserves special praise

for her work. There has been a small increase in membership in the province with the total numbering 523. Cheyenne, Hutchinson, and Manhattan are 100 per cent paid membership clubs.

It is with regret that Iota Province cannot report 100 per cent contributions to all fraternity projects as has been its former record. Every club, however, did generously contribute to the Settlement School and the Loan Fund, with \$764.50 being sent to the school and \$90.00 to the Loan Fund. There was a decided increase in Arrowcraft sales, with a total of \$1,778.18 being sold by the clubs. Gifts, money, and rushing assistance were given to the chapters. The contributions to the Holt House amounted to \$70.00.

This officer made fourteen club visits, and, as

always, the hospitality and courtesy shown her made these visits most pleasant. Each club in the province deserves praise, for each has worked faithfully for the fraternity. They have also helped with local causes and thus shown the generosity of Pi Phi. The clubs have been fortunate in that their officers were true leaders, guiding them well. To these officers, the club members and Miss Onken, Mrs. Smith, Mrs. Wild, and to all others with whom this officer has had contact, appreciation is expressed for the cooperation and help given her.

May next year be the outstanding one for this province.

Respectfully submitted,
MARJORIE HARBAUGH COLVIN

KAPPA PROVINCE VICE-PRESIDENT

Now that the time has come for taking stock, Kappa Province finds that it has much to be proud of, although there has been a slight decrease in membership. Houston and Dallas almost reached the hundred mark, with Tulsa, New Orleans and Oklahoma City having fine large numbers of paid members. Oklahoma City club showed the greatest increase in membership.

A total of \$1,074.58 was sent in donations to the Settlement School. According to questionnaires received, \$2,285.80 of Arrowcraft goods was sold. However, two clubs which each year have very large sales have not reported, so I feel that the total amount will exceed that of last year. Ardmore, Fayetteville, Fort Worth, Muskogee, and Stillwater held very successful sales for the first time in a number of years. Dallas led with \$532.82 worth of goods sold, followed closely by Houston, with \$489.90; Muskogee, with \$372.36 and San Antonio with \$202.25.

Splendid cooperation between clubs and chapters has existed this past year. Indeed, the clubs of Kappa Province have just cause to be proud of their chapters, as they learn of their splendid record of honors and accomplishments. The chapters were 100 per cent in their donations to the

Settlement School, the Loan Fund, and Holt House.

The Junior Group movement has been growing this past year, although the Junior Groups function with varying degrees of success. Dallas, Oklahoma City, Houston, and Shreveport are the four clubs in the province with active groups of this kind. Dallas also has a business group which meets at night, and is highly enthusiastic and successful.

The climax of the year was the wonderful Province Conference held in Oklahoma City, June 16, and 17. The club of that city, together with the active chapters of Oklahoma A and Oklahoma B made of the occasion one long to be remembered by the two hundred Pi Phis present.

As always, it has been a very great pleasure to work with the clubs in Kappa Province this year. Visits were made to fifteen, and a spirit of genuine cooperation and interest was found everywhere.

With grateful appreciation to all members of Grand Council for their helpfulness and understanding.

Respectfully submitted,
OLIVIA SMITH MOORE

LAMBDA PROVINCE VICE-PRESIDENT

THE Lambda Province Conference on April 26 and 27 at the Davenport Hotel in Spokane was the highlight of our Pi Phi year. It was the third conference in this province. The registration exceeded that of the two previous ones and judging from the enthusiasm expressed it would seem that Lambda Province is definitely conference-minded. We only hope that they will continue to grow in interest and purpose.

The Spokane alumnae club, with the assistance of the Moscow alumnae club, the newly organized Pullman alumnae club, and Washington Beta and Idaho Alpha chapters proved to be fine hostesses. Each social function was a happy and joyous occasion with many Pi Phi friends renewing old fraternity ties and the newer ones finding their places too in the congenial circle. The meetings were stimulating and thought provoking and there were many expressions of a reawakened interest in our fraternity affairs and a deeper consciousness of its beautiful ideals.

It was a very great privilege to have Adèle Taylor Alford attend the conference. Her address at the joint meeting was most interesting and she captivated the heart of every Pi Phi with her delightful personal charm. It can be said that every Pi Phi who was called upon to participate in the program responded to the very best of her ability and was happy to be a part of it.

Ella Ham Robinson, former business manager of the ARROW, and now living in Spokane, was a most interesting alumna present at the conference. It was she who introduced the original motion to adopt the wine and silver blue fraternity colors.

Lambda Province has 506 paid members. Nine seniors have become members of alumnae clubs. Five clubs have attained a 100% membership in their towns. Those clubs are Butte, Calgary, Corvallis, Olympia, and Wenatchee.

It is with regret that the 100% record of Lambda Province Clubs in contributing to fra-

ternity projects must be lost this year. However, consideration must be made of the fact that the two Canadian clubs were those who could not contribute this year because of their many pressing war obligations. And the two new clubs, Moscow which was organized just at the close of the club year last June, and Pullman which was chartered in April this year, also were unable to contribute.

The amount of \$33.00 has been contributed by Lambda Province to our new project, Holt House. Settlement School contributions amount to \$330.10, the largest gift of \$75.00 being from the Spokane Alumnae Club. A total of \$83.00 has been contributed to Loan Fund. Magazine Fund total commissions earned are \$176.37. The Edmonton Alumnae Club was highest in magazine sales. The total amount of Arrowcraft sales is \$2,285.23. The Seattle Alumnae Club's sale was largest with \$675.23.

Nearly all the clubs did volunteer war or social service work and also made financial contributions to various local relief agencies. Pi Phis are taking their places in their own communities where help is needed.

The work of the Seattle Alumnae Club this past year surely deserves the admiration of every Pi Phi. They have raised \$500.00 in cash for the new Washington Alpha Chapter House, \$3,000 in

bonds have been sold, and many gifts of furnishings have been made. This in addition to their fine contributions to our three fraternity projects and an outstanding Arrowcraft sale.

Though our hearts have been saddened at the great loss of our last two Fraternity Founders, we must ever know that that which they gave to us can never be lost but will only grow deeper and stronger as we keep remembering and sharing with the Pi Beta Phis to come.

The first year of my office as Province Vice-President has come to a close. Looking back, I have not forgotten the many hours at the typewriter and the varied details which this office must necessarily accomplish, and yet, I feel that I have received so much more than I have given. I am indeed grateful to Miss Onken and the other Grand Council members for this opportunity. May I offer too, my sincere thanks and appreciation for the kind understanding and patient help of Ruth Barrett Smith, Mrs. Holton, and Mrs. Purdunn.

I look forward to next year's work with the keenest anticipation for it is then I shall meet for the first time so many of the wonderful girls whom thus far I've known only by correspondence.

Respectfully submitted,
EMMA LOUISE DAUBERT THOMPSON

MU PROVINCE VICE-PRESIDENT

AS MU closes her books for the year, her ledgers show a profit in practically all departments. All clubs and chapters contributed to Settlement School and Loan Fund; all chapters, seventeen clubs and four individuals gave to Holt House. One club of 22 is 100% in National memberships.

Average attendance at meetings increased this year by forty-nine. Magazine commissions were larger by \$50.26, Loan Fund by \$5.00 and there were more gifts and awards given to the active chapters. National paid memberships increased by 103. Only in the item of Settlement School contributions do we find a loss and this was no fault of the clubs, for they would have provided an increased amount but for the unforgivable mischief-making propensities of the weather-man and his unjustified and disastrous demonstration of them on the day of one club's big benefit. It does seem that he really should be sued for the deficit!

However, the province more than made up for this by their Arrowcraft record. Clubs in general did exceedingly well but Berkeley Club quite outdid herself and everybody else with a total sale of \$2,000.00 worth of goods, an amount almost doubling that ever sold before by any club. Next comes Honolulu who has been a consistent producer for many years, having sold a yearly average

of one thousand dollars.

These proofs that Pi Phi's hearts are generous, their efforts willing and their accomplishments effective are made even more convincing by the fact that tangible evidence of these beautiful and vital characteristics is not confined to the help given those who wear the Arrow or to their special protégés. Almost all clubs report assistance to individuals or services that are quite outside the limits of our own organization and its special interests and this list of benevolences with their diversity and worth, is interesting and inspiring.

For the concrete, practical value of all the things these clubs have done for those in need, both within and without our own group, we are proud and thankful. But even more than for this, may we be grateful that through these things we know that the Fraternity we all love and for which we often expend real effort, is worthy—that its heart and the hearts of its members are sound and whole and fine.

To all, members of Grand Council, club officers and individual Pi Beta Phis, who have by their efforts made this record possible, go the gratitude of the Province Vice-President.

Respectfully submitted,
HELEN M. WAUGH

Alumnae Club Reports

The Indianapolis Club gave the active chapters in the state of Indiana magazine subscriptions for Christmas.

The Dallas Club has a committee which considers all recommendations before they are presented to the club.

Reports received from only 78 clubs.

ALPHA PROVINCE EAST

BOSTON CLUB

The Boston Alumnae Club opened its 1940-41 season with a dinner at the Colonial Kitchen at which about 40 members were present. Settlement School goods were displayed and a short business meeting was held. Speakers for the evening were Miriam Spaulding who had recently returned from Japan, and Minette Newman who reported on Convention.

The second meeting was in January at 131 Commonwealth Avenue—a purely social affair with travel pictures shown by Mr. A. M. Lefebvre. About 24 attended that meeting.

The annual spring tea was held in April at 131 Commonwealth Avenue. We were fortunate in having our province vice-president, Miss Pollard, with us. She spoke briefly on Fraternity affairs, and Mrs. H. M. Leroy, a member of the executive board of Settlement School, spoke on that angle of the work of the Fraternity. There were about 25 members at the tea, and the actives also entertained the group.

Founders' Day luncheon was held May 3 at 146 Commonwealth Avenue. Mary Scott and Beth Leroy were guests of honor and the annual business meeting was held. It was voted at this meeting to send contributions to the active chapter, Settlement School, the Loan Fund, and Holt House.

EILEEN BROWN

HARTFORD CLUB

The Hartford Club has had two dinner meetings, three dessert meetings, a Settlement School tea and sale, and a Christmas party. We are fortunate in having as one of our members the province vice-president, Ermine Pollard, and through her we feel well acquainted with the other clubs in this province.

MIRIAM P. HEALY

MONTREAL CLUB

The Montreal Alumnae Club ended the year with a supper party celebrating Founders' Day, at the home of Mrs. Graham Hunt. The six regular meetings of the Club were held the second Tuesday evening of each month at members' homes. For the February meeting we very much enjoyed having Miss Ermine Pollard, Province Vice-President. A luncheon was also held at the Themis Club to meet Miss Isabel Clark, Assistant to the Grand President.

Our budget was all raised by fees of \$4.00 each and we contributed to Settlement School \$5.00, Loan Fund \$1.00, Holt House \$2.00, Montreal Federated Charities \$5.00, Canadian Red Cross \$5.00.

For our local charity work, knitting was continued for the Children's Hospital, although most of the members are engaged in some form of war work. Thirty stockings and a large box of toys were also sent to the Children's Hospital at Christmas.

MARIAN BECK

ALPHA PROVINCE WEST

ALBANY CLUB

The Albany Alumnae club has twenty-four resident members and a paid membership of ten. The annual dues are \$2.00.

The club held eight meetings during the past year, the average attendance was twelve.

At the annual Little Pigeon tea and sale \$194.35 was realized from the sale of Settlement School goods.

Two delegates were sent to the Alpha Province (West) conference held at Rochester, N.Y., on May 16 and 17.

GLADYS M. WEILBACHER

BUFFALO CLUB

The Buffalo Alumnae Club has a total active membership of forty-seven, showing an increase of fifteen members over last year.

The annual Christmas party was held December 14 at the Park Country Club. Dinner was served to fifty guests. Bridge, games, and dancing provided entertainment for the evening.

Founders' Day was celebrated April 26 in Fort Erie. The president conducted a candle lighting ceremony in honor of the twelve founders of Pi Beta Phi. This date was the 25th anniversary of the founding of the Buffalo Alumnae Club. Ella Donnacker, one of the three founders who are still members of the club, gave a history of the founding and some incidents from its early days.

Small bridge parties were held throughout the year to raise funds for the Settlement School.

The club constitution and by-laws were revised. It was voted to accept the revision as reported by the committee.

The club contributed \$25.00 to Ontario B; \$25.00 to the Settlement School and \$10.00 to the Loan Fund. Profit on magazine subscriptions was \$23.00.

A delegate was sent to the Alpha Province West Conference which was held in Rochester in May.

ELIZABETH VAN WINKLE PERSON

CLEVELAND CLUB

The Cleveland Alumnae Club has completed another successful year of both financial and social activities. At the final meeting in June the new officers were installed. Mrs. P. E. Sprague will be our new president of the Senior Club, Ruth Kewley Donahower will be president of the Junior Auxiliary Group. The club members are anticipating next year's activities under two such capable leaders.

Founders' Day banquet was held at the Wade Park Manor this year. Mrs. W. D. Young arranged a novel program based on the phrase "from gardens fair" from the song *Founding of Pi Phi*. Several club members gave speeches developing the theme phrase. The sun representing our Founders; gate-keepers, the Alumnae; seeds, the Chapters; rainbow, Our Traditions. The program concluded with a ceremonial dedication to our Founders, the passing of the loving cup and the singing of Pi Phi songs.

The social climax of the year was Mrs. J. E. Kewley's annual luncheon and benefit bridge for the Settlement School in May. At this time high delegates from the various Pi Phi bridge groups participating throughout the year in the East and West sides of the city and suburbs played off their tournament game as a separate group from the main gathering of bridge players at the party.

The treasurer's annual report for the year showed a

\$570 gift to the Settlement School; \$480 Arrowcraft sales; \$10 Undergraduate Loan Fund.

JEAN CHARLESWORTH BROOKER

NORTHERN NEW JERSEY CLUB

The Northern New Jersey Alumnae Club of $\Pi B \Phi$ opened its club year in September, 1940, with a tea. Regular luncheon meetings were held at the homes of members on the second Monday of each month with the following exceptions. Members and friends held the annual dinner dance at the Upper Montclair Country Club in December. Founders' Day was celebrated in April with a delightful luncheon party at the Moresque, West Orange. Mrs. Granville B. Jacobs (Vella Starkweather, Iowa A) was chairman. Mrs. Robert B. Scott, Alpha Province Vice-President, attended.

Mrs. J. K. Evans (Marion Hallowell, Pennsylvania A) was chairman of a highly successful bridge in October, at which time the annual sale of Arrowcraft products was held. Mrs. Walter J. Bower (Helene Diffenderfer, Pennsylvania B), chairman, carried sales to a fine total of about \$45.00.

Among the interesting programs this year, was a discussion of books by Frances Alter Boyle, Madison Librarian, and the discussion of current Broadway plays by Mrs. Carl D. Jones (Virginia Dill, New York T), at a joint meeting with the Ridgewood group. St. Lawrence University, the home of New York T, the adopted active chapter, furnished material for another fine meeting.

A contribution of \$200 was sent to Settlement School. \$10 to Loan Fund, \$5 to Holt House, and \$25 to the active chapter. The Magazine had a successful year with increased interest and sales.

DOROTHY T. HEADLEY

MID-HUDSON VALLEY CLUB

We celebrated Founders' Day on April 26 at The Old Fort Inn at New Paltz across the river from Poughkeepsie. It was nice to have a new $\Pi \Phi$, Charlotte Oates Robinson, Virginia A, with us, but we were sorry to learn that she is moving away and will be unable to join our group next year.

On Saturday May 10, Mrs. Scott came to make her official alumnae visit and we entertained her at a luncheon at the Vassar Alumnae House. She seemed well pleased with the progress we have made since our organization and gave us much encouragement and good advice. She was presented with a wine and blue corsage and the luncheon table looked lovely with place-cards of blue forget-me-nots made by Mrs. Leyerle. Mrs. Scott was entertained at dinner on Sunday at the Swan Inn after which the group went through the Vanderbilt estate, and on Monday, Mrs. Housen, Ontario A, had her to tea at her home. Mrs. Scott's visit was climaxed by a cooky-shine on Monday evening at the home of Mrs. Zimmerman.

The activities of the year came to a close on Wednesday June 4 with a luncheon at the home of Mrs. Lowell Thomas in Pawling. She entertained us beautifully in

her charming home and the real thrill of the afternoon came when we met and talked for a few minutes with her famous husband! Although he has been a resident in this vicinity for several years, many of us had never seen him, and after hearing his voice nightly on the radio, it was a real thrill to meet him face-to-face. Mrs. Wishard had a very pleasant chat with him when they recalled the occasion they met in India at one of his lectures several years ago when she and her husband were living there.

There have been two spring weddings connected with the club. Mary Leyerle, daughter of our treasurer, was married April 25 and Percival Jackson, son of our recording secretary, who is a Junior Lieutenant in the air corps and now stationed in the Narragansett Bay section, was married March 22.

Officers for the coming year have been elected and plans are already well under way for the year's activities.

BETTY HADDEN

LONDON CLUB

The year's activities of the London Alumnae Club drew to a close with the dinner given in honor of the new graduates. The last meeting was held in May at the home of Jean Lawson, and the new officers for the coming year were elected—ways and means were discussed of increasing the attendance at the meetings.

CLAIRE M. STOKES

SYRACUSE CLUB

June 10 and the year's work in $\Pi \Phi$ behind us and already, June 12 we are to start planning and working for 1941-42.

Our first project is to be a garden card party in the gardens of Elizabeth Jordan's beautiful home on East Lake Road at Skaneateles, N.Y.

Although we have not made any great strides in increasing our membership, we have certainly held our own. We lost four members last year but gained four new ones, and our club certainly is the means year by year of bringing about and fostering many beautiful friendships. This winter especially it seems as if everything had moved along without the slightest friction and looking back over the year we cannot see where we would have had anything at all any different.

We have done the usual things; held our thirteen meetings; sold the Settlement School weaving to the amount of \$102.00; contributed to the Settlement School; to the Red Cross; to the Community Chest; helped the active chapter; sent the Settlement School a Christmas gift; given the House a Christmas gift of two Duncan Phyfe end tables and two lamps; held our annual meeting at which forty-four were present and our June reunion dinner for which the following out of town girls returned, Margaret Glanding Rupp, Louise Cerow Sherman, Edith Haith Brown, Jean Muir Switzer, Ethel Jessup Vanderhoef, Mary Fox Smith, Mildred Egenhofer Kelley and Lois Lawrence.

CHARLOTTE N. CHAFFEE

BETA PROVINCE

ATHENS CLUB

The Athens Alumnae Club has continued the plan of having pot-luck suppers preceding the meetings this year and finds them to be successful and enjoyable affairs. The average attendance has been about twenty members.

The most outstanding event this year was the Settlement School bridge party, at which were sold articles from the school. Some of the bridge prizes were also from the Craft Shop.

Founders' Day was again celebrated jointly with the actives by having a banquet at the chapter house.

Mary Elizabeth Lasher was awarded the recognition pin by the Advisory board, given each year to the most outstanding junior.

The club has contributed \$10.00 to the Settlement School, \$5.00 to the Loan Fund and we also sent \$5.00 to the Holt House Fund.

Although the year officially closed with the May meeting, we will not be entirely inactive as the members will assist with informal rushing of local girls during the summer months.

DOROTHY WOODWORTH SHAFFER

CENTRAL PENNSYLVANIA CLUB

Another successful year has gone by for Central Pennsylvania Alumnae Club. It has been a year of active and interesting meetings, Homecoming at the University and Founders' Day were celebrated in conjunction with the active chapter; two luncheons and a buffet supper, at which times very delightful programs were presented; a tea for the patronesses of the active chapter; and a card party for the Settlement School Fund were the highlights of our year.

The club has a membership of twenty-five—a slight increase over preceding years. We have contributed \$25.00 to the Settlement School and \$5 to the Student Loan Fund.

Plans are already in progress for the next year, which starts in September, and we are all looking forward to another successful year.

MARTON RANCK

CINCINNATI CLUB

The club had ten meetings during the past year with 20 paid members and an average attendance of 20. We contributed \$125 to the Settlement School, \$10 to the Loan Fund and \$10 to Holt House. We sold \$162 worth of Arrowcraft articles, gave a punch bowl and ladle to the Ohio A chapter, playground equipment to the Settlement School, \$10 to the local Children's Hospital and \$10 to the local Christmas Basket Fund. Magazine subscriptions amounted to \$123. A loving cup was given to Beta Province to be given annually to an active chapter for achievement. A delegate was sent to Beta Province Conference.

CATHERINE BRADY MOON

HARRISBURG-CARLISLE CLUB

We launched this year a Miles-of-Pennies Campaign to raise \$100 for the Settlement School with a prize held out as bait for the lucky person whose number would be drawn. Our monthly meetings have included motion pictures of the Settlement School, reviews of current Broadway plays, a talk on the art crafts at the School, a joint meeting with the active chapter at Carlisle, a meeting to honor our founders and a family picnic.

RUTH TROUT

MORGANTOWN CLUB

The Morgantown Club began the year's activities with a rushing party at the home of Jean Orton at the State Dairy Farm. Later in the month a business meeting was held at the Hotel Morgan.

In November a Settlement School program was presented in the chapter living room. The founding history and development of the school were included.

A benefit bridge party to which II B Φ mothers as well as alumnae and actives were invited was held in December. The proceeds which amounted to \$15.63 plus sale of cook books were used to buy stock in the II B Φ House Association for the club. We now own 14 shares of stock at \$10.00 a share.

The January meeting at the West Penn Demonstration rooms was quite worthwhile. "New Lighting from Old" was the subject of the talk by a home economist. Movies on correct lighting were also shown. The club bought two I.E.S. lamps for the chapter house as a result of the meeting and made plans for further "light-conditioning" there as well as in their own homes.

The March meeting featured a program on the constitution and history. Constitutional changes were discussed.

We held a joint meeting with the actives in honor of

Founders' Day and heard some very interesting reports on the Beta Province Conference.

The Senior Breakfast at the Hotel Morgan in May was very well attended. Dainty handkerchiefs in pastel shades were presented to the ten guests. Appointments were in wine and silver blue.

Contributions of \$2.50 each to the Settlement School and Loan Fund were voted by the club.

ELIZABETH WADE

PITTSBURGH CLUB

No benefits were held this year but we raised funds from selling rain hats, from taxi fares, and selling surplus refreshments. We gave \$50 to the Settlement School, \$5 to the Loan Fund, \$5 to the active chapter and \$20 to Holt House.

GRACE E. MILLER

PHILADELPHIA CLUB

Into the file of things past but not forgotten goes the 1940-41 season for the Philadelphia Club. And most enjoyable it was.

There were eight meetings held, three luncheons including Founders' Day, two teas, two supper meetings and our annual picnic. Programs were nicely balanced consisting of both social gatherings and lectures, educational and entertaining. One of the latter was an illustrated talk presented by Mrs. Clifford Pierson, Pennsylvania I. Her subject was "The Old French Quarter of New Orleans."

This Year our Founders' Day celebration was held at the Home of Mrs. Raymond Denworth, Pennsylvania A, in Swarthmore. The Swarthmore group prepared and served a fine luncheon and the attendance was unusually large. A quiz program was conducted with everyone present taking part. Needless to say the questions concerned the Fraternity.

A picnic concluded the activities for the year. Husbands and wives gathered for an afternoon of soft ball and quoits followed by a hearty supper. Mrs. Kenneth Dye, Indiana B, was hostess.

We look forward to next year under the leadership of our officers both old and new.

LORETTA LACLAIR

SOUTHERN NEW JERSEY CLUB

The club has had two projects this year, knitting for War Relief and raising funds for the Settlement School. Our tea for the school brought more than \$50 and at a bridge tea in February we made \$26 to add to the fund. We have also given \$3 to the Loan Fund and \$3 to Holt House. We have 19 paid members.

MARION KEIGHLEY PARENT

GAMMA PROVINCE

BALTIMORE CLUB

The September meeting of the Baltimore Alumnae Club was a cooky-shine at the home of Mrs. Parker Frames held in true II B Φ fashion with good food and songs. Dorothy Krug, Beth Ferris and Mrs. William Royal presented a synopsis of the National Convention. With the aid of money given by the Alumnae, Maryland A redecorated their rooms. During the rushing season the alumnae assisted Maryland A.

In November Mrs. Richard TeLinde was hostess and the speaker was Mrs. James Greear.

Mrs. Robert Myers was hostess to the January meeting at which time the crisis in Baltimore's Panhellenic Association was discussed. The program was presented by Mrs. William Plummer upon Settlement School. Also in January a tour was made of the Elite Laundry to earn money toward that fund.

The February meeting was a banquet held with Maryland A following their initiation ceremony.

The hostess for the March meeting was Mrs. Arthur Walsh, and the business was the election of officers.

In April there was a banquet with Maryland A commemorating Founders' Day, with Mrs. Samuel Spruce as guest.

The May meeting was a picnic supper at the home of Mrs. George Moore. The II B Φ seniors of Goucher College were inducted into the alumnae club. Miss Onken visited Baltimore on May 18 and 19. The Alumnae had

luncheon with her and a tea was given in her honor at Goucher's Alumnae Lodge with 150 guests.

The final meeting will be a luncheon and swimming party at the home of Mrs. John Tottle.

The club has been able to send \$57.50 to Settlement School and \$10.00 to the Loan Fund.

BEVERLY MEYER FERTIG

CHAPEL HILL CLUB

This past club year has brought alumnae from other chapters into our membership roll and has increased the friendly spirit between us and the active chapter. We are very much pleased that Evelyn Bost, Florida A will be financial chairman on the chapter advisory board. Hold-over members from this past year are: Susan Rose Sanders, Elsie Lawrence, Mary Margaret Wray Russell, and Mary Shore Cameron.

Club membership is gradually increasing through town alumnae from the active chapter now that university administration allows town girls to enter the university for the entire four years. Naturally there is an increase of alumnae interest in rushing for this coming fall among town girls. Daughters of North Carolina A alumnae will soon be entering the university and we hope will be our "legacies" to the chapter.

Another optimistic note in our club life has been the steady increase of Settlement School interest throughout

the entire year by the sale of Arrowcraft orders through Millicent Perkins Lawrence, our chairman of many years' service.

We are pleased to announce the official promotion from magazine subscription chairman to club presidency of Mary Shore Cameron, N.C., A.

EDITH BAKER GEDUZ

CHARLOTTE CLUB

The Charlotte Alumnae Club has completed its fourth year of organization. It has been happy to welcome two new members, Mrs. Linton, a recent graduate of George Washington University, and Mrs. Boslough, from Denver, Colorado.

The club has held regular monthly meetings and monthly bridge parties to raise funds for the Settlement School. The Charlotte club has made a total contribution of \$27.53 to the Settlement School this year. It is also proud of the \$60 worth of Arrowcraft goods sold during the year. \$4 has been paid to the Loan Fund and \$4 to Holt House.

DOROTHEA SUMMERS

DELTA PROVINCE

DETROIT CLUB

The club has had five general meetings during the year including a Settlement School benefit and a Founders' Day luncheon. We have contributed \$150 to the Settlement School, \$10 to the Loan Fund, \$50 to Holt House, \$25 each to Michigan A and Michigan B, and \$20 to the Detroit Community Fund. Our magazine subscriptions earned \$98 for the Settlement School.

WILHELMINA SPIESS CHAPPELL

FRANKLIN CLUB

The Franklin Alumnae Club has had seven business meetings in addition to the cooky-shine in September, the Birthday Dinner in January and the Commencement Day Dinner in June. The May meeting was held in the active chapter rooms in the Woman's Dormitory and the officers for the ensuing year were installed.

Five dollars was given to the Settlement School and \$5 to Holt House. The sale of magazines amounted to \$63.35.

Ninety-six alumnae and guests were present for the Commencement Day Dinner held June 9. Following Commencement Day exercises held on the campus. Alumnae were present from California, Tennessee, Illinois, Ohio, and Michigan.

Plans are under way for a very interesting and profitable year next year.

MRS. RIEHL VANDIVIER

GRAND RAPIDS CLUB

High lights of a year of fellowship have been an early fall luncheon to plan help with rushing, a Christmas dessert party, a Red Cross sewing bee, a spring luncheon, a Founders' Day luncheon and a June party at the summer home of one of our members.

JUNE KINGSTON

HILLSDALE CLUB

A résumé of the meetings of the Hillsdale Alumnae Club is as follows:

The opening September meeting was a potluck supper and the year's meetings were planned. These were: in October, a luncheon with actives and guests during the college Homecoming celebration; in November, a co-operative supper and a report of Convention given by Gretchen Schatz, active chapter delegate; in January, alumnae and patronesses entertained the freshmen and seniors at a supper; in February, a co-operative supper and election of officers.

The April meeting was held with the active chapter following the Founders' Day Luncheon. Dressed in old fashioned clothes, active members presented a skit about the Founders. The June meeting was at the chapter house and combined with the Commencement Buffet supper given by the actives.

The Advisory Board has been very active and talks have been given by several alumnae at chapter meetings.

WASHINGTON CLUB

The past year has been an outstanding one in the annals of the Washington Alumnae Club. Throughout the year the club held eight regular meetings and one special business meeting. In November we were joined by the Junior Group and the active chapter. Slides of the Settlement School were shown and \$140.00 worth of Arrowcraft articles were sold. Our total sale of Settlement School articles for the year amounted to \$250.65.

We feel that we have had a splendid year when measured by the assistance we have been able to give to II B Φ Activities. In addition to the Settlement School contributions we have given about \$130.00 to the active chapter, and have also contributed substantially to the loan fund. The last report available to us shows that we sent in more magazine subscriptions than any other club.

The high light of the year's activities was the visit of Miss Onken at our May meeting. Miss Onken accorded our president, Peggy Pledger, the signal honor of personally installing her as our new president, to which office she had been unanimously elected at the March meeting.

ELIZABETH MCKELVY HAUCK

One of the nicest surprises of the year was when Vivian Lyon Moore was presented with a jeweled arrow from the active chapter in appreciation of her many services.

DOROTHY BURLEW

INDIANAPOLIS CLUB

The Indianapolis Alumnae Club of II B Φ closed its second year under the able leadership of Cleo Millikan Hall, Indiana Γ , with a paid membership of 105. Barbara Douglas McQuiston, Indiana A, will assume the helm of our group for 1941 and 1942.

Our magazine chairman, Sarah Birk, Indiana Γ , turned in \$519.41 in subscriptions. Our sale of Arrowcraft products totaled \$342.80. Contributions of \$5.00 each were made to the Loan Fund and Holt House.

We gave a spring tea for 125 prospective rushees for all Indiana chapters at the Indiana Gamma House in May.

The attendance at our annual State Founders' Day Luncheon was 355. At this time all charter members of Indiana chapters were honored guests.

Our interests this year have centered around a group of girls who will form a petitioning group at DePauw University. The university is eager to have II B Φ on the campus and the Panhellenic Council has given excellent co-operation.

For Christmas we sent each active chapter a subscription to Life Magazine. The Indiana Γ seniors were given memberships to our club for next year. Our Delta Province Conference was helpful and inspiring. We are looking forward to another active and successful year.

GRACE ADAMS GRANGER

LAFAYETTE CLUB

Our meetings have varied this year, part of them being supper meetings and others being dessert meetings. We have contributed to the Settlement School, the Loan Fund and the Endowment Fund.

EVA MAY MATER

SOUTHWESTERN INDIANA CLUB

The Southwestern Indiana Alumnae Club closed the activities of the year with a picnic in June at which the husbands were guests. Regular dinner meetings were held on the second Monday of each month, each hostess having two assistants.

A Christmas luncheon was given for the actives who were at home for the holidays and many alumnae attended who were not always able to attend the regular meetings.

A bridge party was held at which Settlement School products were displayed and sold. The products were also given as prizes.

During the year the club has contributed to the Settlement School, to the Loan Fund, to the Endowment Fund, and to Holt House.

Definite plans are now being worked out for the summer rushing program.

MURIEL KNIGHT LAWSHE

EPSILON PROVINCE

CHATTANOOGA CLUB

The Chattanooga Alumnae Club has experienced a most successful year under the capable direction of Mrs. Herman Barnett, president.

For the first time in its history, the Chattanooga Club has been divided into an afternoon and an evening group, and this arrangement has made it possible for a great many of our members to become active alumnae.

Founders' Day was celebrated with a banquet with eighty-one members of $\Pi B \Phi$ present.

We have contributed \$25 to the Settlement School, \$2 to the Loan Fund, and \$5 to Holt House. The alumnae club also arranged and paid for one of the rush parties of the active chapter last fall.

BETTY MARTIN

KANSAS CITY (MO.) CLUB

Three luncheon meetings and three dinner meetings were held during the year in addition to a Founders' Day cooky-shine and a Settlement School tea. We have 97 paid members. Funds have been raised through a movie benefit, the Settlement School tea, a Towle silver exhibit, and two rummage sales. We contributed \$500 to the Settlement School, \$100 to the scholarship we give annually to a girl at the University of Kansas City, \$10 each to Kansas A, Kansas B, and Missouri A chapters, \$4 to Kansas City General Hospital Christmas Fund, \$10 to Holt House, \$5 to Gold Star Scholarship, and \$5 to the Loan Fund.

NANCY NEWLIN

NASHVILLE CLUB

The Nashville Alumnae Club of $\Pi B \Phi$ has enjoyed a pleasant and worthwhile year. It was fortunate in having Mrs. George Hagee, Mrs. Arnold Simons, and Mrs. R. S. Wild visit in Nashville, each bringing inspiration and a broader view of our fraternity.

Regular monthly meetings have been held and all have

enjoyed contact with Tennessee B. At the first meeting after Christmas a Red Cross Sewing Guild was organized. It meets each week and plans to continue through the summer.

This year's Settlement School sale was the most successful in the club's history and as usual the work on magazine subscriptions was profitable. Contributions were made to the Settlement School, Loan Fund, and Holt House. A lovely buffet to complete the Tennessee B dining room furnishings was presented to the chapter and a diamond recognition pin was also given to be awarded each year to the girl making the greatest improvement in grades for the year.

DOROTHY BRYAN

ST. LOUIS CLUB

The St. Louis Club has had a very interesting and successful year. The programs at the regular monthly meetings have included the convention report, a style show, the Christmas party, a talk on porcelain, a March of Time quiz, movies of a trip taken by several of the members, election of officers, and the senior ceremony in May.

Of special interest was the tea on November 15, in honor of Marie Bacon Hagee, at which there was a sale of Settlement School goods.

On April 28, the Founders' Day banquet was held in the Starlight Roof of the Chase Hotel. Miss Amy Burnham Onken was the guest of honor.

The club sponsored a very delightful fashion show on June 4. It was held in the gardens of one of the members.

Twenty-five of the girls served as models. Tea was served after the show in another part of the gardens. This was the chief project of the club for the year and a very grand one.

The contributions for the year have been: to Holt House, \$25; to the Loan Fund, \$10; to the Active chapter, \$24.50; Christmas offering of silver to Settlement School, \$4.40; and to the Settlement School as the yearly contribution, \$1,000.

MARETHA CAMPEN SMITH

ZETA PROVINCE

BIRMINGHAM CLUB

The Birmingham Alumnae Club held its meetings during the year 1940-41 on the first Wednesday of every month. A Settlement School tea was given November 16. The total proceeds from this event and sales throughout the year was \$140.20. The club contributed \$10 to the Settlement School Fund, \$5 to the Loan Fund, and \$5 to Holt House. The outstanding event of the year was the Zeta Province Convention held in Birmingham this year. During the period April 25 to April 27 about seventy people were in attendance. General meetings and separate sessions for alumnae and actives were held during the days with a buffet supper and initiation on Friday and the Founders' Day banquet on Saturday. The club feels that it has had an unusually profitable year.

KATHERINE LIDE

LAKELAND CLUB

Reports for the year show that Lakeland Pi Phi continue to be 100 per cent in paid memberships. Besides the usual donations the club contributed to Holt House and the Birmingham Conference. Every member took a subscription through the magazine agency.

GRACE BLAND

ORLANDO CLUB

The Orlando Alumnae Club has held monthly meetings during the winter season and has entertained with a cooky-shine at each meeting. The April meeting was held at the home of Mrs. W. A. Pattishall and officers were elected for the coming year. Contributions to various funds included: \$15.00 for the Settlement School, \$5.00 for the Loan Fund, and \$5.00 for the Holt House Fund. The club was unable to send a delegate to the Zeta Province Convention in Birmingham this spring.

Florida Γ chapter at Rollins College was hostess at a buffet luncheon at the chapter house on April 26 in commemoration of Founders' Day on April 28. A large

number of alumnae were present and the gathering was enjoyed by everyone.

Summer rushing plans have been tentatively formulated and a definite program both for individual rushing and parties each month has been set up. The club feels it has had a very successful year.

MARY ALLEN

MIAMI CLUB

The Miami Alumnae Club began the club year by forming an auxiliary group which has been meeting twice monthly on Monday evenings. This group has been highly successful in reviving fraternity interest among the business girls who could not attend the regular afternoon meetings. A winter rushing program of informal get-togethers has been the main project of the auxiliary club.

Rushing was carried on during the summer under local Panhellenic rules by the club as a whole and ended with a swimming and supper party at a Miami Beach hotel.

Our main money-making project was the regular script dance in September at the Coral Gables Country Club. From the proceeds we sent \$50.00 to Settlement School, \$25.00 to the Loan Fund, \$25.00 to Holt House, and \$25.00 to the local Red Cross.

Our Christmas activities included a luncheon honoring the pledges and a tea dance honoring the actives.

Founders' Day was celebrated by the whole club with a cooky-shine followed by moving pictures of the Settlement School.

MABEL BENNETT GRILEY

TAMPA CLUB

The annual alumnae club tea dance for pledges was held on December 27. Decorations featured a Christmas tree and a large gold Arrow strung with electric lights. The dance was proclaimed one of the most successful of the Christmas season.

Pi Beta Phi have held an active part in the social life of Tampa this season. Lucille Smoak and Eleanor

Bushnell were listed among the ten candidates for Gasparilla queen. Mrs. Earl Brown, Martha Robbins, and Lucille Smoak were invited to become provisional members of the Junior League.

The club is happy to note quite an increase in its membership this year. This is due partly to the establishment of a local army air base. A number of the officers' wives are Pi Phis. Everyone seems to enjoy our

plan of holding monthly supper meetings at the homes of various members.

Founders' Day is to be celebrated at a dinner at which the candlelight ceremony will be featured.

A number of Pi Phis are active in Red Cross work. Mary Irene McKay recently received her instructor's certificate.

ELEANOR BUSHNELL

ETA PROVINCE

CARTHAGE CLUB

The Carthage Alumnae Club has held six meetings, these are held in the homes of the members, with the exception of Founders' Day, which was celebrated by a dinner at a local tearoom. The programs have been: report of Convention; report of installation of Wisconsin I by the Eta Province President; study of the model Constitution and By-laws; study of the duties of the alumnae club officers; quiz on the History and Constitution, based on the fraternity questions; news from the Settlement School; news from other fraternities, from *Banta's Greek Exchange* and *Fraternity Month*; news from the active chapters by the Province President; review of recent ARROWS. Parts of the initiation service and the Wishing Well were read at Founders' Day.

Seven dollars was contributed to the Settlement School, \$2.00 to the Loan Fund and \$5.80 earned as commissions for the Magazine Agency. The registration fee for the delegate to the Province Conference at Galesburg was paid by the club. The Province President also attended the conference from the club.

MIRIAM E. WILLIAMS

CHICAGO SOUTH CLUB

This club of seventy-two dues-paying members is divided into six groups, each with a group chairman, who by virtue of her position becomes automatically a member of the Executive Board together with the Officers and Committee Chairman. These groups have met in varying intervals of 2, 3, or 4 weeks throughout the year. We have had four general meetings—two cooky-shines each at a member's home, a Settlement School Tea at the home of our president, and a Founders' Day luncheon at the Lake Shore Club. This latter affair planned by the Chicago Area Council was well represented by members from each group represented in the council.

We have a printed year book. Chicago Alumnae Club South paid the expenses of its delegate, our president, Catherine Stultz Schaff, to the last national convention.

Six members of our club attended the Province Conference at Galesburg. At this conference we likewise had a delegate whose expenses were paid, our newly elected president, Elizabeth Suggs McShane.

At the close of this year our treasury shows a most substantial balance—this after a contribution of \$100.00 to the Settlement School and a gift of \$10.00 to the Monmouth chapter.

LOIS DONALDSON KOEHLER

CHICAGO NORTH CLUB

We have forty-one paid memberships, fifteen of whom are new members. We have met the full requirements of an alumnae club by having regular meetings devoted to a study of the fraternity, the nearest active chapter, and the Settlement School. We sold \$75 worth of Arrowcraft articles, gave \$25 to Illinois A, \$25 for helping defray extra-convention expenses of our club, \$10 to the Loan

Fund and \$25 to the Chicago Area Council of II B Φ clubs.

LOUISE BAKER

DECATUR CLUB

Founders' Day was celebrated May 3 in the Decatur Club with members of the active chapter as guests of the alumnae, making a total of seventy persons present. Wine and blue flowers decorated the tables. Mrs. Ira Young and Mrs. Fred Schudel gave reports on the Province Convention which had taken place the previous weekend. Active girls sang a program of Pi Phi songs.

Dorothy Dashner and Janet Hamilton were honored as outstanding seniors at the June breakfast on June 7 at South Side country club. Each of the eight seniors were given gold arrows on chains as favors with Dorothy and Janet receiving additional gifts, bon bon dishes. The seventy members were seated at individual tables with the seniors at a round table in the center. Red roses and blue ribbons were used in decorations.

The Decatur Alumnae Club has a printed year book and a membership of ninety-three women. It cleared \$45 at a spring rummage sale. The club sent \$100 to Settlement School and \$10 to each of the following: Loan Fund, Endowment Fund, and Holt House.

BARBARA JACK

LIBBIE BROOK GADDIS CLUB (AVON, ILL.)

The membership the past year was thirteen and seven meetings were held with an average attendance of seven. The usual contributions were made to the Settlement School and the Loan Fund. A copy of *Listen for the Voices* was presented to the Saunders Public Library of Avon. Founders' Day was celebrated with a visit to Holt House and a guest book was presented as a memorial to Fern Fennessy Rose, to whose interest and loyalty our club owes its existence. Three members attended the Eta Province conference in Galesburg in April.

EDITH CRISSEY

MADISON CLUB

The Madison Alumnae Club has completed its meetings and activities for this season and will not resume meetings until September 1941. We had a paid membership of 36, with an average attendance of 28.

Our money making projects were a rummage sale, a white elephant sale, and a sale of Settlement School articles. At the Settlement School sale we sold \$229.09 worth.

The Madison Alumnae Club contributed \$36 as National dues, \$50 to Settlement School, \$20 to Loan Fund, and \$5.00 to Holt House.

We feel that we have closed an unusually successful year and are looking forward to making the coming meetings next year equally so.

LOUISE DUNLOP FELSHER

THETA PROVINCE

AMES CLUB

The Ames Alumnae Club gave, this year, \$5.00 to the Christmas Settlement School Fund and \$75.00 to the general Settlement School Fund. \$1.00 was given to the Loan Fund, and \$5.00 for a scholarship to the local active chapter.

They had many interesting speakers among whom were Mrs. Robert Wild, assistant to Grand Vice-President,

who spoke on the new chapters and her visit to Holt House; Mrs. Wilma Phillips Stuart, Foods Editor of *Des Moines Register and Tribune*; Mrs. Geraldine Ristine, Province President; and Miss Onken, who was guest at State Day held in Ames, April 18 and 19. She initiated the two outstanding pledges of the Iowa Gamma chapter.

We are looking forward to another successful and active year.

MARY PASLEY

BURLINGTON, IOWA, CLUB

The following is the report of the Burlington, Iowa Alumnae Club, 1940-1941:

Resident alumnae	29
Paid members	22
Amount of dues	\$ 1.25
Number of meetings	4
Average attendance	18
Settlement School	\$35.00
Arrowcraft	\$79.40
Arrowcraft commissions	\$ 8.53
Magazine Fund	\$20.00
Magazine Fund commissions	\$ 7.05
Loan Fund	\$ 5.00
Holt House	\$ 5.00

CAROLINE KNAPP

COUNCIL BLUFFS CLUB

The close of the sixth year for the Council Bluffs Alumnae Club finds a membership of fifteen members, which is quite a loss from the original twenty-four. However, four delightful dinner meetings have been held during the year, with the true or false quiz on the Constitution probably the most entertaining program.

Small contributions have been made to the Settlement School, Loan Fund, and Holt House and a couple of shipments of Arrowcraft neckties were nearly all sold.

EDITH CURTISS SHUGART

DULUTH-SUPERIOR CLUB

The year ended with a very enjoyable picnic at the home of Elizabeth Huey McGonagle. It was an unusually lovely day and at this writing (with a Northeaster blowing) it doesn't seem possible that we were out in the garden without wraps.

We had our Founders' Day meeting at the Hostess House and elected officers.

We regret that we could not have a representative at the conference at Winnipeg, but hope that we will be able to send a delegate to Convention.

We are happy to welcome Mrs. Robert Walerius (Elaine Anderson), Minnesota A, who has moved to Duluth recently with her husband and young daughter Ann Maree, and is living at 2001 East Superior Street.

RUBY BURTNES OLNSTEAD

INDIANOLA CLUB

There were twenty-five paid members of the Indianola Alumnae Club this year, with occasional visits by out of town alumnae.

An informal meeting was held in September to discuss convention, and the prospective pledges and plans of Iowa Beta chapter. In October the new pledges were introduced at the club's regular dinner meeting. A tea was given at the chapter house for Mrs. Knapp during her visit in November.

The annual Christmas party held at the chapter house for active chapter, alumnae club, and mothers' club was a time of much gaiety, good food, and giving of gifts. The club gift to the chapter was \$5.00. As another Christmas activity, the club, with the mothers' club, held a doll and food sale. All varieties of dolls were dressed; stuffed animals and dolls were made; these and food were donated by members of both clubs and sold.

The club entertained at a Sunday tea following initiation for the new initiates and chapter members. Founders' Day was observed at a regular meeting at which a program was given by one of the club members and three chapter pledges.

EILEEN BREWER

WINNIPEG CLUB

The year's activities of the Club began with a get-together bridge. On October 19 Mrs. Knapp visited us. In November a party was given in honor of the pledges, and the December meeting took the form of the annual Christmas party. The Alumnae Club had charge of the Initiation Banquet which took place on January 11 at

the Fort Garry Hotel. In February the Club held a series of small teas to which one or two alumnae would invite several actives and pledges, and in this way we were able better to get to know one another. The Club helped sell tickets for a Greek War Relief Concert in March. As we are prohibited from sending exchange out of the country, the donations to the various funds had to be kept at a minimum and were sent in the form of War Savings Certificates. To Settlement School we sent \$8.00; \$2.00 to the Loan Fund and \$1.00 to the Holt House. Our final spring meeting was on the Constitution. The officers for the coming year were also elected at this time. The big event of our year was the very successful Theta Province North Conference which was held in Winnipeg on May 2 and 3.

DOROTHY PRECIOUS

MINNEAPOLIS CLUB

We of the Minneapolis Alumnae Club feel that we have had a most successful year. Our programs, following luncheon meetings, have included a talk on antique glass, hobbies of members, flower arrangements, making of Christmas decorations, and a skit depicting the history of Minnesota A, with the participants dressed in costumes of the year which they portrayed.

We have had a very enjoyable time, and the members have been most cooperative. Our magazine subscriptions have been somewhat higher than usual, have totaled \$108.00. We have given \$175.00 to Minnesota A, sent \$75.00 to the Settlement School, \$10.00 to the Loan Fund, and \$15.00 to Holt House.

Our annual Settlement School Tea, our benefit bridge party, and raffle of an afghan made by our members were all very successful.

IOLA COOLEY

SIOUX CITY CLUB

The Sioux City Alumnae Club has held monthly meetings in the homes of the members on the first Tuesday evening of each month. A rushing tea was held during the summer at the home of Mrs. Cody. Our club was represented at the Iowa State Day meeting at Ames, and at the Founders' Day meeting at Quincy. We entertained South Dakota Alpha chapter at a Founders' Day luncheon April 19 at the Warrior Hotel.

Members were examined on the constitution at the February meeting, and the annual election of officers was held in March.

The paid membership is twenty-three which is a slight increase over last year. We contributed \$20.00 plus commissions from magazine subscriptions to the Settlement School, and \$1.00 to the Loan Fund.

MARCIA WILCOX

ST. PAUL CLUB

The final meeting of the year 1940-41 was held at the home of Mrs. Royce Martin on White Bear Lake, May 26.

Committee reports showed a profitable year.

Total paid memberships number 38, a gain of 6 over last year. Dues amounted to \$70.00. Magazine commissions totaled \$32.47 (third in province). Edith Powers has finally convinced us that she can meet even the most exceptional offer made by any other high pressure salesman! Proceeds from the Rummage Sale netted \$87.43, Settlement School Sale commissions \$27.97, Minnehaha Dry Cleaning Sale \$50.00, Bingo game \$4.00, Dimes Quiz \$2.70, and extra suppers \$2.25.

We contributed \$100.00 to the Settlement School, \$10.00 as a Christmas gift to the Pi Beta Phi House, \$75.00 to the House Improvement Fund, \$2.50 for the Scholarship Award Locket, and \$36.00 for national dues.

Eight supper meetings were held during the year.

The annual joint luncheon of the St. Paul and Minneapolis Clubs was held in December at the Curtis Hotel, Minneapolis.

Founders' Day banquet which is always celebrated jointly with the Minneapolis Club was held this year at the Curtis Hotel with the Minneapolis Club officiating.

BETTY H. COULTER

IOTA PROVINCE

DENVER CLUB

Most of the seven meetings of the Denver Alumnae Club were held in the new house of Colorado B. A tea in

honor of new graduates, at the home of Mrs. Lowell White in September, was our exception. The Settlement School tea was also held at the home of a member November 12 and over 200 attended. The other meetings were

alternate luncheons and suppers with a variety of programs, such as, a book review, travel talk, constitution meeting in the form of the "Take It or Leave It" Radio Skit, etc. Founders' Day was celebrated with Colorado A as hostess at Lakewood Country Club.

The chapter used three methods of raising money—a benefit at Elitch's Garden Theatre, a series of five book reviews by one of our own talented members and the raffle of a merchandise certificate. We contributed \$350.00 to the Settlement School and various amounts to Panhellenic, Needlework Guild, the two active chapters, Loan Fund, Holt House, etc. Our paid membership was 92 and the average attendance 75. We are gratified by the interest of the young members.

LARAMIE CLUB

The Laramie Club held eight regular monthly meetings during the current year, devoted especially to rushing; entertaining our new house mother, Mrs. Nicholson; the annual Style Show; a visit from Mrs. Colvin, our province vice-president; a box supper for the active chapter; a study of the 1940 convention; the Founders' Day celebration; and election of officers. At the banquet with the chapter on Founders' Day the club gave awards to each active member having the highest scholarship in her class.

Five or six members were hostesses of each meeting. A rummage sale in March earned \$72.28, the Fashion Show \$113.19, and the Arrowcraft sale \$25.00, a total of \$210.47.

The club contributed \$25.00 to the Settlement School,

\$25.00 to the chapter for the Settlement School,
\$10.00 to the Loan Fund,
\$10.00 for Christmas gift to the chapter,
\$5.00 for special charity,
\$20.00 to the Downey-Hebard Memorial Scholarship Fund.

The House Board is supervising extensive repairs and some remodeling of the chapter house this summer.
HARRIET ABBOT CORTELL

WICHITA CLUB

During the past year, the Wichita Alumnae Club assisted in rushing in the fall and had a tea in December for the girls who are going away to school next year; at the November meeting heard a very interesting and enlightening talk on the Settlement School by Mrs. J. T. Cronkhite, who had recently visited the school; and had a Founders' Day banquet at which excerpts from the constitution were read and the new officers elected. We were delighted to have Mrs. Colvin with us at the March meeting. To encourage larger attendance, the club decided this year to set aside the first Tuesday of each month for its meetings and alternate between breakfast and dinner meetings, which seem to be the most successful.

Money was raised by selling 25¢ chances on a dress from one of the clothing stores. The profit from magazine sales was \$81.55. We have contributed to the Loan Fund, to Holt House, and to the Settlement School.

LENORA ASH

KAPPA PROVINCE

DALLAS CLUB

The Dallas Alumnae Club has completed another successful year. 101 memberships were paid during the year. Nine meetings were held at three of which the Junior Group was included. A total of \$532.82 in Arrowcraft articles was sold at the Settlement School tea held in November and through the rest of the year. \$200.00 was sent the Settlement School from the results of the bridge tournament and style show held April 18. \$30.00 was turned in from magazine subscriptions. Over 50 cookbooks and 25 rainhats were sold during the year. The student loan fund was sent \$25.00, Holt House \$5.00, and the chapter was given curtains costing \$18.94, awards totaling \$5.00 and rush parties totaling \$36.46. \$10.00 was spent on rush parties for Texas A.

Summer activities of the club will include incorporating in order to build a lodge for the chapter on the campus, appointing a secret committee to pass on all club recommendations and sending a member from each of the three groups of the club to the province conference to be held in Oklahoma City June 16 and 17.

MARTHA WHITELEY GRAY

AUSTIN CLUB

This past year has been a very successful one for the Austin Alumnae Club. In July the club entertained informally the active Pi Beta Phi in Austin and their Austin rushees. This was followed later in the fall by the alumnae tea given in honor of Texas A's new pledges.

The most profitable rummage sale in the history of the club was given October 19 for the benefit of the Settlement School. The club also made a donation to assist the Holt House restoration.

An open house was held for the Province President, June Harris Granger (Mrs. C. E.) and Mrs. Frances Waltman, house mother for Texas A chapter.

The annual Settlement School Tea was most successful, coming just in time for Christmas buying.

Texas A and the Austin Alumnae Club were delighted to have Olivia Smith Moore, Province Vice-President, visit them and the alumnae club called a special meeting March 26 at the beautiful home of Bernice Wilder Ikens, whose garden was one of Austin's loveliest.

On May 18 Austin Alumnae Club had its first annual senior party for the Texas A graduates, entertaining with Sunday breakfast at the Austin Country Club.

MARGARET PRESSLER BARR

FORT SMITH CLUB

The Fort Smith Alumnae Club has completed a very successful year under the leadership of our president,

Helen Maxwell. We have had at least nine regular meetings with an average of twenty in attendance.

We have contributed \$10.00 to the Settlement School and \$5.00 to the Student Loan Fund. The magazine subscriptions sent through the Central Office amounted to \$81.00.

The last meeting of the year was held May 12, and was spent planning rush parties for the summer.

VIVIAN HARPER

FORT WORTH CLUB

The Fort Worth Club met the first Tuesday in each month for luncheon at the homes of the members. Each member contributed twenty-five cents at the meetings to be given to the British Relief or to the Red Cross.

The Settlement School tea in December and the rummage sale in March were both quite successful. There have been so many demands for Arrowcraft products that Mrs. E. L. Sloniger has agreed to accept and fill orders all during the year.

We are very proud of our fine pledges at Texas A and of our new alumnae members.

FRANCES STERNENBERG COHAGAN

HOUSTON CLUB

As a memorial to Mrs. J. C. Townes, Jr., a former member of the National Board of Trustee Funds, the club has donated \$10.00 a year for the next five years to the Holt House Fund.

Mrs. J. B. Smith (Margaret Tasher) served as vice-president of the Alumnae Panhellenic group of Houston, and will become president next year.

The big problem of making money was solved by each alumna placing 10¢ a week into a pig bank, and at the end of the year barbecuing the pigs. About \$175.00 were received. Arrowcraft sales amounted to \$620.43. Vanilla sales had a profit of about \$35.00. The treasurer reported an income of \$1,250.00 and the following expenditures: Settlement School \$200.00, Loan Fund \$10.00, Texas Alpha Chapter Gift \$25.00, Alumnae rushing in Houston during the summer \$65.00, yearbooks \$15.00, hostess at Panhellenic tea \$7.60, robes for Tennessee B \$17.00, and a paid delegate to the conference \$25.00. The Junior group made \$55.00 profit on magazine sales and gave a gift of \$25.00 to the new Tennessee Beta chapter.

The Houston Alumnae Club sponsors the Texas Alpha chapter, and was pleased over the award of the Dean of Women's Scholarship Cup for the highest percentage of scholarships for pledges. This is a signal honor as Texas had pledged more girls than any other fraternity, totaling fifty-seven and all but five were initiated. Ten pledges made all A's and B's. Dorothy Ball, daughter of Mrs. David Ball (Gladys Martin), was Sweetheart nominee of

Texas University and was chosen Sweetheart of the Duke Relays. Jeanette Russell, daughter of Mrs. J. H. Russell (Jeanette Markle), has been chosen candidate for the Amy B. Onken Award for Kappa Province.

MARY TANGRED THOMPSON

MUSKOGEE CLUB

The Muskogee Club although a small organization has had a successful year. With 24 paid members we averaged 15 in regular attendance at our nine regular meetings. For money making we held a rummage sale, sold cook books and magazines, and raffled off gifts. We have contributed \$45 to the Settlement School, \$5 to the Loan Fund and \$5 to Holt House. At a Settlement School tea we sold \$400 worth of goods.

MARGARET FITCH BANKER

NEW ORLEANS CLUB

A well-balanced program of fraternity and community service rounded out the year of 1940-41 for the New Orleans Alumnae Club, including in its scope diversified activities.

The year began with a large rushing party at the home of Mrs. Donelson Caffery, attended by alumnae in a body, following a meeting in the rooms. The next major event was the Christmas sale at the home of Mrs. William B. Monroe. The \$402.00 netted is being used for contributions to local welfare work and to help the active chapter, as well as for National fraternity projects, Settlement School, and Loan Fund. The Spring Bridge Party, an annual event, earned \$216.00 and was held at the home of Mrs. Thomas A. Parker. A successful new money-raising scheme this year was raffling a pair of season tickets for Tulane's football schedule, resulting in \$40.95.

Both alumnae and actives are taking part in work with the British War Relief and the alumnae have formed a unit for working at Red Cross Headquarters. Many Pi Beta Phis participated in the Military Ball given by the Junior League for enlisted men, in line with the United Service Order plans. At regular meetings alumnae make bandages for a local hospital.

LOIS SAUNDERS PORTEUS

OKMULGEE CLUB

The Okmulgee Alumnae Club held its first meeting of the 1940-41 season at the home of Mrs. Robert R. Beideman at which time Lula Mary Matheny, a new bride, was honored. Margaret Pine, who is to be married March 8, was honored at the February meeting.

Plans are being made at this time to raise money for the Settlement School and Loan Funds.

The membership is larger in the Okmulgee Club this year than it has been for several years and all of the meetings have been well attended.

Two new members have been added this year, Mrs. Tom Martin (Ruth Davidson, Oklahoma A) and Miriam Thompson (Oklahoma B).

MAXINE DOUGLASS

SAN ANTONIO CLUB

The alumnae club has just elected its new members for the coming year. They are as follows: Mrs. James McCann, president; Mrs. William McMillan, treasurer; Margaret Whisenant, secretary and rush captain for the summer; Edith Cochran, corresponding secretary.

The beginning of the summer rushing will start with the first meeting June 11 at the home of Mrs. Caleb Adams. Many small parties and two large ones will be planned for the rushers. As in the past the rushing will be done mostly by the active members in this town. This is usually done informally, leaving the large and formal parties to the alumnae members.

The Settlement School sale was very satisfactory and the sale of brooms is still going on. The Settlement School sale was given at La Villita, a model Mexican village built by the W.P.A.

The Towle silver manufacturers showed their silver patterns at a tea at the home of Mary and Catherine Webb. \$75.00 was given to us by them for having over a hundred people in to give their opinions on new patterns.

\$50.00 was given to the Scholarship Fund, The Settlement School, and Holt House.

EDITH DE LESPINE COCHRAN

STILLWATER CLUB

The winter has been a very busy one for the club. With a membership of thirty, we have had seven meetings which have been varied and interesting. Several of these meetings have been held in conjunction with the active chapter.

The year's activities started with a covered-dish supper, held at the home of Leah Schedler, which was followed by the usual business meeting.

In November, a meeting was held at the chapter house in the interest of Oklahoma B. After the meeting the actives joined the alumnae in a cooky-shine.

The Christmas party was given at the home of Susan Willham. The members of the club exchanged gifts.

The next meeting was held in January, at the home of Mrs. H. A. Graham (Hattie Hayman). Mrs. S. L. Brown, the National Historian, was a special guest.

In February, the husbands and escorts were entertained with a dinner-bridge at the chapter house. Also, the mothers' club and alumnae club had a joint meeting. Mrs. C. E. Granger, the Province President, and Mrs. Henry Moore, Jr., the Province Vice-President, visited the alumnae and actives in February.

The March meeting was at the home of Mrs. Roger Flanders (Elizabeth Boyd), at which time the club elected officers for next year.

To celebrate the founding of $\Pi\beta\Phi$, April 28, the alumnae, actives, and pledges held a formal dinner at the College Shop in Stillwater. There were about eighty present.

The alumnae club assisted the mothers' club in giving a picnic for the actives and pledges.

The annual report of the treasurer shows contributions for \$10.00 to the Settlement School, \$5.00 to the Holt House, and \$5.00 to the Loan Fund.

After the Senior Breakfast at the chapter house, June 1, the alumnae had a short business meeting to complete plans for attending the Kappa Province Conference in Oklahoma City, June 16 and 17.

RUTH G. MORGAN

LAMBDA PROVINCE

BOISE CLUB

The Boise Alumnae Club, with twenty-eight paid members, closed a very successful year with a picnic dinner in the lovely garden of Dorothy Chester's suburban home. At this meeting it was voted to give a week at camp to some deserving Girl Scout.

During the past year our bridge parties and our book review tea were socially as well as financially successful.

In addition to the Girl Scout campership we have made the following donations: Settlement School \$50.00, Loan Fund \$10.00, Holt House \$5.00, cancer control \$1.20, and active chapter \$5.00.

FRANCES GALLET GRABNER

BOZEMAN CLUB

Mrs. Frances Knapton, our president, opened our first meeting in September at which we discussed plans for

Rush Week. The alumnae entertained the new pledges with a cooky-shine in October.

Mary Baxter, President of Montana A, gave a very interesting report of the Pasadena Convention at our November meeting. A joint Christmas party was held with Montana A just before the Christmas holidays and the alumnae exchanged inexpensive but useful gifts.

Mrs. Lois Payson, who is Librarian at Montana State College, and who had a year's leave which she spent in Mexico, talked to us at our January meeting. Her talk of her travels and experiences was very clever and entertaining.

The February meeting included the reading of the Constitution. In March the Settlement School was discussed and new officers were elected.

We celebrated with Montana A on Founders' Day at a banquet in the new Student Union Building. Out-of-town alumnae joined us at this celebration and the active chapter had charge of the program which was a clever take-off on Kay Kyser's college.

Because of rainy weather our picnic in May was held

at Mrs. Jack Lovelace's home. We had a very enjoyable time sitting and talking in front of the fireplace.

We will have our annual luncheon at Gallatin Gateway Inn in August. There are always a good number of out-of-town people for this affair.

Our magazine sales were unusually successful and contributions were made to the Loan Fund and Settlement School.

GEORGIA HEISICK

SPokane Club

The Spokane Alumnae Club has completed an unusually busy and interesting year under the very capable leadership of Mrs. L. C. Rhodes (Marcella McCormick, D.C. A). We were the hostess club for the Lambda Province Convention held at the Davenport Hotel April 26 and

27. One hundred and ninety-nine Pi Beta Phi registered, breaking the records set by the two previous province conventions.

Mrs. Ted A. L. Thompson, Lambda Province Vice-President, presided over the very instructive discussions. The convention voted to go on record as favoring a limited tenure of office and more alumnae representation, details of which will be worked out by a committee appointed by Mrs. Thompson.

Spokane Pi Beta Phi has assisted the Community Chest Board throughout the year by showing before various groups a film illustrating and explaining the use of Community Chest funds.

Spokane Club contributions were: Settlement School—\$75.00, Red Cross—\$10.00, Community Chest—\$5.00, Spokane Civic Art Center—\$10.00, Loan Fund—\$5.00, and Holt House—\$5.00.

JOAN JARVIS

MU PROVINCE

LOS ANGELES CLUB

A picnic on June 14 at the home of Jessie Greve Horton will bring to a close a most successful year for the Los Angeles Alumnae Club. Our roll now shows one hundred sixty-six paid members, an all-time high.

The Settlement School Benefit was a circus again this year. Olive Latham and Lorothy Tulien with a committee and Pi Phi husbands carried it through successfully in spite of the elements.

Santa Monica Alumnae Club and the active chapters joined with us in a luncheon at the Miramar Hotel in Santa Monica for Founders' Day. We were honored by the presence of two National Officers and several members of I. C.

On June 2, the club gave a tea in honor of Mrs. Finger, our Grand Secretary, at the home of Olive Latham. Invited guests included the Presidents and delegates of the twenty-one fraternities represented in Panhellenic.

The Gray Lady Unit has completed its course, passed its examinations and will take charge of the Recreation Hut at Sawtelle in June.

The Knitting Unit has turned in fifty sweaters to the Red Cross.

Due to the efforts of our chairman, Edith Burr, we stand first in magazine subscriptions in Mu Province.

ANNE M. BAHNSEN

LONG BEACH CLUB

The year has been most successful and happy with Mrs. William T. Hatfield (Gwendolyn Parshall, Oregon B) as president and thirty-one active members. The activities have allowed the sums of \$5.00 to Holt House, \$3.30 for magazines, \$25.00 to Settlement School, and \$10.00 to the Loan Fund.

The cooperation of near-by clubs has given the opportunity for exchange of ideas. There have been visitors at all the meetings. The highlight of the year was the Founders' Day breakfast held on Sunday morning, April 27, at Lakewood Country Club. Two members of Grand Council were in attendance—Grand Vice-President, Mrs. Warren T. Smith, and Mrs. Ray H. Finger, Grand Secretary. Not often does a chapter have the honor of two Grand Officers at one time. Mrs. R. W. Shirey (Leah B. Shaw, Nebraska B) spoke to us. Her subject, "These Things We Will Keep," was most inspiring. To Mrs. Charles D. Barnes (Mary E. Miller, Kansas A) was given a new Arrow. She had given her I. C. pin, at the 1941 Convention, to be used as a scholarship award. We had other guests from Los Angeles, Santa Ana, and Glendale. The meeting was closed with the candle lighting by Mrs. Earl F. Cody (Calista Belle Thurston, Iowa Z) and her daughter, Kathryn Cody (California A).

The election meeting was held at the home of the president, Mrs. William T. Hatfield. Mrs. Isabel Dickenson from Glendale gave us a history of Pi Beta Phi.

MARJORIE WHITNEY PRATT

PALO ALTO CLUB

At the March meeting there was a display of talents and heirlooms. Among our new members we welcomed Mrs. Hal Burdick, the "Dr. Kate" of the radio. In May the club was hostess at a pledge breakfast for the pledges before their initiation. The year closed with a picnic luncheon in June.

MARGARET H. DEARING

PHOENIX CLUB

The Phoenix Alumnae Club of II B Φ opened the year's activities with a cooky-shine where plans were made for the year and yearbooks were distributed. All II B Φ members in the Salt River Valley, the Tucson Alumnae Club, and active chapter received a copy. Advertisements were sold to cover the cost of printing, and the profits went to the treasury for service work.

Miss Helen Waugh, Mu Province vice-president, was entertained in November. The December meeting was a Christmas party. The annual white elephant party was held in January. Election of officers took place at the March meeting.

The club raised money by having a raffle of Settlement School articles at each meeting. Contributions included: \$5 for the loan fund, \$10 for the Settlement School, and \$25 for the active chapter.

Phoenix Alumnae Club was hostess at the Panhellenic spring luncheon.

Founders' Day was celebrated at a breakfast with the candle lighting ceremony followed by a tribute to Mrs. Soule.

The average attendance was thirty at each meeting.

MARGARET FLORIAN

SAN FRANCISCO CLUB

Our outgoing president, Mrs. H. C. Hendee, terminated her second year of office with a very fine financial report, leaving a sum of over one hundred dollars in the treasury, with which the next year's officers can begin their year.

Contributions were made as follows: Settlement School, \$50; Loan Fund, \$10; Holt House, \$5; British War Relief (proceeds from a Silver Tea), \$115; California A and California B (Actives), each \$10.

Settlement School sales were \$75.15. Magazine profits were \$30.90; rain hat profits, \$24; stationery profits, \$17.65.

LILLIAN B. STOOKEY

SAN MATEO COUNTY CLUB

The San Mateo County Alumnae Club held four supper and two luncheon meetings as well as a large Settlement School tea. Founders' Day was celebrated with the other Bay Region Clubs at the Orinda Country Club on April 19. We contributed \$2.50 to the Loan Fund, \$2.50 to the Holt House Fund, and \$15.95 to the Settlement School Fund, for although we sold \$180.15 worth of goods, \$63.25 had to be credited to the Berkeley and San Francisco Clubs from whom we secured the goods to sell.

We sent many representatives to the Palo Alto Club activities, besides giving a flower bowl with accessories to the California Alpha chapter. We have 20 members.

JESSIE B. WADE

SANTA BARBARA-VENTURA

The Santa Barbara-Ventura Alumnae Club reports a very successful and enjoyable year. We have a small membership and have found that pot-luck suppers, so easy for each hostess, bring the greatest attendance. Our money for Pi Phi gifts was raised with a ticket contest the first of the year. We made \$40.00 which we dispersed in the following manner: \$5.00 to the Loan

Fund, \$20.00 to the Settlement School, and \$15.00 to the Settlement School for the purchase of Arrowcraft goods. With this stock on hand, the Club uses one item each month for a so-called "White Elephant." Each member pays \$.10 and the winner becomes the proud possessor. Also we urge our members to remember this stock whenever the need arises for purchasing a gift. This \$15.00 therefore does double duty; that of helping the Settlement School and that of paying the running expenses for our Club.

ANNE MCFARLAND

SANTA MONICA CLUB

June and again the end of the year approaches. In retrospect it has been both busy and satisfactory!

September brought reports from Convention delegate and committee chairmen for that occasion. In October reciprocity was the keynote, with nearby clubs and active chapters well represented, the former including several national and province officers. Recognition pins were presented to Barbara Hunter, California T, and Eleanor

Thomas, California A, the 1939-40 pledges attaining outstanding extracurricular records. Later motion pictures of famous Southern gardens were shown. November was reserved for the Settlement School tea. By the end of the year sales for the school exceeded \$250.

Beginning the year 1941 much rain had dampened Californians' doorsteps but not their ardor! The annual review of the Fraternity constitution was scheduled for January and in February a lively discussion of modern newspaper trends was led by a local journalist.

At the March meeting Mrs. Peter van Destenhoven, a former resident of Holland, related some of her experiences there during and after the German occupation.

On April 26 the Los Angeles and Santa Monica clubs and the two active chapters here joined in celebrating Founders' Day with a beautiful luncheon at the Miramar Hotel. Mesdames Loyd Wright and Henry Snure of Los Angeles were the co-chairmen of the affair while Mrs. J. E. Curran of Santa Monica provided a most interesting program. Attendance was the largest in several years. The election of officers in May was followed by a June social meeting.

To Mr. and Mrs. Eddie Zongker (Charlene Baker), a son, James Baker, on October 6, 1940.
To Mr. and Mrs. L. L. McAninch (Vera Mowery), a daughter, Mary Kay, on March 6, 1941.

Personal

Mrs. G. S. Jennings, Jr. (Hortense Caton), had the Founders' Day celebration for the Medford, Oregon, group at her home.

LOUISIANA ALPHA

Marriages

Marjorie Levezich and Alfred Moran, on February 11, 1941.
Gloria Grehan and Ensign Wm. Conner Ellis, U.S.N.R., on July 5, 1941.
Helen Mary Meyers and William Grace, on July 26, 1941.
Pamela Robinson and Richard Cheetam Plater, on September 6, 1941.

Births

To Mr. and Mrs. William A. Porteous, Jr. (Lois Saunders), a daughter, Anne Saunders, on March 9, 1940.
To Mr. and Mrs. E. L. Butler (Gwin Murrell), a son, Lawrason Gwin, on April 5, 1941.
To Mr. and Mrs. Leon Irwin, Jr. (Olivia Bartlett), a son, John Bartlett, on July 21, 1940.
To Mr. and Mrs. Harry B. Kelleher (Nellie May Bartlett), a son, Harry B., Jr., on May 7, 1940.
To Mr. and Mrs. Ralph Speer, Jr. (Melanie Holt), a daughter, Margaret Asheton, on February 1, 1941.
To Mr. and Mrs. E. Otis Jenkins (Marjorie Mitchener), a daughter, Marjorie Mitchener, on February 9, 1941.

Personal

Mrs. Pierre Durieux (Caroline Wogan), state supervisor of art for the W.P.A. in Louisiana, left June 17, 1941, for South America, where she will spend several months making a survey of art. This is part of the general cultural exchange between the Americas. Appointed by the Museum of Modern Art of New York, Mrs. Durieux has been granted a leave of absence for the duration of her work by the W.P.A. and by the Newcomb College Art School, where she is assistant professor of art. Having traveled extensively she is thoroughly conversant with not only the Spanish language but also with the works and ideas of Latin-American peoples. She lived at one time for four years in Cuba, spent a year in South America and ten years in Mexico.

MANITOBA ALPHA

Engagements

Zelma Tyndale and Walter Pritchard.
Dorothy Precious and James Arnold Coulter.
Margaret Bjornson and Alan Adamson.

Marriages

Jane Duff and James Keith Murray. At home, The Brentwood, Ottawa, Ontario, Canada.
Glendora Moorison and William Sharpe.

Births

To Mr. and Mrs. Bud Rieger (Christine Turnbull), a daughter, Martha, on March 15, 1941.

NEVER BEFORE in our generation has such a large premium of *Satisfaction* been placed upon *Planning Ahead and Action*—NOW.

GONE ARE THE BUTTERFLY DAYS—when it was possible to improvise a party—wire for bids, programs, and favours to be rushed to meet the emergency.

THESE ARE THE DAYS OF REAL NATIONAL EMERGENCY—priority orders have first claim on important metals especially zinc, copper, and brass. Consequently we are limited to the materials which we can obtain, thus slowing production . . . Manpower is requisitioned for Army, Air, and Navy training . . . Prices are on the rise . . .

What is the solution? Why, *Cooperation*, of course.

Plan Your Social Season Now

Select Your Gifts for Christmas
Early!

WE PLEDGE BALFOUR SERVICE

- (1) To give the best deliveries possible under existing conditions and to guarantee delivery where orders are placed far enough in advance.
- (2) To maintain prices insofar as possible, and continue to guarantee the best value for the price paid.
