# Arrow OF PI BETA PHI

## EDITORIALS

Grand Council announces that Convention 1954 will be held July 5 to 11, at the Roney Plaza Hotel, Miami Beach, Florida.

The hostess provinces will be Zeta and Epsilon. The Convention Guide will be Virginia Prather Woolley (Mrs. Hall S.), Texas A, of 800 Palermo Avenue, Coral Gables, Florida.

Begin now to make your plans to attend! And watch for further information in the December ARROW.

## SCHOLARSHIPS

For the coming year, scholarships will again be available to Pi Beta Phis who can qualify for them on the basis of need, fraternity service and loyalty, activity participation and scholastic record. These are given from three separate funds: the California Alpha Fund makes available three scholarships of \$340 each for undergraduate members. Applications for these scholarships should be sent to Mrs. W. B. Owens, 593 Alvarado Row, Stanford University, by May 15. A personal letter should be written by applicants covering the four points upon which the awards are based, and must be accompanied by a letter of recommendation from the Advisory Committee of her chapter.

The Ruth Barrett Smith Scholarship is given by the Alumnae Department, and applications for this should be sent to the Grand Vice President by May 15.

The Harriet Rutherford Johnstone Scholarships are awarded by the national fraternity, and their number depends upon the amount of money available in the Scholarship Fund, augmented by contributions from active chapters. This year ten scholarships were possible from this fund. Each year it is hard for Grand Council to decide on the award of these scholarships—so many worthy girls must be refused because there is just not money enough to supply all needs. Surely here is a project which should have ever-increasing support from our members! For many girls the receipt of one of these \$300.00 gifts means the difference between leaving college and staying to graduate, and this fund should be greatly enlarged by contributions; generous contributions these should be too, for surely this work is one of our major projects, and should be greatly expanded.

Applications for these scholarships should be sent to the Grand Secretary by May 1—the requirements are the same as for the others, and applications should be accompanied by a personal letter, and a letter from the chairman of the Advisory Board of the chapter.

The Alumnae Department grants an annual scholarship also, named for Ruth Barrett Smith, and application for this should be made to the Grand Vice-president by May 1.

## PI BETA PHI FELLOWSHIP 1954-55

For the year 1954-55 the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1954.

All material should be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

## CORRESPONDING SECRETARIES PLEASE NOTE!

The pages giving supplies and the active and alumnæ calendars will be found at the back of the ARROW.

Chapter letters will appear in the December and March issues only, with a brief report of late honors only, in May.

Alumnæ club letters will appear once a year only, in the May issue, and should be brief reviews of the activities of clubs since the previous May issue appeared, with special emphasis on matters of general interest to other clubs.

Chapter rush captains will be listed as before in the May issue, but their names will not be used in chapter letters.

Names and addresses of Alumnæ rush chairmen and State rush chairmen will be sent out in mimeographed form by Central Office to those who need them.

In Memoriams will be handled as before, and Central Office requests newspaper clippings or letters from relatives when they are sent in—this is done to avoid any possibility of error.

For the present Alumnæ Personals will no longer be used.

→ → →

## ANNOUNCEMENTS

Grand Council announces the following national awards:

Balfour Cup—Texas A

Stoolman Vase—Oregon Γ

Philadelphia Vase—(jointly awarded) Alabama A and D.C. A

Vera Moss Bowl (greatest gain in position on standardization report)—Vermont A

Nita Hill Stark Vase (chapter history award)—Kansas A

National Historian's Award—Colorado A

National Amy Burnham Onken Award—Carol Trohan, Arizona A, of Washington, D.C.

Adda Prentice Williams Award, for the chapter scholarship chairman with most constructive program, Martha Bowman, Ohio Δ (this is the new award mentioned in the Message of the Grand President.

Province Vice Presidents' Award—Chapter having largest percentage of its membership paid members of the National Alumnæ Association—California E

## HISTORIES

Have you an extra copy of the Pi Phi History? The last edition is exhausted so that there are none to give to new initiates. If any Pi Phis have copies no longer wanted, will they please send them to Central Office?

The Northern New Jersey Club has a talented member who has made some charming figures representing the Founders which are to be for sale. Of this, more information in a later issue.

## SUMMER CONFERENCE

And so, another college year begins, with the always exciting feeling in the air of rushing and new opportunities for success of chapters. For the officers of the Fraternity, the year begins with the impetus of new enthusiasm, new knowledge, gained at the June meetings of Grand Council, Province officers, and Settlement School committee at Gatlinburg. Many fraternities call such meetings leadership schools, but they are really more than that. At these meetings officers, many of them new, discuss their mutual problems and the best way to meet them, and learn fraternity procedures. Best of all, the officers got from the Gatlinburg gathering a new knowledge of the Settlement School, its growth and its management, and an appreciation of what such a great national project means in the life of Pi Beta Phi. They saw, too, the Summer Workshop for Crafts in full operation, met the fine people who were students there, and saw the beautiful examples of the work they have learned for the first time or have perfected there. Truly the Conference was for all an inspiring experience, one to be long remembered, and to be shared with Pi Phis everywhere.

*Wile Taylor Alford*

## DO YOU KNOW THAT

Pi Beta Phi has 99 chapters?

Pi Beta Phi has now two colonies, one a year old at Penn State, authorized by the Shamrock Convention, and to be installed this fall, the other a new one authorized by Grand Council, to be organized this fall at Colorado A and M at Fort Collins?

the 1953 meeting of Grand Council held at Gatlinburg, included a leadership conference of province officers at the same time as the meeting of the Settlement School Committee?

Pi Beta Phi has 256 alumnae clubs?

Convention 1954 will be held at the Roney Plaza Hotel, Miami Beach, Florida, July 5 to 11?  
the hostess provinces for Convention will be Zeta and Epsilon?

Pi Beta Phi this year is giving 14 scholarships to undergraduates?

the Emma Harper Turner Fund is now giving needed assistance to 14 members of the Fraternity?  
in the past year 11 loans were made from the undergraduate loan fund?

the new Staff House at the Settlement School was finished this spring and formally dedicated during the meeting of Grand Council and the Committee?

it costs \$260 to furnish a room in Staff House?

Delta Province is furnishing four rooms at the Staff House?

Los Angeles is furnishing a room in honor of Ruth Barrett Smith, Ethel Copp, and Lois Finger?

Washington, D.C., has furnished a room at the Staff House in honor of Winslow Hutchinson Nesbitt?

Indianapolis is furnishing a room in honor of Marianne Reid Wild?

Detroit is furnishing a room in memory of Evelyn Holliday Bridge?

Jacksonville, Ill., gave \$50 toward furnishing the house in honor of Amy Onken?

114 members of Pi Beta Phi transferred to chapters other than their own last year?

a new award given by Miriam Williams, former Eta Province President, to be called the Adda Prentice Williams Award, is to be given annually to the chapter scholarship chairman presenting the most constructive program for scholarship improvement—the choice of recipient to be made by the national scholarship chairman from recommendations made by the province scholarship chairman?

the Fraternity has at the present time, out in chapter house loans \$393,493.85, all from interest on various funds?

Pi Beta Phi chapters own property valued at upwards of five and a half million dollars?

# Report of the Annual Meeting of the Grand Council of Pi Beta Phi—1953

The Annual Meeting of the Grand Council of Pi Beta Phi was held in Gatlinburg, Tennessee, June the sixteenth to July the second, nineteen hundred fifty-three, with the Grand President, Marianne Reid Wild, presiding. All members were present. The meeting opened with the Ritual. During the Province Officers' Conference the meeting of the Grand Council was recessed and, again, for a session with the Settlement School Committee, also holding an annual meeting. The Director of Central Office met with Grand Council for a one day Conference, and was also with the province officers for a meeting.

Careful attention was given to the reports of all national officers, province officers, national committee chairmen, and Central Office. All problems and recommendations were considered.

The Standardization and Survey Report, the recommendations of the Province Presidents, and other familiar sources of information regarding the chapters of the fraternity entered into the decisions concerning the awards. It was decided unanimously that the Balfour Cup would be awarded to Texas Alpha; the Stoolman Vase, to Oregon Gamma; the Philadelphia Vase, to Alabama Alpha and D.C. Alpha jointly; the Vera Moss Bowl, to Vermont Alpha; and the National Amy Burnham Onken Award, to Carol Trohan, Arizona Alpha. Letters of commendation were to be sent to Nova Scotia Alpha, Iowa Alpha, and Michigan Alpha for their outstanding gains in the Standardization and Survey Report.

The Harriet Rutherford Johnstone Scholarship applications were studied and scholarships for the year 1953-54 granted to Martha Bowman, Ohio Delta; Carol Seibert, Illinois Zeta; Janet Wagner, Illinois Beta-Delta; Judith Davis, Indiana Delta; Frances Jones, Massachusetts Beta; Virginia Boberg, Texas Alpha; Anita Ramsdale and Ruth Johnson, Maine Alpha, and Mary Hurst, Illinois Theta. The scholarship given by the Pittsburgh Alumnae Club, in honor of Lucile Douglass Carson, Grand Secretary, was awarded to Suzanne Ritter, Pennsylvania Gamma. It was announced that the Ruth Barrett Smith Scholarship had been awarded to Barbara Hill, Colorado Beta and that the three California Alpha Scholarships had been granted to Gretchen Burkle, Ohio Zeta; Meredith Luther, California Beta, and Adele Brown, New Mexico Alpha.

It was decided that the income from the gift of Miriam Williams, Illinois E, to the fraternity in honor of her mother, would be used to establish an award to be given annually to the chapter scholarship chairman who has set up the most effective scholarship-promotion program. This award is to be known as the Adda Prentice Williams Scholarship Chairman's Award. The selection is to be made by the National Scholarship Chairman from nominations presented by the Province Scholarship Supervisors. The chapter chairman receiving the Adda Prentice Williams Scholarship Chairman's Award for the year 1952-53 is Martha Bowman of Ohio Δ.

The appointments for the 1953-54 chapter visits of the members of the Grand Council were announced as follows: Beta Province—the Director of Extension;

Delta Province—the ARROW Editor; Epsilon Province (except Missouri Gamma) and Colorado Alpha and Beta—the Grand Treasurer; Zeta Province and Ontario Alpha and Beta—the Director of Rushing and Pledge Training; the Illinois chapters and Manitoba Alpha—the Grand Vice President; Kappa Province and Utah Alpha, Wyoming Alpha—the Grand Secretary; and Lambda Province—the Grand President.

Preliminary decisions concerning the Convention were made. It is to be held at the Roney Plaza Hotel in Miami Beach, Florida, July 5-11, 1954. It was decided to confer with Epsilon Province Officers at the time of the Workshop to suggest that Epsilon Province work with Zeta Province as the joint hostesses to Convention. It was decided, also, that the registration fee for the 1954 Convention would be twenty dollars (\$20).

At this point in the meeting the province officers arrived for the Province Officers' Workshop, authorized by the 1952 Convention.

The meeting of the Grand Council was resumed at the conclusion of the Workshop and the following decisions were made, by motions carried:

That the Statutes, Part I, Article VII, Section 1, "Finance" be amended by striking out Section 1 and inserting a new Section 1, "Finance" to read: "The fiscal year of this fraternity shall begin on July the first and shall end on June the thirtieth, to take effect July 1, 1953."

That a special ceremony be established for a girl whose pledgeship has expired and who is to be pledged to the same chapter.

That lists of the State Rush Chairmen and of the Alumnae Club Recommendations Chairmen be sent to the Alumnae Advisory Committee Rushing Adviser.

That a policy be established, for Central Office personnel, that there be two weeks of vacation with pay and that there further be an allowance of two weeks of sick leave, with pay, in any one given year.

That there be an index for the Chapter Manual and that the Policies and Standing Rules be incorporated as a part of the Chapter Manual.

That Central Office be instructed to increase the charge for issuing replacements of manuals to fifty cents.

That Extension on the following campuses be discouraged: Hunter College, Oklahoma City University, Morris-Harvey College, Fenn University, Wayne University, and Whitman College.

That, having taken into consideration the expressed opinions of Kappa Province clubs and chapters, the application of Phi Sigma Alpha at North Texas State College, Denton, Texas, be denied.

That the decision be not to colonize at Colorado College, Colorado Springs.

That a colony be established by Pi Beta Phi on the campus of Colorado Agricultural and Mechanical College at Fort Collins, Colorado; the colony to be known as Pi Phi Gamma.

That the wearing of a replica of the I. C. pin be restricted to the chapter president, the pin to be the property of the chapter concerned.

That the fraternity give to each newly installed

chapter, at the time of the installation, the replica of the I. C. pin, designated for the chapter president's use.

That it be the policy that Illinois Alpha be permitted to have the use of Holt House three times each semester without charge.

That the present title of Assistant to the National Historian be changed to the Supervisor of Chapter Histories

The Statutes, Part I, Article IX, Section 5 be amended by adding a new Section 5, a to read: "An official badge shall be established for past and present members of the Grand Council; these to be purchased by the members individually and to be replicas of the large original pin, with the letters 'Pi Beta Phi' on white enamel wings."

That the members of the Grand Council attend the meeting of National Panhellenic Conference, to be held in November of 1953 at Pasadena, California.

That the fraternity contact with "Save the Children Federation" be continued, as in the past, with Lois Franklin Stoolman as the Contact Chairman.

That contributions to the projects of the fraternity must be in the hands of the treasurer concerned by May the 31st in order to be counted in a given fraternity year, with the understanding that all monies received thereafter will be applied to the immediately ensuing year.

It was decided, also, that the Counselor for Chapter House Corporations may instruct chapters that it is good policy to have house furnishings owned by their House Corporation but that this is not to be

considered as obligatory; that the monthly questions for the Alumnae Advisory Committee Chairmen, formerly sent out on return postal cards, be used again, on typewriter paper to allow space for comment; that the 1903 and 1904 initiates be notified of their Golden Arrow status in January of 1954, to bring the notification at the beginning of the anniversary year rather than at the end of the year, as has been done in the past; that the Grand Treasurer send out a new letter on the Tax Form #990, for the assistance of clubs and chapters; that redistricting of the provinces cannot be considered at this time, due to the expense to the fraternity in necessary additional officers and services; that the "Statement of Responsibilities of and Joint Cooperation by the following: Chapter Treasurer, House Corporation Board, and Alumnae Advisory Committee," written by the Grand President, be recopied on notebook paper for the manuals of the chapter treasurer, Alumnae Advisory Committee, House Corporation Board, and fraternity officers; and that, if there is need for a period longer than seven days for insurance for the Chapter Presidents' Workshops, permission must be granted by the Grand Treasurer for that extension of time.

A new Rushing Recommendations Blank was considered and approved. This blank was presented by the Director of Rushing and Pledge Training, Chairman of the special committee appointed to present a proposed revision of the blank. These will become official for use in the fall of 1954; they will be distributed in the spring of 1954.

→ → →

The Nominating Committee for the Regular Session for the 1954 Convention is as follows:  
 Alpha West Province Vice President, Chairman  
 Epsilon Province Vice President  
 Indiana Delta  
 Tennessee Beta  
 Ohio Alpha

Mu Province President is the Chairman of the Nominating Committee for the Alumnae Session of the 1954 Convention.

Nominations may be sent to them at any time previous to Convention.

### Organized Groups Teach Loyalty, Says Illini Professor

"You won't find Communists in fraternities—they just aren't there," declared University of Illinois Professor Sleeter Bull, chairman of the Board of Fraternity Affairs, in a recent address to students at the Urbana campus.

"Fraternities teach their members to be loyal to their government, to the university and to the fraternity," he explained. "There are laws, rules and regulations governing the three areas of loyalty. Even if we disagree with the laws, we must obey them until we can send a delegate or representative and wipe it off the books."

—From IRAC Bulletin.

# Annual Reports of National Officers

## MESSAGE OF THE GRAND PRESIDENT

To Pi Beta Phi:

It is well that any evaluation of the year just passed should encompass both a forward look and a backward look. For your Grand President it began with a deep sense of humility in the honor conferred upon her in her election to office. Each day thereafter brought a deepened consciousness of the magnitude of the job, and of the responsibility of leadership.

While the members of Grand Council and the province officers are your national officers, you and each Pi Beta Phi everywhere are, in reality, the national fraternity. Whatever has been accomplished has been achieved by that working together which is the mark of any successful organization. Enough cannot be said in gratitude for the loyalty and cooperation which has been so evident on the part of actives, alumnae, and officers. It has been their spirit of helpfulness which has made the work of the Grand President a rich and rewarding experience.

Resignations during the year have brought changes in the ranks of province officers. The fraternity regretfully accepted the resignations of Evelyn Slifer, Madeline Killinger, Daphna Smith, Maurine Cook and Evelyn Plummer, and in turn welcomed the following officers: Marion Arkley, Alpha West Province President; Josephine Ward, Delta Province President; Zoe James, Zeta Province President; Elsie Hubbard, Eta Province President; and Virginia Speaker, Iota Province President. There have been changes, too, among the Province Vice Presidents. These will be reported in detail by the Grand Vice President, but we would speak a word of regret to those no longer active officers and welcome those who have taken their places.

In the course of the year two new chapters have been added to the chapter roll. In the fall, Indiana Zeta, granted a charter by the 1952 Convention, was installed. The Grand President was assisted in the ceremonies by Helen Anderson Lewis, Ruth Williams Hansen, and Leola Royce McKinley Koch, in addition to the official chapter delegates. Soon after Convention Texas Pi Phis expressed interest in the Texas Technological College campus. The following months brought approval of a local group and of the campus from chapters and clubs in Kappa Province. The prescribed official visits of inspection and eventually the statutory vote of the province made it possible to grant a charter to the group in the interim of Conventions. Texas Gamma was installed at Founders' Day time this year to become Pi Beta Phi's ninety-ninth chapter. Assisting at this installation, in addition to chapter representatives, were Alice Weber Mansfield, Olivia Smith Moore, Mildred Allen Hightower, and Ila Pearce Graham. Both new chapters had excellent records as local groups. The year just ended as a Pi Beta Phi chapter for Indiana Zeta has proved the wisdom of granting it a charter, and just as fine things are expected of Texas Gamma.

We recall that Dorothy Houghton, in speaking to us at our last Convention, said, "Service is the rent we pay for the space we occupy in this world." Pi Beta Phi through its national projects pays its rent in full according to those terms. And in that payment there is joy and satisfaction for the giver as well as those we serve.

Our fortieth year as a part of the Gatlinburg community was marked by the dedication of the new Staff

House. It seems significant in many ways that it should be dedicated as the Ruth Barrett Smith Staff House—named in honor of the retiring chairman, member of Iowa Gamma, under whose able guidance this newest addition to our School came to realization. Our Pi Beta Phi history tells us that the first staff house, or Helmick House as it is called, was designed and planned by two other members of Iowa Gamma, Alda and Alina Wilson. Our history goes on to tell us that as the house was being built one of the oldest inhabitants and his wife awakened Mrs. Helmick with genuine concern one morning at sunrise to say, "Martha and I can't stand it, we come to tell you that it don't stand to reason that that 'ere watery stuff they're putting in them walls will hold up any house." That wonder and awe over the nature of building materials is a far cry from the Gatlinburg of today, but it is the measure of progress, and Pi Beta Phis are deservedly proud to have been a part of and to have had a guiding hand in that progress.

Holt House continues to serve its community in Monmouth, and to stand as a shrine to our beloved Founders. It would have pleased them could they have known that in this year which marked the Centennial of Monmouth College, their little I C, grown strong and great, but with three letters replacing the two on the wings of the golden arrow, presented a check for \$200.00 to the College for its Centennial Fund and asked the College to use Holt House as they might wish during the Commencement Week program.

Much credit is due the Committee for its fine direction of the affairs pertaining to the management of the House, especially so in view of the fact that the Committee is an entirely new one. Regretfully, the resignations of Eleanor Cooley, who had served as chairman of the Committee, and of Alice McDougall Jensen, Monmouth member, were accepted. Pi Beta Phis were saddened by the death of Evelyn Bridge who had served as secretary. Appointments to fill out the unexpired terms were as follows: North Shore, Gertrude Wollenberger Lettzy; Detroit, Torrance Speers Etheridge, who became the treasurer; and Louise Reid Campbell, Monmouth. New appointees for the four-year term are Maurine Firestone Cook, Milwaukee, who became chairman, and Marion Jones Tyte, Lexington, Kentucky. The Grand Vice President has served as contact member with the Committee for the Grand Council and attended the annual meeting of the Committee in Monmouth last February.

Fourteen members of the Fraternity are receiving gifts from the Emma Harper Turner Memorial Fund. That this Fund serves a real and useful purpose one has but to read the letters of appreciation. One writes, "How I hope that no other Pi Phi who receives this gracious gift is in such real need of it as I am just now . . . the gift is a wonderful gift . . . gratefully received, both for its tangible value, and the spiritual value of being remembered by friends whom one values." The principal of this Fund is out on loan to chapters for chapter house building, and in this connection it is interesting to note that from it and other funds established for the same purpose the fraternity has nearly a half a million dollars in loans to chapters.

Assistance of another kind is given through the Harriet Rutherford Johnstone Scholarships. For the

coming year, scholarships awarded on the basis of scholarship, service to the fraternity, campus citizenship, and need were given to Martha Bowman, Ohio Delta; Carol Seibert, Illinois Zeta; Janet Wagner, Illinois Beta-Delta; Judith Davis, Indiana Delta; Frances Jones, Massachusetts Beta; Virginia Boberg, Texas Alpha; Anita Ramsdale, Maine Alpha; Ruth Johnson, Maine Alpha; and Mary Hurst, Illinois Theta. The Pittsburgh Alumnae Club honors one of its members, Lucile Carson, Grand Secretary, in giving funds for a full scholarship which goes to Suzanne Ritter of Pennsylvania Gamma. The three California Alpha Scholarships go to Gretchen Burkle, Ohio Zeta; Meredith Luther, California Beta; and Adele Brown, New Mexico Alpha. These, with the Ruth Barrett Smith Scholarship awarded by the Alumnae Department, mean that fourteen of our fine young actives may continue to work for their education and to serve the fraternity when without this help it might not have been possible for them to return to their college campuses for the coming year. To these is added the annual Pi Beta Phi Graduate Fellowship, which this year goes to Maude Diseker, Alabama Alpha. Her graduate work has already begun as a medical student at the University of Alabama.

Two members who have joined the Chapter Eternal, Mildred Graham, Illinois Alpha, and Ethel Curryer, Indiana Gamma, former treasurer of the Settlement School Committee, left eloquent expression of their love for Pi Beta Phi in bequests which each made to the Settlement School.

Another gift to the Fraternity came from Miriam Williams, former Eta Province President, in honor of her mother. It had been announced at last Convention that the amount of the gift would be invested and that the interest each year would be awarded to an active in special need. Grand Council felt such an award might be difficult to determine, so with Miss Williams' permission it has been decided that henceforth the award will be known as the Adda Prentice Williams Scholarship Chairman's Award. It will be determined by the National Scholarship Supervisor, based upon recommendations made by the Province Scholarship Supervisors of the chapter Scholarship Chairman who has set up the most effective scholarship-promotion program. The award of \$25.00 will go to the individual chairman concerned.

The Fraternity has not particularly fostered the continuance of our support of the Save The Children Federation, but many chapters and clubs have remained steadfast in their interest and their desire to give help to needy children of the world community through contributions to this Agency.

Our Loan Fund serves undergraduates and graduates alike, and this year has issued loans to eleven members of the fraternity. The Committee also has as one of its responsibilities the collection of these loans as they are due, and the record in this respect is good.

The focal point of that forward and backward look previously mentioned was in Gatlinburg where Grand Council and all Province Officers and the Director of Central Office assembled to "think on these things." One of Grand Council's most difficult assignments is the selection of the award winners. Reports from all quarters give us reason to be intensely proud of our chapters. It bespeaks an excellent year for the fraternity that so many of them and individuals were worthy of consideration for singling out in this way. Your Grand Council takes special pleasure in announcing the following awards, and in so doing pays special tribute to those receiving them for the contribution which they have made.

Balfour Cup .....	Texas Alpha
Stoolman Vase .....	Oregon Gamma
Philadelphia Vase (jointly awarded)	Alabama Alpha and D.C. Alpha
National Amy Burnham Onken Award .....	.....
.....	Carol Trohan, Arizona Alpha
Vera Moss Bowl .....	Vermont Alpha
(Greatest gain in position on Standardization Report)	
Nita Hill Stark Vase .....	Kansas Alpha
(Chapter History Award)	
National Historian's Award .....	Colorado Alpha

Because the personal associations and friendships within the fraternity give life and breath to Pi Beta Phi, your Grand President took special pleasure in these contacts. It was her pleasure to visit officially the following chapters: Virginia Alpha and Gamma, North Carolina Alpha and Beta, South Carolina Alpha, District of Columbia Alpha, and Maryland Beta. In the course of travel she had the added pleasure of being the guest of Illinois Eta and the Decatur Alumnae Club, Texas Beta, Kansas Alpha, and Indiana Gamma. She was honored by receptions given by the Washington Alumnae and the Baltimore Alumnae, and by a luncheon given by the Indianapolis Alumnae Club. She was privileged to be the guest speaker at Panhellenic affairs at Butler University and at Gettysburg College. She further was privileged to attend the meeting of the National Association of Deans of Women in Chicago, and at the same time attend as alternate, informal meetings of National Panhellenic Conference and to enjoy the special courtesy at this time of Illinois Epsilon. She celebrated Founders' Day with the Richmond, Virginia, Alumnae Club, the Northern New Jersey Alumnae Club, the Dallas Alumnae Club and Texas Beta, and the Lawrence Alumnae Club and Kansas Alpha, which at that time celebrated its eightieth birthday. Installation time made her feel especially close to the alumnae of Muncie, Indiana, and Lubbock, Texas.

From looking backward we turned our eyes to the future—to the year ahead. Organizational details were planned—among them two new manuals will be issued which have been written during this year by former Province Presidents. One is for chapter house managers by Lucile Junge, and the other for chapter chaperons, written by Mary Weir Cooper. Grand Council visits for the coming year were assigned, and it was decided that convention in 1954 would be held at the Roney Plaza Hotel in Miami Beach, Florida, July 5 to 10. Epsilon Province has been asked to join with Zeta Province in playing hostess to Pi Beta Phi for the Convention.

The fraternity has tried to keep informed as to campus trends, and has constantly sought means of making effective the resolution of the Houston Convention: that we reaffirm our belief in the American way of life, and pledge ourselves to work diligently and actively to develop a program of citizenship. We would agree with a statement of the Norfolk and Western Railway which appeared in its advertising: "Nobody can say with definite knowledge that World War II could or could not have been avoided. But disaster doesn't come to nations without warning. Storm clouds gather before the storm—but they can be seen only by people who bother to look for them and who, by informing themselves, know what they mean. Our leaders would be the first to pray that the people of the United States keep themselves informed to understand, vigilant to detect, and vocal to sound an alarm. This is the responsibility of the people, and

when you think about it, you realize democracy is not complete until we shoulder that responsibility." As Pi Beta Phis we must keep informed, must ever be vigilant, and vocal when the need arises.

Headlines of the day and our own concerns are with the big things of life. Yet there is comfort and tranquility in the little personal things—just so there is power in the little things. For Pi Beta Phi there is

power in those same small things. Each is a part of the whole—each Pi Beta Phi is the Fraternity. As we face the future—together—each can contribute her mite in service to and affection for the Fraternity, and in a worthy representation of the things for which we stand. If we do those things, Pi Beta Phi will continue to be a fraternity without a superior.

MARIANNE REID WILD, *Grand President*

## MESSAGE OF THE GRAND VICE-PRESIDENT

To the new officers elected at the 1952 Convention, the two year term loomed up as a challenge to carry on in the pattern set for us by our predecessors. Now we have reached the halfway mark in our convention interim, and it is time to evaluate the results of our first year, so that we may know where our Alumnae Department has made progress, and in what fields we need to strive for greater improvement.

We are happy that the Alumnae Department is no longer operating at a loss—the 1950 Convention voted that the Alumnae Department's share of the expense of Central Office be reduced to one third of the total cost, and further allocated to Alumnae Funds \$2.00 of the \$10.00 pledge fee which was established at that time. These, together with the slow but steady gains in alumnae dues, have resulted in black figures on the credit side of the ledger.

Each year we show slight gains in paid alumnae membership, so we know that bit by bit we are gaining—this year we have approximately 340 more members than last year. But still the difference between the number of resident alumnae and paid members is too great. We need members in order to function and though the results of our efforts in this direction are gratifying, we know we should do even better. In last year's Information ARROW there is a reference to the fact that Lincoln, Nebraska's, membership campaign had increased the paid club members by 25 in 1951-52. A glance at their figures for this year shows that they have raised that number by 33 more—proving it can be done. Many clubs have found that some special contact, such as a party early in the year, for Pi Phis who have moved into the community arouses interest in becoming club members. Several have followed up with a carpool system similar to the one used by the Edmonton club, where a chairman is appointed to see that members in need of transportation have rides in the available cars.

This year 18 clubs, Elkins, Bloomington, Gary, Southwestern Indiana, Knoxville-Little Pigeon, Pensacola, Avon, Grand Forks, Hutchinson, Lake Charles, McAlester, Muskogee, Norman, Osceola, Paul's Valley, Texarkana, Wenatchee, and Yuba-Sutter, have the distinction of 100% membership on the part of their resident alumnae. Several others are within one or two of this desirable goal and it is to be hoped that another year will add them to the list.

Sometimes we find in small clubs a feeling that their contributions are not great enough to justify their existence. They hear of the big projects and large donations of big city clubs and become discouraged because they cannot emulate them. Yet their proportional achievements are equally fine. For one thing, they are in an excellent position to have the much wished for, 100% membership. For another their service to chapters in the field of recommendations for members is of inestimable value. And while they cannot, by virtue of their numbers, make large donations, they can still add their share to the support of the actives and the projects of the fraternity.

This year we were happy to welcome five newcomers to our family of alumnae clubs. State College, Pennsylvania; Columbus, Georgia; Abilene, Texas; Mansfield, Ohio; and Santa Rosa, California (Valley of the Moon) are off to a fine start. Their addition gave us a total of 257 chartered clubs. Unfortunately at the end of the year the Gainesville Pi Phis regretfully turned in their charter, so at present we have 256. And as I write the members of the Minneapolis Evening Club are trying to decide whether to continue a separate existence or to become a division of the Minneapolis Club.

If our Alumnae Department could be likened to a tree, it could be said to have its roots in the active chapters of the fraternity, from which grow a sturdy trunk of friendship, that cannot contain itself in a trunk, but has to grow into the branches of fraternity projects. As a tree to grow must have its roots nourished, we try to take care of our actives. On the charts are some rather impressive figures showing financial help. Whenever there is need for a chapter house, or repairs, or redecoration, we find devoted alumnae helping to raise the necessary money. However assistance is not all confined to money, nor is it confined to clubs in towns where there are active chapters. True, these clubs do play a major part in helping to develop fine chapters; it is rather usual for visiting officers to hear from deans of women that our chapters are in excellent shape but that of course they would be as they have strong alumnae backing. I think always we take our hats off to our hard working, loyal Alumnae Advisory Committees. Many clubs located rather far from chapters have wished to take part in helping the actives, and have sent gifts in many forms—money, or preserves to stock the chapter house pantries, even in some cases they have made initiation robes. In several provinces they have set up Sophomore awards, and several have started small scholarships, as for example the San Fernando Valley which has set up a fund to aid the members of the four southern California chapters. This year New York invited representatives from the five Alpha West chapters to be their guests for a week and visit the United Nations, an undertaking that was a big success from the standpoint of the girls and the New York alumnae.

Inspired by the plucky spirit of the actives, who, last year at Houston, determined to wipe out the Convention Fund deficit, so that there would be no need to do away with biennial conventions, many of our clubs have set aside money to help the actives in their plan. And this year more clubs have contributed to the Harriet Rutherford Johnstone Scholarship Fund than ever before.

The Alumnae Department itself has a part in helping one of our girls with her education. In the name of Ruth Barrett Smith the Alumnae Department awards a scholarship each year. We are happy that this year Barbara Jean Hill, Colorado Beta, will be the recipient.

Carrying on with our tree, we find that our strongest and most beautiful branch is our Settlement School—the largest and most outstanding philanthropic project of any Greek letter organization. In its forty-one years it has grown and developed and has offered to all the world indisputable proof of the great good that can be accomplished by a national fraternity. As Pi Beta Phis, we have much prestige because of our school, prestige that has grown through the years. And if we consider the matter carefully, we realize we can and should do more to increase our contributions in order to keep up with rising costs. Our Settlement School budget has been hard hit by prices just as most budgets have. With 11,595 paid alumnae members, we have this year contributed \$8,452.75, and \$4,302.25 of that was given by 20 clubs. It would seem that we should be able to average at least one dollar per paid member.

For the eighth consecutive year St. Louis has donated \$1,000.00, the largest single donation to the school—a proud record. Kansas City is second this year with \$700.00. Other clubs contributing two hundred dollars or more are Cleveland East, \$222.25, Philadelphia \$200.00, Indianapolis \$210.00, Milwaukee \$300.00, Denver \$245.00. Thirteen clubs: Northern New Jersey, Cleveland West, Columbus, Harrisburg-Carlisle, Toledo, Chicago South, Champaign-Urbana, Dallas, Houston, Oklahoma City, Sabine District, Portland, Oregon, and San Francisco gave between one and two hundred dollars. Many clubs contributed fifty dollars or more as may be seen in the charts and Settlement School report. All donations are much appreciated and gratefully received by the committee. And next year perhaps we can achieve our goal of at least one dollar per paid member.

With the completion of the much needed Staff House, a dream was realized at the school this year. Our pride in the committee's careful planning and expert management that resulted in the building of the house without having to ask for extra help, is unbounded. So is our pride in the response from the clubs this year when the committee did have to ask for help to furnish the house. Many gifts came from Pi Phi eager to have a part in providing this home for the hardworking staff at the school. The committee had hoped that these gifts would not cut into the club donations, and except in a few instances they did not. Individual clubs have furnished rooms in honor of some one Pi Phi, or have made smaller contributions, and some have contributed jointly to a province donation.

Clubs continue to sell the products of the Smoky Mountain area to good advantage. To date 15 clubs have sold over one thousand dollars worth of Arrowcraft for the year, and Marian Mueller, Director of Arrowcraft, thinks several others will be added to the list when all accounts are settled. Champaign-Urbana has the highest amount in gross sales with a total of \$2,153.41 for the year—this club has a consistent record of well over \$2,000.00 in gross sales. It is interesting to note that some of the fifteen clubs selling over one thousand dollars worth of Arrowcraft are quite small. Charleston, West Virginia, has only 58, Bloomfield Hills 38, and Albuquerque with 18, and Coos County with 14 have done a wonderful bit of selling.

Our magazine agency, which is operated by Central Office, is our other source of revenue for our school. Subscriptions increased this year but mounting costs trimmed our profit. With 115 clubs showing an increase in subscriptions as compared to 95 last year, we are encouraged to hope that next year subscriptions will catch up with costs.

The summer Craft Workshop held at the Settlement School in connection with the University of Tennessee's craft department, continues to grow and focus attention. Since its beginning seven years ago 1,000 students have availed themselves of this opportunity to earn college credits in crafts, and at the same time have a vacation in one of the beauty spots of America. Next year one of these students will be from Miami, sent to the Workshop on a scholarship given by the Miami Club. Realizing the value of this phase of our work in Gatlinburg, they have set up their budget to take care of the expense of a student for a three week course. This is the first time any club has participated in this way and it will be interesting to see how it works out.

Even as we are justifiably proud of our Settlement School, so are we proud of the place of our founding. All of us who have been to Holt House or have seen the lovely film are glad that we have been able to repair and preserve this link with our past. It is another bond that holds us together for it is another thing we could not have accomplished without the cooperation of Pi Beta Phis all over the country. This year the three largest contributions are: Kansas City \$75.00, Detroit \$60.00, and North Shore \$50.00. Akron, Pittsburgh, Monmouth, and Denver contributed between twenty-five and fifty dollars each.

If the Settlement School is the strongest branch of our tree, then Holt House can be said to be one of the loveliest, and our third fraternity project must stem from the very heart of the tree. For the Emma Harper Turner Fund reflects the enduring love of all Pi Phi for each other. It is heartwarming to think of the twofold purpose of the fund, its principal used for loans to chapters and the interest from these loans enabling us to provide small extra comforts for Pi Phi in need of them. Lillian McNaught, chairman of this committee, found a quotation from Robert Louis Stevenson that is most expressive of the spirit of the fund:

"So long as we love we serve, so long as we are loved by others I should say that we are indispensable, and no man is useless while he has a friend."

The largest gift to the fund this year is \$175.00 from Kansas City; St. Louis is second with \$150.00. Indianapolis, Denver, and Pasadena gave \$50.00 each, while 19 other clubs, Akron, Columbus, Pittsburgh, Toledo, Washington, D.C., Ann Arbor, Detroit, Grand Rapids, Southwestern Indiana, Miami, Madison, Minneapolis, Oklahoma City, Tulsa, Salem, Oregon, Los Angeles, Phoenix, San Diego, and San Mateo gave between twenty-five and fifty dollars.

Alpha East, Delta, Epsilon, and Iota Provinces were 100% in their contributions to all three projects. And 226 clubs are also 100%.

Though we no longer count the Save the Children Federation one of our fraternity projects, several of our clubs have continued their interest in and assistance to the unfortunate children in Europe and Asia. This year a request for pencils for these children sent a great many bundles of new and slightly used pencils to the Federation headquarters in New York.

Our fraternity was founded on ideals of service and each year we find more and more of our clubs taking on some local project and doing some community service in the name of Pi Beta Phi. Some of these consist of raising money for local hospitals or charities, some are purely service, but all of them reflect the fine spirit of Pi Beta Phi alumnae.

And so we have the tree of our Alumnae Department, with roots and branches and a strong trunk growing ever sturdier as fraternity friendships increase—a trunk strong enough to carry the load of all

the branches, for it is the fact that we enjoy working together that makes possible all we accomplish.

To an officer of Pi Beta Phi the most exciting event of each day is the arrival of the mail, bringing as it does news of the fraternity. It is a double thrill to the Grand Vice-President who gets news of all the clubs once a month. Each month the clubs report to the Province Vice-Presidents, who in their turn report to the Grand Vice-President. And from the information she receives, she, in her turn, reports back to the Province Vice-Presidents, who, in their turn, report the fraternity news to the clubs, so that each month the cycle is complete and clubs may learn what other clubs are doing as to projects and programs.

This year 163 club yearbooks came to the Grand Vice-President, who was intensely interested in the attractive forms in which they were made up, and in the variety of programs that had been planned by ingenious program chairmen. One or two of the chairmen sent copies of highly successful programs, and we hope to get some of these out in the fall club mailings.

But if sitting at a desk reading news of the fraternity is exciting, the actual contact with Pi Phi is much better. This year as Grand Council representative to the Holt House Committee the Grand Vice-President saw Holt House itself for the first time when she went to Monmouth to attend the meeting of the committee. The committee had the usual happy experience of Pi Phis and thoroughly enjoyed the day of work together. She visited five chapters of Alpha East province in October, Vermont Alpha and Beta, Massachusetts Alpha, Maine Alpha, and Nova Scotia Alpha finding in each spot the usual gracious hospitality of Pi Beta Phis, on the part of both actives and alumnae. On her return trip she was entertained at a delightful tea given by the Hartford alumnae. In

March she visited our fine new chapter, Indiana Zeta at Ball State College at Muncie, Indiana. In April she had a part in the installation of the Texas Gamma chapter and returned from Lubbock in time to attend the Founders' Day banquet of the St. Louis Club. It was with regret that she had to refuse the kind invitation of the Dallas Pi Phis to be with them at their Founders' Day celebration at which the Grand President was to be the guest of honor. In May she attended the dedication of Illinois Theta's beautiful new chapter house and was given an opportunity to spend some time in the Peoria Pi Phi Thrift Shop.

As the year ends and the membership figures are tallied it is with pleasure that it can be announced that California Epsilon is once again the winner of the Province Vice-Presidents Membership Award—55% of their initiated members are paid alumnae club members.

In the course of the year we have regretfully accepted the resignations of three Province Vice-Presidents. Erminie Pollard, Marguerite Bartlett, and Edna Archibald found they could not continue in office. Though we were very sorry to lose them we were happy to welcome in their places Clara Dell Hageman, Lois Summers, and Ruth Noyes, who accept the responsibilities with determination to carry on for the best good of the fraternity.

And so, as we evaluate our year, we find much that is fine—we have had a good year, and we have had it because we have all worked together to make it one. Friendship and belief in the objects of Pi Beta Phi have drawn us into close cooperation. We set our goals high, we Pi Beta Phis, and if we do not always quite achieve them, still we have earnestly tried, and we hope it may be said of us that we "stray but toward a star."

Alice Weber Mansfield

## GRAND SECRETARY

The warmth of the welcome of Kappa Province Pi Beta Phis remained in the heart and the memory through many, many busy weeks following Convention, to give a "lift" to each task undertaken. The year which has almost completed its cycle since those days in The Shamrock has not dimmed the color or the fashion of that happy memory.

Post-Convention duties were performed during the summer—in the preparation of the copy of the motions made in the General Session, for all delegates and officers; in the composing of the minutes of the meetings of Grand Council and of Convention, for the ARROW; and in correspondence involving the courtesy notes of the fraternity, messages to twenty-three girls reporting that the scholarship money could not be stretched to reach them (!); and letters of instruction setting up changes or new procedures in the area of work supervised by this officer.

Deep gratitude goes to Edith Morton, sister of Harriet Johnstone, for her faithfulness in assisting in the important and difficult process of assisting and shipping essential material to Marie West Wever, the new National Chairman of Scholarship, and, to Marie for the conscientious and wonderful way in which she organized and set in motion this all-important area of fraternity responsibility. After ten years of faithful work with Pi Beta Phi's undergraduate transfers, Katherine Hosmer's files went to Margaret Strum, the new National Chairman of Transfers. Margaret received transfer information from the chapters and made contact for the fraternity with the one hundred

and fourteen actives who left their original chapters this past year. The Grand Secretary regretted the loss to her corps of national chairmen of Leila Clifton and welcomed her successor, Mildred Kelly Anicker, the new National Chairman of Chaperons. Three of the six national chairmen supervised by the Grand Secretary remained on duty—the Chairmen of Fraternity Music, Fraternity Study and Examination, and Social Exchange. These chairmen are experienced and deeply interested in their assignments. It would be duplication to record the actual services of these chairmen here—their reports in this issue of the ARROW prove the measure of their devotion to duty. The Grand Secretary feels that it is a privilege to work with the national chairmen assigned to her office.

The installation at Ball State Teachers' College, Muncie, Indiana, brought Indiana Zeta under the guidance of Grand Council for a two-year period, with the Grand Secretary as the contact member. It has been a delight to work with this chapter and with Jo Ward, Special Alumna Adviser, and Shirley Bell, Special Active Supervisor. The change from a long-established, independent local group to a unit in a closely-knit national organization is not always an easy adjustment but this group's happiness in its Pi Beta Phi affiliation has kept it climbing without loss of momentum. We are proud of its first place position in scholarship, its excellent activity recognitions and its quiet, devoted adaptation. The Pi Beta Phi alumnae of Muncie have had an important part in this successful transition, giving devoted attention to the

chapter's needs. The Grand Secretary worked with three other chapters of the fraternity—two for the full year and one, for a few months.

This officer holds the work with the Alumnae Advisory Committees close to her heart and her attention because she values it so highly. In addition to the regular letters and questionnaires, a digest of the Convention Workshop was prepared and sent to each committee and chapter, with the hope that it would be studied and then filed for future reference. We are indebted to Ruth Williams Hansen, former Epsilon Province Vice President and now member of Grand Council and to Madeline Wyer Killinger, retiring Delta Province President, for their excellent contributions to this Workshop. The mid-winter questionnaire was revised and the preliminary review of these, returned, shows that the fraternity has an informed unit of ninety-eight Advisory Committees—aware of their chapter's records and needs. Further, it is evident that the relationship between chapters and their alumnae advisers is close and mutually rewarding. Should the Penn State, Convention-authorized, colonization result in the installation of our one-hundredth chapter, Pi Beta Phi would have five hundred volunteer workers engaged in this important supervision. To care enough to give wise, tactful and constructive

guidance to a chapter and to have a definite part in its permanent security is to have made a very important contribution to your fraternity's welfare.

This officer visited five chapters this year—Connecticut Alpha, Massachusetts Beta, New York Alpha, New York Gamma and New York Delta. She values particularly their welcome and cooperation, and, their responsiveness to guidance. It was her happy privilege to be the guest of the Hartford, Albany, and Schenectady Alumnae Clubs and to enjoy the hospitality of Advisory Committees and Pi Phi friends along the way. There is no greater privilege in fraternity service than that of the broad horizons which have made possible "the joy of having known you." At this moment the work of the year is lost in the remembrance of the wonderful cooperation of those with whom we work—all along the way—who have made possible so much of every constructive service. It has been with regret that the Grand Secretary has seen cherished friends and co-workers leave the Council, knowing that their going meant real loss to the fraternity. She would like to pay tribute to the devoted, alert and constructive planning of the new Council and to express her pleasure in sharing in their service to Pi Beta Phi.

LUCILE DOUGLASS CARSON

## GRAND TREASURER

Little Rock, Arkansas  
August 10, 1953

*Mrs. Henry Moore, Jr.*  
*Grand Treasurer of Pi Beta Phi Fraternity*  
*Texarkana, Texas*

DEAR MRS. MOORE:

We have audited the books, records, and supporting data of Grand Treasurer of Pi Beta Phi Fraternity Eleven Months Ended June 30, 1953, and submit our report in the Exhibits and explanatory Schedules as set out in the index.

Our audit included confirmation of all asset items by independent means and such exhaustive analysis of receipts and expenditures as was considered necessary in this instance.

In our opinion, the following Exhibits and Schedules properly set forth the financial position of the Fraternity at June 30, 1953 and fairly present the results of operations for the eleven months ended on that date.

Very truly yours,  
MCDUFFIE-CURRY & Co.  
Members American Institute of Accountants

(Exhibits of Balance Sheets and Reports appear on following pages)

## ARROW EDITOR

This year the ARROW has had its face lifted, with new headlines, new make-up, new arrangement of directory pages, with additional space between names, new headings for Chapter letters—all these changes for the sake of greater simplicity and clarity with resulting good looks. The basic type is unchanged, since the present type gives the greatest possible number of words per page consistent with maximum readability in the size type which our space limitations necessitate. The new look seems popular and will be continued for next year, as will also the picture covers and the black and white coloring.

As before, much fine material has perforce been omitted, even regular departments such as "From Phi Phi Pens" in the May issue. Again the Editor wishes

we could find a gold mine! or perhaps raise National dues in order to give the ARROW a larger proportion—and a most desirable change should be made in the amount allotted to Life Subscription—the present \$15.00 covers only a portion of the life expectancy of initiates, and should be increased if the ARROW is to represent worthily the fast-multiplying membership of Pi Beta Phi with all their changing interests.

Some statistics as to ARROW publication will be of interest. The May issue went to 45,000 (approximately) members; during the year we used 79,195 pounds of paper, about two carloads—hard to visualize those carloads of great rolls of paper! The yearly average of cost per copy has been \$.157, with the September issue costing the most (\$.183) because of

the closely type-set pages required. Some statistics on the May issue will be of interest, as showing the difficulty of supplying the desirable feature coverage.

Out of the 96 pages, there were:

- 54 pp. chapter and alumnae letters
- 5 pp. personals and In Memoriam
- 2 pp. calendars
- 8 pp. directory
- 1 p. contents
- 3 pp. rushing lists
- 13 pp. pictorial
- 1 p. editorials
- 1 p. Frontispiece
- 8 pp. features.

During this year there has been no change in the price paid for paper or labor—the paper used is an attractive, reasonably priced, book finish which takes our cuts well.

In the spring, the Editor had a meeting with the National Historian, when procedures were discussed and the matter of a history since 1938 published as an issue of the *ARROW* was discussed. The new assistant historian came for a discussion of chapter histories. The Editor would like to recommend that the latter officer be given a new title, perhaps that of "Supervisor of Chapter Histories"—this has already been suggested by the Historian.

During the year the Editor was privileged to make chapter visits to all chapters in Mu Province; to attend Founders' Day banquets with New Mexico Alpha and the Albuquerque Alumnae Club (67 in attendance), and with California Epsilon and the San Diego Alumnae Club (123 in attendance). The visits were all interesting, with a sort of homecoming flavor everywhere, and with fine girls as members—the province has already been reported on to Grand Council.

The Editor regretted that a conflict of dates prevented her acceptance of the invitation of the Southern California Area Council for their Founders' Day celebration at the Huntington Hotel.

In February the Editor was the guest for luncheon of the South Coast club at the home of Alice Ayres Frost in Balboa—a happy renewal of old friendships.

The Editor cannot praise too highly the work of each and every one of her staff—they do their difficult jobs so well that very little revision is required in their interesting material, and for that we are most grateful.

A special word of thanks must go always to Harold Josef Bachmann of the George Banta Publishing Company for his fine work and faithful cooperation with all our requests and suggestions.

Respectfully submitted,

ADELE TAYLOR ALFORD

## DIRECTOR OF RUSHING AND PLEDGE TRAINING

The duties of this office are varied and interesting, and are made more worthwhile by the sympathetic support of the other members of Grand Council, and the efficient help of the Director of Central Office and her staff. All general letters prepared by the Director of Rushing and Pledge Training, are mimeographed and sent out by Central Office. This year, these numbered nine; one to the Convention delegates, one to the pledge supervisors; one to the chapter presidents, one to the alumnae club recommendations chairmen, two to the State rush chairmen, and three to chapter rush captains. In addition, some of the pages in the pledge supervisor's notebook were revised during the summer, and sent out in the fall mailing to chapters.

The letter to Convention delegates contained reminders of their further responsibilities in preparing the required reports to the chapter and to the province president. They were urged to see that ideas and suggestions for better chapter functioning were put into practice in their own chapters. Also, a questionnaire was enclosed, asking for comments and suggestions for the 1954 convention. Eighty-five chapters returned the questionnaire.

Health certificates were sent out by Central Office in the fall to those chapters having employees who handle food, with instructions about having them filled in properly. These were to be returned to this office for filing, by October 30. The certificates were sent to sixty-nine chapters, but only fifty-eight were returned.

A letter went out to State rush chairmen in August giving general instructions about their work. New chairmen were appointed by the Grand President in January for a two year period, so another letter was prepared and sent to the new appointees as they were reported to this office.

The letter to the pledge supervisors, sent in September, was concerned primarily with reminders and suggestions for their work with the pledges. The re-

sponse to the request that a letter be sent this office by October 30, was poor, since only fifty-two pledge supervisors sent reports. Some of these officers were most cooperative, however, and kept in touch above and beyond the requirement.

Each of the three letters to rush captains contained instructions concerning the various phases of the work of these officers. A questionnaire enclosed in the final letter in May, brought out some interesting statistics which are as follows:

total number pledged 1952-53	2,529
number re-pledged (included in above total)	65
number of legacies pledged	284
number of legacies rushed but not pledged	236
number of campuses having some type of quota system	68
number of campuses having some type of deferred rush	18
types as follows:	
1. deferred until late in first semester or quarter	6
2. deferred until second semester or quarter	10
3. deferred until sophomore year	2
total number of initiates 1952-53	2,129

The total number of pledges and initiates are final figures, while the other statistics are based on reports from seventy-nine chapters.

In February, a letter went out to the alumnae club recommendations chairmen. These committees are a regular part of alumnae club organization and as such, are under the direction of the Province Vice Presidents, rather than this office. However, it was felt that a letter at this time might help to explain some of the mutual problems encountered during rushing, by these committees and by the active chapters.

A letter sent to the chapter presidents, also in February, included approved material for use in local Panhellenic booklets. It had been discovered that many

such booklets did not contain accurate or correct information about Pi Beta Phi. Also enclosed, was a return postcard which served as a check on the ordering by chapters, of the Settlement School and Holt House booklets for all new initiates. Eighty-eight of these were returned.

The highlight of the year came in August when it was our pleasure to assist at the installation of Indiana Zeta chapter at Ball State College in Muncie, Indiana. Having been the first official Pi Beta Phi visitor and watching their progress with great interest, it was a real personal satisfaction to be able to share in this happy event. It was a pleasure, too, to attend the initiation ceremony held by this chapter in March.

Chapter visits were made in February and March to South Dakota Alpha, Nebraska Beta, Kansas Alpha, Kansas Beta, and Missouri Gamma. It was a real pleasure to have personal contacts with those chapters and with their alumnae advisory committee members. The hospitality and cordiality of all the actives and alumnae was greatly appreciated.

It was a wonderful experience to be able to par-

ticipate in two Founders' Day celebrations. The annual Indiana State Day was held in Indianapolis on April 18, and had as its guest speaker, Ruth Williams Hansen, Director of Extension. It was an honor to be asked to speak at the Founders' Day dinner in Columbus, Ohio, on April 27 and thus add to the ever-widening circle of Pi Phi friendships. We wish to take this opportunity to thank the Columbus alumnae and the members of Ohio Beta chapter for their gracious hospitality.

Another honor was accorded this officer in being asked to speak at the annual Scholarship dinner held by the Franklin College Panhellenic late in March. It was a pleasure to meet the members of Indiana Alpha chapter again and to see some of the Franklin alumnae, many of whom are friends of long standing.

In closing this report, the Director of Rushing and Pledge Training wishes to express her appreciation to the many Pi Phis who, through their cooperation and interest, have helped to make this another pleasant and successful year for Pi Beta Phi.

HELEN ANDERSON LEWIS

## DIRECTOR OF EXTENSION

This first year as a member of Grand Council has been a year filled with new and happy experiences, a year of working and learning. In August it was a privilege to assist the Grand President at the installation of the new chapter authorized by the Houston Convention—Indiana Zeta, at Ball State Teacher's College, in Muncie, Indiana. The enthusiasm and potentialities of the new chapter and the efficiency and hard work of the small group of Pi Phi alumnae were inspiring. An unexpected pleasure of the trip to Muncie was being guest of the Indianapolis Alumnae Club at a luncheon given in honor of Mrs. Wild.

The popularity of the fraternity system in general and of Pi Beta Phi in particular is shown by the many inquiries received throughout the year about the procedure of extension. Local groups on the following campuses have expressed their desire to affiliate with Pi Beta Phi:

Hunter College, Brooklyn, New York  
 Fenn University, Cleveland, Ohio  
 Morris-Harvey College, Charleston, West Virginia  
 Oklahoma City University, Oklahoma City, Oklahoma  
 North Texas State College, Denton, Texas  
 Wayne University, Detroit, Michigan  
 Texas Technological College, Lubbock, Texas

All of these local groups have been discouraged for various reasons, except the group at Texas Technological College. Some were discouraged because the colleges do not meet the constitutional requirements of the fraternity; others because they lacked the support of the local alumnae of Pi Beta Phi.

One charter was granted during the year to the Ko Shari Club at Texas Technological College. Texas Tech was opened to national fraternities for the first time in the fall of 1952, and a rather unusual procedure was set up by the college administration. The five local women's groups were required to petition the national fraternity of their choice at approximately the same time, and the time of the installation of the new chapters was set by the college. The local which petitioned Pi Beta Phi was the largest and strongest group on the campus, with an outstanding record in all fields of campus endeavor for more than twenty years. In February, a representative from each chapter in Kappa Province spent two days in Lubbock as

guests of the petitioning group and the local Pi Phis. Following the reports of these visitors to their chapters, the chapters in Kappa Province voted unanimously that a charter be granted. Texas Gamma was installed in April by the Grand President, assisted by other national officers.

A Pi Beta Phi colony, authorized by the Houston Convention, has been established at Pennsylvania State College. The group, named the "Aye See Colony," was visited by the Director of Extension in March. The progress of this small new group on such a large campus and in the face of stiff competition from well-established groups, has been very gratifying and a source of great pride.

In addition to the colleges mentioned above, letters have been received from alumnae clubs or individual Pi Beta Phis expressing interest in fifteen other colleges as possible fields of extension. The interest of so many alumnae and clubs is appreciated, and every school recommended by a Pi Beta Phi is given consideration. Because special interest has been shown by Pi Phis in Colorado College, Colorado Agricultural and Mechanical College, and Whitman College, a study is being made of these schools. Although two conventions have expressed interest in extension at the University of Kentucky, the college administration still feels that the number of women students enrolled does not justify the addition of another national fraternity.

Contact has been maintained with the fifty-nine Mothers' Clubs. A letter of greeting and information was sent out in the fall to all Mothers' Clubs, and a letter of appreciation and a request for a summary of the year's activities was written to all Mothers' Club presidents in the spring. Information has been sent when requested about the formation of new clubs. The service which the Mothers' Clubs are rendering to our chapters is of immeasurable value, and every effort is being made to increase the number of clubs.

Pi Phi Night programs were sent to all chapters for the four required uniform Pi Phi Nights. The topics for these programs were: Citizenship, A Quiz on Pi Phi and Pi Phis, Chapter Officers, and Soon You Will Be An Alumna. The reports sent in by the chapter program chairmen following the presentation of these programs showed that the girls are using many original ideas and great ingenuity in this important phase of

fraternity education. Help on programs was given to both chapter and club officers when requested.

Visits to Iowa Alpha, Iowa Beta, Iowa Gamma, and Iowa Zeta in February were wonderfully happy and rewarding experiences. The gracious hospitality and warm friendliness of the girls in each chapter made these visits a joy. Their appreciation and understanding of the fraternity is greatly strengthened by their very fine Alumnae Advisory Committees. It was a pleasure to be the guest of the Mt. Pleasant Alumnae Club at a buffet supper meeting. The climax of the trip to Iowa was a visit to Holt House—beautiful even beyond expectation!—which was made possible by the kindness of Beulah Billingsley Hayes, president of the Mt. Pleasant Alumnae Club, and her husband.

One of the highlights of an interesting and busy

year was being guest of the Indianapolis Alumnae Club on Indiana State Day, when more than five hundred actives and alumnae gathered together to pay tribute to our Founders.

The Director of extension is grateful to the other members of Grand Council for their unflinching help, and to Janet Patton for her fine cooperation. Special appreciation must be expressed to the Grand President for her patient and constant help, guidance, and inspiration. For the privilege and honor of serving Pi Beta Phi, this officer is increasingly grateful. She is earnestly endeavoring to partially repay by worthy service, the large debt of gratitude which she has owed for so long to Pi Beta Phi.

Respectfully submitted,

RUTH WILLIAMS HANSEN

## COUNSELOR FOR CHAPTER HOUSE CORPORATIONS

Sixty-five house corporations own our Pi Beta Phi houses, lodges, or in a few instances, only furniture in rented quarters. Three hope to acquire houses in the near future. The treasurer of each of these corporations was asked in January to send in the \$5.00 fee for her surety bond and an annual report giving information about receipts; disbursements, including repairs and remodeling; the present valuation of house, lot, furniture; other assets; insurance carried; liabilities, including mortgages on the property, rate of interest paid, etc. The cooperation of the treasurers is appreciated very much and all but two have sent in reports and bond fees.

Alabama Beta House Corporation purchased a house from a sorority going off the campus last summer and had it ready for the chapter by rush week in the fall. Illinois Theta House Corporation did very extensive remodeling this year and had the dedication of the remodeled house in May. Ontario Beta, also, made extensive repairs, Oregon Beta completely remodeled the chapter house kitchen, Oklahoma Alpha built an addition and bought much new furniture, Massachusetts Beta has plans for adding to its house and California Epsilon and California Zeta will do something about housing for their chapters when Panhellenic restrictions are removed on their campuses. Arkansas Alpha is considering plans for a new house and Maryland Beta will be in a new house by February.

The alumnae officers of our house corporations put in many hours of work so that our chapters may have adequate and attractive homes. The wear and tear on the houses with so many girls occupying them is great and that means continual vigilance to keep them in repair as well as much expense for upkeep.

Nineteen of our houses are free from debt and the house corporations are building up funds for the time when extensive repairs will be necessary or a new house will have to be built. Our older chapters can usually finance their own new houses through local loans and alumnae help, but the newer chapters which have not had time to accumulate large building funds

and have few alumnae need help from the fraternity, and in spite of our large mortgage funds, there is a waiting list of house corporations who want loans.

A letter was sent in the fall to each of the sixty-five corporations, telling of the change in Counselors and advising about checking on fire hazards, insurance, and giving an annual report to the chapter concerning finances and future plans of the house corporation. As was mentioned before, on the first of January a letter went out with the blanks for the annual report to be returned to the Counselor and the Province President concerned. Also, with this letter was sent a statement of responsibilities and joint cooperation by the chapter treasurer, the house board and the advisory committee in order to help those groups clear up the duties expected of each and to make for better understanding and happier relationships.

The present approximate valuation of our Pi Beta Phi chapter houses, lots, and furniture as given on this year's report is \$5,154,261.00. The combined assets of all the house corporations was reported as \$5,555,391.54 with liabilities of \$1,269,593.96, leaving a net worth of \$4,285,797.58. There are besides, a number of chapters owning furniture and having bonds and savings accounts unreported in these figures because they have no house corporations. In the cases of the two corporations who failed to send in a report, last year's figures were used.

The counselor for Chapter House Corporations is greatly indebted to Lillian Holton, former Counselor, for her invaluable help during the year. It has been a time of learning and Mrs. Holton has been called on frequently. Another year we hope to be able to answer questions more fully and promptly and to be of greater assistance than our inexperience has enabled us to be this year.

It is a privilege and a pleasure to have this opportunity to serve Pi Beta Phi further, and to work with Marianne Wild and the other members of Grand Council.

Respectfully submitted,

LOLITA S. PROUTY

**Let's all contribute to Holt House this year!**

## NATIONAL HISTORIAN

The winner of the Nita Hill Stark Vase for the best active chapter history prepared during the year 1952 to 1953, was Kansas Alpha. The historians were: Lynn Burton (historian for the year), Georgann Vandenberg (assistant for the first semester), and Julie Gempel (assistant for the second semester).

The winner of the Historian's Cup for the second best history was Colorado Alpha. The historians were: Barbara Halsted (historian for the year), Barbara McGillivray (assistant for the first semester), and Sarah Mee (assistant for the second semester).

Honorable mention was given to the very excellent histories prepared by the following chapters: Florida Alpha (Kathryn Rand, first semester historian, and Betty Nordman, second semester historian); New York Delta (Sue Crawford, historian for the year); Washington Alpha (Phyllis McEleney, historian for the year); and Utah Alpha (Marilyn Huckins, historian for the first semester, and Margene Johnson, historian for the second semester).

It is apparent that a great deal of effort now goes into the preparation of histories. Many of them are so inclusive, so well-planned, and so professional in appearance, that it is difficult to believe that they have been compiled entirely by undergraduate students. The selection of the award winners is not an easy task.

It is with sincere regret that the Historian announces the resignation of Elizabeth Heryer Delaney as Assistant National Historian. She was the fraternity's first appointee to occupy that office, and the splendid and efficient service which she gave came at a time when it was most needed. The five-year association with her has always been most friendly and inspiring.

Her successor, Rose McColloch Dressler, has taken over the work of supervising chapter histories with no interruption in the smooth and well-established routine of that office. The Historian feels certain that Grand Council, the Province Officers, and the active chapters will find Mrs. Dressler in every way capable, cooperative, and devoted to the best interests of Pi Beta Phi—as she has been since the day of her initiation.

The Historian announces the following additions to the archives:

Photograph of the Eastern Conference Founders' Day Banquet at the Willard Hotel, Washington, D.C., April 12, 1924—from Ruth Williams Hansen (Mrs. Paul), D.C. Alpha.

Pi Beta Phi monogram gold ring—from Madeline Wyer Killinger (Mrs. D. W.), Nebraska B.

Silver I. C. monogram stickpin from the archives of Pennsylvania A—from Amy Burnham Onken, Honorary Grand President.

Photograph of the Charlevoix convention of 1921—from Elizabeth Hill Scott (Mrs. Harold M.), Oregon B.

Letter from Thomas Arkle Clark (memento of the 1929 convention)—from Lois Franklin Stoolman (Mrs. A. W.), Illinois Z.

Poem written by Dorothy Vale McLaughlin and read to Miss Onken at the 1952 convention banquet—from Dorothy Vale McLaughlin, Wisconsin B.

Photograph of Texas Alpha initiates (spring 1910)—from Marguerite Simpson White, Texas A.

Photograph of an early University of Texas group—from Minnie Rose Rector (Mrs. Arthur J.), Texas A.

Letter of historical data—from Dr. Bessie Peery,

Iowa Z and Miss June Peery, Iowa Z and California A.

Letter of historical data—from Julia Ellen Rogers, Iowa Z.

Collections of glossy prints and newspaper clippings from the 1952 Houston convention—from Ila Pearce Graham (Mrs. Ernest), Iowa I.

Founders' Day Skit written by Helen Konesko Wodicka (Mrs. Virgil O.), Missouri B.

Elaborately printed handbill advertising the lecture repertory of Carrie Chapman Catt in the late 1880s, also a letter from Mrs. Catt to Iowa B chapter, dated 1887—from Iowa B.

A photostated edition of the History of Indiana A Chapter in two volumes—from Gertrude Deer Owens (Mrs. Roger B.), Indiana A.

Photograph of Lombard University in 1893; photograph of Illinois B chapter (1893-1894); Lombard College commencement bulletin for 1919; Illinois B chapter bulletins for 1911, 1912 and 1919; Initiation Guide Book for 1890; printed Constitution for 1893; Michigan B edition of the Pi Phi Song Book; printed edition of the Pi Beta Phi Pageant written by Kate B. Miller for presentation at the 1912 convention; convention banquet programs of 1912 and 1929; Special Train bulletins advertising the conventions of 1915 and 1929; Chicago Alumnae Club directories from 1913 to 1918; Southern California Alumnae Club directory for 1938; San Diego Alumnae Club directory and two Founders' Day banquet programs; California Epsilon Installation Banquet program—from Emeline Morris Moore (Mrs. Arthur), Illinois B.

The Historian wishes to thank the individual members of the fraternity who have so generously parted with their Pi Phi mementos for the enrichment of the archives and for the inspiration of younger generations of Pi Phis. She is grateful also to the members of Grand Council and to certain Province officers who have kept the archives ever in mind during their travels, missing no opportunity to secure items of historic value for permanent preservation.

The attention of the national fraternity is called to the efforts of Gertrude Deer Owens and her loyal associates in the Franklin, Indiana Alumnae Club whose pride in the traditions and achievements of Indiana Alpha should be an inspiration to other alumnae groups. Mrs. Owens' compilation of the early history of Indiana Alpha, it will be recalled, won first place as the finest of the early chapter histories exhibited at the Asheville convention in 1938. In order to preserve the typed manuscript in more permanent form and, at the same time, make duplicate copies available, the Franklin Alumnae Club has adopted the photostat method which was employed so successfully by Texas Alpha. As a result, this interesting and very readable history, complete with photographs, now appears in two large volumes. The volumes have been substantially bound in maroon-colored cloth with the title stamped in gold. Three copies exist. One has been presented to the active chapter, one to the national archives, and the third remains in the possession of the local alumnae club.

Letters received during the past year indicate a growing interest in the history of individual alumnae clubs. Many of these, founded soon after 1893, have already passed the half-century mark.

One of the Nebraska clubs has asked permission to reprint copies of the so-called "Rotary Club Speech" (a part of which was reprinted in the December

ARROW) for circulation to the parents of prospective rushees in that area. Permission was granted.

During the past year the Historian has had the pleasure of speaking before the following groups: The Kansas Alpha Mothers' Club, The Kansas Beta Mothers' Club, The Kansas City, Missouri Alumnae Club, and The Kansas City, Missouri Alumnae Club Afternoon Group.

The Historian regrets very much that illness and previous engagements prevented her from accepting invitations to speak at William Jewell College in March, and at the Founders' Day observances of certain Pi Beta Phi active and alumnae groups in April.

The Historian wishes to express her appreciation to the officers and members of the Lawrence Alumnae Club for the privilege of attending the beautiful and impressive banquet which marked the 80th anniversary of the chartering of Kansas Alpha chapter. The presence of the Grand President and her inspiring message made the occasion a memorable one for all those who attended.

Pi Phis in the Kansas and Missouri area are proud of the honors being conferred upon the Grand President and her family by Chancellor Murphy in recognition of the Reid family gift of valuable art and literary works to the museum of the University of Kansas.

It was a pleasure to see and to go over the archives with Mrs. Wild, Mrs. Alford and Mrs. Lewis, on the occasion of their visits to Kansas City in the spring. As a result of these discussions, plans are being made for the convention year ahead.

The Historian wishes to express her appreciation to all the members of Grand Council for the assistance and encouragement which they have so freely and gladly given. Mrs. Alford's wide experience and clear thinking are always a source of inspiration to anyone who is privileged to serve under her direction. The Historian wishes to thank the Director of Central Office for her prompt attention to mimeographing and mailing whenever those favors have been asked of her. Each year in office has brought new revelations of the greatness of the fraternity and of the worth of those women who served it in the past and who continue to serve it in the present. Service to Pi Beta Phi is an honor which should not be taken lightly, and a responsibility which should never be abused. The Historian's only regret is that she has not more time in which to answer in detail all of the letters which are received.

Respectfully submitted,

MARIAN KECK SIMMONS, *National Historian*

## PI BETA PHI MAGAZINE AGENCY REPORT 1952-53

The gross commissions realized on magazine sales for 1952-53 amounted to \$10,574.22. Of this amount clubs contributed \$8,523.93, active chapters \$1,928.01 and individuals \$112.28. During this same period \$59.53 was collected from bonuses, prizes and direct commissions, making a gross profit of \$10,633.75.

The gross commissions for the first year of the agency and the last two years are as follows:

1929-30	Approximately	\$ 810.00
1951-52		10,390.76
1952-53		10,574.22

The contest winners for 1952-53 are:

## ALUMNAE CLUBS:

Dallas, Texas—Mrs. Chester R. Cole, chairman, for making the highest total commissions, \$415.38	..... wins \$10.00
San Jose, California—Mrs. Randolph Keim, Chairman, for making the highest per capita commissions, \$6.03	..... wins \$10.00
Jacksonville, Florida—Mrs. Ralph Barnwell, Jr., Chairman, for making the highest percentage of increase	..... wins \$5.00

## ACTIVE CHAPTERS:

Kansas Beta—Elizabeth Horridge, chairman, for making the highest total commissions, \$106.85	..... wins \$10.00
--	--------------------

Wyoming Alpha—Carol J. Wirig, chairman, for making the highest per capita commissions, \$1.66

Connecticut Alpha—Barbara Dean, chairman, for making the highest percentage of increase

..... wins \$500  
Eighty-seven active chapters and two hundred, twenty-seven alumnae clubs have been contributors to the profits of the agency during 1952-53.

Following is the financial statement of statistical report showing commissions earned by chapters and clubs. It also shows the net profit for the year amounting to \$7,532.10. A check for this amount has been sent to the Settlement School.

Please note that last year's commissions are also given so that the contributors can see their gains or losses.

The Director of the Magazine Agency wishes to thank you for supporting in such a fine way the Settlement School through the Magazine Agency. Every subscription, new or renewal, counts, and your continued interest and enthusiasm is needed. We are counting on you as members of Pi Beta Phi!

JANET L. PATTON  
Pi Beta Phi Magazine Agency

## CENTRAL OFFICE REPORT FOR 1952-1953

The cost of maintaining the Central Office and purchasing supplies for sale to members of the fraternity was as follows from August 1, 1952 to June 1, 1953:

Salaries .....	\$ 15,105.64
Rent .....	2,500.00
Telephone & Telegraph .....	200.98
Office Equipment .....	91.04
Office Supplies .....	890.58
Office Expense .....	425.68
Robes .....	74.32
Ribbon .....	233.32
Chapter & Club Supplies .....	642.81
Excise Tax .....	79.43
Unemployment Compensation .....	67.84
Express & Postage .....	1,752.66
Bank Charges .....	14.35
Printing .....	196.30
Total .....	\$ 22,274.95

Receipts from chapter, individuals and alumnae clubs for supplies, express and postage, telegrams and so forth, fees and dues, Emma Harper Turner Fund, Scholarship Fund were distributed on the record as follows:

ARROWS .....	\$ 4.50
Cook Books .....	251.75
Record Books .....	287.50
Song Books .....	131.00
Jewelry .....	38,937.94
Initiation Fees .....	85,040.00
Alumnae Dues .....	25,404.50
Senior Dues .....	2,222.50
Pledge Fees .....	24,290.00
Chapter & Club Supplies .....	969.14
Express & Postage .....	183.80
Stationery .....	997.81
Ribbon .....	263.84
Commissions .....	1,281.88
Bond & Arrow .....	465.00
Robes .....	155.00
Emma Harper Turner Fund .....	2,193.50
Scholarship Fund .....	1,927.00
Miscellaneous Items .....	32.20
Telephone & Telephone .....	15.36
Total .....	\$185,054.22

1952-1953

THE PANHELLENIC SCHOLARSHIP CUP presented to Willamette University by Mr. L. G. Balfour, was inscribed, "Honoring Eugenia Brooks Smith, Pi Beta Phi, for her service in bringing national sororities to Willamette University." Mrs. Smith was a former member of the Pi Beta Phi Settlement School Committee and her husband, G. Herbert Smith, president of Willamette, is a member of Beta Theta Pi.

## CONTACT MEMBER OF SAVE THE CHILDREN FEDERATION

It has been a pleasure to again serve as the Contact Member for Save The Children Federation. Two chapters and one club, Illinois Epsilon, Manitoba Alpha, and Oak Park-River Forest have given full sponsorships this year. Contributions from other clubs and chapters have been combined or if desired have been sent in the names of the chapter or club. The personal element in this help will prove its value in the many years to come and Pi Beta Phi has just cause to be proud of this record of continued help since 1946.

Respectfully submitted,

LOIS F. STOOLMAN

The entire amount has been sent to Save The Children Federation.

## CHAIRMAN OF THE SETTLEMENT SCHOOL COMMITTEE

Cecil Rhodes, when making his will to establish the Rhodes scholarships, wrote, "Educational relations make the strongest tie." How right was Pi Beta Phi, affiliated with education through all its years, when it chose that field for its philanthropy! How wise were the leaders of 1910 and 1911 to recognize that the level of culture in a country depends upon the education of its people! Pi Beta Phi first offered in Gatlinburg only the basic needs—the three Rs. Then came the necessity for health protection and methods of overcoming malnutrition. Next, we turned to another phase of educational progress—the encouragement of weaving and other handicrafts with new colors and new ideas for the local people, already gifted, and the marketing of their products through Arrowcraft. Policies must ever be in a state of flux, subject always to changes which best meet current needs and developments, and as the county and state became financially able to assume more of their true responsibilities, we gave them their opportunity and turned to yet another phase of educational advance, the encouragement and development of the handicrafts in the whole Southern Highlands area.

In 1945 still another transition came with the establishment of the Pi Beta Phi—University of Tennessee Summer Workshop in Crafts. This time it was not only to further the crafts in the mountain areas of the south but to spread this education clear across the United States. This summer the ninth Workshop was held in Gatlinburg when twenty-two states, spreading from Florida to Toronto and westward to Colorado and Texas were represented. Twenty-two in attendance were graduate-students, seventeen were undergraduates and twenty-seven of the total sixty-six were non-credit, studying for sheer love of the crafts.

Not only has there been a revival of interest in the crafts and related arts for the joy of creating but also has come a recognition of the great therapeutic value of crafts for hundreds of people handicapped through war or other injuries, physical and mental, and instructors must be trained. Our Workshop is a new venture in education and is attracting wide-spread attention to Pi Beta Phi and the University's all-year program in Related Arts and Crafts. Now two other summer schools for credit have been set up in the east but ours was the first.

Plans for the Summer Workshop are made at the time of the Chairman's fall visit to the School. Then Miss Jessie W. Harris, Vice Dean of the College of Home Economics, Miss Henrietta R. Sivyver, Head of the Department of Related Arts and Crafts, Miss Marian G. Heard, Professor of Craft Design, Miss Ruth Buckley, Head of the Department of Foods and Nutrition, together with Miss Dyer, her Assistant and the Chairman assemble in conference. One cannot go far wrong with such able advisors and Pi Beta Phi is ever grateful for their aid. Miss Harris, 1938 Convention initiate, has given her thought to our Workshop from before its inception and Miss Heard has been its Director from the start. We have appreciated, too, the encouragement from Prof. F. J. Lowry, Dean of the University Extension, under whose department we operate.

The 1953 Workshop offered Metal Work and Jewellery, Weaving, Textile Design, Pottery, and Enameling for beginners and advanced students. We lean heavily on Miss Heard's enthusiastic leadership as well as her skill in the teaching of Advanced

Jewellery making. Because of the present increased interest in Enameling, Mr. Kenneth S. Bates was brought down from the Cleveland Institute of Arts as instructor. His handsome display of museum pieces, particularly the enamels on pure silver or copper served as major incentives in that field. All phases of the curriculum had top instructors in their fields and the results of the three and six weeks' efforts, when displayed at two Open Houses, proved the value of their teaching.

As mentioned in previous annual reports, the bottle neck of former Workshops has been the lack of adequate housing and too small kitchen and dining space to care for the staffs and summer students. This situation has now been eased with the completion of the new Staff House. This twelve bedroom home not only provides new year around living for our regular staff and the Workshop staff for six weeks but the dining room cares for one hundred comfortably. The kitchen is planned for scientific operation. Again we had the advice of the University of Tennessee: Miss Buckley on the kitchen planning; Miss Sivyver and Miss Heard with furnishings and colors.

Money for the building of the Staff House came from bequests (the Garshwiler estate and the Graham estate), from California Alpha money, and from the Sinking Fund into which have been regularly placed amounts for such construction as needed at the Settlement School.

The concept of having the house furnished by extra contributions to honor a friend, a relative, other loyal Pi Phi, or from devotion to the Settlement School came to the Committee even before plans for the Staff House were on paper. The idea was spear-headed by Maryland Alpha which pledged the balance of its treasury, one thousand dollars, at the Jasper Convention just as the chapter was withdrawing from the Goucher campus. We are very proud of the response to the letter sent out last fall by the Publicity member of the Committee and most particularly of those alumnae clubs which made their contribution to the Staff House furnishings without reducing the amount regularly donated to the maintenance program of the School.

The following are those who, to date, share in the pleasure of seeing the house become habitable, attractive, and restful. Some contributions were made with specific purposes in mind. These are recorded but the balance will be assigned this summer and listed in a later ARROW. As promised previously, credit will also be posted at the Staff House.

Those clubs beside whose name appears one asterisk contributed to the Staff House without reducing their regular Settlement School contribution. Where two stars are evident, that club not only did not reduce the size of its regular contribution from last year but *increased* it!

There are still four bedrooms whose furnishings must be provided and aside from these we are still in need of many things. On the practical side are such as a vacuum cleaner, a waxer, floor and table lamps, a clock. Among the more costly morale builders could be named a Deep Freeze or a refrigerator which will provide ice as well as furnish additional storage room (We have no ice machine at present and Tennessee heat really calls for one!) and a spinet piano. The piano is much desired.

And now to the all-year program at the Settlement School. Some staff changes have occurred this year. In December, the resignation of Ethel M. Snow as Manager of Arrowcraft became effective. During her sixteen years of service, she had become an integral part of Arrowcraft's relations with the alumnae, and to relinquish her meant a real adjustment. We appreciated her staying on through the fall shipping season. To the position came Mrs. Marian Webb Mueller, Indiana G, who in her six months has demonstrated her business ability and her merchandising talents. This June Lena Hodgen resigned as Housekeeper and for those who saw her quiet efficiency, the School will seem changed without her. Two others, Pi Phis, Joan (Joni) Newcomer, Kansas Beta and Katherine (Katie) McIntosh, Alabama B, have been welcome additions to the official family.

Ruth Dyer's expression, "Never a dull moment!" aptly describes the busy life of our staff. Miss Dyer herself never could be said to lead a leisurely existence nor a monotonous one for she is in demand from morning till night. To read her report gives a full idea of her supervisory duties—from overseeing the progress of the Staff House and its landscaping and that of the whole school to lecturing on her box or bird collections or passing out the diplomas at commencement time—but it could never include all the unexpected demands. The Committee owes Miss Dyer a debt of gratitude for her vigilance and her interests in protecting Pi Phi possessions in Gatlinburg. Serv-

ing as assistant to Miss Dyer is Joni Newcomer who, with her versatility has adapted herself quickly to the School and community needs. Joni has led a Girl Scout troop, taken charge of a young people's group and music at her church, lent her journalistic talents to the school and been most generous with her music on all occasions.

At the Conclusion of the manual sent to each member of the staff it says, "The Pi Beta Phi Settlement School Committee concurs in the opinion of the local committee that the interests of the school are best fostered when staff members participate in church and community enterprises." This, of course, is done in their own free time but each quickly finds herself drawn into church and community activity and makes her contribution willingly.

Pi Beta Phi has provided four teachers to the County School in Gatlinburg this year and three, Mrs. Armstrong, Music, Ann Smith, Arts and Crafts, and Carl Huskey have been back with us this past year. The last named is on half-time but his contribution in teaching wood-working is valuable because many of the boys who do not go on to college are enabled, by his instruction, to find employment in the woodcraft shops of the area. They learn to handle safely the power machines and turn out commendable small pieces of furniture.

Mrs. Aletha Armstrong continued her class work in Music with the elementary grades while directing the high school glee club, giving voice instruction for ten promising solo voices and preparing and producing two large performances during the year. Both of these used the grade and the high school students. In the Christmas play, "The Coming of the Prince of Peace" (Dickinson) the main continuity was handled by the Glee Club. In late spring the operetta "The Magic Nutcracker" (Tchaikovsky) was most successful. For both these productions Katie McIntosh practiced with them and served as the accompanist. Since she is a graduate in Music from the University of Alabama, her help was a great addition as was that of Ann Smith for settings and backgrounds. Mrs. Armstrong emphasizes that progress has been made in recognizing and developing the native voices and has expressed the need for a wire recorder in order that the young people may properly evaluate their tone and learn the value of voice training. This and money for still other fine records could well be suggestions for special club or chapter Christmas gifts.

Ann Smith returned to complete her first full year of teaching Arts and Crafts after coming to us immediately after graduation from U.T. last March. The elementary pupils were exposed each week to developing their creativeness with everything from finger painting to the making of puppets. The 7th and 8th grade girls made match boxes, plastic bracelets, metal trays and Christmas decorations, to name a few. The boys did not take so readily to art but managed to show interest in poster making, metal work and crafts strip work. Two made very creditable lamps. There has to be much poster work for the school events which keep all students busy. There were classes of eleven and twelve each for the Junior and Senior girls, one hour daily wherein they did advanced metal work, made Christmas gifts and decorations. They entered these in the Christmas Garden Club Show and received a number of ribbons. Design and color were stressed all year. They worked also in leather and when weaving was offered, several advanced class girls made stoles. Entries were sent to two Arts and Crafts exhibits during the year: in the fall to the U.T. exhibit, and at the end of the year work from both grade and high

school went to Cherokee, N.C. for display. Ann is serving this summer as one of the Graduate Assistants at the Workshop.

Mr. Chan Huskey, with a Master's degree came to us last fall from Sevierville High School to teach Physical Education and Health in the High School. The latter is taught only to the Sophomores each year and forty two completed the stipulated state text in May. In the gymnasium classes conditioning was given to all and there were intramurals and tournaments to arouse good class and school spirit. Games such as "Crows and crains," "Beater goes round," "Chain dodge ball," foreign to a western neophyte at least, were mixed with the old familiar relays, tugs of war, rope climbing, rooster fights, and arm wrestles. Basketball continues to hold high interest for both girls and boys. Twenty games were played in the district and our team was entered in the district tournament. Mr. Huskey, with the help of the rest of the faculty, conducted a field day for the entire school and swimming was included in the program for the final weeks of school, when a local pool was made available. It is unfortunate that the gymnasium is inadequate because of size and small dressing room space. We hope that the County can provide some improvement in dressing room facilities before school opens in September.

The County does not plan for any immediate building program in Gatlinburg though plans are on file. Two of the County schools burned within the past year and of necessity had to be replaced, and the County Superintendent told the Committee that the two story grade school building in the County seat is really unsafe structurally, and a fire-trap.

We have had pleasant relations and cooperation with Mr. Roy Ledwell, County Superintendent, who is new this year and with Mr. Charles Clabo, Gatlinburg representative on the County Board of Education. We also claim the president of the School Board, Mr. Ownby, as a friend since his wife teaches in our high school. The new principal for next year, Mr. Dewey Large has his Master's in School Administration and comes with high recommendations. The County Board is careful in consulting Miss Dyer on applications, which was a stipulation of the Pi Beta Phi—County Lease Agreement some years ago, and is appreciated. We have been discouraged at the appearance and lack of maintenance of repairs which was also a stipulation of our agreement with the County and hope for better results next year. We ask that the teachers, whose salaries are paid by us, cooperate with the principal and superintendent in the same manner as do the other teachers. Three regular teachers, Schley Cardwell, 2nd grade, Carolyn Freshour, Home Economics, and Carl Lewelling, Commerce, have lived with our staff this past year and were claimed as part of our official family. With politics what they are in the Tennessee legislature, some one said, "This was not the year for Schools," though free text books were voted. We shall probably wait for some time for a revived interest in new Gatlinburg school plans.

The P.T.A. has become an increasingly active organization in support of the needs of the school. This year, they have again operated the school lunch room, earned sufficient to replace the cyclorama on the school auditorium stage and have purchased a spinet piano for the auditorium. They also assisted our nurse in the preliminary arrangements for the Pre-school Round-up examinations.

The Health Center continues to be a vital part of the Settlement School plant, as shown by the summation here given though it does not reveal all the ac-

tivities of our nurse, Marjorie Chalmers, nor the difficulty in finding proper balance between the length of office hours and visits to the outlying district schools and the mountain homes.

Class of Work	1952-53	1951-52
Field Visits	892	631
Office Calls	2649	2348
First Aid etc.	2257	2031
Diphtheria Immunizations	45	66
Small Pox Vaccinations	137	252
Total Typhoid Inoculations	752	950
Completed Typhoid Series	611	779
Total Whoop, Cough Inoculations	223	90
Completed Whoop, Cough Series	159	29
Therapeutic Inoculations	206	116
Health Talks	95	102
Pupil Inspections & Examinations	3711	3652
Newspaper Articles	65	62
Chest X-Rays	759	1091

The mobile unit from the State department of Health brought its Tuberculosis unit for two days to the Health Center again this year but as the time fell during Easter vacation, fewer availed themselves of the clinic. However, in spite of vacation, the business class students gave up those days to assist in making out the necessary records.

The doctors of the town cooperate fully with our program and are cognizant of the tremendous contribution which our Health Center gives to the community health and welfare. This past year Marjorie was active in the area polio drive and in conference with local, district and state representatives in Civil Defense. This spring she was appointed to the State Women's Advisory Committee for Civil Defense. Her weekly "Health Shots" which has appeared for five years in the Gatlinburg Press has proved a fine means of disseminating wise preventive information not only to the town itself but to a widened area through the paper's circulation elsewhere.

We are ever appreciative of the assistance provided by Sigma Phi Gamma, national business women's organization, whose philanthropic services in Eye Correction extend through the mountain areas. Several different chapters have our Health Center assigned them each year and their donations to us widen our sphere of service.

The Loan Closet, in large part supplied by the Pi Beta Phis from everywhere has its contents ever on the move. Sick room supplies and baby scales are usually returned but the layettes always need replenishing and new or used clothing in good condition, for all ages, is a special need every year. The contributions are welcomed and appreciated when loaned or given.

Arrowcraft continues to produce its lovely products and the Pi Phis continue to find new markets for them. Accenting the length of time we have been in production was the party which Mrs. Mueller and Mrs. McMorran gave the weavers this spring, for on that occasion nine weavers were honored for having woven for Arrowcraft over a twenty five year period.

A project is worthy which contributes toward the support of sixty or more weavers, most particularly during this period of high living costs. But when one realizes that the proceeds from all the combined sales also help to pay the salaries and to maintain the Settlement School as it should be, one recognizes our need for your continued help and our great appreciation for all each club does.

Space does not permit the listing of sales amounts for every club but by turning to the Province Vice Presidents' charts in this ARROW, one may find just what any club has done up to May 31. Eight clubs

exceeded \$1000. sales in 1952. We appreciate the promptness in payments this year and the fact that so many others have augmented their sales to pass the thousand dollar mark. Here are those whose paid-up purchases topped the thousand mark; there would have been several others included, had they settled their accounts before the auditor's visit.

1. Champaign-Urbana, Ill. .... \$2,153.41
2. Philadelphia, Pa. .... 1,634.12
3. Coos County, Ore. .... 1,580.40
4. Houston, Tex. .... 1,528.89
5. Pasadena, Calif. .... 1,494.89
6. Pittsburgh, Pa. .... 1,488.53
7. Sacramento, Calif. .... 1,380.87
8. Charlotte, West Va. .... 1,366.52
9. Milwaukee, Wis. .... 1,346.36
10. St. Louis, Mo. .... 1,210.56
11. Omaha, Neb. .... 1,145.80
12. Portland, Ore. .... 1,137.30
13. Denver, Colo. .... 1,088.03
14. Albuquerque, N.Mex. .... 1,079.25
15. Bloomfield Hills, Mich. .... 1,040.00

I am sure that each of you can appreciate that Katie McIntosh, Bookkeeper, would have a far easier task if every club, chapter, and person purchasing from Arrowcraft were to pay her bills promptly. Arrowcraft is a business and too, must meet its bills. When goods are sold, please pay promptly, or if not, return them for credit well within the time limit. It seems unfair that an incoming club Settlement School sales chairman be faced with hold-over balances due.

1952-53 proved to be a big shipping season. Even with good imagination it is hard to think in terms of more than 800 skirts, over 300 stoles, 1900 seamless bags or Whig Rose doilies to the number of 6000. These examples attest the beauty of the designing by Tina McMorrان, head of the Weaving department. The coming year, some of the articles will be available only "as long as they last" but new patterns will supplant the out-going ones. There are new cotton plaid fringed table mats in blues and browns to accompany cottage pottery; a new baby blanket; a new evening purse made so that no federal tax need be added; a new blue skirt; pillow covers, high-lighted with metallic threads; beautiful wide belts to which may be added a wooden buckle of walnut or cherry or maple; and bands for luggage racks, just to name a few.

Assisting Mrs. Mueller and Mrs. McMorrان in sales and weaving are Edna Cook, Ruby Watson, Nellie Cook and Susie Maples. Edna who has been with Arrowcraft six years divides her time between assisting Mrs. McMorrان with the weavers and helping in the sales room. Ruby and Nellie are salesgirls while Susie, clad in one of our colorful cotton skirts, demonstrates at the loom, weaving the sparkling pillow tops. Mrs. Edna McCutchan is in charge of the branch shop in the lobby of the Mountain View Hotel.

In addition to the returns in money from your sales, we are grateful for all the general contributions and for the effort and sacrifice which they represent. May we again call your attention to the policy which states that when a benefit is advertised in the name of the Settlement School, all amounts above expenses must go to our philanthropy. The fraternity lawyer also states that the fraternity may not sanction exemption from federal tax on admission tickets unless the money comes to the School.

The Committee would refer you to the Chart of the Settlement School Income and Expense Dollars in your files and which may also be found in the

1952 Information Arrow, page 62. (Correction: "Activities" should read "Actives.") The sample year shows an average income and outgo and why larger donations would be helpful. "School facility operation" requires 30% of every dollar received, "Instruction" amounts to 22%, the "Summer Workshop," 13%, "Additions to Reserve and Sinking Fund," 15%, which leaves a remaining 20% to provide for Replacements, Insurance, Repairs and Committee management expense.

Over a period of some years, I have hoped to see a contribution from every single club and chapter but appreciation is no less sincere for all that has been given. An accolade goes to the St. Louis alumnae club for again sending its annual thousand dollars, which it has done for many years. Another Epsilon province club, Kansas City, Mo. stands second with \$700.00 to its credit. Our Grand Vice President must be very proud of her own club and of her province, too!

The following clubs and chapters are on the honor roll this year, with contributions of one hundred fifty dollars or more (clubs) and sixty dollars or more from the chapters.

<i>Clubs</i>	<i>Chapters</i>
St. Louis, Mo. .... \$1000.00	Missouri B ..... \$ 125.00
Kansas City, Mo. ... 700.00	Texas A ..... 100.00
Milwaukee, Wis. ... 300.00	California Γ ..... 100.00
Cleveland-East .... 225.00	Louisiana A ..... 85.00
Indianapolis, Ind. ... 210.00	Illinois Θ ..... 75.00
Philadelphia, Pa. ... 200.00	Kansas B ..... 75.00
Denver, Colo. .... 200.00	Colorado A ..... 75.00
N. New Jersey .... 175.00	Nebraska B ..... 68.59
Houston, Tex. .... 150.00	Wisconsin Γ ..... 65.00
	Missouri A ..... 60.00

Twelve other clubs were in the \$100. bracket and eight other chapters gave between \$50. and \$60.00.

From the Magazine Agency profits this year our treasury received \$7,532.10. This amount could be greatly augmented if every club inspired every member to subscribe for at least one magazine through the fraternity agency, and every chapter member sent one subscription to her family as a gift.

Shall we consider our work in Gatlinburg finished and seek some other type of philanthropy? Think first of the place we hold in the fraternity world, for our educational service to those outside Pi Beta Phi. Would you withdraw the benefits of our Health program—relieving the over-taxed doctors of school inspections, inoculations and consultations on minor difficulties or accidents, the pre-natal advice and care given to new mothers, or First Aid to the school children, week after week? The program of sanitation, disease prevention and health preservation would have a tremendous set-back. The Workshop program is well launched and has a large future as it is expanded; many students returning to their many states carry a wide-spread message of the fraternity's influence not only on the handicrafts of the southern mountains but on every helpful and healthful objective of that vicinity. No money donated to us is spent other than on the Settlement School program and the withdrawal of these funds would have the wrong economic effect upon the community. Should we sacrifice the service we give our weavers and lose prestige as we display and sell the beautiful articles made for Arrowcraft and distributed all over the United States?

It does not necessarily follow that we shall always have direct obligations in secondary education for the Gatlinburg school system, but when one goes to Gatlinburg and talks with the pioneers, the older established residents or the doctors rather than the newcomers in business, eager for the tourist trade but

with less knowledge of the long development of the area, one knows that Pi Beta Phi is needed and appreciated. The future program will change, adjust itself to new conditions, but we could ill afford to discontinue our interests. With the majority of fraternity members believing in the School and our efforts there, we must continue our support to the best of our ability.

This past month I heard an address by the president of one of our western colleges in which he referred to the sequence which sometimes occurs in the treatment of a worth-while activity:

"First, we Choose it;  
Then we Use it;  
And then, if we Abuse it,  
It follows that we Lose it."

CHOOSE—USE—ABUSE—LOSE! I earnestly hope this sequence will not obtain in our Settlement School, on account of the few rumblings heard, to the effect that our project has served its purpose.

It is always wonderful to discover how many fine and able Pi Phis there are. In no place is this more quickly demonstrated than in service on the Settlement School Committee. The duties are many and the time for action, short. I have ever been appreciative of the Committee's assistance but particularly during

the past two years when the burdens have been doubly heavy. Each member has responded handsomely to the extra calls for help.

At this summer's meeting, Louise W. Dobler, Washington Beta, former Lambda Province Vice President of Everett, Washington was "pledged" to the Committee. She will serve as Public Relations members and will edit "News of Little Pigeon" in the ARROW. Virginia Brackett Green, Indiana Gamma, former Delta Province Vice President, assumes the duties of the Chairman.

This report concludes twenty two years and more of close official contact with the fraternity and I would register my gratitude for the privilege of this service. During this time the Settlement School has become very real and very dear to me. For my successor I can only wish the same heart-warming associations and increased opportunities for service in Pi Beta Phi. The Grand Council, all officers, the Staff and the Committee members have ever been ready to show their cooperation and their commendation. I wish also to express my gratitude to the alumnae clubs, active chapters and individual Pi Phis who, by their encouragement and their continued support have made possible the maintenance of our philanthropy.

RUTH BARRETT SMITH

## REPORT OF DIRECTOR OF SETTLEMENT SCHOOL 1953

A pebble dropped into still water produces an ever-widening circle of ripples. In much the same way the first Settlement School workers introduced new ideas in education, sanitation, industry, and ways of living that have enlarged and grown with the years, ever spreading and enlarging that influence. Workers may come and go, Committee membership change, the economy of the village undergo startling transformations, but the idea of service to the mountain people remains the same as when this Memorial to our Founders was started forty-one years ago.

### *Community*

Building of all sorts of tourist courts, shops and restaurants has been almost continuous throughout the year with little slowdown during the winter months. The Riverside Hotel had its "face lifted," and now has an exterior something like Mount Vernon. The Mountain View built new shuffleboard courts on the corner adjoining our property and changed the swampy ground across the street by draining it and making the river channel deeper before filling in the ground. A new Catholic church is being built in the Airport field, and we are at last to have a new building for the Post Office. Bruce Whaley is building a two-story stone and frame structure to house the Post Office and a craft shop on the first floor, with offices and apartments on the upper floor. The American Legion paid off the indebtedness on its property and is now working towards funds for a building. All these physical changes caused one newspaper reporter to refer to the town as "a Miami Beach without an ocean front, an Atlantic City without a beauty pageant, or a Colorado Springs without 16,000-foot mountains." He also added that 95 per cent of the business enterprises, from taxi service to hotels, is owned by natives of the area and that just a few miles from town you will still find the old time way of life being lived in cabin homes. The local people are much engrossed with all this business during the tourist

season, but later in the year find time to meet socially and to work for worthy causes. Union church services were held on special occasions. The Thanksgiving service was held in the Baptist church with the new Methodist minister, Reverend Spurgeon McCartt, preaching the sermon. There was a service outside by the community Christmas tree when the lights were turned on, and at Easter there was the usual sunrise service on the Greystone lawn. Girl Scouting in the village is being carried on by an enthusiastic group of young mothers and others. Over 100 girls are participating in the program. The local leaders were hostesses to a one-day Area Workshop for Leaders held at the Assembly Grounds in October. National Girl Scout week was observed with an Open House at the New Gatlinburg Inn recreation room, and the Court of Awards was held one Sunday afternoon in the basement of the Baptist church. One troop of Boy Scouts is quite active, but the lack of leaders hinders a wider participation in that program. All of the local children were guests of the American Legion at their annual Christmas party held at the Cherokee Theater. This is a gay occasion with candy, gifts, and fun for all. The children who were not too fortunate were remembered well by local people, especially by the Santa who delivers gifts in costume and works hard for several months at the projects. He is Mr. Byron Herbold, a local chef. He and his wife have no children, but they spend hours working for the poor and needy. At Easter, the churches sponsored an egg hunt for all children on the Whittle lawn. The local Garden Club again had an outstanding show of Christmas greens and arrangements at the December meeting. The lobby of the Mountain View was filled with the different entries. Here again the children were included. Miss Smith worked with her art classes, Miss Freshour with the home economics classes, and the Girl Scout troops all brought interesting items for the show. Fund-raising for the Polio Fund by having a big party at one of the hotels has

been an annual practice. The one this year was held at the Greystone Playhouse and was most successful. The receipts were \$1,800.00 from the party and the polio candles that had been placed around town in different business places. It was fun to have Marianne Wild, Olivia Moore and Ruth Smith as our guests at the affair and to help eat the cake that Marianne won on a chance. Another benefit party was the one given by the Women's Auxiliary of the Episcopal Guild. This netted them \$335.00. A drive for the Red Cross and one for the benefit of the village library were carried on and were fairly successful. The young girls from our house had a good time when they helped serve as hostesses at the Fox Hunters Ball. That association met in Sevier County for their 59th Annual Field Trials during November, with the social affairs being held in Gatlinburg. October was a beautiful month with the exception of many forest fires in the surrounding mountains. We had none in the Park area, but did have overcast skies and were worried about the lack of rain and the constant threat of real danger, should a big fire get started. The weather was not so favorable when the third annual Wildflower Pilgrimage was held in the spring. It was rainy, but that did not seem to dampen the enthusiasm of the people who came from many places to study the flowers in the Park. Another spring event was the Horse Show, sponsored by the local Lions Club. It was something new to Gatlinburg. I do not think the Club made any money and they certainly worked hard putting on the affair, but it did prove interesting to tourists and locals alike.

#### *Changes in Staff and Physical Plant*

Perhaps of more interest than community affairs have been the changes in our own staff: Joan Newcomer, Kansas Beta, came last July to take Lillian's place as my assistant. She has fitted into our life beautifully and besides doing an efficient job at the school has contributed to community activities through her Girl Scout troop and work with the choir and the youth program at the Methodist church. She has been in demand as an entertainer, giving willingly of her talents. Another new staff member is Katie McIntosh, Alabama Beta, who came to us right from college to help as bookkeeper at the Arrowcraft Shop. Katie was a music major and plays the organ at the Episcopal church and directs the choir, besides helping Mrs. Armstrong with the music program at the school. Ethel Snow resigned and left the school in December. It seemed strange without her, for she had been such a part of the school life in Gatlinburg for many years that her loyalty and talents were almost taken for granted. In February Mrs. Marion Mueller, Indiana Gamma, came to take over the Shop. She has proved to be very efficient, and in the few months she has been here has the situation well in hand. The Fraternity can be proud of its new representatives at the Settlement School. The year has marked many improvements in buildings. Stuart, Pollard, and Teachers Cottages, and the Health Center have all been painted. The barn was given a fresh coat of red paint, and the dormitory boys did the same for the brooder houses. Most important was the completion of the new Ruth Barrett Smith Staff House, the car port, and the setting for the house. A fieldstone retaining wall with the lichens carefully placed on the front side, a rustic bridge across the drainage ditch, slate sidewalks resembling stepping stones, a new lawn sloping gently down to the path across the field, and plantings around the house have taken hours of time and effort. There is still much to be done, but

the essential things have been taken care of. The house is lovely and those of us who are privileged to live in it are more than grateful to everyone who has made the dream of a new staff house a reality.

#### *School*

The year started out well, with a complete faculty and an enrollment of 510, 32 more girls than boys. Due to several causes, before the year ended a number of changes in the faculty had been made. The Fraternity enriched the curriculum and helped to make the school an accredited one by providing several teachers. Mr. Chan Huskey served his first year as teacher of physical education and coached the basketball teams very well. Mrs. Aletha Armstrong again taught the music classes and worked with chorus groups, Ann Smith had the work in arts and crafts, and Mr. Carl Huskey taught the high school boys woodworking. Marjorie looked after the health of the student body with their daily first aid requests, and in the spring had a fulltime job when we had our share of epidemics of measles, mumps, chicken pox, and whooping cough. In addition to these regular staff members we were happy in that the two young Pi Phi's working at their own jobs were able to contribute so much to the school program. Joni used her talents in various ways and Katie accompanied for Mrs. Armstrong. The usual events followed each other in the general pattern of all schools. The gay colored leaves decorating the grade school blackboards gave way to Pilgrims, turkeys, and pumpkins, and then to jolly Santas and Christmas trees. There was no big school carnival at Halloween, but the first six grades had a colorful costume parade with prizes for the different classes. Football suits were laid aside after a fairly successful season, and basketball became the favorite sport. "Strictly Formal" was the junior class play given in the fall. Miss Margretta Craig, a new English teacher, was the class sponsor and directed the play. It was fun, especially for us, for two of the dormitory girls had parts. There was the usual two-day vacation at Thanksgiving and two weeks for Christmas. December was such a short school month with many things crowded into the days. All the rooms had parties with the mother furnishing refreshments. Pi Phi chapters and alumnae clubs provided an orange for every child in school, and there were individual gifts for the children in the first four grades. The older grades received nice books for their room libraries, and one grade got the athletic equipment that the Cleveland Alumnae Club always sends. We always have charming Christmas programs, but I thought Mrs. Armstrong quite outdid herself on the one last year. It was in the nature of a Nativity play of ancient Christmas songs and carols called "The Coming of the Prince of Peace." The children sang so sweetly and the staging was specially good. Everyone helped make it a success: Ann, Arlie, Neal, and all the grade school teachers. Katie's accompaniment was lovely. January and February were busy months, with the high school students having semester examinations. Valentine parties in all the elementary grades gave color and happiness to those children. The seniors sponsored a big party for the high school students proving that red hearts and cupids can thrill even a high school boy. By March several epidemics were causing much absenteeism in the school. One teacher had to miss over three weeks with a bad case of whooping cough, and another one had an emergency operation. Mr. Jack Miller resigned, leaving another vacancy. The problem was solved by the use of student teachers from the University of Ten-

nessee. Mr. Lewelling was shifted to Mr. Miller's commercial classes and the student teachers took over the other work. A group of fourteen were assigned to Gatlinburg for their work in practice teaching. It would have been hard to finish the year without their help. The senior class play, "A Broom for the Bride," was well cast and well given. The home economics teacher, Miss Carolyn Freshour, was one of the class sponsors and directed the play. Another project of the seniors was the school annual. I doubt if this book would ever have gone to press if Joni had not come to the rescue with her knowledge of journalism and helped them meet the deadline. Dorothy Manley worked up a small operetta for the third grade students called "The Magic Word." A more ambitious operetta was the annual one given by Mrs. Armstrong. She had many discouragements for so many of the children were out of school on account of illness, Katie got sick, and at the last minute, Mr. Armstrong had a heart attack! Joni came to the rescue again, playing the difficult score, and the play went on. The twenty-one seniors finished their school days with a trip to Washington, D.C. They had been well-instructed as to what they were to see, and I think got a great deal out of the experience. They returned to final examinations and Commencement activities. The Baccalaureate service was held in the Methodist church with Reverend McCartt preaching the sermon. The high school chorus, under Mrs. Armstrong's direction, provided the music. Class night was held in the High School auditorium. It was a clever little program written and directed by Joni, called "Graduation Choo Choo." The Commencement exercises were held in the Baptist church. Dean I. N. Carr from Carson Newman College gave the address. He is from a family that came from this area and he went to our school as a child. At a dinner I gave preceding the program, he spoke of the changes in the community, and again during his talk he spoke of that and of the work done by the Fraternity during the years.

During the summer of 1952, three of our teachers completed work on their Bachelor's degrees. This helped give Gatlinburg a very good rating in their instructional staff in a county where there are still many permit teachers. Next year, Mr. Dewy Large will replace Mr. Walter Ogle as principal. He has a master's degree in school administration and has many plans for improving the school. We have a new County Superintendent of Schools, Mr. Roy Ledwell, who was long connected with Sevier County High School. Mr. Charlie Clabo replaced Mr. Fred Ingle on the Board of Education, and we are to have a new janitor. With the County and the Fraternity working together, we will be able to have a better school than we had last year if all the plans work out.

#### *P.T.A.*

The school lunch program was again sponsored by this organization. Mrs. Morrell gave efficient service and the children were well fed. More free lunches had to be provided than in the past several years. Of all the money-making projects, rummage sales are one of the favorite P.T.A. methods. These sales are held in the school music room, always on the day the Pi Phi weavers receive their monthly checks. The sales usually bring in about an average of \$120.00. One sale helped buy new suits for the girls' basketball team, another helped pay for the gray cyclorama curtains for the stage, and a third was used for lockers in the hall. The really big project was the second Minstrel Show. This was written and directed by a

local man, Harry M. Bird. He has had experience with such shows before and really put on a grand entertainment. The goal was a new piano for the assembly room towards which the county Board had promised \$300.00. Enough was realized to buy the piano and to have a "dolly" made for it so it can be moved into a safe place when the gym is used for basketball games. Some good programs were given at the monthly meetings with good average attendance and interest in the work of the organization in its efforts to help both the parents and the school.

#### *Dormitory*

Twelve dormitory students lived at the school during the year. Of the eight girls, one was Martha Houser, Mary's senior daughter, three were juniors, and the other five were second year students. Joni chaperoned the girls, and the four boys were under Mr. Lewelling's care. Two boys were sophomores and the other two were freshmen. All of the girls and boys, with possibly one exception, were good students and very capably executed their work assignments. We again had trouble finding a cook except for the winter months when our good Leona was free from her restaurant job. The rest of the time we had some help from others, but mostly it was Miss Hodgen who fed the family. The girls were good help, but the whole situation was not fair, although seemingly unavoidable. Of course, the move into the new house was the main event of the year. The management of the Greystone Hotel offered a crew of men for the job of moving the stoves, refrigerator, and heavy kitchen equipment. They came one Saturday morning, and with the help of our regular men and the dormitory boys and girls, everything was installed and we had our first meal that night, December 6th. The boys moved out of Pollard into the rooms vacated at Teachers Cottage by the staff moving into the new house, and that old house was closed until time for Workshop students to occupy it. The first social affair in the new house was the Open House honoring Ethel Snow on December 15th. It was a nasty, cold day, but we had many guests. Among these were several of the weavers, all of whom had been sent a special invitation, and a party of friends from the University who had helped plan certain things about the house. It is a lovely place in which to entertain large groups, and that day the holiday decorations made the setting especially effective. Our local alumnae presided at the punch bowl. Since then we have entertained a number of times. We held an open house for the members of the Southern Highland Handicraft Guild during their spring meeting, and a coffee party for the student teachers and our regular teachers and staff. One group from the Council of Southern Mountain Workers met in the lounge for two meetings. Miss Hodgen entertained the Methodist ladies one afternoon, and the ladies from the Episcopal church met with Tina and Katie another afternoon. Marjorie had her bridge club for a dessert luncheon, and one evening another club met with her. We have entertained at several dinner parties the local ministers and their families and other friends. There were two Christmas parties at Stuart, one for the dormitory students, and one for Joni's Scout troop. Mrs. Henry has again used the living room and piano at Stuart for her music pupils and since she lives in Pigeon Forge is most appreciative of the privilege.

#### *Health Center*

Gatlinburg without a Health Center and a Pi Phi nurse! I imagine the community would regard such a

situation as a real calamity, for from the time the local babies are brought to the Health Center to be weighed and given their first inoculations, through pre-school examinations and their school years until perhaps they have children of their own, the Health Center with our nurse, kindly Marjorie Chalmers, has been considered a haven. The small pebble dropped by the first nurse, Phyllis Higinbotham, Ontario Alpha, thirty-three years ago, started ripples that are still expanding in the area. Different clinics are held at the Health Center during the year. These include the one for pre-school children entering the first grade, and about two yearly visits from the state mobile X-Ray unit. Marjorie's Friday afternoon clinic hours bring many young mothers for counsel and advice. During the school year, she is kept busy looking after the health needs of the 500 children in our school and in making visits to three rural schools, giving nursing service to the children enrolled there. In the field of community work, she worked with the county polio unit and was chosen to attend a study course in atomic nursing that was given at Nashville. Two of the meetings of the health division of the Council of Southern Mountain Workers were held at the Health Center. The members admired greatly our modern building and equipment. We acknowledged with gratitude the gifts sent especially for the health program. Sigma Phi Gamma International Sorority gives us money through the Council of Southern Mountain Workers to be used for eye and dental corrections. Through the kindness of a Maryville oculist and a local dentist, this money stretches over a number of needy cases. A Christmas gift of fifteen dollars from the Portland Alumnae Club was added to this fund. Chapters of Sigma Phi Gamma are assigned to help us and gifts of small items useful to the nurse and even money come from time to time. In our own membership there are individuals and alumnae clubs that send layettes, something that we have never had a surplus of since I have been here.

#### *Farm*

Our farmer has suffered the usual vicissitudes due to the weather—either too much or too little rainfall. Wet weather was responsible for the need of a string of tile to drain the side garden into the spring, and the dry weather ruined some of the garden crops. Some seeds lay dormant and never did come up, while other vegetables died from lack of water. We have had quite a few things for the table, but not much of the sweet corn we are all so fond of. Richard has helped Arlie and Neal with the work of getting the new lawn seeded and in shape. For days the dormitory boys spent their working hours picking up the rocks that had been left by the graders. We had especially good luck with the baby chicks and have had good egg production all year.

#### *Arrowcraft*

The year has been a busy one with many changes. New faces in management and sales staff have made no radical change in the operation of the shop. We are getting used to having Marion Mueller in Ethel's place, Katie at Mrs. Cole's desk, and two new salesgirls in charge of selling our lovely merchandise to the tourists. Ethel had to set up the Convention Shop, which is always a task. Those of you who were at the Shamrock will remember we had an especially fine display. Fall shipping was very heavy with no let-up until just before Christmas. Business has been good at both of the shops. Tourists are always interested in seeing a loom in operation, so we have had

one set up in the front salesroom with a weaver demonstrating on it. Irene Wilson wove the drapery material that Tina designed for the lounge and hall of our new Staff House on that loom, and at present Susie Maples makes the shuttle fly. Last summer, Tina was given leave of absence to attend a six weeks workshop at the Inter-Mountain Indian School in Utah where she worked under the famous Dorothy Liebes. She and Irene demonstrated at the Craftsman's Fair in Asheville last July. Edna helped sell our products in the booth that we shared with the McDonalds (pottery), Marian Heard and Jane Glass (jewelry), and Mr. Ronald Slayton (wood products), formerly with the University of Tennessee. Arrowcraft weavings were exhibited at the Cherokee Indian Fair and were entered at the Fall Craft Show held at the University of Tennessee. In recognition of the weavers who have worked continuously for Pi Phi for many years, Marion Mueller and Tina arranged a party which was held at the Staff House. Seven weavers with a record of twenty-five years of service to Arrowcraft were the honored guests. Each was given a Stuart Nye pin suitably engraved on the back. All enjoyed the visiting and there was much recalling of old times. They sang some old harp songs before we had refreshments. These consisted of punch and a cake beautifully decorated with an arrow. Everyone regretted that Ethel Snow was not present, for she knew all the weavers. It would have been nice if our former weaving designer, Jene Redding, could have been there, for she had started many of this group weaving "for the school." Jene had seen many of them earlier in the spring when she was our guest for a few days. She was invited to give a talk at the spring meeting of the Southern Highland Handicraft Guild held at the Greystone Hotel, coming down from Boston where she now operates her own weaving service.

#### *Summer Activities*

##### *Pi Phi Visitors and Staff House Dedication*

Our official Pi Phi family held meetings in town during the summer. Grand Council, the Settlement School Committee and then the Province Officers arrived. We were delighted to have them here. Committee arranged for a lovely dinner, a tour of the grounds with meetings with the local resident staff and several of the teachers hired by the Fraternity, a visit to Arrowcraft and for them to be present at the formal dedication of the staff house. This was a simple ceremony held in the lounge with local Pi Phi alumnae and friends of the school also in attendance. To all of us the highlight was when the building was dedicated and named the "Ruth Barrett Smith Staff House." No name could have been more fitting nor an honor more deserved. As Chairman of the Settlement School Committee, Ruth Smith, had worked untiringly for this house; from the time that the site and architect were selected until the building stood, completed. She was aided by her husband, Warren T. Smith, a builder of experience, who flew from Oregon at his own expense to help with the many complicated details involved in letting the contract for the house. His advice was invaluable and saved the Fraternity hundreds of dollars. We regretted that he could not have been present at the ceremony to hear the tributes paid to Ruth and her modest speech of acceptance of the honor. The name plaque of wrought iron which is in place by the front door reminds us all of the unselfish service of a person who leaves the Committee this year. I think that everyone present at the dedication was impressed with Pi Phis close bonds of

friendship, tangibly expressed in a beautiful building which will add to the effectiveness of the work done at the Settlement School.

In 1952, summer schools at most universities and colleges showed a decrease in the number of registrations. This was also true of our Craft Workshop, but the group was an enthusiastic and talented one. Even a person with only a slight knowledge of good crafts, when attending one of the open house exhibits, could realize that the work turned out was superior in design and quality of workmanship. Courses were offered in Weaving, Metal, Jewelry, Pottery, and Wood Working. Interesting trips to other craft centers, such as those in Asheville, Cherokee, and Brasstown, North Carolina, were a part of the program. The group enjoyed several picnics in the mountains. We always make so many new friends among the students that it is with real regret we see the sessions end. The Gateway Stock Company again rented the school auditorium for the season. Mr. John Richards brings down from New York a group

of talented young actors who appear in five different plays during the season.

Space does not permit my listing the gifts that have come to the school during the year. The special Pi Phi shelf in the high school library holds many lovely new volumes given as memorials. We have received money for speech records for the English classes and musical recordings for the music department. Christmas gifts for the children were many and varied. We again sent individual gifts to the students in three rural schools, remembered the lower grades in our school; and there were special gifts and clothing for the dormitory students from the Terre Haute Alumnae Club. These gifts came from all over the United States and from Honolulu. They are typical representations of the affectionate interest held by our large membership for the Settlement School.

We express gratitude for these gifts, for the unselfish devotion of the members of the Settlement School Committee, and for our loyal local employees.

Respectfully submitted,

RUTH DYER, *Director*

### Great Potential for Character Building

Pointing out how the fraternity may become an educational institution of great significance, Dr. Thomas A. Brady, Vice President of the University of Missouri, has listed these propositions as basic:

"1. The educational institution should be concerned not only with formal instruction but with the building of character and the social integration of the individual as well.

"2. Formal instruction alone, being entirely verbal and visual, can impart truths and correct principles but will not serve as a substitute for daily experience in molding the individual.

"3. The experience most effective in molding the character of the student is that which he receives in daily contact with others of his own age."

Dr. Brady's argument for the fraternity, then, requires one further step. "This would be the contention that, granted the importance of experience with students his own age, the greatest achievement in the building character may be made if (a) the association is voluntary, and (b) if the students themselves, under proper guidance have as large a voice as possible in managing and directing the organization which makes the corporate life possible."

Dr. Brady's views were expressed in an address at the 29th biennial convention of Phi Kappa, a general fraternity for Catholic men.

### From "Quiet Please" in Fraternity Month

Earl F. Schoening, Secretary-Treasurer of Phi Sigma Kappa, had this to say, "A fraternity should be what it was fundamentally designed to be: a social organization to make for a more congenial and a more pleasant college life than could otherwise be had; a richer undergraduate experience because in carrying on the work of the social organization, officers and members acquire lessons which stand them in good stead after college. They can learn something of leadership and financial management. I feel strongly that fraternity membership is an asset to any man in after-college life whether he admits it or not."

## TREASURER OF SETTLEMENT SCHOOL

Little Rock, Arkansas  
August 6, 1953

Mrs. Thomas E. Graham, Treasurer  
Pi Beta Phi Settlement School  
Oklahoma City, Oklahoma

DEAR MRS. GRAHAM:

We have audited the books, records, and supporting data of Pi Beta Phi Settlement School, June 30, 1953, and Arrowcraft Shop, May 31, 1953, and are submitting our report of audit in the attached Exhibits.

Our audit consisted of complete independent verification of all assets stated on the Balance Sheets and an exhaustive examination of income and expenditures.

Accounts maintained by the treasurer were examined at Oklahoma City and those maintained by the Settlement School Director and Arrowcraft Shop were examined at Gatlinburg, Tennessee.

In our opinion, the following Exhibits fairly set forth the financial position of your committee at the audit date, and properly reflect the results of operations for the year under review.

Your committee is to be commended for the diligence evident in the operation of the fiscal affairs of Settlement School and Arrowcraft.

Very truly yours,

McDUFFIE-CURRY & Co.  
Members American Institute of Accountants

# Standing Committees

## HOLT HOUSE COMMITTEE

The five members of the Holt House Committee met in Monmouth in February and were joined there by Alice Mansfield, contact member of Grand Council. For all but two of the six, visiting the memorial to our Founders was a new thrill and they were inspired and impressed, not only with the beauty of the house but with the feeling that it is a vital living center of social activity in Monmouth.

Mrs. Mabel Johnson who came to Holt House in December of 1950 is gracious and charming and represents the Fraternity well. The committee enjoyed her hospitality while in Monmouth and left with the assurance that she is taking care and the pride in the house as she would her own home. She has welcomed visitors from many states.

During the year 1952-53, Sept. to June, Holt House was used sixty-nine times as a meeting place or as a setting for private entertaining. Illinois Alpha and the Monmouth Alumnae Club enjoyed the use of it for initiation and for Founders' Day and for two or three rush parties. Two clubs from neighboring towns held meetings there. Three groups in Monmouth rent the house for their monthly meetings and others use it two or three times a year. The Monmouth PEO meets at the house monthly as does the Women's Club of Monmouth, also the Arrow Mothers' Club. Not counting the times the house was used by Pi Phi groups or by regular renters, the house accommodated, on nineteen occasions, private parties of varied nature, wedding receptions, rehearsal dinners, showers, bridge parties and teas. Other groups using the house this year are: New Century Club, DAR, Fortnightly Club, OGM and the Hospital Auxiliary, and three sororities. Holt House is indeed a charming home in which to entertain.

Because Monmouth College is celebrating its Centennial this year, the house was offered to the college to be used for any function during Commencement Week or any time during the spring. In thanking the committee chairman for the offer, Dr. Gibson, President of Monmouth College, wrote, "We do appreciate the variety of ways in which Holt House not only serves our college but serves the community. We are indebted to Pi Phi for a great many things, and we are proud of the current group of girls on our campus as well as the fine alumnae chapter in our community."

The first gift to be received after the Houston Convention was an I.C. pin sent by Vera Wattles Kirkpatrick, Nebraska Beta, of Corpus Christi, Texas. The pin was given to her years ago by an aunt, Carrie Wattles Swinder, initiated into Iowa Gamma in 1883, who died November 5, 1945. The pin is lovely and has been placed in the shadow box which we are now using for old pins. Last fall Mr. Earl Bridge of Detroit sent to Holt House a large, beautiful silver tray that had belonged to his wife, Evelyn Holliday Bridge, who died last spring. She was a former Monmouth resident and was on the Holt House Committee at the time of her death. The tray has been appropriately engraved and is being used at many teas and parties given at the house. A group of Detroit and Dearborn Pi Phis recently sent a check for \$50.00 to be used at the discretion of the Holt House Committee to purchase a needed and worth-while memorial to Evelyn Bridge who, the letter states, "was one of the outstanding and diligent workers in our club and in

lieu of flowers at the time of her death this fund was started." It is hoped that other groups will choose to follow this kind of a memorial for their deceased friends.

Washington Alpha has sent a beautiful blue and white quilt; the Arrow and Chain appears in four places, the names of the founders living at the time the quilt was made, are embroidered, and in the center block "Grace Coolidge, Vermont Alpha."

Special gifts to Holt House include \$25.00 from the Milwaukee Club, \$25.00 from the Kansas City Missouri Club, and \$9.15 from the Joliet, Illinois Club to be used for a dozen silver spoons. These gifts are in addition to the annual donations sent by these clubs.

The Committee is most appreciative of the financial support accorded the house by the many contributing chapters and alumnae clubs. Total contributions were somewhat below those of the preceding year however, and total expenditures were slightly higher. The number of contributing alumnae clubs decreased from 213 to 199 for this year. Active chapter contributors decreased from 89 to 81. Total contributions are \$349.70 less than last year. The only province to reach 100% this year is Delta which has reached this goal for several years. The clubs in Theta Province reached 100% as did the chapters in Epsilon, Kappa, Lambda and Zeta Provinces. The highest contributors were:

- \$50.00—California I  
Louisiana A  
Kansas City, Mo. Club
- \$35.00—Oklahoma A
- \$34.00—Akron, Ohio Club
- \$30.00—Tennessee B
- \$25.00—Kansas B  
Texas B  
Monmouth, Ill. Club  
North Shore, Ill. Club  
Pittsburgh, Pa. Club

Monetarily, Kappa Province contributions were highest, with Eta Province second, the same as last year. Next in place came Beta Province, then Mu and in fifth place, Epsilon Province.

The committee found the furnishings most complete, however some repairs and replacements were necessary. A sidewalk from the rear door to the driveway and a loading platform there, were installed. A casing around the furnace was replaced, the furnace cleaned, and the humidifier was re-conditioned. The piano was tuned, and one string was replaced. This summer a rug for the Pine Room must be purchased, and the two Holt House films repaired or replaced.

The Holt House Chairman is grateful for the continued cooperation of the committee members. The Treasurer, Torrance Etheridge, has been most efficient and thorough in the handling of Holt House funds and has been very prompt in her reports; her annual report is most complete. Marion Tyte has served as secretary of the committee, taking minutes of our Monmouth conference, and typing and mailing copies to committee members and to the Grand President and Grand Vice-President. Gertrude Leetz has kept up the house inventory that was so well-compiled by Mrs. McMurray of Peoria. Louise Campbell, the Monmouth member of the committee has had complete charge of the

two films which have been on constant tour all winter. Louise has been most capable in assuming her responsibilities of over-seeing details of the house. The entire committee has been prompt in helping the chairman when decisions had to be made. Their keen interest and pride in the house is evident.

Many thanks to Marianne Wild and to Alice Mansfield for the encouragement and aid they have given this committee and my humble appreciation to Grand Council for the privilege of serving Pi Phi in this capacity.

MAURINE COOK

FINANCIAL REPORT OF HOLT HOUSE TREASURER  
FOR THE YEAR JUNE 30, 1952—MAY 31, 1953

<i>Receipts</i>	
Total Contributions .....	\$2,251.03
House Revenue .....	126.50

### COMMITTEE ON LOAN FUND

During the year 1952-1953 we have made eleven loans, with dollar value slightly under last year's. A few contributions have been received from chapters, which were passed on to the Harriet Johnstone Scholarship Fund.

This is report of operations for the year—  
 Loans made 1952-1953 .....\$2,965.00  
 Repayments on Loans ..... 1,530.00  
 Interest paid on loans ..... 81.19

Outstanding Loans—Undergraduate—  
 Past due loans ..... \$2,184.50  
 Loans due in 1953 ..... 1,225.00  
 Loans due in 1954 ..... 2,111.00  
 Loans due in 1955 ..... 3,240.00  
 Loans due in 1956 ..... 300.00  
 Graduate Loans ..... 1,000.00  
 10,060.50

JOSEPHINE MCCLEVERTY

### COMMITTEE ON PUBLIC RELATIONS

Letters were sent to all club and chapter publicity chairmen in January and April. Packets or "kits" of material for programs on Citizenship, which had been given to the Fraternity by the Freedoms Foundation of Valley Forge, Pa., were sent to a number of groups upon request. Numerous individual letters requesting publicity information were answered during the year. Many of these letters were stimulated by the Panel on Public Relations held at the Convention in Houston.

Realizing that the work of Public Relations merits much more time than I am able to give to it, I am regretfully submitting my resignation as Chairman. I wish to express my appreciation for the cooperation of officers and members of Pi Beta Phi during the past two years. Remember—Public Relations are what we are, not what we say we are.

AGNES WRIGHT SPRING  
 Chairman

### COMMITTEE ON SCHOLARSHIP

1952-53 has been a year of readjustment for the Scholarship Committee of Pi Beta Phi. This chairman has attempted to carry on the policies and plans of the late beloved Harriet Johnstone. Seven provinces have had new Scholarship Supervisors, with five having changes after the start of the college year. The Fraternity is fortunate in having had capable, devoted supervisors who have spent many long hours at the task of guiding the active chapters toward better scholarship. Miss Johnstone's goal of every chapter in the upper third has not been reached, but the number is increasing slightly, as seen from the following figures:

- 1947-48—38
- 1948-49—43
- 1949-50—50
- 1950-51—50
- 1951-52—52

The number of chapters first in scholarship on their campuses was unusually low in 1951-52, with only eight reporting that honor for the entire year. However, 13 others were first for one semester or quarter and two were first for two quarters. Of the 11 chapters which were first for 1950-51 only two, Nova Scotia Alpha and Alabama Alpha, were first for the following year. Five others were in the upper third and four in the middle third. Two of those in the middle third were lowest for one semester. Is it overconfidence, indifference, or a change of emphasis to some other phase of college activity that causes this habitual swing of most chapters in scholarship standing?

Of the six chapters which were lowest for the year 1950-51, two were in the middle third for 1951-52, one in the lower third, and three remained lowest. Apologies are due to Illinois Epsilon, which was reported lowest in the September 1952 ARROW. Comparative averages for this chapter are unavailable.

The scholarship committee is proud of the 132 girls whose names appeared in the December ARROW for having achieved high scholarship honors on their campuses. The names of 62 Alpha Lambda Deltas

could not be used because of lack of space. Hundreds of other names and dozens of pictures could not be used in the Honor Students section because their honors did not qualify as equivalent to Phi Beta Kappa.

Scholarship Achievement Certificates awarded to the girl who made the highest average in each chapter were mailed to the 84 chapters which had sent the applications for these certificates.

Perfect cooperation grades for having all letters and reports on time, or an explanation of the cause of the delay, were given to 54 chapters. It is greatly regretted that 44 chapter chairmen did not fulfill all their duties. However, it has been a source of satisfaction to work with the many conscientious chapter Scholarship Chairmen who have been loyal and conscientious in performing the duties of the position to which they were elected.

In addition to the six chapters listed below as lowest on their campuses for the entire year, 13 others were lowest for one semester or quarter. Twelve of these raised their average for the following term.

It has been a privilege to serve Pi Beta Phi the past year. This chairman is deeply grateful to the Grand President for her timely assistance; to the supervisors for their careful guidance of the chapters; to her assistant, Jane Ludwig Turner, who figures the Pi Beta Phi formula averages; to the many chapter Scholarship Chairmen who have faithfully performed the duties of their position, to the Province Presidents and Alumnae Scholarship Advisers whose services have been of inestimable value, and especially to the Grand Secretary who has spent much time in assisting this chairman to learn the routine of this chairmanship and the policies of the fraternity.

MARIE WEST WEVER  
 Chairman Committee on Scholarship

## COMMITTEE ON TRANSFERS

This year many Pi Phis have made new friends in Pi Phi by transferring to new campuses where we have chapters. This was made easier for them by their original chapters sending Transfer Blanks to the new chapter. One hundred and fourteen girls were reported to have made this change. Many more Pi Phis continued their studies on campuses where we have no chapter.

The response from chapters was good this past year, with only six chapters failing to report the Transfer situation on their campuses. Eight Provinces were complete on their reports. The order in which they completed their reports was: Beta, Kappa, Delta, Eta, Gamma, Alpha West, Theta, and Lambda.

The thirty chapters which received perfect grades for their cooperation are: Maine A, Connecticut A, Ontario B, Pennsylvania B, Ohio A, West Virginia

B, Virginia I, South Carolina A, Michigan A, Michigan B, Indiana I, Indiana Δ, Indiana E, Indiana Z, Missouri A, Tennessee B, Tennessee I, Alabama B, Wisconsin B, Illinois B-Δ, Illinois H, Illinois Z, Nebraska B, Kansas B, Colorado A, Texas A, Idaho A, Oregon I, California I, and Nevada A.

It has been a privilege to work with the active chapters this past year. I hope that this coming year will see every chapter receive a perfect grade because this will mean that all of the Pi Phis moving to new colleges and universities will have an opportunity to make new friends in the Wine and Blue.

My sincerest thanks go to Mrs. Wild, Lucile Carson, and Janet Patton for the help and guidance they've given this committee. It's an inspiration to work with so many wonderful Pi Phis.

MARGARET STRUM ACHESON

## FRATERNITY STUDY AND EXAMINATION

Province	ACTIVE CHAPTER EXAMINATION						Province Average
	No. Chapters	No. Actives	No. Examined	Excused	Unexcused	Failed to Pass	
Alpha East	7	288	263	0	0	0	96.4
Alpha West	5	165*	163	2	0	0	96.4
Beta	9	368	329	3	0	0	97.1
Gamma	7	350*	350	0	0	0	94.4

Eta	192	0	99.0
Theta	114	0	99.08
Iota	122	0	98.5
Kappa	248**	2	97.76
Lambda	167	0	99.1
Mu	171	0	97.4

\* Includes 43 actives who took the examination at new chapter, Indiana Zeta.

\*\* Does not include Texas Gamma.

This report is submitted with grateful appreciation to the thirteen Province Supervisors who have so faithfully graded hundreds of examination papers during the school year just past, and to those chapters whose excellent cooperation with the Supervisors has turned routine committee work into a pleasant and gratifying experience. To the new committee members who assumed their duties during the year go our special

thanks for so efficiently adapting themselves to committee work, some on very short notice! And finally, to Lucile Carson go the personal thanks of the chairman for the many helpful suggestions she has given through the year.

Respectfully submitted,

BETTY HILL BLALOCK (Mrs. William C.)

## COMMITTEE ON SOCIAL EXCHANGE

The year after a convention seems to speed up with the momentum of a jet engine. Chapter representatives and officers received inspiration to lead their members on to greater activity and accomplishments and province officers started the new school year with the intention of lending a helping hand as well as cheering their particular provinces on to a really satisfying year of work and play as Pi Phi sisters.

The social exchange committee has had to replace several of its province members and will miss them sorely from the ranks. However, with their departure, new committee members have joined us and have done an outstanding job of reporting and grading the chapter accounts of Rushing, Founder's Day, Homecoming and miscellaneous social activities which go to make up the happy life of undergraduates in college.

We have noticed that more chapters must be urging their members to help the social exchange chairman record the events as they occur, so nothing of value will be omitted. We hope to have amounts, cost of entertainment, quantities of material used in floats etc. included in *all* reports next year to further help the chapter which would like to use something another Pi Phi group has found successful.

Seventy-six chapters were heard from in both Founder's Day and Rushing reports, only six chapters failed to report at all. Several chapters failed to send in Founder's Day accounts. A perfect grade for co-operation was given to 63 chapters. They are: Maine A, Nova Scotia A, Vermont A, Vermont B, Massachusetts A, Massachusetts B, New York A, New York G, Ontario A, Ontario B, Pennsylvania B, Ohio A, Ohio B, Ohio D, Ohio E, West Virginia B, Maryland B, District of Columbia A, Virginia A, Virginia G, North Carolina A, Michigan B, Michigan G, Indiana A, Indiana B, Indiana G, Indiana D, Indiana E, Indi-

ana Z, Alabama A, Alabama B, Florida A, Florida B, Florida G, Georgia A, Wisconsin A, Wisconsin B, Illinois B-D, Illinois E, Illinois H, South Dakota A, Kansas A, Kansas B, Colorado A, Wyoming A, Utah A, Oklahoma A, Oklahoma B, Texas A, Texas B, Louisiana B, Alberta A, Montana A, Idaho A, Washington A, Washington B, Oregon A, Oregon B, Oregon G, California B, California D, California Z, New Mexico A.

Zeta Province led the Hall of Fame in the province division for having perfect cooperation grades for all her chapters. Second place was won by Delta Province and Lambda Province, each with eight out of nine.

Cooperation winner was New York Alpha with Nadya Klotz as chairman. First place winner in originality was Massachusetts Alpha with their "Rushees, Be Seated" party and skit. Nevada Alpha placed second with their four-party theme of "Perfume Moods."

Provinces with all chapters reporting were Alpha East, Beta, Delta, Zeta and Kappa.

Each year when these reports come due, I am at a loss to describe the sense of "belonging" which is imparted to those committee chairmen who have the privilege of working with our wonderful national officers to do some small part of the job for which our Pi Beta Phi is responsible. I am sure I speak for the entire Social Exchange Committee when I repeat, "Thank you for letting us help." My sincerest thanks to the capable staff at Central Office for doing such a good piece of work in publishing the Bulletin. To Mrs. Wild and Mrs. Carson go deepest appreciation for the extra hours they spend in helping this chairman do her job.

Respectfully submitted,

VIRGINIA D. MCMAHAN

## COMMITTEE ON FRATERNITY MUSIC

Members: Jerry Fruin Beltz  
Dorothe Anderson Lanning  
Helen Chodat Schudel  
Dorothy Vale McLaughlin, Chairman

It is with deep gratification that this Committee reports a definite increase in interest and activity among the chapters with regard to music this year. We feel it is a direct result of the action taken at the Houston Convention making the Music Chairman a chapter officer, and delineating her duties in specific fashion through the Music Manual. We look forward to still increased cooperation and activity.

The Committee received 100% response from chapters with information regarding their Song Chairmen last fall, and through the year have come many interesting reports and letters regarding musical activities. Among the most novel were some recordings of the chapter singing—and sounding very professional.

The project under way this year—that of collecting parodies from every chapter—unfortunately did not

meet with as much response. The Committee is making this collection for the use of each chapter, and so we will greatly appreciate your further cooperation in sending us material this coming year.

It has also been interesting this year to see an increased interest in Pi Phi music among the Alumnae Clubs. Several have formed a program around music, and have reported that it was most interesting and worth-while. The Committee would like to see all the Alumnae Clubs include the singing of Pi Phi songs in their programs!

As always, it has been a privilege and pleasure to work with Grand Council, and with active chapters and individuals who have been cooperative and most helpful. From each member of the Music Committee come kindest personal greetings to Grand Council and all officers of the Fraternity, to each chapter and Alumnae Club, and to all other individuals who have helped us in our work of furthering and fostering the music of Pi Beta Phi.

DOROTHY VALE McLAUGHLIN, *Chairman*

## EMMA HARPER TURNER MEMORIAL FUND

The Emma Harper Turner Memorial Fund Committee is still hopeful that this Fund will "forge the strongest link in the friendship chain" of Pi Beta Phi.

We know that "where there is no vision the people perish," Proverbs. Surely the convention in 1946 had vision to have established this Fund, hoping that no Pi Phi would perish for lack of a few necessities, which they hoped the growing Fund would be able to provide. We do feel that each case has been carefully provided for, according to the original purpose, "to give some material aid in emergencies, to preserve the dignity of both donor and recipient, and gracious giving rather than charity."

We now have fourteen cases, one new one this year and one death. Some receive monthly checks, others yearly amounts. All show a great appreciation for the gift-form assistance created by Grand Council. We have been pleased that some of the recipients are so happy and grateful that they have told friends about

the Fund helping, although we as a committee hold all information confidential.

We do hope for more requests for aid as well as more gifts to the Fund.

Let each one of us be a "scout" to be sure that no needy Pi Phi goes unaided. Let us all be well informed about the Fund.

All three of us feel that it has been a privilege to serve in this small way our beloved Fraternity, we only wish we could personally visit each one whom we serve by means of this Fund.

We thank Grand Council for its cooperation, we appreciate deeply your confidence in us, we hope that the Fund will be able to serve more Pi Phis this coming year.

Respectfully Submitted,  
ETHEL COPP  
NINABELLE DAME  
LILLIAN McNAUGHT

## REPORT OF THE NATIONAL PANHELLENIC DELEGATE

During the just ending year, Pi Beta Phi's National Panhellenic Delegate has again served as the N.P.C. Committee on Education, its Contact Member with the National Council of Women of the U.S.A., and a member of its Committee on Eligibility and Nationalization of Groups. In these capacities she has edited bulletins giving data about current educational facts and those about what seem to be important educational trends; has edited résumés of two *Bulletins* of the International Council of Women; and has cooperated with the Chairman of the Committee on Eligibility with special reference to the intention of Iota Alpha Pi to apply to N.P.C. for associate membership.

She has also served as chairman of a special N.P.C. Committee appointed to determine the basis upon which the *Fraternity Month* Trophy, the gift of Mr. and Mrs. Leland F. Leland, will be awarded annually to a College Panhellenic, and to make the first award which will be announced at the coming N.P.C. The Committee decided that the award will go to the College Panhellenic which in its relations with its college or university, its student body, and

its community and within its own group of fraternity chapters, has best exemplified the Panhellenic Creed for Undergraduate Fraternity Members.

She has contacted all Pi Beta Phi College Panhellenic delegates through a uniform letter and questionnaire and, in so far as it has been possible for her to do so, has given special suggestions and assistance to chapters with Panhellenic problems.

Your delegate was privileged to attend with the Grand President the annual meeting of the National Association of Deans of Women and the informal conferences held by fraternity officers in connection with it. She served, for the third consecutive time, as parliamentarian for the N.A.D.W. business sessions.

May Pi Beta Phis, actives and alumnae, continue to deepen their devotion to their own illustrious fraternity by expressing their constant belief in the American college fraternity by constructive, intelligent service to it through cooperation with college and city Panhellenics!

Respectfully submitted,  
AMY BURNHAM ONKEN  
N.P.C. Delegate for Pi Beta Phi

# Reports of Province Presidents

## ALPHA EAST PROVINCE

Convention reports, from the seven delegates and six alternates, showed that these actives gained not only inspiration and enthusiasm for leadership in their chapters but also a deeper insight into the national and international strength of Pi Beta Phi. Many close friendships were made between our Canadian delegates and those from all parts of the States.

The year 1952-53 has truly been a fine one—with a maximum of achievements and a minimum of problems. There were three trends very evident in all seven chapters: (1) a desire to strengthen Panhellenic on each campus and so entrench the position of fraternities on campus; (2) efforts to formulate better rush plans and thus create more interest in fraternities; (3) a desire to maintain excellent scholarship.

Early in the year the chapters were privileged to have Lucile Douglas Carson, our Grand Secretary, and Alice Weber Mansfield, our Grand Vice-President, visit them. Their inspiration and many constructive ideas were of help to the chapters. The province president visited all chapters, with the exception of Nova Scotia A and Maine A. The gracious hospitality and well planned schedules were indicative of the fine spirit and the organization within the chapters.

Scholarship was, again, very ably supervised by Mrs. Frederick Haggett, and our November blanks showed that there were four first places—two in the upper third and one last place. March reports were disappointing, for there were only two firsts, two in upper third, two in lower third and one last place. However, a step down in rank immediately becomes a challenge and we expect that these chapters will report

improvements for this past semester.

Rushing was successful for all Pi Phi chapters with 121 girls pledged. Massachusetts A and B, Maine A and Nova Scotia A held early rush seasons. Connecticut A, Vermont A and B experienced deferred rushing, which proved successful in the number of fine girls pledged but was not too successful for all groups on campus. I am happy to report that Connecticut A and Vermont B have made plans for an earlier, shorter and simpler rush season. Pi Phi was instrumental in obtaining these rush pacts.

The Amy Burnham Onken Province Award went to Phyllis Noyes of Maine A, and the Portland Alumnae Club Sophomore Award to Ann Singleton, Vermont A. The ABO nominees from the other chapters were: Joan Robinson, Connecticut A; Terry Grant, Massachusetts A; Nancy Meader, Massachusetts B; Barbara Walker, Nova Scotia A; Anne Coleman, Vermont A; and Elissa Sierra, Vermont B. Connecticut A was the winner in the Song Contest at Convention and Priscilla Ordway, Massachusetts B, was awarded a Pi Phi Scholarship and Barbara Demarest, Vermont B, received one of the California A scholarships.

The province president would like to add her thanks to the Alumnae Advisory Committee members for their essential guidance to the chapters. Without their help many small problems could have become major ones. To the Grand President, Mrs. Wild, and to the members of Grand Council she would like to express her grateful appreciation for their help.

ANNIE LAURIE WHIPPLE

## ALPHA PROVINCE WEST

Evelyn Slifer found it necessary to resign as Province President and I was appointed her successor and took office on February 1, 1953. After working four months with the chapters of Alpha Province West, I can well understand Evelyn's regret at having to give up the work and her contact with the girls; and I can also appreciate the fine work that has been done by her and by the national officers in supervising these chapters.

Convention gave great impetus to Pi Phi spirit and it was pleasant to renew my acquaintance with the delegates from the chapters of the Province whom I had met at Houston. The three New York chapters were honored in the fall by a visit from Mrs. Carson, who stopped over in Albany en route and had luncheon with the Albany Alumnae Club. It is easy to understand how much fraternity knowledge and inspiration the actives received as a result of her visit to them.

My first visits to the chapters, made in March and April, were pure delight. To return to college after many years, to live for a few days on campus, to share once more in the enthusiasms and problems of college life is truly a happy experience. It was even more heartwarming to find, stronger than ever in active chapter life, adherence to the ideals of the fraternity, and a practical working out of those ideals as evidenced by the cooperation, loyalty, and true friendliness found in every chapter.

All five of the chapters in the Province own their own houses and members live in them, except at

Ontario A where college ruling forbids. The houses are in excellent condition and it is a pleasure to report that the five chaperons, who have given the girls such loyal service and kindly supervision—Mrs. Common of New York A, Mrs. White of New York I, Mrs. Frey of New York A, Mrs. Strachan of Ontario A, Mrs. Chapman of Ontario B—all are planning to return in the fall.

Rushing was successful in all chapters and the quota system seemed to be satisfactory except in one chapter where there is continued concern about the future of fraternities on the campus, and where strong groups are being penalized by low quotas and weak groups are not being proportionately strengthened.

Every chapter had reason to be proud of the girl it presented as the nominee for the Amy Burnham Award. Gwynneth Kelly of Ontario B won the award for Alpha West. The other nominees were: Diane Johnson of Ontario A, Phebe Baner of New York A, Beatrice Buchanan of New York I, Anita Sargent of New York A.

Scholarship has been far too low in the Province, but the girls, particularly in the two lowest chapters, have taken definite steps to try to improve their scholastic record and it is hoped that good results will be evident when final averages are computed. Mrs. Smith, Province Scholarship Supervisor, and Mrs. Wever, National Scholarship Chairman, have been unstinting in their efforts to help the chapters move upward from their low position on the scholastic chart.

All chapters have contributed to the Settlement School, Holt House, and Harriet Rutherford Johnstone Scholarship Funds. New York A doubled its contributions. The chapters have also given time and, in some cases, raised money for local philanthropies.

Each chapter has a working Advisory Committee and active-alumnæ relationships are excellent. The Toronto Alumnae Club and the active chapter cooperated on a Bazaar in the fall and raised \$4,000, a part of which has been put towards the Canadian Project for scholarships for training social workers. Ontario B, with the help of its Alumnae, earned several hundred dollars which they used for a tile floor in the basement—a start toward a recreation room. There is a fine attitude on the part of actives and alumnae throughout the Province of wanting to pull together for the good of Pi Phi. That they are succeeding is shown by the high regard in which the Pi Phis are held on every campus and the good reports that I received

from the Deans.

My thanks go to the girls in all the chapters for their cordial welcome and their helpfulness to me in their letters and during my visits, and to the Advisory Committees which are contributing real service to the fraternity by giving their time and assistance to the chapters. The Alumnae groups certainly supply a solid background of interest and devotion which is an example to the actives and a source of strength to the fraternity as a whole.

Without the patience and help of Mrs. Wild, the cooperation of Central Office and the various committee chairmen, and the prompt and able responses of the chapter officers, I should have felt lost indeed as I embarked on this new undertaking. In the months to come, I hope that my efficiency will improve and that I shall be able to give greater service to the five chapters in my little corner of Pi Beta Phi.

MARION KILLAM ARKLEY

## BETA PROVINCE

Beta Province started the college year of 1952 inspired by the experience of our National Convention and with a greater realization of the value of the ideals and traditions of Pi Beta Phi. Convention reports were so beautifully given that chapters entered their rushing seasons with an intensity unprecedented during my two previous years as Province President. Results were highly successful. Fine pledge classes were chosen. The large number who have either been initiated or will be when initiation time rolls around, proves the choice was wise—Pi Phi of the pledge, and the pledge of Pi Phi. Pledge supervisors have worked hard putting into practice many ideas gained in Houston. Only one campus, Bucknell University, had deferred rushing. Next year Dickinson College will also defer rushing.

Scholarship has improved on every campus, with honors going to Ohio A for first place at Ohio University, Ohio E was second at Toledo University, and Ohio B third at Ohio State University. One girl, Bette Rowe, of West Virginia B is graduating with a perfect grade of A for her four years. Elsewhere, many are graduating Cum Laude.

Every chapter in the Province has enjoyed either a house, a lodge or a suite this year. Personal care of and interest in these has been gratifying. Every one seems more conscious of the beauty and welcome behind that door that bears the name of Pi Beta Phi. The friendliness and graciousness that I have experienced as it has been my privilege to visit each chapter this year I know waits for each one of you who goes to call. Don't overlook the opportunity to say hello if

you are near one of our chapters. I want also to pay tribute to our four very fine head residents at Ohio A, Ohio B, Ohio Δ, and West Virginia A.

The chapters have not been too consumed with their own local interests to neglect national interests. All are 100% in contributions to National projects. Local philanthropies did, however, find many Pi Phis contributing to them of their money and service.

To the Advisory Boards, whose praises are too often left unsung, I want to pay special tribute. Their cooperation has been splendid, their service untiring, sincere and invaluable to the actives. In return, I am sure each Board feels a great satisfaction in serving its fraternity.

When each chapter presents its most outstanding girl as a candidate for the Beta Province Amy Burnham Onken Award, it is most difficult to choose just one. I want to mention and congratulate each chapter candidate. Those presented were Margaret Scott of Ohio A, Beverly Klunk of Ohio B, Jean Heine of Ohio Δ, Patricia Blanke of Ohio E, Mary Jo Keller of Ohio Z, Jane Banker of Pennsylvania B, Elizabeth Middleton of Pennsylvania Γ, Flora Pfost of West Virginia A, Bette Rowe of West Virginia B. Beverly Klunk was Beta Province winner.

I want to thank Marianne Reid Wild, our Grand President, and the other members of Grand Council, the Director of Central Office and the National Committee Chairmen for their help throughout the year. It has been my privilege to serve.

EDITH H. RANKIN

## GAMMA PROVINCE

It would be most difficult to express just how fascinating it has been to work with so many capable and efficient Pi Phis and what a stimulating and healthy exposure it has been. It has been most gratifying to feel that the chapters have shown over-all gains.

In scholarship particularly I think the province can take pride. Two chapters—District of Columbia A and North Carolina A are in first place. Maryland B is 3rd (of 15), Virginia A 2nd (of 9), North Carolina B 6th (of 13), South Carolina A 3rd (of 7), Virginia Gamma 2nd (of 9).

The girls in the province have contributed most generously to charitable and welfare projects. Notable among these were:

North Carolina A—Held an Easter egg hunt for orphans; donated blood and gave 10 Christmas boxes to the Red Cross; each member contributed a gift to a Christmas box sent to a seven-year-old boy in Brazil and two girls visited a lonely polio victim each week.

Virginia Γ—Collected clothes for Elizabeth Kates Foundation.

Virginia A—Helped an Italian girl through the Foster Parents' Plan.

District of Columbia A—Had two ward parties at Walter Reed Hospital.

South Carolina A—Gave food and clothes to poor family of eight children and entertained patients in Fort Jackson Hospital.

North Carolina B—Helped Durham Red Cross Chapter for a week; had Christmas party for under-privileged children.

I feel that on the whole very fine officer material was available and that the chapters did an excellent job of placing responsibility in most capable and efficient hands.

I feel quite confident (and I hope that this has not been misplaced) that officer instruction has been well enforced. It was certainly most gratifying to sense such a feeling.

Linda Jane Loehler, 1951 pledge supervisor of District of Columbia A, was recipient of the Amy Burnham Onken award. She maintained an outstanding record as both a scholar and a campus leader and with her poise and charm held the respect of faculty and students.

On Founders' Day, North Carolina A played hosts to North Carolina B and to Chapel Hill alumnae

at a supper and program held in the backyard of the chapter house.

Eighteen members of Virginia A spent the week end with Virginia I. Entertainment included a dessert bridge, a picnic and Founders' Day Breakfast.

Maryland B and District of Columbia A and alumnae held a tea.

South Carolina A had a Founders' Day Tea.

The chapters have been most cooperative in their correspondence and in their interest. The contacts have afforded me genuine pleasure and needless to say each and every chapter and officer derived rich benefits from Mrs. Wild's timely visit. I should like to express my gratitude and appreciation to Mrs. Wild for her sympathetic understanding and assistance. It has indeed been a privilege to have had this opportunity to work with her and these seven fine chapters. Memories of this I shall cherish forever.

JEANE WINTZ HORUFF

## DELTA PROVINCE

Our national convention, at Houston, Texas, had special significance for Delta Province since we acquired a new member by the granting of a charter to Indiana Z at Ball State Teachers College, Muncie, Indiana. Installation of this chapter was held August 22-24, 1952, with Marianne Reid Wild, our newly elected Grand President presiding. She was assisted by Helen Anderson Lewis, Director of Rushing and Pledge Training, Ruth Williams Hansen, Director of Extension, and Leola Koch, Delta Province Vice-President, with many active and alumnae members of Pi Beta Phi present. Seventy-two members were initiated at this ceremony. Indiana Z has had a very successful year and all members and officers have been most conscientious and industrious to achieve this end. The Province President visited the chapter last fall, and Alice Weber Mansfield, Grand Vice-President, was their guest this spring.

Delta Province was further honored at Convention by receiving the following awards: Indiana Δ won the Balfour Cup, and Michigan Γ the Nita Hill Stark Vase. Indiana E won second place in the song contest, and Judy Abel of Indiana B, and Katherine Myers of Michigan Γ were each awarded a California A Scholarship.

Delta Province can point with special pride to the scholastic record achieved this year. Michigan A won first place for the third consecutive semester and was awarded permanent possession of the college scholarship cup. Three chapters are in second place, Michigan Γ, Indiana A, and Indiana Z; three are in third place, Indiana B, Indiana Γ, and Indiana E. Indiana Δ dropped to fifth place, and the University of Michigan does not publish scholastic standings until summer, so no report can be given on Michigan B at this time. These standings are for the first semester, 1952-1953. No chapter is lower than middle third. The Province Scholarship Supervisor has worked closely with each chapter and I wish to express deep appreciation for the inspiration Anna Ruth Wallace (Mrs. Leon H.) has given to the chapters. The chapter scholarship chairmen have given much time and wholehearted cooperation, and deserve the highest praise. However, the attitude and effort of each individual member is the prime contributing factor to the steady progress which has been apparent all year. With so many chapters in second or third place, it is apparent that every effort will be expended by these chapters to

reach the top, and several are hoping to do this next year.

The activity participation of all chapters has been developed along the line of encouraging leadership in the individual, and toward making a positive contribution on each campus. This has resulted in Pi Beta Phis holding key positions in activities at all the colleges and universities in the province. It has been most gratifying to receive from the Deans of Women on each campus expressions of the highest praise, not only for individual members of Pi Beta Phi, but for the chapters as a whole. All such reports were of the high regard in which the chapters are held by the administration.

All chapters reported successful rush seasons, and there is only one change in the province. Michigan B held fall rush, since the University of Michigan is trying fall rush in preference to the deferred rushing of the past years. It is to be voted on after the rush season next fall as it is being tried on a two-year basis.

Sylvia Merrill, of Indiana A received the Amy Burnham Onken Award from Delta Province. She has an outstanding record in all four points for which this award is given. All the candidates for the award were girls of special distinction, and I would like to list those nominated by each chapter: Michigan A, Carolyn Mistele; Michigan B, Maryanna Larson; Michigan Γ, Katherine Myers; Indiana A, Sylvia Merrill; Indiana B, Julia Abel; Indiana Γ, Jeanette Sheppard; Indiana Δ, Barbara Miessler; Indiana E, Rose Ann Suverkrup; Indiana Z, Alice Myers.

Indiana E won the Indiana Cup, and Gini Murphy, of Indiana Δ, won the Sophomore Award, given for the first time this year by the Southwestern Alumnae Club of Indiana. These awards were given at the Indiana State Founders' Day luncheon held at the Marrott Hotel in Indianapolis on April 18. Ruth Hansen, Director of Extension, charmed both active and alumnae members by her charming manner and very inspiring talk on our Founders. The Michigan State luncheon was held at the Union Building on the Michigan State campus, with Leola Koch, Delta Province Vice-President, giving the address. An open house at Michigan Γ chapter house followed.

It is with regret that personal responsibilities have made it necessary for me to resign. I will deeply miss the contacts which I have made the past two years.

My interest and affection in the nine chapters in Delta Province will continue, and I have had the best co-operation from the chapter officers during my term of office. I am confident that conditions in the province will expand and progress under the able leadership of

my successor, Jo Ward (Mrs. Lewis Ott Ward) of Muncie, Indiana. May I wish the best of everything to all of you.

MADLINE W. KILLINGER

## EPSILON PROVINCE

The 1952 convention in Houston was a wonderful Pi Phi experience for the twenty-six actives and twenty-four alumnae who were present from Epsilon Province. Echoes of those memorable days were still being heard late this college year.

Campus honors and activities were exceptional this year, and there were many queens and fraternity sweethearts on each campus. There were eighty-three honorary elections alone this year. With this fine record, it seems particularly sad that no chapter placed first scholastically. We are all extremely disappointed and I am confident that all chapters agree that much can and should be done in this regard.

Only one chapter had a Grand Council visitor this year. Helen Anderson Lewis, Director of Rushing and Pledge Training, spent two days with Missouri Γ in March. She made many friends and brought to the chapter a broader and deeper appreciation of the fraternity. In the fall I visited two chapters, and in the spring five. It was a pleasure to see again how graciously Pi Phi actives and pledges receive their guests and I sincerely treasure the pleasure and privilege of sharing their chapter life for a few days. As we reviewed together the responsibilities in a happy and successful chapter life, I have always felt that I gained far more from the visit than could possibly have been given. Deans of Women had good reports for all chapters and several spoke of the fine leadership and exceptionally high standards the Pi Phis were giving their campuses.

In comparison with the previous year, contributions to the Settlement School, the Harriet Johnstone Scholarship Fund and Holt House increased about twenty-five per cent. Again all chapters contributed to all projects. The chapters which led the province with their donations to each of these projects are Missouri B, Missouri A and Tennessee B. Kentucky A increased their donations the greatest per cent. All chapters have given liberal financial and service support to campus-sponsored projects this year, and in addition, each has had a favorite special project—regular work with underprivileged or handicapped children, programs given to cheer adults in nearby institutions, or sponsorship of a needy family.

Several improvements were made in housing this past year. Missouri A enjoyed new bedspreads and ruffled curtains in all the bedrooms of their spacious and attractive house. Missouri B added some hand-

some finishing touches to the contemporary furnishings of their room and the final effect is lovely. Missouri Γ was extremely happy in their larger apartment which is closer to the campus and thus used more often. The town girls did a fine decorations job last summer. Kentucky A has a new red and white kitchen which is very gay, smart-looking and efficient; a serving shelf now opens into the dining room. Tennessee A is convinced that their two new stoves are much better than a larger single one would have been! Their powder room was re-decorated and several necessary repairs were made. Tennessee B's major need was a new refrigerator! Two rooms were painted and the lovely new wallpaper in the entrance hall brightens the whole house. This will be Tennessee Γ's year to re-decorate their room. They will have decorator advice, a completely new color scheme, and help from the Mothers' Club. Speaking of one such club reminds me of the wonderful support which all Epsilon Mothers' Clubs have given our chapters. Their time, homes, purses, and hearts always seem to be open to their favorite Pi Phi chapter. Bless them all! I do not know what we would do without them!

The following girls, outstanding in their chapters and on their campuses, were nominated for the ABO Province award: Janet McDonald Sawyer of Missouri A, winner; Jean Ann Rosenbaum of Missouri B, Ann Williamson of Missouri Γ, Patricia Beasley of Kentucky A, Mona Lee Reiman of Tennessee A, Betty Gant of Tennessee B, and Lou Daughtry of Tennessee Γ.

As another college year closed with success and progress for each chapter, I would like to express my deep appreciation to Mrs. Wild and other members of Grand Council for their help and inspiration this past year. To Alumnae Advisory Committees goes my sincere gratitude for the fine assistance they have given their chapters and me. No one can possibly measure the lasting value these committees have given to the fraternity through their unselfish service year after year. To all Epsilon actives and pledges may I say again how very much I appreciate your cordial hospitality during my visits, your loyal and enthusiastic cooperation all through the year and finally, your delightful personal friendships which mean so much in Pi Beta Phi and which I hope will continue through the years.

HELEN MOFFET RUSSELL

## ZETA PROVINCE

Having been Zeta Province president for only a little over a month, I will have to give a "second-hand" report, gleaned from the year's correspondence. Judging from the many fine honors and achievements enumerated in the various letters, I am sure that Daphna Smith, the six active chapters, and their alumnae advisory committees have all done excellent jobs.

Five chapters had very good scholarship, three in first place, and one of the three had the highest average attained by any group on its campus for the past two years. The one exception to a good scholastic rating

is making every effort to return to their previous year's position of first. Zeta Province Scholarship Chairman Ruth Bishop has given and is giving the chapters excellent assistance.

The former Province President, Mrs. Smith, chose Joan Mace, Florida A, from among the nominees for the Amy Burnham Onken award. The other deserving girls were Jo Ann Little, Alabama A; Lucy Joyce Keenon, Alabama B; Jo Nell Proctor, Florida B; Diane Evans, Florida Γ; and Sally Westbrook, Georgia A.

All chapters were visited during the year by Mrs.

Smith, I am looking forward to making my visits next fall and hope that I may do as good a job as she did.

The activities and honors of the chapters read like a storybook. All Zeta Province chapters may well be proud of their achievements.

My short time in office has proven enjoyable and rewarding, and I look forward with pleasure to working next year with the fine chapters of Zeta Province.

ZOE S. JAMES

## ETA PROVINCE

With the memorable Houston convention setting our keynote, Eta Province has had a successful and progressive year. All nine chapter delegates became presidents of their chapters and the inspiration and knowledge acquired at convention was evident in their fine leadership.

Rushing was successfully carried out with quotas being filled or a creditable number of pledges being taken where no quota system has been established. Early fall rush was held by the majority of the chapters with the exceptions of Illinois Z (June rushing) and Illinois B-Δ (October rushing). Pledge training was carefully done and few pledges failed to fulfill initiation requirements.

Eta Province alumnae advisory boards have been a great moral support and technical help both to me and to the chapters concerned. Boards in Galesburg, Champaign, and Evanston should be singled out for special mention because of their close contact with me and their wise and constant help to their chapters. Their problems, as they have been brought to my attention, have been fairly uniform and not alarming—due more to the feeling of insecurity among young people today than to any serious fault among the active members. Advisor cooperation with me has been excellent, visits in some cases resulting in closer contact and more frequent reports.

The six Pi Beta Phi houses in our province are attractive, comfortable, and well kept. Illinois Θ recently dedicated their new house and it is a credit to the fraternity and to their chapter. All six chaperones have renewed their contracts and it is a great satisfaction to know that the chapters will continue to benefit from their wise counsel and good care. Panhellenic quarters used by the other three chapters contribute to their pleasure and their chapter life.

Pi Beta Phis in Eta Province may well be proud of their participation in campus activities and on every campus our actives and pledges have shown outstanding ability. Carlene Stegenga, Illinois H, was chosen

the most outstanding sophomore of Eta Province by the Arlington Heights Alumnae Club. Jan Granberg, Wisconsin A, was elected permanent Secretary of the Class of 1954, and Elinor Heron, Illinois A, was elected Secretary of the student body.

Eta Province scholarship has been improving, with four chapters second on their campuses and only one in last place. Carolyn Potschke, Wisconsin B, and Anne Meinking, Wisconsin B, won Fulbright Scholarships.

Each chapter in the province has contributed generously to fraternity projects, with totals of \$369 for the Settlement School, \$180 for the Harriett Johnstone Scholarship Fund, and \$130 for Holt House. At least \$140 has been given to Save The Children.

Mary Louise Schwieler, of Illinois E, was the winner of the Eta Province Amy Burnham Onken Award. Other chapter nominees, each outstanding in her chapter and on her campus, were Marion Jones, Wisconsin A; Anne Meinking, Wisconsin B; Barbara Spandet, Wisconsin F; Martha Applegate, Illinois A; Louise Lord, Illinois B-Δ; Carolyn Emons, Illinois Z; Jackie Davis, Illinois H; and Mary Lucas, Illinois Θ.

Chapter visits were a pleasure and an inspiration. Eight chapters were visited and it was with sincere regret that my visit to Wisconsin B had to be postponed. Suggestions for the good of the chapters and the more efficient handling of fraternity and province business were well received and improvements have been noted.

It has been a pleasure and an honor to be a member of the official family of Pi Beta Phi this year. My most sincere thanks go to Marianne Reid Wild for her patience, her loyalty, and her constant help; and to the other members of Grand Council for their faith in me and their assistance when it was needed. Being a Pi Beta Phi has always been an honor and a privilege; being an officer has been a richly rewarding experience.

ELSIE MURRAY HUBBARD

## THETA PROVINCE

Presidents and Pledge Supervisors representing Theta Province chapters lived a magnificent seven days, absorbing thrilling experiences, from the Houston Convention, providing a tremendous store of new born friendships and cherished memories.

It was my good fortune to be chosen the Duluth-Superior Alumnae Club 1952 Convention delegate. As much a pleasure has been mine to have served the past year as Province President and to present the review of Theta Province for 1952-53, as there is much of "good report." This year has been highly successful in many respects and as it draws to a close we can take heart in reaching objectives, in recognizing problems and earnestly cooperating to overcome them, in extending our talents and services to many others and in contributing much to the progress of respective campuses, to our fraternity and toward ourselves.

The four Iowa chapters had the pleasure of a two-day visit to each chapter by Ruth Hansen, Director of Extension and Grand Council member, whose

vibrant personality, friendliness and expert guidance will last long in the memories of these Pi Phis. Minnesota A and North Dakota A were favored by the visit of charming Olivia Smith Moore, our Grand Treasurer. These chapters were greatly enriched through her inspirational talks and experience of fraternity background.

The scholarship picture is much brighter at the year's end than it was at the beginning of the fall term. Everyone has worked hard to improve and indeed it shows. Chapter scholarship chairmen have stimulated sound scholarship attitudes in their chapters and have executed scholarship programming throughout the year. Scholarship rating, according to Pi Beta Phi formula, indicate five chapters are in the Upper Third, one chapter in the Middle Third, and Iowa A holding first place on their campus. Other campus ratings are: Iowa B, 2nd; Iowa F, 4th; Iowa Z, 6th; Minnesota A, 3rd; Manitoba A 3rd; and North Dakota A, 5th.

Individual scholarship honors were evenly distribu-

ted in the province and we are proud to have five Mortar Board members and six members of  $\Phi\text{BK}$ .

One of the several highlights of the year was the fine rush season for all seven chapters. Without exception, more stress was placed on planning, both for summer and for fall rushing. There was a strong feeling of complete unity and unexcelled cooperation to create a success of this important part of sorority life.

Girls bringing recognition to their chapters as nominees for the Amy Burnham Onken Award were: Connie Johnson, North Dakota A, Theta Province winner; Sharon Campbell, Manitoba A; Phyllis Dahl, Minnesota A; Salli Hearst, Iowa F; Martha Dinwiddie, Iowa B; Barbara Clark, Iowa Z; and Joan Keefer, Iowa A. It was indeed inspiring to review the accounts of achievements and of service to college and fraternity that these outstanding Pi Beta Phi presented.

All chapters have given 100% to our fraternity projects, as well as contributed much of their time, talent and service to local, national, and world services.

I am pleased to report that all of the chapters reported especially lovely Founders' Day celebrations with their alumnae. Almost all of them particularly mentioned several, or quite a few, "Golden Arrow" members attending; they were so very proud to have them. The progress of deepening friendship is told in this story of Founders' Day each year.

We are continually appreciative of the loyalty, high standards of supervision, and the gracious touch of refinement given to us by our five chaperons. We welcome Mrs. Mary Messault, at North Dakota A, this past year and are happy to have had the continuing fine services of Mrs. Boshart, Iowa B; Mrs. Martin, Iowa F; Mrs. Evans, Iowa Z; and Mrs. John, Minnesota A.

Iowa F proudly displays newly painted bedrooms and newly decorated bathrooms—all done as a "pledge project." After waiting most of the year for carpenters to finish the basement, Iowa B members are now very happy to announce the completion of their recreation room, a project they started a year and a half ago!

Everyone worked hard painting or sewing and with the generous donation of new furniture by Mrs. Betty Buxton, what seemed to be only a wish is now a reality. Iowa Z is greatly enjoying their new TV set and two steam irons, purchased from "gifts" given by Dads during Dads' Day Weekends. Iowa A moved early in the fall to a new location, an upstairs apartment of five rooms, which they did an excellent job of redecorating. The Sunday night get-togethers, chili suppers and now rush parties in their "new home," are a real joy and satisfaction to this group. Manitoba A has had the use for one night a week of several large rooms of a non-resident fraternity. Equipment is provided so that they may prepare light lunches.

Fortunately, all chapter visits could be made in October, soon after rushing. The visits were a wonderful experience for me, and well planned schedules and meeting so many delightful hostesses added to my pleasure. It was very worthwhile to contact almost every member in the province on a personal basis. So much was accomplished.

It was gratifying to learn of the many compliments given to me, on official visits, by Deans, of our great fraternity organization and of its fine members. They commented most about being able to "always depend on Pi Phi," about our good citizenship, the establishment and continuation of fine social standards and the notable contribution to college and community life made by Pi Beta Phi members.

To our most gracious Grand President, I am particularly indebted. Her inspirational letters, full of encouragement and expert advice, have indeed lighted my way. All Pi Phi of Theta Province are very grateful to Mrs. Wild, members of Grand Council, the Director of Central Office and the Chairmen of National Committees for their prompt and kindly attention to our questions and requests.

It has been my privilege to serve Pi Beta Phi; to have seen accomplishments and to have known of the happiness and success of Province members and chapters has been my reward.

VIRGINIA BLACKWOOD

## IOTA PROVINCE

It has been a rewarding experience to serve as Province President of Iota Province. Each chapter and individual committee chairman gave me their complete support and cooperation. Chapter delegates to Convention brought the enthusiasm and worthwhile planning methods gained from Convention back to their respective chapters.

I would like to compliment the Alumnae Advisory Committee members for their untiring service to Pi Beta Phi. These committees work closely with the chapters; are excellent in guiding the chapters, giving them the needed feeling of strength and security without taking from them their initiative.

Without exception each chapter in Iota Province reported a highly successful rush week. Colorado A pledged 41, Colorado B 22, Kansas A 21, Kansas B 26, Nebraska B 22, South Dakota A 22, Utah A 18, and Wyoming A 23. Total pledged Pi Beta Phi in the Province, 195.

Early in the school year, convention delegates reported to their chapters and new programs were adopted based on these suggestions. Special efforts have been made to improve scholarship. Scholarship in Iota Province for this school year has not been too satisfactory. Chapters are aware that good scholarship

aids their rush program, activity program, and public relations program; therefore, a concerted effort is being made to educate the girls in a strong scholarship program by keen evaluation and selection of members.

Through the year each chapter has reported honors and activity participation. Colorado A found that a Chapter Retreat enabled them to work out their problems and unify their membership very efficiently. Colorado B has a member serving as Panhellenic President this year. A Panhellenic Workshop was held on the Colorado University Campus. The chapter had the Homecoming Queen as well as winning first in the Homecoming Float. Two Campus "Miss" Awards went to Pi Phi and two tied for highest grade average of the year. Kansas A celebrated their 80th Anniversary. Marianne Reid Wild returned to her chapter to participate in this observance. The Chapter took second place in the annual Rock Chalk Revue. A Panhellenic Workshop was held on the campus. There was also much planning and enthusiasm over the opening of the new Union Building, or Pi Phi Annex as the girls know it.

Pi Phi in the Province are aware of their responsibility toward the community and participated generously in aiding the underprivileged. Wyoming A

and Kansas A have exchange students and find the experience most helpful. Contributions have been made to Settlement School, Holt House, and the Scholarship Fund by the chapters.

National Honors that have come to the Iota Province chapters include the Historian's Cup to Colorado A, Philadelphia Vase to Colorado B, the Harriet Rutherford Johnstone Scholarship award to Jo Ann Gholson of Colorado B. A very outstanding group of girls were selected by their chapters as being deserving of

the Amy B. Onken Award—Carolyn Schum, Colorado A; Jo Ann Gholson, Barbara Kendall, Colorado B; Patricia Lloyd, Kansas A; Margaret McCoy, Nebraska B; Maureen Sorenson, South Dakota A; Sue Bradford, Utah A; and Patricia Hunton, Wyoming A. Miss Jo Ann Gholson, Colorado B, received the Iota Province Amy B. Onken Award at the Founders' Day observation of Colorado B members. Kansas A chapter of Pi Beta Phi was nominated for the Balfour Cup.

VIRGINIA SPEAKER

## KAPPA PROVINCE

Something new has been added! It is with a great deal of pleasure that Kappa Province reports eight chapters this year. Not only did we have the pleasure of meeting all of the Ko Sharis in February, but it also gave us the opportunity of having all our groups getting together, exchanging ideas and talking over our problems. I feel that we have become a closer unit and wish to thank Grand Council for making this possible.

Being new at this job and following in the footsteps of so wonderful a person as Mildred Sale, this Pi Phi has gained more, I'm sure, than the chapters. It has been a privilege to work with so many wonderful girls.

In Scholarship, our Province had two first places for the last scholastic year, Arkansas A and Texas A, with no one below the middle third. For the current year, Texas I received the Panhellenic Scholarship Cup for first place, Louisiana B came from 12th to 3rd place on their campus, and by our fraternity grading system, Texas B came up 13 points. Our scholarship chairmen have worked hard, making charts, securing tutors, sending scholarship letters to parents, and making study halls available. Two chapters had scholarship dinners, A's—steak, B's—chicken, C's—hamburgers, and spam for the unmentionables.

Oklahoma A completed the changes in their house and have enjoyed a lovely big dining room, new TV, more bedrooms and a wonderful new patio. Texas B have added some more closets and changed their sleeping quarters around to be more comfortable. Arkansas A has voted to build a new house on the lot they have owned for a number of years, and also have a new washing machine and dryer. Texas A has enjoyed an air conditioned house for the first year and have completed plans for redecorating the first floor. Oklahoma B have redecorating plans for bedrooms and a trophy case for this year's newly decorated sun room underway, and Louisiana A is beginning to make some plans for redecorating. Arkansas University continues to have Sophomore rush even though NPC has voted to have rush season as soon as possible in order for all students to become adjusted and settle down to a smooth-running college career. Freshmen at all of the other schools may pledge but live in the dormitories their first year. We have had very fine pledge supervisors this year, with the results of 204 (also 43 Ko Shari actives) being initiated in our province. These new actives are quite promising, with fine records in scholarship and extra curricular activities.

Pledged this year have been Arkansas A, 23; Louisiana A, 27; Louisiana B, 31; Oklahoma A, 49; Oklahoma B, 38; Texas A, 48; Texas B, 35; and Texas I, 32.

Texas A had a most stimulating retreat at Bastrop Park last fall and I had the privilege of attending. We had fun and the work shop proved to be most valuable. Their personnel work of the last two years is now

paying dividends, too. Texas B and Oklahoma A now have personnel chairmen.

Oklahoma B and Texas B both have had very successful Panhellenic work shops for officers and I believe all of our chapters have had chapter work shops this year.

Public Relations have been good this year through exchange dinners, Pi Phi Friend nights, open houses, and desserts and spaghetti parties. An unlimited amount of community service has been given, with special recognition going to Louisiana B from Red Cross and Texas A from Community Chest drive.

We would like to pay tribute to our loyal chaperons who have served long and well this year. Mrs. Dabney Tolson, from Fort Smith, took the place of our long-loved "Mrs. Clifton," Mrs. Quigley at Oklahoma A, Mrs. Parker at Oklahoma B, Mrs. Pedigo at Texas A, and Mrs. Wayne at Texas B.

Contributions to our Settlement School this year have been \$320, Holt House \$140, and Harriet Johnston Scholarship Fund \$225.

It was with much pride that the Kappa Province nominee of the Amy B. Onken Award went to Patti Patton of Oklahoma A. She has truly carried out the high ideals of Pi Phi. Other nominations in our province who carry through our high standards of loyalty, scholarship and activities are Mary Lou Thomas Cox of Arkansas A, Jo Ann Ansley of Louisiana A, Betty Moore of Oklahoma B, Shelby Reed of Texas A, and Patsey Pittman of Texas B.

Louisiana A held its annual pre-rush House party and Louisiana B its spring house party on the Gulf Coast this year, having lots of fun and gaining a very close working relationship within their chapters.

Arkansas A, Oklahoma A, and Oklahoma B feel they receive a great deal from their devotionals each week and all of our chapters celebrated with a special evening for our Founders' Day.

All seven chapters presented the actives of Texas I with individual gifts. The gifts were presented at the initiation banquet. Out of eleven hundred girls on the campus, twelve Senior Texas I girls were tapped for Forum (a group petitioning Mortar Board). The Pi Phi's have four of the twelve girls.

The Mothers' clubs throughout the province spend many hours doing Pi Phi work in having lunches for the girls, food at special times, and the many projects that they hold to raise money for our girls.

The Advisory boards continue to stand by with their support, their assistance, patience, and their loyalty.

The Housing Corporations spend many hours planning for better housing with the least amount of money and then try to raise this money.

It would be impossible to take the space to list all of the accomplishments of our chapters. Each of the eight groups are well represented in  $\Phi$  B K, Mortar Board or their equals, *Who's Who in Colleges and Universities*, Honorary Organizations, clubs, athletics,

and innumerable social achievements.

I would like to add my personal thanks to the girls, our alumnae, Grand Council and particularly Mrs. Wild for your cooperation, patience and under-

standing. My work has been a pleasure throughout the year. It is certainly true that "He who works, receives."

MYLDRED HIGHTOWER

## LAMBDA PROVINCE

The year 1952-53 began with great enthusiasm in Lambda Province due in part to the inspiration and increased fraternity knowledge that the Convention delegates imparted to their respective chapters. The interchange of ideas, fostered by Convention contacts, made it possible for the delegates to advocate, and the chapters to adopt, new methods of approach to various problems . . . this, together with the "all for one, one for all" spirit of comradeship and cooperation on the part of the members, has resulted in a year filled with the kind of achievements that cause each girl to be sincerely and justifiably proud of her chapter and her fraternity. During the spring term, the chapters have been devoting considerable time (in informal discussion periods) to evaluating their strengths and weaknesses in the hope of rectifying past failures and in determining goals for the future.

The province was very pleased by the distinction of having one of its chapters receive national recognition when Montana Alpha was presented with the Vera Moss Bowl for outstanding improvement. We are equally proud of Donna Mears, Oregon Gamma, who was one of the recipients of a Harriet Rutherford Johnstone Scholarship.

Miss Onken once explained that the reason the fraternity stresses good scholarship is that it wishes each chapter to be a decisive factor in assisting its members to gain from their college experience the finest possible training and the best possible preparation for after-college life. Realizing the worth of Pi Phi's interest in promoting worthy scholarship, the chapters have been putting increased emphasis on this policy of *getting* the most and best from their years in college, so that they can in turn *give* the most and best to life after they graduate. The majority of chapters have instituted a plan of curtailing social activities for below-initiation-average students rather than imposing the often-resented and somewhat negative approach of assessing fines. The Scholarship Committees have been invaluable in assisting each active and pledge to put forth maximum effort . . . by setting up concrete systems for study tables, presenting awards for outstanding achievements, arranging "fun" scholarship dinners, setting up special exam week schedules, posting clever progress charts, planning programs on taking notes in class, etc. All the girls feel especially indebted to Kay Ross, Province Scholarship Supervisor, for the close supervision and constructive advice that she has so faithfully given. According to the classifications by Pi Phi formula for the first semester or first quarter of the year, both Montana Alpha and Washington Gamma were in first place on their campuses. Other chapters in "upper third" brackets were Idaho Alpha, Washington Alpha, Washington Beta, and Oregon Beta.

My first chapter visits were made during November to Idaho Alpha, Washington Beta, Oregon Alpha, Oregon Beta, Oregon Gamma, Washington Alpha, and Washington Gamma, in that order. Alberta Alpha was visited in early December; and since it was then approaching Christmas holiday time, Montana Alpha's visit was postponed until January. These visits were very rewarding to me as they afforded the opportunity of getting to know the members on a more personal

basis than is possible through correspondence alone; and the friendships made with both actives and alumnae have been a source of great pleasure. The girls were excellent hostesses . . . always thoughtful, genuinely friendly, and fun to be with . . . and many were the "wee hour" informal discussions held over a cup of coffee in the kitchen! Chapter life has been described as a laboratory in human relations; and the fraternity can be proud of the success that each chapter has achieved in this phase of its development, for each house was characterized by an atmosphere of charm, graciousness, and a deep feeling of real sisterhood. In addition to this exemplary fraternity spirit, the internal organization that exists within each chapter is also commendable. Due to excellent programs of officer training, each officer was well aware of her responsibilities, was compiling a notebook of recommendations to pass on to her successor, was interested in seeing that the Archives were in order, was eager to try new suggestions, and was receiving, in return, the whole-hearted cooperation of the other members. These officers, knowing that the chapter has placed its confidence in them, and knowing that the national reputation of their chapters depends upon the effectiveness with which they perform their work, have endeavored not to betray this trust. They realize too, that by setting a pattern of promptness and efficiency in executing their duties, the members will feel obligated to do likewise. It was interesting to confer with the Deans of Women and invariably they were full of praise for the Pi Phis because of their splendid cooperation with college authorities, preservation of high standards of social conduct, and for assuming campus leadership. Needless to say, I shall always remember the gracious hospitality extended by both chapters and alumnae and I only hope that I was of some assistance to them in clarifying duties and in giving suggestions. After each visit, I felt an increased pride in my Lambda Province chapters and had a real sense of appreciation for all that Pi Phi has meant to its individual members.

Four new housemothers were welcomed by our chapters this year . . . Mrs. Pearce, Alberta Alpha; Mrs. Veblen, Montana Alpha; Mrs. Clark, Idaho Alpha; and Mrs. Kaufman, Oregon Gamma. We are especially sorry this year to lose Miss Deveraux who has served Oregon Alpha so faithfully for the past ten years; however, in losing her as a chaperon, we are gaining a wonderful new member of Pi Phi since the chapter has recently obtained permission to initiate her.

Our chapters have realized fully the benefits to be reaped from participation in extra-curricular activities; and they have taken complete advantage of this excellent opportunity for developing leadership, for acquiring poise and confidence, and for making friends in other fraternity and independent groups. The Activity Chairmen have tried to develop the talents of each girl by putting emphasis on being a contributor rather than on being just a "joiner" . . . hence, the members have concentrated on doing a quality of work rather than a quantity. Too, the chapters have encouraged members to maintain high scholastic records in preference to taking on so many outside activities that they are forced to neglect their studies.

The chapters have been attaching increased im-

portance to their meeting programs for these have proven such a successful medium of education as well as a medium of promoting chapter spirit. The programs have included a showing of the Settlement School and Holt House films, asking alumnae to speak on the founding of their chapter, inviting foreign students and faculty members to dinner and then having them give an informal talk afterward, etc.

Eight very deserving girls were nominated for the Amy B. Onken Award. Jody Greer of Oregon Alpha was the recipient of this honor. Other nominees, who are entitled to special recognition for their praiseworthy scholastic records, and for their outstanding contributions to both fraternity and campus and Phyllis Viken, Montana Alpha; Gloria Badraun, Idaho A; Betty Hughes, Washington B; Margie Peak, Oregon B; Dona Mears, Oregon I; Shirley Miller, Washington A; and JoAnn Wood, Washington I.

Lambda Province was 100% in its contributions to the three fraternity projects. Each chapter has also given freely of its time in local social service work by helping crippled children, participating in money-raising campaigns such as the March of Dimes, sponsoring Easter Parties for underprivileged children, serenading hospitals and orphanages, arranging parties and gifts for needy families at Christmas, collecting clothing for Korea, touring state hospitals in entertainment groups, etc. Many of the chapters have worked diligently with the Blood Bank and have willingly donated to this worthy cause. Each chapter seems to adhere to the admirable philosophy, "To make life brighter for one, this is to have lived."

Rushing was most successful in the Province with the Pi Phi pledging their traditional "cream of the crop" girls. All chapters are now under a quota system with the exception of Montana Alpha. (Oregon Gamma's Panhellenic is now in the process of setting up such a system for their campus.) A high percentage of the pledges were initiated and the Pledge Supervisors deserve real praise for their excellent work of training and indoctrination.

The housing situation in the province is unchanged, with 7 chapters owning their own homes, one renting a college-owned house, and one having an attractive meeting room on campus . . . the latter has formed a house corporation this year and hopes to rent a house as soon as college authorities permit. Meanwhile, their alumnae generously lend their homes for rush parties, teas, receptions, etc. Both Oregon Alpha and Oregon Beta were overjoyed with the complete remodeling of their kitchens last summer, and Oregon

Beta has plans outlined for an extensive redecoration program for the living room which will be carried out this summer. Montana Alpha, Washington Alpha, and Washington Beta have concentrated on redoing their chapter rooms with very pleasing results. (The pledges have taken on this project at both Montana Alpha and Washington Beta.) Washington Beta also had an intercom system and a water softener installed this year, and the living room and dining room received a new coat of paint before rushing last fall. Oregon Gamma had some painting done on the first floor last summer and hopes to have new draperies soon. Alberta Alpha, Idaho Alpha, and Montana Alpha members have displayed their ingenuity by painting their own suites upstairs in very effective color schemes. All the chapters feel especially indebted to generous alumnae and Mother's Clubs for the many useful gifts and contributions they have made to the houses.

This report would hardly be complete without a word of thanks to the Advisory Committees who have worked so closely with the chapters, whose guidance and inspiration has played such an important part in the achievements and progress of our fraternity, and whose monthly letters have been such a tremendous help to me in my work. The fine relationship that exists between actives and alumnae has been a constant source of aid to the chapters and the girls have often expressed their gratitude for this interest and service.

At this time, I would like to extend my very deep appreciation to our Grand President, Mrs. Wild, to the other members of Grand Council, to the national committee chairmen, and to Central Office personnel for their valuable assistance and constant encouragement throughout the year.

In closing, I shall take this opportunity to again express my sincere gratitude to the actives for your wholehearted and loyal cooperation in sending required reports, in your receptiveness to suggestions, and in your highly regarded friendship. I just couldn't be more proud of my Lambda Province chapters; you have made my first year as Province President a most interesting, enriching, and gratifying experience . . . my heartfelt thanks to each and every one of you. We have often heard the phrase, "College is a time for storing up beautiful memories," and I feel that this has been a year in which each member will have laid aside many happy and worthwhile thoughts for future years.

BETTY GERMERAAD RYAN

## MU PROVINCE

Many factors have played important parts in making this a wonderful year for the Pi Beta Phi chapters in Mu province but probably the most important single factor was the inspiration, understanding and broadened scope which the delegates and alternates took back to their chapters from convention. On her chapter visits this officer found a deeper appreciation on the part of the girls of what it means to be a fraternity woman, especially a Pi Phi, and more unity of purpose in striving toward designated goals.

Our biggest province problem, that of scholarship, has not been entirely solved but it is definitely on the upgrade, if not always in tangible form, at least in attitude and seriousness of purpose. Arizona Alpha installed a well organized, supervised study program which resulted in their coming up from a low position to first place. Last year California Delta installed a

fine study program which resulted in their coming up from 17th place to second, missing first place by .03. This year they retained the same program and are maintaining themselves in the upper bracket. California Epsilon has won first place 4 times out of the last 5 semesters. We were quite disappointed that California Gamma dropped several places. New Mexico Alpha has held her own in the upper third. Scholarship is not good at California Beta, California Zeta and Nevada Alpha, but each of these chapters is working hard and the semester's end should show big improvement. We are especially grateful to our new Province Supervisor, Mrs. James H. Bradshaw. She has been in office for only a short time but has already given the girls much constructive help. We are looking forward to this time next year when we hope that all Mu chapters will be able to point with

pride to their scholarship achievement.

Last summer California Beta's house was re-decorated inside and outside. It is very beautiful and the girls are proud of its new look. No other house changes were made this year but California Gamma will remodel this summer, adding 4 bedrooms and a Town Girls' room. There will be major architectural changes as the house will become Williamsburg colonial in design. Delta will build a laundry room and install an automatic washing machine and dryer. A house corporation has been formed by Epsilon, looking forward to the day when it may have a house, and by Zeta so it may be prepared to meet housing conditions when the college is moved to the Goleta campus. This move is scheduled for the fall of 1954.

This officer is very grateful to our fine house-mothers who do so much toward helping our girls express the hospitality and gracious living which we expect of our Pi Phi chapters. Mrs. Perigo will return to Beta, Mrs. McKee to Gamma, Mrs. Warren to Zeta, Mrs. Atwood to Arizona and Mrs. Brickerhoff to Nevada.

Rushing results ranged from extremely fine to satisfactory. Some of the chapters were handicapped by a severe quota system which resulted in smaller pledge classes. The province pledged a total of 186 girls, including both rush seasons, which is about 20 less than last year. However, all girls pledged are fine additions to Pi Beta Phi. The recommendations chairmen deserve much credit for their hard work and the girls are very appreciative for the information and help given them by these various chairmen. I also wish to pay tribute to the many alumnae who work so hard at a distance to help maintain the strength and prestige of our chapters. I am especially grateful to those alumnae who serve on the alumnae advisory committees. Their wise guidance and counsel is of inestimable value to the chapter and to the fraternity. I know that the girls are as appreciative as I am for all alumnae support and assistance.

All eight chapters were visited early in the first

semester by this officer and by the ARROW Editor during the second semester. Without exception, each chapter president has written me of the constructive help, inspiration and tremendous lift given them by Mrs. Alford.

The chapters in Mu province were 100% in donations to our three philanthropies.

We have had some extremely outstanding campus honors this year and Pi Phis have excelled in everything from athletics to queens. We had fine representation in student government. In addition to Epsilon having the president of AWS they also had the secretary and treasurer of AWS. Many athletic trophies were won. Delta had the chairman of Women's Week and Beta had the chairman of Women's Rally. Arizona Alpha had 10 members of Desert Mermaids and won the sweepstakes in the Varsity show. Delta won the Junior Panhellenic cup for its pledges being first in scholarship. This list of honors just scratches the surface.

This year the ABO nominees seemed even more outstanding than ever. I was very happy that the ARROW Editor could present the award in person to the province winner, Carol Trohan of Arizona Alpha. The other nominees were Janet Grout of California Beta, Anne Rush of California Gamma, Kay Tompkins of California Delta, Barbara Latham LaForce of California Epsilon, Joann McNay of New Mexico Alpha and Harriet Parke of Nevada Alpha.

My gratitude goes to Mrs. Wild for her helpful and wise counsel and to the other members of Grand Council on whom I have called for assistance. We all miss Miss Onken but hope she is enjoying a well deserved rest from such heavy responsibilities. I am especially grateful to the chapter officers and to those presidents who have so capably and lovingly led their chapters to the accomplishment of a fine year. My sincere thanks go to all of the wonderful girls in Mu province who have made my work such a pleasant and rewarding experience.

MAY SCROGGIN SCOTT

### Editorial, Banta's Greek Exchange, "A Welcome at Texas Tech"

At a time when some institutions seem to be unhappy with fraternities, a new and very fertile field has been opened at Texas Tech, Lubbock, Texas. This young and surprising college is carrying out a carefully laid plan which involved the original forming of a number of local fraternities and sororities and the development of those groups to the point where they were ready to invite the entrance of national Greek letter societies.

Now the first installations have occurred and the warmth of the welcome they received has stirred the hearts of the people who took part in them. The administration of the college has received the fraternities and sororities in a cooperative spirit and with a genuine feeling of responsibility toward the organizations they have invited to their campus. A bright future seems to be in store for those groups which have taken their places on the campus at Texas Tech.

# Province Vice President Reports

## ALPHA PROVINCE EAST VICE-PRESIDENT

It is a new experience and a pleasure to work with the clubs of Alpha Province East. Reports have come in so promptly that it has not been difficult to attend to the clerical details.

The clubs range in size from 14 to 56. The smaller clubs claim to have in spirit what they lack in numbers. All clubs are 100 per cent in support of our projects.

The alumnae clubs have cooperated with their nearby active chapters. Hartford, New Haven and Connecticut Alpha celebrated Founders' Day together, as did Eastern Maine with Maine Alpha. Some clubs have given cash to the active chapters. The Burlington Club has been a great help to Vermont Beta by giving financial assistance for redecorating the house. The Portland Club continues to give the Sophomore Award in the Province. This year it went to Anne Singleton of Vermont Alpha. Boston gives the Sarah Rugg Service Award.

About one half of the clubs aid in local projects. Some fold bandages; others do their share at Christmas time in aiding homes for the aged or for children. The Canadian Clubs are awaiting the development of plans for a Canadian project. Montreal has always given so generously and Halifax is busy preparing for a bazaar as a means of raising money. They have given \$30 to outfit a wheel chair for the Paraplegic Society.

Arrowcraft sales have been held in all clubs but

the two in Canada. Returns were good in spite of bad weather in some instances. Burlington sent its unsold goods to Rutland, for its sale. What a fine idea! Rutland has no alumnae club.

At this time I should like to make an appeal to Pi Phi in smaller communities to consider the possibility of organizing a club. You will be of service to your fraternity and reap the benefits of working together for our strong fraternity. Our newer chapters, Connecticut Alpha and Massachusetts Beta, continue to send out their members to add to our numbers. Have you an alumnae club in your community to welcome these actives, after their school days? Only ten are necessary to form a club. Will you contact me for a new club?

Our province had the pleasure of visits from our new Grand Vice President, Alice Weber Mansfield, and from our Grand Secretary, Lucile Douglass Carson.

I wish to express my thanks to the officers of Alpha East for their work done for Pi Phi, and to Erminie Pollard, our former Province Vice President, for her guidance in my work.

To Mrs. Wild and to the Grand Council our Province is indebted for their encouragement and guidance. It is a privilege and a pleasure to work with these inspiring Pi Phis.

CLARA DELL HAGGEMAN

## ALPHA WEST PROVINCE VICE-PRESIDENT

Most of the clubs in our Province have had a good year; several show membership increases.

Arrowcraft sales were quite successful. Northern New Jersey leads with gross sales of \$1,106.55. Albany is second with \$977.00. Toronto held another successful bazaar; they netted about \$4,500.00. Here is an example of excellent leadership and cooperation.

Northern New Jersey is giving a silver tray to the chapter in the province that shows the greatest gain in scholarship.

The clubs who help the actives with gifts and money are Toronto, London, Syracuse, Rochester, Buffalo, Albany, Northern New Jersey and New York City.

The New York City club invited one active from each of the five chapters in the province to be their guests for a week. These girls were entertained in the homes of the alumnae and spent their time visiting the United Nations. Ann Guthrie wrote a very interesting article about their visit in the March issue of the ARROW. I hope each of you read it.

The Northern New Jersey club had Marianne Wild, our Grand President, as their guest for their Founders' Day celebration. They used the twelve figurines representing the Founders as part of their table decorations. One of their members made these figurines. She also

made one of Mrs. Wild which was presented to her at that time.

Rochester and Buffalo held a joint Founders' Day meeting, as did Schenectady and Albany. These joint meetings are especially fitting as we pay tribute to our Founders.

We had the pleasure of attending the Founders' Day luncheon with the Poughkeepsie Club.

Long Island North Shore, Westchester, and Buffalo each have undertaken a community service project.

Last fall the Albany and Schenectady clubs were honored by having Lucile Carson, our Grand Secretary, visit us.

As alumnae, we all appreciate the fact that fraternity membership does not end with college days. It multiplies opportunities for friendship, also an added amount of preparation in which to serve our fraternity and community.

It has been a privilege to work with the clubs in Alpha West. I would like to express to all of them again my appreciation of their loyalty and cooperation. To Marianne Wild, Alice Mansfield, members of Grand Council, committee chairmen and the director of Central Office, my sincere thanks for their help and generous support.

EDNA ARCHIBALD

## BETA PROVINCE VICE-PRESIDENT

Beta Province welcomes two new clubs, Mansfield, Ohio, and State College, Pennsylvania. There are now 24 clubs.

Twenty-two clubs were 100% in support of the three national projects. Many clubs contribute to local

projects with Akron, Cincinnati, and Cleveland West contributing the most in money.

Philadelphia again is first in the sale of Settlement School products. Cleveland East and Philadelphia made the largest contributions to Settlement School.

We are happy that Cleveland East gave \$100 to the Staff House.

The following clubs donated more than \$100 to active chapters: Columbus, \$500 to Ohio Beta; Pittsburgh South Hills, \$200 to Aye Sees; Clarksburg, \$250 to West Virginia Alpha; Elkins, \$116 to West Virginia Beta; Toledo, \$100 to Ohio Epsilon.

Pittsburgh, Pittsburgh South Hills, and Philadelphia have sent or have in bonds money for the Aye Sees, the colonizing group at State College, Charleston and Fairmont contributed generously to the West Virginia chapters.

Pittsburgh sent \$25 to Vermont Alpha in honor of the club president who served from 1950 to 1952. Pittsburgh also gave a \$300 scholarship for the Harriet Rutherford Johnstone Fund in honor of Lucile Douglass Carson, the Grand Secretary, who has been such

a loyal member of the club. Philadelphia gave \$200 to the same fund for a scholarship.

Akron and Pittsburgh sent money for the active emergency convention fund.

It was my pleasure to visit the Charleston, Canton, State College, Lewisburg, Harrisburg-Carlisle, and Philadelphia alumnae clubs. Each visit was most pleasant, helpful, and inspirational to me. I enjoy my many friends in the clubs.

I thank each member for helping Beta Province to have a fruitful year. My sincere appreciation goes to all officers and chairmen of the fraternity. I am especially grateful to the members of Grand Council for their guidance, assistance, and loyalty. The Fraternity continues to progress under their leadership.

VELVA SHORTZ

## GAMMA PROVINCE VICE-PRESIDENT

Wilmington Club started the year with a report of convention and history of Texas Alpha and drew the largest attendance of the year. This was followed the next month with the Settlement School Tea and sale of Arrowcraft to invited guests. The articles were also on sale at each monthly club meeting. Sewing and knitting was done for the local Children's Bureau and one member presented a program on her work at the A. I. duPont Institute for crippled children.

Founders' Day was observed with the Philadelphia Club and attended by most of the members of each Club.

Baltimore has continued to challenge the interest and membership of many Pi Phi in the community and had the honor of entertaining with a reception honoring our Grand President Marianne Wild at the home of Mrs. Detlow Bronk, Pi Phi from the late Swarthmore Chapter and wife of the President of Johns Hopkins University. Members of Panhellenic were included in the invitation as well as your PVP. The club also gave a Dormshower at one meeting when a large box of non-perishable food for snacks was packed and sent to the Pi Phi at Maryland Beta. There was a Settlement School sale and large card party, while a fund was raised at another meeting to assist convalescent children in St. Gabriels Home, the local project for the year. Founders' Day Luncheon and Innovation Dinner for husbands were also included in the year's program.

Washington Senior Club held seven regular meetings and two special meetings during the year with average attendance of 70 for business meetings and 160 for social meetings. The large resident membership is to an extent transient and very beneficial to Pi Phi, but the paid membership is not as large as we all hope in September. The Club was happy to entertain with a reception welcoming our new Grand President, Marianne Wild, a member of the Club. Settlement School Sale and Tea was held at the home of the President of the Club, Fredericka Lockhart. The press was generous in the publicity of the event and noted that Mrs. Truman had again attended, while Cabinet wives and wives of officials, in the government, educational and resident groups also attended.

Founders' Day was celebrated with an afternoon tea at the home of one of our members. The Junior Group, the actives from DCA and Maryland Beta and the senior group attended.

Group meetings were held in various neighbor-

hoods during January in a concerted effort to bring out Pi Phi who find it difficult to attend regular meetings. At one a resumé of Mrs. Catt's life was given and it was amazing to find how many in the group had known her and hence could contribute information and anecdotes.

Washington Junior Group has carried out the fine program planned early in September and included the following: Convention report by the President and delegate, White Elephant Sale, dressing dolls for a local Radio Station Christmas celebration, Settlement School Meeting, skit on "Your Sorority and its Philanthropic Work," Cooky-shine and Dessert Hour at D.C. Alpha and Maryland Beta with the Junior Group as hostesses. Their major local project was support of the George Washington Hospital Board in all their activities during the year, with four Pi Phi members of the Board, one of whom is Vice President.

Arlington-Alexandria Club is meeting the problem of reaching all the Pi Phi listed by Central Office in the locality with a telephone committee plus interest from transients in the community and has increased in membership. The Club roster goes up and down because of the transients but the programs have always been accomplished. Alexandria Recreation Center, a very acceptable exhibit building, was secured for the Settlement School Sale and Tea with fine publicity in the Washington and Alexandria press. Dolls were dressed at Christmas for Community Chest and Founders' Day was observed with a Luncheon.

Richmond—May L. Keller Club has also increased in membership and now calls the roll of 22 Chapters and 10 Provinces at the meetings. Elizabeth Kates Foundation, named for a member of the Club was first sponsored by the Club eleven years ago. It has expanded and now many clubs and individuals have joined. The purpose is to provide help for released misdemeanants from the State Industrial Farm for Women in directing them toward citizenship.

Virginia Gamma was invited to a supper meeting in February when the Club rented the A.A.U.W. Club House to accommodate the large group attending. The actives came by bus from Williamsburg to accept the invitation to supper and a program on Elizabeth Kates, Foundation Panhellenic and history of Virginia Gamma as recalled by a charter member.

Marianne Wild was guest of honor and speaker for Founders' Day Dinner at the home of Miss Elizabeth Kates at the State Farm for Women. Previous to the meeting, the Executive Board of the Club entertained

with a Tea and Garden Party at the home of Mrs. Reynold Siersema, at which the entire club membership and City Panhellenic were invited.

May 7th meeting Gamma PVP was invited to attend and discuss Panhellenic Citizenship Committee Program on Public Relations and the value of fraternity membership.

Norfolk Club planned a morning Coffee for all interested friends of the Settlement School. Displays of handicraft from the Pi Beta Phi Settlement School at Gatlinburg, Tennessee, are now on exhibit at the Women's Club on Fairfax Avenue and also in the Tidewater Artists Room of the Museum of Arts. This exhibit to continue until the Annual Pi Beta Phi Settlement School Tea, October 24, at the home of Mrs. S. H. Ferebic, 607 Westover Avenue from 10:30 A.M. to 1 P.M. The Club gave two tickets to indigent school children to the Norfolk Symphony and held an open meeting with a Program on Interior Decoration by an out of town speaker. A gift was sent Virginia Gamma and visits were made by club members to Virginia Alpha as well as Gamma in addition to their regular and required meetings.

Charlotte Club has increased in membership and enthusiasm for participation in City Panhellenic by assisting in meetings and money raising projects with a scholarship at Queens College as the goal. Montaldo

presented a style show and talk on "Charm is What You Make It," giving examples of assembling clothes. Membership and Settlement School Committees have been very active during the year.

Columbia Club held mostly business meetings during the year with two dinner meetings in homes but has given generous assistance to South Carolina Alpha in their fall and spring rushing and presented the chapter with leather bridge chairs at Christmas. Settlement School Sale was arranged for May as a change from the fall in hopes of interesting new friends of Pi Phi as well as friends of continuing interest.

The Clubs in Gamma are 100% in contributions and loyalty, showing fine cooperation at all times.

Washington Senior Club had the pleasure of presenting a check to cover furnishings for one room in the new Staff House at Settlement School to honor Winslow Nesbit, Kansas Alpha, long time member of the Club.

The progress for 1952-53 is due in large measure to the counsel and assistance of Mrs. Wild, Grand Council, Central Office as well as the officers and members of each Club. May I once again thank you and convey my deep appreciation to all?

MARIE TUNSTALL LINGO

## DELTA PROVINCE VICE-PRESIDENT

Factual reports are empty things when words should go forth on shining wings to describe the activities in Delta Province.

The paid membership is 944, including 10 isolated members, marking an increase of 55 such memberships over last year's total. All clubs again report 100 per cent in support of the three national projects.

Detroit, Michigan, Indianapolis, Franklin, and Southwestern Indiana has each either sent or pledged sufficient funds to furnish a room apiece in the new Staff House at the Settlement School. All other clubs have evinced a willingness to give a useable gift to the Staff House.

Gross Arrowcraft sales were \$7,595.62 with the South Bend-Mishawaka, Indiana, club well in the lead with sales amounting to \$1,189.95. Four of the twenty-one clubs did not hold Settlement School sales this past year believing that a biennial sale is more effective in their particular communities.

Delta Province members have shown themselves to be good citizens in their own communities by their consistent support of at-home projects. Each club gave to local needs at Christmas time as they entertained needy children, sent toys to hospitals, clothing to the Settlement School and supported countless other causes.

Thirteen clubs gave gifts of money and furnishings to active chapters while each one of the clubs interested itself in rushing by committee support, through recommendations, rushing parties and consents to bid.

Requests from Ways and Means chairmen continue

to pour in asking advice about money raising methods. Each new idea is welcomed. Perhaps a central Ways and Means Exchange between Provinces would be helpful.

It would be my proudest pleasure to have space here to describe each club's philanthropic enterprises and successes. Suffice it to say that this year has been personally rewarding. My personal contacts with the clubs and the club members have been gratifying. All clubs have been more than 100 per cent in cooperation. The spirit of Pi Beta Phi has led each member on to great heights. The record of achievement is an enviable one.

To the Lansing-East Lansing, Michigan, club goes special mention for their ambitious project—the procurement of a very much needed new chapter house for the Michigan Gamma chapter. That alumnae Building Corporation deserves both our praise and our concrete support. Their goal is so worthy. The road ahead is so arduous. Let us help them in every way possible as we wish them success.

My sincere thanks to each member of all the alumnae clubs in the province for your enthusiastic support. My sincere thanks too, to you, the Grand Council members, for your guidance and help all through this year. Without you this work would lie fallow: with your words of encouragement and your vigilant assistance the road has been easy and pleasant too. And to the Central Office Staff a very special salute for your promptness, your assistance and your patience.

LEOLA ROYCE MCKINLEY KOCH

## EPSILON PROVINCE VICE-PRESIDENT

I am happy to review the work accomplished in the Epsilon Clubs this year as I feel it has been a year of progress. While I have not visited the clubs, the letters from the presidents are indicative of a successful year. Even though all the clubs have not shown increases in membership, the interest and the spirit of Pi Beta Phi manifested in every group has been grati-

fyng and encouraging. Without exception, those clubs which sent delegates to the Houston Convention were greatly benefited and strengthened. There is no doubt those who attended brought helpful ideas and inspiration to their clubs.

All constitutional requirements for meetings have been met, and the clubs were again 100% in their

support of our national projects. Contributions to these projects were higher than last year in that three clubs, Kansas City, Blue Ridge and Memphis, increased their contributions to the Settlement School; and two clubs, Lexington and Memphis increased their contributions to the Emma Harper Turner Fund. St. Louis again gave \$1,000.00 to Settlement School and Kansas City increased their contribution to Settlement School from \$300.00 to \$700.00 this year along with an increase to Holt House of \$25.00. These additional contributions by the Kansas City Club were made possible mainly because of a most successful Fashion Show held in the fall at which they cleared \$804.20.

St. Louis, Kansas City, Springfield, Louisville and Columbia contributed generously to the Harriet Rutherford Johnstone Scholarship Fund with a total of \$290.00. With the exception of Columbia, none of these clubs gave to this Scholarship Fund last year, so I feel that this, in particular, is a mark of growth.

Nine clubs sold \$4,799.96 worth of Arrowcraft merchandise and many held successful Settlement School teas, at which they sold Arrowcraft products. Several clubs have, in past years, been confronted with the problem of selling Arrowcraft merchandise because of their closeness to Gatlinburg. Members drive there to buy, but in spite of this obstacle, the Chattanooga Club held a very successful Settlement School Sale at the chapter house on three consecutive days. The Knoxville Club was privileged to have Miss Dyer from our Settlement School to talk with them at one of their meetings. Lexington deserves credit for a successful Settlement School Sale this year as they did not attempt one last year.

Three clubs showed a gain in membership for a total of 22 members. These were Memphis, Nashville, and Knoxville. Nashville showed the greatest gain of all—with an increase of 19 members over last year. Three clubs, Tri-State, Blue Ridge and Louisville deserve credit for losing no members and holding the same number they had last year. Six clubs lost a total of 47 members. Though the actual figures show a loss in membership in these clubs, the treasurers have cooperated well and worked consistently to gain additional members. It does, however, present a real challenge for the coming year.

In the March report of magazine sales, Epsilon Province alumnae clubs ranked first with a total of \$800.07—with St. Louis ranking second and Kansas City fourth, in total sales for the whole country. Five clubs gained in magazine sales for the year, and six clubs sold less, with one club not participating.

All clubs are very much interested in the active chapters and in rushing. The clubs located near active chapters consider them as one of their main projects and give generously to them in money and other assistance. Many of the monthly meetings were held at the chapter houses with the actives attending and

parties were held at various times with the pledges and actives. Columbia feels that they are especially fortunate this year in having pledged six girls locally which has stimulated much interest in both groups. They were also pleased to present the Hallie Bell Award Plaque for the outstanding pledge.

In addition to the support of the three projects, many clubs have given service and gifts of money to their communities through their local projects. Kansas City continues its outstanding contribution in hours of service to the Rehabilitation Institute and increased their donation this year to \$275.00. St. Louis started a local project this year helping with the Service Cart at St. Luke's Hospital; Lexington has, as their project, the House of Reform for boys and girls—known as Kentucky Village; Nashville contributed to the Wilderson Speech and Hearing Foundation as the result of a successfully sponsored theatre project, "The Virginian." Other clubs have donated toys and gifts and held parties for the unfortunate at Christmas. Memphis deserves special mention because of their decision to present an Epsilon Province Award to the outstanding sophomore in the Epsilon active chapters. The award consists of an engraved cup which will be passed from year to year to the chapter winning it and a personal gift to the sophomore who earns it. It was won this year by Elizabeth Gentry of Missouri Beta for her many achievements in college and fraternity activities as well as in scholarship. Memphis also has been taking an interest in the Negro Crippled Children's Home and are considering it as a permanent local project.

In addition to contributions and service to these various local projects, the Epsilon Clubs gave a joint gift in money to the Staff House at Gatlinburg, totaling \$107.00.

We, in Epsilon Province, feel particularly proud and fortunate to have two members of our clubs on Grand Council. Mrs. Mansfield our Grand Vice-President from the St. Louis Club and Mrs. Hansen, our Director of Extension, of the Louisville Club. Kansas City is privileged to have as a member in their alumnae club, Mrs. Simmons, our National Historian.

Another successful year for Epsilon Province has been the result of the fine cooperation of all club officers, particularly the presidents and treasurers, and of the committee chairmen and the members of every club. I am especially grateful for their help and for the assistance which I have received from Mrs. Wild, Mrs. Mansfield, Mrs. Hansen, the other members of Grand Council, and Miss Patton. They have been most patient and I sincerely thank them for their encouragement, inspiration and help.

I have greatly enjoyed the privilege of serving the Epsilon Clubs and Pi Beta Phi, and I have personally gained much more than words can express.

KITTY HARDY DICKSON

## ZETA PROVINCE VICE-PRESIDENT

Zeta Province presents a new club at Columbus, Georgia, and points with pride to the Pensacola, Florida, club which has 100% membership for the fourth consecutive year. Membership total 472, with 26 Seniors listed. A net gain of 30 over last year with the following clubs showing gains: Atlanta, Birmingham, DeLand, Jacksonville, Miami, Orlando, Palm Beach, St. Petersburg, and Tampa. Columbus and Athens were only one short of 100%.

The total amount given to the three national projects is \$422.00, which is \$20.50 more than last year. Clubs leading are Atlanta, Miami, Orlando and St. Petersburg. Pensacola, a small club, shows further leadership by leading per capita gift to Settlement School, \$1.24, with DeLand second at \$.96 per person.

Holt House contributions ran slightly above last year with Emma Harper Turner Fund showing a slight decrease. It is with pleasure, however, that I report

"plus" donations by several clubs which I feel are a healthy sign of growing interest in the whole sphere of fraternity and community life. Atlanta's plus gifts to Harriet Rutherford Johnstone Scholarships, Staff House, and Convention deficit amounted to \$70.00. DeLand gave greatest "plus" for a small club with \$10.00 for convention deficit and \$5.00 to Save the Children. St. Petersburg gave \$5.00 to convention deficit and \$10.00 to Harriet Rutherford Johnstone Scholarship.

Six clubs report local project work involving money, gifts and time: Atlanta, Miami, Birmingham, Jacksonville, St. Petersburg, and Orlando. All these clubs, especially Jacksonville, seem to be stimulated by such service.

Birmingham leads all Clubs with gifts to active chapters \$196.00 total to Alabama Alpha and Beta; Atlanta \$75.00 and gifts of silver to Georgia Alpha; Athens \$25.00 and, jointly with Atlanta, a set of Arrowcraft place mats to Georgia Alpha; Orlando gave \$70.00 to Florida Gamma. Miami \$25.00 to Florida Beta; and St. Petersburg \$45.00 to Florida Alpha, Florida Beta and Alabama Alpha. Most clubs reported helping local actives and chapters with rushing. Tallahassee and Athens helped their chapters with initiation robes and house decorating.

Atlanta leads in Arrowcraft Sales with \$875.65; Athens \$148.64; Jacksonville \$82.50; and Birmingham \$73.00. We are not satisfied with this phase of our work but hope to work out a better plan for future action.

Attendance at meetings seem to be on the increase, especially in the larger clubs. Stimulating programs on Women in Politics, League of Women Voters, Council of Church Women, Women on the Grand Jury, Book Reviews, demonstrations in the arts, and films from National have helped to make this possible. Miami holds the record crowd for the year with over 80 at Families' Day Party.

There seems to be a fine spirit of cooperation between club and chapters, club and actives, club and club with many such combinations meeting for celebrating Founders' Day, Chapter Loyalty Day, and rush parties.

This has been a rewarding year of service with such a warm welcome and response from old and new friends in the province. Many thanks for a large measure of help and great understanding go to Mrs. Wild, Mrs. Mansfield, Janet Patton and others who have assisted me.

LOIS OVERSTREET SUMMERS

## ETA PROVINCE VICE-PRESIDENT

It is with great pleasure and pride that I write this report of Eta Province. I am very proud of all our alumnae clubs, their cooperation, accomplishments and their loyalty. Of the 24 clubs in the Province, 23 are 100% in their contributions to fraternity projects.

This year's records show a gain over last year, with the exception of the Emma Harper Turner Fund. We have 186 more members this year, than the previous year, the S.S. and Staff House donations, exceed last year's S.S. donations by \$306.00. However, Holt House received only slightly more this year.

Clubs have been very generous to S.S. this year. Milwaukee donated \$300.00 to S.S. and \$25.00 to Staff House; Champaign-Urbana donated \$10.00 to S.S. and \$100.00 to Staff House; Chicago South gave \$100.00 to S.S. and \$15.00 to Staff House.

Champaign-Urbana sold over \$2,000.00 of Arrowcraft, while Milwaukee, Madison and North Shore (Chicago) each sold over \$1,000.00.

Several clubs have given generously to active chapters. Peoria helped greatly to raise money for the rebuilding of the chapter house at Bradley, which was dedicated May 24. Peoria operates the "Exchange Shop," and it has been a wonderful method of raising money. Milwaukee Club entertained all active Pi Phis in Milwaukee area at a Christmas Brunch, at a cost of \$122.50.

Monmouth Club donated \$100.00 to the College Centennial Fund. North Shore donated \$50.00 to Northwestern University Centennial Building, toward the Pi Beta Phi room. They also gave the active chapter \$35.00, plus \$10.00 award to outstanding senior, and another \$10.00 award to an active for scholarship improvement, and \$10.00 gift to the house mother.

Champaign-Urbana donated \$100.00 to the Valbelmen Scholarship award for needy women students at the University of Illinois. Arlington Heights again

gave a Pi Phi bracelet to the outstanding sophomore in the province.

Seventeen of the twenty-four clubs in the province gave to local projects. North Shore Junior donated \$100.00 to the Lake Bluff Orphanage. Milwaukee's project is "The Neighborhood House," an Episcopal Settlement School, while Madison gives financial assistance to "Attic Angels," a nursing home for convalescents. Chicago West Suburban donated \$500.00 to Hinsdale Sanitarium, and pledged another \$500.00 to the La Grange Community Hospital. In addition \$100.00 scholarship was given a needy girl attending La Grange Junior College. All of the clubs of Chicago Area Council gave needed equipment at Eckert Park in an underprivileged neighborhood in Chicago. North Shore donated \$260.00 including a public address system and a power saw. North Shore Junior contributed \$200.00 to this project.

Some of the clubs made special gifts to S.S. and Holt House, besides their regular donations. Several of the smaller clubs do a splendid job "per capita" in support of fraternity projects. North Shore donated 1 dozen teaspoons and salad forks to Holt House as an extra gift.

Avon, again, is the only 100% membership Club in the province, so it behooves us to concentrate on membership.

It was my pleasure to visit twelve of the twenty-four Clubs in Eta Province during the year. I love the contacts of these visits, seeing old friends, and making new ones. I appreciate the many kindnesses shown me and the fine cooperation.

May I express my sincere thanks and appreciation to Mrs. Wild, Mrs. Mansfield, and the other members of Grand Council, and to the Director of Central Office for your inspiration and help.

ALTA BINGAMAN

## THETA PROVINCE VICE-PRESIDENT

As this was my first year as Theta Province Vice President, and most of the Clubs sent delegates to the Houston Convention—I did not make any official visits this year. However I did have a visit with several members of the Des Moines Club. I was a guest at the Founders' Day Banquet at Mt. Pleasant. It was a real thrill to be there, when they gave Carnation Guard pins, to five Golden Arrow Pi Beta Phis—who had been members for more than 60 years. Then again at Commencement time, for Pi Phi breakfast where there were 70 alumnae and actives.

Minnesota again leads all others in the province for the Alumnae Membership award.

Minneapolis evening club has not been active this past year. In spite of that loss we had a gain in membership.

All Clubs were 100% in gifts to the projects.

Nine clubs gave gifts or money to the active chapter nearest them, and all assisted in rushing—Pi Phis have been active wherever there are Panhellenic organizations.

The Programs have been most interesting, with the Clubs showing interest in many national and local projects.

We are hoping to have at least one new club next year.

I am looking forward to my visits with the clubs next fall.

To Marianne Wild, Alice Mansfield—and the other members of Grand Council, Janet Patton of Central Office, the National Committee Chairman and Helen Grant, my predecessor, I wish to express my sincere appreciation, thanks for your help and patience.

VERA L. MOSS

## IOTA PROVINCE VICE-PRESIDENT

It is indeed a pleasure to review the achievements of the alumnae clubs in Iota Province. The fine cooperation and loyalty to Pi Beta Phi has been most gratifying.

Our membership in the province is 871, the following Alumnae Clubs showing gains over last year: Kansas City, Lincoln, Cheyenne, Omaha, Ft. Collins, Pueblo, Salt Lake City, Topeka, and Wichita.

Our twenty-two clubs and one junior club in Iota Province are 100% in contributions to the three National projects. The total gifts were as follows: \$712.00 to the Settlement School, \$184.50 to the Emma Harper Turner Memorial Fund, and \$138.50 to Holt House. \$10.00 has been given to the Scholarship Fund, \$26.56 has been contributed to the Convention Deficit, and \$5.00 to Save the Children Federation. Colorado Springs Alumnae Club voted to furnish a bedroom in the new Staff House at Gatlinburg in memory of an alumnae club member.

All the clubs have contributed generously to civic projects both in service and money. Several clubs gave Girl Scout Camperships, Junior and Senior Student Aid Funds, Bus Funds, scholarships for needy students, help for children afflicted with cerebral palsy, funds for hospital and medical equipment, and many other contributions.

Alumnae clubs joined with active chapters in commemorating Founders' Day. All the clubs had beautifully planned formal banquets, luncheons or cooky-shines. Group pictures were taken by some of the clubs, and proper newspaper publicity was given.

Seventeen of our twenty-two Alumnae Clubs in Iota Province held Arrowcraft Sales, grossing a total of

\$8,610.44. The most successful Arrowcraft tea was held by Omaha. Total sales were \$1,600.00, with Denver second with \$1,454.66, and Colorado Springs third with \$1,291.45. Splendid newspaper publicity was given on the Settlement School by all the clubs.

The mid-year report on magazine subscriptions showed that Iota Province was first by a small margin. As all profits go to the Settlement School, we should as a material expression support our outstanding philanthropy.

It was my pleasure this year to visit the alumnae clubs in Kansas and South Dakota. I found enthusiastic response and support. There was always a fine sprit of loyalty, each club working hard to further the ideals of service in our National projects.

There are many opportunities open for alumnae clubs in Iota Province. Anyone moving to a new place can write to her Province Vice President or the Director of Alumnae Extension for help in organizing a club. Ten members are required.

All the alumnae clubs have been most loyal and helpful in giving assistance to the active chapters. The Recommendations Committees are doing a splendid job. There is loyal and continuing interest in the active chapter as is shown by assistance in rushing, Advisory Board help, as well as active participation in Panhellenic.

My sincere thanks to all alumnae club officers and members for their fine work and cooperation, and to all members of Grand Council for their advice and inspiration.

ETHEL L. GUNDERSON

## KAPPA PROVINCE VICE-PRESIDENT

The 1952-53 Club year was one of growth for Kappa Province both in new clubs and paid memberships. The new club chartered was Abilene, Texas, with a membership of 13.

Dues for 1,554 members including 2 isolated Pi Phis netted a gain of 123 paid members. Affiliated with the clubs were 20 seniors. Nineteen groups showed increases in membership from 1 to 106 persons. In order of greatest gains, they are Dallas, Houston, Little Rock, Ardmore, Brazos Valley, San Antonio, Tyler, Waco, Texarkana, Bartlesville, Norman, Fort Worth, Sabine District, Amarillo, Fort Smith, Lake Charles, Pauls Valley, Shreveport, and

Stillwater. Every club has paid dues, and they range in size from the 10 of Okmulgee to Dallas's 212. Four clubs have paid membership of over 100. Dallas leads with 212, Houston has 192, Oklahoma City 142, and Tulsa 119. Seven clubs are 100% in paid membership. They are Brazos Valley, Lake Charles, McAlester, Norman, Pauls Valley, Osceola, and Texarkana.

Out of the 35 clubs in Kappa Province, 30 were 100% in support of the national fraternity projects. Seven clubs increased their gifts to Settlement School. They were Sabine District, Dallas, Texarkana, Wichita Falls, Waco, Bartlesville and Fort Worth. The total

sum sent to the Settlement School was \$934.25, a gain of \$130.25.

The province contributed \$189.50 to Holt House. As the clubs learn more about the purpose of the Emma Harper Turner Memorial Fund, they respond with larger gifts.

The total sum sent to the Emma Harper Turner Fund was \$221.

Arrowcraft products were sold by 18 clubs. Most of the clubs displayed the articles at Settlement School teas. Ardmore sold at the YWCA, Dallas sold at Texas Beta House, and Tyler sold at the Bargain Box which is owned and operated by the Tyler Service League.

The Oklahoma City Club sent \$50 to the new Staff House to be used for furnishings. The Shreveport and Sabine District Clubs also sent special gifts to the Settlement School.

Clubs demonstrated their loyalty to Pi Phi by assisting active chapters in many ways. They gave substantial gifts to chapter housing needs. They held joint meetings; entertained pledges, seniors and chapters and gave assistance in rush. Oklahoma and Pi Phis in attendance observed Founders' Day with State Luncheons.

Many clubs have given service in the community. The Tulsa Club paid summer camp expenses for a local boy, McAlester sent gifts of food, clothing and toys to a family of ten in Finland, Oklahoma City has assisted a family by remodeling and helping to furnish a house, in addition, they have provided clothes for

two teen-age daughters, Stillwater contributed financial assistance to a college student, the Dallas Junior Group helped equip a Negro school, Little Rock gives a scholarship to a Negro school girl, Shreveport gave Christmas gifts to children who are wards of the state, Houston donated 8 hours a day for the three weeks preceding Christmas to the Christmas Bureau which is a project designed to assist the needy families, Corpus Christi provides milk for a year for a TB family. Fifteen clubs made cash donations to local philanthropies. The Dallas Junior Group gift to Save The Children Federation amounted to \$72.00.

In addition to the Settlement School Teas, the rummage sales proved to be a popular means of raising money. Dallas sold nylon hosiery, held a Towle Silver Clinic, sponsored Neiman-Marcus Style Show and preserving kitchen, while Oklahoma City did extremely well on the sale of Christmas Tree ornaments. Houston sponsored the Civic Theatre production with a profit of \$113 and Tulsa's Monte Carlo party netted \$183. Sabine District sold Varwax. White elephant sales furnished fun and funds at meetings.

Better programs and increased membership were the result of hard working committees. Many have expressed the great pleasure enjoyed through the fellowship of the club. Newcomers have testified to the pleasant surprise in finding ready-made friends in the alumnae clubs. Here's hoping next year will find more clubs chartered in Kappa Province and with more Pi Beta Phis participating.

ILA PEARCE GRAHAM

## LAMBDA PROVINCE VICE-PRESIDENT

This officer considers that Lambda Province has had a very successful year, even though we report, with regret, a slightly lower membership, however in many cases we have gained new active interested members and it is our belief that due to this gain our membership will be increased in the coming year.

Of the twenty clubs in Lambda Province, three are in Canada and so are not able to have Arrowcraft sales; of the remaining seventeen clubs all but one had sales and sold over \$10,500 worth of merchandise. Portland alone had sales totaling \$2116.10 through their untiring efforts they were able to secure an order from the beautiful Timberline Lodge on Mt. Hood, their first order was for 480 place-mats. Portland now has two commercial outlets for Arrowcraft products. Coos County Club with a membership of 17 sold \$1680 worth of Arrowcraft merchandise, Tacoma also reached the \$1000 mark, and Pullman and Everett were both over \$700 in their sales. These accomplishments demonstrate the co-operation that exists among the members of the clubs. Through the magazine agency Lambda clubs and chapters accounted for \$576.91 in commissions. The clubs also donated over \$500 to Settlement School. The contributions to the Emma Harper Turner Fund and to Holt House were also increased this year.

The clubs of Lambda financially assisted their respective chapters to the amount of \$766.44, proving in a tangible way their interest in the chapters. As well as the monetary assistance members of the clubs helped the actives with rushing parties, entertained

pledges and seniors and were devoted and conscientious in their capacity as advisors.

Pi Phis have also made their contribution to local philanthropic projects. Calgary has maintained their keen interest in the Maude Riley Home for children, visiting them, providing a Christmas party, and donating playthings that can be used at all seasons of the year. Corvallis, Portland, Eugene and Edmonton assisted needy families. Spokane has had as their special interest the Booth Memorial Hospital, providing night tables for the rooms and as usual again giving their gifts of magazine subscriptions. Salem has continued their assistance to the Campfire and Girl Scouts. Yakima furnished a nurses station on the maternity floor of the Yakima Valley Memorial Hospital. Boise again provided hostesses for the Servicemen's Lounge. Seattle assisted with the Anti-T.B. campaign. The Vancouver Club have given special attention to a number of Old-Age Pensioners.

Many of the clubs expressed their appreciation of the excellent program material which was sent out from Central Office and which was used on various occasions during the year and on Founders' Day. I wish to add my thanks to the officers who prepared this material and to Central Office for making it available for use by the clubs.

I wish to thank the officers of the clubs for their splendid cooperation, and the members of Grand Council for their wise direction and assistance.

MARY BOWLEN MOONEY

## MU PROVINCE VICE-PRESIDENT

The thirty-two clubs in Mu Province have completed another successful year. Since my last report, Mu has welcomed another club into her very large family. The Valley of the Moon Club at Santa Rosa is our new club and we are extremely proud of our new baby.

This year our province was honored and inspired by the visits of Adele Alford, ARROW Editor. All clubs with the exception of one supported our national projects. Twelve clubs gave contributions to the actives, with amounts ranging from \$785.19 to \$5.00. Twelve clubs sponsored local philanthropies. The largest was the Crippled Children's Benefit given by Los Angeles Area Council where \$3,151.00 was raised for the Crippled Children's Society of Los Angeles.

Ten clubs contributed to local funds such as Red Cross, in amounts ranging from \$117.00 to \$10.00. Two clubs supported children through Save the Children Federation. Berkeley sponsored two children

and Palo Alto sponsored one child. Arrowcraft sales were held by all clubs. Three clubs contributed to scholarship funds; Centinela Valley, San Bernardino Valley, and San Fernando Valley.

Clubs situated in college towns have been most helpful to the actives—both financially and in an advisory capacity. Ways and Means included—sale of Christmas cards and sale of Helena Rubenstein Products, Style shows, bridge parties, sponsorship of Plays and Programs, rummage sales, dances, and hobby shows. South Coast has her proverbial pottery pig handy—proceeds are sent at end of year to Settlement School. San Francisco Bay Area Council held their first benefit dance this year.

To the Club presidents, their hard working officers, and club members, goes the credit for another successful Mu Club year completed. To these wonderful Pi Phis, and our outstanding Grand Council go my sincere thanks and deep appreciation.

MARCELLA McCORMACK RHODES

## New NCCFS Officers Elected

Dean Christine Y. Conaway, Pi Beta Phi, Ohio State University, is the new president of the National Conference on College Fraternities and Societies, succeeding Dean Robert W. Bishop, University of Cincinnati.

Also elected at the Conference's Annual Meeting last month were Judge Frank H. Myers, of National Interfraternity Conference, as Vice President; Mrs. George Banta, of National Panhellenic Conference, as Secretary; and Prof. Ray S. Kelley, of Professional Interfraternity Conference, as Treasurer.

Reports of officers and committees at the meeting indicated a steady increase in conference services to the educational community, in line with the purposes which led to its organization in 1941. These were to (1) provide a clearing house for the mutual approval of national college fraternities and societies by college and administrative officials and leaders of fraternities and societies; (2) encourage and assist all worthwhile national groups which include in their programs contributions to the broad educational objectives of the institutions of which they are a part; (3) define the various types of college fraternities and societies not identified with its member organizations; and (4) publish from time to time a list of the members of the several conferences and associations, with their basic purposes, standards and membership requirements and costs, for distribution to college and university officials and to fraternity and society leaders.—From IRAC *Bulletin*.

# *In Memoriam*

---

VIRGINIA DAHLMAN BATCHELLER (Mrs. Oliver) initiated into Oregon B April 22, 1933, died January 23, 1953.

HELEN SHEPARD BRETSCHNEIDER (Mrs. Edward) initiated into Ohio B March 10, 1913, died May 17, 1953.

CHARLOTTE NEARING CHAFFEE (Mrs. Guy J.) initiated into New York A October 8, 1898, died June 15, 1953.

ELIZABETH BURRUSS COATS (Mrs. Albert J.) initiated into Nebraska B October 23, 1901, died January 20, 1953, in Boise, Idaho.

DOROTHY ORWIG EDWARDS (Mrs. F. Lester) initiated into Ohio B January 20, 1925, died June 22, 1953.

VICTORIA STAFFORD EILENBERGER (Mrs. Robert K.) initiated into California A October 25, 1908, died December 9, 1952.

ALICE BEAMAN HARPER (Mrs. Wm. T.) initiated into Iowa @ in 1885, died April 8, 1953.

MARGARET ANN HOLLAND initiated into Indiana B October 30, 1948, died May 23, 1952.

ELIZABETH REED HOWARD (Mrs. Montague, Jr.) initiated into New York Δ February 25, 1933, died February 16, 1953.

ISABEL FULLER HOWARD (Mrs. Harold S.) initiated into Oklahoma A May 31, 1918, died April 25, 1953.

ALICE PENFIELD JONES (Mrs. Hiram T.) initiated into Kansas A in 1880, died December 21, 1952.

ARMIDE ELIZABETH KEENAN initiated into Louisiana A October 8, 1928, died April 8, 1953.

ESTHER KRAUSHAAR LIERCKE (Mrs. Don A.) initiated into Iowa Z March 20, 1930, died July 26, 1952.

ETHEL HUDSON MCBAIN (Mrs. James P.) initiated into Missouri A October 26, 1899, died December 22, 1952, in Berkeley, Calif.

FRANCES MURRAY McDONALD (Mrs. Lorne T.) initiated into Michigan A September 29, 1931, died July 18, 1952.

MARJORY CLEARY MCKENNY (Mrs. Charles A.) initiated into Michigan B November 3, 1916, died April 1, 1953.

BERTHA ALEXANDER MILLER (Mrs. Lee) initiated into Indiana B October 12, 1901, died May 2, 1953.

FLORA GLENDENNING MULLINNIX (Mrs. W. O.) initiated into Iowa A in 1891, died July 22, 1952, in Los Angeles, Calif.

CAROLYN SUE SCHAFER initiated into Indiana Δ November 17, 1948, died July 2, 1953.

ELEANOR THRALL SCHMIDT (Mrs. Ellis P.) initiated into Illinois E March 5, 1927, died in August, 1952.

DOROTHY MOSS SEIGELIN (Mrs. Curtis) initiated into Indiana B October 8, 1932, died June 16, 1953.

GERTRUDE HILL SPRINGER (Mrs. Louis A.) initiated into Kansas A October 30, 1896, died July 17, 1953.

PATRICIA DICKEY TRUSCHEL (Mrs. Wm. Joseph) initiated into Ohio A October 23, 1943, died October 1, 1952.

MILDRED ORWIG WILLIAMS (Mrs. Albert James) initiated into Ohio B October 19, 1922, died March 12, 1953.

MARY BADGER WILSON initiated into D.C. A March 14, 1908, died June 6, 1953.

MALINDA HILL WOODWORTH (Mrs. John B.) initiated into Ohio A December 12, 1896, died February 6, 1953.

**George Starr Lasher in Fraternity Month,  
Article "Fraternity Change"**

"Today the fraternity is the strongest it has ever been in the material sense; paradoxically, it is the weakest it has ever been in those things that are essential for a true fraternity. There is serious danger ahead unless the fraternity chapter returns to the ideals which made it strong in the past. It must forsake the bigness which prevents it from being a family type of organization and a real brotherhood. It must set higher standards in manners, dress, and personal conduct for the campus on which it functions. It must develop among its members a truer sense of social responsibility. It must restore dignity in the conduct of its own meetings and through impressive ceremonies give to its initiates an appreciation of the brotherhood they are entering. It must inspire and develop a loyalty to fraternity ideals that will be reflected by the actions and the attitudes of its members."

*Pay...* YOUR NATIONAL ALUMNAE DUES \$2.50

If you are an isolated alumna, make check (\$2.50) payable to the Pi Beta Phi Central Office and mail with the attached slip for data to the Province Vice President of the province in which you live. See Directory in the front pages of this ARROW. Otherwise join your alumnae club!

MARRIED NAME .....

MAIDEN NAME .....

ADDRESS .....

CHAPTER .....

*Please type or print the above information.*

# Official CALENDARS

Communications for the Central Office should be addressed: Pi Beta Phi Central Office, 410 Standard Office Bldg., Decatur, Illinois. For addresses of other officers, consult the Fraternity Directory in this issue.

## ACTIVE

Send checks for initiation fees to Pi Beta Phi Central Office, 410 Standard Office Bldg., Decatur, Illinois. Send checks for National Pledge Fee to Central Office.  
Make checks for Senior dues payable to Pi Beta Phi Central Office, and send to the Central Office.  
Make checks for Settlement School payable to the Treasurer of the Settlement School and send to her.  
Make checks for Scholarship Fund payable to the Central Office and send there.  
Make checks for the Holt House payable to the treasurer of Holt House Committee and send to her.  
Make checks for jewelry payable to the Pi Beta Phi Central Office and send to that office.  
Payment for badges in Canada is sent direct to Birks & Co. after order has been okeyed by the Pi Beta Phi Central Office.  
Make checks for magazine subscription payable to the Pi Beta Phi Magazine Agency, 410 Standard Office Bldg., Decatur, Illinois.

### Notice to Canadian Chapters

Canadian chapters make all checks for payments of initiation fees, pledge fees, contributions to all funds, and payments for Bound ARROWS and Treasurer's Bonds, payable to Pi Beta Phi and send to the Grand Treasurer, Mrs. Henry Moore, Jr., 420 Pine Street, Texarkana, Texas.

### General Instructions

Chapter Program Chairmen should send a report to the Director of Extension (see current ARROW for name and address) within one week following the holding of the program based upon material sent by that officer from Central Office.

Chapter Treasurers should see that letter from Grand Treasurer to the Parents of Actives and Pledges is sent to the parents as early in the fall as it is possible to get the local letter on chapter finances ready to send with it. It is necessary that parents understand the financial obligations at the beginning of the year.

Chapter treasurers should see that the Financial Statements to Parents and Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should be sent only for the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.

Chapter treasurers should see that badges are ordered through the Central Office. It takes six weeks or more, under present conditions, to complete badge orders. Badges for prospective members should not be ordered until all initiation requirements have been met.

Chapter treasurers should send the National pledge fee for each pledge with Form GT1 to Central Office. Canadian chapters send fee to Mrs. Henry Moore, Jr., 420 Pine Street, Texarkana, Texas.

Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to Mrs. Henry Moore, Jr., 420 Pine Street, Texarkana, Texas.

Chapter Treasurers should send monthly reports to Busey Fraternity Accounting System, 2849 N. Delaware, Indianapolis, Indiana.

The corresponding secretary should report to the Central Office and to Province President changes in chapter officers if they are made, any time during the year.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office, explain the situations, and receive special permission to vary from the established dates.

**SEPTEMBER 10.** Chapter president send letter to Province President. Chapter officers meet, read manuals, and prepare for college year.

**SEPTEMBER 25.** Chapter Scholarship Chairman send to Province Scholarship Supervisor and to Province President letter giving plans for study and improvement in scholarship.

**OCTOBER 1.** Chapter corresponding secretary send list of actives to the Central Office.

**OCTOBER 1.** Chapter vice-president send Membership Lists to the Central Office.
