MARIANNE REID WILD SOCIETY

The Marianne Reid Wild Society honors sisters and friends who have made planned gifts to Pi Beta Phi Foundation. The following donors have made planned gifts as of June 30, 2022. Planned gifts leave an incredible legacy and are critical to the future Pi Beta Phi.

It is with great respect and sisterly love that we acknowledge these six Pi Phis who made their final gift to Pi Beta Phi in 2021-2022.

“This position provides ample opportunities to grow as a servant leader and advance the values of Pi Beta Phi. Additionally, serving a second year on the team offers a unique opportunity to strengthen my mentorship skills. I greatly benefited from the second-year LDCs that served during my first year who inspired me to apply for the program again!”
