*Arrow Contributors:* MARGARETTA SPENCE DRAKE; FLO LELAND THOMPSON; HOPE KIMBROUGH MCCROSKEY, KATHERINE GOEPPINGER.

# Want the Facts?

The Pi Beta Phi Magazine Agency completed the most successful year the agency has ever had, in spite of many restrictions, with commissions on sales amounting to \$7,538.52. Three alumnae clubs and three chapters received checks as magazine commission winners for 1944-1945. This should be an inspiration for your club or chapter for next year.

## Alumnae Club Winners

To Kansas City, Missouri, Alumnae Club for making the highest total commissions (\$385.27), a prize of \$10.00.

To Little Pigeon Alumnae Club for making the highest per capita commissions (\$6.72), a prize of \$10.00.

To Chicago Business Women Alumnae Club for making the highest percentage increase (1219%), a prize of \$5.00.

## Active Chapter Winners

To Indiana Epsilon for making the highest total commissions (\$62.85), a prize of \$10.00.

To Vermont Alpha for making the highest per capita commissions (\$1.21), a prize of \$10.00.

To Florida Beta for making the greatest percentage increase (1314%), a prize of \$5.00.

The Pi Beta Phi Magazine Agency can sell any magazine at its lowest authorized price. Send new orders and renewals. Do not send your renewal slip and check to the publishers . . . send it to the Pi Beta Phi Magazine Agency and help the Settlement School. A short note listing the magazines requested, accompanied by your check, is all that is necessary to do your bit for the Settlement School.

Below is a representative selection of magazines. If you can't find the magazine you want, remember that the Pi Beta Phi Magazine Agency can accept subscriptions for all magazines published and that it can meet any legitimate magazine competition.

## EDITORIALS

### War's End

In July the Editor wrote a set of editorials, pages destined to be scrapped when the happy day of Peace came, for they looked none too optimistically on the college future as affected by the continuance of war-time conditions. The end seemed far off then, the coming college year one to be approached with care and thoughtful planning. Then came Peace, long-awaited, long-desired, bringing relief from dragging, haunting anxiety, freedom from the feeling that on the other side of the world men were fighting and dying. With the joy, came sobering thoughts, too—thoughts that still leave this college year one to be approached seriously.

What will this peace mean to the college world in which active Pi Phis live and work? Will it mean added strength in education interest? Will more girls go to college? Will college courses return to post-war types? Will the old ways of college life be restored, with lighter hearts? Will the seriousness of purpose that was born of war's necessities continue? In general, what can we expect in what will seem like a new life, after all the sorrows and restrictions of war?

We have no answers yet to these questions and many others that crowd upon us on this the second day after the Peace, the first day when no guns are firing, when no lurking enemy waits to take men's lives. Here is a chance for sober reflection, careful planning; here is a chance to reshape life in a new and better mould. Here the values of training and culture should more than ever count towards leadership. Surely here lies new opportunity for college-trained women, for all women, to make the world happier and more progressive.

Today Pi Beta Phi has come through another war, its fourth, with a grand record of service where service was needed. Now Pi Phis can turn to ways of peace—and have fun doing it!

### Emma Harper Turner Craft Center

Pi Phis everywhere who knew and loved Emma Harper Turner, Indiana A, and founder of District of Columbia A, will read with interest that the Craft Center at the Settlement School, which she originated, has been given her name, and will be marked with a handsomely carved plaque. Dedication services were held at the School at the time of the annual meeting of the Settlement School Committee, at the close of the Summer Work-shop, with Miss Onken officiating at a simple ceremony, in which she paid tribute to a great Pi Phi whose memory will live always in the Fraternity. How great a school she founded, how wise her original ideas were—these things are shown again and again in the reports of the Settlement School personnel, published more fully than usual this time, since they were so full of the intimate and personal detail of life at Gatlinburg that they could not be summarized, as has in the past two years been necessitated by war-time restrictions. They make good reading!

### Convention

The end of war brings with it the hope that by next Spring travel restrictions may be entirely removed and a long-desired Convention may be held at the New Ocean House, Swampscott, Massachusetts.

### Have You Lost a Pi Phi Pin?

Recently a Pi Phi arrow bearing on the back only the number 1304 was turned in to Colonel Wilson, of the Sigma Chi Foundation Board, who has several times been instrumental in restoring lost pins to their owners. This pin was picked up in Cincinnati several years ago, and the number is not a Pi Phi national one, but a Balfour marking. The pin is now in Miss Onken's possession—write her for further information.

**F**OR THE INFINITE BLESSING of the cessation of wars, all Pi Beta Phis join in deep thanksgiving!

May they face Peace with the same devotion, the same high courage, and the same unlimited giving of themselves to the wise solving of its problems which marked the dark days between Pearl Harbor and Tokyo! The officers of the fraternity in true humility pledge their best efforts to a continued worthy leadership of a fraternity which has proved itself great through years which have included the bitter days of four tremendous wars.

With the surrender of Japan, there came the end of conflicts which would have added thousands of American and Canadian men and women to those needing the ministrations of physiotherapists, trained for service in government hospitals. With approximately \$4,000 on hand on September 1, 1945, for future physio-therapy scholarship grants, Grand Council believes that there are sufficient funds available to meet requests for loans with which to finance physio-therapy study for work with service men and women. With deep appreciation for the remarkable generosity which, in two years, added \$24,990 to the \$4,000 appropriated by the fraternity for physio-therapy scholarships, Grand Council now authorizes the continued granting of scholarships from the money on hand in the Fund and the discontinuation of solicitation of further contributions. Surely no fraternity chose more wisely its special war service or supported it with greater generosity! Grand Council expresses, too, Pi Beta Phi's deep appreciation for the invaluable service of Lois Donaldson Koehler, Chairman of the Committee on War Work, and for the assistance given by her Committee members.

AMY BURNHAM ONKEN

# Report of Grand Council Meeting

## June 16-23, 1945

THE annual meeting of Grand Council was held in the Urbana-Lincoln Hotel, Urbana, Illinois, June 16-23, 1945 with all members in attendance.

Meeting, as it did, during the closing days of the San Francisco Conference and upon the very day that the Commanding General of our armies arrived home after the Allied triumph in Europe, Grand Council felt impelled to direct its thinking and planning toward the place Pi Beta Phi should assume in the post-war world, as well as to take special notice of the responsibilities and privileges of service which the Fraternity faces today.

Feeling that, as a fraternity of college women, Pi Beta Phi should cast its influence for a world of lasting peace, Grand Council went on record as approving the aims of the United Women's Conference held in connection with the United Nations Conference on International Organization. Grand Council pledged that the fraternity would support a program of health, education, community well-being and better understanding between peoples.

Realizing the far-reaching and important influence of fraternity conventions in all fields of Pi Phi endeavor, Grand Council discussed plans for a convention to be held at the earliest possible time. It was voted to contact the New Ocean House at Swampscott, Massachusetts, as a first choice for a convention site since the New Ocean House was the selection for the 1942 convention, postponed.

Reports of officers and committee chairmen showed conclusively that the alumnae, the actives, and the officers of the Fraternity have succeeded in "keeping high, fraternity understanding, service, and enthusiastic loyalty" during the year just passed, for the response in cooperation was almost one hundred percent to all calls made upon the membership of the Fraternity and upon the officers who are directing our organization. For this heart-warming cooperation, loyalty, and fraternity enthusiasm, Grand Council wishes to express its sincere appreciation to Pi Phis, everywhere.

The reports of the Settlement School Director and of the Heads of all departments at the School were read with great interest, each report presenting such a fine record of accomplishment and so true a picture of the School that they were ordered recorded in part in The Information Number of the ARROW.

Consideration of Pi Beta Phi's war project, Physiotherapy Scholarships, resulted in the following decisions:

That the Fraternity extend its interest in Physiotherapy Scholarships to include training in those schools and hospitals which offer up to twelve months course.

That the Chairman of War Work be instructed to inform the heads of all institutions now on our list of institutions to which scholarships will apply that scholarships will be continued, with the scholarships to be available only to girls whose intentions are to serve in military hospitals.

That the Chairman of War Work be instructed to prepare publicity for distribution to clubs and chapters by October 1, 1945, stressing the fact that the need in the Navy, alone, justifies the Fraternity continuing the project of Physiotherapy Scholarships.

That contributions to the Physiotherapy Fund be

sent to the Province Presidents and to the Province Vice-presidents.

After consideration of the Standardization & Survey Report and the recommendations of Province Presidents, the Balfour Cup was awarded, jointly, to California Δ and Arkansas A; the Stoolman Vase to Pennsylvania B; and the Philadelphia Vase, jointly, to Wyoming A and Illinois H.

The National Amy Burnham Onken Award was given to Virginia Robie, Wisconsin Γ; and Kansas B won the History Vase for 1944-45.

Grand Council voted:

That, until the publication of a Directory, a list of initiates be printed in the Information Number of the ARROW beginning with September, 1945.

That the ARROW Editor be instructed to obtain from the Province Presidents a complete list for 1944-45 of Pi Phis elected to membership in Φ B K, Φ K Φ, Mortar Board, and *Who's Who in American Colleges and Universities*—the list to be published in the ARROW.

That the arrangement for listing the Standing Committees in the ARROW directory be as follows:

### "Standing Committees"

- Settlement School Committee
- Holt House Committee
- War Work Committee
- Committee on Loan Fund
- Committee on Publicity
- Committee on Extension
- Committee on Scholarship
- Committee on Transfers
- Committee on Fraternity Study and Examination
- Committee on Social Exchange
- Committee on Fraternity Music
- Committee on Chaperons

The Committees on Nominations for Active and Alumnae Sessions of Convention are to be boxed and placed after the list of Standing Committees.

That the *Basey Primer of Instructions* be reprinted after it has been edited by the Grand Treasurer and that copies be sent to Province Presidents and to the Alumnae Advisory Committee members on Finance with the suggestion that the *Primer* be studied carefully, any questions to be referred to the Province Supervisor of Chapter Accounting.

That suggestions submitted by the National Supervisor of Chapter Accounting be incorporated in a letter to go from the Grand President to Province Presidents, to Alumnae Advisory Committee members on Finance, and to all visiting officers.

That the Assistant to the Grand Treasurer be asked to assume supervision of all actives delinquent in payments to chapters at the end of each term, checking on automatic probation with loss of chapter privileges, eventual dismissal or reinstatement, and reporting to the National Supervisor of Chapter Accounting.

That the Assistant to the Grand Treasurer estimate the total value of chapter houses and report the finding to the Grand Treasurer.

That the Assistant to the Grand Treasurer be instructed to gather together the plans held by the former Committee on Chapter House Building and Plans, and to add suggestions for building and re-

modeling of chapter houses in anticipation of post-war needs of chapters and of house corporations.

That the National Historian be allowed to proceed with her suggested plans for a convention display and for the writing and printing of a pamphlet on Pi Beta Phi to be distributed at Convention.

It was the decision of Grand Council that copies of publicity given out by the Red Cross for free distribution will be sent from Central Office in regular mailings when inclusion of the material entails no extra postage.

That because difficulties of travel or other complications prevented all requested clubs visits being made in 1944-45, Grand Council authorize visits in 1945-46 to those clubs requesting but not receiving visits last year.

That for the coming year, the Fraternity continue the practice of allowing bills to the maximum of twenty-five dollars incurred by a province officer for typing or mimeographing regular monthly letters.

That the current system of prizes for magazine subscriptions be continued.

That the Army and Navy Auxiliary be dissolved.

That for the year 1945-46, the Fraternity again count as 100 percent clubs and chapters those contributing through regular channels to the Settlement School, Physiotherapy Scholarships, and the Holt House.

That alumnae clubs finding it necessary to be inactive for 1945-46 because of war conditions not be required to relinquish their charters.

That the Song Book be made ready so that publication will be possible as soon as plates and paper are available.

That the Chairman of the Transfers Committee be urged to continue her new plan of contacting girls who have left college but not to transfer to a new School.

That the Fraternity continue the custom of presenting the Scholarship Ring to the chapter member making the highest average for the year.

That the use of the Honor Roll in fraternity examinations be discontinued, and that answers to the examination questions be submitted to chapters with the examination questions; that the passing grade for the fraternity examination be 75 percent.

That all cards and forms regarding chaperons be sent to the chapter corresponding secretary, with personal material for chaperons going direct to the chaperon, all such material to go only to chapters employing chaperons.

That the Publicity Committee be revamped as follows: The chairman to remain the same with a committee of three members, i.e., the present Supervisors of Beta and Iota provinces and one new member, to be named.

That five hundred copies of the publicity material on the Settlement School, Holt House and War Work be mimeographed, a copy to be sent to each club and chapter.

That glossy prints of the Grand President shall be available for publicity purposes in Central Office and in the Office of the Grand President.

That the Denver Alumnae Club be asked to provide napkins to be for sale with the Settlement School luncheon mats.

That the Fraternity discourage groups interested in petitioning for charters at Georgetown, Texas Technological, Roanoke College, and Youngstown College.

That chapters be informed that the Senior Farewell Ceremony does not terminate the active status

of a member; that alumna status does not begin until after graduation, or until a girl has left college; that all seniors shall complete their chapter year as well as their college year.

That chapter meetings by candle light be prohibited, except for opening and closing rituals and that chapters be so informed.

That night initiations are not approved.

That the Rushing Recommendation Blank be revised.

That the bequest of \$2,537.41 from Mabel Pease Snider, mother of Janet Snider Moore, Indiana B, be added to the Special \$50,000 Endowment Fund in order that both principal and interest shall be available for assistance to chapters according to the stipulation of the bequest.

That Statutes V, section 1, b, be amended by adding "in case chapter records have been destroyed or the chapter is defunct, Grand Council may give such consent."

That Statutes V, section 2, c, be amended by adding "in case chapter records have been destroyed or the chapter is defunct, Grand Council may issue such a transfer."

That Grand Council recommend to the next convention a plan of new titles for the offices now named Assistant to the Grand President, Assistant to the Grand Vice-president and Assistant to the Grand Treasurer since the opinion is that the constitutional duties of these offices are specific rather than those of "assisting" the Grand President, the Grand Vice-president and the Grand Treasurer in their regular duties.

That in the course of the coming year, consideration be given to a redistricting of clubs and chapters into provinces.

That supervision of Standing Committees be allocated to Grand Council members as follows:

Committee on Extension to the Grand President  
 Committee on Loan Fund to the Grand Treasurer  
 Committee on Publicity to the ARROW Editor  
 Committees on Scholarship, Fraternity Study and Examination, Transfers, Fraternity Music, Social Exchange, and Chaperons to the Grand Secretary.

That Statutes III, A, section 3, e, be amended by adding "with supervision over the Standing Committee on Extension."

That Statutes III, A, section 5, c, be amended by striking out present section "c" and adding a new "c" to read "To act as supervisor of Standing Committees on Scholarship, Fraternity Study and Examination, Transfers, Fraternity Music, Social Exchange, and Chaperons."

That Statutes III, A, section 6, i, be amended by adding "with special supervision over the Standing Committee on Loan Fund."

That Statutes III, A, section 7, be amended by changing the present "d" to "e," the present "e" to "c"; adding a new "d" to read "To have special supervision over the Standing Committee on Publicity."

Grand Council held a conference with the Director of Central Office at which time details of the work of Central Office including that of the Magazine Agency were discussed at length, and suggestions and instructions for the future were given.

The reports on Holt House were reviewed and special consideration was given to suggestions and requests made by the Committee.

The Grand Vice-President moved, Grand Secretary seconded, that the Holt House Committee be in-

structed to investigate the possibility of renting or buying a piano; the chairman to be asked to insert a notice in the ARROW stating the need for a piano in Holt House. Motion carried.

Grand Council discussed the wealth of material available for fraternity officers and committees among the winners of the Amy Burnham Onken Awards over the period of years since these awards have been given, and it stressed the importance of continuing its custom of contacting these Pi Phis whose qualifications should fit them for important and valuable fraternity service.

The ARROW Editor moved, Grand Secretary seconded, that the New Ocean House, Swampscott, Mass. be contacted for definite reservations for a possible convention in late June or early July, 1946, contingent upon travel conditions. Motion carried.

Other hotels suggested as possible convention sites were the Greenbriar, White Sulphur Springs; Chateau

Frontenac, Quebec; and Manor Richelieu, Murray Bay, Ontario.

Grand Council voted that it recommend to the next convention that \$50,000 be transferred from the Contingent Fund to a Fund to be called the Emma Harper Turner Memorial Fund, the principal of which shall be available for chapter house building loans, the interest to be available for assistance to needy members of the Fraternity. The Fund shall be administered by a committee of three, details to be formulated and the plans to be submitted to convention.

While chapter visits were discussed, definite assignments were postponed to a later time because of the exigencies of travel during the present war travel emergency.

LOIS SNYDER FINGER,  
*Grand Secretary*

## Announcements

Grand Council announces the following awards for the college year 1945-1946:

The Balfour Cup—a tie between Arkansas A and California Δ.

The Stoolman Vase—Pennsylvania B.

The Philadelphia Vase—a tie between Wyoming A and Illinois H.

The National Amy Burnham Onken Award—Virginia Robie, Wisconsin T.

The Pi Beta Phi Fellowship for the year 1945-1946—Rosemary Whitaker, Texas A.

### Pi Beta Phi Fellowship

For the year 1946-47, the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1946.

All material must be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

# Annual Reports of National Officers

## ANNUAL MESSAGE OF THE GRAND PRESIDENT

### *To the Pi Beta Phi Fraternity:*

**W**ORKING with—and for—Pi Phi is like banking. You can take out only if you put in—but you take out—receive unto yourself—with interest. Pi Phi gives back to you far more than you put in. Thousands of Pi Beta Phis know in their hearts the truth thus spoken by an alumna who has served her Fraternity with distinction both as an active and as an alumna. Failure to receive from the Fraternity its riches of friendships, help, and inspiration comes not because Pi Beta Phi does not hold these things of infinite value in store but because it can give to any member only what she will receive through the giving of herself and in proportion to what she herself has "banked". In these days when the popular thing is to attack in the name of democracy all the forces and institutions which have made the democratic way of life in America the nearest approach which the World has ever seen to true freedom of opportunity and have established standards of living scarcely dreamed of in the past, members of all fraternities should take a long look at their privilege of membership in the fraternity of their choice. The college fraternity has been called the greatest youth movement of all time; it is that and the training, guidance, associations, and inspiration which it gives to the educated leaders of tomorrow can never rightly be evaluated but it is more than that, for its influence and its joys are life-long. A careful study of the attacks made upon it show that most of these could with equal justice be made upon everything in life which is experienced by less than a hundred per cent of humanity. A dead level is never the greatest possible height. A great philosopher once said that of all folly the greatest is the prayer: "Lord, don't make us any more giants; just elevate the human race," since no civilization can ever rise above the level of its greatest man. A fraternity represents special privilege, something not attained by every person who would like to have it; yes, just as does a college education or election to Phi Beta Kappa or to the Junior League or to Rotary or to some special bridge club or sewing society—but the fraternity recognizes its special privilege as a special responsibility and gives its best to making sure that its members use their special privileges in a way which benefits not just themselves but others. The goal of Pi Beta Phi truly is that of making giants among college women, giants who will put service above self, whose leadership will be fine and true and ever forward, whose friendships will be beautiful, and whose lives will radiate only loveliness. As a Pi Beta Phi consciously strives towards such a goal, she makes deposits from which she can "take out", with exceedingly high interest added to all of herself which she gave.

Because it is easier and more profitable financially to publicize criticism than commendation, far too little has been done to give to the public a true picture of fraternities. The best publicity for fraternities comes, of course, from the living by fraternity members of the ideals which they are supposed to represent but there is unquestionably a great need for fine printed and spoken publicity. This makes it a matter of great gratification to know that the National Interfraternity Conference has established a Publicity Bureau which

will undoubtedly also have back of it National Panhellenic Congress, the Association of Education Sororities, and Affiliated Panhellenics. Watch and listen for the true pictures of the achievements, benefits, and goals of fraternities which will appear but do not fail, at the same time, to use your own personal influence to further the interests of your own fraternity and all fraternities.

That the transportation problems occasioned by the war should again have necessitated the cancellation of plans for convention is a matter of infinite regret to all Pi Beta Phis. With the ending of the war in Europe, however, and with the encouragement which the greatly stepped-up war in the Pacific means, we dare hope that the coming summer will see Pi Beta Phi holding a great peace-time convention at Swampscott and making plans which will insure for it a continued place of leadership in the field of education and among fraternities. There has been continued progress during these war years and there will be, with or without convention in 1946, even though every fraternity needs and wants the things which only a convention can give. A newly appointed province president who, as an active had served her chapter as rush captain, vice-president, and president, wrote, after she had studied her own manuals and those for chapter officers: "I'm especially interested in seeing how the chapter organization methods and contacts have advanced and been perfected—a forceful reminder that Pi Beta Phi lives and grows each day and year." All officers and committee members—the Pi Phis charged with the responsibility for seeing that this is constantly and increasingly true—are giving their best to make each new year finer and better than the last; with your cooperation and support, they cannot fail.

Although the ARROW has been able to give to the Fraternity only a glimpse of the record of untiring service to war causes given by individual Pi Beta Phis, each member of the Fraternity has been able to add to her own knowledge countless instances of high devotion and personal sacrifice on the part of Pi Phis whom she herself knows. Each one is urged to make it possible for the Fraternity as a whole to have as complete a picture as possible of the contribution made by members; to send either to the Historian or to the ARROW Editor word of every outstanding war service of which she knows. It will be of special value to report members of all uniformed service groups and their special assignments. There are countless numbers of Pi Beta Phis who for every week since Pearl Harbor have faithfully served the Red Cross, the U.S.O., the Gray Ladies, or other departments. Make it possible for the Fraternity to have a complete record in order that the Pi Phis of the future may share the pride which those of today feel in such selfless service.

It is with great humility and pride that we speak of Pi Beta Phi's special war project through which, already, more than sixty carefully chosen young women have received training as physical therapists. Dr. Krusen, of Mayo's, spoke of the fact that Pi Beta Phi had made it possible for the Army to secure almost one tenth of all the physical therapists which it so sorely needed. The need for the Army is largely met or will be largely met through the training which it

now provides. The Navy, slower to recognize the need for the healing of mind and body which the physical therapist brings, is now developing its program rapidly and has expressed through Admiral MacIntyre the deepest appreciation and need for the help of Pi Beta Phi during the coming year. How thankful we all are for our privilege of helping the men who have paid such heavy toll of themselves and for the fact that, even after the special need of our men in service has been met, the physical therapists whose training has been made possible by Pi Beta Phi will be ready to meet another great need through their service in the field of polio treatment!

The Settlement School, like the Fraternity itself, has had a year of noticeable progress, under the guidance of Mildred Odell Sale, and her exceptionally well qualified Committee. Some fraternity members will remember that, in 1937, Dr. Edwin Holton and Mr. Litcher Stark, at the request of the Settlement School Committee, made a survey of the Settlement School in order to establish both the quality of service which it was giving then and to outline future and enlarged fields for it. The opinion of these two Pi Phi husbands that at Gatlinburg Pi Beta Phi had a wonderful opportunity to contribute, not just locally, but to the entire world of creative art was later confirmed by a survey made by Dr. Taylor of the University of Kentucky. With true vision and courage, the Settlement School Committee, this past winter, planned with the University of Tennessee for the first giving of that enlarged service! It made the Settlement School and all its facilities of equipment and personnel the center from which went out instruction and inspiration which will be felt in handcraft fields in seventeen different States, scattered from Coast to Coast. Pi Beta Phis already know that the two three-weeks courses in handcraft—weaving, vocational crafts, and woodcraft—and in recreational direction made it possible for students to receive three credit hours from the University of Tennessee. Not the least pleasing proof of the type of interest which this new project aroused lies in the fact that among the students who gathered in Gatlinburg were many who already held Masters' degrees and who headed the work of their entire respective States in the craft and domestic arts fields. As Contact Member for Grand Council, the Grand President had the privilege of being in Gatlinburg for the closing days of the Committee meeting and of the summer session. Her pride in what was achieved is indeed great. The instructors gave not only of their knowledge and training in their respective special fields but gave also—and invaluable—of themselves, their understanding, and their experience in human relationships. The actual work done by the pupils seemed truly amazing. The splendid exhibit of the things done brought many expressions of appreciation, interest, and high approval from the hundred and fifty or more residents of Gatlinburg and tourists who filled the high school rooms to overflowing. The evening began with a brief dedicatory ceremony, presided over by Emma J. Woerner, during which the Grand President dedicated the Craft Building as the Emma Harper Turner Craft Center. A beautiful mahogany plaque was placed on the building. Following the dedication, the members of the teaching staff for the summer were introduced and the Recreational Direction class gave an original pantomime. Pi Beta Phi has "pioneered again" and with a success which more than meets the fondest hopes of the Committee and Grand Council. Special appreciation should be expressed to Mildred Sale and Ann Munn who gave countless hours to planning with the University of

Tennessee and with Miss Ulbricht, the director of the session, and to actual assistance in Gatlinburg. Pi Beta Phi has broadened its service to Gatlinburg and through Gatlinburg to countless other communities and individuals.

This year marked the end of the period of Settlement School Committee membership for Beth LeRoy; her contributions to the Settlement School can never be measured because her gift of love and service was so immeasurable. No one who has read her "Little Pigeon News" in the ARROW or her letters and articles sent direct to officers, chapters, and alumnae clubs, will ever cease to be grateful to Beth LeRoy for making the Settlement School live so vividly and so endearingly for her! Her successor is Eugenia Brooks Smith, Indiana Γ, of Salem, Oregon, a Pi Phi well qualified to take a place on the Committee through whose service the continued development and high achievements of the Settlement School are made possible. Truly the members of this Committee find rare joy in their service because they so truly "bank" the best of their outstanding abilities and of their devotion to Pi Beta Phi.

The Fraternity looks forward eagerly to the day when, with travel restrictions removed, Pi Beta Phis and members of other fraternities may again include in their vacation and travel plans a visit to Holt House, the Fraternity's beautiful memorial to its founding. Even now, however, Holt House finds on its guest book the names of people from far and near who are drawn to its hospitable door by their interest either in Pi Beta Phi itself or in fraternities as a whole. Inability to secure supplies has necessitated the postponement of some improvements such as the furnishing of the guest room but each year sees some new things of special interest and historic value added. This fall, there will go to Holt House a beautiful scrapbook, bound with "Aunt Lydia's material", and filled with clippings and quotations collected by Miss Janette Powell at the time when she conducted a special historical survey of the Founders in connection with the making of the figurines. Here you will find copies of the letters written by Founders to each other in the very first days of I.C.; quotations from the Monmouth newspapers telling of college events and the part which our Founders played in them, of their marriages, of the graduate study which Jennie Nicol did in Switzerland and of her tragic death there before she had had an opportunity to practice the profession for which she had such outstandingly fine training; photographs of Founders; letters from their children; and so on and on—a collection of historically invaluable things which will make you see our Founders as the now gay, now serious, lovable, and loved young girls which they were when they had the vision of the first national fraternity for college women and founded I.-C. Sorosis!

The annual meeting of Grand Council was again held in Champaign-Urbana, late in June, and brought to Council members both the opportunity to study the record of the past year and to plan for the future ones and the pleasure of contacts with the Champaign-Urbana Pi Phis, active and alumnae. Grand Council members will long cherish their memories of the lovely flowers which, fresh from gardens of the Pi Phis, brought constant delight and of the evening of pleasure at the Country Club. The reports of officers and committees will speak for themselves of the way the active chapters and alumnae clubs lived up to their best possibilities, during the year just closed, and will give to all Pi Beta Phis the sense of assurance for the future which they gave to Grand Council.

The Pi Beta Phi Fellowship for 1945-46 has been awarded to Rosemary Whitaker, Texas A, who will do graduate work in the field of personnel at the University of Wisconsin. Applications for the \$500 Fellowship for 1946-47 should reach the Grand President by January 1, 1946. Application blanks and full information about the fellowship may be obtained from her at any time. The fellowship is open to any graduate Pi Beta Phi for use at any recognized university.

To select from the hundreds of fine graduating seniors and from the ninety splendid chapters, the few who, each year, can receive the fraternity's national awards is a most difficult task. Grand Council wishes that each Pi Beta Phi could study the reports and so could know the deep pride which comes from the deepened realization of the way in which individual actives and chapters are representing the finest things of their fraternity and themselves. For the year 1944-45, Grand Council awarded the Balfour Cup jointly to Arkansas A and California Δ; the Stoolman Vase to Pennsylvania B; and the Philadelphia Vase jointly to Illinois H and Wyoming A, chapters which had met most successfully their obligations to their colleges, their chapters, and their Fraternity. The Amy Burnham Onken National Award for individual excellence in scholarship, service to chapter and campus, and character was given to Virginia Robie, Wisconsin Γ. The Province Award winners were:

Alpha East	Barbara Pullan, Massachusetts B
Alpha West	Marion Kaiser, Ontario B
Beta	Nancy Woehling, Pennsylvania B
Gamma	Marcia Guyette Manewal, Virginia Γ
Delta	Wanda Lee Detmer, Indiana A
Epsilon	Peggy Schwankhaus, Missouri B
Zeta	Betty Jane Amidon, Florida A
Eta	Virginia Robie, Wisconsin Γ
Theta	Alison Schweitzer, Manitoba A
Iota	Roberta Townley, Kansas B
Kappa	Lynette Wilson, Arkansas A
Lambda	Helen Frances Talcott, Montana A
Mu	Jean Bauer, California Δ

Almost without exception, the officers and committee members who served the fraternity during the past year did so at the cost of personal sacrifices, even though they did so with great joy in their privilege of serving Pi Beta Phi. It is not to be wondered at, then, that at the close of the fraternity year some officers found it impossible to continue to carry their heavy load of personal responsibility and that of fraternity work. With a very great appreciation for all of the constructive and fine things which they have given to their Fraternity, Grand Council has had

to accept their resignations. The Grand Vice-President will announce the changes among alumnae officers. May the Grand President speak of her personal sense of loss in releasing Susan Rose Saunders, Gamma Province president; Carroll Bonney, Epsilon Province president; Norma Kendall Bingeman, Theta Province president; Mary McCollum Top, Kappa Province president; and Hazel Reed Ellis, Lambda Province president! She welcomes for herself and for the Fraternity their fine successors—Laurea Thompson Wakefield, Clare Brown Williams, Jennie Evans Updegraff, Margaret E. Jacoway, and Barbara Kimbrough Butts; under their helpful direction, their chapters will continue to grow and develop constructively.

As Pi Beta Phi's NPC Delegate, the Grand President has served for the past two years as National Panhellenic Congress secretary. At the meeting to be held at French Lick Springs early in November, 1945, she will, through automatic accession, take office as chairman. Because of Government restrictions upon travel, attendance at NPC will be limited to one delegate and one alternate from each NPC fraternity and the usual Editors' Conference will not be held.

In a way, the fraternity year began for the Grand President with her privilege of being the inspecting Grand Council member for the petitioning groups at the University of Toledo and Miami University and of initiating the alumnae members of Oregon Γ. Illness prevented her making all of the chapter visits which had been planned for her but she was able to visit Manitoba Δ, Utah A, and Minnesota A, and she gained much from her contacts with these fine chapters and their strong alumnae clubs. She had the joy, too, of installing Michigan Γ, Ohio E, and Ohio Z, and of being the guest of Indiana Γ, and of the Toledo, Lansing-East Lansing, and Oxford Alumnae Clubs. It was with great regret that she had to give up the anticipated pleasure of contacts with the Mu Province chapters and alumnae clubs, whose cordial hospitality-in-advance had warmed her heart, as had the invitations from the Kansas City Alumnae Club for its Founders' Day Celebration and from the Grand Forks Alumnae Club and North Dakota A for the celebration of the burning of the chapter house mortgage.

To be privileged to serve Pi Beta Phi, to share in its friendships which are of ineffable sweetness, and to have a part in its development and growth, as reflected in its constantly increasing strength and prestige—for these things and for just the joy of being a Pi Beta Phi, the Grand President expresses her deep and lasting appreciation which she tries sincerely to express also in worthy service.

Respectfully submitted,

AMY BURNHAM ONKEN

## ANNUAL MESSAGE, GRAND VICE-PRESIDENT

*To the Alumnae of Pi Beta Phi:*

TOGETHER with millions of others, Pi Beta Phis have rejoiced over V-E Day and now that World War II lacks only formal signatures to make its conclusion a glorious reality we point with pride to the records of our own members in this war. Stephen Vincent Benet once wrote, "Freedom is a Hard Won Thing," and how well our men and women in service know that. We pay particular tribute to those of our alumnae who were inspired to wear the uniform. May each return to her home enriched in experience and roused to further efforts in the task of holding this peace.

"They Also Serve" epitomizes the conduct of all Pi Phis during these past four years. Their names, too, are inscribed on the honor scrolls of their communities and in the same spirit they, too, will respond to the challenge now offered in the continued battle for world security.

A review of the year just ended gives us full realization of the loyalty and the versatility of our members. Because of these attributes Pi Beta Phi has not only answered the many demands for war service but also have found time for fraternity activities. Life in our college chapters breeds the qualities of leadership so essential of late and at the same time

develops attachments not easily thrust aside. The pages of this issue of the ARROW attest that.

In a message which must necessarily cover so much activity it is difficult to know just where to start. However, because it is to be hoped that this is the final report even to mention WAR we will begin with our own war project. The selection of these Scholarships in Physio-therapy struck a responsive note in the hearts of all Pi Phi and each club and chapter responded to the call. It must be a great satisfaction to Dr. Etheredge and Dean Leonard of the University of Illinois who first brought the idea to the attention of Grand Council as to us all that the donations to Physio-therapy have reached a grand total of more than \$28,000 at this date. Five provinces, Beta, Gamma, Epsilon, Theta and Lambda, were one hundred percent while only ten clubs in the whole fraternity failed to give to the project, a reduction of eight over last year. To learn in full detail the results, turn to the report of the National War Chairman but here, without discounting the efforts of any club, we would mention a few high contributions. The Baltimore club contacted every alumna and active member of Maryland Alpha with a resulting \$800 contribution which honored Helen Doll Tottle, a member of that club and chapter and long endeared in Pi Beta Phi; Wisconsin Alpha for the second year contributed enough (\$800) for two full scholarships; Washington, D.C. gave \$606.64; Illinois Epsilon gave \$415; Denver and Berkeley each raised \$400; Kansas City, Missouri and Los Angeles each contributed \$250.

Ever close to our hearts and always a matter of pride in the realm of both philanthropies and fraternities stands the Settlement School. War responsibilities have in no way curtailed our interest. This year finds an expanded program, long the hope of successive Settlement School Committees and Grand Councils and heartily approved by men qualified to recommend procedures in southern mountain schools, —a Summer School in Crafts. Its scope and its success are detailed elsewhere but you must know that its existence would not have been possible without the loyal support of clubs and chapters over a period of years. This year all clubs of Gamma, Epsilon and Lambda provinces were 100% in their contributions to the Settlement School while Theta lacked but one club; all chapters in Alpha East, West, Gamma, Epsilon, Kappa and Lambda also donated to the School. Unit citations are certainly due the following clubs for largest contributions:

1. Cleveland East .....	\$650.00
2. Kansas City, Mo. ....	600.00
3. St. Louis .....	500.00
4. Denver .....	400.00
5. Philadelphia .....	273.85

The first four of these clubs ranked among top contributors last year while Philadelphia more than tripled its donation of last year to reach fifth place. An interesting side light is this: according to paid memberships Cleveland East holds a \$8.78 per capita record; Kansas City, \$4.28; St. Louis, \$4.90; Denver, \$3.07; Philadelphia, \$3.91; any of these per capita amounts is a goal for any club. In totals the largest donation came from Beta province (\$1,742.30) with 17 clubs contributing; Epsilon province stood second (\$1,236.00) with 9 contributing clubs. In addition to their monetary contributions many clubs sent special gifts direct to the Settlement School all during the year, especially when a special desire was made known.

Closely allied to the donations made through the Settlement School Treasurer are the earnings through

Arrowcraft Sales and the Magazine Agency. Both have suffered the same handicap—shortage of raw materials and of labor—but both have achieved increased miracles in income. Arrowcraft has found it most difficult to fill mounting orders from half filled shelves of supply and alumnae clubs have likewise found it difficult to explain these shortages to eager customers at sales publicized well in advance. Perhaps next year will find the situation eased and meantime greater understanding by club Settlement School chairmen of limitations beyond control would greatly facilitate the labors of an already harassed Arrowcraft staff.

Though the naming of the ten highest clubs from the standpoint of Arrowcraft products sold and paid for is not an entirely accurate picture when so many clubs could have sold far more, here are the top ten.

1. Kansas City, Mo. ....	\$1,698.42
2. Portland, Ore. ....	1,630.93
3. Champaign-Urbana .....	1,520.76
4. San Francisco .....	1,484.76
5. Berkeley .....	1,395.82
6. Denver .....	1,177.56
7. Franklin, Ind. ....	1,065.57
8. Milwaukee .....	1,025.34
9. Dallas .....	945.18
10. Tulsa .....	898.67

These represent actual money received by Arrowcraft to July 1, 1945. There follows a post script! Had Arrowcraft been paid by all clubs before the close of the fiscal year as requested, the ranking of the first five clubs would have been remarkably upset and only four others would have retained their present places among the first ten. The moral of course is promptness if one wishes official recognition for a year of valiant selling. There were as many other clubs whose sales exceeded the seven hundred dollar mark.

The Magazine Agency at Central Office with the same fine cooperation from clubs and chapters shows a steady increase in business. The total of \$7,538.52 in commissions earned represents a great many subscriptions and additional ones over last year. Iota province clubs and Eta province chapters earned the largest commissions. The combined commissions of the clubs and chapters of Delta province totaled more than one thousand dollars and gave them first place in totals. Kansas City, Mo. won the prize offered for the highest total commissions; Little Pigeon club made the highest per capita commissions; and the Chicago Business Women for the greatest percentage of increase. (12-19%)

Holt House, as a more intimate type of memorial to our Founders than the Settlement School and one which belongs just to ourselves, inspires an increasing number of our alumnae and chapters. It is the little jewel we consecrate for our very own whereas the Settlement School and Physio-therapy are large constellations for those outside the membership limits of Pi Beta Phi. The fraternity is grateful for the increased cash contributions from the lengthening number of clubs (165) and for the gifts large or small which add to the charm of the house itself. Some of these have been given in Memoriam to relatives or beloved club members as lasting tributes.

Though the Loan Fund was omitted this year from the projects to be emphasized support has continued from many clubs and chapters with contributions amounting to almost seven hundred dollars. A continuation of this fine interest is solicited for it means much to those qualified for its use.

During pre-war days eagerness to have every province fully qualified as one hundred percent in giving to our fraternity projects led to lively competition and it still offers a challenge. Again this year Grand Council has considered as one hundred percent those clubs and chapters donating to the Settlement School, to Holt House and to Physio-therapy Scholarships. In 1943-44 no province was fully 100%. This year Gamma, Epsilon and Lambda provinces deserve that tribute. Theta province missed by only one club and Beta province missed the honor due only to the fact that money from two clubs did not reach its proper destination before the books were closed. Nine provinces have an increased number of hundred percenters, two have the same number as last year and only two, Alpha West and Zeta, have decreased by one and two, respectively.

Every club which has attained that goal deserves special commendation and encouragement to repeat. The following have continued or have attained their 100% rating in 1944-45:

Number in ( ) indicates previous years reported 100%.

Two hundred and twelve clubs now comprise our alumnae department. Of these Tri City, North Carolina, Southwestern Michigan, Terre Haute, Indiana, Jackson, Mississippi, St. Petersburg, Florida, Tallahassee, Florida, Little Pigeon, Tennessee, Tyler, Texas, Billings, Montana, Moscow, Idaho and Ogden, Utah asked for war-time inactivity due to difficulty of transportation or other war exigency. Another year should find their strength and ability restored; at no time has their interest been in question but in the months ahead transportation difficulties, nomadic memberships or other war responsibilities will no longer furnish alibis.

This year six groups have become actively interested alumnae clubs. Charleston, West Virginia was chartered just at the close of last year; then followed Oxford, Ohio, Carlisle, Pennsylvania, South Coast, California, Clarksburg, West Virginia, and San Fernando Valley, California. Not only because of the

increased enthusiasm for fraternity work which these new clubs generate within the alumnae department but for the general strengthening of the fraternity are they welcomed. Every new club, by giving careful consideration to community welfare, to Pi Beta Phi projects, and to the rushing material feeding into our colleges and universities annually, makes a distinct contribution.

Many Pi Beta Phis still do not recognize the importance of first hand official information and good judgement in recommendations for rushing. Much of the present confusion will be clarified by Convention discussion when possible but meantime it is increasingly important for both chapters and clubs to bear in mind that personal or individual recommendations are unofficial. Constitutional ruling requires official recommendations from alumnae clubs but these must be sent by a Committee or a Chairman authorized to do so. Alumnae should not lose faith in a chapter because it fails to take any or all recommended; the increased enrollments coupled with the limitation systems still in effect almost prohibit that Utopia on any campus. On the other hand chapters must have respect for a club Committee's decision and not ever, as once reported last year, attempt a bargaining campaign. Appeal through the Province President and the Grand President is possible and best. Clubs and chapters would gain by an earlier exchange of lists, giving both time for investigation and consideration.

Club questionnaires again streamlined for a conservation of time and paper came in promptly from 184 alumnae clubs, a splendid response. There have been fewer printed programs; more of them financed through the medium of advertising solicited from a few exclusive firms. Many more clubs have returned to the monthly meetings; most have found the private home of greatest stimulus to good attendance even though it has meant crowded quarters. (Who isn't accustomed to crowds, these days!) Food has been simplified but refreshments still offer an inducement; telephone committees and transportation encourage larger memberships. Alumnae do appreciate the contacts with the active chapter in person whenever possible and by letter when remote. It pays dividends to adopt a chapter.

The required meetings continue to bother the program chairmen. One alumnae club suggested that these be reduced to three or handled in combination. This seems unwise since it might encourage curtailment in the total number of meetings for the entire year. The whole meeting, except for Founders' Day need not be devoted to the one subject but part of the time reserved for another form of entertainment. This past year the Assistant to the Grand Vice-President compiled from club questionnaires suggestions for the required meetings. This fall with the Grand Vice-President's letter further ideas will be included for insertion in the club president's note-book.

The climax of the club year comes with the Founders' Day celebration. This year though events were simplified and the large state-wide programs abandoned the same spirit of love and homage for our Founders was again evident in song and story. Some alumnae took that occasion for special gifts to the Settlement School or Holt House or also honored Pi Phis of long standing in their own clubs as well as the Founders.

The Order of the Golden Arrow adopted by the Indianola club to honor the fifty year initiates of Iowa Beta is worthy of mention. The list lengthens but each is kept informed of the health and where-

abouts of all the others and special mention is given them on Founders' Day.

This year the Seattle banquet program had the unique feature of the Candle Lighting Ceremony being staged by the grand-daughters of two of our Founders, Mrs. Libbey and Mrs. Soule.

Earlier in this message the place of Pi Beta Phi in the community was touched upon but the questionnaires brought out with what wide spread enthusiasm our members individually and as club units have supported the local projects of their community. Space is lacking to give the fine list but one club is included since it has to do with one of our own. The Richmond Virginia club gives its attention to the Elizabeth Cates Foundation at the State Industrial Farm for Women in Virginia which Miss Cates heads. The alumnae club feels that this interest helps to hold the interest of members for Pi Beta Phi nationally when they can see locally the results of their united effort. How much greater when thirty thousand Pi Phis pull together!

The Army-Navy Auxiliary has now been discontinued upon the recommendation of the Grand Vice-President and her Assistant. With Pi Beta Phis moving even too fast at times to be recorded and too few of them contacted, the results do not justify its continuance though the possibilities for further service to our scattered members in the Services still remain.

Alumnae memberships have further grown this year to a total of 7,239 of which 746 are Senior dues. Ten of the thirteen provinces—Beta, Gamma, Delta, Epsilon, Eta, Theta, Iota, Kappa, Lambda and Mu show increases and for this merit special Presidential citations (in this case conferred by the Vice-President). Bronze stars should be given Lakeland, Florida, Manhattan, Kansas, Corvallis, Oregon, Olympia and Wenatchee, Washington for one hundred percent memberships; to Kansas City, Missouri which has secured 140 paid members out of a total resident alumnae group of 288 (highest percentage membership among cities of that bracket); to Winnipeg which holds "its highest membership on record."

With travel conditions anything but comfortable Province Vice-Presidents surmounted the inconveniences to meet and know the alumnae of their provinces. Because all clubs requesting visits could not be included Grand Council has agreed that the balance of those visits may be finished this coming year. They have proved of great value to both officer and club.

In spite of the hurdles in transportation the Grand Vice-President herself enjoyed to a marked degree her weeks with Pi Phis elsewhere. Everywhere the hospitality and the cordiality of alumnae and actives made her feel anew the warmth of fraternity friendships. Much more inspiration was gained from these experiences than was given. Alumnae contacts were enjoyed in Columbia, South Carolina, Chapel Hill, North Carolina, Williamsburg, Virginia, College Park and Baltimore, Maryland and Washington, D.C. It was her privilege this spring to serve as toastmistress at the Seattle-Washington Alpha Founders' Day banquet and to attend as honor guest the Founders' Day luncheon of her own Tacoma club. In November she was happy to assist the Grand President in the initiation of the charter alumnae of Oregon Gamma and to share in the honors extended her by the Salem, Seattle and Tacoma alumnae clubs. Chapters visited were South Carolina Alpha, North Carolina Alpha and Beta, Virginia Alpha and Gamma, Maryland Alpha and Beta, District of Columbia Alpha and Missouri Alpha. In the deep south, the middlewest and

the far west Pi Beta Phis are the same lovable types of whom we may well be proud. It has taken a war for them to learn more of each other as army "Brats" or navy "Juniors" in particular, move from chapter to chapter. The inspiration which we call "national viewpoint" will be enhanced by a Convention.

It is with a very thankful heart the Grand Vice-President looks forward to the coming year with no changes in her corps of valiant associates. The continuance in office of the same Province Vice-Presidents should mean closer understanding between club,

officer, and national and permit an early start on plans for another progressive year.

To every alumna and officer whose continued cooperation has given the alumnae department a good year in 1944-45 the Grand Vice-President once more expresses her deep gratitude and adds the hope that another summer will find us "in Convention assembled," as courageous in peace as in war and with the same high purposes.

Respectfully submitted,

RUTH BARRETT SMITH

## REPORT OF THE GRAND SECRETARY

**I**N REVIEWING the events of the year 1944-45, the work of Standing Committees and Alumnae Advisory Committees continues to show outstanding evidence of devotion to the Fraternity. Elsewhere in this issue of the ARROW will be found detailed reports of Standing Committee chairmen. High-lights, only, of their work are reported here in relating that, under the supervision of the Committee on Extension, three new chapters have been approved and installed; compilation of a new Pi Beta Phi Song Book is under way by the Music Committee; the Committee on Transfers has carried out a new plan of contacting not only transfers to a new campus, but girls who have left their college not to enter another, but to become alumnae; a new and timely bulletin on War Activities of Chapters was prepared and distributed to chapters by the Social Exchange Committee; the Publicity Committee obtained up-to-date articles of interest and fact from the chairmen of the Committees for the Settlement School, Holt House, and War Work—this material to be available to chapters and clubs, upon request, for local publicity use; and the Committees on Scholarship, Loan Fund, Chaperons, and Fraternity Examination carried out their duties with exactness and dispatch.

In reporting on the work of Alumnae Advisory Committees, it never is possible to set down, adequately, their accomplishments. It is not enough to say that they assist chapters in their duties of organization and development, for the work of Alumnae Advisory Committees covers a vast field of influence and it is of both a curative and a preventative nature. The Alumnae Advisory Committee is a connecting link between the chapter and the Province President, and in this capacity its work seems ever increasingly important. In order to make it possible for the Province President to see her chapters through the eyes of the Advisory Committees who work with the chapters, day in and day out, a new method of monthly contact will be established. Chairmen of Advisory Committees will be advised that a report of chapter conditions will be due the Province President at the end of each month. To promote, further, a closer contact between Advisory Committees and Province Presidents, all reports received by the Grand Secretary

from Advisory Committees will be sent to the Province Presidents concerned. These reports, in the form of a questionnaire, are required from the Advisory Committees two times during the school year. It is to be hoped, by means of this further cooperation of Advisory Committees with Province Presidents, that "problems will be sensed almost before they arise" and that real benefit will be realized by the chapters, the province presidents and by the Advisory Committees, themselves. With the establishment of this method of reports, the use of the return post-cards now in use will be discontinued.

The Grand Secretary is privileged to work, not only with alumnae in their important capacity of providing continuity, tradition, and financial security for the Fraternity, but she is given contacts with active groups through the supervision of newly installed chapters, those petitioning for charters, and chapters needing special help. During the past year, eight groups have been contacted with monthly reports from the chapters' presidents, and from their active supervisors and alumnae advisers,—only one group of the eight coming under the heading of "Chapters needing special help." This last stated fact should mean much to the membership of the Fraternity, for to maintain an organization of ninety chapters with only one of them requiring special supervision, speaks in loud terms of the splendid condition of Pi Beta Phi's active organization.

In addition to the aforementioned activities, the Grand Secretary has carried out detailed secretarial duties as required.

It was a very real pleasure to visit the active chapters of Wyoming A, Colorado A, Colorado B, Ontario A, Ontario B, New York A, New York G, and New York D; to have personal contacts with the Advisory Committees of those chapters; and to enjoy associations with alumnae in Laramie, Denver, Syracuse, and Ithaca. The memory of those occasions will afford much real happiness in the years to come, and along with the many happy associations and rich experiences of other years, they will be a source of inspiration, always.

Respectfully submitted,

LOIS SNYDER FINGER

## REPORT OF THE GRAND TREASURER

44 Main Street  
Champaign, Illinois  
August 22, 1945

To the Grand Council of the  
Pi Beta Phi Fraternity:

**I**HAVE examined the records and accounts of Lois F. Stoolman, Grand Treasurer and Chairman of the Board of Trustees of Pi Beta Phi Fraternity for

the fiscal year ended July 31, 1945. I have also examined the attached statements setting forth the financial condition of the Fraternity as of July 31, 1945, and the results of operations for the year ended on July 31, 1945.

Cash receipts from all sources were traced into the various funds in the Treasurer's records and were found to have been properly deposited in their respective bank accounts. Cash dispersed, as evidenced

by cancelled checks, has been compared with the Treasurer's records and found to be in accord therewith. Securities belonging to the various funds are carried on the books at cost.

All securities and cash balances have been verified by actual examination or from statements submitted by the various depositories.

The books of accounts and records of the Grand

Treasurer are kept in very satisfactory manner. It is my opinion that the attached statements properly reflect the results of operations for the fiscal year ended July 31, 1945 and the financial condition of the Fraternity at July 31, 1945.

Yours sincerely,  
ARTHUR H. WINAKOR  
Certified Public Accountant

## ARROW EDITOR

**A** GAIN June brings the end of a year for the ARROW, the eleventh under the present editorship. In many ways this has been a most difficult year for it has meant working with less staff aid, and with clerical help almost non-existent. Many government restrictions have had to be heeded and planning issues meant much figuring of paper weights, stocks available, censorship rulings and controls on release of many items of news. Just when things became weighty, in would come something of surpassing interest in the way of material about the activities of Pi Phi, or a complimentary letter regarding the ARROW from some Pi Phi. Things like that made any amount of work a labor of love and a pleasure.

On the ARROW staff, troubles came double. Candace Armstrong's husband was commissioned in the Navy, and Candace took up her wanderings to be with him as long as he remained in the States. Her work is so valuable and the association with her so pleasant (although never face to face!), that her place was considered vacant but temporarily, since she had promised to again take up the work. The Editor took over the work of the chapter letter editor for the December and March issues, a work difficult because of the frequent lack of promptness of corresponding secretaries, and failure at times to reach them with collect telegrams. There were many changed college schedules and a great turnover in chapter corresponding secretaries. Mrs. Armstrong was joyfully welcomed back to the staff for the May issue.

Early in the Fall, Marjorie Bright Sharpe found it necessary to give up the department "From Pi Phi Pens," much to our regret. We were fortunate indeed to have a professionally trained member of the staff of contributors who could step into her place. Mary Elizabeth Lasher, Ohio A, has done most satisfactory work and has been a joy to the Editor. The ARROW hopes to keep her a long time.

Paper restrictions continued throughout the year on a similar basis to last year, except that now any quantity allowed under our quota and not used for a specific issue, may not be held over and used for a possibly larger issue later in the year. A further restriction allows next year's quota to be based on the amount used this year.\* We therefore found it not only possible, but expedient to have an issue of 144 pages for May, otherwise we could not have used all the fine material which came from Mrs. Koehler on the Physiotherapy project, or the equally interesting pages concerning the work to be done at the Summer Workshop at the Settlement School. We were able then to include also the section of Pi Phi Personalities,

\* Since the writing of this report the end of the war has brought further changes which will doubtless remove many controls on the paper industry and release restrictions, although definite word to this effect is not immediately available.

one which the Fraternity seems to like best of all. This year we have been able to use most of the personal items about girls in the armed services, which were sent in. The only exceptions were those omissions because of the unusability of photos furnished. Many pictures came directly from the headquarters. We tried to comply with each request for the return of pictures, but it was not possible to do so in the case of those of honor girls, queens and those grouped on pages. Many of those are mutilated in the process and can be of little value. The National Historian chose for her files those photos which she wished to retain.

The new black and white dress of the ARROW was forced by the lack of a suitable colored cover stock. The Editor personally likes the change and many letters were received approving the change. But two letters came in regretting it, and wishing that we might carry the Pi Phi colors in the magazine cover. The change to white paper allowed the use of a better surfaced text paper than the cream previously used, but it is, because of WPB restrictions, lighter in weight and does not take cuts quite as well as a heavier grade which is not obtainable. The ARROW is forced to a light weight paper of this grade rather than a heavier enamel paper because of the large number of copies required for circulation. Were a heavier paper used, it would not be possible to print as many copies because WPB restrictions are based on *poundage* of paper allowed. Many fraternities which have a smaller circulation continue to be able to use a heavier grade because their requirements of poundage fall within small quarterly allowances. We shall be fortunate indeed if further restrictions are not imposed on us, although of this there is no word as yet. Circulation for the May issue was 33,340, and during the year we used 65,000 pounds of paper. Prices have remained the same as last year, and the cost of the ARROW for 1944-1945 will be found in the report of the Grand Treasurer.

During the month of April it was the Editor's pleasure to make visits to three chapters in Iowa. Cancellation of reservations twice necessitated a change in plans until finally the University of Iowa was closed, at the only time when a visit could be made. Iowa A, I and B were visited. Founders' Day was enjoyed with alumnae clubs in San Diego (pinch-hitting for Miss Onken), and with alumnae and actives in Mt. Pleasant, Ames and Des Moines. The Editor also had the pleasure of an evening with the club in Indianola. All were delightful contacts with fine alumnae, and made clearer than ever, the strength of our alumnae organization and its splendid work. Fortunate indeed are those Iowa chapters in their alumnae backing and assistance.

The Editor has many "thank yous to say"—to Grand Council, especially to the Grand President and Grand Treasurer for the helpful items and clippings

that have come in all through the year; to the Banta Publishing Company and especially to Mr. Bachmann for unflinching service and courtesy; to Pi Phi with whom she has had happy contacts who have done so many lovely things for her; to Pi Phi who have taken the trouble in these busy times to write letters of praise and suggestion—these are the things which

make the difficulties incident to war times only passing trials.

It has again been a great privilege and inspiration to serve Pi Beta Phi.

Respectfully submitted,  
ADELE TAYLOR ALFORD

## ASSISTANT TO THE GRAND PRESIDENT

**F**IRST, foremost and always this officer feels a very great and deep gratitude to the fraternity not only for the privilege of wearing the arrow but also, and particularly so, of holding the position of assistant to our Grand President. These are greatly cherished privileges.

The duties of this office are indeed made more interesting and more worthwhile by Miss Onken's sympathetic consideration, which is given always so willingly, as well as by the support from Grand Council, and the splendid and efficient help from the Director and staff of Central Office. All general letters prepared by the Assistant to the Grand President are printed and sent out by Central Office. This year these numbered seven; four to rush captains, two to pledge supervisors, and one to chapter presidents.

The four letters to rush captains dealt with the various phases of the rush captains' work. The first one sent in May dealt with the education of the chapter for rushing and early preparation of plans before school closed for summer vacation. Then, in July the letter to rush captains reviewed all the important points to be remembered by the rush captains, especially pertaining to recommendations and consents to pledge; the compilation of the rush list and passing on of such information to the members of the chapter. Since most major rush periods are in the fall of the year, a check-up was made by letter and questionnaire in November to see that new rush captains had been elected and instructed within one month of the close of the major rush period. Then, no further letter is sent until March when one was sent to the new rush captains. This year it discussed particularly the matter of legacies.

The problem of not always being able to pledge daughters and sisters of Pi Beta Phi's is one which belongs entirely to campuses where there is a quota or limitation system. It was a pleasant surprise to find so many chapters with no such problem. The Fraternity does wish the chapters to give very special consideration to "legacies," but it is not always possible for a chapter to pledge every legacy, for it is not infrequent to find more legacies on the rush list than spaces to be filled. Therefore, misunderstanding has developed between active chapters and alumnae, and to try to improve this situation an editorial discussing

the problem appeared in the March ARROW, and a letter was sent to alumnae from the Assistant to the Grand President.

The first letter to pledge supervisors was sent during the summer. This gave ample opportunity to prepare carefully for plans for pledge training. A second letter was sent in early March when pre-initiation programs and programs for hold-over pledges were discussed. It was disappointing at that time to find several pledge supervisors reported little and too often no assistance from the member on Advisory Board in charge of pledge training.

October 30 is the date when the health certificate questionnaire is due to the Assistant to the Grand President from the chapter presidents. This questionnaire shows that all employes handling food in Pi Beta Phi chapter houses have presented a clear health certificate before employment took place. The help situation and scarcity of doctors has made it difficult for some chapters to meet this requirement by the required date. It is very fine to see how many campuses have it as a requirement, and if not, cooperate with the chapters to assist them in meeting the fraternity regulation without too much difficulty.

For the past three years the Assistant to the Grand President, who lives in Canada, has done the banking of fraternity money from clubs and chapters in Canada, and handled the duties connected with this responsibility.

It was a pleasure in October to represent Grand Council at the Theta Province conference of chapter presidents held at Minneapolis. The conference was a very great success and fraternity officers as well as chapter officers gained much inspiration from the days together.

It seems unnecessary and yet one cannot help but say again how much it means to be a member of Pi Beta Phi, to meet and work with so many fine women and girls, and in my case to be assistant to Miss Onken, whose help is invaluable and always given so readily. Words cannot express to her my very sincere appreciation for the privilege of working with her and this year of visiting her for the first time in her home.

Respectfully submitted,  
ISABEL A. CLARK

## ASSISTANT TO THE GRAND VICE-PRESIDENT

**T**HIS report might well be called a statement of progress.

Alumnae Clubs despite difficulties of transportation and increased demands upon the time of members were able to attract more Pi Beta Phi to affiliation with the Alumnae Department. These same clubs showed an increased interest in and support of the various projects of the fraternity—and in addition took on responsibilities locally to aid the war effort or assist in the welfare of their community, all of which has added immeasurably to the prestige of Pi Beta Phi.

New clubs have been formed this year, and words

of real praise are their just due for the way in which they have carried on the work of the Alumnae Department. Letters of greeting have been sent by this office to these new clubs.

Two new Mothers' Clubs have been organized, one at Texas B, and the other at the time of the Installation of Ohio Z chapter at Miami University. It was the pleasure of this officer to have a part in their organization. The value of these clubs cannot be measured in terms of the dollars and cents which they have spent in making the respective chapter houses bright with new items of adornment. Their

interest in the girls themselves is the real motive of the fraternity in sponsoring the organization of such groups.

Suggestions concerning program material for the four required meetings were assembled from the questionnaires returned by clubs last year and were sent out to all clubs. This will again be done this year. It was interesting to note how many clubs previously holding only the four required meetings had expanded their programs to include more meetings. This year questionnaires have fewer requests for program assistance, yet club programs received in the fall show that clubs are enjoying the talents of their own members as well as broadening their outside interests. A great many clubs included a study or talk on Physio-Therapy.

The monthly letters of the province vice-presidents kept me informed on events within the province, gave me tips on possibilities now or for the future for new alumnae clubs, some of which have been followed up, and occasionally asked for information or assistance.

Of especial interest was the privilege of representing Grand Council in visiting the Pi Phi Gamma group at Michigan State College petitioning Pi Beta Phi and now a chartered chapter, and of assisting Miss Onken at the installation of Ohio E at Toledo University and Ohio Z at Miami University. It is not often that one can celebrate Founders'

Day by jointly celebrating the installation of a new chapter of the fraternity. Such was the case at Ohio E. However, attendance there made it necessary to forego accepting the invitations of the Franklin and Lafayette Indiana Alumnae Clubs to celebrate that special occasion with them. We attended the installation at Michigan I as a personal pleasure. In Mrs. Moore's behalf we paid an official visit to Indiana B and had the pleasure of seeing members of that club as well as the chapter. We attended a Scholarship Recognition Dinner at Indiana E.

These opportunities of meeting and being with Pi Phis, both old and new, bring inspiration, deepened friendships, and a very real sense of pride in Pi Beta Phi and its place in the fraternity world. Ours is indeed a fraternity without a superior! They have proven too what we really knew all the time, that alumnae can achieve whatever they set as their goals. May clubs everywhere set their hearts and minds for even higher goals for next year.

Personal circumstances have made us less of an Assistant to our Grand Vice-President this year and we are most grateful to Mrs. Smith and the other members of Grand Council, with whom it is always a pleasure to work, for their patience and understanding at all times. To the Province Vice-Presidents and Central Office our thanks for their fine cooperation.

Respectfully submitted,

MARIANNE REED WILD

## NATIONAL HISTORIAN

KANSAS B chapter of Pi Beta Phi submitted the best history for the school year of 1944-1945 and will have possession of the Nita Hill Stark Vase for the ensuing school year. Chapter histories receiving special mention are Missouri I, Pennsylvania B, Michigan A, and Oklahoma A. Several others deserve special mention for outstanding features such as the lettering and drawings of Illinois H, the drawings in Nebraska B, the cover design of Oregon I, and the literary quality of several histories. There was a lack of pictures in the histories this year, which may be partly attributable to the scarcity of films, but which needs to be remedied for next year. In many cases a term history was deserving of special mention, but the other term history of the same chapter was not of equal quality, so that the chapter missed a high rating in the historical grading.

A chapter history covering the complete history of New York Beta from its founding in May, 1904 through June, 1915 has been received by the National Historian. The history was written by Sophie Parsons Woodman, New York B, a Pi Phi who has served Pi Beta Phi as one of her most loyal members. Miss Woodman, who has held many offices in the fraternity and who has contributed not only articles but pictures to the "ARROW" over a number of years, has also contributed to the fraternity world through her interest in Panhellenic. Miss Woodman's history is interesting, not only because of the friendships and accomplishments made through the fraternity, but because it is a testimony to the lasting beauty of Pi Phi even when one's own chapter no longer exists.

Miss Woodman has sent during the year a number of articles of historical value in addition to the history, including historical papers, printed letters of New York Beta for 1908 and 1911, a letter from California Alpha telling of the earthquake results of 1906 and a letter from Grace Goodhue Coolidge

written during her term of office as Alpha Province Vice-President in 1915.

Dr. Mildred Pellens, New York I, has sent a box of Pi Beta Phi material for the National Archives including "Historical Paper," Number Two (1910), a "Resume of Salient Points in History of Pi Beta Phi"; the "Hand Book of Pi Beta Phi (1918-19) edited by Sophie P. Woodman; a play, "I. C. Sorosis, The Founding of Pi Beta Phi, An Historical Play in Three Acts" by Mabel Balch, Vermont B; and eighty-six numbers of the ARROW from 1914 through March, 1945. Rebecca Downey White, Colorado A and Michigan B, has contributed a report of the annual meeting of Michigan Beta of Pi Beta Phi Association written by Marion McLean Wilcox; an April 29 number of *Michigan State News* which carries a story of the pledging of girls to Pi Phi Gamma at Michigan State college; and the place card and Founders' Day program used at the 77th Founders' Day luncheon as celebrated by East Lansing, Mich. Pi Phi. Adèle Taylor Alford, D. C. A, has sent a letter written by C. W. Noble concerning the life of his mother, Emma Patton Noble, former Grand President, who died on July 24, 1944. Carrie Hopkins Williamson, Louisiana A, has presented the "History of Pi Beta Phi" by Elizabeth Clarke-Helmick, 1915 and the Directories for 1906, 1911, 1923, 1927, and 1930. Harriet Rutherford Johnston, Washington A, has presented Convention Dailies of 1915 with the menu card and meeting schedule for that Convention and letters from Inez Smith Soule and Fannie Whitenack Libbey.

A number of books written by Pi Beta Phis have been received for the Pi Beta Phi Library and have been indexed by Majora Carey, Missouri A. Carrie Chapman Catt has presented the Library with an autographed copy of "Carrie Chapman Catt," the biography of Mrs. Catt written by Mary Gray Peck.

The National Historian had the pleasure of being a guest of the Dallas Alumnae club for its January meeting in the home of Florence Greene Taylor, Texas B, and of being in the home of Eva Smither Hawley, Virginia A, for a showing of colored pictures which Mrs. Hawley took at the 1940 Convention at the Huntington Hotel, Pasadena, Calif. Mrs. Hawley has presented the film to the fraternity. The film is of especial value to the fraternity as it contains lovely pictures of Fannie Whitenack Libbey, the last

Founder attending her last Convention.

The National Historian wishes to thank the Grand President for her aid throughout the year, the Director of Central Office for her help at many times, and all Pi Beta Phis who have done much to help with the perpetuation of historical material for the fraternity in this her seventy-seventh year.

Respectfully submitted,

FRANCES ROSSER BROWN

## CENTRAL OFFICE REPORT 1944-45

THE cost of maintaining the Central Office and purchasing supplies for sale to members of the Fraternity was as follows, from August 1, 1944 through May 31, 1945:

Salaries .....	\$ 8,637.69
Rent .....	695.45
Express & Postage .....	1,195.74
Telegraph and Telephone Charges .....	152.13
Robes .....	445.52
Printing .....	906.01
Office Supplies .....	831.63
Equipment .....	449.51
Bank Charges .....	16.66
Ribbon .....	77.43
Tax (S. S. & Withholding) .....	855.62
Personal Property .....	
Miscellaneous expenses and supplies .....	755.33
Total .....	\$15,018.72

Receipts from chapters, individuals, and alumnae clubs for supplies, but not including fees and dues, were distributed on the record as follows:

ARROWS .....	\$ 22.18
Cook Books .....	664.10
Miscellaneous (includes new chapter supplies) .....	1,613.68
Song Books .....	52.82
Stationery .....	490.05
Ribbon .....	132.51
Robes .....	412.94
Recording Secretaries' Books .....	106.49
Total .....	\$ 3,494.77

The number of initiates for the past ten years, 1934-35 through 1944-45 is as follows:

	Chapters	Initiates
1934-35 .....	79	1,281
1935-36 .....	79	1,237
1936-37 .....	80	1,347
1937-38 .....	80	1,354

## REPORT ON JEWELRY SALES

THE following items of jewelry have been sold to members this year:

Plain badges .....	161
Jewelled badges .....	1,767
Pledge pins .....	1,257
Recognition pins .....	635
Cofas .....	199
Mothers' pins .....	221
Brothers' pins .....	16
Miscellaneous .....	134
Total .....	4,390

A scholarship ring was awarded again this year to the girl in each chapter who had the highest scholarship rating. Seventy-nine chapters have ordered rings thus far. A ring bearing the Pi Beta Phi crest and set with one ruby is the first year award, a sapphire-set ring the second, and a diamond-set ring the third.

The Director of Central Office is grateful for the

→ → →

1938-39 .....	.81	1,331
1939-40 .....	.81	1,397
1940-41 .....	.83	1,513
1941-42 .....	.83	1,494

1943-44 .....	.87	1,643
1944-45 .....	.90	2,019

## MEMBERSHIP STATISTICS AS OF JUNE 5, 1945

Total initiates to date .....	42,081
Total initiates for year 1944-45 .....	2,019
Total members living and in good standing .....	39,754

For further statistics on membership please turn to frontispiece.

Again this year the problem of keeping the files accurate has been a difficult one, due to the many changes of addresses. It is hoped that each Pi Phi will feel personally responsible for sending in her change of address in an effort to keep the mailings up-to-date.

Since July 1, 1945 a total of 143 sateen robes and 4 satin robes has been sent to 19 chapters. Central Office has been able to purchase 786 yards of sateen during the past 8 months, due largely to the efforts of many alumnae. However, many more yards of sateen are needed as there are 80 outstanding robe orders on the books. The present supply of song books is exhausted; but a new issue is being compiled and will be printed as soon as possible after the war. Cook books are still a favorite with clubs, chapters and individuals for gifts and re-sale for alumnae club benefits. This year 1,918 cook books were sold.

The director is grateful to the members of Grand Council, the National Officers, Alumnae and Actives for their kind assistance throughout the year. It has been a privilege to work with them. Also, she appreciates the splendid cooperation of the entire staff of Central Office.

Respectfully submitted,  
LOUISE B. SHAPPERT

fine cooperation received from chapter treasurers and individuals who have ordered jewelry this year. We also appreciate the cheerful attitude shown by chapters and individuals who were obliged to suffer cancellations, additional costs and delays caused by present wartime conditions.

We are of the opinion some mention should be made of the fine service we have received from our jeweler, the L. G. Balfour Company, who despite wartime restrictions, smaller personnel, and additional contracts has continued to supply our fraternity with the same high quality merchandise. From the beginning the company offered their entire facilities to the government and during the war period have manufactured huge quantities of vital materials and in addition, have continued to manufacture fraternity insignia.

Respectfully submitted,  
LOUISE BRESEE SHAPPERT

"Gatlinburg: A Mountain Community," is the title of an excellent presentation of Gatlinburg, past and present, with emphasis on the part played by the Pi Beta Phi Settlement School. The article appears in *Economic Geography*, Volume 21, pp. 192-205, and is written by Edwin J. Foscoe, of Southern Methodist University.

# Pi Beta Phi Magazine Agency

IT is very gratifying to report once again the most successful year the Pi Beta Phi Magazine Agency has had, in spite of many restrictions, with commissions on sales amounting to seven thousand five hundred thirty-eight dollars and fifty-two cents (\$7,538.52). Of this amount alumnae clubs contributed \$6,233.24, active chapters contributed \$1,218.83, and individuals contributed \$86.45. During this same period \$253.71 has been collected from bonuses, prizes, etc.

Below are shown the profits for the past fifteen years:

1929-30	Approximate	\$ 810.00
1930-31	Approximate	950.00
1931-32	Approximate	1,500.00
1932-33	Approximate	1,400.00
1933-34	Approximate	2,050.00
1934-35	Approximate	2,000.00
1935-36	Approximate	1,450.00
1936-37	Approximate	2,366.48
1937-38	Approximate	2,445.09
1938-39		2,716.58
1939-40		3,153.20
1940-41		4,018.51
1941-42		5,123.00
1942-43		5,820.50
1943-44		6,779.02
1944-45		7,538.52

Several mailings were sent to alumnae clubs and active chapters this year for magazine chairmen. These mailings included special offers, instructions, totals for the half year and totals for the full year.

The contest winners for the year 1944-45 were:

## ALUMNAE CLUBS:

- Kansas City Missouri Alumnae Club, Dorothy Jane Weaver, Chairman, \$10.00 prize for making the highest total commissions (\$385.27)
- Little Pigeon Alumnae Club, Mrs. J. N. Huff, Chairman, \$10.00 prize for making the highest per capita commissions (\$6.72)
- Chicago Business Women Alumnae Club, Mary Lindemann, Chairman, \$5.00 prize for making the highest percentage increase (1219%)

## ACTIVE CHAPTERS:

- Indiana Epsilon, Emilie Justice, Chairman, \$10.00 prize for making the highest total commissions (\$62.85)
- Vermont Alpha, Barbara Flink, Chairman, \$10.00 prize for making the highest per capita commissions (\$1.21)

Florida Beta, Eleanor Mahoney, Chairman, \$5.00 prize for making the highest per centage increase (1314%)

The following gives the number of chapters and clubs which contributed to the profits of the agency the past three years:

	Chapters	Clubs
1942-43	66	177
1943-44	77	184
1944-45	79	195

Following is the financial statement for the year. The 1943-44 commissions are given also so that the contributors can see their gains or losses.

The Director of the Magazine Agency wishes to thank all who have contributed to the success of the agency this year, and asks for your continued interest and support.

Respectfully submitted,  
LOUISE B. SHAPPERT

THE EIGHT HIGHEST TOTAL COMMISSIONS PER CLUB 1944-45

Club	Amount 1944-45	Chairman	Amount 1943-44
1. Kansas City, Mo.	\$385.27	Dorothy Jane Weaver	\$312.07
2. *Denver, Colo.	318.05	Mrs. Robert Mizer	328.42
*Indianapolis, Ind.	318.05	Mrs. H. D. Trimble	192.26
3. Washington, D.C.	195.20	Mrs. A. L. Thompson	187.75
and Suzanne A. Young (Jr. Club)			
4. St. Louis, Mo.	181.25	Mrs. Geo. Van Studdiford	174.35
5. Pittsburgh, Pa.	179.05	Mrs. Albert Wiggins	161.20
6. Wichita, Kan.	139.55	Louise Powell	80.30
7. Hartford, Conn.	108.20	Mrs. Marjorie Gilson	80.47
8. Bloomfield Hills, Mich.	105.25	Mrs. H. Walmsley	65.30

\* We know you will be interested to see that Denver and Indianapolis tied for second place, both clubs closing the year with exactly the same amount of commissions. Which club will work just a little harder next year? This is certainly a fine increase for Indianapolis.

THE EIGHT HIGHEST COMMISSIONS PER CAPITA FOR ALUMNÆ CLUBS 1944-45

Club	Amount	Chairman
1. Little Pigeon	\$6.72	Mrs. J. Huff
2. Pittsburgh, Pa.	5.97	Mrs. Albert Wiggins

# Settlement School Reports

## REPORT OF THE SETTLEMENT SCHOOL CHAIRMAN

THE ONE and only success which is man's to command is to bring to his work a mighty heart." This one item toward success has surely been the basic quality with which the Settlement School Committee members have met their various responsibilities this past year, and to "the mighty heart" probably goes a major part of the credit for the partial success of some of the achievements which have been hopes and dreams for years. This has been another year of harmonious working by Settlement School Committee members, with each one attending to her individual duties with enthusiasm and ability, and assisting materially in every phase of general committee functioning.

### *Summer Workshop a Success!*

Paramount among the fulfilled dreams was the actuality of the Summer Workshop, opening June 11 and closing July 18—a craft course on university level with outstanding artists in their respective fields to lead it. While not the development of the original concept of the artist colony at Gatlinburg, it proved to be a most successful venture in all aspects for which the committee had hoped.

With the cooperation of the University of Tennessee, and specifically the interest, enthusiasm, and vision of their Head of the Home Economics Department, Jessie W. Harris, Pi Beta Phi convention initiate of 1938, university credit was given for four courses: weaving, recreational crafts, woodworking, and community recreation. Classes were conducted on a workshop basis with each individual attending certain prescribed lectures and then branching into creative work of her own choice.

Some fifty students from nineteen states, ranging as far away as California, Pennsylvania, Wisconsin, and New Mexico, were housed in local homes, tourist cabins, and hotels under the direction of our Settlement School Director, Ruth Dyer, and were so enthusiastic that it was only with difficulty that the staff could close the Workshop doors long enough to get to Pollard Cottage for those delicious Settlement School meals, the specialty of Miss Hodgens, House Manager.

The personality of the staff and their manner of teaching were such that each student was able to secure help on the individual problems she was most interested in, whether she be a Craft teacher wanting to know the best way to teach handcraft to children in the lower grades, or a Home Demonstration agent desiring to interest women in a variety of crafts for home decoration, or a person not interested in credit but attending only to make beautiful things for the joy of making and the pleasure of using them, or a recreational leader anxious to show a community how best to enjoy themselves through social recreation—all this and much more was taught at the Pi Beta Phi-University of Tennessee Workshop at Gatlinburg this summer, combined with a philosophy which encouraged individuality and the flowering of the student's creative ability to its utmost.

Small wonder that our advertising for a second session will be aided by the personal praise of these students from this year's classes. Pi Beta Phi's "jewel"—the work it has done in Gatlinburg for so many years to aid the mountain people there and to sponsor beautiful handcrafts—now glistens with a new

brilliance, for its influence and scope have been enlarged in almost untold measure, each student serving as a newly-cut facet, reflecting in her home community the enthusiasm felt at Gatlinburg, and expressing thanks to Pi Beta Phi and the University of Tennessee for making this opportunity possible.

Much of the success for this venture was due to our Director and weaving instructor, Elsa Ulbricht, whose organizing abilities were responsible for setting up a varied craft school, utilizing the facilities of our high school and Craft department, and adding to them most generous loans from the Milwaukee WPA Project, developed by Miss Ulbricht in recent years. Pi Beta Phi's sincerest thanks go to her and to her co-workers, Josephine Arquist Bakke, who so thoroughly understood and carried out the type of recreational program envisioned by us, George Barford, talented artist and woodworker in whose "Woodshed" in the Arts and Crafts Center the hum of machinery was always heard, and Hazel Dingman, teacher of recreational crafts, who had to be helping ten to twelve students on entirely different projects at the same time—from leather gloves, through block prints, to plastics.

Plans are already under way for another session next year. This will follow much the same pattern as proved so successful in this first Workshop; so it will be well for all interested Pi Beta Phi's to get reservations in early for 1946 as, in all probability, it will be necessary to limit enrollment.

### *Additions to the School Curriculum*

Two other goals were achieved this past year in a lesser degree perhaps, and with similar compromises to the original plan, but with good results—the teaching of physical education by an additional part-time teacher, Lon Moneyhun, and the second semester inclusion of music in the curriculum, with Dorothy McWilliams Young, Pi Beta Phi of Ohio A, supervising music with regular periods in each grade and teaching a chorus of high school students. It is hoped that both of these additions to the school may be continued in the future, and if possible, enlarged.

The County-Pi Beta Phi agreement has seemed as satisfactory as in the preceding year. We continued approximately the same support of their supply budget, and added to our assistance in the matter of teachers, paying all costs of the music teacher second semester, the part-time physical education teacher, and the Arts and Crafts department, consisting of the former full-time teacher, Elizabeth Petrie, and adding a part-time teacher, Mr. Carl Huskey, in woodworking.

The county continued to use the grade school building as well as the high school, taking the first step towards the erection of their own grade school building by asking the state school architect to visit Gatlinburg and see the proposed site in preparation for drafting the first plans.

Enrollment was again heavy in the lower grades, and the County secured an additional grade school teacher, to be continued this coming year. The total enrollment in the grades reached 328, with nine teachers provided by county funds. The 103 pupils in the high school were taught by five county-paid teachers, augmented by those furnished by Pi Beta Phi. A full-time janitor has been employed by the county,

who, this summer, has been doing the necessary paint and repair work in the high school building and keeping the school lawn and playground mowed. Pi Beta Phi used part of the high school building for the summer workshop, providing the necessary janitorial service during that period.

Several resignations among the staff this spring have been filled with the only vacancy at the present time in the first grade room. The position of music supervisor has not yet been filled by Pi Beta Phi.

The PTA was revived this past year, joining the state and national associations. They were responsible for carrying out a most successful hot lunch program, assisted by the county who donated paint and materials for redecorating the room, and by Pi Beta Phi, who built a new entrance to the room which fulfilled the state regulations for fire exits of dining-rooms.

During the fall visit of the chairman, Pi Beta Phi's gift to the school, the lovely stage curtain and cyclorama, was officially dedicated. At a well-planned evening program including musical numbers by grade and high school students, acceptance thank-yous were given by students and a representative of the community, Mr. Medlin. This seemed to serve as a splendid opportunity for stressing the cooperation between Pi Beta Phi and the community in this Settlement School program.

#### *Emma Harper Turner Craft Center Dedication*

Two open houses were given during the Summer Workshop—one at the end of each three-week period. Students worked on actual projects, explaining the process to the many interested tourists and townspeople who attended. At the second of these, on July 16, a short outdoor program preceded the tour of the workshop, presided over by Emma Woerner, Committee member, and during which a pantomime was presented by the Community Recreation class and the Arts and Crafts building was dedicated by Miss Amy Onken, Grand President, as the Emma Harper Turner Crafts Center, a beautifully carved wooden sign made by George Barford being placed on the building at that time.

Here in the Crafts Center this past year was developed an enlarged program for grade and high school students which, according to Miss Petrie's report, "was successful both in pleasure and in the knowledge gained." High school girls worked at a variety of crafts, but weaving retained first place in their interest and some really splendid articles were made. Boys worked under Carl Huskey making attractive small wooden articles and even completing four table looms for use in the Summer Workshop. They will make more of these this coming year so that each grade room may have one for demonstration and practice.

Art work in the grades showed marked improvement over the preceding year, which as you remember was the first year this had been offered in the school. The members of Committee were interested in an exhibit of some of the work done, ranging from the simple designs made by first grade children by arranging and pasting cut pieces of colored paper, to the original posters and masks made in the upper grades. The same goal continued this year—that of making things which could be duplicated at home with little expense—so that this new ability might be utilized in the home life of the students.

#### *Rationing at Arrowcraft*

While the joyous news of V-J Day's approach makes us hopeful that there will soon be relief even

for our much-troubled but ever-capable manager of Arrowcraft, Ethel Snow, it is going to be necessary to "ration" articles sent to the alumnae clubs this coming fall. Even with Arrowcraft producing far more than ever before, though it has often been necessary to discontinue certain items because of lack of materials, impossibility of producing under the OPA ceiling, or a similar wartime cause, production has been unable to keep up with the greatly increased demands. Arrowcraft Shop itself cannot keep a large enough supply on hand to meet the requests of the buying tourist trade there. Every effort will be made on the part of the Pi Beta Phi staff to see that as many clubs are served with as large a percentage of their orders as is possible; cheerful acceptance of this situation is the contribution we of the alumnae clubs must make until such time as conditions change.

#### *Regular Staff Personnel*

The regular staff at the Settlement School has remained the same this past year. Miss Ruth Dyer, Director, continues to direct the thousand and one activities that such an establishment includes, and keeps the School as a whole functioning miraculously well during these times when it is so difficult to secure adequate or qualified help. Under her supervision, and oft-times with the assistance of our maintenance man, Arlie Watson, repairs authorized by the committee have been made, including the addition of a partition between the front and back rooms at the Arts and Crafts Center, a double door at the back to allow easy moving of looms, roof repairs of the barn and sheds, repair of gates and some rebuilding of fences, necessary minor repairs and painting. No major building was done this past year, although plans are now being started for a new Health Center building.

Lean Hodgins, House Manager, has added to her regular duties the chaperoning of the girl's dormitory. Carl Ogle and Elvin Trentham have continued their care of the demonstration farm during this period without an Agriculture teacher. Arrowcraft Shop added two salesgirls, Arbutus Ogle and Lois Watson, to the former staff consisting of Ethel Snow, Winogene Redding, Lura Owenby, and Bess Chance; and Georgia Duffield continues in charge of the Mountain View Hotel shop.

Health Center is the busy domain of the nurse, Marjorie Chalmers, whose full report is included in this issue, in spite of the fact that the building itself demands almost immediate replacement. This, we hope, will be possible in the near future.

#### *"The Mighty Hearts"*

The Settlement School Committee personnel, also, has remained the same this year as last. Secretary Ann Munn, also Contact Member for Arts and Crafts, visited the school in the spring to see the craft classes in operation and to assist with the detailed planning for the summer session. Conferences were held with staff members of the University of Tennessee, and with Miss Ulbricht, then in Milwaukee.

Mrs. Munn also attended meetings of the Mountain Workers and the Southern Highland Handicraft Guild in Montreat, at the latter of which plans were made for the incorporation of the Guild as a non-profit organization. Arrowcraft has been an integral part of the Guild since its founding and it was fitting that it was during the presidency of our Weaving Supervisor, Winogene Redding, that this step was taken, and by virtue thereof became the recipients of a three year grant from the General Education Board

which will aid in furthering the development of handicrafts in the entire Southern Highland area.

Beth LeRoy, publicity member on Committee, continued her interesting monthly letters to province vice-presidents and sent a most enlightening and entertaining letter to all active chapter and alumnae clubs, describing a visit to the School, arranged so that it could be used as a basis for talks given in conjunction with the place mat maps. We shall miss Beth on the Committee, for her term expired at this last meeting time; we shall miss her enthusiasm, her love of Settlement School work, and her building spirits.

We welcomed Eugenia Smith (Mrs. G. Herbert), as new Committee member,—member of Indiana P, who brings a rich heritage of Pi Beta Phi experiences, most recent of which was the installation of the new chapter on the campus of Willamette University, where her husband is president.

Lolita Prouty, treasurer, has continued to meet difficult days with the bother of withholding taxes, Social Security, and other regulations and reports now imposed on anyone taking charge of accounts; but her fine attention to all details have given us accurate and complete reports regularly.

Emma Woerner has been busy keeping engagements

for her films, and some twenty chapters and clubs have had their inspiration this past year. Characteristic of comments received from alumnae clubs is the following: "The films (of the Settlement School) were greatly enjoyed, in fact, I think I am safe in saying they made the hit of the year at our alumnae club meeting. The photography is beautiful, and they are immensely more interesting than any previous films taken of the Settlement School, everyone agreed. . . ." "Every club should see them."

This has not been a year without some trails and tribulations, but we cannot expect to ever have it otherwise in such a project; yet even with them it has been a successful year for the Settlement School. There are still numerous small problems that bother, including that of getting every thing done that must be done without increasing the cost of upkeep. We have a good loyal staff, and they are doing much to help us with our plans; with them and with the fine Settlement School Committee and Grand Council—all with that "mighty heart" to make things worthwhile, we cannot help but succeed.

Respectfully submitted,

MILDRED SALE

## REPORT OF DIRECTOR

### Community

**P**ROGRESS is the law of life." Pi Beta Phi is living up to its past achievements in bringing to Gatlinburg, in conjunction with the University of Tennessee, a Summer Workshop in Crafts. We look forward to almost endless possibilities to be derived from this new program in wonderful development for the school and the whole region. Changes in village life are taking place. Perhaps the one most far reaching in its scope is the incorporation of the village, voted in the spring. Better sanitation and law enforcement will certainly result from this step. Pi Beta Phi will have some say in town affairs since we now have two representatives, Miss Evelyn Bishop and Mrs. Ethel Snow, on the Chamber of Commerce Board.

During the winter a Lion's Club was organized and the American Legion members living in town withdrew from the Sevierville Post to start one of their own. The Methodist congregation have been given a site for a church building which will be built as soon as conditions permit. One Sunday this congregation and the one from Pigeon Forge used our Auditorium for morning service when Bishop Kern spoke.

### School

Sevier County has cooperated well with us this past year. They have provided a janitor, now on a twelve months' basis. While certain repairs have not been made to the buildings the fault lies not with the wish of the county board but with war time shortages of materials and labor.

Greater interest in school activities has been evidenced all year in the crowds attending any and all functions connected with the school program. Basketball crowds made us long for a larger gym. The plays given by the senior and junior classes, the big Halloween Carnival, the Open House evening, the program given by the elementary school children and the graduation exercises for both the eighth grade and the high school were all well attended by parents and friends of the school. These various entertainments were of the same high quality as those given

in the past. One big contributing factor to their success has been the new stage curtains and cyclorama installed last fall. These make it possible to have the proper background, add dignity and have a refining influence on the deportment of the children. Mildred Sale was here for a Dedicatory Program in October. At that time she gave a very fine talk on Pi Phi hopes for the future of the school.

For the last few months of the term the school had music instruction given by a charming Pi Phi, Dorothy McWilliams Young of Ohio A chapter. She did wonders with the children in the short time that she was here. Her work was of much value to the teachers in preparation for their programs and added to the commencement activities.

The girls in the different Home Economics classes, under Sue Landrum, worked on some interesting projects. A High School Home Economics Club was organized. Members of this club attended district meetings with the other clubs in this area; learning much from contacts with girls of their own age. They made a service flag for the school, embroidering on the star the name of each boy who had gone directly from high school into the service. The flag with its twenty eight stars was presented to the school at an appropriate chapel program. An effort was made to make all instruction practical. The clothing the girls worked on make over problems, spent some time on garments for Russian Relief and American Red Cross. They learned how to wash a sweater properly and discussed individual problems of clothing care, appropriate styles and personal grooming. A wide range was covered in instruction in foods. Some canning, studies of basic food requirements, simple meal planning and serving were all taken up by the different classes.

A dramatic club was organized by the English teacher, Miss Lois Fenn. They gave a delightful program of choral readings at the Christmas Chapel program. They also presented a clever one-act play at the Open House. This was repeated at a family church night of the Methodists.

Twenty six children finished the eighth grade and

twelve graduated from the high school. Through aid given by us in transportation, eleven children from Elkmont were enrolled in our lower grades.

PTA cooperation with the school program has been especially fine all year. Their main project was serving a hot meal at noon to the children in the elementary school. Government aid made it possible to serve one hot dish, with milk, for ten cents a day per child. It was necessary to clean up the old basement room and to buy a new stove. Pi Phi helped with the repair and a big rummage sale plus individual contributions provided the needed equipment. Different mothers helped to make the project a success. At the Commencement Exercises Mrs. J. Donahoe, president of PTA, presented four awards of five dollars each to the student in each class who had shown the most improvement in their studies during the year. For the first time this organization affiliated with the national organization.

#### *Farm*

With food shortages in so many places we are fortunate to be able to produce so much of the necessary food for our school family and to have a surplus to sell. The milk, cream, eggs, chickens, honey, vegetables, blackberries that grow on our own hill-sides, strawberries from our own bed, apples from the orchard help to supply our table with the finest of food. Weekly sales of eggs and all the fryers we could spare to the Mountain View Hotel, the sale of sixteen young pigs and surplus vegetables have added cash, much needed to offset the high feed costs. All departments of the farm will show a small profit this year.

We were able to grow enough hay for the livestock. The mules have done their bit in helping many a person with garden plowing or extra farm work. They have earned over \$150.00 for us by this service. We sold one of our old Jersey cows and replaced her with a good grade cow, half Jersey and half Holstein. This cow will be sold after our three fine pure bred Jersey heifers begin to produce.

The gates on the place were old and in need of replacement. This was done in the bad weather in the winter. As much fence was built as could be done with the help that we had. The barn roof was reshingled.

#### *Dormitory*

For the most of the year we had seven girls and three boys in the school family. It is worth while to note the changes that take place in the individual students during nine months of living in our dormitories. They gain poise and confidence in themselves, their personal appearance changes for the better and they usually gain in weight. One boy gained twenty five pounds this past nine months. Much credit is due Miss Hodgen for the very fine way in which she trains the girls in their housekeeping duties. They are in demand as waitresses.

Probably due to the fact that there is more money in the community than ever before, more of the students are meeting their financial obligations to the school. One former Dormitory boy, looking very smart in his uniform with overseas ribbons, came and settled an old bill that had been running for two years. A girl who graduated last year and has since been working in a defense plant, sent a check for \$86.25 to cover her entire bill. Her appreciation to Pi Beta Phi was expressed thus—"If it were possible money could not buy the many helpful things I learned at the School. Many thanks to the Dormitory, School and congenial instructors."

Several times during the semester the girls have

planned parties to which other high school students and boys home on leave were invited. All the young people seem to love to come to Stewart Cottage. The girls plan the decorations, games and refreshments, often bringing sugar from home to make the cakes and cookies that they serve.

#### *Health Center*

The Pi Phi nurse has such varied duties that words seem inadequate to report them. She visits the homes where there is illness; gives advice and help in maternity and infant welfare; inspects regularly the children of our school and other surrounding ones; gives the necessary inoculations; treats injuries not serious enough for a doctor's care; conducts classes in Home Nursing and First Aid; takes patients in town to the different hospitals, has a regular clinic day and even helps the tourists in such emergencies as heart attacks and acute sunburn.

In the elementary school the children were weighed and talks on nutrition given at the beginning of the school lunch program. Charts were made for each room. Both children and parents were interested in progress made and recorded as the program developed.

Mrs. Chalmers had a nice honor come to her in that she was chosen as the representative from Sevier County to attend a short course in the treatment of the after effects of Infantile Paralysis at Warm Springs, Georgia. This course was sponsored by the National Foundation for Infantile Paralysis.

Several generous gifts have been made to further the health program. The Dallas Evening group sent boxes of needed surgical dressings. Through Beth LeRoy a Chase doll was secured for demonstration purposes. Sigma Phi Gamma again sent \$50.00 which was used for eye correction work and to purchase glasses for needy children. The largest gift of all, \$200.00 from the Chicago North Alumnae Club, is awaiting the time when certain equipment may be purchased.

#### *Arrowcraft*

We still have what economists call a Seller's Market. This makes the yearly report of our shop quite a different story from the ones in the years in which we were trying to establish a market and urging all the clubs to help sell our products. Now, production cannot keep up with the demand. Ethel Snow has had to refuse to sell anything to the many small dealers who helped out by selling Arrowcraft products in the lean years. Both of the Southern Highlands Inc. Shops, one in Radio City and the other at Norris Dam, Tennessee or the Shop of the Southern Highland Handicraft Guild in Asheville could have taken our full output. Instead they have been rationed in order to keep goods to sell to the people who come direct to the shop and to send to our alumnae clubs.

The gross sales for eleven months of the year came to an all time high of \$85,093.67. This is \$16,387.93 more than the total for last year. This clearly proves that in spite of war time restrictions, shortages in materials and labor that our humble beginnings have blossomed into a real business. The many club chairmen have helped to swell these totals. Eight clubs have sold over one thousand dollars worth of Arrowcraft goods. These are, Kansas City, Missouri, Portland, Oregon, Champaign, Illinois, San Francisco, Berkeley, Denver, Franklin, Indiana, and Milwaukee. Ten other clubs have sales above \$700.00. These are Dallas, Tulsa, Boston plus LeRoy, Albany, St. Louis, Cleveland, Marin County, California, Lafayette, Indiana, Madison and Manhattan, Kansas. It should be remembered that these figures do not paint a true

picture for some clubs would have sold much more if they could have obtained the goods. Will we have to follow Government practices and work out a ration system so that all may share alike?

The shop is still the most attractive one in the village, one that every Pi Phi can be proud of, knowing that it represents the fraternity to the tourists and stands for the things we have done to improve the economic life of our corner of the Southern Highland Area.

#### Conclusion

Every day we are reminded of the interest that loyal Pi Phis all over the country are taking in our project. Their gifts, so carefully packed, bring pleasure and profit to many of the individuals we are trying to help. I wish to express my gratitude to them and especially to Council and Committee for their help and consideration at all times.

Respectfully submitted,  
RUTH DYER

## ARROWCRAFT

WEBSTER says a report is "to give an account of" but I am sure that would be repetition as that is given each month in Ruth Dyer's letter and other sources. Instead I am writing down some of the problems that come up during the year knowing there should be a solution that I have not found so far.

The War Years have been hard for us too but it has done one good thing for Arrowcraft, proven that it is not necessary for the Clubs to send back quantities of goods. By keeping the quality good we should never have to go back to that.

To encourage sales we have given the Clubs many privileges that no business firm would countenance. We can not begin to send them all they are going to want this year so I think it is the time to get on a still firmer foundation. Why should it not be a requirement that in order for a province to be 100% all bills to Arrowcraft must have been paid. Each year brings at least one headache over an account that has run on for a number of years, this year there have been two such. If there was that yearly accounting it would automatically bring anything wrong to the attention of the Province Officer and the Club itself.

We used to preach early orders but by that was meant September and early October and not all in November and December. More people are expected to visit Gatlinburg in the years to come than ever before. There is not much point in having the lovely shop if we do not sell to these people. But that simply can not be done if we start saving for the Clubs in May. I have already had many inquiries. My manual reads "a letter to the Clubs in September telling about prospective things and including a new price list with thanks for what they have done." I have written it much earlier the past years to save myself so many personal letters. As you know it is not possible to be sure of all the things lasting through shipping that go on the price list in July. This year I am not sure of any thing so how can I tell them I will send large quantities of goods at a certain time. It is not fair to the small Clubs who also want small sales, big in their eyes, to send thirty six to fifty baby blankets to one Club. That might be the last thirty six the way things look right now. Rationing may come late to Arrowcraft but it looks as if it may be the fair thing to do. I have tried to be fair but it is the ones who

are most demanding that are the least understanding. It helps however to get bits like this from a grand chairman "I continue to be amazed at the grand job you've been able to do with all the limitations we know exists."

Most clubs do not get started again before September so as far as big sales are concerned there should be an understanding that none can be filled until after that and that it is not possible to write in May and expect us to put the things away to the disappointment of summer trade and many small club orders.

Allanstand and Southern Highlanders Inc. have been rationed this year. These days they could sell our entire output and are glad to take it any time during the year. Also I have had to tell all the small shops we have been selling to that we can not send any more until times are back to normal. I have tried to let them down easy as they are all old friends and we may need them again later on. Along with the headaches I am glad to report that more clubs have settled their accounts in full than ever before and there is still another month before the audit. Mrs. Cole was able to draw the first red line for one of them in all the years I have been here and it had been running for years before that.

It has become a habit to list the ten highest clubs in relation to sales but it is not a true picture in some respects as many of them could not get as much goods as they would have liked to have had.

There were eight clubs who sold over a thousand dollars worth: Kansas City, Missouri 1,686.42, Portland, Oregon 1,630.93, Champaign 1,496.62, San Francisco 1,484.76, Berkeley 1,395.82, Denver 1,177.56, Franklin, Indiana 1,065.57, and Milwaukee 1,025.34.

In the next bracket there are ten Clubs above seven hundred dollars: Dallas 921.78, Tulsa 898.67, Boston and Beth LeRoy together 861.48, Albany 893.85, St. Louis 826.42, Cleveland 807.65, Marin County, California 792.65, Lafayette 780.56, Madison 773.56 and Manhattan, Kansas 706.33. Even with all the difficulties in filling orders, gross sales reached an all time high of \$85,093.67 which was 16,387.93 more than last year.

Respectfully submitted,  
ETHEL M. SNOW

## REPORT OF THE JENNIE NICOL MEMORIAL HEALTH CENTER MAY 1944 - MAY 1945

TWENTY-FIVE years ago, during the season of 1919-20, a "visiting nurses for the community" was engaged by the Settlement School Committee. By patience and understanding, confidence was established. The district of service was purposely kept

small, for travel by horseback was slow, and long trips cut down sharply on the amount of work one person could do. The eight years that Miss Phyllis stayed at the Health Center, set the pattern for the years that followed. Perhaps the most thoroughly

trained of all the nurses that have served the community, her friendly understanding of the problems of daily life, as well as her exceptionally useful professional ability, enshrined her forever in the hearts of the mountain folk.

The course she established in the beginning, has been followed through the years, changing with the changing need of the people. But the nursing service has always been one of guidance and education—a planning for the future, rather than merely meeting the need for the moment. And reading the reports of the years, one sees growth, slowly, but steadily. Superstitions are giving way to knowledge, and the good old ways are modified and integrated with the new.

As Aunt Charity says, "Life wags on, sortie like common," at the Health Center. Babies are "bought," "ail-ments" come and are conquered, and folk are laid to rest in the little cemetery on the hill above the "church-house." "Books take up" in the autumn, and the rush of little feet is again heard on the path leading to the hospital. Hurts are treated, growth recorded, courtin' and miseries are discussed, inoculations are given, and the ways of healthful living are absorbed—almost unconsciously.

The reason for certain ways, the results of neglect, prevention instead of infection, are well remembered lessons, in spite of the informality of the instruction. It is exciting for a school child to race for the nurse's bag, and to gather around with the others while First Aid dressings are done for those who need them. Clean dressings and neat bandaging are insisted upon in many homes, where it otherwise might be neglected, by youngsters who absorbed more than we realized. And adults come to the office many times, because of the urging of their children.

Some of the young folk, who, it seems, only yesterday, were students in the schools, now appear at the door with healthy and active babies. Proud indeed, they are, of these "least-uns", for it isn't easy to stand firm against "granny-ways", and the justification is apparent to all. Our babies are proof that intelligent care pays dividends, and our best argument for health service.

During the year, the state of Tennessee added another preventive serum to our list of free inoculations. Now we are giving Whooping Cough inoculations, as well as Diphtheria, Typhoid and Small Pox. Although that service has not been inaugurated a year, 68 babies have received the entire series—a total of 246 shots. If we can control Whooping Cough as we are doing with Diphtheria, one of the greatest hazards of childhood will be lessened, and, we hope in time, eliminated.

So far, we have been free of the scourge of Infantile Paralysis. Very few cases were reported as suspicious in the entire county. Polio, though, has a habit of traveling from year to year, and we can't feel free from its menace. So, when an offer was made to the Health Center for a short course at Warm Springs, for instruction in their methods of treatment, acceptance was made. Our knowledge of this dread disease is still too limited to spurn any opportunity that might be beneficial to the community. The course will come just at the beginning of the new fiscal year, and we sincerely hope that it may prove to be a good insurance against possible

trouble, rather than needed aid.

Classes in Home Nursing for adults did not work out as we had hoped. Scarcity of Mother's helpers, and the press of war time living prevented regular group meetings for such a period. Nevertheless, two sets of classes were taught, one at Pi Beta Phi, and the other at Sevier County High School. Both groups were Home Economics classes, and were taught with the assistance of the Home Economics teachers. Certificates have been issued by the Red Cross, and some of the girls have already been accepted into the Cadet Nurse Corps. Melinda Ogle Wadley, whose entire life has been spent in Gatlinburg, will be graduated soon from a hospital in Memphis—the first of our girls to complete nurses training.

One of the most interesting events of the school year was the running of the Lunch Room. The excitement of remodeling and redecorating aroused interest to a high pitch. The day lunch was served for the first time, every child in the elementary school was weighed and measured. Charts were made for each room, showing each child's standing—average, over or under weight. Three months later, when the Lunch Room closed, every child was rechecked and the results tabulated.

Present for the entire test were 223 children. Of that number, 163 had gained a total of 428½ lbs. from ½ to 9 lbs. apiece. 107 had grown taller, from ¼ to 1¾ inches. 26 had lost and 18 showed no change. In January, 51 were underweight. In April, 20 had gained up to or beyond their average, and 18 of the rest were gaining. The period of testing was short, and a child's weight varies quickly with illness, lack of sleep, or overactivity. So the results seem very satisfactory.

Two children are now under treatment of an Orthopedic Surgeon for the correction of club feet. Both are wearing special shoes held in rigid position by metal rods. The three months old baby is nearly normal, and the other is improving. Margaret was corrected when she was tiny, but the braced shoes were not worn long enough. Four years old is Margaret—almost too old to make things right without surgery.

Yes, life wags on "sortie like common" at the Health Center. The days are very full and very interesting. We are grateful for our friends—here and all over the country, in the profession and out of it. There are so many of them, and together, we are making life a little easier, a little safer for each other.

Following are the figures for the past year, and for the preceding period:

Class of Work	1944-45	1943-44
Field Visits .....	1,172	1,193
Office Calls .....	2,614	2,394
First Aid .....	2,250	1,823
Diphtheria Immunizations .....	95	61
Small Pox Vaccinations .....	108	111
Total Typhoid Inoculations .....	461	873
Completed Typhoid Series .....	296	220
Total Pertusses Inoculations .....	246	
Completed Pertusses Series .....	68	
Therapeutic Inoculations .....	137	86
Health Talks .....	114	115
Individual Pupil Inspections .....	3,429	4,129

MARJORIE CHALMERS, R.N.

## WEAVING DEPARTMENT REPORT, SEPTEMBER 1925 - MAY 1945

THIS report might appropriately be called any of the following titles: "Twenty Years Out of My Life" or "Twenty Years of Weaving in Gatlinburg" or "Growing Old with Pi Phi" but at any rate, I believe the occasion calls for a resume of my work as the "Weave Boss" at the Settlement School these many years. It really is something to be able to say that I have served Pi Beta Phi longer than any other person in the history of the Settlement School—and I am not a Pi Phi. That fact has not kept me from giving to the school and the community my interest, my service, nor my loyalty through the years. Out of the twenty that have passed all too quickly, I have been employed at the Settlement School for 16½ years. This has been in three periods, the last one being the longest—10 years this July.

When I first came to Gatlinburg in September 1925 after a very hot and dusty ride over the new road that reached just to the front gate, I can remember that the first thing I wanted was a bath with lots of water; but Gatlinburg was in the midst of a drought and as the electricity was made by a little come and go plant on the river in which there was not enough water to make it and consequently our pump run, I had to be satisfied with as little water as decency and the need required. We didn't have lights much either, nor any way to have refrigeration to keep meat, so not much meat was on our menu, nor any telephone. That did not come for many years after that time. But I did have a cordial welcome from all hands on the staff. Aunt Lizzie Reagan cooked for us then, those of us who lived at Teachers' Cottage, and kept us well in hand. Life was not unpleasant even without much electricity, telephone and radio.

Gatlinburg wasn't much in those days. There was Charlie Ogle's store, the Squire's house and Jim Reagan's "Swinkey"—where we could get ice cream—in our immediate range of vision. The Mountain View Hotel was just a little green frame building with a few rooms for guests and the Riverside Hotel had even less room. Hardy souls came to Gatlinburg for vacations in those days. I can remember three cars in town, Miss Evelyn's, O. J. Mattil's and the Huff boys, those constant squires to the young teachers in the early days. Both of them later married Pi Phis. Then the cows roamed everywhere, sometimes it seemed as if there were profusions of cows. We were forever chasing our neighbors' mules out of our front yard as well as his chickens. The town could not boast of a lawn mower, baby carriage, church every Sunday, coal or electric stove, and only the Teachers' Cottage had both a bathroom and furnace. Otherwise modern plumbing was practically non-existent. When we wanted fun we made it ourselves, or went on a real binge and spent the week-end in Knoxville. Now and then there were flickering movies given in the top of the then new barn with the audience seated on bales of hay and sound effects provided by the cows, goats, and horses housed below. Power for the movies was made by hooking onto the motor of the venerable old Ford Station Wagon that was the special responsibility of Shot Reagan—Shot who was to give his life for his country in this war. Trips to the Teachers' Cottage in the Sugarlands were planned with thoroughness and foresight for a ride up there by horseback or in a car that could hop

from boulder to boulder was an event not to be taken lightly.

In contrast to this picture of a sleepy little mountain village is our bustling tourist town, the Gatlinburg of today, that adjoins the Great Smoky Mountains National Park. I can count only 27 houses in the entire town that were being lived in in 1925 and are still occupied twenty years later. Everything else in the town has been built in the intervening years, most of it since 1932. Now our permanent population is about 1600 and there are hotel and cabin accommodations for three times that many, which are filled to capacity during the summer. We have a telephone exchange, public library, post office, four churches, a four-lane highway with sidewalks; and this year the town incorporated. The county runs the school now, with an attendance of 425 pupils—quite a growth from the original 13 of the first Pi Beta Phi school. The first household convenience my weavers "wove out" after electricity was brought in from the outside was an electric iron, with washing machines and bathrooms following.

Now to go back to my story. After the effects from my trip down wore off, I asked Miss Evelyn what I was to do. Her reply was a masterpiece of understatement but I have never forgotten it, nor failed to appreciate the wisdom behind it. She said I was to teach weaving. My next question was "how and to whom" and she left me to my own devices when she said I was to find my job and make it. It was either sink or swim from then on. I chose swimming and the results will have to speak for themselves. Miss Phyllis helped me out with another bit of sage advice when in reply to my question "of what to talk about to these strange mountain women, she replied, "Flowers." The subject of flowers was my conversational backlog for many months to come.

My first call in the community was to the home of Lulu Mae Ogle to see her mother who wove coverlets. She was the oldest weaver in these parts and was a rich source for much interesting mountain history. She passed on her art of coverlet weaving to her daughter who now makes all our beautiful coverlets. I also made the acquaintance of my first mountain baby and a cute one he was, Van Ogle, who now rides in bombers. Of those first 8 or 10 weavers I found in the next few weeks, 2 of them are still making things for Arrowcraft.

Shortly after this Nita Stark came in for her semi-annual Committee visit and there were many discussions about where my weaving apparatus and I were to be located. The looms were then in the old log cabin which did not provide sufficient resistance to the elements, so we decided, and proper space just did not seem to be available. Finally someone had a bright idea! Move the laundry from under the porch of the old Stuart Cottage and put me in there. No sooner said than done and I was moved in with 7 old looms, warping bars and a box or two in which to keep some supplies. Heat was supplied by a little old wood stove with the pipe stuck out a window. We managed pretty well up there for the next three years until we moved again into the new high school building with lots and lots of room (now the 8th grade manages to squeeze into the same space). My greatest problem during those years was whether or not I would acquire a permanent stoop

because I am very tall and the porch was very low with rafters lower than the floor above. My journeys from one end to the other were a bobbing sort of walk up and between those rafters. There was no space for a table or desk so I carried all my records under my arm and my office was everywhere I happened to sit down.

Some weaving had been done before I arrived on the scene. Not much, though, but still enough for me to have a few women who were interested in learning how to make new things. Our entire stock was kept on the shelf in back of the door in what is now Miss Dyer's room. In a few months we outgrew that space and had to put the towels and few luncheon sets (nothing but blue or red borders) on three shelves in Miss Evelyn's office. I taught weaving to the eighth grade girls and I never had a better nor more interesting class than that first one of 7 girls.

It wasn't long before I began to see possibilities. They were beginning to talk about a National Park in this area and if that came we could see where many people would come to this region. Lois Rogers, Harmo Taylor, Miss Evelyn and I had long sessions of dreaming about it knowing full well that if it happened, we were sitting in the midst of opportunity. It was during the winter of 1926 that Arrowcraft was born and I helped name the baby. Lois and Harmo ran the shop that first summer—up in the Stuart Cottage with a preponderance of baskets in stock. My father, who happened to be visiting me at the time, made the first official sale from the new venture, a wooden salad fork and spoon. After that the Arrowcraft Shop moved to whatever space was not in use at the time—from Stuart Cottage to the dining-room and porch of Teachers cottage and back to Stuart Cottage, then finally into the building down on the road that was made of the old schoolhouse with a new room added on the back. This move took place in the fall of 1927 and the Shop remained there until our fine new building was built in 1940. With the activities of the weaving department and the Arrowcraft Shop so closely interwoven, these various moves to gain more room show how rapidly expansion developed.

Life was rather rugged in those old days, especially for your weaving teacher. What few weavers we did have lived distances from the school that were separated by rocky or muddy roads, depending on the season, way up beyond the old Baskins schoolhouse, and gradually as more women learned to "weave for the school," up into the Sugarlands. That first year I walked and walked, sometimes as much as 25 miles a week to reach the women who wanted to learn weaving. It took constant supervision to maintain standards. Not only did I teach them how to weave but how to hem, wash and iron and made them realize that people actually used the articles they made. The next year I decided to save myself so much walking so I rode a horse to the most distant homes. The roads I went on were impassable for an automobile, even if there had been an automobile. It was not until 1928 that I did start to drive a car. By that time there were more and more weavers and less and less time to make the rounds.

It was in 1927 that I decided that part of my job should be to bring something beyond just weaving into the lives of the women with whom I was working and making friends. My first attempt at social life was a tea given at the Teachers' Cottage one spring afternoon. It was the only time we ever served tea to mountain women, coffee drinkers that they

are. They were good sports and drank it though. One old woman said, "Law, if we're goin' to eat, I'll have to spit out my backy" and she did—out the front door. From that small beginning grew our weaving meetings of later years, meetings to which the women looked forward from month to month. Through the years a variety of subjects and speakers have been brought to the women, from butter making to picture painting, from chicken raising to piano playing. We had Christmas parties with Christmas trees and presents, tacky parties, dinner at the hotel, picnics, and once a big banquet with all the fixings. There is no doubt in my mind that these varied educational and recreational programs have made our weavers broader in vision and background than those who have not had an opportunity to attend. They have been systematically exposed to University Extension lecturers, preachers, artists, and anyone else who could bring a message on some subject with which they were not familiar.

In the fall of 1932 the group organized into the Gatlinburg Weavers Guild. This was always an informal set-up but the women felt from that time on that they were a definite unit and they started to sponsor community projects. The first one was the Wayside Market which had some measure of success for two years in selling farm produce at their stand on the main highway. The group next started the Gatlinburg Garden Club in 1936. Until the war and Red Cross work took up the time of the women of the town, the Garden Club conducted a flourishing program. They were instrumental in having the State Highway Department plant the dogwood trees along the highway through the town, they planted and still maintain the little park opposite the Arrowcraft Shop and they cleaned off and kept in order the island in the river. They had several flower shows that before their discontinuance gained a wide reputation in East Tennessee. The activities of the Club have been suspended until times are again normal. The next project of the Weavers Guild was "play-acting." A desire for some money in their treasury prompted their play writing and acting. They gave four plays in all over a period of six years. The last one "Store Britches" which was written and acted by the weavers and members of their families, ran for three highly successful summer seasons. Tourists and townspeople alike enjoyed the fun and the old-timey mountain story. The money they made has been used by the weavers for a self-help fund from which they can borrow for medical attention and family emergencies. As much as \$250 has been loaned at one time to different women. They have taken trips with expenses paid from the fund, the highlight being a trip to Norris Dam where many of them saw their first motor boat and had their first ride in one. They have made donations to the Red Cross and local charities from it and have helped some of their less fortunate members with gifts in periods of stress. When gas rationing started our meetings were limited to one every two or three months.

Perhaps at this point it would be interesting to go back and include some selections from my old yearly reports. They give an idea of the progress of the weaving department from year to year. In May 1926, I wrote, "The weaving situation in Gatlinburg is gradually but steadily growing into a commercial project of great economic value to the women in their homes. Just how extensive the development is to become depends upon the amount of weaving the school can and will handle.—Our greatest problem

is that of supply and demand. The women can weave more than we are selling at the present time.—It would be a great help to know just how extensive the Committee wishes this department to be. There is room for growth and development."

In May 1927 this came along. "As I look back upon this year's work in comparison with that of last year, I find that my problems of conducting the weaving department have changed a great deal. The greatest reason for this has been the amazing growth of sales of the weaving due to a greater interest shown by the Alumnae Clubs and to the Arrowcraft Shop which has been the only solution to the large tourist trade that has come to Gatlinburg for five spring and summer months.—We were shipping a truck load of baskets and a dozen or so packages of weaving every day for two months before Christmas.—The school handles the entire output of 41 looms.—This does not include any of the looms that supply weaving for the three weaving shops that have started in Gatlinburg the past year."

Then in May, 1928, "In looking over another year's development of the weaving department, it is interesting to note changes that have come through the increased commercial demands. There has been about a 33% increase in the business which has meant more organization among the women.—There have been 40 women weaving for us during the year.—The plan of selling materials to the women has kept our weaving of uniform quality.—This amount of weaving can be increased many times as there are more women pleading for weaving than we can supply."

My report of May 1929 is amusing in the light of subsequent events. I said, "This year I feel as if something definite has been accomplished among the women of the community. It is hard to put into words as it is more a feeling of satisfaction that the educational goal has been reached than it is a condition that can be expressed in so many words. It may be due in part to knowing the women more thoroughly.—I have found that the women respond enthusiastically to group instructions.—They are becoming experts in the mechanics of weaving.—I have tried to spread out the weaving among more families by limiting each home to one loom.—There are four young girls weaving this summer to earn money to go to high school this fall making a total of 50 weavers this year.—This work seems to be at a good place to pass on to someone else."

I did leave and Victoria Strand took over for the next 2½ years. When she did not return in the fall of 1931, Miss Evelyn asked me to come back again. I was happy to do so. This was in the midst of the depression and in June 1932 I wrote, "In spite of the fact that all the weaving centers of the South have been turning off their weavers for the past year, we have had our usual number of women working for us.—It is not easy to make hand-woven articles that will sell at a price that one considers inexpensive but that is the trend of the times.—There have been 46 women weaving for the school this year with never less than 38 weaving at one time.—Thirty new articles have been designed. This has required an almost complete turn-over of the stock but we hope that by offering a new line of articles to the Clubs this fall our trade will be stimulated."

Then in June 1933 I wrote, "This has been a year of ups and downs for the weaving department. In November and December we had more weavers working than at any time since I first came here 8 years ago, then in January to March we had less weavers

at work than when I started with the old faithful six or seven women. When the Bank in Sevierville closed in January we had to curtail our weaving program. In order not to weave beyond our income, it has been necessary to keep down the number of women weaving and yet keep a safe balance between the weaving in stock at the Shop and that being made by the women. We have tried to meet this situation by giving a short warp to two women instead of one long warp to one woman."

With the general recovery from the depression, Arrowcraft and the weaving department had another boom. I stayed with it until Christmas of 1934 when again I left, this time for good—so I thought. Miss Carr and then Mrs. Mitchell carried on the department until June 1935. Then Mrs. Weaver persuaded me to return once again so I came back to the same old job in a brand new place.

This last 10 year period from June 1935 to June 1945 has been one of steady progress upward. It was with our move into the Voorheis Building in 1935 that the weaving department came into its own and no matter where it goes in the future, never will the weavers feel so at home nor as if they had a place all their own as they did during the five years we stayed in that building. It gave us the opportunity to have our meetings and all our many social activities in our own building and the women, as well as myself, loved it. I doubt if they will ever again feel as much a part of the school as they did during those years. We had the facilities for serving refreshments at the meetings and could do many extra things that have not since been possible. They "wove for the school" as much for the activities we carried on as a group as they did for the money they earned. Each year they earned more and more money as the weaving demand kept increasing and we had to keep raising their pay to comply with the demands of the Wage and Hour Law. Although the average earnings at the present are lower than this, it is not unusual for a weaver to earn from \$60 to \$75 a month in her spare time at home. That represents a lot of weaving but one must remember that these women are very experienced and very fast.

With the move from the Voorheis Building to the new Arrowcraft Shop building in 1940, the department became more streamlined as the business kept increasing from a slow pace when the war started to a skyrocketing period during the war when consumer goods were scarce and money plentiful. As I write this in May 1945, we are not meeting by half the possibilities for business that would be ours if we had the facilities, the weavers and the materials with which to meet it. It was necessary as time went on and the women were more busy at home when their men went to war, to drop all the extra activities that we had enjoyed so much during the preceding years.

Figures are always interesting in a report so here are a few. In the ten years from June 1935 to June 1945, we have had a total of 242 women weave for us. Two of these have died. Of this total 138 wove for us last year, the greatest number in our history. We keep between 80 and 90 women weaving all the time. As women drop out we try to fill their places with other women who already know how to weave. There is no time now to teach weaving to inexperienced women. The weavers have had 104 babies during this period including two sets of twins. This one fact has meant the loss of much time from their weaving as one of our rules requires that no woman can weave two months before or after the birth of a baby, and only then with the permission of her

doctor, and most of the women take off more time than that. At one time four generations of Aunt Lizzie Reagan's family were weaving for us including Aunt Lizzie at the age of 85 years. Since the war started 29 weavers have had their husbands and 43 of their children enter the armed forces, one has been killed in action. One weaver had five children in service at the same time.

Along in the early thirties we started the practise of supplying all the materials to the weavers and paying them for their labor by the piece. In 1939 we paid them \$11,187.79 and for the 11 months just ending we have paid them \$24,721.47. Our weaving has increased 105% in the past two years alone. Last year we wove 21,630 luncheon doilies and 17,621 luncheon napkins, 2,108 neck scarfs, 1482 square scarfs, 4202 bibs and 1085 baby blankets. Since 1935 we have woven 26,287 underarm bags, 6011 last year alone and I am being conservative in saying we are hundreds behind on our orders. It is impossible to find weavers and materials for more than we are doing.

In the last ten years I have designed 246 different woven articles in hundreds of color combinations. In the past seven years we have paid the weavers \$109,417.18 for their work. Pi Beta Phi has reason to be proud of this record and I am proud to have had a part in it with my women.

This past year might well be called "Passing Previous Peaks." All of our records have been broken. There have been more weavers, more weaving made and more money earned by the weavers than ever before in our history. Our inventory of weaving supplies has had to be our largest in order to take advantage of buying materials when they were available. In spite of planning at least 6 months ahead shortages of necessary materials have occurred. With both cotton and wool frozen for the first six months of 1945, it has been more difficult to operate. Fortunately I had placed large orders before the freeze went into effect and they were delivered in time to keep us going except for a period through the winter when our supply of wool was practically gone. By substituting odd lots of materials that I was able to buy and redesigning a few articles in order to use them, we have kept up as well as possible under the circumstances.

It helped a great deal not to take the December inventory of weaving supplies. The weavers were very glad not to stop weaving for a month in the middle of the winter and it meant that we could build up our stock more than usual after the very heavy shipping season before Christmas. It has been possible to do this extra amount of weaving only by eliminating the extra community activities of the past years for both the women and myself. One contributing factor in large measure has been the fact that the women have had to stay at home more with gas rationing and the absence of so many of their men. They have been weaving to fill up their time and as one of the young mothers told me, "It helps me

forget Charlie is at war because I get so tired I just have to sleep." I have had to caution many of them not to overdo with the extra burdens they are carrying. With the coming of winter and muddy roads we discontinued our weekly trips to the Glades and Boogertown to take supplies and pick up weaving. Since then we have been relying on the mails and occasional trips to town by the women.

I often wonder what the post-war period will do to Gatlinburg, the tourist travel in this region and the handicrafts of this whole area. With the educational program that will soon be started by the Southern Highland Handicraft Guild, of which we are a member, the summer school in crafts here at the school and all the other handicraft rehabilitation projects that are being started, it will no doubt mean that the Southern Highland area will lead in this country in the production of handicrafts of high standards. It will also mean continually keeping before our workers the dignity of working with their hands, heads, and hearts for it takes all three to produce hand-made articles. The people in this section have more money than ever before in their lives and as more tourists come into the region, more and more money will find its way into the homes of the mountain people. It might well be that this fact alone will influence many women in their desire for and against weaving. This reconversion period and the future years will provide an excellent opportunity for the school to give supplementary programs that will keep the women stimulated and fill their need of more educational background.

I still am on the Board of Trustees of the Southern Highland Handicraft Guild after completing 2 years as president. I am also on the Board of Directors of the Gatlinburg Public Library. The library continues to increase its service to the town and is building good reading habits in the children who use it with fervor.

And so twenty years have passed for me. I am grateful to have had the privilege of working with the mountain women of this section. They have given me their trust and friendship and in turn I have tried to be fair and understanding with their problems. My department never could have succeeded without the encouragement and understanding given to me by the Grand Council and Settlement School Committee members. Through the years they have helped me with their unflinching enthusiasm and sound judgment. I am very grateful for that too. To have seen Gatlinburg progress from an isolated mountain village to a modern incorporated town has been an unusual experience in this day and age when anything can and does happen. The people of this immediate area have acquired in one generation what usually takes two to three generations to accomplish. Then too, there has always been the friendship and loyalty of my co-workers to provide inspiration. It has been a privilege to be a part of it and it has been Fun!

Respectfully submitted,

WINOGENE B. REDDING

## PI BETA PHI SETTLEMENT SCHOOL GATLINBURG, TENNESSEE REPORT ON AUDIT YEAR ENDED JUNE 30, 1945

To the Settlement School Committee  
Pi Beta Phi Fraternity  
Office of Settlement School Treasurer  
Denver, Colorado

DEAR MESDAMES:

We have examined and tested the books of account and records of the Treasurer of your Committee for the Pi Beta Phi Settlement School for the fiscal year ended June 30, 1945, to the extent deemed necessary by us for an adequate audit for balance sheet and profit and loss statement purposes. The subsidiary records of the School and its Arrowcraft Shop at Gatlinburg, Tennessee, were not included in our audit. The report concerning those records rendered by Homer K. Jones and Company, public accountants of Knoxville, Tennessee, was accepted by us without further verification. Combining the data furnished by Homer K. Jones and Company and the information taken from the Treasurer's books, we have prepared the attached financial and operating statements.

In our opinion, subject to the following comments, the accompanying balance sheet and operating statements together with related schedules fairly reflect the

financial condition of the Pi Beta Phi Settlement School at June 30, 1945 and the result of the fiscal year's operations.

The exact cash balance in the Royal Bank of Canada could not be determined for reasons set forth by us in the report for a previous year.

On June 30, 1942, \$206.25 in coupons with Endowment Fund Trustees were set up on the books although they matured on July 1, 1942, the first day of the following fiscal year. This entry was not reversed on July 1, 1942. As several of the securities to which these coupons were attached were called during the year under audit, we made an adjustment through General Surplus for the amount of \$206.25.

The majority of expenditures could not be verified against the vouchers as only relatively few vouchers were available for inspection. The Treasurer explained that she sends the original evidence together with the checks to be signed to the Chairman. However, all the checks issued in payment of the vouchers have been examined.

Respectfully submitted,  
BALLIN, MILSTEIN AND FEINSTEIN

### PI BETA PHI SETTLEMENT SCHOOL, GATLINBURG, TENNESSEE

# Committee Reports

## COMMITTEE FOR WAR WORK

THE effort of Pi Beta Phi to be of service throughout the war emergency may be summarized briefly:

1. In August, 1940, Pi Beta Phi contributed \$5,000.00 to the Red Cross—\$4,000.00 was given to the American Red Cross and \$1,000.00 to the Canadian Red Cross.
2. During the year 1942-1943, the Physiotherapy Scholarship Fund was chosen as the NUMBER ONE War Project of the fraternity; Grand Council transferred \$4,000.00 from the Contingent Fund to the Physiotherapy Scholarship Fund, and 11 scholarships were immediately awarded.
3. During the year 1943-1944, active chapters and alumnae clubs contributed nearly ten thousand dollars to the Physiotherapy Scholarship Fund, and 20 scholarships were awarded during that year.
4. During the year 1944-1945, active chapters and alumnae clubs have contributed more than fifteen thousand dollars and as of August 1, 1945, 38 scholarships have been awarded this year. More applications are still on file.

So far, PI BETA PHI HAS BEEN ABLE TO HELP SEVENTY GIRLS SECURE THEIR TRAINING IN PHYSICAL THERAPY in institutions approved by the American Medical Association.

Attached is a complete list of contributions from July 1, 1944 to August 1, 1945. Following the list of contributors, appears the list of all the young women who have received Physiotherapy Scholarships for this same period. Here is listed the amount each received, and the institution where each has studied.

The report of this Committee could well close with these two tabulated lists of facts and figures. Nearly twice as many scholarships have been awarded this year as compared with those of last year, and contributions have been far larger. But several things have happened throughout the year that gave infinite satisfaction to the Committee for War Work, as ornaments on a Christmas tree give sparkle and charm. Beginning in chronological order:

1. Early in November came *one check* from Mary McCullom Top, President of Kappa Province, in which were included substantial contributions from every active chapter in Kappa Province.
2. Early in December the Navy announced that it would confer the commission of Ensign upon every scholarship girl, upon her completion of the Emergency Course offered by an institution approved by the American Medical Association, upon her enlistment in the WAVES.
3. Before Christmas, Wisconsin A sent through its check for \$800.00 to the Physiotherapy Scholarship Fund, duplicating its gift of last year.
4. Early in January, the Surgeon General's Office in Washington, D.C. furnished the Committee with a complete list of scholarship girls serving in Army Hospitals. Four of them were then overseas. Photographs of many were promised, pictures appeared in the May 1945 ARROW.
5. Early in the year, the Denver Alumnae Club contributed a complete \$400.00 scholarship.
6. From early September until the day the report of this committee for Grand Council was compiled, the Washington, D.C. Alumnae Club has sent gifts, arriving almost weekly, which now total \$606.64.

7. From the Baltimore Alumnae Club and Maryland A has come the perfect tribute to a living member—two complete scholarships totaling \$800.00—"The Helen Doll Tottle Physiotherapy Scholarship Awards." The two girls fortunate enough to be so honored are designated in the list of scholarships awarded; they will train at Mayo Clinic.
8. The Chairman of the Committee for War Work purrs with pride at the record of Chicago and its environs: contributions of \$415.00 from Illinois Epsilon, \$500.00 from North Shore Alumnae Club, and more than another \$500.00 from the other alumnae clubs in or near Chicago.
9. Many clubs and chapters have doubled their contributions—clubs and chapters too numerous to mention. We know this greater generosity is due to the province presidents and vice-presidents who have been infinitely persuasive!
10. Feature articles appearing in the May, 1945 ARROW by Dr. Frank Krusen of the Mayo Clinic and Miss Jessie Stevenson, President of the American Physiotherapy Association, give to Pi Beta Phi full recognition for pioneering in offering scholarships in the field of Physical Therapy.
11. A letter from Ross T. McIntire, Vice Admiral (MC) Surgeon General, U. S. Navy, dated June 18, 1945 states: "Our estimates of our needs for physical therapists to care for the anticipated patient load in our hospitals indicate that we will require seventy-five additional graduates of recognized schools of Physical Therapy between now and 30 June 1946." Surely, Pi Beta Phi will continue to do its share toward helping young women prepare themselves to meet this vital, national need.
12. But the following letter from Lt. Dorothy Bradley to the Grand Treasurer which accompanied a personal contribution to the Physiotherapy Scholarship Fund is highly significant. Lt. Bradley is a Pi Phi from Wisconsin Alpha, serving overseas. We reproduce the letter here in its entirety—hoping it will give the entire Fraternity the sense of achievement for work accomplished during the war emergency it has given the Committee for War Work.

Respectfully—and always appreciatively—  
submitted,

LOIS DONALDSON KOEHLER, *Chairman*

April 25, 1945  
Germany

My dear Mrs. Stoolman:

Enclosed is a check for \$25.00 to be added to the Pi Beta Phi Physical Therapy Scholarship Fund. The Fraternity is to be commended for its initiative in sponsoring a scholarship fund for this very worthwhile work.

The demand for Physical Therapists is exceedingly great, and long after the war is over we shall continue to play an important part in the rehabilitation of our wounded men. I have served as a Physical Therapist in the Army for nearly two years—fourteen months overseas. We are always busy. Sometimes, as when we moved into Germany, we act as a holding hospital which means that patients are held in the hospital from twenty minutes to six hours. There is little time for clinic work so we go around the wards giving exercises to patients in casts, spending time with the men who have amputations, for most all of them are anxious about the artificial arm or leg that they will get, and are anxious to know if they will be able to go back to work with such a handicap.

The ward work is extremely interesting and by getting the patients started early on exercises, we can do much to prevent contractions that always cause so much difficulty later on. When the hospital can hold patients from thirty to sixty days our clinics are very busy. We give heat treatments, whirlpool baths, ultra-violet radiation, massage and exercises. We were fortunate in "liberating" two fine German ultra-violet lamps and have put them to good use. Being over-seas, it is sometimes difficult to get various gymnasium equipment, so our men improvise and do a splendid job of making the necessary equipment.

Every place that I have been—England, Normandy, Paris, Belgium and now in Germany the work has indeed been a

tremendous satisfaction. Always it is interesting, and there is so much to be done. I'm sure that the girls who have received scholarships in Physical Therapy have found and will find as much pleasure and satisfaction in the work as I have found. I wish to thank Pi Beta Phi for its splendid contribution to this work.

Sincerely,  
(Signed) Dorothy Bradley  
(Wisconsin A—1934)

Lt. Dorothy Bradley—M 751  
32nd General Hospital,  
APO 350,  
c/o Postmaster, New York City.

## March 10, 1945

- Miss Norma Stahl, Oelwein, Iowa .....\$150.00  
 She completed the work at Rochester Jr. College, Rochester, Minn., and is taking the Emergency Course at the State University of Iowa Hospital.
- Miss Aimee Benjamin, 15315 Bledsoe St., San Fernando, Calif. ....\$400.00  
 She attended Santa Monica Jr. College and Los Angeles City College, and is taking the Emergency Course at Los Angeles Children's Hospital.
- Miss N. Sue Grassle, Kirksville, Mo. ....\$300.00  
 With her B.S. from N. E. Missouri State Teachers College, she takes the Emergency Course in Physiotherapy at the Mayo School of Physical Medicine.
- Miss Barbara Correll, 360½ W. California Ave., Glendale, Calif. ....\$400.00  
 She holds a degree from Valley City Teachers College, Valley City, N.D. and is taking the Emergency Course at Children's Hospital, Los Angeles.

- Miss Clara Beth Haley, Litchfield, Calif. ....\$250.00  
 She has her B.S. from the University of Nevada

## March 29, 1945

and attends the Emergency Course at Children's Hospital, Los Angeles.

## June 1, 1945

- Miss Bernice Anderson, 704 Oakton Street, Evanston, Ill. ....\$400.00  
 She took her B.S. from the University of Illinois in June, and enters the Emergency Course at the Mayo Clinic on July 3.
- Miss Rose Pattison, 1211 W. California, Urbana, Ill. ....\$300.00  
 She received her B.S. from the University of Illinois in June, and entered the Emergency Course at the Mayo Clinic on July 3.
- Miss Marion Holmbeck, 1934 South 4th Street, Rockford, Ill. ....\$400.00  
 She took her B.S. from the University of Illinois and entered the Mayo Clinic's Emergency Course in July.
- Miss Mary Groff, Lancaster, Pa. ....\$400.00
- Miss Virginia Miller, Wyalusing, Pa. ....\$400.00  
 These two girls graduated on May 25 from State Teachers College, East Stroudsburg, Pa., receiving their B.S. degrees. Both have been admitted to the Emergency Course at the Mayo Clinic which begins July 3. These two girls hold the Helen Doll Tottle Physiotherapy Scholarship Awards which were contributed this year by the Baltimore Alumnae Club and Maryland A.
- Miss Dorothy Myers, 211 Henderson Road, Fairfield, Conn. ....\$400.00  
 She graduated from Green Mountain Junior College, Poultney, Vt., and entered the Bouve Boston School of Physical Therapy at once.
- Miss Blodwen Morgan, 111-10th Street, Watkins Glen, N.Y. ....\$400.00

## June 19, 1945

- Miss Karol Musa, 42 Oakdale Boulevard, Farmingdale, Long Island, N.Y. ....\$400.00  
 She received her B.S. from Wellesley College on May 20, having majored in Psychology and enters the Emergency Course at the Mayo Clinic on July 3.

## July 7, 1945

- Miss Mary Mobley, 211 Yale Avenue, Claremont, Calif. ....\$225.00  
 She graduated from Chaffey Junior College in

June and has been admitted to Children's Hospital, Los Angeles for the Emergency Course beginning Aug. 7.

- Miss Barbara Kenison, 4903 Southern Lane, South Gate, Calif. ....\$400.00  
 She, too, has completed the two year course at Chaffey Junior College with a biological science major and has been admitted to the course at Children's Hospital, Los Angeles.
- Miss Treva Jane Carmichael, Hawkeye, Iowa ..\$400.00  
 She has completed a two year course at Iowa University and has done summer work at Drake and Iowa Universities. She has been admitted to the University of Iowa Hospital, Iowa City with the course beginning September 10.

## July 17, 1945

- Miss Marilyn J. Stohl, 750 North Martel Ave., Hollywood 46, Calif. ....\$400.00  
 She has completed two years of college work at Los Angeles City College, majoring in Science, and has been admitted to the Emergency Course in Physical Therapy at Children's Hospital, Los Angeles, beginning August 7.

## July 27, 1945

- Miss Elaine Stowell, 930 First Street, S.W., Rochester, Minn. ....\$400.00  
 She received her B.S. in Physical Education from La Crosse State Teachers College, La Crosse, Wis. and is attending the Mayo Clinic.
- Mrs. Mary Louise Spitzer, 952 15th Avenue, S.E., Rochester, Minn. ....\$400.00  
 A Pi Phi from Pennsylvania T, she received her A.B. degree, majoring in Mathematics, from Dickinson College in June and entered the Mayo Clinic Emergency Course beginning July 3.
- Miss Marjorie Seitz, 215-14th Ave. S.W., Rochester, Minn. ....\$400.00  
 She received her B.S. from Ursinus College, Collegeville, Pa., on June 25th and entered the Emergency Course at the Mayo Clinic on July 3.
- Miss Betty Ann Orr, 215 14th Ave. S.W., Rochester, Minn. ....\$400.00  
 She, too, took her B.S. from Ursinus College last June, having majored in Biology and entered the Emergency Course at the Mayo Clinic on July 3.

In addition to these 36 scholarships awarded during the past year in the United States, it is with special pride and pleasure that we announce the following two awards made in Canada through the Canadian representative of the Committee for War Work, Miss Mary Foley:

## July 10, 1944

- Miss Darby E. Bayly, 47 Castlefield Ave., Toronto, Ontario ....\$400.00  
 This award made it possible for her to complete her final year at the University of Toronto, finishing in August of 1945.
- Miss Margaret G. Douglas, Hazelhurst Road, Clarkson, Ontario ....\$400.00  
 She, too, entered her final year at the University of Toronto and will complete it in August, 1945.

Note: A shortened Emergency Course has not been offered in Canada, hence the awards have been made in this manner.

Total disbursements—scholarships awarded July 1, 1944—Aug. 1, 1945 .....\$12,890.00

## COMMITTEE ON EXTENSION

THE work of the Extension Committee has consisted mainly in completing the routine involved in the successful petitioning of three local groups. These groups had instigated preliminary petitions before a chairman was appointed to succeed Mildred Baliman.

The  $\Pi \Phi \Gamma$ s were the first group to be installed at Michigan State College, East Lansing, Mich., on February 16, 17, and 18. The success of this group

was due in a large measure to the Lansing-East Lansing Alumnae and the efficient direction of Jill Peck. Pi Phi Gamma became Michigan T on the dates mentioned.

On April 28  $\Pi \Delta X$  fraternity at the University of Toledo, Toledo, Ohio, became Ohio E of Pi Beta Phi. As at Michigan, Miss Onken installed the chapter, assisted by Mrs. Wild. This group also had the enthusiastic support of the Toledo Alumnae

Club. The  $\Pi \Delta Xs$  also had a strong organization in themselves, having been on the campus over twenty years.

Gamma Pi at Miami University, Oxford, Ohio, became the 90th chapter of Pi Beta Phi to be installed. This was done during ceremonies held on May 11 and the group became Ohio Z. Gamma Pi was organized by a group of girls about four years ago for the particular purpose of petitioning Pi Phi and nothing else. They, too, enlisted the support of local Alumnae and were successful in rushing against strong nationals so that the group and pledges occupy a prominent place on the campus.

There have been numerous inquiries from local groups, among them being groups from Texas Tech-

nological College, Lubbock, Tex., Roanoke College, Salem, Va., two groups from the same campus at West Virginia Wesleyan, Buckhannon, W.Va. The latter were definitely discouraged. A group at Georgetown College, Georgetown, Ky., and one at Youngstown College, Youngstown, Ohio, have also requested preliminary information. Of these, only Georgetown College has followed its initial inquiry with further information.

The valuable guidance which Miss Onken has given this committee during the past year is deeply appreciated.

Respectfully submitted,  
MARGARET B. HUMPHREY

## COMMITTEE ON SCHOLARSHIP

THIS has been a difficult year for the scholarship committee. Many colleges have revised their programs, some adapting to Army and Navy needs and most of them accelerating in some way. Families have moved from one part of the country to another, and students have withdrawn from college or married, thus bringing about frequent changes in chapter scholarship chairmen. With these changes it has been hard to conform to the arranged plans of the committee. Often when reports were due from the chapters the college offices had not released the information on which such a report could be based. By the time the data was released a new chairman was in office who might not know the old report had not been sent in. Ten college offices found it impossible to calculate the comparative ratings for the year 1943-1944. It is interesting to note that this frequently resulted in a slump in the chapter scholarship average. Some colleges have recognized this and in at least one case the college is again computing the data. On the campuses where a comparative rating was not calculated by the college office or Panhellenic, if the chapter average was obtainable the scholarship committee was able to work a rating.

The committee is happy to report twelve chapters first on their campuses and thirty-seven in the upper third. This is about the same as last year when one realizes that six chapters could not send in any information. Fourteen chapters were in the lower third and three at the bottom. The careful supervision on the part of the Province Supervisors has developed a real interest in scholarship in most of the active members and if such things as leaving college just before examinations or failing to notify a college office that a course was being dropped could be avoided chapter standings could be higher.

The Supervisors have done an exceptionally good job. They have kept in close touch with their chapters and have made many new suggestions for improving scholarship. One of the latest is to call the Study Hall the "Marks Boosters Room," another is to use the open door plan of studying in a chapter house, while still another is to set as a numerical goal for each student an amount as much higher than her last term's average as the difference between the average of the chapter and the average of the highest group on the campus. Closer cooperation between the Supervisors and the Alumnae Scholarship Advisors is urged. A chapter will always benefit when those advising it discuss the problems together. Closer cooperation be-

tween the Supervisors and the Province Presidents would also be helpful, especially before and after chapter visits.

A number of Blank #2's were late in coming in this year, largely because college offices were late, but also often because a new chairman thought the old one had attended to it. To help this situation the committee is proposing to get out a bookkeeping page for the notebook on which each report is listed with places to check each month until the information is obtainable and the report sent in.

The committee is most appreciative of Grand Council's action in awarding the scholarship ring to each chapter. It is a real incentive for improved scholarship. The chapters failing to apply last year were notified and received them this year. This year again some chapters have failed to apply for a ring. The committee wonders if these chapters realize this is a gift from the Fraternity.

"Honors" were reported in September 1944 and a report will be due again in September 1945. The National Chairman would be most thankful for the names of any members winning scholastic honors. This applies to underclassmen as well as seniors, but to scholastic honors only, such as Phi Beta Kappa, Phi Kappa Phi or graduation honors. Mortarboard is not included.

The committee wishes to express to Grand Council their gratitude for the inspiration of working with them and to thank all members of the Fraternity who have aided in obtaining good scholarship.

### CHAPTERS FIRST FOR THE YEAR

Missouri B	Washington A
Missouri F	Oregon F
Florida B	California F
Wisconsin A	California A
Wisconsin F	Nevada A
Illinois Z	Arizona A
Iowa Z	Utah A

Respectfully submitted,  
MARIE BORRIES

## COMMITTEE ON TRANSFERS

THE work of the Committee on Transfers has continued along much the same lines as usual. In the Fall letters were sent to all chapters as fast as the colleges opened to determine what girls had transferred and what other undergraduates had not returned.

Reports were received from all but three chapters indicating that for 1944-45 there were eighty-three transfers from forty-three chapters to thirty-three campuses where we have chapters. No chapter lost more than five girls. The largest receiving chapter was Colorado A with nine.

These transfers were notified of their exact status

in the fraternity and the chapters and advisory committees were notified of their responsibilities. Many of these girls affiliated with the new chapters.

Three hundred and eighty-five undergraduates did not return to their chapters. As the previous year, the chief reason for not returning was marriage. Contact was made with all these girls in an effort to get them to participate in alumnae activity. Because of individual situations this has not been 100% successful, but a large part got in touch with alumnae clubs where they are living, or at least made sure that their ARROW would reach them.

Respectfully submitted,  
KATHERINE HOSMER

## COMMITTEE ON FRATERNITY STUDY AND EXAMINATION

## CONSOLIDATED REPORT FOR 1944-45

## ACTIVE CHAPTER EXAMINATION

Province	Chapters	Actives	Number Examined	Number Excused	Failed	Honor Roll	Province Average
Alpha East	7	212	171	41	2	51	95.817

Mu	6	239	199	40	7	167	97.076
		2,694	2,352	342	21	1,936	

## PRE-INITIATION EXAMINATION

Province	Number Examined	Number Re-examined	Honor Roll	Average
Alpha East	109	2	106	98.802
Alpha West	70	0	61	99.405
Beta	81	0	78	99.12
Gamma	212	2	166	97.2
Delta	181	0	174	99.3
Epsilon	114	0	114	99.62
Zeta	80	0	77	98.86
Eta	164	0	164	100.00
Theta	123	3	118	98.8
Iota	190	0	186	98.93
Kappa	175	0	160	97.95
Lambda	152	2	136	98.5
Mu	155	0	154	99.5373
	1,806	9	1,694	

The members of this committee, most of whom hold full time positions in addition to their work for the fraternity, have cooperated marvelously this entire busy year. In the Active Chapter examination report the number excused is often large because it

includes the initiates who have taken the pre-initiation examination in the autumn and thus are excused from another examination in the spring.

Respectfully submitted,  
GLADYS FINCH

## COMMITTEE ON UNDERGRADUATE LOAN FUND

To the Grand Council  
Pi Beta Phi Fraternity

I wish to submit the following report of operations  
of the Loan Fund for the year 1944-1945—

Loans made 1944-45	
Undergraduate	\$ 445.00
Graduate	500.00
Repayments on Loans	3,164.40
Interest paid on loans	273.03

## Contributions

Active Chapters	\$ 431.80
Alumnæ Clubs	300.00
Tennessee A Mothers' Club	5.00
	\$ 736.80

## Outstanding Loans—Undergraduate

Past due loans	\$5,707.12
Loans due in 1945	775.00
Loans due in 1946	240.00
Loans due in 1947	345.00
Loans due in 1948	425.00
Loans due in 1949	200.00
Loans due in 1950	200.00
	\$5,892.12
Graduate Loans	900.00
	\$6,792.12

We made only three Undergraduate Loans this year. Detailed list of contributions from Chapters and Clubs is attached.

Sincerely,

JOSEPHINE McCLEVERTY, *Chairman*

## COMMITTEE ON SOCIAL EXCHANGE

THE Committee on Social Exchange announces the publication of a new *Bulletin on War Activities* containing contributions from most of our chapters. It is we feel our most worth while effort and will stand in chapter archives for all time a proud record of Pi Phi work for the War Effort in Hospitals, in U.S.O., in Red Cross Dressing Stations, in Blood Banks, and in the sale of Stamps and Bonds—a record of which each active and alumna can be very proud.

The Rushing Bulletin soon to go to press contains contributions from forty-five chapters, an increase of fourteen over last year. The material is unusually fine. We are especially proud of our songs.

Because of the wealth of outstanding material it was very hard to make the award for Outstanding Work. The Chairman is giving the award to Louisiana A for three very original stunts—two appearing in the new Rushing Bulletin—Woodland Party, a serious stunt and The Beau with the Arrow, a humorous one; a humorous Founders' Day stunt—Hiawaffle and the Blankety Blankets. First Honorable Mention goes to Texas B for her clever pantomime "The Life of a Pi Beta Phi." Second Honorable Mention goes to two chapters, George A for her Pi Phi Heaven and Wisconsin F for her beautiful Founders' Day stunt. Other Honorable Mentions are Massachusetts A for her clever nautical party, Florida B for Songs in her Hawaiian Garden Party.

The award for Cooperation goes to Illinois E— all material sent in well written, neatly typed, much more given in Rushing parties than expected. Colorado B gets first Honorable Mention for Outstanding

parties with a theme given and menus and programs sent in for each party. If she had sent in her War Activities material the trophy for Cooperation would have been hers. All those chapters which are now being named for the Social Exchange Hall of Fame of Perfect Chapters are Honorable Mentions for the Cup for Cooperation, Alabama A, Florida B, California B, Michigan B, Missouri A, Illinois H, Illinois Z, Illinois E, Wisconsin A, South Dakota A, Kansas A, Kansas B.

We nominate for the Social Exchange Hall of Fame for songs Texas B, Massachusetts A, Florida B, Georgia A, Kansas A, Indiana B, Illinois E, Indiana A.

As this is the present chairman's L'Envoi she wishes to thank all her Supervisors, the old reliables who have kept our work going and the new ones whose enthusiasm has been encouraging. It has been a privilege and a pleasure to work with the members of Grand Council and their appreciation and understanding have made the work possible under the trying conditions which the War has made for all of us committee and actives alike. And as for the actives how your chairman has enjoyed reading of your parties, your banquets, your Bond sales and your War Work, all that delightful college life which we alums may live only in retrospect. She will miss you and your fine work of mutual helpfulness to each other through the pages of our Social Exchange Bulletins.

Yours in Pi Beta Phi,  
FRANCES K. JEFFRIES

## COMMITTEE ON FRATERNITY MUSIC

OUR committee is still on the look-out for new songs, but our chief concern right now is the selecting of the material for the new songbook which, we hope, will be a reality before many months. The active chapters have sent in their votes for the songs to be chosen for the book, and final checking, eliminating, and selection are going forward.

The music committee sends greetings to all Pi Phis, along with the confidence that singing of Pi Phi songs has been a real pleasure and morale builder during these difficult college days.

Respectfully submitted,  
MARGARET L. KELLENBACH, *Chairman*

## COMMITTEE ON CHAPERONS

THIS committee awards, with great satisfaction, the D.S. badge to our Houses—their chaperons and their girls have come "smilin' thru" another year of War with magna cum laude honors. There has been sleepless anxiety over the fate of loved ones in service; there have been headaches over balancing meals, the main balancer usually lacking, and headaches over managing points; there have been hours of work on extracurricular war projects; yet our Houses have functioned sanely and efficiently. If a great goal of this war is "Democracy," our Houses stand, I think, as front line units. Each day, our girls learn the Give and Take that goes with the adjustment of many different personalities to unselfish unity; a training of inestimable value for just such adjustment, in later life, to civic demands. The girls add to academic requirements, their work for their college projects, for our Settlement School and for our great war-project—Physio-Therapy; as adult citizens, it will be natural to add to their home cares efficient work on civic projects. This meeting the other fellow's needs and

his point of view is certainly one great *raison d'être* of fraternities. Alert thinking, friendliness and tolerance in responsiveness to different people is, certainly, a need of our immediate future; and that is just what is practiced daily in our Houses.

Grand Council realizes the importance of the chaperon to the House and, through our Manual, offers definite standards and guidance, giving always moral support and encouragement. This attitude toward the position is appreciated by our chaperons who regard their work as a worthwhile career. One chaperon said, "It is worthy of all the best a woman has in her." . . . that is saying a great deal; for there is much good in women!

I have enjoyed committee contacts with chaperons, with chapters, and with Grand Council; for their co-operation and their personal kindnesses, I am thankful and deeply grateful.

Respectfully submitted,  
JESSIE LOCKETT

## COMMITTEE ON PUBLICITY

THE Publicity Committee has completed articles which may be used as a guide in writing newspaper articles on the following subjects: The Settlement School, Holt House, Loan Fund and Physiotherapy Fund. These articles will be mimeographed this summer and sent to each Province Supervisor to be used by their active and alumnae chapters.

The aim of the committee has been to build up suitable files of material which will be available to

all groups. It is hoped that by next year our files will contain other material besides the articles mentioned above.

Several interesting suggestions have been received by the committee and have been submitted to Grand Council for consideration.

Respectfully submitted,  
ELVA A. COWAN

## HOLT HOUSE COMMITTEE

HOLT HOUSE is no darkened shrine peopled with shadows from the past. It is a vital, living center of social activity—a fitting memorial to the memory of twelve women whose spirits of good will and friendliness is legendary. The Fraternity may take pride in the better understanding and wider association with groups of a non-fraternal character, which have been accomplished through the existence of the House.

The popularity of the House increases each year. The number of paid meetings during 1944-45 was almost three times the number reported for the previous year. In addition the active chapter used the House sixteen times, and the Alumnae club, five times.

The following list is typical of the fraternal, educational, business and social organizations which use the House each year: D.A.R., P.E.O., A.A.U.W., Campus Club, Θ X, B Σ Φ, Business and Professional Women's Club, Monmouth Women's Club, County Women's Club, and the Book Club. Private luncheons, dinners, and teas have also been served there.

Much of the credit for the increased popularity of the House is due to the efforts of Mrs. C. C. Carey, a capable and gracious hostess.

In a spirit of wartime economy, the committee has refrained from making any purchases or improvements which could be postponed. A much needed stair carpet was placed in the House early in the fall. Through the generosity of the Kansas City Missouri Alumnae Club a carved Victorian dresser, with wishbone mirror, was bought for the Founders' room. The Burlington, Iowa, Alumnae Club has donated an oil-type glass-and-brass lamp to be used in the parlor. The committee is now free of debt and hopes to accumulate a small fund with which to complete the furnishings when the war ends.

The committee is grateful for the increase in contributions from clubs and chapters. It is especially grateful to the individuals whose interest in the House caused them to send in voluntary and unsolicited donations.

It has been a privilege to serve the fraternity throughout the past two years. The chairman wishes to thank the other members of the committee for all that they have done. It has been a pleasure to work with them.

The loyal support of the province officers is apparent from the increased contributions. The chairman appreciates their efforts and their encouraging letters.

To Miss Onken, the members of Grand Council, and the Director of Central Office, without whose prompt and active assistance the committee could scarcely have functioned, the chairman is grateful.

Respectfully submitted,  
MARION KECK SIMMONS

# Reports of Province Presidents

## ALPHA PROVINCE EAST PRESIDENT

THE year for Alpha East chapters started with the Province Workshop of Presidents and Pledge Supervisors in Boston, August 26 and 27, 1944. Delegates were: Connecticut A, Eileen McQuaid, Harriet May; Maine A, Constance Carter, Norma Hoyle; Massachusetts A, Hope Collins, Dorothy Barron; Massachusetts B, Mary Carney, Ethel Whitney; Vermont A, Dorothy Laux, Mary Wisotzky; Vermont B, Jeanne Hotchkiss, Eleanor Jenkins; and Nova Scotia A, Ann Saunderson. Some joint and some separate meetings were held but the general opinion seemed to be that the joint meetings were more beneficial. Every angle of chapter work was discussed, each delegate conducting one or more of the discussions. We were again fortunate in having Beth LeRoy of the Settlement School Committee come in to tell us about the School and show some Arrowcraft. Saturday night Boston alumnae and actives took us to dinner and on a sightseeing trip. Massachusetts A actives and alumnae acted as our hostess at these conferences and we are appreciative of their untiring efforts to make the conference a success.

Official visits to chapters this year began in October but were not finished up until March due to difficulty in adjusting dates so as to avoid conflicts with rushing and the accelerated schedules of the colleges. As usual I came home from each visit feeling I had gained a great deal more than the chapter had and deeply grateful for the privilege of seeing Pi Beta Phi chapters in action.

Only one chapter has reported a cessation of war work since V-E Day and this because the activity was being discontinued in that town. A great many hours are contributed to war work in each chapter, usually individually as group work often is not feasible.

Much satisfaction was reported by every chapter at the results of rushing and 127 girls were pledged. As some colleges do not close until late and at least one additional initiation is still to be held, final figures are not available as this is being written but to date 85 have been initiated.

Nova Scotia A again kept the scholarship record for the province out of the "doldrums," being the only chapter to place first on its campus but Vermont B made us proud by jumping to third place. We hope to be able to report many more improvements next year. Scholastic honors are: Connecticut A, 3 Gamma Chi Epsilons; Maine A, 2 Sigma Mu Sigmas, 3 Omicron Nus; Massachusetts A, 1 Phi Beta Kappa; Massachusetts B, Phi Kappa Phi and Phi Kappa Phi Scholarship, 2 Danforth Scholarships; Vermont A, 2 Cum Laude graduates, 2 Phi Beta Kappas; Vermont B, Omicron Nu, 2 Cum Laude graduates. No such honors are awarded at Dalhousie University.

Honors and Activities for all the chapters, aside from the strictly scholastic honors, are: Connecticut A—Ed-in-Chief *Campus*, President Home Ec Club, President WSGA, President Varsity Club, President University Christian Association, 9 Junior Councilors, 2 *Who's Who*, President Education Club. Maine A—all Maine Women, President Omicron Nu, President Sigma Mu Sigma, Manager Basketball, Mu Alpha Epsilon. Massachusetts A—President Fox Hall, President Panhellenic House, 2 Scarlet Key members. Massachusetts B—3 Isogons, Presidents of Bacteriology Club, Student Christian Association, Naiads, Phillips Brooks Club, Scrolls, Campus 4-H Club,

WSGA and French Club; 5 members of Scrolls (new Sophomore honorary), 6 *Who's Who*, Ed-in-Chief *Yearbook*. Nova Scotia A—Presidents Commerce Society, Midlothian, Arts and Science Society, Junior Class, Shirreff Hall, Delta Gamma Athletic Club and Capt. Basketball. Dalhousie has no organization similar to Mortar Board. For the second year Nova Scotia A won the Connolly Shield for the best play presented in the annual competition. Vermont A—3 Mortar Boards, Presidents Senior Class, Freshman Class, WAA, Modern Dance, Dormitory, Forum (during summer session); Junior Marshal and Navy Color Girl. Vermont B—2 Mortar Boards, 5 Sophomore Aides, 2 Staff and Sandals (junior honorary), Lilac Day Queen, President YWCA, 4 dormitories, International Relations Club, Rifle Club. These honors of course are only the very top honors and do not take into consideration the many other honors won by each chapter.

The Amy Burnham Onken Award for the Province went to Barbara Pullan, Massachusetts B. Other girls honored by their chapters as candidates for this award were: Connecticut A—Alyce Fenn, Maine A—Constance Carter, Nova Scotia A—Ann Saunderson, Vermont A—Dorothy Laux, Vermont B—Beryl Cheney, and Massachusetts A—Alice Johnson.

The Portland Club Sophomore Award went to Evelyn Foster, Maine A, and was presented at the anniversary luncheon celebration at the Penobscot Valley Country Club by Grace Meeken Hutchins, Vermont B, President of the Portland Club. The luncheon was an observance of the 25th year of Pi Beta Phi on the Maine Campus and of the 78th year of the founding of Pi Beta Phi. About 80 were seated including several mothers of actives (whom we were especially happy to see), alumnae, patronesses, and the Dean of Women. The Portland Club, through Miriam Holden Doane, Maine A, presented the chapter with a scrapbook comprised of letters from each of the charter members of the chapter and from each Maine A chapter president from 1920 to date.

Other candidates for the Sophomore Award were: Connecticut A—Millicent Carlson, Massachusetts A—Vasilis Verenis, Massachusetts B—Esther Coffin, Vermont A—Jane Laux, Vermont B—Elizabeth Concklin.

Although complete figures are not available at the present time it seems very probable that the chapters are again 100% in their contributions to Settlement School, Holt House, and Physiotherapy Funds. Three chapters have also given to the Loan Fund. All chapters used the Magazine Agency and a very fine record was made with Massachusetts B leading the province with commissions of \$27. All but two chapters increased their commissions over the previous year and Vermont A won the prize of \$10 for making the highest per capita commissions (\$1.21). Connecticut A and Massachusetts B placed 4th and 5th, respectively, in the Eight Highest Chapters having the greatest percentage increase for the year 1944-45.

The Alumnae Advisory Committees continue to give unlimited assistance in many ways to the chapters and to me and in so doing strengthen the position of the chapter on each campus.

Housing conditions are the same with the exception of Massachusetts B's renting of the Theta Chi House. The house is only 4 or 5 years old and has a

beautiful atmosphere. Mrs. Cole, at Connecticut A, Mrs. Van Orden at Massachusetts B and Mrs. Rutledge at Vermont B have each given the girls a great deal in the way of fine living and have helped them to learn the enjoyment of living together. All three have been most helpful and thoughtful at the time of my visits and I look forward to seeing them again next year.

I would like to express my appreciation to the

many Pi Beta Phis who have helped to make this another pleasant and successful year and I would especially like to thank each active for the fine cooperation she has shown. It is only with such cooperation and the assistance of the alumnae that we can make any progress toward symbolizing the ideals of Pi Beta Phi in being the finest chapters and the finest Pi Beta Phis.

HAZEL SAWYER EVERETT

## ALPHA PROVINCE WEST PRESIDENT

**A**FTER an absence of several years from the office of President of Alpha Province West, I am happy to have returned. I have enjoyed visiting the chapters once more to see the progress made under the fine leadership of Elizabeth Murray and, before her, Clara Sipherd. The opportunity to renew old friendships and to make new ones has made the work of the past year very rewarding.

My initiation to this year's work was the Presidents' conference held for the second year at the General Brock Hotel in Niagara Falls, Canada, early in September of 1944. Elizabeth Murray, the retiring Province President, was present and the success of the conference was due largely to her efforts and inspiration. Every delegate present was enthusiastic and appreciative of the opportunity to attend such a conference. It was a great satisfaction to me to see the attitude with which every officer approached her work, the ambition each evidenced to get as much as possible from the conference and to make an outstanding contribution to her chapter. Later in my chapter visits, I could see many ways in which this conference had helped strengthen the various chapters.

The accelerated program on some of the campuses still presents difficulties because of wide divergence in the dates when university terms begins and end, the more intensive schedule of study, the greater number of students graduating in the middle of the year, and so on.

All of my chapter visits were made during November and December and early this year the Province had the great inspiration of a visit from Lois Snyder Finger, Grand Secretary, who was very helpful to every chapter.

All of the chapters in this Province now own their own houses. Up until last fall, Ontario B had rented a house but it was necessary for them to move this year and I am glad to report that the chapter now owns a very pleasant house which meets their present needs very beautifully. The actives and alumnae worked very hard before college opened in order to have the house ready for the chapter, and I was very much pleased with its homelike, comfortable appearance. Ontario A also bought the house which they have been renting and using for chapter meetings, luncheons and fraternity functions, and early in the fall had it attractively redecorated. On this campus the women students do not live in chapter houses. The three New York chapters, Alpha, Delta, and Gamma, all own large houses which are well kept up and nicely furnished.

Although some of the chapters will not know until later what their comparative rating in scholarship for the past year is, all chapters feel that their scholarship has improved very definitely this year. New York A learned that they had raised their scholarship standing from eleventh place in the list of women's fraternities on campus to fourth place. This was first place in the list of NPC groups. New York T raised their scholarship several points.

In activities, Ontario A holds several positions in

the Women's Undergraduate Association, including the office of Treasurer and that of Second Year Representative. We have a member on the Athletic Directorate of University College and a Pi Phi is president of the Physical and Health Education Association, another is vice-president of the Women's Undergraduate Medical Association. A Pi Phi was Social Director of the Women's Undergraduate Association during the past year and directed the University College Follies. Many of the girls in this chapter were in the chorus or danced in this production or served on committees for it. In the play "Thunder Rock" produced at the university, a Pi Phi had the lead. Pi Phis were active in the Commerce and Finance Clubs. There is a great deal of activity in sports at this university and we had many girls on the different athletic teams, including golf, baseball, basketball, tennis, and hockey. War work of 60 hours a year is required of all students except freshmen.

Among the positions which Ontario B holds is Editor of *The Gazette*, student paper, three Student Administrative Assembly representatives, including the secretary to the Assembly, president of Panhellenic, secretary to the University Students Committee, secretary-treasurer of the Clio Club and the vice-president of the same club, vice-president of the Athletic Directorate, secretary of Polycon Club, Senior adviser on the Freshman Welcome Committee. Four Pi Phis were on the Women's Athletic Association Council this year, including the Vice-President. Pi Phis held the positions of Secretary to the 1946 Year Executive, member of the Sunday Nine o'clock Committee, Editor of the *Occidental* (Yearbook), Vice-President of Players Guild, Vice-President of Inter-varsity Students Society, Master of Ceremonies of the Arts Ball. The Pi Phi who holds an office in the Players Guild was also one of the Directors of the Drama Festival held at the university during the year. The chapter has four representatives in the Inter-varsity Students Society. A Pi Phi is the badminton champion of the university and a Pi Phi is the winner of the tennis cup, presented to the winner of the women's open singles tournament. The manager of the tennis team was a Pi Phi. The chapter felt very happy to have two girls elected this year to the Honor Society, the highest honor to Seniors at this university.

New York A won both the bowling cup and the swimming cup this year. The chapter has a member of the Women's Athletic Association Board, a Pi Phi is hockey manager, another is chairman of Traditions Commission, two sophomores were on the *Daily Orange*, university newspaper, a Pi Phi was editor of the *Daily Orange*. Other positions held by Pi Phis were: member of the staff of *The Onondagan* (Yearbook), chairman of the Junior Prom, chairman of Women's Skating Events for the Winter Carnival, three Junior Guides, finalist in the Winter Carnival Sno-Ball Queen contest, manager of the Swimming Team, Treasurer of the Winter Carnival, president of Haven Hall, a secretary and treasurer of university living centers, member of Freshman Executive Coun-

cil, Senior Guide, Publicity Chairman of the Senior Ball, Bowling Manager, treasurer of  $\Sigma A I$ , music honorary, member of  $\Pi A \Theta$ , women's Education Honorary, president of  $A E P$ , radio honorary, as well as one member of this honorary, In the Tambourine and Bones musical comedy production, a Pi Phi had the lead.

At New York  $\Delta$  two Pi Phis were elected to Mortar Board this year. There were eight Willard Straight Committee members and one girl was elected to represent the whole student body as Student Member of the Board of Managers of Willard Straight Hall. Other offices held by this chapter were: member of the Business Board of the *Cornell Bulletin*, five members of the Board of the Cornellian, president of Aesculapius, treasurer and one other member of the same organization, Women's Athletic Association Representative, several positions in the Women's Self Government Association, Junior Class president, Sophomore Class secretary, Junior Class Council member, Sophomore Class Council member, Student Council Member. Pi Phis have been active in the Radio Guild, Cornell United Religious Works, Women's Chorus, and Sage Chapel Choir.

New York  $\Gamma$  has the honor of having one girl elected to Kalon, high honorary on that campus, and one to  $\Phi B K$ , two members in  $\Pi \Delta E$ , honorary journalistic fraternity, one  $\Phi M E$ , honorary mathematics fraternity. The chapter is very well represented in activities, some of the positions being: the secretary and the treasurer of Mummies, dramatic society, and in the latest production "Angel

Street," two Pi Phi acted; Associate Editor, Co-editor, Advertising Manager and member of the Editorial staff of the *Scarlet Saint*, humor magazine; Secretary of War Council; associate editor, office editor and a member of the Editorial staff of the *Hill News*, weekly paper; contributing editor, associate Editor, and a member of the Editorial Staff of News Bureau; Treasurer of Newman Club, associate editor and senior editor of *Gridiron*, Year Book; also sports editor of *Gridiron*; president of Panhellenic; president of International Relations Club; vice-president of Women's Student Government Association; Varsity Cheerleaders; three Campus Council members, editor of *Laurentian* and an assistant editor, vice-president and secretary of Women's Athletic Association.

The winner of the Amy Burnham Onken award for this Province was Marion Kaiser of Ontario B. Other girls nominated for this award in this Province were Joan Ebbels of Ontario A, Phyllis Briddell of New York A, and Martha McGuffie of New York  $\Delta$ .

As the year draws to a close, I feel very grateful for the splendid cooperation of all my chapters, I am grateful for the work of the Advisory Boards in this Province and also for what our fine chaperones are doing for the chapters under my supervision. And lastly, for the whole hearted support of Grand Council, and for the cherished privilege of working with Miss Onken, I am deeply appreciative.

Respectfully submitted,

CHARLOTTE MARTIN FOX

## BETA PROVINCE PRESIDENT

THE year just ended has been an exacting year in the hearts and energies of all whom we know, and it is with pride and joy that I add my bit to the full record of the achievements of our Pi Phi actives, meeting the challenges of their college day so acceptably.

As in every province, opening dates for the fall term varied from the usual third week of September to the first of November, and our plans for the province were necessarily subject to this wide variance. Beta Province joins the others in acclaiming the privileges and advantages of its Chapter Presidents' Conference, and the satisfying results which can be traced to that sharing of ideas and agreeing upon goals. We enjoyed another special privilege this year in visiting the campuses of Toledo University and Miami University and in finding the quality of work and purpose in the petitioning groups not only worthy of the privilege of Pi Phi, which has come to them, but inspiring to us all. Beta Province welcomes Ohio E and Ohio Z with deep affection, and with a confidence that they will help us to keep our Pi Phi record a challenge to all those who wonder what the fraternity has to offer to the educational world and to its members.

Scholastically, Beta Province is very happy over several fine victories. At the top of the list of its long Panhellenic roll, Ohio B holds the scholarship award for the second year in succession and deserves high commendation because of the competition which she has overcome. Ranking with her in outstanding achievement is West Virginia A in pulling herself from a former seventh place on her campus into the top position, at the end of the first semester of this year, with every active and every pledge above initiation average. Ohio A also placed first at the end of the first semester and reached the position she has

almost achieved several times in recent years. Pennsylvania B is in second place and determinedly aiming for the top. The war years have caused the campus authorities of the other two chapters to omit the publishing of the comparative standings but we are counting upon these to be ready to maintain the fine record of their sister chapters when their own averages are again made public.

When you examine the detailed accounts of the manner in which our Pi Phi actives are providing leadership for their respective campuses, you will be very proud of the way in which they prove the statement that "you can count on the Pi Phis."

*Pennsylvania B*: Four chapter members and the chairman of the Alumnae Advisory Committee have been members of Mortar Board this year—Helen Grim, Nancy Woehling, Mary Follmer, Karin Nelson and Miss Martha Henderson, with Helen Grim the president. Patricia Whittam, new chapter president, has just been elected to membership. Retiring chapter president and the winner of the province Amy Burnham Onken award is Nancy Woehling, who has been the president of W.S.G.A. Queen of the All-College Ball last year, Mary Follmer became campus May Queen last week, with two Pi Phis in her Court. Helen Grim and Karin Nelson were elected to  $\Phi B K$  at the time of their mid-year graduation, Karin graduating "cum laude."

*Pennsylvania I*: This chapter has the honor of holding the two important journalistic positions on campus—that of editor of the *Dicksonian*, who is Nancy Person, retiring chapter president; and, editor of the *Microcosm*, Barbara Mulford. Katherine Shreve has been the president of the newly revived "Little Theater" group, supported by practically the entire chapter. Jo Ann Wilson headed  $T \Delta II$  and Nancy Person,  $A \Sigma \Delta$ . Joan Thatcher and Matilda Chubb,

new chapter president, proudly wear the Junior Blazer. Campus Beauties are Alma Anderson, Ann Gates and Barbara Mulford.

*Ohio A:* Ruth Ann Grover has been president of Y.W.C.A., member of Mortar Board, and captain of the varsity debate team. Gene Kissner has been elected to  $\Phi$  B K. Anne Heller will be associate editor of the *Ohio University Post* for a second year. President of  $\Psi$  X is Mary Brown, and of the Kindergarten Primary Education Club is Joan Galbreath, new chapter president.

*Ohio B:* Mildred Rankin, daughter of Beta Province vice-president, Edith Hoyer Rankin, has been secretary of the Student Senate this year and is the incoming president. She is newly elected to Mortar Board. Patsy Conaway, daughter of Christine Yerges Conaway, Pi Phi Dean of Women, is the new director of the campus War Board and has a strong quota of Pi Phis on her staff. She is also treasurer of W.S.G.A. and a member of Chimes. Nine Pi Phis represent the fraternity in the thirty-five members of Women's Ohio. Elaine Judy is secretary of Mirrors and Mid-Mirrors; and, Eleanor Ott is Junior Representative and Marjorie Patton, Sophomore Representative of W.S.G.A. Chairman of the V-E Day ceremony was Mildred Rankin and of the Seventh War Loan Drive, Margaret Davis. Jane Hamlin was co-chairman of May Week and five Pi Phis held important responsibilities for that important celebration. New members of Mirrors are Marjorie Patton and Margaret Davis. Marianna Terrill was a member of the Court of the May Queen.

*Ohio A:* Executive president of W.S.G.A. was Margery Mayer, also a member of Mortar Board. Dorothy Buck was the executive secretary of W.S.G.A. and a member of Mortar Board. Marjorie Good was the business manager of the *Owl*, treasurer of Y.W.C.A., a senior advisor, and a member of  $\Phi$  B K. Jeanne Lemal won the State Oratorical Contest and placed fifth in the National Contest. Jeanne is an initiate of this year. Four freshmen have been elected to Sophomore Commission. Peggy Philson is a new senior advisor.

*West Virginia A:* Mary Thomas Hill, retiring chapter president, has been selected for *Who's Who*. Mary Fisher was Homecoming Queen. Dorothy Walker is the new vice-president of W.R.A. Patty Carew, new chapter president, is president of Orchesis and was the star performer in the Swim Meet, with Dorothy Walker as comedy star, and Pi Phi as winner of the Meet. Carolyn Eberly is the new secretary-treasurer of the campus dramatics honorary and Pi Phi has taken an outstanding place in campus plays this year.

These particular honors are but a small picture of the service of individuals and chapters on their campuses, and the Fraternity has reason to be proud of the quality of the campus citizenship of its members, not only recognized but in ways unsung.

Just preceding the war, at the last Beta Province Conference, the Cincinnati Alumnae Club presented to the province a silver cup to be awarded to Beta Province chapters for outstanding achievement. This cup has been awarded to Pennsylvania B for the years 1943-44 and 1944-45.

Beta Province has been deeply interested in the special projects of the Fraternity and has felt that it

must have a share in these, in order to feel that sense of oneness with the fraternity at large. Every chapter has made its contribution to the Settlement School, through its support of the Magazine Agency, and by gifts to the School. Commendation is due Pennsylvania F for placing among the eight highest commission chapters, per capita, and for Ohio A and West Virginia A for being listed among the eight chapters who have made the greatest percentage increase in commissions. Every chapter in the province has made some contribution to the maintenance of Holt House. And five chapters have contributed to our great war project, the Physiotherapy Fund.

Regretfully we note that changes must come in the ranks of the women who so greatly influence the lives and security of our chapters. Mrs. Mary Esther Smith, who has given sixteen long and faithful years in loyal service to Ohio A, is leaving and we see her go with deep regret and with sincere appreciation for her unflinching loyalty to her Pi Phi girls. The new Dean of Women of Bucknell University has just been announced—Mrs. Eleanor Reppert—who succeeds Mrs. Soltz, acting dean. Beta Province achievement would be impossible without the wise guidance, counsel and aid of her chaperons, Deans of Women, and Pi Phi Alumnae Advisory Committees. None of us will ever know the quiet extent of their services but we do know that they have not failed in their service to the girls who have been in their care, and we thank them sincerely. We believe that their greatest reward has been in the generally cooperative and happy relationships which they have enjoyed and in their pride and joy in the achievements of the girls themselves.

This year ends with a gleam of light in the dark clouds of our war experience and with the assuring sense of a people resolved to finish what they have begun. Surely we have rejoiced humbly and deeply as we have seen the quality of spirit and accomplishment which our Pi Phi actives have evidenced in their lives on their war time campuses. Our faith in them has been wholly justified. Although there is a difficult road yet to travel, we do look to better days, and when they come, we will find that our Pi Phi chapters will "keep their feet on the ground" in the freedom from strain, as they have under strain, because they have not taken their vows casually.

May I express my sincere appreciation to Mrs. Conger, the Beta Province Supervisor of Chapter Accounting; to Mrs. Clark, Supervisor of Scholarship in our province; to Margaret Ann Black, Supervisor of Fraternity Examinations, and to Louise Brosius, Supervisor of Social Exchange, all of whom have worked with Beta Province actives. I am deeply grateful to Isabel Clark for her excellent advice to the chapters on rushing and on pledge training, and, to Marianne Wild for the inspiration which she gave to the chapter installations which I so regretfully missed, and, to Mrs. Shappert, whose work in Central Office is so necessary to our well being. Miss Onken knows, without effusive comment, what she means to a grateful province president. Work in Pi Phi has its deep satisfactions which compensate for the long hours it sometimes requires. For every Pi Phi privilege which I have enjoyed, I am deeply grateful.

LUCILE DOUGLAS CARSON

## GAMMA PROVINCE PRESIDENT

IT HARDLY seems possible that for the third time I am writing an ARROW report. Time has a way of speeding past, especially when you are busy. It is quite difficult to express what the year has meant to

me. This has been truly a fine year for our eight chapters—one of them a baby chapter. We have had our ups and downs but I think we can say that it has been a good year.

Early last September, for the second time, the two day presidents' conference was held in Chapel Hill at the Carolina Inn. It was thought for awhile that an outbreak of infantile paralysis in the state might prevent our meeting. All eight presidents were in attendance and two pledge supervisors. The girls were enthusiastic about the advantages and opportunities of the conference. We all felt that those chapters having the two officers carried far more than double in value back to their chapters. The presidents attending in 1944 were: Norma Jeanne Perkins, president, Teddy Stover, pledge supervisor, Maryland A; Margery Gessford, Washington D.C. A; Carolyn Buck, Maryland B; Thyrsa Becker, Virginia A; Cornelia Westerman, president, and Joan Parker, pledge supervisor, Virginia F; Nancy Jane King, North Carolina A; Betty Pine, North Carolina B; and Jo Thompson, South Carolina A. We "knocked off" work at my husband's suggestion early the first afternoon and he took us on a "supervised" tour of the campus. The president of the local Alumnae Club had placed an interesting folder of cards in the rooms, and the club members had provided a bowl of fruit for each room. I was very amazed that all the girls did not know what scuppernongs were. I had no idea that these are strictly a southern variety of grapes. The sessions outside the conference proved beneficial also—these occurred long after I had gone to bed!

Because of the conference in the fall and because of Mrs. Smith's visit in February, my visits were made late in the spring. These trips were enjoyable and satisfactory in every way. It was a great disappointment that I could not remain in Baltimore for the Founders' Day Banquet honoring Mrs. Tottle—but unfortunately my train schedule did not allow me to make both! It was also a disappointment to have to call off at the last minute my visits to Virginia A and Virginia F. The Deans and Councilors with whom I talked all praised the Pi Phi chapters highly for their cooperative spirit and for their leadership. During my visit to the campus of the University of Maryland, it was a privilege to attend the annual Interfraternity Sing. Maryland B did not win but the girls made a lovely picture as they sang "The Symphony" and "Pi Phi Blues."

Three houses are maintained in Gamma province—at Maryland B, Virginia F, and North Carolina A. The house mothers make a happy home for the girls. Virginia F was grieved to lose their beloved Mrs. Carter, but are fortunate to have Mrs. Griffith with them now. This year sororities at the University of South Carolina were given a dormitory, centrally located, for chapter use. This has proved a fairly happy arrangement, though not an ideal one. Most of the chapters were able to do a certain amount of redecoration.

The scholarship record for the year is exceptionally good—with every chapter showing improvement. There are three first places, North Carolina A completing its ninth year as first on the campus. Two chapters moved up several places; one remained the same but had a higher average, while the average for the new chapter was not counted last year. The eighth chapter rating is not available at this writing, though Panhellenic will compute this before the end of the term. There was a marked increase in elections to  $\Phi$  B K: Maryland A, 1; District of Columbia A, 2; Virginia A, 1; Virginia F, 2; North Carolina A, 6.

The Amy B. Onken award this year was won by a member of Virginia F. Your province president had planned to make this presentation in person to Marcia Manewal, but events led to the necessity of cancelling this visit. Sunny has made an unusually outstanding

record at William and Mary, contributing much to her college and to her chapter. The seven other girls nominated by their chapters are also fine examples of the standards set by the requirements for this award. They are: Iris McConnie Johnson, Maryland A; Carolyn Buck, Maryland B; Mary Ring Young, District of Columbia A; Thyrsa Becker, Virginia A; Betty Lou Cypert, North Carolina A; Merthel Greenwell, North Carolina B; and Patsy Patrick, South Carolina A.

Chapters were 100% in their contributions to the Settlement School, Holt House, and the Physiotherapy Scholarships. Several of the chapters made contributions to various drives on their campuses. South Carolina A sponsored a War Bond Rally, which sold \$4,000 worth of bonds.

District of Columbia A contributed to a fund providing an operation for a youngster whose face had been injured and who needed plastic surgery. The chapter used the funds usually set aside to get a large dance band for their Christmas dance. The dance was held but the orchestra was a much smaller one.

All chapters continued their splendid service in giving full cooperation to all war work on the various campuses.

It is very difficult to be fair in reporting accomplishments and honors, for there are so many hours of faithful service that go unmentioned. However, the following is in part a list of the extracurricular achievements:

*Maryland A:* president of the Judicial Board, member of Executive Council of Student Government, six members of various varsity sports, leader of Sophomore Sing-Song.

*Maryland B:* chairman of the Cosmopolitan Club, 2 members are in the Women's Chorus, two in the Riding Club, two officers of the Canterbury Club (Religious), one member of the honorary home economics club.

*District of Columbia A:* president of the Inter-Sorority Athletic Board, soccer manager, a member of the foreign service fraternity, publicity director of the freshman class, president of the Student Nurses, president of the Religious Council, one in *Who's Who*, two representatives to Delphi (for fraternity service), winner of the diving contest, three members of Mortar Board.

*Virginia A:* president of the senior, junior, and sophomore classes, editor and news editor of the magazine, treasurer of the Junior class, president of East Hall, two junior ushers (selected on scholarship), editor of the student handbook, five members in the May Court, five training group leaders, co-chairman of orientation week.

*Virginia F:* president of the junior class, chairman and secretary of the Honor Council, president of the Intercollegiate Debate Council, managing editor and news editor of the *Flat Hat* (newspaper), top honors in tennis, second place in swimming, two in *Who's Who*, three members of Mortar Board, president of the senior class, president of the German Club, president of the Chemical Society, freshman representative to Student Government.

*North Carolina A:* president and vice-president of Woman's Government, speaker of the Coed Senate, president of the Glee Club, president of two dormitories, president of Town Girls, editor of the *Carolina Magazine*, president, vice-president and treasurer of Valkyries (Mortar Board), two in *Who's Who*, president of the Dance Club, swimming championship, five assistant leaders in local Girl Scout troops.

*North Carolina B:* chairman and treasurer of Social Standards, president of Sandals (sophomore leadership), three members of  $\Phi$  K  $\Delta$  (Mortar Board), three

campus championships—tennis, golf, and basketball, chief Commencement Marshal, three members of White Duchy (honorary), president of the Glee Club, May Queen, two others in May Court, and coed business manager of the yearbook.

*South Carolina A:* president of A K Γ, (Mortar Board), president of the Coed Association, president of the Glee Club, secretary-treasurer of the junior class, president of the sophomore "Y," vice-president of the Student Body, member of the Problems Committee, one member of the junior scholarship society, four girls in May Court, five members of A K Γ.

*Maryland B* was installed in June. This was a memorable event for all who were present, particularly so to me, for it was the first time I had ever participated in an initiation ceremony (I was Chapter Censor). The buffet luncheon and the banquet, attended by scores of Pi Phis, both old and young, were lovely occasions. Also I met Mrs. Alford, and that fact speaks for itself!

This year Ruth Barrett Smith, Grand Vice-president, visited the province in February. I wish I could repeat here some of the many nice things that were said about her, and of the inspiration and "wonderful advice" she left everywhere. Her charming personality also made lasting impressions.

Cooperation has been exceptionally good. May I pay tribute to those many girls who, by their loyal and faithful service, have done much for their chapters? Much appreciation goes to the fine cooperation received from the Advisory Board members, who have worked with and for their chapters. I would like to thank also all the chairmen of National Committees, the members of Grand Council and especially Miss Onken for their letters so filled with information, assistance, and inspiration. Thank you seems most inadequate.

Respectfully submitted,  
SUSAN R. SAUNDERS

## DELTA PROVINCE PRESIDENT

**Y**OUR Province President is happy to report a successful year under conditions that are gradually stabilizing, in spite of the continuing man-power shortage. Since there are few girls left who remember "way back when" campuses operated on a normal basis, the chapters have become more nearly adjusted and there is less emotional unrest evident. In many instances the girls themselves have assumed duties formerly taken care of by hired help. One or two campuses have now abandoned their accelerated schedules and have returned to the two-semester system. Several have lost their army and navy units. Most chapters and colleges have post-war building or other plans, to be put into effect as soon as materials, etc., are available. The two youngest chapters have organized House Corporations and Michigan Γ has an option on a very desirable lot for its future home.

The big event of our year, of course, was the chartering and installation of a new chapter at Michigan State College. This hand-picked group, organized as Π Φ Γ, had been functioning for nearly a year. At the beginning of the winter term, a number of Province representatives went to Lansing to assist in its very gratifying first rushing season. In January the required inspection trip was made, to the immense satisfaction of everyone. Then in March came the wonderful installation week end, over which Miss Onken presided and which was attended by Mrs. Wild, Mrs. Lewis, and your Province President, among other guests. The details were published in the May ARROW and need not be repeated here; but it was an experience never to be forgotten by those privileged to be present. We extend heartfelt thanks for the numerous messages of goodwill sent from all over the Fraternity, and the deepest appreciation of the Province and the Fraternity goes to the Lansing-East Lansing alumnae club and to Jill Peck, the chapter supervisor, for the outstanding piece of work they have accomplished. We look forward to Michigan Γ's attaining and maintaining an eminent position in fraternity circles and take pride in presenting our "baby" to the Pi Phi family. Delta Province also wishes to welcome and congratulate the other two new chapters in our immediate vicinity—those at Toledo and Miami—at the installation of both of which the Province was represented.

Second only to the Michigan Γ installation in significance was the conference of chapter presidents at Detroit in December. All the presidents except one

were in attendance. A series of mishaps necessitated Indiana Γ's sending its treasurer, who made a splendid delegate, contributing much to the discussions. Chapter problems and interests of all sorts were considered, ideas were exchanged, new songs were learned. Though, owing to a dispute between the Hotel Statler and the Unions, we were unable to hold a formal dinner, as we did last year, and though no photographer could be corralled to take the usual group picture, yet aside from these minor disappointments the conference was a complete success and it was once more agreed that such informal, intimate gatherings were more productive than the larger, more elaborate Province conventions. Detroit again proved to be the most convenient and economical meeting place for all concerned, and the inspiration and help gained more than justified the expense involved.

Your Province President has visited all the chapters under her jurisdiction save one, illness at the last moment preventing the visit with Indiana B, which Mrs. Wild very graciously made in her place. She is grateful for the hospitality and many courtesies extended to her and for the opportunity to become personally acquainted with her girls. Almost without exception the college administrations give high praise to Pi Beta Phi, its standards and achievements.

The chapters' year has been a busy one, with war work still playing an important role in their programs. They have their share of WACs, WAVES, SPARS, members of the Marine Corps, physiotherapists, cadet nurses, and other members of the service. War-brides and service wives are found in every chapter—some of them remaining to earn their degrees, others leaving school to be with their husbands. In one case, such a wedding unexpectedly left a chapter temporarily without a president in the middle of the term. Chapter membership levels have risen, as a whole—perhaps a natural outcome of the increased enrollment of women students. Meals are a problem, as everywhere, but there are no indications that the girls are not adequately fed, regardless of the scarcity of meat and butter. The housemothers certainly deserve medals of honor for their accomplishments along that line.

Michigan B burned its mortgage at Founders' Day time, with appropriate ceremonies and much jubilation. Participating in the actual rite were Rebecca Downey White, Lotta Broadbridge, Marie Winsor Stebbins, and Miss Chipman, Initiation, banquet, and

an alumnae luncheon were additional festivities. Nearly all the houses have had small improvements, such as redecorating, new curtains, etc. Indiana E had a slight fire in its recreation room, which fortunately was extinguished without real damage. Michigan I is occupying the Δ X house on a two-year lease, but is expecting to build after the war. This house is comfortable, conveniently located, and serves their purpose admirably for the present. Other Province housing is unchanged.

Scholarship as a whole is on the up-grade, one chapter having raised its comparative rating from tenth to third. Class contests and other devices have been used with success and awards for superior scholarship and improvement are offered annually. Michigan A had three members of E Δ A (Hillsdale's Φ B K); Michigan I and Indiana I had members of Φ K Φ; Indiana B had one Φ B K; Indiana A had two elections to Alpha (Franklin's Φ B K), one of them the honor initiate; it also had the highest grades in the freshman class; Indiana E had two girls with straight A averages, Michigan B had one. One Michigan B won the Hopwood Award in the essay division. Norma Chambers and Jeanne Mann hold two of the campus scholarships at Hillsdale and Phyllis Juckett was chosen alternate for the Merrill-Palmer scholarship; Betty Parkins won the W. K. Kellogg scholarship for medical technicians and Evelyn Petersen the Alliance Française medal at Butler; Gene Dennison of Michigan I holds the Pratt-Whitney scholarship. Since some institutions have discontinued the issuance of comparative ratings and some have placed other obstacles in the way of our fulfilling the scholarship program and still others have not yet released their grades, the scholarship report will have to be incomplete. The Ann Arbor alumnae present a recognition pin to the active girl who passes the best test on Michigan B history—a custom that might well be adopted universally. The Michigan B housemother gives an award to the senior who has contributed the most to the house during her college course. This year the award went to Ann Cook, by unanimous vote of the chapter. Your Province President had the pleasure of meeting Mrs. Mattison, Province Supervisor of Scholarship, and a sister M Φ as well as a sister Pi Phi, at Ann Arbor, and among the excellent plans she has for her work is a Round Robin for chapter scholarship chairmen, as a medium for exchange of ideas and suggestions.

The Delta Province Amy Burnham Onken Award this year went to Wanda Lee Dettmer of Indiana A and the Province President had the happiness of presenting it in person to Lee, who had not even known she was a candidate. The other candidates were: Michigan A, Priscilla Ringler; Michigan B, Naomi Miller; Indiana B, Charlotte Kupferer; Indiana I, Marilyn Behmyer; Indiana Δ, Barbara Sanders; Indiana E, Mariantha James. On Founders' Day, at Indianapolis, the Province President was privileged to present the state awards to the Indiana candidates, and also the Indiana State Cup to Indiana B.

In extracurricular activities, stress has been laid on being really active in a few, rather than simply holding memberships in many. All chapters require participation. In some the number is limited by the chapter itself; in others, by the college point system; in one or two there is no limitation. Lack of space prevents a complete list, but some of the important activities and positions reported to this office are:

*Michigan A:* Two in *Who's Who*; secretary of Student Federation; president of Women's Council and of Panhellenic; offices in junior and senior classes;

president of Biology Club; May Queen; "Miss Hillsdale"; International Relations Club; choir, orchestra, string quartette and trio; W.A.A.; Riding Club; editor and art editor of annual; *Collegian* staff; two members of Σ A I; assistant in dancing.

*Michigan B:* Twenty-one positions announced at Installation Night; president of Scroll (senior honorary) and two other members; one member of Wyvern (junior honorary); W.A.A. Board; Judiciary Council; chairman and captain of sophomore project; eight orientation advisers; three sophomore honors; junior aide on social committee; representatives on most campus committees.

*Michigan I:* President of French Club; secretary of International Club (the only office held by an American); president of K Δ II; Sophomore and Freshman Home Ec Boards; one Mortar Board; members of O N, B A Σ, T Σ, Σ X Γ, Π M E; feature editor of *State News*; staff of *Wolverine*; treasurer of Town Girls; seven in Tower Guard (sophomore honorary); Intercollegiate Swimming Team; Experimental Radio Workshop; Studio Theatre; Speakers' Bureau; W.A.A.; Veterinary Science Club; orchestra; choir; glee club; Queen of the Veterinary Ball.

*Indiana A:* May Queen; Wigs and Cues; president and historian of Θ A Φ; editor, advertising manager, lay-out editor, and senior editor of *Almanack*; managing editor, exchange editor, proof editor, and circulation manager of *Franklin*; W.A.A.; International Relations Club; president and two vice-presidents of A Φ Γ; eight in Gold Quill (Franklin's Mortar Board); thirteen in Laurels (freshman-sophomore honorary); secretary of House Council; Student Council; orchestra; octette; E Σ Φ; Science Club; secretary-treasurer of Δ A Θ; Treble Choir; Basketball Queen; Franklin Representative Student.

*Indiana B:* Two in Mortar Board; president of Student Council; A.W.S. Council; business manager of *Arbutus*; Junior Prom Queen; Beauty Queen; W.A.A. Board; Δ T M; Pleiades; vice-president of Oceanides; president of A.W.S. for summer semester.

*Indiana I:* Two in *Who's Who*; Scarlet Quill (senior honorary); Spurs (sophomore honorary); Φ X N (freshman honorary); Chimes (junior honorary); K B; Θ Σ Φ; editor of *Drift* and of *Collegian*; president of Panhellenic; vice-president of A.W.S.; secretary of Π E Φ; Freshman Rose Queen for fifteenth time; leading in contest for Bond Queen.

*Indiana Δ:* Red Cross Cup for blood donations for second time; Gold Peppers; choir; Purduettes; Playshop; one girl has her own radio program; staff of *Exponent*; Θ A Φ; O N; A.W.S.; W.A.A.; University Senate.

*Indiana E:* No activities report from Greencastle. The chapter won a place in the campus "Show-down," which gave them a part in the DePauw production at the Indianapolis Civic Theatre.

The rushing situation remains about as usual. All Delta Province chapters are successful against their rivals. Various quota systems are in force on all campuses except Hillsdale. At Ann Arbor experiments are still being tried, with gradual improvements in the system. Proposed changes, drawn up by the Detroit Panhellenic, are being considered for next year. In the pledge group at Franklin was the daughter of the president of the college. Indiana E initiated the largest percentage of pledges of any campus group. One of Indiana Δ's initiates was the daughter of Mrs. Carroll, author of the Loving Cup song.

Delta Province has contributed to all national projects and stood first in magazine subscriptions, with Indiana E heading the active chapter list. Indiana I and Michigan I were among the eight

highest. These three chapters were also among the eight highest in per capita commissions. The Indiana E pledges made a separate contribution to the Settlement School, having earned the money themselves. Through fewer chapters gave to the physiotherapy fund, the sum total was more than twice our last year's contribution.

This has been a most delightful year for our Province President, and she has thoroughly enjoyed her association with the girls and the alumnae groups. Extra special experiences have been presiding as toastmistress at Michigan A's initiation banquet for the second year in succession; attendance at Indiana A's initiation and acting as guest speaker at their

banquet; and celebrating Founders' Day at Indianapolis, with Indiana T, the Indianapolis Alumnae Club, and Mrs. Lewis. She also had the privilege of hearing the Metropolitan Opera Company sing "The Barber of Seville" at the Purdue Music Hall, in company with Mrs. Potts and some of the Indiana Ds.

In closing this report, your Province President wishes to express her appreciation of being allowed to continue her service to the fraternity and of the patient cooperation she has received from Grand Council.

Respectfully submitted,  
VIVIAN LYON MOORE

## EPSILON PROVINCE PRESIDENT

THE oldest and largest national women's fraternity has weathered much storm and strife in its long and glorious history, and no difficulty has been greater than the one brought upon all American institutions by World War II. With only one year's service as President of Epsilon Province, I have found the answer to the continued progress and steady growth of Pi Beta Phi. With careful choice of chapter material, with the ideals and purposes diligently instilled by older members of the fraternity, and with a consummate desire to justify its existence, each chapter plows through the morass of emotional disequilibrium and personal challenge of troublous times. That the chapters of this province have met this challenge is evidenced by the enthusiasm of their members and the approbation of the faculties, deans, and alumnae—to say nothing of their Province President!

Epsilon Province began what has been a successful year in many ways with the province conference for chapter presidents, which was held in St. Louis, the first of September. We felt greatly honored to have Miss Onken with us and as always she was a wonderful inspiration and help. This contact with my chapters early in the year meant a closer relationship and easier cooperation in working with the girls during the year, and I feel that we all gained much from our two days together.

Chapter visits began in November when I made my official visit to Tennessee A. In December, I visited Kentucky A, and Tennessee B in January. April found me winding up my visits in Missouri. These visits were a very real joy and inspiration to me and the time spent with each chapter passed only too fast. The girls could not have been more gracious, thoughtful and attentive, making you feel truly welcome. Without exception, each individual was an asset to Pi Beta Phi.

Cooperation from the chapters and officers, on the whole, has been excellent. With few exceptions reports have come in on time without prompting. In general the officers have been more conscious of their responsibilities. I would like to express my appreciation to the chapter officers who have carried on their duties in such an efficient manner and who have written me interesting and informative letters; thus adding much to the success of the year and making my work easier and more enjoyable than it might otherwise have been. I would also like to express my appreciation to the Advisory Committees, who have given untiringly of their time and assistance and who are serving Pi Beta Phi so faithfully.

The winner of the Epsilon Province Amy B. Onken Award was Peggy Schwankhaus, of Missouri B, the award being presented to her at the annual Founders' Day Banquet. This was the third consecutive year

that this chapter has produced the winner of this award, which is a fine record indeed. There were six outstanding girls nominated by their chapters and the choice was a difficult one. They were: Martha Ann Horne, Kentucky A; Marilou Gardner, Tennessee B; Betty Bandy, Tennessee A; Betty June Edminston, Missouri A; Peggy Schwankhaus, Missouri B; and Barbara Johnson, Missouri T.

All of the chapters had a successful rushing season and showed excellent choice in their pledges. Kentucky A pledged 14, initiated 13. Tennessee A pledged 19, initiated 14. Tennessee B pledged 16, initiated 14 at the end of the fall quarter and the two remaining pledges at the end of the winter quarter. Missouri A pledged 29, three dropped out during the first semester, leaving 26, and 19 of these were initiated. Missouri B pledged 24, initiated 19. Missouri T pledged 11, initiated 9. Missouri A pledged 5 girls this spring, Missouri B 3, and Missouri T 1.

I have been very proud of the splendid way the chapters cooperated in getting all contributions in early. All checks were received by December. We were one of the first two provinces to get in all our contributions and the first to complete contributions to Holt House. Every chapter was 100% and all but one gave also the the Loan Fund. Our totals were: Settlement School, \$215; Holt House, \$37; Physiotherapy, \$135; Loan Fund, \$32. \$46 was received in senior dues. This year Epsilon Province has had a special project—a "bonus gift" for the Settlement School. The project has been enthusiastically supported by the chapters. Although all the checks for this "bonus gift" are not in as yet, so far Missouri B has sent \$15.00, raised at the annual open house on campus at which the Pi Phis had a caricature booth; Missouri T, \$15.00; Tennessee A, \$30, raised at a benefit bridge party; and Kentucky A, \$5.00. Tennessee B has sold an old rug and bed to raise their gift, but the purchasers are paying on the installment plan! Their check will be forthcoming as soon as the final payment is made! This fine response is indicative of the pride and interest the girls have in our philanthropic project.

Scholarship is the only black mark on our record. Epsilon Province has not done well in this respect. All of the year's comparative ratings have not yet been released, but so far not one chapter is first on its campus and only two, Missouri A and Kentucky A, are in the upper third. With the diligent effort the girls are putting forth, I feel sure that next year the scholarship picture will be much brighter.

Although the girls have fallen down some in scholarship, they have been outstanding in campus activities and honors. We are certainly not lacking in this phase! There has been a decided increase in interest in campus activities and I am mighty proud

of the honors the girls have brought to their chapters and to the province. There are so many that I will mention only a few.

*Missouri A:* 3 members and president of  $\Theta \Sigma \Phi$ , honorary journalism; one Mortar Board; Barnwarming Queen; Queen of President's Birthday Ball; *Savitar* (year book) Queen; *Savitar* Cup for best skit at *Savitar* Frolics; Winner of Workshop Play Contest; 2 Careers Conference Board; 2 K T A ( $\Phi$  B K for journalism school).

*Missouri B:* permanent secretary of Class of '48; Homecoming Queen; Engineers' Queen; seven out of 13 members and president and secretary of Freshman Commission; 4 members and vice-president of Mortar Board; secretary and sports editor of school annual; president, secretary and treasurer of W.A.A.; 1 A  $\Delta$   $\Delta$  (*soph. scholastic*); 2  $\Phi$   $\Sigma$  1 (*Romance language honorary*); and women's president of Student Senate; president of Panhellenic.

*Missouri T:* 2 *Who's Who*; president of Drury Lane Troopers; secretary International Relations Club; 4 Skiff (equivalent to Mortar Board); president of junior class; winner of inter-fraternity sing; president of  $\Sigma$  A I (*music honorary*); president of Tri Beta (*science honorary*); 4 department assistants; one magna cum laude; next year's editor of *Sou'wester*, school annual.

*Kentucky A:* vice-president and secretary of Home Ec. Club; president of Y.W.C.A.; secretary of Panhellenic; circulation manager of school paper; chairman and program chairman of Freshmen's Woman's League; one  $\Delta$  O (*music honorary*); 2 Pallas Club (equivalent to Mortar Board).

*Tennessee A:* secretary of freshman class; vice-president and treasurer of junior class; senior class president for next year; one Honor Council; one *Who's Who*; 3 Quadrangle (similar to Mortar Board); Student Council Senior Representative; secretary and treasurer of University Players; president of W.A.A.; 8 K X E (*campus honorary*); 3 members and vice-president of A K (*sociology honorary*); one Les Independents (*French honorary*); 4 International Relations Club; president of Y.W.C.A.; and a Pi Phi won the Alumni Achievement Award, highest honor given a graduating senior.

*Tennessee B:* senior representative to Student Council; junior representative on Honor Council; president of W.A.A.; president of Choir; Homecoming Queen; one Athenians (*scholastic honorary for juniors*); one  $\Phi$  B K; one  $\Sigma$   $\Delta$  II (*Spanish honorary*); 3 Tri Arts (*campus honorary*); 1st in

Diving Meet; vice-president of Student Christian Union.

All the chapters are active in War Work, doing their share in bandage rolling, Red Cross knitting, motor corps, nurse's aides, etc. Special mention should be made of Missouri A's selling \$33,000 in "E" bonds during a campus drive.

The results of the fraternity examination were especially pleasing. The active average for the province was 99.06. Of the 142 actives taking the examination 136 were on the honor roll; there were no failures. The pledge average was 99.62. One hundred and fourteen pledges took the examination and 114 were on the honor roll.

The conferences with the Deans of Women have been gratifying. They were high in their praise of the cooperation they received from the Pi Phis, their campus standing and leadership.

Every type of fraternity living accommodations are represented in the province. There are two chapter houses; the spacious, beautiful home of the Missouri As, and most attractive home of the Tennessee Bs, Kentucky A and Tennessee A have lodges, Missouri B a lovely room in the Woman's Building, and Missouri T rents an apartment located near the campus.

This year as Epsilon Province President has brought me much happiness and many memories to be cherished always. It has indeed been a privilege and a pleasure to have served the six fine chapters of Epsilon Province and the fraternity I hold so dear. It is with the deepest regret that other pressing duties have made it seem wise for me to resign. For the constant help, inspiration, and assistance of members of Grand Council, especially Miss Onken, and other fraternity officers, I have been profoundly grateful.

The magnificence of a mountain fire, how the flames leap from branch to branch and from tree to tree—with a comparable celerity and spirit of Pi Beta Phi marches on, burning the underbrush of human dross and weakness from the character of women who will contribute to the very core and making of the future United States. It is a big thing—it is a challenging thought, and I am confident that the chapters of Epsilon Province, fired by the aspirations and the ideals of all the women who have gone before, will do their part in the spectacle of women-with-a-purpose in the land where such organizations as Pi Beta Phi are privileged to flourish.

Respectfully submitted,

CARROLL BONNEY

## ZETA PROVINCE PRESIDENT

IT BECAME my privilege to serve as Zeta Province President last September, and during the year I have found great appreciation and satisfaction from working with the five chapters in this province, their splendid cooperation has helped throughout the year. My reward for this work has been greater than can be told, for I have a greater knowledge of the fine organization of which we are a part and a deepening love for the Fraternity acquired from association with these fine college girls.

The Chapter Presidents' Conference was held in Orlando, Florida, in October and was my first real introduction to the duties of Province President. Zeta Province is indebted to Lucile Douglas Carson, Beta Province President, who was gracious enough to meet with us and give us the inspiration and vision to make the conference a success. Two chapters sent pledge-supervisors and two chapters were represented

by their vice-presidents since the presidents could not attend. The discussions developed enthusiasm and interest, each delegate taking an active part in the program. New ideas were thoroughly discussed and understood. I am sure that each chapter was benefited by the inspiration their delegates brought back with them.

Chapter visits were delayed because of the lateness of the conference and were not made until February; and each visit was a pleasure. Because of the late date all chapters had finished rushing and were most pleased with the results. I had the opportunity to meet the pledges and found them a very fine group, well selected by all measurements. The new rushing rules at Birmingham-Southern had been suggested by Martha Sebre, Alabama A, who was president of Panhellenic. The Dean of Women called the new regulations satisfactory to all and a benefit to the

school. Florida A started school with only seven active members and one pledge but their enthusiasm and efforts were rewarded with eighteen fine pledges, and cream of the campus at Stetson. Florida B is limited to a chapter of fifty and had easily filled its quota and was well on its way to developing plans for chapter and individual advancement. Florida Γ had also finished a successful rushing season and later initiated all but one of the pledges. Georgia A had filled its allotted quota and thus became the largest chapter in the province although the youngest in age. It was pleasing to note the balance in the pledge groups, due weight had been given scholarship but also girls outstanding in other ways had been pledged.

Each chapter has met the challenge of war times, and is giving splendid service to the war effort. Every chapter has served the Red Cross, Bond Drives, and Service Clubs in many ways. Special recognition should be given Florida Γ along this line. The chapter initiated a plan of entertaining each week some of the wounded service men in a nearby hospital with such success that the college adopted the plan and had other groups on the campus participate in order to entertain more men.

The Amy Burnham Onken Province Award was given Betty Jane Amidon of Florida A who has given so generously to her chapter and campus. Through her leadership the chapter pledged eighteen fine girls to make the largest membership that Florida A has had in years. Then by her leadership and inspiration the chapter rose to first place in scholarship on the campus. Not stopping with these results, Betty Jane continued to inspire the chapter and fellow students in many ways. She is loved and admired by all who know her. It was difficult to make a decision for this award for the girls nominated by the other province chapters were outstanding too. Alabama A had wisely selected Betty Davis as their candidate. Isobel Rogers of Florida B had done a fine job on her campus and in her chapter. Ann Huguley of Georgia A also was a worthy candidate for this honor.

Interest in scholarship seems to have been one of the result of the chapter presidents' conference. Florida A had occupied the last place in the comparative records for the year 1943-44 but this year they fought their way to the top and ended with first place in the campus organizations. These two accomplishments were a great satisfaction to me as well as the girls in the chapters. Alabama A lost their first place for one quarter, the first time they had not held it for eight years, but their plans to forge ahead should put them on top for the last quarter, in which event they would receive the Scholarship Cup given by the school for the year's best record. Florida B consistently stood in third place in the listing on their campus and was working hard to move forward. The report on Florida Γ has not come in since the school has not issued a comparative rating for the year but chapter members have high hopes of improving last year's record. The interest all chapters have shown in scholarship indicates that the 1945-46 school year will be an improvement on last year.

All Zeta Province Chapters have maintained their fine reputation for extra-curricular activities as is shown by the many offices held on the various campuses and the many honors gained by individuals. There are so many honors that it is impossible for me to list them all although I would like to give each girl proper recognition. Then there are many that have given hours to chapter service that should have their efforts and time recognized. Time however limits me to the outstanding honors received.

In Student Government, the Pi Phis seem to have

taken their share, or more, of the offices on the various campuses. Isobel Rogers of Florida B was president of Student Government for 1944-45. Betty Joy Fusfield of Florida Γ has been acting president of the Student Body for the last term of 1944-45 and Ann White of the same chapter has been elected president of the Student Body for 1945-46. Susan Roundtree of Florida A has been elected vice-president of their Student Government for 1945-46. Susie Harris of Alabama A is elected to Executive Council for Women's Upper Division of Student Government. During 1944-45 Florida A held the vice-presidency of the junior class and president of the sophomore class and eight members of this chapter were chosen by the Dean of Women to act as freshman advisors; this being a high honor on the campus. Georgia A will hold four of the seven offices in Women's Student Government for the year 1945-46.

Along journalistic lines the chapters in the province rank high with Judy Pepper, Florida B, being editor of the *Flambeau* (school newspaper); Margaret Baugh, Florida B, was elected editor of the *Annual*; Bunny Sloan of Florida Γ was elected editor of the 1945-46 year book *Tomokan*; and Anne Rogers, Alabama A, was elected business manager of the *Hilltop News* (school newspaper).

Many Pi Phis have been elected to membership in the honor societies at the different schools. FRESHMAN FLUNKIES elected four officers, of which three were Florida B members. Charlotte Downing Jennings, Georgia A, was elected to Θ Σ Φ (honorary journalistic) and to the Zodiac Club, Margaret Caruthers and Mary Anne Tyler of Georgia A were elected to Α Α Δ by virtue of their scholarship. Florida Γ had Pat Bastain and Eleanor Plumb chosen by the national honorary drama society Φ Β. Polly Price and Betty Buck of Alabama A were initiated into AMAZONS (honorary social fraternity). Faith Kurt and Eleanor Jarrett of Florida A were tapped for Phi Society (honorary scholastic); four other members of the chapter were initiated into LaFrancedo, the honorary French club, and four more made the BLAZER CLUB which is honorary for athletics. Martha Sebree and Betty Davis of Alabama A were elected to *W'bo's W'bo*. Mortar Board tapped Judy Pepper and Margaret Baugh at Florida B. Φ Κ Φ initiated Isobel Rogers and Anne Gaines of the same chapter. Isobel Rogers was also initiated into Φ Β Κ. Alabama A had the May Queen on their campus, Martha Sebree, their chapter president, winning this honor. Of the nine girls elected to May Court at Birmingham-Southern five of them were members of Alabama A.

As a whole, the Alumnae Advisory Committees have been well organized and have worked closely with the active chapters. Two chapters, Florida A and Alabama A felt they were greatly indebted to their alumnae for their success in rushing and also for their guidance during the school year. I found that where alumnae visited the chapters frequently that they became enthusiastic about the girls and the work they were doing on the campus, and it seems that where there is a strong tie between the chapter and its Advisory Committee that an outstanding chapter will always result.

The housing situation has not changed in the province; two chapters, Florida B and Georgia A, have their homes. Mrs. Fogg and Mrs. Knox, chaperones, have watched over the girls most carefully and have been a great joy to their girls. Florida B had their house redecorated last summer, and it has been an inspiration and pleasure. Florida A and Alabama A have charming chapter rooms which they use as head-

quarters during the day and for social functions in the evenings as well as chapter meetings. Florida F is handicapped by not having a chapter room, having to use quarters in one of the dormitories. I hope they can make better arrangements for the coming year.

The chapters of the province have shared in the philanthropic work of the Fraternity. Florida A, Florida B and Florida F have contributed one hundred per cent to the National projects. A report is expected from Alabama A and I am sure they will meet their responsibilities as usual. Another report from Georgia A which I expect, will put them in the one hundred per cent column too.

May I take this opportunity to thank the girls

for their cooperation, friendliness, and loyal support during the past year? They have been an inspiration to me and made this a happy year. To have had the pleasure of working with Miss Onken has been an experience never to be forgotten; her unlimited patience, constant encouragement and assistance have been unflinching. To Grand Council, Louise Shappert, and the Chairmen of Committees, may I say "Thank You" for your patience and assistance. I hope that the next school year will find me better prepared to successfully meet the needs of Zeta Province and also to further the programs outlined by the Fraternity.

Respectfully submitted,

EDYTHE BELTON TYLER

## ETA PROVINCE PRESIDENT

**I**N THIS my first year as president of Eta Province, I have found the chapters all so cooperative and such fine groups of real Pi Phis that my duties have been pleasant and gratifying. The visits around the province were one of my first big tasks and the girls were charming and capable hostesses.

In scholarship our proudest chapter is Illinois H, which has won permanent possession of the Panhellenic Scholarship Cup. They have ranked first among sororities for the third consecutive year, and now plan to put their name on the next cup, too. Eleven girls in the chapter were eligible for Honors, and one for High Honors.

Illinois Z raised its rank to second among Panhellenic chapters, and eighteen girls received Class Honors, four received College Honors, and three girls are eligible to wear the University of Illinois Scholarship Key. Six freshmen made A Δ Δ, and they had one election to Φ K Φ, and one to Bronze Tablet.

Wisconsin A kept its rank of the third in Panhellenic, and their pledges came up four places over last year. Illinois B-Δ has not received their rank for this year, but they expect to be first again on the Knox campus. They had one election to Φ B K. Wisconsin F had one Φ B K, and the same girl graduated Summa Cum Laude. Grade averages are not compiled at Northwestern, but the records of Illinois E show improvement over last year. All of the chapters have study rules and required library hours, and they all use care in considering rushees on the basis of their scholarship records.

The size of the chapters is much the same as in former years. We had 146 initiates, and 84 graduating seniors in the province. I found the officers at each chapter efficient and well trained. The election of such fine girls to positions of leadership in the fraternity makes evident the clear thinking of the members of the chapters. Cooperation within the chapters is good and is evidenced by their fine organizations.

Rushing within the province was very successful this year. Wisconsin A, Illinois A, and Illinois Z are not under a quota system. The Panhellenic Council at Illinois lifted the quota on that campus immediately after formal rushing in the fall. The campuses of Wisconsin B, Wisconsin F, Illinois B-Δ, Illinois E, and Illinois H, still use the quota, and usually it is based upon the number of rushees divided by the number of chapters on that campus. There is some variation due to the local rulings, but in most cases it would be possible for almost all the rushees to be pledged.

The chapters were, as usual, at the top of their campuses in activities. Every chapter has an activity requirement for pledges, and most of them require some activity participation from the actives.

Wisconsin A is 100% in some sort of war work, 64 are in USO, and 26 have done specific war service. There are 33 in the Y.W.C.A., 29 in Wiskits, 28 work on the *Badger*, 28 on Union Committees, and 11 in the Orientation Program for freshmen. Ten are in the Student Gov't. Assoc., one on the Judicial Comm., and they have the Business Manager of the *Badger* and one girl on the *Badger* Board. They have the vice-president of W.A.A., a member of Crucible (junior honorary for service, achievement, & scholarship). Three are in Σ E Σ, 4 in Hoofers, and 12 in clubs and departmental honoraries. Recently they have announced the chairman for the Panhellenic Ball, the Junior Women on *Badger* Board, Chairman of the Judicial Board, and a position in W.S.G.A. Two girls were tapped for Crucible, and one was tapped for Mortar Board and elected president.

Wisconsin B has 21 in the Players and one is president. Fifteen are in the International Relations Club, 14 on the *Roundtable* and one is the Business Manager, and 9 are in the Choir. Six are in Forum (treasurer), 6 in *Gold* (business manager), and 6 in Red Cross. There are five in the Anthropology Workshop and one is the president. Five are on the Design for Living Council (vice-president), and 5 are in Ka Ne and the Sociology Club. Four are class officers, two on the Publications Board (chairman), and three in Senior Bench, one of whom is president. There are about 13 more in various clubs and honoraries. Two are listed in *Who's Who*. Recent announcements include the presidents and secretary of the Design for Living Council, president of W.A.A., president of the Shakespeare Society, three committee chairmen in the Players Club, two columnists on the *Roundtable*, a co-chairman of a theatre production, and the Beloit representative for *Mademoiselle*. One girl has been chosen as a delegate to the International Relations Club Conference, one is co-chairman for Beloit Mothers' Day, and three were in the Mothers' Day play.

Wisconsin F has the president of the Lawrence Women's Association and are 100% members of it. They are 100% in W.A.A. and have the vice-president. There are four in Art Guild with the president, secretary, and the social chairman. Of the yearbook they have the editor, section editor, section head, and head of activities and organizations. On the college paper they have the editor and 3 of the staff. Twelve girls are in language clubs, and they have the secretary and vice-president of the Honorary Language Society. There are 8 in church choirs, 5 in the a cappella choir, and one girl is a Sunday school teacher. Four are in Heelers (freshman drama), two are in dramatic productions and they have the vice-president of Sunset (nat. drama hon.). Two are on

the War Board, and two in Mortar Board, both with offices. One is in *Who's Who*, and they have the president of Victory Players. Two were Beauty Queens, two were dormitory counselors, and they had the secretary-treasurer of  $\Phi \Sigma I$ . Recent elections have brought them the new treasurer of L.W.A., and also the Social Chr. They have the new president of W.A.A., and one of the four 'Best Beloved' seniors.

Illinois A had the president of the Student Body, and three class officers. They had the president of the Y.W.C.A. and 3 members of Cabinet. The secretary of W.A.A. is a Pi Phi, as is the yearbook editor and picture editor. There were three on the yearbook staff and six on the staff of the newspaper. A Pi Phi was the manager of the All-Girl Show, nine girls are in departmental honoraries, six in the Pep Club, and 16 in various other clubs. They have the chairman of the C.A.A. Council, and of the Student Court. One girl is in T II (similar to Mortar Board) and four are in *Who's Who*, while two are in the honorary which is comparable to  $\Phi B K$ . Recent announcements include a Y.W. Cabinet member, several parts in theater productions, the Queen of the Coronation Ball, and one girl in the freshman scholastic honorary. Four more have been elected to the Pep Club, one is the new president of W.A.A., the president of the History Society, and one has a lead in a community playhouse production. They have the publicity chairman for the Dramatic Club, a member of  $\Pi K \Delta$ , two more in T II, and the new vice-president of T II. They have the new business manager of the *Oracle*, and one girl has received a scholarship to the University of Chicago.

Illinois B- $\Delta$  has several girls who are Nurses' Aides, 31 members and the president of the Y.W.C.A., the Handbook Editor and 28 members of W.A.A. Twenty-three work in Theater, 19 on the *Student*, 18 on the *Gale*, of which they have the editor. There are 14 in the Choir, 9 in Red Cross, 5 in Thunder-on-the-Left, and 5 in the International Relations Club. Two are student instructors of archery and swimming, 2 are on Student Council, 2 in S.A.I., 3 in Phi Beta, the Service Center, and on the Sophomore Commission. Two are in *Who's Who* and one in  $\Phi B K$ . They have had several leads in theater productions, and one girl was chosen to write the script for the all-campus show. Recent announcements include the vice-president of the Knox Assoc. of Women Students, the secretary of Whiting Hall House Council, two girls on the Freshman Commission, and three on the Sophomore Commission. Two girls were tapped for Mortar Board, and they have the new editor of the yearbook, the president of S.A.I., and a girl chosen to represent the Middle-western colleges at the International Christian Conference next fall.

Illinois E has 24 girls on Wildcat Council and three of them are district chairmen while one is president. Eight girls are group leaders in the Orientation Program for new students, 10 work on the yearbook, and one is the sports editor and one the engraving editor. Thirteen or more participate in intramurals, seven are in W.A.A. and one is the president. Ten are in Y.W.C.A. and one is on the Cabinet. Seven work at the Red Cross, 9 at the USO, and two are Nurses' Aides. Five are in the Theater, two have had one or more leads, and eight girls have modelled for the new campus magazine, *Purple Parrot*. Eight are in Pep Club and one is the secretary. Five are in their class Councils, 4 in the War Council, 4 in W.S.G.A. They have the treasurer and the social chairman of the latter. The treasurer of the Speakers Bureau is a Pi Phi, as is the treasurer and social chairman of

S.A.I. They have the president of  $\Phi \Sigma I$ , the president of  $\Phi B$ , and the vice-president of the a cappella choir. They have the Desk Editor of the *Daily* and the secretary of the Class Musical Council. There are four girls working on the staff of the *Daily* and two in the Radio Workshop. Twelve belong to clubs and departmental honoraries. One in on the Student Senate and one is in Mortar Board and *Who's Who*. They had the Syllabus Queen this year, and a girl on the Board of Publications. Recent announcements include six girls chosen to be in the May Day Parade, and the new president of W.A.A.

Illinois Z is almost 100% signed with the Grey Ladies to be on call for entertaining the servicemen at Chanute Field. They take their turns at hosting dances for servicemen at the Union and at the Field. There are 24 members of Y.W.C.A., 3 on the Cabinet, and one on Executive Council who was the area chairman for this area. Six Pi Phis worked on Union Committees and one was an office manager. Five were in Star Course, one a head usher, and one an assistant, while still another was a junior manager. There were 4 members of Terrapin and one was the secretary. Eleven worked in Theater Guild, two had leads and two were sophomore managers. They had the secretary of W.A.A., eleven worked on the *Daily Illini*, and they had the junior and senior business managers and an editorial writer and a feature writer. Six worked on the yearbook and they had one sophomore and two junior editors. Five girls were active in campus political parties, two were on Stunt Show committees, and one is a member of Orchesis. Two were in the University Chorus and one in the Glee Club. They had the president of the German Club and six girls in language clubs. They had a junior member of the Concert and Entertainment Board, the chairman of the freshman council, a radio announcer, and 3 girls in honoraries. Three juniors were elected to Torch, one to Mortar Board, and 2 to Shorter Board. Recent announcements include two leads in theater productions, an election to the journalism honorary and its secretary, chairman of the Freshman Frolic, the recording secretary of the H.E. honorary, one of the four directors of the Illini Union Board, and the new president of the Y.W.C.A. They have one of the senior managers of Star Course, Miss Northwestern of the Big Ten Track Meet, the secretary of the Junior League of Women Voters, the social director of the new magazine *Tom-Tom*, and two girls elected to Arepo, one to Mask & Bauble, and two to departmental honoraries. There were three girls tapped for Mortar Board, and two for Shorter Board.

Illinois H had the treasurer of W.A.A. and 32 members. They had the co-editor and the co-business manager of the newspaper, and 23 girls working on it. The copy editor of the *Millidek* was a Pi Phi and there were 19 girls working on it. There were five members of the English honorary, as well as the secretary, treasurer, and the vice-president. There was the secretary and the marshal of the Scholastic Society, and three class officers. There were six girls working on the French War Relief of the Red Cross, and they had the chairman of that committee. They had the president and secretary of the Spanish Club, the vice-president of the German Club, and two in the Science honorary. There are 11 members of other clubs and they have the president of the H.E. Club, two girls on the student lounge committee, and the chairman of the lounge committee. Two were Student Council representatives, and one was vice-president of the Council. Fourteen girls worked in Town & Gown and one was assistant director. They had the president and three members of the honorary for faithfulness on

the *Decaturian*. There was one member listed in *Who's Who*. Six girls sang in the choir, one was in orchestra, four in the business society, and two in S.A.I. Recent announcements include an assistant in the Art department, a lead in a campus play, and a new member of S.A.I.

The chapter houses and chapter rooms are all attractive and the girls show their appreciation by keeping them in good order. Illinois B-Δ has shared the rent of a fraternity house with the other sororities, and they use it for parties and get-togethers.

The fraternity is fortunate to have had such fine women as chaperones in the chapter houses. Their charm, poise, and high ideals have made them loved by the girls with whom they live. Wisconsin A is sorry to have to say a temporary goodbye to Mrs. Humphreys who will be on leave of absence next year, but they hope to have her back with them again.

The Alumnae Advisory Committees have been very helpful to the chapters and their close cooperation and personal interest is evident in the strength and development of the chapters. Their help and advice is

needed and appreciated by the officers and members of each chapter, and without exception the girls have spoken of the fine women with whom they had such frequent contact.

The Amy Burnham Onken Award for the province went to Virginia Robie of Wisconsin Γ, who is indeed worthy of commendation for her leadership, scholarship, character, and service to the fraternity.

The Panhellenic relations on all of the campuses are improving, and our Pi Phi chapters have played a large part in increasing the friendliness with other sororities. The Dean's reports were all good, and they assured me that the Pi Phis give fine cooperation in every way.

I thank the actives, alumnae, Miss Onken, Mrs. Stoolman, and Mrs. Shappert for their help and patience with me this year. They have made the duties of the province president enjoyable and inspiring.

Respectfully submitted,

RUTH B. TURNBULL

## THETA PROVINCE PRESIDENT

ONE great benefit of finishing a given period of work in any field is the opportunity which comes, of drawing conclusions and profiting by them. Experience gained in my two years as Theta Province president has shown itself most valuable. This is true not only in the necessary routine of such detailed work, but also in contacts with individuals and groups. Chapter and National officers have continued to endear themselves by their unflinching cooperation. Our conference for chapter presidents has been increasingly inspiring this year.

Due to unforeseen circumstances in connection with my government position, I was unable to visit all the chapters in Theta Province. The three Northern chapters only, were visited: North Dakota A in October, Manitoba A in February and Minnesota A in March. The Iowa chapters were fortunate this year in having visits from Mrs. Alford this Spring. Miss Onken visited Minnesota A and Manitoba A early in the new year. All chapters derived the utmost benefit from their conferences.

Alison Schweitzer, Manitoba A, by her distinguished achievements on her campus, her invaluable help to her chapter, her beauty of personality and person, won the Theta Province Amy Burnham Onken Award. Five other girls nominated by their chapters for this honor exemplified the finest in all requirements of the standards by which this honor is bestowed. They are: Shirley Hubbard, North Dakota A; Betty Stewart, Minnesota A; Jacqueline Korf, Iowa A; Joyce Curley, Iowa Γ; Kathleen O'Connor, Iowa Z.

Home life of Theta Province chapters goes along as usual, five chapters occupying their beautiful and comfortable houses, the other two being happy, though a bit envious of the others, in their apartment and room. Improvements in the way of new furnishings and interior refinishing are made each year, as needed. There have been a few changes in chaperons this year: Mrs. Pickett came to Minnesota A this fall, as did Mrs. Hoxie at Iowa Γ.

Rushing this year resulted in the pledging of 119 girls, of which number approximately three-quarters were initiated.

Panhellenic seems to be well organized on most campuses.

In scholarship, all chapters with the exception of one are in the upper third on their campuses. Iowa A

won the scholarship cup on their campus this fall. The pledges at North Dakota A led all other pledge classes on their campus in scholarship. A sophomore at Iowa Z had the highest average of any sophomore enrolled at the University—the University presented her with a War Bond.

Chapters have supported the Settlement School, Holt House, and Loan Fund with generous gifts. Again as last year each active of Theta Province contributed \$1.00 towards the Physiotherapy Scholarship Fund.

Activities continue to be of the highest type in Theta Province, showing enthusiastic participation by both actives and pledges. Some of the most outstanding are as follows:

*Manitoba A*: President of Women's Association, the tenth Pi Phi to be elected to this position in fourteen years; Lady Stick of Arts; Lady Stick of Interior Decoration; president of the Home Economics Club; junior treasurer of the Home Economics Faculty; sports editor of the *Manitoban*—one *Who's Who in American Colleges*.

*North Dakota A*: president of Mortar Board; president of Newman Club; president of Φ X Θ; president of Penates; president of Junior Cabinet, Y.W.C.A.; secretary of the Y.W.C.A.; secretary of Φ T O; Φ X Θ medal for being the most outstanding Senior in Commerce; president and secretary of Σ E Σ; president of the Glee Club; secretary-treasurer of the Province Home Economics Association; one Mortar Board; two Grey Gown; one Δ Φ Δ.

*Minnesota A*: president of Pinafore; secretary of A.W.S.; treasurer of A.W.S.; secretary of Masquers; vice-president of B Φ H; vice-president of Y.W.C.A.; the president and treasurer of the League of Women Voters; vice-president of the Women's Athletic Association and president of the Students' Religious Council.

*Iowa A*: president of K Π; president of A Ψ Ω; editor of the *Croaker* (college year book); Two—Σ T Δ, and Homecoming Queen.

*Iowa B*: president of Union Board; president of Panhellenic; president of Y.W.C.A.; business manager of the *Zenith* (college annual); secretary of the College Home Economics Clubs in Iowa; and Σ T Δ; two *Who's Who in American Universities and Homecoming Princess*.

*Iowa Γ*: Two—Mortar Board; president of the

Home Economics Club; president of the Institutional Management Club; president of the Technical Journalism Club; president of the Child Development Club; president of Junior Panhellenic Council; president and vice-president of the Foods and Nutrition Club; vice-president of the Red Cross Student Organization; secretary of the Red Cross Student Organization; secretary of the Y.W.C.A.; Editor of the *Homemaker Magazine*; Managing Editor and Advertising Manager of the *Homemaker Magazine*; two O N, one Φ K Φ, two X Δ Φ; two Φ T O; and two Θ Σ Φ.

Iowa Z: Two—Mortar Board; president of Home Economics Convention recently held at Chicago; art

editor of *Code for Coeds*; treasurer of the University Women's Association; president of Θ Σ II; business manager of *Frivol*; head of Publications for the Y.W.C.A.; treasurer of Z Φ H; and a member on the College Board of *Mademoiselle Magazine*.

May I thank all who have helped make this year a successful one, the Alumnae Advisory Boards who have spent many hours of real work with unselfish devotion to their chapter's needs; the chapters; the chaperons; the fraternity officers and Miss Onken for her unflinching help and support.

Respectfully submitted,  
NORMA KENDALL BINGEMAN

## IOTA PROVINCE PRESIDENT

THE resiliency of youth that we hear so much about has been admirably demonstrated this year in Iota Province. Each chapter, although it looks back fondly on pre-war days as "olden times," has embraced the idea that constant change is to be her lot and has worked with enthusiasm to adapt the chapter life to each new phase as it appears. The result is that the Dean of Women on every campus has complimented Pi Phi on its position in university life and its high morale.

Mrs. Finger visited the Colorado and Wyoming chapters in November, and I am sure she was the inspiration for much of the fine work those chapters had accomplished by the time I visited them in April. South Dakota A, Nebraska B, and Kansas A and B, I visited in November and December. Each visit was well-planned and crowded—there is never quite enough time for everything—but in several groups where I had expressed a desire to see the girls completely relaxed, I had that pleasurable opportunity. In Wyoming, after chapter meeting, the girls gathered in the smoking room in small conversational groups and a couple of the newer initiates brought down bottled "cokes" with a doughnut around the neck of each bottle—food for the gods. At Kansas A, I saw the girls congregate in the kitchen at ten thirty for an icebox snack, a respite which makes continued study much easier, they assured me. It is a nightly procedure, and I shan't say that it has produced good scholarship, but the chapter has raised itself from an ignominious spot to one they need not be ashamed of today.

War work goes on apace, and each chapter has found individual ways to serve—Kansas B and Nebraska B with war shows and USO work, Kansas A with doing a big share in caring for Jayhawk war orphans in England and Nurses' Aide work, Wyoming and Colorado A with war bond drives, and Colorado B and South Dakota A with blood donations and campus organized work.

Colorado B has been cherishing the Stoolman Vase this year and the Amy Burnham Onken province award went to Roberta Townley of Kansas B.

It has seemed to me as the chapter reports have come in that Pi Phis in Iota Province have had a tremendous share of campus honours. I cannot help

but wonder what chapters of other fraternities had to write about. (Yes, I know I am prejudiced.) All seven chapters have been represented in Mortar Board. The student government on every campus has been made better, I am sure, by Pi Phi representatives, and South Dakota A and Kansas B have had student body presidents and Nebraska B, secretary.

*Who's Who in American Colleges* boasts of four Pi Phis from Kansas B, two from Colorado A, three from Wyoming A, two from South Dakota A, and two from Nebraska B. The sophomore and junior honoraries have different names in the various universities, but they all have Iota Province Pi Phis on their roll calls. We have three Y.W.C.A. presidents, two W.A.A. presidents, two pep club presidents, one A.W.S. president, a yearbook editor, two "daily" editors, four beauty queens, class officers and many activity club officers.

In scholarship, Colorado A, Wyoming A, and Kansas B stand in first place, Colorado B is in second, and the other three chapters are continuing to work toward removing the few tenths of a point that keep them from placing. Kansas B has had three Φ B K besides the distinction of having Ethelinda Parrish Amos chosen as the Prize Honor Student at Kansas State. Her average for the four years has been 2.95 out of a possible 3. Colorado A has had two Φ B K, Nebraska B two, Wyoming A two, and Colorado B two. Colorado B also had a remarkable pledge class in that thirty-three girls were pledged and every one of them passed their hours and could be initiated after the first quarter,—and their average was high.

Iota Province chapters are especially fortunate in having Advisory Committees that are outstanding in having the time and the interest in the girls so that they work in close harmony, and all of them are anxious to do anything to help. They have been wonderful to work with.

In closing my report, I wish to express my appreciation to the active chapters for their friendship and cooperation, to the alumnae for their active support, and to the members of Grand Council for the inspiration and encouragement their letters unflinchingly hold.

Respectfully submitted,  
MARY BELLE N. BRUEGEMAN

## KAPPA PROVINCE PRESIDENT

KAPPA PROVINCE has experienced another happy and successful year. The awards received in recognition for last year's meritorious work have served as incentives for the entire province. With only one exception, the chapters have achieved all goals set for the current year. Projects have included an ex-

pansive development of pledge supervision, a planned program for better coordinating the activities of the scholarship and activity chairmen, finer development of supervised study programs, and a concentrated interest in Panhellenic. Our theme for the year has been "the maintenance of Pi Phi ideals through the

application of democratic principles." Philanthropy and war work remain the two major extra-curricular activities.

The results of the summer conference were evident early in the year. The presidents were apparently very able in transferring their own enthusiasm and inspiration, so the whole year has been a smooth one. The internal strength of the chapters and organizational ability may best be judged by actual constructive contributions made to campus life. Unity and cooperation within the chapters have left much time for experimentation with ideas for chapter life and for strengthening the position of all Greeks. My best compliment may be very simply stated: six of the seven chapters have almost perfectly met the responsibilities accompanying Pi Beta Phi privileges.

A much reduced list of chapters' activities for 1944-45 includes:

Arkansas A: 1  $\Phi$  B K, 3 A A  $\Delta$ , 5 Mortar Board, 4 AWS Executive Council Members, vice-president of Y.W.C.A., president of Boots and Spurs, 5 in pre-med honorary, president of Home Ec Club, 2 W.A.A. Executive Council Members, editor of the newspaper (*The Traveler*), editor of the annual (*Razorback*), editor of *The Agriculturist*, 5 on Sophomore Council, president of  $\Phi$  A  $\Theta$ , vice-president of  $\Phi$  T  $\Theta$ , president of K  $\Delta$  II, 1 of 4 University Beauties, Commerce Queen, 1 *Who's Who in American Universities and Colleges*, many contributions to war work, and splendid chapter representation in intramural sports.

Louisiana A: President of Archery Club, first girl sports editor of the Tulane weekly (*Hullabaloo*), 15 on staff of yearbook (*Jambalaya*), 4 in Tulane Theater, 5 Lagniappes, 1 Asset, 4 WAA Council members, president of Student Council, 3 on Student Center Council, Newcomb tennis champion, New Orleans tennis doubles champions, 2 in Sigma Chi Court, 4 class officers, Engineering Queen, 2 in Homecoming Court, 1 A  $\Sigma$   $\Sigma$  (Mortar Board), 2 on Dormitory Council, 4 in May Day Court, winner of swimming meet, 2 on Student Needs Committee, Y.W.C.A. president, Athletic Council president, 1 of 4 *Jambalaya* Beauties, 1 *Jambalaya* campus personality; the compilation of war work contributions by girls now in the chapter includes: 1,474 hours in Nurses' Aide, 1,371 hours to Town Club, 110 hours to Panhellenic War Bond Booth, 210 hours of Social Service work, and 41 blood donations.

Louisiana B: a Pi Phi had the lead in the production of *The Chocolate Soldier* and a Pi Phi was mistress of ceremonies for the dormitory show.

Oklahoma A: 1 new and 2 old members of  $\Phi$  B K, 2 A A  $\Delta$ , 3 in Junior Honor Class, 3 Mortar Board including the president, 3 X  $\Delta$   $\Phi$ , 3  $\Psi$  X, 2nd most outstanding senior woman, 1 *Who's Who in American Universities*, 5 AWS Council members, 2 class officers, 2 on Constructive University Critics, 4 Cover Girls and 2 feature editors for the magazine (*The Covered Wagon*), newly elected editor of the annual (*Sooner*), president of Dusty Travelers, chairman of Orientation Committee, 1 each in M  $\Phi$  E,  $\Sigma$  A I, K  $\Gamma$  E and A E  $\Delta$ , 2 on Student Government Central Committee, president of Union Activities Board, vice-president and secretary and treasurer of WAA, 10 Y.W.C.A. Committee members, 4 on Student Senate, 1 B  $\Gamma$   $\Sigma$ , 1 A T, president of Philosophy Club, president of Golf Club, president of Pre-med Club, vice-president of Sociology Club, feature editor of *Bluestockings*, beauty queen. War work includes: 49 Cadettes, 26 Red Cross, 33 Surgical Dressings, 34 War Stamp Booth, president and 4 members of University War Council.

Oklahoma Beta: 1 *Who's Who in American Uni-*

*versities*, 4 Mortar Board, 5 Orange Quill with President, 2 Orange and Black Quill, 3 O N with Secretary, Vice-President of A  $\Pi$  M, 3 K  $\Delta$  II, 1 each in  $\Theta$   $\Sigma$   $\Phi$ , E II,  $\Phi$  A  $\Theta$ , and  $\Pi$   $\Gamma$  M, 3 Student Senators, 1 member Student Board of Publications, President of WAA, President Players Club, Treasurer of American Society of Mechanical Engineers, 2 AWS Board members, President  $\Sigma$  A I, 11 in Panhellenic Choir, 2 on newspaper (*O'Collegian*) staff, 5 college beauties, Engineering Queen, 2 class officers, President Pan American Club. There have been only individual and voluntary contributions in war work since there is no campus organization. The chapter is in fine position to win the intramural sports cup again this year.

Texas A: 2  $\Phi$  B K, 11 A A  $\Delta$ , 5 Mortar Board with Vice-President, 1 each in M  $\Phi$  E,  $\Pi$  A  $\Theta$ , Upper Class Advisory Council, Press Club, Judiciary Council of Student Government, Board of Student Publications, Cultural Entertainment Committee, Co-ed Assembly, President of  $\Sigma$  A II, 6 Cap and Gown, President University Musicians, President Ashbel Literary Society, 1 YWCA Council member, 2 Orange Jackets, 3 in Art Students Association, 2 class officers, 8 in University of Texas Sports Association, Associate Editor of yearbook (*Cactus*) and 4 staff members, 2 on newspaper staff, and Carol Krueger was chosen Aqua Carnival Queen, Sweetheart of Medical School, and 1 of 10 university beauties. War work includes: 18 AWVS, 1 Cadette, 2 in Girl Scouts, 21 Nurses' Aides, 8 in USO, 6 Blood donations, 19 in Canteen work, 4 in Staff Assistants Corps, 4 at Officers' Club, and 5 in the snack bar.

Texas B: 2 *Who's Who in American Universities*, 4 Mortar Board with President, 21 in College Organization for General Service (war work of all variety), President Student Publications, 1 of 4 outstanding senior women, President  $\Delta$   $\Psi$  K, 1 on yearbook (*Rotunda*) staff, 2 A K  $\Delta$ , 1 on Woman's Self Governing Board, 2  $\Theta$   $\Sigma$  II, 4 Kirkos with Secretary, 6  $\Sigma$  A II, 1 B K  $\Gamma$ , 5 A A  $\Delta$ , 1 K M E, 2  $\Psi$  X, 1 Arden Workshop, and 21 in intramural sports.

Six of the seven chapters have developed excellent supervised study systems. Of those six, two are in first place and three in second place in campus scholastic ratings; the other is in the upper third.

I wish to express my gratitude to the Advisory Boards for Arkansas A, Louisiana A, Oklahoma A, Oklahoma B, Texas A, and Texas B. Through their interest, fine cooperation with their respective chapters and me, and enthusiasm the chapters have benefited immeasurably. Those close contacts are deeply appreciated.

Lynette Wilson, Arkansas A, was the winner of the Amy Burnham Onken Award for the Province. Lynette is a charming, unselfish, versatile Pi Phi who is studying journalism and music. Jane Cheatham, Texas A and winner of the national Amy Burnham Onken Award last year, is still very actively connected with Pi Beta Phi and is serving as a Student Counselor at the University of Oklahoma.

It is with deep regret I send this last official report. My love for Pi Beta Phi and my appreciation for its splendid program have grown these past two years, so even though my position will be that of a layman, I certainly shall remain an interested and active alumna. The new friendships in alumnae groups and the close association with collegiate ideas have been most inspirational. I do thank the chapters for the very wonderful two years we have had together. The combination of efficiently managed chapters and the gracious assistance of Miss Onken and other Grand Council members has made it possible for Pi Beta

Phi in Kappa Province to maintain its previous high standards. Our Fraternity in this part of the country is proving by its actions that many Greeks, and certainly Pi Beta Phi, are democratic in spirit, have high

intellectual, moral and social ideals, and can successfully meet the challenges of the day.

Respectfully submitted,  
MARY MCCOLLUM TOP

## LAMBDA PROVINCE PRESIDENT

AS I THINK back over my two years as Lambda Province President, I find I have retained a vivid picture of war-time young America, of eight lovely college campuses—glowing with autumn foliage or sparkling green with spring—of multi-colored sweaters beneath eager young faces—of wholesome American girls, anxious to live a fairly normal college life and thankful for their chance to obtain an education while their country is at war. I clearly remember eight friendly, hospitable Pi Phi houses filled to overflowing with attractive, congenial girls, leaders in every phase of college affairs. And the individual members stand out with distinction, the brilliant students, the shy, the friendly, and the gay, the talented and the ones who are content to follow loyally. It is a picture that should put to rout the critics who harp at our lack of democracy and selfishness of choice. It is every type and every station in life, it is the best in spirit of our Northwest, and I am content that no other system has been evolved that will offer such group living to our young girls under conditions so congenial to their general development.

Of great value to the participants was the summer conference held in July at the Davenport Hotel in Spokane, Washington. Our eight Presidents were on hand, together with six pledge advisors, all ready with lively, original ideas—some good—some bad, but all brought out for impartial discussion and debate. The girls were questioning especially the role the sorority could best play in the post-war college era. They urged stressing friendliness and normalcy, with a minimum of extravagance, formality, and exclusiveness. Then too, they dealt at length with the problem of creating a "four-year outlook" in pledges, feeling that girls *must* aspire to the definite completion of their college courses and an ultimate degree. The conference seemed to have a number of advantages, not the least of which was the opportunity for these chapter leaders to know each other, realizing to some extent the scope of their National organization, and yet the similarity in aims that bound them all together.

Our newest chapter, Oregon  $\Gamma$  at Salem, has fast developed mature responsibility in the fraternity, organizing the Panhellenic groups on the campus, and making an enviable record in war work, boasting of twenty-three "nurse's aids" from a chapter enrollment of less than fifty. Aside from working patriotically at night in the hospitals, the girls carried their college work with distinction, having four members with a straight 4. average this year. Mary Laughlin is president of the Senior Class, Emma Lou East was the May Princess, and a member of *Who's Who in American Colleges*, Betty Andrews is vice-president of "Cap and Gown" (similar to Mortar Board); Mary East, Vice-President of B A  $\Gamma$ , Senior honorary; Betty McGee is leader of the Inter-Sorority Sing; Suzanne Zimmerman has won several coast swimming titles. Each girl in the chapter has participated in two activities a semester, plus six hours of war work a week. Mary Finch, of Texas A., has been special advisor to the group and has given them valuable guidance during this, their first year.

The chapters have all earned outstanding scholarship honors, and although they have never neglected

their war time duties, their list of extra curricular activities remains impressive. At Alberta A, Mary Wholey was secretary of "Blue Stockings" and won the Pharmacy Gold Medal; Marylea Hollick Kenyon the Literary Award; and Dorothy Ward the Athletic Award. Vera Reddekopp was elected Vice-President of Students' Union.

At Corvallis, Oregon Bs Marjorie Saunders was secretary of Mortar Board and Secretary of the Student Body, in addition to being head of the College Red Cross Chapter, and Beauty Queen for the *Beaver* Year Book. Helen Wright was chairman of the Student Forum Council and editor of the Student Directory; Helen Harstad was vice-president of A.W.S., while Emma Jane Hansen had the lead in the fall term play.

Jean Thompson, of the "U" of Idaho, is President of A.W.S.; Betty Ann Craggs President of the Sophomore Class; Vera Anderson Vice-President of Cardinal Key and President of Westminster Guild, and Jackie Ritchie, the official "Sadie Hawkins" of the campus, while Barbara Miller is Vice-President of Attic Club.

Helyn Wohler is President of Phi Beta at the "U" of Oregon; Anita Young is A.W.S. Vice-President, and Oregon A was one of two houses on the campus having three Freshmen elected to Kwama (Sophomore honorary). Elizabeth Schaefers is the talented soloist with the University orchestra, is Secretary of  $M \Phi E$  and Treasurer of Phi Beta. Rosemary Johnson was pledged to  $\Phi B K$ .

Washington B, at Pullman, is especially proud of Jane McMicken, President of Y.W.C.A., a member of Mortar Board and  $\Gamma B$ ; of Beverly Gregory, editor of *Evergreen*; Geneva Conniff, Secretary of Mortar Board; Zelva Moeser, President of  $\Theta \Sigma \Phi$ ; and Virginia McMath, editor of *Chinook*, to name a few of their honor winners.

Washington A, at Seattle, had the largest number of girls initiated into Totem Club; Robin Harris is Vice-President of Mortar Board; Betty Bellinger is Vice-President of the Junior Class; Phyllis Field, President of Panhellenic; Catherine Allen Callender, Secretary of Totem Club and President of  $Z \Phi H$ .

Helen Frances Talcott, of Montana A, was elected President of Mortar Board; Beryl Garrison received the Senior Award for highest scholarship presented by  $\Phi K \Phi$  and with Sue Hinman and Betty Jean King elected to Mortar Board. Betty Jean King was also editor of the *Montanan* and Erys Smart and Virginia Howell were Beauty Queens.

The chapters have been especially generous and are one hundred per cent in their contributions to our National philanthropies. Helen Frances Talcott, of Montana A, was the winner of the Amy B. Onken Province Award. As usual, all of the nominees named were so very outstanding and had accomplished so much, that the decision was a very difficult one. Alberta A nominated Mary Wholey; Washington A, Catherine Allen Callender; Oregon B, Helen Wright; Oregon A, Elizabeth Schaefers; Washington B, Geneva Conniff; Oregon  $\Gamma$ , Betty Andrews.

My sincere thanks go to the Advisory Boards who have been so cooperative during the past two years, to the house mothers whose steady influence has meant so much to the chapters, to the National or-

ganization for its day by day supervision and assistance, and to Miss Onken for her constant inspiration and tireless devotion to the best interests of the fraternity. It has been said that each chapter has a distinct personality. I shall remember them as gallant and industrious during these war times, endeavoring to keep alive the ideals for which they were founded

in a world that had suddenly been swept from under them in selfishness and hate. May I thank you all for the memories and the friendships brought to me as President of Lambda Province.

Respectfully submitted,  
HAZEL REED ELLIS

## MU PROVINCE PRESIDENT

ANOTHER year has passed for all of us and it is my pleasure to report a truly fine year for the Pi Beta Phi chapters in Mu Province. This year has not been without problems, but each chapter has shown growth in achievement and has met difficult situations with a splendidly adult attitude, working them out for the best interests of the chapter and fraternity.

The college year started for this officer in July, for California Beta is still operating on the accelerated program and was thus an active chapter during the July-November semester. It was my pleasure and privilege to attend their Initiation Ceremony in July.

The first week-end in September saw the representatives from the six chapters gathering in Los Angeles at the California Gamma chapter house for the Presidents' Conference. This conference proved to be a most beneficial workshop of chapter procedures, exchange of ideas and traditions, and an inspiration to each chapter to work to its capacity for making itself a worthy chapter of our fraternity. We were privileged in having Mrs. Alford with us for the entire conference and Mrs. Finger for one session. On the day following the conference the representatives enjoyed a visit to the California Delta house and were entertained by Mr. and Mrs. Finger at a delightful barbeque in their lovely California garden.

Chapter visits were made to Arizona A, California Gamma, and California Delta in November, to California B in December, and to Utah A and Nevada A in March. Miss Onken visited Utah A in October, but other chapters have had no official visit from a Grand Officer, though Mrs. Alford visited informally with California B in July and Mrs. Finger has had numerous contacts with the two Los Angeles chapters.

For the year 1943-1944 all of Mu's chapters were in the upper third on their respective campuses in their comparative scholarship rating. This is a goal towards which we have been working for some years. California B stood in 5th place, California Gamma in 3rd, California Delta was 1st, Nevada A was 2nd, Arizona A was 2nd and Utah A tied for 2nd. For the summer session California B dropped to 15th, but came back winter semester to 4th place. Other first semester standings were California Gamma 2nd, California Delta 1st, Nevada A dropped to 4th, Arizona A remained at 2nd and Utah A went to 3rd place. We are hoping that the averages for this spring semester will be high enough to place all chapters well up on the list. All chapters have excellent study programs, and the importance of keeping strict quiet hours in the chapter houses has been stressed as being of direct influence on grade averages. California B and Utah A deprive any member going below a fixed expectancy grade the privilege of wearing her pin. This is a very effective way of keeping grade averages high.

Individual scholastic honors follow: California B—1 Phi Beta Kappa, 2 departmental honors; California Gamma—2 Freshman Scholarship Honors, 2 departmental honors; California Delta—1 Phi Beta Kappa, 5 graduated Cum Laude; Nevada A—7 members of departmental honor societies (with vice-presidency of English and president

and secretary of History honorary); Arizona A 2 graduated with distinction, 5 had senior honors, and 5 were members of departmental honor societies. A member of this chapter received the Home Economics Award for being the outstanding senior in this department and another received the Honor Certificate for the graduate with the highest grade point average in the Music department. Utah A had 3 members of the Freshman Scholarship Honorary.

In these war times it is natural that war activities should be supported by our Pi Beta Phi chapters, and Mu's chapters have given a splendid service in this field. All of the chapters have entertained service men, have had members entertain at camps and hospitals have supported War Loan Drives, Red Cross War Fund drive, the War Fund, and local appeals. Outstanding services rendered follow: California B—20 Nurses' Aides, winner of the War Cup for three successive months for the greatest number of war work hours; California Gamma—member of R.C. Board of Directors, Chairman of Nurses' Aide Corps, 8 other Nurses' Aides, a number of blood donors; California Delta—member of War Board, 12 Nurses' Aides, 2 R.C. Canteen workers, the Award for greatest number of war work hours for 1st semester, a War Department Plaque for selling the most bonds during the 6th War Loan Drive; Nevada A—War Board Secretary, Chairman for War Loan Drives on the Nevada campus, Secretary of R.C. Campus Chapter, Chairman of R.C. Camp and Hospital Unit; Arizona A—several R.C. Motor Corps members, 2 Nurses Aides, 7 Staff Assistants, and 14 Canteen workers, the organizer and first president of SWOMIS (student wives of men in service). Utah A—Chairman and Vice-chairman of University Unit of R.C., Chairman of Canteen Corps, with practically every girl in the chapter assisting with the Canteen at the D. & R.G. Station.

Regular campus activities have also had the support of our Pi Phi chapters this year. I feel that it is particularly worth noting that four of the five Mortar Board Chapters in this province will have Pi Phi Presidents next years. These are members of California Gamma, California Delta, Arizona A, and Utah A.

California B's outstanding activities and honors this year were 1 Mortar Board, 2 Prytanean Junior Honorary (president), 1 Torch and Shield Junior Honorary (president), Editor of *Blue and Gold* (year book), President of University Symphony Forum, 1 member of California Club (10 men and 10 women chosen each year by the President of the University for outstanding service), 2 members of Post War Planning Committee, Advertising Manager of Little Theater, Secretary of Women's Executive Board, 1 member of Freshman Class Council, and 2 on Sophomore Class Council.

California Gamma has 1 Mortar Board (president for next year), 2 Spooks and Spokes (junior honorary) with president for next year, 3 Amazons (sophomore-junior honorary), President of Junior Symphony Forum, 2 on A.W.S. Cabinet, 1 on W.A.A. Cabinet, 3 on Y.W.C.A. Cabinet, Chairman of Social Welfare

Committee, President of Ski Club, 2 Orientations Captains, 6 other Orientations Advisors, and Vice-president of A.W.S. for next year.

California  $\Delta$  has 3 members of California Club (see under California B) 3 in Mortar Board (president for next year), 4 Key and Scroll (junior honorary), 1 Spur, Spur Adviser, vice-president of the Associated Students, Director of Student-Faculty Relations Committee, 1 Board of Control, Spur representative and Key and Scroll representative to Welfare Board, Y.W.C.A. Secretary, 1 Freshman Club Adviser, Secretary of Organizations Control Board, Head Counsellor and 5 others on Student Counselling, 2 on Senior Class Council, 2 Junior Class Council, 1 Sophomore Class Council, 3 Freshman Class Council.

Nevada  $\Delta$  chapter had two of its members listed in *Who's Who in American Colleges*, 2 Cap and Scroll (similar to Mortar Board), Panhellenic President, Secretary of Associated Students, 3 on Election Board, 3 on Upper Class Committee, 7 on year book and 4 on weekly newspaper staffs, 9 Sagens (honorary pep organization), 8 in Spanish Club (president, vice-president, secretary and treasurer), 7 Women's Choir (president, vice-president, and librarian), 1 Chemistry Club, 2 Math Club, 15 in Fine Arts Club (president and treasurer), and 10 Blue Peppers (Pep organization).

Arizona  $\Delta$  had 1 in *Who's Who*, 3 Mortar Board (president for next year), 3 F.S.T. (junior honorary), 4 Spurs, Assistant Editor of *Literary Quarterly*, 3 Editors on the year book staff including Associate Editor, Society Editor, and Organizations Editor. They had one reporter on the weekly newspaper, and A.W.S. Publicity Chairman. In the athletic field they have 2 on W.A.A. Board, 3 in "A" Club, President of P. E. Majors Organization, 1 winner of an "A" blanket, and 11 members of various athletic honoraries.

Utah  $\Delta$  has 1 Mortar Board (president for next year), 2 Cwean (junior honorary), 4 Spurs, Secretary of A.W.S., Business Manager of the year book, Assistant Editor of *Chronicle* (to be Editor next year), Editor of Sophomore Edition of *Chronicle*, and Co-business Manager of the *Chronicle's* Freshman edition, 2 on Ski Team, and 3 in Ski Club.

Social honor have also come to all of the chapters in this province. California B had the "Pelican" Queen; California  $\Gamma$  had Freshman Queen, Naval R.O.T.C. Queen, Newkirk Hall Queen, Blue Key Queen, Annual Queen, and 1 of the 2 Rose Bowl attendants. The California  $\Gamma$  who was elected  $\Phi \Sigma \kappa$  Queen on this campus became the Phi Sig's National Queen. California  $\Delta$  had the Sweetheart of the Junior Prom, won first prize for Junior Prom house decorations, and placed first in the Spring Song Fest. Nevada  $\Delta$  had the Mackay Day Queen (chosen by Earl Carroll), won first place for its singing at the Song Festival, and won 1st prize for its skit at the Tri-Delt She Jinks. Utah  $\Delta$  won the Sigma Chi Derby and were given a beautiful gold cup, and they had an attendant to the Homecoming Queen.

During this year there were 148 girls pledged to the six chapters in this province and 141 were initiated. All of the chapters had a particularly fine year, and we welcome these girls to our Pi Beta Phi circle. May they all grow to appreciate the significance of the deeper meanings of fraternity membership.

Each chapter has been served by a group of loyal Pi Phi alumnæ who have acted as advisers to the actives. I feel that we have been particularly fortunate this year in the understanding and cooperation that we have had between actives and alumnæ. Each Advisory Committee has given far more than the minimum required time to her service to the fraternity, and I believe that they all feel repaid for their efforts by the response that they have been given. We have been fortunate too in the splendid chaperons who have not only managed the chapter houses, but have made real homes of them.

Most of the chapters have done little more than maintain their houses this year, but California  $\Gamma$  had their first and third floors completely redecorated last summer and Arizona  $\Delta$  had all of its second floor redone. California  $\Delta$  expects to return to a redecorated house next fall.

The Amy Burnham Onken Award for Mu Province went to Jean Bauer, California  $\Delta$ , for her outstanding service to fraternity and university. Jean was Vice-president of the Associated Students, a member of California Club, a Mortar Board, and graduate Cum Laude with membership in  $\Phi \beta \kappa$ . She was also a Spur in her sophomore year, a member of Key and Scroll as a junior, and A.W.S. Treasurer. She served her chapter as activities chairman, and as vice-president in charge of social activities.

All chapters were 100% in their support of the required philanthropic projects of the fraternity and all but one chapter also supported the Loan Fund. Contributions amounted to a total of \$564.28, going \$360.28 to the Physiotherapy Scholarship Fund, \$105 to the Settlement School, \$41.50 to the Loan Fund, and \$57.50 to Holt House. All active chapters earned something in commissions for the magazine agency, the total for chapters in the province being \$107.15. Arizona  $\Delta$  had the highest commissions as well as the highest per capita commission. Fifty-five graduating seniors joined the alumnæ ranks by paying Senior Dues.

Again I have thoroughly enjoyed my year's service to my fraternity and am grateful for this opportunity to express my appreciation to all of the Pi Phis who have made this such a fine year. Grand Council has been generous with its assistance, the Alumnæ Advisers have done an excellent piece of work, the actives have worked to their capacity, and the pledges have caught the spark which we so desire to give them. I feel that this has been my best year as President of Mu Province.

Respectfully submitted,  
EDYTH ALLEN MANNING

# Reports of Province Vice-Presidents

## ALPHA PROVINCE EAST VICE-PRESIDENT

**F**OUR of the seven clubs in the province are 100% in contributions to Settlement School, Holt House, Physiotherapy Fund. Portland is also 100% in membership; Hartford contributed to the Loan Fund.

Arrowcraft sales show an increase with each of the four clubs that held a sale disappointed not to have received more for display. Only one club failed to have a magazine chairman and the commissions show a substantial increase for both clubs and chapters. Hartford stands seventh in total commissions. There is a slight increase in the amount sent Holt House but three clubs did not include it in their budget. Membership has remained almost the same but there have been more seniors of last year in the club membership. Members are engaged in all kinds of war work individually; Portland entertained WAVES each month and presented a game box to the Red Cross for overseas use. Contributions to the Physiotherapy Fund have increased but do not equal one dollar for each member. Portland again awarded a Pi Phi bracelet to the winner of the province Sophomore award, Evelyn Foster, Maine A.

It was most pleasant to meet in person, many of the people who had been named, when I visited clubs

in Burlington, Halifax, Montreal, and Burlington this year. Because Hartford had its celebration a week early for Founders' Day I attended two celebrations. Miss E. Louise Richardson, former Province Vice-president, spoke to the Hartford Club and their guests from Connecticut A. At Boston on April 28 I heard an entertaining account of the founding of Massachusetts A given by one of their founders. I was privileged to attend the 25th anniversary of Maine A in Bangor in May. In the summer three active attendees the picnic in Vermont and another picnic is planned for this year at Rutland.

The group in Springfield, Massachusetts, plans to organize next year; they used an original version of the candlelighting ceremony for Founders' Day.

Without the loyal support and cooperation of officers and members of the clubs our fine record would be impossible. Next year we will have even higher goals. The ever willing suggestions and help from all Fraternity officers has been a continual inspiration.

Respectfully submitted,

ERMINIE L. POLLARD

## ALPHA PROVINCE WEST VICE-PRESIDENT

**A**S IF war conditions were not enough to disturb the even tenor of our ways in Alpha Province West, the Weather Man decided to upset us still more by staging a series of snow storms in the middle of winter, which added to gas restrictions and temperamental tires, kept club members apart until drifts melted away and bus and street car service could once more be relied upon. However, the art of letter writing has been resurrected and a lively correspondence has been going on between club executives and myself, keeping me fully informed of their activities, the results of which will be displayed in the Province Chart in the Information ARROW. As indicated by that the Settlement School still holds first place in Pi Beta Phi projects with the Physiotherapy Fund a close second. Group meetings, with members gathering according to their residential dis-

tricts have been the plan adopted by many of the clubs, but all have had at least four general meetings and the literature and reports received during the club year from Central Office and from members of committees in charge of fraternity projects have been read with resulting support whenever possible. I regret that visits to clubs in New York and New Jersey, scheduled for the period near to Founders' Day, had to be postponed and I hope to accept their invitations in the autumn of this year. Their co-operation during the past year has been most encouraging and incoming officers have assured me of its continuance. In closing I wish to thank them again and to express my appreciation for their interest in and good wishes for my family, all of whom will be with me again soon.

MARY HERDMAN SCOTT

## BETA PROVINCE VICE-PRESIDENT

**B**ETA PROVINCE is happy to announce that all clubs are functioning in spite of difficulties arising from the war. Since Clarksburg was chartered so late in the year it is my understanding that they will not be expected to make all contributions until next year. This being the case Beta Province will be 100% in contributions. Each club has made a big effort to be understanding of our National efforts and to this end they have worked.

The members of Pi Beta Phi throughout the province have been well represented in their respective civic undertakings. Many are in war work, all branches of Red Cross and U.S.O. besides local philanthropies. A number of special gifts have been sent to our Settlement School.

It was my privilege this year to visit eleven clubs and to be present at the installation of Ohio E at Toledo University. I was unable to attend the installation of Ohio Z of Miami University but from reports

I am sure they were equally impressive. With the new club at Oxford it is gratifying to see that our province is growing both from an active and alumnae standpoint.

The Cleveland Club East again heads the list in the amount of its contribution to the Settlement School. The Columbus Alumnae Club gave the largest contribution to Physical Therapy Fund.

It is with an increased devotion to Pi Beta Phi that I close this my first year as Beta Province Vice-President. The wonderful cooperation of all clubs and the individual members makes me look forward to next year with a great deal of seriousness in my pledge to serve them better. I am very grateful to Grand Council, Central Office, and the various chairmen for their help and encouragement throughout the year.

Respectfully submitted,

EDITH HOYER RANKIN

## GAMMA PROVINCE VICE-PRESIDENT

AS A NEW Province vice-president, I am glad to report that all the clubs in Gamma Province have worked hard this year and have shown an increased interest in the National projects. One club, in Charlotte, North Carolina, has reorganized, so that "now we are seven." This particular club, although the smallest in membership, has contributed to all the required projects and, in addition, has given to the Loan Fund.

There has been an increase in membership throughout the clubs, with the Baltimore club leading with 100% increase. The contributions to Settlement School, Holt House, and Physio-therapy have also increased, and Chapel Hill, North Carolina, and Washington, D.C., as well as Charlotte, have included the Loan Fund in their budget. The Richmond Club has as a local interest the Elizabeth Cates Foundation, which was established in honor of the Superintendent of the State Industrial Farm for Women at Goochland, Virginia, a Pi Phi of whom we all can be proud.

The clubs cooperate with the active chapter whenever there is one near enough and in most cases, they celebrate Founders' Day together and join in the sale of Arrowcraft products, but the universal difficulty there is that there are never enough articles to sell and every club could use much more than is available. Magazine subscriptions have also been a profitable source of revenue.

Washington has again contributed a full scholarship for Physio-therapy and this year Baltimore, in conjunction with Maryland A actives and alumnae, has sent in \$800.00 to name two scholarships in honor of Helen Doll Tottle the much loved charter member of Maryland A and fairy god mother to the alumnae

as well as actives. Although I make special mention of these two large gifts, I do not want to underestimate the gifts of the smaller clubs, for in every case, each club has given to Settlement School, Holt House, and Physio-therapy, and many times, the amount contributed by fewer numbers means more effort and just as genuine interest.

In addition to having every club 100% in contributions, Gamma Province has all clubs reporting that the four required meetings have been held and a great amount of extra work has been done for Red Cross, U.S.O., and all types of war work. I am sure there is no volunteer service of the Red Cross that does not have some Pi Phi registered in it from every club.

The visits to the clubs were stimulating and a source of pride to me and everywhere the women wanted to know more about the national projects and seemed particularly gratified to know of the course in crafts to be given this summer at Gatlinburg. Gamma Province appeared to me to be in a healthy, forward-looking state, and I report that, although it is the smallest province, it has won the coveted distinction of being 100% along with its larger sisters.

Miss Onken, Mrs. Smith, the other Grand Officers and Committee members, Central Office and the officers of all the clubs have helped to make this year an interesting one for me, and I hope a profitable and successful one for Pi Beta Phi. It has been a privilege to meet the many fine women who make up the membership of the clubs under my special jurisdiction. "May their tribe increase."

ISABEL DRURY HEUBECK

## DELTA PROVINCE VICE-PRESIDENT

ALTHOUGH the entire province missed the 100% goal this year, many of the clubs have done extremely well. They have shown by their hard work, their continued interest and loyalty to the fraternity. It is to be hoped that their success will serve as an incentive to the other clubs in the province.

Alumnae in the province are indeed happy to welcome a new chapter, Michigan Γ at Michigan State College, which was installed in February. Our congratulations go to them and to the members of the Lansing-East Lansing alumnae club for their hard work in making this new chapter possible.

Twelve clubs are 100% in their contributions to the fraternity's projects, the Settlement School, Holt House, and National War Fund. In addition, eight clubs continued their support of the Loan Fund.

The total membership is 480 as compared with 479 last year. Six clubs showed an increase this year, while three remained the same as last year.

Seven clubs sold Arrowcraft for a total of \$3,081.56 and all feel that they could have sold more, if the

products had been available.

Contributions to the Physio-Therapy Fund totaled \$657.40, an increase of over \$200. Detroit leads the province with \$200, Fort Wayne is next with \$125, and Indianapolis third with \$120. Two clubs failed to support this project.

It was a great privilege to attend the installations of Michigan Γ and Ohio Z, and to be present for the pledging ceremony for Ohio E. It was a pleasure too, to be able to attend three Founders' Day meetings, Indianapolis, Lafayette, and Detroit. Official visits were made to six clubs this year and your province vice-president takes this opportunity to thank those clubs for their hospitality.

Sincere thanks and grateful appreciation are expressed to the members of Grand Council, to Mrs. Wild, and the clubs in Delta Province for their help and cooperation during the year.

Respectfully submitted,

HELEN ANDERSON LEWIS

## EPSILON PROVINCE VICE-PRESIDENT

THIS year Epsilon Province has nine active alumnae clubs. St. Joseph still feels unable to become an active group and Little Pigeon, because of very real transportation problems of their widely scattered membership, became inactive for the duration. The

latter club, however, paid dues and sent \$5.00 to Holt House. The Jefferson City club, which had been inactive, has again become a working group and in spite of a late start for the year has made contributions to each of our three major projects. Next year

will no doubt find them meeting all other requirements too, as have the eight clubs which qualify for the 100% rating.

All clubs but one have increased their membership this year, the Province having 475 paid members. Interest in the Physiotherapy Scholarship Fund has increased with a better understanding of its importance and contributions from the clubs have gone up. Gifts ranging from \$2.00 to \$250.00 bring the Province's contribution to \$522.00. Several clubs combined a study of Holt House with their History and Constitution meeting and deeper interest in this Pi Phi shrine has been shown by the increase in number as well as in the amount of gifts. Settlement School continues to receive fine support from all our clubs and two of the contributions have almost a pre-war look. St. Louis sent \$500.00 and Kansas City sent \$600.00. In addition to the generous effort these figures show, four clubs also sent contributions to the Loan Fund and others made fine gifts to nearby chapters and the Red Cross while still others gave money for scholarships at local colleges. Arrowcraft sales continue to grow and the products to gain in favor, and in spite of the difficulties encountered, magazine subscriptions indicate enthusiastic effort on the part of the chairmen.

The clubs are continuing their various form of war work; recreational and Nurses' Aide and Grey Lady

work at hospitals, serving in many capacities at U.S.O.s. and Canteens, collecting for relief organizations, maintaining bond booths, and helping in many Red Cross agencies. We may all feel justly proud of Pi Beta Phi's war effort, both nationally and locally!

Having had the privilege of visiting almost all the clubs in the Province this winter, I have been impressed by the power for good which such alumnae groups wield. Not only does their combined effort and enthusiasm carry on our fine national work, but in each locality, they represent the forward looking women of to-day who give their time and effort for the worthwhile things in which they believe. Knowing these alumnae and meeting with the clubs has helped me greatly in this work about which I still need to learn so much. Corresponding with the officers has been fine but knowing them and the groups they represent has been much finer.

It has been an honor and a wonderful experience to serve as Epsilon Province Vice-president this year. To members of Grand Council and all other officers whose friendship and help has meant so much, goes my sincere appreciation. I want to thank also the officers of the alumnae clubs who have shown such fine cooperation and interest and the alumnae members who have supported us all.

Respectfully submitted,

MARGARET FASTER

## ZETA PROVINCE VICE-PRESIDENT

PI BETA PHI has always stood for deep loyalties and true friendships, but an even keener and more glowing appreciation of the glories of our fraternity is mine as I write this report. Having just returned from an official visit through Zeta Province where I visited eight clubs, I find a great and new inspiration from the splendid contacts with the Pi Beta Phi alumnae.

This is my first year as the province vice-president, and it has been a year in which I have had much to learn. As a novice, I feel that I have gained far more than I have given. However, these have been months of rich experience and I feel that a foundation has been laid for my work for the coming club year.

Wartime has cast its shadow over our province, and many of the clubs have suffered a loss in membership. Yet, despite losing hardworking and faithful members the clubs have retained their spirit, their zeal, and the love of working for the fraternity. Birmingham, Lakeland, Orlando, and Atlanta, however, have showed an increase in paid members.

Six of the clubs in the province have been 100%

in their contributions to the Pi Beta Phi projects. Lakeland, once more, is our 100% club in paid memberships. Atlanta, Lakeland, Tampa, Orlando, and DeLand increased the amount of their donations to our war project. Birmingham increased the amount of their Holt House donation and DeLand increased the amount of their Settlement School contribution.

At the present writing all reports are not complete. However, the reports on hand show that the province earned \$365.78 in Arrowcraft sales and \$427.30 in magazine subscription commissions.

Serving as a province officer this year has been a happy and a gratifying experience. I wish to thank the clubs of Zeta Province for their excellent spirit of cooperation and their gracious hospitality. To Amy B. Onken and Ruth Barrett Smith, and to all of the members of the Grand Council, go my deep and heartfelt appreciation for your patience and understanding, and my thanks for your encouraging and inspiring letters.

Respectfully submitted,

JEANNE PICKARD STALLINGS

## ETA PROVINCE VICE-PRESIDENT

IT IS a pleasure to report that the year in Eta Province was one of achievement through the collective efforts of twenty-four fine clubs. Difficulties resulting from war time conditions hampered the usual activities somewhat, but devoted alumnae overcame the obstacles and made 1944-45 a year of outstanding accomplishment. The \$4,086.13 gross sale of Arrowcraft indicates nearly a one thousand dollar increase over last year. Contributions to Holt House are 20% greater than ever before, and there is a stimulated interest in this project which is a memorial to the founding of Pi Beta Phi. There is a small increase in Settlement School support, and bonus gifts to the School are numerous. Gift boxes were

sent by several clubs at holiday time, and \$200.00 was generously sent to the Health Center by Chicago North. It is a matter of special pride in the clubs to say that there were 100% contributions to the national War Project. This progress was made with only slight gain in the number of paid members—688 over 681 in 1943-44.

The loyalty of Pi Beta Phi alumnae in this province cannot be lauded enough. The remarkable support given to the War Project makes others realize that true nobility lies within the clubs. Recognizing the worth and benefits of a physiotherapist's profession, the clubs raised many hundreds of dollars to contribute to the scholarships. Several of the small clubs

doubled their former contributions at great effort, and the larger clubs raised handsome amounts of money. Chicago North quadrupled its previous donation. Chicago South undertook an interesting way of raising its contribution by sponsoring the sale of tickets for a book review presented by one of its own talented members. This enjoyable program was very successful and brought fine publicity to the club. North Shore's particularly large contribution of \$500.00 is the greatest single amount contributed in the province.

Rushing recommendations committees of all clubs functioned well. When located to do so ably, the clubs have been of great assistance to the active chapters. The fine spirit existing between active and alumnae members of the Fraternity, and the genuine interest they have in each other, is fostering relations which can only result in satisfaction for all.

Attention should be called to the innumerable hours of volunteer war work done by the alumnae, individually and in club projects, and to the gigantic amount of Red Cross sewing and knitting done at meetings. The clubs have patriotically participated in and contributed to every national and community war effort. The devotion of these women to their country will be a brilliant episode in Pi Phi history long

after the emergency is past.

Twenty clubs have had 100% participation in all Fraternity projects, and these enthusiastic groups command admiration. Sometimes mental reservations or financial difficulty did not make it easy to be 100%. The clubs not in this class are Chicago South, Chicago West Suburban, Madison and Peoria. Bloomington-Normal club is dormant for the duration of the war but expects to resume its activity when conditions permit.

A series of club visits permitted personal contact with twenty-one clubs and a fleeting glimpse of the eight active chapters in the province. These trips were completely delightful, and if there is a "Pi Phi type" she is certainly the epitome of charm and intelligence at any age. With the assurance that the year has been one of purpose and lofty aspiration for all clubs, this report for Eta Province is submitted.

To the club officers and members, to the efficient Director of Central Office, to the national committee chairmen, and to each member of Grand Council goes sincere appreciation for a happy and worthwhile experience.

Respectfully submitted,

GERTRUDE S. BURLEY

## THETA PROVINCE VICE-PRESIDENT

**F**OURTEEN of the fifteen clubs in this province are 100% in contributions to the Pi Phi projects. This came very close to our goal of being a 100% province.

This year is a year in which we are truly progressing. The membership has increased from 355 last year to 378. Nine clubs have increased their membership. Winnipeg club reports "Their membership was the highest on record."

The clubs in this province supported the Physiotherapy fund 100%, giving a total of \$437.00. The Minneapolis Afternoon club and the Winnipeg club tied for first in contributions, each gave \$75.00 and Ames came next with \$65.00.

Two hundred and fifty-six dollars was given to the Settlement School, a decrease of \$73.00 from last year. Ames lead in contributions giving \$60.00 and St. Paul came next with a gift of \$50.00.

A total of \$13.00 came from this province for the loan fund and \$51.06 for Holt House.

This makes a total of gifts from this province of \$757.06, an increase of \$74.06.

The Magazine fund is \$295.30, a raise of \$75.30. Mt. Pleasant club lead in their subscriptions. Their commissions total \$64.05 while Ames came second with \$50.45.

The Arrowcraft sales total \$1,261.75 this year, an increase of \$350.74 over last year. The Minneapolis club far exceeded all the others with a total gross sales of \$563.68.

The Burlington, Iowa club, In Memoriam, for Linnie Lyman Crabbe (Mrs. George), Ethel Cowan Weibley (Mrs. W. F.) and Miss Perle Hayden, has purchased an antique lamp for the parlor of Holt House.

The Winnipeg club is outstanding in their war project. As a group they made articles to be sold and the funds donated to "Bundles Unlimited." This year they made \$275.00. Besides this they were able by a bond raffle to give \$75.00 to the Physiotherapy fund and support the Settlement School and Holt House.

This year I have visited four of the clubs—Mt. Pleasant, Minneapolis Afternoon and Evening group, and the Des Moines group. I will always treasure the memory of these visits. Letters help to bridge the miles but nothing can take the place of personal visits.

Adèle Alford's visit in this province highlighted this year. She came to Iowa in time to celebrate Founders' Day with several groups.

My sincere appreciation goes to the clubs and their officers for the fine spirit of cooperation they have shown the past year. I have enjoyed their many interesting letters and am looking forward to the time I can visit the other clubs.

My thanks go to Grand Council for their help and inspiration.

Respectfully submitted,

JEAN JOHNSTON

## IOTA PROVINCE VICE-PRESIDENT

**I**T HAS been a real pleasure to collect and study the reports from over the province and know that these figures translated into action have meant the Alumnae of Iota Province have been busy, also devoted and proud of the fraternity's program. The National War Project has offered a challenge to the clubs to unite in one phase of the war work which our Grand Council has selected for us to do. There has been an enthusiastic response from all clubs.

Denver gave a scholarship of \$400.00 and other contributions brought the amount to \$836.00 and \$301.90 from the chapters.

We regret that one club, Colorado Springs, wishes to be inactive for the duration. In spite of this fact the membership has increased by fifteen members. Four Life memberships in one Colorado A family were paid.

Even at the expense of seeming boastful, you will

find Iota has two clubs ranking among the eight highest for total magazine commissions and also two clubs among the eight highest for per capita commissions for the entire fraternity. This is evidence of our interest and desire to support the Settlement School. In addition the clubs have given over \$843.00 to the S.S. Through articles in the ARROW and letters there is a growing appreciation for Holt House as the home of Pi Beta Phi and a treasure house of things we hold dear.

While the total for Arrowcraft is not as high as last year, there has been an increase in clubs selling, and three clubs have indicated their intention to make Arrowcraft one of their main projects for the coming year.

Early in the club year programs were received

from a majority of the clubs and the reports and letters which have followed through the year attest to the fine leadership and cooperation within the organizations.

A particular pleasure was to be a guest of Wyoming A for their initiation and Founders' Day banquet. A skit presented in costume, by the actives depicting the installation of the chapter, was cleverly done.

It is with sincere gratitude to our Grand Vice-president, Ruth Barrett Smith, my predecessor Marjorie Colvin, Central Office Director Louise Shappert, and other National officers for helping me "find my way about" with the province work, that I submit this report.

GLADYS K. BUNTEN

## KAPPA PROVINCE VICE-PRESIDENT

KAPPA PROVINCE continues to show improvement in a great many respects, although war time regime and interests, of course, still take precedence over all else. The total paid membership of 786 is an increase of almost 100 over that of last year. Twelve clubs; Corpus Christi, Dallas, Houston, Little Rock, Nita Hill Stark, Norman, Oklahoma City, Shreveport, Stillwater, Texarkana, Tulsa, and Tyler showed an increase over 1943-1944, with Tulsa reaching an "all time high" of 107 in the province.

Arrowcraft sales increased \$915.53 over last year; the largest sales being Dallas, with \$1,221.06; Tulsa, with \$1,015.00; Austin, with \$647.59; Little Rock, with \$580.65; Nita Hill Stark, with \$526.51 and Stillwater, with \$309.72. Fayetteville and Oklahoma City each sold over \$200.00 worth of goods. Donations to the Settlement School showed a slight increase, although five clubs failed to send any donations. The Province Vice-president's dream of 100% Province seems impossible of attainment.

Intense interest in the Physiotherapy Fund was shown throughout the Province, as evidenced by donations amounting to \$707.92. The largest contributions were \$120.00 from Nita Hill Stark Club, and \$100.00 each from Oklahoma City and Tulsa. Grand Council and the National Committee on War Work were most wise and foresighted in selecting Physiotherapy Scholarships as Pi Beta Phi's national war project. In addition to working for Pi Beta Phi's specialized project, the local war work reports are

varied and satisfactory. Each club is doing its full share, not only in time-taking services, but also in giving money and buying bonds.

Donations to Holt House, the fraternity's sentimental shrine to its Founders, more than doubled those of last year. Many clubs commented on the fact that Founders' Day celebrations were particularly inspiring this year. Perhaps this was due to the fact that having lived still another year under the strain and sorrow of war, we appreciate more than ever the privilege of paying homage to the fulfillment of a vision of friendship and loyalty.

Splendid cooperation between clubs and chapters has existed this past year. Indeed, the clubs of Kappa Province have just cause to be proud of their chapters, as they learn of their splendid record of honors and accomplishments. The chapters were 100% in their donations to the Settlement School, War Project, Loan Fund, and Holt House.

Dallas and New Orleans organized Mothers' Clubs, which are sure to prove of inestimable value not only to the active chapters, but also the alumnae clubs in those cities. Our Mothers' Clubs answer innumerable emergency calls in addition to lending very valuable "moral support" and help in rushing.

My sincere appreciation and thanks go to my clubs and to all members of Grand Council for their never failing cooperation and generous support.

Respectfully submitted,

OLIVIA SMITH MOORE

## LAMBDA PROVINCE VICE-PRESIDENT

THE alumnae clubs of Lambda Province have achieved the goal set for them this year—every club 100% in giving to the three fraternity projects.

Membership, exclusive of seniors, is 514—an increase of 82 over last year. Three clubs: Corvallis, Olympia, and Wenatchee are 100% in paid membership.

Contributions have likewise risen. Settlement School gifts went from \$311 to \$360; Holt House donations from \$40.50 to \$63; and our Physiotherapy contributions amounted to \$648, bringing our two-year total for that war project to \$900. The generous gifts of \$200 each from Portland and Seattle and the \$50 from the rather small club in Boise, deserve special mention.

Arrowcraft sales were conducted in 11 of the 17 clubs for a total record in excess of \$4,400. Of this

amount Portland's sale was more than \$2,000, and the enthusiastic group in Yakima, the Fannie Whitenack Libbey Club, netted \$750.

Lambda Province Vice-President regrets very much that she could not make club visits as scheduled. She appreciates most sincerely the kindness and sympathy you have extended her in such a difficult year, and is happy to note a spirit of unswerving loyalty and hearty cooperation in all the clubs. To those of you who have made our Lambda Province accomplishments possible, we close this year with sincere appreciation of your unselfish efforts, and look forward with eager anticipation to the new tasks and pleasures ahead.

Respectfully submitted,

LOUISE WHEELLOCK DOBLER

## MU PROVINCE VICE-PRESIDENT

AS THE year 1944-45 draws to a close we find a slight improvement in the picture which 1943-44 presented. Along with the improvement in the world situation our local outlook is better.

Mu Province has been greatly affected by war conditions due to our geographical and strategic position, and I think that the response of its numerous members to the various demands made upon its time and energies and finances has been excellent. Interest in our National projects has been maintained at a high level. The fact that gifts to the Settlement School and Loan Fund have fallen short of last year's amounts has been more than counterbalanced by contributions in other directions. However, we have lost ground as far as the Settlement School donation is concerned, our contribution being \$710 which is \$84.95 less than that of last year. Since the Loan Fund is not a "must" for 100% clubs the loss of \$4 there is of less importance. All other contributions have increased considerably.

Arrowcraft sales rose from \$6520.12 in 1943-44 to a total of \$8800.70 in 1944-45, or a gain of \$2280.58, which total would undoubtedly have been greater had more of these products been available. San Francisco led in this department with sales amounting to \$1700 while Berkeley came second with \$1571.92 and Los Angeles third with \$1031. I should like to give especial mention to one of our smaller clubs, Marin county, which, with only 16 paid memberships sold a disproportionately large amount of these products, \$724.66 worth! Others which also did unusually well were Fresno, Palo Alto, Reno, Sacramento, San Diego, and San Jose, all of which accounted for from \$373 to \$661 each. Our membership showed a net gain of 161 over last year, bringing the membership-total in this province to 905 paid through the alumnae department plus 13 affiliated seniors making a grand total of 918. Los Angeles led with 177 paid members and 8 senior paid through National while Berkeley almost doubled its membership to bring it to 89.

We have two clubs which are inactive for the duration of the war. We also have two new clubs to present to the Fraternity this year—the South Coast Club chartered in December with 20 members, and the San Fernando Valley Club which made its advent in May 34 charter members. This makes our total of active clubs 24 and inactive, 2.

Holt House showed an increase of \$16—from \$98.00 to \$114.

Physiotherapy, which all of us consider our most urgent need at present rose from \$1033.15 last year to \$1568.04 this year, an increase of \$534.89. I think all of us feel particularly gratified over this. The largest donation to this cause came from Berkeley—\$300, while the Los Angeles Club came next with

\$255. Most clubs show a nice increase in this department.

Pecuniary gifts to active chapters increased from \$184.28 to \$978.30, which is \$794.02 above that of last year. This does not include numerous gifts—house and activities gifts—as well as financial help with rushing parties and expenses. By far the largest part of this amount was given by the Reno Club to Nevada A—\$875!

Magazine commissions totalled \$543.25 as compared with \$500.27 last year, the largest commission having been paid by Los Angeles—\$89.20—while Reno was second with \$54.25.

In all, the net increase for the alumnae in this province was \$3732.52.

Considering the many and diverse interests and the innumerable calls which are made upon these clubs and their members both for time and financial support, I think their response in every direction has been excellent. In every field of normal and wartime endeavor our Pi Phi alumnae are outstanding. Their interest and their unselfishness are very marked. It is a source of pride and pleasure to me to have had the opportunity to know and work with such groups and have a small part in their encouragement and guidance. Indeed, I have gained much more from them than I could ever have given to them.

Most of the clubs have served as organized groups representing their individual Pi Phi units, in local USO, Red Cross and similar service-organization projects, staffing Blood Banks, Canteen Units, Hospitality Houses, Recreation Rooms, Ration Boards, Army and Navy Hospitals, acting as solicitors for War Chest, War Bonds and for the Cancer Drive, in addition to innumerable hours given to these organizations by the members as individuals. Glendale reports having knitted and donated 18 afghans!

Then too, many of the clubs are contributing of their time and means to promote some local philanthropy, notable among these being Fresno's annual scholarship of \$50 to the Fresno State College, and Marin's gift of \$100 to the Sunny Hills Orphanage.

I hope that next year the province will continue to grow in stature and in scope of its good work, for there is always room for improvement of even a job already well done!

It has been a pleasure to work with my clubs, to visit a number officially and to know so many with whom my previous dealings had been just by correspondence. They are even nicer face to face!

May I express to all, officers and lay members alike, and to the members of Grand Council, my very sincere appreciation for the many courtesies extended, the enthusiasm, and the whole-hearted cooperation which have made for a pleasant and very satisfying year?

VIRGINIA M. TATOM

### Notice

The piano which has been at Holt House, a loan from Monmouth College for the duration of the war, must now be returned. Perhaps there is somewhere a Pi Phi who has a piano to give to Holt House—Mrs. Simmons of the Holt House Committee would be happy to hear of such an offer.

# Alumnae Club Reports

"Having had the privilege of visiting almost all the clubs in the Province this winter, I have been impressed by the power for good which such alumnae groups wield. Not only does their combined effort and enthusiasm carry on our fine national work, but in each locality, they represent the forward looking women of to-day who give their time and effort for the worthwhile things in which they believe."

MARGARET A. FOSTER  
*Epsilon Province Vice-President*

## ALPHA PROVINCE EAST

### BOSTON

The Boston Alumnae Club had six meetings in all this year, two more than usual, and the variety of program as well as the informal, friendly spirit was much enjoyed.

In October a dinner meeting, at which Mrs. Harris G. LeRoy gave an interesting talk on Settlement School, followed a public sale of Arrowcraft.

Miss Josephine Durrell was guest speaker and demonstrator of "Finger Painting" as the feature of the December meeting.

A "Cooky-Shine" in January at the home of Mrs. Philip Adams was such fun, and attracted new members as well as old.

The "Penny Sale" in February would have been more successful financially had a severe storm not kept many folks away.

On St. Patrick's Day a bridge and tea was sponsored by the club at Filene's Department Store in Boston.

Founders' Day was celebrated by a luncheon at "The Lincolnshire." Miss Erminie Pollard, Province Vice-President, was present as a guest and was one of the speakers. Mrs. Edith Swan, a Massachusetts A founder, talked on the early days of Pi Phi at Boston University. The annual meeting followed the initiation of seniors.

Magazine commissions totaled \$59.06, and contributions were as follows:

Settlement School .....	\$185.38
Holt House .....	2.00
Physiotherapy Scholarship Fund .....	15.00

Respectfully submitted,

RUTH H. DAWSON

### BURLINGTON

In October the alumnae gave a bridge at the Pi Phi house and had 30 tables. Beverley Booth Taylor was in charge of all arrangements.

December brought the annual Settlement School sale and tea held at the house.

In January the meeting was held at Mrs. Sally Page's home with Martha Peterson in charge. The program was on the constitution.

In February a dessert hour was planned in Erminie Pollard's honor. It included both alumnae and actives. The guest speaker was Mrs. Nuquist who spoke on the League of Women's Voters. Also in this month the alumnae were guests at a tea held for Mrs. Everett.

The alumnae held a meeting in memory of Founders' Day with Louise Johnson in charge of the program. The alumnae were also invited to the actives Founders' Day Program. The Middlebury Pi Phis were guest of Vermont B that day.

During graduation weekend the alumnae had a tea at the house for the graduating seniors and also had a supper at Mrs. Alling's home in their honor.

The alumnae donations for the year are: Holt House, \$2.50; Physiotherapy, \$2.50; and Settlement School, \$5.00.

JEANNE WRIGHT

### HALIFAX

The Halifax Alumnae Club has had a busy season. Our meetings have been very well attended and we often have at our meetings girls from other alumnae clubs who are in Halifax for a time. We usually have some Pi Phi WRENS and WREN officers stationed here and they come to our meetings and parties whenever possible.

We started out this fall by helping at the rushing party. We have held monthly meetings, on the second Tuesday of each month, at the homes of the members.

The club, as has been the custom for a number of years, entertained the active chapter at a Christmas party, in the form of a buffet supper. Everyone brought a toy to be given to the Jost Mission.

We all enjoyed Miss Pollard's short visit with us in February.

A very successful Rummage Sale in aid of the Physiotherapy Fund was held in April.

This year we revived an old custom, which had been dropped since the war, that of entertaining our Mothers at a tea. Mothers of girls who were out of town at the time, as well as the actives and their Mothers, were also invited. The tea was held the Saturday before Mothers' Day.

Several of the alumnae spent a weekend at Hubbards in May while the actives were in camp there.

The club is still knitting for the women and babies of Britain. Many of the members are working for the Red Cross, either full time or part time, in the Motor Transport, the Nursing Section, or the Food Administration.

We have given \$1 to the Settlement School, \$1 to Holt House, \$10 to the active chapter and \$60 to the Physiotherapy Fund.

RUTH MACINNIS

### HARTFORD

Our last club meeting of the year was a picnic supper held on June 6 at Pearl Burnham's home in Bloomfield, Conn. It was well attended by Pi Phis, husbands and beaux. We have given \$25 to the Settlement School, plus a personal gift of \$10. We plan a gift to the active chapter at the University of Connecticut. We gave \$5 to Holt House, \$5 to the Physiotherapy Fund, and \$5 to the Loan Fund.

MARJORIE EVES

### MONTREAL

During the year a good attendance has been maintained at the regular monthly meetings. Knitting of children's garments has been carried on as in previous years and a goodly number of finished articles have been turned in. Our programs have included pictures of Bolivia, a book review, an informal discussion of Physiotherapy, a meeting with Mrs. Finger, one with Miss Pollard, our annual party and the Founders' Day luncheon. We have given \$10 to the Red Cross, \$5 to the Children's Memorial Hospital, \$5 to the Settlement School, \$1 to Holt House and \$21.50 to the Physiotherapy Fund.

SHEILA YOUNG

### NEW HAVEN

The New Haven Alumnae Club held four meetings during the year at the homes of Ad-the Longshore Claiborn, Eleanor Brown Roberts, Edith Valet Cook and Mildred Ingram.

To the December meeting we brought gifts for the Settlement School children and spent a jolly evening wrapping them.

In April we met to honor our Founders and hold our annual meeting. The following officers were elected: president, Mildred Ingram; vice-president, Hope DeMore; secretary, Annette Adams Burkelman; treasurer, Katherine Allan Nelson. We voted to send contributions to the Settlement School and the Physiotherapy Fund.

We welcome our new members from our new chapter Connecticut A who bring us in closer touch with the life of our actives. Also we welcome all Pi Phis living or visiting in our New Haven area.

MRS. G. R. WHEATON

### PORTLAND, MAINE

The year 1944-45 has been very busy and eventful for the Portland, Me., Alumnae Club of Pi Beta Phi.

The season started with a most interesting talk on International Houses in the United States, particularly that in California, by Etelle Carlson.

October saw again the Annual Settlement School Tea at which time the members and guests were fortunate in obtaining the motion picture films of the School and also

the services of Mrs. Beth LeRoy who discussed various points about the motion picture and also told much about the School.

A book consisting of letters written by past presidents and charter members of the active chapter at the University of Maine was given to the Pi Beta Phis to commemorate their 25th Anniversary.

This year the Portland Alumnae for War Work presented a Serviceman's Overseas Chest for Recreational Purposes to the Red Cross; entertained at bowling, the WAVES stationed at Portland; and held a white elephant sale, the proceeds of which were used to buy war stamps.

The Club was most fortunate to have its Province vice-president, Erminie Pollard make a visit. We have given \$25 to the Physio-therapy Fund, \$10 to the Settlement School and \$10 to Holt House.

DOROTHY FRYE

## ALPHA PROVINCE WEST

### ALBANY

The annual business meeting for the election of officers was held at the home of Miss Elizabeth Billings in March. After the business meeting the remaining Arrowcraft articles were displayed and sold bringing our total receipts to \$475.00 for the year. Delicious homemade sandwiches and cookies were served by the hostess assisted by Mrs. Joseph Kilgallen.

Founders' Day was celebrated with a cooky-shine at the home of the club president, Mrs. Horace Evans in Loudonville. Mrs. Fred Archibald and Miss Helen Chambers prepared a very tasty supper for the twenty-one members present. Mrs. Oliver Wolfe led the group in singing several of our old songs and then introduced some new songs from the supplement to the March, 1945, ARROW. Following a short business meeting, Miss Edith Tallmadge read a poem about the first cooky-shine and read parts from the constitution concerning Alumnae Clubs and alumnae members. Mrs. Mary Scott had planned to be with us for this meeting and we were all sorry that her visit had to be postponed.

A picnic at the home of Mrs. Clarence Freer in West Sand Lake brought the activities for the year to a close. Mrs. Gladys Weilbacher was chairman of the committee assisted by Mrs. Mary Houghton and Mrs. John Hacker. The club members brought their own sandwiches which were passed around and the committee planned and prepared the strawberry short cake with the hostess preparing the coffee and the punch. The afternoon was spent in singing Pi Beta Phi songs, and playing badminton, croquet, and bridge.

This year the Club's contributions were \$25.00 to the physiotherapy scholarship fund, \$20.00 to the active chapter at Canton and \$25.00 to the Settlement School. We have five new members.

MARY STINNARD HACKER

### BUFFALO

The Buffalo Alumnae Club met once a month from September through June. The club contributed \$75.00 to the Physio-therapy Fund, \$50.00 to Settlement School, and \$5.00 to Holt House. The contribution to the Red Cross was \$20.00. Children's books were sent to Settlement School for Christmas. Money raising activities included commissions from the sale of Gay Benson "Kiddie Soaps," and from the House of Stuart Beauty Clinic cosmetics. The club members each contributed \$1.00 to the Physiotherapy Fund, and \$1.00 to Settlement School.

Special programs for the year were: a "shamrock" quiz program, arranged by Frank Zingerle Baldwin and Betty Warman Parker, on the constitution and history of the Fraternity; a study and discussion of the Alpha Province active chapter president conference; the Founders' Day tea, with a talk on the colonization of Michigan P by Hallette Fraley Nelson, a summary of fraternity expansion by Barbara Teall Hendricks, songs by Barbara Hendricks, Catherine Coleman Vary, and Betty Parker, and the Candlelighting Ceremony by Jane Petersen Meyers.

Social activities included a Christmas dinner party at the Hotel Westbrook, and a family picnic in June at Eleanor Verduin Millonzi's cottage on Lake Erie.

FRANCES ROBINSON WHITING

### LONDON

The purchasing of a house and subsequent incorporation made this past year the most outstanding in our short history.

A pot-luck supper opened the season in a very social way and gave all an opportunity to inspect the house. During the year we have had the satisfaction of seeing improvements made here and there and the girls happily installed.

The initiation banquet in November was graced by the presence of our Province Vice-President, Mary Scott.

The week of December 4-10 brought rushing with all its activities to which the alumnae club contributed.

A raffle of a fifty dollar victory bond was held and a substantial sum given to the Physio-therapy scholarship fund.

Founders' Day was celebrated in conjunction with the active chapter. The meeting also took the form of Seniors' farewell.

The graduation dinner in May was a jolly, well-attended event, bringing the year to a happy ending.

DONALDA M. SMITH

### MID-HUDSON VALLEY

We have had the four required meetings this year although our membership has been reduced to four. We have given \$5 to the Settlement School and \$5 to the Physio-therapy Fund and have assisted the Cornell active chapter with data on rushees.

MRS. RUSSELL W. HADDEN

### MOHAWK VALLEY

In spite of war and weather, the Mohawk Valley Club has had a fairly successful year, with Christine Wolff as president.

Two interesting meetings were held in the Fall, one at Marian Sharples in Rome, and one at Carol Cutter's in Utica. Then the Winter meetings were skipped, mainly on account of too much snow and too little gas. Late in March we had a pleasant get-together at Christine Wolff's, to make plans for Founders' Day celebration and Mrs. Scott's visit.

These developed into a dinner meeting at the spacious new home of Charlotte Nicholas in Rome, where twelve of us sat down at a beautiful candle-light table to eat a delicious (Pi Phi-cooked) dinner. Although we were disappointed not to have our guest of honor, Mary Scott, with us, we rejoiced with her in the cause of her absence—the expected arrival of her Pi Phi daughter, Anne, who has been interned in the Philippines. We were happy, too, that Carol Cutter had so completely recovered from a serious illness and operation that she could be with us.

May 23 we had an enjoyable meeting at Louise Mason Miller's in New Hartford, with our new president, Vance Reid, presiding. Marian Sharples stopped off for the meeting on her way home from Cooperstown Hospital and reported the good news that her mother, Mary Staley, was convalescing nicely after an operation. A memorable part of the evening was seeing some most interesting pictures painted by Stuart Miller, husband of our hostess. The Prentiss twins gave us some valuable information about making successful Victory gardens. They also told many amusing stories of their experiences with their own garden. We have sold \$80 worth of Arrowcraft products.

E. HENRIETTA SCRIPTURE

### NEW YORK

The New York Alumnae Club of Pi Beta Phi opened the year with its annual cooky-shine as a welcome to new members. A visit to Frick Museum in December was followed by a Christmas party. The Settlement School tea was held in the Panhellenic clubrooms at Beekman Tower Hotel and Arrowcraft sales of \$550 were made. A New York physio-therapist spoke at the February meeting. The alumnae club contributed \$51.75 toward the physiotherapy scholarships. The year was concluded by the Founders' Day tea at the Plaza, which included the traditional candlelighting ceremony.

The greatest problem of the club is the transient membership due to the war, but working against this difficulty has

been a capable group of officers headed by the president, Mrs. Herbert C. Rauch.

MARILEE WARD

### NORTHERN NEW JERSEY

The close of another year, brought to attention the accomplishments for 1944-1945. With limited war-time attendance, enthusiasm has continued on a high level, resulting in increased total contribution, to various funds, and a concerted effort has been made to contact all Pi Phis in the Northern New Jersey area.

Contributions were made to Holt House, \$2.50, Loan Fund, \$2.50, Active Chapter \$10.00, Red Cross (Plasma), \$20.00, Physio-therapy, \$115.00, Settlement School, \$75.00, and the Blue Star Drive, \$10.00 which is a Memorial Park planting along one area of Highway 29 near Mountainside, N.J.

Increased attendance at meetings brought together four Nebraska Betas, who met for the first time in twelve years. They were Marguerite Lynn Hartford (Mrs. G. E.), '33, Eva Livermore Wilson (Mrs. S. V.), '35, of Maplewood, Veronica Hanlon Quirk (Mrs. Merritt), '30, of Chatham, and Dorothy Stanley Van Sant (Mrs. K. F.), '33, of Cranford.

Without being able to hold an Arrowcraft Tea and sale, orders were taken for articles, producing sales amounting to \$99.95.

On Founders' Day, Mrs. W. K. Evans conducted ceremonies honoring our Founders, including remarks on "Appreciation of Pi Phi," reminiscent of former days of fraternity camaraderie. A most delightful dinner was attended by 65 Pi Phis, representing thirty chapters, from which Pennsylvania A boasted eight, and Pennsylvania B five.

The year closed with a picnic in June.

ELOISE CLARK (Mrs. W. M.)

### ROCHESTER

The club enjoyed a successful year under the capable guidance of our president, Mabel Rich. The programs were varied and interesting. The addition of several recent graduates to our group proved a stimulating factor.

Heavy snows caused us to miss two bridge meetings so that we were unable to raise the amount of money voted to Settlement School by that method alone. Additional donations enabled us to make up the deficit.

The Physio-therapy project was made vivid and real to us at our March meeting through a lecture by the head of the Physio-therapy Department at Strong Memorial Hospital.

Founders' Day was celebrated by a cooky-shine at the lovely home of Janice Rumrill. We had planned on having our Province Vice-President, Mary Scott, as our guest that evening and were keenly disappointed that she was unavoidably detained at home.

We had thirty-one paid members with an average meeting attendance of twenty-two. We contributed fifty dollars to Settlement School fifty-eight dollars to Loan Fund, ten dollars to the Chapter at London, Ontario, and three dollars to Holt House. We made a profit of nineteen dollars on our calendar sales, and achieved the highest magazine sales record in Alpha Province West with our sales totaling two hundred ninety-five dollars and twenty-eight cents.

ANNE B. PATTERSON

### SCHENECTADY

Starting with a cooky-shine in September at the home of our president, Louise Sargent Elder, we have had ten meetings with an average attendance of 15. We have 26 paid

members. At each meeting a collection was taken, enabling us to contribute \$25 to the Physio-therapy Fund. We contributed \$29.59 to the Settlement School from a sale of Arrowcraft articles at the home of Alecia Harlan Brooks in October. In November we had a luncheon meeting and in December a Christmas party. Altogether we have had seven daytime meetings and two evening meetings including a bridge party for our husbands. Our members are all active in Red Cross and other types of war work.

GLADYS WELLINGTON BERGMAN

### SYRACUSE

Winding up a successful year, the Syracuse Club members turned out in record number . . . 41 . . . for the annual meeting at Charlotte Chaffee's, on May 16. Following a covered dish luncheon we elected officers. Annual reports from various committee chairmen showed that we held nine meetings during the year, which we consider phenomenal, as we look back over months of shoulder-high snow drifts, coal emergency, and rationing.

We contributed to the physiotherapy project, the Loan Fund, Holt House, the Settlement School; and sold as many Settlement School articles as we could get. We also made a gift to our active chapter at Christmas time. Locally, we contributed to the United War Fund and the Red Cross.

Special tribute is due our gracious and energetic president, Marie Wills, for her devotion and efficient work in a year of unprecedented difficulties. We consider ourselves fortunate that she has accepted the presidency for another year.

Our dynamic chairman of war work, Marjorie Kirk, deserves special mention for keeping us on the job with work and contributions to the USO, Russian and Italian War Relief.

Relations with the active chapter have been particularly happy, this year, and the club extends its appreciation to the new chaperon, Mrs. Common, for her fine, cooperative spirit and genuine interest.

CHARLOTTE N. CHAFFEE

### WESTCHESTER

The Westchester Alumnae Club, with a paid membership of thirty-six, looks back on a successful year which has been highlighted by efforts to raise money for the Physiotherapy Scholarship Fund. Mrs. Charles S. Neale (Geraldine Truscott) has had the responsibility for this important phase of the club's activity, and has worked tirelessly stimulating interest and collecting bundles for the Thrift Shop. It is gratifying indeed to have been able to send \$175 as this club's contribution to the national fund. In addition, \$5 was sent as a Holt House donation.

Four general club meetings have been held during the period from October to May, and smaller monthly group meetings continue throughout the year. Founders' Day was celebrated by a luncheon at the home of Mrs. Harold R. Berlin (Edith Storey) in Scarsdale, with Mrs. Ralph Atwood (Grace Killam) serving as Hostess Chairman.

Mrs. Sam P. Davis (Clara Kibler) continues as president for another year. New officers elected this year for a two year term are: second vice-president, Mrs. P. B. Nichols (Josephine Sniffen); treasurer, Mrs. Donald Deedman (Kathryn Trask); recording secretary, Mrs. Paul Stricker (Jean Wilmarth).

It is hoped that more Pi Phis living in Westchester will contact Mrs. Reed Dawson, 164 Pondfield Road West, Bronxville, who is in charge of new membership, and will plan to participate in the activities of the alumnae club for the coming year.

EDITH STOREY BERLIN

## BETA PROVINCE

### AKRON

Our Alumnae Club has finished another busy and friendly year with the following entertaining hostesses: Eileen Holmquist, Marion Pearce, Juanita Varner, Louise Warden, Lucille Ewart, Ruth Becker and Winnie Rupprecht.

The first meeting in September was a luncheon in Kaases' Dining Room. The January meeting was skipped completely and attendance was reduced considerably all year because of the severe winter and deep snow in Akron. Still the average attendance was twenty.

There were two special meetings. The first was the Christmas party to which we brought gifts for the Children's Home. The other was the cooky-shine, when we were entertained by a top-notch program. Winnie Rupprecht, Jo Kelly and Barbara Henry presented a play, "A Visit to Gatlinburg." Then a take-off on a popular radio show was presented, "cooky-shine at Ruth Becker's with Mary Brenneman" (Mary Jones).

Our contributions the past year included:

Settlement School	\$150.00
Physical Therapy	30.00
Holt House	5.00
Akron Children's Home	75.00
Foster Home	5.00

This year Jane Cook was able to come from Cleveland for several of our meetings. Doris Maxon Rooney was back with us the latter part of the year.

Three loyal members have moved away: Helene Eib to Des Moines, Iowa, Amy Heydon to California, and Betty Scharf to Newark, Ohio.

MARGARET MARKERT FEISE

### ATHENS, OHIO

The Athens Alumnae Club held five regular and two called meetings during the past year. The president, Jean Gist

Trepp, served ably in directing the business and social activities of the group.

The treasurer reports twenty-four paid members with an average attendance of twenty at meetings.

Christmas donations were sent to the Settlement School and members contributed gifts for the American Legion Fund for Ohio Army Hospitals.

The yearly project in support of the fraternity projects was a combined bazaar and sale of Settlement School articles in March. It was a highly successful sale with Mrs. R. W. Finsterwald, Mrs. P. O. Nichols, Mrs. R. H. McKinstry serving as committee chairman.

The Alumnae group joined Ohio A in celebrating Founders' Day with a memorable luncheon at Hotel Berry. Annual honor awards were presented and the actives had arranged an enjoyable program of music. The annual spring formal completed the day and was given in honor of Mrs. Mary Esther Smith, beloved retiring Ohio A housemother. The Alumnae Club also plans to entertain in Mrs. Smith's honor.

A close contact was maintained with the Active Chapter with Mrs. R. W. Finsterwald, Mrs. P. O. Nichols, Mrs. R. H. White, Mrs. H. G. Stalder and Mrs. Gordon B. Gray serving on the Advisory Board.

Donations:

Holt House .....	\$ 5.00
Settlement School .....	5.00
Physiotherapy .....	50.00
Red Cross .....	10.00
Girl Scouts .....	5.00

MRS. GORDON B. GRAY

CHARLESTON, WEST VIRGINIA

The Charleston, W.Va. Alumnae Club chartered in the spring of 1944 with 14 members, has grown to 30. Alternate luncheon meetings held in town, and night meetings in members' homes have provided opportunity for most members to attend.

The four stated meetings were held; also popular were bridge meetings. The Christmas Tea, W. & L. Breakfast, and August Rushing party are traditions included in the year's program.

Contributions: Holt House, \$5.00; Active Chapter (W.Va. A) \$5.50; Physical Therapy, \$7.00; and Magazine Subscriptions to Settlement School totalled \$31.60.

The highlight of the year was the visit of Mrs. A. R. Rankin, Province Vice-President, who refocused our vision upon the national scope of Pi Beta Phi.

BETTY L. KISNER

CLARKSBURG

The Clarksburg Alumnae Club is newly formed and as yet there is not much news about it. The initial meeting was held January 17, 1945 with Mrs. Rankin as our guest. We had a very pleasant and most informative dinner meeting at one of the local hotels.

Mrs. Rankin discussed the organization of an alumnae club and gave us an interesting account of Holt House, the Settlement School, and the physio-therapy work that the fraternity is doing. After Mrs. Rankin's discussion officers were elected for the coming year.

Our working material was received and the club began its year with its first business meeting, June 12, 1945 at the home of Mrs. Haymond Maxwell, Jr.

JANE LINN OSBORN MAXWELL

CLEVELAND, OHIO

The final meeting of the year of the Cleveland Alumnae Club East was a luncheon meeting held at the home of Jeanette Millard. The new officers were installed at this time. After the business meeting, piano selections were given by Gwen William Stephenson.

We have had five luncheon meetings and three dinner meetings this year.

Our Founders' Day was celebrated with a luncheon held in Higbee's Tea Room and was arranged and planned by the Cleveland Alumnae Club West.

In May, Florence Kewley entertained the Club with a luncheon bridge; the money received goes into the Settlement School Fund.

We have 76 paid members which include 12 from the Junior Group. Our contributions are as follows:

Settlement School .....	\$650
Holt House .....	10
Active Chapter .....	25
Physiotherapy .....	200
Local Red Cross (incl. \$25 from Junior Group)	75

RUTH JONES REED

CINCINNATI

The Cincinnati Alumnae Club members enjoyed a varied and interesting programs during the past year. In addition to five regular business meetings, two bridge parties, a Christmas party, and a "cooky-shine" were held with splendid attendance at all.

Members of the Oxford Alumnae Club joined us in celebration of Founders' Day with a luncheon at the Hotel Alms on April 28.

A rummage sale was held the weekend of May 20 with successful results.

In June our annual men's party was held at the home of Mrs. Estelle Bond, Loveland, Ohio.

The following contributions were made: Settlement School \$110.00, Loan Fund \$10.00, Holt House \$5.00, Physiotherapy \$15.00 and Ohio Zeta Active Chapter \$10.00.

MARGARET REA (ANDERSON) STRASSER

DAYTON

The Dayton Alumnae Club held its eighth and final meeting of this year at the home of Mildred Crews (Mrs. Marion P.) on May 14. A potluck dinner was served. At this time it was announced that \$85.00 had been sent to the Settlement School. This represents profits from the sale of Settlement School goods and from three White Elephant sales held during the monthly meetings. Our contribution to Holt House was \$5.00, and to the Physical Therapy Fund, \$10.00. Since then we have been able to contribute an additional \$25.00 to the Physical Therapy Fund, earned from saving state sales tax stamps.

Because of the difficulty in obtaining food, the June picnic, at which we have always enjoyed entertaining local active girls, was cancelled. In its place, the club attended the annual City Panhellenic luncheon on June 30. The new president of Panhellenic, Mary Dressler, is a Pi Phi.

It has been a most pleasant and profitable year for the club, and we are looking forward to another year of renewing old friendships and making new ones.

HELEN J. DINIUS

HARRISBURG

Seven varied and stimulating meetings were held this past year. The most outstanding one was the combined meeting in March with the active chapter of Dickinson College and the newly organized alumnae club of Carlisle. It was at this combined meeting that we entertained Mrs. Rankin, vice-president of Beta Province. Mrs. Rankin instilled in each of us a new sense of importance regarding the work of the Fraternity and renewed in us the feeling of belonging to something very fine and big. Particularly interesting was her account of a recent visit to the Settlement School.

Our other meetings included: Book Reviews; an informal discussion with a Red Cross Representative; a White Elephant Auction, combined with our annual Christmas party; a study of the Constitution; the Founders' Day Luncheon; and the final get-together in May, a picnic.

Our contributions for the last year included \$100 to Settlement School; \$5 to Holt House; \$5 to the Active Chapter at Dickinson; and \$5 to the Physiotherapy Fund.

MARGARET A. BROWN

MORGANTOWN

The Morgantown Alumnae club enjoyed a successful and interesting year. Rushing was discussed in September and a strictly business meeting was held in October. In November the members of the Mothers' club were our guests at a social meeting. Margaret Ford Gray presented an interesting history of the Settlement School. Mrs. Allen R. Rankin, Beta Province Vice-President, visited our club in January. We met with her at a dinner meeting. Election of officers took place in March. We met on Founders' Day with West Virginia A, and alumnae from Fairmont and Clarksburg at the active chapter house. Histories of the founding of the national fraternity and the local chapter were presented in a program preceding the cooky-shine. In May the alumnae club entertained the graduating seniors of West Virginia A at a dinner. Each senior was presented with a Pi Beta Phi Cook Book. Our year ended with an informal tea in June to meet a prospective housemother for the active chapter. Contributions from the club are as follows: Settlement School \$2.50, Holt House \$2.50, Physiotherapy Fund \$25. We felt the needs of the active chapter and contributed to them a great part of the money obtained during the year. To them we gave \$70.

MARY FIEDLER HARDMAN

OHIO VALLEY

The Ohio Valley Club started the year with a swimming party and brunch at the pool of one of our members, for

prospective rushees. In October we had our first business meeting and in December we had our sale of Settlement School goods. February and April were routine meetings followed by the Founders' Day dinner and candle light service. We have 13 paid members. We have given \$5 to the Settlement School, \$3 to the Loan Fund, \$2 to Holt House and \$5 to the Physio-therapy Fund.

HELEN COOK

### OXFORD

The Oxford Alumnae Club, very young and very small, had four regular meetings during the year with the prescribed type of programs. In addition there were many called meetings in regard to the activities of the group of girls at Miami University who were petitioning to become Pi Beta Phis. Most of the efforts of the club throughout the nine months it has been organized were bent toward the installation of the Ohio Zeta chapter, which took place in May.

Contributions to the Settlement School amounted to \$19.05, realized from orders by the members of the club, \$10.00 was sent to the National War Fund, \$2.50 to Holt House and \$2.50 to the Loan Fund.

MARION H. CRUVER

### SOUTH HILLS, PITTSBURGH

Nine meetings have been held from September to June with an average attendance of eleven to our twenty-one paid members. There have been four business meetings, two bridge parties, and a Christmas dinner and bridge at the College Club. The Pittsburgh Alumnae Club joined with us for a luncheon at the Ruskin in honor of Mrs. Rankin, Province vice-president, and also for the celebration of Founders' Day at a luncheon at the College Club.

The guest speaker for Founders' Day was a registered physiotherapist from the Home for Crippled Children, who gave a most interesting talk on her work and made us all feel how important it is that Pi Beta Phi should provide

funds for physiotherapy scholarships. The club year will be concluded with a picnic this month.

Our contributions for 1944-45 are:

Settlement School .....	\$35.00
Loan Fund .....	5.00
Holt House .....	5.00
Physiotherapy Fund .....	75.00

Arrowcraft sales amounted to \$111.05 and magazine subscriptions turned in totaled \$66.00.

RUTH W. OSBORNE

### TOLEDO

Despite the complications of rationing and transportation, the Toledo Alumnae Club has maintained its membership and activities throughout the year. Average attendance has been over 30 out of an active membership of 35 and a resident membership of 50. In addition to 8 monthly meetings, a Christmas bridge party was given and a special "sing" meeting was called in April.

Installation of new club officers was held at the May meeting and at this date a picnic buffet supper for June 13 is being planned to welcome our new alumnae club members and honor in particular 1945 graduates of Ohio Epsilon Chapter of the University of Toledo.

The prime interest and activity of the entire year was centered around the petitioning and installing of Ohio Epsilon Chapter of Pi Beta Phi at Toledo University. The presence of Miss Onken and other national and province officers at the installation program April 27, 28 and 29 was an inspiration and the ceremonies seemed to generate a new impetus and life to the entire alumnae club.

During the year the club completed ten scrapbooks for the USO, contributed \$20.00 to the Physical therapy program and \$35.00 to the Red Cross. Earnings from the sale of Arrowcraft were \$34.41 and from magazines \$28.70. Gifts included \$15.00 to Settlement School, \$5.00 to Loan Fund, \$5.00 to Holt House and a \$100.00 War Bond to Ohio Epsilon Chapter.

SHELDIA FOX RYBURN (Mrs. W. R.)

## GAMMA PROVINCE

### BALTIMORE

The year of 1944-45, which has been one of the most successful experienced by the Baltimore Club for some time, began auspiciously with the appointment of one of our members, Isabel Drury Heubeck, as vice-president of Gamma Province.

Activities were started in October with a cooky-shine at the home of Mary Caroline Van Sant. In November Bonnie Elledge Baxter directed the Arrowcraft Sale and Tea; over \$300 worth of goods were sold, and a net profit of \$66.72 was realized, which was contributed to the Settlement School.

The December meeting featured reviews of books suitable for Christmas giving. In January the Club entertained Maryland A with a shower for the chapter rooms, and the speaker in March discussed problems of re-adjusting war veterans.

The highlight of the year was the Founders' Day Banquet, during which announcement was made of the contribution of \$800 to the Physio-therapy Fund to create two full scholarships in honor of our beloved member, Helen Doll Tottle. This gift was made jointly by the Baltimore Club and actives and alumnae of Maryland A chapter.

At the business meeting in May, Beverly Fertig completed two successful years as president and turned over the reins to Bonnie Elledge Baxter. As always, the closing event was Helen Doll Tottle's picnic and swimming party for Pi Phis and their children.

Our paid membership has increased more than 100% over the preceding year, from 25 to 51. In addition to the contributions mentioned above, \$5.00 was given to Holt House and approximately \$25.00 was earned in magazine subscription commissions.

DOROTHY KRUG

### CHAPEL HILL

The club has held five regular meetings this year. The opening one in October was devoted to the near-by chapters at Duke University and the University of North Carolina, held at the home of Susan Rose Saunders, president of Gamma Province. Preceded by a cooky-shine, in January we had a program on the Physiotherapy Scholarship Fund given by Carriela Sanders Cashion. The History and Constitution meeting in March at the home of Catherine Boyd Brown took the form of a true and false quiz.

After celebrating Founders' Day with N.C.A. and N.C.B.

and Mrs. Heubeck at a formal luncheon seating 116, we met at Mary Shore Cameron's for an informative meeting with our Province vice-president. We close our year on June 13 with a meeting, and this will be followed by the Senior Farewell at the home of Edith Baker Giduz.

The Alumnae assisted N.C.A. actives with their rushing parties, introduction of pledges, Arrowcraft sales, Initiation ceremonies, and midnight snacks.

Our contributions:

S.S. ....	\$75.00
Loan Fund .....	5.00
Physiotherapy .....	15.00
Holt House .....	5.00

We have taken our turn as hostesses at our Service Centre, and we are aiding in the collection of recreation material for Camp Butler Hospital for returning veterans.

HARRIET WILMOT CALDWELL

### CHARLOTTE

We have had four meetings this year with a membership of 11 paid members. Mrs. George F. Heubeck, of Baltimore, our province vice-president, paid us a visit on May 3, when we celebrated Founders' Day. We have given \$1 to the Settlement School, \$2 to the Loan Fund, \$2 to Holt House, and \$3 to the Physio-therapy Fund. Our members have acted as Red Cross Aides, helping with patients at the Morris Field Base Hospital and as hostesses in the Service Men's Lounge at the railroad station.

JEAN C. YOUNG

### COLUMBIA

We have had six meetings this year under the able leadership of Mrs. W. A. Beiderlinden. We have 31 paid members with an average attendance of 18. The September meeting was held at the chapter house when plans were made to help with rushing. In December the Settlement School tea and sale at the chapter house was very successful. Mrs. John Foster, our Province vice-president, was our guest in January. Founders' Day was celebrated with a buffet supper at the house in which the active chapter joined. At the May meeting a White Elephant sale added \$11.65 to our treasury. We have contributed \$54.74 to the Settlement School, \$2.00 to the Loan Fund, \$15.00 to the active chapter, \$5.00 to Holt House, and \$15.00 to the Physio-therapy fund.

MRS. J. A. MCGREARY

## RICHMOND

The Richmond Alumnae Club had a very satisfactory year with five formal meetings, four being Saturday luncheon meetings and the one on Founders' Day a supper meeting. They were held at the homes of different members, the hostess and her committee furnishing the lunch or supper. Funds for the club treasury were raised by the collection of 50¢ each from those attending meetings.

On May 8 the members of the club attended the annual meeting of the Pi Beta Phi sponsored Elizabeth Kates Foundation at the State Industrial Farm for Women. After the meeting supper was served by inmates of the Farm. The guests were conducted through a dormitory and its class and work rooms and were invited to inspect the new chapel and dormitory under construction.

Members of the club enjoyed having Mrs. George F. Heubeck, Gamma Province vice-president, with them for the Industrial Farm meeting.

The following contributions were made by the club: Settlement School \$25.00, Holt House \$2.00, Pi Beta Phi National War Fund \$20.00, Elizabeth Kates Foundation \$15.00. There were 23 paid members for the club year.

ELIZABETH U. WILSON

## WASHINGTON, D. C.

Our club had 703 resident alumnae this year with 112

paid members in the Senior group and 32 in the Junior group. Average attendance was 65 at evening meetings and 30 at afternoon gatherings.

In September the club gave a tea for girls entering colleges having chapters of Pi Beta Phi. A Settlement School tea and a supper meeting with a talk by a representative of the Red Cross, Camp and Recreation Unit was held in October. In November the Senior and Junior groups held a joint Settlement School meeting with the actives from D. C. A and Maryland B. Founders' Day brought a record attendance of 185.

During the year we cooperated with Panhellenic in U.S.O. work by supplying chaperons for weekly dances, furnishing two birthday cakes, providing food for five buffet suppers, and cooking and serving breakfast every Sunday morning. We participated in equipping a WAC Day Room at Bolling Field.

Our main war project was the raising of \$606.64 for the physiotherapy scholarship. We contributed \$10.00 to the Loan Fund, \$5.00 to Holt House, \$142.00 to Settlement School, and \$75.00 to the two active chapters. Commission on magazine sales amounted to \$195.20 and Arrowcraft products \$120.00.

The club feels it has had a very successful year with its efforts directed toward helping the fraternity and the nation at war.

MARY KOOPMANN

## DELTA PROVINCE

## BLOOMFIELD HILLS

We have held luncheon meetings on the second Tuesday of each month at the homes of members. Founders' Day was observed with a simple but impressive candle-lighting service, after which the Anthem was sung and the Loving Cup service was followed. Our magazine commissions amounted to \$300. We have given \$27.50 to the Red Cross, \$5 to the Loan Fund, and \$25 to the Physio-therapy Fund.

VIRGINIA LOSEE MEYER

## BLOOMINGTON (INDIANA)

We have had nine meetings during the year and a potluck supper for the actives. Two of our meetings honored the pledges and the seniors, respectively. Founders' Day was celebrated with a dinner and installation of the seniors in the active chapter into the National Alumnae Association. We now have 27 paid members. We have given \$25 to the Settlement School, \$5 to Holt House, \$25 to the Physio-therapy Fund, \$5 to the Monroe County War Fund, \$10 to the Red Cross, and a scholarship plaque and money for summer rushing to the active chapter.

FLORENCE PURCELL

## DETROIT

The Detroit Alumnae Club held two city-wide meetings during the year—a membership tea in November at the home of Margaret Lawson Giles, with a display of Settlement School products, and a luncheon in May to celebrate Founders' Day.

The North and West groups held dessert meetings monthly and rolled bandages for the New Grace Hospital. Both groups earned money by exchanging books and selling stationery and calendars. The Junior group had a bridge party in October, to earn money for the Physiotherapy Fund, and a "Get Acquainted" party in the spring for new members. The rest of their meetings were devoted to rolling bandages. Although the East group has been unorganized this year, it has not been inactive. In December, "Open House" was held at the home of Mrs. A. S. Robinson.

A very successful rummage sale was held in March, with Mrs. F. C. Ehlert as chairman, netting the club \$301, and an exhibit of Towle Silver in May at the home of Mrs. W. A. Gatward netted us \$75.

The Detroit Alumnae Club contributed the following:

Settlement School .....	\$125.00
Holt House .....	15.00
Loan Fund .....	10.00
Physiotherapy Fund .....	200.00
War Chest .....	30.00
Red Cross .....	35.00
Michigan Alpha Chapter .....	10.00
Michigan Beta Chapter .....	10.00
Michigan Gamma Chapter .....	60.00

RUTH COUNSELMAN PLANKELL

## FLINT

The Flint Alumnae Club ended an enjoyable year with a dinner at the home of Mrs. Maurice Ladrie at which time the hostess exhibited her very interesting collection of antique dolls. In spite of restrictions and a lack of members, eight meetings were held this year at the homes of members with an average attendance of twelve paid members. Two bridge parties and two white elephant parties were among the activities. Profit from our Settlement School sales amounted to \$34.45 with the goods being sold to members and friends. Donations were made as follows: \$5.00 to Settlement School; \$5.00 to new chapter at Michigan State, Michigan I; \$10.00 to local Community Fund. The Club has lost several members this year through transfers, military service, etc., but those who are left hope to continue as usual and are looking forward to a successful new year.

BETTY CHASE STINSON

## FRANKLIN

In making this summary of our year's activities we are happy to report nine interesting and enjoyable meetings with 41 paid members, with an average attendance of 32. Considering the stress and strain of these war days we are quite proud of our record as each member of the club is actively engaged in some phase of war work. Our profitable year under the guidance of Mrs. Donald Dugan as president, is probably due to our early start with an organization meeting in August. Our programs for the last year were ready to distribute at our first meeting in September. The nine meetings consisted of one honoring the pledges, the Settlement School, a dinner honoring the active chapter, the Christmas party with a gift and food auction of donated articles, a birthday party, a Valentine party, a Constitution Meeting, installation of officers, Founders' Day and Commencement dinner honoring the seniors.

Of the money received from the Christmas party we donated \$50 to the Physio-Therapy Scholarship Fund, and \$10 to the Camp and Hospital Council to purchase gifts for boys in hospitals. To the sale of Settlement School articles we give all credit to Mrs. Mary Beard Blackard for her untiring work. The total sale of articles to date is \$1430.59. We added our commission to our Emma Harper Turner Scholarship Loan Fund for Pi Phis in Franklin College. Other contributions this year were, Settlement School \$5.00, Holt House \$2.50, Loan Fund \$2.50 and \$50.00 to the active chapter.

Mrs. Helen Lewis, our province vice-president, made us a short visit while a guest of the Indianapolis Club in April. She was an honor guest at a tea at the home of Mrs. Elizabeth Ferrara and gave a most interesting talk.

Due to transportation restrictions we had a local Founders' Day celebration combined with our annual Commencement Dinner honoring the senior.

We are looking forward to a most successful year under the leadership of our new president, Miss Lella Kelly.

NELLE GRAVES

## FORT WAYNE, INDIANA

Officially, the Fort Wayne club started its year with the annual rush tea in July. It was formal and very lovely in its appointments. Regular meetings began in September, when the new officers entertained with an organization meeting.

Miss Betty Lee Wilson, our physio-therapy trainee, wrote an unusually interesting, detailed letter describing her work. This was presented to us by Mrs. John Davis (Ina Chappell).

Settlement School, one of our favorite topics, was described in November by Mrs. Roy Welty (Grace Mellen), who visited Gatlinburg several years ago.

We discussed "Soldier Rehabilitation" in February, ably led by Mrs. Edgar Mendenhall (Ruth Duncan). The four "Quizz Kids," represented by Pi Phis, aptly informed us of facts about the constitution in March. Miss Anne Hopman arranged this clever program.

In March a very successful rummage sale was held, with profits going to various philanthropic projects. We have contributed to the following:

Physio-therapy fund .....	\$125.00
Settlement School .....	10.00
Holt House .....	5.00
Baer Field Hospital for Convalescent .....	
Soldiers .....	10.00

ROSEMARY C. WINTERS

## GRAND RAPIDS

We have had seven meetings with an average attendance of 14 members. Of 30 resident Pi Phis, the club has a paid membership of 20. Our meetings have varied with three luncheons and four dinner or evening meetings. We plan for a picnic in June. A Chinese Auction helped us to raise money for the newly installed chapter at Michigan State College. At our Christmas party each member contributed either a record or a book for the Percy Jones Hospital. Founders' Day was celebrated with a dinner at Candlelight House. We have given \$9 to the Physio-therapy Fund, \$5 to the Settlement School, \$1 to Holt House, \$5 to the Loan Fund, \$25 to the active chapter at Michigan State College. Commissions earned from magazines were \$37.95.

RUTH BEDELL ROWLAND

## INDIANAPOLIS

Again this year the Indianapolis Alumnae Club is rated as a 100% club by contributing \$249.55 to the Settlement School, \$10 to Holt House, and \$120 to the Physiotherapy Fund. The group gave \$5 to the Loan Fund, \$10 to the Red Cross, a season symphony ticket to be used by service men, and two afghans knitted by the members to "Bundles for America."

The club's sponsoring of an Indianapolis Civic Theater play financed the various philanthropic contributions. Magazine sales came to the grand total of \$1107.70 and Arrowcraft sales to \$518.32.

The USO scrapbook project was quite successful. Cookies were donated to the USO on three occasions. The club served as a unit of the Needlework Guild. The Pi Phis outnumbered all other fraternities at the Panhellenic benefit bridge.

The group gave Christmas gifts to the five Indiana active chapters and helped with the annual rush tea given for prospective Pi Phis in Indianapolis. A lovely tea at the Butler University chapter house was given as the Founders' Day celebration this year. Mrs. Benjamin C. Lewis (Helen Anderson), province vice-president, was the principal speaker. Mrs. D. K. Moore (Vivian Lyon), province president, was also present.

A picnic luncheon at the home of Mrs. Raymond F. Stilt (Mabel Boyd Indiana Γ) will end the club's activities until fall.

MARY BELL SHUTTLEWORTH

## EPSILON PROVINCE

## CHATTANOOGA

One of the most interesting meetings of the year was our first, at which Pvt. Heymann of the Royal Dutch W.A.C.'s was our speaker.

Among the activities of the year were: The alumnae rush party, a very successful luncheon sponsored by the Ways and Means Committee, a benefit bridge party and dress raffle, the initiation banquet held at the Country Club with the Valentine Motif used, the Founders' Day luncheon, and the Sunday night supper for the 1945 graduates, at which time gifts were presented each senior, and the Margaret Smith Colby Award was presented to Betty Bandy for her outstanding

## LAFAYETTE, INDIANA

The Lafayette Alumnae Club received a Six-Star Award from Henry Morgenthau for participating in all six of the War Bond drives sponsored by Panhellenic in Lafayette.

The club became better acquainted with members of the active chapter of Indiana Δ this year. We had a picnic for the pledges and entertained the winter and spring graduates at a dessert meeting and picnic respectively. The club gave purses from the Settlement School to all the graduates. The members of the alumnae club assisted as hostesses at teas given by Indiana Δ during rush and other social events. The club spent approximately \$100.00 in furnishing and decorating a smoking room at the chapter house for the girls on the second floor.

We had a joint meeting with the Mother's Club in the spring. The club celebrated Founders' Day with a dinner followed by a birthday party. Ref. 4e1es etaoin shrdlu mfwy Helen Anderson Lewis, Delta Province vice-president, as our special guest.

We have sold an unusually large amount of articles from Settlement School, with Alice Cordell and Marian Branigan in charge of sales.

The club contributed \$15.00 to Settlement School, \$5.00 to Loan Fund, \$2.00 to Holt House, \$25.00 to Physiotherapy, and \$25.00 to Indiana Δ chapter.

MARGARET SMITH PETTIJOHN

## LANSING-EAST LANSING

During the year past the Lansing-East Lansing Alumnae Club has been privileged to participate in the installation of the new active chapter of Pi Beta Phi, Michigan Γ at Michigan State College, East Lansing, Michigan. Installation took place the week-end of February 16, 1945. Thirty-eight girls were initiated by Amy Burnham Onken.

The Christmas party and Founders' Day celebration were held with the active girls at the chapter house. A cooky-shine was a feature of the latter.

The club's social events were concluded for the year with a tea for the pledges May 19 at the home of Dorothy Eyclshvmer Cotes and a buffet supper for the seniors May 25 at Grace Carv Bachman's home.

Sixteen business meetings were held by the alumnae club with Mrs. Bachman presiding as president. The Ways and Means Committee under the chairmanship of Marcia Sturgis Barnett raised money for the group with successful rummage sales. Proceeds from five Panhellenic-sponsored dances were another source of revenue. The annual Settlement School sale was held March 17 at the chapter house. Emily Boston Hoover was chairman of the event and reported total sales of about \$400.00.

Contributions were made by the club to Holt House, \$3.00, Physiotherapy \$5.00, and to the Settlement School \$5.00.

BARBARA BATES SMITH

## NORTHERN INDIANA

The Northern Indiana Alumnae Club of Pi Beta Phi has 13 members, from a number of towns, so transportation is our problem. We have had 4 meetings, with a 50% attendance; all of our meetings have been family affairs, carry-in suppers, and the husbands have enjoyed the meetings as much as the Pi Phis.

Our only contribution has been \$3 to the Physiotherapy Scholarships. We have done some war work and gave a small gift to our nearest active chapter. We expect to do better on the magazine subscriptions next year.

[MRS. MARK] ELDA DISOSWAY

NOT IN THE REPORT: Probably we are the smallest club—? We all feel it is very worth while that we function and all enjoy knowing each other and our friendships. So please don't be too discouraged with us!

service to Tennessee A.

Sixty-five members of our alumnae club turned out for our trip to Rome, Georgia to entertain the soldiers at Battey General Hospital. A variety program was given and a good time was had by all—both the soldiers and the Pi Phis. Credit should go to Elizabeth Spitzer Merritt for her work on this original and clever idea.

For the year 1944-45 we have contributed \$40.00 to the Physiotherapy Fund—\$19.50 of which was raised by raffling cakes at the alumnae meetings; \$30.00 to the Settlement School; \$5.00 to the Holt House, \$15.00 to Red Cross, and \$10.00 to the University of Chattanooga Sustaining Fund.

BARBARA MARTIN

## LOUISVILLE

The last meeting of the current year of the Louisville Alumnae Club brought to a close a series of interesting and successful meetings.

The monthly meetings were held in the homes of various members, with the exception of two meetings, both of which were held at the Kentucky A chapter house at the University of Louisville to facilitate the combined meeting of both actives and alumnae.

One of the two meetings was devoted to a Founders' Day program and tea. A social replaced the regular monthly program of the other meeting, when the alumnae gave a surprise party for the active chapter and, following refreshments and entertainment, presented them with a new coffee table for their living room.

The following contributions were made: \$25.00 to the Settlement School, \$25.00 to the Physiotherapy Scholarships, \$5.00 to Holt House.

JOYCE ARCHER OLDHAM

## KANSAS CITY, MISSOURI

The members of the Kansas City Alumnae Club are very proud of the fact that, in spite of increased food rationing, they were able to have a buffet supper before each business meeting. All the meetings were well attended and interesting programs were presented by the club's own members. The club had 140 paid members this year, the largest in many years.

Through splendid leadership and fine cooperation from the members, the Kansas City Alumnae Club won the \$10.00 first prize for having the highest total commissions earned in the sale of magazines, \$385.27. The club also sold \$2230.52 worth of Settlement School merchandise.

In January, a "Bingo Party" took the place of the regular meeting. It was attended by members and their friends and was quite a successful undertaking. The club also sponsored a bridge tournament, two rummage sales, clearing \$264.27, and a white elephant sale.

The Kansas City Club was disappointed that Miss Onken was unable to attend the Founders' Day banquet as originally planned. A cooky-shine, held in place of the banquet, was the climax of the year's activities.

The club was happy to make the following contributions: Settlement School, \$600; Physiotherapy, \$250; Holt House, \$55; University of Kansas City Scholarship, \$100; Active chapter gifts, \$75; Loan Fund, \$5.

MAYME PEARL WARD

## MEMPHIS

For such a successful year a vote of thanks was given to our enthusiastic president Esther Chapin, and to the telephone committee, Fern Marshall, Alberta Taylor, and Eleanor Flora, who informed members about the meetings. The average attendance was seventeen at the eight scheduled meetings with twenty-eight paid members.

Except for the annual Christmas party and the June picnic, which are evening affairs for our husbands, our group meets in the afternoon. A "notluck" luncheon precedes the meeting, and a program follows it.

Our most interesting program of the year was the lecture and tour through the Physio-Therapy wards of the Army hospital in Memphis.

## BIRMINGHAM

Our club has held nine meetings with an average attendance of 22. We have 34 paid members. We have given \$35 to the Physio-therapy Fund, \$15 to Holt House, and \$15 to the Settlement School. Our gross sale of Arrowcraft amounted to \$220.43. Our magazine commissions were \$66.75. Our best money-making scheme has been for each member present at a meeting to give 25 cents for dessert. We also had a successful benefit bridge at which we sold Arrowcraft goods. We send home-made cookies regularly to the USO Center. We enjoyed having Mrs. Stallings, our province vice-president, as a visitor. The active chapter joined us in a celebration of Founders' Day, when Helen Turner, who had recently returned from Red Cross work in North Africa, Italy, and France, was our guest speaker.

KATHLEEN BATTLE

## JACKSONVILLE (FLORIDA)

We have had regular, monthly meetings during the past year and in addition have had a sale of Settlement School goods. Founders' Day was celebrated with Mrs. Stallings as

to be entertained in May at our alumnae club president's beautiful home on their five thousand acre plantation at Truman, Arkansas, was indeed a treat.

The four required programs of the year were conducted in an interesting manner.

A Pi Phi Crafts class taught by a Pi Phi husband, John Poore, aroused much enthusiasm this spring.

The sale of \$350.00 worth of Arrow Crafts goods can be attributed to La Deile Mitchell, our Settlement School chairman.

Contributions for the year were \$10.00 to Physio-Therapy, \$5.00 to Holt House, and \$10.00 to Settlement School.

ELEANOR BENSON FLORA

## NASHVILLE

Our club held seven meetings during the past year under the capable leadership of our president, Mrs. Fitzgerald Parker. In the fall we had a tea for the new pledges of the active chapter and we honored our province vice-president with a buffet supper at the chapter house. Also during her visit we attended the initiation banquet. We celebrated Founders' Day with an informal banquet at the Belle Meade Club in which we were joined by the active chapter. It was encouraging to have the largest number of alumnae club members present since the installation of Tennessee B. Our last meeting of the year was a buffet supper at the chapter house with the actives. We have contributed to the Settlement School, the Physio-therapy Fund, Holt House and the Loan Fund. We have an active magazine chairman. Due to the shortage of materials, we were unable to have a Settlement School tea and sale, but we filled private orders.

PAULINE CAMPBELL BUTLER

## SPRINGFIELD, MISSOURI

Our club had a successful and interesting year under the leadership of Jean Eckert Ferguson. We had eight meetings during the year 1944-45 and in spite of the fact that our members were busy with war work and outside duties, the meetings were well attended. We have forty paid members.

A meeting devoted to the chapter in the form of a party for the new pledges was held in October at the home of Mrs. John Quinn. An outstanding event for us was the visit by Mrs. Margaret Foster in January. We enjoyed her inspiring manner very much. The meeting with her followed a buffet supper at Mrs. W. Brunkhorst's. In March a dinner was held for the nine new initiates at Mrs. Fred Ricketts. The skits by the initiates were greatly enjoyed. We observed Founders' Day with the active chapter at a formal banquet at a downtown hotel.

We are proud of the work our members are doing in the Grev Ladies, Motor Corps, War Dads Canteen, Red Cross, and USO.

Our most outstanding achievement of the year is our Arrowcraft sales. We have netted \$240.91 throughout the year. The credit for this success goes to Frances Anne Baldwin Smith who has kept orders coming in all year. The articles are ordered and sold from her home.

The following contributions were made: Settlement School, \$5.00; Physio-therapy, \$25.00; Holt House, \$7.00; Red Cross, \$10.00; Drury Scholarship Fund, \$10.00.

MARTHA DODSON KELLY

## ZETA PROVINCE

our honored guest. We have been happy to welcome seven new Pi Phis, and feel that they have added much to our group. We gave a summer rushing party, a morning informal, in honor of local girls who were to enter college in the fall.

NYRA PARSONS

## LAKELAND

We have had five interesting meetings this year. Our Arrowcraft sale amounted to \$65.25, the discount of \$15.29 being added to the Arrowcraft Fund. We gave \$5 to the active chapter, Florida B. \$5 to the Settlement School, \$3 to Holt House, \$10 to the Physio-therapy Fund. The active chapter sent \$16 National Dues. We celebrated Founders' Day with a cooky-shine with our province vice-president, Mrs. Stallings, as our honored guest.

MARGUERITE SULT

## MIAMI, FLORIDA

In spite of present transportation difficulties and rather long distances between meeting places, the Miami Alumnae Club has remained quite active during the past year. Many members have been working so meetings have been scheduled to

alternate between luncheons and evening meetings.

In accordance with local Panhellenic rules, each women's fraternity is allowed one large rushing party each year. Our party was a formal dinner given just before the opening of the fall college quarter. Thirty rushees were our guests at this party. Several other small parties were given during the summer.

In October a very successful benefit bridge party was given. A feature at this party was an attractive display of Settlement School articles which resulted in many sales and orders. The prizes were bookmarks from the display.

A feature of two meetings held was the "white elephant" auction. All the articles were supplied by the members, and in addition to raising money, many useful articles changed hands. During the Christmas holidays the customary annual luncheon, honoring new pledges, was given at a local hotel. At the January meeting it was voted to send twenty-five dollars to the Physio-therapy fund, twenty-five dollars to the Settlement School, and two dollars to Holt House. We look forward to a visit from our new province vice-president, Mrs. M. R. Stallings, whose illness in April prevented her from being at our Founders' Day dinner.

ELIZABETH HARRINGTON

## TAMPA

Since September, 1944, the Tampa Alumnae Club has held nine meetings at the homes of various members. At Christmas time we gave a luncheon honoring active members home for the holidays, and our Founders' Day celebration was a dinner at the Floridan Hotel honoring Jeanne Stallings, our province vice-president. Special features of the latter were a Candle-Lighting ceremony and a delightful address by Mrs. Stallings.

Arrowcraft sales for the year amounted to \$100. We contributed \$5.00 to the Pi Beta Phi National War Fund, \$2.00 to Holt House, \$2.00 to the Loan Fund, and made \$14.00 on magazine commissions. We also contributed \$30.00 to Florida B chapter to assist in repairs to the chapter house.

We have 22 active alumnae members, all of whom are engaged in some type of volunteer or professional war work. We are eagerly looking forward to the time when the war will be over and all our scattered members can return to the fold again.

ELEANOR BUSHNELL

## ETA PROVINCE

### AVON (LIBBIE BROOK GADDIS)

On Founders' Day our club was entertained at the Galesburg Club with a luncheon, the officers acting as hostesses. Mrs. Manning, our guest, gave an interesting description of the activities of the Hartford Alumnae Club. Mrs. Burley, our province vice-president, visited us in January. Harriett Munson has returned to Avon with her two daughters for the duration, while her husband is in the service. Martha Welsh will teach in Avon again next year. Our magazine agency has netted us \$17.32.

MARTHA WELSH

### BELOIT

The Beloit Alumnae Club has completed its 26 year in spite of depleted ranks from changes in personnel due to the necessities of war movings. There are eighteen resident Pi Phis in Beloit, twelve of whom are paid members of the club, with an average attendance of twelve at the nine meetings held during the year.

Our Settlement School meeting was held in connection with the S.S. sale from which we had a gross sale of \$173.85. The Founders' Day meeting was in the form of a cooky-shine with the active chapter where some of the history was reviewed.

We have realized some profit from each of our dinners, since the club enjoys dinner each meeting, and the hostess tries to make a profit for the club, in addition to the profit which we had from the sale of S.S. articles.

The club has unusually close contact with the active chapter on the campus, and have given the chapter a substantial Christmas gift in addition to the usual gift of a Pi Phi song book to each graduate.

We have contributed to the Settlement School this year, \$15.00, to the Physio-therapy Fund, \$15.00, and \$3.00 to Holt House.

War Service Work has been done individually rather than by the club as such. Miss Margaret Goodwin gives many hours a week in service, and others serve as staff assistants and as Grey Ladies.

The club has thoroughly enjoyed visits this year from both the province president, Mrs. Turnbull, and the province vice-president, Mrs. Burley. War Service Work and Community activities seem to fill our days to overflowing as every one so well knows.

HAZEL M. MURKLAND

### CARTHAGE

The club has had two outstanding meetings this year, one in January when Mrs. Lawrence Burley, our province vice-president, visited us, and the other on Founders' Day, when Mrs. John Bustard and Miss Constance Rice, our two out-of-town members entertained the club with a luncheon at a local tea room. We have given \$5 to the Physio-therapy Fund, \$5 to the Settlement School, and \$1 to Holt House. Magazine commissions amounted to \$6.25.

MIRIAM E. WILLIAMS

### CHAMPAIGN-URBANA

During the year 1944-45 our club had 53 paid members. Our dues are \$2. We sent \$100 to the Settlement School, \$5 to Holt House, and \$50 to the Physiotherapy Fund. In

November the club entertained the pledges and in May we entertained the seniors. A tea and sale of Settlement School articles was held in December at the chapter house, and in January the Eta Province vice-president, Mrs. Lawrence Burley, was our guest. She made an inspiring talk on Pi Phi activities. At the Founders' Day celebration, Mrs. Eunice Weaver, a former director of the Settlement School, talked interestingly of her experiences there.

HELEN HERBST HUNSUCKER

### CHICAGO NORTH ALUMNAE CLUB

Chicago North Alumnae Club enjoyed a pleasant year under the leadership of Eleanor Madden. Our rummage sale in behalf of the Physiotherapy fund cleared \$200.

Contributions of Chicago North for the past year include:

Settlement School .....	\$ 50.00
Special Gift to Settlement School Health ..	
Center .....	200.00
Monmouth A .....	10.00
War Community Fund .....	5.00
Holt House .....	1.00
Physiotherapy Fund .....	200.00

GRACE DOTY

### CHICAGO SOUTH

The Chicago Alumnae Club South held five general meetings during the year. The first was a cooky-shine in September, at which time a white elephant sale was sponsored, with proceeds going to the Physiotherapy Fund. In November the annual Settlement School sale and tea took place. During the banner month of February, the members arranged a book review for the benefit of the Physiotherapy Fund. This event was enhanced by the presence of the Eta Province vice-president, Mrs. Lawrence Burley. A cooky-shine was also held in February.

Founders' Day was celebrated by a dinner at the College Club, with Mrs. Van de Vries, an Illinois congresswoman and an alumna of Pi Beta Phi, as the main speaker. A candle-lighting service in honor of the Founders followed a résumé by Villars Cagann of Fraternity activities of the year.

The group contributed: \$100 to Settlement School; \$15 to Illinois A; \$157 to the Physiotherapy Fund; \$10 to Travelers' Aid; and numerous books to the American Merchant Marine Library Association.

MARION CHRISTY PHILLIPS

### CHICAGO WEST

Largest attendance of the year marked our celebration of Founders' Day at the La Grange Country Club. Guests of honor were Mrs. Gaylord, a former member of our group, and her daughter, also a Pi Phi. With regret we learned that they are both leaving soon for Texas. To augment our treasury we are to fill dime booklets during the summer, instead of having a benefit. We also had a final sale of Settlement School articles and took orders for next year. Our season closed with a picnic at the Western Springs home of our former president, Marion Baker. We continue to make bandages for the MacNeal Memorial Hospital. We have given \$15 to the Settlement School and \$25 to the Physiotherapy Fund.

ELSIE GULLER

## DU PAGE COUNTY (NINA HARRIS ALLEN)

Because of the gas situation, we again held only four meetings, since our members are scattered among five suburbs. However, we are hoping to return to six meetings this fall.

Our first meeting was a supper meeting held at the home of Mrs. C. F. Brown in Glen Ellyn. Reports on rushing were given and the budget for the year discussed.

Our second meeting was a dessert meeting a white elephant sale held at the home of Mrs. J. B. Crabtree in Elmhurst. Toys and books were collected and a few additional things purchased to make up a nice box for the Settlement School. \$10.00 was sent to the school as our annual contribution.

Our third meeting was a supper meeting held at the home of Mrs. Clara Bates in Elmhurst in honor of Mrs. Lawrence Burley, Eta Province vice-president. We felt that we were very fortunate in having Mrs. Burley with us and we were all charmed with her lovely personality and her sincere and inspiring talk. She gave us some very enlightening facts about the physiotherapy work which inspired us to raise our contribution to this fund to \$40.00.

Our fourth and final meeting was a dessert meeting held at the home of Mrs. P. O. Gentry in Glen Ellyn. New officers were elected. Mrs. Nina Harris Allen again very graciously consenting to act as our president for the coming year. Mrs. Allen introduced Miss Copeland, a physiotherapist from Michigan, who spoke on some aspects of her work.

We are very pleased to report that we have 23 paid members this year, the largest membership in several years.

MARY PAULINE STUDEBAKER KAY

## FOX RIVER VALLEY

The Illinois Fox River Valley club has held four meetings this year including one on the constitution, the active chapter, the Settlement School, and Founders' Day. The latter was held in Geneva at the Mill Race Inn. Our group is small but is growing in spirit. We have contributed \$10 to the Physiotherapy Fund, \$5 to the Settlement School, and \$2 to Holt House. We plan to entertain with a picnic the girls from this region who are going to college next fall.

JEAN W. HOLTZ

## GALESBURG

Our group contributed twenty-five dollars to the physiotherapy scholarship fund, twenty-five dollars to the settlement school and five dollars to Holt House.

We made similar donations to Red Cross and the Community War Chest.

As to activities which we served as a group, our Service Men's Center had Pi Phi Alumnae representatives working at the "Snack Bar" and we made some Red Cross garments at our winter meetings.

At Christmas time we sent gifts to the Galesburg Free Kindergarten.

We entertained the actives and pledges at a cooky-shine following pledging. We also furnished a lunch for the actives following initiation.

In order to know the active Pi Phis better, a small group were our guests at a pot luck before each monthly alumnae meeting, until each active had been invited. It gave us a good opportunity to get acquainted and to promote a spirit of cooperation between active and alumnae chapters.

HELEN MCINTIRE

## JACKSONVILLE, ILLINOIS (AMY B. ONKEN)

We concluded a successful year with a Founders' Day Luncheon on May 4. Four meetings have been held including a Settlement School sale in November. We have contributed \$15 to the Settlement School, \$5 to Holt House, and \$5 to the Physio-therapy Fund.

FRANCES CAPPS ROBINSON

## JOLIET

The Joliet Alumnae Club has held seven meetings during the 1944-1945 term. Membership of the club is 17. The November meeting was devoted to the Settlement School, with a display of Settlement School articles. Our annual Christmas party was in the form of a dessert-bridge. Members' husbands were entertained at a bridge party in January. Mrs. Burley, province vice-president, visited the club in January and told of the value of the Physiotherapy Scholarship Fund. Officers for next year were elected in March: Muriel Engler Carpenter, president; Emily Cheesebro Carson, vice-president; Isabel Boone Gibson, recording secretary; Beatrice Scotland Carlson, corresponding secretary; Florence North Kasper, treasurer. Members worked on our Red Cross project at the May meeting—crocheting afghan squares.

Club contributions were: \$10 to the Physiotherapy Fund, \$5 to the Settlement School, and \$2 to Holt House.

Rachel Horner Meadows (Mrs. W. A.), Alberta A. is a new member. Marjorie Caton Pyle received recognition from Secretary of the Treasury Morgenthau for her work in Bond Drives and a certificate of award from the OPA for meritorious service in war work. Grace McDowall has joined the overseas service of the American Red Cross.

GRACE MCDOWALL

## MILWAUKEE

The Milwaukee Alumnae Club has held ten meetings during the year with an average attendance of forty. Four very interesting speakers helped contribute to the great success of our programs this year. Founders' Day Banquet in April was highlighted by a model initiation ceremony at the Knickerbocker Hotel.

The paid members for the past year have totaled fifty-one. The Settlement School gross sales amounted to \$1,400.00. The club has contributed \$215.00 to Settlement School, \$125.50 to the Physiotherapy Fund and \$10.00 to Holt House. A two year magazine subscription was sent to Wisconsin A at the University of Wisconsin.

BARBARA DUDLEY SHAW

## NORTH SHORE

The North Shore Alumnae Club held nine meetings in 1944-45, beginning in September and scheduled for the third Friday in each month. Our program subjects during the year covered book reviews, travel talks, home economics, war work, dramatic readings, music, etc.

In April, Founders' Day was observed with a luncheon attended by about one hundred fifty Pi Phis, representing Chicago North, Business Women's Club, the active Northwestern University Illinois Epsilon Chapter, as well as our own group. Maria Leonard, Dean of Women, University of Illinois, one of our most distinguished alumnae, gave an inspiring address on this occasion.

The last meeting, in May, brought forth another record crowd at the lovely Winnetka home of Mrs. Charles J. Merriam (Katherine Cheney), to hear Mabel Carleton tell of Travelers' Aid Work.

At the Settlement School Tea in November, \$367.57 worth of Arrowcraft merchandise was sold. On our 19th birthday anniversary "cooky-shine" and fraternity "quiz program" in February, \$22.00 was collected in pennies. Our magazine agency showed a sizable profit after the first of the year, and a new project, the sale of stationery, proved immensely successful.

The North Shore Alumnae Club is pleased to report a gift of \$512.10 to the Physiotherapy Fund, \$60.00 to the Settlement School, \$40.00 to the Red Cross, \$5.00 to Holt House, and a present of \$25.00 to the Northwestern Chapter.

The Club gratefully acknowledges the splendid leadership of Margaretta Spence Drake, and is looking forward to a successful year with our new president, Hazel Dreiske Paidar.

CLARA C. CORBREY

## OAK PARK-RIVER FOREST

The club opened its season with a rushing tea at the home of Mrs. M. B. Knox. This is the third year that the club has entertained local girls who are entering college in the fall. Our club is divided into two groups, one meeting in the afternoon and one in the evening. In addition to the Founders' Day luncheon there are four joint meetings, in September, December, March and June. We have 27 paid members. We have made the following contributions: Settlement School, \$35.00, Physiotherapy Fund, \$30.00.

MARY HANDSHAW LINDSEY

## SPRINGFIELD, ILLINOIS

Our Springfield, Illinois Alumnae Club has held six meetings this year in addition to our rushing tea last fall and our picnic this June. In November we held a rummage sale. We celebrated Founders' Day with a luncheon and bridge party. At our regular meetings we have all worked on Red Cross projects to contribute to army hospitals.

In March we enjoyed a visit from Mrs. Burley, our province vice-president. Some of our members joined her for lunch and an afternoon of sightseeing. The rest of the club attended a dinner meeting at which Mrs. Burley gave many helpful suggestions for continuing our work.

Our club has 18 paid members. During the year we have contributed \$15.65 in magazine subscriptions, an additional \$30.00 to the Settlement School, \$5.00 to Holt House, and \$5.00 to the Physio-Therapy fund.

LIBBY WEIR ZELLE

## THETA PROVINCE

## BURLINGTON, IOWA

The Burlington Iowa Alumnae Club has had a pleasant year under the presidency of Elinor Thompson Lundgren (Mrs. John). Four interesting meetings were held and the year closed with the Founders' Day meeting. An impressive candle lighting service for the Founders was given.

A tea was held last fall for the girls going away to school. Several of these girls are now members of our fraternity. When they were initiated our alumnae club sent gifts to them.

A table lamp was purchased this year for Holt House in memory of three of our members, Lynne L. Crabbe (Mrs. George), Miss Perle Hayden and Ethel Cowan Weibley (Mrs. Wm. F.).

Contributions by the club included Holt House \$12.56, National war fund \$5.00, Settlement School \$5.00. Another contribution to the Settlement School was through the \$14.30 in commissions earned through the magazine agency.

HARRIET PROUDFOOT

## CEDAR RAPIDS

Our club has 17 paid members who pay \$2 annual dues. We have had 6 regular meetings with an average attendance of 15. We have given \$50 to the Settlement School, \$20 to the Pi Beta Phi National War Fund, \$5 to Holt House, and have made \$40 from Magazine commissions and \$25.75 from Arrowcraft sales. We have helped the active chapter with rushing and have had a Committee on Rushing Recommendations. We have had four meetings with programs on the required subjects, the Constitution and History, the Settlement School, The Founders, and the active chapter.

RENA S. HUBBARD

## DULUTH

Regular meetings have been held on the first Saturday of each month, the closing meeting being held at the home of Florence Collins. We have had nine meetings with an average attendance of ten. Our resident alumnae number nineteen, all being paid members. Our local dues are fifty cents. The amount of gross sales of Arrowcraft products was \$167.75. Our contributions were as follows: Settlement School, \$30.00; Pi Beta Phi Physiotherapy Fund, \$20.00; Holt House, \$5.00; and our nearest active chapter, Minnesota A, \$10.00, which was used to purchase goblets needed for rushing. We have a raffle at each meeting, using Arrowcraft products as prizes. Our summer project is a rummage sale. The new officers are: president, Gladys Chatman; vice-president, Marion Gerth Turquist (Mrs. A. A.); recording secretary, Gladys Manwaring Bowman (Mrs. L. F.); treasurer, Genevieve Eaton Lounsbury (Mrs. W. C.); and corresponding secretary, Ruby Burtness Kefgen (Mrs. E. A.).

The four required meetings were held. Florence McDevitt conducting a discussion of the Constitution; Gladys Chatman gave a report on the Settlement School; a Founders' Day luncheon was held at the home of Ruby Kefgen. The rushing meeting at the beginning of the year is considered our "Active Chapter" meeting, this being the time we consider recommendations for prospective pledges. We will again forego the pleasure of a picnic at the summer home of Genevieve Lounsbury at Lake Minnequin, Wis., and look forward to the time when gas rationing will not interfere.

RUBY BURTNES KEFGEN

## GRAND FORKS

The Grand Forks Alumnae Club has held a Settlement School sale. This sale was private this year as we got our order in late, but we plan on holding a larger one next year and already have our order in for it. We held a rummage sale, for which we made forty-five dollars for the Physio-Therapy fund. Our magazine sale commissions amounted to \$14.70. We have also sold about six dozen Pi Phi cook books. We have contributed five dollars to Holt House and five to the Settlement school.

We held our Founders' Day banquet on May 19, at which time we were thrilled to burn the mortgage on the Pi Phi house. All the alums were written to, and we received about \$1,500 on notes, which enabled us to burn the mortgage. We had hoped to have Miss Onken with us, but she was unable to come because of her illness. Mrs. Bingeman, our province president, came from Winnipeg, however, and we had many alums from out of town. We held the banquet Saturday night at the University Commons. On Sunday, the members of the Grand Forks Club held a cover dish luncheon for the out of town alumnae at the home of Mrs. James Perry, the alumnae club president.

FRANCES (MRS. C. H.) BILLINGSLEY

## INDIANOLA, IOWA

Our club has had a very interesting year under the leadership of our efficient president, Edith Armstrong Brown. Mildred Edwards is our newly elected president, so we'll have a good year next year too. Out of 32 resident alumnae, 25 have paid dues, and we have an average attendance of 20 at our meetings. Mrs. Charles McCoy has recently moved to Indianola and joined our club, and we are very glad to welcome her.

We have given \$5 to the Red Cross, \$5 to the Settlement School, \$5 to Holt House, and \$5 to the Physiotherapy fund. We helped the girls with their summer rushing, and gave them at Christmas time a pair of lovely silver candelabra.

We served the Homecoming dinner and the Initiation dinner, had a party for the pledges, and a Valentine party for all the actives. At Christmas time we sent out for the fourth time our letter to the members of the Order of the Golden Arrow.

We enjoyed meeting Mrs. Alford, and were glad she could visit us. She attended an Alumnae club meeting, and the Advisory Board had a luncheon for her.

AGNES WRIGHT STONE

## MT. PLEASANT

The alumnae club has had an active year under the able leadership of Mrs. M. D. Linder (Gracia McKay). Our meetings have been held monthly and have seen an increase in attendance.

Mrs. T. N. Alford, ARROW editor, was guest of honor at our Founders' Day banquet held April 25 at the Mt. Pleasant Country Club. As guest speaker, Mrs. Alford made Founders' Day all the more meaningful by speaking of the Founders with whom she had been personally acquainted.

Mrs. C. S. Rogers (Lillian Kendig) was re-elected to the duties of alumnae club treasurer at our regular business meeting held in May. This re-election will make the thirtieth year Mrs. Rogers has served as club treasurer.

Our alumnae club has reason to be proud of Mrs. M. D. Linder, for she is being recognized in Mt. Pleasant and surrounding towns for her excellent book reviews.

Our contributions this year have been as follows: Physio-Therapy, \$15; Holt House, \$1; and Settlement School, \$10. Our magazine subscriptions have amounted to \$60.25. We made a profit of \$28 on our recent food sale.

PAULINE CARROLL SHEPP

## MINNEAPOLIS

The evening group of this club enjoyed a visit from our province vice-president, Mrs. Johnston, in February, when she told us of the recent work at the Settlement School. We sponsored a Founders' Day banquet at the Curtis Hotel for the three alumnae groups in the Twin Cities and the Minnesota Alpha chapter. At the May meeting, the graduating seniors of the active chapter were our guests. We have contributed to the Settlement School, the Physio-Therapy Fund, and Holt House.

The afternoon group had nine meetings during the year with an outside speaker each time to round out our regular Pi Phi program. We have met three times with the evening group and the active chapter. More than 200 members attended the Founders' Day banquet. We have given \$5 to the Settlement School, \$10 to the Loan Fund, \$1 to Holt House, \$75 to the Physio-Therapy Fund, and \$25 to the active chapter.

BETTY WOOD WEHR

## SIOUX CITY

Our regular meetings have been held on the first Tuesday of each month in the evening with an average attendance of about 15 members. Contributions have been as follows: \$15 to the Physiotherapy Fund, \$1 to Settlement School, \$1 to Holt House, \$1 to the Loan Fund and \$3.75 to the Red Cross. We have had no money-making ventures this year, but have relied on the yearly dues and special assessments.

Founders' Day was celebrated with an outdoor picnic at the home of Mrs. Everest. A great deal of interest has been shown by all of the members in spite of so much war time activity.

Mrs. Richard Lindeberg has been installed as our new president for the coming year.

MYRNA DOBSON

## WINNIPEG

During the year 1944-45, the Winnipeg Alumnae Club placed primary emphasis upon its two major projects. The

sale of work by members for the benefit of the Winnipeg Bundles Unlimited, and the raising of funds for the Physiotherapy Scholarship. This year the club was pleased to present the Bundles Unlimited with a check for \$275 to help them carry on their work. A raffle of a war bond was held in April and from this we were able to contribute \$80 to the physiotherapy fund.

Six business meetings were held during the year. In addition to these meetings the club entertained in honor of the new pledges in November, December again brought around the annual Christmas Party at the home of Mrs. G. F. Klein, where it has been held for the fourteenth consecutive year.

We started off the new year with a visit from Miss Onken and then the Initiation Banquet, both in the month of January.

The Founder's Day Luncheon was held April 28, at the University Women's Club, 63 were present, of whom 40 were alumnae. Gifts were presented to the graduates and a recognition pin was presented to Norma Binkeman, Province President, in appreciation of her splendid work. Alison Schweitzer was presented with a special guard, the Amy B. Onken Award, the first such honor to be won by any Winnipeg Pi Phi.

Contributions for the year have been: Settlement School \$5, Holt House \$5, Physiotherapy \$80.

BETTY BROWNE

### BOULDER

The Boulder Alumnae Club of Pi Beta Phi had a most interesting series of meetings in the homes of the members. These are dessert-meetings and are held in the evening and consist of the business meeting followed by a social visit. Our roll included thirty-six members this year. New members are Charlotte Irey, Zana Denis, Esther Douglass, Jane Olson, Mary Downer Kestner, Bertha Allsebrook, and Katherine Reed.

It was decided to send ten dollars to the physiotherapy war project, five dollars to the active chapter, five dollars to the Loan Fund and forty-five dollars to the Settlement School.

There was no meeting in March because of initiation banquet in that month, and all members were urged to attend. The May meeting closes the year's regular activities with the new officers in charge. However, Sally Steere has volunteered to have a purely social summer "get-together."

ELIZABETH ROBERTSON MILTON

### CASPER

The Casper Alumnae Club held nine regular meetings during the year 1944-45.

Among the activities of the year were:

Rush tea at Women's Clubhouse on September 17.

Annual rummage sale on October 7; net proceeds amounting to \$134.00.

Purchase of Settlement School goods by the Alumnae Club during the year amounted to \$321.45.

War and Charity Work consisted of a large contribution to the National Clothing Drive, \$10.00 to child welfare work in Natrona County, and collection of books for the Merchant Marine.

Magazine sales as of May, 1945 amounted to \$387.40.

Contributions to Fraternity Projects:

Holt House .....	1.00
Loan Fund .....	3.00
Settlement School .....	25.00
Physio-therapy .....	25.00
Gift to Wyoming A .....	20.00

The annual meeting honoring the Founders of Pi Beta Phi was held on May 1. At this time Mrs. W. H. Everett, president, presented an extremely interesting paper to the alumnae group concerning the history and activities of each of the founders.

NANCY DOHERTY

### CHEYENNE

The Cheyenne Alumnae Club of Pi Beta Phi has finished an exceptionally successful year. The club had one hundred per cent paid membership this year, with fifty-five members. Eight meetings were held, including the White Elephant Christmas party and an old-fashioned cooky-shine at the last meeting, in May.

Contributions of the Cheyenne Alumnae Club for the year 1944-1945 were as follows: Physiotherapy Fund \$105.00 (in two contributions); Settlement School, \$25.00; Holt House, \$5.00; Active Chapter (University of Wyoming), \$15.00; Cheyenne Center for the Blind, \$10.00; American Red Cross, \$15.00. The annual rummage sale netted the club over two hundred dollars, approximately half of which was given to the Physiotherapy Fund.

The Club has continued its practice of working at the USO canteen one Sunday afternoon each month, and it expects to continue this work as long as there is need for it.

Mrs. Gladys Kirchner Bunten, Iota Province Vice-President, is a member of the Cheyenne Alumnae Club, and her guidance during this past year has been very valuable.

LOUISE A. LEE

### COLORADO SPRINGS

Our club did not meet this year until Founders' Day, when Mrs. L. M. Poe, our newly elected president, arranged a luncheon meeting at the Acacia Hotel. Sixteen members were present and we were happy to welcome several new members some of whom were wives of officers stationed at the Air Corps base here. We plan to meet every month after this.

MRS. H. J. STOCKMAN

### DENVER

The Denver Alumnae Club held nine meetings this year, which included a tea for the Seniors in September, a Settlement School tea in November, and a well attended Founders' Day luncheon. The programs of the other meetings included a talk by Jack Foster of the *Rocky Mountain News* on his views of the Pacific war theater, a book review, a talk by Captain W. J. Mueller, and some recently released films of D-day. At the May meeting we had a review of the Constitution and the installation of officers.

It was not necessary to raise funds this year as the proceeds from the Fulton Lewis, Jr., lecture furnished funds for 1944-45 as well as last year. During the past year we gave \$5.00 to the loan fund, \$10.00 to Holt House, \$29.97 to the Needlework Guild, \$75.00 to Colorado B for rushing, \$400.00 to the National Therapy fund, and \$400.00 to Settlement School. We also sponsored the U.S.O. and Come and Get It Hour for which we raised \$30.00 for coffee and milk and made over 1,900 sandwiches.

Our meetings have been fairly well attended considering the gas shortage and the many war activities our members are engaged in at present. We are anticipating with pleasure the resumption of our monthly meetings this fall.

MRS. P. E. BROOKOVER

### HUTCHINSON

Ten regular meetings have been held during the club year with an average attendance of 16 members. A luncheon meeting was held at Christmas and another at Founders' Day, each well attended. About \$80 worth of Settlement School goods were sold during the year although there was no formal sale. We have made a special effort to contact Pi Phis who were navy wives, whose husbands were stationed at the Hutchinson Naval Air Station. We have given \$10 to the Settlement School, \$1 to Holt House, \$22 to the Physiotherapy Fund, and \$5 to the Loan Fund.

BARBARA AWBREY

### LINCOLN

The Lincoln Alumnae Club has enjoyed a very successful year under the capable presidency of Mrs. Marvin Robinson.

Our usual alumnae club dinner meetings were replaced this year, as well as last, with dessert suppers. Seven meetings were held during the year, the first one being our annual pledge buffet supper at the home of Mrs. E. C. Ames.

We held our Christmas party at the home of Mrs. W. B. Roberts, where we raised money for a gift for the chapter house, by playing Bingo and auctioning off cakes and cookies baked by various members.

Our Founders' Day celebration was combined with the initiation banquet and was held March 10, 1945. Nebraska B being founded in 1895, made this our 50th anniversary year. Talks given by various members pointed out the highlights of different years. Miss McGahey, one of the founders, was the M.C. and did an excellent job. Waneta Bunting Richardson told about Pi Phi between the years 1895-1905. 1905-1915 was given by Betty Jane Dickerson, one of our seniors. Helen Vennum, an active spoke on Pi Phi activities from 1915-1925. Eleanor Eriksen, an active, told highlights between 1925-1935. Natalie Newcomer, one of the new initiates spoke of Pi Phi interesting happenings between 1935-1945. Our Co-Ed Follies skit, on which we won 1st place, was also given at the banquet and was directed by Betty Lysinger and Helen Johnson. Our banquet was closed with the traditional Loving Cup ceremony given by Jean Harvey.

The final meeting of the year was a tea at the home of Mrs. Jean Kinder. Guests included our seniors and Mortar Board, who received gifts from the alumnae club.

Contributions from our club included: Settlement School, \$25.00; Holt House, \$5.00; Physiotherapy Scholarship, \$25.00; Community Chest, \$5.00; Red Cross, \$5.00.

HELEN RUTH AYERS WAGNER

### MANHATTAN

Our first meeting of the year was held at the Pi Phi house where plans were made to assist the active chapter with fall rushing. Following pledging a cooky-shine was enjoyed at the chapter house in October.

We met at the home of Mrs. Lee King (Ruth Rannels) in November, and with Mrs. L. D. Bushnell (Florence Warner) in March. At this meeting officers were elected for the coming year.

In January the Pi Phi active chapter entertained the alumnae at a buffet supper with an enjoyable hour afterward of music and visiting. At the business meeting which followed the House Corporation gave a report of the year's activities. This included the information that now since the mortgage on the house has been paid, substantial investments are being made for future needs.

We entertained twenty-five initiates and the patronesses at a luncheon at the Country Club preceding formal initiation in February. This was followed by a cooky-shine at the chapter house.

Founders' Day was celebrated with a dinner at the Country Club at which eighty-five alumnae and actives were present. The last meeting of the year was a picnic which was to have been held in the Eisenhower garden, but because of rain the group met at the chapter house. Plans were discussed for summer and fall rushing. Contributions were \$100 to the Settlement School, \$10 to Holt House, \$50 to the War Committee. Projects for the year were the rummage sale in October when sales totaled \$154.58.

NETTIE SHUSS

### OMAHA

Although individual members have been engaged in many and varied war activities, the Omaha Alumnae Club has had an active and enjoyable year. Monthly meetings at the homes of members have included three buffet suppers, four dessert meetings, and the annual Christmas tea honoring actives and relatives of members. At the April meeting, an original Founders' Day program was given by Katherine Rhodes. A musical program was presented at the May meeting. A picnic is to be held in June, when rushing plans will be discussed. There has been an average attendance of over forty, from a paid membership of sixty-five.

A number of Omaha alumnae attended the fiftieth anniversary banquet of the Nebraska Beta chapter at Lincoln on March 10. The Omaha club contributed \$50 toward the burning of the mortgage on the chapter house. Other contributions have included \$5 to Holt House, \$15 to the United War and Community Fund, \$40 to the Red Cross, \$100 to the Settlement School, and \$50 to the physiotherapy fund. In addition, monthly donations of \$5, later increased to \$10, have been made to the milk fund for the servicemen's

centers at the Union Depot and airport. A milk bottle is passed at each meeting for contributions to this fund. Bond booths have also been staffed by members.

A new war project is the sponsoring of monthly recreational programs at Fort Crook Hospital. Each member brought two gifts for servicemen to the May meeting, to be used for prizes. This rehabilitation work is under the supervision of the Omaha A.W.V.S. headed by one of our members, Jasmine Metz.

The annual sale of Settlement School goods was held at a department store for three days in October, with sales amounting to \$466.56. Profits from this sale and from magazine subscriptions go to the Settlement School.

The club is looking forward to another successful year under the new president, Helen Early Klingaman (Mrs. Ivan).

LEANNA DICKINSON PARMETER

### TOPEKA

We have had only the four regulation meetings this year. Through the sale of Settlement School products we have been able to send \$20 to the Settlement School, \$5 to Holt House, and \$25 to the Physio-therapy Fund. This last was sent in memory of three members, Mrs. Arthur Miller, Mrs. Silas Porter, and Mrs. Thomas Doran, all of whom passed away during the year.

ALICE G. CRANE

### WICHITA

The opportunity for service in a warring world has served as a spur to the members of the Pi Beta Phi Alumnae Club of Wichita during the fiscal year 1944-45. Every effort was made by individual members to cooperate in bond drives, canteen work, Red Cross, and similar activities, and the club as a group contributed \$5 to funds solicited by the Wichita Community Chest and a similar amount to Red Cross.

Financial contributions to fraternity projects were made, \$25 being sent to the Physical Therapy fund and \$5 to Holt House. Commissions on magazine sales of approximately \$135 were supplemented by a \$5 cash donation to Settlement School.

During the year seven meetings were held, the first six meetings being regular monthly meetings. Special programs were presented, with mothers of actives as guests at one, a box of Christmas gifts for Settlement School packed at another, sewing for Russian Relief at a third. The last two regular meetings were combined for the usual installation of officers with a commemoration of the founding of the fraternity. An average attendance of approximately 40 attended the meetings.

GLADYS MADIGAN

## KAPPA PROVINCE

### ARDMORE

The Ardmore Alumnae Club has completed a successful year under the guidance of our president, Mrs. Jerome Westheimer. The membership has fluctuated due to war conditions and we have enjoyed having several "Army wives" meet with us.

We have had some evening meetings and some luncheon meetings, totaling eight, with interesting programs on the Settlement School, the Founders, the active chapter, and the Constitution.

Last summer we had a progressive rushing party and were happy to have Oklahoma A pledge Frances Alice Fell, who is now initiated.

The Alumnae Club sold Arrowcraft articles amounting to \$83.74. The following contributions were made: Magazine fund—7.00, Holt House—\$2.50, and physiotherapy—\$10.00. We also contributed locally \$10.00 to the War Chest and \$5.00 to the American Red Cross.

The Ardmore Alumnae Club anticipates a very interesting program for next year, hoping to devote some time to a local worthwhile project. The year book is now being planned. The same officers were re-elected for another year.

LAVINIA HOARD

### DALLAS

Luncheon meetings were held at the homes of members on the second Friday of each month. We have had nine regular meetings, a Towle silver tea, a sale of Settlement School articles, a tea honoring Mrs. Moore, and a Founders'

Day banquet. We have contributed \$200 to the Settlement School, \$5 to the Loan Fund, \$5 to Holt House, \$76.50 to the active chapter, \$50 to the Physio-therapy Fund, \$101.25 Magazine subscriptions, and \$1,221.06 gross sale of Arrowcraft. Founders' Day was celebrated with a formal banquet at the Stoneleigh Hotel. Mildred Odell Sale presided as toastmistress. The awards for scholarship and chapter activities were presented to the active girls of Southern Methodist University at this time.

NATALIE PHILLIPS BOONE

### FAYETTEVILLE

The Fayetteville Alumnae Club has completed a very successful year under the leadership of Clarence Blossom.

We had a luncheon for the Mothers of prospective girls in the early Fall.

In December we had a very interesting Settlement School meeting. We gave \$10.00 as our contribution to the Settlement School this year.

We gave \$5.00 to the Red Cross, \$5.00 to the Holt House, \$25.00 to Physio-therapy. We gave the active chapter a gift of \$20.00 to buy trays. We sent books to the Marine library. We have been hostesses at the U.S.O. rooms, serving cake and coffee.

The amount we made on magazine commissions this year was \$19.85.

Our meeting in March was devoted to the constitution. We had a rummage sale in the fall and another in the Spring.

The active chapter and alumnae club had a Founders' Day banquet at the Washington hotel when a very nice fashion show of the Founders' time was given by the active girls. We entertained the senior girls with a luncheon at our meeting in May.

ORA HYLAND

## HOUSTON

The Houston Alumnae Club has had a very successful year, under the able leadership of our president, Mattie Muldrow Reistle (Mrs. C. E., Jr.). Four night meetings were held and a special social meeting in May, at which time we had a tea. Besides these, we had a supper on Founders' Day. All the meetings were well attended.

"The Ways and Means Committee" was very ingenious and successful in building up our treasury.

One of our members, Dorothy Rogers Esgen (Mrs. W. K.) has made a very great contribution to the Red Cross work, all winter, by serving as Chairman of the Home Service Volunteer Corps of the Harris County Chapter of Red Cross.

Our contributions for the year were as follows:

Settlement School .....	\$200.00
Holt House .....	10.00
Physiotherapy Scholarship .....	50.00
(Given in the name of Naomi Peacock Mc-Nair, who died this year)	
And to our local Panhellenic Association ..	15.00

DRUSILLA STEWART ALCORN

## LITTLE ROCK

The Little Rock Alumnae Club has enjoyed a very active year under the presidency of Kathleen Williams Campbell (Mrs. Wm. Peyton). We purchased \$580.65 of Arrowcraft products, which were displayed and sold at a tea at the home of Marie Hopson Scott (Mrs. L. E.). From the sales of magazines through the Pi Beta Phi agency, the club was credited with \$40.60 profits for the Settlement School. Janet Jackson Pearcy (Mrs. L. T.) directed these sales. Other contributions of the club were \$5 to Holt House, \$15 to the Physiotherapy Scholarships, and \$15 to the Red Cross.

Four of our members are doing full time war work: Mary Ann Burr as Nurse's Aide, Florence Kruger and Betty Barnes Messner (Mrs. George) with the U.S.O., and Claire Norris Moody (Mrs. W. P.) in charge of civilian personnel at Camp Robinson. Every member of the club is helping the national effort to the extent that her time permits.

We are proud that two Little Rock girls are presidents of their active chapters next year: Jean Pitcock at Arkansas A., and Mary Frances Henry at North Carolina A.

The Little Rock Alumnae look forward to another active year with Margaret Jacoway as our president.

ELIZABETH PAISLEY HUCKABY

## MUSKOGEE

During the past year, the Muskogee Alumnae Club of Pi Beta Phi has contributed ten dollars each to the Settlement School, Loan Fund, Active Chapter, Holt House, and Physiotherapy Scholarships. Outstanding social events of the year included a Christmas box supper, a white elephant sale, and the Founders' Day luncheon. The November program was centered around a discussion of Settlement School by Nellie Clonts; Frances Rosser Brown gave an interesting talk on Fraternity History at the January meeting; and the Arrow Quiz was given by Mary Jessamine Gibbs at the March meeting. The last few meetings of the year have been largely devoted to the discussion of plans for summer rushing.

CHERRY W. HOWARD

## SABINE DISTRICT (NITA HILL STARK)

The Nita Hill Stark Alumnae Club held seven meetings during 1944-45 with an average attendance of 18. During the Christmas holidays an open house was held in honor of the new pledges and actives.

Although the supply of Arrowcraft goods was limited this year, the Settlement School Sale was successful. The Club contributed \$110.11 to the Settlement School.

Other contributions of the Club this year were \$10.00 to Holt House and \$120.42 to the Pi Beta Phi Physiotherapy Scholarship Fund.

ANNE HARGROVE SMILEY

## NEW ORLEANS

Much interest has been shown this year in our club under the able leadership of Mrs. Harold Cummins, our president. Our Mothers' Club has also been very active and in coopera-

tion with the alumnae club made \$75 for the chapter by having a Towle Silver display at the Pi Phi house. Considerable work is being done on the house, both inside and out. Furniture is being repaired and upholstered and the whole place should look much better by fall. Our Founders' Day banquet brought out 70 alumnae. Several of our members participated in the radio program, "Quiz of Two Cities," with some of the questions and answers relating to our community work. We have contributed \$25 to the Settlement School, \$25 to the National War Fund, \$5 to Holt House and \$5 to the Loan Fund.

KATHERINE LA COUR MILLER

## OKLAHOMA CITY

Our last meeting of the year was held at the home of Mary Elizabeth Miller at which time the following officers were installed: Mrs. Thomas E. Graham, President; Mrs. W. B. Kennedy, Jr., Vice-President; Mrs. Hubert M. Anderson, Corresponding Secretary; Mrs. L. D. Hoyt, Recording Secretary; and Mrs. A. J. Haswell, Treasurer.

Under Mrs. Geo. R. Murphey's leadership we had a very successful year. At the first meeting donations were given or pledged. In this way, members were able to give their time to war work instead of a money-making project. So few Arrowcraft articles were available that our usual tea was not given, but an enjoyable evening with articles displayed was had by Pi Phis and their mothers. Founders' Day was celebrated at a local hotel and attended by 115 Alumnae and Actives of Oklahoma A.

The following contributions were made during the year: Settlement School, \$100; Arrowcraft, \$233.32; Physiotherapy Scholarship, \$100; Holt House, \$10; Active Chapter, \$18.75 War Bond; Rushing Activities, \$25; Red Cross, \$25; Local War Fund, \$15; and Society for Prevention of Cancer, \$5. Cooperating with three other sororities we served buffet supper to over 500 Service men and women at U.S.O., and made 22 scrap books for U.S.O.

MARGILETH ANDERSON

## PONCA CITY

The Ponca City Alumnae Club began its activities in December. It was a late start because the President, Vardrene Arntzen Leaming, left town to join her husband who had been overseas, but no time has been lost. Francis Badger Van Winkle, who fell heir to the office, has been a most successful leader. Business meetings followed by a social hour have been held monthly, and the attendance and co-operation of the members have been most unusual in spite of all the demands being made at this time upon each one.

Every alumna is actively engaged in some type of war work with the Red Cross heading the list. One of the members, Mabel Esther Donahoe, has been overseas a year with the Red Cross Clubmobile Unit. Constance Cleary has joined the Red Cross and is awaiting an assignment.

A sale of Arrowcraft goods was held with great success and another order placed.

The club contributed \$10.00 to the Physiotherapy Scholarship.

Sue Lessert Stanley from the Fresno Club, Joan Alcorn Tomlin of Los Angeles, and Elvira Parker Dunlap of Tucson have been guests at some of the meetings.

The meetings of 1944 and '45 have been most interesting and worthwhile.

RAMONA JAMIESON HIERONYMUS

## TULSA

The Tulsa Alumnae Club has had a pleasant year under the able leadership of the retiring president, Mrs. Jack Bates (Betty Boddy, Oklahoma A). The September meeting inaugurated the very successful plan of having a buffet supper at each monthly meeting. There was an average of 55 members present at each meeting. The club is proud of the fact that there were 108 paid memberships this year. A printed yearbook and directory of members was issued to each member at the beginning of the year.

Founders' Day was celebrated this year in the home of Mrs. D. M. Saunders (Ethel Clark, Oklahoma A). Mrs. Don Nix (Mary Lois Holmes, Oklahoma A) and Mrs. T. Myron Pyle, Jr. (Eloise Cherrymhomes, Oklahoma A) were the representatives to the Panhellenic Council. Mrs. E. R. Rabon (Orene Wagner, Oklahoma A) was our very capable chairman of Settlement School Sales.

During the year we contributed \$50 to the Settlement School, \$5 to Holt House, \$5 to the Loan Fund and \$100 to the Physiotherapy Fund. We gave \$50 to our nearest chapter, Oklahoma B.

CLETA E. BERWALD

## LAMBDA PROVINCE

## BOISE

In October the Boise Alumnae Club started its year with a dinner meeting at the Holmes Tearoom. Several new members joined the Club this year as well as some former members who have returned to Boise. During the Christmas holidays the Club entertained at a luncheon for the active girls and short talks were made regarding the activities in the different colleges and universities attended. A number of our club members are active in the Red Cross work being carried on at the Air Base, Surgical Dressings Unit, and Nurses' Aide. Our meetings have been made interesting by discussing the several Pi Phi projects and reading articles from the ARROW. Potluck dinners are extremely popular with our group and so Founders' Day was celebrated with a potluck dinner at the home of one of our members and a large number were present. Our Club has made contributions to all the Fraternity projects this year, and, while no unusual money-raising project was embarked upon, our members have raised the necessary funds by giving numerous bridge parties which have been highly enjoyable and we feel that our year has been extremely successful fraternally, financially and socially.

FRANCES McMONIGLE

## BOZEMAN

During the past year our club has enjoyed a membership of twenty-one with an average attendance of eighteen. We had nine meetings during the year. The October meeting was a cooky-shine for the pledges of Montana Alpha. The alums joined the actives for a Christmas party in December and presented the chapter with a check, which was used to buy a satin initiation robe for the president. Founders' Day was celebrated by a dinner with the actives. The very interesting letter sent out by Beth LeRoy, publicity member of the Settlement School Committee, was read at the meeting devoted to the Settlement school. A quiz on the Constitution and History of Pi Beta Phi was given at the meeting on the Constitution.

We assisted the active chapter during rush week by serving at all the luncheons and dinners.

The following contributions were made: Settlement School, five dollars; Physiotherapy, ten dollars; Holt House, one dollar; active chapter, fifteen dollars. Five dollars and thirty-five cents for magazine commissions was earned.

KATHERINE H. SULLIVAN

## BUTTE-ANACONDA

At our September meeting plans were made for meeting the third Monday evening of each month. Five Butte members were present. At the October meeting there were seven members from Anaconda and five from Butte present. At each meeting the letter from our Province vice-president is read and enjoyed. At the November meeting Mrs. Carroll Fabian told us about the Physio-therapy project. We voted \$5 to this worthy project. At the February meeting we discussed the Constitution and the history of our fraternity. In March several Butte girls were home on vacation and they talked interestingly of their college work and the problems of their active chapters. We appreciated an opportunity of learning to know the younger girls better. Two of our members have been married during the year. Betty Ashworth to Lieut. R. I. Peterson, and Sallie Hoyt to M/Sgt. William H. Casto. Founders' Day was celebrated with a dinner at the Casino, three members from Anaconda, and three from Butte meeting for the occasion. Our season closed with a dinner meeting at the Montana Hotel in Anaconda. We hope to have a picnic in June and a tea in August for girls planning to go to college next fall. We have given \$3 to the Settlement School, \$5 to the Physiotherapy fund, \$1 to Holt House, \$1 to the Loan Fund, \$5 to the active chapter, \$1.25 Magazine Com., and \$5 to the Red Cross.

EDITH C. ROBERTS

## CALGARY

The Calgary Alumnae Club has 24 paid members and has had an average attendance of 16 at seven dessert meetings. Two rushing parties were held in the Fall. The club entertained their mothers, and the Pi Phi home for Christmas and their mothers, at tea on December 30. Founders' Day was observed with a successful dinner and programme at the Tea Kettle Inn. For war work, articles were ripped for the local Red Cross and a "Ditty Bag" was filled for the Navy League. The Physiotherapy Fund was sent \$10.00, Holt House \$1.00, and \$2.00 plus magazine commissions were given to the Settlement School. Dues were \$2.50 and each member was asked to

raise One Dollar talent money. A small raffle was held at each meeting to augment the treasury.

AILEEN AYLESWORTH

## EDMONTON

We concluded the club year with the annual breakfast in honor of the graduating Pi Phi. Our meetings have featured interesting programs. At Christmas we sent a hamper to a deserving family. The fraternity news letter was published as usual and sent to all Alberta A alumnae. We joined with the active chapter in observing Founders' Day. Efforts have been made to contact all visiting American Pi Phi in the city. We have given \$2 to the Settlement School, \$7 to the Loan Fund, \$9 to the active chapter, \$2 to Holt House and \$2 to the Physio-therapy Fund. We are helping the active chapter in improving their newly purchased house.

ELLENA M. MURRAY

## EVERETT

The Everett Alumnae Club has had seven regular meetings with an average attendance of nine. The most interesting was that held in February when Pi Phi parents and friends were present at a showing of the Settlement School films. An informal evening with refreshments was enjoyed by all.

In December we had our annual sale of Arrowcraft products at a downtown hotel and our total receipts were \$237.50. In April we joined with Seattle alumnae and actives of Washington A in observance of Founders' Day with a banquet at the Edmond Meany Hotel.

Our contributions for the year include a gift of \$25 for Settlement School as well as \$24.65 in magazine commissions for same. To Holt House we gave \$5, to Physiotherapy \$15, and to Washington B a gift of \$5.

LOUISE W. DOBLER

## OLYMPIA

The Olympia Alumnae Club of Pi Beta Phi had a very successful year. All our memberships were paid up. During the year our chief contribution to the war effort was making scrap books and small gifts for the wounded and convalescent soldiers at Fort Lewis, Washington. Last fall five of our members travelled thirty miles to Tacoma, Washington, to attend the meeting in honor of Miss Onken. Our last meeting this spring was a guest meeting at the home of Mrs. Robert Gilmore (Jetril Templeton) where we were entertained by moving pictures of Mexico and South America. Our very able president has been Mrs. James I. Davidson (Marion Haydon).

MARSALINE SMITH DRESSER

## SALEM, OREGON (NANCY BLACK WALLACE)

Our club has enjoyed a most interesting and successful year, under the very capable presidency of Mrs. James T. Brand.

The meetings have been held in the evening at the homes of the members.

Although our club has followed no specific program in war work during the year, individual members have been active in all phases of volunteer work contributing to the war effort and to local charitable organizations.

One of the outstanding events of our club year was the initiation of former Beta Chi Alumnae into Pi Beta Phi, early in the fall.

At Christmas time we entertained the active girls and their mothers at a lovely holiday tea, at the home of Mrs. Brand.

Our Founders' Day celebration was held at the home of Mrs. G. Herbert Smith. At the refreshment hour a very delightful surprise was in store for us. We were invited into the dining room where we were greeted by a group of girls in costumes reminiscent of the days of our Founders.

They made a truly lovely and impressive picture. The table decorations were unusually attractive with a beautifully decorated cake flanked by candles and twelve Story Book Dolls in colonial costumes, each holding a wine carnation and a spray of smilax. We all felt that we had been privileged to glimpse a page out of the past.

On April 28 the Oregon Gamma chapter entertained the Salem alumnae at a lovely dessert supper at the Pi Phi house. A very interesting program in keeping with Founders' Day was much enjoyed.

In March we held a very successful rummage sale. We have contributed \$25 to the Physio-therapy fund, \$5 to the Settlement School; \$5 to Holt House; \$10 to Oregon I; \$10 to Oregon A; \$10 to Oregon B. We have also made contributions to local charities and to the Red Cross.

BERNYCE SCOTT HUMPHREY

## SEATTLE

The Seattle Alumnae Club took over the Showboat Theatre in September as the first program of the year. The first business meeting was held at a luncheon at the Supper Bowl, October 17. On November 26, the Settlement School sale was held at the chapter house, the sales amounting to \$600, and a gift of \$100 was given to the Health Center at Gattlinburg.

The traditional Southern Colonial reception was given by the Mothers' Club and alumnae club at the chapter house on December 19. Washington Alpha's birthday party was held on January 24. The alumnae club presented a birthday gift of membership to the Literary Guild to the chapter.

Again the alumnae club took over the Showboat Theatre on the evening of March 7 with Mrs. R. G. Jubitz in charge. The contribution to the Physio-therapy fund was \$200 including \$15 given by the Mother's Club.

A very successful business meeting was held on March 28. The program on the constitution in the form of a radio contest was presented with Mrs. Henry Mulhollen in charge. The lovely Founders' Day banquet on April 26 was given at the Edmond Meany Hotel. The candle lighting ceremony was beautifully presented by two founders' granddaughters, Mrs. E. M. Draper, newly elected alumnae club president, was chairman of the banquet.

The senior picnic, June 8, was held at the home of Mrs. Philip Henderson, honoring Washington Alpha's graduating seniors.

Other contributions to the Seattle Alumnae club were: \$100 to Washington Alpha's Ruth Densmore Scholarship, \$5 to the loan fund, \$5 to Holt House, \$10 to Panhellenic for the Women's USO, and \$100 to the chapter.

It has been a successful year for Washington A with Mrs. E. B. Carroll president of the alumnae club. The change to two year terms of office for the alumnae club officers and a staggered board of twelve has been an effective improvement.

SHIRLEY BUTLER FROST

## SPOKANE

With Mrs. Cecil Barker at the helm, our alumnae group had a thoroughly enjoyable as well as vital year for all Pi Phi. Besides the regular meetings the club entertained the active chapter presidents of Lambda province in August, and held the annual Christmas party for the actives. Founders' Day was celebrated with our Annual Banquet. The active and successful year was climaxed at the final May meeting with a Guest-Fraternity bridge party.

The club have contributed twenty-five (\$25) to the Settlement School, five dollars (\$5) to the Loan Fund, five dollars (\$5) to the Holt House, and twenty-five dollars (\$25) to the Physio-therapy Fund. In addition we subscribed five dollars (\$5) to the Community Chest and twenty dollars (\$20) to the Red Cross. The annual Rummage sale and Arrowcraft sale were both financially successful.

With many new alumnae playing an active part in the Spokane group, we are eagerly awaiting the new year full of activities and interests for us all.

CAROL GLEASON

## TACOMA (INEZ SMITH SOULE)

The Inez Smith Soule Alumnae Club has had several events of importance on its spring calendar. In March we had our card party for the benefit of the physiotherapy fund. Several members entertained small groups in their homes, the plan

having worked out so well the year before. We also had a meeting at which we entertained the alumnae club of Alpha Phi, an exchange having been previously arranged through Panhellenic. We exchanged ideas and had a display of Arrowcraft work; they were delighted with the articles and wanted to be given an opportunity to purchase some. One of our meetings, held at the home of Mrs. Kathleen Lundvick, was especially nice as Mrs. Smith, Grand Vice-President, conducted a quiz on the Pi Beta Phi constitution. The losers were awarded prizes of peanuts and I am afraid that too many of us enjoyed her treat. About thirty attended the Founders' Day luncheon held at the Tacoma Hotel. Sharing honors with Mrs. Smith was our Province vice-president, Mrs. Clara Dobler, who offered toasts in memory of our Founders, enumerating each of them and giving a sketch of their lives. We had the pleasure of sharing our meeting with several out-of-town Pi Phis, some from Fort Lewis and vicinity. A memorial was made in memory of Mrs. Soule, in the form of a check to be used for the Settlement School library. Our group has carried out our fall project of assisting at the various U.S.O. centers in Tacoma, and, also, in entertaining service men in our homes. Much of the credit for such an active year should be given to our retiring president, Verna Chisholm.

LESLIE A. WALKER

## WENATCHEE

Our club continues to be active and congenial with excellent attendance at every meeting. We contribute to all Pi Phi causes and lead all clubs in Lambda Province in per capita in the sale of magazine contributions, with much of the credit going to our chairman, Gwenth Sawyer Mitchell. We are fortunate in having as a recent newcomer, Helen Harrington Compton, the wife of the new president of Washington State College. Sue Winton Fletcher is head of the Red Cross Surgical Dressing unit and in that capacity has given many hours. Founders' Day was observed in the home of Frances Eagen Pickens.

ETHELYN JESSEPH GARRETT

## YAKIMA (FANNIE WHITENACK LIBBEY)

Fannie Whitenack Libbey Alumnae Club enjoyed an active year. Our outstanding project was a benefit bridge party held this spring, proceeds of which went to the Yakima Memorial Hospital Fund in memory of Marion Nelson who was active in our club and an outstanding nurse in the Yakima Valley.

We have 20 paid members, while the average attendance at meetings was 15. Red Cross sewing, a white elephant sale, and filling of "Purple Heart Boxes" at Christmas time helped to make our meetings interesting as well as of service to the community. The actives were entertained at a luncheon during the Christmas holidays. The "Founders' Day" Banquet was attended by 25 members. The program consisted of a skit on the forming of our fraternity and the candle-lighting ceremony.

Contributions were made in the following amounts:

Settlement School	\$ 5.00
Sale of Arrowcraft	750.00
National War Fund	10.00
Holt House	7.50
Magazine Commissions	56.00

MRS. CHARLES R. CHASTAIN

## MU PROVINCE

## BERKELEY

Early in October the Berkeley Club gathered with the active chapter, California B, the Mothers' Club, and other friends at the Annual Settlement School tea and display. It was a most successful affair both from the standpoint of sales and attendance. The two other large affairs were the initiation banquet and the Founders' Day buffet supper. Mrs. Tatom, our province vice-president, was the honored guest at the former. The club has given \$300 to the Physio-therapy fund, \$100 to the Settlement School, \$50 to the active chapter, \$25 to the Red Cross, \$2 to Holt House, \$10 to Panhellenic Scholarship fund, and about \$10 to Oakland Hospitality House through Panhellenic. Our Arrowcraft sales so far have reached more than \$1,800 with many orders yet unfilled. We have helped at the Hospitality House, have staffed the Blood Donor booth one day a month, and have made USO books. Our drive for paid memberships in the club more than doubled the number of the previous year.

DOROTHY R. LANGFIELD

## EL PASO

Our club has met many new Pi Phi alumnae during the past year and our informal meetings have been popular with the young Army wives. We are all busy with war work, as we have Nurses' Aides, USO volunteers, Red Cross workers, and War Bond salesmen. Founders' Day was celebrated with a luncheon at the home of Louise R. Kemp.

LOUISA J. HANNAY

## FRESNO

The year 1944-45 was a most successful one for the Fresno alumnae club. The president, Mrs. J. A. Manning, entertained at a tea for new members in October; Mrs. R. J. Van Wageningen was hostess at a dessert luncheon in December when the province vice-president, Mrs. William Leigh Tatom, was the guest of honor; Mrs. Carl Stanley entertained for the constitution study meeting at the Hotel Californian in March; and Founders' Day, April 28 was

fittingly celebrated with a luncheon at the Hotel Californian. The decorations which are traditional with the Fresno Club included an arrow of gold flowers in the center of the long table and large bouquets of silver blue iris and wine colored roses at the ends of the table. The average attendance at meetings has been 22. Money has been raised by the sale of Arrowcraft products and of 500 engagement calendars. The club contributed \$50 to the Physio-therapy fund \$10 to Holt House, and \$40 to the Settlement School besides beginning a permanent scholarship fund for annual presentation of \$50 to a woman student at Fresno State College. This year's scholarship was paid and a reserve of \$53.50 was left in the scholarship fund for the future.

GLADYS R. FINCH

### GLENDALE

The Glendale Alumnae Club has just completed an unusually interesting and delightful year under the leadership of Mae Siefkin Short, Kansas B. as president. All eight well-attended meetings were held evenings at the homes of club members, with the exception of the Founders' Day meeting which was observed with the Los Angeles Club at their annual luncheon. Average attendance has been around forty members.

Two rummage sales, fall and spring; a "Woman's Exchange" which was put on at our November meeting; and commission on magazine subscriptions; all ventures which were highly successful, provided funds for substantial contributions to Settlement School, Physiotherapy Scholarships, Red Cross, Glendale Auxiliary of the Childrens' Hospital, and the Glendale Service Wives' and Babies' Home.

The contribution to the Red Cross consisted of lap afghans knitted by club members from yarn purchased by the club and sent to a local hospital for the use of convalescing service men in their wheel chairs.

Our new president is Florence McGrath Bowles, Colorado A. We are looking forward to another interesting and pleasurable year after the summer vacation.

BLANCHE BRADLEY MERRITT

### HONOLULU

The first of our four meetings of the Honolulu Alumnae Club for the year 1944-45 was a breakfast given at the alumnae Women's Swimming Club at Waikiki.

The second was a luncheon at the Halekulanani Hotel given in honor of Elizabeth Clarke Helmick, Michigan A. The club presented her with a pin in recognition of her fifty years as a member of Pi Phi.

In October a sale of Settlement School articles was held which brought in \$269.62. We could have sold many more articles if we could have gotten a shipping permit for them.

A well attended Founders' Day luncheon meeting was held at the Colonial Hotel. Our yearly business meeting and election of officers was held at this time.

Our local project for the year has been the Service Women's Lounge. It is a center for enlisted women which was opened April 12. We are indebted to a large extent to Mary Shaunessy Moore, Nevada A. for the success of this enterprise.

Our club has donated \$50.00 to Physio-therapy; \$50.00 to Settlement School; and \$5.00 to Holt House.

GENEVIEVE TILLERY WILLIAMSON

### LONG BEACH

Aileen Lovitt, our president, has made the past year an enjoyable and profitable one for our club. We have served either dinner or dessert before each meeting, charging each member accordingly. In the fall we had a successful rummage sale. It has become an annual custom to hold our Christmas party in the lovely home of Lora Barr, our husbands being included in the guest list. Our cooky-shine has been held at Ruth Miller's for the last four years. Founders' Day was celebrated with a dinner at the home of Winnifred Morris. Virginia Tatum gave a talk on fraternity history. Leah Shirey read an original poem, and Louise Malin furnished us music. We have given \$20 to the Settlement School, \$5 to the Loan Fund, \$5 to Holt House, \$60 to the Physio-therapy Fund, and \$12 to the Red Cross.

CALISTA THURSTON CODY

### LOS ANGELES

The Los Angeles Alumnae Club completed an interesting year under the leadership of Ruth Grady. The final meeting was the annual picnic, at the home of Dorothy Webb in Beverly Hills. Attendance at meetings throughout the year was curtailed by gas rationing and war activities, yet the paid membership increased to 187. The Professional group held monthly evening meetings. Three of these were combined with the Senior group—one the Christmas party at the

California Delta Chapter house at U.C.L.A., another a buffet supper and program honoring husbands and escorts at the California Gamma Chapter house at U.S.C. The Senior group held five afternoon meetings. The Junior group held eight evening meetings. Their project was making layettes for the Red Cross. In April, the Glendale, Laguna Beach, Long Beach, Pasadena, San Fernando Valley, Westwood-Santa Monica clubs, and the active chapters of Gamma and Delta joined us in celebrating Founders' Day with a luncheon in the Garden Room of Town House on Wilshire Boulevard. We have sent to Settlement School \$200.00 to Holt House \$20.00; to California Gamma Chapter \$25.00; to California Δ \$25.00; to Physical Therapy Scholarship Fund \$255.00. Alice Teegarden reports \$1,054.58 for sale of Settlement School Products. Ann Bahnsen made \$89.20 profit on magazine subscriptions. The Pi Phi Gray Lady organization at the Veteran's Facility Recreation Hut at Sawtelle, with Netta Young as chairman and Bess Vosper as vice-chairman report a total of 38,351 hours given by Pi Phi workers in four years. In addition to this many Pi Phis have worked at the Batteries, hospitals, and blood bank.

KATHRYN O. BEETS

### MARIN COUNTY

Highlight of the Marin Alumnae Club year was the visit of province vice-president, Mrs. Wm. Leigh Tatom of Los Angeles. Mrs. Tatom was honored at a luncheon on March 14 in the home of Mrs. Roy A. Brown in San Rafael.

The club inaugurated a plan to extend hospitality to relatives of Pi Beta Phi who find themselves stationed in Marin County while serving their country. Other California clubs are now adopting the same plan.

The Marin Club has held nine meetings during the past year with an average attendance of twelve. The total membership is sixteen.

President Margaret Webster opened the year with a luncheon and business meeting at her home in San Anselmo. Margaret serves as a Grey Lady at Hamilton Field and takes part in war and civic work as do all members of the Marin Club.

Active Pi Phis helped the alumnae in the sale of Settlement School handicraft at the annual Grape Festival, a benefit for Sunny Hills Orphanage, of which Pi Phi Claire O'Neill is superintendent. This year, aside from Arrowcraft articles, the members made and sold pinafores and carpenter aprons for the small fry of Marin. Mrs. George Stapleton has headed the Festival for several years in her capacity of Settlement School chairman. One hundred dollars was their 1944 contribution to this local charity. An order is now at Gatlinburg for this Fall.

The Marin Club contributed \$3.00 to Holt House, \$15.00 to Settlement School and \$100.25 to Physical Therapy.

Mrs. Eugene Robinson of San Anselmo entertained the club at the October meeting, when Mrs. O'Neill expressed her appreciation for the fine support given Sunny Hills.

Mrs. J. R. George, Jr., welcomed the members to her hill top home in Mill Valley for the November meeting.

A Christmas party was held at the home of Mrs. George E. Davis where plans were made for a puppet show which was a Physical Therapy benefit a few days before Christmas. Mrs. George Clark, made and dressed the marionettes, wrote the sketches, directed and appeared in the clever children's entertainment at a San Rafael theatre. Mrs. Clark is now in demand for many performances at club and Parent-Teacher meetings throughout Marin.

The Marin Club donated books to the hospital at Hamilton Field as a Christmas project.

Mrs. H. Wallace Hickman, who is unit chairman of the Grey Ladies at Hamilton Field, in charge of 150 women, is never too busy for service. She was the January hostess and made a party of the meeting honoring all who helped with the puppet show including her charming mother-in-law, Mrs. Howard C. Hickman, the former stage and screen actress, Bessie Barriscale.

In February, Mrs. Franklin Smith invited both the active and non-active alumnae with mothers and grandmothers of Marin active Pi Phis. This was a lovely luncheon at the home of Mrs. Smith's daughter, Mrs. R. M. Hill in Ross.

Founders' Day was observed at the home of Mrs. Charles Schneider in Larkspur.

Members recessed for the summer following a luncheon meeting on June 13 at the home of Mrs. George Stapleton in Ross.

HAZEL W. BROWN

### PASADENA

Under the able leadership of its president, Maudie Dovie Prickett (Wyoming A.), the Pasadena Alumnae Club completed a very successful and worthwhile year with a Mother and Daughter meeting June 13. Installation of the new officers for 1945-46 took place at the final meeting.

During the past year the Pasadena Club donated \$50 to Settlement School, \$75 to Physiotherapy, \$10 to Holt House, \$15 to Red Cross, \$15 to War Chest. Our magazine sales were only forty per cent of last year's total, due to delayed service from the agency.

Mrs. Virginia Tatum was our guest for our Founders' Day dinner, which was attended and enjoyed by seventy-five members. Our Mrs. Mary Sadler (Colorado B. I. C.) sixty years a Pi Phi, was unable to attend on account of illness. She was greatly missed.

Pasadena Panhellenic, a very active and progressive organization, holds great interest in our club. Margaret Frey Pierce (California I) was the first president of Pasadena Panhellenic and at present Irene St. Pierre Lake (California I) is chairman in charge of rushing, a most important department.

Many new members have been added during the year and we are looking forward eagerly to the coming year.

HELEN IKERD BLAKELY

### PALO ALTO

The Palo Alto Alumnae Club has had a very successful year, holding alternating afternoon and evening meetings with an average attendance of twenty. Some special feature has made each meeting most interesting. There were two meetings which honored the girls on the campus who had been in California Alpha chapter and who are still attending Stanford University. The first meeting was in December at the campus home of Mrs. W. B. Owens (Marie McClung). The second one in May was a swimming party and pot luck supper at the beautiful estate of Mrs. Willard C. Griffin (Lillian Sudyam) in Los Altos.

In March the San Mateo Alumnae Club joined us in honoring our Mu Province vice-president, Mrs. W. L. Tatom (Virginia Miller). The meeting was held at the home of Mrs. Lowell Haines (Susan Ireland) and tea was served.

Mrs. W. B. Allen, the mother of our Province president, Mrs. Paul R. Manning (Edythe Allen), most graciously opened her lovely home to us for our Settlement School Tea and sale.

The Club contributed \$10.00 to the Red Cross, \$20.00 to the Settlement School, \$2.50 to Holt House, and \$15.00 to the Physiotherapy Scholarship Fund.

We are looking forward to a very successful year under the leadership of Mrs. J. L. Filfont (Gladys Gue).

MARGARET K. RUSSELL

### RENO

The Nevada Alumnae Club held twelve regular meetings during the last fiscal year, besides carrying out successfully several additional activities. These included: A Settlement School tea and sale, a card party and cooked food sale to aid the active chapter, a Homecoming Day luncheon, and a buffet supper with the actives honoring our Founders.

Our budget included the following: \$15 to Physio-Therapy, \$2.50 to Holt House, \$2.50 to Loan Fund, \$10.00 to Settlement School, \$48 in magazine subscriptions and \$10 to Red Cross. One hundred dollars was contributed to the A.A.U.W. International Fellowship in memory of our own Dean Margaret Mack.

Besides Red Cross sewing at our meeting, a Pi Phi Red Cross Canteen unit has served faithfully during the year. Substantial assistance was given the active chapter, including the purchase by the alumnae club of a \$400 water heater for the chapter house.

We enjoyed a visit from Mrs. Wm. Tatom, our Province vice-president, in March. All regretted that Miss Onken's illness prevent her being here as planned in April.

Cooperation between the active chapter and the alumnae club has been splendid.

ALICE ORGAN

### SACRAMENTO

Sacramento Alumnae Club concluded this year's business meetings with a picnic supper at the home of Virginia Russell Coffee. Merle Sellman Torrey was installed as the new president. The program in the interest of an active chapter was devoted to a discussion of rushing at the University of California. It was also decided to continue throughout the summer months our work at the U.S.O. Canteen and U.S.O. Scrapbook Headquarters.

Club Contributions for the year were: \$10 to the Settlement School; \$35 to Physiotherapy; \$10 to Holt House. Our magazine sale commissions jumped from \$21 last year to \$36.85 this year. We were also most successful in our sale of Settlement School articles.

For our meeting of March 21, we were pleased to have Mu province vice-president, Mrs. W. L. Tatom with us. Her visit was an inspiration and incentive to our club.

Founders' Day was observed with a delightful cooky-shine and an impressive candlelighting ceremony, at the home of Mary Van Buren.

We have 26 paid members for the year with the remarkable average attendance of 20 at our six meetings for the year.

New members welcomed into the club are: Mrs. George Boyd, Minnesota A; Mrs. Frank Barton, Iowa Z; Mrs. Jack Siever, Miss Elaine Christman and Peggy Compton, of California B.

JOY COTTINGHAM GREENWOOD

### SAN JOSE

The San Jose Club has had a successful year. Through the generosity of its members and friends, hard work of the members in charge, and fine cooperation from the Arrowcraft Shop, we were able to sell approximately \$550 worth of Settlement School products.

The club has sent \$35 to the Settlement School, \$25 to physio-therapy, \$5 to Holt House and our usual gift of a recognition pin to the Nevada A freshman with the highest grade average.

The visit of Mrs. Tatum, our Province vice-president, was a pleasure and stimulus to us. For the first time in several years our membership has increased to fifteen which gives us great satisfaction.

MARGARET BOWMAN

### SANTA BARBARA-VENTURA

Our club has held only four meetings a year since Pearl Harbor. These have been group discussions and resume of Settlement School reports, observance of Founders' Day, and the annual picnic. We have contributed \$5.50 to the Physiotherapy Fund.

BARBARA MAGEE

### SANTA MONICA-WESTWOOD

The number of paid members this year increased from 36 to 46. Ten meetings have been held with an average attendance of about 35.

The club has made the following contributions: \$50 to the Settlement School, \$211 in Arrowcraft, \$100 to Pi Phi National War Fund, \$10 to Holt House and \$35 in magazine commissions.

Out of the 46 paid members, 20 have regularly given time to war activities, ranging in time from 15 to 190 hours a month.

The club has been actively interested in the California A active chapter at USLA, where every year one or more of the club's members serves on the chapter board. This year the chairman of the board and the chapter's financial adviser were members of the Santa Monica-Westwood Alumnae Club.

BETTY FRAZER

### SAN MATEO COUNTY

During the past year our Alumnae Group, numbering 18 paid members, has continued meeting at the homes of members for luncheon. A total of 11 meetings were held. Following luncheon we have sewed for the Red Cross. Our other activity has been serving one day a month at the U.S.O. house from 9:30 A.M. to 11 P.M. This has included buying and preparing the food, as well as acting as Canteen Hostesses.

Through the sale of social calendars, we have met our financial obligations. The following amounts were contributed: \$1.00 for local dues; \$5.00 to Settlement School; \$30.00 Pi Beta Phi National War Fund; \$2.00 to Holt House; \$3.00 to Loan Fund; \$5.00 for Christmas gifts for patients at Letterman Hospital, San Francisco.

HELEN T. DAVIS

### SOUTH COAST CLUB

We have had a pleasant and successful year under the efficient leadership of Alice Aver Frost. With 20 charter members and more than 40 resident Pi Phis, we have had an average attendance of 22. Geographically, we include Newport, Balboa, Balboa Island, Lido Isle, Emerald Bay, Laguna Beach, and other coast towns in Orange county. Many of our Pi Phis are wives of service men stationed at the nearby bases of El Toro and Pendleton and the Army redistribution center of Santa Ana, so our group is constantly changing. We have contributed to the Settlement School, Holt House, the Physio-therapy Fund, the Red Cross and the USO. Our province vice-president, Virginia Tatom, visited us in January. We closed the year with an enjoyable Founders' Day luncheon at the home of Mrs. George T.

Bigelow and her two sisters, in Lagunita. We cordially invite all Pi Phis in our vicinity to contact us.

NITA DAY CARMAN

### TUCSON

The annual farewell party for graduating seniors, and the installation of new club officers brought to a close an interesting year for the Tucson club. An outdoor supper in October for the new pledges had marked the opening of the year. Eight meetings were held. Paid membership was 46.

Mrs. Manning, Mu Province President, visited in November, and a luncheon was held in her honor.

Founders' Day was celebrated with the active chapter at

the chapter house. A traditional program was given. The winning song of the annual University "sing" was presented again for the pleasure of the alumnæ. Dessert was served.

Rosemary Taylor, author of *Chicken Every Sunday* and *Ridin' the Rainbow*, spoke at the January meeting. A Bingo party was held in February, and the election of officers in March.

Money for the Physiotherapy Scholarship fund was raised by holding a White Elephant sale with the active chapter. The alumnæ club share amounted to \$39.29. Holt House and the Loan Fund donations were \$5.00 each; \$10.00 was given to the Settlement School. Magazine subscriptions amounted to \$29.25.

Plans for two summer rush parties are being made.

MARGARET G. HANSEN

## *Courtesies* TO PI BETA PHI RELATIVES *in Service*

SEVERAL ALUMNÆ CLUBS in California have announced their desire to extend courtesies to Pi Beta Phi relatives in the service stationed near their respective communities.

In Marin County contacts may be made by notifying Mrs. Roy A. Brown, 262 Linden Lane, San Rafael.

San Mateo Club appointed as its contact chairman, Mrs. Glenn Stern, 48 West Santa Inez, San Mateo, California.

In Southern California two clubs are joining in the plan.

MRS. STANLEY O. CHAMBERS, 844 VIA LIDO NORD

LIDO ISLE—NEWPORT BEACH, CALIFORNIA

and

MRS. ERNEST C. CARMAN, 761 WILSON STREET

LAGUNA BEACH, CALIFORNIA

Mrs. Chambers is very near the Santa Ana Army Air Force Redistribution Center and Mrs. Carman is near the Marine Bases at El Toro and Pendleton.

## ALUMNAE PERSONALS

### ALABAMA ALPHA

#### Birth

To Mr. and Mrs. John William McIntosh (Mary Perry Collier), a son, John William, Jr., on June 15, 1945 in Birmingham, Ala.

#### Personals

Sincere sympathy is extended to Lt. Col. and Mrs. Julian Mason (Mary Knox) in the death of their infant son, Frank Knox Mason, on June 28, 1945. They are residing temporarily at Atlanta.

Florence Price, WAVES, has been transferred from Miami to Daytona Beach, Fla. Lt. (j.g.) Mary Margaret Price McCord, WAVE, is stationed at the Naval Air Station, San Diego, Calif.

Evelyn Beasley is with the Starlight Operas in Birmingham this summer in which she has an important role.

Ethel Morland Pruett is with the Distributive Education Dept. in Ala.

Mr. and Mrs. Clarence Brice (Anne Berry) and daughter, Janet, are now living in Ontario. Mr. Brice has been recently discharged from the Army.

Lt. and Mrs. Robin Huchstep (Virginia Evins) and daughter Ginger, have returned to Washington after being in Porto Rico for eighteen months.

Helen Turner of the American Red Cross returned to the States last April, after serving eighteen months in the Mediterranean area.

### ALBERTA ALPHA

#### Marriage

Isabelle Newcombe and Gordon Hargrave Sissons on June 29, 1945 at Medicine Hat, Alta.

#### Births

To Mr. and Mrs. Frank Lough (Betty Williams), a daughter, Margaret Audrey on June 19, 1945.

To Mr. and Mrs. L. W. Prowd (Miriam Ferguson), a son, Lawrence Allen, on January 9, 1945, at Vancouver, B.C.

### ARKANSAS ALPHA

#### Marriages

Estelle Young and Lt. Fred H. Baker on June 5, 1945 in Fort Smith, Ark.

Thyra Cordell and Forrest Clermont Finney on July 4, 1945 in Fort Worth, Tex.

Lucy Jane Nunn and Lt. (s.g.) Lewis C. Bryan, USNR, on March 22, 1945 in Rochester, N.Y.

#### Births

To Mr. and Mrs. John W. Thane (Victory Barnett), a son, John Wirt, on March 27, 1945 in Memphis, Tenn.

To Mr. and Mrs. Frank A. Denker (K. B. Curtis), a daughter, Mary Katherine, on June 11, 1945.

To S2/c and Mrs. James C. DeWoody (Cornelia Fleeman), a son, James Carlton II, on May 31, 1945.

To Capt. and Mrs. Maurice Adam (Mary Durham), a son, in June 1945.

To Mr. and Mrs. Poindexter Dunne Whitaker (Frances Guthrie), a son, William Hubert, on May 23, 1945.

To Mr. and Mrs. John C. Winkler (Helen Jane Gile), a daughter, Marilynne Louise, on March 12, 1945 in Baton Rouge, La.

### ARIZONA ALPHA

#### Marriage

Marjorie Mock and Petty Officer Wayne Laurence Gregory, USN.

#### Births

To Mr. and Mrs. J. J. Adams (Lillian Gale), a daughter, Nancy Gale, on May 15, 1945.

To Mr. and Mrs. Marvin Johnson (Patricia Anne Thomas), a daughter, Patricia Anne, on April 1, 1945.

To Mr. and Mrs. Dale Payne (Evelyn Jamieson), a son, May 15, 1945.

### CALIFORNIA ALPHA

#### Personals

Mrs. James W. Bergstrom (Muriel James) is instructor in English at the University of Hawaii, and is doing volunteer work in the Army hospitals. She is also at the USO Service Women's Lounge.

Sincere sympathy is extended to Mrs. W. S. Williams (Elizabeth Houx) in the death of her husband.

### CALIFORNIA BETA

#### Marriage

Muriel Porter and Hugo Moedano at Orizaba, Vera Cruz.

#### Birth

To Mr. and Mrs. Thomas J. Scollan (Elma Betty Anderson), a son, on September 7, 1944, at Sacramento, Calif.

#### Personals

*Birth*

To Mr. and Mrs. Myrl Davis (Alice Epple), a son, Jonathan Kenyon, on April 10, 1945.

## Red Cross Needs 3,000 College Women for Hospital Program

Expansion of the Red Cross program for hospitalized servicemen has created an immediate need for 3,000 women to conduct the organization's recreation and social service program for the wounded and disabled.

At least 600 women with experience or training in the field of recreation are needed, the Red Cross has announced. Practical work or aptitudes in music, dramatic arts, skills and crafts, and similar activities, especially in relation to groups, are primary qualifications for this work, which consists of direction and staging all types of activity programs for bed and ambulatory patients.

In planning its expanded program, the Red Cross adopted new and higher salary schedules, along with annual increments and promotions. Salaries for recreation workers range from \$150 to \$325 monthly, and free quarters and uniforms, or allowances therefor, are provided. Minimum educational requirements are graduation from college plus one year of paid employment of some type, or two years' college plus three years' recreation leadership, two of which must have been paid.

In the social service program for hospitals the Red Cross needs 750 trained women for administrative, supervisory and staff positions. Monthly salaries for these range from \$170 to \$350 plus free quarters and uniforms or allowances. An additional 1,650 untrained

or partially trained women are also needed for social case work and similar duties under professional guidance and supervision. Salaries for these workers range from \$140 to \$200 monthly.

Qualifications for these two categories of workers range from a minimum of graduation from college or two years' college plus two years' experience working with people, to full graduate curriculum in an accredited school of social work, plus three years' successful, paid experience as staff member of a social agency.

The present expansion of the Red Cross hospital program offers women possessing the necessary qualifications a far-reaching opportunity for patriotic and interesting work. As the program will last for many years, there is a rich field for development of recreational activities, while social service workers will meet with problems of the utmost variety. Anyone having the qualifications and willing to work at least one year should apply for information and application forms at the nearest Red Cross area office—North Atlantic Area, 300 Fourth Ave., New York 10, N.Y., Eastern Area, 615 N. St. Asaph St., Alexandria, Va., South-eastern Area, 230 Spring St., N.W., Atlanta 3, Ga., Midwest Area, 1709 Washington Ave., St. Louis 3, Mo., and Pacific Area, Civic Auditorium, Larkin and Grove Sts., San Francisco 1, Calif.

## OFFICIAL CALENDARS

Communications for the Central Office should be addressed: Pi Beta Phi Central Office, 206 National Bank Bldg., Decatur 16, Illinois. For addresses of other officers, consult the Fraternity Directory immediately following the Official Calendar in this issue.

### ACTIVE

Send checks for initiation fees to Pi Beta Phi Central Office, 206 National Bank Bldg., Decatur, Illinois. Make checks for Senior dues payable to Pi Beta Phi Central Office, and send to your Province President. Make checks for Settlement School payable to the Treasurer of the Settlement School and send to your Province President. Make checks for Loan Fund payable to the Chairman of the Loan Fund and send to your Province President. Make checks for the Holt House payable to the Treasurer of Holt House Committee and send to your Province President. Make checks for jewelry payable to the Pi Beta Phi Central Office and send to that office. Payment for badges in Canada is sent direct to Birks & Co. after order has been okayed by the Pi Beta Phi Central Office. Make checks for magazine subscriptions payable to the Pi Beta Phi Magazine Agency, 206 National Bank Bldg., Decatur, Illinois.

#### NOTICE TO CANADIAN CHAPTERS

Canadian chapters make all checks for payments of initiation fees and contributions to all funds payable to the Assistant to the Grand President, Miss Isabel A. Clark, 196 Elm St., Winnipeg, Manitoba, Canada.

#### GENERAL INSTRUCTIONS

Chapter treasurers should see that the Financial Statements to Parents of Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should be sent only for the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.

Chapter treasurers should see that badges are ordered through the Central Office. It takes three weeks or more, under present conditions, to complete badge orders. Badges for prospective members should not be ordered until all initiation requirements have been met.

Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to the Assistant to the Grand President.

The corresponding secretary should report to the Central Office changes in chapter officers if they are made, any time during the year.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office, explain the situations, and receive special permission to vary from the established dates.

**SEPTEMBER 10.** Chapter president send letter to Province President. Chapter officers meet, read manuals, and prepare for college year.

**SEPTEMBER 25.** Chapter scholarship chairman send Scholarship Blank #1 to the National Scholarship Chairman, one copy to Province Scholarship Supervisor, and one copy to the Province President. Send a letter to the Province Scholarship Supervisor explaining plans for study and improvement of scholarship. Include forms A and B.

**SEPTEMBER 30.** Chapter scholarship chairman send last year's rating of the chapter, also plans for study for the actives and pledges to the Province President.

**OCTOBER 1.** Chapter corresponding secretary send list of actives to the Central Office.

**OCTOBER 1.** Chapter vice-president send Membership Lists to the Central Office.

**OCTOBER 1** (or as soon after as possible). Chapter pledge supervisor send a list of pledges, on forms intended for that purpose, to the Assistant to the Grand President and to the Central Office.

**OCTOBER 1.** Chapter corresponding secretary of chapters maintaining residences mail to Chairman of Committee on Chaperons, printed card concerning chaperon and also blank containing data on chaperon.

**OCTOBER 1.** Pledge sponsors send national and chapter Letters to Parents of Pledges as soon as possible after pledging.

**OCTOBER 3.** Chapter corresponding secretary prepare and mail chapter letter for ARROW to reach Chapter Letter Editor by October 10.

**OCTOBER 10.** Chapter president send letter and copy of By-laws to the Province President.

**OCTOBER 10.** Chapter corresponding secretary notify Central Office if supplies for fall work have not been received. Chapter corresponding secretary return receipt for fall supplies to the Central Office as soon as the supplies are received.

**OCTOBER 15.** Chapter corresponding secretary send Fraternity Study and Examination Blank #105 to the Province Supervisor of Fraternity Study and Examination not later than October 15 and before if possible.

**OCTOBER 15.** Chapter corresponding secretary notify the Chairman of the Committee on Transfers on the official Introduction Transfer Blank of members who have registered on campuses other than those of their own chapters.

**OCTOBER 15.** Within two weeks after the close of formal rushing season, approximately October 15, retiring chapter rush captain report to the Province President the result of rushing and pledging, and report to the Province President and Central Office the name and address of the new rush captain.

**OCTOBER 15.** Censors submit plans to the Province President for chapter meeting programs for the first semester.

**OCTOBER 15.** Chapter treasurer send to the Pi Beta Phi Central Office \$5.00 to cover both the bond for the chapter treasurer and the bond ARROWS of preceding year. Send report of delinquent members with names and addresses, time and amount of delinquency to Assistant to the Grand Treasurer.

**OCTOBER 15.** Deadline for material for December ARROW.

**OCTOBER 20.** Due to Supervisor of Chapter Accounting from chapter treasurer: Summer-September Report, 2 copies of budget, assessment roll, expense sheet from all chapters.

- OCTOBER 25. Chapter scholarship chairman send letter to Province Supervisor.
- OCTOBER 30. Chapter pledge supervisor send letter to Province President.
- OCTOBER 30. Chapter president send form to the Assistant to the Grand President stating that all employees handling food at the chapter house have passed a physical examination.
- NOVEMBER 5. Chapter corresponding secretary send article, "What A Fraternity Girl Thinks" to reach the Chapter Letter Editor on November 10.
- NOVEMBER 10. Chapter president send letter to Province President.
- NOVEMBER 15. Chapter scholarship chairman send to the Province President, National Scholarship Chairman, and Province Supervisor on Scholarship copies of Scholarship Blank #2. Send earlier if possible. This is the deadline for this blank.
- NOVEMBER 15. Pledge president send letter to Province President.
- NOVEMBER 20. Chapter social exchange chairman send material on Homecoming, Floats, Stunts, Formal Parties, Rushing, to Province Supervisor of Social Exchange.
- NOVEMBER 20. Due to Supervisor of Chapter Accounting from chapter treasurer: October report, assessment roll, expense sheet, from chapters reporting monthly.
- NOVEMBER 25. Chapter scholarship chairman send letter to Province Supervisor on Scholarship.
- NOVEMBER 25. Chapter magazine chairman send subscriptions for Christmas delivery to the Pi Beta Phi Magazine Agency. (This does not mean that subscriptions will not be received after this date, but it does mean that to insure Christmas delivery the subscriptions should be received at the agency by this date.)
- DECEMBER 15. Chapter scholarship chairman send letter to Province Supervisor.
- DECEMBER 20. Due to Supervisor of Chapter Accounting from chapter treasurer: November report, assessment roll, expense sheet, from chapters reporting monthly.
- JANUARY 5. Chapter corresponding secretary prepare and mail chapter letter for ARROW to reach Chapter Letter Editor by January 10.
- JANUARY 10. Chapter president send letter to Province President.
- JANUARY 15. Chapter pledge supervisor send letter to Province President.
- JANUARY 15. Chapter corresponding secretary notify Central Office if supplies for spring work have not been received. Return receipt for supplies to the Central Office immediately after supplies have been received and distributed.
- JANUARY 15. Chapter treasurer is responsible for the sending of the annual report of the Chapter House Corporation to the Assistant to the Grand Treasurer and the Province President, and for the sending of a \$5.00 fee for bonding the treasurer of the House Corporation. Blanks for the report will be sent to the treasurer of the House Corporation who makes out the report and sends the \$5.00 fee, but the chapter treasurer must see that both reports and fees are sent.
- JANUARY 15. Deadline for material for March ARROW.
- JANUARY 20. Due to Supervisor of Chapter Accounting from chapter treasurer: December report, assessment roll, expense sheet, from chapters reporting monthly and quarterly.
- JANUARY 25. Chapter scholarship chairman send letter to Province Supervisor.
- FEBRUARY 1. Plan for Active Fraternity Examination.
- FEBRUARY 10. Active chapter history material should be submitted by chapter historian to the National Historian and one copy to the Province President.
- FEBRUARY 10. Chapter president send letter to Province President.
- FEBRUARY 10. Final date for the election of chapter officers.
- FEBRUARY 13. Chapter corresponding secretary send one copy of officer list to Central Office.
- FEBRUARY 15. Final date for chapter president to send nomination of candidates for the Amy Burnham Onken award to the Province President. (See Bulletin on Official Pi Beta Phi Awards.)

Make checks for Settlement School payable to the Treasurer of the Settlement School and send to your Province Vice-President.

Make checks for Loan Fund payable to the Chairman of the Loan Fund and send to your Province Vice-President.

Make checks for the Holt House payable to the Treasurer of Holt House Committee and send to your Province Vice-President.

Make checks for jewelry payable to the Pi Beta Phi Central Office and send to that office.

Payment for badges in Canada is sent direct to Birks & Co. after order has been O.K.ed by the Pi Beta Phi Central Office.

Make checks for magazine subscriptions payable to the Pi Beta Phi Magazine Agency, 206 National Bank Building, Decatur 16, Illinois.

**EXCEPTION:** ALL NEW YORK ALUMNÆ CLUBS send dues and contributions to fraternity projects to Central Office.

**NOTICE TO CANADIAN ALUMNÆ CLUBS:** CANADIAN ALUMNÆ CLUBS make all checks for payment of annual alumnæ dues and contributions to all projects payable to the Assistant to the Grand President, Miss Isabel Clark, 196 Elm Street, Winnipeg, Manitoba, Canada.

(The alumnæ club president is obliged to see that all officers send in reports on time. Is the corresponding secretary for your club listed correctly? If not, notify Pi Beta Phi Central Office, 206 National Bank Bldg., Decatur 16, Ill., at once.)

**OCTOBER 10.** Alumnæ club corresponding secretary send Personals and In Memoriam notices to the Central Office for the December ARROW.

**NOVEMBER 10.** Alumnæ club corresponding secretary mail club year books or program dates to the Grand Vice-President, the Assistant to the Grand Vice-President, the Province Vice-President and to the Alumnæ Club Editor.

**NOVEMBER 15.** Alumnæ club treasurer send annual alumnæ dues to Province Vice-President.

**NOVEMBER 25.** Alumnæ club magazine chairman see that all subscriptions to magazines for Christmas delivery are sent by this date to the Pi Beta Phi Magazine Agency.

**JANUARY 5.** Alumnæ club corresponding secretary prepare and send letter with club news and coming events in time to reach the Alumnæ Club Editor not later than January 5 for the March ARROW. Alumnæ club corresponding secretary send Personals and In Memoriam notices to the Central Office for the March ARROW.

**JANUARY 15.** ARROW deadline.

**MARCH 1.** Election of officers should be held at the regular March meeting of the club, said officers to take office at the close of the club fiscal year, May 20. (Dues must have been paid by this date to enable one to vote at the annual election or be eligible for office.)

**MARCH 1.** Alumnæ club corresponding secretary prepare and send letter with club news and coming events in time to reach the Alumnæ Club Editor by March 5, for the May ARROW. Alumnæ club corresponding secretary send Personals and In Memoriam notices to the Central Office for the May ARROW.

**MARCH 10.** ARROW deadline.

**APRIL 15.** Alumnæ club national dues must be in the hands of the Province Vice-President.

**APRIL 25.** Founders' Day to be celebrated with the nearest active chapter or chapters.

**MAY 1.** Province Supervisors of Fraternity Study and Examination should mail consolidated reports to the national chairman.

**MAY 1.** In year of Convention, alumnæ delegates must have been elected to convention.

**MAY 10.** In year of Convention, Alumnæ Delegate to Convention Credential Blanks should have been sent as directed in Central Office letter.

**MAY 10.** National officers, committee chairmen, and alumnæ advisory committees should send Standardization and Survey reports to Central Office. Blanks for these will have been sent by Central Office.

**MAY 10.** Chairman of alumnæ advisory committee should send to Central Office three copies of alumnæ advisory committee officer list, and one to Province President.

**MAY 20.** Club fiscal year ends. New officers' list should be sent by corresponding secretary to the Province Vice-President and the Central Office. (Before if possible.) Please check to see that the corresponding secretary is a subscriber to the ARROW. See "Manual of Instructions for Contributions to the ARROW," page 9, 1940 Edition.

Club president questionnaires and audit slips should be sent to Province Vice-President and other officers as directed.

**JUNE 10.** Annual reports of National Officers, Province Presidents, Province Vice-Presidents, and chairmen of standing committees should be sent to the Grand Secretary for use at meeting of Grand Council. All reports should be typewritten.

Alumnæ club reports should be mailed by alumnæ club corresponding secretary to the Alumnæ Club Editor. This should be a summary of the year's activities, contributions made to the Settlement School, Loan Fund, active chapter, Holt House, etc. It should be limited to 100 to 200 words. (See "Manual of Instructions for Contributions to the ARROW.")

**JULY 15.** Alumnæ club corresponding secretary send Personals and In Memoriam notices to the Central Office for the September ARROW.

Have you sent in your subscription to Holt House?

Treasurer, Mrs. Dallas E. Perfect, 4617 N. Idlewild, Milwaukee 11, Wis.

# FRATERNITY DIRECTORY

## FOUNDERS OF THE FRATERNITY

Fanny Whitenack Libbey (1848-1941)  
Inez Smith Soule (1846-1941)  
Margaret Campbell (1846-1936)  
Libbie Brook Gaddis (1850-1933)  
Jennie Horne Turnbull (1846-1932)  
Jennie Nicol, M.D. (1845-1881)  
Fannie Thompson (1848-1868)  
Nancy Black Wallace (1845-1918)  
Ada Bruen Grier (1848-1924)  
Rosa Moore (1848-1924)  
Emma Brownlee Kilgore (1848-1924)  
Clara Brownlee Hutchinson (1850-1931)

## PRESIDENT EMERITUS

May L. Keller, Westhampton College, University of Richmond, Va.

## GRAND COUNCIL

*Grand President*—Amy Burnham Onken, Chapin, Ill.  
*Grand Vice-President*—Ruth Barrett Smith (Mrs. Warren T.), Greenwood, Box 461, Route 1, Tacoma, Wash.  
*Grand Secretary*—Lois Snyder Finger (Mrs. Ray H.), 606 N. Elm Dr., Beverly Hills, Calif.  
*Grand Treasurer*—Lois Franklin Stoolman (Mrs. A. W.), 1001 S. 3rd St., Champaign, Ill.  
*ARROW Editor*—Adèle Taylor Alford (Mrs. T. N.), 930 Olive Ave., Coronado, Calif.

*Assistant to Grand President*—Isabel A. Clark, 196 Elm St., River Heights, Winnipeg, Man., Can.
