Convention

Convention will be held July 7-13 at the Shamrock Hotel, Houston, Texas—this is in grateful acceptance of the invitation from Kappa Province which was extended at the Jasper Convention. Full details must wait for the December issue of the ARROW—but begin now to plan to come!

Of Scholarships

For the coming year, scholarships will again be available to Pi Beta Phis who can qualify for them on the basis of need, fraternity service and loyalty, activity participation and scholastic record. These are given from three separate funds: the California Alpha Fund makes available three scholarships of \$340 each for undergraduate members. Applications for these scholarships should be sent to Mrs. W. B. Owens, 593 Alvarado Row, Stanford University by May 15. A personal letter should be written by applicants covering the four points upon which the awards are based, and must be accompanied by a letter of recommendation from the Advisory Committee of her chapter.

The Ruth Barrett Smith Scholarship is given by the Alumnae Department, and applications for this should be sent to the Grand Vice President by May 15.

The Harriet Rutherford Johnstone Scholarships are awarded by the national fraternity, and their number depends upon the amount of money available in the Scholarship Fund, augmented by contributions from active chapters. This year eight scholarships were possible from this fund. Each year it is hard for Grand Council to decide on the award of these scholarships—so many worthy girls must be refused because there is just not money enough to supply all needs. Surely here is a project which should have ever-increasing support from our members! For many girls the receipt of one of these \$300.00 gifts means the difference between leaving college and staying to graduate, and this fund should be greatly enlarged by contributions; generous contributions these should be too, for surely this work is one of our major projects, and should be greatly expanded. During the past year a gracious gift of \$1000.00 from Mary L. Sproul, Pennsylvania A, has made it possible to add \$25.00 dollars to each of the Ruth Barrett Smith scholarships.

Give all you can to the Harriet Rutherford Johnstone Scholarship Fund!

Applications for these scholarships should be sent to the Grand Secretary by May 1—the requirements are the same as for the others, and applications should be accompanied by a personal letter, and a letter from the chairman of the Advisory Board of the chapter.

Pi Beta Phi Fellowship 1952-53

For the year 1952-53 the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1952.

All material should be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

No more Loan Fund Contributions

Contributions are no longer requested for the Loan Fund—but there are funds available for loans from that fund. For information, write Miss Josephine McCleverty, 602 Melrose Avenue, Seattle 2, Washington.

Here are changes—Corresponding Secretaries please note!

The pages giving supplies and the active and alumnae calendars will hereafter be found at the back of the ARROW.

Chapter letters will appear in the December and March issues only, with a brief report of late honors only in May.

Alumnae club letters will appear once a year only, in the May issue, and should be brief reviews of the activities of clubs since the previous May issue appeared, with special emphasis on matters of general interest to other clubs.

Chapter rush captains will be listed as before in the May issue, but their names will not be used in chapter letters.

Names and addresses of Alumnae rush chairmen and State rush chairmen will be sent out in mimeographed form by Central Office to those who need them.

Alumnae personals will be omitted entirely from all but this September issue.

In Memoriams will be handled as before, and Central Office requests newspaper clippings or letters from relatives when they are sent in—this is done to avoid any possibility of error.

Report of the Grand Council Meeting, June 1951

THE annual meeting of the Grand Council of Pi Beta Phi was held in Gatlinburg, Tennessee, June 24 to July 8, 1951, with all members of the Council present. The meeting was recessed during the Province Officers' Conference and for a brief session with the Settlement School Committee.

Reports of all national officers, province officers, national committee chairmen, the Director of Central Office and the staff of the Settlement School were studied, with special attention to problems and recommendations.

The recommendations made by each Province President were studied in determining the awards and it was decided unanimously that the Balfour Cup be awarded to Colorado Beta; the Stoolman Vase, to Indiana Delta; and the Philadelphia Vase, to Iowa Gamma. The recommendations of the Province President and of the chapter concerned, for the National Amy Burnham Onken Award, were given the same careful consideration. Christine Croneis, Wisconsin Beta, won the unanimous decision. A study of the Standardization and Survey Report indicated that Massachusetts Beta had moved up fifty-one places in

Loyalty Day; this material to include a suggested program for each specified meeting. It was moved that the material for Chapter Loyalty Day be sent to the active chapters.

That a page of source references of fraternity information and a diagram of the national organizational set-up be provided for the notebook of each active chapter and alumnae club president.

That the Chairman of the Settlement School, Holt House, and Emma Harper Turner Memorial Fund Committees, and the chairmen of all other Standing Committees be asked to attach to their annual reports, on separate sheets, materials suitable for publicity purposes.

That Central Office be instructed to insert at the top of the Combination Recommendation and Consent to Bid blank the following statement: "This girl is rated—Excellent—Good—Average—."

The following decisions were made concerning THE ARROW: that Alumnae Club letters be published once a year only, in the May issue; that the May issue contain a special Chapter News column instead of chapter letters; that the lists of the State Rushing Chairmen

Official visits to Gamma Gamma at Ball State College, Muncie, Indiana, were authorized. Official visits to the Clio group, Southeastern Missouri, were authorized if the group desires continued investigation. Petitions from groups at Tempe, Arizona and Evansville College were considered and it was decided to discourage these groups. Attention was given to initial material from Phi Delta, a new petitioning group in Oklahoma City.

Preliminary plans and appointments for Convention were made and a tentative program outlined. The Convention will be in Houston, Texas, at The Shamrock, July 7-13, 1952. It was decided that a registration fee of \$20.00 would be necessary.

The Grand Vice President was authorized to appoint a committee to investigate possible ways of coordinating and of giving national recognition and significance to the outstanding service now being given locally by a large number of Pi Beta Phi alumnae clubs, and, that this committee be asked to report to the next Convention.

Chapter visit assignments for the school year 1951-52 were made, as follows:

Grand President—Oklahoma chapters and Alpha East Province

Grand Vice President—Ontario chapters and Epsilon Province, except Missouri I

Grand Secretary—Zeta Province, Ohio B, Δ, E

Grand Treasurer—Kappa Province, except the Oklahoma chapters, the West Virginia chapters, Ohio A and Z

ARROW Editor—Illinois and Pennsylvania chapters
Director of Rushing and Pledge Training—Lambda Province

Director of Extension—Delta Province, Colorado chapters, Utah A and Wyoming A

It was announced that a gift of \$1,000 has been received from Dora S. Sproul, a bequest from her sister Mary L. Sproul, Pennsylvania Alpha. This is invested in a government bond and the interest of \$25.00, to be known as the Mary L. Sproul Scholarship, is to be added to the Ruth Barrett Smith Scholarship each year.

The annual meeting of the Grand Council of Pi Beta Phi was adjourned at noon, July 8, 1951.

LUCILE DOUGLASS CARSON, *Grand Secretary*

Annual Reports of National Officers

MESSAGE OF THE GRAND PRESIDENT

To Pi Beta Phi:

IT is good, at the end of a year, to review its work and its progress and to see it as a whole rather than as the week by week part which is inevitably in the foreground while the year develops. And it is especially good, when, with the review, there comes the realization that there have been high achievements and true progress forward. Pi Beta Phi may well feel deep gratification at what the year 1950-51 meant for it both internally and in the area of inter-fraternity and college relationships. Fine effectiveness within active chapters meant both that the chapters functioned most satisfactorily and successfully and that their members, because they met so fully their responsibilities for good campus citizenship, received honors—scholastic, extracurricular, and social—truly amazing in their number and importance. Best of all, the influence of the active chapters of Pi Beta Phi was effectively used for the development of thoughtful, intelligent women whose personal standards would measure up to those upon which Pi Beta Phi was founded and because of which it lives as a fraternity without a superior. Study the reports of the Province officers and so know for yourselves just how high a place it is which the fraternity holds on its ninety-seven campuses and in its two hundred and forty-three communities. In fairness to yourself make your picture of Pi Beta Phi as a working and successful national organization a true and complete one.

Because a fraternity officer needs not only an understanding of her routine responsibilities and of provenly good ways of meeting them but also fraternity inspiration and vision, Grand Council found very special pleasure in planning the mid-interim conference of officers at Gatlinburg where the Settlement School speaks so eloquently of fraternity ideals and service. The long days of discussion seemed both instructive and constructive and were a joy in their fine fraternity fellowship. It was especially gratifying to have it possible for officers to meet and know the Settlement School Committee members, the resident staff, and the entire personnel of the summer crafts' workshop and to attend the Open House given at the end of the first three weeks of that workshop. The true value of the officers' conference can be known only when it is reflected in the internal organization of the fraternity, but one can await that evaluation with full confidence that it will show results of immeasurable importance and worth.

Grand Council is happy to announce that in accordance with the expressed wishes of the 1950 Convention, Pi Beta Phi will hold its 1952 convention at the Shamrock in Houston, Texas. The warmth of Kappa Province enthusiasm for a convention and of its known and constant hospitality insures the fraternity of a week of true Pi Phi fellowship and pleasure, July 7 to 13, 1952.

The year brought a distinct loss to Pi Beta Phi in the resignation of Marie Hagee, Director of Extension; in the death of Irene Hoggatt, Delta Province President; and in the resignations of the following Province officers: Ann Cummins, Carol Cook, Marilyn Brandom, Polly Fessey, Lucile Junge, Ruth Sears, Louise Colby, and Genevieve Munger. By Grand Council appointment the following officers are now serving: Alice Mansfield, Director of Extension; Made-

line Killinger, Delta Province President; Evelyn Plummer, Iota Province President; and Marie Divisek, Iota Province President.

Heavy personal responsibilities made it imperative for Ethel Copp, beloved Chairman of the Emma Harper Turner Committee, to resign. Her successor is Lillian McNaught. With each regrettable necessity for a new appointment, the fraternity has gained an officer of proven ability as well as fraternity devotion.

The Settlement School has had another excellent year under the able direction of its Committee and its Gatlinburg staff, to whom the deep gratitude of Pi Beta Phi is certainly due. Only someone who has actually been in Gatlinburg during the days of a committee meeting can have a real conception of the responsibility of the Committee or an adequate appreciation for the service which the Settlement School continues to give in its three fields of education, health, and handicrafts. It is gratifying to know that there is to be a change in the one thing in which there has been practically no progress during the years—the housing of staff members and teachers! It is expected that complete plans and specifications for a new staff residence will be received during the summer of 1951 and that the new residence, which will be located to the right of the old Health Center and a little back of it, as one faces the village, will be ready for full use during the 1952 handicraft workshop. The Grand President cannot refrain from a special word of delight in the handicraft workshop which, for seven years, has been given under the joint sponsorship of Pi Beta Phi and the University of Tennessee. The contribution which Pi Beta Phi, through this use of its facilities at Gatlinburg, is making to handicrafts the nation over is exceedingly outstanding. Some Pi Beta Phis may not realize that this workshop was the first in the entire Southern Highland section at which students could get both graduate and undergraduate college credit. This year's workshop attracted students from twenty-six different States—counting as from Michigan the young Chinese nationalist woman from Formosa—a group of women and men of widely different ages but of consistently high qualifications as people as well as craftsmen. The oldest students this summer were charming women aged 90 and 91 whose ability to weave aroused the envy of the officers who watched them at their looms. There is no finer crafts workshop in America than the fraternity's workshop at Gatlinburg; make your pride in it as evident as it should be.

The new county grade school building at Gatlinburg, half of the proposed complete building, was in use during much of the past school year, and would be a credit to any community. It houses four grades with the remaining four lower grades using the fraternity's grade school building. The enlarged playgrounds made available under the present lease agreement with Sevier County are proving a great blessing to the children.

Under the effective supervision of Eleanor Cooley, chairman, and Frances Trost, treasurer, Holt House had another most successful year. Pi Beta Phis who have seen in the long lounge at Holt House the handsome oil portraits of Major Holt and his wife and their infant son will learn with delight that, this spring, the portraits were presented to Holt House by

Major Holt's niece, Mrs. Bailey of Coal Valley, Illinois. The gratitude of the fraternity for this gracious gift is indeed great: the pictures truly "make" the lounge! Mrs. Carey, charming hostess for Holt House since its restoration, resigned, this past spring, in order to live near her only daughter, and Mrs. Cooley was fortunate indeed to secure as the new hostess, Mrs. Johnson, a Monmouth woman who came to Holt House with an established appreciation for it which has developed into a real love for it.

That the decision of the 1948 Convention to discontinue the scholarship ring as a national award given to the girl in each chapter whose average for the college year was highest and to make the \$900 previously spent for these rings available for the Harriet Rutherford Johnstone scholarships, with active chapters contributing as they wished to increase the amount available each year, was a wise and constructive one, is increasingly evident. This year, the national appropriation and the chapter contributions made it possible to award eight \$300 scholarships to undergraduates whose high scholastic records, outstanding contributions to their campuses and to their chapters, and fine character, made the reading of the applications a true inspiration. These scholarships with the Ruth Barrett Smith scholarship and the three California Alpha scholarships mean that Pi Beta Phi has been able to be of assistance to twelve of its undergraduates who otherwise would have found it difficult, if not impossible, to continue both their college work and their chapter service.

The knowledge that Pi Beta Phi can give some concrete assistance to its members in days of difficulty for them is indeed heartwarming. The wonderful way in which the Emma Harper Turner Fund is administered is an equally happy thing. Because the love of other Pi Phis is so constantly in the foreground, the recipients feel only joy in accepting the gifts which come to them. The Grand President cannot over-emphasize the wonderful privilege which Pi Beta Phi has in their opportunity to contribute to this fund which both helps chapters build houses and brings greatly needed and appreciated assistance to alumnae for whom the days are hard and filled with fear.

Although sponsorships with Save the Children were not included among the projects to which either chapters or alumnae clubs should give in order to make their cooperation with fraternity projects 100%, the generous spirit of Pi Beta Phis was evident again this past year in the continued help given to little children whose lives still feel the cruel hurt of war. Twenty-one active chapters and/or alumnae clubs gave full sponsorships of \$96 during 1950-51 and the smaller contributions of other fraternity groups brought the total used for sponsorships during the year to \$3,200. During the coming year, the fraternity will again make it possible for the Pi Beta Phis who wish to contribute to these foreign sponsorships, or, as has been the case in connection with the Dallas junior group, to a negro school in our own country, or to other similar projects of Save the Children, to do so through fraternity channels, thus insuring the fact that Pi Beta Phi will be given recognition for the generosity of fraternity members in this special field. The fraternity is proud to have Harriet Rauch of the Settlement School Committee now a member of the official board of Save the Children in New York City. She is directing and is responsible for a large benefit concert which is to be given this fall.

The countless Pi Beta Phis who are acutely conscious of their obligations as American citizens and are

aware of the grave danger which threatens not only the nation but the world, because of Communist infiltration and propaganda, will learn with extreme gratification that, at its meeting in Chicago in March, National Panhellenic Conference unanimously voted to affiliate with the All-American Conference to Combat Communism and so became one of the many influential organizations which are working together for the preservation of the American way of life, of true democracy. The resolution passed by the Jasper Park Convention, urging this union of forces against Communism, is now implemented into definite action! The need for every Pi Beta Phi to be well informed, to face facts clearly, and to stand firm in her opposition to un-American philosophies and activities is still exceedingly great.

Continued attacks upon fraternities, based upon the fact that they select their members—a selection from persons who, incidentally, select their fraternities!—mean that no Pi Beta Phi should be willing not to make her faith in fraternities, her belief in their democratic right to determine their own membership in a way which will insure internal harmony and progress, and her love and appreciation for her own fraternity constantly evident. Every fraternity man and woman should be familiar with the recent statement of President Ruthven of the University of Michigan. President Ruthven, in cancelling action taken by a faculty-student group which would have meant that no fraternity chapter would be recognized by the University of Michigan if its national organization set up any restrictions for membership based upon race or religion, said: "In our zeal to protect the constitutional privileges or immunities of certain citizens, we must be careful not to infringe upon or impair equally sacred rights of others." He based his veto of the faculty-student group action on what he called "long established rule of law that no individual has any inherent right to membership in any particular organization." With this, it would be well to remember a thing said by Angelo Patri, when he was asked if he did not think that fraternities should be forbidden since they sometimes meant a hurt for a person not asked to affiliate: "I, for one, have no such feeling. Throughout life we are all subject to 'election.' We fit into one group or another and we should accept that fact without grudging and seek our own places. There is always a place of belonging and in time, we find it, earn it, and hold it securely. Nobody can give that place to us, nobody can take it away but ourselves. College students are mature enough to understand that."

As NPC delegate for Pi Beta Phi, the Grand President, during the past year, served as the Committee on Education and as the contact member with the National Council of Women. In the first capacity, she edited bulletins containing information about current educational trends. She has recently been appointed as a representative for NPC on the Interfraternity Research and Advisory Council committee which is in charge of a joint meeting of all inter-fraternity groups, which will be held in Williamsburg at the time of the regular meeting of NPC, late in November.

The task of making national awards for the fraternity is always a difficult one since for each chapter or member to whom special honor can be given there are many, many others who would honor the award by receiving it. For the year 1950-51, however, Grand Council announced the following decisions, arrived at with difficulty but fully merited in every case:

Philadelphia Vase Iowa I
Stoolman Vase Indiana A

Balfour Cup	Colorado B
Nita Hill Stark Vase (Chapter History Award)	Kansas B
Vera Moss Bowl (Greatest gain in position on Standardization list)	Massachusetts B
National Amy Burnham Onken Award	Christine Croneis, Wisconsin B

The Province winners of the ABO awards are:

Alpha East—Marilyn Murphy, Vermont A.
Alpha West—Anne Burton, Ontario A.
Beta—Margaret Murphy, Ohio A.
Gamma—Winifred Harriss, North Carolina A.
Delta—Jan Polson, Indiana B.
Epsilon—Georgia Dunbar, Missouri B.
Zeta—Jo Ann Terry, Georgia A.
Eta—Christine Croneis, Wisconsin B.
Theta—Janet Sutherland, Iowa F.
Iota—Jane Newton, Colorado B.
Kappa—June Poteet, Texas B.
Lambda—Shirley Willis, Washington A.
Mu—Kathleen McNabb, Arizona A.

During the immediately past fraternity year, the Grand President visited Alabama B, Louisiana B, Kansas A, Kansas B, and Missouri F, officially, and installed West Virginia B at Davis and Elkins College. She had the pleasure of being speaker at the Columbus, Ohio, City Panhellenic party honoring high scholar-

ship for chapters and individual fraternity women at Ohio State University; of being guest speaker at the College Panhellenic workshop at the University of South Carolina; of attending the Greek Week at Indiana University and participating in discussions and serving on an officers' panel; of assisting with discussions and being the guest speaker at the Greek Week at Southern Methodist University; of sharing the inspiration and pleasure of the Florida State Day; of having a part in the delightful Michigan State Day at East Lansing and being the special guest of Michigan F and its hospitable and gracious alumnae; and of attending the dedication ceremonies for the beautiful new Indiana E house. In each instance, her contacts with the active chapters and the alumnae groups were a true fraternity delight and her appreciation for their gracious hospitality is indeed great.

With constant gratitude for her privilege of working with Pi Beta Phis and for Pi Beta Phi, the Grand President pledges her best efforts towards keeping Pi Beta Phi a fraternity conscious of its high goals and steadfast in its efforts to reach them.

Respectfully submitted,

AMY BURNHAM ONKEN,
Grand President, Pi Beta Phi

MESSAGE OF THE GRAND VICE-PRESIDENT

To the Alumnae of Pi Beta Phi:

AS ONE year ended, and another began at our Jasper Park Convention word reached us of the conflict in Korea. The days which followed, and which have made up the current year, have been fraught with the uncertainties, both human and economic, and the heartaches which such situations provoke. In the light of these circumstances it can be said that the Alumnae Department has had a successful year.

Countless numbers of club presidents reported the particular success of their club to be friendship. Friendship expressed in varying terms—esprit de corps, fellowship, a growing sense of unity, or as one president wrote "It seems to me that our success is chiefly the wonderful feeling we have among our members," or as another one put it "Our devotion to Pi Beta Phi and our determination to have and to hold an alumnae club not only for ourselves but for our future Pi Beta Phis." Summed up these are a heartwarming expression of that ideal of friendship which binds us one to another, and makes our associations through our alumnae clubs something to be treasured always.

In a great many clubs there was a reaching out and drawing into the group of a larger number of resident members. Of the 208 clubs reporting by June 1, 1951, ninety-two showed an increase in membership, and sixteen had the same number as last year. But the clubs showing a decrease had a greater loss than the gains could compensate for with the result that there were over 500 less members paying dues than last year.

With the number of clubs holding their own, or better, one cannot feel that the slight increase in the amount of national alumnae dues is responsible for this falling off in membership but should attribute it rather to the exigencies of the times—people moving about, more women seeking employment, and the demands of other war time activities. However, it is well to give serious consideration to the general subject of membership. More active efforts to interest more members should be planned. In our letter to presidents in the spring it was suggested that a summer round-up which would include a membership cam-

paign might be a step in that direction. Several presidents wrote they intended something of the sort. Others write of plans for fall membership letters and an active membership committee to function all year, not just in the fall.

It was rather disappointing that more alumnae living where no club exists did not pay their dues in response to the appeals and blank for that purpose carried in the ARROW. But a beginning has been made and we look for a growing number of "isolated" paid members in the future. As a part of the new Province Vice-Presidents' Membership Award program several chapters sent out special appeals to their alumnae to pay their dues. Of those reported to this office letters went out from West Virginia A, Missouri A, Wisconsin B, Iowa F, and Arizona A. Special thanks is due them for their cooperation, and for their follow up of our letter to each chapter vice-president suggesting some such plan.

It is a pleasure to announce as the winner of the award California E with 55% of their initiated alumnae paying national alumnae dues. Second place goes to Ohio E with 51%, and third place goes to Alabama B with 40%. Chapters with 25% or more of paid alumnae members are Michigan F, Ohio B, Oklahoma A, Oregon B, California Z, Florida B, Illinois O, Indiana A, Indiana E, Kansas B, and Virginia F. Of the inactive chapters Honorable Mention goes to Pennsylvania A. It was of interest to find that five chapters had members submitting their dues in every province of the fraternity. They were Illinois E, Indiana B, Iowa Z, Missouri A, and Virginia F.

Five provinces—Alpha West, Beta, Gamma, Delta and Epsilon—showed a gain in membership. To San Francisco goes the honor of the greatest increase with 36 more members than last year. Seventeen clubs have one hundred or more members. Last year there were nineteen clubs with 100% membership. Three of those clubs are now inactive. This year there are seventeen such clubs—many of them new to the 100% group. Several other clubs missed this category by only one or two members. The hundred percenters are: Harrisburg-Carlisle, Pennsylvania; Memphis, Ten-

nessee; Lakeland, Florida; Pensacola, Florida; Avon, Illinois; Hutchinson, Kansas; Northeastern Wyoming; Bartlesville, Oklahoma; Lake Charles, Louisiana; McAlester, Oklahoma; Muskogee, Oklahoma; Osceola, Arkansas; Pauls Valley, Oklahoma; Wenatchee, Washington; and Solano County, California.

A footnote for the future is that 1,048 seniors graduated this year and paid their senior dues. We welcome them into the wider and more completely national experience of alumnae membership, and shall count on their contributing their vigor, enthusiasm, and new ideas for the work of the coming year.

It is with considerable pride that we welcome into the fraternity the eight new clubs chartered during the year. They are Long Island-North Shore, New York; Clarksburg, West Virginia; Elkins, West Virginia; South Bend-Mishawaka, Indiana; Arlington Heights, Illinois; Northeastern Wyoming; Coos County, Oregon; and Las Vegas, Nevada. If their first year as a chartered club is a criterion of their future strength and success, each bids fair to be a club of which we may all be proud.

Reluctantly returned charters have been accepted from the Oxford, Ohio, and Shelbyville, Indiana, Alumnae Clubs. We shall miss having them as functioning clubs and shall hope that with the coming year more Pi Phis will move into these communities so that they may again be active. Thus we end the year with 246 chartered alumnae clubs.

More clubs—160—sent in year books and program schedules for the year. These together with the program reports submitted by the various chairmen gave assurance of an interesting as well as an informative year. These fine programs and the fine spirit within the clubs are no doubt responsible for the increased attendance reported in so many instances. This is borne out by the remarks of one Chairman when she wrote "At this point I'd like to say that we like one another so much and have such good times together that all of us actually look forward to our monthly meetings—thus making a Program Chairman's job an easy task." These are the things of the spirit—the intangibles.

On the other hand the tangible aspects of the year's work are spread before us in the record of our accomplishments. The first of these are our work for our fraternity projects. It was once said that the Settlement School was the outward and visible symbol of an inward and spiritual grace. After seeing the play in Cherokee, North Carolina, "Unto These Hills" in which the story is told of the Cherokee Indian Nation and their being pushed out of their homeland, a comparison comes to mind in that just over the Gap and into Tennessee others came into this same region of the Great Smokies and helped another community to find a strengthened way of life, and to build on what they had already begun. Pi Beta Phi has helped to bring changes to Gatlinburg. If there were not changes we would have failed in our mission. Much of the change is but skin deep, and part of our responsibility is to help meet the changes of the times as they come to these people along the Little Pigeon.

Contributions to the School from Alumnae Clubs were slightly higher than last year, while contributions from chapters were under last year—thus showing a total decrease of about six dollars. Fifty-four clubs increased their donation while one hundred and twenty-four gave a similar amount, and twenty-nine gave less. Those clubs contributing \$200.00 or more, of which there are eight are: St. Louis, Missouri, \$1,000.00; Philadelphia, Pennsylvania, \$500.00; Cleveland-East, \$345.00; Kansas City, Missouri, \$300.00; Milwaukee, Wisconsin, \$250.00; Wichita Falls, Texas, \$236.00;

Indianapolis, Indiana, \$210.00; and Denver, Colorado, \$200.00. On a per capita basis 47 clubs only gave \$1.00 or more with Wichita Falls, Texas, taking the spotlight with their gift which represents \$11.80 per member. There are far too many clubs which fall into the ten cents per member, or less, group, which neither represents our real ability to support the School, nor reflects our pride in sponsoring such an outstanding philanthropic project.

An increased number of Arrow Craft sales have again focused public attention on Pi Beta Phi and its Settlement School. Seventeen clubs handled Arrow Craft products which had not done so the year before. One unique situation came about when the South-eastern Indiana Club took a booth at the County Fair and sold \$650.00 worth of merchandise. Marin County, California, has long held their sale at the time of the Marin County Grape Festival. Thirty-one clubs report sending their entire profit from these sales as their contribution to the School, and, of course, a great many clubs send more than they make in sales profit. A word of caution should be said about such sales and about all types of benefits, for that matter. If the words "Settlement School Benefit" or some similar grouping of these words are used, then clubs should be very sure the profits are used to benefit the School. Nineteen clubs reported a gross profit of over \$1,000.00. They are as follows: Northern New Jersey; Cleveland East, Ohio; Philadelphia, Pennsylvania; Pittsburgh, Pennsylvania; Washington, D.C.; Kansas City, Missouri; St. Louis, Missouri; Champaign-Urbana, Illinois; Madison, Wisconsin; Milwaukee, Wisconsin; North Shore Senior, Illinois; Tri-City (Davenport, Moline, and Rock Island); Denver, Colorado; Houston, Texas; Oklahoma City, Oklahoma; Portland, Oregon; Albuquerque, New Mexico; Fresno, California; and Los Angeles, California. Of these Champaign-Urbana sold the largest amount of Arrow Craft as they have for several years. Their gross sale amounted to \$2,750.00.

Commissions earned for the Settlement School through the Magazine Agency increased slightly while the bonuses received from publishing houses decreased. Therefore the check sent to the Settlement School for magazine business is \$172.84 less than last year. Eighty-nine chapters and two hundred and thirteen alumnae clubs combined to make that check amount to \$8,770.57.

The beautiful colored film of Holt House has been much traveled this year with the result that the birth-place of the fraternity has become much more of a reality for those seeing it. This increased knowledge of Holt House and its place in the Monmouth community has resulted in increased donations from forty clubs. Pittsburgh, Pennsylvania, and Kansas City, Missouri, again each gave \$50.00 while Oak Park-River Forest and the North Shore Junior club each gave \$25.00.

The third project of the fraternity for which 100% recognition of clubs is given is the Emma Harper Turner Fund. This fund is now five years old, and with each year interest in it and contributions to it have increased. This year alone seventy-four clubs increased the donations, while one hundred and twenty-three gave the same amount as last year. A few of these increases include checks refunded from contributions to the Home campaign. A considerable number of individual checks from the same source have added to the total income of the fund. A most generous gift of \$100.00 came to the Fund from Mr. Wilford Hoggatt in memory of his wife, Irene Hay Hoggatt, Indiana B, who passed away during the year. She was,

at the time of her death, Delta Province President, but previously had served as a member of the Emma Harper Turner Committee. Leading contributors were St. Louis, Missouri, \$300.00; Kansas City, Missouri; Oak Park-River Forest, Illinois; and Wichita, Kansas; each \$100.00; Pittsburgh, Pennsylvania; Lawrence, Kansas; Salem, Oregon; Berkeley, and Palo Alto, \$50.00 each; Toledo, Ohio, \$45.00; Grand Rapids, Michigan; San Francisco, and San Mateo, California, \$30.00 and seventeen additional clubs giving \$25.00 each.

One cannot speak of these contributions without speaking also of the benefits derived from them. Chapters have been able to secure loans from the principal to help finance chapter house buildings, while the interest is used for gifts to members who need that extra something to make life more cheerful. The thought of being remembered is often more to be valued than the remembrance itself.

Epsilon, Zeta, and Theta Provinces were 100% in their contributions to our three projects while two hundred and twenty-eight clubs were 100% as follows:

Province	100% club	Total clubs in province
Alpha East	7	8
Alpha West	11	13
Beta	20	22
Gamma	9	10
Delta	19	20
Epsilon	12	12
Zeta	16	16
Eta	21	25
Theta	16	16
Iota	20	21
Kappa	31	34
Lambda	20	22
Mu	26	29
Total	228	248

Two of the clubs sent contributions to the Harriet Rutherford Johnstone Scholarship Fund—a gesture greatly to be commended. Their gifts along with those of the chapters and the amount constitutionally allocated from fraternity funds for this purpose made it possible to award eight scholarships for the coming year.

A few clubs celebrated their 25th anniversary as a chartered club. Oak Park-River Forest, Illinois, in recognition of this milestone increased their donations to each of the three projects.

Many clubs not only have contributed locally to such funds as Community Chest, Red Cross, and other similar type organizations, but are gaining prestige for themselves and Pi Beta Phi through the work which they do for other local agencies. Two examples serve to illustrate. In Houston forty Pi Phis alone handled the clerical and telephone work for the Christmas Clearing House. More unfortunate families were reached than ever before due to their work which included setting up a new filing system. A letter of appreciation to the club concluded by saying "We have never worked with a more intelligent, capable, and loyal group. It was truly a Pi Beta Phi project." The Detroit Club has been working in the pre-school nursery at the International Institute. Of seventy-five volunteers, forty-five are Pi Phis. They have made an excellent record in their service and as a result one of the members has been asked to take over the reorganization of the entire volunteer program. And so the story goes of fine worth-while work

and we take pride in all of these accomplishments and the recognition which they bring.

Our work with the Save The Children Federation has continued although the total assistance given is somewhat less. Sixty clubs in all sent contributions and some sent packages and letters in addition. Berkeley, Champaign-Urbana and Oak Park-River Forest each sponsored a child, while Dallas Junior group supports an entire school in the southwest through SCF.

Of perhaps the greatest satisfaction is our association with our active chapters. In round numbers clubs have given over \$10,000.00 in actual money sent to or spent for chapters. There are almost five hundred women serving on Alumnae Advisory Committees, another large group serves on the sixty-four House Corporation Boards. And then there are those who serve on the Rushing Recommendations Committee of every club, and the fifty-two alumnae who are State or Provincial Rush Chairmen. This does not take into account the many more who lend their assistance and advice in innumerable other ways. Each year these associations become more fruitful, and relations between chapters and clubs are on a foundation beneficial and enjoyable to both. It seems something of a record that of the seventy-six girls recommended to various chapters by the Northern New Jersey Club (a club without a local chapter) twenty-five were pledged to Pi Beta Phi.

The Ruth Barrett Smith Scholarship is being awarded for the fourth time and for the coming year will be held by Harriet Bell, Missouri A. The Alumnae Department is happy indeed to be able to have this small part in the furtherance of education.

A new venture for clubs this year in the field of ways and means was our affiliation with Helena Rubinstein in the sale of beauty products on a commission basis. Madame Rubinstein offered prizes this year to the group and the individual selling the greatest amount. Buffalo, New York, won the group prize and a member of the Los Angeles Club the individual prize. This association with the Rubinstein company will continue for the next year and it is hoped greater returns for our clubs and chapters will result.

Much as one enjoys the news from clubs and chapters the personal contact is a better spokesman for the fraternity. So one looks forward to the privilege of meeting Pi Phis, and the opportunity for gaining first hand knowledge. This year we were pleased to have a part in the installation of our new chapter West Virginia B, and in the organization of the Elkins, West Virginia Alumnae Club. It was a "first" for this officer to be able to present their club charter in person. During the year we visited New York A, Gamma, and Delta, and attended initiations at D.C. A and Maryland B. We also visited the Syracuse Alumnae Club and enjoyed contacts with the alumnae in Canton and Ithaca. We celebrated Founders' Day with the Baltimore Alumnae Club in addition to our own club. We attended an informal meeting of members from several clubs held in Toledo, Ohio. It was a special privilege to attend a called meeting of National Panhellenic Conference, and a meeting of the National Association of Deans of Women held in Chicago. The year was culminated by visiting Indiana E upon the occasion of its tenth anniversary, and the dedication of its new house. Finally we will travel to Gatlinburg to attend the annual meeting of the Grand Council. Part of the time there will be devoted to a three day workshop with all province officers and to a joint meeting with the Settlement School Committee.

It was with real regret that Council accepted for

the fraternity the resignation of Marie Bacon Hagee, Director of Extension. This was done with a deep sense of loss in that this officer works with that Director for the Alumnae Department and five years of close association had brought recognition of her great ability and her abiding loyalty to Pi Beta Phi. We were pleased to welcome as her successor Alice Weber Mansfield, former Epsilon Province Vice-President. Her brief time on Council has already shown her to be a most constructive and valuable officer. Ruth Williams Hansen accepted appointment as Mrs. Mansfield's successor as Epsilon Province Vice-President. Also regretfully the resignation of Genevieve Conner Munger, Iota Province Vice-President, was accepted and Marie Quillin Divisek became her successor.

As we write this to this year we are conscious of the fact that the results emanate from the close cooperation of all club officers, the Province Vice-Presi-

dents, and the other officers and committee chairmen of the fraternity. The inspiration for this fine spirit of teamwork comes from a belief in the objects of Pi Beta Phi; from pride in the position which the fraternity has earned over the years in the society of Panhellenic organizations; and from faith in the value of that quality which we believe has contributed so much to our success—friendship.

Dr. Avery, Vice-President of Colgate University said in addressing the National Association of Deans of Women this year "The frame for the picture of the future is of undetermined and changing size." While the canvas for the picture of our future may indeed be of "undetermined and changing size" we are confident that the same spirit of determination and cooperation which has always been a part of Pi Beta Phi will make our frame more than adequate for the needs of the future.

MARIANNE REID WILD

GRAND SECRETARY

A YEAR passes very quickly in retrospect. Its duties and accomplishments may seem at the time to be very slow-moving and exacting but when the hour comes to write the account we find the record, placed in our hands, one of thrilling accomplishment. The reports coming in show a great fraternity moving steadily forward in accomplishment and prestige.

In compiling the record of the Jasper Convention in the summer of 1950 the secretary first prepared a list of all motions, other than routine, for distribution to the delegates. She found that the Active Session had completed twenty-three specific items of business. The complete minutes of Convention and of the annual and post-convention meetings of the Grand Council were prepared for filing and for the ARROW.

The Alumnae Advisory Committee is an important link in the security program of the fraternity and it is very important that the members of that committee be very devoted and patient. One of the most rewarding studies of this year was in the reviewing of the mid-winter questionnaires and of the annual reports of these committees, coming from ninety-seven separate identities. And one of the happiest conclusions drawn from that study is the fact that throughout the fraternity the chapter-committee relations are not just satisfactory but so completely so that the chairmen have taken the trouble to comment. The two most cited needs for future attention are a closer watch upon scholarship planning and increased emphasis upon knowing the girls in the chapter. In some cases this means not forgetting the request that one member of the committee be present at at least one active chapter meeting each month. Revision of the Advisory Committee Manual was a part of this year's work and we covet the support of informed committees.

Four chapters were under the supervision of the Grand Secretary through correspondence this year, as the newest chapters in the fraternity. Two of these, Alabama B and California E, have completed the two-year period of special supervision; California Z has one more semester; and West Virginia B, installed last September, has another full year. Only two other chapters in the fraternity were under the special supervision of the Grand Secretary and these for only a short period. It is a satisfaction to know that our youngest chapters can hold their own in competition. California E and Z are in first place in scholarship and Alabama B and West Virginia B have held second place. Good rushing, definite recognition in

campus activities, and deep interest in the fraternity are the happy results of our faith in these four petitioning groups now installed.

This officer has worked closely with the National Chairman of Scholarship this year and constant attention is being given to this important responsibility of the fraternity and its members. Miss Johnstone has worked tirelessly to place in the hands of chapter chairmen, Advisory chairmen, and province supervisors all of the information and advice available. The record of the fraternity is good but is not as truly representative of the excellence which is Pi Phi as it should be. Our study seems to indicate that cooperation in consultation all along the line is not as complete as it should be. We bespeak for the National Chairman regular correspondence with her on the part of every province supervisor; faithful reporting by chapter scholarship chairmen to their respective province supervisors; and, definite and alert consultation in planning by chapter presidents, scholarship chairmen, province supervisors, and province presidents.

Applications for the Harriet Rutherford Johnstone scholarships are due May 1. These scholarships were created by action of the French Lick Convention. Three are guaranteed by the fraternity, using the funds formerly used for the scholarship rings, and the number which can be awarded within a given year depends upon the generosity of the chapters in their gifts to the fund. Eleven girls have received three hundred dollars each during the past two years through this new fund. We feel that a greater number of chapters should be alert to these scholarships both in the matter of augmenting the fund and in bringing before their members this available assistance within their fraternity.

Chapter visits this year took the Grand Secretary to the Iowa chapters, South Dakota A and Nebraska B. Her visits with them remain a happy memory. She shared an alumnae meeting on a very cold, slippery night in Mt. Pleasant, Iowa, where she felt the familiar warmth of Pi Phi friendship. Playing bridge with the Des Moines Pi Phis between trains was an unexpected relaxation in the midst of a busy travel schedule. Meeting the alumnae at Ames and Lincoln was another special privilege as we enjoyed the beautiful hospitality of their chapters. West Virginia B's installation was a highlight of the past year, including the attending of the organizational meeting of their alumnae club. Another happy experience was a

sharing of convention memories with the South Hills Pittsburgh Club.

One could wish for inspired ability to carry gratitude across the miles to the many who have cooperated so loyally with the secretary in letters and reports; to the fraternity officers and chairmen who have worked closely with her so that the things we envision could be accomplished; and to all of those who have made

some dreams come true by hard, quiet, day-by-day faithfulness. Work of this kind continues to prove that the power of the fraternity lies in all of those who continue faithfully in good personal performance, "whate'er befall" in the world outside.

To be just a small part of this work is a privilege.

LUCILE DOUGLASS CARSON,
Grand Secretary

ARROW EDITOR

THE constant struggle to keep down the deficit in the cost of publication of the ARROW has again made the year 1950-1951 a difficult one. The cost of paper is increasing, with two steps upward during the past year; the usual increases in the number of subscribers due to initiations has taken place; there has been an increase in the number of alumnae letters sent in; and the new chapter letter editor has for the last two issues had a perfect record of a letter from each chapter in each issue. Our aim has been to keep within a limit of eighty-eight pages, but with the present system of publication of chapter and alumnae letters, alumnae personals, In Memoriams, and directory pages taking from 65 to 78 pages in each issue, entirely too little space has been left for feature material, pictures of honor girls, both scholastic and social, and matters of special interest.

The result has been a magazine of so little general interest that a loss of reader interest is sure to follow. We are, the Editor believes, giving to the Fraternity too much statistical and listing material which is never read by the average member—this in addition to the Information issue of September which the Editor suspects, may be read by only a minority of our subscribers! To correct this condition, if the ARROW must remain at its present size, the Editor has worked out some drastic changes, and during her recent visit to Menasha has obtained figures on possible savings which may in her opinion result in a more readable magazine at a somewhat lower cost—the amount of the latter point is doubtful, since the new contract for publication shows an increase of about 9% in printing costs, irrespective of paper increases.

To keep within limits in the case of an organization as large as Pi Beta Phi is difficult indeed, and has involved cutting the always popular personalities, using only pictures of Phi Beta Kappa and Mortar Board members, and using none of the Beauty Queens, members of *Who's Who*, editors and so forth which mean so much to the chapters. In spite of these omissions, there were eight pages of Mortar Boards alone in the May issue—and there were nine pages of rush chairmen, active and alumnae. The action taken by Grand Council on the Editor's suggestions for changes will be announced in editorials in this issue.

In the Spring, the long illness with recurrent flu of the Editor did not interfere with issuance of the magazine—but it did prevent her making her scheduled visits to the Illinois chapters—these are promised for the Fall. It also made impossible the usual contact personally with the National Historian, Mrs. Simmons' work will be covered elsewhere in her own report. The Editor had the privilege of being the guest of the Southern California Area Council for Founders' Day in Los Angeles, and at that time saw the Directory of Publicity, and continued a discussion held before on a new plan for the handling of publicity.

Again this year, the supervision of California E has been a joy—although for weeks in the Spring due to illness it had to be carried on by a sort of remote

control through the very capable advisory board, especially through daily phone conferences with the chairman, Ellen Jefferson. It is hard to realize that just two years ago the chapter had not even been accepted—now they are definitely leaders on the campus, with first place in scholarship for the entire past year, and with many fine honors which will appear in the report of the province president, and with nineteen out of 21 pledges initiated. Best of all, there has been a fine spirit of cooperation and affectionate good will toward their advisors. A House Corporation has been organized and is ready for any necessary action. Perhaps the Editor may be forgiven for saying that she is proud of this chapter, more personally her own than any other chapter has ever been!

The report on the progress of the Directory will be given in detail in the Central Office report—it suffices to say here that work has gone ahead steadily, with pages complete far down the alphabet. The Directory was fully discussed with the publishers on the Editor's way East to Grand Council meeting, in Chicago with Mr. Dean, and in Menasha with Mr. Bachmann. The actual printing must wait for the completion of the last material, but the plates are being made as the work progresses. The book will be most attractive, the type clear and legible, the format excellent. It will of course be a large volume; a new cover design is being made up, with wine printing on a blue background.

For the regular issues of next year, much the same conditions prevail as those of the last year. The set-up of government regulation on paper use has not yet been announced; we do know that we can only order paper for each issue as required and this may be limited in amount. Prices, too, are fluctuating so that they are only given to the publishers when the paper for the issues is delivered; and no stockpiling of paper is permitted. The paper situation, in short, is dubious, to say the least, and we can only await developments.

The proposed increase in the cost of second class mailing (the amount is as yet unknown) will raise the costs of mailing the ARROW by several hundred dollars a year.

The financial statement of the year appears in the report of the Grand Treasurer in this issue.

In spite of all difficulties, the work of the ARROW Editor has been a privilege, rendered happier by the many letters and verbal expressions of pleasure in receiving the magazine which have come to her. Gratitude is due as always to the Staff of the ARROW, whose work is these days often crowded out, to the staff of the Banta Publishing Company, especially to Mr. Bachmann; and to Grand Council for their never failing support and sharing of information.

Lack of a secretary has made it impossible to reply to all the letters which have been received—but they have been heart-warming and deeply appreciated.

Respectfully submitted,
ADELE TAYLOR ALFORD

REPORT OF THE GRAND TREASURER

THE GRAND TREASURER, to the best of her ability has tried to fulfill the regular duties connected with her office. The business of Central Office has been checked each month with an audit of income and disbursements, the Holt House Treasurer's books were audited, and the members of the Board of Trustee Funds kept informed of Endowment Funds and asked for votes on investments of money and the granting of new mortgages. Insurance has been paid on officers; and the chapter treasurers, the house corporation treasurers, and officers handling money have been bonded. Correspondence as a member of Grand Council has been carried on and letters written to chapter treasurers, to parents of actives and pledges about fraternity finances and other material relating to finance.

In April and early May the eight chapters of Mu Province were visited and the Grand Treasurer was honored to speak at the impressive Founder's Day gatherings of the Fresno Alumnae Club, the Los Angeles Area Clubs and the San Diego Alumnae Club. Also, she was present at a lovely tea and meeting given for alumnae in El Paso, a beautiful luncheon and meeting with the San Francisco Bay Area Council in San Mateo, a regular meeting of the Sacramento Alumnae Club, and a meeting of representatives of the Los Angeles Area Council in Los Angeles. Besides, alumnae of Reno, Berkeley, San Francisco, Santa Barbara, Glendale, Los Angeles, San Diego, Tucson, El Paso, and Albuquerque entertained delightfully and helped to make a long trip a very happy one.

The year has been a busy one with many, many pleasant contacts. More than the customary correspondence has been carried on in regard to chapter house

loans, and because of government restrictions more difficulties than usual have had to be surmounted. The records for the year have been reviewed by Ernst and Ernst, Certified Public Accountants, and the contents of their Report of Examination and Supplementary Data is reproduced on following pages.

Respectfully submitted,

*Grand Council
Pi Beta Phi Fraternity
Office of Grand Treasurer
Denver, Colorado*

WE HAVE examined the balance sheet of the Grand Treasurer of Pi Beta Phi Fraternity as of July 31, 1951, and the statements of fund transactions for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and the related statements of fund transactions present fairly the position of the Grand Treasurer of Pi Beta Phi Fraternity at July 31, 1951, and the changes in fund balances during the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

DIRECTOR OF RUSHING AND PLEDGE TRAINING

THIS office has official contacts with the chapter rush captains, pledge supervisors, presidents, convention delegates, and State Rushing Chairmen. Much individual correspondence has been carried on during the year, and in addition, form letters were sent out to the above mentioned officers at various intervals.

Perhaps the duty which requires the most time, patience, and extra correspondence, is the receiving, checking, and filing of the recommendations and consents to bid. Since 2,162 girls were pledged this year, this officer spent some few hours reading and checking. Much of the extra correspondence could have been avoided had all the rush captains read their manuals carefully, as well as the instructions which were sent to them before the start of the fall semester. Many errors were made, but we must acknowledge with appreciation, the promptness with which the rush captains corrected those errors, when they were called to their attention.

The State Rushing Chairmen have played an important part in the success of chapter rushing. Of the total number of girls pledged this year, eighty-four were pledged on the basis of information sent by the State Chairmen. They filled many requests for information and spent much time and effort in making contacts with Pi Phi alumnae and with non-Pi Phis, in order to secure complete data on rushees. The fraternity is grateful to these chairmen for their interest and their devoted service.

The office of pledge supervisor offers a distinct challenge in the responsibility for guiding the future members of the chapter in the development of leadership, character, personality, and in the acquiring of fraternity knowledge. Letters from these officers this year have shown evidence of well planned programs, and the 1,992 girls initiated into the fraternity for the year 1950-51, will add to the strength of their respective chapters. The response to the request that a letter be sent this officer by October 30, was not as good as we had hoped, since only sixty-nine of the ninety-seven

chapter pledge supervisors replied.

The health certificates which are required for all employees who handle food in the chapter houses, were sent to this office to be filed. Sixty-eight of the chapters send in these certificates, some with the notation that there were no such employees.

The response to the chapter presidents' questionnaire was very good for eighty-eight were returned and were on time.

In August, a letter was sent to chapter delegates giving instructions for the compiling of their convention reports. A questionnaire was enclosed, to be filled in and returned by September 30. Fourteen delegates failed to reply at any time, while sixty-seven returned theirs on or before the due date. The remaining reports were late.

It was a great pleasure to make visits in November, to Manitoba A, North Dakota A, Minnesota A, Wisconsin A, B and F. In October we attended the 25th anniversary celebration of Kentucky A and returned to visit again with that chapter in April. For the warm and friendly hospitality of the actives and alumnae, this officer is deeply grateful.

At the request of the Director of Extension, a visit was made in February to Ball State Teachers College, Muncie, Indiana. Gamma Gamma, a local group on this campus has expressed interest in Pi Beta Phi. We were pleased to have the opportunity to meet with the Muncie Alumnae Club at that time.

Early in June we were able to share in the celebration which marked the dedication of the new Indiana E chapter house. This occasion was a very happy one for all who attended, as well as for the members of the chapter, who had looked forward to the day as the realization of their dreams.

It is with deep gratitude for the privilege of serving the fraternity, that we end the year's work. We wish to thank the other members of Grand Council for their patience and their helpful advice at all times.

HELEN ANDERSON LEWIS

Do You Know

That Pi Beta Phi has 97 chapters?

That Pi Beta Phi has 246 alumnae clubs, all active?

That 12 scholarships for undergraduate study were given to members this year, plus one Fellowship for graduate study?

That the Directory which will appear this year will contain the names of some 54,000 Pi Phis?

That 95 Pi Phis made Phi Beta Kappa and Phi Kappa Phi this year?

That fifty chapters were in the upper third among chapters on their campuses, and of these twelve held first place?

That in the last five years there have been 63 changes in province officers, and seven changes on Grand Council?

That the Fraternity has available for chapter house loans (most of it now out on loans) \$280,000, and that this fund is increasing at the rate of about \$35,000 a year?

That 1,992 pledges were initiated in the past year?

That the ARROW for May 1951 went to 46,382 subscribers?

That far too many names are listed as "lost" on the ARROW mailing list? Help us find them!

That all these facts, and many, many more are to be found in a careful reading of this, the Information issue of the ARROW?

DIRECTOR OF EXTENSION

DUE to family responsibilities this officer had to resign in March as Director of Extension. It was done most regretfully because she enjoyed tremendously both the work and the contacts with the rest of Grand Council. However, her successor, Alice Weber Mansfield, Epsilon Province Vice-President, brings to the position a fine ability and qualifications which should contribute greatly to the effective work of Grand Council.

The year began with the pre-convention workshop for province officers where the Director of Extension presided over the meetings of the Province Vice-Presidents. At the Alumnae Sessions of the Jasper Park Convention she performed the duties of Secretary, and chairman of the Committee on Credentials.

In October visits were made to Gamma Province where the members of South Carolina A, North Carolina A and B, Virginia A and F, Maryland B, and D.C. A planned most delightfully for their official visitor. While in Norfolk with the Gamma Province President, Betty Luhring, she had the pleasure of attending the Settlement School sale held by the alumnae club and afterward lunching with some of its members.

The matter of delinquents has been more competently dealt with this past year than ever before, since all chapters were checked. After the March, 1950, report was received from chapter treasurers, letters were written to the forty-seven failing to report. Answers were received from thirty-three during the summer. In regard to the chapters reporting delinquents, thirteen treasurers were further contacted and nine replied. The list of girls remaining on Automatic Probation and reported for Automatic Dismissal has been compiled from those reports.

Due to the Korean situation the matter of extension has been rather a confused one this year. The possible effect of the draft on the enrollment and hous-

ing at colleges and universities, and the more stringent restrictions on building made questionable any extension. As directed by the Jasper Convention, the Director of Extension arranged for visits to the three campuses approved by it and personally made visits to two of them, the University of Kentucky and Southeast Missouri State. The Director of Rushing and Pledge Training, Helen Lewis, made the visit to Ball State. In addition, a blank for preliminary information was sent to Arizona State College at Tempe. Correspondence was carried on in regard to the University of Florida, Fresno State College, Indiana State College, Tulsa University, and McGill University.

In January a letter was sent out to the presidents of Mothers' Clubs from a list of names compiled from those reported by chapter presidents.

It was a delight and privilege to be able to accept the invitations of the Louisville Alumnae Club, and that of the chapter and alumnae club at Columbia, Missouri, for their Founders' Day celebrations.

Three programs have been prepared for chapter Phi Phi Nights and suggested for the use of chapters. The first "Why Pi Phi?" was in the nature of a symposium on rushing, the second concerned a Christmas party, and the last was the program on Americanism.

The five years of serving as Director of Extension has been filled with interesting experiences, delightful contacts—and WORK! Fraternities are realizing the importance of their place on today's campuses, and their officers are striving hard to give them the direction and help necessary to make that place one of dignity and honor. Nevertheless, this officer would return to 1946 and repeat her work and effort! She is grateful to the fraternity for the opportunity given her.

Respectfully submitted,

MARIE B. HAGEE

COUNSELOR FOR CHAPTER HOUSE CORPORATIONS

CERTAIN duties of the Counselor for Chapter House Corporations must be fulfilled each year. In the fall a letter goes out to each corporation treasurer telling her of any new Fraternity or Federal rulings and offering help on any problems. Again in January a letter is sent to each treasurer accompanied this time by blanks for the annual financial report which the treasurers must send the province president concerned and to the Counselor. With this report the annual fee of \$5 must be sent to the Counselor for the \$2,000 bond of each treasurer. As these reports are received, records are made of the financial condition of each corporation, the insurance carried is checked, and the receipts versus expenditures carefully gone over. A letter is then written to the treasurer commenting on the condition of her corporation.

If new federal rules in regard to insurance or building or loans come up during the year another letter must go to all treasurers. This occurred during the spring of 1951 when government restrictions on loans and new building construction went into effect. All treasurers were notified and some plans for large construction projects had to be curtailed.

There are now 60 corporations owning chapter houses or lodges and four other corporations which have been formed for the purpose of holding funds being accumulated for the purpose of building a chapter house at some future time. The Fraternity urges the

formation of corporations for this purpose as often changes in college regulations make the ownership of a chapter house possible and a fund for building or purchase of a house is almost a necessity. The Counselor is always ready to assist with the formation of a new corporation and has information available for any group interested. This past year corporations have been formed by Florida A, California E and California Z. Correspondence is being carried on with other groups.

It is always interesting to watch mortgages gradually being amortized and it is gratifying to add to the list that is kept of chapter houses that are free from debt. Since last reported, six houses, those of Kentucky A, Colorado B, Indiana A, Wisconsin B, South Dakota A, and Tennessee B have been added to this list which now stands at 23. Oklahoma B has been removed from this list as, during the past year, a very large and beautiful addition has been added to the house. The savings fund built up after the mortgage was amortized helped greatly in financing the addition, making the new indebtedness such that the corporation can easily make annual payments on interest and principal. Another house taken from the list is Colorado A. This corporation purchased an annex during the past year, thus adding a moderate indebtedness.

The New York I and Indiana E houses were fin-

ished in time for fall rushing and both are examples of all that a chapter could wish in the way of commodious and attractive housing. Remodeling was done by West Virginia A, Wyoming A, Oregon A, Ohio B, Arizona A, California B and Idaho A corporations and several houses were redecorated.

An excellently planned house for Texas B and large additions to the New Mexico A and Florida B houses are now under construction.

Close contact with the Grand Treasurer and the Grand President has been a pleasure as well as being most helpful. Work with the house corporations treas-

urers is gratifying. The services of these alumnae who give so much effort to managing the finances and the other alumnae who serve on the house corporation boards keep our chapter housing on a high level and thus aid our chapters in keeping up their high rating on their various campuses. I wish I might share with all Pi Beta Phis the letters which come to me with the reports, for they show the great pride and interest which members of house corporation boards have in the superior housing furnished to our chapters by them.

NATIONAL HISTORIAN

THE Nita Hill Stark Vase for the best active chapter history written during the year 1950-1951 has been awarded to Kansas B. Kansas B's historian was Jancey Hunter. The pledge historian was Ruth Engle.

The Historian's Vase for the active chapter history placing second in the competition has been awarded to Oregon Gamma. Oregon Gamma's historian was Marjorie Harris. The assistant historian was Audrey Bliss.

Four chapters received honorable mention. They are: Illinois Θ (historian, Marjorie Meinen and assistant historian, Maxine Morrison); Virginia Γ (historians for first and second semesters, Kathryn Halsey and Betty McDaniel); Indiana Δ (historian, Beth Hammond, assistant historian, Lucille Eglett); Kansas A (historian, Lucinda Stevens).

During the year a letter of instruction was sent to all active chapter historians, calling attention to certain oversights, and urging that the same historian hold office for the entire year. The Assistant National Historian reports that the quality of all chapter histories shows steady improvement and that fewer letters have been received requesting information.

The action taken by delegates to the 1950 Convention, in abolishing chapter exhibits so that greater emphasis might be given to chapter histories, requires certain changes in procedure. In former years only a few of the best histories were exhibited. These were displayed in a room devoted to a collection of miscellaneous items from the national archives. At the next convention it will be necessary to ask the Convention Guide to assign a special room to accommodate the approximately one hundred chapter histories, which will be the only exhibits representing the work and accomplishments of each chapter during the preceding year. Each delegate must be held responsible for bringing her own chapter's history to convention—and for returning it to the chapter after convention. All the work of reading and grading chapter histories must necessarily be done during the week of convention, in order that the awards may be announced at the final banquet.

Alert, historically-minded Pi Phis of all ages continue to enrich the contents of the national archives with their contributions. Some of the items acquired this year were ones which the Historian had almost despaired of finding. The list follows:

Kansas A chapter photograph (1927)—from Rose McCollough Dressler (Mrs. E. B.), Kansas A.

Indianapolis Convention photograph (1906)—from Ethel Rous Curryer, Indiana Γ chapter, through the efforts of Ruth Reed, Indiana Γ chapter president.

Three photographs of Lulu Graff Weld as an Iowa B active in 1898—from Mrs. Weld.

Report card of Founder Jennie Horne Turnbull for

the year 1865-66; a resolution (in the handwriting of Founder Ada Bruen Grier), passed by the Sorosis on the occasion of the death of Founder Fannie Thompson—from James Harper Grier, President of Monmouth College.

Bound ARROW for the year 1901-02 from the library of the Phi Gamma Delta Club of New York City—from Amy Burnham Onken, Grand President.

Official printed minutes of the Madison Convention of 1897 and of the Boulder Convention of 1899; official song books for the years 1899, 1904, and 1943; printed Constitution for the year 1896; Historical Paper Number One; ARROW for November 1910; printed National Alumnae Association Constitution for the year 1893; annual Alumnae Association Bulletins for the years 1895 to 1903 and 1907 to 1909; Grand President's annual printed letter for the year 1898-99; souvenir stickpin from the St. Louis Convention of 1904; photograph of the Syracuse Convention of 1902; photograph of the Pi Beta Phi Grand Council for the year 1901—from the possessions of Fanny Read Cook (Mrs. Justin), former Grand Vice-President, through the efforts of Rebecca Downey White (Mrs. Alfred H.), Colorado A and Michigan B.

Glass photographic plate and print of Kansas A chapter in 1902, as photographed at the Sutliff house by Artist William A. Griffith—from Ida Smith Griffith (Mrs. William A.), former Grand Treasurer.

"Random Recollections," a paper on chapter life at Goucher College in 1901, by Lillian Beck Holton (Mrs. Edwin L.), Maryland A—from Mrs. Holton.

Photographs of charter members of Missouri A chapter, from the collection of Sue Stone Smith (Mrs. Gene I.), Missouri A charter—through the efforts of Mildred Thompson Allton (Mrs. John L.), Iowa Z.

A letter concerning the founding of Nebraska A chapter—from Nebraska B chapter.

Two newspaper accounts of the reinstatement of Illinois A chapter; newspaper feature story concerning Elizabeth Helmick—from Harriet R. Johnstone, Washington A.

Collection of old letters (period of the 1880s)—from Beverly Crawford, President of Iowa B chapter.

Appreciation is expressed to Aline Morton Burt of La Grange, Illinois for reconditioning an old photograph lent for program purposes, and to Sheila J. Francis of Vancouver, British Columbia, for typing additional program material.

The National Historian was honored in being asked to speak before the following groups during the past year: the Kansas City, Missouri Alumnae Club; the actives and pledges of all women's fraternities at the University of Kansas (at the pre-rush week Panhellenic picnic); the actives and pledges of the three

women's groups at William Jewell College (on the occasion of their annual Panhellenic Day; Kansas A chapter at its Founders' Day dinner; and the Alumnae Clubs of Cleveland, Ohio (on the occasion of their Founders' Day luncheon). The beautiful and impressive Cleveland luncheon, with its memorial tribute to two beloved members, will be long remembered by the Historian who would like to take this opportunity to express her appreciation of the hospitality and friendliness of Ohio Pi Phis.

During the year the Historian enjoyed the privilege of renewing Pi Phi friendships with Ida Smith Griffith of Laguna Beach, California (former Grand Treasurer); Dean Helen Moore of Manhattan, Kansas; and Amy Burnham Onken, Grand President. Miss Onken's informal talk before the Kansas City Alumnae Club gave the members a deeper insight into the contributions which our Grand Council members are con-

stantly being asked to make in the field of national affairs.

It is not possible to adequately thank all the officers of the fraternity who have aided in augmenting the archives collection. The Historian wishes especially to express her gratitude to Elizabeth Heryer Delaney, Assistant National Historian, not only for her prompt attention to the duties of her office, but for her continued loyalty and friendship. She wishes to thank the Director of Central Office, Gladys Scivally, for her unflinching helpfulness; the Grand Secretary, Lucile Douglass Carson, for her interest in the archives; and Miss Onken, Mrs. Wild and Mrs. Alford for their encouragement, assistance and advice. As always, it has been a privilege to serve under Mrs. Alford's understanding direction.

Your Fraternity Library

By DEAN MARY B. MERRITT, *Phi Mu, University of Miami, Coral Gables*
In "Fraternity Month"

Is your chapter library one in name only—a spot so designated because your National Council has decreed that a library is an essential part of a chapter room or lodge or house? Is it a dark corner not suitable for any purpose, but it can house a few books, and you can say you have a library? Are the books in it mostly discarded textbooks and poorly chosen "gift" books which the recipient wished to discard?

If your library resembles the one described above, it is time you were doing something about it. First, choose a quiet room or alcove or pleasant corner in which simple, attractive bookshelves can be built and paint them to harmonize with the other furnishings. A few comfortable chairs, good lights, and enticing books will do the rest. A card index file should be made of all books and a simple system of borrowing and returning set up. Your sorority bookplate will add to the attractiveness of any book and will make it easier to find if some thoughtless reader keeps it out too long. After all, the librarian needs some duties to make her feel important.

Come to Convention—Shamrock Hotel, Houston, Texas—July 7-13, 1952.

Settlement School Reports

CHAIRMAN OF THE SETTLEMENT SCHOOL COMMITTEE

THE GREATNESS of a nation and the greatness of an organization lie in the number of its members who are willing to assume non-enforceable responsibilities." This quotation applies well to Pi Beta Phi whose members voluntarily assume duties, interests, and responsibilities for love of the fraternity and its projects. The Settlement School, in its years of existence, with the careful planning of the few and the noble support of the many certainly is the result of the willing spirit above mentioned. Individually and in groups Pi Beta Phis have rallied to the maintenance of their project in Tennessee.

Originally, the purpose was basic—in fact rudimentary—education. With passing years the community of Gatlinburg and Sevier County, Tennessee have been able to assume some of the burden. Now fraternity interest has widened to include other fields of endeavor and to lend support more especially to a large health program and the development of crafts in that area. The fraternity leases our school buildings and playgrounds to the County for a nominal fee. The County provides maintenance and pays all teachers' salaries save four. In order to assist in making the Pi Beta Phi School fully accredited, Pi Beta Phi assumed the hiring and the salary of the Physical Education and Health teacher some years ago. To develop the physical well-being of youth seemed a most important phase of our Health program. Then, to improve and expand the natural talents, music and craft instruction were added.

This coming year Mr. Walter Ogle will again be School Superintendent and principal of the high school with Mrs. Ann Lighter serving as assistant principal. Mr. Ogle felt that the past school year did not run as smoothly as other years; in the fall the fine new County grade school building was not ready for several months and this caused an overcrowded condition with resulting uncertainty and unhappiness for the teachers. This coming year the County will strive toward the 6-6-3 plan of education and prospects are brighter. We find Mr. Ogle, Mr. Ingle, local County school board member and the County Superintendent, Mr. Seaton all cooperative in consulting Pi Beta Phi about the hiring of new teachers.

Mr. Hartford Granitz, graduate of the University of Chattanooga, has been the instructor in Physical Education and Health this year. His major coaching was in basketball where, due to inexperienced players, the boys' team won only fourteen games of the twenty-four scheduled. The girls won ten and lost twelve. In the tourney, the boys went to the semi-finals and placed one boy on the all-tourney team. In addition to basketball other sports, tumbling, gymnastics, touchball, badminton, swimming, tennis, volley ball, soft ball and shuffle board, were introduced, varying according to the weather. Need for a larger gymnasium and more gymnasium equipment sorely handicaps the program. Mr. Ogle praised Mr. Granitz' work and influence very highly.

Marilyn Jones, a member of Pi Beta Phi, has ably handled the Arts and Crafts department and we regret that she will not be able to return. To quote Marilyn's own report gives a little idea of what she found in Gatlinburg: "The interest, abilities and background of the students have made my job one of great pleasure, for here in the Smokies, creating through self-expression is an inherent ability." Her aim, through

art, was to encourage independent thinking and the ability to work with others. Planning with the teachers made possible art work integrated with their regular grade school studies. For example, in the study of Gatlinburg, one group made for display pottery in local clay, hand weaving, and carved soap to typify the wood carvers; another, a map of the town, an over life-size papier-mâché bear and a scrap book. The fifth grade worked out ten different marionette shows, all participating in the writing, designing, planning, and creating of their own marionettes. As the sixth grade studied Greek history they wrote and gave their own Greek play in assembly; the backdrops, costumes, properties, Greek masks, statuary, all were original. In addition to these group studies individual art expression was made possible in all grades.

In the high school students learned principles of basic design, fine arts, the use of water colors and oil and became familiar with the outstanding painters of all time. Craft work continued even after school hours when some of the students learned of enameling, pottery, candle making, weaving and book-binding. Requests even came from adults for special classes.

Mr. Carl Huskey, with only a part time school day to give instruction because of his own shop work, gave fine help in wood-working to the high school boys. The coming year some replacements in machinery will make possible larger classes and more precise results. The County Superintendent feels this subject most important for there are so many woodworking shops in those hills where talented boys can secure employment.

In music, Mrs. Aletha Armstrong aspires to greater melody and harmony and to inspiring more students to make use of their voices. For the first time this year eight boys have been added to the glee club of thirty-two and appeared on final programs—something unheard of. Also for the first time a choir has been used in the assemblies, thus stimulating general musical appreciation. In the grade school, regular instruction was given all year with various smaller groups appearing in public from time to time. An original Christmas play using rare and seldom heard carols was given and the finale for the year was a patriotic pageant. For both of these the Art department lent full support in creating backgrounds and striking scenes.

During the summer visit of the province officers, Mrs. Armstrong spoke of the great contribution Pi Phi makes to the young people by bringing to them a real appreciation for finer music with the best in records and by offering an opportunity for proper development of their voices. At the same time, Mrs. Ann Lighter who, during her supervision of the Grace Coolidge Library at the school, has received books, magazines and furniture as gifts for the library thanked the officers and through them all Pi Phis for their generosity. So convincingly did these two express their appreciation and the further need for assistance the officers, on their departure from Gatlinburg, left thirty dollars as their own contribution to further the music program and to add to the library of the Pi Beta Phi School.

In a cooperative scheme for improving the appearance of the school this spring in order to raise its state classification, Pi Beta Phi gave two hundred dollars which repaired the gymnasium walls and provided the labor for their painting. The County paid

for the paint and both teachers and students volunteered their services in the cause of beautification.

A special mention goes to the P.T.A. for its leadership in the best interests of the school. Sufficient funds were raised to enlarge and continue the operation of the school lunch room where, with government aid, hot lunches are offered daily. These are particularly important to the youngsters who arrive by bus at such early hours. Some of them deposit the youngsters on the school grounds before seven in the morning. The P.T.A. also contributed toward the improvement of the elementary school library.

Pi Beta Phi is proud of its staff and the effort each makes for the school and the community. One teacher sponsors the Beta club (two drove a group to the state convention at Nashville this spring); another is a Girl Scout leader; others are class sponsors; others are helpful in transportation of teams for sport events or in case of illness. Each makes her personal contribution to her, or his, church as well as to community developments. The demands upon their time sometimes seem out of proportion. Miss Dyer is doing a very competent work as Director.

Since February we have enjoyed having Lillian Hansen, Kansas Beta, as Assistant to the Director and she has stepped nicely into her new responsibilities. She chaperons the dormitory girls in Stuart Cottage as one of her duties. Last year all our girls finished high school and we have had five new girls learning a great deal under the tutelage of Miss Hodgen, our House Manager. There have been no school boys staying with us this year but already the applications of several are at hand. The dormitory system provides girls and boys who live far away or beyond the bus line, a chance for education with less difficulty and gives us the benefit of their help a few hours a week in part payment for their board and room.

We could not maintain our school through fair or foul weather were it not for our Maintenance man, Arlie Watson who needs no introduction after his recent feature in the ARROW. His son Neal ably assists him as does Preacher Richard Watson when the Pi Phi farm is not requiring his attention. Our live stock, namely the pigs, two old mules and the chickens, are the responsibility of Richard and he takes great pride in the abundance of fresh eggs, chickens and the vegetables served at our table.

This past year Teachers' Cottage was brightened with lovely new living room drapes, designed and hand-woven by Tina McMorran, our weaving designer. In like manner the bedrooms of Stuart Cottage were made more attractive with new curtains designed by Tina, woven by Miss Hodgen, made by Mrs. Jones the cook and with the addition of new spreads. Stuart and Pollard were lightened with some interior painting and during the coming year Stuart, Pollard, Teachers' Cottage and the Red Barn all will require exterior coats of paint.

As announced at the 1950 Convention, plans for a new Staff House move steadily forward but not too swiftly. At present the architect is working on the detail drawings and specifications and we hope it will be started in the early fall. This building will give more comfortable quarters for the all-year staff and will provide additional housing for the Summer Workshop, a very important factor in future plans.

Closely linked with the school program and vital to the community through health education is our Jennie Nicol Health Center presided over by Marjorie Chalmers, R.N. This year like all others has been a busy one. Perhaps the simplest means of showing the activity is a list of the type of work done these past twelve months.

Pupil inspections and examinations comprise the greatest number of calls. Pre-school clinics were held with the cooperation of the local doctors and the path between grade school and Health Center is well worn by visits for various ailments, poison ivy being the greatest, or for first aid in case of minor accidents. Friday afternoons are given to a well baby or pre-natal clinic where the shy babies, sometimes brought by an older sister, are comforted after a shot by a toy supplied from the Pi Phi gifts sent there. In addition to our own school, the health of the rural school children is also looked after, both through their visits to the Health Center and by Marjorie in regular calls at the school-houses, weather permitting.

From the Division of Tuberculosis Control, the mobile trucks came to our Center several times this year. Some stops were for regular check-ups and others for food handlers and public survey. A total of 1,425 were x-rayed.

Three children were sent to the Crippled Children's Clinic in Knoxville, two to be re-fitted with braces and the other, victim of spastic paralysis, received a light wheel chair, purchased with contributions from neighbors and friends.

Marjorie has assisted the Scouts by holding First Aid classes and assisting in examinations and inoculations before the exodus to camps. She was chosen to represent Sevier County at a short course in nursing atomic cases given by the Knoxville chapter of the Red Cross. She has also aided the local doctors and the Citizens' Council in planning for Civilian Defense and Community Health in case of bombings.

Outside the general line of duty our nurse has faithfully written a gratuitous health column for the weekly newspaper wherein she gives many good precautionary hints and sage health advice to the reading public. Her frequent invitations to talk before outside organizations speaks well for her place in the nursing profession. Her faith in the part our Health Center plays in the better health of school and community spurs her on to greater deeds.

We appreciate the continued interest of Sigma Phi Gamma, International Sorority, which through its "service for mountain children" fund has made possible both x-ray and eye correction with new glasses for those unable to pay. Several of the separate chapters have become interested and have sent supplies or special funds whereby new strip films and slides for educational purposes could be purchased. The Pi Phi Richmond, Virginia alumnae club sent fourteen dollars with which pictures to show dental care were bought and five dollars sent by Mrs. T. C. Bowles in memory of Louise Spalding Malin were used for new ear and eye charts. The layettes provided by the Westchester Alumnae Club are so very welcome as are the separate donations to the loan closet.

Arrowcraft is another very important part of the Pi Beta Phi School. Through their orders to Arrowcraft

Pi Phis everywhere are in direct touch with the School and if they visit the shop, want to hear all about the rest of our development. The visual evidences of the beautiful products cannot fail to make them cognizant of our crafts relations in the Smokies. Ethel M. Snow, our competent manager, has filled many orders to clubs and chapters this past year while at the same time local sales at the shop have been larger. She, and the Committee as well, appreciate the more business-like approach with orders and the prompter settlement of accounts. Some day perhaps all clubs and individuals will realize they must not demand greater credit leniency from Pi Beta Phi than from any other merchant with whom they trade and will awaken to the fact that a good credit rating in Pi Beta Phi is wise, too.

From year to year usually the same clubs are "best sellers" but this year two things were proven: one, that a new untouched territory presents a great field and little sales resistance; two, that a small new club, with enthusiasm and effort can aspire to high sales rank. The Coos Bay, Oregon club, newly organized and small, sold \$1,916.00 worth of Arrowcraft products, standing second only to Champaign, Illinois, again first. Eleven clubs topped the one thousand dollar mark in sales: Portland, Oregon; Pittsburgh, Pennsylvania; Milwaukee, Wisconsin; Houston, Texas; Philadelphia, Pennsylvania; Albuquerque, New Mexico; Madison, Wisconsin; Eugene, Oregon and Northern New Jersey.

Tina McMorran, weaving designer has given us some beautiful new designs, gorgeous in coloring, ready for the new price list. To picture all articles would make the price list prohibitive and much must be left to faith in past production. There have been steep advances in cotton and linen threads which will mean a change in some of the articles woven and such old stand-bys as the white under arm bag will be missing. However the new things such as party aprons with metallic threads, seamless bags, a new formal luncheon set, new stoles, new linen and other towels, a new wool dirndl, all will take their places most satisfyingly. The wool dirndl skirts started a year ago now total more than six hundred-forty-three sold and are still in demand. Of interest to those who dislike taxes is the newly designed dressy bag with a woven-in-handle, which will be tax free.

The quality of our weaving is above criticism at all times. But a recognition of it came this spring when we were asked by the Tennessee Educational Association to provide a small exhibit for Tennessee's room at the national meeting of the N. E. A. in San Francisco this summer. It is the only craft exhibit to be shown.

We would give special mention to Mrs. McCutchan who handles the little shop in the Mountain View Hotel in Gatlinburg so ably, accommodating her time there to the convenience of her patrons, be the hour early or late. Also to one who has much to do with the success of Arrowcraft, Mrs. Eunice Cole without whose skill at figures both you and we would be in difficulty! Perhaps she would like it said here to those officers whose clubs have paid nothing on their Arrowcraft indebtedness that they ask them to explain the valid reason for such an oversight or investigate for themselves the reasons wherefore.

We regretted losing Lura Owenby Porter, who had been with Arrowcraft for sixteen years, when she left to join her husband in Kentucky and also Hattie Trentham when she found family business interests required her resignation. Wanda Ogle from the sales department stepped into the position of assistant weaving designer under Tina and Mrs. Snow has taken

on two new sales girls, Reba Owenby and Margaret Ogle. Edna Cook is now the Senior sales girl and assists Mrs. Snow in filling both mail orders and shop sales with discriminating care. Of interest is the fact that Margaret Ogle's mother was one of our faithful weavers for many years. During the year we lost another long-time weaver, Mollie Moore, when her family moved to a farm near Knoxville. She had been with Arrowcraft almost from the beginning and had woven only Whig Rose mats and runners for about sixteen years.

For the first time in three years the Committee arranged its annual meeting to coincide with the Summer Workshop session and was immensely proud of what it saw. The few thousand dollars budgeted each year toward this particular craft development is one of our most necessary expenditures. For the seventh summer Pi Beta Phi and the University of Tennessee have planned this Workshop in Weaving, Pottery, Jewelry Making, Textile Decoration and Metal Work. The consensus of opinion was that this was the most successful session to date, and Miss Jessie W. Harris, head of U. T. College of Home Economics, who had not seen the Workshop for two years because of being in Europe was most enthusiastic on her visit this summer. Pi Beta Phi is fortunate that the University will lend Miss Marian G. Heard, Professor of Craft Design each year to head the Workshop as she is exceedingly well liked and skilled.

The school buildings are transformed to make way for the Workshop and all of our equipment and much from the University is in use. Twenty-six states were represented among the students and staff this summer. Some of the students remain for the full six weeks, others for three weeks only and some are studying for credit while others for recreation. There were six Pi Phis among this summer's students and many other Pi Phis could avail themselves of this opportunity. The enrollment of necessity is limited because of lack of enough housing facilities and the individual classes are also restricted for no instructor can do justice with a teaching overload. There is no age limitation and this summer there have been two bright young ninety and almost ninety year olds.

Each term concludes with an Open House where the results of the three weeks' study are artistically displayed and each pupil demonstrates her particular craft. In addition to the work accomplished there is time for picnicking and other recreation and trips to nearby Craft centers are arranged.

This year all went by bus to Asheville, North Carolina to attend the Craftsman's Fair, previously held on the Pi Phi Green in Gatlinburg but this year moved to North Carolina. The Fair was held in the Civic Auditorium and had an attendance of 8,600 for the four days. Pi Beta Phi sent over a loom, set up with a bag warp in bright colors upon which Tina McMorran and her assistant wove. They also took their warping bars for purposes of demonstration. There were exhibits of various craft making as well as a salesroom where all the crafts had their wares on hand for sale.

In a smaller fashion there will be a local Crafts Fair on our grounds in late September when the forty-eight governors of the United States with those of Alaska, Guam and Hawaii convene for their annual conference. Each Governor is permitted to have a party of six and the Fair is just one event planned for their entertainment. Pi Beta Phi is hoping that many National Panhellenic members will be among the ladies in the group to whom can be shown the project about which they have so often heard—our School.

Again this year the Gateway Players under the

direction of Mr. John Richards of the New York Academy of Dramatic Arts are making use of the school auditorium as a theatre. With an excellent cast of young players they are presenting leading plays as entertainment for vacation visitors. These players from New York are gaining experience for Broadway parts and at the same time enjoying a type of living in the mountains, far different than that to which they are accustomed.

There is tremendous satisfaction in hearing that the general contributions of both alumnae clubs and active chapters to the Settlement School show an increase over the 1949-50 figures. Just as one's personal living costs have mounted, so must the Settlement School Committee provide for possible increasing expenses in its budget; therefore the added donations are particularly appreciated. The St. Louis club continues to give its receipts from the big summer fashion show and thereby, with its thousand dollar contribution, ranks first among alumnae club contributors. Then follow Philadelphia (\$527.00); Cleveland East (\$345.00); Milwaukee (\$250.00); Pittsburgh (\$225.00); Indianapolis (\$210.00); Denver (\$200.00). Among active chapters, honors go to Maryland Alpha (\$1,000.00 balance from its chapter treasury); Missouri Beta (\$125.00); Nebraska Beta (\$106.10); Texas Alpha (\$100.00). Every contribution from one dollar upwards is important and valued for the spirit which prompted it; together, the ones and fives and seventy-fives make a good showing where much is needed. As interest increases, particularly among active chapters, so will our project broaden in scope. To have the clubs of four provinces and the chapters of seven, one hundred percent is good but not good enough. What a tribute, for the fortieth anniversary of the opening of the Settlement School next year to have every club and chapter a contributor!

The check from the Central Office Magazine Agency for \$8,770.57 was happily received. Your continuance as informed Pi Phis through the reading of current magazines is urged along with your giving your own and your neighbors' subscriptions to those magazines to the Pi Beta Phi agency.

For the second year the Franklin Magazine Agency returned as a gift to the school, the check sent them for the school magazine subscriptions. This came as an acknowledgement of the large business Pi Phi has given them through the years.

This year we shall have a new printing of the Cook Book. It had been said that an entirely new book might be advisable but after considering the large amount of time, effort and expense involved in gathering new recipes, and the continued popularity of our present edition, it was decided to arrange for a re-print.

The Memorial Fund provides a satisfying medium for an expression of sympathy in the loss of a friend or dear one. The donor may state where or how she wishes the money used or may leave its distribution to the wise discretion of the Committee. In the case of a bequest, the Settlement School Treasurer should be contacted for the proper legal form.

The many boxes of toys, clothing, books, fruit and candy, in addition to the extra checks at Christmas time are always welcome. They provide a special gift of game or book for each grade school room and an individual gift to each child in our grade school and those of the three nearest rural schools. The staff, too, has enjoyed and appreciated the thoughtfulness of some clubs, chapters and single Pi Phis in sending them special remembrances. It is wonderful when Pi Phis remember those in Gatlinburg who work for Pi Phi objectives in Tennessee.

There are Pi Phis who remain uncertain of the values to the fraternity in a continuation of our program in Tennessee. What would be our program if we did pull away? Where would the fraternity receive greater satisfaction in any undertaking (nor more recognition) than its health program, its continued encouragement of native arts and crafts and its supplemental help in education? Because of the fast development of the tourist travel to Smoky Mountain National Park, the town has lost some of its natural charm; the residents themselves are concerned. One of our province officers after being in Gatlinburg for the first time wrote that she was not disappointed in the School but in the town. Not seeing anything of the mountains nor the mountaineers, it was a little hard, from the appearance of the main street, to understand the need for our School there. Fortunately for her peace of mind, her husband and her boys had time for some investigating and could explain what conditions were off the main street. For example, when one realizes that open ditches still carry sewage—and not far from our School and the main street, too—one knows that all the public health problems have not been solved. The same holds true for education. Some newcomers to the town fail to see the need for Pi Beta Phi in the school but they have not attempted nor succeeded in getting the necessary help from the County Court. County funds are not available for other construction in Gatlinburg now, though all should be proud of the modern new grade school building in use this year. There will be no County nurse next year which will make the load for our Health Center still heavier. As the County or city proves its ability to accomplish its own proper development, Pi Beta Phi will gladly step into other fields. Obviously the time is not yet.

The Committee experienced very special pleasure during its annual meeting in having both the Grand Council and the Province officers in Gatlinburg for a part of the time. First hand visual education surpasses word description. Both from the comments at the time and correspondence since, we have learned that the officers really saw that our project is worthy of fraternity interest and support.

At our Committee meeting we missed the presence and help of Harriet Rauch, detained at home because of her mother's illness. She will continue to handle the News of Little Pigeon and other publicity. Ethel Smith will again serve as Secretary and will be consultant on the school library. Nellis Gibson will handle the circulation of our films—the new, the old, and the Workshop films are all available. The Treasurer's books for the School are again in the hands of Olivia Smith Moore. The work of the Committee is heavy and the distribution of some of the responsibility among four others lightens the load for the chairman. She is appreciative of all that each one does and all of us are grateful for the assistance from Grand Council, particularly the help of our contact member, Miss Onken. We also recognize the immeasurable help of the other officers in their contacts with each club and chapter.

"Our shadow, our influence may fall where we may never be!" The Committee is conscious of this truth as it surveys the help of all the many alumnae and actives whose faith in the Settlement School is manifested in their constant support and their continued interest. A simple deed may mean a bettered life; a single act may mean greater happiness for some child; a contribution, large or small, can mean continued success and progress in Gatlinburg.

RUTH BARRETT SMITH

REPORT OF DIRECTOR OF SETTLEMENT SCHOOL 1951

THE PAST YEAR has been the busiest one that I have spent in Gatlinburg. After Nancy Holmes left the first of August, I had no help until February first when Lillian Hansen, Kansas B, came to work at the school. She has been efficient and helpful and has already made a place for herself in the school and in the town. Besides her work at the school she has undertaken the leadership of a Girl Scout Troop and is secretary of the P.T.A. and of the Episcopal Auxiliary.

Community

Building in this rapidly growing town never stops. The winter and bad weather conditions slow things down but with the first hint of spring a fever of activity breaks out in order to have accommodations ready for the opening of the season. The Baptist congregation razed their old church and are now building a new and much larger structure on the same site. It is built of Crab Orchard stone and wood and is rather modern in design. A small field stone church has been built up in the Airport field by the Episcopalians. It is attractive and will be more so when it is fully completed. Some new furnishings and a pipe organ have been added to the new Methodist church which is now practically complete. Another improvement to the churches of the town has been at the Roaring Fork church where they have new pews and an acre of ground purchased for a parking lot. A site has been purchased for a Catholic church. The First National Bank of Gatlinburg opened March first. It is located in the Maples building and provides the town with up to date banking facilities. Numerous tourist businesses have been built and old ones changed and improved. The Mountain View has done some extensive interior remodeling and the Edgepark Inn has been enlarged and converted into a modern Motel. A coffee shop in the basement is one of the new eating places that have sprung up all over town. The Chamber of Commerce and tourist bureau have been merged and Mr. Bart Leeper hired as the Secretary. He is bringing much advertising to the area in national magazines and papers and is organizing and promoting several conventions. Chief of these will be the annual Conference of the Governors which meets in Gatlinburg in late September, 1951. Union church services on Thanksgiving, Christmas and Easter were held. The annual party for the benefit of the village library brought entertainment to the local people and a sense of working together for a common good.

School

The school year has been marked by important beginnings and changes in several phases of the program. For the first time all grades were placed under the direction of one man. Mr. Walter Ogle did no teaching but served as principal of the high school and superintended the work in the elementary school. A business course was introduced and typing and bookkeeping taught to juniors and seniors. Two typewriters were given as a parting gift by last year's graduating class, the P.T.A. purchased eight and Sevier County the other ten. The boys in the wood working class constructed some of the necessary tables. Another first was the football team. The county hired a coach who organized and coached the first Pi Phi football team. A group of interested Gatlinburg citizens organized the Gatlinburg Athletic Association

and collected \$1,100.00 for necessary uniforms and equipment. The boys really did very well. In their eight game schedule they won three games and lost five. The new elementary building, built by the County on land donated by us, was not ready for occupancy until November first. Until that time conditions through the school were very unsatisfactory and crowded but after the first four grades were moved into their lovely new quarters much confusion was eliminated. For the first time we participated in a program with the University of Tennessee Department of Education, whereby thirteen senior students did their practice teaching in our school system during the winter quarter. This group brought fresh enthusiasm and new ideas to the school. The University, the community and the school were well satisfied with results of the experiment. Since the first of October the high school building has served as headquarters for the Baptist congregation for Sunday and mid-week services while their new church is under construction.

Up to the seventh grade the teaching has been well done and the school has run smoothly. An attempt was made to departmentalize the seventh and eighth grades but this did not work out. The teachers that had been hired were not certificated properly for the work; the seventh grade teacher was out of school almost a month on account of illness and was very weak in discipline. A substitute was hired to take his work while he was ill and was retained to teach half of the grade when it was decided necessary to divide the grade into two sections. The grade has been a problem all year and will take skillful handling next year. Kelly Huskey again taught the eighth grade. He did some nice work with the junior girls and boys basketball teams and contributed to their success in winning many games. In the high school there were several changes in the faculty. Mrs. Lighter was on leave of absence for one year from the English and library position and while the person who replaced her did her best, the school missed the stability and good judgement Mrs. Lighter has always contributed. Our coach of last year, Wm. J. Miracle, was recalled to army service just before school opened. We were able to secure the services of Mr. Hartford Granitz from the University of Chattanooga who has filled the position well. He assisted with the football program by helping Mr. Lewelling with the back field coaching. His basketball season was not too successful, due to inexperienced players. Even with the changes and additions mentioned, the school has not been quite up to other years. Furnace failures and poor janitor services were unnecessary handicaps. The confusion resulting from the delayed completion of the new building, poor discipline, and some poor teaching, have all contributed to this result.

The usual Halloween Carnival came off and the Junior and Senior classes gave plays. The big Christmas program was much curtailed on account of furnace failures prohibiting rehearsals. The younger children all had room parties where there were gift exchanges and in the lower grades, the presents that were sent by Pi Phi active and Alumnae Clubs. Mrs. Armstrong varied her custom of presenting the grade school children in an operetta by giving a Patriotic Pageant. While this did not use as many children it was colorful and timely. Both the basketball and football teams were feted at banquets and the Juniors entertained the seniors at their annual affair.

Several new pieces of equipment were added during the year: one electric sewing machine for the home economics department and a new mimeograph for the use of the teachers. After the new building was occupied, one of the vacant class rooms was fitted up for visual education and another room served for the Girl Scouts. Mr. Granitz and his boys constructed a shed as an addition to the gymnasium dressing rooms from old materials secured from the Baptist Church.

Some necessary repairs and painting were accomplished during the year by a cooperative effort of the Fraternity, which gave \$200.00 to repairing the gym and hall with new plywood in the broken spots and labor for some painting. The County paid for the paint used and the students and teachers did some painting. At the Craft Shop there was a complete re-decorating of the Art room which was planned by Marilyn Jones and one of the student teachers. The girls enlisted the aid of their friends and worked long hours themselves. It has been quite the style to get the rooms freshened up. All of the class rooms and the hall in the elementary building were repainted and a number of the ones in the high school building. The roof of the old elementary building was finally painted after a wait of three years. For the second year the Franklin Square Magazine Agency returned the check that was sent to pay for the school magazine subscriptions. This check for \$68.50 was a gift from them in recognition of the Pi Phi business during the years. Other gifts have been made by Alumnae Clubs and individuals in the form of books to the library. We have added several fine reference books which are memorials to Pi Phi.

Commencement events went off well in the dignified manner that I think is a great credit to the school. First, for the Seniors, was their trip. This year the class and sponsors went to Florida on a circle tour for five days. It is always a highlight of the four years of school. We hold no exercises for the eighth grade but they did present a little play on Friday evening before the last week of school. Dr. James Wilder gave the Baccalaureate address in the Methodist Church. This was another first for the new pipe organ provided the instrumental music and was used to accompany the glee club girls when they sang. On Class night the caps and gowns were replaced with pretty formal for the girls and neat suits for the boys of the class of twenty-one. Before the Commencement program we entertained ten guests at the Dormitory at dinner. This is an annual courtesy that we extend to the speaker of the evening, the class sponsor, principal, the County Superintendent and this year our local school board member, Mr. Fred Ingle, and their wives. Rev. Roy Reece of the Methodist Church in Sevierville gave the address, and Mr. Seaton presented the diplomas. Awards were given the outstanding students by the American Legion, the P.T.A. and the Director of the school.

P.T.A.

The revenue from Bingo games was not as much as in former years so the organization has operated on a curtailed budget. Additional revenue came from three rummage sales that brought in three hundred and forty dollars. One hundred of this amount was used for the elementary school library. The other main project has been the operation of the school lunch room. The old coal range was replaced with an electric one. The Lions and Rotary Clubs each gave a hundred dollars towards this project. In order to qualify for federal and state funds the lunch room had to be enlarged and improved. This involved turning

a store room into a dining room and the building of storage shelves in the kitchen. Where so many children ride the school bus, leaving home at an early hour and sometimes not getting home until late, the hot lunch program is a great asset to a school. We are fortunate in having a group of interested people who will spend the time and energy to carry on a hot lunch program successfully. Many free lunches are given during the year to children who cannot afford the daily twenty-five cent cost. The last payment was made on the large Hobart electric mixer that was purchased last year. City water was turned into the system in the fall.

Dormitory

We started the school year with three new girls and four boys. The boys were like the ten little Indians for now we have none! Two found that they had to work at home, one enlisted in the air corps and the fourth one I had to send home since he would not obey rules. The number of girls increased to five during the year. I chaperoned them at Stuart until Lillian came in February. Most of the girls could not have a high school education if they did not live at the school. They are learning many things from working under Miss Hodgen and from their association with Lillian. Last winter, Arlie and Neal painted the interior of Stuart. Tina designed some new curtains for the house, Miss Hodgen wove the yardage and Mrs. Jones made them up. We bought new bedspreads and think the house is most attractive. The school family has been smaller than usual this year. We were glad to have Mr. Granitz board with us until his wife could be released from her position and they established their home in an apartment up in the Assembly grounds. Mr. Schoolfield, one of the student teachers, lived at the school for the six weeks that his group was in town. Two piano teachers have used Stuart as a piano studio. Their private pupils came over from school during school hours for their lessons.

Health Center

The year has been a busy one with the health center having been put to many uses. Many lives have been touched and helped by the services offered by our nurse, Mrs. Marjorie Chalmers, and the facilities of our health program. The State Mobile T.B. Unit used the Health Center for three clinics held during the year. Last summer two pre-school clinics were held in the building. One of these was for the rural children who were brought in for their examinations in the school bus. Some of the mothers came along when the children were shy. After days in school, when the nurse is found to be a friend in need this shyness wears off and all their cuts and bruises are taken to the nurse as a matter of course. Three rural schools are serviced by our nurse as well as the five hundred children in the school here. On Friday afternoon there is a well baby and pre-natal clinic for anyone interested. Marjorie has been active in plans for Civilian Defense and Community Health in case of bombings. Gatlinburg is not thought to be a likely target but might be used as a center to care for wounded from other areas such as Oak Ridge or Alcoa. Marjorie was chosen to represent Sevier County at a short course given by the Knoxville Red Cross Chapter in nursing in atomic cases. She has held classes in First Aid for Girl Scouts and now has a weekly class for some of the American Legion Auxiliary members. We have again been helped in our work by Sigma Phi Gamma International Sorority. Their national organization gave us \$87.00 and several chapters have added

to that with gifts of money and supplies. The Ponca City, Oklahoma chapter sent ten dollars that Marjorie used for necessary x-rays for a needy boy. Other than that the money sent was used for eye corrections and helped to pay for glasses for a number of children who could not otherwise have afforded them. Seattle and Pendleton, Oregon, chapters sent gifts of \$25.00 each. Among our own chapters and clubs, a check for \$14.00 from May L. Keller Alumnae Club of Richmond was sent for pictures to show dental care. New eye and ear charts were purchased from a five dollar check that Mrs. T. C. Bowles from Glendale, California, sent in memory of Louise Spalding Malin. The Westchester Alumnae Club have made layettes for us, a very much appreciated gift. Babies are a never failing crop in the mountains!

The farmer is always at the mercy of the weather. We can do nothing about it but prepare for sudden changes and make the best of conditions. Our new modern chicken houses paid off well during an especially cold winter. We were about the only people around who had any eggs and commanded excellent prices from the Mountain View Hotel and Carl's Market as well as having all we needed for the kitchen. We keep a few pigs and still have our two old mules. They are useful for getting wood down from the hills and are rented out to local people who want small plowing jobs done. Richard Watson cares for our livestock and garden. He takes pride in having fine chickens, eggs, and vegetables for our table as well as flowers to deck the shop. On Sunday he is the minister in the little Glades Church.

Arrow Craft Shop

Business at Arrow Craft has gone along as usual. Mrs. Snow filled larger orders and more of them for alumnae clubs and active chapters than ever before. Mrs. McCutchan operated the shop in the Mountain View Hotel, suiting her hours for keeping open to the time that most of the guests would be in the lobby. Two important changes in personnel have occurred during the year. The first one was when Lura Owenby Porter left on January first to establish her home in Kentucky with her doctor husband. She had been with the shop for 16 years and knew the weavers and their families very well. They all co-operated with Mrs. McMorran and the girls in the shop to make the annual Christmas party of the Weavers a memorable farewell one for her. It was held at Stuart with refreshments served at Pollard. A lovely electric mixer was the gift that was presented to her by the group. Wanda Ogle moved from the selling end to production and has worked out well as a helper for Mrs. McMorran. The second change came June first when Hattie Trentham left the shop to devote her time to the operation of her tourist facilities. She was greatly missed but Margaret Ogle, a graduate of the school and daughter of Mertie who was our laundress for years, took that position. Tina has worked out some lovely new designs that will be in the next price list. These include a mother and daughter apron set, a party apron with metallic threads, several new towels in colored linen and a pure white one, seamless bags, a formal luncheon set in white and silver, wool dirndl skirts and some new scarfs. A recognition of the quality of the weavings produced and sold by the shop came recently when the Tennessee Education

Association asked us to supply them with a small exhibit for the Tennessee headquarters room at the National Education Association to be held in San Francisco this summer. Since this is the only craft exhibit to be shown, we feel honored that our school was chosen to represent the state at this important meeting.

Other Uses for Our Buildings and Grounds

In addition to the school being used for church services, several other outside events made use of our facilities. Our own Workshop in Crafts should not be called "outside" for it is sponsored jointly by us and the University of Tennessee. All of our equipment, plus much from the University, is used to make that project a success. Last summer marked the sixth annual Workshop. Students came from twenty-five states, including quite a number from Tennessee. New Mexico was the most remote but Texas also was represented. The class of work done by the students was exceptionally high. Two Open House evenings were held, one at the close of each half session. Over three hundred guests came at the last evening, to watch the demonstrations and to see the lovely pieces of jewelry, metal work, pottery and weaving that had been made during the Workshop. We were glad to have a Pi Phi weaving teacher and two graduate assistants as well as several Pi Phi representatives among the students. For the third consecutive year the Craftsman's Fair of the Southern Highland Handicraft Guild was held on our grounds. Financially, it was the most successful one ever held for instead of being in the red there was a profit of \$4,000.00. Seventy-eight individuals and centers were represented in the exhibits which were beautifully displayed in the high school building. There were 103 demonstrators working at 22 different crafts. The folk dancing and ballad singing exhibitions were always well attended and when there was audience participation the stage was taxed to accommodate the crowds. Demonstrators and Dancers were housed in our Workshop dormitories. Another activity of the summer was that of the Gateway Stock Company engagement. Mr. Richards brought young students from the N. Y. Academy of Dramatic Arts and gave a repertoire of plays five nights a week. Our Auditorium serves as the theater and a class room is used for dressing rooms by making a division in the center of it. This does not work too well, especially in wet weather for there is no inside passageway. On Friday nights the P.T.A. sponsored their Bingo games. In November a Folk Festival sponsored by the Council of Southern Mountain Workers was held at the school. This marked quite an advance in that the School Board voted to allow the dancing to be held in a school that receives County funds.

Reviewing the events of this busy year, I am again mindful of the wonderful cooperation that I have received from the local staff, Grand Council, and the members of the Settlement School Committee. I wish to express appreciation and thanks to our members who have sent gifts to the school for they help to bring pleasure to so many and give us the joy of representing them in giving. The contacts with visiting Pi Phis have been pleasant.

Respectfully submitted,

RUTH DYER, *Director*

Pi Beta Phi Settlement School
Mrs. Henry Moore, Jr., Treasurer
Texarkana, Texas*

DEAR MESDAMES:

We have audited the books, records and supporting data of

PI BETA PHI SETTLEMENT SCHOOL
GATLINBURG, TENNESSEE
JUNE 30, 1951

and present the following Exhibits and Schedules as a report of this audit:

Exhibit A—Balance Sheet
Exhibit B—Statement of Operations
Exhibit C—Endowment Fund
Exhibit D—Sinking Fund and Memorial Fund
Exhibit E—Arrow Craft Profit and Loss for the Fiscal Year Ended May 31, 1951
Schedule 1—Comparative Summary of Contributions Received
Schedule 2—Comparative Statement of Club and Chapter Contributions

SCOPE OF AUDIT

Our examination embraced comprehensive and complete verification of all assets by independent means. Cash on hand was counted, cash in banks was confirmed by correspondence with the depositories, all receivables were confirmed, inventories were examined in location and exhaustive tests made as to accuracy of pricing methods and mechanical count. Securities were verified either by actual examination or by direct confirmation of those held in trust. All operating income and expenditures of the Treasurer were examined in detail and Arrow Craft transactions were thoroughly tested without a detailed audit of each transaction.

CERTIFICATE

In our opinion the financial position of Pi Beta Phi Settlement School as of June 30, 1951 is properly set forth in the accompanying Exhibit A and the supporting Exhibits and Schedules.

COMMENTS

Your committee is to be commended for the great care and diligence exercised in directing the fiscal operations, and for the excellence of records maintained reflecting proper accounting for the funds entrusted to your care.

Very truly yours,
MCDUFFIE-CURRY & COMPANY
Members American Institute of Accountants

Committee Reports

HOLT HOUSE COMMITTEE

THE Holt House Committee, during the past year, has made every effort to operate the house efficiently and in such manner that it may fulfill its real purpose: to serve as a useful memorial to the Founders of Pi Beta Phi and to their act of organizing this, our fraternity.

During the year, the committee members were proud to welcome to Holt House Mabel T. Johnson (Mrs. Rolland J.), of Monmouth, who assumed her new responsibilities as hostesses of the house at the end of the year 1950. She succeeds Blodwen J. Carey, who had served in the position since the house was first opened in 1941. The Committee is most appreciative of the efficient manner in which Mrs. Johnson has assumed the actual management of the house, and of her full understanding of the purpose of Holt House.

The chapters and alumnae clubs of Monmouth and the near vicinity made use of the house during the year, the clubs for their meetings and for teas given jointly with the chapters. The chapters used Holt House for formal parties, rushing parties, cooky-shines and pledge parties, as well as for initiation. Organizations using the house as their regular meeting place have been the Monmouth Woman's Club, the PEO, and the OGM Bridge Club. Those using Holt House on one or more occasion have included the Home Bureau, the Garden Club, the Fortnightly Club, the DAR, a missionary society and various other smaller groups. The house has also provided accommodation for entertaining by individuals, including a shower, a reception, a rehearsal dinner, bridge clubs and parties, with at least one wedding reception scheduled for June.

No major changes were made in the house or its furnishings this past year with, possibly, two exceptions: a number of folding chairs have been ordered, but not yet delivered; and the wrought-iron hand rails for the front steps have been installed. These railings add to the beauty of the entrance. Several minor repairs to the building were made during the year, and the front porch floor is to be repainted. The two barrel-chairs in the Pine Room are being recovered for they were quite worn after ten years. Several replacements must be contemplated for next year, including new curtains for the coat-room and powder-room on the first floor and for the Founders' Room upstairs.

The Committee acknowledges, with gratitude, the thoughtful gift of the Osceola, Arkansas, Alumnae Club, presented in memory of Helen Vandervoort Jackson. With the check which the club sent, a small silver bowl, engraved with Mrs. Jackson's name, was purchased. The Committee is also most grateful to Marian Keck Simmons, National Historian and former committee chairman, for her gift of two lovely old velvet-covered photograph albums. It is hoped that the house may have the good fortune to receive nineteenth century photographs of members of Pi Beta Phi, to be placed in these albums.

The Committee is most appreciative of the financial support accorded the house by the many contributing chapters and alumnae clubs. Total contributions were somewhat below those of the preceding year, however,

and total expenditures were slightly higher. The number of contributing alumnae clubs decreased from 233 to 222 for this year. Two clubs—Kansas City, Missouri, and Pittsburgh, Pennsylvania—each sent \$50.00, these being the two highest contributing clubs. Many other alumnae groups sent generous gifts.

The number of chapters contributing to the Holt House Fund dropped from 87 during 1949-50 to 86 for 1950-51. The highest contributing chapters were: California I, \$68.00; Illinois A and Louisiana A, \$50.00 each; Oklahoma A, \$35.00; Michigan B, \$30.00; and Kansas B and Texas A, \$25.00 each.

Every chapter and every club in Delta and Zeta Provinces contributed to the fund. In Beta, Eta, Iota, and Mu Provinces, every chapter sent a contribution. In Alpha East, Epsilon and Theta Provinces, every club contributed. Eta Province contributions were highest, monetarily, followed by Mu Province, with Kappa Province third.

The Committee is most appreciative of the guidance and the help of Amy Burnham Onken, who has served on the Committee as Grand Council's representative; and of the assistance and interest of each member of Grand Council. The committee members appreciate, too, the cooperation and assistance of Gladys Hayes Scivally, Director of Central Office; and the aid given to the Committee in its work by each province officer.

The committee chairman is most grateful to Alice McDougall Jensen, the Monmouth member of the Committee, not only for her efficient scheduling of the Holt House film, but also for her help in handling many details of the Committee's work; to Frances Small Trost, committee treasurer, for her very able management of the Holt House funds; to Evelyn Holliday Bridge for her fine work as committee secretary; and to Iva Rockwell McMurray for her willing assumption of responsibility for the inventory.

The members of the Holt House Committee look forward to the year ahead with the hope and expectation that it may be a most successful year for the house.

Respectfully submitted,
ELEANOR ROCKWOOD COOLEY

COMMITTEE ON PUBLICITY

THE wave of harmful anti-fraternity publicity sweeping our country at the present time makes us aware, more than ever, of the importance of Pi Beta Phi's policy that we must have only good publicity; that we disapprove entirely of providing pictures or copy for any publication which might use them for propaganda purposes negative to fraternities. Notice to this effect was sent to all clubs, chapters, Alumnæ Advisory Committees, and chaperons early this year.

A letter of instructions and suggestions to publicity chairmen of clubs and chapters emphasized the very important and responsible place which these chairmen hold in Pi Beta Phi's organization. During the year, many personal requests for specific publicity

information were complied with, and a special letter and publicity release were prepared for use on Loyalty Day programs.

The very splendid reports submitted by publicity chairmen are concrete evidence of the fine service they have given to Pi Beta Phi. The Chairman of Publicity wishes to express to these officers her appreciation for their fine cooperation, and to thank the Director of Central Office for her invaluable suggestions and assistance. The happy contacts with all fraternity members made possible by service on this Committee have been very much enjoyed.

Respectfully submitted,
LOIS SNYDER FINGER,
Chairman, Committee on Publicity

NATIONAL SCHOLARSHIP COMMITTEE

WHEN a man has put a limit on what he *will* do, he has put a limit on what he *can* do." It has been the work of the Scholarship Committee to try to inspire our girls to will to get the most out of their college life.

We are proud once again to announce fifty chapters (50) in the upper third, including twelve (12) in first place; twenty-five (25) in the middle third, but sorry to say eighteen (18) in the lower third, including nine (9) in lowest place. This year there were fifty (50) in the upper third as compared to forty-three (43) for the year 1949-50, but that is still far from our goal of every chapter in the upper third. Twenty-seven (27) chapters were first for one quarter, but only twelve succeeded in maintaining this position.

The most outstanding chapters are Colorado B in first place for three consecutive years; Iowa A and Iowa B, first for four years; and Oklahoma B, first for six years. Seven chapters have been in the upper third for six consecutive years:

Ohio B	Oklahoma B
Ohio Z	Colorado B
Illinois Z	Kansas B
North Dakota A	

Theta province is to be commended with all seven chapters in the upper third, two being first, and all above the all-fraternity women's and all-women's averages. Beta, Zeta, Eta, and Iota are all in the upper third also, but Alpha East and Alpha West are in the lower third. Epsilon is unique in that for the last six years no chapter has been in the lowest place. The average for all the provinces this year is 24.157 as compared to 24.291 for the previous years.

Last year we added a new slogan "No chapter below the all-women's average." We are far from our goal but happy that about twice as many chapters are above this average as there are below it.

As our present method of rating chapters in scholarship seemed somewhat unfair to some of the chap-

ters, Grand Council ruled that a change be made, giving a minimum grade of 25% when a chapter was in the upper third on its campus, or 10% when it was in the middle third, if, under our old formula, the actual grade were less than that. Following this ruling, averages were changed, but it was surprising how few chapters changed their numerical averages.

We were all pleased with the large number of honor students, whose pictures were published in the December ARROW, the largest number—ninety-five—of Phi Beta Kappas and Phi Kappa Phis we have on record. Thirteen chapters failed to make any report, or sent their report too late for publication.

The girls appreciate greatly, I believe, the establishment of the different scholarships instead of the ring award, but I am doubtful about the achievement certificate. To date, twenty-two chapters have failed to send in their applications. Of the girls receiving the award, twenty-four were also highest for the year 1949-50.

The year began with eight new supervisors with the five others who were acquainted with the work; consequently, it took some time for files to be received and studied before all were ready to begin our program. The work of the committee is long and exacting but the supervisors give generously of their time and feel well compensated if they can help our girls to prepare themselves for their future life. As one supervisor wrote, "I feel a debt of gratitude for what my fraternity has meant to me through the years. If I can be of any help to even a few girls, thus serving Pi Phi, I will feel well repaid."

The chairman wishes to thank all the chapter chairmen and advisers, and the province supervisors for their fine cooperation during the year. Especially, does she want to express her deep appreciation to Gladys Scivally, Lucile Carson, and Miss Onken, whose constant help and suggestions have made this year a very pleasant one.

Respectfully submitted,
HARRIET R. JOHNSTONE

COMMITTEE ON TRANSFERS

IN THE Fall I sent the usual form letter asking the chapter secretaries to inform me of the names and addresses of two groups of girls: those who had transferred to another campus where there is a chapter of Pi Beta Phi and the other undergraduates who did not return to chapter for whatever reason.

Replies were received from all chapters giving the following information:

47 chapters reported 75 transfers to 40 campuses
70 chapters reported 329 undergraduate actives who did not return.

Letters were sent personally to each of these girls. Their status as alumnae was explained. Transfers received the general rules for affiliation. The other girls were reminded that they were now alumnae members and were urged to become active in the alumnae work.

COMMITTEE ON SOCIAL EXCHANGE

THE Social Exchange Committee has had numerous additions to its roll of Province Chairmen and they, with the faithful who have been working with us for a year or more, have been initiated into the field with lots of interesting things to report. We continue to be glad when the chapters find that they can really use the information we impart concerning rush parties, special occasion plans, homecoming floats and house decorations, Founders' Day celebrations and miscellaneous suggestions for making the life of a Pi Beta Phi chapter more fun: but how delighted we are, too, when they send us original ideas of their own to be passed on to their "sisters" all over this big map.

The province with one hundred per cent of her chapters reporting is always proud of the record; we

have several this time who lay that claim to fame. They are: Beta, Epsilon, Zeta, Eta, Kappa, Lambda and Mu.

Kappa Province has more chapters with a perfect score of 10; there are four out of seven. Beta comes second with five out of ten.

Ninety-one chapters were heard from this scholastic year, 1950-51.

PERFECT SCORES were received by: Vermont A, Massachusetts B, New York I, Ohio A, Ohio Δ, Ohio E, West Virginia A, West Virginia B, Maryland B, Virginia A, North Carolina A, Michigan A, Indiana I, Indiana Δ, Missouri B, Missouri I, Alabama A, Alabama B, Georgia A, Wisconsin B, Illinois Z, Iowa A, Iowa B, Iowa I, Iowa Z, Kansas B, Colo-

rado B, Wyoming A, Oklahoma A, Oklahoma B, Arkansas A, Texas A, Washington A, Nevada A, California E and California Z.

Seven chapters failed to report on either Founders' Day or Rushing.

The winning chapter with the best reports and cooperation with the Province Chairman is *Kansas B*.

Louisiana B wins first place for originality with their clever plans for their Pi Phi Première party worked out to represent a movie house in every detail.

Hall of Fame will display the names of Oklahoma B, Kansas A, Wisconsin B and Oregon A for their original suggestions used in the current Social Exchange *Bulletin*. A special mention goes to California E for their funny "mixer" game called "Mama's Hats." Kansas A sent wonderfully arranged ideas for

the "Pi Phi Platter Parade" and "The Little Engine That Could," the former for rush season and the latter for yard decoration at Homecoming.

While we do still have trouble getting the members of the chapters to try something new and different with Founders' Day, most of them are bubbling over with originality when it comes to rushing and miscellaneous parties and unique decorations. The committee has lots of fun, mixed with nostalgia, when it reads what the "youngsters" are doing and then sifts out the best to pass on to someone else to try.

It has been this chairman's pleasure to work with a wonderfully cooperative committee and she has thoroughly enjoyed her "paper associations" with them and with the national officers who are always so helpful.

Respectfully submitted,
VIRGINIA DALE McMAHAN

FRATERNITY MUSIC

DURING the year following a Pi Phi Convention, it seems the main activity of this committee is answering requests from chapters for copies of the prize songs. We were able to distribute several printed copies through members of the Convention Chorus, with the suggestion that they pass them on to other chapters in their Province.

Steps also were taken in the compilation of a "Novelty" Song Book, consisting of some of the lighter favorites sung in the chapters.

It was with great sorrow that all Pi Phis, and particularly members of the Music Committee, learned of the sudden passing of its loyal member, Louise Spaulding Malin, this past winter. Louise, who was a fine and loyal Pi Phi and a person of great warmth and charm, has left to her beloved Fraternity a personal gift that will long be a tribute to her, as well as an expression of deep Pi Phi feeling, for it was

she who wrote the "Memorial Hymn" which we all love. Of Louise we can say, in her own words, "But the silken tie of the Wine and Blue will bind through Eternity, and friendship's chain of golden hue will link eternally."

Our new committee member is Helen Chodat Schudel, known to many of us as author of "The Pi Phi Tribute." We have welcomed her and look forward to working with her.

Again, we wish to express our appreciation of the interest and cooperation of all Pi Phis, particularly of Grand Council. As we close this year, already we look forward to the coming Convention year, which is always one of rewarding musical associations and increased activity. We hope the committee can further serve the Fraternity in bringing to it more new and lovely Pi Phi songs.

Respectfully submitted,
DOROTHY VALE McLAUGHLIN

CHAPERONS

THE Committee on Chaperons has had another happy and interesting year in her work for Pi Beta Phi.

To you, Chapter Corresponding Secretaries, an especial vote of thanks for your promptness in sending in the data cards and blanks on chapter house chaperons.

We have sixty-eight chaperons, fifteen of whom are new this year. One has served as chaperon for the same chapter for eighteen years, a fine record for both chapter and chaperon, so, Mrs. Winifred Owens of North Dakota A, may I salute you! Letters of welcome have been sent to all new chaperons and many responded expressing gratitude for the helpful pamphlets, Pi Beta Phi House Rules, Rules for Chaperons and Relations between Chapter and Chaperon, provided by Grand Council.

This year Training Schools or Conferences for

Chaperons and House Directors are being held at Purdue University, Oregon State College, and Louisiana State University; and, as in previous years, Grand Council endorses this training by paying the tuition for all Pi Beta Phi Chaperons who enroll for any of these summer courses.

We have received many applications from women who wish to chaperon in our Pi Beta Phi houses. These names are kept on file in order that we may pass them on to chapters seeking new hostesses.

My sincerest appreciation again to Miss Onken and Mrs. Wild for their monthly letters to Province Presidents and Vice Presidents, and to Miss Scivally in Central Office for her loving assistance at all times, and to all members of Grand Council who stand back of us helping and inspiring us—Thank You!

Respectfully submitted,

EMMA HARPER TURNER MEMORIAL FUND

STRAIT to the heart of Pi Phi goes your practical message of living remembrance, through the Emma Harper Turner Memorial Fund. If you were aged and ill, or a bit overwhelmed with life's burdens, would you not be thrilled with delight if an old friend gave proof of her undying devotion? Because Pi Phi is that old friend the heart of Pi Phi is gladdened, the bonds of friendship are strengthened, the pledges of loyalty are being renewed. As a result, Pi Phi is being blessed, for, as always, it is proving more blessed to give than to receive.

Reflecting the generosity of our members, the original endowment of \$50,000.00 has been increased to \$56,574.07 as of May 1, 1951. To the many, many generous donors we extend grateful appreciation. Twice blessed will be the large number of Pi Phi Home Refund checks which have been rededicated to service and signed over to another mission of good will to comfort Pi Phi's aged and needy.

From the interest which accumulates from the loans to chapters, small gifts, in cash, are sent, without obligation, to relieve an emergency or to assist in providing necessities. This committee serves as the clearing house for your recommendations. Unless you report the needs, we cannot function. The only requirement is that we have the verification of two Pi Phi sponsors, one being the president of the nearest Alumnae Club, if that is possible. The urgency of the requests are then weighed against the status of the budget. The policy of this committee is to make sure that every available dollar in this fund is serving to relieve an anxiety or provide bodily comfort.

Join with this committee in speeding Pi Phi's Friendship arrow straight to the heart of a lovely Pi Phi friend.

Respectfully submitted,
ETHEL H. COPP

Help Week—Not Hell Week

Newspaper clippings and stories about fraternity Hell Week substitutes continue to roll in. Ninety University of Pittsburgh fraternity students conducted a waste paper collection to raise funds for Hill City, a Pittsburgh project to curb juvenile delinquency . . . Sigma Chi pledges at Butler University spent a week cleaning up a boys' camp . . . Four hundred Purdue University fraternity actives and pledges gave up vacation days to clean up Columbian Park in Lafayette, and earned a commendation from Prexy Hovde and favorable comment in local newspapers . . . Sigma Alpha Epsilon students at Bucknell University washed windows and cleaned the home of a man crippled in both legs, and mowed the lawn, repaired a grape arbor, beat rugs, carried out ashes, and cleaned windows at the home of an aged couple, 92 and 89 years of age . . . Several Sigma Phi Epsilon chapters cleaned up city jails.

At a recent called meeting of the National Panhellenic Conference the following resolution was adopted:

"Resolved that the National Panhellenic Conference become a member of the All-American Conference to Combat Communism as a demonstration by the Greek letter societies of college women of their opposition to the philosophy and procedures of communism and as evidence of their devotion to American freedoms."

Province President Reports

ALPHA EAST PROVINCE PRESIDENT

THE year 1950-51 has been an outstanding one for the seven chapters of Alpha East Province. The members began the year with a fine spirit of comradeship and cooperation, inspired by their convention delegates. The distinction of having two chapters receive national recognition at convention—Connecticut A—the Philadelphia Vase—Massachusetts A, an award for original skits—inspired the girls to work for greater attainments.

The Amy Burnham Onken Province award was given to Marilyn Murphy, Vermont A. The nominees for this award, from the other chapters were: Jane Weber, Connecticut A, Phyllis Boutelier, Maine A, Natalie Roberts, Massachusetts A, Jean Smali, Massachusetts B; Jean Hard, Vermont B, Joanne Beaubien, Nova Scotia A. The Portland Alumnae Club Award, which is given to the most outstanding sophomore in the province, was won by Elissa Sierra, Vermont B. The candidates for this honor were: Joan Robinson, Connecticut A; Ann McGinley, Vermont A; Dorothy Booth, Maine A; Barbara Clifford, Massachusetts B.

Official visits were made to all chapters and my conferences with the actives, advisers, Deans of Women and club members were most satisfactory. It is always gratifying to hear that the Deans look to the fraternity women to maintain the high standards and ideals of the colleges.

Great emphasis has been placed on scholarship during the entire year and we are happy to report that all chapters have improved their scholastic rank. Some of the chapters had dropped in rank from that of the previous year. However with the close supervision and constructive suggestions, which Miss Johnstone, National Scholarship Chairman, and Mrs. Haggett, Province Scholarship Chairman, gave to the chapters they ended the year with marked improvements. Ver-

mont B ranked first for the second semester.

The list of activities for the Alpha East members proves the fact again that the Pi Phis are leaders on their respective campuses. Since the honors are so numerous, I can mention only the outstanding ones in this report.

All chapters experienced successful rush seasons. Few rushees were lost to other sororities. Maine A and Massachusetts B had the distinction of having all of their pledges make their initiation averages.

The housing situation is the same as it was last year with the exception of Connecticut A. They moved into their new fraternity unit and are happily adjusted to their new arrangements of having all of their members live together. Connecticut A and Massachusetts B are fortunate to have with them the same fine women, who have been with them for some time.

At this time, all of the chapters have contributed to the Fraternity's projects. Each chapter has been active in some type of local social service work and particularly at Christmas time have they brought the Christmas spirit into the homes of those who are less fortunate.

This year's work with the members of Alpha East Province has been completely gratifying and pleasant. To see our chapters grow and develop and at all times maintain the high standards of our Fraternity and to assume their deserved places of leadership, has been a source of great pride. Again I would like to express my gratitude to the chapters, for their splendid cooperation, to the advisory committees, for their help and inspiration to the active chapters, to the members of Grand Council for their ever-ready willingness to help and to Miss Onken for her invaluable interest and inspiration.

ANNIE LAURIE KEYS WHIPPLE

ALPHA WEST PROVINCE PRESIDENT

THIS past year has been a most enjoyable and interesting one. The friendships that were started in my first year of service to the fraternity have broadened, and ripened, and I have felt very close to the girls in each chapter in this province—as I hope they feel toward me. Certainly I feel they have brought their problems to me for advice, and I have done my best for them. The co-operation and fraternity spirit has been splendid in every group. We have had a difficult time this year with scholarship in several of the chapters—which the girls are working hard, on now—and we hope to make a very much better report next year on this. My chapter visits were made early in the Fall of this year. That seems the best time to offer the most constructive help to the groups, as they begin their college year. My interviews with the various Deans were most satisfactory as to the opinion of the campus, held on the members of our fraternity who were actives. We also have been most fortunate on the chaperones that most of the groups had. Two chapters are now in process of changing, and we hope that by next Fall they will be well settled with the type of chaperone that we like to

have in all of our houses.

I must make especial mention here of the outstanding work the actives have done in their extracurricular activities this year. They have really been leaders on many of the campuses, and are so recognized. The Amy Burnham Onken Award for this province went to Anne Burton of Ontario A chapter. Anne has been an outstanding leader in her fraternity and also on her campus. Her scholarship too was extremely high. She has contributed much to her fraternity, her chapter and her university.

The Alumnae Advisory Boards have been a continued help to me and to their respective chapters. They and our fine chaperones deserve our appreciation and gratitude for their loyal support, and unceasing service to Pi Beta Phi.

I should like to thank the Province Chairman on scholarship for her great assistance to our Province chapters and to me. My grateful acknowledgement too to Grand Council and particularly to Miss Onken for all help and assistance given to me this year.

Respectfully submitted,

EVELYN M. SLIFER

BETA PROVINCE PRESIDENT

As I come to the close of my first year as Province President I am aware of a greater realization of the worth of the ideals and traditions of Pi Beta Phi. The nine chapters of Beta Province that it has been my privilege to work with, both through correspondence and on chapter visits, are the proof that young women can achieve a great deal through fraternity membership. Unselfishness, cooperation, campus activity participation, and a desire for high scholarship have been displayed in every group. The chapters that are first in scholarship are Ohio Δ and Ohio B. Ohio A and Ohio Z are second on their campuses missing first place by a fraction of a point. Departmental honors, Phi Beta Kappa and similar honoraries are well represented.

Rushing was quite successful throughout the province. Ohio E, one of the two chapters who has had second semester rushing, is happy to announce first semester rushing for next year. Ohio Δ will still have deferred rushing.

Houses and suites throughout the province have been redecorated. The houses are being taxed by larger memberships and suites are bulging at meeting time. West Virginia A is enjoying a completely redecorated and improved home and Ohio B is looking forward to redecoration when they return next fall. Ohio Wesleyan is making good use of their beautiful new lodge.

Extracurricular activity is outstanding. The interest and leadership in Woman's Self-Government Organizations, Y.W.C.A., Red Cross, music and sports is most gratifying. Mortar Board and its equivalents have honored so many Pi Phis. Sophomore honors are on the increase which presents a fine outlook for the future.

The Amy Burnham Onken Province award was won by Margaret (Peg) Murphy of Ohio Δ. Peg's record was most unusual in the number of elected offices.

Her consistency of effort has received recognition nationally as well as on the campus and in her Pi Phi chapter. Peg's home is in Zanesville, Ohio, and she is a Pi Phi daughter. The other chapter nominees for the Amy Burnham Onken award were Mary Newkirk, Ohio A; Virginia Lou Stansbury, Ohio B; Suzanne Niles, Ohio E; Margaret Dennison, Ohio Z; Ann Cooper, Pennsylvania B; Sarah Haddock, Pennsylvania T; Betsy Ferguson, West Virginia A; and Cheta Ingram Carr, West Virginia B. All are exceptional Pi Phis and have made outstanding contributions to their colleges and chapters.

The Province is 100% in contributions to the three fraternity projects. There is a new interest in securing magazine subscriptions. Pennsylvania B, Pennsylvania T, and Ohio B have each sponsored a child through Save the Children Federation. Others have made contributions.

It was an honor to play host to our Grand President when she was guest speaker for the Panhellenic Scholarship Tea at Ohio State University. Miss Onken gave a practical as well as an inspiring talk, commanding a hushed attention not always apparent at such a meeting. Pi Phis were more than proud of the complimentary comments made to them by fraternity women of the twenty-three Panhellenic groups.

I would like to express my appreciation for the friendly cooperation of each chapter, advisory board and alumnae. It is a pleasure to work for people when you feel that they are working with you.

To Miss Onken and the other members of Grand Council, the Director of Central Office, as well as National Committee Chairmen, may I express my appreciation and sincere thanks for your inspiration and help. It has been a privilege to serve the Fraternity this year.

Respectfully submitted,

EDITH H. RANKIN

GAMMA PROVINCE PRESIDENT

The greatest thing of the year in Gamma Province has been the cooperation of all the chapters with the province officer. Early in the year we set up a plan for correspondence which during the year introduced me to practically every Pi Phi in the Province. Every chapter without exception adhered to the plan and it proved very beneficial to me especially since circumstances precluded regular chapter visits.

We were very fortunate to have Mrs. Hagee as the Grand Council visitor during the fall term and her wise counsel and advice was well received throughout the province. I had one day with Virginia T, Virginia A, and Maryland B when I was their speaker at a Founders' Day meeting in Williamsburg. And then, time crept up on me and exam schedules kept me from regular visits. However, I was able to arrange a visit with North Carolina A, North Carolina B, and South Carolina A. These visits were a great thrill and inspiration to me. I felt and I hope that the girls felt too that our meeting was very valuable. We took a look at the chapters in retrospect, ironed out difficulties and I hope that by that method we gained inspiration and strength for next year. Gamma Province has a very strong family feeling and every chapter is interested to know every other chapter and they want to exchange ideas. It is a fine spirit, I think, and shows increased feeling of loyalty to, and interest in, the national scope of Pi Beta Phi.

In scholarship, the province has not done as well as it could and should have. Maryland B, Virginia T, and D.C. A, are at the top of the list. The other chapters are capable of so much better work and the three mentioned have room for improvement. The chapters, one and all, are conscious of the importance of good scholarship and scholarship programs have been well thought out. We all agree that it is a matter of individual responsibility. Some technicalities of grading in the different systems were caught early in the winter term and we feel confident that the picture of scholarship in Gamma Province will change with the next report. It is a point of great emphasis with us.

The chapters have shown their competence in handling their finances this year. South Carolina A had an involved problem concerned with their financial reports but that has been straightened out and they will be up to date when they begin in the fall. Maryland B had some difficulty in getting enough girls to live in the house in order to meet expenses but their plans are in order so that this problem will not be with them in the fall. North Carolina A has a tight budget but they are meeting their financial obligations. They need a considerable amount of work done to the house but are without the necessary funds. They are soliciting for contributions from the alumnae for this necessary repair work and individual members

have pledged part of their summer earnings for this purpose also.

The housing situation is approximately the same as before. Maryland B, Virginia Γ, and North Carolina A live in chapter houses. D.C. A maintains an apartment close to the campus and North Carolina B has a room in the Panhellenic House while Virginia A has its sorority bungalow on the campus. South Carolina A has a room in a special sorority set-up in the dormitory on the campus. North Carolina B had a doubling of their rent imposed upon them for next year so they must rearrange their budget in order to meet it.

More than ever there seems to be the need for greater strength in Panhellenic on the campus and in Gamma Province great strides have been made in that direction. A closer cooperation among sororities has become necessary on several campuses to combat open agitation in the whole fraternity system.

Much credit goes to Advisory Committees in Gamma Province. In every instance they have been of great service to the chapters and they have certainly been helpful to me in my new position. And while I speak of Advisory Committees I want to remember too the excellent Pi Beta Phi Alumnae Clubs in this province. They have meant much to the actives and have made evident to them that there is a Pi Phi life after college and through their examples of living and service to the community the actives have learned to know that Pi Phi ideals are everlasting ones. The continued devotion and loyalty to Pi Beta Phi on the part of the alumnae speaks very loudly to the actives.

The chapters have made contributions to Holt House, Settlement School, and the Scholarship Fund and have entered enthusiastically into programs of service to others on the campus and in the community where they are located. I have noted throughout the year that the chapters are alert to situations where

they can make a charitable contribution not only materially but giving freely of their time and effort.

The winner of the Amy B. Onken award for the province is Winifred Harriss, North Carolina A, an outstanding Pi Phi in every respect. All of the candidates deserve special recognition and they are: South Carolina A, Gretchen Miley; North Carolina B, Patt McAlister; Virginia Γ, Mary Jo Finn; Virginia A, Mary Malone; D.C. A, Janet Wildman; and Maryland B, Dorothy Drake.

Our weakest point is scholarship and so we are going to put forth with diligent efforts in that direction. We are going to help each other recognize and do something about this individual responsibility. To fail to live up to our full capabilities is failing not only in meeting Pi Phi standards but we are just as surely unfair to ourselves. We are going to keep our "family spirit" alive in the Province so that we can better contribute to the national picture of Pi Beta Phi. We are going to live in such a way as to better interpret the whole fraternity system to others as a real part of the American Way of life. We are going to remember constantly that Pi Beta Phi means noble womanhood.

I am looking forward to my visits to the chapters in the fall and truly feel that to be a province officer is a great privilege. The province president wishes to extend her sincere thanks to Miss Onken, who has shown such a wonderful expression of friendship and sympathetic understanding along with fine advice and suggestions. It has been difficult to follow so fine and capable an officer as Betty King and Grand Council and Pi Phis everywhere have been a real inspiration and help to me. I am grateful to each and every one.

Respectfully submitted,
BETTY HENRIETTA LUHRING

DELTA PROVINCE PRESIDENT

THIS has been a difficult year for Delta Province due to the fact that the Province has had three different Province Presidents. Early in the year death claimed our devoted Irene Hoggatt. Following her death, Ann Cummings carried on the work until Christmas at which time this reporting officer took over. In spite of these changes the splendid internal organization of the chapters and efficient work of chapter officers plus devoted Advisory Board supervision brought the Province through the year in a most creditable manner. At this point I would like to take the opportunity of expressing appreciation for the work done by these groups. During the Chapter visits the manifestations of this devotion to the local situation was most apparent.

The Province has had some outstanding success during the year in the scholarship area. Indiana Δ has made an outstanding record on its Campus in scholarship. The attainment of the Stoolman Vase indicates success on the national level as well. Indiana B and Michigan B achieved pronounced improvement, placing them in the higher brackets on their campuses. One of the gratifying things in all the Chapters in the Province was the adoption of study table. The conviction that there is no substitute for this academic technique was a satisfying achievement to this officer. The vision and cooperation of the officers and chapters was the thing that made this possible. Indiana E had the honor of having three Phi Beta Kappas. The honoraries of the various other chapters are too numerous to mention in this report.

This has been a tremendously large year for Delta Province in activities. Most chapters followed a plan of required activities for their members. This resulted in the attainment of a staggering number of high responsible positions on the various campuses. The records of each chapter show an impressive number of executive positions in campus organizations.

Two of the highlights of the Province history this year were the Indiana State Day at Indianapolis and Michigan State Day at East Lansing. The Indiana State luncheon was the occasion for the awarding of the Amy B. Onken Award to Janet Polson, Indiana B. Patricia Gilpin was awarded second place at the Michigan State luncheon. The Michigan State luncheon had the honor of having Miss Onken give the address and the previous day she distinguished the Michigan Gamma Chapter by initiating the new pledge class.

The housing situation in the Province remains much the same with the exception of the beautiful new house at DePauw. The Indiana E Pi Phis held the dedication of this new house on June 9 and it is truly an addition to DePauw campus. Michigan A, Michigan B, and Michigan Γ as well as Indiana A have all made improvements and done redecorating. The homes of the various chapters in the Province are a definite credit to their respective campuses. A great deal of the credit for this situation can be given to the chapters Advisory Boards and House Committees. These two groups have worked most faithfully and with excellent judgment and good taste.

Delta Province has responded very generously with

one hundred per cent participation in support of the fraternity projects. Michigan A and Michigan I cooperated in the support of the child care program, giving \$96 to this very worthy project.

In concluding this report it is with the deepest regret that this officer finds it necessary to relinquish her position as Province President. The joy in the

friends made and the cooperation experienced will be treasured experiences. Her interest and affection for each group is not altered by her resignation. Best wishes are extended for continued success of the chapters of Pi Beta Phi in Delta Province.

CAROL M. COOK

EPSILON PROVINCE PRESIDENT

SERVING as province president for only a few months, it has been a real pleasure to look back over the activities of the year, and to see the accomplishments and fine spirit of the Epsilon Province Pi Phis. It has been gratifying to hear the reports of the various deans, and the alumnae advisory boards. Naturally, my greatest pleasure has come from visits with the active chapters, in which I had the opportunity to meet and know the members.

Another fact that was significant to me was the number of things the chapters have done for other groups. Several had Christmas and Easter parties for underprivileged children; Missouri B has continued its work with the Scout troop for feeble-minded girls; and others participated in money-raising campaigns for worthy causes. Too, I was impressed deeply with the member's loyalty to Pi Phi and its principles; their cooperation; their enthusiasm and good fun; and the closeness of most of the groups, even though some do not have sorority houses.

The chapters have been outstanding in activities during the year. Several have made use of an activity point system, and have found it most helpful. Participation in student government, publications, departmental clubs and church organizations especially were noteworthy.

An unusual number of Pi Phis were elected to various honoraries. Eleven girls were tapped for Mortar Board, and three for its equivalent; eight are listed in *Who's Who in American Colleges and Universities*; and many more are members of departmental and class honoraries. The province had its share of queens and sweethearts, too.

Even though the chapters have been outstanding in activities, scholarship has not been neglected. Six

girls are Phi Theta Kappas, two others are members of equivalent, and one is a Tau Beta Kappa, engineering equivalent. Two members of Kentucky A have won scholarships to study in Europe, and Missouri A's president received a scholarship for a year's work in Cambridge.

The Amy B. Onken award winner for the province is Georgia Dunbar, Missouri B. Other nominees were: Missouri A, Sue C. Coker; Tennessee B, Betty Ruble; Tennessee A, Janis Haskew; Tennessee I, Joan Addington; Missouri I, Carolyn Compton; Kentucky A, Nettie Lou Graham.

Each chapter can look back upon some activity of the year as being particularly outstanding. Some events that were of special interest were: Tennessee A's chapter house party in Florida during spring vacation; Miss Onken's visit with Missouri I; Tennessee B, in one week, receiving one-third of the elected campus officers, Junior Prom Queen, and Lady of the Bracelet (Highest award to a woman student); Missouri A's Founders' Day celebration with Alice Mansfield and Marie Hagee; Kentucky A's seven queens; A Tennessee I being chosen band sponsor for the Cotton Bowl game; and Missouri B having the ABO award winner, and a very special Founders' Day banquet.

My work with the province has been a real challenge, but one of the most interesting and enjoyable things in which I've had a part. I am deeply grateful for the assistance and guidance given me by Miss Onken and other Grand Council members, and the cooperation and understanding of the chapters and advisory boards. It is a privilege as well as a pleasure to have a part in such a wonderful province.

Respectfully submitted,

POLLY FESSEY

ZETA PROVINCE PRESIDENT

AS WE come to the end of another year, it is with a feeling of great satisfaction and pride that I review the results of this past year. Every chapter is filling an important place on its respective campus and has worked in a sincere and earnest manner to attain this deserving place. Inspired by convention, we of Zeta Province started the year with enthusiasm and determination to reach our goals. Not all of our aims have been realized but we have made great progress.

Emphasis has been placed on scholarship and the results are very gratifying. Alabama A has held first place for two consecutive quarters, Florida B won the scholarship cup for 1950-51, Georgia A won the scholarship for 1949-50, Alabama B came up from close to the bottom of the list to second place and missed first by only a fraction. The other two chapters in the province have shown progress and Florida A claims second place for winter quarter. We of Zeta Province are proud of this scholarship record.

All the chapters were 100% contributors to our national projects and Alabama A and Georgia A con-

tributors to Save the Children Federation with Georgia A taking a full sponsorship. Florida I contributed to the Emma Harper Turner Fund as well as the other projects.

The Army Burnham Onken Award for the province went to Jo Anne Terry, Georgia A. Six worthy and deserving girls were nominated for this award. How I wish I could have nominated six for the national award! The candidates from the province for this award were: Katherine Ann Price, Alabama A; Mary Fraser Kennedy, Alabama B; Barbara Brundage, Florida A; Jean Sayer, Florida B; Carolyn Alfred, Florida I.

Circumstances beyond my control prevented my making chapter visits to Alabama A, Alabama B and Florida I. The loss was mine and I regret that it was not possible to visit these chapters, renew old acquaintances, and meet the new actives and pledges.

Rushing was particularly successful throughout the province, many fine girls were pledged and the largest majority initiated. Every campus in the province has

a quota, and with few exceptions the full quota was pledged by the chapter. Rushing rules and procedure, as well as the campus-wide Panhellenic activities, have been topics of discussion on all campuses with plans and hopes for an improved rushing system for next fall. Faculty relationships have been strengthened by social functions including faculty and members of the Administration as guests. All chapters have had formal dances with beautiful and unusual themes used for decorations, as well as many informal affairs.

Zeta Province has won many campus honors this year—the full list would be far too long to print.

From its list of honors one might think that Zeta Province had only "Brains," but there are "Beauties" as well. Florida A has "Miss Stetson," Florida B "Homecoming Queen" and member of May Day Court. Florida F "Queen of Hearts" and Georgia A "Homecoming Queen" and Sesquicentennial Queen. Every chapter has more than one fraternity "Sweetheart."

ETA PROVINCE PRESIDENT

IT HAS been an enriching experience and a great privilege to work with the chapters of Eta Province this past year. I was pleased to be able to visit all nine chapters during the year; these personal contacts with the girls, the chaperons, and the college personnel, proved most beneficial to me, and I hope I was of some assistance to my chapters. Their thoughtfulness and friendliness during my visits left me with a deeper appreciation of the meaning of Pi Beta Phi. True, we have had our problems, but each chapter has shown splendid judgment and adult thinking in the handling of these problems, and I feel confident that a keener sense of responsibilities has been fostered within the province.

During the first semester, the Wisconsin chapters were honored by a visit from Helen Anderson Lewis, and this spring most of the Illinois chapters received a visit from Mrs. A. W. Morrison, Eta Province Scholarship Chairman, a trip made at her own expense. All chapters wrote me of their appreciation to these two for the help and inspiration they had given the chapters.

Of special interest to all Pi Phis is the Amy B. Onken Award. Each candidate for the award was an outstanding girl on her campus. After careful consideration of all the requirements, Christine Crons, of Wisconsin B at Beloit College, was chosen from Eta Province and it was my privilege to make the presentation at their Founders' Day Banquet. Other candidates were, Beverly Hollett, Wisconsin A; Joyce Herreid, Wisconsin F; Patricia Clark, Illinois A; Charlene Hiatt, Illinois B-Δ; Josephine Sundine, Illinois E; Shelia McMurray, Illinois Z; Sandra Lukey, Illinois H; Nancy Millikan, Illinois Θ.

Eta Province is 100% in contributions to the three fraternity projects, and three chapters have full sponsorships in Save the Children Federation, Wisconsin A, Illinois E, and Illinois Z; others are supporting foster children through their Panhellenic. Each chapter through the year has had some local philanthropy. Many have given parties for underprivileged children at Christmas time.

The scholarship data is incomplete for the year. With the exception of three chapters, there has been an improvement or a stand-still in comparative rating with other groups. Last year Wisconsin A actives placed second on the campus, but the pledges ranked fifteenth, bringing the chapter down to twelfth place.

This has been a splendid year for Zeta Province, every chapter excelling in many ways. Each chapter ranks at or near the top by its college administration and the other fraternities. Zeta Province President is proud to have had the privilege of working with them.

To the actives and Alumnae Advisory Committee members I would like to thank and express my appreciation for their whole hearted cooperation and their expression of true friendship. To members of Grand Council and National Committee Chairmen who have never failed to give assistance and understanding I express my deep appreciation. To Miss Onken whose help has been unending I wish to express my deepest gratitude and thanks. It has been a privilege and a joy to serve in the capacity of Province President for the fraternity.

Respectfully submitted,
EDYTHE BELTON TYLER

The fall semester of this year found the chapter in seventh place. Wisconsin B was first on campus last year and the fall semester found them leading all groups by a large margin. Their pledges led all other pledge classes by quite a margin, also. Wisconsin F was in sixth place last year and again for the fall semester of this year, but the mid-semester grades this spring showed a definite improvement, so we are hoping for a climb up the ladder. Illinois A ranked in second place at Monmouth College last year, but slipped to third place in the fall term. Illinois B-Δ has been first in scholarship at Knox for two years, but this year's rating will not be issued until a later date. Northwestern University has never published comparative scholarship lists, but may do so this year. We do know that Illinois E ranked in fourth place the first quarter of this year, with a 3.8 or C plus average and that they raised that average to a 4.6 or a B the second quarter. Illinois Z dropped from the first Quartile down to the second Quartile for the first semester, but are endeavoring to improve this semester sufficiently to climb back into the first group for the year. Illinois H ranked first in scholarship last year, and the actives did the same the fall term, however the pledges brought the chapter ranking down to third place. Illinois Θ was first on Bradley campus last year but slipped to second place in the fall. Scholarship was the one field in which there has not been the desired improvement. The following chapters have representation in Φ B K: Wisconsin B—2; Wisconsin F—1; Illinois B-Δ—2; Illinois E—2; Illinois Z—1.

Rushing was most successful for all chapters in the province and with the exception of two chapters the initiation rate was exceptionally high. Illinois E led the province in this respect initiating all but one pledge. 207 girls were pledged in the fall, 160 were initiated, and 20 have been pledged during the year. Knox College is starting deferred rushing next year.

The housing situation remains the same as last year. Four chapters have attractive and adequate houses which take care of most of the out of town members. Illinois Θ is to have a new house on the site of the present one which houses only six or eight girls and the chaperon, but is used by the chapter for meetings and social functions. Wisconsin B has a charming house, used as chapter headquarters. Illinois B-Δ shares Panhellenic House with the other women's fra-

ternities. Wisconsin Γ and Illinois A have suites of rooms in Panhellenic Houses. The six Pi Phi chaperons are competent and understanding and we are grateful to them for their interest and guidance. Wisconsin A regrets the loss of Mrs. Smith this spring.

It was a pleasure to confer with the Deans of Women in the province and to learn of the high regard in which each chapter is held. It is proof that our girls are aware of the importance and necessity of leadership, and of maintaining high standards; and that they are also meeting their responsibilities to college administrations.

The Advisory Boards in Eta Province deserve a great deal of credit and praise for the fine work with the chapters. They have given willingly of their time and efforts to give our chapters the benefits of their judgment and experience. The close relationship between the chapters and Boards was most gratifying.

I would like to thank the chapters for their complete cooperation during the past year. The reports

and letters of the various officers have given me a continuous picture of each chapter and have provided the inspiration that comes from the knowledge of what fine things the chapters in Eta Province are doing. To the girls in each chapter who have not held offices, may I extend my appreciation and praise, for it is because of your support and cooperation that your chapter has had a successful year. To the Advisory Boards may I express my deep appreciation, for your able assistance to your chapters and also for your invaluable help to me.

May I take this opportunity to thank Grand Council and committee members for your guidance, and to Miss Onken and to Miss Scivally, my sincere appreciation for your patience and constant help in my first year. It has been a pleasure to work with all of you, and a privilege to serve Pi Beta Phi.

THETA PROVINCE PRESIDENT

THETA Province was represented at the 1950 Pi Beta Phi Convention at Jasper by Betty Whipple Frantz, province president, the seven official chapter delegates and four alternate delegates. The delegates brought back new ideas, new songs, information and "know-how" about Pi Phi procedures and policies, knowledge of our national projects, and an immeasurable quantity of inspiration and lovely memories. It was my good fortune to attend the Jasper convention as an alumnae club delegate, but it wasn't until the fall rush periods were just beginning and the college year getting under way that, as an interim appointee, I assumed the office of Theta province president. Working with the active chapters of our province and with our national and other province officers has been a very rewarding personal experience, and I hope that I have been able to help the chapters move forward constructively.

Our chapters have known ups and downs in scholarship, but the over-all picture is quite gratifying. Two chapters, Iowa A and Iowa B, were first on campus; Iowa Z, Iowa Γ, North Dakota A, and Manitoba A were in the upper third; Minnesota A was in the middle third. No chapter was in the lower third. Iowa Γ was second on its campus and held first place one quarter. We are especially proud of Manitoba A for raising its scholarship grade from 5.478 in the lower third to 33.44 in the upper third. Five chapters maintained or improved their scholarship grade. Iowa A has won the scholarship cup at Iowa Wesleyan four straight years and retired the trophy permanently last fall. Iowa Beta won the Kappa Province Scholarship Plaque at the 1950 convention for being the Pi Beta Phi chapter with the longest consecutive record of being first on campus.

Iowa B brought another award back from Jasper, for the chapter tied with Indiana Γ for the Stoolman Vase.

We have been fortunate this year in having as our province scholarship supervisor Mrs. Will Hoxie of Ames. Every scholarship chairman has commented on how helpful she was and how much they enjoyed working with her. We are very sorry that time demands at the Kappa Sigma house make it necessary for her to resign.

Participation in campus activities has brought credit to individual Pi Phis and to their chapters. Every

chapter has had excellent representation on campus committees and in campus offices, and there is much tangible evidence that Pi Phis are good citizens of their college communities. There has been a wide spread of participation throughout the chapters in many varying fields of interest—with many Pi Phis achieving positions of leadership and recognition for their service, and many more Pi Phis contributing in less spectacular ways something worth while to their campuses in fields of activity particularly meaningful to them.

We have been trying to instill in our representatives to Panhellenic the concept of Panhellenic as a co-operative organization which necessarily has to make some rules for orderly procedure for the common good of all, but which should have a constructive, forward-looking program of its own. Iowa B started the idea of social exchanges between women's fraternities on its campus by giving a bridge party for the other groups. Panhellenic at Simpson is now sponsoring exchange dinners between women's fraternities. A further all-campus social event sponsored by Iowa B was a "Beau and Arrow Tea" in the spring honoring all girls on campus pinned or engaged during the year. Iowa A has had as its slogan, "Every day a Pi Phi do something nice for a girl who isn't a Pi Phi." Panhellenic at Manitoba sponsored a large tea dance before the major rush season to stimulate interest in women's fraternities, and some groups have cooperated on philanthropic projects. Panhellenic at Minnesota has sponsored many joint philanthropies and an ambitious Greek Week. This year Panhellenic again voted to ask for a return to fall rushing rather than deferred, and the Senate Committee on Student Affairs has approved the request. For the first time the men's and women's fraternities at the University of Iowa sponsored a Greek Week. There were Panhellenic Workshops at both Iowa State College and the University of Iowa. These workshops and discussion groups are very worth while. The emphasis in the Iowa Workshops was on officers' duties, each house being hostess to one set of officers: presidents, treasurers, etc. Iowa State conducted discussion groups on pertinent topics and a convocation summarizing the different discussions, followed by a "fruit basket upset" dinner.

One cannot say too much about the value of strong

alumnae support and the help which an alumnae advisory committee which works closely with the girls can give to a chapter. We seem to be blessed with loyal committee members eager to be of service to Pi Beta Phi. They give of their time, understanding, and judgment, and the closer they are to the active chapters the more effective they are. Mothers clubs and alumnae clubs have given much of material benefit, lovely gifts at Christmas time and throughout the year.

I am grateful to the five chaperons for the high standards of entertainment, management, and supervision which they set. Iowa B and Iowa F had new chaperons this year; North Dakota A and Iowa F will have new chaperons next year. Iowa Z obtained permission to initiate their chaperon, Mrs. Evans, into Pi Beta Phi.

Deans of women, or persons occupying comparable positions, were most complimentary about the good citizenship of members of Pi Beta Phi on their campuses, about their high social standards and standing in the college community.

All chapters were 100% in contributions to Settlement School, Holt House, and Harriet Johnstone Scholarship Fund. The confirmed contributions to date total \$50 to Settlement School, \$40 to Holt House, and \$2 to Harriet Johnstone Scholarship Fund. Manitoba A and North Dakota have each taken a full sponsorship of a European child through the Save the Children Federation. Many chapters sponsor philanthropies of their own or share in campus-wide projects. Minnesota A also provided board and room in their chapter house for Grete Galsgaard, a lovely Danish girl who was crowned Queen of SLA Day and is graduating this June summa cum laude. The chapter is proud that they have contributed to the successful completion of Grete's education. Another student has been invited to live with them next year.

This being my first year in a field of endeavor quite new to me, my major emphasis has been on fundamentals: constantly talking about efficient internal organization, stressing officer training and continuity, procedure notebooks, following instructions in the manuals, keeping up records in the archives, monthly

reports from chairmen to supplement the president's letter, program planning and thoughtful attention to Pi Phi nights, careful pledge training, scholarship supervision, well laid rush plans, etc. All chapters have made progress toward our goal; some, of course, arrive a little faster than others.

The nominees for the Amy Burnham Onken Award were exceptionally fine, able young women—a real credit to their chapters and the fraternity nationally. It was most difficult to make a choice, because all were deserving to win. The nominees were: Janet Sutherland, Iowa F, Theta Province Award winner; Joan Phillips, Iowa B; Lucretia Gehrke, Iowa Z; Eleanor Ruud, Minnesota A; and Donna Mae Gilbertson, North Dakota A.

In October and November Mrs. Helen Anderson Lewis, Director of Rushing and Pledge Training, visited the three northern chapters. Mrs. Lucile Douglass Carson, Grand Secretary, visited the Iowa chapters in February. Their visits were enthusiastically reported by the chapters, all of whom were stimulated to do a better job. I am especially grateful to both Mrs. Lewis and Mrs. Carson for bringing with them so many good, constructive ideas and so much inspiration. It was of inestimable help to me as a new officer to have experienced national officers visiting the chapters this year. My own visits were made in November, December, and January, and were very rewarding indeed—in knowledge gained of each chapter's needs, in chapter response to suggestions, and in the lovely Pi Phi friendships made with both active and alumnae.

To Miss Onken I am especially indebted for her helpfulness, her unfailing patience, her readiness to answer all questions, and her constant encouragement. I would like also to acknowledge the very real assistance of Betty Whipple Frantz, former Theta Province president, and Helen Wright Grant, Theta Province vice-president, in getting me started last fall.

Respectfully submitted,

FLORENCE GREEN HOFFMAN
Theta Province President

IOTA PROVINCE PRESIDENT

BEFORE turning over the Province President's File to Mrs. Bundy, I will write this Annual report to the ARROW.

Chapter visits made this Fall found many inspired and ambitious Pi Phis planning to make this an outstanding year for Pi Beta Phi. So many Iota Province members attended Convention and they had returned fired with ambition to excel.

Iota Province was proud that one of ours, Colorado B, had brought the Balfour Cup back from Convention. The disappointment of other chapters that they didn't win was eased by the fact that it was in the Province. Kansas B won the Historians' Cup with a 100% Chapter History and Colorado B had Honorable Mention, on their 99% History. Two Harriet Johnstone Scholarships were awarded in the Province, one to Barbara Gromley, Colorado A and one to Donna Rabinoff, Colorado B.

In most cases, quotas were filled or increased and the province pledging numbered 164.

Most chapters had done some decorating, but Wyoming A's extensive remodeling and redecorating was the most important. How proud these girls are of their beautiful home!

Last year's Scholarship reports found three chapters with firsts—Colorado B, Nebraska B and Wyoming A. The others are working hard to make the Province

100% with eight firsts. Some chapters are anticipating Φ B Ks and Φ K Φ s in their spring elections.

Kansas A and Kansas B can boast a visit from our Grand President and South Dakota A and Nebraska B both enjoyed a visit with our Grand Secretary.

The nominees for the Amy B. Onken Award were truly outstanding and were proudly presented. Jane Newton was Colorado B's choice and she was the Province winner. Kansas A presented Margaret Granger; Kansas B, Ann McMillen; Nebraska B, Joel Bailey; South Dakota A, Janet Swab; Utah A, Joan Olpin and Wyoming A presented Donna Zell Willis.

I regret that I was unable to continue as Province President for my full term. I will miss the wonderful contacts I have had with eight fine chapters, their housemothers and their Alumnae Advisory Committees. I am especially appreciative of the close relationship between the active chapters and the committees. Many thanks to Grand Council, the Advisory Committees and to all Iota actives. It was with your co-operation and help that I have been able to report and boast of the honors and achievements of these wonderful Pi Phis. I deeply appreciate the rare opportunity of sharing their pride in reporting for Iota Province.

Respectfully submitted,

LUCILLE NITSCHKE JUNGE

KAPPA PROVINCE PRESIDENT

There was evidence of a closer bond between the chapters in Kappa Province, and between them and the Province President, this fall, a direct result of the warm friendships formed during the wonderful days at Jasper Park. This was made even closer for the Province President by her visits to the chapters, delayed until March because of various complications for earlier dates.

Scholarship remained the focal point for the major Province attentions, and with varying results. Oklahoma B once more won the Panhellenic Cup for first place on campus for the year 1950, the sixth consecutive year for this honor. This indicated a considerable lead over other fraternities in their first place of second semester of last year since they dropped to third place for first semester of this year. Oklahoma A, after losing by a narrow margin the first place on campus for the second semester of last year, regained this coveted honor for first semester this year. Louisiana B had the highest average first semester of this year it has had for some years, but unfortunately the entire campus raised averages so that their comparative standing was not bettered. Texas B won the cup for the greatest improvement on its campus, coming up from twelfth to eighth place. Texas A maintained the improvement they made the year before by remaining in fourth place on the campus. To the chagrin of the chapters and the concern of the Province President, Arkansas A and Louisiana A dropped in comparative rating on their campuses.

Arkansas A, Oklahoma A, Texas A and Texas B have had paid supervisors for their study halls, the first three, along with Oklahoma B, holding theirs in the chapter houses, while Texas Bs studied in a classroom on the campus. The Kappa Province Supervisor of Scholarship has been of inestimable assistance in working with the chapter Scholarship Chairmen on plans for careful checking of grades, analysis of weaknesses, and stimulation of chapter members to adopt most effective study incentives. Generally speaking, there is a real effort to gain the fullest return from a college education and a serious application to the business of reaching that goal.

Big news in the Province is the new Texas B house now under construction. To cost \$125,000 it will house thirty girls and provide living, dining and chapter rooms to accommodate the present chapter of about ninety members. It is one of eleven women's fraternity houses now going up on S.M.U.-owned land a block from the campus, all of Georgian style in keeping with campus architecture and all partially financed by University loans. It is scheduled to be ready for the opening of school in the fall.

Oklahoma B almost feels as if it, too, had a new house for a sizeable wing was added to their house and considerable remodeling done. The work was completed about Thanksgiving time and members rejoiced in the enlarged quarters—a dining-room more than twice its former size arranged for double-duty use for the fraternity dance-hours, an additional living room, a new chapter room, study hall, guest room, and new or enlarged bedrooms for forty-eight girls.

Arkansas A's house had been redecorated, Texas A enjoyed their air conditioned playroom and sleeping-porches, and Oklahoma As returned to find a gaily decorated lounge.

Texas A grieved over the loss of their fine chaperon, Flora Winton, who resigned April 1 to accept a position as Hostess of the Woman's Forum at Wichita

Falls. Temporary arrangements were made for the rest of this school year, and Mrs. George Pettygo, formerly of Hockaday School, Dallas, has been engaged for the coming year. Our other fine Kappa Province chaperons continued with us—Mrs. Clifton at Arkansas A, Mrs. Quigley at Oklahoma A, Mrs. Parker at Oklahoma B, and Mrs. McClellan at Texas B.

Arkansas A continues to operate under the sophomore pledging instituted a few years ago. Freshmen live in Holcombe Hall and are almost isolated from normal contacts with fraternity members except for specially designated Sophomore Councillors. This deferred pledging has reduced the size of chapters at the University of Arkansas so that this year Arkansas A discontinued its annex, all out-of-town members and pledges living in the chapter house.

Oklahoma A and B again were limited to upperclassmen for house-pledges, all freshmen living in school dormitories. Pledges in both these schools, and at Texas A, eat at least one dinner at the house weekly, spend one week-day evening there for pledge meeting and any joint affairs that may be scheduled. Texas B freshman pledges will remain in S.M.U. dormitories even next year, but upperclassmen may live in the house if grades are satisfactory and there is room.

Where pledges do not live in the houses, chapters are fostering special conferences with individual pledges and entertaining them individually as overnight house guests.

Kappa Province pledged a total of 228 to Pi Beta Phi this fall, ranging from Texas A's 46, through Texas B's 35, to Oklahoma A's 29, Oklahoma B's 28, Louisiana B's 25, Louisiana A's 24, to Arkansas A's 22. Of these 207 returned to their campuses second semester, and 174, or 84%, were initiated. Twenty additional pledges were Kappa Province's share of second semester rushing on the campuses which have this.

Chapters again fostered social contacts between the members and the faculty, with faculty teas by Arkansas A, Louisiana A; faculty dinner guests on numerous occasions by almost all the chapters. Texas A promoted interfraternity spirit by inviting one men's fraternity and one women's fraternity president to weekly chapter dinners; Oklahoma B entertained representatives from all the groups who had invited them to dinner during the period of time they were unable to eat at the chapter house before the new kitchen was completed.

Southern Methodist University held its second Greek Week this spring and the speaker for the Panhellenic meeting, as well as the leader of some of the Round Tables, was our own Grand President, Miss Amy Onken. Oklahoma University's Panhellenic took definite actions this spring discontinuing pledge walk-outs (the Pi Phi pledges this year had voluntarily given theirs up and donated the costs, \$78.00, to the March of Dimes) changing the former "blind date" program for pledges to a series of Open Houses, and decided that students with below a C average should not participate in any campus activities outside of sports.

Two chapters held house-parties on the Gulf Coast, Louisiana A and Louisiana B. Texas A spent a week-end at Mo Ranch, where chapter members and adult leaders held discussions, religious services, and played together. All reported these chapter get-togethers as not only enjoyable but truly productive of increased chapter spirit.

Campus activities and honors continued to demonstrate Pi Phi's high place on the records of universities and colleges in Kappa Province.

The outstanding girls in the Province were nominated by their chapters as candidates for the Kappa Province Amy Burnham Onken Award: Glenna Foster, Arkansas A; Sara French, Louisiana A; Jo Ann Thorsen, Louisiana B; Barbara Whitehurst, Oklahoma A; Eleanor Harper, Oklahoma B; Jean Haynie, Texas A; and June Poteet, Texas B. June Poteet was named Kappa Province winner, with honorable mention made of Barbara Whitehurst.

One of our Province pledges wrote this fall: "I had no idea how full of meaning college life could be-

come until I pledged Pi Phi." This report is but a shadow of all that Pi Beta Phi does mean on the Kappa Province campuses—for there is much in the way of campus leadership, contribution to college student life, setting of high standards, and perhaps most treasured of all, the fullness of the fraternity friendships that are in our hearts and so need no written record. There is a fullness of meaning, too, to the Province President who is privileged to work with these chapter members, their fine advisory committees, their excellent and understanding chaperons, and to reap the inspiration of association with the officers and Grand Council members of Pi Beta Phi.

MILDRED SALE

LAMBDA PROVINCE PRESIDENT

IT IS with a great deal of pleasure and pride that I review the past year in Lambda Province. I started my work with a deep sense of inadequacy which has been replaced by a sense of joy in the opportunity to serve the fraternity, any efforts of mine being repaid a thousand-fold by the inspiration I have received from contacts with the active girls, with the members of the excellent Advisory Boards, and with the national officers. Chapter visits were especially important to me in this first year as I tried to educate myself for the work required. Although there were many conferences, there were also enjoyable social hours and I was able to become well acquainted with most of the girls in each chapter, which was a delight to me.

The province has placed special emphasis on worthy scholarship this year. Programs have been well planned and carried out under the capable assistance and encouragement of the Province Scholarship Chairman, Ruth Bate. We feel that our record is admirable. Of the nine chapters, six are in the upper third, two of these being first; Washington Γ which has been first since its installation in 1948, and Montana A which has climbed from fifth to first. Washington B deserves honorable mention for improving its rating from twelfth to third. Of the other three, one is in the middle third, and the other two in the lowest place, but these chapters realize their rating is not acceptable to the fraternity and are making every effort to change the picture.

Chapter and fraternity loyalty have been fostered by the study of chapter and fraternity histories, by careful and complete officer training, and by social and fraternity-study gatherings of nearby chapters. The three Oregon chapters celebrated Founders' Day at Salem with a picnic and suitable program; Washington B and Idaho A also with a picnic at Moscow; and Washington A and Γ exchanged dinner dance invitations.

The housing program is one of remodeling and redecorating. All chapters in the province have living quarters of some kind except Washington Γ which has a large and lovely meeting room. The members of Montana A live in a college owned "Quad" with meals sent in from a campus kitchen. All other chapters own their houses, although one is quite inadequate. Wash-

ington A and B, and Oregon Γ have added new space and all chapters have revamped or redecorated extensively throughout to keep their college homes attractive and suitable. Each house reflects the desired atmosphere of warm friendliness and charm. Much credit for the pleasant feeling in the chapter houses is due the capable housemothers who add graciousness and refinement to the chapters' hospitality.

Every chapter was enthusiastic over its "best ever" pledge class, in spite of unsatisfactory rushing plans on several campuses. Pledge training has been carefully planned to develop loyal and ambitious members. This has become a major problem, pledge-active contacts being limited because of deferred living in several cases and lack of sufficient housing facilities in others. But, through the enthusiastic cooperation of each member, a fine feeling of unity has been attained in every chapter.

Many and distinguished honors have come to the girls in Lambda Province because of their participation in campus projects and organizations. More emphasis is being placed on activities that are of real service to campus and community. All Deans of Women reported most favorably on the fine cooperation they received from Pi Phi chapters, and the high standards maintained by their members.

I had the happy opportunity of presenting the Lambda Province Amy B. Onken award to Shirley Willis, Washington A, at the Founders' Day banquet in Seattle, and also of reporting her qualifications and introducing her to the Tacoma Alumnae at their Founders' Day celebration. All the candidates had exceedingly fine records of scholarship, and campus and fraternity service, so the choice was very difficult. They were: Joanne Gilmore, Oregon A, Ann McGlade, Washington B, Mary Elizabeth Bonnett, Idaho A, and Marjorie Nickleson, Montana A. Lambda Province is very proud of them all.

With the always continuing support and inspiration of Grand Council, the interest and faithfulness of the Alumnae Advisory Boards, and the influence of their fine housemothers, the nine chapters of Lambda Province cannot help but move forward to future attainments that far surpass the excellent gains of the past.

MARY WEIR COOPER

MU PROVINCE PRESIDENT

THIS year has been a continuation of fine progress for the chapters in Mu Province. The province officer is very proud of her chapters and considers it a privilege to be able to work with them. There have been no monumental problems this year but such

problems as have existed have been approached by the girls in a mature manner. They are gifted in the art of constructive self-analysis.

All chapters were visited by the province officer before Christmas and by Mrs. Prouty during the sec-

ond semester. My first visits were made in October to California Z, California B and Nevada A. November found me meeting the girls of California E, Arizona A and New Mexico A. In December I enjoyed the hospitality of California F and renewed old friendships at California A.

The six chapter houses are homes of refinement and culture. Beta has added two sleeping porches so they may now house 48 girls. Gamma redecorated their playroom and made improvements in the bathrooms. Delta redecorated the living room, adding new draperies and reupholstering the furniture. They also replaced the dining room draperies. Arizona A built a new kitchen with ultra-modern equipment, added two new bedrooms and a large new bathroom. When rush week started the house was still in a state of disrepair but the girls cleverly used it to their advantage. The Santa Barbara campus is in the process of being moved to the Goleta campus. The housing situation for the Goleta campus is still unsettled. At present the girls are renting a home in Santa Barbara which houses 20 girls. The Alumnae Club and the Mothers' Club have been most helpful, not only in material gifts, but also in helping the girls to create a home-like appearance, and atmosphere. Like all other fraternities at San Diego State, Epsilon has a room in the House of Hospitality in Balboa Park. It has been beautifully and tastefully redecorated. We are very happy that the governmental technicalities concerning New Mexico's house have been untangled and that the addition of the sleeping rooms to the Lodge is now under way, and that they are going to be able to carry out the plans which they originally had.

We had four new housemothers this year three of whom will return next year. Two of them are planning to attend the Housemothers Course this summer. We are fortunate to have such fine women caring for our girls. We are sorry to lose Mrs. Barnes who has been at Arizona A for two years. She is returning to her home in Michigan.

The ABO nominees for Mu Province were Joan Crawford of Beta, Paula Hinckley of Gamma, Margaret Heyler of Delta, Ann Deputy of Epsilon, Tanya Tatom of Zeta, Lois Bates of Nevada A, Elaine Jackson of New Mexico A, and the winner Kathleen McNabb of Arizona A. California F won the nomination for the Balfour Cup.

Mu Province has contributed 100% to our philanthropies. All chapters are conscious of, and interested in, their responsibility to those worthwhile things which Pi Beta Phi is doing for other people. In addition to supporting our national philanthropies, most of the chapters do nice things for locally underprivileged children at Christmas or Easter time, and they all cooperate with alumnae clubs in local philanthropies.

I am very happy to report that attitude toward scholarship is on the upgrade. Epsilon and Zeta won first place in scholarship on their campuses, and Gamma rates very high according to the Pi Phi formula. I am particularly proud of Beta who raised her rating from 21st to 15th and of their pledges who were in 3rd place. Arizona A has also done well going from 9th to 5th place. Delta improved slightly, however their average would have been higher had they been permitted to count their pledges' average, 2nd place among pledges.

Rushing has been very successful for the chapters. Pi Phi has done well where there are quotas and where there are no quotas. Three of our eight chapters are on the quota. Last September 166 girls were pledged with 80% making initiation requirements

after one semester of pledgship. In February 36 girls were pledged. I wish to pay tribute to the fine helpful work done by the recommendations committees. Their work has been a definite factor in the selection of outstanding girls and has saved the chapters much time and effort when it is most valuable to the girls. The cooperation between the chapters and these committees has been wonderful and has resulted in splendid achievement for the chapters.

I wish to pay especial tribute to the members of the Alumnae Advisory Committees whose tireless, capable, interested and unselfish efforts have played such an important part in the achievements and fine progress of the chapters. The chapters lean heavily on the experienced judgment and wisdom of advisory boards and their helpful interpretation of the fraternity in all phases of chapter life.

There have been close contacts between chapters and their alumnae clubs. A good mutual relationship exists. In all cases Founders' Day was celebrated jointly with the alumnae. Relationship between the chapters and the administration has been very good.

Pledge training and the intangible benefits to be gained from membership in Pi Beta Phi have been stressed this year. The girls realize that the quality of indoctrination which a pledge receives determines, to a large extent, the quality of her future active membership. Pledge-active relationships and their mutual responsibilities have also been stressed. Ways and means of improving scholarship have been given concentrated effort.

All chapters have shared in group activities and in many cases have received tangible rewards, in addition to the closeness engendered by working together on a common project. Beta won first place in the humor division for their Homecoming float, Gamma won first place in the Songfest, first prize in the Trojane Yell Contest, and the volleyball cup on a permanent basis since they have won first place for 3 consecutive years. Gamma also won first prize for The Most Appropriate Theme at the Y Carnival. Delta was in the finals of the Spring Sing which was held at the Hollywood Bowl. They also won the Intramurals basketball trophy. Zeta took part in a most interesting program, called Greek Week, which was designed to promote closer relationship between the Greeks and the citizens of Santa Barbara. Arizona A won the bowling cup, the swimming cup and second place for Homecoming decorations. New Mexico A won first place in the University Stunt Night. Nevada A won first place in the Mackay Day Song Contest.

The chapters have been so well represented in individual honors that it would be impossible to mention them all. Paula Hinckley of California F was the only girl in the province to be elected to $\Phi B K$, and Bingo Piver also of Gamma won the Town and Gown Award for being the most outstanding senior woman at the University of Southern California.

I am indeed grateful to all who have given me encouragement and help this year, grateful to the chapters for their wonderful cooperation, to the alumnae advisory committees for their interest in the chapters and their gracious acceptance of suggestions, to Miss Onken for her invaluable guidance and assistance, to Olga Siburg for having prepared the way so splendidly in turning over to me such excellent chapters, and last but not least, I am very grateful to those unnamed alumnae who have been a source of inspiration and encouragement to me in my new duties this year as a province officer.

Respectfully submitted,

Province Vice-President Reports

ALPHA EAST PROVINCE VICE-PRESIDENT

THE clubs are 100% in participation in Pi Beta Phi projects again although there has been a drop in membership total. All clubs except the two in Canada have held Arrow Craft sales and two clubs sent Christmas boxes to the Settlement School. The Magazine Agency has been an interest of all clubs except one but the commissions are not so large as they should be for the membership.

A Greek child was allotted the province by Save The Children Foundation and most clubs have either sent a CARE package or packed a box of clothing for the family. Clubs have enjoyed hearing from the family.

Programs have been worked out thoughtfully with more speakers from outside the membership. Great interest in actives is evident in the clubs near a Pi Beta Phi chapter. Portland again awarded a bracelet to the outstanding Sophomore of the province, from Vermont B; New Haven and Hartford gave money to Connecticut A and helped with food for rushing; Montreal set up a fund of \$100 to aid needy Freshettes at McGill and are hoping that someday there may be a Pi Beta Phi chapter there.

Montreal has again endowed a bed at the Children's Hospital for \$150 and contributed \$135 to a Cerebral Palsy Fund in which one of their members is actively interested. Halifax contributes tobacco and games to the indigents at the County Home. In other clubs

members take the lead in community services.

I was sorry to be unable to attend Founders' Day celebrations to which I had been invited but reports give evidence of the honor which was accorded our Founders by members. It was a pleasure to attend the last meeting of the Burlington Club, a covered dish supper at which the seniors of Vermont were honor guests.

The Vermont picnic was held at Lake Dunmore and plans were made to hold it at the same cottage this summer. Each year some new members appear to soon become old friends.

There are opportunities for many more clubs in New England; only ten members are necessary. Won't you inquire of your Province Vice-President or of the Director of Extension the procedure of starting a new club? A post card may be the start of a fine club from which members will gain friends and the alumnae department of Pi Beta Phi another link in its chain.

For the splendid cooperation of the officers of the several clubs, who have been most patient and who deserve credit for the progress in Alpha East Province I am deeply grateful. My thanks go especially to members of Grand Council, Committee Chairmen and Director of Central Office for their ever present help and inspiration.

ERMINIE L. POLLARD

ALPHA WEST PROVINCE VICE-PRESIDENT

WE ARE happy to welcome a new club to our Province, Long Island North Shore, with nineteen members. This makes a total of thirteen clubs in Alpha West.

Seven clubs show an increase in membership.

Arrow Craft sales in order of the amount of products sold are: Northern New Jersey, Albany, Schenectady, New York City, Hudson River, Buffalo and Westchester. The total sales amounted to \$3,226.21.

Our donations to Settlement School, Emma Harper Turner Memorial Fund and Holt House have all increased over last year.

The actives and alumnae from Toronto and London held a joint meeting for Founders' Day.

It was a real pleasure for me to attend Long Island North Shore, Westchester and Poughkeepsie Founders' Day celebrations.

Mrs. Rauch who is on the Settlement School committee was the speaker at the Long Island North Shore dinner. Her talk was very interesting. The Poughkeepsie club had Mr. and Mrs. Ben Fleming as

their guests. Mr. Fleming spoke with such gratitude and thanks for the opportunities given him and many others like him by the Settlement School. It made all of us feel very proud and happy to be a part of this worthy project.

The Westchester club has three Golden Arrow members. One is an officer in the club. All of them are always ready to be of any assistance when called upon.

The Rochester club has been contributing clothing to Korea and Europe.

Northern New Jersey, Poughkeepsie, Schenectady, Rochester, Syracuse, Buffalo, Toronto and London clubs have contributed to the active chapters in the province.

My best wishes and thanks to the club officers and members of the fraternity for their cooperation and help. My deep appreciation to Miss Onken, Mrs. Wild and Central Office for their inspiration and guidance.

Respectfully submitted,

EDNA O. ARCHIBALD

BETA PROVINCE VICE-PRESIDENT

BETA PROVINCE with twenty-one clubs is a 100% contributor to the three national projects. Philadelphia is in first place in contributions to the Settlement School, Cleveland East second and Pittsburgh third. Many clubs have contributed generously to chapters through club gifts and chapter help and time given and effort expended.

Many of the clubs participate in their local philanthropies, while Panhellenic is a major interest in several clubs.

Through Chapter Loyalty Day and Founders' Day observances we pay honor to our great fraternity. Our Golden Arrows are beloved in the bonds of wine and blue.

The province welcomes the Province President, Edith Rankin, and the members of the Clarksburg and Elkins, West Virginia, Alumnae Clubs.

I plan to visit the clubs this fall and am looking forward to meeting each club member.

A special thank you to all officers and club members

in Beta Province for your cooperation. It has been a privilege to work with you.

To Miss Onken, Marianne Wild and the other members of Grand Council, the director of Central Office, as well as National Committee Chairmen, I sincerely

thank you for your interest in me as a new officer and for your inspiration, help and patience throughout the year.

Respectfully submitted,
VELVA DE MOSS SHORTZ

GAMMA PROVINCE VICE-PRESIDENT

WE ARE proud to announce an increase in membership with Wilmington, Baltimore and Richmond Clubs as well as in meetings. The Washington Senior Club has long discussed the distances of the District of Columbia, nearby Maryland and northern Virginia in regard to scheduling meetings that would include as many members as is possible. So in February of this year there were nine meetings planned and enjoyed although several of the nine that were spread over the month were not large in attendance but large in renewing friendships and establishing new bases of contact with other than the usual eighty or more attending Senior Club Programmed Meetings. This was regarded as a beginning but to those of us carrying paid membership in the Senior Club, it is only one plan for interesting the members of Pi Phi living in this area and not members of the Club.

The Junior Group has decided to hold summer meetings as well as meetings in D.C., Virginia and Maryland, hoping to swell the membership. They entertained on April 1 with a tea at the home of Mrs. George Ober, living in the District of Columbia, and invited your PVP as guest of honor to meet the Seniors of Maryland B and District of Columbia A. They also held an area alumnae meeting with Maryland B in February. They have a representative on the George Washington University Hospital Board and as an extra contribution made Christmas Tray favors for 300 trays and packed a basket of toys for the Salvation Army. They have also received recognition in the Club Notices column of the three large newspapers in the D.C. The May L. Keller or Richmond Club sent an extra gift to Settlement School this year for dental work as well as their regular contribution to the school. Their first local work is their support both financial and other ways of the Elizabeth Cates Foundation which has been described in more detail in the past. The other local work is varied and perhaps is best named legion. However, the active chapter at William and Mary has often been the beneficiary of the Richmond Club.

Norfolk has strengthened its plan for meeting girls attending college from the area by not only visiting William and Mary but Randolph-Macon in the hope of interesting the graduates in becoming active members of the club. The club also entertains with one large summer rush party and five small rush parties, as well as an annual Christmas Luncheon for active girls in the Tidewater area.

In addition to the Arrow Craft Sale and supper where each member personally invited ten guests, Mrs. Barnwell, a former Settlement School teacher, gave an informal talk on life at the School.

Founders' Day Program was divided into four parts with accompanying music of the time for each division from candle lighting for each Founder, the history of the Alumnae Club, Settlement School and the Pi Phi of the present after eight-four years of growth.

Grace Ferebee, a member of the Club gave a program entitled "A Venture in Music Appreciation," earlier in the year and assisted in the musical program to accompany Founders' Day Observances. Baltimore Club has very much enjoyed the undergraduate Alum-

nae members at Goucher and arranged their program to conform to their schedule as far as possible. The first meeting of the year was held in Church Hall in Towson only a stone's throw from Goucher. The rain poured but there were 80 present to hear the convention report and generally enjoyed the evening.

The Settlement School Sale and Tea was very important to the Club and held in St. Davids Church Parish Hall in Roland Park where there was ample space and parking.

At the Christmas meeting there was a speaker from the Boys Home Society of Baltimore. Loyalty Day was observed with a program and Founders' Day was a dinner in Levering Hall, Johns Hopkins University where Marianne Wild and your PVP were guests of the Club and took part in the program that followed.

They have received more favorable publicity because of their close association with the Pi Phi at Goucher and because of the local work with the Boys' Home Society of Baltimore who maintain a home for teen age boys. The Pi Phi raised money to purchase library furniture for the home.

Goucher College invited the Pi Phi to serve as a group in the May Day Country Fair on campus for the benefit of the college building fund. The need for dependable groups there has evidently remained and will remain. Wilmington has engaged in sewing, mending and knitting for the Children's Bureau of Delaware as well as contributed to the Save the Children Federation.

They also held two bridge parties and mailed a check to Maryland B as a use as you wish gift.

Arrow Craft was displayed at two Teas and an evening meeting, in addition Anne O'Brien, Pennsylvania I, was invited as the principal speaker for the Founders' Day Dinner held in a private dining room of Hotel DuPont, and told the story of Swarthmore Convention and the decision to start the Settlement School. Mary Townsend Porter was presented with the Golden Arrow Pen and spoke on the Syracuse Convention where she saved the Charter of her Chapter, Ohio A.

Charlotte had eight meetings during the year starting with the rushing season at Duke and North Carolina A as well as spending time in August sending recommendations to different Pi Phi Chapters since more than 25 girls entered college from the area.

There is no chapter of Pi Phi at Queens College in Charlotte but many national fraternity members there were eager to inform prospective freshmen, not only entering Queens College but throughout the country, how very desirable fraternity membership was to be regarded. The Pi Phi entertained high school seniors at a spring tea and followed soon after with another party for girls who had been accepted at colleges and girls attending Junior Colleges who planned to enter University of North Carolina. Founders' Day was observed with a dinner at the Shenon Hills Club followed by a program and music but without the sharing of the celebration with an active chapter because of distances.

Columbia and Chapel Hill have again given gen-

erously in food preparation, counseling, and an ever prompt response to rushing as well as throughout the year as they promote South Carolina A and North Carolina A. Membership in these respective Clubs rises and falls with the ever changing conditions surrounding a college community but loyal Pi Phis continue the work of our national organization.

Loyalty Day is the time the Washington Senior Club presents D.C. A and Maryland B with a substantial check as a reminder of the intent of the Day set apart to pay homage to Carrie Chapman Catt as well as renew our pledge of loyalty to Pi Phi. Three of the Gamma Clubs held meetings with programs directed to the Day.

The Senior Club Settlement School Sale was held for the first time on the first floor, opening on the street from a large foyer of the All States Hotel located in the down town district and adjacent to many government and office buildings. Since it was open from early morning until nine in the evening it gave opportunity for all interested visitors, new friends, and old friends. A continuous flow of buyers visited the sale. Mrs. Truman again came with several friends, to be followed by a large group of Pi Phi Mothers Club members who later sent a check to the Settlement School for twenty-five dollars with many dividends of interest in the school to follow.

Washington Senior Club was honored at the Founders' Day Luncheon held in the Chevy Chase Woman's Club, by Mrs. Hiram Houghton, National President of the General Federation of Women's Clubs, who spoke as a Pi Phi to the assembled group of alumnae and active chapter members from D.C. A and Maryland B.

The subject of the speech "The Challenge of Today," will be remembered as a reminder that we as members represent education and understanding of the principles upon which America was founded and has grown in the years, a land where an organization such as Pi Phi came into being and has built up a record of achievement and service in the 84 years since inception by our Founders who envisioned service to each other and to mankind as their goal. There have been countless opportunities for accepting the challenge that is ours as educated women, privileged by training and association to carry forward the ideals of Pi Phi and our American heritage. She concluded the speech with, "up to now we have enjoyed the four freedoms," and asked what we would contribute to mankind in our generation.

Marianne Wild gave the Tribute to the Founders and recalled the perilous days in our country's past history as milestones that were passed because those before us accepted the challenge of their years. She left with us with the question, "Will you keep the faith and serve?"

The question of interesting all Pi Phis to join at large, form a new club or continue membership in an established club has held first place in discussion and planning throughout the year, with the several clubs as named showing the increase, however we still list many more resident members than paid members.

To the club presidents, their officers and members, to central office and Grand Council goes the credit for improvement in the year ended. Thank, you, I am most appreciative.

Respectfully submitted,
MARIE TUNSTALL LINGO

DELTA PROVINCE VICE-PRESIDENT

THE 19 clubs, which began the 1950-1951 season in Delta Province, were all 100% in support of the fraternity national projects and most of them showed progress in the various phases of club work. The province welcomed the new South Bend-Mishawaka Club in March but regrets to announce the decision of the Shelbyville, Indiana, group to become inactive next year. This club has always been 100% in cooperation and will be missed.

Dues for 810 members including 10 isolated Pi Phis, netted a gain of 56 paid members. Affiliated with the clubs were 23 seniors. Ten organizations showed increases in paid membership from 1 to 20 persons. In order of greatest gains, they are Indianapolis, Bloomfield Hills and Hammond, Bloomington, Detroit and Fort Wayne, Lansing-E. Lansing, Gary, Muncie and Franklin. There were five clubs which reported the same paid membership—Hillsdale, Jackson, Richmond, Shelbyville and Southeastern Indiana.

The Settlement School received \$694 in contributions from the 19 clubs. There were 5 clubs which raised their gifts to the school. In order of largest increases they were Southeastern Indiana, Shelbyville, Indianapolis, Hammond and Hillsdale both the same amount. Southeastern Indiana and Hammond held their first Arrow Craft sales which were most successful. The sum of \$101 was sent to Holt House which exceeded last year's gift by \$26. Those making this possible were five clubs—Shelbyville, Southeastern Indiana, Hammond, Hillsdale and Gary. Realizing that the Emma Harper Turner Memorial Fund assists in chapter house loans as well as older Pi Phi members, the clubs made the greatest increase in giving to that

worthy fund. The \$70.47 increase came from Grand Rapids, Shelbyville, Indianapolis, Bloomington, Franklin, Gary, and Hammond. Mr. Wilford Hoggatt sent a check for \$100 to the fund in memory of Irene Hoggatt this June. While it may not count on this year's record, the Province is glad to know \$270.47 was contributed and that \$197.47 came from the clubs in contrast with last year's sum of \$127.

There were 16 clubs selling Arrow Craft products. The most popular means of displaying the products was at lovely tea parties. Special care was given to the arrangement of the articles. Southeastern Indiana Club sold articles at their County Fair.

Clubs all over the province proved their loyalty and interest in Pi Beta Phi by assisting active chapters in many ways. Alumnae made substantial cash gifts to chapter house projects. They assisted in rushing and entertained actives and pledges throughout the year. Joint meetings were a means of getting acquainted. Both Michigan with 267 and Indianapolis with 537 Pi Phis in attendance, celebrated Founders' Day with a State Day luncheon.

In the communities where there are Panhellenics, the Pi Phis have participated. In Ann Arbor, Richmond and Muncie, Pi Beta Phi has furnished the first president for the organization. The clubs have found many ways in which to render service to their communities. Detroit contributed 465 volunteer hours to the International Institute while Franklin sponsored a Girls' Club. The gifts of four clubs amounted to \$54.50 and Save the Children Federation.

Throughout the reports and letters were found expressions of pleasure in the friendship and good fel-

lowship found in the alumnae clubs and it is hoped that "isolated" Pi Phi reading this letter will look around to find others in their area to enjoy the privilege of such an association. Perhaps it is in this way

the number of clubs will increase and the alumnae department will be able to make a still greater contribution to the fraternity.

VIRGINIA BRACKETT GREEN

EPSILON PROVINCE VICE-PRESIDENT

THOUGH we have no new club to announce this year, a group at Mexico, Missouri, is hoping to organize one in the near future, their interest having been aroused by a letter from the Missouri A chapter urging alumnae to pay dues. This letter resulted in some 15 checks from isolated alumnae which brings the total province number of paid up alumnae to 721, a gain of 40 over last year.

Total donations to the Settlement School are slightly higher than last year; Nashville, Memphis, and Columbia having increased their gifts substantially, and our new club at Lexington has joined the ranks of contributors. St. Louis was once again able to give \$1,000.00.

We are 100% in donations to Holt House and the Emma Harper Turner fund with the total for the province remaining approximately the same as last year.

As of the March report on magazines the province is in third place, with St. Louis and Kansas City in second and third places, respectively, for the country.

The clubs maintain their strong interest in the actives, giving help wherever it seems to be most needed, financially or otherwise. Even the Blue Ridge club, which draws the members from three mountain towns in Virginia and Tennessee, undaunted by its

geographical difficulties, is planning a rush party this summer.

Three clubs, Chattanooga, Louisville, and Springfield continue to donate to the Save the Children Federation. Kansas City continues its fine work at the Rehabilitation Institute, contributing volunteer hours and financially. Nashville once again is contributing to the Vanderbilt hospital, Columbia has donated to the Red Cross, and Springfield gave a record player to the polio ward of the local hospital.

With all clubs 100% in donations to the three national projects, increased membership, a larger amount of Arrow Craft sold by \$208.52 than last year, financial donations to active chapters doubled, and larger average attendance at meetings, this province may well be proud of its year's record. It was produced by local cooperation and hard work on the part of club officers and members. As I turn this work over to my successor I realize that to have served this group of clubs as Province Vice-President has been a rare privilege—one for which I am extremely grateful. I am deeply appreciative of the part Central Office plays in a successful year, and of the ever ready help and support of the members of Grand Council.

Respectfully submitted,

ALICE W. MANSFIELD

ZETA PROVINCE VICE-PRESIDENT

EACH year I am very happy to begin my report with the announcement that Zeta Province has had another successful year. We have not grown in membership or in new clubs, I am sorry to say; but we have in our contributions to the alumnae projects, in our loyalty and closeness to the national organization and in our feeling of pride in Pi Phi. There are 437 paid members, including seven seniors, out of 913 resident members reported, or 47%. Lakeland Club is again 100%, for the eleventh consecutive year; and the Pensacola Club is 100% again. Two clubs, Ocala and Mobile, miss this rating by two members each. Jacksonville Club shows the greatest gain, both over other clubs and its own record.

We are 100% in our contributions to the alumnae projects, with a total of \$345.00, or \$38.00 more than last year. The Settlement School rereceived \$163.00, Holt House \$65.00, and the Emma Harper Turner Fund \$117.00. I was glad to see that this Fund was more popular this year. Three clubs report donations to Save the Children Federation; two report boxes of clothing sent to Austria; and seven clubs report very interesting local projects, with contributions of money and service.

Eight clubs out of our sixteen held Arrow Craft sales which grossed \$1,512.00. This is \$277.75 more than last year's amount. Jacksonville Club again leads with \$456.78. Mobile is second with its first sale; St. Petersburg is third; and Ocala is fourth with its first sale. Tallahassee and the Palm Beaches held their first sales this year, so you can see how encouraged I am over these new clubs. The magazine commissions are not in yet, but I am afraid we are again near the

bottom of the list of provinces. I shall hope for better results next year.

Clubs situated where there are chapters have again shown their fine cooperation with these chapters, particularly the Tallahassee Club, with its interest and help with Florida B's new house addition.

The De Land Club gave a kitchen shower and money to Florida A; the Orlando Club gave a scholastic award to Florida G; Birmingham gave money and parties for the two Alabama chapters; and Atlanta helped Georgia A with its silver service. The Miami and St. Petersburg clubs sent money to Florida B. All clubs report assistance in rushing and a good relationship with actives.

I am glad to see that so many clubs are meeting informally during the summer; also that most clubs scheduled very entertaining programs during the year. This should increase our paid membership.

Two states held State Days on Founders' Day—Alabama, with a hundred members present; and Florida, with over two hundred attending, including Miss Onken as the guest of honor. It was a very inspiring occasion. The Mobile and Pensacola clubs, unable to attend these state meetings, had a joint meeting at a half-way place, with twenty-nine out of thirty-two resident members present.

My attempts at getting new clubs chartered were unsuccessful. The chapters in Georgia and Alabama would like the help that new clubs could give them. The province itself needs the strength that new clubs can give. A great deal of interest was shown at Florida State Day in colonizing at the University.

I have enjoyed my work this year with the clubs

and particularly the splendid contacts made at State Day, I am quite gratified with the progress we have all made, working together. Again, I would like to thank the clubs, Central Office, and members of Grand Council for their help—especially Miss Onken, for

the inspiration she brought Florida Pi Phis at their state meeting.

Respectfully submitted,
MARGUERITE BLOCHER BARTLETT

ETA PROVINCE VICE-PRESIDENT

ETA PROVINCE proudly introduces a new club, Arlington Heights, which includes the area of Palatine and Prospect Heights too. They received their charter in April and are off to a fine start.

The province sold \$9,967.63 of Arrow Craft products this year, an increase of \$1,373.97. Four of the clubs, Champaign-Urbana, Milwaukee, Madison and North Shore, each selling well over one thousand dollars each. Joliet, Decatur, Milwaukee and Madison each selling substantially more than last year. The following clubs increased their donations to Settlement School, Chicago South, Milwaukee, North Shore, Jr., Oak Park-River Forest. It is hoped that a few more of the clubs will be able to increase their per capita donations to this most worthy project.

There was a substantial increase in support of Emma Harper Turner Memorial Fund. The five clubs increasing their donations over last year were Chicago North, Madison, North Shore, North Shore, Jr., and Oak Park-River Forest. In celebration of their 25th anniversary Oak Park-River Forest gave most generously to several of the fraternity projects.

Two clubs carried full Sponsorships for Save the Children Federation with smaller donations from other clubs making it possible for us to have three full

sponsorships.

I visited Joliet and the eight Chicago area clubs in February and found they all had excellent leadership and good spirit of cooperation within the groups.

Peoria has the largest paid membership in the province with 117 members. Eight clubs showed an increased membership, Chicago Business Women, Chicago North, Chicago South, Fox River Valley, Wisconsin, Madison, Oak Park-River Forest, Rockford and Springfield. It is hoped that the clubs will all be able to show an increase in paid memberships by another year.

Several of the clubs with active chapters in their towns are working hard and earnestly to pay for additions to the chapter houses. Other clubs who do not have chapters nearby have sent gifts to various chapter houses as a memorial to one of their members from that particular chapter. Others have given awards for scholarship improvement or to the outstanding senior girl.

May I take this opportunity to thank the members of Grand Council and Central Office who have been most helpful when I needed advice?

Respectfully submitted,
ELIZABETH SCOTT

THETA PROVINCE VICE-PRESIDENT

THE sixteen clubs in Theta Province have finished the year 100% in support of the three national projects, Settlement School, Holt House and the Emma Harper Turner Memorial Fund. We have a total of four hundred and ninety-four paid memberships and when all the reports were in Cedar Rapids surprised us all by having the greatest gain in membership, Saint Paul and the Minneapolis Afternoon Club tied for second place and the three other clubs showing a gain for the past year were Council Bluffs, Winnipeg, and Minneapolis Evening. The total gifts to the Pi Phi Projects were as follows: Settlement School, \$198.00—Holt House, \$76.00—and Emma Harper Turner Fund, \$107.50. The eleven clubs contributing to the Save The Children Federation gave the equivalent of two full sponsorships and the alumnae in the province will be proud to know that two of our active chapters each gave two full sponsorships. They were North Dakota A and Manitoba A.

The final results were tabulated for our province for the Province Vice-President's Award, Minnesota A led the other chapters in the province with 104 paid alumnae club members, Iowa Z had 72, Iowa T 62, Iowa A and Iowa B 40, Manitoba A 29, and North Dakota A, 18.

Each year I look forward to reading the reports submitted by the Program Committee Chairmen and it is a joy to see the steady gain and interest shown

there. Time and space will be given to this later but the different approaches to the observance of Loyalty Day is interesting to follow. This year at the meeting of the Minneapolis Evening Club along with the regular planned program time was taken to write letters to former members of the club with whom they had been out of touch. It is easy to imagine what a heart warming thing it would be to receive such a thoughtful letter.

The province was delighted to have three members of Grand Council pay visits to chapters and alumnae clubs in the province. Miss Onken conducted a special initiation service for the Iowa B Phi Phis and Helen Lewis and Lucile Carson made official visits in the province.

Interest in and cooperation with chapters has been splendid and cash gifts totaling in the neighborhood of a thousand dollars have been given to the active chapters in the province by nearby clubs and those interested in helping an active chapter. The cooperation of the club officers as well as the support of club members during the past year has been outstanding. For the guidance and aid of Grand Council, Committee Chairmen, and the Director of Central Office I am humbly grateful. It has been a rewarding experience to try to help the alumnae clubs of this province.

HELEN W. GRANT

IOTA PROVINCE VICE-PRESIDENT

WE ARE pleased to report that Iota Province gained a new club this year, Northeastern, at Sheridan, Wyoming, with twenty-four members. Twenty, of our twenty-one clubs, are 100% in contributions, and two clubs, Hutchinson and Northeastern, attained 100% membership. Although some of the clubs show a decrease in membership, others have made splendid gains. Total membership for the year, 846. Constitutional requirements were met by all clubs.

Seventeen clubs held successful Arrow Craft sales. Denver's sales amounted to \$1,002.00, Omaha second, \$914.60, Manhattan third, \$728.80, Sioux Falls fourth, \$550.00. Total sales amounted to, \$7,005.33. Two of the clubs used the media of the radio to gain publicity for their sale, and members of the Salt Lake City club appeared on Television and told interesting facts about the Settlement School and displayed some of the Arrow Craft goods.

Contributions to the Settlement School amounted to \$658.57; Emma Harper Turner Fund, \$302.00, a splendid increase over last year; Holt House, \$127.00, also an increase. Eight clubs, Cheyenne, Colorado Springs, Hutchinson, Lincoln, Manhattan, Ogden, Pueblo and Salt Lake City, contributed a total of

\$76.00 to the Save the Children Federation.

A total of \$307.00 was donated from ten of our clubs to local projects, Red Cross and Community Funds; others received pleasure in adopting needy families during the Holiday season and supplying them with food, clothing, and toys.

All groups are vitally interested in rushing and gave the chapters a great deal of assistance. Nine clubs gave a total of \$450.00 to active chapters, four gave lovely gifts.

Official visits were paid by the Province Vice-President to ten clubs: Manhattan, Hutchinson, Wichita, Topeka, Lawrence, Kansas City, Kansas, Lincoln, Omaha, Vermillion and Sioux Falls. Thanks to all who helped to make my visits so pleasant.

My sincere appreciation goes to my clubs and to their officers for the cooperation which they have given me during my first year of office. It has been a pleasure to have worked with you.

I wish to thank the members of Grand Council and the Director of Central Office, for all of the wonderful assistance given to me this year.

Respectfully submitted,

GENEVIEVE CONNER MUNGER

KAPPA PROVINCE VICE-PRESIDENT

KAPPA PROVINCE has had a most successful year. Paid membership is 1,385. Every club has paid dues, and clubs range in size from Pauls Valley's 11 to Houston's 163. Four clubs have over 100 paid members, a very good record considering the size of the cities in the province.

For the first time in the five years of my incumbency, we have had no new clubs, but renewed efforts on the part of the Province Vice-President, and greater interest in the national scope of Pi Beta Phi will result in more new clubs next year.

With the exception of three clubs, all clubs have made contributions to all three national projects, the Settlement School, Holt House, and the Emma Harper Turner Memorial Fund, which is much closer to 100% than the province has ever been. All three projects received an increased contribution this year. Contributions to the Settlement School were \$1,078.00. One outstanding contribution to the Settlement School was the \$321.00 contributed by the Austin Club to the Arts and Crafts Department of the School. This was the profit from the Benefit Tea given at the chapter house, at which the door prize was the beautiful painting done by Mr. Wayman Adams, nationally known artist, and husband of Margaret Burroughs Adams, Texas A, for a demonstration at the February meeting of the club. This contribution was made in addition to the regular contribution of \$100.00 by the club to the School.

Ten clubs report gifts of money to chapters in the amount of \$564.00 plus many other gifts, and hours of work done in preparing for rush parties, decorating

guest rooms, and other services. Contributions to the Save the Children Federation were \$215.00. The Tulsa Club sponsored a Navajo Indian boy, and the Dallas Junior Group again supported a negro school in the Brazos Valley. Local contributions to Red Cross, YWCA, Community Fund, etc., amounted to \$206.50, plus many hours of time and service given to community projects. Kappa Province clubs in many cities take active part in civic affairs.

Visits were made to the Stillwater, Ponca City, Bartlesville, Muskogee, Okmulgee and Tulsa Clubs, where seeing old and dear friends and meeting many wonderful new Pi Phis, made it a stimulating experience. Sharing in a combined Oklahoma State Alumnae Association meeting one day in Stillwater, climaxed by a wonderful Founders' Day dinner with members of both Oklahoma A and Oklahoma B chapters and the alumnae, was a highspot of the year. All clubs celebrated Founders' Day beautifully, with those of us fortunate enough to be near a chapter to share the celebration with it being especially fortunate.

The intangible things which make up such a large part of the success of any organization are very important in Kappa Province. To the many fine officers and members of the thirty-four alumnae clubs who have given so much time this year to making it the success it has been, to ever efficient Central Office, and to members of Grand Council who give so much of themselves to guiding the fraternity, go my most sincere thanks and grateful appreciation.

Respectfully submitted,

THERESA GIBSON GRAHAM

LAMBDA PROVINCE VICE-PRESIDENT

THIS officer knows that she has inherited a very fine family of clubs in Lambda Province. I owe and acknowledge a debt of gratitude to my predecessors. The clubs have given to me the same fine cooperation given to her and for this I am deeply grateful.

This year Lambda Province has added a splendid

new club to its roster, Coos County, with a membership of 17. This new club has shown interest, enthusiasm and initiative. Although just newly organized they had a very successful Arrow Craft sale, earned \$18.45 in magazine subscriptions, as well as having contributed to all the three fraternity projects.

All clubs were 100% in contributions with the exception of Bellingham which was forced to be inactive this year because of the serious decrease of Pi Phi in their city, however, prospects are brighter for an increased membership next year, and the renewed activity of the club. Eight of the clubs assisted in the Save the Children campaign and 14 of the 22 clubs assisted their active chapters. The Pi Phi house at Edmonton received financial assistance to the extent of \$800. This money was made available through donations from the fathers of Pi Phi old and new, and was used to buy two new gas stoves, an electric refrigerator and other appliances. Lambda Province shows an increase in the amounts of magazine subscriptions.

This officer has, as yet, not visited any of her clubs, but is looking forward to doing so early in the fall, and it is her sincere hope that after these visits are made she may understand the individual problems of each club better and be able to be made helpful to them.

To the club presidents, their hard working officers and club members goes the credit for the good year the province has just ended. To them, to Central Office and to the members of Grand Council who are ever ready with a helping hand I am extremely grateful.

Respectfully submitted,
MARY MOONEY

MU PROVINCE VICE-PRESIDENT

MU PROVINCE has completed another successful year and welcomed one more club into her already large family. Las Vegas is the new member and we sincerely welcome her and trust she will grow rapidly like her sister clubs have.

This brings our total to twenty-nine clubs. All of Mu's clubs, with the exception of two clubs supported the three National Projects.

Total paid membership is now 1,388. Last year's paid membership was 1,393.

Ways and means included square dances, hobby shows, rummage sales, dessert bridges, sponsorship of plays and programs. South Coast continues to have a "pottery pig" handy. The proceeds are sent at the end of the year to the Settlement School.

Clubs situated in College towns have been most loyal and helpful in giving assistance to the active chapters both financially and in an advisory capacity. Our Province was indeed fortunate in being visited this year by our Grand Treasurer Lolita Prouty. Words cannot reveal the wonderful inspiration and help she gave Mu's clubs. She rekindled interest in Scholarship and one club immediately sent in a check for the Harriet Johnstone Scholarship after Mrs. Prouty had spoken to them. Lolita Prouty's patience and generosity in answering all questions fully and comprehensively was truly appreciated by Mu's Pi Phi. We were all inspired anew with the colossal job Pi Phi are doing and doing beautifully.

Scholarship: San Fernando has set aside \$100 to start a Scholarship Fund. The plan is to let the fund grow to \$200 or \$300, then give it to an active Pi

Phi who needs assistance.

Marin contributed to the Harriet Johnstone Scholarship Fund.

In San Francisco, Pi Phi filled Xmas stockings for wards of the Juvenile Court, San Mateo assists staffing the San Mateo Blood Bank (and contributed toward the new Blood Bank Building).

San Fernando will staff the Day Camp for Crippled Children at the Valley location this summer. Tucson contributed substantially to the Richy School for the Yaqui Indian children. Mrs. Wheeler, principal of the Yaquis school wrote the following, "We still think of you as Richy's P.T.A. since your gift reaches many places public money cannot cover." Marin has almost reached the goal of raising \$310.00 to furnish the fourth floor waiting room at the new Marin hospital.

Advisory Boards and Alumnae Clubs have worked harmoniously together. (Example: Santa Barbara's new Executive Board and Advisory Board met together to lay plans for the coming year.)

Eleven clubs contributed to Active Chapters. Nine clubs gave substantial contributions to local Philanthropies. One club (Berkeley) gave \$106.00 for support of a child through Save the Children Fund.

For the splendid cooperation of club officers, for the ever ready assistance and guidance of Grand Council and the efficient service from the Director of Central Office, I am deeply grateful.

Respectfully submitted,
MARCELLA McCORMICK RHODES

Dr. James T. Fisher, the Nation's foremost psychiatrist, in his latest book, "A Few Buttons Missing," which "sums up his wisdom," said: "If you were to take the sum total of all the authoritative articles ever written by the most qualified psychologists and psychiatrists on the subject of mental hygiene—if you were to combine them and refine them, and cleave out the excess verbiage—if you were to take the whole of the meat and none of the parsley, and if you were to have these unadulterated bits of pure scientific knowledge concisely expressed by the most capable of living poets, you would have an awkward and incomplete summation of the Sermon on the Mount."—*Bulletin of Education Committee of N.P.C.*

Notice to Canadian Chapters

Canadian chapters make all checks for payments of initiation fees, pledge fees, contributions to all funds, and payments for Bound ARROWS and Treasurers' Bonds, payable to the Grand Treasurer, Mrs. Frank H. Prouty, 1760 Locust St., Denver 7, Colorado.

General Instructions

Chapter Treasurers should see that letter from Grand Treasurer to the Parents of Actives and Pledges is sent to the parents as early in the fall as it is possible to get the local letter on chapter finances ready to send with it. It is necessary that parents understand the financial obligations at the beginning of the year.

Chapter treasurers should see that the Financial Statements to Parents and Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should be sent only for the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.

Chapter treasurers should see that badges are ordered through the Central Office. It takes six weeks or more, under present conditions, to complete badge orders. Badges for prospective members should not be ordered until all initiation requirements have been met.

Chapter treasurers should send the National pledge fee for each pledge with Form GT1 to Central Office. Canadian chapters send fee to Mrs. Frank H. Prouty, 1760 Locust Street, Denver 7, Colorado.

Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to Mrs. Frank H. Prouty, 1760 Locust Street, Denver 7, Colorado.

Chapter Treasurers should send monthly reports to Busey Fraternity Accounting System, Le Roy, Illinois.

The corresponding secretary should report to the Central Office and to Province President changes in chapter officers if they are made, any time during the year.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office, explain the situations, and receive special permission to vary from the established dates.
