Excerpts from the speech of Mr. Lloyd S. Cochran, Grand Senior President Alpha Sigma Phi Fraternity and Secretary National Interfraternity Conference

There have been those who would change both the ideals and the organization of fraternity. They would seek to control by legislation some of those things which exist, and grow only in our hearts. I cannot concur with that concept of brotherhood by which any individual or group can circumscribe nor impose a scope of friendship and brotherhood.

I further challenge the philosophy that any segment of our fraternal organization or activity should be abolished because membership may not be universal, or because of "Heartache." Who suggest that we abolish competitive sport because one team loses? Is it fair to discontinue colleges because some cannot attend? Shall we do away with examinations and term marks because some may not pass?

Instead it becomes our responsibility that the opportunities and the benefits of Brotherhood find opportunities for associationship and that we increase the number of our groups so that more may partake of their benefits. Happiness and opportunity are not items of commerce. They cannot be bought or sold and they cannot be joined. Happiness and opportunity and the full use and realization thereof spring from within each one of us.

THE ARROW OF PI BETA PHI

SEPTEMBER, 1952

VOLUME 69

NUMBER 1

EDITORIALS

Of Changes

Amy Burnham Onken, beloved Grand President, has retired after forty years of splendid service to her Fraternity—nine of them, from 1912 to 1921 as Grand Secretary, the remaining 32 as Grand President. She has seen Pi Beta Phi grow from 40 chapters to 98, with a total living membership of more than 52,000. She has guided the Fraternity through three wars and the difficult years following two of them: through two depressions which threatened the very existences of colleges and fraternity groups alike; she has led our organization to ever-growing strength and undiminished ideals of group and personal conduct: she has besides been a great leader in every movement involving the fraternity system—as Pi Phi's delegate to NPC, an office which will be hers through the next meeting of NPC in the Fall of 1953: as a member of the Interfraternity Research and Advisory Council; as the contact member of NPC for the International Council of Women, and as chairman for two terms of NPC's committee on education. To Miss Onken the entire fraternity system owes much—but most of all does her own fraternity owe to her a debt of gratitude and deep affection which can never be paid.

The Convention just past gave to her material evidence of its feeling when it voted her unanimously the title of Honorary Grand President, and a gift of \$100 a month for life; besides this her friends at Convention gave her a large sum "for a trip," or for anything she desires, and with it a lovely token in the shape of a slender circle of sapphires and pearls, with three large pearls in the center—one for the actives, one for the alumnae, and one for the officers. The banquet at the close of Convention ended in a heart-felt tribute of devotion to her, fitting climax of a Convention which held more than the usual share of enthusiasm and Pi Phi loyalty. The feeling of Pi Beta Phi for their Grand President who has more than any other person typified the fraternity, is well-expressed in Ruth Cogshall's editorial in the *Convention Daily*:

"Once in a lifetime someone comes along" . . . so go the words of a nostalgic tune we sang so plaintively in the 20's. The next line of the song that is running through our hearts today is something like this . . . "making happy dreams come true."

Once in our lifetime such a person did come along. And today when the 38th Convention of Pi Beta Phi is drawing to its close, we want to take this opportunity to pay tribute to the one woman who has made not only personal dreams of a happy fraternity life come true, but the dreams of thousands of Pi Beta Phis that form the golden chain of friendship around the world.

Miss Onken, you are Pi Beta Phi. In your own inimitable way you have slipped into the hearts of all wearers of the arrow and have given us by your example of fine living and loving and understanding a pattern to follow for a life of devoted service and a goal to attain in complete human understanding. Few if any will ever attain the heights you have reached, but you have made the trying worth while.

If ever a woman exemplified all things that are honest and just, things that are pure and true and lovely, it is our grand GRAND PRESIDENT . . . "beyond compare."

And so we repeat the words we used on the happy occasion of our own chapter's installation banquet over twenty-five years ago:

A perfect woman, nobly planned
To warn, to comfort, and command.
And yet a spirit still and bright
With something of angelic light!

Lolita Prouty, for the past six years Grand Treasurer, felt that her home and family ties would necessitate her resignation. Again the Fraternity was losing much, in her experience, her wisdom in financial affairs, her charm in personal relationships. She has given to Pi Beta Phi years of

service as treasurer of the Settlement School before coming on Grand Council. She will continue to serve in another office, vacated by the resignation of Lillian Beck Holton, Counsellor for Chapter House Corporations. Mrs. Holton has given great prestige and importance to her office, has systematized its work, and as a final service has done a history of chapter house building in Pi Beta Phi—another officer we can ill spare!

Scholarships

For the coming year, scholarships will again be available to Pi Beta Phis who can qualify for them on the basis of need, fraternity service and loyalty, activity participation and scholastic record. These are given from three separate funds: the California Alpha Fund makes available three scholarships of \$340 each for undergraduate members. Applications for these scholarships should be sent to Mrs. W. B. Owens, 593 Alvarado Row, Stanford University by May 15. A personal letter should be written by applicants covering the four points upon which the awards are based, and must be accompanied by a letter of recommendation from the Advisory Committee of her chapter.

The Ruth Barrett Smith Scholarship is given by the Alumnae Department, and applications for this should be sent to the Grand Vice President by May 15.

The Harriet Rutherford Johnstone Scholarships are awarded by the national fraternity, and their number depends upon the amount of money available in the Scholarship Fund, augmented by contributions from active chapters. This year eight scholarships were possible from this fund. Each year it is hard for Grand Council to decide on the award of these scholarships—so many worthy girls must be refused because there is just not money enough to supply all needs. Surely here is a project which should have ever-increasing support from our members! For many girls the receipt of one of these \$300.00 gifts means the difference between leaving college and staying to graduate, and this fund should be greatly enlarged by contributions; generous contributions these should be too, for surely this work is one of our major projects, and should be greatly expanded. During the past year a gracious gift of \$1000.00 from Mary L. Sproul, Pennsylvania A, has made it possible to add \$25.00 to each of the Ruth Barrett Smith scholarships.

Give all you can to the Harriet Rutherford Johnstone Scholarship Fund!

Applications for these scholarships should be sent to the Grand Secretary by May 1—the requirements are the same as for the others, and applications should be accompanied by a personal letter, and a letter from the chairman of the Advisory Board of the chapter.

Pi Beta Phi Fellowship 1953-54

For the year 1953-1954 the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1953.

All material should be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

Corresponding Secretaries please note!

The pages giving supplies and the active and alumnae calendars will be found at the back of the ARROW.

Chapter letters will appear in the December and March issues only, with a brief report of late honors only in May.

Alumnae club letters will appear once a year only, in the May issue, and should be brief reviews of the activities of clubs since the previous May issue appeared, with special emphasis on matters of general interest to other clubs.

Chapter rush captains will be listed as before in the May issue, but their names will not be used in chapter letters.

Names and addresses of Alumnae rush chairmen and State rush chairmen will be sent out in mimeographed form by Central Office to those who need them.

In Memoriams will be handled as before, and Central Office requests newspaper clippings or letters from relatives when they are sent in—this is done to avoid any possibility of error.

→ → →

Please note the many changes in officers' names and addresses—be sure to use those which are listed in the Directory in this issue. Note especially the newly elected Grand Council: Grand President, Marianne Reid Wild (Mrs. Robert S.); Grand Vice President, Alice Weber Mansfield (Mrs. W. H.); Grand Secretary, Lucile Douglass Carson (Mrs. Floyd H.); Grand Treasurer, Olivia Smith Moore (Mrs. Henry Moore, Jr.); ARROW Editor, Adele Taylor Alford (Mrs. T. N.); Director of Rushing and Pledge Training, Helen Anderson Lewis (Mrs. Benjamin C.); Director of Extension, Ruth Williams Hansen (Mrs. Paul).

→ → →

We had a vacancy on the ARROW staff, too, through the resignation of Mercedes Jorgulesco as Exchange editor—this we have filled by the appointment of Ruth Wilson Cogshall, Kentucky A, who was formerly a province vice-president and a province president, and who has served as editor of the *Convention Daily* for the past six Conventions, a task she has done brilliantly and efficiently.

→ → →

Gladys Scivally, always efficient Director of Central Office has resigned. Her place will be taken by Janet Patton, of Decatur, delegate to Convention from the Decatur Club.

Of Sadness

Last May the Fraternity was saddened to learn of the death of Harriet Rutherford Johnstone, Washington A, former province vice president, and National Scholarship Chairman at the time of her death after a long illness. Her interest never flagged, and to Harriet the Fraternity owes much of the high scholastic standing of its chapters on their campuses. Hers was fine service to Pi Beta Phi, and her friendship was a cherished possession of the many Pi Phis who were privileged to know her. She leaves six sisters, one of whom, Annabel, is also a Pi Phi—to them goes the sympathy of the Fraternity.

Of Citizenship

The Editor of the ARROW returned from Convention happy that so much of the discussion there had been on subjects related to Americanization and good citizenship. Especially notable were the resolution introduced by Marie Tunshall Lingo, Gamma Province Vice President, outgrowth of her recent work in connection with George Mason and the Bill of Rights, and the insistence of Dorothy Deemer Houghton in her address that our first duty to our country is to use our privileges intelligently. Said Mrs. Houghton, ". . . The second challenge I will give you is to see that all of our members have a raging epidemic of Americanism. Forty-nine million women have the privilege of voting this year. Never more than one-third of our women have used this privilege in the thirty-two years since we have had the franchise. I hope that Pi Beta Phi will put on a drive for one hundred per cent voting members in every club and that our members will not only vote but know for whom they are voting and what the candidate stands for, and if he or she will keep the campaign promises. In our last national election only 51.9 per cent of eligible voters went to the polls and in 1950, one of the most critical years in all our history, only 43 per cent took the trouble to vote."

And NOW, LET'S ALL GET OUT AND VOTE IN NOVEMBER!

An Appeal

from VIRGINIA BRACKETT GREEN, new member Settlement School Committee:

The story of Convention must wait for the December ARROW—but now to Kappa Province and the Houston Club goes thanks from all who were fortunate enough to enjoy their delightful hospitality and to know their charm. It was a Convention long to be remembered for its fine spirit and its happiness. To all our good friends there we say "thank you!"

At last, thanks to legacies and wise planning, the Staff House in Gatlinburg nears completion. The attractive building, located on grounds adjoining the Mountain View Hotel commands one of the few unobstructed views of the mountains. Its completion will help to remove a stumbling block in the progress of the Pi Beta Phi—University of Tennessee Summer Workshop—housing. Besides the living room, kitchen, and dining room facilities, to accommodate the Summer Workshop, there are eleven bedrooms and the Director's sitting room.

Of course, the house will require furnishings and there is quite a "Wishing List." Even a deep-freeze is needed but at the top of the list come the essentials. The Committee hopes that individuals will wish to give money to furnish a bedroom or for a specific piece of furniture, such as a cherry chest, a table, a lamp. These could honor some loyal Pi Phi friend or be in memory of a relative or good friend of Pi Beta Phi. Due recognition will be given the donors in each room.

1952 is our fortieth anniversary year and such a milestone merits very special recognition. This is a fitting birthday project for every club and chapter in addition to their usual annual contribution upon which the Settlement School depends for its running expenses. Even though one helps earn the regular S. S. contributions there will also be a warm glow of satisfaction for every Pi Phi who has a part in making the home of our staff comfortable and attractive, and in broadening the efficiency of our service to others. The Settlement School has always brought to the fraternity widespread publicity of the highest order. Now we have a new opportunity to show our appreciation.

Report of the Annual Meeting of the Grand Council

THE Annual Meeting of the Grand Council of Pi Beta Phi was held in The Shamrock Hotel, Houston, Texas, June the twenty-eighth to July the Fourth, 1952, with the Grand President, Amy Burnham Onken, presiding. All members were present.

The usual careful study of the reports of all National Officers and Chairmen, containing records of achievements; problems, and recommendations, became the first task of the Grand Council. From this study the following decisions were made:

That additional recommendations would be made by the Grand Council to Convention as follows:

That Statutes, Part I, Article VII, Section 2 (insert, page 22) be amended by striking out "Within six weeks after pledging" and inserting "Upon being pledged" so that the Statutes would read: "Upon being pledged each fraternity pledge shall pay to the chapter treasurer the national pledge fee of \$10.00. The \$10.00 payment shall be apportioned by the Grand Treasurer, as follows:

- a. Convention Fund, \$5.00
- b. Contingent Fund, \$3.00
- c. Alumnae Fund, \$2.00"

That Statutes, Part II, Article III, Section 7 (bottom, page 35) be amended by inserting "e" to read: "To forward to the Central Office within two weeks after any pledging the \$10.00 National Pledge Fee for each girl pledged or repledged."

That Statutes, Part II, Article III, Section 9 (page 36) be amended by inserting "e" to read: "To send to the Director of Rushing and Pledge Training and to the Central Office, within five days after any pledging, a list of girls pledged, giving name, address, date of pledging, and class standing for each."

Further decisions were:

That the National Chairman of Public Relations be authorized to pursue the idea of a traveling display, for the use of clubs and chapters, not to be too expensive or difficult to move from place to place; that she be authorized to work with the Chairman of Publicity of the Settlement School Committee on plans for a possible special Settlement School display; that she investigate possibilities in the fields of specialized magazines and the radio to see what is open to Pi Phi in those areas of publicity; and that revision of the Manual on Public Relations be authorized.

That the National Chairman of Music be authorized to send out return postal cards each fall to secure the names of chapter music chairmen; that she be asked to collect the best of the chapter parodies and songs for later distribution; that a song sheet, containing Convention contest songs, be published during the coming year; and that a new Manual for chapter Music Chairmen be authorized.

That the National Chairman of Fraternity Study and Examination be instructed to send out the answers to the examination questions with the examination.

That the Director of Rushing and Pledge Training be asked to set up some type of return-checking on the Holt House and the Settlement School booklets which are given to each initiate.

That the Director of Extension be asked to call for definite reports from chapter Program Chairmen and to give cooperation grades on these reports for the Standardization and Survey Report.

That the fraternity continue on the same basis of

fraternity supervision of chapter accounting, using the Busey System.

That Senior Clubs be impressed with their responsibility in the matter of including members of Junior Clubs in all planning, reports, recognitions, and special associations; that Senior Clubs be reminded of their obligation to keep the Junior Club members informed, giving them membership on the club Executive Board and access to fraternity communications; and that a suitable ceremony be planned as a welcome to Junior Club members who are transferring to the Senior Club.

Suggestions made concerning a new recommendation blank were referred to the Province Presidents' conference, with the thought that a new blank could be provided which would be divided, to ask for certain required data and then to provide space for additional information, welcome when available.

Manual revision assignments were made, as follows: Official Awards—the Grand President; Contributions to the ARROW—the ARROW Editor; Special Supervisors (Active)—the Grand Secretary; Chapter Treasurers' Manual—the Director of Chapter Accounting (to be approved by the retiring Grand Treasurer); Pledge Supervisors' notebook pages—the Director of Rushing and Pledge Training; alumnae notebook pages—the Grand Vice President; and Standing Rules and Policies—the Grand President and the Grand Secretary.

Attention was given to Pi Beta Phi Extension and the following fields were considered: Oklahoma City University, Colorado Springs, Terra Haute (Indiana), University of Kentucky, Penn State College, Lubbock (Texas). A definite decision was made to discourage the group at Terra Haute.

Recommendations of the Province Presidents, concerning the Balfour Cup, and chapter standings as shown on the Standardization and Survey Report were studied. Unanimous decision of the Grand Council resulted in the following awards, to be presented at the Convention banquet:

Balfour Cup—Indiana Delta; Stoolman Vase—Tennessee Beta; Philadelphia Vase—Ohio Alpha and Colorado Beta jointly; and the Vera Moss Bowl—Montana Alpha.

Recommendations of the chapters involved and the Province President, for the National Amy Burnham Onken Award, were studied. Unanimous decision gave this award to Harriet Bell of Missouri Alpha.

Thirty-four applications for the Harriet Rutherford Johnstone Scholarships were studied and the difficult decisions resulted in the granting of the scholarships to the following girls: Louise Lord, Illinois Beta-Delta; Jo Ann Gholson, Colorado Beta; Dona Mears, Oregon Gamma; Priscilla Ordway, Massachusetts Beta; Ardyce Reisner, Ohio Delta; Suzanne Ritter, Pennsylvania Gamma; Ann Williamson, Missouri Gamma; Janet Ann Granberg, Wisconsin Alpha; and Carolyn Potshke, Wisconsin Beta.

Conferences were held with the Convention Guide and with the Publicity and Reservations Chairmen of the Local Committee. Final plans for the Convention business and program were made. The Houston City Health Office was consulted concerning the polio situation in Houston as it affected the holding of the Convention.

The Annual Meeting of the Grand Council ad-

journed so that officers could take part in the Province Officers' conferences.

Grand Secretary LUCILE DOUGLASS CARSON

POST-CONVENTION MEETING OF THE GRAND COUNCIL

The post-Convention meeting of the Grand Council opened with the installation ceremony. Amy Burnham Onken, the retiring Grand President, installed Marianne Reid Wild as the new Grand President of Pi Beta Phi. Mrs. Wild then installed Alice Weber Mansfield, Grand Vice President; Lucile Douglass Carson, Grand Secretary; Olivia Smith Moore, Grand Treasurer; Adele Taylor Alford, ARROW Editor; Helen Anderson Lewis, Director of Rushing and Pledge Training, and Ruth Williams Hansen, Director of Extension.

Grand Council met with Gladys Scivally, the retiring Director of Central Office and Janet Patton, the new Director. A brief conference was held with Ruth Barrett Smith, Chairman of the Settlement School Committee, preceding her departure for Gatlinburg to attend the Open House at the closing of the Summer Workshop, and with Virginia Green and Theresa Graham, members of the Settlement School Committee. A conference with Eleanor Rockwood Cooley, Chairman of the Holt House Committee, followed. With regret, Grand Council accepted her resignation.

The Grand President announced the appointment of Lolita Snell Prouty as the new Counselor for Chapter House Corporations.

It was suggested that the Director of Rushing and Pledge Training, an active chapter Rush Captain, and an Alumnae Club Recommendations Chairman be appointed to the committee in the revision of the recommendations blank.

It was decided that Central Office be asked to send out, in the fall mailing, instructions reminding

all clubs and chapters that they must file the tax Form #990 annually.

The retiring Grand President was asked to work out a new standard procedure for the pre-initiation reading of the Constitution, to cover essential material and to provide for individual signatures, pledging allegiance to it.

The ARROW Editor moved that Mr. James Wheat of Champaign, Illinois, be retained again as the legal adviser of the fraternity. Motion carried.

Plans were made for the installation and supervision of the new group at Ball State College. Initial steps were taken for colonizing a group at Penn State College, as authorized by Convention.

The Grand Treasurer moved that Grand Council approve the purchase of the Theta Upsilon house, on the University of Alabama campus, by the Alabama Beta House Corporation. Motion carried.

The ARROW Editor moved that the 1953 Council and Province Officers' meetings be held in Gatlinburg. Motion carried.

Assignments for the official visits for the year 1952-53 were made, as follows: Grand President—Gamma Province; Grand Vice President—Nova Scotia Alpha, Maine Alpha, Massachusetts Alpha, Vermont Alpha and Beta; Grand Secretary—Massachusetts Beta, Connecticut Alpha, New York Alpha, Delta and Gamma; Grand Treasurer—Wisconsin Alpha, Beta and Gamma, Minnesota Alpha, Manitoba Alpha, and North Dakota Alpha; ARROW Editor—Mu Province; Director of Rushing and Pledge Training—Kansas Alpha and Beta, Missouri Gamma, South Dakota Alpha and Nebraska Beta; Director of Extension—Iowa Alpha, Beta, Gamma and Zeta.

The post-Convention meeting of the Grand Council and the retiring members of the Council was adjourned Tuesday noon, July 15, 1952.

Grand Secretary LUCILE DOUGLASS CARSON

By RUSSELL J. CLINCHY, in a publication of the Foundation for Economic Research

The American Principle

The American government was established on the principle that men are endowed with the right to be free persons, and that this natural right was ingrained into the very texture of the life of man before any form of community organization or government began. To that should be added its corollary: No state, nation, nor association of nations can legitimately make any abridgment of this inherent freedom. Upon this foundation of freedom, man is enabled to make contractual relations voluntarily through association with his fellow-men.

This concept of human rights rests upon a valid heritage—the heritage of the Ten Commandments, the Golden Rule, the Declaration of Independence, and the Bill of Rights. Each of these expressions of moral philosophy, tested by time, presupposes the inherency of the natural rights of man as a gift of life itself, wherever and whenever it began. The stars need no human declaration of their reality, inviolability, and grandeur. In the nature of the universe, the rights of man to life and freedom are as one with the stars.

This moral concept, which makes the universe intelligible and rational, declares that no person can rationally be deprived of his life, liberty, or property—his expression of being a person—except through his own denial of the same rights to any other person.

Minutes of the Thirty-Eighth Biennial Convention

The Shamrock Hotel, Houston, Texas

July 7-13, 1952

THE Thirty-Eighth Biennial Convention of Pi Beta Phi Fraternity opened the afternoon of July the seventh in the Shamrock Room, with the Grand President, Amy Burnham Onken, presiding. The meeting opened with the singing of the Pi Beta Phi Anthem, followed by the Opening Ritual. The impressive Invocation, which followed, and all of the Invocations of Convention were given by Marie Bacon Hagee.

The Guide, Ila Pearce Graham of Iowa Gamma, was presented to the Convention. Mr. M. Jack Farrell, Executive Manager of The Shamrock, and Mr. Albert Marois, the Assistant Executive Manager, were introduced by Mrs. Graham and brought cordial greetings, presenting a large wooden key to The Shamrock to the Grand President. Mr. Sydnor Oden, the president of the Houston Chamber of Commerce, father of Marilyn Oden Brollier, Texas Alpha and Virginia Alpha, and husband of the Convention initiate, was introduced and after a very delightful speech, including a welcome to the Pi Beta Phis and a description of the excellencies of his City and State, presented a rare old edition of Yoakum's "History of Texas" to Miss Onken.

A quartet of members of Texas Alpha sang the Memorial Hymn in tribute to officers and former officers and Pi Beta Phis who have passed away since the last Convention. Included in the list of those reverently remembered was Louise Sawyers Linn of Iowa Alpha, the author of the beloved traditional song of Pi Beta Phi, "Ring Ching Ching."

Betty Wilkins of Colorado Beta, the 1951 Balfour

Cup Chapter, and Sabra Hansen, Kentucky Alpha daughter of Epsilon Province Vice President honored by the Grand President, were introduced as the Pages for the Opening Meeting of Convention. Pi Beta Phi members with special fraternity responsibilities were introduced by the Grand President, including the members of Grand Council; May L. Keller, President Emeritus and honor guest of Convention; the National Officers and Committee Chairmen present at Convention; "Golden Arrow" Pi Beta Phis; mothers and daughters present; the Convention initiate, Olga Poe Oden; and Virginia Reinecke Weaver and Frances Falvey, Pi Beta Phi Deans of Women who conducted the Convention Workshops for Actives. Mrs. W. H. Vinzant, the parliamentarian, and Joyce Marson Quinn, the stenotypist, were presented to Convention.

The Grand President led Convention in a demonstration of the distinctive honors won by Pi Beta Phi chapters and individuals in the interim of conventions, including activity and scholastic accomplishments.

Following announcements, Miss Onken spoke briefly on the topic "Convention and You" and closed the first meeting with the announcement of Convention Committees on the Attendance Award, and Resolutions, as follows:

Attendance—Merle Sellman Torrey, Miriam Williams, Virginia McMahan, Carla Heller, Becky Davis
Resolutions—Zeta Province President, Iota Province Vice President, and Nova Scotia Alpha, Kansas Alpha and Louisiana Alpha.

REGULAR SESSION—FIRST BUSINESS MEETING

THE first business meeting of the Regular Session of Convention was opened with singing, led by the National Chairman of Fraternity Music, Dorothy Vale McLaughlin, and with the Invocation. Mrs. Hagee presented Patricia Hunton, Wyoming Alpha, who spoke on the inspiration of the Initiation Ceremony conducted the night before for Olga Poe Oden.

The Grand Secretary, the Chairman of the Committee on Credentials, made the following report: The Credentials Committee of the Regular Session of the 1952 Pi Beta Phi Convention has examined and has approved the credentials of ninety-seven active chapter delegates. These, with the President Emeritus and the Chairman of the Settlement School Committee and the National Officers authorized by the Constitution, make a total of 137 qualified voters registered. The Grand President announced the Official Order of Business and Special Orders of the Day. Workshops on Tuesday and on Friday afternoons, July the eighth and the eleventh at two o'clock, were announced as Special Orders of the Day. Extension was the Special Order of the Day Wednesday afternoon, July the ninth at two o'clock, and the Champaign-Urbana recommendation for a change in the Statutes was the Special Order of the Day the same afternoon at three o'clock.

Marie Moe of Iowa Gamma, the Philadelphia Vase Chapter, and Barbara Lewis, Indiana Gamma daughter of the Director of Rushing and Pledge Training honored by the Grand Secretary, were introduced as Pages for the first Business Meeting.

Announcements were made and instructions given concerning Convention procedure. The Grand President stated that unless there were objections the minutes would not be read in Convention but would be approved by the Grand Council. The nominating Committee for the Regular Session of Convention was announced, as follows: Lambda Province Vice President, Zeta Province Vice President, Colorado Beta, Indiana Delta, Iowa Gamma.

Greetings were read from the Grand Presidents of Delta Gamma, Alpha Chi Omega, Delta Delta Delta, Theta Upsilon, Delta Sigma Epsilon, Kappa Alpha Theta, Zeta Tau Alpha, Isabel Clark Winkler (former Grand Council member), the Clement Kennedys of Swamscott, Leila Gray Clifton (National Chairman of Chaperons), Miss Lyde Spragins (Dean of Women at S.M.U.), Mary Love Collins of Chi Omega, and the Delta Gamma Convention at White Sulphur Springs.

Reports of officers began with the report of the Grand President which was accepted in a spontaneous rising vote of appreciation and approval. Missouri Alpha moved that the report of the Grand Vice President be deferred to the Alumnae Session. Motion carried. Texas Alpha moved that the report of the

Grand Secretary be not read but be printed in the Information ARROW. Motion carried. A nine months' report was given by the Grand Treasurer. Texas Beta moved that the reports of the remaining national officers and chairmen, other than those of the Historian, the chairman of the Settlement School Committee, of the Holt House Committee, and of the Emma Harper Turner Committee, be not read but appear in the Information ARROW. Motion carried. Tennessee Beta moved that the report of the Historian be deferred and appear as part of the Convention program and in the ARROW. Motion carried. Colorado Beta moved that the reports of the Settlement School and the Holt House Committee Chairmen be deferred and appear as part of their special Convention program and in the ARROW. Motion carried.

The next Order of Business was the consideration of the recommendations of Grand Council. Alabama Beta moved that Statutes, Part I, Article VII, Section 8 (page 23) be stricken out and a new Section 8 be inserted, to read: "Pi Beta Phi Endowment Fund. The Fraternity shall maintain a permanent Pi Beta Phi Endowment Fund, the interest from which shall be paid to the Contingent Fund. The Fund shall consist of voluntary gifts and of the fees amounting to \$5.00

paid previous to July 1, 1952 by each initiate." Motion carried.

Kentucky Alpha moved that Statutes, Part I, Article VII, Section 3 (page 22) "National Initiation Fee" be amended by striking out c, d, e, and f, and inserting a new c, d, and e to read:

- "c. Convention Fund, \$5.00
- d. ARROW Fund, \$3.00
- e. Contingent Fund, \$15.00"

Motion carried.

Tennessee Alpha moved that Constitution, Article VII, "Meetings" (page 5) be amended by striking out Section 1 and inserting a new Section 1, "Conventions," to read:

- "a. This Fraternity shall hold triennial conventions at such time and place as shall be designated by the Grand Council.
- b. Triennial conventions may be postponed and special conventions may be called as provided in the Statutes, Part I, Article IV, Sections 7 and 8."

Following discussion, Theta Province President moved that further discussion of this recommendation be postponed to the next meeting of the Regular Session. Motion carried.

REGULAR SESSION—SECOND BUSINESS MEETING

THE Second Business Meeting of the Regular Session of Convention was held on Wednesday afternoon, July the ninth, at two o'clock. Greetings from the Governor of Colorado were read. It was announced that a gift of \$1,000 had been received from Miriam E. Williams, Illinois Epsilon, former Eta Province President, in honor of her mother, Adda Prentice Williams, Iowa Gamma I. C. The income from this gift will be used to assist actives who are especially worthy and who have a special need. Ethel Bickler Buckley, Registration Chairman, reported that there were 733 registrations at noon on July the ninth. Joyce Sheppard, Illinois Epsilon, honored by the Grand President, and Dona Mears, Oregon Gamma, honored by the Director of Rushing and Pledge Training, were introduced as the Pages for this meeting. Lambda Province President moved that the alternate for Washington Gamma, Jo Anne Wood, be seated as the delegate for the remainder of Convention. Motion carried.

The Special Order of the Day was Extension. The Director of Extension, Alice Weber Mansfield, presented Helen Anderson Lewis, Director of Rushing and Pledge Training, who had been appointed by Grand Council to make the initial inspection visit to the Gamma Gamma group at Ball State College. Following her report of the petitioning group, Delta Province President and representatives of Delta Province chapters gave their report of the Gamma Gamma

group. The Director of Extension moved that a charter of Pi Beta Phi be granted to the Gamma Gamma group at Ball State College, Muncie, Indiana. The motion was seconded and Indiana Epsilon, New York Alpha, Ohio Beta, Washington Alpha and North Dakota Alpha were appointed as tellers.

The Special Order of the Day at three o'clock was the presentation of the Champaign-Urbana recommendation. Colorado Alpha moved that Statutes, Part I, Article IV, Section 1 (page 15, top) be amended by ballot vote, striking out "e" and inserting a new "e" to read: "Alumnæ delegates selected from the Alumnæ Session of convention to the full number permitted under Part I, Article IV, Section 16." The Grand President pointed out that a request for vote by ballot would require a separate motion and that part of her motion was withdrawn by Colorado Alpha. The Chairman of the Settlement School Committee moved that this recommendation be considered informally. The motion was carried. After long discussion, Ohio Beta moved the Previous Question. Motion carried. The vote on the recommendation was unfavorable and the motion to amend the Statutes was lost.

Following a brief recess, the report of the tellers was heard, showing that a charter had been granted to the Gamma Gamma group at Ball State College. The second business meeting of the Regular Session then adjourned.

REGULAR SESSION—THIRD BUSINESS MEETING

THE Third Business Meeting of the Regular Session was called to order by the Grand President at nine o'clock, Thursday morning, July the tenth. Following another inspiring Invocation by Marie Bacon Hagee, the Grand President introduced May Jane Schallhorn, Arkansas Alpha, honored by the Grand Treasurer, and Judy Ellis, Florida Beta, daughter of former Zeta Province President Dorothy Ellis, honored by the Grand Secretary, as Pages for this meet-

ing. Announcements followed and greetings were read from the French Lick Springs Hotel, Sigma Delta Tau, and the Houston Alumnæ Association of Kappa Kappa Gamma.

The Convention then returned to the discussion of the Recommendation #3 of Grand Council, concerning triennial conventions. After discussion, the motion to accept the recommendation was lost unanimously.

Connecticut Alpha moved that Statutes, Part I,

Article II, Section 9 (page 11) "Duties of Province Presidents" be amended by striking out "f" which reads: "To collect applications for alumnae membership, to distribute same to the Province Vice-Presidents concerned, and to forward those in her own province to the club concerned." Motion carried.

Ohio Delta moved that Statutes, Part I, Article VII, Section 10, f (page 24) be amended by striking out "Paragraph 9, c" and inserting "under 'c' of this section" so that the last sentence of Section 10, f, shall read: "All decisions relating to the management and investment of funds entrusted to a trust company under 'c' of this section shall be subject to the approval of the trust company." Motion carried.

Massachusetts Alpha moved that Statutes, Part I, Article VII (page 23) be amended by inserting a new Section 10 to read: "Pi Beta Phi Friendship Endowment Fund. The Fraternity shall maintain a permanent Friendship Endowment Fund, the principal of which shall be available for chapter house loans and the interest from which shall be paid to the Contingent Fund. The Fund shall consist of voluntary gifts." Motion carried.

Tennessee Gamma moved that Statutes, Part I, Article VII, Section 7 (page 23) be amended by striking out "\$10,000" and inserting "\$20,000" so that Section 7 will read: "Fellowship Endowment Fund. The Fraternity shall maintain a permanent Fellowship Endowment Fund of \$20,000 consisting of gifts contributed towards such a fund, the interest from which shall be used in financing the annual Pi Beta Phi fellowship." Motion carried.

Kansas Alpha moved that Statutes, Part I, Article VII (page 23) be amended by striking out Section 9 and inserting a new Section 9 to read: "Emma Harper Turner Fund. The Fraternity shall maintain a permanent endowment fund called the Emma Harper Turner Fund which shall consist of the \$50,000 appropriation from the Contingent Fund plus voluntary contributions. The principal of this fund shall be available for chapter house loans and the interest shall be available to members of the fraternity in special need of assistance." Motion carried.

Nova Scotia Alpha moved that Statutes, Part I, Article IX, Section 11 (page 26) be stricken out and a new Section 11 be inserted, to read: "Order of the Golden Arrow Insigne. The distinguishing badge of a member of the Order of the Golden Arrow shall be a small gold carnation to be worn as a guard or as a badge." Motion carried.

Missouri Gamma moved that an interim workshop meeting of Grand Council and the Province Presidents and Vice-Presidents be authorized for the summer of 1953. Motion carried.

California Gamma moved that Statutes, Part I, Article VII, Section 2 (insert, page 22) be amended by striking out "Within six weeks after pledging" and inserting "Upon being pledged" so that the Statutes would read: "Upon being pledged each fraternity

pledge shall pay to the chapter treasurer the national pledge fee of \$10.00. The \$10.00 payment shall be apportioned by the Grand Treasurer, as follows:

- a. Convention Fund, \$5.00
- b. Contingent Fund, \$3.00
- c. Alumnae Fund, \$2.00"

Motion carried.

Iowa Zeta moved that Statutes, Part II, Article III, Section 7 (bottom, page 35) be amended by inserting "e" to read: "To forward to the Central Office within two weeks after any pledging the \$10.00 National Pledge Fee for each girl pledged or repledged." Motion carried.

California Delta moved that Statutes, Part II, Article III, Section 9 (page 36) be amended by inserting "e" to read: "To send to the Director of Rushing and Pledge Training and to the Central Office, within five days after any pledging, a list of girls pledged, giving name, address, date of pledging, and class standing for each." Motion carried.

The Grand Vice President moved that Convention go on record as approving regular procedures, working toward a chapter at Penn State College; to the extent that the Fraternity will colonize a group which will be permitted to petition Pi Beta Phi for a charter. The Grand Vice President described the situation at Penn State and her consultations there as the representative of Grand Council. Following discussion, Wisconsin Alpha moved the Previous Question. The motion was carried. The vote on the original motion was favorable and the fraternity will colonize at Penn State.

The next Order of Business was recommendations from the Province Presidents. New York Delta moved that because of the great expense involved in printing the reports of the chapter delegates, these be limited to the two sections "Scholarship" and "Chapter Work" plus one most outstanding chapter tradition. Motion carried.

At the request of the Province Officers, the Grand Secretary read the following recommendations made by them to Convention:

That Amy Burnham Onken be given an honorarium of \$100 per month for life, to be paid from the Pi Beta Phi Contingent Fund as an expression of the appreciation of the Fraternity for her service to Pi Beta Phi.

That Amy Burnham Onken be made Honorary Grand President with the same privileges now accorded the President Emeritus.

The Grand Vice President took the chair. Alabama Alpha moved the Previous Question. Motion carried. The vote on the first recommendation was unanimous. Connecticut Alpha moved the Previous Question on the second recommendation. Motion carried and the vote on this recommendation was unanimous also.

Gamma Province President moved that the meeting be adjourned. The motion was carried.

REGULAR SESSION—FOURTH BUSINESS MEETING

THE Fourth Business Meeting of the Regular Session opened at nine o'clock on Friday morning, July the eleventh, with another of the helpful messages and the Invocation by Marie Bacon Hagee. The Grand President introduced the Pages for the meeting who were Suzanne Lowe, Indiana Delta, representing the 1951 Stoolman Vase Chapter, and Harriet Van Usem, Wisconsin Beta, honored by the Director of Rushing and Pledge Training.

Greetings from Alpha Phi and Alpha Sigma Alpha were read and a note from Dorothy Deemer Houghton, Iowa Gamma "Pi Phi Night" speaker of the night before, who had had to leave Convention soon after her talk.

Beta Province President moved that the alternate for Ohio Alpha be seated in place of the delegate. Motion carried.

Theta Province President announced that Georgia

Cook, Minnesota Alpha delegate, had received word that she had been awarded a very fine scholarship which will mean that she will study in Europe.

The Grand President announced that the National Historian, Marian Keck Simmons, had represented Pi Beta Phi very ably in a talk to the Houston Rotary Club on Thursday.

D.C. Alpha moved that the individual chapters be given the choice of having the final pledge book examination either in one part or in two parts. The motion was carried.

Ontario Alpha moved that Statutes, Part I, Article VII (page 24) be amended by adding a new Section 11, to read: "A Canadian Project Fund may be established by the Canadian Pi Phis through voluntary contributions. This fund shall be deposited in a Canadian bank and administered by a committee of three members, subject to the approval of a majority of the alumnae clubs and active chapters contributing.

- a. The original committee shall consist of one member from Toronto Alumnae Club, who shall serve three years and shall be the chairman, one from Edmonton Alumnae Club who shall serve two years and one from Halifax Alumnae Club who shall serve for one year.
- b. After the first year one member of the committee shall be elected each year to serve three years. The committee shall select its own chairman.
- c. The original committee shall determine the rotation in which clubs shall be represented on the committee." Motion carried.

Illinois Zeta moved that the section "Consent to Bid" be stricken from the lower left hand corner of the blank and be placed in a prominent spot at the top of the blank. Ohio Delta moved that the motion be amended by inserting between "that" and "the" the words "When a new supply of the combination Recommendation and Consent to Bid blanks is to be printed," so that the motion would read: "When a new supply of the combination Recommendation and Consent to Bid blanks is to be printed, the section 'Consent to Bid' be stricken from the lower left hand corner of the blank and be placed in a prominent spot at the top of the blank." The motion to amend carried and the motion as amended was carried.

Ohio Beta moved that Statutes, Part II, Article III (page 38) be amended by inserting a new Section 18, to read: "Election of Committee Chairmen. The Activities Chairman shall be elected not later than May 15 to serve for one year." Missouri Alpha moved that the motion be amended by striking out the words "not later than May 15 to serve for one year" and inserting the words "by the chapter" so that the new Section 18 would read: "Election of Committee Chairmen. The Activities Chairman shall be elected by the chapter." The motion to amend carried and the motion as amended carried.

Arizona Alpha moved that each active be assessed 34¢ per month, for nine months for the next two years, to clear the \$15,000 deficit in the Convention Fund and assure biennial conventions. After discussion, Oklahoma Alpha moved that action be deferred and the motion be placed in the hands of a committee for clarification, the committee to be appointed by Grand Council. Tennessee Alpha called for the Previous Question. The motion carried. The motion to

defer action was lost. Further attempt to clarify procedure in the original motion resulted in an amendment offered by Massachusetts Beta to strike out the words "34¢ per month" and to insert the words "\$3.06 per year, the number of active chapter members concerned to be determined by the fall membership list and payment to be divided at the discretion of the chapter." Massachusetts Beta agreed to change the wording "per year" to "for the years 1952 and 1953." Discussion brought out the fact that the recommended action should concern the years 1952-53 and 1953-54. Michigan Gamma then moved that the motion be referred to a committee of three actives and the Grand Treasurer, the actives to be appointed by the Grand Treasurer and the committee to report to the Regular Session, Saturday morning. Michigan Gamma added that she wished Arizona Alpha to be named on this committee and this was included in her motion. The motion carried.

After a brief recess, Iowa Gamma moved that Statutes, Part II, Article IV, Section 1, a, 2 (page 38 and 39) be amended by striking out "2" and inserting a new "2" to read: They must include a minimum of four well-planned programs on the constitution during the college year." The motion included striking out "7" in Section 1, b, also. The motion was lost.

Indiana Beta moved that Statutes, Part II, Article III, Section 19 (page 38) be amended by striking out the sentence immediately preceding the installation pledge and inserting a new sentence, to read: "All chapter officers shall be installed by the out-going chapter president no earlier than thirty days after election and no later than forty-five days after the election." The motion was lost.

Wisconsin Alpha moved that all recommendations passed by the 1952 convention be compiled, mimeographed and distributed during the summer, in advance of publication in the ARROW. Motion carried.

Illinois Eta moved that a committee, to be appointed by the Grand Council, be instructed to study the method of computation of the Standardization and Survey scholarship grades and the validity of the weight given to scholarship in the total Standardization and Survey grade. Motion carried.

It was recommended by the Alumnae Session to the Regular Session that Pi Beta Phi go on record as working for an informed and generally useful citizenship in the United States and Canada. The motion was carried and the recommendation was adopted.

Indiana Beta moved that the Grand Council be asked to consider organizing a Student Exchange Program for Pi Beta Phi so that chapters might provide room and board for an exchange student and benefit from this association with students from other countries. Oregon Gamma moved the previous question. The motion was carried, and the original motion carried also.

The committee appointed to work for clarification of the motion determining individual assessments to clear the deficit in the Convention Fund was announced, as follows: Arizona Alpha, Missouri Beta, Oregon Alpha, the Director of Central Office, the delegate from the Santa Monica Alumnae Club, and the Grand Treasurer as chairman.

Following announcements, the Fourth Business Meeting of the Regular Session was adjourned.

REGULAR SESSION—FIFTH BUSINESS MEETING

THE Regular Session of Convention convened in its Fifth Business Meeting, Saturday morning, July the twelfth, at ten-thirty o'clock, following the closing meeting of the Alumnae Session. Greetings were read from Gamma Phi Beta, Sigma Alpha Iota, Beta Sigma Omicron, and Kappa Delta. Clara Hall Sipherd, former Grand Council member, Sigma Delta Tau, the Shreveport Alumnae Club, the Richmond Alumnae Club, and Eleanor March Moody, former Alpha Province President. Among the many announcements at this time was one by the Grand President informing Convention that Vera Wattles Kirkpatrick, Nebraska Beta, has given to Pi Beta Phi an 1898 pin belonging to her aunt, Carrie Wattles Swendon, Iowa Gamma, to be used in the shadow box in Holt House. Pages for the Session were Anne Louise Gerkin, Maryland Beta honored by the Grand Vice President, and Janet Blackhurst, Utah Alpha, honored by the Director of Extension. Mu Province President moved that the alternate for California Zeta be seated in place of the delegate. Motion carried.

Beta Province President moved that the alternate for Ohio Epsilon be seated in place of the delegate. Motion carried.

Alpha West Province President moved that the alternate for New York Alpha be seated in place of the delegate. Motion carried.

Epsilon Province President moved that Statutes, Part II, Article III, Section 18 (page 38) be amended by adding the Program Chairman to the new Section 18, as follows: "Election of Committee Chairmen.

a. The Activities Chairman shall be elected.

b. The Program Chairman shall be elected.

The motion was withdrawn, for clarification by the parliamentarian as to the proper insertion in the constitution to provide for this chairman.

Arizona Alpha, reporting for the special committee, in a substitute motion for the original one, moved that an Emergency Convention Fund be established, with the following regulations for the collection of the assessments:

a. \$1.80 per year for 1953 and 1954, per active.

b. To be received by the Grand Treasurer by June first.

c. To be collected by each chapter according to their own choice of method.

Gamma Province President moved that the recommendation be again referred to the committee for clarification. Motion carried.

The Fifth Business Meeting closed with a discussion by the Grand President on National and College Panhellenics, their functioning and their responsibilities.

REGULAR SESSION—SIXTH BUSINESS MEETING

THE Sixth and Final Business Meeting of the Regular Session convened at two o'clock, Saturday afternoon, July the twelfth. Epsilon province President moved that Statutes, Part II, Article III, Section 18 (page 38) be amended by inserting the words "and the Program Chairman" between "Activities Chairman" and "shall" so that the section would read: "Election of Committee Chairmen, The Activities Chairman and the Program Chairman shall be elected by the chapter." Motion carried.

Connecticut Alpha moved that Statutes, Part II, Article III (page 38) be amended by adding a new Section 19, to read: "A Music Chairman shall be elected by the chapter whose duties shall be:

a. To direct and coordinate all musical activities of the chapter.

b. To maintain a contact with the national committee on Fraternity Music." Motion carried.

Arizona Alpha presented the recommended motion of the special committee, as follows:

"That an Emergency Convention Fund be established.

1. Payments shall be made by each active chapter to the equivalent of \$1.80 annually for each member, during the year 1952-53 and 1953-54.

2. Members and pledges may pay an amount proportionate to the time they are associated with the chapter.

3. The method of collecting this Fund shall be determined by each chapter and the total amount be sent each year to the Grand Treasurer not later than June first." The motion was carried.

Beta Province President moved that the alternate for Ohio Alpha be seated as the delegate. Motion carried.

Missouri Alpha moved that the Program Chairman send her plans to the Province President on the first of each month and that reminders be included in

the ARROW calendar. Motion lost.

California Gamma moved that a committee be appointed by the Grand Council to study a revision of the recommendation blanks, the results of this study to be presented for approval by June 1953, at the meeting of Grand Council and the province officers. Motion carried.

Connecticut Alpha moved that the opening paragraph of Statutes, Part II, Article III, Section 13 (page 37) be stricken out and a new paragraph be inserted, to read: "Executive Council. The chapter Executive Council shall consist of not less than five or more than seven members including the chapter president, the chapter vice president, the chapter scholarship chairman, a representative of each of the three upper classes elected for her class membership and another member, if the chapter desires." This motion was lost.

The next Order of Business was the election. The Grand President called for the report of the Nominating Committee which was given by the Chairman, Lambda Province Vice President, who announced that the name of Mildred Odell Sale had been withdrawn too late to secure a nominee for Kappa Province President. Following the report of the Nominating Committee, the Grand President called for nominations from the floor. Nebraska Beta nominated Eleanor Talbot Kimball for Iota Province President. Texas Beta nominated Myldred Allen Hightower for Kappa Province President. There being no other nominations, the Grand President declared the nominations closed and appointed Virginia Gamma, California Delta, Illinois Theta, Missouri Alpha and Florida Beta as the tellers.

The National Historian moved that to expedite business the complete report of the tellers be not read and only those elected be reported to the Convention. Motion carried.

The Grand President called for the report of the Resolutions Committee which was read by Zeta Province President, the chairman, as follows: "Now, therefore, be it resolved that we express to our beloved Grand President, Amy Burnham Onken, our sincere appreciation and gratitude for her constructive and inspirational leadership given so lovingly to Pi Beta Phi. We proudly recognize her influence in making Pi Beta Phi the leading woman's fraternity and we pay tribute to her enviable position in the fraternity world. We wish to declare our heartfelt thanks for her unselfish service at all times.

That we extend to our Grand Vice President, Marianne Reid Wild our heartfelt thanks for her devoted service to the fraternity, as a member of Grand Council and for her work in the splendid development of the Alumnae Department.

That to Lucile Douglass Carson, Grand Secretary, we affirm our grateful appreciation for the competent and gracious way in which she has served the fraternity.

We recognize and thank Lolita Snell Prouty, Grand Treasurer, for her devoted service and the efficient manner in which she has at all times served Pi Beta Phi. We commend her for her generous assistance in administering aid to the chapters and alumnae in financial matters and for her loyalty and devotion to the fraternity.

That to Adele Taylor Alford, the ARROW Editor, we are truly grateful for the excellent editions of the ARROW for which she and her staff are responsible and for the accomplishment in making the magazine a leading publication in the fraternity world.

That we commend wholeheartedly the Director of Rushing and Pledge Training, Helen Anderson Lewis, for her constructive work with the active chapters.

That to Alice Weber Mansfield, Director of Extension, we express our gratitude for the capable work she has done in the matter of Extension.

That to our President Emeritus, May L. Keller, our special guest at Convention, we express our great pleasure in her continued interest and loyalty to the fraternity, also the high esteem in which we hold her.

That to Marie Bacon Hagee we convey our warmest thanks for her inspirational invocations which opened our sessions and also for her valuable service rendered through the years.

That we compliment and thank Agnes Wright Spring, Public Relations Chairman and former ARROW Editor, for her many services so generously given to Pi Beta Phi.

That to Marian Keck Simmons, National Historian, we express our warmest gratitude for her work in stimulating our interest in the history of the fraternity and for the entertaining program which she so graciously gave us at the Convention.

That to Elizabeth Heryer Delaney, Assistant to the National Historian, we express our thanks for her untiring work.

To Lillian Beck Holton, Counselor for Chapter House Corporations, we affirm our sincere gratitude for her efficient service throughout the years and also for her understanding of the problems of chapter house corporations.

That Helen Richardson Corkum and Mary Stuart Kinder be thanked for their service on the National Board of Trustee Funds.

That Dorothea White Flint, National Supervisor of Chapter Accounting, be commended for her fine service to active chapters.

That we recognize and thank Ruth Barrett Smith, Chairman of the Settlement School Committee, and

her very able committee for their outstanding work and accomplishment during the past year and for the fine program presented at Convention.

That to the Director of the Settlement School, Ruth Dyer and her staff, we acknowledge their part in directing the activities of the Settlement School and for their colorful Convention display of Settlement School products.

That to Ethel Snow, Manager of Arrowcraft Shop, we express our appreciation for her capable direction of that agency.

That to Eleanor Rockwood Cooley, Chairman of the Holt House Committee, we extend our thanks for her interesting presentation of the Holt House program and for the fine work she has done on this project throughout the year.

That to Lillian Farrington McNaught, Chairman of the Emma Harper Turner Memorial Fund and her committee, we convey our thanks for the understanding and tactful manner in which she has brought happiness into the lives of so many Pi Phis.

That to the Province Officers we bestow our gratitude and commendation for their close contact and valuable guidance to active chapters and alumnae clubs.

That Betty Stovall King and her committee be sincerely thanked for their splendid work and research pertaining to a project for coordinating alumnae effort on a local level in a national program.

That to Lois Franklin Stoolman, Honorary Grand Treasurer, we extend our deep appreciation for her fine supervision of fraternity contacts with the 'Save the Children Federation.'

That Gladys Hayes Scivally, Director of Central Office, be commended for her efficient organization and for her faithful work with the Pi Beta Phi Magazine Agency.

That to Dorothy Vale McLaughlin, Chairman of the Fraternity Music Committee, we are grateful for her excellent contribution in presenting Pi Beta Phi music, and to the members of the Convention Chorus for their faithful and untiring work in entertaining us so beautifully.

That to Ila Pearce Graham, Convention Guide, we are deeply appreciative for the detailed preparation and execution of plan for the Thirty-Eighth Biennial Convention and our thanks also to Jane Campbell Butler, Convention Secretary.

That to the following convention chairmen and their respective committees, we acknowledge with appreciation their efforts and efficiency in providing for our comfort and pleasure: Publicity—Frances Dunlop Taylor; Memorial Service—Grace Venable Jarman; Exhibits—Susan Sanford Lockett; Photography—Delta MacDonell Ferguson; Historical—Holt House—Barbara Hencke Amsler; Informal Reception—Merthel Greenwell Womble; Recreation—Marilyn Oden Brollier; Buffet Supper—Elizabeth Andrews Chilson; Settlement School—Bennie Hester Stokes; Model Pledging and Initiation—Lillian Ammann Chiles; Pi Phi Night—Barbara Whilite Freed; Banquet—Daisy Wallace Steineger.

That to the Alumnae Clubs of Kappa Province we are sincerely grateful for their southern hospitality and thank them for their many kindnesses as our hostesses. The special hostesses merit special recognition for their many arrangements and plans.

That to Ruth Wilson Cogshall and to Jo Powell Sangster, Business Manager, and their staff we express our appreciation for the clever and informative issues of the *Convention Daily* which added so much to the interest of this Convention.

That to our distinguished 'Pi Phi Night' speaker, Dorothy Deemer Houghton, we wish to express our gratitude for her inspiring and stimulating address.

That to Dean Frances Falvey and former Dean Virginia Reineke Weaver we extend sincere appreciation for their valuable contribution in conducting the active chapter workshops.

That we are especially proud to have with us the Golden Arrow Pi Beta Phis who reflect a fine loyalty for our fraternity and that to our Convention Initiate, Olga Poe Oden, we extend a warm welcome and our pledge of friendship.

That to Betty Hill Blalock, Chairman of the Committee on Fraternity Study and Examination, and her committee, we are deeply appreciate of their efficient work in directing the fraternity study in the active chapters.

That to Social Exchange Chairman, Virginia McMahan, we give our thanks for her work in that department.

That we give sincere thanks for the splendid work done by the Nominating Committees, Chairmen Mary Bowden Mooney and Florence Green Hoffman.

That we extend hearty appreciation to Mr. Sydnor Oden, President of the Houston Chamber of Commerce, for the warm welcome given to Pi Beta Phi.

That we thank the Pages for their services and commend those responsible for their fine choice.

That we do sincerely appreciate the thoughtfulness of all those sending congratulatory messages of love and good will.

That we express sincere gratitude and appreciation to Mrs. Anne Clyde Vinzant, Parliamentarian, and thanks to the stenotypist for her alertness and proficiency.

That warmest thanks be extended to the Houston Mothers' Club for their consideration and thoughtfulness in providing a constant supply of soft drinks for the Convention.

That we convey to Mr. Jack Farrell and Mr. Albert Marois and to Mr. Farrell's secretary, Mrs. Campbell, our expression of appreciation for our enjoyable stay at the lovely Shamrock Hotel, and for the excellent services and accommodations offered by the hotel.

That we give thanks to Mr. Stephens of the Santa Fe Railroad for arranging transportation to and from the convention.

That we give whole-hearted appreciation to Gertrude Thielan Whatley, Chairman of the Committee for Allotments to Alumnae Club Delegates, and Shirley Jo Van Fleet Johnson, for their diligent and untiring efforts in distributing these funds."

Zeta Province President moved the adoption of these Resolutions. The motion was carried.

Colorado Beta moved that the following resolution be adopted by the Fraternity: "That we, the members of Pi Beta Phi in Convention assembled, at Houston, Texas, July 12, 1952, reaffirm that since the future health, progress, prosperity and security of our country depends upon the continuation and preservation of our American and Canadian ways of life, we hereby pledge ourselves as individuals and as an international organization to work diligently and actively towards the development of a sturdy, healthful and patriotic program of citizenship, defeating all harmful philosophies." The motion was carried and the resolution adopted.

Ohio Beta moved that Pi Beta Phi express its appreciation to the retiring Grand Treasurer in the following way: "That Pi Beta Phi is sincerely grateful to its Grand Treasurer, Lolita Snell Prouty, for her

outstanding abilities, guidance, and loyalty. Her untiring devotion and service to her fraternity through the years will be remembered with deep affection." The motion was carried.

The tellers for the Alumnae Department gave the official report of the election held in the closing meeting of the Alumnae Session on Saturday morning, at nine o'clock. The names of the officers elected will be found at the end of the minutes of the Alumnae Session.

The Grand President called for the report of the tellers. The report was given by Virginia Gamma, as follows:

The Grand Vice President announced the Order of Business for the Alumnae Sessions to be: Reports of Officers; Reports of Regular Committees; Reports of Special Committees; Recommendations from Grand Council; Recommendations from Province Vice Presidents; Recommendations from reports; New Business; Election of Officers.

The Grand Vice President further announced that Special Orders of Business for succeeding sessions would be:

Wednesday, July 9, 9:00 A.M. Report of Emma Harper Turner Fund Committee—

Workshops:

Public Relations—Agnes Wright Spring
 Alumnae Advisory Committee—Lucile Carson,
 Grand Secretary Madeline Killinger, Delta PP,
 Ruth Hansen, Epsilon PVP
 Active-Alumnae Relations—Mary Cooper, Lambda
 PP, Edna Archibald, Alpha West, PVP

Friday, July 11, 2:00 P.M. Alumnae Workshops and Discussion Groups as follows:

For clubs with membership of 35 or less:

President as a Leader—Marianne Reid Wild, GVP

Treasurer and Alumnae Club Finance—Marge Bartlett, Zeta PVP

Membership Methods—Erminie Pollard, Alpha East PVP

Programs—Marcella Rhodes, Mu PVP

Ways and Means—Helen Grant, Theta PVP

Arrowcraft Angles—Marie Lingo, Gamma PVP

For clubs with membership of 36 or more:

President as a Leader—Alice Mansfield, Director of Extension

Treasurer and Club Finance—Virginia Green, Delta PVP

Membership methods—Velva Shortz, Beta PVP

Programs—Mary Mooney, Lambda PVP

Ways and Means—Marie Divisek, Iota PVP

Arrowcraft Angles—Elizabeth Scott, Eta PVP

Reports of the alumnae officers were then in order. The report of the Grand Vice President was read and accepted on motion of Alpha East Province Vice President, seconded.

Kansas City moved that the report of the Director of Extension not be read but printed in the ARROW. Seconded and carried.

A statement of the Grand Treasurer on Alumnae Funds was read.

Fort Smith moved that the report of the Settlement School Committee be part of the Settlement School evening program and be printed in the ARROW. Seconded and carried.

Elizabeth Stovall King, Gamma Province President, read the report of the Special Committee, composed of Elizabeth King, Rhoda Osthaus, and Marjorie Colvin, appointed to investigate possible ways and means of coordinating and giving national recognition and significance to the outstanding service being given locally by a large number of alumnae clubs.

Madison, Wisconsin moved the acceptance of this report. Seconded and carried.

The Grand Vice President stated that since the Regular Session must approve the one Recommendation of Grand Council pertaining to the Alumnae Session first, the next Order of Business would be Recommendations from Province Vice Presidents.

The Director of Extension read and moved the adoption of the following Recommendation from the Province Vice Presidents:

That the Statutes, Article III, Section 2, b, 2a, be amended by adding a new sentence to read:

"If the sum is in excess of the amount needed for any one convention, the difference between the total amount held in reserve and the necessary expenses of the delegate shall be retained by the Grand Treasurer in the reserve fund for that club."

The motion for adoption having been seconded the matter was open to discussion.

The Grand President moved that the recommendation be amended by adding, "the total amount held in reserve together with the current allotment" so that the recommendation would read:

"If the sum of the total amount held in reserve, together with the current allotment, is in excess of the amount needed for any one convention, the difference between the total amount held in reserve and the necessary expenses of the delegate shall be retained by the Grand Treasurer in the reserve fund for that club."

Amendment seconded and carried.

Motion as amended carried.

The next Order of Business, Recommendations from Reports was then in order. Omaha moved the adoption of the Recommendation contained in the Report: of the Committee to Co-ordinate Local Alumnae Projects:

"That Pi Beta Phi adopt a coordinated national program of projects for handicapped children in which alumnae clubs or active chapters may participate either through financial assistance or hours of service on an entirely voluntary basis according to the desire and capability of each group and in conformity with local needs.

"That this program be administered under the direction of Grand Council by a national co-ordinator who will work through the Province Vice-Presidents and with individual groups at their request."

Seconded.

Albany moved that Recommendation be amended by striking out words "for handicapped children" and inserting in their place "all social welfare." Seconded and lost.

Motion lost.

The Grand Vice President then called for New Business.

Gamma Province Vice President moved that the Alumnae Session of the 1952 Pi Beta Phi Convention go on record as working for an informed and generally useful citizenship in the United States and Canada, and that the Alumnae Session recommend to the Regular Session that the 1952 Convention go on record as working for an informed and generally useful citizenship in the United States and Canada. Seconded and carried.

Eta Province Vice President moved that the Secretary be instructed to write a letter of thanks to the members of the Committee to Co-ordinate Local Alumnae Projects. Unanimously carried.

Theta Province President announced for the nominating committee, that delegates were to suggest Province Vice Presidents for their respective provinces only.

Meeting recessed at 5:00 P.M.

WEDNESDAY, JULY 9, 1952, 9:00 A.M.

The second Alumnae Session of the 38th Convention of Pi Beta Phi, which was a joint session with required attendance by active chapter delegates, was called to order by the Grand Vice President.

A "Thought for the Day" was given by Marie Bacon Hagee.

Introduction of the pages followed.

Gloria Reeside, D.C. Alpha, honored by the ARROW Editor, and Joanne Sorenson, Colorado Alpha, honored by the Grand Treasurer.

Announcements were made and greetings read.

Kappa Province Vice President moved that the alternate from the Sabine District be seated. Seconded and carried.

As the Special Order of Business, the Grand Vice President introduced Lillian McNaught, Chairman of the Emma-Harper Turner Committee, who gave the report of that committee.

Kansas City moved the acceptance of the report. Seconded and carried.

A Workshop and Discussion on Public Relations was led by Agnes Wright Spring, Chairman of the Committee on Public Relations.

A Workshop and Discussion of Alumnae Advisory Committees was led by Lucile Douglass Carson, Grand Secretary, Madeline Killinger, Delta Province President,

and Ruth Hansen, Epsilon Province Vice President.

A Workshop and Discussion of Active-Alumnae Relations was led by Mary Cooper, Lambda Province President and Edna Archibald, Alpha West Province Vice President.

The Session was recessed at 11:55 A.M.

THURSDAY, JULY 10, 1952, 2:00 P.M.

The third Alumnae Session was called to order by the Grand Vice President at 2:00 P.M.

The Grand Vice President called for the report of the Credentials Committee. The Director of Extension stated there was no further report.

Following announcements a greeting from Lois Stoolman, former Grand Treasurer, was read.

Galesburg moved that the Secretary of the Alumnae Session be instructed to send a message of greeting to Corene Swenson Smith, an invalid member of its club, who has always been most loyal to the fraternity and helpful to Pi Beta Phis, both active and alumnae. Seconded and unanimously carried.

The Recommendations of Grand Council were then in order. Fort Smith moved the adoption of the Recommendation of Grand Council that an interim workshop meeting of Grand Council and the Province Presidents and Vice Presidents be authorized for the summer of 1953. Seconded and carried.

The Grand Vice President then called for New Business.

Des Moines moved that the alumnae members of Pi Beta Phi voluntarily contribute what they wish to a fund to assist the active chapters in raising the money to erase the present convention deficit—these voluntary contributions to be sent in to the Province Vice Presidents by April 15, 1953 with the alumnae club dues.

Zeta Province Vice President moved that due to circumstances beyond control at home, and due to the impossibility of making any other transportation arrangements, the Orlando alumnae delegate be allowed to miss the Saturday session and still receive her Convention Fund allotment. Seconded and carried.

There being no further New Business, Columbia, South Carolina moved that the session be recessed. Seconded and carried. The session was recessed at 2:50 P.M.

FRIDAY, JULY 11, 1952, 2:00 P.M.

The special order of the day for the fourth alumnae session was Discussion Groups with the delegates divided into two groups. For clubs with membership of 35 or less the discussion was led as follows:

President as a Leader—Mariann Reid Wild, Grand Vice President

Treasurer and Alumnae Club Finance—Marguerite Bartlett, Zeta Province Vice President

Membership methods—Erminie Pollard, Alpha East Province Vice President

Programs—Marcella Rhodes, Mu Province Vice President

Ways and Means—Helen Grant, Theta Province Vice President

Arrowcraft Angles—Marie Lingo, Gamma Prov-

ince Vice President

For clubs with membership of 36 or more:

President as a leader—Alice Mansfield, Director of Extension

Treasurer and Club Finance—Virginia Green, Delta Province Vice President

Membership methods—Velva Shortz, Beta Province Vice President

Programs—Mary Mooney, Lambda Province Vice President

Ways and Means—Marie Divisek, Iota Province Vice President

Arrowcraft Angles—Elizabeth Scott, Eta Province Vice President.

SATURDAY, JULY 12, 1952, 9:00 A.M.

The fifth Alumnae Session was called to order by the Grand Vice President at 9:00 A.M.

A "Thought for the Day" was given by Marie Bacon Hagee.

The pages for the day were introduced. The Grand Vice President honored Ann Louise Gerkin, Maryland Beta, and the Director of Extension Janet Blackhurst, Utah Alpha.

Theta Province Vice President moved that because of the time element involved in returning to their work the delegates from Duluth, Minn., and Grand Forks, North Dakota be excused from attending the banquet and still receive their Convention allotment. Seconded and carried.

The Grand Vice President called for New Business.

Ann Arbor moved that whereas Mrs. Houghton, our Convention Speaker suggested that international

understanding be improved by correspondence between women of this continent and those abroad, and urged Pi Beta Phi's participation in such a program, be it resolved that the delegates to this Convention take Mrs. Houghton's suggestion back to their chapters and clubs for consideration as part of our voluntary program for better citizenship. Seconded and carried.

Arlington Heights, Illinois, Chairman of the Holt House Nominating Committee to nominate clubs from which the committee members should be chosen, presented the Committee's report and moved its adoption. Clubs nominated were: Lexington, Kentucky, and Milwaukee, Wisconsin. Motion seconded and carried.

Theta Province President, as chairman, presented the report of the nominating committee for the Alumnae Session. Nominations from the floor were called for. The following nominations were made.

St. Petersburg, Fla. nominated Elizabeth Stovall King for Grand Vice President. Mrs. King declined the nomination.

Springfield, Mo. nominated Lily Kyle Baker as Epsilon Province Vice President. Mrs. Baker declined the nomination.

Chattanooga, Tenn. nominated Agnes Leonard for Epsilon Province Vice President. Mrs. Leonard declined the nomination.

There being no further nominations the chair declared the nominations closed. Tellers were appointed as follows: Houston, Texas, Chairman; Wilmington, Delaware; Kansas City, Missouri; North Shore Junior, Illinois; Salt Lake City, Utah; Toronto, Ontario, Canada; South Coast, California.

The Grand Vice President then stated that the time allotted to the Alumnae Session having been consumed, with the consent of the Alumnae Session the results of the election would be given in the Regular Session. This consent being given unanimously, the Grand Vice President declared the Alumnae Session of the 38th Convention of Pi Beta Phi

adjourned. After reading of the Ritual the session adjourned at 10:00 A.M.

Alice Weber Mansfield, *Secretary*
The results of the Alumnae Session Election were as follows:

MESSAGE OF THE GRAND PRESIDENT

To Pi Beta Phi:

THOSE of us who know Pi Beta Phi as a way of life towards which we are striving and not just as a name which we are privileged to use are increasingly conscious of the vast stores of strength, courage and inspiration inherent in our fraternity. None of us will ever believe the would-be-philosophers of today who tell us that nothing has permanent value or meaning and that there are, therefore no abiding standards by which we may determine our goals. Our Founders knew very surely that in the creed which they gave us there are the standards which will never cease to be right, to be livable, and to make for true happiness. Let us, the Pi Beta Phis who are present at this Thirty-eighth Convention of our fraternity, dedicate ourselves and it to a conscious, determined working-towards "whatsoever things are true, lovely, fair beyond compare"! This Convention could have no more worthy goal than this which serves the true purpose of Pi Beta Phi, the building of beautiful characters. Many years ago, Daniel Webster said: "If we work upon marble, it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble to dust. But if we work upon men's immortal minds, if we imbue them with high principles, with the just fear of God and love of their fellowmen, we engrave on those tablets something which no time can efface and which will brighten all eternity." So it is with Pi Beta Phi! What a priceless privilege to work with the "immortal minds" of the leaders among college women of today, upon the quality of whose leadership the future of the whole world depends. May this Convention mean a Pi Beta Phi more nearly worthy than ever before of such a privilege!

No fraternity officer should speak to her fraternity, today, without giving her best to try to insure that what she says will mean not only better fraternity members but better, better informed, and more effective citizens of the two great Nations in which fraternities function. The two years "since Jasper" have made it possible for us to know more about our terrible enemy, Communism, that we knew then. There have been victories for Americanism but this is no time for complacency: it is the time for an aroused, well-informed, and actively-fighting every-American in Canada and the United States. There is, perhaps, no field in which intelligent alertness is more important than in that of education—one of major concern to a fraternity. No one can doubt that the person who teaches has influence upon his students. Mr. J. B. Mathews, "a scholar, student, investigator of Communism for twenty years, and the first director of research for the House Un-American Activities Committee," speaking at Brown University, this spring, said that college and university professors have been "the largest single professional unit supporting Communists and Communist fronts," and that 28% of all top-collaborators with Red fronts in recent years have been professors. No smallest village school, no largest university, is safe from planned Communist propaganda either from text books or from Communists or their sympathizers on the teaching staff. The Communist approach, which should by now be recognized, of arousing questioning of all authority, of instilling the idea that only the young are truly alert and intelligent and that conse-

quently only they should make decisions which will affect them, and of presenting half-truths twisted into lies is still being only too effective. It is, understandably, not easy for students on one campus to know or to believe that student outbursts on their campus are not indigenous to it but instead are—as they only too often are—a part of a nation-wide, foreign-conceived plan, a thing planted upon many campuses. Some years ago, racial incidents in barber shops in fifty or more college towns seemed in each case spontaneous and almost accidental flare-ups: instead they were the results of a Communist directive sent out from New York headquarters, a directive seen and read there by the Dean of one of our largest universities. It is only too possible that the recent, disgraceful "panty raids" stemmed from the same sort of directive. On some campuses the leaders in the raids were not students, were not residents of the college town, and were not even known by the students themselves. The *St. Louis Globe Democrat* said editorially: "The stupid dangerous raids of girls' dormitories and sorority houses on so many university campuses have been shocking. The demonstrations are more than college gags, the exuberance of youth. Personal hazard and wanton damage are not pranks." From the officers of another NPC fraternity there has come a report from a chapter house chaperon whose house was raided during a "panty raid" which was followed by other equally serious displays of radical thinking. This chaperon, who had faced the raiders and forced them to leave her house, said: "There is something pretty vicious underneath all this, something far bigger than just a culmination of childish misdirected energy and silly pranks. This is no mere flood of energy because it is Spring or because it is being done on other campuses or because school is nearly out. It is being directed from somewhere and the Administration is growing very conscious of that. Don't think that this will die out with summer vacation. It is something too big and I honestly feel this is only the beginning—this isn't student devilment: this is planned through and through and the students are like sheep following each idea as it is introduced. No one knows where the idea comes from, no leaders stand out, and I don't think it is NSA. I honestly believe it is the biggest illustration of plain Communism we have had to face and since there is no focal point on which to work, it is the more frightening." That so far as the fraternity nationally has been able to learn no Pi Beta Phi chapter or member had any part in encouraging the raids but instead each acted calmly and with dignity when confronted with a most difficult situation is reason for great pride. *This* is all the more reason why both actives and alumnae should know more of the truth about these campus disturbances and those responsible for them, so that Pi Beta Phis may be fore-warned and fore-armed for what may happen in the future. College students should refuse to be "like sheep" following each new idea which, whatever its source, unquestionably follows the line of Communist thinking and planning.

There are encouraging signs of an awakening student body in America. Organizations like the MacArthur Clubs (non-political and using General MacArthur's name only because they pattern their fight against Communism upon his) and the Inter-

collegiate Society of Individualists, under the presidency of William Buckley, author of that important book, "God and Man at Yale," have as their avowed purpose the destruction of Communism in America and the preservation of our American way of life. An awakened student body will mean an intelligent, well-informed one, no longer the often-unwitting dupe of Communists but instead one which will look beneath the surface of the so-called idealism which stems from sources which have no true ideals so far as the good of the individual is concerned; will trace agitations to their real sources; and will know what these sources are before it aligns itself with them. As actives and alumnae may we apply to ourselves the prayer of Dr. Marshall, former Senate Chaplain: "Give us clear vision that we may know where to stand and what to stand for—because unless we stand for something, we shall fall for anything!"

In a day when much is said about the "rights" of students, it is well to remember that Dean Strozier of the University of Chicago, was one of the educators at the meeting of the National Association of Deans of Women who brought out excellently the fact that students have no rights except those which entail responsibility which they are willing and able to assume. Dean Williamson of Minnesota said: "Decisions must be made not by a plebiscite but by someone who has to take responsibility for the consequences."

Fraternities are still being subjected to efforts to force them to give up their basic right to choose their members on the basis of the things which make for their internal harmony and effective functioning and which serve the best interests of the organizations as wholes. Becoming a member of a national fraternity is a voluntary act but it imposes upon the person who becomes a member a distinct obligation to make decisions on a national rather than a personal and local basis. It is not loyalty to the pledges which one made upon initiation to attempt to destroy from within the fraternity which one chose because through the years it had proved itself a unified, harmonious, happy and constructive organization, beloved by its members and promoting beautiful standards. When it is no longer possible in America for a group of friends to decide who is to be asked to become one of that group on the basis of mutual agreement between the group and the individual there will be nothing left of the true America which has given us the highest standard of living, education, and enjoyment which the world has ever known and which has provided for the individual whose desires are good an unequalled opportunity to become what he is willing to work hard to become. It is well to remember the comment of Mr. Jerome Koehler, Supreme President of Phi Kappa, that the Communists' "pious chant of blending all our people into a strong united democracy has every evidence of being a sham and a doublecross. Their true intent appears to be to divide and separate; to array class against class; race against race, creed against creed." At the 1952 meeting of NADW, Dr. Douglas Kelley, professor of criminology at the University of California, speaking on the subject "Psychiatry and Religion—Twin Paths to Peace," said that in his opinion there is today as never before a working-towards a real brotherhood of man but that it will not be sooner than after ten more generations that the world will be ready for anything approaching one hundred percent brotherhood.

Undesirable newspaper and magazine publicity for fraternities has seemed less flagrant this past

year. For the first time, *Life*, for example, has given publicity to fraternities which did not include any of the heretofore apparently inevitable destructive items. National Panhellenic Conference and Pi Beta Phi are opposed to any except truly pleasing and constructive publicity and chapters must continue to get permission to be featured, especially in the magazines whose past records have been largely unacceptable. It is still true that the best publicity and the best public relations for fraternities come from the living of fraternity ideals.

The Grand President believes that the past two years have been ones of true growth for Pi Beta Phi both in internal strength and in prestige. Since less and less time is allotted at conventions for the reading of reports, the fraternity must now depend to a somewhat alarming degree upon the willingness of individual members to read thoughtfully and intelligently the printed reports in Information ARROWS. Every fraternity needs an informed membership. We should not fail to give our fraternity just that. Knowing Pi Beta Phi as it really is will mean a pride in it consistent with its outstanding place of leadership among college fraternities. Each of us has reason to be very grateful that when she was choosing her fraternity she was given the opportunity to choose Pi Beta Phi!

The honors won by chapters and their members tell a remarkable story of achievements. The more than eight hundred dollars which it cost the fraternity to have for this Convention the printed reports of the chapter delegates will be money well-spent if the proof given there of the strength and prestige of the fraternity on its ninety-seven campuses becomes a part of our working knowledge of Pi Beta Phis. These reports are supplemented by the confidential reports made annually by Deans of Women, reports which show a truly great appreciation for the cooperation, helpfulness, and high standards of our active chapters and recognition of their strength and that of the fraternity nationally.

The college year 1950-51, the latest for which data is available, was a disappointment scholastically since it found only eleven chapters first on their campuses for the entire year, although eleven more were first for one semester or term and fifty were in the upper third. The fraternity's scholastic goal of "every chapter in the upper third on its comparative scholarship list" is not impossible of achievement: it will be reached when every chapter gives its members such a realization of personal responsibility that no member will be willing to do less well than she can. Perhaps the report for 1951-52 will show the hoped-for improvement in scholarship: the delegates to this convention should go back determined to give their chapters just the spark which they need to mean that 1952-53 will give to the fraternity the best year scholastically that it has ever had. What a wonderful tribute to Harriet Johnstone that would be!

The contacts between province officers and Grand Council members and between officers and chapters have, almost without exception, been close and constructive. The Grand President believes that the Chapter Presidents' Workshops and the interim conferences of province officers and members of Grand Council have proved their value as training schools and that nothing should be allowed to prevent the continuing of these workshops or to change their general plan of functioning.

It is probable that no other fraternity, man's or woman's, has the background of endowments wisely

invested that Pi Beta Phi has. If the dollar had the value today which it had even just ten years ago, the fraternity would have few if any financial problems. Declining interest rates and decreased purchasing power of the dollar are inevitably reflected in the fraternity's economy. The Grand President believes that Pi Beta Phi should not deviate from her established policy of investing endowment funds only in bonds of at least A grade or in chapter house loans, since the thing of primary importance is the security of these trust funds. She believes, however, that the endowment for the Contingent Fund, from which the running expenses of the fraternity are paid and from which deficits in other departments must be taken care of either through outright appropriations or loans, has now reached the point where, for the present at least, it is not the wisest policy to continue to build it up. More full information on this point will be given at the time when Convention considers the recommendation that the Contingent Endowment Fund be frozen at its current figure and that a greater proportion of the initiation fee now go direct to the Contingent Fund itself. The same general economic situation applies to the consideration of the recommendation for a triennial convention. Pi Beta Phi gives to its chapters much more in the way of personal supervision and assistance, working materials, contacts, and training than any other NPC fraternity and none of this important service should be curtailed: if at all possible, though, it should be continued without increasing the national financial obligations of active members and pledges since their parents are faced with greatly increased costs not just for fraternity membership but also for every other phase of a college experience.

The Settlement School continues to be the greatest philanthropic project of any fraternity and to give great and greatly needed assistance to the community chosen so many years ago as the one which seemed capable of benefiting most from the service and help which Pi Beta Phi wished to give. Today gives proof of the wisdom of that choice: the help of the fraternity has played a tremendous part in making possible the conditions there as they are today and it is still a thing vital to the education, health, and economic stability of the community. It should be a matter of deep thankfulness for every Pi Beta Phi that the vision of the 1910 Convention which made the Settlement School possible was one which could be translated into the actualities of today at Gatlinburg. From Ruth Barrett Smith, Chairman of the Settlement School Committee, will come a detailed report of the work and the achievements of the past year but the Grand President cannot fail to express her pride in these and her gratitude to the Committee members and to the Settlement School staff for the way in which they represent the spirit of the fraternity in their guidance of this, its thrilling altruistic service. Pi Beta Phi should know more about, take fuller personal advantage of, and feel a deeper pride in the outstanding Summer Crafts' Workshop which gives both a continent-wide service to handicrafts and an equally widespread recognition to Pi Beta Phi. The Committee lost, this year, two exceedingly constructive and devoted members, Olivia Smith Moore and Harriet Goodsell Rauch, and it welcomed as their successors Theresa Gibson Graham and Virginia Brackett Green.

Pi Beta Phi continues to be the envy of other fraternities because of its privilege of restoring the place of its founding and of making it a center of fraternity, community and college interest and serv-

ice. It is indeed a beautiful and worthy memorial to the fraternity's founding and it assumes increasing significance as the days when we had living Founders become farther and farther in the past. The future of the fraternity depends not just upon today and tomorrow; it depends too upon yesterday and Holt House helps us to remember—and to be grateful!

Members of the fraternity must surely find increasing joy in the Emma Harper Turner Fund as its loving service to Pi Beta Phi brings comfort, peace of mind, and a sure knowledge of true friendships to them during days that are hard. The contacts of Ethel Hogan Copp, first chairman of the Committee which administers the Fund, and of Lillian Farrington McNaught, her successor, have made not only the giving but also the receiving an abiding joy. Contributions to this Fund for help to the fraternity's own should be increased many-fold, with each passing year.

Because, this spring, Pi Beta Phi lost Harriet Ruthertford Johnstone who had given years of her life to devoted service to the cause of high scholarship for the fraternity, there is special happiness in knowing that the undergraduate scholarships, established in appreciation for her leadership in this important field were set up while she could know of the help which they give. That the need for such financial assistance is great is found in the fact that there were forty applications this spring, for the three California Alpha scholarships—twice as many as ever before, thirty-seven for the Harriet Johnstone and seventeen for the Ruth Barrett Smith scholarships, representing fifty-two different actives.

Contributions to Save the Children have again been encouraged and have been made under the supervision of Lois Franklin Stoolman. The hearts of the Pi Phi who have had a part in giving this desperately needed help to little children in the foreign lands where reconstruction has still not been able to wipe out desolation and dire poverty have been warmed beyond measure by expressions of appreciation. A typical letter from a little Greek girl will give pleasure—and a smile, too, even to the Pi Phi who had no part in her gifts. She said: "I received your parcel and thank you very much for the care and pains you took for me. I wish to heaven that you should always be healthy to continue the philanthropic good which makes people grateful to you."

Pi Beta Phi's extension has continued to be conservative, with each applying group being given courteous attention but with no group being encouraged unless it represented strength both in its college and in itself. Teachers' colleges have, since 1949, been a field open to all NPC fraternities largely because the strong teachers' colleges now give a broad, general education, just as do the so-called "agricultural and mechanical colleges" on whose campuses our fraternity has established such strong and fine chapters. For the first time, a group from a teachers' college is being allowed to present its petition to a Pi Beta Phi Convention. Grand Council believes that Gamma Gamma of Ball State College, represents an opportunity to add a chapter worthy in every way of a place on the fraternity's chapter roll. That colleges, formerly closed to nationals, continue to approach national fraternities with requests for consideration of their groups speaks loudly of the benefits of national affiliation as these are recognized by educators and administrators.

The 1951-52 national awards to chapters and individuals will be announced at the convention banquet. The Province winners of the Amy Burnham

Onken Awards are as follows:

Alpha East—Margaret Cardwell, Connecticut Alpha.

Alpha West—Nancy Rankin, New York Alpha.

Beta—Joyce Ingham, Pennsylvania Gamma.

Gamma—Elizabeth Beard, Virginia Gamma.

Delta—Carol Mitchell, Indiana Beta.

Epsilon—Harriet Bell, Missouri Alpha.

Zeta—Lucille Rogers, Florida Beta.

Eta—Catherine Croneis, Wisconsin Beta.

Theta—Margaret Peterson, Minnesota Alpha.

Iota—Helene Steinbuchel, Kansas Alpha.

Kappa—Joan Ragsdale, Texas Alpha.

Lambda—Sue Mellor, Oregon Gamma.

Mu—Carolyn Schiller, California Gamma.

The Graduate Fellowship for 1952-53 has been granted to Harriette Rhawn Behringer, Illinois Epsilon, whom many Pi Phis will remember as the author of the beautiful Chapter Loyalty Day poem, "Forsan et Haec." Mrs. Behringer will do graduate work at the University of Chicago.

As Pi Beta Phi's National Panhellenic Conference delegate, the Grand President has served since 1949 as the Committee on Education and as Contact Member for the National Council of Women. She has recently been appointed chairman of a new committee which will formulate the regulations to govern the traveling Leland Award which is to be given annually to the college Panhellenic which has best served its campus, its community and the cause of fraternities and which will make the first award. She is deeply appreciative of the splendid record of interfraternity cooperation which has been made by active chapters and alumnae. No Pi Beta Phi can be the best possible member of her own fraternity unless she both knows about and appreciates the other NPC fraternities, each of which has so much of which to be proud.

During the year just ended, the Grand President has had the pleasure of being the guest of Iowa Alpha, Oklahoma Alpha, Oklahoma Beta, Virginia

Gamma, D. C. Alpha, Maryland Beta, Indiana Beta, Wisconsin Alpha, and Missouri Beta and of enjoying too the hospitality of the Mt. Pleasant, Tulsa, Stillwater, Norman, Oklahoma City, Muskogee, Bloomington, Madison, and St. Louis alumnae clubs. She was guest speaker at the Greek Week banquet at Indiana University and at the Big Ten Conference at the University of Wisconsin and regretted that previous commitments made it impossible to accept the invitation to speak at the Greek Week at the University of Iowa. She represented the fraternity at the annual meeting of the National Association of Deans of Women, at which she served as parliamentarian. It was for her a most inspiring fraternity experience to share the Founders' Day celebration in St. Louis which brought together the St. Louis and Columbia Alumnae Clubs and the Missouri Beta and Missouri Alpha active chapters and to attend the delightful Founders' Day luncheon of the Madison Alumnae Club and Wisconsin Alpha. The happiness found in the hospitality of Pi Beta Phi is a thing never to be forgotten by the Grand President!

She cannot fail to speak of the special joy of working with her "official family" to whom go her heartfelt appreciation and deep affection and of the rewarding experience of working with the loyal national committee members, active chapters, and alumnae clubs. From all of these she has received the strength needed to carry heavy responsibilities!

In the preface to "Man and Superman," George Bernard Shaw said: "This is the true joy in life, the being used for a purpose recognized by yourself as a mighty one." Your Grand President knows beyond questioning that the purpose of Pi Beta Phi is a mighty one for good. She is deeply grateful for the joy which she has found in being used to further it.

Respectfully submitted.

AMY BURNHAM ONKEN

MESSAGE OF THE GRAND VICE-PRESIDENT

IT HAS been said "Tis the torch the people follow, I whoever the bearer may be." True it is that people follow an ideal. But it is *also* true that the leaders bear the torch, and it is perfectly possible for them to take the left turn when the turn to the right would have been the better one.

With the knowledge that our leaders in Pi Beta Phi have been the officers of the clubs, and the Province Vice-Presidents, we therefore want to begin our report to you for the past interim of convention by saying words of praise for their untiring efforts, and their always willing cooperation. That they have gone in the proper direction we may be sure if we may judge by the summarizing of reports which come to us from various sources.

Because so much depends upon membership it

It can gratefully be reported that as a result of the measures passed at the last Convention dealing with the finances of the Alumnae Department, and because of the splendid work of the Province Vice Presidents, and the club membership chairmen, the Alumnae Fund has paid off its deficit and can anticipate solvency next year.

seems a good point of departure for our review of the year just past. Total membership for the Alumnae Department has again grown as it has each year in the past, but not to the degree we feel it can or should have. Securing a larger paid membership is definitely the challenge for the future. This year the Lincoln Alumnae Club resolved to increase its membership, and it did by twenty-three additional members. It seems to us that their resolve should be the resolve of every one of the 252 alumnae clubs. Only then can we see the gap narrowed between the number of resident members and the paid members. The following provinces record a gain in membership for the year; Alpha East, Alpha West, Beta, Delta, Epsilon, Eta, Iota, Kappa, Lambda and Mu. One hundred and twelve individual alumnae clubs showed gains. To the Portland, Oregon Alumnae Club goes the honor of the greatest gain—sixty-nine more members than last year.

Seventeen of the clubs are 100% in membership, while several more missed this achievement by only one or two members. Those clubs enlisting all of their resident members and in some instances bringing into active membership alumnae from nearby communities are: Lakeland, Fla., for the 25 years of its existence as an alumnae club, Hutchinson, Kan. 100% since 1946, and Pensacola, Fla., Northeastern Wyoming, Muncie, Indiana, Harrisburg-Carlisle, Pa.,

Avon, Ill., Wenatchee, Wash., Southwestern Indiana, Lake Charles, La., Elkins, W.Va., Mc Alester, Okla., Osceola, Ark., Pauls Valley, Okla., Salano County, Calif., Sanford, Fla., and Athens, Ga. The last two mentioned, Sanford and Athens, were chartered this year and submitted their applications for their charters with every resident member signing the application and paying her dues.

We are happy to announce that ten new clubs were chartered this year. We extend a most cordial welcome to these clubs in Bakersfield, California; Southwestern Michigan; Yuba-Sutter California; Arlington-Alexandria, Virginia; Columbus, Indiana; Sanford, Florida; Canton, Ohio; Falls City, Nebraska; Terre Haute, Indiana; and Athens, Georgia.

These, together with the eight clubs chartered last year, bring the total of new clubs for the interim of Convention to eighteen.

There are nineteen *alumnæ* clubs having a paid membership of over one hundred members. These are the clubs in Columbus, Ohio, Cleveland-East, Ohio, Toledo, Ohio, Washington, D.C. Senior, Detroit, Michigan, Indianapolis, Indiana, Kansas City, Missouri, St. Louis, Missouri, Peoria, Illinois, Denver, Colorado, Dallas, Texas, Houston, Texas, Oklahoma City, Oklahoma, Tulsa, Oklahoma, Portland, Oregon, Seattle, Washington, Los Angeles, California, Pasadena, California, and San Diego, California.

Alpha East and Theta Provinces have had what they called the Whole Arrow Contest for membership. The contest was based on per cent of membership with 25% counting for the head of the arrow, 50% for the shaft, and an additional 25% for the feathers. The Province Vice-President in each of these two provinces gave awards to the winning membership chairman for greatest increase over 1951 membership, greatest per cent increase, greatest number of seniors enrolled, and first to have 100% membership. Each stressed that the PVP Membership award be the means of expressing loyalty to their chapter as well as to their club.

The projects of the fraternity tie the bonds of membership more tightly. It is true that we share our knowledge of the inner significance of Pi Beta Phi, and that we have close and dear friends over the country with whom we enjoy these fraternity experiences, but it is when we work together for the welfare of a common objective that the scope of our national organization takes on added meaning.

This has been a rather special year for the Settlement School. It has been the fortieth anniversary of that year in which we began our work in Gatlinburg. This milestone was remembered by many clubs with added gifts which will be used to furnish the new Staff House.

The eight leading contributors with a donation of \$200.00 or more are: St. Louis, Mo., \$1000.00; Philadelphia, Pa. \$500.00; Milwaukee, Wis. \$425.00; Cleveland East, Ohio \$350.00; Kansas City, Mo. \$300.00; Indianapolis, Ind. \$210.00; and Northern New Jersey, and Denver, Colo. with \$200.00 each. The following provinces showed an increase in donations: Beta, Epsilon, Zeta, Eta, Theta and Iota.

Additional revenue for the Settlement School is derived from the sale of Arrowcraft products and from the Magazine Agency. On the basis of money actually received by the Arrowcraft Department from clubs, and not including the 25% discount to the club nor total amount charged against the clubs, those having paid \$1000.00 or more are: Champaign-Urbana, Illinois, Milwaukee, Wisconsin, Coos County Oregon, Philadelphia, Pennsylvania, Portland, Oregon,

Pittsburgh, Pennsylvania, Houston, Texas, Northern New Jersey, St. Louis, Missouri, Madison, Wisconsin, South Hills-Pittsburgh, Pennsylvania and Los Angeles, California. These clubs have consistently done an outstanding job in Arrowcraft promotion and sales. The only newcomer to this particular grouping of clubs is Coos County, Oregon. Hats are off to this small club of seventeen members for this outstanding record. Many clubs find it advantageous to sell products the year around, some clubs have two sales a year—spring and fall, while Philadelphia and Cleveland West held three sales during the year.

Central Office handling the magazine business for the fraternity announces the following winners in the commission competition.

For Alumnæ Clubs:

Highest total commission—Dallas, Tex.
Highest per capita commission—San Jose, Calif.
Greatest percent increase—Phoenix, Ariz.

For Chapters:

Highest total commission—Texas Beta.
Highest per capita commission—Indiana Gamma.
Greatest percent increase—Minnesota Alpha.

We have here an untouched potential source of revenue and greater effort is urged upon clubs and chapters alike.

A review of North Callahan's new book "Smokey Mountain Country" says "If you have visited the Smokies in Tennessee and North Carolina, you do not need to be told of the wood carving, pottery, and weaving being revived by the folk schools, or the vestigial traces of a culture which until quite recently resembled that of the mountaineers' great-great-grandparents." We can be proud that we have had a part in the revival of the crafts, of which the reviewer speaks, and that we have had a guiding hand in the transition from resemblance to past generations of mountaineers to citizens of a modern community largely supported by the tourist trade and subject to the influences of economics and weather.

The lovely Holt House film has been warmly received by an increasing number of clubs this year and has brought the charm of our Founding home to reality for Pi Phis many miles away from Monmouth. Three *alumnæ* clubs in addition to the local one held meetings in Holt House during the course of the year. They were Avon, Illinois, Burlington, Iowa, and Mt. Pleasant, Iowa. A small group came from Iowa City, Iowa, and Springfield, Illinois had hoped to schedule a meeting but were finally unable to do so. Illinois Eta chartered a bus and the entire active chapter visited Holt House. Some special memorial gifts have been received for the House, and are valued additions to our furnishing. Appealing and welcome as these special gifts are we must not lose sight of the fact that it is the regular donation which pays the hostess, the insurance, the utilities, and the general housekeeping and maintenance bills. Appeals have been made for 19th century photographs of Pi Phi to be placed in the lovely antique album, and for old I C and Pi Phi pins for the shadow box given by the Burlington, Iowa club. Kansas City, Mo., gave \$50.00 to Holt House, while Monmouth and Pittsburgh each donated \$25.00. Donations from the other *alumnæ* clubs remembering this project of the fraternity ranged beneath that figure with the following provinces increasing the amount contributed over that given last year: Alpha West, Epsilon, Zeta, Eta

and Iota—with Theta Province giving an amount equal to total contributions of last year.

A quotation from Charles Dickens comes to mind for it seems to speak so perfectly of our Emma Harper Turner Memorial Fund. He said "No one is useless in this world who lightens the burden of anyone else." The letters from the recipients of these gifts of remembrance leave no doubt in our minds but that this fund does indeed lighten the burden of the fifteen members who have been remembered. It must be recalled that this fund has a two fold means of assistance for the principal is used for chapter house building loans. Twenty-three clubs gave \$25.00 or more. St. Louis leads with a contribution of \$275.00. Kansas City, Mo., gave \$175, Los Angeles, \$69.20, Indianapolis, Indiana and Berkeley, California, \$50.00 each. Salem, Oregon, \$35.00, San Mateo, California, \$30.00 and Columbus, Ohio, Toledo, Ohio, Washington D.C. Senior, Minneapolis Afternoon, Bloomfield Hills, Michigan, Madison, Wis., San Bernardino, Calif., Detroit, Mich., San Francisco, Calif., Southwestern Indiana, Chicago North, Denver, Colo., Pittsburgh, Pa., San Diego, Calif., and Tulsa, Okla., each gave \$25.00.

The three most essential elements of a successful alumnae club are friendliness, an informed membership, and a working membership. To have achieved the record of support of our three fraternity projects in which six provinces, Alpha East, Delta, Epsilon, Zeta, Theta and Iota were 100% and 207 clubs made contributions to all three projects, not to speak of the many other activities of the clubs, we can be sure that we do have a working membership. The natural result of working together is greater friendliness, and in many instances an informed membership. And so Pi Beta Phi clubs do possess in large measure those essential qualities for success.

To report merely the work for our three projects would be to give only half of the picture. One hundred and fifty-two clubs sent year books and program schedules which showed careful and advanced planning. It is through the required meetings, at least, that members refresh their memories and keep well informed about their fraternity. One program chairman wrote that their programs had been very special this year for each emphasized something strictly Pi Phi. A planned program with set dates is one assurance for a successful year.

Assistance to and work with active chapters continues to be of paramount interest to all clubs—not necessarily limited to those with a chapter at hand. Portland, Maine, has sent a box of snacks to Maine Alpha, while Buffalo held a dorm shower of food for the three New York chapters. Others maintained correspondence with a nearby chapter or chapters. Arlington Heights, Illinois, has adopted the plan of Portland, Maine, of giving an award to the outstanding sophomore in its province. There have been almost as many ways of expressing "active chapter interest" as there are clubs. If all financial aid given to chapters was lumped together, whether it be for house furnishings, building assistance, rushing or any other kind of gift, it would be an impressive sum.

The Ruth Barrett Smith Scholarship comes under the heading of the Alumnae Department's interest in active chapters. It is a matter of great satisfaction to note that last year's winner, Harriet Bell, Missouri Alpha, was able to return to school and to serve her chapter only because of this assistance, and this year she is the winner of the Epsilon Province Amy Burnham Onken Award. Interest in this kind of assistance

to chapters is reflected in the fact that ten clubs contributed a total of \$89.00 to the Harriet Rutherford Johnstone Scholarship Fund. We are saddened by the loss of Miss Johnstone so very recently but are sure she would be greatly pleased could she know of this special interest on the part of some of the clubs.

The contact with Save the Children Federation, begun in 1946, continues. This year the fraternity has been honored in having Harriet Goodsell Rauch, Iowa Beta, of the New York City Alumnae Club, and retiring member of the Settlement School Committee serve on the SCR Board. Forty-six clubs gave funds for these sponsorships. Berkeley, Calif., gave enough for two sponsorships, and Dallas, Tex., more than enough for one full sponsorship and Palo Alto, Calif., had its own child, while other sponsorships were shared by several clubs.

Helena Rubinstein beauty products were sold for the second year by a number of the alumnae clubs as a means of adding funds to the budget.

The report of the special committee appointed last summer to consider the possibility of coordinating and giving national recognition and significance to the outstanding service now being given locally by a large number of clubs will be heard later in the session. The thanks of the alumnae department goes to Betty Stovall King, chairman, and to Rhoda Jones Osthaus and Marjorie Harbaugh Colvin, members of the committee, for their service to the Fraternity. For the first time alumnae club letters appeared in only the May issue of the ARROW. One hundred and eighty-three alumnae clubs submitted letters, or 72½% of the clubs. It is hoped that with the appearance of only the one letter more clubs will be represented next year in this section of our magazine. These letters are recommended reading as a source for new ideas, and for a better knowledge and understanding of the activities of the member groups of our Alumnae Department.

It has been our great privilege to enjoy the hospitality of several alumnae clubs and chapters during the year. Your Grand Vice President visited for the fraternity, West Virginia Beta, Ontario Alpha and Beta, Tennessee Alpha, Beta, and Gamma, Kentucky Alpha, and Missouri Alpha and Beta. Informal and social occasions were spent with D.C. Alpha, Maryland Beta, and Illinois Eta. Alumnae clubs visited were Elkins, W.Va., Toronto, Ontario, Knoxville-Little Pigeon, Chattanooga, and Nashville, Tennessee, Louisville, Kentucky, Columbia and St. Louis, Missouri, and Indianapolis, Indiana. Special occasions were the Founders Day meetings with Wilmington, Delaware, Baltimore, Maryland, Arlington-Alexandria, Va., and our own Washington area luncheon sponsored by the Washington Junior Alumnae Club. Upon invitation of the administration a visit was paid to the Penn State College campus at State College, Pennsylvania. Three very special privileges stand out in our mind—that of attending the National Panhellenic Conference held at Williamsburg, Va., conducting the initiation ceremony during our visit to Kentucky Alpha, and of being received by Mrs. Truman at Blair House, temporary White House, to present the Settlement School stole, the gift of Pi Beta Phi, to Her Majesty Queen Elizabeth, II, then Princess Elizabeth.

We hope these visits were of some benefit to those visited for certainly this officer found in them much to cherish in happy memories, and added reason for the always growing honor and respect we hold for the great fraternity Pi Beta Phi which it has been our high privilege to serve.

Emilie Margaret White wrote in her report one year as Grand Vice President, "Fraternity work is an

investment from which the interest is cumulative, and constantly coming in." May each of you make added investments in fraternity work, and find your interest rate soaring to unprecedented heights which constantly bring great returns in happiness and in the satisfaction of a job well done.

We come now to another turning in the road

ahead. We feel confident that our Pi Phi leaders—our torchbearers—will hold high the torch so that they may be very sure they go in the right direction, for "Tis the torch the people follow, whoever the bearer may be."

MARIANNE REID WILD,
Grand Vice-President

GRAND SECRETARY

WITH seed time and harvest the Pi Beta Phi years have circled round, all eighty-five of them, bringing us to another and to the accumulated harvest. We covet for every Pi Phi the compulsion which means that we study ninety-seven reports of the delegates to convention, reports of all fraternity officers and national chairmen, and questionnaires from the Alumnae Advisory Committees. In no other way can the accumulated accomplishments of the years be so clear and so thrilling. The September ARROW will speak to you of these things and reward those who seek to know the length and the breadth of the Fraternity. Our Founders were amazed, and glad, because of the Fraternity a number of them lived to see. We believe that its enduring excellence lies in the devotion of the individual member, multiplied in its ever widening circles.

This year, as we write this report, we feel deep heartache because of the loss of our friend and co-worker, Harriet Johnstone. As the National Chairman of Scholarship she was one of the six national chairmen to work with the Grand Secretary and her inspiring vision of good scholarship and constant devotion to the task of opening wide every possible avenue to chapter incentive is written into the accumulated harvest of our chapters' scholarship records to an extent no one can measure. Her regular letters, with their anxious concern over lowest chapters, missing letters and reports, and the never quite reached goal, came to us all from her bedside, month after month. It seems as if she must have slipped away from us almost as she computed the last chapter grade for this year's record. We are glad that the girls who win the fraternity's gift scholarships will hear her name, with an awareness of her service, for many years to come. The Grand Secretary has enjoyed working with Dorothy McLaughlin, Virginia McMahan, Betty Blalock, Leila Clifton and Katherine Hosmer, National Chairmen whose cooperation and fraternity service are also a definite part of another year's accomplishment.

Form letters and the mid-winter questionnaires brought response from many Advisory Committees and the vision of so many Pi Beta Phis working hard and loyally with our chapters is always an inspiring one. The greatest satisfaction in this year's record is the balance between active appreciation of Advisory Committees and alumnae approval of chapter cooperation. Generally speaking there is a fine relationship, mutually happy and successful.

The load of chapter supervision correspondence was not as heavy as usual this year. California Zeta

completed her two-year period following installation, in February, and West Virginia Beta has just ended her second year as a Pi Beta Phi chapter. This means that we have had no new chapters since September 1950.

In January a letter went out to all chapters explaining the application procedures and outlining qualifications necessary for the different scholarships available within the fraternity. The Harriet Rutherford Johnstone applications have doubled this year but the contributions have not gained in similar proportion. Last year we received sixteen applications and hoped, up to the last minute, to be able to award assistance to nine actives but the final total was insufficient and only eight could be aided. This year we have received thirty-four applications. The obvious need and the thoroughly fine records of these girls make the gift scholarships so much the type of thing which Pi Phis have always wanted to do that we believe that this fund will grow as the Fraternity becomes aware of the opportunity for service. Such bread, cast upon Pi Phi waters, will be found after many days and will be as certain and happy a discovery as Solomon predicted.

The Grand Secretary enjoyed the privilege of an assignment to chapter visiting in Zeta Province this year and, in addition, to Ohio Epsilon, Ohio Beta and Ohio Delta—chapters she had known well in her years as Beta Province President and enjoyed visiting again. It was a special privilege to be the guest of the Washington D.C. Alumnae Club with the other members of the Grand Council at the time of the National Panhellenic Conference. The Atlanta Pi Phis were especially thoughtful in filling-in travel interludes with welcome and fellowship never to be forgotten. The warm welcome of the South Hills Pittsburgh Alumnae Club in March, of the Columbus Club at dessert in the Ohio Beta house, and of the Akron Club at their Founders' Day luncheon will remain a happy memory. To the many individual Pi Phis and the Alumnae Advisory Committees along the way who made our work easier and very pleasant we offer our sincere thanks.

May the things we have done together be as wonderful for the security and happiness of our chapters as the whole effort has meant compensating satisfaction and precious associations for each one of us. To be able to work earnestly for the abiding success of a fraternity such as ours is a very special privilege.

LUCILE DOUGLASS CARSON

ARROW EDITOR

THIS year for the ARROW has again been governed by the continuing need for strict economy. Issues have been kept down in size, September to 112 pages (this issue used to run about 140 pages); December to 80 pages; and May to 96 pages, the latter increased

figure was due to the publication for the first time of the once-a-year alumnae letters at the same time with the newly abbreviated chapter letters. Much valuable material has been crowded out of each issue. Always hopefully we plan to use it "next time," but instead

time catches up with it, the material becomes obsolete, and is never published.

Last year, we discussed doing away entirely with alumnae personals, which had already been cut down to include only births and marriages; but this plan was deferred since no warning had been given, and many notices had come in after the deadline for May, 1951; on consultation with Central Office, which called to our attention the fact that these are a valuable link with many of our young members who have time for very little fraternity contact in the years immediately following college, it was decided to use them for the past year. However, for the coming year we recommend that they be used, but not to the exclusion of other personality material.

Instructions are often disregarded or never read—this was exemplified the past Spring when the chapter letter editor sent out careful instructions to all chapters in regard to the abbreviated chapter reports desired for May—in spite of this, many chapters sent in the usual long letters—this necessitated many letters and telegrams asking for correction of the error. In many cases the corrected letter was never received, and the original one had to be re-written and cut down. This should not happen another year, and we recommend that the shortened form be continued.

There has been no additional increase in costs of printing, for this year, and the total cost is \$1000 less, although the number of subscribers increased by some 1500 new initiates. Through the addition of new facilities at the publishers, there has been a small decrease in handling cost. The future of paper prices is as always of late uncertain and at this point it is impossible to predict what the situation may be for next year. There has been a slight decrease in the price of pulp to the paper mills, but this has not as yet been reflected in the cost of the finished paper, and may not appear at all, largely because of labor costs.

The format of the magazine has been kept unchanged, since much care and thought had gone into its choice, and since experience has shown that the present type and page size gives the greatest number of words per page, combined with attractive and readable qualities. One or two requests have come in for a magazine printed entirely in 10 point type—something that would be much more expensive.

A change has been made in the matter of distribution. Manila covers have been discontinued, and the address labels are pasted directly on the back cover. Results seem to have been good, with only one complaint coming in of a magazine being received in poor condition—of course there may have been others. The magazines are mailed out in groups sorted by localities, with cardboard at the top and bottom of each group, hence are better protected than before. A number of other magazines are using the same system.

This year the new saddle wire binding has saved a little money, and is easier to handle—it allows the magazine to be opened out flat, and cuts placed in the inside column look much better.

Several letters of suggestion have come in asking for more pictures, but under present expense planning that has been impossible. The editor would like more than anything else to have a Spring issue made up entirely of material helpful in rushing, with many pictures—perhaps one day it may be possible, and meantime we can dream about it, and about the sum-

mer issue we have long desired, with a picture of every chapter house!

As it is, pictures have been cut to a minimum, much to our regret, and we have missed Mr. Busey's generosity, which helped make the issues both before and after the last Convention so attractive.

The Editor had the privilege of attending the meeting of the Editors' Conference at the time of NPC, and found it unusually stimulating. Among the new editors added by the expansion of NPC were a number who were brand new at their work, and asked interesting questions, and many new ideas were presented. All magazines are struggling with the problem of costs, except those whose cost seems to be regarded as the most important item in the fraternity budget, to be paid for before any other work is undertaken—Zeta Tau Alpha is a notable example of this. There was much discussion of using a greater number of serious articles on such subjects as patriotism and the participation of fraternities in movements of national importance, and a general desire for exchange of such articles. The spirit of cooperation shown was a fine development, and several good articles have come in from other magazines, for future use.

On the way to NPC at Williamsburg, the Editor made chapter visits, going to all the Illinois chapters and the two in Pennsylvania—all chapters of which we may be proud. She met the Galesburg alumnae club at a breakfast, Decatur at an evening meeting in the lovely new house, the Chicago North Club at an interesting evening meeting, the alumnae in Lewisburg (Central Pennsylvania), at a supper and a reception, and Washington, D.C. at a luncheon given for Grand Council on their way to Williamsburg. After Christmas the Editor was the guest of the Los Angeles Club at a breakfast meeting, and again met with them at the Area Council Founders' Day when Mrs. Simmons was the guest of honor. Mrs. Simmons was also the guest of San Diego for Founders' Day, and besides had an evening with California Epsilon during her visit.

The Editor's two years of supervision of California Epsilon ended at the close of rushing in the Fall, but her work has continued all the year as an extra member of the advisory board and as a member of the House Corporation of the chapter. All this has been a source of much pleasure, especially because of the fine record of the girls which will appear in the report of the province president.

Supervision of the Historian and the Director of Public Relations has meant little work for this year, since both are such experienced officers. Opportunity for a fine conference with the Historian came during her San Diego visit, and only one problem troubled us—the chapter histories are becoming entirely too many to handle. Consideration should be given to recommendations in Mrs. Simmons' report on this subject.

Planning has been completed for the Convention Daily, and the staff promises to be one of the most efficient we have ever had.

Much gratitude is due to all who have sent in valuable material, especially to the Grand President who always seems to know everything about everybody. Again thanks go to Harold Bachmann at the Banta Publishing who does such splendid work for the ARROW.

It has been as always a privilege to serve the Fraternity.

ADELE TAYLOR ALFORD

REPORT OF THE GRAND TREASURER

BESIDES the duties directly connected with finance, the Grand Treasurer visited Ohio Zeta, Ohio Alpha, West Virginia Beta and West Virginia Alpha in November, attended the National Panhellenic Conference meeting at Williamsburg, Virginia November 26 to December 1, and in February and March visited Texas Beta, Texas Alpha, Louisiana Beta, Louisiana Alpha, and Arkansas Alpha. Also, it was her good fortune to meet with the following alumnae clubs:

A luncheon meeting with the Pittsburgh Club.

A dinner meeting with the Elkins, West Virginia Club with the active chapter present.

A delightful luncheon with the Washington, D.C. Alumnae Club.

A luncheon with the Executive Board of the Cincinnati Club.

A tea with alumnae in Fort Worth.

A meeting and luncheon with the Building Committee of the Dallas Club and a lovely tea given by actives and alumnae at the new Texas Beta house.

A luncheon in Houston as guest of the Convention Committee.

A beautiful luncheon meeting of the Shreveport, Louisiana Alumnae Club.

A luncheon meeting of the Fayetteville, Arkansas Club and a lovely tea at the chapter house given by the actives and alumnae.

Also, the Grand Treasurer took part in the program of her own Denver Alumnae Club and has been a guest of both Colorado Alpha and Colorado Beta.

The business of Central Office has been checked each month with an audit made of income and disbursements, the Holt House Treasurer's books were audited,

and there has been considerable correspondence about chapter house loans with information given to the Board of Trustee Funds and votes received from them on granting of new loans. Insurance has been paid on officers; and the chapter treasurers, house corporation treasurers, and officers handling money have been bonded. Correspondence as a member of Grand Council has been carried on and letters written to chapter treasurers, to parents of actives and pledges about fraternity finances, and other material written relating to finance. A committee was appointed in February, headed by Mrs. Barney Whatley of Denver, to determine the allotments to alumnae clubs from the Alumnae Convention Fund and work was done with them.

As I finish my sixth year as a member of the Pi Beta Phi Grand Council it is with a feeling of deep gratitude that I have had the experience of working for the fraternity and with the wonderful Pi Phis who are its officers. The opportunity of meeting members of Pi Beta Phi in all parts of the country has been a happy one and the contacts with the active chapters have been a real joy. It is therefore with a feeling of sadness that I relinquish my duties, for though much hard work has been involved, there has also been a great deal of pleasure, and a feeling of gratification in being a small part of a very wonderful organization.

The records for the year have been reviewed by Ernst and Ernst, Certified Public Accountants, and the contents of their Report of Examination and Supplementary Data is reproduced on following pages.

Respectfully submitted,

LOLITA S. PROUTY

Grand Council
Pi Beta Phi Fraternity
Office of Grand Treasurer
Denver, Colorado

We have examined the balance sheet of the Grand Treasurer of Pi Beta Phi Fraternity as of July 31, 1952, and the statements of fund transactions for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records

and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and the related statements of fund transactions present fairly the position of the Grand Treasurer of Pi Beta Phi Fraternity at July 31, 1952, and the changes in fund balances during the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

DIRECTOR OF RUSHING AND PLEDGE TRAINING

PREPARATION for the year's work actually began last June in Gatlinburg with the meeting of Grand Council and the workshops for the province officers. These meetings covered a review of the work of the previous year, and provided for a discussion of plans for progress during the year ahead.

A review of work done during the year 1951-52, will show that on the whole, the chapter officers have shown some improvement in their cooperation and contacts with the Director of Rushing and Pledge Training. However, there still is room for even greater improvement, and we will continue to hope for 100% cooperation. A study of the grades in cooperation given by this officer for the Standardization and Survey Report, will show that only 16 of the 97 chapters received a perfect grade this year.

During the summer, a letter was sent to all rush captains; also some additions to the rush manual which had been compiled by this officer. Letters were sent out again in October and May. Individual correspondence was carried on with many of the rush captains, concerning mistakes which had occurred on their rush reports. The checking of the rush reports from 97 chapters, in order to be sure that all fraternity requirements had been met, consumed time and required much patience. Experience has shown that this duty is of great importance, and should, by all means, be continued.

Letters were sent to the pledge supervisors in November, and again in February. The response to a request for a letter from each pledge supervisor by November 10, was very poor, for only 42 girls sent letters by the due date. Fourteen letters arrived late, which leaves 41 chapters not reporting. A few pledge supervisors were most cooperative, and used their own initiative in carrying on correspondence which was not required. The work of the pledge supervisors in preparing pledges for initiation, cannot be measured by statistics, but will be shown in future progress of our chapters, as the new members assume their places of leadership. The number of initiates for the year 1951-52 is 2,028 as compared with 1,992 in 1950-51. The pledge lists sent to this officer and to Central Office, serve as a check on the reports of the rush captains. This year we increased the number of girls pledged from 2,162 in 1950-51, to 2,176 in 1951-52. Of this total number, there were 43 girls who were re-pledged, and 88 girls who were pledged on the basis of information furnished by the State Rushing Chairmen. The latter figure is a slight increase over last year's figure of 84.

The work of the State Rushing Chairmen continues to be most outstanding in giving help to chapters desiring information on rushees coming from towns where there are no alumnae clubs. They spend much time in making contacts by letter and by telephone, and often find it very difficult to secure the required data. The fraternity appreciates their fine service.

In May of this year, a letter was sent to all convention delegates, giving instructions and information concerning duties and responsibilities of those who will represent their chapters at the 1952 convention.

The questionnaires sent to the chapter presidents were due in this office by November 15. Records show that 80 were returned on time; 5 came in late, while 12 chapters failed to report.

The health affidavits required from chapters having employees who handle food, were due October 30. Seventy-one chapters reported on time, 10 were late, but 16 ignored the request.

It was a pleasure to be able to attend the Delta Province Chapter Presidents' Workshop held in Fort Wayne, Indiana in August. These meetings are of great value to the officers who attend, as well as to the chapter representatives, and we appreciated the opportunity to participate in the Delta Province workshop.

In November, the members of Grand Council attended the biennial meeting of the National Panhellenic Conference in Williamsburg, Virginia. This was an interesting and valuable experience, not only in learning more about NPC, but also in having the opportunity to meet national officers of other fraternities. Our pride in Pi Beta Phi's place in the fraternity world was deepened as we listened to the reports and discussions, and talked with other fraternity leaders.

In February and March we had the privilege of visiting the nine chapters in Lambda Province, and meeting with alumnae clubs in Corvallis, Eugene, Tacoma, Everett and Edmonton. The gracious hospitality of the Pi Phis in the province, the breath-taking scenery, and the experience of a first trip to the Northwest, all combined to make the trip a memorable one. This officer is especially grateful to Mary Cooper and Mary Mooney, Lambda Province officers, and to Louise Dobler, former Lambda Province Vice President, for their thoughtfulness in helping to make the trip so pleasant. It was a pleasure, too, to have a brief visit with Emily Draper, former Lambda Province President, while in Seattle.

The annual meeting of the Indiana State Panhellenic Association was held at Ball State College in May and we were fortunate in being able to attend that meeting.

Founders' Day was celebrated as usual, with the annual Indiana State Luncheon held in Indianapolis in April. It always is a thrill to see the many Pi Phis who come together for this reunion each year.

We regret that it was impossible to accept the invitation of the Franklin College Panhellenic to be the speaker at the annual scholarship dinner which was held in March.

For the opportunity to serve as an officer of Pi Beta Phi, we are deeply grateful. Our sincere thanks go to the other members of Grand Council, who have given help and advice throughout the year.

DIRECTOR OF EXTENSION

THIS year has brought many new and interesting experiences to the Director of Extension, who was appointed to the office to finish the unexpired term of Marie Bacon Hagee.

The year began with the Grand Council meeting in Gatlinburg, Tenn. at the end of June 1951, at which time she assisted the Grand Vice-President with the Workshop for Province Vice-Presidents. At this meeting she gained a deeper insight into the workings of the fraternity, realized the broad scope of the work carried on by the members of the Council, and appreciated as never before what their wise guidance and devotion have done for Pi Beta Phi.

At the end of August she attended with Helen Russell, Epsilon Province President, the Epsilon Chapter Presidents' Workshop. This was a fine meeting in spite of the terrific heat in Nashville at that time.

Chapter visiting was a wonderful new experience to this officer. It was a privilege to meet and know the eight chapters in Delta Province and four of those in Iota, Utah Alpha, Wyoming Alpha, and Colorado Alpha and Beta, and to enjoy their gracious hospitality. While in Delta Province, she was entertained at luncheon by the Executive Board of the Indianapolis Alumnae club. In Denver she had the pleasure of meeting many of the Denver alumnae at a Sunday morning coffee given at the home of Lolita Prouty, by Lolita Prouty and Marie Divisek. In Laramie, she met Pi Beta Phi alumnae and members of the Wyoming University faculty at an evening reception given by the chapter.

In addition it was interesting and enlightening to attend, with the other members of Grand Council, the NPC meeting at Williamsburg, Virginia, November 27-December 1. The Washington, D.C. Alumnae Club entertained at luncheon the Council members, who were in Washington between trains on the way to Williamsburg.

A high spot, in a year of high spots, was the joy of being the guest of the Kansas City Pi Phis, and sharing their celebration of Founders' Day. She returned from Kansas City in time to attend the St. Louis Club celebration, at which time the Grand President, Miss Amy Burnham Onken, was the guest of honor and principal speaker.

Through the year the Director of Extension has written letters at the request of the Province Vice-Presidents to Pi Phis who might be interested in forming new clubs, has added her welcome to new clubs as they organized, and has written "first anniversary" letters to all clubs formed during the 1950-1951 club year. She has written a letter to the presidents of the Mothers' Clubs, and has helped with the organization of several new ones.

Four planned programs were sent to the Chapter Program Chairmen to be used at the monthly Pi Phi

Night programs—one on Rushing, one on NPC, one on the ARROW in the form of a "Break the Bank" quiz, and one on Convention.

In the actual field of Extension, the drop in enrollment over the country, due to the unsettled conditions of our present day world, has had a definite effect. On several campuses in which Pi Phis have evidenced great interest, the authorities have been unwilling to admit a new chapter, fearing that its coming might be the cause of the withdrawal of some group already having a difficult time making its quota. This is the situation at the universities of Kentucky, Tulsa, and Florida.

However we have been contacted by local groups or have looked into the possibilities of chapters on the following campuses: Oklahoma City University, Texas Technological College, North Texas State College, Colorado College, Northern Illinois State College, McGill University, Valparaiso University, Evansville College, Indiana State Teachers' College, Fresno State College, Roanoke College, University of New Hampshire, Southeast Missouri State College, and Penn State College.

In 1947 when the National Education fraternities were made associate members of NPC with the view to being made regular members in 1951 a new field for extension was opened to NPC member fraternities. Since that time consideration has been given to placing chapters on some of the campuses of teachers' colleges. In February of 1951 Helen Lewis, Director of Rushing and Pledge Training, visited a group, the Gamma Gammas, at Ball State Teachers' College at Muncie, Indiana. Her report being favorable, it was decided at the Grand Council meeting in June 1951, that the group be visited by Madeline Killinger, Delta Province President, and a representative of each chapter in Delta Province. Following the enthusiastic reports of these visitors, it was unanimously voted by Grand Council to allow the Gamma Gamma group to petition Convention. Accordingly a formal petition has been sent to all the voting body of the active session of Convention to be acted on this July.

The honor of being appointed to this office and the great joy of serving our fraternity have gone hand in hand this year with long hours of harder work than this officer has ever experienced before in her life. She is extremely grateful to the other members of Grand Council for their patience and assistance in the new problems that confronted her, and to Marie Hagee, her predecessor, for excellent instruction in her new duties. From a personal standpoint this has been a year of complete gain, of new friendships, enlarged contacts, and a new, richer insight into a wonderful fraternity—Pi Beta Phi.

COUNSELOR FOR CHAPTER HOUSE CORPORATIONS

DURING the past year information for a short history of chapter housing has been compiled. It has been most gratifying to gather and study facts concerning the steady increase in the number and the value of our chapter houses. At the present time there are 66 Pi Beta Phi chapter house corporations. Of these 58 own chapter houses valued at \$4,600,000, with a total indebtedness of \$1,030,000. The others have been formed with the purpose of building up funds for eventual ownership. In addition four houses

for meetings only and furnishings for rented houses, lounges in dormitories, apartments and other meeting places are owned by chapters or alumnae groups. The value of this property would add to the total of chapter housing investments.

The letters received from house corporation treasurers and presidents giving histories and descriptions of the houses have shown the pride and joy derived from the accomplishments which entailed so much effort. The annual financial reports have shown con-

tinued decreases in indebtedness. Expenditures for necessary upkeep and for decorating and furnishing and equipment show that the houses are in good repair and are convenient and attractive. With rising costs, corporation treasurers have been urged to see that income is sufficient for all expenditures. The landlord-tenant plan has been advised and is in use in most places, as it is deemed the most businesslike arrangement between house corporation and chapter.

House corporations have been urged to see that the active chapters understand the affairs of the corporation. In many corporations, actives as well as alumnae are members and attend annual meetings; directors are alumnae with actives as ex-officio members of the board. The active members of a chapter should have a voice in deciding what is to be done with the money the chapter members pay in rent and house pledges to the corporation although the alumnae members should have the balance of power on any board or committee. This plan has proved most successful, and the cooperation between actives and alumnae has worked to the advantage and the satisfaction of both.

During the past year, the large additions to the New Mexico Alpha and the Florida Beta houses have been completed. In both cases sleeping and study rooms, as well as dining rooms and kitchens, have been added making both houses really chapter homes. At the present time, the Illinois Theta House is being completely remodeled. A corporation is being formed for the purpose of buying a house to be used as a Lodge by Nova Scotia Alpha when a suitable piece of

property can be found and financed.

After 20 years of working and hoping, the dream of Texas Beta alumnae and actives has come true. The beautiful and well-planned chapter house in the new Sorority Group on the SMU campus has been in use during the past year. This Fraternity Housing development shows what panhellenic cooperation can do for the chapters and for the university.

All of the routine duties of House Corporation Counselor have been done. A fall letter was sent to all corporation treasurers and again in January a letter with report blanks enclosed went out. All information has been filed, bond fee receipts returned to treasurers along with individual letters concerning reports. Much correspondence concerning financing and building has been carried on with various corporation treasurers and contact has been kept with the Grand Treasurer and the Grand President, both of whom have been most helpful.

It has been a rewarding experience to serve the Fraternity, and letters of appreciation from many corporation treasurers make my work with them seem worthwhile. If my contribution to the work of Pi Beta Phi chapter housing has added to the sum total, I shall feel rewarded, for over the years Pi Beta Phi has done a great work in the housing of college students. For many years, fraternity houses were the only means of group living available to students in many colleges, and, even with the many residence halls now on campuses, they still afford the best opportunity for experience in training for democratic living.

NATIONAL HISTORIAN

The winner of the Nita Hill Stark Vase for the best active chapter history prepared during the year 1951 to 1952, was Michigan Gamma. Michigan Gamma's historians were: Kristine Olsen and Janeen Anderson.

The winner of the Historian's Cup for the second best history was Colorado Alpha. The historians were Ruth Morris, Barbara Quam, and Barbara Halsted:

The very excellent histories prepared by the following chapters received honorable mention: Illinois Theta (Martha Thomas and Joan Jespa, historians); North Carolina Beta (Patti Cohan and Peggy Yancey, historians); Oregon Gamma (Jans Notson and Sally Bridgeman, historians); Indiana Delta (Nancy Hill and Barbara Sadler, historians).

THE complete display of active chapter histories, from each of the 97 chapters of the Fraternity, represents an innovation at the 1952 convention. This innovation came about as the result of a motion presented and passed by active chapter delegates to the 1950 convention. The motion called for the abolition of chapter exhibits and the substitution of chapter histories in their place. As a consequence new methods of procedure have been introduced.

Each delegate is now responsible for bringing her chapter's history to convention, and for returning the history to the chapter after convention. Because of the necessity for reading and grading all histories during convention week, the presence of the Assistant National Historian is now required at convention. The

new plan will result in considerable saving in postage, and in the time required for wrapping and mailing of typed material. It is hoped that the method of procedure outlined above will prove workable, and that the histories will be of interest to all those in attendance at convention.

Instructions to chapter historians have stressed shorter, more condensed histories, with the elimination of unimportant material. There have been fewer delinquencies. Some chapter historians have supplied missing histories from earlier years.

Acquisitions to the archives for the year 1951 to 1952 are as follows:

Letters from Founders and other miscellaneous items—from Lois Franklin Stoolman (Mrs A. W.), Illinois Z.

Indiana A chapter photographs for the years 1889 and 1891; a photograph of the charter members of Louisiana Alpha chapter at the time of installation—from May Burton Wright (Mrs H. W.), Indiana A.

Letters signed by Founders Inez Smith Soule and Fannie Whitenack Libbey—from Harriet R. Johnstone, Washington A.

Five photographs of charter members of Colorado A chapter—from Evalyn Barney Snell (Mrs Edward S.), Colorado A charter.

A history of chapter house building plans—from Lillian Beck Holton (Mrs Edwin L.), Maryland A.

Photographs of the conventions of 1927 and 1929; an enlarged group picture including Founder Fannie Whitenack Libbey; individual studio photographs of Grace Goodhue Coolidge, Nita Hill Stark, Ruth Barrett Smith, Lois Franklin Stoolman, and Amy Burnham Onken—from Gladys Hays Scivally, Director of Central Office.

The following items have been prepared for exhibit at the 1952 convention:

Convention photographs from Syracuse in 1901, Indianapolis in 1906, the Washington Conference in 1924, Breezy Point in 1927, Pasadena in 1929, Asbury Park in 1931, Chicago in 1936, Pasadena in 1940, and French Lick in 1948.

An album containing the manuscript pages of the first recorded history of the fraternity as written by Dr. Bessie Peery in July of 1892.

A collection of books published by Pi Phi authors during the past four years.

Requests for program material were received and answered during the year. Photographs of Founder Fannie Whitenack Libbey were lent to Pi Phi Artist Alice Hyde to assist her in painting a portrait of Mrs Libbey.

Because of absence from the city, Historian was compelled to decline an invitation to speak at the annual Panhellenic Day observances at William Jewell College. It is always a pleasure to visit on that hospitable campus, and to assist, whenever possible, the groups which are so eager to cooperate in the best traditions of the fraternity world.

In April the Historian was privileged to visit in the houses of California Γ, California Δ, California E, and California Z. She came away, noting with pride, the character of the membership and the quality of the achievements of these new and old chapters.

The Historian wishes to thank the members of Grand Council for authorizing the trip to California

for the purpose of attending the Founders' Day observances of the Santa Barbara Alumnae Club, the Los Angeles Area Council, and the San Diego Alumnae Club. The beautiful luncheon and the two lovely dinners, the old friendships renewed, and the new friendships made, will be long-cherished memories. The kindness and bountiful hospitality of the Pi Phis of the Southern California Area Council would be difficult to equal anywhere.

It has been an education and an inspiration to interview and to receive written reminiscences from these four honored members of the fraternity: Dr. Bessie Peery and Miss June Peery of San Diego, Miss Julia Ellen Rogers of Long Beach, and Dr. Anna Ross Lapham of Chicago.

Without the efficient, intelligent and ever-willing assistance of Elizabeth Heryer Delaney, who has assumed complete supervision of active chapter histories, it would be impossible to perform the ever-increasing duties of this office. The Historian wishes to thank the Director of Central Office and the many other individual members of the fraternity whose interest has served to enrich the archives collection. She is especially grateful to all the members of Grand Council, without exception, for their continued confidence and helpfulness. It has been an honor and a pleasure to serve Pi Beta Phi throughout the past year.

Respectfully submitted,

MARIAN KECK SIMMONS

PI BETA PHI MAGAZINE AGENCY REPORT 1951-1952

THE gross commissions realized on magazine sales for 1951-52 amounted to \$10,390.76. Of this amount clubs contributed \$8,142.04, active chapters \$2,165.47 and individuals \$83.25. During this same period \$82.45 was collected from bonuses, prizes, and direct commissions, making a gross profit of \$10,473.21.

Following are the gross commissions for the first year of the agency and for the last two years:

1929-30 Approximate	\$ 810.00
1950-51	10,756.80
1951-52	10,390.76

The contest winners for 1951-52 were:

ALUMNAE CLUBS:

Dallas, Texas—Mrs. Chester R. Cole, chairman, for making the highest total commissions, \$397.40 wins \$10.00
San Jose, California—Mrs. Randolph Keim, chairman, for making the highest per capita commissions, \$6.03 wins \$10.00
Phoenix, Arizona—Mrs. David Wick, chairman, for making the greatest percentage increase, 1662.67% wins \$5.00

ACTIVE CHAPTERS:

Texas Beta—Sue Puckhaber, chairman, for making the highest total commissions, \$111.76 wins \$10.00
Indiana Gamma—Carolyn Adams, Chairman, for making the highest per capita commissions, \$3.29 wins \$10.00
Minnesota Alpha—Barbara Grove, chairman, for making the greatest percentage increase, 725.86% wins \$5.00

Eighty-seven active chapters and two hundred twenty-three alumnae clubs have been contributors to the profits of the agency during the past year.

Following is the financial statement and statistical report showing commissions earned by chapters and clubs. It also shows the net profit for the year amounting to \$7,764.96. A check for this amount has been sent to the Settlement School.

Please note that last year's commissions are also given so that the contributors can see their gains or losses.

The director of the Magazine Agency wishes to thank all who have contributed to the Settlement School through the Magazine Agency and asks for your continued interest and support.

CONTACT MEMBER OF SAVE THE CHILDREN FEDERATION

It is with real pride that it is possible to report the generosity of Pi Beta Phi Clubs and chapters to children in the stricken areas of Europe and Korea who are needing our help. This personal link will never be forgotten.

The following clubs and chapters have given full sponsorships; New York Δ, Ontario A, Pennsylvania B and Harrisburg-Carlisle Club, Michigan A and Michigan F, Illinois E, Wisconsin A, Wisconsin F and Madison Alumnae Club, Manitoba A, Iowa F, Kansas A, Berkeley Alumnae Club, and Palo Alto Alumnae Club. Combined donations from a province have made possible a full sponsorship or sponsorships in the name of the province. Again it was expedient to combine two provinces and communications have been established through the province officers.

Not only have clubs and chapters given money but they have sent boxes of food and clothing to the sponsored child and have included gifts for the other members of the family. Many have sent their donations in the name of the group, to Korea, through Save the Children Federation. Some chapters have contributed generously through similar organizations in their respective schools.

Your Contact Member wishes to express her sincere gratitude to all who have helped in this great altruistic project and feels it is indeed a privilege to have served Pi Beta Phi.

Respectfully submitted,
LOIS F. STOOLMAN

The Enemy of Liberty

Within five years after its founding, the United Nations—the announced purpose of which was that of being a limited authority to prevent war—is attempting to control the minds of men through the International Covenant on Human Rights. No greater danger to the freedom of man has arisen since the days of the claim of the divine right of kings. This danger is a greater threat to the citizens of the United States of America than the danger from any foreign military foe, for it might be that this control, together with the abrogation of the Bill of Rights, would be thrust upon the American people, accomplishing by treaty that which the Constitution would prohibit being accomplished by legislation.

Only a new birth of the understanding of the true nature of our freedom can save us.

Settlement School Reports

CHAIRMAN OF THE SETTLEMENT SCHOOL COMMITTEE

PI BETA PHI is celebrating the fortieth anniversary of the establishment of the Settlement School this year. That is sufficient years to prove the worth of an undertaking and it has stood the test. The foundation of every state is said to be the education of its youth. The state of Tennessee, however, was slow to start and in 1912 could do little if anything when we started our project there. It still does not equal in scope that done by the majority of other states. However, it is now giving increased aid to all schools and the diversion of the sales tax money into school building funds has made possible improvements in housing. Yet it is significant that the County Superintendent of Schools feels a continued need for the assistance of Pi Beta Phi in meeting the requirements for a Class A school in Gatlinburg.

In contrast to beginning days—poor roads, small inadequate cabins, lack of hygiene, inadequate water sources, we find today that better highways, tourist travel to the national park, the influence of the radio, the arrival of a money-making people, all these are modernizing what once was the home of descendants of the first Gaelic people who settled in the Smokies.

In spite of the influx of new social forces one still may talk to the straightforward, unassuming mountaineer and hear the Elizabethan expressions found nowhere else. At our school gather the grandchildren of these fine people and the children of newcomers who do not always understand the old traditions.

Forty years ago, education in Gatlinburg consisted of two or three months of simple schooling; Pi Beta Phi changed this to a six and then a nine month term but with one teacher carrying the burden of teaching all ages. To quote Shakespeare: "To climb steep hills requires slow pace at first." So step by step through the years, the attendance grew, other grades were added until finally the system included all elementary grades and a full high school course. Then came the gradual relinquishing of our responsibilities, allowing the county to take over more and more of the administration and the cost of the school. The leasing of our school buildings for a token fee, the erection of the new grade school unit by the County two years ago, the cost of maintaining the school and paying all teachers' salaries but four, all these are signs of change.

Today, in the Pi Beta Phi School, the fraternity interests are confined to three subjects—Physical Education, Music, and Arts and Crafts, including Woodworking—and these salaries are paid by Pi Beta Phi.

The over-all program in Physical Education, embracing many forms of sport seems closely linked with our Health program and therefore of special importance. Mr. Hartford Granitz, graduate of the University of Chattanooga, has given all students well rounded courses in sports, particularly emphasizing intra-murals for the sake of sportsmanship. Our teams received awards this year for good sportsmanship, in addition to winning games. While basketball is the main competitive sport, Mr. Granitz has also assisted in football coaching. We regret that he will not return for a third year with us but he has gone to a much higher salaried position in Georgia.

Mr. Carl Huskey has again given part time to instructing in Woodworking and his boys have turned out some commendable products during the year. Teaching and working both have been simplified by

the new lathe and motor purchased last summer.

The Arts and Crafts Department has been in the hands of three teachers during the past year. Until January 1, Miss Dorothy Deiss, with a Master's degree and with exceptional talent, gave more than full time to her work. It was difficult for her to see that exposing all students to art, whether they were talented or not, could mean a development in appreciation, but she was of tremendous help to those with skill and to those staging school productions.

Following Miss Deiss' departure, Mrs. Hadley, the wife of one of the Park staff, most ably substituted until the graduation of Ann Smith from the University of Tennessee in March. Ann is already making her place in school and community and will continue with us next year. Her approach to students makes them wish to produce results.

Mrs. Aletha Armstrong continues to develop good voices and has the ability to coordinate them into melodic harmony, while she gives them also a background of musical history and a knowledge of all forms of vocal and instrumental music. Her teaching has been coordinated with the band instruction which was made available by the County this year and has been of help to the band instructor. During the year, two operettas have been produced, one at Christmas time and one at the close of the school year; in these, many voices were used commendably.

In addition to our teachers, another staff is needed to make the project what it is today. Director of the whole over-all picture is Miss Ruth Dyer, who ably handles the mechanics of running the school and recommends to the Committee, actions or changes she feels are to the best interests of the school and the fraternity. Her assistant for the past two years, Lillian Hansen, Kansas B, became Mrs. Harry Howell in June and will leave with her husband September 1, when he returns to Georgia Tech for advance training in Architectural Engineering. In addition to assisting Miss Dyer in director's duties, Lillian has sponsored the honor scholastic society in the high school, has had charge of a Girl Scout troop, has done a great deal of church and community work and will be greatly missed.

The Jennie Nicol Health Center carries great appeal to fraternity members because we have blazed a trail toward improved nutrition, better babies and all round hygiene. Under the supervision of Mrs. Marjorie Chalmers, R.N., the Health Center program continues to serve our school, Gatlinburg, and the surrounding areas. Statistics show that field visits have become less necessary since patients can more easily reach doctors or come to the Health Center for advice and encouragement. It is a joy to attend the "well-baby" clinic on Friday afternoons and watch Marjorie's deft handling of both child and the apprehensive mother. Again this year our Center has accommodated the mobile X-ray unit for Tuberculosis control and again the doctors and our nurse joined forces for the pre-school and all schools required health examinations at the Health Center.

We are grateful for the continued interest of Sigma Phi Gamma International Business Sorority. Their assistance to the mountain area includes our school and brings us donations from various chapters. This permits the purchase of badly needed glasses for some children and provides proper treatments as the need

arises. New strip films and slides for purposes of education in dental and other hygienic care have been purchased with money from various clubs and chapters and have been shown extensively. Layettes, gifts for the "loan closet" or baby toys are welcome gifts from clubs or chapters. Often, like old Mother Hubbard's, Marjorie's cupboard becomes bare, also.

The Arrowcraft Shop is the mecca for all Pi Phi's going to Gatlinburg and by remote control, is familiar to every Pi Phi. From it, under the practiced and practicable management of Ethel M. Snow, go the many beautiful crafts designed by Tina McMorran, our Weaving Designer, to please the Pi Phi's. When the advance in cost of linens, threads or other supplies necessitates a raise in price to absorb production costs, there must be a slight change in form or pattern of the article in order to meet O.P.A. requirements. This often means time must be taken to design other than entirely new patterns. With temperatures in the high nineties it sounds incongruous to talk of new patterned wool drindls with matching stoles but soon we shall be wanting them again; there is a new knitting bag, and a new luncheon set will soon be in production. The popular woolen ties are no more, since men have taken to the bows and the cost of producing such ties as ours is prohibitive at the old price.

Tina has designed and woven a second large dossal this year as her gift to her own little Episcopal church in Gatlinburg. It is in the old, lovely ecclesiastical red, the color having been selected by the rector. At present she is on leave to attend a special short course in weaving under the leadership of the famed Dorothy Leibes. This should mean new designs in new and gorgeous colors for next year's sales.

Assisting Mrs. Snow and Mrs. McMorran in sales and weaving are Edna Cook, Reba Owenby, Margaret Ogle and Wanda Ogle. While the total number of weavers has been reduced this year, by keeping the very best, greater production is possible at lower cost. Our hotel shop at the Mountain View, under the supervision of Mrs. McCutchan, is a special attraction to all visitors.

It is ever important to remember that no contribution to the Settlement School funds nor money returned to Arrowcraft is ever used other than for the development and broadening of the Settlement School program.

As always we are appreciative of your efforts, which result in new funds to maintain or widen the scope of our project. The bareness of the Arrowcraft storage shelves in November attest to how many clubs order for the fall sales. The prompt return of unsold goods is vital to the business at Arrowcraft as is the prompt payment of bills. The same courtesy and business tactics should be used with $\Pi B \Phi$ as with the merchants from whom one purchases locally.

The assistance of all clubs selling Arrowcraft products is most appreciated and we regret being able to list only the top few here. They are:

The Pi Beta Phi Cook-book has returned in a new blue cover. When the Committee began its investiga-

tions for an entirely new recipe book, so many wondered why the change with the old recipes so satisfying, the decision was made, to continue the old, for one more printing at least.

General contributions to the Settlement School are important always but particularly so in these days of inflation. Every dollar or more has a place where needed and each is gratefully received. Never to overlook even the smallest amount but with time to mention only a few of the clubs and chapters supporting the school, we honor—

The check for \$7764.96, profits from the Magazine Agency augments our income and is always included in planning for the Settlement School, so please continue to subscribe for magazines through Central Office. If each present subscriber were to secure one other person's subscriptions, the increase would be tremendous.

The Committee and the School are very grateful also for the fine gifts of toys, books and children's clothing received at Christmas time. The distribution of these gifts to each child of the lower grades, with a particular gift for each room and the taking of gifts to the other schools of the district are highlights of Christmas week.

The extra gifts, as some one club or chapter hears of a desire or need, are appreciated, too. This year our special Wishing List is long indeed and concentrated primarily upon one special thing—the new Staff House.

You will recall that it has been felt for several years that the bottleneck in further expansion of the Summer Workshop with the University of Tennessee lay in lack of sufficient housing and dining facilities. We have transformed the grade school each summer into dormitory living quarters but the majority of applicants ask for single or double rooms. In an effort to rectify this situation, to facilitate the feeding of more people and to provide more comfortable quarters for our all-year staff, it was decided that a new building must be erected. With the fine bequest from the Garshwiler Estate, money from California A and the amounts placed regularly in the Sinking Fund for just such a need, it became possible two years ago to consult with an architect and in March of this year to break ground for the building.

Now we have arrived at the place where the building must be furnished. In all the Southern Highlands area, Pi Beta Phi stands first in its leadership in crafts development and for this reason we feel this building must be an example of what crafts school housing should or could be, and while economically and practically done, it must also be well done.

Those who attended the Jasper Convention will always remember the very touching speech of the Maryland A delegate when she officially bade farewell, as the representative of the active chapter, to the fraternity and at the same time presented the remaining funds of her chapter to the Settlement School, to be used toward the furnishing of the lounge in the then proposed Staff House. This gift honored Dr. May L. Keller, President Emeritus, and Mrs. Helen Tottle.

two of their most loyal charter members.

This was the beginning of an idea. Without curtailing the amount of regular contributions so necessary for operation, we are asking that every chapter and club give consideration toward a special contribution for the furnishing of some room of the house. This would celebrate forty years of existence and could honor some fine alumna of your chapter or club, as did Maryland A. We also know that many Pi Phi individually will wish to help in making our building serviceable and beautiful. Should some one lean to the practical rather than the aesthetic, two thousand dollars will provide a kitchen with the type cabinets and tables highly recommended for institutional work. For many of us less fortunate financially, there are lamps, small scatter rugs, hangings, separate chairs, tables, even sofas and dining room furniture, all needed to create a useful whole. Furnishing is in the hands of a committee and the money may be sent to Mrs. Thomas E. Graham, 3324 W. 18th Street, Oklahoma City, Oklahoma, the Committee Treasurer.

In the planning of the Staff House and the steps taken toward construction, we would express our great appreciation to Miss Jessie W. Harris, Miss Henrietta Sivyer, Miss Ruth Buckley, Miss Marian Heard, all of the University of Tennessee College of Home Economics and Mr. Warren T. Smith for the time and effort each has expended for Pi Beta Phi. Their counsel has been of inestimable value.

The 1952 Workshop with Marian G. Heard of the University of Tennessee again serving as Director offers two three week sessions. Conducted as it is, in conjunction with the University, classes are on a university level for those desiring credit, while non-credit students are also welcome. This year, courses offered are Jewelry, Metal Work, introductory, advanced and rug Weaving, Pottery and Woodworking. Students from seventeen states are in attendance. A member of Pi Beta Phi, Mary Elizabeth Sullivan, heads the weaving section and two Pi Phis, Caroline Edmonds, California B, and Esther Breckinridge, Iowa F, are serving as Graduate Assistants. We are pleased that Marian Heard, whom we almost claim as our own, was elected President of the Southern Highlands' Guild for the current year. Having had so much to do with the encouragement of the crafts in that area, through the years, Pi Beta Phi continues to hold an important place in Guild activities.

It is said that having a party is ever good for the house and so it proved in the fall when Gatlinburg entertained all the Governors of the United States for their annual conference. Merchants and townspeople cleaned and polished until the town shone and the whole affair brought wide and favorable comment. Pi Beta Phi loaned its Health Center and the surrounding grounds for a small Craftsmen's Fair where local craftsmen demonstrated their arts. Inside, a fine exhibit of finished products was arranged. This fair and exhibition was enjoyed by the Governors and their families because it was typical of the district.

Were one ever to hear that our work is finished in Gatlinburg, one has but to think back on all that we do there. Think first of the place we hold in the fraternity world for having established a type of service outside our own organization; then the benefits of our Health program, relieving the over-taxed doctors of school inspections, inoculations and consultations on minor ailments or accidents, or the advice given on pre-natal care or to the mothers of little babies, or the First Aid to the school children, day after day; the program of sanitation, disease prevention and health preservation would have a tremendous set-back,

were the Health Center work to be withdrawn. The Workshop program in Crafts has just begun and has a large future, should we wish to expand it; the departure of many students to many states makes possible a wide-spread knowledge of the fraternity's influence on the handicrafts of the area. It means prestige for us when we display and sell the beautiful articles made for our Arrowcraft Shop and distributed all over the United States.

It does not necessarily follow that we shall always have direct obligations along the lines of secondary education for the Gatlinburg school system, but when one is in Gatlinburg and talks with the older established residents or the doctors, rather than the newcomers in business on the street, eager for tourist trade but with less knowledge of the long development of the town itself, one knows that we are needed. We ask each of the members of the Staff to contribute some of her own free time toward community or social service and the demands upon them are tremendous. The future program may change in many respects but we could ill afford to discontinue our interests. With the majority of fraternity members believing in the School and the work done there, we must continue our support to the best of our ability. It takes the cooperation of everyone to "lighten the load."

Working and planning together for the Settlement School closely unites a Committee and Staff and results in respect for each one's capabilities and affection for each other. This coming year, we shall sorely miss from the Committee, Olivia Smith Moore of Texarkana, Texas who has been our most capable treasurer and friend, and Harriet Goodsell Rauch of New York City whose excellent publicity is familiar to all through the ARROW. To take their places, Grand Council appointed Theresa Graham of Oklahoma City as Treasurer and Virginia Brackett Green of Indianapolis. Mrs. Green will edit "News of Little Pigeon" and handle public relations.

In addition to losing Lillian Howell as Assistant to the Director we also regret the resignation of Mrs. Eunice Cole from her duties as book-keeper at Arrowcraft. She resigns to assist her husband in their business. Replacing them next fall we shall have two Pi Phis; Joan Newcomer, Kansas B, will become Miss Dyer's Assistant and Katherine McIntosh, Alabama B will take the position of Book-keeper and Assistant to Mrs. Snow at Arrowcraft. Pi Beta Phis are particularly welcome both as teachers or on the regular staff and applications may be placed with the Director at any time.

For the time this Chairman has served on the Committee, Amy B. Onken by appointment from the Council, has been the contact member. In an extremely heavy schedule she has found immediate time to answer a call for assistance or to give of her information to benefit the School. The Committee is grateful for her help as well as that of the Council and the Province officers in sending on to you the month by month happenings at the Settlement School. The evidence of their assistance in keeping you informed manifests itself in your growing interest in this memorial to our Founders. Our Founders believed in our School and in those who outlined its development. Their prayers were for a lasting project which, in some form, would keep Pi Beta Phi foremost in the fraternity world for its philanthropy. Let us keep it so. May future planners have "the heart to conceive, the understanding to direct, and the hand to execute."

RUTH BARRETT SMITH

REPORT OF DIRECTOR OF SETTLEMENT SCHOOL 1952

LIFE is not a little bundle of big things, but a big bundle of little things." This statement from a newspaper column seems a fitting theme for my annual report. While big things have been accomplished in the village and at the school, it is the little things that make up the big bundle of daily happenings at the Settlement School. From humble beginnings of forty years ago, our project has grown and changed with the years, the program adapting to the new phases of life in a rapidly growing community.

Community

The year has marked an extensive program among the different churches for improvement to their buildings. Now we have several fine churches that are a credit to any town. The new Baptist Church of Crab Orchard stone in modern design has been completed. The beautiful pipe organ which is equipped with chimes, was the gift of Mrs. Mary Huff in memory of her husband, Andy Huff. The Methodist congregation has built a beautiful new parsonage and also purchased a parking lot behind the church. The little Episcopal Church has had a number of gifts. A pipe organ from Mrs. Ethel Voorheis Murry and a beautiful hand-woven dossal in ecclesiastical red from Tina McMorrin were two of these. The Roaring Fork Baptist Church finished their basement and the little Primitive Baptist Church was repaired and painted. There has been great activity in the construction of new motels and tourist courts. Owners of existing courts have added new units and remodeled their old cabins until the town is very well supplied with fine accommodations for the tourists. People here complain of a poor season, but to the casual observer it does not seem that way. Statistics at the Park show an increase in visitors over last year. Perhaps we are reaching a saturation point. New shops have been added to the many in town and outside on the highways. Several of the new courts and shops show the influence of an architect who has moved to the community. He is Mr. Hubert Bebb, brother of Douglass Bebb of Buckhorn Inn. It is too bad that he did not come sooner, for his work is a distinct addition to the town.

One bundle that could be called Big was made up of three factors. These were, the flash flood of September first, the Governor's Conference of the week of October first, and the Gatlinburg Craft Show held the same week. The flood made cleaning up for the Conference much harder, and the Craft Show was one of the factors in the entertainment of the visitors. The sudden, destructive flood was caused by a cloudburst in the mountains above the Alum Cave Trail. Ten inches of water fell in about an hour. Fortunately, no lives were lost, but the highway across the mountains was closed for eight days before temporary repairs could be made. Much damage was done to properties along the river, especially in the lower end of town. The water made the Greystone lawn into a lake, was over the railing of the Greystone Bridge, and made the highway into Knoxville accessible only to a jeep or a boat. The waters backed up Baskins Creek, but did not touch our property. When it receded, it left much debris and muck behind. Everyone worked, and by October first the town never looked better. We had perfect weather all the week of the Conference. The Governors' parties were housed in the four hotels, the press had quarters in certain designated motels, and the highway patrolmen had other courts assigned to them. For that week Gatlinburg was the center of

much activity. Because everyone worked together, this small town was able to entertain our distinguished guests. Banquets were held at different hotels, but the china and silver and even the waitresses of all the hotels appeared at the one where the function was being held. To provide entertainment for the wives of the governors and others not too busy with conferences, the local shops put on a Craft exhibition. The Health Center was used for the exhibit of outstanding examples of weaving, wood work, and other crafts. Behind the building and on the lawn were umbrellas and tents housing weavers, basket makers, broom makers, woodworkers, and others. No admission was charged, and hostesses were on hand to tell the guests about the craft industry in this locality. One of the interesting things about this was that some local and rural people came and, for the first time, were made to realize what was going on and how their own skill fitted into the whole picture.

The Chamber of Commerce made a great effort to extend the season at both ends. In the fall a group of Marble Dealers held a convention the week after the Governors had been here, and in the early spring we had meetings of the Wilson Club of America, a District Rotary convention and the Second Wildflower Pilgrimage. The bird lovers had continuous rain but hunted new species with great ardor. The other groups had better luck. During the dull season, the local people have made it a practice to stage different benefit parties. This year the Polio Benefit netted much more than it had before, but the one for the village library brought considerably less. The Episcopal Guild had a game party one night that helped them put the slate roof on their new church and provided a good time besides. In December, the Garden Club held an unusually good show of flower arrangements and of the winter greens that grow in such abundance in this area. This group and the Rotary Club placed a number of concrete benches along the Parkway for the benefit of the tourists. The usual union services were held by the town churches at Thanksgiving and Christmas. On Easter, besides the sunrise service, there was an egg hunt for all the local children at the Whittle place. A new Park Superintendent was appointed for our Park. He is Mr. John C. Preston from Mount Rainier National Park near Seattle. A survey and revaluation of property in town for taxation purposes and more talk of a village sewer system show that there is civic interest in the community.

School

A review of the school year brings to mind many little things—the day-to-day routine of any school system which is highlighted by certain events of importance. Mr. Walter Ogle served his second year as principal, and we had Mrs. Ann Lighter for assistant principal. She returned after a year's leave of absence to have charge of the library and to teach junior and senior English. We have always been proud of our library, which is called the Grace Coolidge Library. We are especially proud of it since it has been so much improved by a number of changes. By taking out a partition between the library and an adjoining class room, the room was enlarged and space made for four new tables. The County paid for the carpenter work, the tables and the chairs. The tables are birch and were made in Mr. Cole's woodworking shop. They are beautiful. Mrs. Benjamin Weir, Illinois Z, who has made several fine gifts to the library, had made

an additional gift of \$100 which we had been saving for something special. New shelving seemed very necessary, and with this gift, \$50 from Committee, and help from the County, we have entire new shelving in the room. We were very fortunate that Mr. Lighter, who is the husband of the librarian, has a hobby of woodworking. He made these shelves in our Craft Shop. They are made to scale to fit into each available space and are very well made. The library has to serve as a classroom, but with the L-shape can be used at the same time for study.

Interested Pi Phi alumnae clubs, active chapters and individuals have added many volumes to our book collection. Mrs. Lighter has a special Memorial Shelf where books that have been given in memory of Pi Phis have an honored place. These books are often special volumes that are too expensive to be acquired in the ordinary way. The Washington D. C. Alumnae Club has a practice of sending a book to the School instead of giving flowers at the death of a member. Mrs. Lighter can secure such good discounts and often wants some special book, so a gift of money can be spent most advantageously. More books came to the School from Texas A and from the Lexington, Kentucky Alumnae Club. These were sorted and placed where they could best be used. Many juvenile books were put in the new elementary building to form a collection for the use of the teachers in the lower grades. Books get pretty hard wear from the little folk, and it is fine to have new material to place on the tables in their rooms for them to read and enjoy. These gifts made it possible to discard some books that were really worn out.

Departmentalization in the seventh and eighth grades worked a little better than it did last year. Mr. Tip Robertson had the eighth grade home room and coached the boys' basketball team. Miss Hazel Watson, daughter of Richard, our farm manager, had the seventh grade and coached the girls' team. Hazel graduated from Berea College and did a very good job in her first teaching assignment. Both of the junior basketball teams made excellent records. The high school freshman English teacher had these two grades in that subject and their other studies were divided between the two home room teachers. The work in business was taught by Mr. Jack Miller. In the second semester he added a course in Business Law to the curriculum. Mrs. Ruth Owenby and Mr. Mark Grim have been good members of our faculty for several years, and both did their part in helping make the teaching program a good one. The home economics department was in charge of Miss Joan McCready, an Iowa State College graduate. She was an outstanding teacher and gave the girls some very practical instruction in sewing and cooking. Miss Hodgen and I both felt that the dormitory girls learned more under her than they had previously.

The arts and crafts program was carried on under great difficulty. Not in the woodworking department, for Mr. Carl Huskey had a good class of boys who did some very nice work in producing small articles of furniture. A late resignation by the art teacher made it difficult to find the proper person for our program, but Miss Dorothy Deiss came down from New York, where she had just finished work for her master's degree in time to start the second week of school. She was a teacher of outstanding ability and gave some fine service to the school, but she did not feel that she could carry on the work after the first semester. The high school classes had to have the credit, so we were fortunate in securing Mrs. Charm Hadley, wife of Dr. Jarvis Hadley, park geologist, to teach just those two

classes. Mrs. Hadley has an art degree and had taught the subject, so we were well pleased with that arrangement. In March, Ann Smith came from the University of Tennessee to take over the entire program, the very day she graduated. Ann had been a Workshop student the summer before, came back to Workshop this summer, and is to teach for us next year. She was a happy solution to that difficulty.

Mrs. Armstrong again had the classes in music. She had a good chorus of high school students, a girls' glee club, and gave two very fine programs. The annual operetta was called "The Frog Prince." It was as cute as it could be. We were glad that the Committee was in town to see the younger children in their clever costumes and to hear their sweet young voices. The town is still talking about the Christmas program, for it was one of the finest we have ever had at the school. Miss Deiss and her students helped with the staging. They made the "Talking Christmas Tree" and the papier mache reindeer, Santa and his sleigh. The reindeer were almost life-size. They won a blue ribbon for the Arts and Crafts department in the Garden Club show and were much admired in the lobby of the Mountain View Hotel during the holiday season. Mr. Hartford Granitz taught the classes in health, coached the girls' and boys' basketball teams in the high school, and helped with the football program. No spectacular results came from either sport, but this was due to the material he had to work with rather than from his work.

The School has long felt the need of a band, and for the first time, a start has been made toward that project. The Rotary Club acted as sponsor, and a Knoxville firm provided the instruments on a six weeks rental-trial basis. At the end of that time, the rent paid was applied on the price of the instrument. A good start was made, and they even had a concert to show progress. Now the school board is trying to find a band director who can also teach some academic subject, and thus be on the regular payroll.

This year, we again cooperated with the University of Tennessee in having a group of student practice teachers work at the school for six weeks. The young people were mostly preparing for elementary teaching positions and worked with our grade school teachers to their mutual advantage. In order to foster professional interest, an active in-service training program was instituted for the faculty and five meetings were held. One of these was a county-wide meeting held at our School. Mrs. Lighter was chosen to serve on an important committee of educators who spent one week in intensive evaluation of Rule High School in Knoxville. Their findings will be a help to the whole area.

The Junior play was "Little Women" and was very well cast and produced. The Seniors chose "Johnny on the Spot" for their play. It was fun to see a tall mountain lad play the part of the returned soldier who against his will was posing as a great hero. Room parties for the grade school children at the Christmas and Valentine seasons, the high school basketball, football, and Junior banquets were all Big things that brought gaiety and happiness into the regular school program. The Senior Class of twenty-two members made a trip to Washington, D. C., with a stopover at Luray Caverns in Virginia. They had been well-briefed before they left school in the historical and scenic wonders they were to see. Even the arrow on Mrs. Coolidge's dress caught their notice when they visited the Smithsonian Institute and saw the wax figures of the Presidents' wives. The Baccalaureate service was held in the new Baptist Church with a fine speaker and lovely music by the girls' glee club. Class night

and Commencement followed, both being held in our auditorium. A number of the class are planning on going to college this fall. Most of them have positions in restaurants, shops, or hotels this summer.

P.T.A.

There had been a growing sentiment against raising money for P.T.A. projects by holding Bingo games both here in town and in the state organization. The new Baptist minister, Rev. J. B. Carter, very much disapproved, and this year the games were given up. Revenue has come from three rummage sales that brought in about \$350.00 and from a Minstrel Show that netted the same amount. This was given two nights in the High School gym and was a gala affair. A surprising amount of local talent gave an outstanding performance. Marjorie Chalmers and Lillian Hansen of our staff were in the cast. The pharmacist at one of the drug stores directed the show. The P.T.A. again operated the school lunch program under the efficient management of Mrs. Grace Morell. They contributed the proceeds of one rummage sale to the school library and have a surplus to spend for some worthy cause next year. The monthly programs were interesting and in several instances brought many fathers to the meetings. Sue Huff Cox served as President, Lillian was Secretary, and Mrs. Henrietta Huff was Program chairman for the year. Two study meetings were held at Teachers' Cottage with the Director serving as discussion leader. At these meetings everyone brought their own sandwiches, and Miss Hodgen provided cake and coffee for dessert one time, and the other time Sue baked the cake.

Dormitory

We had twelve dormitory students during the year, nine girls and three boys. Seven of these were freshmen and new to group living. It took a couple of months for them to lose some of their shyness and to learn what was expected of them. Before the year was over, they felt at home and contributed their part toward running the place. The girls especially helped with work in the kitchen and dining room and did very well when we were without a cook, by preparing breakfast and helping at supper time. We have had a serious time with help shortages. I do not know what we would have done without Miss Hodgen to take over when we had no cook. Lillian Hansen, my assistant, chaperoned the girls and taught them many things they should always remember. We entertained at several nice dinners during the year. Committee members were with us one evening and we also had the annual dinner for the Commencement speaker, the County Superintendent, and others. I entertained all of the teachers at tea, early in the fall, and when the student teachers came, we had another get-together for them, the faculty and our staff.

We have a number of foreign visitors each year who come to see our school as an example of a good Craft Center. Last fall a group of South American students were here. They talked to the students at a special assembly and had a public exhibition of crafts they had brought from their own countries. Later that evening, we invited interested friends to meet the group at Teachers' Cottage and served doughnuts and coffee. We have entertained guests from Egypt, China, England, and Austria, some of them for overnight stops. They always bring much of interest to us, and I know carry away knowledge that will help them in their different work. Stuart College living room has again served as a piano studio for a private teacher whose pupils get excused from class work to take les-

sons during school hours.

The girls of Lillian's Scout troop held their annual Silver Tea at Stuart, and also held their Christmas party there. The Dormitory students had several parties, and the whole family went on several picnics. One of these was a rather damp one when we all came back to Stuart to eat our dessert and have a surprise shower for Lillian and her fiance, Harry W. Howell.

Health Center

Of all the varied services contributed by the Fraternity to the community, none is more important than that rendered by our nurse, Mrs. Marjorie Chalmers. She presides over our modern little Health Center where several important local clinics are held each year. Two of these are the pre-school clinic for children entering school for the first time, and the visit of the state mobile X-ray unit for chest examinations. At the latter visit, over 1000 people were X-rayed in one day. This is a great number for this small town, but is due to the number of people who work in resort restaurants and hotels and must have a health card. Marjorie has taught classes in child care to the sophomore home economics class and to Lillian's Scout troop. Another Scout troop had lessons in First Aid.

The daily visits of the school children for First Aid, home visits, health talks given and pictures shown in the rural schools, all seem like everyday, little things, but when a summary is made of the work done over a long period of time, we have a Big bundle. Some startling figures came to light when records of the past twenty years were consulted and a tabulation made.

Field Visits	23,537
Office Calls	41,364
First Aid Dressings	35,325
Inoculations	21,145
Physical Examinations and Pupil Inspections ..	54,617
Health Talks	2,100
Newspaper Articles (5 years)	265

The state of Tennessee furnishes the serums for Marjorie's work, and we receive gifts from other sources that help with the program. Outside our own chapters and alumnae clubs, who are most generous with gifts, the greatest source of income is from Sigma Phi Gamma, international sorority. This group sends the Council of Southern Mountain Workers a sum of money each year to be used for health work in the mountains. Last year this was \$1350. Our share of this amount was over \$50. Individual chapters of that organization adopt our project as the special center to receive their welfare gifts. In money this amounts to quite a sum during the year, and they also send toothbrushes and other items that the nurse can use in her work. They have provided glasses for a number of children who could not otherwise afford them. The shelves at the Health Center that are reserved for "give-aways" need frequent replenishing, especially for baby items and for clean, used clothing for small children. Just last week, Marjorie was telephoning her friends and scurrying around to find a layette for a new baby.

Farm

Richard Watson was in charge of the garden, the chickens and our livestock, which consists of two mules and six pigs. The chickens provide us with meat and eggs for the table, the pigs are our private garbage disposal unit, and the mules we use where people on level ground would use a tractor. The garden provides us with fresh vegetables, and while

the new staff house took away a good garden spot, we still have good potatoes on a hillside above the chicken houses. The Dormitory boys help wherever they are needed in keeping up the place.

Arrowcraft Shop

With the many craft shops now operating in Gatlinburg, our shop occupies a unique position. We are one of three Guild shops in town, and since our merchandise is all of superior workmanship and quality, we attract the more discriminating tourists. Sometimes our five o'clock closing hour and the fact that we are never open on Sunday causes a disappointment for people whose stay in town is limited. Longer hours would mean more employees and be too hard on the regular staff. Our big order business with alumnae clubs and active chapters keeps everyone working at top speed all during the fall shipping season. Last summer, many clubs ordered even before the new price list had been sent to them. August was the heaviest month's business in the history of the shop. In addition to the summer tourist customers, 42 club orders were filled and there were about ten others waiting to be shipped. In November, the weavers' pay roll was \$5600, an all-time high. Still, there were shortages in some items, for try as we will to plan ahead, no one is a mind reader to foretell just what items will be most in demand. Some club chairmen order too optimistically, and if everything is not sold or returned promptly, some other club may be short some items.

Many Arrowcraft articles were displayed in the exhibits at the Craftsman's Fair in Asheville, N. C., and we sent Tina McMorran and Wanda Ogle to demonstrate weaving, and Edna Cook for the sales room. Last fall, the Gatlinburg Craft Exhibit held during the Governors' Conference meant much extra work. Ethel Snow was in charge of the demonstrations. Arrowcraft furnished two demonstrators, one for weaving and one for warping. The Elmer Kear family, makers of our brooms, were there, and Mat and Mary L. Owenby put on a chair-making demonstration. Pi Phi's gift to each Governor's lady was a handwoven, white linen guest towel which was wrapped and sent to their hotel rooms. That same month we sent articles to the Tennessee Annual Craft Exhibit and Sale at the University of Tennessee.

In the spring during the Wilson Club Convention, we were asked to have a display of our weavings in the lobby of the Mountain View Hotel. Edna helped Mrs. McCutchan in the Hotel Shop that day and answered questions about the exhibit. The interior arrangement of the Arrowcraft shop has been changed by moving the bed into the second sales room and by having a loom with a pretty warp on it in the main sales room. Tina and Mary Elizabeth Sullivan, one of the Workshop Teachers and also a Pi Phi, wove two screens for window display that are very interesting. They are made of hardwood strips held together with a gay warp.

The windows were especially pretty during the Christmas season. An unusual crèche made entirely of corn stalks, candles, and native greens were used. The Weavers' Annual Christmas party brought a large attendance. The program of carols by a group of school children, harp-singing, and the gift exchange were held at Stuart Cottage. Refreshments were served at the dining room tables and at extra card tables in Pollard. Tina spent a week in New York attending exhibitions, gaining inspiration for new designs. One recognition for her work was an article in the Spring and Summer Quarterly of *McCall's Magazine* on her work, in which our aprons and bags were pictured in color.

Summer Activities

An event of early summer was the June wedding of my assistant, Lillian Hansen, and Harry W. Howell. The ceremony was performed in the Episcopal Church, with the reception at the Greystone Playhouse. Lillian has made a place for herself in the hearts of all the community by her work at the School and her outside activities with the Girl Scouts and the Episcopal church group. Everyone was glad to wish her well, and to have the assurance that she would stay on with the School until September when Harry goes to Atlanta to take advanced work in architecture at Georgia Tech.

Mr. Richards and his Gateway Players again used the gymnasium for summer stock. The plays provided good entertainment for the summer people. The 1951 Workshop was the most successful one we have ever had both in quality of the students and in the work produced. We had people from 26 states, represented by the staff and student body. A number were Pi Phi's, but not as many as we would like to have. If our own members could attend a session of the Workshop, working and playing with the group, enjoying the outings and the daily fellowship in the dining room, it would be the greatest boost we could have. One has to be here to realize what a wonderful Craft School we have.

This summer we have watched the progress of our lovely new Staff House with great interest. The work has progressed with very little delay from lack of materials and each week shows progress. Workshop students were interested in that they will have the facilities of the larger dining room next summer.

In this summary of the year's work, the little things, both good and bad, crowd my memory. Some of the things in the Good bundle are the gifts at Christmas time and through the year from alumnae clubs, active chapters and individual Pi Phi's, the many pleasant contacts with interested visitors, and the faithfulness of our loyal employees. These far outweigh the bad things, the discouragements and problems of maintenance and help in running the Settlement School. I wish to close by expressing my thanks to the Settlement School Committee and to all others who have helped me handle my "bundle of little things."

Respectfully submitted,

RUTH DYER, *Director*

REPORT ON AUDIT, YEAR ENDED JUNE 30, 1952

*Little Rock, Arkansas
July 24, 1952*

*Settlement School Committee
Pi Beta Phi Settlement School
Mrs. Henry Moore, Jr., Treasurer
Texarkana, Texas*

DEAR MESDAMES:

We have audited the books, records and supporting data of

PI BETA PHI SETTLEMENT SCHOOL
GATLINBURG, TENNESSEE
JUNE 30, 1952

and present the following Exhibits and Schedules as a report of this audit:

Exhibit A—Balance Sheet

Exhibit B—Comparative Statement of Operations

Exhibit C—Endowment Fund

Exhibit D—Sinking Fund and Memorial Fund

Exhibit E—Arrowcraft Profit and Loss for the Fiscal Year Ended May 31, 1952

Schedule 1—Comparative Summary of Contributions Received

Schedule 2—Comparative Statement of Club and Chapter Contributions

SCOPE OF AUDIT

Our examination embraced comprehensive and complete verification of all assets by independent means. Cash on hand was counted, cash in banks was confirmed by correspondence with the depositories, all receivables were confirmed, inventories were examined in location and exhaustive tests made as to accuracy of pricing methods and mechanical count. Securities were verified either by actual examination or by direct confirmation of those held in trust. All operating income and expenditures of the Treasurer were examined in detail and Arrowcraft transactions were thoroughly tested without a detailed audit of each transaction.

CERTIFICATE

In our opinion the financial position of Pi Beta Phi Settlement School as of June 30, 1952 is properly set forth in the accompanying Exhibit A and the supporting Exhibits and Schedules.

COMMENTS

Your committee is to be commended for the great care and diligence exercised in directing the fiscal operations, and for the excellence of records maintained reflecting proper accounting for the funds entrusted to your care.

Very truly yours,

Radcliffe College Publicity Office—Cambridge, Massachusetts

Cambridge, Mass.: Two full tuition fellowships of \$650 each and the Edith Gratia Stedman Fellowship of \$300 will be awarded to young women by the Radcliffe College Management Training Program, a one year graduate course in personnel and business administration, for the academic year 1952-1953.

The Program offers six months of class instruction taught largely by the faculty of the Harvard Business School. The curriculum includes courses in human relations, personnel administration, management problems and objectives, wage policies and procedures, marketing, retailing, accounting, labor problems, and

others.

Ten weeks of full time field work, arranged in two periods of four and six weeks, in business, government and other organizations enables the student to see the practical application of her academic work.

Graduates of the Program now hold administrative positions in business, industry, in government offices, the armed forces, and in educational institutions.

For further information, apply to Mr. T. North Whitehead, Management Training Program, Radcliffe College, Cambridge 38, Massachusetts.

Committee Reports

Holt House Committee

IT IS the feeling of the Committee that Holt House has, during the year now closing, well served its purpose as a modest shrine dedicated to the memory of the Founders of Pi Beta Phi Fraternity and as a gracious house which renders valuable, and valued, service to the community where that fraternity was founded eighty-five years ago.

During the year, Holt House was used sixty-six times as a meeting place for organizations or to provide accommodations for private entertaining—on thirty-one of these occasions by groups affiliated with the fraternity. The chapters in the vicinity used the house for rushing parties, formal parties, cooky-shines, pledge parties, teas and for initiation. Thirty-one members of Illinois Eta visited the house in a group. The alumnae clubs of the area and the Illinois Alpha Mothers' Club held regular meetings, suppers, cooky-shines and teas there. Three other alumnae clubs came from distant points to hold special meetings there; and one distant club paid a visit to the house. It is the hope of the Committee that these groups and other distant clubs and chapters will make arrangements to visit Holt House during the year ahead, for they are most welcome. The house also accommodated, on thirty-five occasions, groups and individuals not connected with the Fraternity organization. Groups meeting there with regularity were the PEO, the DAR, the OGM Bridge Club and the Monmouth Women's Club. A number of other organizations used the house on one occasion, or more. Holt House also provided a gracious setting for teas, showers, parties and wedding receptions given by individuals.

A number of lovely gifts for the house were received during the year. The Committee is very grateful to Fannie Bradford Bailey who gave to Holt House the antique oil portraits of her grandparents, Major and Mrs. Holt. These portraits had previously been loaned by Mrs. Bailey. The Springfield, Illinois, Alumnae Club presented a fine silver tray which was greatly needed. The Spokane, Washington, Alumnae Club very thoughtfully gave a beautiful little antique English silver "sweets basket" in memory of Eloise Ohme Moffatt, one of their younger members who was also a Pi Phi daughter. Mrs. Moffatt's name was engraved on the little basket which was placed on the melodeon in the Victorian Parlor. The Burlington-Fort Madison, Iowa, Club, after holding a meeting in the house, presented a lovely antique shadow box which is to display old I. C. and Pi Phi pins. The alumnae of Mount Pleasant, Iowa, made a gift of a small check with which to buy something for the house, at the time of their meeting there; and a member of the Avon-Bushnell, Illinois, group left two pairs of pretty, old pillow shams at the conclusion of their meeting in Holt House. To all these donors, the Committee is most grateful—for their gifts and for their thoughtful interest in the house.

The house itself is in good condition, only minor repairs being required during the year. The folding chairs, ordered some time ago, were received in the summer of 1951 and have been put to use many times. A number of replacements will be necessary during the coming year: new ruffled curtains have been ordered for the Founders' Room; several pieces of furniture will need to be re-covered; and the stair carpeting must soon be replaced. Also, the Victorian Parlor will need to be re-papered. The Committee will be

very grateful for nineteenth century photographs of members, to be placed in the velvet covered albums received last year; and for old I. C. or Pi Phi pins, to be placed in the shadow box received recently. Such items may be either loaned or presented to the house and will add a great deal to its small treasury of mementos of the early days of Pi Beta Phi.

Mabel T. Johnson, who came to Holt House as hostess in December of 1950, keeps the house and its furnishings in excellent condition. She has assumed all the responsibilities of her position in splendid fashion and acts with graciousness and hospitality. Mrs. Johnson is well aware of the purpose and function of Holt House, having been a Monmouth resident all of her life. The Committee feels that the Fraternity is fortunate in having her as hostess and is glad to report that she is apparently happy in her association with Pi Beta Phi.

The Committee is sincerely grateful to the many chapters and clubs which have contributed to the support of Holt House this year. The number of clubs contributing to the fund is, however, fewer, by nine, than the total of two-hundred twenty-two clubs which contributed during the preceding year. Among the clubs, the highest contributor was Kansas City, Missouri, with a gift of \$50.00. The Spokane, Washington, Club gave almost this exact amount for the purchase of a special memorial gift. The second highest contributor to the general fund was the Everett, Washington, Club which gave \$30.00. Springfield, Illinois, gave this amount, too, for the purchase of a special gift for the house, in addition to their regular contribution to the fund. The Monmouth, Illinois, alumnae group gave \$25.00, the third highest contribution to the general fund. Many other clubs were very generous in their gifts.

The number of chapters supporting the house increased from eighty-five during 1950-51 to eighty-nine during 1951-52. The highest contributing chapters were:

California Γ	\$50.00
Louisiana A	50.00
Oklahoma A	35.00
Tennessee B	30.00
Illinois A	25.00
Kansas B	25.00
Texas A	25.00

As was also true last year, every chapter and every club in Delta Province and in Zeta Province contributed to the Holt House Fund. In addition to these provinces, in Alpha West, Gamma, Epsilon, Eta and Kappa Provinces, every chapter contributed; and in Iota Province every club contributed. Monetarily, Kappa Province contributions were highest, followed by Eta Province in second place and by Mu Province, third.

It is with extreme regret that the Holt House Committee announces the recent death of Evelyn Holliday Bridge who served as Committee Secretary during the past two years. Her interest in the house and in the work of the Committee was unflinching. Her efforts in behalf of the house continued, in spite of her illness, until a few months before her death. Her loss will be deeply felt.

Alice McDougall Jensen, Monmouth member of the Committee, has, through her presence in Mon-

mouth, been able on many occasions to facilitate greatly the work of the Committee and has always been most helpful to the hostess and to the chairman of the Committee. Her scheduling of the Holt House film prints, shown before twenty-one groups during the year, has been most efficient. The Committee Treasurer, Frances Small Trost, has managed all committee funds capably and efficiently. Iva Rockwell McMurray has assumed full responsibility for bringing the inventory of furnishings up to date. To all these members of the Committee, the chairman is sincerely grateful for their splendid cooperation and interest in the actual performance of the duties of the Committee charged with the responsibility for the operation and maintenance of Holt House.

The chairman and the other members of the Holt House Committee acknowledge with sincere appreciation the assistance of Amy Burnham Onken, Grand President and Grand Council's representative on the Committee; the aid and interest of all the members of Grand Council, particularly Marianne Reid Wild's help in publicizing the news and requirements of the house and Adèle Taylor Alford's handling of the ARROW articles pertaining to Holt House; the fine cooperation of Gladys Hayes Scivally, Director of Central Office, in meeting all our requirements concerning mailings and supplies; the splendid help given to the Committee in its efforts by each province officer; and the abilities of Mabel T. Johnson, Holt House Hostess, in so capably managing the house.

The Committee looks forward to the coming year with the hope that it may be an outstandingly successful one for Holt House.

Respectfully submitted,
ELEANOR ROCKWOOD COOLEY

COMMITTEE ON LOAN FUND

DURING the year 1951-52 we put out more loans, with slightly less dollar value than in the previous year. A few contributions were received from chapters and clubs. The chapter contributions I sent to Central Office, to be credited to the Harriet Johnstone Scholarship Fund, which seemed the most appropriate place. The alumnae club contributions I sent to Central Office for credit to the Emma Harper Turner Fund.

This is report of operations for the year—
 Loans made 1951-1952\$3,271.00
 Repayments on loans 3,089.00
 Interest paid on loans 107.46

Outstanding Loans—Undergraduate	
Past due loans	2,004.50
Loans due in 1952	575.00
Loans due in 1953	1,900.00
Loans due in 1954	2,471.00
Loans due in 1955	500.00
Graduate Loans	1,175.00
	8,625.50

Sincerely,
 JOSEPHINE MCCLEVERTY
Chairman, Loan Fund Committee

COMMITTEE ON PUBLIC RELATIONS

THIS has been a year of survey and study, with a view to determining just what we can do best to strengthen our Public Relations and how we can develop reliable and easily handled publicity and information for our chapters and clubs. One letter was sent in December and one in May to all alumnae and chapter publicity chairmen. A uniform filing box, approved by Grand Council, has been recommended to all chairmen, in order that each one may have something tangible to pass on to her successor, and to enable each chairman to have quick access to materials.

It is hoped that by early autumn we may have

considerable data ready for multigraphing and distribution to assist publicity chairmen. It is hoped that much benefit will be gained from the Panel on Public Relations scheduled to be held at the coming Convention. In the Panel stress will be placed upon good citizenship as a privilege and opportunity for all Pi Beta Phis.

I wish to express my appreciation to those who have sent samples of their publicity to me and to Grand President Amy B. Onken and to Gladys Scivally of the Central Office for especial help.

AGNES WRIGHT SPRING (Mrs. A. T.)
Chairman

NATIONAL SCHOLARSHIP COMMITTEE

SOME time ago in a letter to her Province Scholarship Supervisors, Harriet Johnstone referred to the quotation, "Education is not preparation for life, education *is* life." For seven years this loyal Pi Beta Phi worked through every avenue possible to lift the scholarship level of the fraternity to our goal of having every chapter in the fraternity in the upper third on campus. She earnestly desired that the girls would grow to understand the full meaning of this quotation and that they would be eager to seize every opportunity to be ready to live to the fullest, adequately equipped. And further, she wanted them never to be content with less than an upper bracket position for themselves and for Pi Beta Phi. Her files are full of correspondence—with the Grand President, the Grand Secretary, Province Presidents, Province Scholarship Supervisors, the presidents and the scholarship chairmen of active chapters, and, with special correspondence with the chapters in the lowest position on their campus—as if she would pull the whole fraternity by main force toward the goal we seek. She could not make the grades for us but she worked to inspire and to guide.

Because the complete figures for a given year are never available in time for annual reports and for the compilation of the Standardization and Survey grades, it is necessary that the report for this September 1952 ARROW describe the scholastic accomplishments for the year 1950-51. A kindly Providence and her indomitable will and devotion enabled Miss Johnstone to complete almost the full total of this year's duty before she was taken from us and the figures given here are hers.

It would seem that you might receive a clearer picture of what your fraternity is doing in scholarship if we provide for you a comparative outline, as follows:

1948-49

Upper third—43 (18)
Middle third—31
Lower third—18 (6)

1949-50

Upper third—50 (12)
Middle third—25
Lower third—18 (9)

1950-51

Upper third—50 (11)
Middle third—31
Lower third—16 (7)

In the brackets in the upper division is the number of chapters in first place and in the brackets in the lower, the number of those lowest on campus. Slight differences in total number occur because chapters unable to report, because of non-cooperation in the offices of their campus, were given a guide to an estimated report for the year 1950-51. The roll of honor for first place includes: Nova Scotia Alpha, Vermont Beta, Indiana Delta Tennessee Beta, Alabama Alpha, Illinois Theta, Kansas Alpha, Colorado Beta, Washington Gamma, California Epsilon and California Zeta. Lowest are New York Delta, Ontario Beta, Pennsylvania Beta, Florida Gamma, Illinois Epsilon, Illinois Alpha and Nevada Alpha. We regret to find that some chapters with outstanding records in scholarship are not in this list and we know, also, that other very fine,

strong chapters are not here. Why?

Only two of the chapters in first place in 1949-50 remained in first place in 1950-51—Colorado Beta and Washington Gamma; of the ten others, five remained in the upper third, four dropped to a middle third, and one plummeted straight to the bottom. Only one half of the thirty-eight who were in the upper third in 1949-50 remained there in 1950-51 and, of these, five climbed to a first place position and an additional eight raised their average. But five of the other half fell right through middle third to lowest third.

Looking at the lowest division for 1949-50 we find that one jumped into the upper third, two into the middle third, two raised their average but remained in the lowest third and three fell even lower. The averages we are considering are computed from the Pi Phi formula and with the definite desire to measure a chapter according to the competition it faces with groups on its own campus, under like scholastic challenge and study conditions. It is hoped that each chapter will take a conscientious look at its own position and rightly evaluate its contribution to this whole picture. Looking at the record just told it would seem that we have Pi Phi Angels ascending and descending the scholastic ladder much as Jacob saw angels in a dream long ago. But Jacob's descending angels were bringing succor to mortals below while the Pi Phi angel who has descended our ladder has no such mission! Those who love the Wine and Blue would have our angels always ascending until the top rung of the ladder grows wider and wider to accommodate them.

No one else can speak for Harriet of her appreciation of the assistance of those appointed to work with her but we know that she valued it always because it was her custom to report that cooperation and the information received, monthly to the Grand Secretary. She would have thanked her supervisors for their faithful promotion of scholarship and for their cooperation with her. She would have thanked chapters who faced their scholarship problems squarely and worked out effective plans for all-chapter improvement. She would have thanked individual members, to the full extent of the roll of active chapters, who cooperated with their chapter scholarship program and who made the fine records we honor. She would have been very proud of the girls who have received scholarships in her name and of others who might have received them, had the funds been sufficient.

We speak for her, and of her, as best we can. We believe that good scholarship in the fraternity today will do her honor and bring that vision of hers to consummation—all Pi Beta Phi chapters in a secure spot in the upper third of their campus groups in scholarship.

Pi Beta Phi has lost a devoted worker, a loyal member, and a gracious, lovely wearer of the Arrow. We thank her, in this report, for all that she has meant to her fraternity.

COMMITTEE ON SOCIAL EXCHANGE

ANOTHER year of Pi Phi history closed with the 1951-52 school term, and another cross-section of the chapter social activities can be reviewed. The committee on social exchange lost three province chairmen this year due to Uncle Sam's whims and change of territory of Pi Phi husbands. One new chairman (Alpha West) replaces our loyal co-worker, Henrietta Gamble Scripture, who passed away in August of 1951.

The response from chapters was good this past year, with 93 turning in reports on Founders' Day, Rushing, Homecoming and miscellaneous functions. Only five chapters neglected to send information to their chairmen.

Provinces with all chapters heard from are: Alpha West, Beta, Gamma, Delta, Epsilon, Zeta, Eta, Theta, Kappa and Mu. The two provinces most perfect in scores are Theta and Iota.

The twenty-six chapters receiving perfect grades are: Maine A, Massachusetts B, Connecticut A, Ohio E, West Virginia B, Virginia A, North Carolina A, North Carolina B, Michigan A, Missouri B, Missouri F, Florida A, Wisconsin B, Illinois Z, North Dakota A, Minnesota A, Iowa A, Iowa F, Iowa Z, South Dakota A, Kansas A, Kansas B, Wyoming A, Utah A, Texas A and Oregon A.

The Cooperation award goes to Texas Alpha whose chairman was Virginia Boberg. She did a perfect job of vivid reporting for her chapter. The whole picture of social life of Texas Alpha was beautifully recorded, with many suggestions to be incorporated in the Social Exchange Bulletin. It was typed in a form easily read and does credit to Virginia's originality and thoroughness.

The Originality award goes to Vermont Beta for their clever "dressing up" of well-loved party themes

"Snow White" and "South Pacific." These appear in the Bulletin. The chapter social exchange chairman was Martha Jane McNamara.

Special mention in the Social Exchange Hall of Fame is made of California Gamma for their unusual house decorations at Homecoming and the parodies on popular songs they used at their parties. Wyoming Alpha rings the bell with the "Junk Yard" decorations for the house, which sounded most original and humorous. New Mexico Alpha deserves honorable mention for their lovely "Wishing on a Star" party. Nevada Alpha "Dolled Up" for their Homecoming float and won a place in our Hall of Fame. Oklahoma Alpha gave the best Pi Phi Circus party plan we have ever read. Kansas Beta has an ideal way of keeping their girls posted in the summer! They send out a clever "slick" paper news bulletin called the PI PHI ARROW or "Darts and Dashes." It is a grand bit of information about the chapter to send to prospective Pi Phi's, too.

Second place for the cooperation award goes to Kansas Beta and Louisiana Beta, while Indiana Alpha takes second place in the originality awards.

Founders' Day Bulletin was not published in 1951 because there were so few new ideas, so the usable material was incorporated in the 1952 Bulletin.

It has been a privilege and a continuous source of inspiration to work with the province chairmen and to hear, through them, from the actives. And actives is the word!

Many thanks are due Miss Onken, Gladys Scivally, and Lucille Carson for their help and support. With sincere appreciation for the opportunity to serve Pi Beta Phi in some small way, I respectfully submit this report.

COMMITTEE ON FRATERNITY MUSIC

Members: Ruby Burtness Kefgen
Dorothe Anderson Lanning
Helen Chodat Schudel
Dorothy Vale McLaughlin, Chairman

CONVENTION year is always an active and interesting year for this committee, for we are busy planning the musical programs for Convention. The Song Contest is the highlight, of course. This year we have received several fine original songs from the chapters, one of which will receive the first place award of the Song Vase at Convention.

As in other years, plans are being made for presentation of these songs by a special Convention Chorus, made up of girls from many chapters. In addition, it is planned to present the songs to the entire Convention before the Contest, so that everyone may have an opportunity to learn them for use in their own chapters.

During the past school year, the Committee has received letters from many of the Song Leaders in chapters, describing their work, asking for information, presenting problems on occasion. The Com-

mittee is always glad to hear from these girls, and wishes more would write concerning their activities. We are continuing the project of gathering a file of special or novelty tunes, and will be glad to have further contributions. The Committee wants all Song Leaders to know it is most interested in your work and will be glad to cooperate with you at any time in any way possible.

For the continued cooperation of the Committee members, as well as each member of Grand Council and those in official capacity for Convention planning, we are appreciative. We are also grateful to all those Pi Phis, both active and alumna, who are so willing to cooperate with us in special requests.

To all Pi Phis, individually and as chapters, we extend our sincere good wishes.

Respectfully submitted,

DOROTHY VALE McLAUGHLIN

COMMITTEE ON CHAPERONS

THE Committee on Chaperons has continued its work as usual this past year. The first month of the school year the business of receiving and filing the chaperon data blanks is paramount. This year I am again indebted to our Chapter Corresponding Secretaries for their promptness in sending this data to me. What a sterling quality is promptness!

Nineteen applications have been sent in for the position of chaperon. These applications have been filed so that when the need arises for a new chaperon in one of our Pi Beta Phi houses, this committee will be able to help in the selection of a housemother if called upon. Much correspondence is carried on between this committee and Advisory Board and chapter members at such a time. The majority of our chaperons are probably remaining in their present positions since only four chapters have written for names and qualifications of applicants to fill vacancies in their respective houses.

The customary welcoming letters were sent to all the new chaperons, and also a letter was sent to all chaperons, in which was incorporated the ideas gleaned from last summer's training school for housemothers by two of our chaperons who attended one of these schools. This letter also gave information about the Purdue Conference for housemothers this summer, and of our Grand Council's offer to pay the tuition fee of any Pi Beta Phi housemother who wishes to attend.

It is interesting to note that thirteen of our housemothers are members of Pi Beta Phi.

To all our National and Province Officers who are always so helpful, to our Central Office Staff, and to our beloved Miss Onken who is never too busy to give of her time, I am most grateful.

Respectfully submitted,

LEILA G. CLIFTON

EMMA HARPER TURNER MEMORIAL FUND

THE year 1952 marks the culmination of four years of service for the EMMA HARPER TURNER MEMORIAL FUND COMMITTEE. Much has been accomplished.

By action of the 1948 convention, \$50,000 was set aside from the Contingent Fund for loans to Chapters. The interest from this amount added to gifts from various members, chapters and clubs has been the nucleus of our fund, now well over \$7,000.

We have been able to care for sixteen members of various ages. Two have died, one case was closed, then reopened and is now closed. Five new cases have been taken care of this year.

A wheel chair was purchased for one of the members, who no longer needs it. This will be available to any one who wants it.

A year ago Grand Council voted to raise the amount given to any one person in a year to two hundred dollars. Grand Council also confirmed the existing policy of the EMMA HARPER TURNER MEMORIAL FUND COMMITTEE "which has preserved the dignity, of both donor and recipient and

has made the program one of 'gracious giving' rather than charity."

Members may help by reporting cases to us, or telling about the Fund. We do ask that each applicant have two Pi Phi sponsors, one of whom may be the president of the nearest alumnae club.

The committee have considered it a privilege to serve. We cannot draw the curtain on our drama of "Gracious Giving" without asking you to join us in expressing gratitude to our Grand President Amy B. Onken, who encourages us in our efforts; to our Grand Council, who voted the Fund; to the ARROW, Adèle Alford and staff, who keeps us ever before you in its pages; to our alumnae, actives, and all donors. All of you, we call before the footlights, "Gracious Giving," we applaud you, praise you and thank you for the good you have done and enabled us to do in the name of Pi Beta Phi.

Survey Relates Higher Incomes to Student Participation

The college student who wants to be a leading money maker after graduation should join a fraternity and take part in extracurricular activities on campus.

At least the results of a survey of 278 male graduates of Northwestern University would seem to indicate that.

The average income for the "joiners" in 1949 was \$8,700; the "shrinking violets" averaged \$6,600.

Questionnaires were mailed to 602 graduates from the university's College of Liberal Arts in 1927-28, 1937-38 and 1948.

Answers were received from 278.

The research was done by Dr. Gail M. Inlow, coordinator of student teaching in the university's school of education, as part of a study he made working for his doctor of philosophy degree, according to the *Adelphian* of Alpha Delta Pi.—From *Bulletin of the Interfraternity Research and Advisory Council*

Reports of Province Presidents

ALPHA EAST PROVINCE PRESIDENT

THE year 1951-52 has been a continuation of progress for the chapters in Alpha East Province. The convention delegates had an opportunity to renew friendships which had been made at convention, at our chapter presidents' workshop which was held at Vermont Beta's house in September. Seven chapter presidents and six chapter rush captains attended the workshop. Discussions were held on all major phases of fraternity work and every one present felt that it was a very profitable weekend.

The highlight of the year was to have been a visit by Miss Onken to the chapters. The actives had requested that I ask her to come to visit them and they were greatly disappointed when the NADW meeting conflicted with her plans and she had to postpone her visits. The province president made visits to all of the chapters and again felt the great privilege of working with the active chapters. Their enthusiasm and true Pi Phi spirit were outstanding.

We were proud to hear that Massachusetts Beta had won the Vera Moss Bowl. The Amy Burnham Onken Province winner was Margaret Cardwell, Connecticut Alpha. The following girls were nominated by their chapters for this honor: Mary Jean McIntyre, Maine Alpha; Helen Kondall, Massachusetts Alpha; Irene Finan, Massachusetts Beta; Nancy Briggs, Nova Scotia Alpha; Janet West, Vermont Alpha; Jeanne Newmeyer, Vermont Beta. The Portland Alumnae Club Award for the outstanding sophomore went to Frances Jones of Massachusetts Beta.

Scholarship was stressed again this year with the majority of the chapters showing improvement. Nova Scotia Alpha, Massachusetts Beta and Vermont Beta placed first on the fall report. Maine Alpha, Connecticut Alpha and Vermont Alpha pulled up their rank. The February report showed that some of the chapters had a slightly lower average while Vermont Alpha and Massachusetts Alpha showed improvement. Ada Haggett supervised scholarship again this year for the province and was of great help to the chapters.

Rushing which was held during the first semester at all chapters except Vermont Alpha, was very suc-

cessful. A total of 115 girls were pledged and a large percentage of these girls was initiated. Rush plans were simplified, for the actives felt that all possible time should be spent in getting to know the rushees.

The housing situation was the same as that of last year. Connecticut Alpha, Vermont Beta and Massachusetts Beta have houses. These chapters were fortunate in having fine chaperons who were sincerely interested in the girls. Massachusetts Alpha, Maine Alpha, and Vermont Alpha have meeting rooms. Nova Scotia Alpha held meetings at the homes of members again this year since their efforts to find a permanent meeting place were not successful.

I can't give too much praise to the fine relationship between the actives and the alumnae advisers. They have worked together closely and this cooperation has been, in a great way, responsible for the strength of the chapters. In my conferences with the Deans of Women I found that the Pi Phis are held in high regard on all campuses.

Preparations are being made for convention and twelve girls are planning to attend from this province. In some instances the chapters have contributed to the alternate's expenses. Vermont Beta's pledges raised \$52 and the actives voted to give the money, budgeted for their spring formal, to their alternate. In other chapters the alternates will take care of their own expenses.

In closing I would like to take this opportunity to thank the actives and the alumnae advisers for their whole hearted cooperation and their expressions of true friendship. I feel a deep sense of appreciation for the loyal and helpful support of Grand Council, National Committee Chairmen and Central Office. The last three years, during which I have been in close contact with the active chapters and Miss Onken, have made me realize how very high the standards of Pi Beta Phi are and how grateful we all should be for having such an outstanding woman, as Amy Burnham Onken, for our Grand President.

ANNIE LAURIE KEYS WHIPPLE

ALPHA PROVINCE WEST

IT is a pleasure to review the work of this year with the chapters of Alpha Province West. The cooperation which I have received from the actives has been excellent through the year. Scholarship has not been too high on three of the campuses—however the girls have been working very hard on that, with different plans and aid to the under average students. Extra-curricular activities have been outstanding this year in this group, and the Pi Phis have won more than their share of honors, in high offices held.

The Amy Burnham Onken Award was won this year by Nancy Rankin of New York Alpha. It was my privilege to present it to her at the initiation banquet held in Syracuse. The other nominees from this province were: Joanne Von Noppen, New York Gamma, Elizabeth Waltz, New York Delta, Patricia Moore, Ontario Beta and Cecelia Eberle, Ontario Alpha. My visit to the chapters this year was in March, as some of the chapters had the privilege of a visit earlier in the year from Mrs. Wild. Personal

contacts with the girls, the Deans, and the university personnel is always a great inspiration to me, and the bonds of sympathy and friendship are strengthened. Also the problems that arise through the year are more simple to settle, as more knowledge is acquired of personalities.

All of the province chapters have contributed to each one of the National Fraternity projects. Also two of them have the sole support of a European child. Most of them also have Christmas parties and benefits for the underprivileged children in their area, and give aid and assistance in the altruistic movements of their college towns.

New York Delta, Ontario Beta, Ontario Alpha, have all done extensive repairs and put many improvements in the respective fraternity houses. New York Gamma has been enjoying their lovely new house. It is carefully and tastefully decorated, and very charming. New York Alpha has a lovely house which is kept in perfect condition. New York Alpha

this last month had the honor to initiate their beloved Head Resident into Pi Beta Phi. I was more than happy to attend that initiation. The strong Alumna Club of Toronto plans to hold a Bazaar again this year for the benefit of the actives. Some of the Clubs in this province are small—but very enthusiastic, and only one chapter is handicapped by having no official club. The province president should like to express gratitude here for the great assistance given to her, and to the chapters by the interested alumnae. On all but one campus in this group there is growing anti-fraternity feeling. It has reached very serious proportions on one campus.

Rushing has been very satisfactory this year, and all of the new members are of a standard entirely satisfactory to the ideals of the fraternity. Our province Presidents' workshop was held, before the col-

leges opened, at the Lake Placid Club. It was an inspiration and a great satisfaction to accomplish as much as we did during that meeting.

In closing, I should like to express my gratitude to Mrs. Smith for her great assistance to the chapters and me. Her unflinching efforts to help the scholarship in this province cannot help but produce fine results. My appreciation goes too to Miss Onken for her unflinching assistance and understanding. Her helpful guidance as with other members of Grand Council is deeply appreciated by me. It has been a great privilege and joy to work in this province, and as we near the end of this year—may each chapter continue to go Forward and Upward toward our ideal goal.

Respectfully submitted,
EVELYN M. SLIFER

BETA PROVINCE PRESIDENT

FRIENDSHIPS made at the Chapter President's workshop last summer have helped all of us make our desire of cooperation and helpfulness really come true. The Province has worked hard in all phases of Pi Phi and the results have been most gratifying. We have had a wonderful year. The evaluation of all of our chapters by Deans and faculty has proved that working for and with Pi Phi ideals puts our girls in places of high esteem. Need I say it has been a privilege to work with girls such as ours?

We are most proud of Ohio Alpha and Pennsylvania Gamma who are in first place in scholarship on their respective campuses. We are likewise proud of every Pi Phi, no matter what her chapter's rank, who did her very best to keep her grades high. We can't "all always" be first but we can keep on striving for that goal.

Rushing results throughout the province were generally gratifying. A very high percent of girls pledged will be initiated. Rushing recommendations were followed very closely. Without an exception every Pledge Supervisor has done an excellent piece of work with her pledge class. We have gained in having two campuses change from second to first semester rushing. Toledo University and Ohio Wesleyan University will rush first semester while Bucknell University will change to second semester. All other chapters will rush shortly after school opens.

Ohio Delta is still enjoying their lovely chapter house and are taking such good care of it. Ohio Beta Chapter beautifully redecorated and refurnished the first floor. Williamsburg influence still predominates. West Virginia Alpha will have a newly-furnished chapter room when they return next fall. The girls themselves did most of the work and made good use of a few money donations from interested alumnae clubs and their Mother's Club. Ohio Alpha is looking forward to new decorations which will be ready for next September. Ohio Epsilon, Pennsylvania Beta and Gamma enjoyed newly decorated suites

the past year.

The extra-curricular activities of all of the chapters have not only benefited each individual participant but made a great contribution to each campus. Pi Phis have not just "joined" but have held many offices and chairmanships. Student government, class offices, publications, YWCA, Red Cross and religious organizations have many Pi Phis as leaders, not to mention the lovely queens. The honoraries too have elected many of our girls.

It is difficult to choose just one girl from all of our leaders and I want to mention each chapter's candidate for the Beta Province Amy Burnham Onken Award. Ohio Alpha chose as their candidate, Joan Vance; Ohio Beta, Susan Rector; Ohio Delta, Betsy Baldwin; Ohio Epsilon, Joan Machen; Ohio Zeta, Joanne Wallace; West Virginia Alpha, Betty Jean Hollister; West Virginia Beta, Jane Beal; Pennsylvania Beta, Elizabeth I. Myers; and Pennsylvania Gamma, Joyce Cameron Ingham. Joyce was the winner of the Province award.

The chapters were all 100% in contributions to National. Local philanthropies found many active Pi Phis helping out with their program.

The Advisory Boards deserve credit for the fine fraternity service rendered. Cooperation between actives and alumnae has made active-alumnae relations most enjoyable and beneficial to the fraternity. Our head residents too have been a joy for everyone to work with.

As we prepare for Convention a greater realization comes to us of the extent and influence Pi Phi has on the lives of so many.

I want to thank Miss Onken and the other members of Grand Council, the Director of Central Office, as well as National Committee Chairmen for their inspiration and help during the year. It has been a privilege to serve the Fraternity.

Sincerely,
EDITH H. RANKIN

GAMMA PROVINCE PRESIDENT

THE chapters of Gamma Province have a record of many accomplishments to mark the school year of 1951-52. Each one shows over-all gains to which the girls can point with pride; and each one has evaluated its strengths and weaknesses so that its aims for next year should mean an even better year then.

In scholarship, the province has not done as well as it should have. The ratings from June, 1951, are as follows: South Carolina Alpha, 4th; North Carolina Alpha, 2nd; North Carolina Beta, 12th; Virginia Alpha, 5th; Virginia Gamma, 4th; District of Columbia Alpha, 3rd; Maryland Beta, 12th.

In rushing, every chapter felt that it was suc-

cessful. Numerical results were as follows: South Carolina Alpha pledged 24, initiated 14; North Carolina Alpha pledged 26, initiated 26; North Carolina Beta pledged 17, initiated 12; Virginia Alpha pledged 23, initiated 23; Virginia Gamma pledged 28, initiated 17; District of Columbia Alpha pledged 17, initiated 15; Maryland Beta pledged 33, initiated 15.

All contributed to Pi Phi funds. In addition, South Carolina Alpha gave to Save the Children; North Carolina Alpha helped entertain orphans at Christmas time, knitted an afghan for the Red Cross, gave the proceeds of the Pi Phi Powder Bowl Game to the polo fund, and contributed to the blood bank (52% of the chapter); North Carolina Beta contributed to and entertained orphans from Edgemont Community Center; Virginia Alpha adopted an Italian girl through the Foster Parents Plan and gave a party for orphans at Christmas; Virginia Gamma contributed to the Panhellenic Scholarship and the Eastern State Hospital project and collected clothing for the Kates Foundation; Maryland Beta gave Christmas food baskets to a needy family.

The winner of the province ABO Award was Elizabeth Beard, 1951 president of Virginia Gamma.

She has had an outstanding record as a Pi Phi and campus leader and holds the love and admiration of her chapter to an unusual degree.

On Founders' Day, District of Columbia Alpha and Maryland Beta had a buffet-luncheon at the Maryland Beta house. Some members of Virginia Gamma spent the week-end as guests of Virginia Alpha at Randolph-Macon. North Carolina Alpha and North Carolina Beta had dinner together in the chapter room at Duke. South Carolina Alpha celebrated with a banquet and dance. In each case where the girls of two chapters were together, they reported most enthusiastically about their pleasure in getting acquainted and their intention of making more opportunities for being together in the coming year.

The girls have received many honors through the year.

The chapters have been most cooperative in their correspondence and in their interest in suggestions for improvement. It has been a great pleasure to work with each and every one of them.

In closing, may I express my appreciation to Miss Onken for her help: interested, detailed, and prompt as is her characteristic.

Respectfully submitted,

BETTY STOVALL KING

DELTA PROVINCE

ILLNESS made it necessary for Carol Cook to resign as Province President in June, 1951, and I was appointed as her successor at that time. The first item on the agenda was the Chapter Presidents' Workshop, which was held at the Hotel Indiana, Ft. Wayne, Indiana, August 26-28, 1951. Seven chapter presidents and one pledge supervisor were the official delegates, and in addition two pledge supervisors were sent at chapter expense. We were privileged to have Helen Anderson Lewis, Director of Rushing and Pledge Training, with us for the entire session and gained much from her inspiration and guidance. The enthusiastic participation in the discussion groups by all the delegates was proven most valuable by the many ideas and suggestions adopted by many of the chapters throughout the year.

The next highlight was the official visit of inspection to the Gamma Gamma local sorority at Ball State Teachers College, Muncie, Indiana. Gamma Gamma was the first sorority organized on the Ball State campus and has been interested in a charter from Pi Beta Phi for some time. Official delegates from each of the eight chapters in the province, and I, spent November 3rd with them. We were entertained at lunch by the Pi Beta Phi Alumnae Club of Muncie, at a tea by the Gamma Gamma Alumnae and at dinner by the active chapter. Interviews were scheduled with the chapter officers, college administration and faculty representatives. Upon receipt of the visit reports, Grand Council voted to permit Gamma Gamma to petition Pi Beta Phi at the convention to be held in Houston, Texas, in July, 1952.

Alice Mansfield, Director of Extension, visited all chapters in Delta Province last fall on behalf of Grand Council. Reports coming to me after her visits, from the actives, prove she made many friends, and brought to the chapters a broader and deeper knowledge of the significance of our national organization.

The province scholarship record has been maintained this year under the very able direction of Marie Wever, Province Scholarship Supervisor. I wish to thank her for the work she has done, and to extend

to her all credit for the very estimable record of the province. There are two chapters which hold the rating of first place on their respective campuses for the fall semester 1951-52, Michigan Alpha of Hillsdale College, and Indiana Delta of Purdue University, and for Indiana Delta this was the fourth consecutive semester they have retained the first place standing. Indiana Gamma was in second place on the Butler University campus, and Michigan Gamma was third at Michigan State, and Indiana Alpha third at Franklin College. No chapter in the province was lower than middle third. Delta Province has always recognized the value of scholarship and the integral part it plays in college life, and a policy of continued emphasis will be followed.

The chapters in this province are aware of the value of activity participation as a means of developing leadership. This is shown by their programs to develop a well-balanced participation, and to encourage girls to work toward a definite goal and not to stress membership at random in many organizations. Every chapter has had excellent representation in the various campus activities, with members of Pi Beta Phi serving in positions of honor and distinction.

Carol Mitchell, of Indiana B, received the Amy Burnham Onken Award from Delta Province. She was truly representative of the four points on which this award is given, although the selection of a province winner was extremely difficult since the candidates were all such outstanding girls. The chapter nominees for this award were: Michigan A, Virginia Hungerford Donovan; Michigan B, Jo Ann Grill; Michigan I, Patricia Gillard; Indiana A, Jane Hartley; Indiana B, Carol Mitchell; Indiana I, Barbara Zeigler; Indiana A, Mary Ferguson; Indiana E, Marilyn Thomas. Indiana A was awarded the Indiana Cup, donated by the Indianapolis Alumnae Club to the most outstanding Indiana Chapter. These awards were made at the Indiana State Founders' Day Luncheon which was held at the Marott Hotel in Indianapolis on April 26th. The Michigan Founders' Day Luncheon was held at the Union Building at Michigan State the

same day, with the Ann Arbor Alumnae Club in charge of the program.

All of my official visits were made the second semester, starting with Indiana Delta, holders of the Stoolman Vase this year. I wish to thank all the chapter officers for the fine assistance which they have given to me, both at the time of my visits, and throughout the year. One of the most rewarding ex-

periences of this office is the opportunity to know each of the chapter members and to profit by such a wealth of hospitality and friendship.

I am deeply grateful for all the assistance given to me by the members of Grand Council, and for their toleration of my shortcomings.

Respectfully submitted,
MADELINE KILLINGER

EPSILON PROVINCE PRESIDENT

THIS has been a most gratifying year for a new Province President. The fact that the year has ended with so much accomplished is due to the wonderful enthusiasm and loyalty which Epsilon actives and pledges have had for all things Pi Phi and to the invaluable assistance which has been so graciously given me by Miss Onken, Alice Mansfield and other members of Grand Council; Marie Hagee, former Grand Council member; Polly Fessey, former Epsilon Province President; Gladys Scivallo of Central Office and the Alumnae Advisory Committees of each Epsilon chapter. To the many active and alumnae members of our fraternity who have been so helpful, so understanding and so inspiring throughout this past year, I would like to express my heartfelt appreciation, as I felt my way through the many facets involved in the work of a province president.

The workshop for chapter presidents was held early in September at the Tennessee Beta chapter house in Nashville. Nashville actives, alumnae and mothers were wonderfully hospitable to the eleven chapter representatives, the Director of Extension, the retiring and incoming Province Presidents who composed this conference group.

All chapters were visited on the various weekends between mid-October and early December. These were especially worthwhile occasions for me for not only was I able to see how graciously Epsilon chapters receive their visitors, these were days of forming friendships and understanding which meant so much as we worked together throughout the year. Each visit was a distinct pleasure and I am sure that I learned much more than I could possibly have given in the short time I had been in office.

Housing in Epsilon is not too different from previous years although many improvements have been made during the year. Missouri A has the largest house in the province and fifty girls live there during the college year. This chapter is still enjoying the extensive first-floor redecoration that was completed the previous year. The Missouri Beta room in the Woman's Building had its face lifted from traditional to contemporary! The work was begun a year ago and the transformation was finished last spring. Missouri Gamma moved to larger quarters nearer the campus in May and while there is much summer work to be done by town actives, the chapter expects to have a fine new chapter home for next fall's rushing. Kentucky A had such a sparkling-fresh white paint job on their house at the time of my visit that I still have a wee regret that I did not follow through on the urge to leave a handprint for posterity on some obscure clapboard! The interior of Tennessee A's house was redecorated and it is very attractive and spacious. An interior porch joins one end of the living room and with the new full drapes this makes a wonderful impromptu stage for skits. Twelve members live in the Tennessee Beta house, and following a three year rotation plan, this chapter concentrated on the exterior

last year, with the first floor and the second floor having their turns soon. Workshop guests hugely enjoyed fragments of the painters' conversations that floated in through the windows and humorously punctuated our discussions! The Tennessee Gamma room in the Panhellenic Building was also redecorated. The need for space was beautifully handled by use of built-ins, contemporary furnishings, mirrors and an adroit use of color.

In scholarship I believe that Epsilon chapters would be the first to admit that we could do better. We are indeed proud that Tennessee B was first on its campus for 1950-51 and that Missouri A and Tennessee A were in the upper third. Before the incomplete records of other chapters for that year were sent in and the resulting averages computed and sent to me, the death of our National Scholarship Chairman occurred and I am unable to include other placings at this time. Epsilon mourns the loss of Harriet Rutherford Johnstone as a dear and beloved friend who for years gave selflessly of herself for the fraternity she loved and the cause of good scholarship in which she believed. We could give no greater tribute to her memory than to live up to the best in scholarship which she expected from each college member of Pi Beta Phi.

During late February and March, six of the seven Epsilon chapters were honored to have Mrs. Wild, Grand Vice President, as their guest. Missouri Gamma who had Miss Onken the previous year was the only exception. Each chapter wrote me of the many helpful suggestions Mrs. Wild had made and of its pleasure in having her with them for even a limited time. Increased enthusiasm and chapter activity were immediately evident!

Interest in the three national projects has increased this year. Every Epsilon chapter has contributed to the Settlement School, Holt House and the Harriet Johnstone Scholarship Fund. In addition all gave financial and service aid to local campus and civic needs. Missouri B, Missouri Gamma and Tennessee B continued their interest in Save the Children. Many chapters have an interest in underprivileged children.

The nominees for the Amy B. Onken Award were proudly presented for they were truly outstanding girls in their chapters. Harriet Bell of Missouri A won the Province Award. The other nominees were Carolyn Metzger Harmon of Missouri B, Nancy Holland of Missouri Gamma, Nancy McCoy of Kentucky A, Sally Mims of Tennessee A, Ann Weir Sargent of Tennessee B and Barbara Huff BeVillie of Tennessee Gamma.

In closing this report, I should again like to express my appreciation for the fine assistance given by Alumnae Advisory Committees to their chapters and to me this year, and to Epsilon actives and pledges, my sincere gratitude for their loyal cooperation and warm friendships.

Respectfully submitted,
HELEN MOFFETT RUSSELL

ZETA PROVINCE PRESIDENT

THE past year has brought success and recognition to the six chapters of Zeta Province and to the many fine girls who compose them.

Zeta Province was privileged to have Lucile Douglass Carson visit the chapters in December. The inspiration and increased knowledge of the fraternity which she gave will remain with the chapters. All chapters were visited by the province president, except Georgia Alpha where several short visits were made during the year. I shall always remember the gracious hospitality extended by all and I left each chapter with increased pride in Pi Beta Phi and appreciation of the service the active chapter members are giving to their campuses and to the fraternity.

The year began with the friendships and high morale resulting from the Chapter President's Conference in Savannah. In addition to the chapter president four chapters sent their pledge-supervisors. Results of this meeting have been reflected in chapter organization and activities throughout the year.

All the chapters have been 100% contributors to the fraternity's projects as well as to many local and civic projects and needs.

The province Amy Burnham Onken Award went to Lucille Rogers, Florida B. The other nominees were Patti Reed, Alabama A; Betty Spain, Alabama B; Margaret Partin, Florida A; Jean Wiselogel, Florida I; Virginia Cooper, Georgia A.

The province has had some outstanding success during the year in scholarship. Alabama A retired the

Panhellenic Scholarship Trophy, having won it for the last three consecutive quarters and is first again for two quarters in 1951-52. The average of the chapter is only a fraction of a point below the Dean's List. Florida B has first place for the second consecutive year. Georgia A is first for the year 1950-51. Only one chapter is below the upper third group.

Activity participation is high and active members and pledges have achieved many outstanding honors this year.

Zeta Province President wishes to express her personal and official appreciation for the splendid cooperation the Alumnae Advisory Committees have given the chapters. To my beloved chapters of Zeta Province goes my deepest gratitude for the cooperation, friendships, and love I have had. You have made the work of Province President a great pleasure and your accomplishments have been my joy. Thank you for your loyal cooperation and warm friendships. May all your aims and goals be accomplished next year.

To Grand Council, Central Office, Committee Chairmen my sincere thanks and appreciation for their support and assistance. To Miss Onken whose untiring support, sympathy and inspiration has made the work of Province President a constant pleasure. It has been a privilege to serve Pi Beta Phi and I shall always cherish the memories of this year.

Respectfully submitted,

EDYTHE BELTON TYLER

ETA PROVINCE PRESIDENT

I AM SURE that the Province Presidents who have served the fraternity before me have finished their second year with the same feeling of satisfaction and gratitude that I am experiencing as I write my annual report. Those of use who have had the privilege of working with sorority groups on our college campuses are proud of the services they render to higher education. More and more our colleges are realizing that the fraternity is an integral part of the college campus and that it does not exist apart or by itself.

This past year, Eta Province President has felt very close to her nine chapters and has seen a closer bond between the chapters; both are the results of the fine Presidents' Workshop held late last summer. Fifteen girls attended the two day conference, all contributing greatly to its success and each taking back to her chapter, inspiration, ideas, and methods of improvement.

The six Illinois chapters were honored this year by visits from Mrs. Alford. Their enthusiastic letters told me of the help she gave them; especially did they gain from her a keener insight into the national fraternity, and a finer spirit of cooperation and real friendliness. I was fortunate and happy to make a two day visit to each of the nine chapters. It was gratifying to hear from each Dean of Women that Pi Phi stands in high regard with college authorities and that the standard of high ideals set up by our fraternity is the goal of each chapter.

The Amy B. Onken Award winner for Eta Province is Catharine Croneis, Wisconsin B, sister of the winner of the National ABO Award last year. All the candidates deserve special recognition: Wisconsin A, Gloria Sutcliffe; Wisconsin I, Shirley Schaefer; Illinois A, Marcia McKee; Illinois B-Δ, Marjorie Stuart; Illinois E, Elizabeth Taylor; Illinois Z, Mary

Riley; Illinois H, Barbara Banner; Illinois Θ, Norma Warrick.

Housing situation in the province remains practically the same, with the exception of Illinois Θ who will have a new house by next fall. Work to add on to the present house has begun and it is hoped that rush week in the fall will be held in a very elegant new home. Wisconsin I has redecorated its room in Panhellenic house and has added some new pieces of furniture. Wisconsin A has redecorated its downstairs, and with new carpeting and upholstery has created a charming atmosphere. Illinois E's living rooms are also beautifully done over. As far as I know, all chapters are privileged to have their chaperones return to them next year. Illinois Theta's chaperon, Mrs. Fahnestock, was pledged and initiated this year and will attend convention next month.

I am sad to say that scholarship is Eta Province's weak point. Scholarship data for the year is incomplete, but for the first semester, we had only one chapter in first place, Wisconsin B, who has been first on its campus eight times of the last eleven semesters. The chapters, as a whole, have good averages but there are other groups that rank higher. In some cases, only a fraction of a point has kept them from a higher ranking. I feel confident that diligent effort will be made next year to greatly improve the scholastic picture in Eta Province. Special mention must be made of the pledge class of Illinois Z, for eight of its members made AAA, one other was eligible scholastically but was a sophomore.

In activity participation there has been a decided improvement throughout the province. Space does not permit me to mention all the top offices and key positions held by Pi Phis. In publications, in Student Councils, in Student Unions, in WRA, in all fields,

Pi Phi are doing their share. Chapters in the province have won first in campus sings, in Homecoming Decorations, in Campus Carnivals, in debate and in athletic contests. Beauty Queens and Fraternity Sweethearts have been many.

Eta Province has contributed 100% to our three philanthropies. Total donations were as follows: \$135 to Holt House, \$322 to Settlement School, and \$185 to HRJ Scholarship Fund. Two chapters assumed complete sponsorships in SCF and two others gave to that fund.

Rushing was most successful in all chapters and the initiation rate fairly high. Illinois B-Δ experienced its first year of deferred rush and, although Pi Phi was most successful in the final result, the chapter did not like the system but must try it for another year.

One of the highlights of the year was the opportunity given this officer to conduct a discussion group at the Panhellenic Workshop held at Beloit College in March. All sorority Panhellenic delegates worked hard to make the conference a fine, constructive day,

resulting in a closer relationship between groups and a realization that all are working for the same thing and through unity comes greater success.

The Advisory Boards in the province have functioned beautifully and have been a constant help to the chapters who have appreciated and welcomed their time and efforts. My thanks to the Boards, too, for their many fine letters that have kept me in close contact with the fine things our chapters are doing.

Cooperation of the chapters has been a joy to me all year; may I take this opportunity to tell all of you how much I appreciate this splendid cooperation, you have made my two years very happy and pleasant ones. I shall follow the progress of your chapters with keen interest.

I wish to express my sincere appreciation to the officers of the fraternity for your help, and especially to Miss Onken who has been my support. It has been a privilege and a joy to serve the fraternity.

Respectfully submitted,

MAURINE COOK

THETA PROVINCE PRESIDENT

THE Theta Province Workshop for chapter presidents and pledge supervisors, held in August, 1951, at Vacation Village, Lake Okoboji, Iowa, sent the twelve chapter delegates who attended enthusiastically on their way into the 1951-52 college year, with new ideas to put into effect in their own chapters and an infectious Pi Beta Phi spirit which in many cases gave a lift to the spirit of the entire chapter.

Rush seasons throughout the province ranged from satisfactory to highly successful. One of our goals this year was "100% initiation of pledges," but we didn't make it. Two pledges were broken, and there were a very small number of holdover pledges. The percentage of initiations was pleasingly high.

After a three-year trial of deferred rushing, the University of Manitoba is returning to fall rushing, beginning in September, 1952. All Theta Province chapters will now have their major rush seasons in the fall. Another change is the adoption by Panhellenic at the State University of Iowa of the rush councillor system, effective next fall and patterned after the University of Minnesota's successful system. Panhellenics on several campuses have found that the changing times have created a need for revision of rush rules and procedures. Throughout the province there is a trend toward the rewriting of rush rules to make them more flexible and more responsive to the needs of both chapter and rusher.

The scholastic records of our Theta Province chapters are in all instances creditable, although not as uniformly superior as they have been in some years. All chapters were above the all-women's average, and above the fraternity women's average—with four chapters in the upper third, three chapters in the middle third, and none in the lower third, according to the Pi Beta Phi formula.

Our chapters are very much aware that excellence in scholastic performance is a goal toward which each individual member of Pi Beta Phi must work, and we do have in our province a responsible attitude toward the importance of superior scholarship.

There were innumerable elections to departmental honoraries, far too many to list. Participation in campus activities has been better than ever, bringing credit to individual Pi Phis and their chapters. It has been especially pleasing to note a trend toward more

widespread participation throughout chapters and demonstrations of real teamwork on all-chapter projects.

It was very gratifying in official visits to learn that deans of women, or persons occupying comparable positions, were most complimentary about the good citizenship of members of Pi Beta Phi on their campuses, about their high social standards, their contributions to and leadership in the college community.

Emphasis on developing a national viewpoint of the fraternity, including knowledge and support of our national projects, was one of our province goals this year, and there was a real effort made toward better programs, use of the fraternity movies, displays of Settlement School articles, a visit to Holt House, encouragement of applications for scholarships, and a growing awareness that we are part of a large fraternity family.

Many chapters sponsor philanthropies of their own or share in campus-wide projects, or contribute services which would earn for them a gold star in the "good deeds" department.

To give a cross-section picture of the college year we need to mention some of the special events, both chapter and campus, which highlighted chapter activities. High on the list are the football weekends in the fall—the Homecomings and Dad's Day Weekends; the Snow Weeks, Campus Carnivals, and Greek Weeks, Iowa State's Veishea, North Dakota's Flickertail Follies, Manitoba's Freshie Week, Iowa Wesleyan's student festival, Simpson's College Campus Day—plus all the tours; Simpson's choir, Iowa Wesleyan's choir and basketball team, North Dakota's band and madrigal society, Iowa's Scottish Highlanders (in all of which many Pi Phis participate). Parents, faculty members, alumnae, and dates are the principal recipients of Pi Phi hospitality; every chapter had a full social program which included all at some time or other, plus in many instances exchanges with other women's fraternities.

Iowa Alpha and Iowa Gamma reported especially worthwhile observances of Chapter Loyalty Day, with programs on early history and Carrie Chapman Catt. It is a pleasure to report that more and better Pi Phi Night programs are becoming the rule rather than the exception throughout the province. Founders' day is,

of course, a very meaningful day to everyone, and all of the chapters without exception reported especially lovely Founders' Day celebrations with their alumnae. Iowa A's Founders' Day was extra special, since they and several Mount Pleasant alumnae spent it at Holt House.

Active-alumnae relations have been, for the most part, good throughout the province. Alumnae advisory committees have been right behind their chapters and most helpful and cooperative. Mothers' clubs, alumnae clubs, and house corporation committees—as well as alumnae advisory committees—have given much in time and understanding as well as in material gifts. It has been pleasing to find many evidences of pleasant social relationships between alumnae and actives, an increase in the number of alumnae sponsors of pledges, and an increasing awareness on the part of actives that alumnae may be fun to know, too.

We are also grateful to the five chaperons for the high standards of entertainment, management, and supervision which they set. It has been good to have with us the continuing loyalty and fine service of Iowa B's Mrs. Boshart and Iowa Z's Mrs. Evans and a pleasure to welcome three new chaperons, Iowa I's Mrs. Martin, Minnesota A's Mrs. John, and North Dakota A's Mrs. Huyck.

Five of our chapters live in houses; Iowa A has an apartment, and Manitoba A, after its second move this year, is now a partner in an arrangement which is proving very satisfactory. The chapter has the sole use of a non-resident fraternity house one night a week and is greatly enjoying the improved facilities in space and equipment. Iowa A's pledges did a fine job of redecorating the apartment kitchen. Perhaps it was the bright, new kitchen as inspiration; in any event, the chapter's Saturday night suppers in the apartment have become an "institution." The chapter houses are substantially the same as in last year's report. The most extensive redecorating project was that of Minnesota Alpha, including complete redecoration of the living room, new draperies in the dining room, repainting of several rooms, and a number of new lamps. North Dakota A refurnished all the bedrooms

with new blonde furniture. They also received a gift which is very special—a combination radio-phonograph-television set. Grand Forks doesn't have TV yet, but when it does, North Dakota Alpha will be ready! Iowa Gamma redecorated its chapter room. Iowa Beta has been pleased with the refurbishing of some of the bedrooms and some unexpected redecorating made necessary by a disastrous pipe freezing episode. The chapter is currently involved in plans for redecorating their downstairs recreation room.

We are very proud that one of the three top chapter awards announced at the Province Officers' Workshop held in Gatlinburg in June, 1951, went to a Theta Province chapter. It was exciting news to all of us that Iowa I was awarded the Philadelphia Cup.

The nominees for the Amy Burnham Onken Award for 1951-52 were wonderful examples of what an able, energetic Pi Beta Phi active can achieve and can be to her fraternity and her college. The girls so honored by their chapters were: Margaret Paterson, Minnesota A, Theta Province Award winner; Charlotte Clark, Iowa B; Barbara Short, Iowa I; Marian Guy, Iowa Z; and Ragna Perrin, North Dakota A.

Again this year I found that the most effective work with the chapters was done through personal contacts—at the chapter presidents' workshop or at the time of the official visits made between November and February. A province president's work is thrilling and rewarding—and never more so than when a knotty problem has been worked out to a successful conclusion or a chapter president writes a touching note of appreciation. It has been a source of very real satisfaction to have been of some small service.

To Miss Onken and to all of Grand Council, the Director of Central Office, and the chairmen of national committees all of us in the province are indebted for encouragement and guidance. It has been a privilege and a joy to know and work with these wonderful Pi Phis—the national officers, the active chapters, and their alumnae.

Respectfully submitted,

FLORENCE GREEN HOFFMAN

IOTA PROVINCE PRESIDENT

THE fine organization which had been built up in Iota Province carried it through the loss of two Province Presidents in a short time and through the days when I with much groping was taking over the work. I should like to express my appreciation to all the officers who answered questions for me at the Gatlinburg meeting and to the actives, Alumnae Advisory Committees, Alumnae, housemothers and above all to Miss Onken for the patience and support shown me.

The work has been pleasant and completely gratifying. It is now a source of great pride and joy to look back over the year's activities and realize what a privilege it has been to work with the girls in Iota Province. If proof were needed to show what adherence to Pi Phi ideals can do for young women, it has been given in the Christian virtues, the unselfishness, cooperation, social consciousness and social adequacy evidenced by Iota girls.

A province Workshop, held at the Brown Palace Hotel in Denver in August, enabled the girls and me to get acquainted with each other and with the work. General pride was felt in having the Balfour Cup in the province again and each Chapter seemed to feel that it might be the one to keep it here another year.

Colorado B won the Balfour Cup for the second consecutive year; Kansas B won the Nita Hill Stark Trophy for the best History; Kansas A received Honorable Mention on its History with a grade of 99% and a 99% grade was also given to Wyoming A's History. Wyoming Alpha won an award for the highest percentage increase in magazine sales among all chapters.

For the first half of this year, June 1, 1951 to December 31, 1951, the National report of magazine sales showed Kansas B in first place and Wyoming A in fifth place among all chapters for subscription earnings.

Fortunately all chapter visits could be made in October, as soon as rushing was over so that together we could plan for the year. It was so satisfying every place to see Workshop suggestions being tried out and I thoroughly enjoyed getting to know chapter members in their own homes. All houses are owned by the groups and much pride is shown in keeping them in good repair and beautifully decorated.

With one exception, quotas were filled and an unusually large and talented number of pledges gained. It has been a banner year for Iota Province as about 204 girls were pledged.

All Chapters were 100% in giving to our three fraternity projects; all had Christmas parties for children, in some cases whole families were taken care of on Christmas. Nebraska B went over their quota on campus philanthropies. Kansas A enjoyed the exchange student they had this year and have invited another one for next year. This chapter also sponsored a child for one year through the Save The Children Federation. Hospital wards, Red Cross, March of Dimes and Blood Bank were among causes helped by Iota girls. An effort was made in all chapters to have members participate in campus activities of all kinds and good results were attained.

Founders' Day celebrations were highlights in the fraternity year. Utah A, Nebraska B, Kansas B and Wyoming A had parties with their alumnae. South Dakota A all went to Sioux Falls for a luncheon with alumnae; Kansas A and some of Kansas B went to the Alumnae party in Kansas City and Colorado A and Colorado B joined Denver Alumnae for a very large party.

Really outstanding girls were nominated and proudly presented by their chapters for the Amy Burnham Onken Award. Colorado A nominated Carla Wiebenson; Colorado B, Dorothy Carr; Kansas A, Helene Steinbuechel; Kansas B, Diane Alexander; Nebraska B, Marilyn Moomey; S. Dakota A, Elizabeth Isaak; Utah A, Alice Creer and Wyoming A, Mary Helen Young. Helene Steinbuechel of Kansas A won the Iota Province Award.

Scholarship reports are the ones in which we take most pride; remarkable improvements were made with much credit due Ethelind Amos, Iota Province Scholarship Supervisor. Besides the Balfour Cup, Colorado B

won the Scholarship Cup for the fourth consecutive year (this is a new one, they kept the old one after winning it three consecutive years). Wyoming A tied for first place in the province last year and this year are first on their campus. Thirty-three Nebraska B girls improved or maintained a 7.0 average after enforcing study hours and moved back into upper third; Colorado A moved from 11th to 7th place among 15 chapters on their campus. South Dakota A pushed from fourth to third place and inspired themselves. Utah A is trying many plans to make its girls more grade conscious and improvement should soon be seen. The Kansas Chapters each performed the remarkable feat of jumping into first place on their campuses.

In every instance Deans of Women gave good reports of our chapters. Often their remarks were similar—"Pi Phi are ones on whom I can depend." Officer training and notebooks were given major emphasis in chapters this year with fine results; next year we may need to stress Pledge-active relationship since so many pledges cannot live in the houses. Every suggestion made by the Province President was given eager cooperations and the friendships, visits and honors reported are dear to her heart.

Utah A, Colorado B, Colorado A and Wyoming A were privileged to have Alice Mansfield, Director of Extension as their Grand Council visitor and they both profited from her visit and enjoyed her very much.

It has been a real pleasure to work with these eight fine chapters and my thanks to all for their cooperation.

KAPPA PROVINCE PRESIDENT

CHAPTER presidents and pledge supervisors of Kappa Province chapters gathered at Lake Murray Lodge, Oklahoma, for their Province Workshop just before schools opened last fall. An intensive two-day program of round tables brought worthwhile discussion of all phases of chapter operation and fraternity standards. The Province Vice President honored us with a visit for one afternoon, which provided opportunity for her excellent assistance with chapter alumnae matters.

All chapters in the Province have received the inspiration of a Grand Council visitor this year: the Grand President visiting Oklahoma A and Oklahoma B in the fall, and the Grand Treasurer the other chapters in the spring. As a result, the Province President timed her visits to Louisiana and Texas chapters in the fall; to Oklahoma and Arkansas in early January.

Scholarship has been stressed as greatly as ever and yet only one first place on campus for first semester was reported—Arkansas A! However, the pledges of Oklahoma A again won first place among the fraternity pledges. Louisiana A pledges of this fall all made initiation average, a truly enviable record, and all but two of the Oklahoma A's pledges won the same coveted initiation scholarship rating. Texas B continued its upward scholarship progress, moving from eighth to fifth place.

All chapters maintained a study hall at least the major part of the year—Arkansas A, Oklahoma A and B, and Texas A in their chapter houses, Texas B and Louisiana A in classrooms on the campus, and Louisiana B in their chapter room at the Panhellenion. The

Kappa Province Supervisor of Scholarship has worked closely with all chapter scholarship chairmen and has been of great assistance, suggesting study incentives, and encouraging to maximum efforts. Though the desired goals have not been attained in all chapters, there is a general evidence of appreciation of the need for good scholarship and a desire to hold the chapter's attention toward major accomplishments in this fraternity objective.

Texas B dedicated its new house with quiet ceremony in early November. They had moved into it at the beginning of the fall semester, thanks to the concentrated efforts of the Housing Corporation who devoted long summer hours to the supervision of building, decorating and furnishing details. It is one of the loveliest of the eleven women's fraternity houses to open this year at Southern Methodist University, and provides attractive accommodations for thirty members. No other major house changes were made in Kappa Province this year, although Louisiana A, Arkansas A, Texas A and Oklahoma B all saw redecoration to some extent. Oklahoma A is remodeling this summer to add greater space to the dining-room and kitchen, provide extra bedrooms and a sleeping porch upstairs, and make a patio at the back of the house.

Serving again as chaperons were "our" Mrs. Clifton at Arkansas A, Mrs. Quigley at Oklahoma A, and Mrs. Parker at Oklahoma B. Texas A welcomed a new chaperon, Mrs. George Pedigo, and Texas B's were fortunate in securing Mrs. Ruth Wayne to begin their house experiences with them.

Sophomore pledging remains in force at Arkansas A, although an added Freshman Tea this year allowed some slight knowledge of the fraternity houses and membership for the freshman women students. Though freshmen may be pledged at all other chapters, they must live in school dormitories. Upperclass pledges have the privilege of living in the fraternity houses of Arkansas A, Oklahoma A and B; no pledges lived in the Texas A and B houses last year, as all rooms were needed to take care of active members. All chapters paid careful attention to special conferences, individual contacts and joint social and program affairs in order to maintain a close relationship between out-of-house members and pledges and the house members.

Kappa Province initiated 174 of their fall pledges, which was exactly the same total as last year, though there were slight variations in chapter numbers. About twenty pledges were added second semester, of whom many have been initiated in order to attend convention.

In the field of public relations, Kappa Province has continued its attention to faculty-chapter contacts, almost every chapter honoring the Dean of Women, and several extending their courtesies to many faculty members through regularly scheduled dinners followed by programs with informal discussions between the faculty guests and chapter members.

Exchange dinners were found valuable in interfraternity relationships at Arkansas A, Oklahoma B, and Texas A. Informal coke parties brought both fraternity and nonfraternity guests to the Texas B house, and all chapters entertained at numerous dessert parties and Open Houses for other fraternities.

Attention to Pi Beta Phi projects added \$330.00 to the Settlement School, \$195.00 to the Johnstone Scholarship Fund, and \$140.00 to Holt House. Texas B won the first place among active chapters for sales through the Magazine Agency.

Louisiana A and B enjoyed spring week-end house-parties on the Gulf Coast, the Louisiana A's gathering also for a pre-rush house-party last fall. Louisiana B

timed theirs to include Founders' Day, a repeat of last year's successful celebration.

Texas B held a Retreat at their new chapter house, and Texas A held two—the first at Bastrop Park, primarily directed toward discussion of chapter functioning, goals and fraternity ideals; the second at Mo Ranch, with faculty leaders, concerned "Personal Adjustments." These serious discussions are indeed worthwhile, as are the weekly devotionals begun this year at Arkansas A and Oklahoma A, and the continued regular devotionals held every weekday evening by Oklahoma B.

Texas A celebrated its Fiftieth Anniversary with a Banquet at which all but one of its ten charter members were present. Two hundred Oklahoma Pi Phis met at Norman for State Day held in conjunction with Founders' Day, with Oklahoma A and the Norman alumnae club acting as hostesses.

It would be impossible to list the many truly outstanding achievements of the Kappa Province chapters!

Nominated by their chapters for the Amy B. Onken Award were girls whose records were indeed enviable: Nancy Anne Hall, Arkansas A; Marion Andrus, Louisiana A; Mary Frances Huckins, Louisiana B; Julia Beckman, Oklahoma A; Mary Lou Armstrong, Oklahoma B; Laura Hillhouse, Texas B—and the Kappa Province winner, Joan Ragsdale, Texas A.

Generally speaking, 1951-52 has been a good year for Kappa Province chapters. There are, and probably always will be, particular points that could have greater emphasis and there remains much that is still within the realm of possible achievement. But the spirit of Pi Beta Phi is strong and the desire to exemplify its ideals is great—and with that kind of attitude we can surely say with James Freeman Clarke: "He who believes in goodness has the essence of all faith. He is a man of cheerful yesterdays and confident tomorrows." We shall go on to those confident tomorrows!

Respectfully,

MILDRED SALE

LAMBDA PROVINCE PRESIDENT

IT IS with deep regret that I give up my place as Lambda Province President with a look to the future when I hope, in a few years, to be able to serve Pi Phi again in some capacity, and a look to the past two years with heartfelt gratitude to the Fraternity for the opportunity of meeting, knowing, and working with the wonderful active members, the alumnae, and the national officers who have all been a source of true inspiration to me.

The Province chapter presidents' Workshop held in August at the lovely Alderbrook Inn on Hood's Canal started the year off right for all the chapters through their representatives, nine chapter presidents and six Pledge Supervisors. In spite of the beautiful surroundings all the girls were eager to make the most of the short time for the benefit of their chapters, and hard work was the order of the day far on into the night. I think the outcome was that every girl went back to her chapter full of ambition to help her chapter become the best ever, and full of that "Pi Phi feeling" that comes from working with congenial Pi Phis of other chapters.

Lambda Province program for getting the most out of college life necessarily puts special emphasis on scholarship. Each chapter had fine plans for helping and encouraging its members and pledges, and all are very grateful to Ruth Bate, Province Scholarship

Chairman, for the concrete suggestions she gave. Montana A and Oregon F were first on their lists while Alberta A was second, and the others stand at various intervals downward. It is obvious that continued emphasis should be placed on scholarship next year and it can be hoped that the results will then be more gratifying since the attitude of every chapter is excellent.

As an indication of our supremacy in campus service I am proud to report 21 members of Mortar Board or the equivalent, and there is promise of continuing service in the many members of under-classmen's service honoraries. We are proud to have, also, 11 members of $\Phi B K$ or $\Phi K \Phi$. Of equal significance is the fact that most of the Deans of Women praised the Pi Phis highly for their cooperation with the administrations, their outstanding campus citizenship, and their constantly high standards in social life.

It is gratifying to note that every chapter had at least one senior it felt worthy of nomination for the Amy B. Onken award. Sue Mellor of Oregon F was the winner. The others were: Anne Henderson of Oregon A, Mary Adams of Oregon B, Barbara Stowe of Washington A, Shirley Malander of Washington B, Mary Carolyn Dobbs of Washington F, Pat Miller of Montana A, Connie Teed Brady of Idaho A, and Lois Badgeley of Alberta A.

Lambda Province was one-hundred percent in its contributions to the three Pi Phi projects. Montana A holds a contest for the "King of the Hill" and a benefit dance, proceeds going to the Fraternity projects. Most of the chapters help needy people in their communities in one way or another. Oregon A members are helping regularly in a Hospital for Spastic Children, others have Christmas or Easter parties, or help with campaigns such as the Cancer Drive.

Rushing was extremely successful in Lambda province for most of the chapters. Where the number of rushees was small, the percentage was favorable to Pi Phi and the quality of the usual Pi Phi standard. All the chapters in Lambda Province have their major rush season shortly before or at the very start of the school year with the exception of Alberta A which has rushing deferred until late in November.

The housing situation is the same as it was last year, seven chapters owning their own homes, one renting a suitable apartment, and one having only a meeting room. There has been considerable redecorating and refurnishing but no major changes. The girls in all the chapters are very grateful for the material

aid given them by the Alumnae Clubs and the Mothers' Clubs, as well as for their support in every worthwhile project, including rushing especially. Much credit is due to the fine women who have served as housemothers this past year and we regret that several of them find it necessary to leave the chapters. Good chaperones are hard to find and we have been very fortunate this year.

My personal thanks must be added to those of the active Pi Phis for the essential work of the Advisory Boards. They form a solid foundation for the actives to build upon, much of the continuity of chapter and Fraternity traditions depending on them. The work of the Province President is considerably lightened by the conscientious efforts of the loyal alumnae who form these boards.

The work with the chapters of Lambda Province has been a joy to me. My best wishes go to them all that they may continue their progress toward the goal that will fulfill their greatest needs and that they may continue to be chapters of which the Fraternity may be justly proud.

MARY WEIR COOPER

MU PROVINCE PRESIDENT

OUR Mu province chapters started this year with great enthusiasm which resulted from the Chapter Presidents' Workshop held late in August at the California Gamma house. All presidents and 7 pledge supervisors were in attendance. Every phase of chapter life was studied and I feel that each girl left the conference with high enthusiasm and ambitions to make this her chapter's best year. The end of the year indicates that much progress in that direction has been made. As is natural, we have had some problems throughout the year but the girls have done fine thinking and have approached arising problems with a sincere desire to reach effective solutions.

I was pleased to visit all eight chapters during the year. My visit to Nevada was postponed several months due to the tragic death of its president, Donna Batt. My visit to Arizona A and New Mexico A was timed so I could be New Mexico A's guest in their wonderful new house. I was very honored to have had a part in their dedication ceremonies. The girls moved into the house the day before their spring rushing started but it would be a misstatement to say that the house was completed at that time. However, it was livable and they were thrilled to be able to offer the hospitality of their own home to rushees, to guests, and to their friends on campus. The house is of adobe architecture in keeping with all buildings on the University of New Mexico campus. It has 14 bedrooms, a spacious living room, dining room, chapter room, guest apartment, housemother apartment, a perfectly arranged kitchen and cook's quarters. I believe the alumnae were as thrilled as the girls were. They have worked very hard that their dream for the girls might become an accomplished fact. Gifts for the house have been received from alumnae clubs throughout the state as well as from the Albuquerque club. Last summer California Delta's house was painted both inside and outside. The downstairs was completely redecorated and re-styled. The girls wanted the bedrooms painted also. There was only enough money available to buy paint but none for labor. They solved the problem by doing the work themselves. The painters who were working downstairs showed them how to apply the paint. The result was a truly professional looking job and the girls got a great satisfaction out of doing the work

themselves. The exterior of California B's house was painted during the spring vacation. The interior will be redecorated this summer. California Z's living room and sun room were redecorated during the summer. They live in a rented house but it is very attractive with its new furniture and drapes. With New Mexico A's new house, all chapters in Mu province, except California E, now maintain houses. We are very fortunate in our housemothers. Mrs. Perigo at California B, Mrs. Thompson at California Delta, Mrs. Atwood at Arizona A, and Mrs. Barker at New Mexico A have just completed their first year. All of our housemothers are fine, superior women and we are grateful for their fine influence upon the girls.

Scholarship is our biggest problem. Although tangible results have not actually been achieved in all cases, there has been a distinct improvement in attitude toward scholarship and we are confident that the year's end will show a decided improvement. We are especially proud of California E who won first place on its campus again for the third time. The scholarship cup is now their permanent possession! New Mexico A won 2nd place on its campus, California Gamma won 3rd place, and Arizona A maintained its position of 5th place. California Z was shocked to learn that it had dropped from coveted first place to a position they were not very proud of. California B dropped 2 places, California Delta, to its chagrin, dropped 6 places, and Nevada was lowest of the 4 houses on its campus. Mu province had 3 members of Mortar Board and 2 members of its equivalent, Carolyn Schiller and Nancy Ridgeway of California Gamma, Virginia J. Hubbard of Arizona A, Roberta MacFarland of California E, and Joan Peterman of Nevada A.

The major rush season for all chapters in Mu province is in the fall. Rushing was successful for all chapters although the rush system at USC was a very trying one. Rushing resulted in 164 new pledges with the distribution as follows: Arizona A 33, California B 30, Nevada A 20, New Mexico A 19, California Z 18, California Delta 15, California E 15, and California Gamma 14. Of these pledges 122 have been initiated. California B did not participate in spring rush but the other 7 chapters pledged 37 girls, making a total of 201 pledges for the year. California E will be on the

quota system next year. California Γ, while still on the quota, will have a greatly improved rush system as a direct result of Miss Onken's work on the problem while she was in Los Angeles attending the NADW. They will now have a floor as well as a ceiling which should result in a system fair to all houses. California B, Arizona A and Nevada A have free competition in rushing with no quota of any kind. Our pledges are girls of whom the fraternity may well be proud. Credit for this achievement must be directed to a number of factors: the fine organizational work of the rush captains and their committees; the sincere and enthusiastic cooperation of the girls in the chapters; the loyal, unflinching assistance of the advisory boards, the rush advisers in particular; and the fine, constructive work done by our various recommendations chairmen.

Founders' Day was celebrated jointly with alumnae clubs in each chapter's area. Four chapters, California Γ, Δ, E and Z were especially privileged to have as guest speaker our National Historian, Marian Keck Simmons. Her story of the Founders and the early days of our fraternity was truly inspirational to all who were privileged to hear her. At the Los Angeles Area Founders' Day celebration, where we had another distinguished guest, ARROW Editor Adèle Taylor Alford, it was my great pleasure to present the Amy Burnham Onken province award to Carolyn Schiller of California Γ. The other nominees, all of whom are outstanding girls, were Peggy Burbank of California Δ, Roberta MacFarland of California E, Louise Futterer of California Z, Virginia Jenkins Hubbard of Arizona A, and Frances Ourns of New Mexico A.

Pi Beta Phi has been well represented in activities on our campuses with girls participating in those of their choice and interest. Our highest campus honor has been that of the AWS presidency held by Roberta MacFarland of California E. California Δ and California B had the homecoming queen. This is Δ's third

year in succession for that honor. California Γ had a homecoming princess and California Δ had the junior attendant to the queen. There were "Dream Girls" of fraternities and many members held departmental and class honors.

California Γ and California Δ were especially privileged this year to have had Miss Onken as a dinner guest while she was in Los Angeles. She was a very busy person at the NADW and was greatly in demand by deans and other Panhellenic representatives but she found a little time to give to the girls. Both chapters were greatly inspired by her informal talk to them.

We of Mu province have worked hard this year toward better fraternity education, realizing that understanding of the fraternity and its procedures does not end with pledge training. Much thought has been given to a meaningful understanding of the concept "service," including service to each other, service to the fraternity and service to the campus. We have also worked on internal efficiency, officer training, careful and thorough pledge training, sponsor responsibility, active-pledge relationship, rush plans, and our perennial problem, scholarship.

We are indebted to our advisory boards for their loyal, devoted work and I am appreciative of their cooperation with me and of the chapter's cooperation with them. I wish to also thank the chapters for their cooperation with me and for all that they have done to make my work with them such a pleasant experience. My thanks and gratitude go to the members of Grand Council for their assistance and support throughout the year, to Miss Onken in particular for her patience and invaluable counsel, and to our former Grand Secretary Lois Snyder Finger who has been a tremendous help to me. It has been a real pleasure and a great privilege to have been able to serve Pi Beta Phi as a province president.

PURDUE FRATERNITIES ISSUE INFORMATION BOOKLET

A brochure containing a summary of the constructive work of Purdue University fraternities has been prepared by the Purdue Interfraternity Council and distributed to the instructional and administrative staffs of the university. The material is designed and presented to give a clearer perspective of Interfraternity Council activities and won second place for Purdue in a nation-wide competition conducted by the National Interfraternity Conference.

Thirty-seven fraternities comprise the membership of the Purdue Interfraternity Council and this body administers the affairs of Purdue Greekdom from a permanent office in the Student Union Building and staffed by 20 volunteer workers.

The informative booklet, simply titled *The Purdue Fraternity World*, discusses the following six main chapter subjects: The Fraternity System at Purdue, improvement of Inter-House Relations, Improvement of Chapter Pledge Training Programs, Improvement of Fraternity-University Relations, Improvement of Fraternity-Student Body Relations and Purdue Fraternities' Role In Community Life.

The Purdue Interfraternity brochure points with pride to a healthy state of interfraternity relations, successful Greek Week programs, emphasis on steadily improving scholarship, a constructive pledge training program, elimination of hazing, improvement of fraternity and student body relations and the development of a real sense of responsibility to both the University and the community.

Province Vice President Reports

ALPHA PROVINCE EAST VICE-PRESIDENT

THE clubs are again 100% in participation in the projects of the fraternity and the membership has increased due partly perhaps to interest in the "Whole Arrow" Contest.

Arrow craft sales has been held in all clubs except the two in Canada but the weather man seemed to be unfriendly in several cases. Two clubs had no commissions from the Magazine Agency.

A Greek child was again assigned the province and clubs have enjoyed hearing directly from the family after sending CARE packages. Three clubs contributed to Save the Children Federation.

Portland again awarded a bracelet to the outstanding Sophomore in the province; it was won by Massachusetts B. The club also packed a "snack box" for Maine A. Hartford and New Haven gave money and other assistance to Connecticut A. Halifax contributed toward a scholarship at Dalhousie; Eastern Maine entertained the active chapter at a supper. Boston gives on Founders' Day a Sarah Pomeroy Rugg Service

award and an Anna Nickerson scholarship award to Massachusetts A. Although there is no active chapter at McGill, Montreal gives \$100.00 to help a needy student chosen by the Dean.

Many of the alumnae are active in Civilian Defense. Montreal endows a bed at the Children's Hospital. Halifax divided the proceeds of a bridge party between the Hospital for Infectious Diseases and the Children's Hospital.

The Vermont picnic was held at Lake Dunmore last summer and plans were made for another meeting this year. Miss Mary O. Pollard told of the early days of the Settlement School.

The loyal and enthusiastic work of the officers of the clubs and the members has been most heartwarming. My grateful thanks go especially to members of Grand Council, Committee Chairmen and to the Director of Central Office for their many suggestions.

ERMINIE L. POLLARD

ALPHA PROVINCE WEST VICE-PRESIDENT

ALBANY. This club really is a good one and very much interested in Pi Phi. Our average attendance is 19 or 20. They voted an additional \$25.00 to Settlement School for birthday celebration. Our publicity is excellent due to Virginia DeNyke who understands the type of things both newspapers want. This is so very important. I wish I could get the others to go to the right person or persons, most newspapers are cooperative. We sent a beautifully wrapped box to the Settlement School at Christmas time.

We held three separate Arrowcraft sales. Unfortunately the weather was terrible for two of them. The third we held at the TIMES-UNION conference room downtown "for free" and did very well.

Our club is very active in Panhellenic. In fact there are always more Pi Phis at the meeting than any other fraternity.

BUFFALO. Emajean Haire has written regularly and promptly. The club is active and interested in Pi Phi, also cooperated with Panhellenic in their philanthropic activities in the city.

They have sold Helena Rubinstein products again this year, the only club to do this in our Province.

They are sending a delegate to convention.

This club has always taken quite an interest in active chapters. They have helped by giving money. This year the "Dorm" shower proved to be very successful.

HUDSON RIVER. This club seemed to have a good start. Betty Stevens, their president, was active and interested. She wrote me quite regularly. Early in the winter Betty moved to Florida so Mrs. Caine became president. I had one letter from her in March, written from Florida.

I tried to make a date for a visit there this winter but everyone seemed to be away. Mrs. Caine said several were discouraged with the attendance and that they should go back with the Westchester club, but the few older ones said they would drop out if they did that. So she is hoping to get them more interested in attending meetings, etc., this Fall.

One reason Mrs. Caine is driving to Houston is

that she can stop by the Settlement School and find out why they didn't get everything they ordered. I told her she could probably see Mrs. Snow at convention and get all the answers then. Mrs. Caine is most enthusiastic and feels this club is a real challenge.

I have written twice for her questionnaire, which isn't here yet. Also to see if they couldn't give a small donation to Holt House, hoping my province just once could be 100%. So far no answer.

LONDON. I have heard from this club only once this year. Mary Kerr, the president, is moving to Toronto so next year perhaps the new president will be more cooperative. She did write that their club spends most of their time and money on the active chapter. Also, they are interested in the Canadian philanthropic project which will be brought up at convention.

So far I haven't had any receipt for dues, etc. from Lolita.

LONG ISLAND, NORTH SHORE. This club has shown a gain of 8 members over last year. I believe the club will grow because they have nothing to do with New York City club, so far as attending meetings is concerned. There is an evening group, which is not a chartered club. This group meets socially only. However, they did help with the Arrowcraft sale. Christina thinks the evening group might unite with them eventually. They are very friendly and really look forward to the meetings. Christina Bartlett is an excellent president.

NEW YORK CITY. This club shows a gain of 19 paid members over last year. Also an increase in their donation to Holt House. Their president was quite prompt with letters; however, she and her husband left in April to spend a year in Italy. So Ann Logan, the president for the coming year, finished reports, etc.

They wrapped gifts at their December meeting which were distributed to the children in New York Orthopedic Hospital.

It certainly seems like a small club, when one thinks of the size of New York City.

Anne Guthrie was the speaker at their Founders' Day luncheon.

NORTHERN NEW JERSEY. This club is active and interested in all fraternity activities. They still think the scattered geographical area is a problem, so much time is spent coming and going.

Two Arrowcraft sales were held this year, instead of one. The amount sold was largest in our province.

Eloise Clark says more younger girls are becoming interested in the club.

New Jersey Club is eighth of the eight highest in individual groups—commissions earned in magazine agency.

POUGHKEEPSIE. I am delighted to report that 17 paid members is an all time high. They made an additional gift of \$10.00 to Settlement School as a birthday remembrance. The club is a very loyal one. Rebecca Brooks, president, has three small children; yet in spite of her many home duties her letters have been prompt. This year their new president will have a little more time to devote to Pi Phi.

They had an Arrowcraft sale and tea this year, for the first time. It was held in the Aula at Vassar College and quite successful.

This club gave \$10.00 to New York Delta.

ROCHESTER. Jean Hadeed has written regularly. Their membership shows a gain of six members over last year.

They sell calendars each year, making \$35 or \$40 on them. This money goes into the Convention Fund. They continue to help Jean Plattman, a spastic orphan.

SCHENECTADY. I have visited this club at least twice each year. A great many who attend are young girls who come part of the time. The few older ones

who really hold the club together feel they would rather have them come when they can than insist on dues. However, the club seems very much interested in Pi Phi and Panhellenic.

Their publicity for Arrowcraft sales was an interview on television. The sale was a successful one, held at the Women's Club, everything was beautifully displayed.

Schenectady Club joined us at our Founders' Day luncheon with Mr. Ben Fleming as speaker.

SYRACUSE. Ellen Beattie has written quite regularly. However, their membership is off 16 paid members from last year but they did make a small contribution to Settlement School, Holt House and E. H. T. Fund this year, although I had to write for the E. H. T. one.

Their whole time, money and energy is devoted to the active chapter.

TORONTO. This club shows an increase of 15 members over last year's total. The president has written me twice; however, both were good, long letters, telling about groups working together very closely for their bazaar again this fall. They have been investigating suggestions for a Canadian Philanthropic Project; this will be brought up at convention.

WESTCHESTER. This club shows a gain of four members. Their contributions remain the same. Somehow they aren't very National minded. Mary Virginia Schlereth writes regularly, reports are prompt.

The evening group has met two or three times. Mary Virginia thinks they will organize another club in the Fall.

EDNA O. ARCHIBALD

BETA PROVINCE VICE-PRESIDENT

THE twenty-one clubs have finished the year 100% in support of the three national projects, Settlement School, Holt House and the Emma Harper Memorial Fund. Membership in the province has increased nearly one hundred members. The contributions to the fraternity as a whole, such as chapter help, Save the Children Federation, and the three national projects have increased approximately one thousand dollars. Arrowcraft sales are higher. Thirteen clubs gave contributions of money to active chapters.

Twelve clubs continued to participate in their local philanthropies and Panhellenic interest is gaining.

Charleston, West Virginia, holds first place in contributions to the Settlement School, Philadelphia second, and Cleveland East third.

The province was delighted to have Lolita Prouty and Lucile Carson as visitors from Grand Council.

It was a great joy to visit clubs of the province during the year. The welcome which I received and

the cooperation have been deeply appreciated. Only by being the very best clubs ever can we best serve our fraternity and through cooperation can we work toward the best interests of Pi Beta Phi.

We welcome the Canton Alumnae Club into the Alumnae department and wish for them success and happiness. March 29, 1952, sixteen Pi Phis formed the local club although they have been meeting since last August.

My thanks to all officers and club members in Beta Province for the work they have done and for the privilege of working with them.

To Miss Onken, Marianne Wild and the other members of Grand Council, the Director of Central Office, as well as National Committee Chairmen, I express my appreciation and sincere thanks for your inspiration, help and patience throughout the year.

Respectfully submitted,

VELVA SHORTZ

GAMMA PROVINCE VICE-PRESIDENT

WE ARE proud to welcome a new club, Arlington-Alexandria and extend our cooperation in building their membership. The Northern Virginia Area has grown very fast with the residence districts spreading into distances not hitherto known in the community and therefore time consuming to reach, so with the organization of this group prospective members are now given the opportunities of a club they can attend. Chartered in October 1951, it was

too late to organize a Settlement School sale but many of the members attended the Washington Senior Club Tea and Sale November 16.

They dressed fifteen dolls for Goodwill Industries, sewed for the Red Cross, held a benefit luncheon at the Center Market City of Alexandria with proceeds donated to the Anderson Orthopedic Hospital. Lucile Junge, former Iota Province Vice President and a member of the Club, read and explained the sections

of the Constitution pertaining to alumnae clubs for part of the March meeting. The remainder of the meeting was devoted to observing Settlement School Founding. Their Founders' Day Luncheon was a high point of the club year with Mrs. Robert Wild as guest speaker and the last meeting of the year Marie Lingo was invited to attend and assist in installation of the officers for 1952-53.

The Mary L. Keller Club—Richmond is enthusiastic over the increase in membership for the year adding a number of out state and recent graduates to the group.

The Elizabeth Kates Foundation founded by Richmond in 1942 to provide funds for necessary personal needs of released misdemeanants from the Virginia State Industrial Farm for Women has grown and the membership is now open to interested persons in the State; but Pi Phi has an active part with a Pi Phi on the Board of Directors and Financial Committee at all times.

There is also continuing interest in the active chapter of William and Mary expressed in gifts of magazine subscriptions and inviting the entire chapter of some sixty-five as dinner guests followed with a program. They have also assisted in the newly organized City Panhellenic.

Norfolk Club also contributes much to the William and Mary Chapter through counseling, assistance in rushing, and substantial gifts to the treasury.

The contacting of newly arrived prospective members in the Tidewater, Virginia, area has been a yearly must because of the temporary visits of ships and military situations; but through planning, personal and phone calls the membership has increased and the amount of Settlement School Sales has doubled in the last year.

Chapel Hill and Columbia have given generously of their time and fund assistance to their active chapters not only during rushing but throughout the year.

Charlotte plans a party every year for seniors registered in colleges and this year will join with the also newly organized City Panhellenic in not only entertaining prospective college freshmen but supplying information on Greek letter organizations.

Baltimore no longer has an active chapter nearby but has sent gifts to Maryland Beta and visited the actives. The Club membership has continued to increase in spite of changed conditions without a chapter at Goucher, and in addition to support of national Pi Phi committees has contributed to the Boys Home Society of Baltimore.

The November meeting was planned around the talks given by two members of the American Opportunities Committee of the Junior Association of Commerce known as the Freedom Forum, pointing out the dangers of Socialism and how to preserve our American Free Enterprise System.

Founders' Day Banquet was held at the Hopkins Club with two guests Marie Lingo and Marianne Wild as speakers on the subject of What It Means to be a Member of Pi Beta Phi.

Wilmington continues interest in children and contributes necessary mending for the Children's Bureau of Delaware and in addition bought yarn so that members of the alumnae could knit garments for the babies under the care of the Bureau. Save the Children Federation has again benefited from their contribution while the Settlement School Sale was their best money raising project of the year.

The Annual Tea and Sale was held in October at the home of one of the members and cards were

sent to all members of Panhellenic with afternoon and evening hours of sale. Founders' Day Dinner was followed by a talk by Mrs. Wild on the history, organization and aims of Pi Beta Phi.

The talk on old silver by Miss Hindes of the Delaware Historical Society and the annual white elephant sale added up to a successful program for the year.

The Washington Junior Club have made scrap-books to amuse patients at the Children's Hospital and supported all projects undertaken by the Junior Women's Board at George Washington University Hospital to raise funds for the out patients clinic. They have also held Bake Sales at Sears Roebuck and Company to add to their treasury as well as contributing to Maryland Beta and District of Columbia A active chapters.

The Junior Club accepted planning for the Founders' Day Luncheon at the Shoreham, April 26, 1952, with Frances Spruce as chairman. Toastmistress Mrs. Hiram Houghton introduced Mrs. Harvey Wiley, honor guest, as speaker of "The Place of Women in Our Political and Economic Society."

March 7, 1952, a dinner was given Anna Kelton Wiley on "The Eve of Her 75th Birthday." The program for the evening included a Senator's Tribute, a Congressman's Tribute, a Special Tribute from Mrs. John L. Whitehurst, former president of the General Federation of Women's Clubs and three minute speeches from the 19 representatives of organizations of which she is a member including Pi Beta Phi. Gamma Province Vice President spoke for Pi Phi nationally and Mrs. Frank Campbell Nickels a long time friend, represented the Washington Senior Alumnae Club. Following this Mrs. Wiley gave a most informative talk covering her span of years and service to these organizations.

Mrs. Truman attended the annual exhibit of artcraft from the Pi Beta Phi Settlement School in the Smoky Mountains. Cabinet wives and wives of high officials also attended this exhibit held in the home of Mrs. Fredericka Lockhart,—"from *The Washington Post*, November 16, 1951. This was accompanied by a picture captioned "Pi Beta Phi, Margaret Truman's sorority, holds a Tea. As a Pi Phi Mother, Mrs. Truman received Marianne Wild and Marie Lingo at Blair House (temporary White House) by appointment and accepted the gold color stole from Arrowcraft with a letter setting forth the meaning and objects of the international organization Pi Beta Phi written by Marianne Wild. This has already been mentioned in the ARROW.

The Florence Crittenden work has been furthered the past year through the outstanding record of Beryl and Peggy Pledger and other members of the Washington Senior Club. A benefit bridge was held by the Seniors in the auditorium of Woodward and Lothrop's Suburban Store and was well attended by the members. This provided funds for \$50.00 donations each to D.C. A and Maryland B.

Membership shows an increase but with the paid members of each club the list of resident members, not affiliated with a club reminds me once again that we, as an organization need your support. Will you join now?

The past year has been progressive due in large measure to the ever available help of Miss Onken, Grand Council, Central Office, as well as the officers and members of each club in Gamma. May I thank you and convey my deep appreciation to all?

MARIE TUNSTALL LINGO

DELTA PROVINCE VICE-PRESIDENT

THE 1951-1952 club year was one of growth for Delta Province both in new clubs and paid memberships. The three new clubs chartered were Southwestern Michigan, Columbus, Indiana, and the last of May, Terre Haute, Indiana. The decision of Hillsdale, Michigan Club to relinquish its charter is announced with regret; however, the group will continue to work with Michigan A.

Dues for 889 members including 21 isolated Pi Phis netted a gain of 71 paid members. Affiliated with the clubs were 16 seniors. Nine groups showed increases in membership from 1 to 22 persons. In order of greatest gains they were Detroit, Indianapolis, Fort Wayne, Bloomfield Hills, and Southwestern Indiana and Bloomington, the same number, Jackson and Lansing-E. Lansing, the same number, and Southwestern Indiana, Muncie, Indiana had all 13 resident Pi Phis as members of the club.

Delta Province rates itself as 100% for 20 clubs were 100% in support of the national fraternity projects. Terre Haute was chartered in May; so that group could not be counted upon for the 1951-52 season. Three clubs increased their gifts to Settlement School. They were Southeastern Indiana, Gary and Hammond. The total sum sent to the Settlement School was \$683.

The Province contributed \$83 to Holt House. As the clubs learn more about the purpose of the Emma Harper Turner Memorial Fund, they respond with larger gifts. Former giving on the part of the clubs was surpassed this year in the amount of \$230 sent to the fund. The range of increases was \$1 to \$25. In the order of the largest increase they were Indianapolis, Bloomfield Hills, Southwestern Indiana, Lafayette and Muncie.

Arrow Craft products were sold by 15 clubs. Most of the clubs displayed the articles at Settlement School

teas. Bloomfield Hills sold at the Country Store several days.

Clubs demonstrated their loyalty to Pi Phi by assisting active chapters in many ways. They gave substantial gifts to chapter housing needs. They held joint meetings; entertained pledges, seniors and chapters and gave assistance in rush. Michigan and Pi Phis in attendance observed Founders' Day with State Luncheons.

Many clubs have given service in the community. Ann Arbor, Bloomfield Hills and Detroit made cancer pads at meetings. The latter contributed 600 hours of volunteer service to the International Institute and the Dearborn group worked with the Veterans' Hospital. Bloomfield Hills furnished two members each week to help at the Juvenile Home. Franklin was still interested in the Girls' Club while Muncie gave Christmas gifts to 35 orphans and sponsored the Hi-Y Dance at the YMCA. Ten clubs made cash gifts to local philanthropies. The gifts of Bloomfield Hills, Bloomington, and Gary to Save the Children Federation amounted to \$25.

In addition to the Settlement School teas, the rummage sales proved to be a popular means of raising money. Hammond sold Helena Rubenstein products while Franklin did extremely well with the sale of pecans. Indianapolis again sponsored the Civic Theatre production with a profit of \$477. White elephant sales furnished fun and funds at meetings.

Better programs and increased membership were the result of hard working committees. Many have expressed the great pleasure enjoyed through the fellowship of the club. Newcomers have testified to the pleasant surprise in finding ready-made friends in the alumnae club. Here's hoping next year will find still more clubs chartered in Delta Province with more Pi Beta Phis having a similar privilege.

VIRGINIA BRACKETT GREEN

EPSILON PROVINCE VICE-PRESIDENT

THIS report is written with great pleasure and pride. The gain in membership in the province as a whole, the increase in contributions and in average attendance, the many successful Arrow Craft sales, and the fine spirit in every club, all add up to a year of success and progress. All constitutional requirements for meetings have been met, and the clubs were again 100% in their support of our projects. Contributions to these projects were slightly larger than last year. Another successful fashion show enabled St. Louis again to contribute \$1000 to the Settlement School. Blue Ridge sent an extra donation to the Settlement School in memory of a departed member, while Lexington gave a book shower for the school library. Nine clubs sold \$4357.78 worth of Arrow Craft products.

Membership gains were reported by eight clubs. Seven of the twelve clubs have tied or exceeded their all-time high in number of paid members. The four clubs which lost members had a total loss of only twenty-one. The most notable gain in membership was made in Chattanooga, with 48% increase, and in Memphis, with 33% increase over last year. The number of Seniors joining alumnae clubs increased from 22 to 47. For the first time, half the clubs in the province boast sixty or more paid members—Chattanooga, Kansas City, Louisville, Memphis, St. Louis, and Springfield.

In the March report of magazine sales, St. Louis ranked second and Kansas City fourth, in total sales for the whole country. Seven clubs report an increase in magazine sales for the year, one club sold the same amount, and three sold less. Columbia again ranks high in per capita sales.

All clubs are very much interested in the active chapters and in rushing. The seven clubs located near active chapters gave generously to them in money and other assistance. Blue Ridge, Knoxville-Little Pigeon, and Tri State held successful rush parties, despite the fact their members are scattered in many towns over wide areas.

Besides their 100% support of the three projects, many clubs have given generously of both time and money in other ways. Chattanooga and Louisville continue to donate to Save the Children Federation. Columbia and St. Louis contributed to the Harriet R. Johnstone Scholarship Fund. Columbia gave ten dollars to local projects. Kansas City continues its wonderful work with the Rehabilitation Institute, giving a total of \$190 plus many, many volunteer hours. Nashville's gift of \$350 to the Pediatric Ward of the Vanderbilt Hospital deserves special praise, because this club has only 31 members.

Several of the clubs were privileged to have a member of Grand Council visit them this year. Mrs. Wild, while making chapter visits in the province, met

with the alumnae of six clubs. Miss Onken was guest of honor at the Founders' Day luncheon in St. Louis attended by St. Louis and Columbia alumnae, and Missouri A and Missouri B. Mrs. Mansfield was guest speaker for the Founders' Day banquet of the Kansas City club and Kansas A.

The great love for Pi Beta Phi which I found last year when I visited the twelve Epsilon clubs has manifested itself in many ways all year. The very fine cooperation of all club officers and particularly of the presidents and treasurers, and the hard work of the

committee chairmen and members of every club, have made possible this successful year. To all of them, and to Miss Onken, Mrs. Wild, Mrs. Mansfield, and Miss Scivally, who have indeed been "an ever present help," I am sincerely grateful. It has been a rare privilege and a great joy to serve Pi Beta Phi as an officer, and any work I have done has been a labor of love.

Respectfully submitted
RUTH WILLIAMS HANSEN

ZETA PROVINCE VICE-PRESIDENT

ALL of the Pi Phis in the province, whether members of clubs or not, can be very proud of the record we have made this year. We have two new clubs; we have four 100% membership clubs; we have increased our total membership by 2%; we have increased the amount of our contributions to our projects slightly; all clubs are 100% in contributions to these projects; and we are sending eleven delegates to Convention. Now, isn't that a record?

The two new clubs are in Sanford, Florida, and Athens, Georgia. They bring our total number to eighteen and are 100% in membership. The other two 100% clubs are Lakeland, for at least twelve years, and Pensacola, for the third year of its existence. Ocala and Tallahassee each miss this classification by two members. Of the 899 resident Pi Phis reported by clubs, 442, or 49%, are paid members. The percentage of paid members in the thirteen small clubs is seventy-one, and in the five large clubs is thirty-six. This means that though the small clubs cannot give as much to the projects as the large clubs can, they have a distinct contribution in membership percentage.

Our donations to the three alumnae projects amount to \$401.50 or \$56.50 more than we gave last year. Most of this increase went to the Settlement School, making a total of \$209.50. We gave Holt House \$67.00 and the Emma Harper Turner Fund \$125.00. Three clubs—Atlanta, DeLand and Orlando—gave to the Save the Children Federation. Six clubs—Atlanta, Jacksonville, Mobile, Miami, Orlando, and St. Petersburg—gave money and service to very worthwhile local causes.

Clubs have been very generous to chapters this year. Florida Beta received \$274.00 for its piano and building funds from Jacksonville, Miami, Palm Beach, Pensacola, St. Petersburg, Tallahassee and Tampa. Birmingham gave \$50.00 to the two Alabama chapters and the Atlanta Club gave \$30.00 to Georgia A. DeLand gave \$20.00 to Florida A and Orlando gave \$75.00 and its annual senior plaque to Florida F. In addition, all clubs report assistance in rushing and entertainment, the greatest being Tallahassee's help to Florida B with its building plans and Housewarming. The relationship of the clubs with chapters and with their own actives seems to be very

good. It is encouraging that eighteen seniors affiliated with clubs this year.

Seven clubs sold a total of \$1070.67 of Arrow Craft, which is \$441.93 less than was sold last year. I feel that we need more clubs selling, especially those not having sold for many years. St. Petersburg led the list with \$452.95; Jacksonville was second with \$298.91; Miami was third with \$199.25. Reports on magazine subscriptions are not in yet. I am only hoping we do better than in previous years. Isolated members can help nearby clubs in this respect.

More clubs are celebrating Chapter Loyalty Day each year. The outstanding meeting was held in the Tampa Bay area, with Lakeland, St. Petersburg, Tampa, and isolated members in the vicinity participating. Olivia Smith Moore, treasurer of the Settlement School, was the guest speaker and brought us most interesting stories, facts, and figures about the School. Members of the Atlanta Club celebrated Loyalty Day with Georgia A in Athens, a distance of seventy miles. Mobile and Pensacola held their annual joint meeting at a half-way place on Founders' Day. Several clubs have made efforts to interest isolated members near them in coming to special occasions. Several clubs are meeting informally during the summer.

This year has been particularly enjoyable to me because of my visits with clubs. Everywhere I found great interest in the fraternity, its policies and its projects. I believe clubs have developed a national viewpoint that is broader in scope than ever before. The fact that so many clubs are sending delegates to Convention shows a desire to be an active part of the organization. I found Florida clubs keenly interested in having a chapter at the University of Florida. I love the contacts on these visits—seeing old friends and making new ones. I appreciate the many kindnesses shown me and the splendid cooperation given me, not only on these visits, but all through the year; and not only by the clubs, but by members of Grand Council. My best wishes will always be for continued progress and new records in the province.

Respectfully submitted,
MARGUERITE BLOCKER BARTLETT

ETA PROVINCE VICE-PRESIDENT

THE club year 1951-52 has been one of progress for Eta Province. All previous years' records showed a substantial gain with the exception of the Emma Harper Turner Memorial Fund and Save the Children Federation. Milwaukee donated \$425.00 to Settlement School and Champaign Urbana and Chicago South \$100.00 each. Three clubs sold over

\$1,000.00 of Arrow Craft in this order: Champaign, Urbana, Milwaukee and Madison. Springfield was just under the \$1,000.00 mark.

Active chapters have proved an incentive for some fine work by the clubs. Decatur and Peoria are helping to pay for additions to the chapter houses at Millikin and Bradley. Peoria manages the "Exchange Shop"

and it has proved a profitable method of raising funds.

Milwaukee has a unique project in its "Neighborhood House" where the members give their time and talent to a program for the recreation program for the older people in their community. This project has brought a great deal of favorable publicity for the fraternity in this area. Arlington Heights gave a bracelet to the outstanding Sophomore in the province. Chicago West Suburban is furnishing hospital rooms in their community as well as giving scholarships. Local projects of clubs showed a gain of \$1,383.50 over last year. Scholarships and loans to worthy students were projects of Campaign Urbana, North

Shore and Chicago West Suburban. Milwaukee donated \$600.00 to their local project. Several of the clubs made special gifts to Settlement School and Holt House besides their regular donations. Several of the smaller clubs do a remarkable job in "per capita" support of the fraternity projects. Avon is the only 100% membership club in the province which indicates we need to improve our membership campaign. However we had 123 more paid members this year than last.

Respectfully submitted,

ELIZABETH SCOTT

THETA PROVINCE VICE-PRESIDENT

IT HAS been my pleasure to pay official visits to fourteen of the sixteen clubs in the province during the past year and it is with a great deal of pride that I report that for the fifth consecutive year all clubs are "100%" in their giving to the three Pi Phi Projects. Cedar Rapids and Mt. Pleasant gave additional Birthday Gifts to the Settlement School.

The clubs which were able to report a gain over last year's paid memberships were, Ames, Des Moines, Duluth, Grand Forks, Indianola, Mt. Pleasant, Tri-City, and Winnipeg.

Would that every Pi Phi Alumnae club could have just one member like Mrs. Lillian Rogers of Mt. Pleasant to head and organize the sale of magazine subscriptions. Mrs. Rogers has taken this responsibility for years and has consistently kept her club at the head of the list in Theta Province. We extend congratulations to her and wish she would take time to outline her method of procedure so others could benefit by her success.

Once again Minnesota A led the others in the race for the Province Vice-President's Membership Award. Ten of the clubs gave gifts or cash donations to the active chapters nearest them. Clubs all over the province proved their loyalty and interest in Pi Beta Phi by assisting active chapters in many ways. Wherever local Panhellenic organizations existed Pi Phis were most active in taking their share of responsibility.

Eight clubs gave generously to the Save The Children Federation and Grand Forks took the responsibility of having the letters from our little Greek boy translated. Once again, the girls of Manitoba A

have taken out a complete sponsorship for a child in Europe. The alumnae clubs in the province all marvel at this achievement.

Programs have been worked out thoughtfully with more speakers from outside the membership and the challenge has come from several sources that Pi Phis everywhere do more constructive thinking about affairs of state and international peace so let us look to the future as we plan for another year.

At this time I should like to make an appeal to Pi Phis in communities where there are no organized clubs to consider the possibility of organizing one and in so doing be of greater service to your fraternity and in turn reap the benefits derived from working together to further the cause of the wine and silver blue. Only ten members are necessary. Won't you please ask your Province Vice President or the Director of Extension to assist you in starting a new club?

It is with sincere regret knowing full well just how much I will miss the close contacts with the clubs, that I have decided this should be my last year to serve you. I believe there are many more capable than I am to carry on the work and I can assure my successor she will fall heir to sixteen wonderful clubs.

To Miss Onken, Marianne Wild, and the other members of Grand Council, the Director of Central Office, as well as the National Committee Chairmen, may I express my deepest appreciation and sincere thanks for your inspiration, help and patience?

Respectfully submitted,

HELEN WRIGHT GRANT

IOTA PROVINCE VICE-PRESIDENT

IT IS with pride that we in Iota Province announce the chartering of a new club in Falls City, Nebraska, making a total of 22 clubs. Our membership in the Province is 847, the following groups showing gains over last year: Casper, Colorado Springs Denver, Hutchinson, Laramie, Lincoln, Ogden, Topeka, and Vermillion.

Our Province is 100% in contributions to the three projects. The total gifts were as follows: \$691.00 to Settlement School, \$151.50 to the Emma Harper Turner Memorial Fund, and \$129.50 to Holt House. Five clubs contributed a total of \$46.00 to the Save the Children Federation which is approximately half the amount needed to care for a child over a period of one year. This last year we continued to share our sponsorship of the little Greek boy. Many active chapters assumed full sponsorship through their contributions and seem to retain their interest in the project. We are very proud of these sponsorships for

the need to help these little children is still very urgent. All clubs have contributed generously to local projects in both money and service. Many clubs gave girl scout camping awards, help to the Children's Christian Home, contributions to P.T.A. Shoe Fund for needy children, Needlework Guild, March of Dimes, help for children afflicted with Cerebral Palsy, Red Cross, and many others. The Denver Junior group gave a scholarship at the Wallace School for children afflicted with Cerebral Palsy. Exceptionally fine work was done in Kansas last year in the flood stricken areas, and also recently in South Dakota and Omaha. We who have not had this experience can scarcely realize the devastation and resultant need in these communities.

Many successful Arrow Craft sales were held last year with splendid publicity concerning our Settlement School. Since Gatlinburg is fast becoming a popular tourist center, our school and Summer Workshop are

receiving nation-wide publicity, a fact of which we may well be proud. The most successful Arrow Craft Sale was held by Omaha, total sales \$1128.95, with Denver second in the amount of \$819.85, and Manhattan third with \$612.00.

Magazine subscriptions were gratifying, Iota Province again ranking first by a very small margin. From the mid year report it seemed our total did not reach last year's subscriptions, and it is a source of revenue which should increase rather than decrease. This is a matter for each one of us as individuals to determine to improve next year.

All are looking forward to convention and at present ten clubs will send delegates. Since this is the first convention to be held in Texas interesting and elaborate plans are being made for our welcome. Iota Province is very near to Houston so we are hoping not only to have our clubs well represented, but also to have many alumnae attend.

It was my pleasure this year to visit a total of

twelve clubs, those in Colorado, Utah, and Wyoming. It is always an inspiration to meet so many fine Pi Phis, and to feel we have a common interest in working for our splendid fraternity. The kindness and hospitality shown to me by everyone is an experience I shall long remember.

I should like to thank especially all the officers of the clubs who have been so cooperative this last year. It is through their efforts that our Province has had such a successful year, and it will be through their influence that the clubs will strive toward greater success this coming year.

I wish to express my sincere gratitude to the members of Grand Council for their inspiration and guidance, to the director of Central Office for her efficiency and punctuality, and to all committee chairmen for their cooperation. Because of their help it has been a pleasure to serve.

MARIE Q. DIVISEK

KAPPA PROVINCE VICE-PRESIDENT

KAPPA PROVINCE has had a very successful year. Paid membership is 1,429, an increase of 44. The 34 clubs range in size from the 11 of Pauls Valley and Okmulgee, to Houston's 181. Four clubs have paid membership of more than 100. Houston leads with 181, Oklahoma City has 150, Tulsa 130, and Dallas 106, an excellent record considering the comparative size of our cities. There are four clubs 100% in membership, with every Pi Phi living in town a paid member of the club, Osceola, Lake Charles, McAlester and Pauls Valley.

Twenty-six of the thirty-four clubs are 100% in contributions, having made contributions to the Settlement School, Holt House and Emma Harper Turner Memorial Fund. These are the Ardmore, Austin, Baton Rouge, Brazos Valley, Corpus Christi, Dallas, Ft. Worth, Houston, Lake Charles, Little Rock, Lubbock, McAlester, Midland, Muskogee, New Orleans, Norman, Oklahoma City, Osceola, Pauls Valley, Ponca City, Sabine District, San Antonio, Shreveport, Stillwater, Tulsa and Tyler Clubs.

Nine clubs report gifts to chapters in the amount of \$1,780.00 cash, plus other gifts, as well as many hours spent in working for the chapters, either as members of Alumnae Advisory Committees, for whose faithful work with the chapters we are so grateful, or in preparing for rush parties, decorating, chaperoning, etc. Contributions to the Save the Children Federation are \$146.19. The McAlester Club has continued, independently, its donations to the child originally made known to them by the SCF, with a large box of toys and clothes for all the children of the family at Christmas. Contributions to such worthy local projects as TB Milk Fund, Red Cross, Community Fund, Childrens Welfare, Christmas Joy Fund, Newcomb College Endowment Fund etc. were \$1,043.40. Besides these material contributions, many hours of volunteer service were given, as Kappa Province Pi Phis are especially active in civic service of all kinds.

Visits were made in October to the Pauls Valley, Ardmore, McAlester, Dallas, Austin, San Antonio, Corpus Christi, Houston, Lake Charles, Baton Rouge, Shreveport, Osceola and Ft. Smith Clubs. Seeing so many old friends of six years' standing, as well as

meeting for the first time the wonderful Pi Phis in the Baton Rouge and Ft. Smith Clubs made the visits, as always, a stimulating and inspiring experience for the Province Vice President, and impressed her anew with a deep sense of appreciation for the wonderful women in the clubs in the province who give so much of their time and talents to working for the fraternity. In spite of the many difficulties involved in arranging club visits for so early in the fall in our warm climate, I think that it is desirable to go early if possible.

Texas A Chapter celebrated its Golden Anniversary in February, with a very successful reunion of many members, climaxed by a beautiful dinner. All of the charter members are living, and all but one were present for the reunion. Pins of the Order of the Golden Arrow were presented to each of the founders at the dinner. The combined State Alumnae Association-Founders' Day at Norman on April 28 brought many alumnae from all over the state, as well as members of both Oklahoma A and Oklahoma B chapters to the Founders' dinner in the beautiful Union Ball Room. All clubs in the province celebrate Founders' Day in a fitting way, as this occasion has great significance for all.

Almost without exception, the clubs in the province have been working very hard to fulfill their duties as hostess clubs for convention to be held at the Shamrock Hotel, Houston, July 7-13. As is usual, having this responsibility has strengthened the clubs, and we feel very fortunate in having the opportunity. We hope that our warm Kappa Province welcome will make you all want to come again.

As I retire at the end of my third term as Province Vice President, may I thank all of the wonderful officers and members of the thirty-four alumnae clubs for their cooperation, without which this record of the achievements of the province would be very different. They have given so much to making a success of the year that success was assured. To Grand Council, may I express my great appreciation for their guidance, and for the example of tireless service which they have set for the rest of us?

THERESA GIBSON GRAHAM

LAMBDA PROVINCE VICE-PRESIDENT

IT is with a feeling of pleasure and happiness that I review the work done this year by the clubs in Lambda province. I visited every club in the province and thoroughly enjoyed the friendly welcome that was extended to me by the members of each club. I feel that the visit was mutually beneficial as it has resulted in an even closer bond of friendship and cooperation.

It is with satisfaction that I note eleven clubs have increased their membership this year, the total paid membership being 918 a gain of 120 members over last year. The clubs whose membership has increased this year are, Boise, Calgary, Edmonton, Eugene, Medford, Portland, Pullman, Salem, Seattle, Spokane and Yakima. Portland gained 70 new members and Spokane 24. Out of the 21 clubs three are in Canada and so can not have Arrow Craft sales, of the eighteen remaining clubs thirteen had sales with the gross sales totaling \$8505.44. Two clubs were over the \$1000 mark, Portland sales amounting to \$1684.90 and Coes County club with a membership of eighteen had sales amounting to \$1321.35. This year we are not 100% in contributions to the three fraternity projects, one club did not contribute, however all the clubs realize the worthliness of the projects and I feel sure that another year will see us 100% again in contributions. Spokane made a special contribution to Holt House of \$50 in memory of one of their members. Six of the clubs supported to Save the Children Fund.

All the clubs contributed in various ways to their nearest active chapter. Those clubs being situated where an active chapter exists assisted their chapter in an advisory capacity and in entertaining the pledges and seniors. All the clubs made special gifts and cash donations to their active chapters.

Many of the clubs assisted local projects by giving of their time and financial help. Boise provided

hostesses throughout the year for the Service Men's Lounge. Butte-Anaconda helped entertain children in a Home. The Calgary club have also been interested in the children in a Home and provided them with a record player and records, skates, toboggans and sleighs, Christmas stockings and toys, in addition they have given many hours of their time in visiting the children. Edmonton and Spokane have both contributed to Salvation Army Homes. Eugene assisted needy families. Portland assisted a high school girl by providing clothes and money, and they also helped maintain a clothes depot where needy school children could obtain clothes in good condition. The Salem club assisted Girl Scouts in their community. Seattle assisted in raising funds for the Red Cross, Cerebral Palsy and the Anti-tuberculosis societies. Vancouver have been especially helpful to a group of Old Age Pensioners, giving them free medical and legal advice and providing them with treats. Each year the Yakima club assist in the maintenance of a memorial hospital.

I wish to thank the officers of the clubs for their splendid cooperation, and the members of Grand Council for their wise direction and support. I also appreciate the prompt and efficient service which Central Office gives on all occasion.

MU PROVINCE VICE-PRESIDENT

MU PROVINCE continues to grow. This past year we welcomed two more clubs—Bakersfield, California and Yuba City, Sutter County, California. All of our 31 clubs, with the exception of one, supported all of our National Projects. Constitutional requirements were met by all clubs. Our province will probably top all others again in paid membership, having now reached the colossal figures of 1523. Solono County is Mu's 100% club.

Two sponsorships were taken out for children by Berkeley through "Save the Children Federation"—one full membership by Palo Alto and a part sponsorship by San Francisco. How delighted we are to announce San Jose again holds her prowess in magazine sales by topping all clubs in the country for highest commissions per capita in magazine sales. Phoenix had the highest percentage increase for Alumnae clubs in magazine sales.

Ways and Means projects included Rummage Sales (which prove to be the most profitable), hobby shows, sales of Christmas ornaments, square dances and sponsorships of plays. Besides supporting our National Projects, clubs gave generously of their time and means to Local Funds such as the Red Cross and Local

Projects such as Crippled Children's Society in Los Angeles County for which a large Benefit was staged. This year, too, exceedingly generous assistance was given by most clubs to the Active Chapters in our province—gifts ranging from \$5.00 to over \$600.00.

Official visits this past year were made to twenty-nine clubs (including Honolulu) thus meeting personally the members of all clubs in the Province with the only exceptions being the two new clubs chartered this year. It was indeed an inspiration to this officer to learn first hand all the wonderful work our Pi Phis in the west and Honolulu are doing, and what leaders they are in their communities.

To our dear Miss Onken (who never fails to give a helping hand to all and sundry) to our Grand Vice President, Marianne Wild, whose efficiency and assistance are of the utmost help to P.V.P.'s, to the other members of Grand Council who never fail us in our hours of need, and to the Director of Central Office, Gladys Scivally who has always been most prompt in answering all requests for aid, I am deeply grateful.

General Instructions

Chapter Program Chairmen should send a report to the Director of Extension (see current ARROW for name and address) within one week following the holding of the program based upon material sent by that officer from Central Office.

Chapter Treasurers should see that letter from Grand Treasurer to the Parents of Actives and Pledges is sent to the parents as early in the fall as it is possible to get the local letter on chapter finances ready to send with it. It is necessary that parents understand the financial obligations at the beginning of the year.

Chapter treasurers should see that the Financial Statements to Parents and Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should be sent only for the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.

Chapter treasurers should see that badges are ordered through the Central Office. It takes six weeks or more, under present conditions, to complete badge orders. Badges for prospective members should not be ordered until all initiation requirements have been met.

Chapter treasurers should send the National pledge fee for each pledge with Form GT1 to Central Office. Canadian chapters send fee to Mrs. Henry Moore, Jr., 420 Pine Street, Texarkana, Texas.

Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to Mrs. Henry Moore, Jr., 420 Pine Street, Texarkana, Texas.

Chapter Treasurers should send monthly reports to Busey Fraternity Accounting System, 2849 N. Delaware, Indianapolis, Indiana.

The corresponding secretary should report to the Central Office and to Province President changes in chapter officers if they are made, any time during the year.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office, explain the situations, and receive special permission to vary from the established dates.

Stop at Your Own New York Hotel

THE BEEKMAN TOWER

Overlooking the new site of the United Nations

Here you'll find a real "fraternity" welcome in a first-class modern hotel—the only hotel in the world, open to the public, both men and women, which is owned and operated by members of the National Panhellenic Fraternities.

You'll find a 26-story building—400 all-outside rooms—complete facilities—located just one block from the United Nations site—the new hub of the Universe—and center of world affairs.

Advance Reservations Suggested
