To me, the most important part of my role as a Resident Leadership Development Consultant is the opportunity to mentor and **EMPOWER** chapter leaders. It is inspiring to see the ownership they take in being a leader at a newly re-established chapter, so I am honored to guide and encourage them. I hope I'm making an impact by providing these members with the same positive member experience I'm so thankful for.

“

I wish everyone could read the applications and **ACCOMPLISHMENTS** of our collegians; they are truly remarkable and world-changing. I believe providing scholarships for women is a powerful investment.
