Announcements

THE FRATERNITY announces that the Pi Beta Phi Fellowship for graduate study will be awarded as usual this year. Applications should be sent to the Grand President.

* * *

The Committee on the Loan Fund will continue under the chairmanship of Ruth Heseltine and applications for loans should be sent to her at the address given in the directory in this issue.

Attention is called to many new officers and new addresses for old ones listed in this number. Please look these up on the directory pages before undertaking any correspondence this fall.

All girls who may be transferring to another college where there is a chapter of Pi Beta Phi are urgently requested to notify the chairman of the Committee on Transfers.

* * *

The special rate of \$7.50 for life subscription to the Arrow will be continued for a short time. Subscriptions are to be sent to the Central Office.

* * *

The History of Pi Beta Phi now being prepared by Agnes Wright Spring, will be issued as the February number of the Arrow. It is a pleasure to know that in this way it may come into the possession of every subscriber to the Arrow.

* * *

The Army and Navy Auxiliary again urges all members of the fraternity in any way connected with the Army, Navy or Marine Corps to send their addresses at once to the chairmen listed on the directory pages of this issue.

* * *

It is hoped that the goal for the Endowment Fund may be reached before the next convention. The new chairman, Cecil Rigby Nussbaum, Illinois E, is taking up the work with fresh enthusiasm and members will be hearing from her soon.

* * *

The 32nd biennial convention of the fraternity will be held June 21-27, 1936, at the Edgewater Beach Hotel in Chicago.

THE ARROW OF PI BETA PHI

SEPTEMBER, 1935

VOLUME 52

EDITORIAL

DECREASED income from the ARROW Endowment for this year has forced retrenchment so the Information number of the Arrow comes this time in a less expensive form. The amount of information given is unchanged, and we bring you here the story of a year of real achievement in the fraternity. To carry on our work successfully in a world of changing conditions and lessened financial resources is no light task.

We cannot know too much about the working of our fraternity organization, and our custom of publishing this number at the beginning of each college year gives to every member the opportunity to know what the fraternity nationally has been doing. To read the reports contained herein, with their story of the work of your officers, should serve as a basis for a year of enthusiastic effort.

The beginning of a new college year brings rushing and with it new consideration of the qualities we look for in our members. Hallie Chapman Collins, Iota Province Vice-President, has so well expressed the qualities we desire that we quote her here:

"Education, sophistication, culture—in the general acceptance of the terms—are more or less acquired characteristics. But innate refinement and courage are fundamental qualities. Like virtue, one either has them or she has not. The kind of girl that Pi Beta Phi wants is the girl with innate refinement and courage, the girl who is so fine and wholesome that her good breeding is at all times and everywhere manifest, and a girl with courage—the courage of her convictions—the courage to say 'No,' when tempted to compromise with her highest ideals. If one has money, she can, to a certain extent, purchase education, sophistication, and even culture, but money can never buy refinement, courage, virtue; they are things of the spirit and can come only through inheritance. If once the conviction prevails among high school girls and their parents that, in order to be a Pi Beta Phi, a girl must be above the average in moral integrity, in personal conduct, and in scholarship, then it will surely follow, as night the day, that the fine type of girl will want to be a Pi Phi. It is human nature to covet that which is hard to get."

The committee on scholarship has gotten out a most interesting little pamphlet called "Study Aid" which so pleased Dean Mary Yost of Stanford University that she asked that several copies of it be sent to her. It is the work of Margaret Willis Smith, National Chairman of the Scholarship Committee.

The Greek Letter world offers sympathy to Delta Delta Delta in the loss of one of its most devoted members and national officers, Bessie Leach Priddy.

A new editor is welcomed into the Inter-Sorority Editors' Conference with the appointment of Alta Gwin Saunders, of Champaign, Illinois, as editor of the Anchora of Delta Gamma.

A new publication, American Women, which appeared this summer, lists among the women chosen for mention one hundred and thirty-nine members of Pi Beta Phi, including the members of the present Grand Council.

* * *

Panhellenic Day at the California Pacific International Exposition at San Diego was celebrated August 31. Its principal feature was a beautifully-staged fashion show by Lettie Lee of Hollywood. It was given under the auspices of the San Diego Panhellenic Association and Pi Beta Phi was represented among the hostesses by Lois Noble Simpson and the Editor of the Arrow.

* * *

It has come to the attention of Grand Council that several imposters have claimed membership in the fraternity and have joined or attempted to join alumnæ clubs. The Central Office has in its files an accurate list of our membership, and clubs everywhere are urged to consult the new directory, and in case of doubt, to write to the Central Office to verify claims to membership. It is especially urged that use be made of the method of testing membership prescribed by the fraternity.

* * *

At last the Editor has been to the Settlement School! It is one thing to hear and read of something, quite another actually to see it with one's own eyes, to talk with the people who are carrying on our work there, to meet at Old Timers' Day and also in more personal ways, the people of the community who have benefited by the activities of the school, and to

hear their expressed appreciation.

Such an experience might have brought disillusionment and disappointment had conditions not been good—instead, it has brought only joy in our great school, and pride in what our years in Gatlinburg have meant. Now we know why it has so often been spoken of with enthusiasm. The school is an actively functioning force for good, giving to the community a type of education which the state cannot at present afford to offer, and besides furnishing through Arrowcraft steady employment in handicraft to more than a hundred women of the

neighborhood. That is a bare statement of the facts.

It was a revelation to go there and see it with our own eyes. We have a finely-kept, finely-managed school plant with the best teachers we can find, chosen according to the highest standards; we have adequate, well-kept up living quarters for our teachers and our dormitory pupils; we have a well-stocked, well-managed farm as a background for the agricultural work, and also to supply food for the school family; we have a well-equipped little hospital; we have a most attractive shop and workroom for Arrowcraft and besides a delightful little shop in the Mountain View Hotel. All these things we have in a truly beautiful setting of hills and green trees.

But we have something more. There is a warmth of personal contact with the people who live there and whom we serve that glorifies the whole project and makes of it a thing alive.

If only you might all see it! If only you might go with Virginia Moore, our nurse, on her rounds, to visit the sick in the cabin homes, or to give typhoid inoculations and Schick tests to the people who flock with their children to the forlorn one-room school buildings in the remote districts, if only you might see the children and the babies—the infinitely pitiful dependence of these people on that little nurse. If you could hear them say "We love Miss Moore," your heartstrings too would be wrung, you too would feel that nothing we can do there for these people who love us and trust us would be too much. We have truly made things better in our one small corner of the world, and we have not lived in vain if we keep up our work at the Settlement School.

True, the town of Gatlinburg has grown into the typical place of its size, with hot-dog stands, little shops where inferior handicraft attempts to compete with ours, even beauty shops! True, Gatlinburg is the headquarters for the Great Smoky National Park. True, there are many strangers there who do not need our help, but who get it because we are working in direct

cooperation with the public school system of the County, supplying buildings, equipment, and direction, while the county gave us last year only the salaries of the grade teachers as its contribution.

Yet among the people of the mountains there still exists a need for just the things we are giving them. Read the reports of the past year of the school to see how those needs are being met in spite of decreased income. This work we can only continue if chapters and clubs will do their utmost with benefits, contributions, and magazine subscriptions.

It is unthinkable that we should take any backward steps at the Settlement School. With its success we have so fully justified our existence as a fraternity—we cannot fail now. In the

Settlement School we have cause for pride and joy.

Go and see for yourselves—a wonderful experience awaits you!

* * *

An interesting feature of Grand Council meeting was a tea given by the Pi Phis in Gatlinburg in honor of the council and the Settlement School committee at the lovely home of Vivian Blair Reagan, Oregon A, formerly a teacher at the school. During the afternoon, seven of the ten members required for an alumnæ club, signed an application for a charter, and they hope soon to have the remaining names. An alumnæ club in Gatlinburg! What possibilities it opens up for help for the school and for direct liaison between the school and the national organization. Surely no more fitting and inspiring place for a club could be found, and surely the fraternity nationally will thrill with special pride when it is chartered.

adde Laylor alford

"It is not where you have been, the books you have learned, nor what you have seen and heard that counts; it is the effect of those experiences on a man's mind and character."—CORRA HARRIS.

George Starr Lasher, G.P. Delta Chi, tells of reading on the bulletin board of a leading church in Pittsburgh the announcement of sermons which included "What have we a right to expect from the church" and "Is religion done for." He said: "When such questions are being asked of the perhaps oldest and most firmly established social institution, the church, it is not surprising to pick up a current issue of *The Pitt News* and find its leading editorial headed "Must fraternities go." Certainly no one could expect the college fraternity, libeled as it has been by the press, the movies, the magazine, and the novel, to escape in this general period of revaluing and testing."

Pres. Angell of Yale said: "The fraternity has in the past years served as a necessary part of the Yale social life and I am confident that when they have made sufficient adjustments to changed conditions which are the result of the advent of the college plan, these adjustments will be found to be of such a nature as will satisfactorily take care of the enduring social interests of the undergraduates."

Minutes of the Annual Meeting of Grand Council

June 13-21, 1935

THE ANNUAL meeting of Grand Council was held at the Settlement School in Gatlinburg, Tennessee, June 13-21, 1935, all members being present. Reports of the National Officers, the Province Officers, and the Chairmen of the National Standing Committees were read and discussed, and policies were formulated.

Grand Council voted:

1. That beginning with the close of the next convention the work of supervising chapter accounting be divided between two divisional offices: the eastern division to comprise the first six provinces, the western division to comprise the last

six provinces.

2. That because of its size Alpha Province be temporarily divided for active chapter supervision into Alpha Province, East and West; the eastern division to include Nova Scotia A, Maine A, Massachusetts A and Vermont A and B; the western division to include Ontario A and B and the New York chapters. This transfers Ontario B and the London Alumnæ Club to their rightful places in Alpha Province.

3. That mimeographed copies of a statement concerning chapter and individual awards, and

the purposes of these awards be issued.

4. That a blank listing scholarship honors, activity honors and such, be prepared and issued to chapters; this blank to be filled in and sent to the Arrow Editor by the corresponding secretary.

5. That the Edgewater Beach Hotel, Chicago, Illinois, be selected for the 1936 Convention, if, after a careful investigation, the Grand Treasurer

6. That the Grand President and the Grand Treasurer be authorized to select the Convention

Guide after personal investigation.
7. That the enforcement of the new initia-

tion fee be deferred until July 1, 1936. 8. That the recommendation of the Historian that the date for the annual historical résumé be changed from January 1 to July 1 be approved.

9. That Judge Paine be authorized to make abstracts of the deeds of the land belonging to

the Settlement School.

10. That the national scholarship ring may be awarded by a chapter only to the girl in the three upper classes who makes the highest average for each scholastic year. The ring is set with a ruby; in the event that it is won a second time by the same girl, the chapter shall change the setting to a sapphire; and if won by the same girl a third time, the chapter shall change the setting to a diamond. All orders for rings or changes in mounting shall be sent on official jewelry order blanks to the National Scholarship Chairman for her approval.

11. That the Grand President be empowered

to select the design for the markers for the Found-

12. That the attendance of all Grand Council members at the National Panhellenic Congress in Biloxi, Mississippi, Dec. 4-7, 1935, be approved. 13. That the recommendation that the treas-

urer of the Endowment Fund Committee report to the Province Vice-Presidents on January 15 and May 15, contributions received from individuals and clubs, be approved.

Grand Council carefully considered all alumnæ suggestions and as a result, voted that all recommendations from clubs or alumnæ made in response to the requests from the Grand Vice-President be submitted to a special committee. The duty of this committee is to formulate these recommendations for consideration of the Alumnæ Sessions of Convention. This committee is to be under the supervision of the Grand Vice-President and its personnel will be announced later.

It was voted:

That the national probation of Maine A be continued until January 1, at which time the re-moval of the charter of that chapter by the fraternity shall be decided.

After a careful study of the report of the committee on Standardization and Survey along with the recommendations of the Province Presidents, Grand Council awarded the Balfour Cup to Texas A, the Stoolman Vase to Manitoba A, and the Honorable Mention Certificates to Michigan A and Ohio B.

Upon a thorough inspection of the material presented for the national Amy Onken award, it was decided by Grand Council to give this honor to Faith Arnold, Vermont A.

Two morning sessions of Grand Council meeting were given to the Settlement School Committee at which times problems of the school were studied and plans for the school were considered. After Grand Council meeting, the Grand President 'remained at the school for further conference with the committee. The Grand Vice-President and the ARROW Editor also extended their visit at the school in order to gain a better understanding of conditions at the school as well as in the community.

The following changes in the Constitution were voted by Grand Council:

Amend Art. I., Sec. 13 by striking out the sec-

tion and inserting a new section to read: Sec. 13, PROVINCE VICE-PRESIDENTS' GUARD. The distinguishing badge of the Province Vice-President of this fraternity shall be a guard pin adapted from the Brownlee crest, being the upper half of the eagle with the letters P.V.P. at the

Amend Art. III. B, Sec. 4 by striking out the section and inserting a new section to read:

Sec. 4, CHAPTER EXECUTIVE COUNCIL. Each chapter shall elect an Executive Council of not less than five members and not more than seven members. The Executive Council shall consist of the chapter President, a representative of each of the three upper classes elected for her class membership and such other members as the chapter may desire.

Amend Art. V., Sec. 3 by adding "e" to read:

REQUIREMENTS FOR INITIATION.

e. No person, not a student on a campus where there is a chapter of Pi Beta Phi, shall be eligible for initiation by special dispensation of Grand Council unless-

1. Such person shall have a degree from an accredited

Such person shall have a degree from an accredited college or university.
 Grand Council shall have secured the consent of the alumnæ club concerned, if candidate resides in a town or district having an alumnæ club of Pi Beta Phi.

Amend Stat. II., Sec. 1b by inserting after "Grand Secretary" the words "Grand Treasurer" making it read:

CHAPTER DELEGATES

b. Send credentials of delegateship, upon official blanks provided by Central Office, to the Convention Guide, to the Province President concerned, to the Grand President, to the Grand Secretary, to the Grand Treasurer, and to the Arrow Editor not less than two months before the assembling of Convention.

Amend Stat. II., Sec. 1c by striking out the section and inserting a new Section "c" to read:

CHAPTER DELEGATES.

c. Present similar credentials to the Credential Committee upon registration, at convention.

Amend Stat. II Sec. 1e by striking out the section and inserting a new section "e" to read:

CHAPTER DELEGATES.

e. Prepare for convention by reading the last two Information Arrows and the minutes of the last Convention.

Amend Stat. II., Sec. 1i by striking out the section and inserting a new "i" to read :

CHAPTER DELEGATES.

i. At the first regular meeting of the chapter following the receipt of the Information Arrow, which contains the official minutes of Convention, each delegate shall make an official report of Convention to her chapter and as a part of that report shall read and interpret these minutes.

LETTERS OF GREETINGS.

Amend Stat. III A, Sec. 2 by striking out "b". ARROW files.

Amend Stat. IV. Sec. 5 by striking out the words "the Arrow Editor."

Amend Stat. IV. Sec. 11 by striking out the section and inserting a new section 11 to read:

CONSTITUTION.

11. Each chapter shall have and preserve a Book of Initiate Signatures to a pledge to accept

the provisions of and abide by the Constitution.

a. Each pledge shall sign the pledge in the official Book of Initiates' signatures and privileges of membership in the fraternity shall be dependent upon such act.

Plans for official visits to chapters were formulated.

Grand Council expressed its sincere appreciation to all officers and members of committees of Pi Beta Phi who have faithfully and efficiently fulfilled their part of the work of the fraternity, and to all members of Pi Beta Phi for their co-operation in helping to make the past year one of progress.

The meeting of Grand Council was ad-

journed.

NITA HILL STARK, Grand Secretary

Are you transferring to another college this year? If so, please notify the Committee on Transfers whose address is given in the Directory at the front of this issue.

Annual Reports of National Officers For the Year 1934-35

ANNUAL REPORT OF THE GRAND PRESIDENT

THE CELEBRATION of the fiftieth anniversary of THE ARROW with the publication of its Golden Anniversary issue in May has brought to members of the fraternity an increased realization of the part which the magazine has played in the development of Pi Beta Phi and of the debt which they owe to the editors who have so wisely determined its editorial policies. It is gratifying indeed that THE ARROW continues to be an ably edited magazine the general make-up of which gives it a high place among fraternity publications and that its editors have not lost sight of the fact that its primary function is to serve the fraternity which it represents and to be "a means of communication" of Pi Beta Phi information and inspiration.

The generous gifts of Pennsylvania A to the Pi Beta Phi and Settlement School Endowment Funds, early this spring, make us conscious again of the fact that the life of a chapter is its devotion to the fraternity and not its existence as an active group on a college campus. It is a pleasure indeed to express for the fraternity its appreciation of the active, loyal service which Pennsylvania A still gives to Pi Beta Phi through its members whose love for the fraternity lives so truly in their

hearts.

In the results of the past year, when the inspiration gained at convention has been so evident in increased vision, effort, and accomplishments for Pi Beta Phi, the fraternity has again had most gratifying proof of the value of its conventions. In calling the Thirty-second Biennial Convention of Pi Beta Phi to meet at the Edgewater Beach Hotel in Chicago, June 21-27, 1936, the Grand President has a keen realization not only of the invaluable contacts of such a convention but also of the increased prestige and strength for Pi Beta Phi which she believes must follow such thinking together for

the good of the fraternity.

Although there have still been problems to be faced as a result of the general economic uncertainty, chapters have come through the year in remarkably fine financial condition and with the number of initiates the greatest in the history of the fraternity. Certainly there can be no question but that a period of marked questioning of the value of fraternities has established Pi Beta Phi as a fraternity with a place of recognized and unsurpassed esteem. The honors which have come to individual chapters and to their members speak for themselves of the place which these chapters hold on their campuses. There seems no less reason for pride in the recognized place which Pi Beta Phi holds for its honest and unfailing efforts to live the ideals which it professes.

Circumstances, beyond the control of Grand Council have meant that in some instances active chapters have not received their usual visits from their province presidents during the past year, but

visits by national officers have been planned in such a way as to make the loss of the province officers' visits as far as possible from being seriously handicapping. The fraternity expresses its appreciation for the service given by Louise Sale Cassady, Mary Hornaday, and Florence Allen Smith, and its regret that personal demands upon their time and strength have necessitated their resignations as province presidents. With the installation of Ontario B and Nova Scotia A, the number of chapters in Alpha Province became so large that it seemed unwise to ask any province president to supervise them all. During the past year, the situation was met by placing Ontario B in Beta Province, but, at the recommendation of the outgoing province president, Grand Council has, for the coming year, divided the active chapters of Alpha Province into Alpha Province East and West and has appointed a president for each division. It seems probable that the coming convention should divide the territory now assigned to Alpha Prov-ince into two provinces for alumnæ clubs as well as for active chapters. During the coming college year, Alpha Province East will have as its president Vida Peene, Ontario A, and Alpha Province West will have as its president Charlotte Martin Fox, New York A. As Gamma and Mu Province Presidents the fraternity welcomes Adair Taylor Aiken, Louisiana A, and Ann McDonald D'Aulé, California F, respectively.

The Balfour Cup has been won by Texas A

The Balfour Cup has been won by Texas A and the Stoolman Vase by Manitoba A, chapters which have represented the fraternity with true distinction on their campuses. Honorable mention has been awarded Ohio B and Michigan A. The II B Φ Fellowship for 1935-36 has been awarded to Katherine Finney, Arkansas A, who was graduated from the University of Arkansas this June with high honors. Applications for the 1936-37 fellowship of \$500 should reach the Grand President by January 1, 1936. The fellowship is available for any graduate member of the fraternity for study in America or abroad: seniors graduating in June, 1936, are eligible. The Amy Burnham Onken awards, given for the first time this year, for individual qualifications in scholarship, personality, fraternity service, and student activity

participation, were as follows:

National Award—Faith Arnold, Vermont A Alpha Province—Faith Arnold, Vermont A Beta Province—Josephine Baker, Ohio B Gamma Province—Elsie Lawrence, North Caro-

Delta Province—Ann Osborn, Michigan B Epsilon Province—Jocelyn Taylor, Missouri B Zeta Province—Eleanor White, Florida B Eta Province—Mary Jane Chandler, Illinois Z Theta Province—Elizabeth Fuller, Iowa Z Iota Province—Calista Cooper, Nebraska B Kappa Province—Marietta McGregor, Texas A Lambda Province—Margaret Hartson, Washington A

Mu Province-Charlotte Gibner, California A

That the fraternity holds the love and interest of its members to an exceptional degree is evident from the fact that during hard years the financial support of its altruistic projects has made the continuing of these projects possible. That the F.E.R.A. reduced the number of applicants for loans is scarcely to be questioned, since it is not hard to understand why students would prefer financial help which carried with it no indebtedness for future repayment, but it is cause for great gratification that the Undergraduate Loan Fund Committee, last year, had funds for every requested loan. By reason of the most careful planning and economical and efficient administration, the Settlement School has been able to continue its work at Gatlinburg with-out eliminating any essential department or lessening the effectiveness of any. It is urged that members of the fraternity study the financial reports of the Loan Fund and Settlement School committees and compare them with those of past years, so that they may have the feeling of keen pride which these reports so fully justify. The Grand Treasurer's report again shows that the fraternity is financially sound and is in a position to do the things which should be done for internal strengthening. During the past year, Grand Council has continued to carry out its policy of meeting each problem as its own situation demanded instead of attempting to make one plan fit all situations. Chapters needing special help have received in some cases financial aid, in others rushing help, in others help with tuition for key actives who would otherwise be unable to return, and so on, with results which seem to prove the wisdom of a flexible policy.

Under the direction of the Committee and Eunice Weaver, Illinois Z, Director, the Settlement School had an excellent year. Leading Gatlinburg residents have expressed the belief that it has never had a better one. The school had the largest enrollment in its history, something more than 350 in the ten grades. The county paid the salaries of all the grade school teachers and of the principal, while the fraternity paid those of the Agriculture and Home Economics teachers. There is a strong desire on the part of the local people for the addition of a third high school year, and eventually for a full four year high school course, and it is possible that the county will provide the additional teacher to make this added year available for 1935-36. The dormitories, which were reopened last year, so fully proved their value to the students that applications for the coming year far outnumber the available openings. While the committee has no funds at present to provide the recreational director for which there is a truly great need, every effort is being made to secure such a director through the Federal Work Relief. Until it is possible to bring a trained recreational worker to Gatlinburg, however, the school is meeting the social needs remarkably well through its sports programs for the school, its planned school parties, and the Parent-Teachers' Association and the Weavers' Guild programs. Arrow Craft has had its most successful year under the direction

of Emma Pattengill, Iowa Γ, and Ethel Snow, Iowa Γ. For the coming year, weaving will again be under the direction of Winogene Redding, who will be remembered by many for her previous years with Arrow Craft. She is returning to the school after a year and a half at Norris with the T.V.A. Arrow Craft has affiliated with the Southern Highlanders, Inc., an association of handicraft workers closely associated with the government and already conducting a shop at Norris Dam. It is hoped that this association may have exclusive rights for the sale of souvenirs in the Smoky Mountain Park. The Settlement School Committee has this year lost a most valuable member in the ending of the term of office of Mary Cooper Frost, Colorado A, under whose editorship "News From Little Pigeon" has made Gatlinburg and its people seem very near and their needs very clear. In expressing its deep appreciation for her fine service, the fraternity also expresses its pleasure in welcoming to the committee her successor, Lillian Beck Holton, Maryland A.

While few active efforts have been made during the past year to solicit gifts to the Pi Beta Phi Endowment Fund, the committee in charge of the fund found contributions gratifying and hopes this year to make a campaign which will see the \$50,000 endowment at least nearing completion by convention. Less than a dollar from each Pi Beta Phi would more than complete the endowment and would insure the continuance of the fraternity on a high plane of efficiency regardless of changing conditions or times of eco-

nomic stress.

As Pi Beta Phi's delegate to National Panhellenic Congress, the Grand President has carried on the required correspondence of the year and will serve as delegate at the meeting of the Congress which is to be held at Biloxi, Mississippi, in December.

During the year just ended, the Grand President installed the two chapters chartered by convention, Ontario B at the University of Western Ontario, and Nova Scotia A at Dalhousie University, and she has every confidence in the ability of these two new chapters to represent with distinction the fraternity of which they are now a part. She has visited officially, Maryland A, D.C. A, Virginia A, Virginia F, North Carolina A, North Carolina B, South Carolina A, Iowa A, Iowa B, Iowa F, and Iowa Z. She had the very great pleasure of being the personal guest of Ohio B for a week-end in January; of Illinois E for the week-end of the Eta Province Conference in April; and of Missouri B and St. Louis Alumnæ Club for Founders' Day. At the time of the Florida State Convention held at Orlando, Florida, she had the very real privi-lege of representing the Grand Council and of being the guest of the Florida chapters and alumnæ clubs. Alumnæ clubs situated near active chapters were visited at the time of chapter visits, and she expresses her very great appreciation to Pi Beta Phis everywhere whose hospitality has meant so great a pleasure to her.

As an officer of the fraternity, the Grand President feels that the year just ended has been one of constructive progress, and as an individual, she has found it one of treasured contacts whose mem-

ories will long be cherished.

AMY BURNHAM ONKEN

REPORT OF GRAND VICE-PRESIDENT

As THE fraternity year draws to a close, the officers of the Alumnæ Department voice appreciation for the continued loyalty and support of

its members.

Though growth cannot be measured by numbers, on this basis the fraternity may well be pleased with the results of the year. Eight new clubs have been chartered this year: Westchester County, New York; Charleston, West Virginia; London, Ontario, Canada; Flint, Michigan; Terre Haute, Indiana; Corpus Christi, Texas; Fort Worth, Texas; San Antonio, Texas. Several other communities with ten or more Pi Phis are working on the preliminaries but have not become chartered groups as yet. One club, Clarksburg, West Virginia, ceased to function and four other clubs were temporarily inactive. This is a material reduction over last year's figures.

Convention last year voted that all clubs desiring a visit from a national officer in the interim of Conventions might receive one. In consequence, the Grand Vice-President contacted twenty-eight of the sixty-four clubs visited. It is a fine experience to see alumnæ clubs in action—various methods, but all furthering the work of the fraternity.

As well as the above, official visits were made to the seven active chapters of Lambda Province, Ontario B, Oklahoma A and B. The apparent thing among these college chapters was the growth in national viewpoint, the result of Convention year when delegates and visitors bring constructive help to their chapters. Each chapter seems most anxious for further ways to make its group outstanding in Pi Beta Phi.

Following the usual custom of the office, the Grand Vice-President sent two letters to all alumnæ clubs during the year. The first, in October, offered suggestions and encouragement for the year's activities; the second, one of greetings for Founders'

Day.

More Founders' Day celebrations were held this year than ever before. In communities where no active club exists, these annual affairs serve a real purpose, that of fostering fraternity spirit. Out of many of these informal get-togethers have grown some of our present energetic clubs. Space does not permit a complete list but a few of the larger gatherings may be mentioned here: the New York City and vicinity luncheon; the Washington, D.C., and Gamma Province luncheon; the Indiana State luncheon in Indianapolis, which still holds the record attendance of almost four hundred; the Michigan State Iuncheon at Detroit; the Ontario Province gathering at Hamilton; the St. Louis banquet; the Kansas City Cookie Shine; the two-day Eta Province conference held with Illinois E; the union of Des Moines and Ames alumnæ, with the Iowa I chapter to honor Miss Onken; the Denver, Boulder and Colorado chapters uniting; the Seattle banquet with Mrs. Soule, Founder, present; the northern Californians at Palo Alto with two chapters and four clubs participating; and in Los Angeles, six clubs and two chapters combined to recognize the day and pay homage to the **Founders**

At this point two other large fraternity gatherings, in addition to the inspiring conference in

Evanston where Miss Onken was honor guest, may be mentioned. In May, actives and alumnæ of Florida joined for a fine meeting with Miss Onken in attendance. In June, Kappa province gathered at Shreveport, Louisiana, for a two-day session to which the Grand Vice-President was sent as official Grand Council representative. These state and province meetings have proved so worthwhile in bringing a closer understanding between alumnæ and actives and a clearer conception of fraternity activities, that it would be most beneficial for other provinces to sponsor them when possible.

Indicative of added interest in fraternity matters is the growth in contributors to our national projects. Last year only one province, Lambda, had every chapter and club contributing to the Settlement School, the Endowment and the Loan Fund; this year, Delta, Epsilon, and Lambda provinces all hold perfect records, a fine achievement for those clubs and chapters and for the province officers who worked so faithfully to establish this record. Theta province deserves Honorable Mention also because every club of that province supported all three

projects.

The total amount of contributions to our primary activity, the Settlement School, have fallen below last year's mark but these totals do not measure the genuine spirit of cooperation of our alumnæ. With the exception of our four temporarily inactive clubs and those too recently chartered to function this year, very few clubs gave nothing toward the maintenance of the School. The largest per capita donations do not necessarily come from the largest clubs. Members of the smaller groups work just as energetically and the results may manifest an even greater percentage interest than the larger metropolitan club. The fraternity is deeply grateful for the support of every one and wishes that every club and chapter might share the joy of earning something for the Settlement School. The continued striving together for a common cause means further welding of our membership. To visit Gatlinburg is to have extreme pride in what has been accomplished; to investigate conditions there is to come away with even greater resolve to cooperate with the Settlement School Committee in bettering conditions still further in and around Gatlinburg. Much remains to be done when alumnæ can extend their support to make it possible.

Arrowcraft products of the School have come in for more widespread attention this year. Many clubs which had not handled these goods have had teas and displays and the volume of business has increased. That the Arrowcraft sales make living possible for many of those mountaineer families of Tennessee is reason enough to promote them; but the beauty of workmanship, design, and color increases their market, once the articles are seen.

creases their market, once the articles are seen.

The attention of every club is called to the report of the Magazine Agency. Commissions on magazine subscriptions furnish a splendid source of income and too few clubs are availing themselves of this medium. Every club can have as fine a record as do the ten clubs standing foremost in magazine sales; were this done, the School would indeed benefit.

Alumnæ have given generously to the Loan Fund

and the Endowment. The active girls have availed themselves of this Loan Fund. The fraternity will further strengthen as the Endowment Funds are released.

The Province Vice-Presidents have kept in closer touch with the clubs of their respective provinces and the reports show how much more general has been alumnæ participation in consequence. The department is grateful to the officers and members of the clubs for their cooperation in forwarding promptly questionnaires and officers' lists. From the 168 clubs have come 146 questionnaires and 137 officers' lists, a better response than other years. Theta Province receives Honorable Mention for being 100 per cent in both. At the close of the year, it may seem burdensome to care for these details. However, questionnaires are important in giving every club due credit for its achievements; failure to send officers' lists means that a club is not listed, correctly, in the Alumnæ Directory which appears in the September Arrow.

The usual contacts have been maintained by the Grand Vice-President with the Province Vice-Presidents, through general monthly letters and personal correspondence when expedient. In addition, personal conferences were possible with her Assistant and five of the Province Vice-Presidents in the course of chapter and club visits. These were of invaluable assistance as they brought this office much closer to particular province needs. The Grand Vice-President here extends to her capable Assistant and to the Province Vice-Presidents, her deep

gratitude for their worthy efforts within their respective fields and their ready response to her suggestions, always.

*With the exception of Eta Province, the personnel of the twelve Province Vice-Presidents has remained intact throughout the year. The vacancy caused by the resignation of Ruth Sutton soon after Convention has been ably filled by Dorothy Hunt Dengel of the Milwaukee club. The close of the year brings two other resignations, that of Juanita O'Day from Lambda Province and Hilda Henry of Zeta Province. These three officers have given much to the progress of the alumnæ department and the fraternity has accepted their resignations regretfully.

Appreciation is here extended to Miss Onken for her constant cooperation; to Mrs. Stoolman, Mrs. Stark, and Mrs. Alford for their assistance; and to the many others who have expressed their confidence and have lent their support to the upbuilding of this department of the fraternity.

Suggestions on ways to improve the alumnæ department have been solicited and are always most welcome. Looking ahead to the Convention year of 1936, from the alumnæ angle, the Grand Vice-President earnestly hopes that each club will strive toward increased membership; that every club will be able to contribute more generously to every fraternity project, and that the alumnæ department may have a record attendance of club delegates and visitors at Convention.

RUTH BARRETT SMITH

REPORT OF GRAND TREASURER

August 5, 1934

TO THE GRAND COUNCIL OF THE PI BETA PHI FRATERNITY: We have made an audit of the Cash Receipts and Expenditures of your Grand Treasurer, Mrs. Lois F. Stoolman, from August 1, 1934, to July 21, 1935.

The Cash Receipts from all sources have been entered of record, placed to the credit of the several funds and deposited in Banks. The Expendiures were evidenced by checks properly entered of record and passed through the Banks. The balance of Cash on Hand was reconciled with the amount as shown on deposit by the Banks.

The securities belonging to Endowment Trust Funds were verified by statements from depositories, and all other securities and notes were examined and found correct. These securities are all

Acrete

carried on the records at cost value.

The Schedules attached hereto, as a part of this report, have been prepared from the records as closed, and we believe they are in such form as to be self explanatory.

From our examination of the records, we are warranted in certifying that the Cash Receipts and Expenditures have been properly accounted for during the period under review, and that the attached Balance Sheet represents the true financial condition of the Pi Beta Phi Fraternity on July 21, 1935.

Respectfully submitted,
PORTER HAMILTON & Co.
By PORTER HAMILTON

Lois F. Stoolman, Grand Treasurer

ARROW EDITOR

THE YEAR 1934-1935 has been a most eventful and interesting one for the ARROW, bringing with it the celebration of the fiftieth anniversary of the magazine. In consequence, I have this year spent much time on the historical work, prepara-tory to the Golden Anniversary number. It has been a privilege to meet and talk with the first editor of the Arrow, Mary Miller Barnes, and the third editor, Isabella Hudson Cartwright, who were most gracious in giving their help. I have also been in correspondence with every living editor of the Arrow, and I want to thank them most cordially for their interest and cooperation. Going back over the story of these years has been a thrilling source of inspiration.

The first issue of the year was the Information Arrow—unusually large this year, due in part to the three year interim between Conventions, which greatly increased the length of the reports of offi-cers. It was far too expensive to print all of this matter in our usual form, and yet I had done much cutting whenever it was possible.

The November issue was the rather monumental one of the Directory, for which we owe thanks to our efficient Central Office and especially to Mrs. Purdunn. It has been one of the most popular issues we have ever had, and I strongly recommend that we carry out the plan of issuing this number every four years.

The February issue, the first open issue of the year, was devoted to news of Convention. Much delightful material was submitted for it, and much had to be rejected, many fine pictures not used, because the issue had to be kept to 96 pages, our

standard size under the new page size. The May issue was the Golden Anniversary one. The alumnæ department had voted an appropria-tion of \$750.00 for this, and I used this to reprint the quaint original number of the Arrow. The type used is a modern one like that of the original, but for the cover, display pages, headings, etc., the photostatic process was used. The appropriation also covered the cost of the sixteen

pages of additional material in the issue. I have not been able to acknowledge all the delightful letters and messages that have come from all over the country about it-but I have truly ap-

preciated them, and have been most grateful for them. One girl wrote, "Seeing the first Arrow has made me a better Pi Phi!"—and that alone has made me feel that it was worth while.

Considerable progress has been made on the history. I spent an interesting day with Agnes Wright Spring, going over the material in the archives and talking over the whole matter—and I am satisfied that we are to have a real history.

I am hoping that the work on the history may be completed in time to bring it out next year.

I have visited this year fifteen alumnæ clubs, and five chapters with informal visits to two more. Complete reports on these have been made to the Grand President and the Grand Vice-President. I have had the privilege of being the guest of honor at three splendid Founders' Day celebrations, in Palo Alto with the clubs around San Francisco bay, in Los Angeles with the combined clubs in that region, and with my own club in San Diego.

At all of these mention was made of our Golden Anniversary celebrations, and the Los Angeles clubs most graciously honored the Arrow, making its Half Century the theme of its toast list, and entertaining the first, third, and present editors as special guests of honor.

An informal visit to the Washington Alumnæ Club on May 28 will close the year. The contacts with our fine members everywhere have been a joy, and an incentive to greater efforts for the fraternity.

The Arrow of the May issue was 21,200 copies. We grow at the rate of about 1000 copies a year, owing to our new initiates! We are by far the largest in point of circulation of the women's fraternity magazines, and only a few of the men's are larger in circulation.

I feel very deeply the necessity and the responsibility of making the ARROW a worthy repre-sentative of Pi Beta Phi in the fraternity world. It is a most interesting work—and in it I have had loyal support and cooperation from the staff and contributors and for them I have much praise and grateful appreciation.

I am grateful to the fraternity for the opportunity and the joy that the ARROW work has been to

me in this wonderful year.

ADELE TAYLOR ALFORD

ASSISTANT TO GRAND PRESIDENT

SINCE THE possibilities of rendering real assistance to a most efficient officer are very slight, the Assistant to the Grand President has as her definite duty the supervision of the Pledge Supervisors and the Alumnæ Advisory Committees. The associations through contacts and correspondence with these two groups have been most delightful and stimulating.

At the beginning of each semester a letter has been sent to the Pledge Supervisor of each chapter, with instructions and suggestions for her work. Many of these girls have not only replied with the proper information but have contributed new ideas and splendid suggestions. Others have failed to cooperate. On the whole the Pledge Supervisor is

one of the strongest officers in all our chapters. The results of her work for the Fraternity are definitely shown in a short time in her chapter. Many of our strongest girls are holding this position. Sixty-one of our seventy-nine chapters had most efficient

Supervisors this past year.

As the college year progresses the Advisory Committees assume more and more responsibility. The replies to the letter sent in the Fall are not so helpful or informative as those sent by the Committee in response to the letter issued to them at the beginning of second semester. The Committees' Annual Report is most helpful and almost without exception is sent on time and with helpful suggestions. These committee members, giv-

ing so generously of their time and energy, are largely responsible for much of the success of our

chapters.

This office has had correspondence with the chapter presidents to compare and establish a standard for the letters sent by the chapter sponsor to the parents of the pledges. The chapters have not perfected this letter and next year must put more time and effort into writing it.

It was a distinctive privilege for the Assistant to the Grand President to attend the Greek Conclave held at Ohio Wesleyan on December 7, 8, and 9, 1934. There were representatives from seventeen national women's Fraternities and as many from

the men's.

During the year it has been a real pleasure to visit officially eleven chapters which included, Ontario A, New York A, P, and A, Vermont A and B, Nova Scotia A, Maine A, Massachusetts A, Illinois E, and Wisconsin A. The inspiration gained from chapter visits carries with it a very strong realization of the joy of the Fraternity. It has also been the privilege of the Assistant to the Grand President to visit officially the following alumnæ clubs, Toronto, Buffalo, Syracuse, Boston, Hartford, Westchester County, New York, New York City, and the Long Island group of the New York Club. She also was happy to meet with the alumnæ of Ithaca for luncheon, and with those at Middle-

bury, Vermont.
Founders' Day was celebrated as the guest of the Detroit Alumnæ Club at the Michigan State meeting at Detroit. The day before and the one following this were spent with Illinois E as hostess at the Eta Province Conference. These were

most delightful occasions.

The Assistant to the Grand President has ended her work by making a survey of the pledging and initiation statistics for the closing college year, this survey indicating that the much talked-of depression has had no bad effects upon Pi Beta Phi membership. The opposite effect, continued growing numbers, is the result. The work has been made easier by the cooperation of the Province Presidents of Alpha, Beta, Gamma, Epsilon, Eta, Theta, Iota, and Lambda Provinces.

Every chapter sent in the questionnaire since May 15, 1935.

Total pledges this year-returned from last year and new this year-1852.

Total initiated this year-returned from last

year and new this year-1152.

New Pledges this year—1449. Of these initiated this year—861.

60% of this year's pledges were initiated. 31% of these are still pledged.

62% of all pledges, old and new, were initiated. 27% of these are still pledged.

60% of this year's pledges initiated.

+31% of this year's pledges still pledged. 91% accounted for. 100%—91%=9% lost. Lambda Province initiated 77% of this year's

pledges and 78% of total pledges. Lambda Province has only 15% of this year's pledges left as pledges and 16% of total.

Lambda and Iota Provinces initiated 20 of 23 returned pledges and 10 of 10 repledges.

100% Chapters

Alberta A initiated all of returned pledges and 15 of 15 pledged this year.

Illinois B-A initiated all of returned pledges and 19 of 19 pledged this year.

Each has a second semester pledge, pledged too

late to initiate this year.

Florida I initiated 7 of 7 pledged this year and had one returned pledge expire.

Oregon A initiated 16 of 16 pledged this year

and had one returned pledge expire.

Each has one pledged second semester, too late to be initiated this year.

Honorable mention.

Iowa A initiated all of last year's returned pledges and 8 of 9 pledged this year.

Iowa Z initiated all of last year's returned

pledges and 14 of 15 pledged this year.

Washington A initiated all of last year's returned pledges and 25 of 26 pledged this year.

For the opportunities of close association with Pi Beta Phis everywhere and the joy that this has brought, the Assistant to the Grand President expresses gratitude.

> Respectfully submitted, FLORENCE HUNT WEBSTER

ASSISTANT TO THE GRAND VICE-PRESIDENT

A NOTHER YEAR has slipped by and as the time comes to make annual reports I realize more keenly the privileges that have been mine in serving the fraternity in an official capacity. Since submitting my last report I have had the pleasure of knowing personally the officers that I had not previously met and the opportunity of making new friendships—an opportunity made possible by attendance at any Pi Beta Phi Convention.

My first duty for the current year, after sub-mitting for publication in the Arrow the minutes of the Alumnæ Sessions of the Thirty-First Bi-ennial Convention, was the compilation and dis-tribution to all alumnæ clubs of the Highlights, both legislative and social, of the above mentioned

Convention.

It is one of the duties of this office to work

with all newly chartered clubs. Letters offering assistance and suggestions were written to all clubs chartered since June 1933, and in many cases individual help was given when requested. Letters of welcome were written to each club as it was chartered.

The Province Vice-Presidents and this office work together in stimulating interest in forming new clubs. Plans were laid in each province to that end, and as a result of combined efforts, in which our Grand Vice-President, Ruth Barrett Smith has played no small part, we have eight new clubs chartered since June 1934. There are other groups that are working for their charters and it is expected that the next year will see our steadily in-creasing number of alumnæ clubs further augumented.

At the suggestion and request of Province Vice-Presidents, I have written to certain clubs suggesting ways in which their problems have been successfully overcome by other clubs.

It was my pleasure and privilege to write the monthly letter to the Province Vice-Presidents while

Mrs. Smith made fraternity visits.

Following the resignation of Ruth N. Sutton as Eta Province Vice-President, I handled during November and December the work of that province until a new Province Vice-President could be ap-

Letters expressing the appreciation of the fra-ternity for their splendid work and cooperation were written to all Mothers' Clubs. This resulted in the receipt of many letters from those clubs, in some cases asking for suggestions or assistance which was gladly given.

Letters were written to all chapters where there are no Mothers' Clubs urging the observance of Mothers' Day by that chapter and also urging the formation of a club where it was found to be

practical and possible.

A statement of aims and policies to be used by Mothers' Clubs in acquainting new pledge mothers with the fraternity, or by chapters for Mothers' Day programs has been prepared and submitted to Grand

Council for their approval.

With the establishment of the Army and Navy Auxiliary as voted by last convention, a new duty has been added to the work of this office. I have been in correspondence with the Chairman and policies have been formulated for the eventual functioning of this phase of the Alumnæ Department.

Early in April letters were written to eighty localities where there are sufficient resident Pi Phis to form an alumnæ club urging them to plan a Founders' Day celebration and at that time make plans for application for an alumnæ club charter. In this connection, may I pause to thank Mrs. Alford and also Mrs. Purdunn of Central Office for our new directory and the inclusion therein of a geographical section, and thank Grand Council as a whole for making it available to so large a per cent of our membership by giving it to us as one of the regular issues of the Arrow? It has been invaluable! May I also urge any Pi Phi living where there is no club who is desirous of having club contacts and is willing to help organize a club to write me? My Founders' Day letters are, for the most part, addressed to members whose names are selected at random from the lists and therefore do not always bring the desired results.

It was my privilege to take part in the Round Table discussions and program of the Indiana State Founders' Day at which Ruth Barrett Smith was

the honor guest.

All the constitutional duties devolving upon this

office have been performed.

In conclusion I wish to thank all those with whom I have had the pleasure of working for their friendship and cooperation, and to express my ever increasing appreciation for Pi Beta Phi.

Respectfully submitted,

MARIANNE REID WILD

NATIONAL HISTORIAN OF PI BETA PHI

ACTUAL WORK in collecting data and compiling information for the writing of the new History of Pi Beta Phi began with the receipt of the files and Archives of the former Historian on October 28.

I have read all manuscripts, letters, etc., in the Archives, running two files of notes: one, pertaining to the individual chapters and the other, a file arranged according to subjects.

Other work during the year includes:

Removing all duplicates from the Archives. The making of typewritten copies of the most precious documents so that the originals need not be removed from fireproof cabinet.

The checking up of the List of Supplies and filling in all material lacking from the Archives.

The collection of more than 200 signatures of early officers and Founders.

The checking up of all charters on file in Archives and the sending of 28 letters to the chapters whose charters were missing.

The sending of a personal letter to each Chapter Historian, outlining the data and material desired for the new History.

The writing of many letters to individuals in search of historical data.

Have given assistance upon request to: Nebraska Beta desiring material for a pageant; to the ARROW Editor for early ARROW history; and to Mr. Lynn Milam of Dallas, Texas, who desired data relative to the Constitution.

The making of a complete typewritten copy for

the Archives of Volume 2, No. 1 of the Arrow, borrowed from Kansas Alpha.

The preparation of a brief Historical Résumé of Pi Beta Phi from May 1, 1934 to January 1,

I have acknowledged all letters, requests, and the receipt of special gifts.

I am now engaged in the actual writing of the

new History.

I wish to acknowledge the very splendid co-operation of Grand President Amy B. Onken, who has sent in so much valuable material to the Archives and has helped so much with advice. I want to thank Adele Taylor Alford for her helpful supervision, and the other members of the Grand Council for their suggestions, interest, and encouragement. I wish, too, to acknowledge the splendid cooperation of Chapter Historians, and the most efficient and prompt help given to me by Beatrice

Purdunn of the Central Office.

The following is a list of ACCESSIONS since July 1, 1934: Sent to the Archives by Amy B. On-

ken:

Photograph of Emma Brownlee Kilgore taken in about 1867, presented by Karl W. Fischer, assoc. editor of Beta Theta Pi.

The first arrow made by Balfour with the 12 links in the chain.

Correspondence from Karl Fischer relative to his article on Monmouth College and the "A" SoClippings from the Dallas Morning News.

The Postoffice notice of admission of THE Arrow as Second-Class matter at Lawrence, Kan., June 29, 1885. Presented by Mrs. George March, who is a great niece of Jo March Marvin, former ARROW Editor.

List of members of Gamma Chapter of I.C. (Presented by Mrs. March)

A Welcome by R.S. (Presented by Mrs. March)

A Constitution of I.C. Sorosis. Adopted by Grand Alpha in 1885. A letter written on Dec. 16, 1880 by Hattie J. Gassner, Mt. Pleasant, Iowa, to Miss Jo March, enclosing the Minutes of the Convention held at Mt. Pleasant, Iowa. Oct. 1880. (Presented by Mrs. March)

Presented by former Grand President Julia Ferris Hubbs of 1263 Oak St., Eugene, Oregon: A copy of THE ARROW, Vol. 2, No. 2, 1886. Presented by Madelon C. Medes: Clipping of Ot-

tumwa, Iowa Convention, '88.

Presented by Adele Alford: A copy of The Hoos, the Convention paper of Kappa Kappa Gamma. Presented by Vera Kirkpatrick: Banquet Program

Innumerable pamphlets, booklets, data: from Central Office, A copy of *The Fraternity Month* with article on Amy B. Onken.

I urge all alumnæ and actives to send historical data to the Archives, especially old letters and records previous to 1890.

> Respectfully submitted, AGNES WRIGHT SPRING

NATIONAL SUPERVISOR OF CHAPTER ACCOUNTING

THE NATIONAL Supervisor of Chapter Account-

ing submits the following report:

During the month of September 1934 letters of instructions were sent by Mrs. E. L. McKendrew to the chapter treasurers. A letter from Mr. Busey was enclosed. Letters were also sent to all financial advisers outlining their duties and copies of the letter to the chapter treasurers were enclosed in order that the advisers might be able to check up on the various points brought out in the letter, when checking over the monthly sheets and reports. Notification was given of the resignation of Mrs. McKendrew and the appointment of Mrs. V. W. Adkisson of Fayetteville, Arkansas to succeed her. A copy of "Building and Balancing Budgets" by Marie Leonard and Marie Freeman Palmer was sent to each chapter treasurer.

The work of the National Supervisor of Chapter Accounting was carried by Mrs. Adkisson until January 20, 1935, when she resigned and the present National Supervisor was appointed.

Control Sheets were received from all chapters.

A few were returned for correction.

The following chapters operated at a loss from September 1934 up to the end of the month named below:

| Maine A March\$ | 274.15 |
|-----------------------|--------|
| Vermont BMarch | 58.79 |
| Massachusetts A March | 13.40 |
| New York AApril | 32.18 |
| Michigan AApril | 330.43 |
| Indiana PMarch | 202.53 |
| Missouri F February | 166.90 |
| Kentucky AMarch | 89.92 |
| Iowa A March | 44.74 |
| Iowa BApril | 175,66 |
| Nebraska BApril | 122.30 |
| Kansas AApril | 527.49 |
| Kansas BApril | 286.70 |
| New York Δ December | 474.65 |
| Washington BApril | 386.16 |
| California AApril | 410.27 |
| | |

\$3,647.14

With several of the above chapters the loss seems to have increased during the last few months.

Maine A increased their loss of \$84.95 to \$189.20 on their Jan.-March report. Vermont B showed a loss on their Dec.-March report using up their gain previously made and leaving a loss of \$58.79. Massachusetts A incurred a small loss during the first few months and have cut that loss to \$13.40. New York A had a gain of \$524.07 up to April 1 and during April incurred a loss of \$556.25 bringing their net loss on the year to \$32.18. Michigan A operated at a gain until February 1; in February they had a loss of \$249.62; in March a loss of \$234.13 and in April a gain of \$87.08 bringing total loss to May 1 of \$330.43. Indiana I' reports for September, October, November, December, January, and February were not received until April 1. They were all returned for correction except March and have not been returned to this office. Their loss of \$202.53 was prior to March. Missouri Γ incurred a loss of \$165.74 in September; \$106.94 in October and November; a total of \$272.68. In December, January, and February they reduced the loss to \$166.90. Kentucky A had a loss of \$60.23 in September; \$47.60 in October and November; a gain of \$119.67 in December and January and a loss of \$101.76 in February and March bringing total loss to \$89.92. Iowa Alpha had their loss in early school months and have reduced the amount to \$44.74. Iowa B had a loss of \$124.21 prior to December 1. In January their loss was \$17.14; in February their gain was \$183.61; in March a loss of \$236.81 and in April a gain of \$18.89, bringing their loss May 1 to \$175.66. Nebraska B sustained a loss of \$508.34 o in December and \$116.87 in March. The gain for the other months has cut their loss to \$122.30. Up to December 1 Kansas A had a loss of \$1800.98 which has been reduced to \$527.49 on May 1. (I do not have any of their reports prior to December so cannot give the details of such a large loss prior to December 1. The same is true of Kansas B). Kansas B had a loss of \$744.64 up to November 1. That amount was reduced to \$286.70 by May 1. On December 1 New York A showed a \$1208.32. They reduced it to \$474.65 in December (January and February reports returned to New York Δ for correction and not returned). In March (Continued on page 23)

they showed a loss of \$707.10 and in April a gain of \$639.13. Although their March report balances they do not show any assessment for commissary and house departments. I believe this must be an error. Washington B had a loss of \$591.26 up to November 1. This was reduced to \$386.16 May 1. On January 1 California Δ showed a gain of \$700.85. There were losses in January, March, and April bringing the loss to \$410.27 on May 1.

and April bringing the loss to \$410.27 on May 1.

Delinquency has been a very outstanding problem this year. I do believe the chapters are endeavoring to clear up all old and new accounts by the time school closes in June. In my letter of May 10 to chapter treasurers definite instructions were given as per rulings passed at Convention. If instructions are followed every account should be settled in some way (by note, probation, cash) on the May-June report. Many chapters show delinquents on the chart which are already paid and which were paid at the time the monthly report was made out. These will be cleared on the May-June report. California A showed a large list of previously due and overpayments on their January report. The writer was in California and realizing the complicated situation with this chapter assisted their treasurer in making their February, March, April and part of their May reports. A careful analysis was made of old accounts showing overpayments for many months. In most cases these were not correct. In September, certain balances still owing had evidently not been brought forward. Then the members paid the old bills and the money was received in September. This showed an overpayment which was erroneous. Adjustments were made on all overpayments and amounts still

owing. On February 1 their reports showed still owing as \$887.64 and only \$503.46 May 1. I believe this chapter will operate much more efficiently next year under the guidance of their new financial adviser, Mrs. Palmer.

I shall be glad to submit an additional report regarding delinquents as soon as the May-June re-

ports are all in.

Arizona A and California A had audits made as per suggestions. Audits have been recommended to several chapters where there has been a difference between Mi and Bank Reconcilement. This has created a very difficult problem for this office. New York Alpha Alumnæ Association has charge of board and room yet the chapter assesses in the house and commissary departments. On April 1, New York A showed cash balance for month \$3054.42 yet their actual bank balance was only \$731.94. I have no way of knowing when or if they make an error. An error could be made every month and not be noticed as long as these two do not agree. On April 1 Mr. Busey wrote to the chap-ter making recommendations but no change has been made in their reports to date. Wisconsin A has a similar situation. On their May report they show Mi \$2824.10 and only \$929.27 in the bank. I have been assured by Mrs. Webster of the very fine standing of this chapter. I do hope some plan can be worked out in the fall so that these chapters will have balanced reports.

Cash gain or loss and Mi agreeing with Bank Reconcilement has caused very much trouble to

this office.

Respectfully submitted, NELL WEAVER WILL

PI BETA PHI MAGAZINE AGENCY

STILL AMAZED by a most successful year in the magazine business, and absolutely thrilled by the great success we have had, the Director of the Magazine Agency is very happy to give the report of the magazine business for the year 1934-35.

The amount of profit we have realized this year is \$2000.00. This money has been sent at various times to Miss McCleverty, the treasurer of the Settlement School, who has sent this sum to our school. All proceeds from the Magazine Agency go toward the support and maintenance of our

school in Gatlinburg.

Things have happened this year in the art of selling magazines. Almost over night, our girls over the country have flashed upon the scene a new technique in selling magazines. More people are contacted and the Pi Phi Magazine Agency is reaching out past our own circle, our home and friends, to outsiders, professional and business men and women, who are becoming our most satisfied subscribers. Many of our smaller clubs have shown a decided increase in business this year. Supremely interesting to the Director is the fact that many individual Pi Phis that are not affiliated with any club send in their magazine orders, which goes to prove every Pi Phi is really becoming magazine conscious.

Whether you have sent in many orders or few, we wish to assure you of our intense desire to cooperate with you. Our subscription business is growing every year, and in the few years we have been in existence we are very proud of the great success which we have had. Thousands of people are among our satisfied customers.

Some chapters and clubs have produced a great amount of business and are to be congratulated on their wonderful work for this year. The chapters and clubs not making such a good showing, need not be discouraged, but with an intensive campaign and new social groups to be contacted, their business is bound to grow.

"The enthusiasm of our subscribers will pave

"The enthusiasm of our subscribers will pave the way to many new orders and aid us in building up a list of excellent prospects"—so one agent

informed me.

Gift suggestions have a great appeal to our busy

friends of today.

A magazine subscription is now recognized as the most tasteful and satisfactory gift. It's not looked at—laid aside—forgotten. It is actually 12 separate gifts in the case of a monthly, and 52 separate gifts in the case of a weekly.

Our prices are extremely low, as we have advantage of all wonderful club offers, and the Pi Phi Agency is authorized to accept subscriptions for every magazine and newspaper published in any language on the face of the earth.

any language on the face of the earth.

One publisher pointed out to the Director of

the Agency, a few of our good prospects.

Are you transferring to another college this year? If so, please notify the Committee on Transfers whose address is given in the Directory at the front of this issue.

CENTRAL OFFICE

THE DIRECTORY of the fraternity was the most important project of the Central Office for 1934-35. The actual typing of this work was begun August 15, 1934. The Office was fortunate in being able to employ for this extra work two local stenographers. It took about twenty-three days of steady typing with three typists at work to complete *one* section of the Directory. Copy, galley, and page proof were all read for errors. The last of the page proof was corrected and sent to the printer on December 3, 1934, and the Directories were mailed the last of December. The cross-reference or married section cards of the Central Office files all had to be numbered from the chapter section in order that the cards would serve the purpose of a cross-reference. Two extra girls were at work on this for three months. Had this not been necessary, the work on the Directory would have progressed more rapidly than it did. Twenty-five thousand copies of the Directories were printed. Twenty thousand were sent to the regular subscribers to the Arrow. The remaining 5,000 will be sent to the new initiates for the next four years or until a new Directory is issued.

All chapters were requested to correct their Record of Membership Books, Card Files, and Book of Initiates' Signatures and send in a signed affidavit that their records were in accordance with the Directory. The Director believes that this is one of the direct, worthy results accomplished by the Directory. There has been less difficulty this year than ever before with the correct numbering of the

initiation certificates.

The non-subscribers' drive was put into force to enable members initiated before 1908 who were not receiving the Arrow to subscribe to the magazine at the reduced price of \$7.50 for a life subscription. Nineteen of the non-subscribers have taken advantage of this offer to date and the Director hopes for many more.

The Central Office handled the average amount of routine work and mimeographing this year for instructions to chapters, alumnæ clubs, and officers. The mimeographing was greatly facilitated by a

new A. B. Dick mimeographing machine.

Subscribers will notice that their Arrows no longer have the guarantee of return postage on the wrappers except for the Information and Directory issues. The expense of paying the return postage on

Arrows was becoming too heavy. When an Arrow is undeliverable now the receiving post office sends us a card stating that the magazine is undeliverable, but the Arrow is not returned to the Central Office. Each one of these cards costs the Central Office 2c, For this reason the Director will appreciate it more than ever if the subscriber will send in her correct address or name when there is a change.

From August 1, 1934 through May 31, 1935 the operating expenses of the Pi Beta Phi Central Office

were as follows:

| Salaries (Including Director's Salary) | \$2,943.60 |
|--|------------|
| Rent | 260.00 |
| Express & Postage | 551.84 |
| Misc. Expense and Supplies | 779.15 |
| Telegraph and Telephone | 72.04 |
| Tax on checks | 2.65 |
| Postage on Returned Arrows | 85.00 |

The Central Office collected \$878.81 from chapters, alumnæ clubs, and individuals for supplies this year as follows:

| Miscellaneous (blanks, etc.) | \$287.21 |
|------------------------------|----------|
| Songbooks | 43.50 |
| Stationery | |
| Arrows | |
| Recording Secretary's Book | |
| Ribbon | |
| Installation Supplies | 100.00 |
| TOTAL | \$878.81 |

The fraternity has 1281 new initiates for the year. Last year 1085 members were initiated. There were 98 new initiates from our two new chapters this year, but even though we subtract this 98 from this year's number we would have a gain of 98 initiates over last year's number.

The Director is grateful to the members of Grand Council, to the national officers, to the active chapters and to the alumnæ clubs for the wonderful cooperation she has had from them this year.

Respectfully submitted,
BEATRICE STEPHENSON PURDUNN

SETTLEMENT SCHOOL COMMITTEE

THE TWENTY-SECOND year in the life of the Settlement School has closed, and in some respects it has been an outstanding year. Nothing has been spectacular but there has been continued progress. In comparing our School with those of like character, the Committee thinks the Fraternity should be proud to have been able to maintain such an institution with very little retrenchment.

This year the dormitories were opened, and about twenty boys and girls took advantage of the opportunity for better schooling. The enrollment in

the School was the largest in its history.

Mr. Wm. King returned to be Principal of the School, and with an able corps of teachers had a most successful year. Mr. King and Jean Handley were the high school teachers of the regular subjects; Mr. Don Smith taught agriculture and Miss Mary Elizabeth Spencer had charge of home economics. Mr. Smith has been a member of our faculty for a number of years and we regret his resignation which becomes effective July 1. Mr. Smith is leaving to assume management of his father's farm. All classes for the seventh through the tenth grades were held in the high school building. The grammar school was over-crowded and next year at least one grade will have to be transferred to another building. The grammar grades were taught by Eleanor Brabson, Miriam Swann, Mattie Huff Lawson, Dorothy Douthat, and Stella Huff. All of these teachers were most conscientious in their work in the schoolroom as well as in the community. We are losing Mattie Huff, Iowa Γ , and Dorothy Douthat, Missouri Γ , as they have married young men in Government service. Both young couples are living in attractive cottages recently built in Gatlinburg

Mrs. Eunice Weaver, Illinois Z, has been the Director during the year, and she has endeared herself to the community and the staff. Virginia Moore, our nurse, has continued her constructive health service for a radius of ten miles, and the regular clinics have been conducted throughout the year. Her report gives full details of her effort spent in bettering living conditions. She has been delighted to have the boxes which have been sent to the hospital with needed supplies, such as bandages, layettes, etc. Lucy Field, Texas A, has com-

pleted her second year as bookkeeper and her work has been very efficiently executed. Mrs. Mc-Donald, housemother for the dormitories, has been most faithful, and her supervision of the house-keeping department reached the usual high mark of past years. The entire Staff has served the School in a very capable manner, and to them the Committee extends its sincerest words of praise and gratitude.

Arrow Craft has shown a splendid year of progress. Its managers have been Mrs. Emma Pattengill and Mrs. Ethel Snow, both of Iowa I. Due to their fine efforts the Shop has closed its busiest year. During the fall the peak of shipping was reached; the months of November and December equalled the total of previous years up to '33. Mrs. Mitchell was Weaving Supervisor; the Shop assistant was our faithful Veatress Parton; and Lura Ownby has assisted in the Weaving Room. We have added Mrs. Duffield to our Staff, continuing her duties as manager of the Shop in the Mountain View Hotel. She weaves the handsome afghans which are popular sellers in many clubs. Her ar-

are in her Scrapbook.

Community activities are continuing under school guidance. Mr. King has had a splendid basketball team which brought visitors for the games. The P.T.A. and Weavers' Guild are thriving and both groups have had many interesting meetings. The Staff assisted in community gatherings, in the Church and its activities, the Old Timers' Day, and in every way possible has tried to promote a community spirit and civic responsibility. We are hop-

ticles in the Arrow are very interesting, as she recounts the many important visitors whose names

ing in the coming year to provide a recreational Director, as such a worker is greatly needed.

The Committee is delighted that the clubs and chapters have been enthusiastic in their support of the school. We have outlined no brilliant plans for the future, but we are happy in that the school has not lost step in its forward progress. With an indebtedness still upon us, we deemed it best to reduce it as quickly as possible. Should the state of Tennessee pass impending educational legislation regarding the two year high school, some important changes may be forced upon us.

This has been a year for many visitors to the school. The Great Smokies are attracting many tourists, and we are delighted that so many avail themselves of the opportunity to see our plant. There is a real need for a guide, but the members of the Staff add this task of guidance to their already full day's work.

The Chairman cannot close this report without expressing her deepest appreciation to Grand Council in particular for their sympathetic guidance and constant interest in the work. To the members of the Committee she extends her appreciation of the cooperation given during the year. To the Staff she acknowledges with pride their efforts and interest in their work. With heartfelt gratitude she thanks the fraternity one and all for the untiring interest loyalty, and financial support given to OUR SCHOOL.

FRANKIE C. HILL

PI BETA PHI SETTLEMENT SCHOOL REPORT ON AUDIT TREASURER'S ACCOUNTS YEAR ENDED JUNE 30, 1935

August 21, 1935

Miss Josephine McCleverty, Treasurer Pi Beta Phi Settlement School Seattle, Washington

Dear Miss McCleverty:

At your request we have made an audit of your accounting records as Treasurer of the Pi Beta Phi Settlement School for the year ended June 30, 1935. We have received a copy of the audit report of Messrs. Homer K. Jones & Co., Certified Public Accountants of Knoxville, Tennessee, covering the Settlement School books and Arrow Craft Shop books that are kept in Gatlinburg, for the fiscal year; also a report from the Magazine Agency at Wichita, Kansas, for the period beginning September 25, 1934, and ending May 21, 1935. We present herewith the Financial Statements prepared from your books after giving effect to the figures contained in these reports, showing the results of your operations for the year.

BALANCE SHEET-EXHIBIT 1

Cash on deposit at the Metropolitan Branch, First National Bank of Seattle, \$6,615.65, was verified by checking in detail and reconciling with the bank's statements. For confirmation of the remaining current assets you are referred to the report of Homer K. Jones & Co.

The amount due the School Endowment Fund is shown separately on the Balance Sheet. This represents cash paid into the Endowment Fund which was expended for school purposes prior to June, 1929. It has been reduced from \$16,573.41 to \$12,842.45 contributions of \$200.00 having been applied against this account during the current year.

Fixed Assets are shown in detail in Exhibit 6, showing the reserve for depreciation deducted. Live Stock is stated at inventory value as reported from Gatlinburg.

The Mortgage has been reduced from \$3,900.00 at June 30, 1934, to a balance of \$1,825.00. Interest was paid in full to June 30, 1935.

NET WORTH

The General Surplus has been charged with the loss of the Settlement School and credited with the net income of the Arrow Craft Shop, after which the amount of \$1,306.40 has been appropriated for the School Endowment Fund, leaving a balance of \$82,963.83 at June 30, 1935. Total Net Worth, including the General Surplus, is \$126,199.85. Contributions received during the year for the Endowment Fund totaled \$200.00. These amounts together with the above appropriation of \$1,306.40 were forwarded in cash to your National Treasurer for investment.

SETTLEMENT SCHOOL INCOME AND EXPENSE

The expenses of the Settlement School exceeded the income by the amount of \$1,457.78, as shown by Exhibit 2, which combines the figures shown by your books with those taken from your Gatlinburg accounts by Homer K. Jones & Co.

ARROW CRAFT SHOP INCOME AND EXPENSE

Exhibit 3 is a condensed statement of the income and expenses of the Arrow Craft Shop, which are presented in greater detail in the report of Homer K. Jones & Co.

MAGAZINE AGENCY EARNINGS

Exhibit 4 is taken from the report submitted by the Magazine Agency for the period September 25, 1934, to May 21, 1935. As no report was received covering the periods from June 30 to September 25, 1934, and from May 21 to June 30, 1935, we have incorporated the figures as shown in this report in closing the books for the fiscal year.

All necessary adjusting and closing entries have been made on your books to bring them into agreement with this report and to close the books as of June 30, 1935.

Respectfully submitted,

R. C. MOUNSEY
Certified Public Accountant

DIRECTOR OF THE SETTLEMENT SCHOOL

THE YEAR 1934-35 at the Settlement School does That show any great changes except that the enrollment of the school was increased, being 342, the largest we ever had, the dormitories were reopened, and a larger business was done by Arrow Craft.

The staff for this year has been:

Mrs. Eunice Weaver, Illinois Z, director.

William King, principal, mathematics and history, Jean Handley, Missouri Γ, English and geography. F. D. Smith, agriculture.

Mary Elizabeth Spencer, home economics.

Stella Huff, 5th and 6th grades.

Mattie Huff Lawson, Iowa Γ, 4th grade. Dorothy Douthat Manley, Missouri Γ, 2nd and 3rd grades.

Miriam Swann, 1st and 2nd grades.

Eleanor Brabson, primer. Mrs. Irene Mitchell, weaving.

Mrs. Ethel Snow, Iowa F, Arrow Craft manager. Mrs. Georgie Duffield, Mt. View Hotel Shop.

Lucy E. Field, Texas A, bookkeeper.

Virginia Moore, nurse.

Mrs. Mary Ella McDonald, dormitory and house manager.

Alice McCarter and Lura Ownby, weaving assist-

ants, Veatress Parton, Arrow Craft assistant.

Ambers Ogle, farm. Arlie Watson, farm. Bess McCarter, cook.

Lucile Ownby, cook.

Community

Gatlinburg is now the largest town in Sevier County, population fifteen hundred. With an increase in the number of tourists and visitors, quite a bit of friendly rivalry is being started between Gatlinburg and Sevierville, the County seat. A help to the community is the construction, by the Government, of the road in the Smoky Mountain Park towards Newfound Gap, employing local labor. All other construction in the Park development carried on by the Bureau of Public Roads, the National Park Service, and the C.C.C. camps is a financial help to the people in this section.

As one of the T.E.R.A. measures, an adult class in reading was conducted by Mrs. Sharp in one of our school rooms in the evenings. This was a wonderful opportunity for those middle-aged mountaineers who had never learned to read. Wylie Oakley, "The Roaming Man of the Mounwas a most enthusiastic pupil, and later

offered his home for the class.

At the little post office almost at our front gate, was the first-day sale on October 10th, of the new Smoky Mountain National Park stamp. This brought a big crowd and over sixty thousand

stamps were sold.

The usual County Fair was not held this year, for after inquiring among the neighbors and our local committee, it was thought that not enough money could be raised to finance it properly. Old Timer's Day was celebrated June 22.

The movies have been held in the school all

year and have provided well conducted entertain-

ment.

School

On August 13, the school opened with 282 pupils present. This number grew rapidly in the next two months, and we had difficulty in finding desks for the pupils. In some of the rooms, the rows of seats extended almost to the teacher's table. Everett Trentham brought two bus loads of children every morning, one from Cherokee at seven o'clock and one from Forks of the River at seven thirty; then took them back in the afternoon. This was paid for by the County with the exception of the ninth month, as were the grade teachers' salaries.

All were glad to have Mr. King back not only for his work as principal and teacher, but because of the interest in athletics which we knew would

be forthcoming.

Vivian Blair Reagan, a former teacher living near the school, offered her services as a substitute in teaching and other things during the year, and

was a great help.

There were a number of very popular and beneficial extra-curricular activities during the school year. An operetta, Paints and Patches, under the direction of Miss Handley and Miss Douthat, was presented in October. The basketball season, while not successful in the number of games won, was excellent from the standpoint of community support and the high type of sportsmanship ex-hibited by both players and spectators. The Christmas program was presented by the first six grades on December 20 and 21. This program attracts probably the largest crowds of the year. The seniors, under the direction of Miss Handley, presented a play, Hobgoblin House, on March 18th and gave a fine performance. The moving picture shows were discontinued for a few weeks during the basketball season, but there have been two shows a week since April 1st.

In addition to the school basketball team, we had a very successful community team. This type of activity in the community seems distinctly worthwhile. The games and other community ac-tivities were so well attended, that it was necessary to erect two rows of temporary bleachers in the gym; and to place guard posts along the edge of the driveway in order to keep the increasing number of cars from injuring the grass in front of

the high school building.

The dilapidated toilets for the grammar school building were removed and replaced by new and sanitary ones constructed by T.E.R.A. labor under the supervision of the County Health Department.

The Parent Teacher's Association worked hard to keep their basement lunch room going, furnishing a hot drink or dish for the noon lunch, and deserve much credit. They held three rummage sales and one benefit bridge party, raising over \$210.00.

A stage setting was furnished the auditorium through advertising on a drop curtain by merchants

in the vicinity.

School closed with the Commencement program May 2nd. The graduating address was delivered by Dr. Ralph Waldo Lloyd, President of Maryville College. Seven eighth grade and eleven tenth grade pupils received diplomas.

Mr. King and I visited Berea College during the year, and attended the Mountain Worker's Conference in Knoxville in April.

Dormitories

The dormitories were opened, and by October they were filled with ten boys and ten girls. The girls lived in their dormitory under the supervision of Mrs. McDonald, and the boys were housed in

Stuart Cottage with Mr. King.

Mrs. McDonald, who had managed the dormitories year before last, planned the work for the girls and managed them very efficiently. She also provided entertainment and supervised their study. She has had charge of all the houses as well as planning the meals and everyone is always pleased with the delicious food which she serves. She was assisted by two cooks.

The boys under the capable management of Arlie Watson and Ambers Ogle, kept up the work on the farm, in the school houses, and around all

the buildings.

The students were able to pay very little cash, but were all willing to work as many hours as possible, and in some instances brought in produce that was needed. They gained a wealth of knowledge and experience as well as an average of twelve pounds. We feel that this has been a successful year in the operation of the dormitories.

Home Economics

Miss Mary Elizabeth Spencer, a graduate of the University of Tennessee, has been our new Home Economics teacher this year. She was very enthusiastic over her school work and the outside activities, and planned costumes and decorations for all en-

tertainments. Due to the large enrollment of freshman girls and the lack of equipment for a group of this size, two classes for freshmen and one for sophomores were held during the first semester. After the first of the year, the freshman classes were combined, although there was insufficient equipment to meet the state requirements for the resultingly large class. Outside classes were formed during the second

semester.

Great progress was made in the sewing classes, especially noticeable in those who had never used a machine or made anything before. There was a great deal of interest in cooking, since the girls could easily have practical experience in their work. The units on Home Courtesies and Personal Grooming were of especial interest as was the course in Home Nursing taught by Miss Moore.

On April 13th the girls attended Open House in the Home Economics Department of the University of Tennessee. All were enthusiastic over

the exhibits there.

A Home Economics Club was organized this year, called the H.E.C. Meetings were held every two weeks and the girls sold candy, clearing enough money to buy club pins and have a wiener roast at the close of school.

Many women of the community attended the adult classes every Thursday. Clothing, cooking, and yard improvement were taught regularly, and the County Demonstration Agent met with them once a month for courses in gardening and canning.

Agriculture

Notwithstanding the increased price of grain, the extra number of young cows being raised to replace the old ones, and some badly needed improvements, the farm is about breaking even for 1935. Many things have been done that were more or less minimized last year due to the decreased labor. The flock of chickens is larger and all the fruit trees have been sprayed and pruned. Roads, drives, and fences have been kept in a better state of repair, and the whole place has a well kept appearance. There has been a demand for pigs from the three registered Poland China sows kept on the place. About twenty pigs were sold to local people who raise only enough corn to "fatten their meat," which usually means one hog. Some wanted to buy as many as two or three, but only one pig was sold to a family, because the demand was so much greater than the supply.

The farm is well managed under the direction

of Don Smith who has been with us six years. His assistants, Ambers Ogle and Arlie Watson, are distinct assets to the place. Mr. Smith has made the farm self-supporting, and a wonderful example to the community. The herd of cows and the fine condition in which they are kept receive the admiration of all who see them. The fast rotating feed crops which he plans, supply a big part of the huge amount needed to feed the cows, horses, hogs, sheep, and chickens. His farming methods and practices have proved very successful here and have received favorable comments by many authorities. His advice is continually sought by people in the community, and he is considered an authority on farming problems in this section of the country by his department and State Extension workers.

Considerable interest was shown in the new part time class for boys out of school. Its major advantage was giving these boys some activity which they could feel was their own. The school farm furnished, as usual, many opportunities for practical application of farm jobs learned in the classroom. Prizes were won for outstanding work done in the farm shop and exhibited at the Tennessee Valley Agricultural and Industrial Fair.

Hospital

Due to the increased population in Gatlinburg and consequently larger school enrollments, our nurse, Virginia Moore, has been busier than ever before. She has had charge of physical examinations and clinics in ten schools, and has done exception-

ally good work.

The Pi Beta Phi School with 145 Blue Ribbons won first place in the large school section in the contest and parade in Sevierville in March. For this honor, much remedial work was done. 127 children visited the dentist, and 3 had their tonsils removed. In cases of necessity, this work was financed by the Friends of the Mt. Children Fund.

Fifteen girls took the course in Home Hygiene and Care of the Sick as part of the Home Economics course and they will receive certificates from the State Department for having passed this amount of work.

Health committees have been organized among the mothers in all communities to assist the doctor and nurse with clinics and school examinations, and to create more interest in Public Health work. In Gatlinburg, this committee works through the P.T.A. which is most active in helping with school work.

There is now a resident doctor in Gatlinburg and he seems to be busy enough. It is more convenient and much less expensive to have his services. He is a great help in the case of accidents, and since we have had 11 victims of wrecks in the hospital this year besides many minor emergencies, it is easy to see that he is needed.

Miss Moore is very anxious to express appreciation to the many Pi Phis who have sent boxes of baby clothes and bandages. There is use and need

for everything.

A summary of the work shows:

1,143 field visits 922 office calls

1,117 individual pupil inspections 88 class room health talks

- 766 dressings for school children 371 completed typhoid inoculations
- 77 diphtheria inoculations 189 small pox vaccinations 75 Schick tests

3 Pasteur treatments

20 anti-rabic vaccinations to dogs

Arrow Craft

The Arrow Craft Shop was managed by Mrs. Emma Pattengill, Iowa F, until January 1st. Shipments were made to 97 clubs and many individuals during the fall shipping season, which she

handled very satisfactorily.

ginning of the tourist season.

Mrs. Ethel Snow, also of Iowa I, came January 1 to take charge of the Shop. Although the business with the clubs was waning after Christmas, she almost immediately found herself receiving big orders from stores and shops never dealt with before. This kept up the business through the usually dull months until the be-

To quote from Mrs. Snow's report, "Arrow Craft has had a prominent place at the Montclair Art Exhibit again this year. As a member of the Art Exhibit again this year. As a member of the Handicraft Guild we still continue with many orders handled through Allanstand, the Guild center, in Asheville, N.C. The Dogwood Festival held at Chapel Hill, N.C., made a place for our handicraft this year, due to the interest of some of our faithful alumnæ. It was pleasing to get word that in the competition for prizes, our Peasant runner got a first for general excellence Peasant runner got a first for general excellence and the Rainbow shawl had honorable mention. The American Federation of Arts Exhibit had its last showing in Berea at their Folk Festival in the latter part of April. It has been showing for two years and has brought us many sales with good publicity. At an urgent request from Chattanooga, we have a sample exhibit of our weaving at the National Folk Festival being held there this May."

New gold and brown curtains have been woven to replace the ones that were sold off the windows during the fall rush. It has been hard to keep the actual furnishings and exhibition stock on hand.

In spite of the changes in personnel, this has been a big year for Arrow Craft and we have managed to fill our orders, with nice profits. Mrs.

Pattengill, Mrs. Snow and assistant, Veatress Par-

ton, deserve much credit.

Arrow Craft had delegates at the fall meeting of The Southern Highlands Handicraft Guild at Russellville, and at the spring meeting in Knoxville, combined with the Southern Mountain Workers' Conference. The main work of the Guild now is the forming of a corporation with the T.V.A. and the establishment of a handicraft shop at Norris.

Hotel Shot

Mrs. Georgie Duffield, who has been in charge of the Mt. View Hotel Shop for five years, has just finished her busiest year. She makes many valuable contacts for the school and creates much interest among strangers in our work here.

Mrs. Duffield's afghans attract more attention than any other one piece of weaving we have. She has made this little Shop a successful undertaking from a financial and publicity standpoint.

Weaving

Mrs. Irene Mitchell of Iowa State College came August 1 to take charge of the weaving department. She was assisted by Alice McCarter until January 1 and then by Lura Ownby.

Regular monthly weaving meetings were conducted for the local Weaver's Guild and instructions were given on color, design, textiles, dyeing of materials, and drafting. Spinning was demonthe only ones left in the immediate neighborhood who know the art from years gone by. At one meeting, Miss Clementine Douglas, of the Spinning Wheel Shop in Asheville, gave a very interesting talk on foreign weaving and its origin. The high school girls presented a Danish weaving folk dance. The last meeting was a picnic on Roaring Fork.

Due to increased business, it has been necessary to buy great supplies of materials. Most yarn companies will allow a discount only on large orders, and it has been a problem to find a place to store the materials in such large quantities. The instructor was so busy in the fall and again in the spring getting out the articles of established popularity, that little time was left for designing.

The eighth grade girls were given instructions in class on the technicalities of weaving, and on color and design. They wove their graduation dresses of light weight wool in pastel colors.

The weaving room never ceases to be a marvel to visitors and even staff members cannot resist learning how to weave. From early morning until noon it is almost impossible to get through the crowd of weavers who come to get supplies and check in their weaving.

Mrs. Mitchell resigned and left the middle of May to open a tea room and shop of her own

up on the highway.

Office

In addition to the regularly outlined office work, Lucy Field, Texas A, keeps the accounts and time sheets of the dormitory boys and girls. She shares the office and equipment with other members of the staff who from time to time have to use the adding machine, typewriter, and mimeo-graph. She always has at her fingertips informa-(Continued on page 47)

Annual Reports of Committees

COMMITTEE ON EXTENSION

Your committee on Extension seems to have followed the principle of laissez-faire this year since we have no specific recommendations to make

to the fraternity.

We have continued the contact with Gamma Sigma at Connecticut State College. To date the college has not received the educational recognition required by Pi Beta Phi, however both Gamma Sigma and the college offer possibilities and are

deserving of our attention.

The alumnae club in Shreveport has continued its interest in Louisiana State University located at Baton Rouge. A group, Pi Beta, has made official inquiry of Pi Beta Phi. The Grand Secretary, who has made an unofficial visit to this campus, feels that the university and Pi Beta present unusual possibilities for strengthening our position.

The Atlanta, Georgia, alumnae have been inter-

The Atlanta, Georgia, alumnae have been interested in the University of Georgia at Athens, having approached this committee last year. Early in 1934-35 Alpha Theta sent an inquiry to Pi Beta Phi. Although the University of Georgia offers us a field for increasing our strength in that section of the country, the committee awaits the report

from Miss Onken, who has made an unofficial visit to Alpha Theta recently.

We have continued our correspondence with Sigma Delta Theta at the University of Akron located at Akron, Ohio. Alumnae have continued their interest in McGill at Montreal, Canada. Other members of Pi Beta Phi have proposed the possibility of establishing a chapter near the Settlement School, suggesting Vanderbilt University at Nashville, Tennessee.

In addition to the above the committee has had inquiries from Our Lady of the Lake College at San Antonio, Texas; Beta Chi at Willamette University in Salem, Oregon; Gamma Sigma at Washington College in Chestertown, Maryland; Psi Chi at the University of Toledo at Toledo,

Ohio.

After thoughtful consideration has been given to the inquiries and proposals made to the committee, we will have some definite recommendations to make for strengthening and maintaining our position as the outstanding international fraternity for women.

MILDRED TINGLEY BEISEL

COMMITTEE ON SCHOLARSHIP

THE PRINCIPAL problem facing the scholarship committee during the last year was its own reorganization in order to make it more sensitive to the needs of and fluctuations of scholarship in the chapters. Scholarship Blanks Nos. 1 and 2 were revised to obtain more information. Scholarship Form A was formulated to assist individual girls encountering difficulties in scholarship. A pamphlet, "Study Aids," was compiled to assist individual students in their methods of study.

The committee manual was rewritten, requiring a monthly series of reports and answering suggestions between the chapter scholarship chairmen and the province scholarship supervisor, the supervisors and the national chairman, and the national chairman and the Grand Secretary. It is designed to keep the committee in close touch with the problems of the chapters and to enable an exchange of suggestions that all chapters may benefit by the experiences of each. Included in the manual are complete calendars for each member of the committee to insure prompt reports.

A new method of grading the chapters in scholarship for the Standardization and Survey report was adopted by Grand Council as was explained in the last issue of the Arrow.

Grand Council has made the official scholarship ring, heretofore used for varying scholarship awards, a special award. It may henceforth be awarded only to the girl attaining the highest scholarship in her chapter for the entire year.

Despite the lack of organization, the supervisors proceeded upon their own initiative last year, formulated and passed on many valuable suggestions, accomplished fine pieces of work with their chapters. With but few exceptions, the chapters cooperated wholeheartedly. Those with especially low scholarship have, with but one exception, shown definite improvement.

The committee's effort for 1935 will be directed toward raising chapters in the lowest third on their respective campuses to the middle third in order that the fraternity shall have no outstandingly low

chapters

The committee welcomes and requests suggestions for the improvement of scholarship and is confident that the girls will make 1935-6 an outstanding year in scholarships.

MARGARET WILLIS SMITH

COMMITTEE ON TRANSFERS

FIGURES are perhaps the most illuminating check on this year's work with transfers:

| Transfers reported | 20 |
|---------------------------------------|----|
| Largest number for a single chapter | 1 |
| (Oklahoma Alpha) | |
| Chapters reporting no transfers | 55 |
| Chapters failing to report | 2 |
| (Arkansas Alpha, Nevada Alpha) | |
| Return postals from inactive girls 10 | 59 |

In September, chapters were sent requests for lists of transfers to and from all campuses and the names of advisory board members in charge. The chapters were urged to extend all possible cour-tesies to the new girls regardless of affiliation considerations. In cases where replies were not received, follow-up letters were sent in October. As an additional means of locating transfers, Mrs. Alford was kind enough to include publicity in the Information ARROW about the plan of having individual transfers notify the committee of school changes.

When the lists were correlated, additional names were sent to all chapters where more transfers were enrolled than they had reported. The cooperation of the responsible advisory board members was solicited in furthering transfer contacts; and in locali-ties in which no Pi Phi chapters are located, presidents of alumnæ clubs were asked to perform the

same service.

Letters were sent to all transfers to make them feel national interest in them, to urge their cooperation wherever possible in local activities, and to solicit their support for the Settlement School and the Endowment Fund. Also all girls reported inactive by their chapters received requests for in-formation about their present school enrollment, etc. (return postal enclosed). In addition, of course,

there have been numerous individual letters about chapter problems, advisory board members' cooperation, etc.

For next year, the committee recommends the inclusion in the program of Mrs. Alford's suggestion about enlisting the aid and interest of province

presidents in transfer adjustment.

The cooperation from chapters in furnishing transfer lists was good-indicating that they had done some early scouting for stray Arrows. Many of the advisory board members, also, wrote interesting letters about what was being done in their respective groups. The attitude of hostess chapters seems to be good, as evidenced especially by the fact that so many transfers are living in Pi Phi houses.

Two aspects of the committee's procedure do not seem effective enough to merit their continuance: the plan of having transfers notify the committee themselves of school changes and the effort to contact girls reported inactive. Only about seven trans-fers took the first responsibility in spite of Arrow publicity, and only one of these had not already been reported. Most of the inactive girls have dropped out of school, and returns in establishing transfer contacts are in discouragingly small proportion to the number of letters sent out. In addition, returns on inactive lists are complete so late as to be of comparatively little value.

Any additional suggestions or evaluations of criticisms on procedure will be greatly appreciated. I have enjoyed the work this year so much, especially since I miss Pi Phi activities in a school where there are no Greek letters. My sincere thanks to the Grand Secretary, the Director of Central Office, and others who have helped so willingly!

Respectfully submitted ELIZABETH E. STOVALL

COMMITTEE ON FRATERNITY STUDY AND EXAMINATION

It is with fear and trembling that this report is submitted for the year 1934-1935. For the past few weeks all sorts of things have been happening which prevented much concentration on reports and with some late reports from provinces not much time can be allowed for checking.

It seems that some of the chapters misunderstood some of the questions and therefore felt they should not be compelled to pay a fine for failure, especially when the ARROW misprinted some of the information, therefore there seem to be a num-ber of changes on the final consolidated reports. These changes were made with the complete approval of the chairman and the supervisor of the provinces concerned.

Before submitting this report the chairman wishes to express her very sincere thanks to Miss

Onken for her help on numerous occasions, to Mrs. Stark for her genuinely interesting letters throughout the year, to Mrs. Purdunn, who continually thought of things and reminded me of them even before they were due, and to all the supervisors who have been most prompt in their correspondence and accurate in their reports.

It seems that the grades for this year are con-sistently lower than for the preceding year, but this may be due to the change in the chapter roll or to the misunderstanding of the questions. We hope they will improve when the active chapters are more familiar with this type of examination.

The following report is respectfully submitted

RUTH M. DEEDS

COMMITTEE ON SOCIAL EXCHANGE

THE PURPOSE of this committee is to obtain ma-Terial for a bulletin of descriptions and suggestions for successful stunts, rushing, homecomings, floats and Founders' Day celebrations. The different descriptions are written out, clearly and simply, in this publication; and it is hoped that these hints are proving helpful to the chapters of the Fraternity.

If you have original ideas for any of the above headings, please let us know about them. "The Social Exchange Bulletin" is your key to this difficult and ever-present question, "Where can we find an unusual idea for this season's rushing party, or who is able to write an entertaining stunt?"

consult "The Social Exchange Bulletin"!

The results are most satisfactory, but we are anxious to see each province obtain the coveted 100%. E, H and A are the honor provinces this year! However, no province had more than two delinquent chapters and six of the provinces— Γ , Δ , Z, I, K and M-had just one chapter that failed to respond.

It is a pleasure to work with the committee members and with the chapter members who are interested in this phase of work. Congratulations are due you! EDNA GRAHAM

COMMITTEE ON FRATERNITY MUSIC

As a result of the voting by the active chapters and the alumnæ clubs, we found a variety of likes in Pi Phi songs. Over one hundred different songs were mentioned and the following are the ten most popular songs according to the vote:

- Ring, Ching, Ching—97 votes
 My Pi Phi Girl—96 votes
- 3. Speed Thee My Arrow 4. The Sweetheart Song 5. The Anthem
- 6. The Loving Cup Song
- 7. Although Kappas Always Favor
- 8. Pi Phi Honeymoon
- 9. Pi Phi Tribute
- 10. Pi Phi Love

We hope to have some standardizing of these

ten so that at least these will be sung the same way all over the country.

It was decided that the songs sent in to the memorial contest were not just what were needed for our use, so the contest will be repeated in the early future. A prize of \$20.00 has been offered in hopes that there will be more interest in the contest. The committee would welcome suggestions or opinions about this contest.

There has been more general correspondence taken care of by the chairman than in previous years. More individual chapters have asked for suggestions for singing, etc.

We urge Pi Phis everywhere to buy the songbook. New songs are always wanted, too.

Respectfully submitted, MARGARET L. KELLENBACH

COMMITTEE ON CHAPTER FINANCES

THE WORK of the committee on chapter finances, house building and plans has been almost wholly with the Pi Beta Phi Building Associations this past year. We have corresponded with two groups regarding new houses, Iowa I and Indiana I; one group is going into an entirely new project, that group being Montana A. The University is now building a unit for six groups amortized over a thirty year period. Pi Phi is to occupy one unit this coming fall.

The Federal Housing Administration has requested that fraternities and sororities avail themselves of government financing up to \$2000.00 for repairs and remodelling under section 1 of the Federal Housing Act, providing their financial condition would make them eligible for same. This committee can provide information regarding such loans or it can be obtained by writing to C. L. Goldstein, F.H.A., Washington, D.C. Information has been sent out to several groups that we knew of who might be interested.

Financing under Section 2 of the act, which pertains to new construction is not yet functioning. It is possible to obtain a limited loan under this

section, but not a full 80% loan as specified in act, Local Housing Bureaus can give information on this point.

A survey of our Building Associations was made at the first of this year 1935. It was necessary to bring our records up to date and get the amount of indebtedness against our houses as well as the rate of interest paid. Thirty one responded out of 34 sent out. The letters did not go out to groups who had no indebtedness or where our records showed that they would pay out this year. The survey showed that the various groups are paying from 5 to 8½%. Twelve groups have tried or are trying now to get their rate of interest reduced, the remainder are satisfied with the rates being paid.

In conclusion, our Pi Phi house finances seem to be in good condition and with one or two exceptions groups can see their way to paying off their indebtedness in the regular way and as planned. With improving conditions it is to be hoped that all chapters and associations will have an easier time in the years just ahead.

Respectfully submitted,

SYBIL GUTTERSEN

COMMITTEE ON CHAPERONS

To CHAPTER corresponding secretaries, last October 1 was almost a perfect "Chaperon Card Day." Only eight delinquents; of these seven soon had cards in. Some courteously explained the delay; may others follow their example! One unfortunately did not know what it was all about, nor what to do in such an emergency. If officers would be prompt and accurate girls—no others are worthy of the honor—and would read and heed the Arrow Calendar, cards would be on time, none sent to Central Office, and none to Miss Murphy, who has charge only during the summer.

There were only eleven new chaperons this year; another returned to her chapter after an absence. Each chaperon seems to realize the importance of her position and to wish to give her best to the girls. They are of a high type socially and educationally, coming from college and junior

college with special training in nursing, dietetics, teaching, and music.

No chapter has yet reported a prospective vacancy; it would be quite ideal if all chaperons working harmoniously and constructively could continue with their chapters.

Two of our new chaperons are Pi Phis; but two Pi Phis resigned, so the total remains at eight. If any one knows of one who would fit into the work, please see that she and some chapter get together.

May I acknowledge the pleasure and the benefit that Mrs. Stark's letters to us committee chairmen have been to me, and may I express my gratitude to Grand Council for their appreciation of our position and for their unfailing support.

JESSIE LOCKETT

DIRECTOR OF THE SETTLEMENT

(Continued from page 40)

tion as to the financial status of any of the departments when called for by a department head. In short, the office is a bureau of information for visitors, local people, and members of the staff.

The growing business of Arrow Craft is of course reflected in an office that is busier than ever. When one knows that all this is done in addition to the primary work of the office, that is, keeping and making a monthly summary of the

School and Arrow Craft accounts, it is obvious that one person is kept more than busy.

None of the work here summarized would have been possible without the fine support of our loyal members, the officers, committee, and Council and we are sincerely grateful to all.

Respectfully submitted,

EUNICE S. WEAVER

Annual Reports of Province Presidents

ALPHA PROVINCE PRESIDENT

DURING THE past few months Alpha Province has had many changes in its administration. Louise Sale Cassady found it necessary to resign as Province President in the spring, and the province was very sorry to lose her. She was admirably suited to the work and had endeared herself to the province during her short year in office.

In May I accepted the appointment as Alpha Province president and later Grand Council, acting upon Mrs. Cassaday's recommendation, divided this province which was much too large, and Miss Vida Peene of Toronto, former Alpha Province president, was appointed president of the eastern half. This includes Nova Scotia A, Maine A, Vermont A, Vermont B, and Massachusetts A. The western half of the province includes Ontario A, Ontario B, formerly part of Beta province, and New York A, New York Δ and New York Γ.

This province was very fortunate early last spring in having Florence Hunt Webster, assistant to the Grand President, visit each chapter. Both actives and alumnæ everywhere felt that her visit

was most constructive and inspiring.

Nova Scotia A and Ontario B are worthy additions to the Fraternity and to this province. Both of these chapters were admitted during the past year and are working hard to make the Fraternity proud of them. One member of Ontario B was elected sub-prefect, the highest honor to be given to a girl on that campus.

New York I is remodeling its house and

feels that this will help the chapter greatly in its

rushing this fall.

Every chapter is stressing better scholarship and the participation in extra-curricular activities. As a result, a number of chapters report distinct improvement in scholarship during the past year, and greater interest and accomplishment in campus activities. This province was especially honored this year by Faith Arnold of Vermont A winning the Amy B. Onken award, as well as the Dutton scholarship, entitling the recipient to a year's study abroad. The province is well represented in Phi Beta Kappa, Mortar Board, Kalon, Phi Kappa Phi and several other honorary societies. There are also a number of officers of various college organizations and dormitories.

It is a great privilege to have the opportunity of working so closely with these fine chapters and we hope that the coming year will be one of fine accomplishment in Alpha Province. Respectfully submitted,

CHARLOTTE MARTIN FOX

BETA PROVINCE PRESIDENT

A INSPIRATIONAL and delightful beginning for this year's work was the opportunity of assisting at the installation of Ontario B at Western Ontario University. It was my first installation and with each new wearer of the Arrow I received new inspiration and a keener realization of the ideals of Pi Beta Phi. It was a pleasure, indeed, to have a part in welcoming this new international chapter into our fraternity. Ontario B is a chapter of which Pi Phi can be justly

All of my chapters were visited before Christmas, giving both the chapters and me an early understanding of what must be done to assure Beta Province of an efficient and smoothrunning group of chapters. I found a spirit of gracious hospitality and cordiality in all chapters. Both the Alumnæ Advisory Committees and the chapters were sincere in picturing to me chapter conditions, and the wholesome honesty of the girls during our conferences was a great satisfaction and in-

spiration to me.

Cooperation of the girls with each other and with me has been practically 100%. This condition has been one of the greatest factors in making for the progress which I feel we have attained. When problems have arisen the girls have had the courage to face them squarely, and to place the best interests of Pi Phi before personal desire. Internal development is bound to be the result of such fine spirit.

Rushing results showed the value of early plans in all chapters. Exceptionally fine pledges were brought into the chapters, and almost without exception these girls have already proved themselves helpful to their groups. One thing of which I was very proud was the almost unanimous expression from Deans of Women regarding the fine spirit exhibited by our Pi Phi groups during rushing. I feel that this is significant in that it shows that our girls are learning the essential element of good sportsmanship and fair play, and that they must realize that they always gain in the end by clean rushing

Pi Phi is represented on the campus with credit by all chapters of Beta Province. Out of six with Panhellenic organizations, Pi Phi claims the presidency of five. Ohio B stands out with five new elections to Mortar Board and Ohio A claims one. Ontario B, our new chapter, won the office of Sub-prefect,-the highest office a girl can hold at the University—, and of three girls chosen for Honour Society—awarded for the most outstanding work for four years—all were Pi Phis. Three chapters were awarded cups for winning song contests on the campus. Many other honors have been won, included in which are one Chimes, two Wheel and Chain, two Sigma Alpha Iota, three Cresset, three Phoenix, one Phi Lambda Theta, three Phi Upsilon Omicron, one Delta Phi Delta, four Matrix, four Forum, one Sigma Phi Sigma, one Kappa Delta Pi, two Senior Orchesis and two

presidents, one vice-president and one treasurer of W.S.G.A.

We are not satisfied with scholarship in the Province, although there have been some outstanding honors. Ohio A has three Phi Beta Kappas, Ohio B one, Pennsylvania I is again first on its campus with five A students and the winner of the French Scholarship which means one year of study in France, and West Virginia A pledges won the cup for the best scholarship among freshmen. All chapters have tried for high scholarship but in several cases a few girls have lowered the otherwise good chapter record.

There has been continued growth in loyalty to fraternity projects. Every chapter has contributed to the Settlement School, the Loan Fund and to the Endowment Fund with the exception of one chapter who failed to contribute to the Loan Fund, thus keeping the Province from being 100% in contributions to the three projects this year.

The satisfaction and joy of working with my chapters is deep, but only as each chapter analyzes

its faults and shows a desire to improve the weak spots is my association with them of value. Many factors have been responsible for whatever progress has been made in Beta Province this year. The loyalty and enthusiasm of the girls themselves, the efficient and untiring efforts of the Alumnæ Advisory Committees, the real interest of the splendid chaperons in our groups, and the help and encouragement of the Deans of Women in almost every instance have given an impetus and inspiration to the chapters which cannot be estimated.

It would be impossible for me to say how much I appreciate this opportunity for close personal contact with the chapters of Beta Province and the cooperation, courtesy, and friendship they have given me so liberally. May I express my thanks to my loyal chapters and to Miss Onken for her inspiration and help, and pledge a continued effort on the part of Beta Province to further the ideals of Pi Beta Phi?

LOIS SNYDER FINGER

GAMMA PROVINCE PRESIDENT

WITH THE background of convention and a visit from Miss Onken early in the first semester, the chapters of Gamma Province got off to a flying start last fall. I feel that in every case, progress has been continued during the year.

Because we who represented Gamma Province at convention last summer were deeply agrieved to hear our name read at the bottom of the scholarship list, it is with considerable pleasure that we report that three of our seven chapters now stand first among the women's fraternities on their campuses. Chapters achieving this position are Virginia I', North Carolina A, and South Carolina A. We have four Phi Beta Kappas, and the outgoing president of North Carolina Beta won a \$100 award for having the highest grades of any fraternity senior for her four years in college.

In general, Gamma Province chapters are smaller than the average on their campuses. The girls seem to feel that this is no handicap except when it comes to rushing or casting votes for campus elections. They prefer quality to quantity. Some of the larger chapters on the campuses have suffered from cliques and internal friction from which the smaller chapters have been saved. Active chapters in the province range from 15 to 36 members. Pledge groups ran from nine to 24.

Activities still continue to suffer somewhat by the failure of chapters to hold their members for four years. Virginia A this year had but one senior; Virginia I had only one who had been in the chapter since her freshman year. Activities are numerous but not always top-notch. We have a president and vice-president of Y.W.C.A., editor of a year-book, three members of organizations corresponding to Mortar Board, several dramatic stars, beauty contest winners, members of the student governing body, president of an athletic association, members of the staffs of college papers, delegates to the Silver Bay Y.W.C.A. conference, class officers and a chairman of a social standards committee.

Elsie Lawrence, president of North Carolina A, was selected as the first winner of the Amy Burnham Onken award for Gamma Province.

Only two chapters in the province live in houses now. Two have apartments, one has a lodge, and the other two have chapter rooms. Duke University is now remodeling a building for the special use of the women's fraternities. Redecorating, repair work, and new furniture have added to the attractiveness of the various gathering places this year.

this year.

My work with the fraternity has meant much to me during the last three years. I was especially glad that it came during the depression period because it has been interesting to see how well Pi Beta Phi has come through. People search around for all sorts of ways to save money but they find that the fraternity is an essential that cannot be spared.

The girls who were pledges when I came into office will be the leaders of their groups next year. They are indeed a fine group of young women with whom it has been a great pleasure to be friends and watch them progress.

MARY HORNADAY

DELTA PROVINCE PRESIDENT

THE YEAR just closed has brought me one of the happiest experiences of my life, that of meeting the active members and pledges of the chapters of Michigan and Indiana. When I visited three of the groups in the fall and the other three soon after the holidays, I found them charming

hostesses and I was impressed by the eagerness to achieve for the Fraternity, which the officers and committee chairmen displayed. Delta Province has a variety of campuses but on each I found the same pride in Π B Φ , the same earnest desire to realize its ideals.

Scholarship, always our first concern, has been a less serious problem than usual, Michigan A retained the first place on its campus won last year, other groups had a high standing and the chapter which has been lowest achieved the highest rank it has had for several semesters. For the most part, the attitude toward scholarship is a very wholesome one. We have two Φ K Φ s, one Φ B K, two girls made "straight" A's and one of them was graduated magna cum laude.

Rush, that hectic prelude to the year's work, but so important and necessary to our continuity, brought Δ Province some outstanding pledges. Three chapters felt the results of their rush were most gratifying. One chapter was disappointed in numbers but gained an unusually strong pledge group. Pledge supervision was well planned and carried out in all chapters. A larger per cent of girls pledged have been initiated this year than usual, which reflects, I believe, the increased attention which chapters are giving to high-school records in the selection of their members.

The housing of the chapters of Δ Province is little changed. Michigan B, Indiana B, and Indiana Δ own attractive and comfortable houses. Michigan A lives in an attractive house owned by the college. Freshmen on each of these campuses live in a freshman dormitory. Michigan B found it necessary to have an annex, which accommodated several of the sophomores. Indiana A has a chapter room in the dormitory and Indiana Γ has been renting its house. This chapter has long wanted to build and has decided that the time is ripe. Ground will be broken before school opens this fall and they hope to be in the new house at the beginning of the second semester.

The financial status of the chapters and the house boards is excellent, the latter reflecting the interest and work of the alumnæ. Each chapter contributed to the Settlement School, the Loan Fund, and the Endowment.

Alumnæ Advisory Committees are very active and contribute immeasurably to the maintenance of the Fraternity's prestige and the success of the chapters in this province. With but one exception, the committees have come very close to the ideal in their relationships with the chapters. My report would be incomplete if I should fail to mention the service which our chaperons are rendering the chapters in the sympathetic meeting of problems, in the establishment and keeping of social standards and ideals.

Conferences with the Deans of Women were really the "high spots" of my visits because, without exception, they paid high tribute to the Fraternity, to the membership of our chapters, and to the alumnæ who are giving so generously of them-

selves that the chapters may thrive.

Four of my chapters need no urging to take part in the program of extra-curricular activities. The other two should stress this phase of campus life a little more. Some of the outstanding honors which the chapters have had include a junior class president, two presidents of players' clubs, president Σ T Δ , two presidents of honor societies, a year-book editor, an editor, acting editor, and a managing editor of school papers, an associate yearbook editor, second place in the Indiana State Oratorical Contest, a "prom" queen, three other class queens, R.O.T.C. Cadet Colonel, winners of two beauty contests. There have been outstanding members of Θ Σ Φ , musical and dramatic organizations, members of student government, debate teams, Y.W.C.A. cabinet, a championship hockey team, class and organization officers, and committee members.

Cooperation on the part of the chapters has left little to be desired and the willingness shown by the girls to do whatever is asked of them has been most helpful and encouraging. I am deeply appreciative of the contacts which the office of Province

President has brought me.

The year has given me a deeper understanding of the work of Central Office, Grand Council and its assistants and the chairmen of national committees. Their unselfish and tireless efforts that II B may keep its high place in the fraternity world and that the girls may gain the utmost from their active chapter experience is indeed an inspiration and a challenge.

HELEN SCOTT

EPSILON PROVINCE PRESIDENT

This second year as Epsilon Province President has brought me even more joy than the first year. It has been a real education and inspiration to work with the girls, alumnæ, and national officers and to be an integral part of such a splendid organization as Pi Beta Phi.

I made all of my chapter visits in the early fall and I found that in every case the chapter delegates and visiting chapter members had brought much inspiration and real workable points back to their chapters from convention. They took back something of the thrill and joy received from the contact with national officers and representatives from other chapters, and more than anything else, the realization of the significance of our national organization.

Missouri A, the only chapter in Epsilon Province living in a chapter house, is still very proud of their southern colonial house which is now five years old. They are very fortunate in having a lovely chaperon who has been with the chapter for nine years and who will be back next year. Missouri B was fortunate in having their alumnæ redecorate their rooms in the Woman's Building last fall, They are most attractive. Missouri F was in the same apartment again this year, but it was redecorated in the fall and it looks like new. Kentucky A remained in the same apartment which is directly across from the campus. They redecorated and refurnished their apartment last fall, and now have a dining room where the girls can have luncheon together during the week. Tennessee A's alumnæ redecorated their bungalow for them last fall. They made many improvements.

The Deans of Women expressed appreciation of the cooperation given them by the Pi Phi chapters. Without exception their conferences were most gratifying. The advisory boards have been a constant help to the chapters: much credit is due these women who give so much of their

time and thought to the chapters.

Scholarship, which is ever a problem, is not all that it should be in some of the chapters. The chapters are concerned over their ratings and are earnestly trying to make some improvement. Missouri A ranked first for second semester last year

as did Missouri T.

All of the chapters have held their share of extra-curricular honors. At Kentucky A, they have vice-president of Y.W.C.A., one elected to Theta Delta Chi, vice-president of the senior class, secretary of sophomore class, leads in several plays, second in Swimming Meet, and treasurer of Woman's League. Tennessee A had president of W.A.A., president, secretary, and treasurer of Y.W.C.A., Secretary-Treasurer of Student Body, two elected to Theta Alpha Phi, leads in several plays, five class officers, three officers of French club, Miss University of Chattanooga, and the Most Popular Coed. Missouri A had one elected to Mortar Board, Secretary-Treasurer of Student Body, four elected to Cwens, honorary sophomore organization, one elected to Gamma Alpha Chi, one elected to Alpha Kappa Delta, president of Junior League of Women Voters, two members of W.S.G.A. Council, Savitar Beauty Queen, Homecoming Queen, and 'M' Mens Queen. Missouri B had one elected to Phi Beta Kappa, one to Sigma Xi, one elected to Mortar Board, one to Kappa Delta Phi, one to Pi Mu Epsilon, and the vice-president of W.S.G.A. At Missouri I they had one elected to Skiff which is similar to Mortar Board, one elected to Alpha Mu Omega, president of Panhellenic, secretary of senior class, and several leads in plays.

Rushing was most successful this year, if the small number of bids lost may be taken as indication of the truth of this statement. Chapters showed unusually good judgment in choosing well-

balanced pledge groups.

Local Panhellenics are far from perfect. Either they are non-functioning or they are diffused with jealousies and their business consists of petty problems. The quota system has been put into use at Drury, and the chapter is limited to thirty-two members. The chapter is trying to abolish it.

Epsilon Province has progressed in internal development this past year. When there has been a problem, the chapter has been willing to face it, and has had the courage to place the best interests of Pi Phi before personal feelings. This willingness to serve the fraternity has made my work with the chapters in Epsilon Province an unending source of joy and inspiration.

Respectfully submitted,

AGNES HILDEBRAND DANIEL

ZETA PROVINCE PRESIDENT

As I VIEW in retrospect my first year's experience as Zeta Province President I wonder if the tables have not been turned! For I feel it is I who have had deep and meaningful glimpses of the inner heart of Pi Phi, and with the four active chapters, the beating pulse of the fraternity,

I have felt joy in their creative activity.

The culmination of the year's program came at the first Florida state-wide convention held in Orlando the second week in May. The group of nearly two hundred was composed of Alpha, Beta, and Gamma actives and alumnæ from all over the state. Miss Onken's presence was the impetus to the success of our infant organization. The potentialities of convention are a closer cooperation between the active chapters and the alumnæ, a knowledge and sought-for solution to problems involved in pledge recommendations and rushing, an appreciation of local problems in common and a widening sense of the ramifications and responsibilities of National. Alabama A, the fourth chapter in Zeta province, is to be invited to meet with the Florida chapters at Tallahassee for the 1936 state convention.

Scholarship in the province has followed rather closely the ups and downs of our national economic cycle. Alabama A rose from fifth to first place; Florida A remained only a fifth of a point from first place; and Florida I continues to maintain her place in the upper third on Rollins campus. Florida B is in the lower third and in realization of her deficiency has voluntarily placed each of her members under individual probation to Grand Council until the academic average is raised.

Both Florida B and I are fortunate in having as chaperons women of such charm and graciousness whose presence in both chapters has made the Pi Phi houses, "homes." Neither Alabama A nor Florida A have houses.

In the case of each chapter I find that the Deans of Women can give only favorable reports in regard to the chapter as a whole. They have in general found the members and pledges a harmonious and cooperative group who are leaders for most part in every phase of campus life. In donations to the Settlement School and Loan

Fund we are 100 per cent contributors.

Rushing results this year were unprecedented for Zeta chapters. Only six bids were lost to other fraternities all over the province. Florida B's pledge group consisted of thirty-eight. The systems of rushing on the campuses still prove difficult. Birmingham-Southern is revising its entire system. Florida Γ at Rollins has the problem of drawing its prospective pledges from a campus made up of students from all over the United

In the realm of extra-curricular activities there has been interest and participation, but not to the extent that I should like to see for next year. Alabama A boasts of a member on Co-Ed Council and members in several honoraries such as Pi Gamma Mu, Eta Sigma Phi, Alpha Lambda Delta, Delta Phi Alpha and Phi Sigma Iota. Florida A has taken honors in having the De Land Homecoming City Hostess, vice-president of student body, two members in Torch and Scroll, president of College Government for 1935-36, editor-in-chief of the 1936 annual and two members in Phi Society. Florida B has been outstanding in having the president of the Senior class, Queen of the Sophomore-Freshman Ball, two members in Beta Pi Theta, girl with most personality on campus and two members in Esteren, leadership honorary.

Florida I had a member of the Student Council

and three members of Phi Beta.

The greatest problem existing in the province is the lack of interest on the part of the alumna in the actives. We are hoping that the convention will prove a solution to this problem, and that it will strengthen an interest in developing a sense of responsibility to the national organization.

Orientation into the work of the province presi-

dency has been a delightful experience made possible by the help of my predecessor, Rebekah Stewart, members of Grand Council, and the remarkable personal interest and guidance of Miss Onken. To these I wish to express my gratitude and deepest appreciation.

Respectfully submitted,

LUCY POPE

ETA PROVINCE PRESIDENT

E ARLY IN the fall, I visited the chapters. This being my first year as Province President, I realized how much a personal contact would mean in my work with them. Pledge Day for Illinois A is in December, just before the Christmas holidays, so I postponed my visit to them, until February, giving me an opportunity to have some contact with the pledges there. I am always in close contact with Illinois B-A and visited them in

January.

In April, from the twenty-sixth to the twentyeighth, was held our first Province Conference. Illinois E was our hostess chapter, and all of the other Chapters had from three to ten actives attending. Working with the chapters, I have felt strongly the influence of the National Convention, and was very glad when Illinois E suggested the Province gathering. All of the chapters were so enthusiastic, and it was another opportunity to obtain a new inspiration and a broader national viewpoint. Our round table discussions were most interesting, and I hope helpful. We also had a fine alumnæ round table, with a splendid leader. The girls so enjoyed the association with the other Pi Beta Phis, and we were most fortunate to have our Grand President, Miss Onken with us, and also Mrs. Webster, the former Province President, who is now the Assistant to the Grand President. On April 27 we celebrated Founders' Day, with a luncheon attended by two hundred and fifty, actives and Alumnæ.

With great pride, I can say that three of the seven chapters were first in scholarship on their campuses the first semester, Wisconsin B, Illinois B-Δ, and Illinois Z. I must also admit that one chapter had the lowest rank among the four national women's fraternities on their campus. Wisconsin A was third, competing with twenty-one, but the other two chapters did not do so well. At our Province Conference, we had a splendid scholarship discussion, with a leader who had many fine suggestions. The chapter she works with is first on their campus, and I feel sure much of their success is due to her constructive work. All of the chapters benefited by her advice.

My conferences with the Deans of Women at the seven schools were most satisfying. Universallly, they expressed confidence in our Pi Beta Phi chapters, they were strong in their praise of the national fraternity's desire for such high ideals, spoke highly of the character of the girls, and of the girls ability, and of the cooperation they re-ceived from the Pi Beta Phis. All seven Deans assured me of the high place in college regard held by the Pi Beta Phi chapters. I feel that this is worthy of much praise.

Every chapter has given to the Settlement

School, the Loan Fund, and the Endowment Fund. In most cases this is part of the year's budget.

The girls are certainly activity minded. I was amazed at the many different activities they were interested in, and in the active part they took. All of the chapters have an activity chart, and in the entire province not more than eight girls had no activity listed under her name. All of the chapters seemed to have efficient activity chairmen, who kept a card file as well as the chart.

I cannot begin to list the honors won. We have seven Phi Beta Kappas, five Phi Kappa Phis, and six Mortar Boards, and every chapter has a long list of other campus honors, such as officers in Y.W.C.A., W.S.G.A., class officers, special scholarship honors, scholarship awards, and popularity

awards.

There has been no change in the houses. Wisconsin A has their house full, and other girls are waiting for a vacancy. Wisconsin B has a nice house, but the college does not permit women students to live in fraternity houses. They do enjoy it very much for all Pi Beta Phi gatherings, and it gives them more unity. Illinois A has a room in a house on the campus. There the college does not permit women to live in fraternity houses. They have just raised some money to have their room refurnished and redecorated. Illinois B- Δ is not only not permitted by the college to live in a fraternity house, but they are not even permitted to have a room. They hold their meetings in one of the girl's rooms, in the dormitory, and other fraternity functions are held at the homes of the Pi Beta Phis in the city. They deserve very much credit, for their real companionship and unity, under such circumstances. Illinois E is enjoying her lovely home, with twenty-eight living there. Illinois Z also has a very adequate and attractive home, with forty-four living in it, and even with such a large number, it is most efficiently managed and has an air of charm that only real effort and ability can create. Illinois H has the unique situation of a house and no one to live in it. The college requires freshmen to live in the dormitories, and all of the upperclassmen are town girls. They are so loyal that they spend many week-ends there together, have all of their fraternity gatherings there, and enjoy it in every possible way, with a wonderful chaperon who lives there, making it possible for the girls to use the house, to such a great extent.

The Alumnæ Advisory Boards function with

every chapter, but of course to a greater degree in some cases than in others. They certainly deserve much credit for the time and thought they give to the chapter and none can question their loyalty.

Wisconsin A and Illinois E both publish a

paper quarterly for their Alumnæ, which helps them to keep in closer touch with each other.

Last, but far from least, may I boast, that this Province is the proud possessor of the Balfour Cup? Illinois Z has brought this honor to us, and I find that having it in this Province gives me, as well as the chapters, a very high standard to strive for.

I have had Miss Onken's inspiration, faith, and encouragement and my predecessor's ever present help, not only in times of trouble, but at all times. I want so much to be able to give to my chapters that same feeling of security and guidance, that both Miss Onken and Mrs. Webster have given me.

Respectfully submitted,

INEZ WEBSTER

THETA PROVINCE PRESIDENT

THIS FOURTH year as Province President has been the happiest year of those spent in work for the fraternity and because of closer acquaintance has brought about a more workable knowledge of the chapter's needs. Each of the chapters has been anxious to co-operate and has given me willing and sincere assistance, making joy out of work which might be a task. With the progress of the seven chapters I am confident that the fraternity

as a whole has benefited.

The record of the chapters in scholarship has been extremely gratifying. Five of the seven have raised their scholastic standing. Not one has lowered its standing. From the last averages available (some from the spring semester of 1934 and some from the fall of 1934) there were two chapters holding first place, one holding second place, and three holding third place. Manitoba A and Iowa I hold first place. Five chapters are in the upper third, one in the middle third and one in the lower third. In addition to the improved ratings, the attitude in the chapters has been bettered proportionately. In the past years we have stressed more and more the importance of the right attitude towards scholarship on the part of individuals. There has been a decided effort to break away from stringent rules and to place the major share of the responsibility on each person. This last year proves to me that this is the ideal way to handle scholarship problems and the results have justified the means. Each group, without exception, realizes the true value of good scholarship.

Theta Province chapters have been outstanding in extra-curricular activities. In some cases it has been necessary to curtail participation rather than to encourage it. Our goal has been that each girl be actively participating in one major activity. All of the chapters have received their share of high honors and two of the chapters have gained the distinction of having individual members win the

highest awards open to girls.

Rushing seasons last fall were generally very successful. Much of this success was due to detailed organization and the work of the rush captains during the summer months. One hundred and thirteen invitations to membership were issued in

the Province and only four were lost.

There have been no changes in house mothers this year. We feel very fortunate in having these splendid women in our houses as managers and chaperons. They are giving the girls social training and are succeeding in establishing a reputation for hospitality and dignity for the Pi Phi houses.

Conferences with the Deans of Women were highly satisfactory. Words of praise for the groups were unanimously given and through these I realized more distinctly the place our girls and our fraternity are making for themselves in the collegi-

ate world.

Contributions to the national philanthropies have been generous this year. Although not all of the reports are in, every chapter but one has contributed to the Settlement School, the Loan Fund, and the Endowment Fund. I feel sure that when final reports are in all the chapters will have contributed something to all three philanthropies. Some contributions have been small but have represented a real sacrifice on the part of the chapter. Two chapters have materially raised their donations and one gave the money won as a prize for selling year books to the School. National view point is excellent in all seven chapters.

This report would not be complete without a word of appreciation for the splendid co-operation given me by the Advisory Boards. Without exception, these women have worked diligently and have been unselfish in giving time and interest. A great deal of the credit for the success and improvement

of the chapters goes to these women.

The four Iowa chapters were privileged this spring in having visits from Miss Onken and received help and inspiration which will extend into

next year's work.

To the national officers I wish to extend my appreciation for their unfailing help and interest. Without the co-operation and friendliness of these women, this work could not be as pleasant and profitable. It has been a real privilege to know and work with such charming and gracious Pi Phis and to feel an integral part of such an organization as Pi Beta Phi.

ELIZABETH C. BUXTON

IOTA PROVINCE PRESIDENT

THE CONTACTS and associations which I have made this year as Iota Province President, are even greater than I anticipated when I accepted the position. It was very interesting to read reports of other officers' visits to the chapters; then actually visit the chapters. Having been out of school for

a number of years, much of the work was new; but the spirit and love of the fraternity remains the same.

One thing that seemed very admirable was the spirit among the girls to want to do what was expected of them, and to do it well. In scholarship

they all have shown an earnest desire to stand high. At the present two chapters, namely South Dakota A and Wyoming A, rank first on their campuses, and Colorado B ranks first among social groups with a membership of over ten. There have been many honors. Among these are Phi Beta Kappa, Phi Kappa Phi, Mortar Board and others. There were three Mortar Board Presidents in Iota Province this year, Wyoming A, Colorado A, and Kansas B.

That Pi Beta Phis are taking an active part in extra-curricular activities is evidenced by the long lists sent in by each chapter, some very outstanding honors such as Engineers' Queens, University Sweethearts, Popularity winners, and the like have

come to the chapters too.

It was a pleasure indeed to meet the chaperons at the different chapters, and in every place I found a delightful and charming woman. It is fine for the girls to be associated with such refined and cultured people, and the influence they have adds greatly to the chapter.

It was gratifying too, to get the reports I did from the Deans. All of them praised the Fraternity, and offered constructive criticism for each chapter.

All these chapters own their homes with the

exception of South Dakota A and Colorado B. South Dakota A had hoped to build this spring, but plans did not materialize.

There is a splendid feeling between the Alumnæ Advisory Boards and the chapters, and in most in-stances, the chapters are turning to the alumnæ advisers for assistance, and in most instances the alumnæ advisers feel it a privilege to serve their

chapters.

Convention did a great deal for all toward building up a strong national viewpoint. Then Miss Onken's visits to Kansas A, Kansas B and Nebraska B, and Mrs. Alford's visits to Wyoming A, Colorado A, and Colorado B were a great inspiration to the girls. All chapters contributed to the Settle-ment School and Endowment Fund and four to the Loan.

I have had the best of co-operation from every chapter but one, and that difficulty has been smoothed out now. I am looking forward next year to even greater accomplishments. The privilege of serving the fraternity this year has been enjoyed to the utmost and I wish to express my appreciation to all who have made it possible.

FAITH MARTIN HANNA

KAPPA PROVINCE PRESIDENT

MY FIRST YEAR as Kappa Province President has has indeed been a happy one. Since I had been closely associated with an active chapter for two years in the capacity of chaperon, I accepted my appointment with enthusiasm. It has been a rare privilege to come in such close contact with the other five chapters in this province and I have enjoyed visiting them equally as much as I have enjoyed living with Oklahoma A. The sincerity and frankness with which they presented their chapter problems has been enlightening and their cooperation inspiring, making my work not a task but a joy. I found each group to be charming, gracious, and hospitable, living according to the fraternity's ideals and aspiration in every way

It was the good fortune of the two Oklahoma chapters to entertain a national officer, Mrs. Smith, the Grand Vice-President. Her broad vision was inspiring and her constructive suggestions were

helpful to both groups.

Four of the chapters in this province maintain houses, the other two, chapter rooms. While the home of Texas A is very comfortable, the size is far inadequate for the chapter's needs, since they have an unusually large group. They plan to have a larger house in the near future. Oklahoma B, too, is ambitious for a more spacious house, although their present one is entirely without encumberance and very comfortable. Oklahoma A and Arkansas A are both beautifully and adequately housed in comparatively new homes. Texas B maintains a chapter room several blocks from its campus. This is a decided handicap to the chapter and it is to be hoped that fraternity lodges will soon be allowed on the S.M.U. campus. Louisiana A has a very attractive cottage near the Newcomb campus which they use for recreation between classes, and for their meetings and their weekly luncheons.

While there is room for improvement in scholarship, the general average of the province is good. Four out of the six chapters rank in the upper third. Oklahoma B has the distinction of being the only chapter ranking first on its campus. For four consecutive semesters they have won the scholarship

This province is fortunate in having three members of Pi Phi and a Pi Phi sister as chaperons. Arkansas A had the privilege this year of initiating their chaperon, Mrs. Walker. She is a charming woman and is not only an asset to the chapter, but to the fraternity as well. Mrs. Noble will return to Oklahoma B for her eighth year of service. She will be remembered as one of the honor guests at Convention last year. Texas A has a new chaperon, Mrs. Waltmon, sister to one of the active members. They are very proud of her. I have had the pleasure of chaperoning Oklahoma A for three years.

There has been excellent co-operation between

the alumnæ advisory committees and the active chapters throughout the province. In each case there is a spirit of active interest and congeniality. The alumnæ at large, too, have given the chapters loyal support, financially, in rushing and in entertaining.

Conferences with the deans of women were enjoyable and helpful. They were complimentary in their comments on the chapters and showed genuine

interest in their progress.

Each chapter has gained its share of honors, both scholastically and in extra-curricular activities. Texas A leads the list with one Phi Beta Kappa, three Mortar Boards, and seven Alpha Lambda Deltas, besides numerous memberships in other honorary organizations, departmental clubs, and several student government and class officers. Texas B has one Mortar Board, one Alpha Lambda Delta, two members of the Freshman Scholarship Club, besides eight memberships in other honorary clubs,

three student government officers, and a good representation in departmental and athletic clubs. They are very proud of the fact that one of their members is to be editor of the 1936 yearbook, this being the first time that the honor has come to a girl on that campus. Louisiana A has both the business manager and editor of the Newcomb yearbook. They have one Phi Beta Kappa, President of Mortar Board, seven on the Dean's Honor Roll and are better represented in the fine arts organizations than any other chapter in the province, Many of the members were prominent in the Mardi Gras festivities and the chapter is very proud, too, of its May Queen this year. The Pi Beta Phi Fellowship was awarded Katherine Finney of Arkansas A. This group also has one Phi Beta Kappa, one A.A.U.W. scholarship winner, eight members on the University Honor Roll, one Sigma Alpha Iota, and many memberships in miscellaneous organizations. Oklahoma A has one member of Alpha Lambda Delta, the President of Panhellenic, one Eta Sigma Phi, one Theta Sigma Phi, one Sigma Delta Rho, two class officers, two members on Y.W.C.A. Cabinet, two members of the University Glee Club and

one member of the University Quartet. Oklahoma B has the presidency of Panhellenic, state Y.W.C.A., W.S.G.A., and Achafoa, petitioning Mortar Board, twelve members of the Dean's Honor Roll, with an active part in every other organization on its

Rushing was generally successful this year. Several of the chapters were, I thought, too large. This was due to the fact that there was an unusually large amount of good material available in the province. So many girls, who, in normal times, would go Feet to faithful the control of the would go East to finishing schools and colleges, at-tended their own state schools or those nearby, making the enrollment larger than ever before.

May I take this opportunity to thank the chapters for their courtesies during my visits and for the splendid co-operation they have given, the alumnæ for their loyalty and active interest and Grand Council for allowing me the privilege of serving my fraternity. I am deeply grateful to Miss Onken, Mrs. Stark, and Mrs. Smith for their assistance, encouragement, and inspiration.

GLADYS HAYES SCIVALLY

LAMBDA PROVINCE PRESIDENT

THE CHAPTERS of Lambda Province have shown a broader national viewpoint this year, a fact which I have attributed to two causes: first, as our province was one of the hostess provinces for the Convention held last June in Yellowstone National Park, many of the actives from the various chapters of this province were able to attend and, second, all of the chapters were visited last fall by Ruth Barrett Smith, our Grand Vice-President. The visit of a member of Grand Council with Mrs. Smith's understanding and viewpoint is of inestimable value to the chapters.

In all of the institutions in this province, with the exception of the University of Alberta, there has been an increase in enrollment and this has resulted in larger chapter numbers and optimism on

the part of faculties and students.

The scholarship of the province has not been as high as we have desired. We have had three of the chapters in the upper third, two in the middle third, and one in the lower third. At the University of Alberta, the groups are not compared in any way, so we have no knowledge of the scholastic standing of Alberta A. There are six straight "A"

students in the various chapters of the province. With the exception of one chapter, I have had perfect co-operation this past year. I have felt that the officers had been well chosen and were carrying

on their work most efficiently.

We feel that this was a banner year in all of the chapters as far as rushing was concerned. I found a fine group of freshmen and believe that, with a few exceptions, they will be strong members of Pi Beta Phi. In checking over the few that could not be initiated because of low grades, I think that the chapters realize that they must rush the girls that have had good scholastic records in their respective high schools. I wish to express my gratitude to the fine pledge supervisors that have worked in the chapters as they have been so instrumental in training our freshmen for future service in the fraternity.

Financial conditions seem to be good throughout the province although the budgets have been strained with the rising cost of food stuffs. All of the chapters, with the exception of Alberta A and Montana A, are living in their own homes and in each case the payments on these homes have been met. Three new buildings are being erected with government funds on the Montana State College campus to house the six national women's groups on that campus. This is a new experiment in our western schools and it will be very interesting to watch developments. The buildings are expected to be ready for occupancy this fall.

Conferences with the Deans of Women were most enjoyable and helpful. They spoke of the fine co-operation that was given to them by the chapters by Pi Beta Phi. Two of the Deans ranked Pi Phi as first on their campuses while the other five placed

them near the top.

For chaperons in these chapter houses of Lambda Province, we are most fortunate in having women who are charming in manner as well as being genuinely interested in helping the girls to feel their chapter houses are truly chapter homes. Washington B is losing Mrs. Struplere this year after she

has chaperoned them for four years.

The interest in campus activities is shown by the many important campus offices held by the girls. During my visits, I found that the active members were helping the pledges choose not only activities which would help them, but those to which they could contribute something really worth while. Also, the actives are interested in the various college groups to which they belong. Many important honors and offices are held by Pi Phis this year. We have four Phi Beta Kappas, three Phi Kappa Phis, five Mortar Boards, and many in other honor-aries. There has been an "ALL School Queen" and a "Queen of the Banff Winter Carnival." We have had a president and a treasurer of A.W.S. and a vice-president and treasurer of W.A.A.
With one exception, I have received splendid

co-operation from the Alumnæ Advisory Committees. This has surely been appreciated as the welfare of the chapters is reflected by the time and effort given by these fine alumnæ.

Five of the chapters have contributed to the Settlement School, the Loan Fund, and the En-

dowment Fund.

In closing, I wish to thank the chapters for

their fine cooperation and their hospitality extended to me during my visits to them; to thank the fraternity for the opportunity of working with these actives and for Pi Beta Phi; and to thank Miss Onken for her unfailing assistance, inspira-

MU PROVINCE PRESIDENT

Owing to the illness of Florence Allen Smith O and also of members of her family, it was impossible for her to submit a report for ARROW publication. The ARROW Editor had the privilege of making official visits to two chapters in the province, celebrating Founders' Day and meeting informally with four more, and having correspondence with the remaining chapter in the province-she has undertaken to write briefly of conditions in the province during the year.

This has been a year of fine achievement in Mu province, and the end of the year finds all the

chapters in good condition.

Everywhere the chapters were successful in attracting fine classes of pledges, in spite of continu-ing financial difficulties which have prevented the pledging of many girls who would have joined under more prosperous conditions. In one case, at Stanford, a quota system has been put into effect this year, allowing the pledging of only ten girls by California A, the number being determined by the amount of accommodations available in the house. This was a distinct handicap to us, and a continuance of the system may be a serious problem for the chapter.

All the chapters in the province own their homes, and are managing their finances well. At California A, plans have been made for a large addition to the house, which will be ready for occupancy at the beginning of the college year. At Utah A, the size of the chapter has so greatly increased that a larger house seems necessary, and plans for it are being considered. In all cases, the houses are in fine condition, and are a

credit to the Fraternity.

There have been several changes of housemothers in the province this year. At Nevada A, an interesting experiment has been worked out, with two of our own girls doing the cooking. They would otherwise have had to work outside of the house, in order to remain in college, and they have greatly preferred this arrangement. The plan has had the approval of the Dean. California B has had for several years the plan of having an alumna as house-manager, but the arrangement will not be continued.

Scholarship has shown improvement in most of the chapters this year. Two chapters, Arizona A and Nevada A, were first for the first semester on their campuses, and they hoped to keep the place for the whole year. Four new & B Ks have been reported, one of them, Frances Parsons of Utah A, being the first girl to be so honored in that university, another, Jean Williams, California Γ, being president of her chapter, and the other two being members of California A, Margaret Woods

and Betty Seery.

Deans of Women have spoken well of all the chapters, praising the cooperation and fine spirit

of the girls.

Truly this is a province to be proud of! The Editor is qualified to speak from four years' experience as its president.

Respectfully submitted,

ADELE TAYLOR ALFORD

Are you transferring to another college this year? If so, please notify the Committee on Transfers whose address is given in the Directory at the front of this issue.

Annual Reports of Province Vice-Presidents

ALPHA PROVINCE VICE-PRESIDENT

I T IS HARD to realize that my first year as Alpha Province Vice-President has come to a close. There have been hectic moments when, like the woman in the story who "rocked the cradle with one foot and wiped her tears away with the other," I tried to type club letters with one hand and run my house and family with the other. However, I con-soled myself with the knowledge that others had accomplished, and were still accomplishing similar tasks under similar difficulties, and thus gained the

courage to carry on.

This year has been mainly a "get-acquainted" one for me. I have five clubs to visit before next Convention, viz.; Boston, Syracuse, Rochester, Buffalo, and Westchester County. I had very enjoyable visits with the New York, Western Massachusetts, Hartford, New Haven, and Burlington Clubs following the Nova Scotia Alpha installation in November. Of the clubs visited and from the letters and reports received from all of them, all but Western Massachusetts are functioning as successfully as possible considering their various problems. The above-mentioned club re-organized for 1934-1935 after being inactive in 1933-1934, but a recent letter from their corresponding secretary informed me that they find it impossible to continue as an organized club and are giving up their charter.

According to suggestions from the Grand Vice-President, I am urging them to try to hold together for another year with help for their nearest chapter

Massachusetts A-as an incentive.

One new club has been formed—Westchester County, New York—and I hope for at least three others in the near future, in Halifax, N.S., Hamilton, Ontario, and in Albany, N.Y. The Hamilton alumnæ were hostesses for the all-Ontario reunion

in honor of our Founders in April.

Memberships have increased in all except two of the clubs. All but three contributed to Settlement School, four gave donations to the Loan Fund, and two to the Endowment Fund. Several had sales of Arrowcraft Products. Of the active chapters, all Senior Dues are in, four gave donations to Settle-ment School, five to the Loan Fund, and two to the Endowment Fund.

In closing I wish to thank the members of Grand Council for their patience during the past season, also Louise Richardson who has helped me with her past experience in the office I now hold, and the officers and members of all the clubs in Alpha Province for their hospitality and their monthly letters which were too friendly and informal to be

mere reports.

MARY HERDMAN SCOTT

BETA PROVINCE VICE-PRESIDENT

I AM QUITE sure that no province officer ever succeeded a more efficient or a more popular Pi Phi than I did as Beta Province Vice-President. Mrs. Curtis resigned her office at the 1934 Convention, but her interest in club work and development did not end then, and she has stood ready during the year to come to my aid, and has done so promptly whenever I signalled. Thank you,

Frances Curtis!

I have greatly enjoyed and appreciated the cor-respondence with the clubs. They have, with a few exceptions, written me regularly and informatively. It is difficult sometimes to write to just a name, as to just a group, and I hoped to establish a personal contact with each club during the year. I visited fourteen of them; whenever I thought I'd surely be able to attend a regular meeting of one of the others, I'd find they had a men's night scheduled! Those clubs I visited welcomed me with all friendliness, and it was good to be accepted among them. As the officer lists come in, I find that many names are personalities, and I shall, I feel sure, find our next year's relations less impersonal by reason of this; I hope this feeling will be shared by the clubs as they read my letters and as they write to

Beta Province has added two new clubs to its roster within the year, one at Charleston, West Virginia, which has promised well from the beginning, and is building up interest for next year, and the other at London, Ontario, whose charter members became Pi Phis at the installation of Ontario Beta. One new club at the extreme south of our province, and the other at the extreme north!

Club membership ranges from seven to ninetyfour. Naturally, perspectives are different. A situation to be met in a large club may be a situation to be accepted in a small one, but the club of ninety-four members is no more loyal to the Fraternity than is the club of seven members. One club's membership is confined to the limits of a small town; another draws from thirty-four towns in a metropolitan area. I have found no two clubs exactly alike; they differ so widely on many scores that their unity of purpose is the more noteworthy.

I am happy to have been given the privilege of serving as a province officer: it had never occurred to me that such a thing might be! I am trying to serve the clubs well; for myself, I have made contacts this year, through letters and personal visits, that I shall never forget. It would have been impossible to be in touch with the business of the Fraternity without experiencing increasing admiration of the splendid cooperation within the organization, and appreciating more fully the significance and influence of Pi Beta Phi.

CANDACE CLOYD JOHNSON

GAMMA PROVINCE VICE-PRESIDENT

PROVINCE Vice-President has been Onick-named "Dr. Dafoe," not because of any outstanding piece of work done, but because of the number of clubs in the province. The quintuplets at the end of this year show as healthy a

record as the famous Canadian ones.

The clubs have worked consistently, cooperated, promptly attended to reports and show an active interest in their work. Credit for any improve-ment goes to Miss Onken. Her delightful visit to our province in the fall stimulated plans, gave us a broader viewpoint, and increased our national perspective. Since Miss Onken met with the clubs this year, I plan to visit the clubs in the fall and am looking forward to this personal contact in pleasant anticipation.

Our total membership in the province has increased from 142 paid members to 155. We still have a long way to go to report all resident Pi Phis affiliated with clubs, but we are still struggling, and hope some day to attain our goal.

All clubs and chapters have contributed liberally to the Settlement School, and the contributions to the Endowment Fund and Loan Fund surpass those of last year. I am delighted to report that the Senior dues came in promptly and with 100% response. Clubs located near chapters find a real pleasure in aiding the girls with their problems whether social or financial, and in return are encouraged by the enthusiasm of youth.

May I thank you for the opportunity of serving you? I want to express my appreciation to na-tional and club officers for their fine cooperation and splendid accomplishments, I am grateful to

them for their help and encouragement.

The time has come to turn aside from the past with its delightful memories, and welcome the future. May the health record of the quintuplets continue as we step over the threshold into the EMMA DRURY SIPPEL coming year.

DELTA PROVINCE VICE-PRESIDENT

Beta Phi, Delta Province Vice-President submits her first annual report with great fear and trembling. The ability to give all credit due her province is not one of her characteristics. Never having been good at "figgers and sums," it was with great surprise that she viewed the totals for the various province funds!

Her visits to the clubs this fall will always be cherished among her most delightful memories. Our province was happy to have visits also from Miss Onken and Mrs. Smith from whom we gained much in national viewpoint.

Our two new clubs at Terre Haute, Indiana, and Flint, Michigan, under the able leadership of their presidents, have shown us what young clubs

can accomplish.

The brightest spot on the horizon at present is that, this year, all fourteen clubs and six chapters have contributed to the Settlement School, the Endowment Fund, and the Undergraduate Loan Fund. Contributions to every fund increased. The gifts of the clubs and chapters amounted to a \$600.00 increase over last year.

Another splendid record shows that every ques-

tionnaire, audit report, and officer's list came in on time. It warms the heart to work with clubs that are so eagerly anxious to cooperate in all national policies and are so appreciative of any help given.

Both Michigan and Indiana held State Founders' Day luncheons. These affairs were miniature conventions as Pi Phis from all over the states at-

tended by the hundreds.

The grading system which has been carried on previously has been continued. And now that the time has come to award the gavel, which is the reward for the ranking club, I wish I had a dozen gavels. Southwestern Indiana Club tops the list with Ann Arbor, Michigan, and several other clubs "run-ning neck and neck."

As Delta Province Vice-President, I am deeply indebted for the friendships gained with my club officers and members. To the members of Grand Council who have so patiently helped me over the rough places, I wish to express my sincere thanks and gratitude. It has been a delight to work with such splendid women who give so much to our Fraternity.

It has been a pleasure to serve Pi Beta Phi. ELSA BARKER ESKEW

EPSILON PROVINCE VICE-PRESIDENT

I T IS WITH a great deal of pride that the Epsilon Province Vice-President reports of the clubs in the province this year. In almost every respect there has been a gain of some kind in every club. Where there has been a small loss in one club, it has been

more than made up in another.

Each club and each chapter has contributed to the Undergraduate Loan Fund, to the Endowment and to the Settlement School. Two Mothers' Clubs, of Chattanooga and of St. Louis, gave to the Settlement School, and the Chattanooga Club also made a donation to the Loan Fund. With one club still unreported, Epsilon province has sent \$1,472.92 to

the Settlement School this year, a gain of \$50.00 over last year. The clubs gave the same amount to the Loan Fund as they did last year, but the active chapters contributed \$12.50 more, making the total for the province \$106.00. Thirty dollars more than last year was sent by the clubs to the Endowment Fund.

The real problem in this province is one of membership. There are too many Pi Phis who are not members of alumnæ clubs. In spite of this condition, eight clubs together have fifteen more members this year than last. Chattanooga made the largest gain in membership. This year they have

fifty-five paid members, compared with thirty-five last year. Thirty seniors paid alumnæ dues, which should help the situation in the future.

Six clubs sold Arrow Craft products amounting to more than \$600.00. The club in Columbia, a town of about 15,000, and with a membership of only 23, sold \$200.00 worth of goods. That is a fine record, and shows what can be done.

Only one club was inactive in the magazine campaign this year. When the mid-year report was sent out by the Chairman of the Magazine Agency, three clubs had already sold a great many more magazines in six months than they had all last year, and one club had sold almost as many. The

clubs are realizing more and more the possibilities of the Magazine Agency.

The Epsilon Province Vice-President has had remarkable co-operation from the clubs. All of the success should be credited to loyal club officers working with an interested and co-operative club membership. Not only during her visits to the clubs which were made this winter, and which were a real pleasure and inspiration for the visiting officer, but during the entire year, the association between the club and the vice-president has been a source of joy to her. It is a real privilege to do the work of the Epsilon Province Vice-President. KATHARINE KIBLER LYONS

ZETA PROVINCE VICE-PRESIDENT

As THE Grand Secretary visited Zeta Province this year, my contacts with the clubs were by correspondence only. In some cases I wished that that correspondence were less one-sided, but on the whole the response has been very good. Particularly fine cooperation has been given by the clubs at De Land, Orlando, Lakeland, and Atlanta, all of which are well-organized, and con-tribute generously to all our national projects. Tampa, our youngest club, also merits honorable mention.

The Florida alumnæ, who compose eight of our ten clubs, are to be congratulated on the fine way in which they planned and carried out their "first annual" state conference, held in Orlando during May. They were particularly fortunate in having Miss Onken as their guest of honor. Her presence, of course, was largely responsible for the fact that every club and chapter in the state was well represented, and that all report a renewed spirit of loyalty and enthusiasm. This, I am sure indicates that next year will bring progress and good fortune to Pi Beta Phi in Zeta Province.

It is with great regret that I relinquish my office. It has given me a happy and enriching ex-perience. I shall always cherish the friendships it has brought, and the opportunities to serve Pi

Beta Phi.

HILDA BEGGS HENRY

ETA PROVINCE VICE-PRESIDENT

ALTHOUGH I HAVE been Eta Province's Vice-President for only six months. I love the contacts with the clubs and the work. It certainly makes one realize that Pi Phi is important to all of us all of our lives. The loyalty and cooperation of the Eta clubs is marvelous. Having been so new in the office, it was a bit difficult, at first, to grasp all of the duties, for which reason our clubs may have been retarded. Next year we hope to do better.

The financial report for this year is not quite up to that of last year. There is not, however, a great deficit, and I do feel as if my period of acclimation is to blame for what there is. Donations to Settlement School amounted to \$1,696.00 as compared to \$1,981.47 for last year. Loan Fund received \$107.00 as compared to \$120.00. \$191.00 was sent to the Endowment Fund as compared to \$192.00 last year.

There were twelve clubs which were 100% in donations to all projects namely: Champaign-Urbana, Chicago North, Chicago Business Women's, Chicago West, Chicago South, Decatur, Madison, Milwaukee, Monmouth, North Shore, Oak Park-River Forest, and Rockford. Eta Province is ex-tremely proud to know these clubs belong to it. All, but one active chapter, were 100%.

There has been a slight increase in memberships and Senior Dues. Eta Province has 592 paid members this year as compared to 587 last year; Senior dues for 74 girls instead of 56.

The magazine fund was wholeheartedly sup-

ported, and \$219.20 was realized from Eta Province. Decatur was credited with selling the 5th greatest number of magazines of all clubs. Arrowcraft sales also seem to be increasing. Many of the Eta clubs have found that guest teas at which Arrowcraft products are displayed are very remunerative.

Eta Province had a conference at Evanston, Ill., over the week-end of Founders' Day. Illinois Epsilon was the hostess chapter. It was the first time many of the Alumnæ had been in direct contact with the active girls. One report of it said, "We felt the whole conference was extremely inspirational. There were, however, two outstanding re-membrances; first, the graciousness, poise, and adaptability of Miss Onken in handling all situations; and second, the high caliber of the active girls. It seems to us as if Pi Phi has indeed chosen representative girls." Due to illness Eta Province's Vice-President was not able to attend this conference, but from reports from various clubs, all felt it was very worthwhile.

Eta Province's Vice-President wants to thank Miss Onken, Mrs. Smith, Mrs. Wild, and Mrs. Stoolman for their help these past six months. If it were not for the continuous guidance of these officers and Mrs. D. S. Sutton, Eta Province's past Vice-President, I do not know how the work could have been accomplished. It has been a pleasure, indeed, to work with these loyal Pi Phis. May I also thank the clubs and chapter.

It has meant a great deal to me.

DOROTHY DENGEL thank the clubs and chapters for their co-operation?

THETA PROVINCE VICE-PRESIDENT

THETA PROVINCE is this year on the Honor Roll, every club having made a gift to each of the fraternity's projects. We have tried to stimulate interest in the various philanthropies and have urged the clubs to divide their gifts rather than support but one or two and we are gratified at the results.

It was our pleasure during the fall to go to those clubs which had not been visited during the preceding year. We found in each case, a generous welcome, gracious hospitality, and a most gratifying interest in the national fraternity as well as a desire to increase the local influence. There is also a growing desire to be of aid to the local chapters when needed.

Des Moines, Indianola, St. Paul, Minneapolis, Duluth, Winnipeg and Grand Forks were the clubs visited. We endeavored to take to each something of the inspiration which had come to us at Con-

vention.

We have written each of our clubs every month, endeavoring to include in these letters items of general fraternity interests, bits of news from other clubs, timely suggestions to the officers and aids for programs and money raising plans. The responses to our letters have been gratifying and we believe the close contact thus maintained to be of value.

To Sioux City go our orchids this year as they are 100% in membership. Indianola made the largest gain, having added fifteen which almost doubles their membership of last year. The membership total for the year is one more than last

year, 374.

Our chart for the year will show that, of the seven chapters in the province, six sent gifts to the Settlement School, five to the Undergraduate Loan Fund, and three to the Endowment Fund. One chapter did not contribute to any of the national projects of the fraternity.

The chapters have done better about sending in their senior dues than formerly although all do not understand yet that these are required by the con-

stitution.

The high spot for the year for the clubs in Iowa was Miss Onken's visit during April. She was able to contact each of the clubs in the state except Sioux City, which will have a Grand Council visitor next year. The inspiration of the opportunity to know our Grand President is priceless. We profited by a one-day conference with Ruth Barrett Smith late in April, and she was able at the same time to meet some of the officers of the Ames club as well as call at Iowa Gamma's house.

In many ways the present year has been an improvement over the one preceding. Eight clubs show an increase in membership. We have for the first time a 100% membership club. We are, also for the first time, 100% in gifts to the fraternity projects. The reports are also being sent more

promptly.

But still we are not satisfied. We should show a decided increase in membership for the whole province; our total gifts to the Settlement School should increase annually; our chapters should all support each national project and all reports should be on time.

It is a pleasure to work with groups which are increasing in interest and we thank the clubs and

chapters for their co-operation.

Much of the joy of this work comes from the delightful contacts with the Grand Council and other national officers. We appreciate this affiliation and also the opportunity to serve our fraternity.

LAURA STORMS KNAPP

IOTA PROVINCE VICE-PRESIDENT

I OTA PROVINCE feels it has been very fortunate this year in that every club has been visited by at least one national officer. To this fortuitous circumstance the Province Vice-President attributes the fact that each club has shown improvement along some line of Pi Beta Phi endeavor. There has been an increase in average attendance as well as in paid memberships. Several clubs have increased their gifts to the Settlement School and chapters, and given generously to other Pi Beta Phi projects as well, to say nothing of continued support to worth-while local causes. A larger number of clubs have handled Settlement School products this year and there has been a very marked increase in the amount of magazine subscriptions.

Miss Onken visited the clubs in Nebraska and Kansas, with the exception of the Wichita Club. That they appreciated this contact with our Grand President, was attested by the fact that, without exception, they wrote to the Province Vice-President expressing their consciousness of the help and inspiration she had brought to them. Mrs. Smith attended the Founders' Day celebration of the Wichita Club, and a cordial letter from the club's president, Miss Wall, acknowledged the very great benefit they had derived from the meeting with her.

Early in February, Mrs. Alford visited the chapters and clubs of Wyoming and Colorado. Her charm of manner and broad understanding of fraternity affairs won for her the confidence and respect of both actives and alumnæ. Mrs. Stark aided Wyoming A and Colorado A very materially in their rushing last fall by attending their opening teas. Later, she attended the first fall meeting of the Denver Alumnæ Club where she discussed ways in which alumnæ might best co-operate with the active chapters in rushing. She felt the alumnæ have no right to attempt to coerce the active girls in their selection of pledges; for, after all, it should be their privilege to determine the personnel of their chapters.

Iota Province is very proud of the fact that it has two 100% clubs. The Manhattan Club so qualifies because it has a 100% membership and has supported all major Pi Beta Phi projects, Cheyenne is also 100%. It has also aided Kansas B with money and in rushing. Laramie lacks only a membership or two to qualify also as a 100% club. Both Clubs have shown tremendous improvement during the past year. Omaha, Topeka, and Denver also supported all Pi Beta Phi projects. Cheyenne, Colorado Springs, Denver, Lawrence, Manhattan, Omaha,

Poudre Valley, Pueblo, Laramie and Topeka all handled Arrowcraft products, and, while Boulder did not itself handle the products, it helped Colorado Alpha at its Settlement School tea where \$114.35 worth of products were sold.

Every club in the province contributed to the

Settlement School.

Iota Province Vice-President regrets that she hasn't complete data on Magazine subscriptions, but Iota Province led all provinces in this Pi Beta Phi project. Lincoln showed the greatest gain in magazine subscriptions, having sold \$161.85 worth, Wichita came second with \$117.45. Casper, Denver, Omaha and Manhattan also did especially well. Wichita ranked third nationally.

Lincoln led in gifts to the active chapters with \$125.00 and Omaha and Manhattan both gave generously. Omaha also made a gift to the Fel-

lowship Fund.

Among the active chapters, Colorado A led in gifts to the Settlement School with \$100.00, Colorado B and Kansas B came second with \$50.00

each, and Kansas A gave \$47.00 to the Endowment. Practically all clubs report an increased average attendance and greater interest in club activities. On

the whole, Pi Beta Phi benefits were very successful. Omaha did especially well in its presentation of Miss Beatrice Edmonds in a group of play-readings. Laramie, Wichita, and Denver put on successful fashion shows and Denver's theater benefit each summer at Elitch Gardens is always successful.

Iota Province Vice-President feels that the progress made by her clubs during the past year is in-dicative of a broader national outlook and a clearer understanding of the requirements for an efficient club. Their increasing spirit of co-operation with her and with the national officers of the fraternity make each year's work with them a greater pleasure.

Iota Province Vice-President wishes to thank especially, Miss Onken, Mrs. Smith, Mrs. Alford, and Mrs. Stark for their active assistance in her Province work; for their comprehensive understanding of Province needs and problems; and for their splendid letters of interest and encouragement throughout the year. She wishes also to thank Mrs. Wild, Mrs. Stoolman, and Mrs. Purdunn as well as other national and province officers for their generous assistance at all times.

HALLIE COLLINS

KAPPA PROVINCE VICE PRESIDENT

ANOTHER milestone in the history of the frater-A nity has been passed and the progress made during that period by the alumnæ clubs has been most noticeable. As we glance at the results of the year's work, there is evidence of a decided increase in interest, a larger attendance at the meetings; the most gratifying of all, is the increase in membership in the province. All but five clubs show this growth, and the New Orleans Alumnæ club is to be congratulated upon gaining the most members during the year. There are two clubs in the province which are 100% in membership; Corpus Christi, Texas, and Okmulgee, Oklahoma. Corpus Christi has enrolled every Pi Phi in the city and some in the nearby towns, and Okmulgee has been 100% for

It had been hoped that the province would be 100% in donations and twelve clubs have done their part, but even if the province cannot claim that honor, the clubs have done splendidly in remembering the various funds. Approximately \$382 has been sent to the Endowment Fund, and \$131 to the Loan Fund. The active chapters are fund-minded too, four out of the six are 100%. Texas A sent \$50 to the Settlement School and \$100 to the Endowment Fund. Arkansas A and Texas B each sent \$50 to the Endowment Fund. Louisiana A sent \$55 to the Settlement School. The chapters are

sent \$55 to the Settlement School.

100% in donations to the Endowment Fund.

The Settlement School has, as always, reaped the harvest. The clubs have bent every effort to give their best assistance to this one "pride and joy of ours." There are several clubs which should be given special mention for their generous contributions; Austin sent \$105 to the school, Dallas, \$209.16; Sabine District, \$93.79; and Ft. Worth, a new club, sent \$50.80. These clubs are surely among the best contributors that the school has. The total contribution from the province is \$978.24. The Tyler alumnæ club, which is not

affiliated with the national organization, sent \$35.90 to the Settlement School. This was the result of a recent sale of the products from Gatlinburg, and they are justly proud of their efforts. They are a splendid group and would add much to our province, should they decide to come into the organization. There is a promise from them to discuss this point and make their decision by the time fall activities begin. Other groups have been written to on this same subject, but as yet nothing has resulted.

Several clubs of the province had the pleasure of a visit from Mrs. Smith, Grand Vice-President, during the month of May. She met with Oklahoma City, Norman, Ft. Worth, and Stillwater. These clubs were fortunate indeed to have had this contact, and it is hoped that she will return soon and visit with the other groups of the province. It is most inspiring to have our Grand Council officers visit us and give us the benefit of their wide ex-perience and vast store of knowledge.

The visits to the clubs were made during the late winter, and will always stand out as the most in-testing feature of the year's work. The leaving of old friends each day and making new ones did not mar the interest and enthusiasm, for the clubs were filled with plans-all for the same endcreating interest for the members, working for the various projects of the fraternity. There were found plans for Settlement School exhibits, bridge teas, fashion shows, and numerous other ways of swelling the coffers of the club. The new clubs, Ft. Worth and Corpus Christi, are most enthusiastic in their plans. They began the year's work with exhibits and were most successful in their results. There is a new club in the province; San Antonio sent in their application in April, and will begin their activities in the fall. We shall hear from them again, I am sure.

There is a feeling of optimism throughout the

province, due, in a way, to the echoes of the convention of last year; the inspiration and fine work done there has been given to the clubs by the splendid articles in the Arrow and the monthly letters sent out, by the Province Vice-President. These have attempted to give a vivid picture of the work done, good times had, and to urge those who did not go to that convention, to plan to attend the next one.

It has been a real pleasure to serve the Fraternity and what progress has been made, is due to the co-operation of the splendid women who have given their time and enthusiasm to the furtherance of the plans of the fraternity. They have been most eager to carry on the wishes of the organization and that willingness is most appreciated. The officers and committee members who have assisted in the advancement of the work must also realize that without this aid little could have been accomplished; they too, receive the sincere thanks of the Kappa Province Vice-President.

CARRIE WILLIAMSON

LAMBDA PROVINCE VICE-PRESIDENT

Province could not but feel the continued influence of aroused enthusiasm, best shown in the increased membership and in the upholding of last year's perfect record of 100% contributions to all national projects by every club and chapter in the province. A wonderful spirit of co-operation and helpfulness is evident everywhere. Another great inspiration has come from the visits of our Grand Vice-President, Ruth Barrett Smith, who contacted all clubs but two and every chapter in the province. It is always a happy year when one of our Grand officers is included in our programs. Additional privileges were afforded the Calgary and Edmonton clubs by the visits of our Province President, Lilian MacLeod Rusch, who graciously gave of her time on her trip to Alberta A.

Each year our number of resident alumnæ increases as we graduate more seniors and new people move to our great Northwest. The total shows 725 Pi Phis—iust an even hundred more than we had in 1934. This means richer fields for our membership chairmen another year. Clubs increasing in membership are Boise, Calgary, Eugene, Portland, Salem, and Seattle. Calgary and Corvallis have 100% paid membership, while Edmonton lacks but one. Three of our active chapters do not have the support of alumnæ clubs, but their loyal advisory members have shown their faith in Pi Phi by paying national dues, thereby swelling our total membership to 290. Forty-three seniors were graduated to become members of clubs next year.

By working, sacrificing, scheming, and planning, each club and chapter has made it possible to contribute to the Settlement School, Loan Fund, and Endowment Fund besides conducting Arrowcraft sales and helping with local charities. The total increase for the Settlement School amounts to \$74.75, Seattle again being the highest donor. Boise, Yakima, Edmonton, Portland, Seattle, and Washington Alpha increased their gifts apprecially. Special commendation is due Washington Alpha for their efforts toward national work. Some clubs and chapters tried Arrowcraft sales for the first time with considerable satisfaction and financial success. Lambda Province did not have much part in the marvelous success of the Magazine Agency nationally although the matter was stressed from the beginning of the year and reports were sent out to

chairmen and treasurers. Calgary deserves special credit for leading the province, since this was the first time they had tried it and the club is small,

The Loan Fund shows an increase, and we have been able to collect on old past-due loans. Owing to the fact that there was no special stress put on the Endowment Fund, it has fallen slightly below last year's figures. Portland, Alberta A, Washington A, and Oregon A were most generous to the Endowment. Clubs have helped their nearby chapters by giving money and gifts, and by entertaining and assisting with rushing.

Yearbooks show a trend to cut down expenses, but the contents and programs show no curtailment of activities. Effort has been made to reach busy people in all professions and to appeal to their different interests. Seattle and Portland have pre-sented Beatrice Edmonds, California A dramatic reader, with outstanding success. Salem is introducing book reviews next year, and Boise business girls meet regularly for luncheon in addition to the monthly meetings. Founders' Day was celebrated wherever possible by joining groups and chapters. Seattle again held its traditional banquet with our own Mrs. Soule as guest of honor. Portland had a lovely banquet, while other Oregon Pi Phis ac-cepted the invitation to participate with Corvallis. Spokane attracted many nearby Pi Phis, and Washington B was hostess to Idaho Alpha and her alumnæ at a Sunday morning breakfast. Pi Phis in Canada came long distances to attend their homecoming Founders' Day celebration. Fannie White-nack Libbey Club at Yakima made their celebration a costume party and sent their customary wire to our Founder Mrs. Libbey-a former member and intimate friend.

As the year closes, your province vice-president views it with pride and regret for it also marks the close of her work for Pi Phi in Lambda Province. September will find her and her family in their new home at Fort Wadsworth, Staten Island, New York City. As she looks out upon the ships of New York Harbor, she will look back upon the many happy experiences and good friends far out on the Pacific Coast. It has been a rich experience serving Pi Phi and knowing her leaders—an opportunity and privilege for which she is very grateful.

JUANITA GREGORY O'DAY

MU PROVINCE VICE-PRESIDENT

I T IS WITH deep appreciation of the Alumnæ Clubs of Mu Province, and their officers, that I close my first year as Province Vice-President.

As I have made no visits, my only contact has been through the medium of correspondence; but the loyalty, the graciousness, and the co-operation which has been evidenced in this contact, have made me realize more than ever how far reaching the standards of Pi Beta Phi really are.

Although, the amounts of money sent to the various funds have not been as large as last year, there has been a decided increase in the number of donations, which proves there is no interest lacking, but an increased concentrated effort as a whole to support the projects of our national Fraternity. After all, that should be our ultimate aim, to have every member of Pi Beta Phi do her share in maintaining the place Pi Beta Phi today holds in the realm of national fraternities.

I wish to thank the Fraternity for this opportunity I have had in the last year-to gain a deeper insight into the fine organization of our national fraternity, and to have my heart touched still a little deeper with that intangible thing we call fraternity spirit. I cannot help but know, that could you all serve Pi Beta Phi. as I have, you would all be better Pi Phis for it!

May I thank Mu Province for your past cooperation with a fond hope for your future!

ETHEL LUNSFORD FROST

Dr. Fox, of Union College said: "It would be inhuman folly to throw over an institution with millions of members and seventy-five millions worth of property, simply because the undergraduates of a few colleges felt no need for it in its present form. We need calmly to assess the human worth of fraternities in fundamental values before we consider anywhere their abandonment, and if abandoned in the special circumstances of one place it does not follow at all that general abandonment is a good policy. Most college executives realize that the fratemities have high potentialities of excellence if they and the college work together. The fruitful course is clearly to mark these possible excellencies and encourage them rather than worry about defects."

"I am not certain that things have changed. In the panic year when Hannibal's army crossed the Alps, a wise old Roman advised his son: 'Be not affected by the temporary shifts of fortune's wind. Be certain that your undertakings are based upon the solid rock of proven worth. In a world of change, cling to that which endures.—If a wholesome companionship, centered around the highest ideals of the human race is the heart of the fraternity, all else is secondary. A college president, responding to the question of how his college was meeting the changed times, said that the fundamentals of real education have not changed, and that his college tries to teach its students these fundamentals to make them ready to meet life after they have finished their college course." Florence Hunt Webster.

The Dean at the U. of Pennsylvania was asked by a newly elected chapter president how to help his chapter meet the new order of things and he answered by giving what he considers the four characteristics most needed by present day college students-honesty in acting and thinking, courage, reverence and loyalty taken as one, and social mindedness.

An undergraduate Pi Phi recently said that in these times the greatest need is to have a feeling of self assurance and that this assurance is given (to girls who lack it when they enter college) to more girls by their fraternity membership than in any other way.

ALUMNAE CLUB LETTERS

Edited by LOTTA JOHNSON WEIR

Orders for Pi Beta Phi monogrammed handkerchiefs should be sent to Mrs. L. E. Scott, 2309 Summit Avenue, Little Rock, Ark.

Chicago West Suburban Club has formulated a plan for greater alumnæ representation which it will be glad to pass on to other alumnæ clubs.

The Los Angeles Club has presented the seniors of California Γ and Δ with individual mem-

berships in the club.

The Calgary Club gave a Mother and Daughter tea, the purpose of which was to introduce to the mothers the idea of fraternity and its value to their daughters.

ALPHA PROVINCE

BOSTON CLUB

Boston Club

Boston Alumnæ Club had fifty paid members this past year and the five regular meetings of the club drew an average attendance of fifty alumnæ. Arrow Craft goods amounting to \$60 were sold and the following contributions were made: \$60 to the Settlement School, \$5 to the Loan Fund, and \$25 to Massachusetts Alpha Chapter.

The club season began in October with a Harvest Supper at which impressions of Convention were given by active and alumnæ delegates. The January meeting, which was devoted to the Constitution, was at the Y.W.C.A. Tea the Boston University Women's Council House in honor of Florence Hunt Webster, Assistant to the Grand President, was one of the memorable events of March. Mrs. Webster's delightfully informal talk about fraternity problems and developments helped to broaden our national viewpoint. The Council House on Founders' Day was the scene of many happy reunions, a dozen or more chapters being represented. The Massachusetts Alpha girls were guests of honor at the luncheon. A feature of the afternoon was the cleverly presented series of tableaux given by the actives. In attractive costumes and picturesque attitudes, accompanied by sweet voices they illustrated ten songs including My Little Gypsy Sweetheart, School Days, Home on the Range, and Little Dutch Mill, reaching an effective climax with The Founding of Pi Beta Phi while the entire audience joined in the singing of the Anthem. The Summer Reunion was again made possible by the warm hospitality of Anna Robinson Nickerson who for the thirteenth consecutive year opened her summer home in Quincy to visiting Pi Phis from all over New England.

An announcement of interest to the 200 alumnæ in the vicinity of Boston is that the four regular meetings of

over New England.

An announcement of interest to the 200 alumnæ in the vicinity of Boston is that the four regular meetings of the Boston Alumnæ Club will be in the form of Saturday luncheons at the Boston University Women's Council House, 146 Commonwealth Avenue, Boston.

VIRGINIA CROOKER

BUFFALO CLUB

The Buffalo Alumnæ Club held eight regular meetings this year. The meetings were usually luncheon meetings held on the third Saturday of each month, excepting the February meeting and Founders' Day. The Club has had twenty-eight active members this year with an average attendance of twenty-one at the meetings, plus a few visiting Pi Phis whom we were very pleased to have join us, including Mrs. Kate Bostwick, a former member of Grand Council.

At the annual Christmas party, the husbands of the Pi Phis were entertained at dinner and bridge. The picnic, which was held this year at Emery Park, afforded a very enjoyable afternoon for the families of the members.

Founders' Day was celebrated by a cooky-shine at the

home of one of the members. During the evening a radio program was broadcast from Station ARRO at the Settlement School consisting of mountain songs and news from Little Pigeon.

We were most fortunate in entertaining Mrs. Webster, assistant to the Grand President, at the February meeting. Mrs. Webster told us many interesting facts about the Fraternity and Convention. It had been some time since the Club had had a visit from a National officer and hers was an inspiration to all of us.

The members contributed twenty-five cents at each meeting toward the Settlement School Fund. A luncheon-bridge was given in January by the Weckerle Milk Company as an advertisement, and the proceeds, which netted fourteen dollars were added to our money for Settlement School. Two dozen bottles of Pi Phi vanilla were also sold and the profit on these increased the Fund a little more. At several meetings Arrow Craft Products were displayed and the sale of these was so encouraging we were able to send sixty dollars to the Settlement School. We also sent ten dollars to the Loan Fund and ten dollars to the Endowment Fund.

The program committee for the ensuing year has already been appointed and plans have been made for another year

Endowment Fund.

The program committee for the ensuing year has already been appointed and plans have been made for another year of ever-increasing devotion and service to Pi Beta Phi.

ERMA R. LEWIS

HARTFORD CLUB

The Hartford Club has had a very successful year. Our meetings have had an average attendance of sixteen. Voluntary gifts, sale of Arrow Craft goods, and a Christmas card book have enabled us to give to the Settlement School, Endowment Fund, and Loan Fund.

Through the kindness of a friend of Mabel MacClurg, who was in charge of the June picnic, we held it at a country home in the mountains at which there was an outdoor fireplace. Plans for the program for next year were made in front of a very welcome fire. At each meeting there will be two members to assist the one at whose home the meeting is held. The plan of paying a very nominal sum for supper will be continued.

Founders' Day luncheon was held at an inn at Plainville, Connecticut, under the direction of the New Haven Club. We were sorry that many of our group were unable to attend.

The club feels that it gained much from the visit of

to attend.

The club feels that it gained much from the visit of Mrs. Scott and Mrs. Webster. We are looking forward to a pleasant year under our new officers.

ERMINIE POLLARD

NEW HAVEN CLUB

While Alpha Province's youngest club cannot boast for another annual report an increase in actual figures in number of paid members, or in contributions sent, yet in no instance has she shown a decrease. With twelve paid

members, and an average attendance of ten at meetings, thirty dollars was sent to the Settlement School, and five dollars to the Endowment Fund. The Club feels, however, that in fraternity spirit and in the strengthening of friendships it has gone far forward. Through Mrs. Scott's visit to us this fall we have a greater fraternity outlook, and, because we are small in number, through each successive meeting we have had a closer insight into the significance of fraternity friendships.

The Club continued this year its plan of lectures by various members, for which we never neglected to pass the plate for contributions in payment, and through our lecturers we have had a varied itinerary. From public as well as private life in Russia, we came back home to study the timely problem of the consumer in our own city. Our next destination was the Capital with its problems of relief programs, and definitely connected, local organizations and individuals and the means of bringing them help. Our last journey took us along the valley of the Rio Grande from the most northern to the most southern American Indian group, through the excavations of early sites and into the present tribal customs.

Founders' Day was observed by the annual reunion with the Hartford Club, at an inn dating from Revolutionary times approximately half-way between our two cities. The Loving Cup song and the ceremony of the Loving Cup commenced the luncheon and meeting.

NEW YORK CLUB

The New York Alumnæ Club is gratified to look back on a year of increased attendance at meetings, larger membership and a great advance in the sale of Settlement School products. While only 58 of 275 alumnæ in New York and the Metropolitan area have paid the \$4.00 membership fee, most of the non-members have attended meetings and have contributed to the Settlement School Fund. The Club has sent \$247.72 to the Settlement School and a special gift of \$6.00 to its teachers.

The Magazine Agent has received \$279.75 in subscriptions and the commissions from this sum will be sent to Settlement School. We have contributed \$10.00 to the Endowment Fund and \$5.00 to the Loan Fund.

At the nine meetings of the Club Program there was an average attendance of 34. The October luncheon, the December Settlement School meeting with the display of the school handicraft the February meeting with a talk by Mr. William McNultv. one of the foremost American etchers, and the final April meeting with the delection of officers and an exhibition and lecture by Sonbie Woodman on "Photography as a Hobby." were held Saturdav afternoons in Beekman Tower. We were honored with the visit of Marv Herdman Scott, Alpha Province Vice-President, at our annual Sunday tea held November 4. Panhellenic Governors and other fraternity presidents were our evests on this occasion and we displayed our Settlement School articles. On November 13. Annette Burkelman, 1934 Convention delegate, gave her report and showed moving pictures of Convention after a very exciting and well-attended cooky shine at the home of Helen McKendrew. January snow and sleet did its best to prevent a very pleasant informal bridge varty the evening of the twenty-third. Florence Hunt Webster, Assistant to the Grand President was guest of honor at a formal dinner given hy the Club March 13 at Beekman Tower. The Founders' Day Luncheon closed the vear's program on May 4. Pauline Arnold, Illinois Delta, of the Market Research Corporation, gave an instructive address on the use of radio in

to the woman in New York who had most distinguished herself during the previous year.

Officers and committees for the year 1935-1936 wish to take this opportunity of extending a cordial invitation to all Pi Phis, whether they be resident in the Metropolitan area or visitors, to attend the various functions which have been scheduled for the coming year.

HELEN LANKFORD MOMSEN

ROCHESTER CLUB

The Rochester Alumnæ Club has had a very interesting and successful year due to the combined efforts of all its members. We have about 50 alumnæ living in or near Rochester with 24 paid members. We were glad to welcome several newcomers this year.

We had five regular meetings, a tea for the sale of Settlement School articles, a picnic, and a cookie-shine to celebrate Founders Day. The average attendance at meetings has been 18. Our contribution to Settlement School was \$75.

We are very sorry to lose two of our most active mem-

School was \$75.

We are very sorry to lose two of our most active members. Edna Walden and Lydia Darling, who have both moved out of town.

Plans are now under way for next year, which we hope will be even more successful. Officers for next season are: Georgia Osborn Dunkel, president; Pauline Smith Pearson, vice-president; Virginia Morgan Lanning, treasure; Dorothy Wray Pulver, secretary; Ruth Simmons Schumacher, Settlement School chairman; Marion Logan Friddis, membership chairman; Ruth Asher Rumbold, magazine agency chairman.

DOROTHY WRAY PULVER

SYRACUSE CLUB

Another successful year has passed for the Syracuse Alumnæ Club. We regret losing Charlotte Martin Fox as our president, but are proud to have her as the new president of Alpha province. We are looking forward to a busy and happy year under the leadership of Ellen Manning Beall who has been our capable and loyal vice-president.

In the fall, our year's activities began with a rummage sale, which netted us \$129. We sold \$70 worth of Settlement School articles at Christmas time, and in the spring a very successful benefit bridge was held, with Martha Forbes as chairman, which gave us \$75.

We have entertained the different classes and the Deans at our various dinner meetings, to our mutual good. A copy of Mrs. Coolidge's portrait in colors, and beautifully framed, now graces the wall above the fireplace in the living room at the chapter house. This was made possible by the combined help of the club, the alumnæ association, the freshman class and the chaperon, Mrs. Bovd.

Mrs. Webster's visit was perhaps the high light of our street.

Boyd.

Mrs. Webster's visit was perhaps the high light of our winter, for although she came as a visitor to the active chapter, primarily, the alumnæ appropriated part of her time and felt ourselves enriched by her visit.

Founders' Day was suitably observed with a joint luncheon at the chapter house, and we enjoyed numerous short talks on careers by some of our talented alumnæ.

Our anual meeting for election of officers was held May 8, and we were delighted to have several out of town alumnæ present.

The year closed with our alumnæ dinner, May 31, when we welcomed back in addition to our own members, Louise Cerow Sherman, Ethel Froass Baker and Larry Lawrence.

WESTCHESTER CLUB

WESTCHESTER CLUB

Since its organization this past February, the Westchester Alumnæ Club has held three large general meetings as well as several specialized group meetings.

In March Mrs. Lewis R. Love opened her home to us for
a business meeting and tea at which Settlement School
products were displayed and sold. We were delighted to
have Florence Hunt Webster. Assistant to the Grand
President, with us that afternoon and enjoyed every word
of her talk.

In April we celebrated Founders' Day at the Briar Hills
Country Club and were honored with a most interesting
group of speakers. Mrs. Florence Finch Kelly, Kansas A,
was an inspiration to all of us when she told of her
career in newspaper work and the early struggles of a
woman to be allowed admission to what had hitherto
been exclusively a man's world. Doctor Dorothy Lang,
Vermont B, spoke of her work with allergic children,

and Miss Louise F. Bache, District of Columbia A, sketched in a most entertaining fashion the changes and remarkable progress in our woman's world since Pi Phi was founded.

Our last meeting of the season was held at Chateau Fleur de Lis, the beautiful home of our former Grand President, Mrs. Francis Sisson. The program, "What's New On the Pi Phi Bookshelf," was devoted to reviews of some of the latest works of Pi Phi authors. Tea was served outdoors on a charming terrace overlooking the Hudson River.

Four specialized groups have also been organized which meet once a month: an evening group for members who cannot attend afternoon meetings, Mrs. Casper Billipp. 9 Chester St., Mt. Vernon, chairman; a group devoted to the study of the Cause and Cure for War, Mrs. William Lough, 670 Pelham Rd., New Rochelle, chairman; a book review group, Mrs. C. G. Winger, 109 Wallace Ave., Mt. Vernon, chairman; and a bridge group sponsoring a friendly afternoon of bridge, Mrs. Walter Free,

93 Kensington Ter., Bronxville, chairman. We hope that all Pi Phis in our vicinity who would be interested in joining one or several of these groups will make themselves known to the chairman in charge.

Our plans for the coming year include:
September—Cooky-Shine.
November—Settlement School Tea.
February—Meeting in charge of the group studying the Cause and Cure for War.
April—Founders' Day Luncheon.
June—Meeting in charge of the book review group.
We want to extend an earnest invitation to every Pi Phi, visiting or resident, to join us in our meetings and good times. We are anxious to keep our files as complete as possible, and since New York's suburban population changes rapidly, we hope that any Pi Phis who have recently moved here or who are not receiving notices of meetings will get in touch with us.

EDITH STOREY BERLIN

BETA PROVINCE

CLEVELAND CLUB

With ninety-four members, the Cleveland Alumnæ Club has enjoyed an active and successful year. There have been nine scheduled meetings, three of which have been dinner meetings, an increasingly popular custom. October and November were the most productive months financially, the rummage sale netting \$250.00, and a performance at the Playhouse which the club sponsored. \$165.00. Enthusiastic interest in the Settlement School products resulted in the sale of around \$400.00 worth of these goods. The club contributions included \$700.00 to the Settlement School, \$100.00 to the Endowment Fund and \$10.00 to the Undergraduate Loan Fund.

Programs for the year under the efficient direction of Mrs. H. N. Cole have been of interesting variety, utilizing, for the most part, talent within the club. There have been book reviews, a travel talk, talks on current events and parent-teacher work; also music and readings by Pi Phis.

and parent-teacher work; also music and readings by Pi Phis.

An innovation in the way of a money making scheme was the sale of baked goods at the luncheon meetings. The food was cooked and contributed by a group of members and found a ready sale.

The bridge groups have continued to hold the interest of the members and some units are planning to play during the summer. The annual tournament at the home of Mrs. J. B. Kewley was as usual one of the highlights of the vear.

Founders' Day was a luncheon in the lounge of the Highes Store in Cleveland with an attendance of around one hundred. It was the club's pleasure to have as guest of honor the Beta Province vice-president. Mrs. H. C. Johnson, who gave a most interesting talk.

At the final meeting in lune it was the privilege of the club to celebrate the fiftieth anniversary of the initiation into Pi Beta Phi of one of its best loved members, Frances Carpenter Curtis, former Beta Province vice-president. Mrs. Curtis was a charter member of the chapter at Denver University.

A gift from individual members was presented as a token of appreciation of her many years of invaluable service to the club. It was a very ioyful birthday party. The newly elected president. Mrs. George M. Kingslev, has appointed her committees, and with rushing plans being fulfilled during the summer, interest in the coming year will not be allowed to wane.

FLEDA L. ADAMS

HARRISBURG-CARLISLE CLUB

The Founders' Dav luncheon was held at the Stone House on the Trindle Road. The club was happy to have as a guest Mrs. H. C. Johnson, Province vice-president. In May, Mrs. Robert Woodside. Ir., entertained the club with a luncheon at the Hotel Millersburg in Millersburg. A Panhellenic tea is to be held in the early fall.

The club finds that raising money by personal assessments for the Settlement School is the best method at the present time. Our contribution for this year is \$125.

SARA ROHRER

MAHONING VALLEY CLUB

The Mahoning Valley Alumnæ Club held seven meetings during the year 1934-35. We stimulated interest in our meetings by a variety of programs and succeeded in increasing attendance. Talent of club members was responsible for a delightful book review, a splendid reading, and an interesting talk on interior decoration.

Our Province vice-president, Mrs. H. C. Johnson, was guest at the November meeting which was devoted to the Settlement School. For the first time as a club, we undertook the sale of Arrowcraft goods, and are most enthusiastic about the products, and proud of our salesmanship. Though our contribution to the school is larger than that of last year, we are not satisfied and hope to do better next year.

than that of last year, we are not satisfied better next year.

We also contributed to the Undergraduate Loan Fund and the Endowment Fund.

Founders' Day was celebrated with a luncheon in May. We also elected officers for next year, at that time.

Our last regular meeting was held June 1 when we planned a cooky-shine for a later date in the month with Pi Phis home from college as guests.

HARRIET S. KALE

MORGANTOWN CLUB

Morgantown Alumnæ Club of Pi Beta Phi held eight meetings during the year from September, 1934 to June, 1935

meetings during the year from September, 1934 to June, 1935.

At the first meeting which was held in September, a report of Convention was given by Kathleen Berthy, president of West Virginia A. Programs for the vear were distributed, and rushing rules and plans for rushing were discussed with a committee of actives who were present.

At the October meeting the Scholarship Chairman of the Advisory Board reported on the grades of the actives. Plans for a Settlement School benefit bridge were discussed and after the meeting adjourned, Elizabeth Reed talked on "The Elements of Correct Speech."

Our Settlement School benefit bridge was held at Elizabeth Moore Hall in November. There were 32 tables of bridge. We made a profit of a little more than forty-two dollars.

At the January meeting it was voted that we give half

dollars.

At the January meeting it was voted that we give half the money we had earned at the benefit bridge to the Settlement School. dividing the rest among the Undergraduate Loan Fund, the Endowment Fund, and a small gift to West Virginia A.

Our program for January consisted of a discussion of 1934 fiction and drama by Della Warman and Eleanor Stone

Stone

Stone.

Our health meeting was held in February and Edith Humphrevs had the program, using for the subject of her talk "Better Light. Better Sight." Bridge followed and the prize was an attractive basket of fruit and vegetables. In March, Mrs. Candace Johnson, Beta Province vice-president, paid us a visit and attended the meeting held in Dorothy Brand's home. After our business meeting Mrs. Johnson was introduced and in a pleasing manner, talked to us for a short time. A social hour was spent in playing bridge.

The Founders' Day Celebration was in the form of a luncheon at the Morgantown Country Club. This year the actives were in charge, with Nellie Trotter as the alumna member of the committee.

A clever program with Eleanor Stone as toastmistress followed the luncheon. The Golden Anniversary of our magazine, the Arrow, was the theme of the program. The last meeting of the year was held in May at Elizabeth Reed's home. It was our history and constitution meeting, with Frances Hutchinson in charge of the program.

After a business session during which the officers gave their yearly reports, we spent the evening playing bridge. Following refreshments a gift was presented by the Club to our prospective June bride, Dorothy Brand. During the business session it was voted that we have a book exchange next year. A committee was appointed to work out the details.

The whole year was marked by an especially fine attendance at the monthly meetings.

ANGIE FRIEND REEDER

OHIO VALLEY CLUB

The March and April meetings were held at the Jane Grace Tea Room with election and installation of officers respectively. Rather than have two meetings in April we celebrated Founders' Day the first Saturday in April with a buffet luncheon at the Scottish Rite Cathedral. June 19 closed the meetings for the year. A picnic was held at Wilson Hall, Oglebay Park. We had as our guests active members home from school for the summer.

The Ohio Valley Club will open its third year early in the fall with a rush party. Plans for the remainder of the year will not be completed until the first official meeting of the fiscal year.

BERTHA HALLER PETTY

BERTHA HALLER PETTY

PHILADELPHIA CLUB

The Philadelphia Club has enjoyed a pleasant and profitable winter. The one feature emphasized has been the Settlement School to which we have sent over \$300, raised by a large card party held on the Swarthmore campus, by individual contributions, by the sale of Settlement School articles, and by magazine subscriptions. Our success in the sale of Settlement School articles has been due to Mrs. Ralph Smith, who selected them and gave the sale much attention. Mary Macomber reported an increase in the number of magazine subscriptions.

The programs for the year as arranged by Mrs. Morgan Ruth have been varied and entertaining including music, economic discussions, and a talk on Japan by Dr. Wildes, The Founders' Day lunchon was doubly fine this year.

Ruth have been varied and entertaining including music, economic discussions, and a talk on Japan by Dr. Wildes. The Founders' Day luncheon was doubly fine this year because the South New Jersey Club joined with us. There are nine Pi Beta Phi girls left on the Swarthmore campus. They report that since sororities have been abolished there they are cooperating with the president of the college and with the faculty in helping rearrange

the social life which formerly arose from the sorority

The present officers of the club wish to express to the Grand Council, the Province president and Province vice-president our pleasure in working with and for them and to thank them for their help on many occasions.

DOROTHY E. JOHNSON

SOUTHERN NEW JERSEY CLUB

The Southern New Jersey Alumnæ Ciub enjoyed, during 1934-1935, an interesting program which included four luncheon and business meetings, three bridge parties for the benefit of the Settlement School, a tour through the Philadelphia Alumnæ Club in that city.

At the final meeting of the year in May, the club was delightfully entertained at luncheon by Mrs. A. L. Sherk at her home in Merchantville. We were honored at having as our guest on this occasion Mrs. H. C. Curtis, Beta Province vice-president, who gave a most interesting talk on the activities of various clubs in the province.

The club has contributed a total of \$70 to the Settlement School during the year. Mrs. N. R. Jones, our magazine chairman, reported that subscriptions during the year amounted to \$148, an average of \$7.40 per member.

Mrs. R. S. Matlack has been re-elected president of the club for the coming year, other officers being: Mrs. Charles Coolidge, vice-president; Mrs. Frank Homan, treasurer; Miss Dorothy B. Sholl, secretary.

DOROTHY B. SHOLL

TOLEDO CLUB

Toledo Alumnæ Club completed another successful year, having had ten dinner meetings with an average attendance of twenty-seven.

The most outstanding events of the year were visits from two national officers. Mrs. Candace Johnson, Beta Province vice-president, visited the club for our March meeting. Mrs. Ruth Barrett Smith, grand vice-president, stopped on April 29 en route to Canada and ten of our club members enjoyed breakfast with her.

For Founders' Day Toledo Alumnæ Club held a luncheon in the University Club on April 20. Invitations were received from the Detroit, Cleveland and Columbus Alumnæ Clubs to join them in their celebrations on April 27 to which some of our members were able to attend.

\$100.00 was earned from a rumnage sale and was pledged to Settlemnt School as our 1934-35 gift. \$10.00 was pledged to the Loan Fund.

We welcomed and enjoyed the following new members between the contractions of the second contractions of the contraction

We welcomed and enjoyed the following new members during the past year: Dorothy Dillon, Ohio B; Elizabeth Hannah, Ohio B; Frances Gray, Kansas A; Mary Cook Morris, Ohio B; Phyllis Sein, Illinois B-Δ; Barbara Woy, Ohio Δ; Joan La Cost, Texas A; Dorothy Brunton, Illinois E.

MARIAN RIGGS ELWELL

GAMMA PROVINCE

WASHINGTON CLUB

The Washington Alumnæ Club of Pi Beta Phi has held seven evening meetings and seven afternoon ones this year. In October reports on Convention were given by Mrs. Arthur Nesbitt and others who had been to Yellowstone. Miss Amy B. Onken spoke to us at the annual Settlement School meeting at Marion McCoy's in November. The Christmas meeting, a musicale, was an open one as was the one in January when the program was a talk on "Quilts." In February we enjoyed the Washington Panhellenic luncheon and a Sunday night supper at which

Dr. E. L. Kayser, Professor of History at the George Washington University, spoke on "Current Events." Genevieve Hendricks was the speaker in March when the meeting was held at the home of Edna L. Stone. Founders' Day was celebrated by a luncheon at which Martha McGrew told interesting inside stories concerning the World's Fair. Mrs. C. P. Trussell was hostess to the club at the annual May supper.

The club gave \$10 to the Loan Fund, \$25 to the Endowment Fund and \$265 to the Settlement School. Fifty dollars (\$50) was given to D.C. A.

LOUISE DUBOSE

Are you transferring to another college this year? If so, please notify the Committee on Transfers whose address is given in the Directory at the front of this issue.

DELTA PROVINCE

DETROIT CLUB

All the regular meetings of the Detroit Alumnæ Club have been held for the year, in addition to the monthly group meetings. Each group also gave a tea, and we have been very fortunate in being able to entertain Miss Onken, Mrs. Eskew, and Mrs. Smith.

The Michigan State meeting was held this year in Detroit on Founders' Day, and we were very glad to have Mrs. Webster with us at that time.

It is with great satisfaction that we are able to send more money to Settlement School this year. Some of our funds was released from a closed bank, and we made some money from bridge parties.

This has been our best year with magazines. Altogether we feel that we have had a happy and a profitable season. President, Mrs. W. A. Gatward, 12087 Kentucky Ave., Detroit, Michigan.

Vice-president, Mrs. L. N. De Weese.
Corresponding Secretary, Mrs. Walter L. Baumann, 4261 Grayton Rd., Detroit, Michigan.

Recording Secretary, Mrs. Tom Coman.

Treasurer, Mrs. Albert Robinson.

Anna S. Groff

GRAND RAPIDS CLUB

Grand Rapids Alumnæ Club has been exceedingly happy to welcome new Pi Phis into its membership the last year. With them, the past active members are looking forward to a busy and enjoyable program of social, business, and general Pi Phi activity. It is hoped that attendance at meetings will be stimulated in the ensuing year by the alternating of afternoon and evening gatherings. Mrs. Gaylord Nelson (44 Lakeview Dr.) has been re-elected president of the club. She will be assisted in carrying out the club's program by other officers, including: vice-president, Francene Wright; secretary, Marian Lamb; and treasurer, Mrs. Dorothy Hagerman.

Mrs. Ward L. Chadwick has been named chairman of the Settlement School committee and Mrs. Henry C. Sullivan, magazine chairman. Mrs. S. Mallory Cassidy is chairman of the program for the year, assisted by Mrs. F. C. VanBrunt and Mrs. James C. Mead.

MARIAN LAMB Grand Rapids Alumnæ Club has been exceedingly happy

INDIANAPOLIS CLUB

The Indianapolis Alumnæ Club feels that it has had a most successful and entertaining year. A spirit of true fel-lowship and cooperation has prevailed throughout. Our

programs have been intellectual as well as interesting.
In September a luncheon bridge was held at the Highland Country Club. Moving pictures of Convention were shown following the official Convention Report.
In October Mrs. Eskew, Delta Province vice-president, was our guest at a supper meeting. Personal contact with each officer proved very helpful, while her inspiring talk did much for the club as a whole. Also in October we had a rummage sale, profits of which were added to the Settlement School Fund.
A guest meeting with the Settlement School as its them.

ment School Fund.

A guest meeting with the Settlement School as its theme was held in November.

The Christmas Party was a supper meeting at which a Christmas story was given and carols sung.

In January our business meeting was followed by a delightfully illustrated talk on the School of Modern Music

In January our business meeting was followed by a delightfully illustrated talk on the School of Modern Music given by one of our own members.

One hundred members and actives turned out for the cooky-shine in honor of the actives at the Butler chapter house in February. Soon after this was a benefit dance and bridge party the proceeds of which were donated to the Butler chapter house building fund.

The March meeting was a Saturday luncheon and business meeting. An interesting discussion was given concerning the schooling of English girls.

A night guest meeting honoring husbands and sweethearts of Pi Phis was given in April. The program consisted of two excellent book reviews, several piano groups and a conversational get-acquainted period. Founders' Day was celebrated April 27 with a luncheon at the Indianapolis Athletic Club. Alumnae and actives came from all parts of Indiana to participate in these ceremonies. At this time we were honored by a visit from Mrs. Warren Smith, our Grand vice-president. Sunday, April 28, she was entertained at a tea given at the Butler chapter house by the Indianapolis Alumnæ Club.

In May a most interesting experiment proved successful. The clubs of Bloomington, Franklin, Indianapolis, and Louisville, Kentucky, had a joint meeting in Brown County, Indiana. The luncheon, held at a rustic little inn, gave ample opportunity of meeting our neighboring Pi Phis. At the business meeting current problems and potential solutions for these were discussed. This is to be an annual affair and will tend, we hope, to facilitate rushing and other problems which may arise.

The fiscal year of the Indianapolis Alumnæ Club ended at a luncheon meeting June 8. Senior members of Indiana T were honor guests. Following the business meeting during which a new election was held due to the resignation of several of our officers-elect, we were entertained by a helpful talk by one of the outstanding stylists of Indianapolis on summer fashions.

JULIA BOWMAN LEEDY

EPSILON PROVINCE

CHATTANOOGA CLUB

The Chattanooga Club has had its ups and downs this year, but we feel that we have had a very successful year. In July we gave a large benefit bridge party at one of the local furniture stores and cleared about ten dollars which was given to the University of Chattanooga Endowment Fund.

which was given to the University of Chattanooga Endowment Fund.

There was no meeting in August, but in September we met and discussed plans for our annual rush tea. This tea was given the first of October for the rushees and their mothers, at "Minnekada," Mrs. John A. Patten's home. We were assisted in entertaining by the patronesses.

During the fall months it was decided to have several members hostesses at each meeting to be held at the chapter house. The meetings were to be luncheons for which 25c was charged. In November there was a luncheon meeting to which the actives were invited and the pledges were honorees. After the luncheon we attended the U.C.-Howard football game.

Our December meeting was a delightful Christmas luncheon. The house was decorated with holly and candles. There were clever favors, made by Mrs, Jack Thompson, our president, at every plate. The patronesses were invited to this meeting. Very interesting slides of the Settlement School were shown. \$5.00 was donated to the local newspapers' Christmas Basket Fund.

In January we had a spaghetti luncheon.

Mrs. Donald E. Lyons visited our club in February and her visit was enjoyed by all of us. Our meeting was a Valentine tea in honor of Mrs. Lyons.

The March meeting was a night meeting at which new officers for the coming year were elected. Miss Helen Wilson, a Pi Phi from Ohio, was engaged for several days to cut silhouettes from which the club netted about \$12.00.

\$12.00.

In April we had a Founders' Day luncheon at the Chattanooga Golf and Country Club. The actives joined us in this celebration. The Atlanta and Nashville Clubs were invited to this meeting but they were unable to attend. An interesting program was given, terminating in a very impressive candle light service.

We had no meeting in May but in June we had a refreshing swimming party and luncheon at Fairyland Club on Lookout Mountain. This meeting was in honor of the graduates who were introduced to the club as new members.

members

In July we are to have a meeting of an educational na-

ELIZABETH BAIRD

MEMPHIS CLUB

The Memphis Alumnæ Club opened the year's activities in September with a luncheon meeting. Plans for the year were discussed, hostesses for the meetings were assigned, and a yearbook committee appointed. The balance of the meeting was devoted to the Settlement School and plans for a rummage sale was given the following week. We made \$38.60 on it.

Our next regular meeting was a luncheon in January,

our November meeting being an evening party at which the husbands and escorts of the members were the honor guests. The luncheon was the meeting to be devoted to our nearest active chapter. Not having one very near, we listened instead to reports of the two nearest members on their chapters, Tennessee A at the University of Chattanooga, and Michigan B at the University of Michigan. For the past few years February has been our entertaining month. This year we were thrilled to have Mrs. Lyons visit us February 5. We had a board meeting in the morning, following which we had a luncheon and meeting at the Peabody Hotel. That night we enjoyed a buffet supper at Mrs. Old's. The husbands and escorts shared honors at this party, too.

On the 23rd our club together with the Phi Mu club and the Kappa Alpha Theta alumnæ entertained Panhellenic at a tea given at the Nineteenth Century Club. Dr. Johnson, English professor at Southwestern, spoke on H. G. Wells' "Autobiography" and his "Outline of History." Mr. Wilson Mount, popular baritone of the city, furnished the music for the afternoon.

The March meeting was held on the 27th. After luncheon we devoted the meeting to a study of the history and Constitution. The president read aloud its divisions and articles. Mrs. John Mullen gave a most interesting book review of "The Forty Days of Musa Dagh" by Franz Werfel.

Founders' Day was celebrated as usual with a luncheon

review of Werfel.

review of 'The Forty Days of Bausa Dagit by Frank Werfel.

Founders' Day was celebrated as usual with a luncheon on Saturday, April 27. Mrs. Walker read an inspiring toast to the Founders, in it included the charter members of our club. This being the first Founders' Day which we have celebrated since the death of Miss Annie McCollum, a charter member and greatly beloved, Mrs. Walker asked us to stand in memoriam.

We closed the year's activities with a luncheon May 29. The business was concluded and the newly elected officers were installed. Following this Mrs. Clarence B. Weiss gave a most enjoyable review of the Pulitzer prize novel "Now in November" by Josephine Johnson.

The club had 18 paid members this year and had an average attendance of 12.

Three new members have been welcomed into our group this year, Mrs. Noel Hunt, Jr., Tennessee A, Mrs. J. L. Nelson, Virginia A, and Mrs. Clarence B. Weiss, Michigan B.

gan B.
One member, Miss Sarah Cogshall, Indiana B, has moved to Bloomington, Indiana. ELIZABETH MARKHAM

NASHVILLE CLUB

As in the days of the "wee timerous little mousie" the

"gang aft agley." There have been things we would like to have done for the Fraternity that we did not do because so many of our group have left us for other fields.

Our new president, Mrs. Lawrence Wilkerson (Marie Miechner, Washington A) is already enthusiastically launching a new year for the club.

Other officers elected at the May meeting include: Mrs. J. P. McShane, vice-president; Mrs. Gilbert Marshall, corresponding secretary; Mrs. Lee Hunt, treasurer.

The Founders' Day banquet, held at the Rendezvous Tea Room on April 27, was a climax to club activities. It brought Pi Phis from neighboring towns, who will, we hope, be active in our group next year.

ELIZABETH MARCH MARSHALL

ST. JOSEPH CLUB

The St. Joseph Club held six regular meetings, four of them preceded by dinner. In November a tea was held for the benefit of the Settlement School. In January Mrs. Lyons made us a visit and a dinner was given in her honor. The Reverend Manze gave a book review at the March meeting. In April at the Founders Day banquet, a service was held in memory of our Founders. There will be no summer meetings.

NANCY BROADHEAD

ST. LOUIS CLUB

The St. Louis club ended the year with a picnic at the country home of Mrs. Arthur Proetz, This has been our custom for several years. We have had ten regular meetings during the past year, held on the second Tuesday of each month at the home of one of the members. The meetings start at four-thirty and after the business session supper is served by a committee. A program follows.

While we have no meetings during the summer, several of the alumnæ will be active in helping with rushing. Limited rushing is permitted and the alumnæ can help by having small luncheons in their homes.

Our Founders' Day banquet was one of the loveliest we have ever had and we were all inspired by having Miss Onken as our guest. The clever program featured magazine titles applied to the alumnæ and the actives.

Our chief financial projects were a theater benefit, an evening bridge, and a silver display by which we made money for the Settlement School.

Election of officers was held at the April meeting. We are glad to have as our new president Mrs. Kenneth Baker, and we look forward to a successful year under her leadership.

LORIS TONES

ZETA PROVINCE

ATLANTA CLUB

The Atlanta Alumnæ Club was fortunate and happy to have a visit with Miss Onken, our Grand President, this spring while she was enroute to Orlando, Florida, for the Florida State Convention. Mrs. D. R. Paige was hostess at a breakfast for Miss Onken and Mrs. F. M. Robinson entertained the Club in the evening with a cooky-shine. Miss Onken in a delightfully informal way told us-countrywide activities of Pi Beta Phi.

Six meetings were held during the year, alternate afternoon teas and evening cooky-shines. The average attendance for the year was twelve members, however, this year we have been fortunate in having several new members in the club.

we have been fortunate in having several new members in the club.

We regretted that we were unable to have so few members present in Chattanooga for Founders' Day this year. The club made the following contributions for the year; \$50 to the Settlement School; \$5 to the Settlement School Christmas Fund and a Christmas box; \$5 to the Endowment Fund; and \$5 to the Loan Fund.

Mrs. Robinson entertained the club with a lovely informal party at her summer home as the last meeting of the year.

veaf.

KATHLEEN HOTTEL PERRIN

LAKELAND CLUB

The Lakeland Club has held its regular monthly meetings the third Monday night in each month at the homes of the members.

Founders' Day was celebrated with a cooky-shine at the home of Mildred Conibear. The first State Alumnæ Club Convention was held in DeLand in May, A number of our girls attended and came back full of enthusiasm for greater things to be accomplished.

Officers for the new year were elected at our May meeting, Mrs. Grace Porter of Winter Haven was welcomed into the club as one of our out-of-town members. The club expects to have interesting meetings during the summer even though our numbers have decreased.

MILDRED CONIBEAR

MIAMI CLUB

The Miami Alumnæ Club will welcome all new members and visiting Pi Phis. If they will contact the corresponding secretary they will be given the schedule of meetings, which will be in the form of down town lunch-

cons.
The officers of the club are: President, Mrs. Noble H. Parker, 1921 Bay Rd., Miami Beach; Vice-president, Mrs. Roland Griffin, 1417 Tunis St., Coral Gables; Recording Secretary, Carolyn Gibson, 75 Glen Royal Pkwy., Miami; Corresponding Secretary, Mrs. Pamorrow Tunere, 92 Lincoln Rd., Miami Beach; Treasurer, Maymie Tatum, 184 S.E. 14th St., Miami; Telephone Committee Chairman, Mrs. H. E. Rogers, 426 N.E. 34th St., Miami; Membership, Mrs. Jack Cleveland, 604 Minorca Ave., Coral Gables; Settlement School, Mrs. David Dyer, 2908 Columbus Blyd., Coral Gables; Magazines, Mrs. J. O. Phillips, 1048 N.W. 17th Ter., Miami.

TAMPA CLUB

Meetings of the Tampa Alumnæ Club have been held onthly in the form of cooky-shines with different mem-

Meetings of the Tampa Alumnæ Club have been neid monthly in the form of cooky-shines with different members as hostesses.

In May the club with one hundred fifty other Pi Phis attended the State Convention held at Orlando. Everyone was enthusiastic, and our club is proud of the fact that one of its members, Miss Mary Carnes, was the initiate, with Miss Amy B. Onken presiding.

In June we gave a mother-daughter tea honoring a

group of rushees who will enter college next fall. Other rushing parties have been planned such as a beach party in August and a progressive dinner party in September. We are glad to welcome into our club Miss Mary Virginia Warren of Florida B.

List of new officers: Mrs. Albert Wing, president; Mrs. Frank Paul, vice-president; Mrs. Marvin Green, recording secretary; Miss Sarah Stuart, corresponding secretary; and Mrs. W. B. Curtis, treasurer.

SARAH STUART

SARAH STUART

ETA PROVINCE

BELOIT CLUB

The Beloit Club feels satisfied their year has been a successful one. The March meeting with the senior actives as our guests was purely social and was much enjoyed. Several of our members attended the Founders' Day dinner in Chicago.

Iva Chester entertained the club with a kitchen shower in

Iva Chester entertained the club with a kitchen shower in honor or Miriam Churchill who is to be married in June. Commencement with many returning alumnæ is always enjoyed by our club. This year there is to be a buffet supper at the chapter house.

Our club is already making plans to help with fall rushing. We assisted with spring rushing by taking the responsibility of the dinner for high school graduates.

Barabara Thayer

CHICAGO WEST SUBURBAN CLUB

The membership of our club during the past year has numbered sixty-one with an average attendance at our meetings of thirty. Five regular meetings have been held as well as five special ones consisting of the Children's Party, the Husbands' Party, a luncheon for our Grand vice-president, birs. Smith, Founders' Day celebration and a picnic which concluded the season's activities.

A benefit bridge, a raffie, and individual pledges brought in most of the funds of the year. We have contributed \$103 to the Settlement School, \$10 each to the Endowment and Loan Funds, and a fund has also been established for the purpose of sending a representative to Convention. Our club has been especially interested this year in the working of the alumnae department and has made a special study of the ways in which there might be a greater alumnae representation. Our plan for bringing this about was presented to the Eta Province conference held at Evanston in April. We are endeavoring to interest other clubs outside of this province in our plan.

CHARLOTTE H. WATSON

CHICAGO BUSINESS WOMEN'S CLUB

In reviewing the 1934-35 season, the treasurer's report showed that our May rummage sale brought in another \$46, bringing our year's contribution to the Settlement School Fund up to \$150; in addition to which \$20 was sent to the Endowment Fund and \$10 to the Loan Fund. This was the result of the splendid management and work on the part of Zenaide Ramsay, chairman of the Ways and Means Committee.

The club's active membership has been increased this year to twenty-eight.

The club's active membership has been increased this year to twenty-eight.

Meetings for the season closed on June 1 with a supper given by Ruth Cleary and Mary Houston, following an afternoon spent at Chicago Zoological Park. We were especially interested in seeing the penguins just brought back by Admiral Byrd's expedition.

Starting in September, we will again meet for dinner compared to the compared to the property third Tuesday. Our Membership Chairman, Dorothy Dyson, 1433 North State Parkway, Chicago, will be glad to have notice of meetings sent to any Pi Phi upon request.

MARGARET WEGENER

CHICAGO NORTH CLUB

The Chicago North Alumnæ Club has had another year

The Chicago North Alumnæ Club has had another year of interesting activities.

In October a cooky-shine was held at the home of Mrs. Dale Goodson. Mrs. D. S. Sutton, our Province vice-president, gave a report on Convention and Mrs. Ashford M. Wood talked on her recent trip to Gatlinburg.

A benefit bridge party was held in December at the

Rogers Park Woman's Club. This was well attended and a

ince profit realized.

In March, a luncheon was given by the Board to all members of the three groups of our club at the home of Mrs. G. W. Wagner. Election of officers was at this meet-

Mrs. G. W. Wagner. Election of officers was a ling.

A Province Conference was held in April at the Epsilon chapter house in Evanston. At the conclusion, Founders' Day was celebrated at the Orrington Hotel with the active chapter, North Shore and other clubs in the Chicago area. We were pleased to have Miss Onken as a guest.

On May 21. the Chicago North groups and their friends met at the Sheridan Beach Hotel for a May breakfast benefit. Our own Mrs. George Kaucher, who is a bridge teacher, gave a lesson on contract bridge in her interesting and delightful manner. Afterwards the girls played and had the privilege of asking questions.

During the year we have sent \$280 to the Settlement School, \$10 to the Endowment Fund and \$10 to the Loan Fund.

School. \$10 to the Endowment runa.

Loan Fund.

We have had many new members added to our club this year and we hope that many more will ioin us next

BLANCHE T. WAGNER

MADISON CLUB

The Madison Club has held the usual monthly meetings during the past year with an average attendance of thirty. The active membership was thirty-eight, a considerable increase over the preceding year. At the October meeting the active chapter was entertained. In Janary the business women entertained at a dinner and bridge at the College Club. The

Club.

The club made the following contributions during the year: \$50.00 to the Settlement School, \$10.00 to the Loan Fund, and \$1.00 to the Endowment Fund.

Plans were made at the May meeting for a sale of Settlement School goods to be held early in the fall.

The following officers were elected in May: vice-president, Mrs. Wayne Loveland: treasurer, Catherine Collins; corresponding secretary, Mary Virginia Smith.

ROBERTA HALLEY STEHR

NORTH SHORE CLUB

NORTH SHORE CLUB

During the summer a luncheon and swimming party was held at Mrs. John Sharon's home in Glenview. This mid-summer party is becoming a tradition in the club, and is very popular.

Regular meetings were held on the third Friday of each month beginning in September. These included a very interesting meeting on "The Settlement School Today," a discussion of the changes that have taken place, and of new influences: the Smoky Mountain National Park, TVA, hard roads, etc. Several members had been recent visitors, and were able to give us their impressions. One of our meetings was international in interest, when Mrs. Hope Graham talked on "Europe's Situation," after a summer of observation abroad.

Our year's program also included: a play reading by Jean Burns; a review of "The Phantom Crown," by Mrs. E. L. Middleton; a walking rehearsal of "The Distaff Side' by club members; dramatic sketches by Carol Duffield; two bridge parties, one at Christmas time, and the other in June; one purely business meeting for election of officers and study of the constitution.

The club has many generous members whose homes have been opened to us for our meetings this year, Mrs. L. R. Billett, Mr. Robert James, Jean Burns, Mrs. Chester Taylor, and Mrs. E. C. Wampler. The growing size of our club makes us the more appreciative of their courtesy.

The methods for raising funds for the Settlement School were the same that were used the previous year, a rummage sale in the fall and a benefit bridge in March, with

Mrs. Robert Talley and Mrs. Gerald Mark directing, Both were highly successful.

Several new ideas were put into practice this year. Our membership chairman, Mrs. Lethen, called on new Pi Phis, and arranged small "acquaintance" bridge parties. The plan proved so successful that we are expecting to use it more extensively next year.

Club members arranged for the sale of Settlement School products at the Methodist Church "Miniature Merchandise Mart" before Christmas. More than \$100 worth of Arrow-craft articles were sold.

Our Founders' Day celebration was unusually inspirational this year, due to the efforts of Illinois E, who invited Eta Province to a conference in Evanston on that week-end. As guests we had Miss Onken, Inez Webster, and Florence Hunt Webster, delegates from all of the active chapters and many of the alumnae cluss in the province. Interesting round table discussions of both active and alumnae problems were held. A thrilling cooky-shine on Friday night, and our formal luncheon Saturday noon, rounded out a profitable conference, and revived our Fraternity ideals.

President—Mrs. Dale Sutton. 803 Elmwood, Evanston. Vice-president—Mrs. E. F. Lethen, Jr., 2706 Thayer, Evanston.

ALSACE WECK

MILWAUKEE CLUB

The Milwaukee Club has had a most enjoyable and profitable vear. Early in the fall, a rummage sale was held at which \$205.00 was raised for the Settlement School. Nominal amounts have been given to the Student Loan and Endowment Fund. and a gift sent to the Wisconsin A and Beloit B Chapters.

The programs for the regular monthly meetings have been both interesting and diversified. In addition to a tour of the Milwaukee Convalescent Home for Children, there have been: a talk on Convention by Mrs. Harris Frazier, who was a Chicago North Shore delegate; a discussion of Nursery School work at Cornell University by Mrs. G. K. Crowell: an illustrated review of a trip to Iceland, Greenland. Finland. and Russia by Mrs. E. J. Kearney: a talk on Indians by Mrs. George Gibbs.

A Settlement School tea, at which Arrowcraft products were displayed and sold, took place in October. Founders' Day was celebrated with a cooky-shine preceding a dinner at the home of Mrs. Dale C. Shockley at Thiensville, which is fifteen miles from Milwaukee. The final meeting was a June picnic.

HELEN METCALF CROWELL

OAK PARK-RIVER FOREST CLUB

The last joint meeting of the vear for the afternoon and evening groups was held in March in the form of a White Elephant Sale at the home of Mrs. Charles Cessna, Jr. The profits from this sale went toward the club's annual contribution to the Settlement School.

In April both groups met separately. The evening meeting was in the form of a pot luck cooky-shine at the home

of Madeline Roddick. After the business meeting one girl from each chapter gave a short talk about an outstanding woman from her respective chapter. At this meeting Mrs. Clarence Mulliken was elected as delegate to the Chicago

Clarence Mulliken was elected as delegate to the ChicagoPanhellenic. She will serve as president of that organization during the ensuing year.

Mrs. Mason Grigsby was our delegate to the Eta Province Conference, which was held at the Northwestern University chapter house on April 26 and 27. Several members attended the cooky-shine and round table discussion
held there on the first evening of the Conference. The Oak
Park-River Forest Club heartily endorses the prospect of
having such province conferences annually because of the
inspiration and national viewpoint which is promoted by
them.

inspiration and national viewpoint which is promoted by them.

On Saturday, April 27, some members attended the Chicago Area Founders' Day luncheon given at the Orrington Hotel in Evanston, while others attended the annual benefit bridge sponsored by the Oak Park-River Forest Panhellenic at the Oak Park Club.

The last meetings of the year were held in May. The afternoon meeting was held at the home of Mrs. H. P. Allstrand with Mrs. H. V. Kellberg acting as assistant nostess, Mrs. I. J. Behm was hostess at the evening meeting which was held at the home of Mrs. Dolsen Carrigan. Election of officers was held at both meetings with the following results: president, Mrs. Dolsen Carrigan (to preside over evening and ioint meetings); vice-president, Mrs. George Keck (to preside over afternoon meetings); corresponding secretary, Mrs. George B. Drummond: recording secretary, Paula Schumaker (to act as treasurer of evening group, besides): and treasurer, Mrs. J. O. Lee. Viola Cureton is the Publicity Chairman.

At these last meetings lengthy discussions were held at each regarding the plans for the new club year in the fall. Since having the two groups the membership and interest in the club has increased during the last year, it was decided to continue with this plan in the fall. However, in order to maintain a greater unity in the club as a whole, it was planned that two representatives of each group should attend the meetings of the other. At least two joint meetings will he held next year, besides any special projects which might be planned, among these are various sales which are being considered for the early fall meetings which are being considered for the early fall meetings.

ROCKFORD CLUB

Rockford Alumnæ Club closed a satisfactory vear with the annual meeting on May 14 held at the home of Mrs. I. M. Dennis. Miss Edith Whiting assisted the hostess for this dessert-bridge meeting. Officers were elected for the coming vear and both committee chairman and past officers presented reports. The May meeting closed the business year, and a picnic was the final event, in June, in charge of Mrs. Hugh Wise. This was held at Rock Cut forcet preserve.

charge of Mrs. Hugh Wise. This was held at Rock Cut forest preserve.

The club vear was started with 13 paid members, then 2 were added, making a total of 15. Two dollars was contributed to the Endowment Fund, and five dollars to the Student Loan Fund. The Settlement School contribution was twenty-five dollars.

A report was made on the Eta Province Conference at Evanston by Florence Berck who attended it. The questionnaire concerning the conference was read and carefully answered. The club favors the plan, as far as it has progressed at present.

The annual Panhellenic luncheon was in charge of Alpha Chi Omega Alumnæ this spring and was held on May 25 at the Country Club.

FLORENCE G. BERCK

FLORENCE G. BERCK

THETA PROVINCE

CEDAR RAPIDS CLUB

The Cedar Rapids Club has had eight meetings this year with an average attendance of fourteen out of twenty-one paid members. The regular meetings consisted of a business session, a program, and supper at six o'clock. In April Miss Onken was a guest of the club. Contribution has been made to the Loan and Endowment Funds and to the Settlement School, the money for these being

raised by magazine subscriptions, a rummage sale, and the sale of Settlement School articles.

Several members attended the Founders' Day party at Iowa City.

ELLOUISE K. O'BRIEN

DES MOINES CLUB

The club closed its year with a total paid-up membership of 38 and an average attendance of 30. Several new-comers have been added to our group so we look forward to increased interest for the coming year.

Our contributions include \$10 to the Loan Fund. \$25 to the Endowment Fund, and \$105 to the Settlement School.

Monthly mentions between the company of the settlement set.

Monthly meetings have been varied by alternating Satur day luncheons with Monday suppers. The annual Settle-ment School sale in December brought us \$350 worth of goods sold. In April members met with the Ames Club to celebrate Founders' Day. Miss Onken was a guest. Elec-

tion of officers was held in May. The club year closed with a picnic in May. LUELLA BURT REARICH

INDIANOLA CLUB

The Indianola Club has had a successful and enjoyable year under the leadership of Ada Proudfoot Samson. There has been an increase in membership and all pledges to the Settlement School, the Loan Fund and the Endowment

Settlement School, the Loan Fund and the Endownsell. Funds have been paid.

Five regular meetings were held in the homes of various members. These were "pot-luck" luncheons followed by business sessions. The other six meetings were of a social

business sessions. The other six meetings were of a social nature.

We were happy to receive an official visit from Laura Storm Knapp, our Province vice-president, in November. We are fortunate in having Betty Carpenter Buxton, Province president, as a resident member of Pi Beta Phi.

The alumnae club ioined with the active chapter and the mothers' club in a Christmas party at the chapter house. In February the pledges were our guests at a luncheon followed by a special program. In April we were honored by having Miss Onken with us when our Founders' Day banquet was held at the chapter house. Harriet Harlan, president of the active chapter, was toastmistress, with Miss Onken and Betty Carpenter Buxton responding.

The annual commencement dinner was held at the chapter house the evening of June 3 at which time the seniors and their mothers were guests. A number of visiting Pi Phis were also present. Two picnics are scheduled for this summer.

VESTA MERRITT ANDERSON

MT. PLEASANT CLUB

MT. PLEASANT CLUB

The past year has been a very busy one for our club with six regular meetings and four parties.

We were honored by having Miss Onken with us for our regular April luncheon meeting which was held at the home of Mrs. C. S. Rogers. Her informal talk about the work of the Settlement School was most interesting and we are hoping to do more for the school this year. Our Founders' Day party was held at the home of Florence Leist with supper served at small tables. We enjoyed meeting again with the girls of the active chapter. The candle lighting ceremony was given by members of the alumnæ club after which the actives gave a short playlet "Founding of I.C." Fifty-five attended and the supper was served by a committee from the alumnæ club. The Settlement School Fund was raised this year by the sale of Settlement School Fund was raised this year by the sale of Settlement School Fund was raised this year by the sale of Settlement School Fund was raised this year by the sale of Settlement School goods, the sale of magazine subscriptions, and by a benefit bridge party. The benefit party was held at the Mt. Pleasant Golf and Country Club. Bridge was played at 24 tables after which tea was served at a beautifully appointed large table. Prizes for the afternoon were Settlement School articles.

Our annual Commencement reunion breakfast was the largest we have ever had there being one hundred actives, alumnæ and patronesses present. This large attendance was due in part to the fact that Admiral Richard

E. Byrd and Dr. Thomas Poulter, both recently returned from the Anarctic, were the speakers at Iowa Wesleyan commencement, and hundreds of alumni returned for the occasion. We were glad to welcome back Mrs. Thomas Poulter (Helen Gray) who has been living for the past two years in Dunedin, New Zealand, while Dr. Poulter was at Little America.

This year the alumnae club is giving a plaque to the sophomore whose grades show the greatest increase over her freshman year.

FLORENCE JERREL

SAINT PAUL CLUB

The Saint Paul Club has held its meetings regularly on the first Monday of each month with the exception of December. During the year the club took an active interest in rushing, held a Settlement School tea for the display and sale of Arrowcraft articles, joined the Minneapolis Club for a Christmas luncheon, entertained the seniors of the active chapter and the members of the Executive Council at dinner, and celebrated Founders' Day with the Minneapolis Club at the customary banquet.

Money making projects included the sale of Arrowcraft articles, magazine subscriptions, soap flakes, and the sponsoring of a movie which was particularly profitable. We have contributed to the Settlement School, the Loan Fund and the Endowment Fund.

DOROTHY DAVIS MILLARD

WINNIPEG CLUB

The April meeting of the club took the form of a party in honor of the pledge group, held at the home of Lois Sellers.

The annual meeting was held at the home of Mrs. Arthur Puttee on May 4, 1935. Prior to the meeting, several executive meetings were held to prepare reports and

eral executive meetings were held to prepare reports and the agenda.

The club commemorated Founders' Day at a delightful luncheon at the MacDonald Room in the Fort Garry Hotel on May 4. This occasion had additional significance for Winnipeg Pi Phis, who received the first issue of the club's publication, The Quiver, a journal of alumnae and chapter news, prepared with a view to interesting our out-of-town members and friends.

The second successful rummage sale of the year was held on May 17. Profits realized will be used toward our contributions to national projects.

In honor of Jean Davidson, whose marriage to Donald Bennett took place on May 28, and Ruth Hodges, whose marriage to Marvin Wilcox took place on June 29, the club entertained at high tea at the home of Lois Sellers on May 20.

Our annual Mothers' tea was held this year at the beau-

May 20.

Our annual Mothers' tea was held this year at the beautiful home of Mrs. D. S. MacKay, one of our patronesses, on the afternoon of June 8.

Plans for our fall activities are well under way and with an excellently chosen executive committee, we look forward to next year with eager anticipation.

JEAN I. MENZIES

IOTA PROVINCE

BOULDER CLUB

During the past year our meetings have been in the form of luncheons for which each person paid fifty cents. In this way we raised money for the Settlement School, to which we sent \$50.

We have a paid membership of fourteen. Our club had charge of the initiation banquet as usual. A Valentine party was given for the freshmen and a May luncheon for the seniors. Founders' Day was celebrated in Denver with Colorado A as the hostess chapter.

LOU H. MCALLISTER

CASPER CLUB

The Casper Alumnæ Club has just completed a very successful year. We opened our activities in the fall with a rummage sale, from which we were able to send \$40.00 to the Settlement School. We were also very happy to send a generous contribution to Wyoming A at Laramie. In February we were very pleased to have Mrs. Alford, the Arrow Editor, spend a day with us and it was inspiring to all of us to have a message from a member of Grand Council.

We have met regularly once a month throughout the winter and all enjoyed our sociable evenings at bridge. Founders' Day closed our meetings for the year, and was celebrated by a dinner at the Gladstone Hotel, followed by an evening of bridge at the home of our president, Helen Hagens.

We are looking forward to an interesting year ahead with Ethel Pelton, our new president.

GLADYS BON

LINCOLN CLUB

During the past year the Lincoln Club has held monthly meetings, three in the evening and the others in the form of luncheons. In November the pledges of the active chapter were our guests and in May we entertained the seniors.

seniors.

Our money raising projects this year realized enough so that we were able to make substantial contributions to the Settlement School, the Loan and Endowment Funds, retire a bond on the chapter house and make some reeded improvements on the house, and present the girls with a Christmas gift for the house. Sales of vanilla, Christmas gift wrappings and food, and a birthday box were the

means used to provide funds for these contributions.

The outstanding events of the club year were the visit of Miss Onken and the Founders' Day banquet at which we welcomed many out-of-town alumnæ and several members of the Omaha Club. We celebrated at the banquet, also, the fortieth anniversary of the founding of the Nebraska B chapter. The program took the form of two skits, one showing a meeting of the group of Founders and the other a meeting of present day members, by way of contrast. contrast.

MARY D. KESNER

MANHATTAN CLUB

The Manhattan Club is happy to close the year with a record of qualifying as a 100% club. Our sale of Settlement School articles amounted to more than \$60 which is the most we have ever made for the School. Mrs. Clammer deserves much credit for her work as chairman of the Settlement School committee.

We were honored in having Miss Onken as our guest at a luncheon meeting at the Country Club. Her talk on the Settlement School and internal conditions of the Fraternity was an inspiration to us all.

The club celebrated Founders' Day with the active chapter of Kansas B at a banquet held in the Wareham Hotel. At this time Kansas B also celebrated its twentieth anniversary. The program included the candle-lighting

ELIZABETH HILL SCOTT

OMAHA-COUNCIL BLUFFS CLUB

The Omaha Club donated its services to assist in the tea room during the National Flower Show.

In honor of Miss Onken a reception was held at the home of Mrs. Russell Bailev. All resident Council Bluffs and Omaha Pi Phis were invited.

Many members attended the Nebraska B initiation at which Miss Onken presided.

Founders' Day was celebrated with the Lincoln Alumnæ Club and the actives in Lincoln. Our annual spring luncheon was necessarily postponed because of unfavorable weather.

weather.

The last event of the vear was a picnic given in honor of our Omaha active girls.

LOUISE GARDNER DOTY

KAPPA PROVINCE

CORPUS CHRISTI CLUB

The Corpus Christi Club has held its meetings regularly once a month. The plan is to continue the meetings dur-ing the summer as much of our best work can be done

hen.

Founders' Day was celebrated with a picnic and steak roast on Goose Island. Husbands and dates were invited and the affair was a great success.

We have decided to sell guava ielly in order to raise money for the Settlement School. We hope to build up a regular business through orders from satisfied customers.

Our meetings are uniformly well attended and very

ERNA S. TOHNS

DALLAS CLUB

The Dallas Club's spring program has been an interesting and enthusiastic one. At the regular meeting in March. Mrs. Jack Foxworth gave a book review. Our annual bridge tournament for the benefit of the Settlement School was held on April 23 at the Dallas Country Club. The receipts from ticket sales and from candy and soft drinks were more than \$200.

This year we returned to our former custom of celebrating Founders' Dav at the Woman's Club with a formal banquet. The affair was well attended. At our last regular meeting in May the club voted to change the annual dues from \$3 to \$2.

Our new president, Mrs. C. E. Granger, was elected delegate to the Kappa Province Convention which was held in Shreveport in June.

DELIA STEPHENS

MUSKOGEE CLUB

During the current year, the Muskogee Club has held nine meetings, eight of which were devoted to business. The ninth meeting was our annual Christmas luncheon and was a purely social affair.

There are twenty-two paid members, and our average attendance has been fifteen, which is an improvement over last year. Possibly the reason for increased attendance, was the better and more varied programs than ever before in the history of the club.

One of the outstanding accomplishments was a new constitution based on the model alumnæ constitution. We held two rummage sales, two white elephant sales, and twice collected used coat hangers and sold them for a half a cent each to a dry cleaning establishment. We were thereby able to send fifteen dollars to the Settlement School, five dollars to the Loan Fund, and a like sum to the Endowment Fund.

The club is enthusiastic over the coming Kappa Province

The club is enthusiastic over the coming Kappa Province Conclave, and we hope that June 20 and 21 will find many of our members in Shreveport.

LUCILE WILKINSON PATTERSON

NEW ORLEANS CLUB

NEW ORLEANS CLUB

The Pi Beta Phi Alumnæ Club of New Orleans opened the 1934-35 season with enthusiastic participation in the three rushing teas for the freshmen. Such cooperation with the active chapter may or may not have had influence with the results of the rushing season; however, we were tremendously successful.

There was an alumnæ meeting followed by a silver tea given in the attractive chapter rooms on St. Valentine's Dav. It was voted to have a benefit bridge on March 19, and Mrs. Ernest Lee Jahncke volunteered to lend her beautiful home for the occasion. We had hoped to have Mrs. George Williamson, province vice-president, here for the party, but unfortunately she could not stay over. She visited us on March 18 and gave good reports of other groups, and made many valuable suggestions which we hope to incorporate in the work next year. One suggestion has already been acted upon: to elect officers in June to serve for a year, instead of our former awkward practice of changing leaders in February.

The benefit bridge was most successful socially as well as financially. After the card playing and refreshments, a very amusing auction was held which netted the chapter another twenty dollars. Dorothy Oechsner was the irrepressible auctioneer. Various members had contributed the items to be put under the hammer, and they ranged all the way from vertivert billows to charming wall racks.

The Founders' Day banquet was held at the Orleans Club. Elise Roussel Le Blanc was toastmistress, and proved herself to be a particularly able one, holding the interest of the youngest pledge as well as the most hoarv alumna. The program included toasts, both serious and flippant, and the beautiful candle lighting ceremony.

May 14 a meeting was held at the home of our president, Jeannette Mason Smith. It was voted to contribute to the three funds, to start the season early next fall with a large meeting (and dues collecting!) just before the rushing season, and to try, as usual, to make more money during the year.

Executive committee meetings this year have been frequent and added greatly to the efficiency of the club. We expect to continue this plan. It is hoped that we may have an efficient telephone committee next year so that each alumna may be informed of meetings, teas, banquets, benefits, etc.

HELEN HUGHES OGDEN

OKLAHOMA CITY CLUB

Founders' Day banquet of the Oklahoma City Club was held with the active chapter and the alumnæ club of Norman. After the banquet open house was held by Oklahoma A for all alumnæ. Over a hundred attended.

The visit of Mrs. Smith, our national vice-president, was a help and inspiration and it was regretted that all Pi Phis could not have been present at the evening meeting held in her honor.

At the regular May meeting the club planned to continue meetings during the summer months and to aid both personally and financially with rushing.

BETTY LE COMPTE KENNEDY

OKMULGEE CLUB

The last regular meeting of the year was held at the home of Bee Bassett at which time officers were elected for the coming year. Plans were discussed for rushing prospective members of the active chapter and for having a summer party for the members who are home from college.

college.

The Founders' Day dinner was held at the home of Doris Dalton. Two former members were with us at that time, Joyce B. Stolts of Salina, Kansas, and Josephine Baker Trapp of Tulsa.

Although our club is small we are proud of the interest shown. Our membership is a hundred per cent and we have made contributions to all the Fraternity funds.

Gelene N. Watson

SAN ANTONIO CLUB

An alumnæ club was organized in San Antonio on February 13, 1935, at which time officers were elected. Since then we have been meeting regularly on the second Wednesday of each month in the homes of members.

Our club was represented at the Founders' Day banquet held by Texas A and the Austin Alumnæ at the Austin Country Club. We hope that some of our members may attend the Province Convention to be held in Shreveport in June.

We expect to have a rushing party in June at the home of Mrs. Cherry and we hope to have another one later in

One of our members, Mrs. Laurie M. Huck (Columbia A), has been elected president of our Panhellenic Association for next vear. She was formerly active in the Panhellenic in Florida.

ELIZABETH DINWIDDIE GOODLOE

TULSA CLUB

The final business meeting of the year was held in the home of Mrs. I. D. Rich, at which time officers were elected for the coming year.

We have contributed \$50 to the Settlement School. \$14.50 to the Endowment Fund, \$5 to the Loan Fund, and \$5 to our nearest active chapter, Oklahoma B. The number of paid members this year was 55, with an average attendance of 35. We have had no financial projects this year, but our contributions have come from a small bridge club group within our alumnæ club. The sale of Settlement School products amounted to \$60. The club has had a pleasant and successful year under the leadership of Mrs. K. B. Moore, our retiring president.

The alumnæ and actives are planning a garden tea to be

given early this summer at the home of Mrs. A. L. Farmer, to which eighty rushees will be invited.

ELINOR GRUBB WILLIAMS

SHREVEPORT CLUB

SHREVEPORT CLUB

The Shreveport Alumnæ Club has enjoyed a most successful year under the able leadership of Mrs. Clarence Day (Myrtle Beeler) as president. Our budget was met without difficulty: \$50 to the Settlement School, \$5 to the Loan Fund and \$5 to the Endowment Fund. In addition to this, our sale of Settlement School products at our bazaar was most gratifying, approximately \$95 worth of Arrowcraft goods being sold. We feel that there is an increasing interest in and demand for them on account of their beauty and usefulness.

The Shreveport Pi Phis were hostesses to a Province Convention held June 20-21, with Mrs. George Williamson, Province vice-president and member of our local club serving as general chairman of the Convention. Due to her untiring efforts and enthusiasm, the meeting was successful from every standpoint. Miss Scivally, of the University of Oklahoma, Province president, and Mrs. Warren T. Smith, Grand vice-president, were our honored guests, and were an inspiration to the meeting.

The registration was approximately 75, the guests representing 10 clubs and 6 chapters. The first day was given over to registration, a garden party, and initiation, after which there was a cooky-shine. On Friday morning, an open meeting for both actives and alumnæ washeld, at which time Mrs. Smith spoke clearly and forcibly on the "Responsibility of an Alumnæ Club in Rushing." This session was followed by a luncheon at the beautiful Shrine Club on Cross Lake. The Settlement School idea was carried out in the decorations of the tables. In front of the places of Mrs. Smith and Miss Scivally was a miniature log cabin representing the homes of the mountaineers. Field flowers in large garden hats and wooden buckets alternated with the favors which were fans from the Arrowcraft Shop.

The final event was the banquet. The tables in Pishape were laid with silver blue cloth and strewn with red carnations. The central decoration was a large golden Arrow on a reflector fringed with carnations. The guests dined by the li

LAMBDA PROVINCE

BOISE CLUB

The Boise Alumnæ Club closed its year with a lovely informal dinner at the home of Mrs. Elizabeth Coats. Dinner was followed by a brief business session, election of officers, and an evening of bridge.

Under the able leadership of our president. Frances McMonigle, we have had a successful year and we look forward to another one under her enthusiastic guidance.

JESSIE DUNN

CALGARY CLUB

The Calgary Club has had a larger attendance this year than last in spite of the fact that several members left the city before the end of the year. The alumnæ cooperated with the actives in two rummage sales which were so successful that another sale is planned for this fall. We also assisted the actives with their pre-college rushing by entertaining at a mother and daughter tea. The purpose of this was to introduce to the mothers the idea of fraternity and its value to their daughters.

The regulation number of meetings was held during the year devoted to the active chapter, the constitution, etc., as well as formal and informal meetings. Founders Day was celebrated with a luncheon at which new contacts were made and old ones renewed.

ELEANORE GRIFFITH TWEDDLE

CORVALLIS CLUB

Meetings of the Corvallis Alumnæ Club have been held on the third Wednesday of each month from September until June. The attendance at all times was eight. Nine of these meetings were in the form of buffet suppers, with a different hostess each time; the tenth was a picnic supper at the summer home of Mrs. Bertha Mynatt in honor of 14 new initiates into the active chapter. The officers gave a luncheon for Mrs. Smith when she visited our club in December. On April 28, we were co-hostesses with the active chapter in the celebration of Founders' Day. A banquet was held in the Memorial Union Building with over 100 in attendance from Oregon A, Eugene Alumnæ Club, and Salem Alumnæ Club.

Under the capable leadership of our president, Fave Fegley, the vear has been an active and quite profitable one. Although it has been hard to raise money, the club was able to present the active house with a few small gifts for the chapter house. Contributions were also sent to the Settlement School, Loan and Endowment Funds.

On May 1, the following officers were elected for the ensuing year: President, Harriet Sinnard; vice-president, Rowena Russell; secretary. Marion Oliver; treasurer, Faye Fegley; advisory board, Bertha Mynatt, Marion Oliver and Frieda Teutsch.

The following will serve as committee chairmen: Settlement School, Marion Oliver; Magazine Subscriptions, Bertha Mynatt.

CARRIE BOULTINGHOUSE

EDMONTON CLUB

Nine monthly meetings were held, the first in October and the last in June. Report of Convention, discussion of the duties of officers, advisory council and Panhellenic Alumnæ occupied the October and November meetings. In December a Christmas hamper full of clothing, food, and toys was packed and delivered to a needy family. To start the New Year a paper on Settlement School was given by Mrs. McCuaig; in February the annual tea for mothers of alumnæ, actives and pledges was held at the home of Mrs. McLeod.

The club joined with the active chapter to celebrate Founders' Day and Senior Farewell on March 26 at the Magrath House.

Founders Day and Senior Farewell on March 26 at the Magrath House.

Pi Beta Phi graduates were guests of honor at luncheon held at Mayfair Golf & County Club on May 11, after which all attended the annual Panhellenic tea in honor of all graduating fraternity women.

The club was fortunate this year to have two official visits: in November Mrs. Ruth Barrett Smith, Grand vice-president, and in February, Mrs. Rusch, president of Lambda Province.

Charity sewing for a local mission was undertaken this year and several large bundles of clothing were donated to Hope Mission.

Final business meeting was held on May 25 at which time plans for our June picnic were made and annual reports were read and adopted.

Following is the allotment of money for the year 1934-1935; Settlement School \$10.00; Loan Fund \$5.00; Endowment Fund \$3.00.

dowment Fund \$3.00.

RUTH SHIPLEY

INEZ SMITH SOULE CLUB

The last meeting of the club was held at the home of Miss Ruth Sturley with Miss Lucia Loy assisting. Election of officers was held at this time. Plans were made for an August picnic-bridge to be held at one of the lakes. Our club again joined with the Seattle club at their Founders' Day banquet held this year at the Broadmoor Country Club.

On May 11 a cabaret dance was held for the purpose of raffling off the quilt on which we have been working for two years. More than 200 couples attended.

We have contributed \$5 to the Loan Fund, \$5 to the Endowment Fund and \$50 to the Settlement School.

JANE MACPHERSON

JANE MACPHERSON

NANCY BLACK WALLACE CLUB

The club has had an interesting and profitable year. The attendance has increased and we have again contributed to each of the funds and to the Settlement School. Last fall we voted to assess each member one dollar instead of giving a bridge benefit. We also made money from the sale of sponges which we bought with the Corvallis Alumnae Club. Subscriptions to magazines were double those of last year.

The May meeting was held at the home of Mrs. Thomas E. May. Officers were elected and plans for summer rushing were discussed. We have enjoyed having with us three new members, Verna Weaver May of Washington A, Ruth Holmes of Oregon A, and Eleanor Clayton of Washington B. A, Ruth Home Washington B.

LILLIAN DAVIS

SEATTLE CLUB

The seven groups in the Seattle Alumnæ Club held their monthly meetings in the homes of members as usual this year. Each group contributed five dollars to the Settlement School.

tlement School.

The Constitution meeting took place on the evening of March 19 at the home of Mrs. Arthur Lee, The Founders' Day banquet was held on the evening of April 26 at the Broadmoor Golf Club. About 250 members attended. Grace Ballinger acted as chairman. We were honored in having Inez Smith Soule, one of the Founders, with us again at the banquet. Instead of the usual senior picnic which the alumnæ have always had every June, there will be a senior breakfast at the Pi Phi house.

MABELLE WILTON HULL

WENATCHEE CLUB

The past year for the Wenatchee Alumnæ Club was climaxed by a most enjoyable cooky-shine on April 29, celebrating Founders' Day, at the orchard home of Mrs. Dewey Webb (Bess Fritts). The apple trees were in the prettiest stage of their bloom, making a lovely setting for the occasion.

prettiest stage of their bloom, making a lovely setting for the occasion.

Contributions have been sent in to the Settlement School and the Endowment Fund. Also, the magazine chairman has been successful this year in securing subscriptions and renewals.

Plans are underway for rushing and for entertaining the active girls while they are home during the summer vacation. Wenatchee is represented at both the University of Washington and Washington State College, the city being situated midway between the two colleges.

MU PROVINCE

FRESNO CLUB

FRESNO CLUB

Our club was formed at a meeting of members of Pi Beta Phi living in the San Joaquin Valley which was held April 25, 1934, in observance of Founders' Day.

Mrs. Edna Bassler Neely encouraged us to form an alumnæ club and told of the work done in the Los Angeles Club. After some discussion we voted to form the club having only the required four meetings the first year. Officers were elected and the Executive board met during the summer months to arrange the program.

The first regular meeting was held October 22, 1934, at which Mrs. Warren T. Smith was the guest of honor. Two members of the Los Angeles Club accompanied her and gave us an interesting report on Convention and spoke on cooperation in a new group.

December 10, 1934 the members entertained seventy-five guests at a benefit bridge tea. Articles from the Settlement School were displayed and sold.

At our next meeting February 4, 1935 it was voted to send \$50.00 to the Strudent Loan Fund and \$5.00 to the Endowment Fund. The members were in favor of continuing next year with but four meetings. A true and false test on the constitution was prepared and given by the committee in charge which proved to be very interesting.

The final meeting of the year was in the form of a Founders' Day luncheon held at the Hotel Californian April 27, 1935. At the meeting following, it was voted to send \$10.00 to the Settlement School as a donation and \$5.00 to the Other Settlement School as a donation and \$5.00 to the Canton of the committee were accepted and the officers installed for the coming year.

There are twenty-six paid members in our club and

several others who have attended one or two meetings. We have had a very pleasant year together and feel grateful to our President, Mrs. Neely.

TINA A. BAKER

GLENDALE CLUB

Our May meeting, at the home of Eva Brook, was an evening Dessert and we had a most unusual treat for our program, a musicale.—Louise Spaulding Malin arranged a program of music sung by representatives of the Glendale Women's Chorus, several of whom are members of our own group. Selections were compositions of her own arranged and given as trios, quartettes, and octettes. Most outstanding is the new, "Sunset in Verdugo Woodlands" and we enjoyed it so thoroughly that they were kind enough to repeat it as an encore. First presentation of this composition was given in Glendale in an All-California Program of contemporary composers.

Several new members joined us that evening, which delights us all.

June we met for dinner—pot luck—at home of Mary Thomson, installation of officers for the coming year was held.

The present year was most successful, in every way.

ETHEL R. ELLINGSTON

HONOLULU CLUB

Since there is no Hawaiian word for "weather" seasons mean little if anything to Pi Phis living in the Islands, and the Honolulu club holds 11 meetings a year, playing bridge in members' homes the last Saturday of

every month. Thirty-three Pi Phis live on the Island of Oahu, 20 belong to the club, and average attendance is about 15. Dues are \$1.50.

The nearest chapter is 2,000 miles away so we concentrate on the Settlement School. Twenty-five cents is given each meeting by each member for the Settlement School Fund. In former years rummage sales have been held but this Founders' Day we each brought a gift of \$1, and an amusing white elephant sale raised \$6, totaling \$25 that day for the School, in addition to about \$25 from the 25 cent source. We sent \$10 to the Loan Fund and \$10 to the Endowment Fund. Mrs. Eli Helmick (Elizabeth Clarke, Michigan A) told of her personal experiences at the Settlement School.

Notices of meetings are always published in both English papers so visiting Pi Phis may be notified. Grace Ziegler (Kansas B) of Los Angeles, has been a most welcome guest at our meetings during her several months' visit here, her last month, however, being marred by a fortnight in the hospital recovering from a hip injury received in a fall. She sailed the last of July. Mrs. Ransom J. McArthur (Mabell Breckon, Oregon A), of Waiakoa, Maui, was a guest at the May meeting in the home of Mrs. Wilson, and Mrs. W. Shirley Stovall (Elizabeth Sanborn, Oklahoma B), became a new member. June meeting was with Mrs. J. D. Benjamin on Ford Island at Pearl Harbor; in July we met with Maude Schaeffer high up overlooking Kalihi valley; August took us to Lanakai on windward Oahu to the home of Mrs. W. C. Pohlman; in September we will meet with Mrs. Garner Anthony; October, Mrs. Dunham and Mrs. King, and in November with Mrs. White.

Many of the members have been away on the mainland or other Islands this summer but attendance is expected to grow again this fall.

Our contact with national Pi Phi officers must necessarily come through correspondence and, obviously, this is not as profitable for us as a personal visit from some officer would be. (Aside to Miss Onken: we'd love to have you!) President for 1935-36, Mrs. Claude R. King (

LONG BEACH CLUB

The Long Beach Club gave its annual benefit for the Settlement School in March. It was a St. Patrick's Day bridge and was well attended. Mrs. H. H. Morris arranged a lovely display of Arrowcraft articles. On April 27 a group of the alumna clubs in Southern California joined together to celebrate Founders' Day. Twenty-five of our members were present on this delightful occasion. At the May meeting officers were elected and plans made for the coming year. We expect to continue our meetings well into the summer. Mrs. Smith, our Grand vice-president, was a guest at our July meeting. We look forward to a visit from our Province vice-president, Mrs. Frost, in the early fall.

F. C. COULTRAP LONG

F. C. COULTRAP LONG

Los Angeles Club

Our club has closed a successful year with the average attendance showing an increase over last year. We welcome all Pi Phis coming to Los Angeles and shall be glad to call for newcomers and see that they are introduced. We have been particularly fortunate this year in our national contacts, having had as visitors Mrs. Stark, Grand Scretary, Mrs. Stoolman, Grand Treasurer, and Mrs. Alford, Arrow Editor.

Our first meeting featured Convention reports. In November Mary Green Bailey of Texas A, reviewer at the University Club, reviewed several modern books for us. The December meeting was the traditional turkey dinner and frolic. In January our president, Mrs. Wright, inaugurated the idea of entertaining the club husbands and escorts, and it proved a popular plan.

In February we had our annual Settlement School benefit. The March meeting was held at the California Gamma house with Mrs. Alford as our guest. The program consisted of an interpretive play review given by Nell Wilson Baldwin. Founders' Day was celebrated with a luncheon given by the Glendale, Pasadena, Santa Monica, Long Beach, and Los Angeles. We were fortunate in having as our guests three editors of the Arrow, Mrs.

Mary Miller Barnes, the first editor, Mrs. Isabella Hud-son Cartwright, the third editor, and Mrs. Alford, the present editor.

At the May meeting the seniors from California Gamma and Delta were our guests. A gift of fifty dollars was given to each chapter to be used in rushing. Individual gifts of memberships in the Los Angeles Alumnæ Club were given to all the seniors. In June final reports of committee chairmen were given and new officers installed for the coming year.

committee chairmen were given.

for the coming year.

Our club is especially proud of our new means of selling Settlement School products. The articles are now being sold at Bullock's, more than three thousand purses alone having been sold there within the past three months. Over \$1000 worth of Arrowcraft articles will have been sold this year through the efforts of the club.

ANN McPherson Kenyon

PALO ALTO CLUB

April 12 and 13 constituted a Pi Beta Phi week-end for the Palo Alto Alumnæ Club. On the afternoon of the twelfth, Mrs. Dean Buchan gave an informal tea for Mrs. T. N. Alford, whom Mu Province still claims as its own, although she is no longer Province president, but Editor of the Arrow. There were so many fascinating bits to hear of the work of preparing the Arrow that the guests very nearly forgot to go home, and once home, neglected an already tardy dinner to re-read previous Arrows.

neglected an already tardy dinner to re-read previous Arrows.

Founders' Day luncheon the following day at the Stanford Union brought together alumnæ from Berkeley, Oakland, San Francisco, Burlingame and Palo Alto and the active members of California A and B. Mrs. Paul Manning, as toastmistress, presented the honor guests, Mrs. Alford, and Mrs. Dudley Smith, president of Mu Province for the past year. Following the luncheon, which was a pleasant occasion for everyone, the Stanford chapter held an open house.

At the May meeting, Mrs. C. E. Needham was installed as president for the coming year, Mrs. Dean Buchan as vice-president, Mrs. Charlotte Shellabarger and Mrs. J. C. Hinsey, secretaries, and Mrs. C. Hugh O'Neill, treasurer. Tea was served in Mrs. Owens' beautiful garden, with the seniors and the new initiates of the Stanford chapter as guests of the club.

The high note of the afternoon was the news that Mrs. I. S. Blackwelder, who is a charter member of Kansas A, was to return to the University of Kansas for the sixtieth reunion of her class, and would be entertained at the Pi Beta Phi house during her stay there.

With the transfer of heavier-than-air craft to Moffett Field, following the loss of the Macon, three of our members have been sent to far distant points. We have lost a fourth valuable member in the person of Mrs. Howard Taylor, who is returning to Michigan.

MARTHA C. NESBITT

TUCSON CLUB

The final meeting of the club year was held at the chapter house on May 1 following the Founders' Day dinner with the active chapter. Reports of the year's work

dinner with the active chapter. Reports of the were given.

Under the direction of Gladys Storts \$100 worth of Arrowcraft articles were sold, the \$20 profit on which was sent to the Settlement School. Contributions of \$7.50 each were made to the Loan and Endowment Funds.

Officers have been elected for the coming year and plans made for the meetings. The first fall meeting will be held the last of September at the home of the president, Lillian Sprague, after all the members have returned from their summer vacations.

RUTH BENZIE BUSHNELL

UTAH CLUB

The Utah Alumnæ Club has closed another year of interesting and successful activities. Under the very capable guidance of Gretchen Horst, our meetings have been carried out according to schedule with a good percentage of the membership present on each occasion.

On May 4 the following officers were unanimously elected:

On May 4 the following officers were unanime elected;
President: Marjorie R. Pace
Vice-president: Marjory W. Lindem
Corresponding Secretary: Laura M. Lambourne
Treasurer: Marjorie Hancock
Recording Secretary: Dorothy P. Lehman
Advisory Board: Mary Caffey, Virginia C. Dorlan.

The last function of the year was given June 2 at the Beau Brummel Cafe as a breakfast honoring the senior graduates who join our ranks as alumnæ next fall.

LAURA M. LAMBOURNE

SAN DIEGO CLUB

A summary of the year's activities in the San Diego club means a series of interesting meetings in which we are kept in constant contact with the national organization by Mrs. Alford who is one of our own members. It began with a rush party held at La Jolla and continued through eight regular luncheon meetings, and one supper meeting, when the club was most happy to entertain Mrs. Stark, who gave us a résumé of her visits to other chapters. Nearly the entire membership of the club gathered for Founders' Day banquet, the program culminating in the impressive candle lighting ceremony written by Ruth Barrett Smith. Mrs. Alice Hinman, wearing a dress originally worn by a grand-daughter of General U. S. Grant. Impersonated a founder, and Miss Eleanor English was charming as a modern Pi Phi.

Money was raised through the collection of 25 cents from each member for each luncheon, contributions, and by sponsoring a play review by Miss Beatrice Edmonds. Thus our regular payment of \$18 was made to the Endowment Fund (Total pledge \$90), \$10 to the Loan Fund, \$75 to the Settlement School, and baskets of food were provided for the poor at Christmas.

Summer plans included a beach party for members and their husbands. August 31, members acted as cohostesses with the other fraternities at the San Diego
Exposition, on Panhellenic Day. A Fashion Review was
presented at the House of Hospitality on that day.
New officers for the coming year include the following:
President: Mrs. Ralph Johnson
Recording Secretary: Mrs. G. P. Fisher
Corresponding Secretary: Mrs. F. D. Harbaugh
Treasurer: Mrs. S. L. Baughn
KATHARINE THOMAS KATHARINE THOMAS

SAN FRANCISCO CLUB

During the past year the San Francisco club held five meetings with an average attendance of thirty-five. The social activities for the year included a tea in September, a luncheon in October, a benefit bridge for the Settlement School in November, a cooky-shine in February and the Founders' Day luncheon in April.

We have contributed \$41 to the Settlement School, \$5 to the Loan Fund, \$5 to the Endowment Fund and \$10 to California A at Stanford University.

There will be no summer meetings but we hope to have Mrs. Frost, our Province vice-president, with us for our first meeting in the fall.

Send for Your Copy of the

1936 BALFOUR BLUE BOOK

It is free for the asking. Write for your copy today!

The cover of the 1935 BLUE BOOK is different this year. THE BALFOUR PUP-PETS were especially designed and modeled in the Balfour studios. The miniature chapter room—20" high—was constructed with fireplace, draperies, and moonlit terrace. The fraternity man and woman, 12" high, dance to the tunes of a merry orchestra.
