THE ARROW OF PI BETA PHI

OFFICIAL ORGAN OF THE  PI BETA PHI FRATERNITY

Founded

1867

STAFF

Office of Publication: 206 National Bank Bldg., Decatur, Ill.

Arrow Editor: ADELE TAYLOR ALFORD (Mrs. T. N.), 930 Olive Ave., Coronado, Calif.

Assistant Editor and Business Manager: GLADYS WARREN, Decatur, Ill., or 115 Robinson Ave., San Diego, Calif.

Alumnae Club Editor: LOTTA JOHNSON WEIR (Mrs. Benjamin), 855 6th St., Charleston, Ill.

Chapter Letter Editor: CANDACE SECOR ARMSTRONG (Mrs. James G.), R.R. 1, Box 489, Orlando, Fla.

News from Little Pigeon: MILDRED ODELL SALE (Mrs. Clarence M.), 3741 Purdue, Dallas, Texas.

Exchanges and College Notes: NITA DAY CARMAN (Mrs. Ernest), 761 Wilson St., Laguna Beach, Calif.

From Pi Phi Pens: MARJORIE BRIGHT SHARPE (Mrs. W. E.), 945 Summerland Ave., San Pedro, Calif.

"What a Fraternity Girl Thinks": CANDACE SECOR ARMSTRONG (Mrs. James G.), R.R. 1, Box 489, Orlando, Fla.

Arrow File: Pi Beta Phi Central Office, 206 National Bank Bldg., Decatur, Ill.

Arrow Contributors: WHITNEY SMITH; MARGARETTA SPENCE DRAKE; FLO LELAND THOMPSON; HOPE KIMBROUGH McCROSKY; MARY ELIZABETH LASHER.

It Makes No Difference—

—whether a subscription is old or new;

—what competitive prices are;

—how busy you are;

—what you like to read . . .

. . . Subscriptions for *any* magazine, placed through the Pi Beta Phi Magazine Agency will earn commissions for the Fraternity—will cost you no more than if placed through any other legitimate source—and will save you time and trouble in Christmas giving!

All you need to do is make out a Christmas list of men, women, and children to whom you would like to give subscriptions, with the chosen list of magazines opposite them—and send with necessary addresses and your check made out to the Pi Beta Phi Magazine Agency, Decatur, Illinois. No bother about further correspondence or gift cards—no worry about gift shortages or shipping problems—no time wasted in shopping around.

Below is a partial list of magazines and the latest price quotations. If you want any not named here, your order will be filled, anyway.

JUST ONE WORD OF WARNING: The new ruling on subscriptions for service men overseas is: "To conserve cargo space for vital war materials, the Post Office Department has ruled that no gift subscriptions may be entered from now on for service men who are already overseas, unless requested in writing by the men themselves."

THE ARROW OF PI BETA PHI

SEPTEMBER, 1943

VOLUME 60

NUMBER 1

EDITORIALS

For Miss Onken

The ARROW expresses the feeling of the whole Fraternity in extending deepest sympathy to Amy Burnham Onken in the loss of her father on June 3, 1943.

→ → →

War Project

Grand Council and the National Committee on War Work announce the new national war project of the Fraternity: scholarships for training girls for work as physiotherapy aides in Military and Naval Hospitals, for the duration of the war as well as for the rehabilitation period which will continue indefinitely. Grand Council has already appropriated from the Contingent Fund \$4000 for this purpose, and this sum has already been awarded to qualified girls—the scholarships are open to all women, whether members of Pi Beta Phi or not. Details of the plan are given in the Message of the Grand President and in the report of the War Work Committee, elsewhere in this issue.

→ → →

Sympathy

Sympathy goes to Lois Franklin Stoolman in her long siege of helplessness as the result of an injury last Fall. During all that long time, she has been even more than ever active in Pi Phi affairs, as the many Pi Phis will testify who have visited her both in Champaign at Mercy Hospital and later in St. Luke's Hospital, Chicago, where she is at present. We hope she may soon be restored to her old activities. How well her work as Grand Treasurer has been done during her time in hospitals is shown in her annual report.

→ → →

Fraternity in War

When war came, we heard dire predictions as to its possible effects on the colleges and the fraternities. Where the men's fraternities are concerned, the predictions were for the most part justified; members have gone into the armed forces of the nation or into war industry so fast that everywhere many chapter houses have been closed or have been taken over by the Army; the percentage of fraternity men in uniform runs high, in most groups over 65 per cent.

With the women, the picture has so far been entirely different, certainly as far as Pi Beta Phi is concerned. Only a few chapters have suffered a loss in number of members, and that loss is only a slight one; pledging and initiation have continued at about the same level as last year, according to the records of the Fraternity.

Most amazing of all, in place of any weakening of the whole fraternity system has come an interesting development. On every side, opportunities for extension offer themselves, as the report of the Committee on Extension shows. College authorities invite us to organize chapters on their campuses; locals already formed are offering themselves as probationary groups, something which has seldom happened for some years past. Careful consideration will be given to all such applications, to make the most of fine opportunities. Pi Beta Phi's extension policy has always been conservative, and it will continue to be so; yet no really fine chance for expansion should be neglected, since from such a group may come a fine chapter for the future, when there may be the greatest era of growth that the American colleges have ever seen. At present, only one group is being assisted towards a petition, an old organized local at Massachusetts State College, at Amherst, a field only recently opened to the national fraternities. We promise to have more information on this group in a later issue.

Of a New Central Office

The change in Central Office foretold in the May issue has come to pass, and Mrs. Purdunn has given up her office, amid expressions of regret and real sorrow from officers and members alike. The new Director of the Central Office is Adele Murphy, Illinois H, capable business woman and devoted Pi Phi, and the office has been moved to Decatur, Illinois. Mrs. Purdunn and one of her assistants spent several weeks in Decatur helping Miss Murphy establish the office at its new address, 206 National Bank Building. Miss Murphy has sent out a letter to officers, clubs, and chapters, which may not have reached all Pi Phis, so we quote from it here:

"More than eight tons of equipment and supplies made up the physical load that we moved to Decatur, and Mrs. Purdunn's task of instructing me in her duties was complicated by the fact that she had only one member of her old staff with her. When these two finally turned over to me the complete responsibility of Central Office, it was necessary to train a new staff as well as put my lessons into practice.

"These facts are outlined as a basis for inviting your corrections during the coming busy winter. If I fail in any details of service to which you have grown accustomed during Mrs. Purdunn's administration, please tell me so with complete frankness.

"The work will be fascinating, but I shall especially need your help in tiding me over the transition period. Mrs. Purdunn has proved herself a marvel of energy, graciousness, and loyalty. There are close to two hundred forms and manuals which she regimented with ease. The jewelry and other merchandise now handled through the office and the magazine business are all marshaled through her management into an orderly schedule.

"Your own appreciation of her will help you to bear with me, I hope, while I learn all I can toward following the pattern she has set, and get everything functioning smoothly."

→ → →

Attention, Corresponding Secretaries

Will corresponding secretaries of chapters please note carefully deadlines in the Calendar, and use them in sending ARROW material? Delay in sending letters has caused much trouble for the editors, much delay for the printer for the past year. Hereafter, no issue can be held up for late letters. A few days of grace will be allowed, then a blank space will be left with the name of the chapter in the place where the letter belongs—and of course the chapter will be marked down and fined.

Corresponding secretaries of both chapters and alumnae clubs are further urged to study their Manual for ARROW Correspondence for information on style and phrasing—by so doing they will lighten the Editor's task and she will call them blessed—and twice blessed if the letters are brief—preferred length, 200 words!

→ → →

The New Year

The ARROW sends greeting to all clubs and chapters for this year—especially to our newest chapter, Connecticut A, installed by Miss Onken in April. For them as for all chapters the year will bring difficulties and problems in preserving as nearly intact as possible our great Fraternity—and all this in addition to doing more than our individual share of war work. It means work perhaps harder than we have ever done before—but our work for Pi Beta Phi has in it promise of enduring satisfaction for not only this year but for all the years to come.

A Good Year to you all—and may this year bring ever nearer hope of victory for our nation.

Adele Taylor Alford

Announcements . . .

Grand Council announces the following awards:

The Balfour Cup, to Texas Alpha.

The Stoolman Vase, to Iowa Zeta.

The Philadelphia Cup, to Alabama Alpha.

The Pi Beta Phi Fellowship for 1943-44, to Jeanne Peckenpaugh, Washington Beta.

The National Amy Burnham Onken Award, to Katherine Black, Virginia Alpha.

→ → →

In this issue we publish again the blank for voluntary service to the Fraternity. Will you make use of it, if you have time to devote to Pi Phi work?

→ → →

The Fraternity Loan Fund has been extended to cover applicants desiring to do graduate as well as undergraduate work.

→ → →

The special rate of \$7.50 for Life Subscription to the ARROW for those initiated before 1908 is continued for this year. All subscriptions should be sent to Central Office.

→ → →

For the year 1944-45, the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1943.

All material must be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

VOLUNTEER SERVICE BLANK

Alumnæ

Have you leisure to contribute to Pi Beta Phi?

If you have, and if you have the desire to share in the joy of serving the Fraternity, please fill out this blank and send to the Grand President.

TYPE OF WORK PREFERRED

Report of Grand Council Meeting

June 19-25, 1943 - 6 days

THE ANNUAL MEETING of Grand Council was held at the ayfair Hotel, St. Louis, Missouri, June 19-25, 1943. All members were in attendance with the exception of the Grand Treasurer whose regrettable absence was due to illness, and whose counsel and assistance by letter, telephone, and wire were greatly appreciated.

The work of all national and province officers and of standing committees was carefully reviewed and general policies for increased efficiency in all lines of fraternity work were outlined. A complete survey of all chapters was made based upon the reports of visiting Council members, province presidents, Deans of Women, supervisors of chapter accounting and reports on Standardization and Survey. Plans were made for internal strength in chapters, generally, and chapters needing special supervision and help were noted and the necessary aid was authorized. A comprehensive study of alumnae clubs was made and constructive criticisms and suggestions of province vice-presidents were noted and acted upon.

Grand Council was gratified to find that reports gave evidence of a generally fine condition of clubs and chapters in spite of curtailments due to conditions of war. A significant indication of chapter conditions was given in the scholarship report which stated that, notwithstanding unsettled campus conditions, chapters this year made the highest general average for scholarship ever made by the Fraternity.

As an incentive for continued fine scholarship it was the decision of Grand Council that, if government regulations permit, the National Fraternity's custom of presenting the scholarship ring to the chapter members making the highest average for the year be continued.

The Balfour Cup was awarded to Texas Alpha; the Stoolman Vase to Iowa Zeta; the Philadelphia Vase to Alabama Alpha; and the National Amy Burnham Onken Award was given to Kitty Black, Virginia Alpha.

Consideration of Extension resulted in the following decisions:

To investigate, further, the Cenacle Club, petitioning group at Miami University, by authorizing the chairman of the Committee on Extension to find out the sentiment of the nearby clubs and chapters towards the University as a field, and neither to encourage nor discourage the group.

To plan for more complete investigation of the possibility of establishing a chapter at the University of Maryland.

To investigate, further, the situation at Bowling Green by contacting the President and the Dean of Women at that University.

To get more information about Margaret Morrison College for Women.

Grand Council went on record as approving an increase in the amount of funds to be available for alumnae club delegates to Convention, the amount to be determined by the Grand Vice-President and the Grand Treasurer after consideration of alumnae club support through dues and through contributions to national projects.

After considering the reports of the Grand Treasurer and the Assistant to the Grand Treasurer and their recommendations, the following changes in procedure were voted:

a. That the Assistant to the Grand Treasurer be responsible for official contacts with chapter house Corporation Boards and with chapters whose reports show delinquents of long standing.

b. That all active chapters send initiation fees to the Central Office.

c. That all province vice-presidents send alumnae dues to the Central Office.

Conditions at the Settlement School were studied through the reports of the Chairman and the Treasurer of the Settlement School Committee, the Director of Arrowcraft, the School Nurse, the Superintendent of Schools, and the Directors of Weaving and Crafts. Plans presented for the future of the school were considered.

The reports of the chairman and the treasurer of the Holt House Committee were reviewed.

After reading the reports of the Committee for War Work and in considering plans for handling the contributions to the Fund, it was decided that all contributions to the War Work Fund be sent to the Grand Treasurer; that, for the year 1943-44, the Physical Therapy Scholarships, the Fraternity's War Work, be substituted for the Loan Fund as one of the three projects for which 100% support is urged from chapters and clubs.

Grand Council authorized Central Office to bring to the attention of all chapters and clubs an accidental omission in Statutes VIII, Sec. 1, c as revised. The section should read:

"Each chartered alumnae club shall be allowed one delegate to the alumnae session of Convention who shall be allowed the privileges of the floor at the regular sessions of Convention."

Grand Council voted:

That the Social Exchange Bulletin on Founders' Day be sent to alumnae clubs.

That the Music Committee be authorized to compile and issue a mimeographed song sheet of original Pi Phi songs to familiar tunes.

That, acting upon the recommendation of the Chairman, the Committee on Chapter House Building and Plans be discontinued.

That, for the coming year, bills to the maximum of \$25.00 incurred by a province officer for typing or mimeographing her regular monthly letters be paid by the Fraternity.

That the allowance to the Assistant to the Grand Vice-President be set at \$50.00 per year, beginning with the year 1942-43.

That an allowance of \$50.00 be granted to the Assistant to the Grand Treasurer beginning with the year 1942-43.

That, for next year, prizes for magazine sales be offered to clubs and chapters as of the current year.

That all chapters be required to adhere to the Busey System plan of regular monthly reports of the Treasurer, thus discontinuing all quarterly reports.

That, for the coming year, each province president hold, at fraternity expense, a two day conference with the presidents of her chapters at the earliest convenient time in late summer or in early fall, in order to help chapters gain in some measure the inspiration and the aid in planning for internal strength which they were denied because of postponement of Convention.

That the charters of Daytona Beach, Baton Rouge, and Fort Worth Alumnae Clubs be withdrawn in ac-

*Council
Notes*

offer up

cordance with constitutional procedure.

After full discussion of the problems arising from accelerated programs of colleges and universities during the war period, it was the consensus of opinion that each chapter presents its own set of conditions, and that each should be given individual consideration and attention. Dispensations from regular rulings, necessitated by unusual campus requirements or conditions, will be granted.

Reports from chapters indicated appreciation for and benefit from the program of discussions prepared by Dean Maria Leonard. It was decided to ask Dean Leonard again to give this fine service to the chapters.

Grand Council reviewed the interfraternity conditions of the year giving special consideration to the situations at Kansas State and Stanford.

Arrangements for Grand Council visits to chapters for the coming year are as follows:

Grand President—Alpha East and Zeta Provinces;

the Kansas chapters, South Dakota Alpha and Nebraska Beta.

Grand Vice-President—Lambda and Epsilon Provinces; Northern Theta Province chapters and the Michigan chapters.

Grand Secretary—Beta and Eta Provinces.

ARROW Editor—Kappa Province; the Indiana chapters.

Grand Council discussed tentative locations for the next Convention and arranged for a mid-winter Council meeting should a change in conditions make the holding of a convention next year possible.

Grand Council wishes to thank all officers and committees for the full reports of work done and for the constructive suggestions for and criticisms of general fraternity policies. To them and to the Fraternity as a whole it expresses appreciation for the support given to the fraternity projects.

LOIS SNYDER FINGER,
Grand Secretary

Annual Reports of National Officers

MESSAGE OF THE GRAND PRESIDENT

To Pi Beta Phi Fraternity:

NO GOAL, however finely set, is ever attained without vision, consecration, and consistent and sustained effort; it is, then, to these three things, found so universally in its members united for the achievement of high purposes, that Pi Beta Phi owes its record of a year unsurpassed in effective service. Time, strength, and financial support given in almost unbelievable measure to the war efforts of the United States and Canada have seemed only to add to that available for more strictly fraternity projects. Chapters have been maintained at an exceedingly high level of effectiveness and success; the joy of fraternity contacts and the riches of fraternity friendships have taken on new meaning for both actives and alumnae; contributions to the Fraternity's projects have been more generous even than in the previous year; and from this greater pouring out of herself in devoted service, there has come to Pi Beta Phi, inevitably, the building up of still larger inner reserves of loyalty and of ability to achieve. The year just ended is a prophecy of still greater years to come for the Fraternity.

It seems almost unnecessary to speak of the gratification which all members of the Fraternity should feel for the patriotism which again put ahead of personal desires for the benefits of a convention the earnest statement of the Government that to cancel convention plans would be to serve the Nation's needs. The officers of the Fraternity have accepted this decision not to hold a convention as a call to an even more complete dedication of themselves to the task of giving not just help and supervision but also vision and inspiration to the chapters and alumnae clubs of Pi Beta Phi. Although one can really give only what is accepted, with a continuation of the appreciative cooperation, evident during the past year, there can be no failure. Dean Maria Leonard, whose thought-provoking discussion outlines last year were so helpful to the active chapter members who were faced with new conditions and the necessity for new and far-reaching personal decisions, will again give to Pi Beta Phi, this coming year, of her wide experience, keen judgment, and beautiful ideals for living, in four chapter program plans. The debt of the Fraternity to Maria Leonard, one of the foremost educators and leaders of youth of today, is indeed great. Hers is a service of love for college women and for Pi Beta Phi whose value can never be adequately estimated. Discussion conferences which will include much of training schools for chapter presidents will be held in each province, during the late summer or early fall, with attendance limited to province presidents and chapter presidents, with the only acceptable substitutes for the latter the vice-presidents or the pledge supervisors.

From the ARROW, the Fraternity has gained some idea of the response which fraternity members as individuals and as groups have made to the call for help with every phase of war work and has gained, too, a pride which might be unseemly if it were not so justified. The Fraternity is working towards the compilation of war service records which it hopes will be inclusive and complete in order that the full story of Pi Beta Phi's contributions towards the victory which will come may be known. To supplement the gifts of their abilities, their money, and themselves made by its members, the Fraternity has established a special war project which seems perfectly chosen to fill an immediate need and at the same time to serve

a lasting purpose. Late in the spring, an appropriation of four thousand dollars from the Contingent Fund was made to establish ten four hundred dollar scholarships for the training of Physical Therapy Aides for service in military hospitals. Never before has the value of Physical Therapy been so completely recognized as now nor the need for it been so great. The inability of hospitals and the armed forces to release regular nurses for special Physical Therapy training has made the securing of Physical Therapy Aides a vital need which seems almost impossible of satisfaction. Working closely with Dr. Krusen of Mayo's, Secretary of the Subcommittee of the Physical Therapy National Research Council, the Committee on War Work, under the able direction of Geraldine Mars Ristine, has set up the organization for receiving applications and granting scholarships. The response from hospitals and universities as well as from applicants for the scholarships has been intensely gratifying. These Aides will mean both life and joy in living for hundreds of fine young men who without their help might doubt the value of keeping up the fight for regained health and recovered usefulness. The ten fellowships established by the Fraternity's appropriation are, it is hoped, only the beginning of a long list of such scholarships made possible through the gifts of active chapters, alumnae clubs, and individual members of the Fraternity. This is Pi Beta Phi's own special war service: make it a truly great one in the number of scholarships granted as well as in their importance!

Throughout the years since the establishment of the Settlement School, one of the aims of the Fraternity has been to insure the fact that the people of the Gatlinburg community, dear to Pi Beta Phi and fine in their personalities and inner qualities, should never find the help given by the Fraternity anything except a spur to the developing of their own resources and capabilities and a safeguard for their own self-respect. Each year as local conditions have made it possible, the County and the Community have taken over responsibilities formerly met by the Settlement School. For many years, for example, the County has paid the salaries of all grade school teachers and has paid rent for the grade school building, and for several years it has paid the salaries of some of the high school teachers. About three years ago, the County Board, which supervises and directs all schools in Sevier County, was told that at the end of the school year of 1942-43, it must assume responsibility for the housing of the grade school as well as for its other maintenance and teaching costs. This meant the buying of land and the erection of a building, not a small obligation for a County whose resources are far from great. In discussing the situation with the County Board, this past winter, the Chairman of the Committee, Ethel Copp, pointed out the fact that when it became possible for the County to carry the regular high school program also, this would be expected since the fraternity did not feel that it could build new buildings to take care of any enlarged school needs or could meet obligations which the people themselves could assume. With this future situation in mind, the Board decided that it would be wiser to approach the County Court with a request for approval of a plan immediately to take over the complete school, since a request for appropriations now from County funds would endanger the possibility that more funds would be voted later for the same

community. After a careful study of the entire situation as it would affect both the County and the Settlement School, it was determined by the Settlement School Committee, with the approval of Grand Council, to agree to a plan which was later approved by the County Court and is now in effect. Under this agreement, the County has assumed full responsibility for erecting a new and adequate grade school building whose design is acceptable to the Settlement School Committee and for maintaining at Gatlinburg a grade school and a high school equal to those provided for similar communities elsewhere in the County. The Fraternity retains its supervision over the schools, its privilege of having half of the teachers Pi Beta Phis or out-of-county teachers, and of having the choice of all teachers subject to its approval. It may supplement the teaching staff and equipment, if it so desires in order to make specialized training available. To insure the stability of the school and to make it feasible for the County to buy land adjacent to the Fraternity's property but inadequate for playgrounds, the Fraternity has drawn up a lease and agreement which will allow the use of its high school buildings and equipment and of its playground for a period of twenty-five years, during which the County is entirely responsible for maintenance, insurance, and so forth. The County has already appropriated the funds to buy the land and as soon as war restrictions permit, the grade school building will be erected. For the coming school year, the Fraternity will allow its grade school building and equipment to be included under the same general terms as those of the lease for the high school. And so the Gatlinburg people and those of the entire County have proved their determination to make available to their children in perpetuity the increasingly fine type of educational training which Pi Beta Phi has shown them is the least which these children should receive! Too much cannot be said in appreciation for the tremendously fine work done by the Gatlinburg people, the members of the school staff, and Ethel Copp. Mrs. Copp engineered the entire project, gave the whole County a new realization of what it is being given at Gatlinburg in the Pi Beta Phi School, and made countless new friends for the Fraternity. One cannot help wondering how many Counties in other States would vote new taxes upon the entire County in order to provide such special educational opportunities for one community! Surely the Pi Phis who chose Gatlinburg as the site for the fraternity's Settlement School were not deceived in seeing in its people the qualities of character which make for the finest type of self-respecting and self-supporting citizens.

The Settlement School Committee, in having to release Ethel Hogan Copp, has lost a Chairman whose vision and ability will be reflected for years to come in the increased development and service of the School. Her years on the Committee brought her in unmeasured degree the esteem, admiration, and love of Pi Phis and Gatlinburg people alike! The fraternity is counting on the continued help of her understanding of the School and of her constructive planning for it. As its new Chairman, the Committee welcomes Mildred Odell Sale, familiar to the fraternity as last year's editor of the "News From Little Pigeon" department and to the Panhellenic world, as Executive Secretary of Sigma Alpha Iota and President of the Professional Panhellenic Association. Mrs. Sale will continue the tradition of exceptionally fine, capable, and devoted Settlement School Chairmen. The new member of the Committee is Emma J. Woerner of Louisville, principal of the Atherton High School for Girls and an educator of the highest rank. Her experience and excellent judgment will mean much to all departments of the School. That, during the

year, family obligations necessitated the resignation of Elizabeth Peck, Director, was a matter of great regret for all those who had had the privilege of working with her and of knowing of her devotion to the fraternity and to the people whom it serves in the Appalachian Highlands.

The annual meeting of Grand Council was held in July in St. Louis, at which time plans for the coming year were carefully made. A general survey of conditions as the accelerated college programs established them brought a deepened realization of the fact that at present there is no uniformity of general college plans and that in order to meet helpfully and acceptably the needs of its chapters, Pi Beta Phi must itself set up a highly flexible routine. No general exceptions to established requirements seem wise or desirable but Grand Council will meet in the way which local and national conditions indicate is wisest each separate situation as it arises.

The Pi Beta Phi Fellowship for 1943-44 has been awarded to Jeanne Peckenpaugh, Washington Beta, who will do graduate work in the School of Speech at Northwestern University. During the past several months, Miss Peckenpaugh has been on the staff of the radio station at Bellingham, Washington. Applications for the \$500 Graduate Fellowship for 1944-45 should reach the Grand President by January 1, 1944. Application blanks and full information about procedure may be obtained from her at any time. The fellowship is open to any graduate Pi Beta Phi and may be used at any recognized university.

Grand Council has pleasure in announcing that the Balfour Cup for the year 1942-43 has been awarded, for the second consecutive year, to Texas Alpha; the Stoolman Vase, to Iowa Zeta; and the Philadelphia Vase, to Alabama Alpha. The Amy Burnham Onken national award for individual excellence in scholarship, service to campus and chapter, and character and personality was given to Katherine Black, Virginia Alpha. The provinces award winners were:

Alpha East	Janet Hackwell, Vermont B
Alpha West	Margaret Stock, Ontario A
Beta	Alice Maccombs, Ohio A
Gamma	Katherine Black, Virginia A
Delta	Carolyn Wood, Indiana B
Epsilon	Ann Purnell, Missouri B
Zeta	Peggy Caldwell, Florida T
Eta	Jane Ann Vernon, Illinois B-Δ
Theta	Elizabeth Charlton, Iowa Z
Iota	Helen Kelley Hopkins, Nebraska B
Kappa	Mary Jane McNally, Oklahoma A
Lambda	Mary Barbara Mason, Alberta A
Mu	Marian Houston Swahlen, Arizona A

The thousands of Pi Beta Phis who in the past twelve years have had occasion to work with Beatrice Stephenson Purdunn, Director of Central Office, will unanimously agree that there are no words capable of expressing what she has meant to the fraternity in that highly important office. During her years as Director, Beatrice Purdunn developed the Central Office into a service bureau of inestimable value, and accepted each new type of responsibility placed upon her with the quiet comment that it could be taken care of—as it was in an amazingly effective way! Because of the joy which she has found in close association with Beatrice Purdunn, the Grand President feels that she may be permitted a very personal acknowledgment of the privilege which has been hers in working with an officer who never once in all the years was impatient, critical of others, or complaining about her own heavy load of responsibility. Her resignation brought to an end a giving of herself to the Fraternity from which Pi Beta Phi gained much which will continue to mean increased efficiency in

every phase of fraternity organization and work. The fraternity's appreciation for and gratitude to her can best be expressed through constructive use of the organization material which she had such a big part in making available in its present excellent form. An officer of another fraternity recently said that she considered Pi Beta Phi's publications for its chapters "tops" in the fraternity field, and to Beatrice Purdunn goes much of the credit for such a well-deserved tribute.

In appointing Adele Murphy the new Director of Central Office, Grand Council brought to fraternity service an alumna with proven qualities as a business executive as well as those of a loyal and devoted Pi Phi. Miss Murphy has for several years had her own successful advertising agency in Decatur, Illinois, and she is loved and admired by the many Pi Phis who know her, just as she is respected and liked by her business associates. That she will continue the high service of the Central Office in a most efficient way and will prove herself a worthy successor to Beatrice Purdunn is a thing upon which the fraternity may depend. To the already many different types of responsibility placed upon the Central Office, Grand Council has recently added that of handling all chapter initiation fees, senior dues, and alumnae dues in order that, with the exception of contributions to special projects, chapters may send all payments to the one office, and so, avoid confusion for themselves.

The fraternity has sustained a very great loss indeed in the resignation of Ada Waugh, National Supervisor of Chapter Accounting, whose handling of this highly specialized work has been of untold value to active chapters. That, during the past year when rising prices and increasing costs of all living made it difficult for any individual to keep within his budget, the great majority of Pi Beta Phi chapters ran at a profit with the profits high and the infrequent losses in no case serious ones, is of itself a tribute to Ada Waugh and to the Assistant Supervisors who, too, have given such countless hours of hard work to the financial problems of active chapters.

It has been with sincere regret that the Fraternity has accepted the resignations of Nell Anderson Spruce, Gamma Province President; Anne Hager Tauber, Theta Province President; Coleita Aitken, Iota Province President; and Jean Cleveland Foster, Assistant Supervisor of Chapter Accounting, when the pressure of family or professional responsibilities made it seem impossible for them to continue in office. To express appreciation for their devoted service to the fraternity is a most inadequate way of speaking of what they have meant to it! The Grand Vice-President will speak of changes in the official personnel of the Alumnae Department, where, too, the fraternity has lost efficient and beloved officers.

The Holt House with its accurate and lovely reproduction of homes as they were in the days of the Early Victorian period will be a lasting testimonial to the labor of love which Lorette Chapman Terrell gave to the fraternity as Chairman of the Holt House Committee. The necessity for cutting down her heavy schedule of responsibilities left the fraternity no choice but to accept her resignation, a thing which it did with great regret and deep appreciation for a beautifully done piece of work. The Holt House Committee lost an invaluable member when Death claimed Adaline Ward Barnum, to whom the Holt House had been especially dear. The new committee member from Kansas City is Marian Keck Simmons, and the one from Monmouth, Mary Legg Bohan (Mrs. William H.), Illinois A. The Holt House continues to be a delight to all who have the pleasure of stepping across its hospital threshold. Since the day when the house was first open to guests,

eight hundred and ninety-six persons—Pi Phis, members of other fraternities, and visitors from Monmouth as well as from the far corners of the Continent—have found it a worthy memorial to the beginning of the first national college fraternity for women.

As Pi Beta Phi's National Panhellenic Congress delegate, the Grand President has served, during the past year, as Treasurer of N.P.C. In November, 1942, she and the Grand Treasurer represented the fraternity at a called meeting of the Congress, at the Medinah Temple in Chicago, to consider the situations resulting from war conditions. Attendance at that meeting was limited to two representatives from each fraternity and that at the regular meeting to be held this fall will be limited to the delegate and two alternates from each fraternity. The program for the coming Congress will be given over to the most practical business and discussion sessions in order to insure its serving the most constructive purposes. Pi Beta Phi's delegate will serve as chairman of the discussion group for Grand Presidents.

The college year began and ended for the Grand President with the very special inspiration and pleasure of installing new chapters of outstanding achievements and possibilities. Early in September, she went to Greencastle, Indiana, for the installation of Indiana E at DePauw University, and in April, to Storrs, Connecticut, for that of Connecticut A at the University of Connecticut. At both installations, she had the invaluable assistance of Marianne Reid Wild, the Assistant to the Grand Vice-President; of the Province President and Vice-President concerned; and of representatives of each of the nearest two chapters. Not least among the joys of these two significant fraternity experiences was that of working closely with the capable, enthusiastic, and delightful local Pi Phis who made the installations so beautiful and so unforgettable. During the past year, Jeanne Stith, Iowa Alpha, served as special adviser for Indiana E, and during the second semester, Eleanor Sexton, Illinois Z, acted in the same capacity for Connecticut A. The fraternity may be proud indeed of the representation which these two fine young alumnae gave Pi Beta Phi and of the splendid way in which they served their special groups. Each new chapter is ready to bring added prestige to Pi Beta Phi and will unquestionably do so. During the coming year, Indiana E will have Marianne Reid Wild as its special alumna adviser, and Connecticut A will have Elizabeth Hill Scott.

The Grand President is grateful for the opportunity to try to express in worthy service to Pi Beta Phi her abiding love for it and her deep thankfulness for all that its friendships mean in courage to meet new and greater responsibilities and in deep and lasting joy in themselves.

The decisions which members of fraternity chapters must make are perhaps the most difficult of all those being made in this world of war, unrest, and unpredictable changes; certainly they are among the decisions most vital for the well-being of the future. Pi Beta Phi can and must be a compelling factor in molding the lives of its active members—chosen, highly privileged, young college women who are the leaders not only of Today's Youth but also of Tomorrow's Maturity—in patterns of the utmost strength, fineness, and beauty. It must truly be an influence for good—for the best!—whose results in character will be evident on the college campuses of today and in the communities of tomorrow. It will be all these things—and more!—because it is Pi Beta Phi and because you are truly Pi Beta Phis!

Respectfully submitted,
AMY BURNHAM ONKEN

MESSAGE OF THE GRAND VICE-PRESIDENT

To the Alumnae of Pi Beta Phi:

WITH all America and all Americans mobilized for war, this year might have been one of less than normal achievements for Pi Beta Phi. To be able to report a particularly fine year for the alumnae department is gratifying indeed. The year could be summarized briefly: by increased contributions to the Settlement School; by widespread Arrowcraft sales; by more one hundred per cent records; by having recognized our responsibility to the fraternity in wartime. What better exemplification of the spirit of Pi Beta Phi does one need? A careful reading of all reports and a study of the statistical charts will prove that many individual accomplishments together produce worthy results.

The constant goal of one hundred per cent participation by all clubs and chapters in the national projects, namely the Settlement School, the Loan Fund and Holt House is important. Through these funds the continuance of these projects is assured. Their existence is a matter of pride to us in the fraternity world as well as a strong argument for the value of the fraternity itself. This year one province, Zeta, met its full obligations by having every club and chapter therein send donations. Their Settlement School and Holt House donations, Arrowcraft sales, and magazine commissions increased over last year while Loan Fund contributions for the province declined only two dollars. Zeta province active chapters' donations to the Settlement School and Holt House also showed a gain. Next year the alumnae clubs will need to look to their laurels, for, in addition to Zeta province, the chapters of four other provinces, Alpha East, Eta Iota, and Mu had perfect records.

Because so many clubs have given complete cooperation we feel they should be accorded honorable mention. In Alpha East, Zeta, Eta, and Mu provinces there is an increase in 100% clubs, four provinces have an equal number and three show less than last year. We regret that the reports of Epsilon and Lambda Vice-Presidents have not been received and therefore any recognition for the clubs of those provinces must be omitted.

Total alumnae club contributions to the Settlement School are larger than last year. With many demands being made upon everyone, alumnae have also recognized that our altruistic project could not be neglected and that the money must be forthcoming for this work. All clubs in Alpha East, Zeta (previously mentioned), and Theta provinces gave to the Settlement School. In Alpha West, Beta, and Gamma provinces all but one club contributed. The vision and scope of the Settlement School committee embrace an obligation both to the Gatlinburg community and to the Fraternity and are limited only by the amounts with which it has to work. Again the same three clubs head the ranking contributors and in the same order. Cleveland again stands first but has raised its total to \$1000, the result of combined efforts of two senior groups and one junior group. St. Louis ranks second with a \$500 contribution and Los Angeles is third with \$301.69. Very close behind is the Denver club with \$300. These contributions, together with all others are gratefully welcomed and put to good use in Gatlinburg. Of the eleven provinces reported, twenty-two clubs failed to send any contribution through the regular channels.

Regular donations to the School have been augmented by a steady increase in magazine commissions, a field which should never be overlooked. The prizes offered by the publishing house and the fraternity for largest commissions earned, the largest per-capita commission, and the greatest percentage increase were

won this year by the Kansas City, Missouri, the Casper, Wyoming, and the Portland, Maine, clubs respectively though competition the last few weeks of the year was very keen and there were several runners-up close behind.

The story of Arrowcraft sales this past year is indicated in part by the statement in Miss Redding's report that she now has twice as many weavers at work as a year ago. Weavers are finding more time required for necessary duties at home and, in consequence, less for the weaving. Net profits for Arrowcraft are practically as high as last year. The ten top ranking clubs of the year in sales, compiled from total amounts of actual money paid to Arrowcraft between July 1, 1942 and July 1, 1943 are:

1. Portland, Ore.	\$1,257.74
2. Dallas, Tex.	1,009.41
3. Manhattan, Kan.	959.00
4. San Francisco, Calif.	944.00
5. Seattle, Wash.	940.34
6. Denver, Colo.	701.48
7. Champaign-Urbana, Ill.	699.00
8. Cleveland, Ohio	698.00
9. Kansas City, Mo.	605.00
10. San Jose, Calif.	562.55

In her annual report Mrs. Snow called particular attention to the Manhattan, Kansas, Lawrence, Kansas, Everett, Washington, and San Jose, California clubs as excellent examples of what small alumnae clubs may accomplish when the chairmen and others have the will.

Special gifts sent to the School at Christmas time added greatly to the cheer. They ranged from toys to layettes, from magazine subscriptions to a full set of encyclopedias, from candy to a special \$50 scholarship to aid a talented boy to further his education in crafts. Every one of these gifts meant additional effort and time for the clubs in collecting, packing, and shipping. Other reports will name the active chapters' share in these and other Settlement School activities but this report would emphasize the old proverb, "As the twig is bent, so does the tree incline." While expressing deepest appreciation for their efforts to date, we would ask further education in getting all chapters to share our altruistic responsibilities as a preparation for their future part as alumnae. Ere long these same actives will carry the major share of alumnae work and preparation now may assure future successes.

Holt House is another monument to our Founders. To the individuals, chapters and clubs who have made the project possible, there must be great satisfaction in seeing so creditable a shrine in Monmouth. To all members of the fraternity Holt House is a trust and one which true pride makes us wish to support. It will gain in beauty with the years and as more funds are available will take on new charm. When conditions return to normal it will be a mecca for many of us and in the meantime to maintain it remains one of our major projects.

The Loan Fund has been well supported this past year and has been amply able to care for all demands made upon it. Because of the fact that calls are fewer, and with the approval of the Loan Fund Committee chairman, Grand Council has agreed that for the coming year no emphasis need be placed upon collecting for this Fund. Instead of the Loan Fund being considered as one of the three major national projects to which a club must contribute in order to be a 100% club, the third project will be the fraternity's national war project—the Physio-Therapy Scholarships.

Certainly there will be no objection to further contributions to the Loan Fund but for the ensuing year these will not be obligatory for perfect rating.

The choice of Physio-Therapy Scholarships as our own war activity has met almost instant approval. Several clubs and chapters sent money at once. The fact that the Fraternity has started the fund with \$4,000 from the Contingent Fund and thereby permitted ten women to start their training is only the beginning. With all clubs and chapters back of this, as they will be, there should soon be many girls helping to bring incapacitated men and women back to normal living. Every club should be represented in this and the war chairman will see that results are promptly forthcoming, no matter what other local war phase the club is already supporting. The national committee is confident of great success.

That Pi Beta Phis everywhere are doing their patriotic best in war work is fully attested by the report of Mrs. Wheeler, representative for the alumnae on the Committee for Participation in National Defense as well as by the detailed accounts in recent ARROWS. Clubs and individual Pi Phis have embraced every opportunity to buy and sell war stamps and bonds, from giving stamps as baby gifts to selling bonds in a downtown store window; they have knitted thousands of afghan squares, mufflers, and helmets; they have walked miles in army and navy hospitals; they have furnished sandwiches, candy, cookies, or furniture for recreation rooms; they have acted as U.S.O. hostesses and served in every capacity in the Red Cross. In fact there is no phase of war activity wherein the name of Pi Beta Phi could not be found. In addition, no club has failed its own community when called upon for service or donations. All the more proud should we be of the capacities of our fraternity members; they can carry home responsibilities, fraternity requirements, civic duties, and the obligations of war, all in stride.

The alumnae department roster now stands at two hundred two clubs in good standing. During the year one new club, Fairmont, West Virginia, was added. Three clubs, Daytona Beach, Florida, Baton Rouge, Louisiana, and Fort Worth, Texas, have been taken from the official list through failure for two successive years to meet the constitutional requirements for alumnae clubs. Seven other clubs, Tri City, North Carolina, Southwestern Michigan, Terre Haute, Indiana, St. Petersburg, Florida, Tallahassee, Florida, Corsicana, Texas, and Tyler, Texas have been inactive this year. However province and national officers are hopeful that these groups, as have others, will feel the value of getting together in spite of transportation or other problems, and will soon again be adequately functioning groups. Meanwhile for all these, the fraternity asks that national memberships at least be maintained through the Province Vice-President concerned.

Founders' Day was fittingly celebrated this year though in most instances the banquets became cooky-shines or the formal luncheons, picnics. No matter how simple the program, the alumnae and the actives enjoyed getting together, and back of each type of gathering was homage to our Founders and gratitude to them for their part in building Pi Beta Phi. At such times it does all of us good to recall the principles for which they stood and to let the occasion commemorate those ideals. The largest event reported was in Indianapolis where the usual state luncheon attracted 250 including representatives of all five Indiana active chapters. The luncheon featured the president of Butler University as speaker and was

climaxed by the collection of sufficient birthday pennies to purchase three series F war bonds as a gift to Holt House, thus honoring the Founders.

To alumnae as well as actives, the postponing of Convention has served as a definite hardship. Among other disappointments Province Vice-Presidents, being permitted but one visit to their clubs between Conventions, have found that correspondence can never take the place of personal contacts. When war conditions do permit a Convention, a larger representation than ever is hoped for in order to offset the present unforeseen handicaps and in order that many more clubs may benefit in enthusiasm and exchange of ideas. The Grand Council has agreed that additional money above the \$2,000 voted at the 1940 Convention may be set aside from alumnae funds toward financing alumnae delegates to convention. The exact amount to be used will be decided later by the Grand Treasurer and the Grand Vice-President. It was also agreed that a determining factor in deciding which clubs should receive aid would be the degree of co-operation with which an alumnae club meets its required and voluntary services to the Fraternity. While there would be no intent to use this as an incentive to greater endeavor, it is something for each club to keep in mind as it prepares its budget for the ensuing year. As previously announced, the distribution of the funds is in the hands of a national committee appointed following the last Convention.

For the first time since taking office, the Grand Vice-President must report a lowering in the total number of alumnae memberships. The slight decrease is distributed through all the provinces though some clubs have shown an increase. The loss is probably due to the fact that so many Pi Phis have been on the move. When reaching a new community they may enjoy the social privileges of a club but not feel permanent enough to take an active part. It would be to the credit of the clubs concerned to urge their affiliation even for a short time and to the members themselves to wish to continue in good standing. A membership card is accepted everywhere and the small amount of one dollar expended annually is little enough value to place upon what Pi Beta Phi means to us. This coming year it is the plan of the department to supply transfer slips which will provide alumnae clubs a simpler means of keeping track of traveling alumnae. Especially commended are the Lakeland, Florida, the Jackson, Mississippi, the Hutchinson, Kansas, the Manhattan, Kansas, and the Vermillion, South Dakota, clubs for maintaining their one hundred percent club memberships this year.

Official questionnaires have been received from 145 clubs thus far and most of these arrived close to the due date. The success of a club year depends upon the effectiveness of the club officers and committee chairmen and this year some of the most efficient Pi Phis have felt themselves too involved with other responsibilities to assume duties in Pi Phi because they feared they could not always give their best. For many the chief concern has been holding the club membership together. That many have succeeded well is proved by the final results. In studying questionnaires it is a discouraging experience to find blanks where dollar signs should be, or wide open spaces where we ask for constructive help to pass on to other clubs. An officer who finds a worth-while way to maintain memberships, or increase attendance, or who tries out an unusual program with success, should share these ideas with others. This year found many requests for program ideas, particularly for the smaller clubs. National will make an effort to supply

these. Printed programs have been simplified and even some clubs have economized by using again their programs of the previous year, changing addresses or telephone numbers as needed. Some clubs cut the number of meetings to the required four but most have held their monthly meetings regularly and have found that the good times resulting were well worth the inconveniences. One officer reported, "The meetings are gala affairs, business is taken care of, then there is a planned program or social hour and no one wants to go home." Another club has held twelve meetings, most of them at night, undaunted by the fact that they are located in the very heart of a coastal dim-out area.

A source of great trial to many clubs is the number of resident but inactive alumnae. Should they be ignored? Must they be counted year after year and thus preclude any chance of large percentage membership? Or should the membership chairmen continue to contact, encourage, or cajole them to attend club meetings, or spend the club money in notifying them of coming events when they never put in an appearance or help in any respect? Isn't the best plan to go on the premise that all are really Pi Phis, make the meetings so interesting these backsliders cannot afford to stay away? Persistence does bring results; one club at least is having enthusiastic members this year who had not been near a Phi Phi meeting for fifteen years. Another club has suggested that a notice, humorous or satirical, be sent from national officers to the disinterested ones, but it would seem that the personal contacts through a live, personable membership committee would produce better results.

The Army and Navy Auxiliary has had much the same problem in trying to keep in touch with Pi Phi families in the service. The rapidly shifting armed forces often have little time to more than inform their nearest relatives of their new locations when they are moved again. Several clubs, such as Jacksonville, Florida and Houston, Texas, have made very special effort to assist Pi Phis and the relatives in their midst.

Without the interest and assistance of the alumnae, active chapters would miss a great many fine fraternity relations and without the active chapters, alumnae would also miss many unique and pleasing experiences, not to mention the dependence the alumnae department as it looks to the future must place in the hands of our actives. A club, located in the same town with an active chapter quite naturally furnishes that chapter a strong background of service as constant opportunities present themselves. More remote clubs miss such possibilities but many of them have substituted in turn the various chapters of their province to aid in some fashion, or have adopted a special chapter with fewer local alumnae. Some few chapters have disappointed the alumnae clubs by their indifference to attention or have failed to show their appreciation for gifts, but these are the exception. Both clubs and chapters have found the rushing recommendations system working more smoothly. As alumnae realizes that full but honest information, forwarded promptly, will give the chapter a saner and more successful rushing season, they cooperate. The greatest problem is still the failure of alumnae to appreciate that in the last analysis final choice rests with the chapter. In spite of occasional disappointments, alumnae clubs must continue to send all top-notch names whom they can recommend.

Special privileges were accorded the Grand Vice-President this year in her visits to the active chapters. Her assignment took her to Wyoming A, Colorado A and B, Iowa A, B, I, and Z, and to Utah A.

In addition she was happy to substitute for the Grand President in visits to New York A, F, and D, in which chapter she initiated eighteen pledges, and to Ontario A and B. She was entertained graciously at dinner on unofficial visits by Kansas A and Washington A. With the many accelerated programs of so many camps and with the feelings of so many girls upset emotionally, she found that the Fraternity provided a needed and a stabilizing influence.

These chapter visits lent opportunity for a pleasurable number of club contacts at the same time. There is permanent value in the continued dissemination of fraternity information and in the exchange of viewpoints which results from these visits to alumnae clubs. The exigencies of war have deprived us of Convention and in the interim it would seem especially helpful for every alumnae club to avail itself of a visit from a national officer whenever possible and it is hoped that the majority of clubs will find this procedure expedient during the ensuing club year. Delightful meetings were held with the incoming and outgoing boards of the North Shore, Illinois, and the Kansas City, Missouri, clubs. The hospitality of the alumnae clubs of Laramie, Wyoming, Denver, Colorado, Ames, Iowa, Lawrence, Kansas, Buffalo, New York, Rochester, New York, Syracuse, New York, Toronto, Ontario, London, Ontario, and Sacramento, California, was greatly enjoyed, as were the Founders' Day celebrations she shared with Indianola, Iowa, Iowa City, Iowa, Chicago South, Kansas City, Kansas, Topeka, Kansas, and Omaha, Nebraska. Whatever the value to the alumnae, these contacts afford the visiting officer full proof that Pi Phi everywhere

have much the same fineness and that the concerted action for good within these organized groups spells success for every project undertaken by the fraternity.

The Vice-Presidents, giving of their time and devotion to their clubs in the face of many other calls upon their time, deserve the appreciation of all Pi Beta Phi. Regrettably the resignations of four must be announced. To Katherine Lyons, Laura Knapp, Emmalou Thompson, and Helen Waugh the Grand Vice-President expresses her own very deep gratitude and that of the fraternity for their many hours of effort. Filling their unexpired terms will be Dorothy Logan Aultman (Mrs. Dwight E.), Columbia, Missouri, Jean Padden Johnston (Mrs. Floyd), Ames, Iowa, Louise Wheeler Dobler (Mrs. Clare), Everett, Washington, and Virginia Miller Tatom (Mrs. William L.), Los Angeles, California. We wish for them a wealth of fine fraternity experience.

To Marianne Reid Wild, assistant to the Grand Vice-President and to Beatrice S. Purdunn, former Director of Central Office, whose ever ready cooperation has been unflinching, is offered very special and heartfelt thanks. We acknowledge gratefully the part that so many alumnae have played in making this department a worthy part of the strength of the fraternity and a "potent factor in the society of educated women." To the many who have shared in the obligations of this office, we express our sincere appreciation and to all, our determination to make the coming year a more constructive one.

Respectfully submitted,
RUTH BARRETT SMITH

REPORT OF THE GRAND SECRETARY

EDUCATION has been named by the War Manpower Commission as an essential occupation. The President has stated that "education must be maintained at a high level." Pi Beta Phi Fraternity supplements colleges in maintaining that high level by maintaining a "high level" in her chapters through service to her active girls.

Much of Pi Beta Phi's unparalleled success in helping college girls "get the most and the best from their college life so that they can give the most and the best after they are out of college" can be attributed to those fraternity members who make up the personnel of the Alumnae Advisory Committees and of the Standing Committees of the Fraternity. These leaders of our active girls guide them in their thinking and in their actual performance of chapter and campus duties, and they instill in them the fundamentals of right living and the desire to make the most of their opportunities.

It is the privilege of the Grand Secretary to have supervision over the Alumnae Advisory Committees and the Standing Committees, and with real pleasure she reports to the Fraternity that, even though hard-pressed by war duties, the more than five hundred women who make up these committees have continued to serve Pi Beta Phi with excellent results. To their satisfaction and to that of all fraternity members it can be said that not one of the now eighty-five chapters of our fraternity has been referred to the Grand Secretary for special supervision during the past year.

Contacts with Standing Committees are made through "The Leader's Digest," a publication for and by members of Standing Committees, and through personal letters when occasions demand. The kind and amount of work done by these committees is told

elsewhere in this issue of the ARROW in reports of Committee Chairmen. Their reports give proof of the service and devotion of these fraternity leaders.

Alumnae Advisory Committees receive letters and questionnaires semi-annually; at that time they report to the Grand Secretary. These reports indicate that they have met in a remarkably competent way the challenge which war has brought to them and to their chapters. This year they have of necessity given even more of their time and thought to the active girls under their supervision—a war service second to none in these days when our girls are so beset with problems—and they have been (indeed) a big factor in Pi Beta Phi's effort to help maintain a "high level" on college campuses.

Supervision of Indiana Epsilon during its first year as a chapter of the Fraternity has been a very real pleasure and only the highest praise can be given to this chapter for its fine accomplishments and for its contribution to Pi Beta Phi. Its place as the youngest chapter of the Fraternity was taken by Connecticut Alpha in April, and since that time contacts with our eighty-fifth chapter show that Pi Beta Phi can expect much from her newest group so fine is its organization and so unbounded is its enthusiasm.

This supervision of new chapters and of Alumnae Advisory Committees and Standing Committees is made most pleasant by the happy personal contacts established and by the fine spirit of cooperation of both actives and alumnae.

Regular duties involved in acting as corresponding and recording secretary for the Fraternity have been carried on throughout the year and other constitutional duties have been fulfilled.

It was a very real pleasure to act as Grand Council visitor to the chapters of Gamma Province and to

gain inspiration and stimulation from the active girls of South Carolina Alpha; North Carolina Alpha; North Carolina Beta; Virginia Alpha; Virginia Gamma; District of Columbia Alpha, and Maryland Alpha. To have personal contacts with the Advisory Committees of these chapters was especially satisfying and pleasant, and the cordial welcome and gracious hospitality of alumnae along the way will always be remembered. To be a part of the joint Founders' Day celebration of the Los Angeles and the Santa Monica Alumnae Clubs was a great pleasure and it was with regret that the invitation of the Pasadena Alumnae Club could not be accepted.

It is heartening to know that in our way of life, even in war time, there are no critical shortages of culture, love and affection, service to others, and the sundry other spiritual elements which are Pi Beta Phi. Such sources of human happiness must be preserved if the PEACE is to be won. Your Grand Secretary is grateful for the privilege of serving Pi Beta Phi, along with her thousands of other members, so that our fraternity may continue to fulfill that particular function for which it was intended, and so be a factor in the winning of the Peace.

Respectfully submitted,
LOIS SNYDER FINGER

REPORT OF THE GRAND TREASURER

Champaign, Illinois
September 7, 1943

To the Grand Council of the
Pi Beta Phi Fraternity.

COMPLYING with instructions received, we have examined the records of Lois F. Stoolman, Grand Treasurer and Chairman of the Board of Trustee Funds of Pi Beta Phi Fraternity for the fiscal year ended July 31, 1943, and have prepared therefrom and attach hereto statements setting forth the financial condition of the Fraternity as at July 31, 1943, and the result of operations for the year ended that date, as disclosed by such examination.

Cash receipts from all sources were traced into the various funds in the Treasurer's records and found to have been properly deposited in their respective bank accounts. Cash Disbursed, as evidenced by cancelled checks, has been com-

pared with the Treasurer's records and found to be in accord therewith. Securities belonging to the various funds are carried in the books at cost price.

All Securities and Cash Balances have been verified by actual examination or from certified statements of Cash and Securities on deposit prepared by the various Depositories.

The records of the Grand Treasurer are in excellent condition and all entries have been made currently. It is my opinion that all transactions for the year under review have been properly accounted for and I believe the accompanying Balance Sheet fairly presents the financial condition of Pi Beta Phi Fraternity on July 31, 1943.

Respectfully submitted,
LELAND R. JACOBS,
Public Accountant (Ill.)

ARROW EDITOR

THIS year of 1942-43 has been one of great interest for the Editor of the ARROW. Not only has material come to her desk in greater volume, but for the most part it has been material of more real value than ever before. With our limited space, it has been difficult to choose from it the stories which would best present the life of a fraternity in time of war. We beg indulgence of all those Pi Phi whose stories we could not use, and offer them thanks for the interest which their contributions showed. The staff of the ARROW, the Contributors, the Grand Council, and the other officers, have all been generous in sending clippings and news of every kind, and we hope for continuance of this help which makes it possible for the Editor to keep in touch with our membership.

All this year rumors have been rife of changes to come to magazines by governmental regulation. So far, the ARROW has been affected only slightly in size, not at all in quality and format. It has even been possible to use our old fine grade of paper; but for the coming year this must be changed to a lighter weight, and some changes in format will be necessary to allow us to make fewer pages carry our material. Our great size (31,560 copies for the May issue) now brings us within the government limit of periodicals using 25 tons of paper or more, and so a reduction in our number of pages will be necessary. It may be of interest here to say that for the year we used 72,229 pounds of paper. After all proofs were corrected and the issue released, it required twelve days to print, bind, and mail the May number. The actual time required for the printing process was six days, with presses running twenty-four hours a day.

This year we have been using zinc cuts, instead of the finer copper ones, partly for economy's sake,

partly as a patriotic conservation measure. Zinc may however only be used to advantage in the case of magazines with a circulation smaller than ours, both because of lessened clearness of cuts, and of durability; this was proved in the May ARROW, when two cuts broke on the last run of the presses. So for the perhaps 33,000 magazines we shall be printing next year, we must return to the use of copper cuts, and use fewer of them. This should involve cutting on the large picture sections of honor girls, but only as a temporary war-time necessity.

The resignation of Mrs. Purdunn as Director of the Central Office is a real loss to the ARROW. During the years of the present editorship, Mrs. Purdunn's service to the ARROW has been a model of reliability coupled with cooperation of the finest type. She has handled the mailing list, with all the difficulties that involves; alumnae personals, standing pages, and In Memoriams have been always on time and in perfect form; and many extra services have been done willingly and efficiently. The ARROW loses a good friend, but gains a fine new one in the new Director, Adele Murphy.

To the staff and contributors of the ARROW go as always our deep appreciation; and we are happy to have had only one change to report. Last Fall, Mercedes Jorgulesco, whose brilliant book-reviewing has been a feature that has brought us much praise, found that the pressure of war work and personal problems made it necessary for her to give up "From Pi Phi Pens"; we were fortunate in having already on our staff of contributors Marjorie Bright Sharpe, Texas Alpha, who was doing reviews, and still more fortunate in having her accept appointment to the vacancy. Shortly afterwards, Dr. Sharpe, a surgeon in the United States Public Health Service was ordered to Boston, and Marjorie went to work at once on the

staff of the *Boston Traveler*. It was the Editor's privilege to have a visit with her in Boston early in June.

The beginning of this college year brought an important change in the publication of the ARROW, when Mr. Bachmann, who had long been in charge of the ARROW at the George Banta Publishing Company was inducted into the Army. His work was taken over by Mr. F. R. Brandherm, who has given us a year of fine service. Through his efforts, Bantas has been able to continue their work for us on its usual high level of efficiency, in spite of their added work for the government, especially for the Navy—this has grown to truly monumental proportions. As the year closed, however, Mr. Bachmann was re-

leased from the Army to return to Bantas, which has now been adjudged an essential industry.

During the year the Editor had the privilege and pleasure of seeing old friends and finding new ones through her visits to her own old Mu Province chapters, Arizona A, Nevada A, California A, B, T, and Δ; these visits involved also some interesting and inspiring alumnae contacts.

For the honor of serving the Fraternity, the Editor is truly grateful—more so than ever in these grave years of war, when the ARROW seems a force which may serve to keep alive some of the precious spiritual values of more peaceful times.

Respectfully submitted,

ADÈLE TAYLOR ALFORD

ASSISTANT TO THE GRAND PRESIDENT

IT MAKES one feel more proud than ever, these days, to be a member of Pi Beta Phi, when one reads of the records achieved by the active chapters, the worthwhile discussions held under Dean Leonard this year, the number of accomplishments to the credit of the alumnae, the part the fraternity is playing in the various war efforts, and now the latest plan for Physical Therapy scholarships. We should be proud and you would be proud, if you could read all the various reports and letters which come to this office. There is no fear for the future of our fraternity when one sees how the chapter officers are meeting the problems of today. The Assistant to the Grand President works with the rush captains and pledge supervisors during the year, and with the chapter presidents in connection with the requirement of health certificates for all employees handling food in our chapter houses.

Three letters and questionnaires were sent to rush captains during the year. The first letter, in September, carried reminders for the approaching major rush periods. With all the information in the recent May ARROW the rush captains will be receiving even greater assistance this year to help them in being more efficient in the capacity of their offices. Rushing is to be even more simplified on most campuses, which means greater care and forethought on the part of rush captains in their preparation for rushing, and the utmost cooperation is needed from all alumnae interested in rushing and from all Alumnae Recommendations Committees.

The second letter of the year to rush captains required the completion of a questionnaire which when answered gave a report of the activities of the chapter during rushing and the results of rushing. Results were very satisfactory and we need feel only pleased with them. There were 1716 girls pledged during the year and this figure compares very favorably with that of last year. Numbers initiated appear in the Central Office Report, May 1 at this point express my sincere gratitude to the Director of Central Office for all the assistance she has extended to the Assistant to the Grand President at all times? It is indeed with very deep regret that we hear of Mrs. Purdunn's resignation.

This spring, a third letter to rush captains carried

instructions and suggestions for preparation for the next major rush period. A chapter cannot prepare its members too carefully, especially its new members, for the carrying out of the details of the pre-rushing and rushing periods.

The work with the pledge supervisors has been quite extensive, too. The early fall found us making careful plans for pledge training and then in the spring there was a follow-up of this letter and a discussion of plans for hold-over pledges. There is still much to be desired in connection with pre-initiation programs to be followed by the various chapters. So far, this has been left to the individual chapters, and the programs vary from a week of planned discussions and times together to just one function or none at all to prepare the pledges for initiation. However, in almost every case, one may say that the pledge supervisor was equal to her task. This has not been an easy year for any officer, and it was very gratifying to find the pledge supervisors meeting their added responsibilities so satisfactorily.

A problem developed in meeting the requirements of health certificates. Now more than ever it is essential to have employees handling food in Pi Phi chapter houses physically fit for their work, yet with frequent changing of employees and the added difficulty of very busy medical examiners, many certificates were unavoidably delayed. However, the final response was almost one hundred per cent.

Once again the Assistant to the Grand President did the banking of the fraternity money in Canada. This has been an added duty of the past two years, but a pleasant one when one realizes that that very money is being used towards the war effort.

It is difficult to believe that another year has passed. It has been a year of sadness and troubles for many, especially among those with whom this officer comes in contact, and yet never has one of these officers failed to give the assistance needed. It is with heartfelt gratitude not only for this assistance but also for the opportunity to serve the Fraternity in this office that the Assistant to the Grand President looks back on the past year.

Respectfully submitted,

ISABEL A. CLARK

ASSISTANT TO GRAND VICE-PRESIDENT

A SPEAKER once described the Arrow of Pi Beta Phi as a dynamic and striking emblem . . . an emblem of courage. Those qualities have been amply demonstrated this year by the magnificent adjustments that

clubs and chapters have made. Clubs have not only kept up their standards but have added participation in the war effort either by individual members or by the club as a whole.

To the alumnae of Fairmont, West Virginia, goes a word of real praise for they in spite of the numerous other demands upon their individual time organized a club and received their charter. Their feelings must have been the same as those expressed by another alumna . . . that nothing quite takes the place of a Pi Beta Phi Alumnae Club.

The usual constitutional duties have been performed; letters of welcome to new clubs, letters to clubs just completing one year of organization, contacts with the Province Vice-Presidents including writing for the Grand Vice-President, one of her monthly letters.

A letter to the Mothers' Clubs in the fall giving them general news about the fraternity and the activities of the other Mothers' Clubs brought forth many replies which indicated that these clubs have not been free from change either. Almost all of them are contributing time or money to various authorized agencies such as American Red Cross, Bundles for America, War Savings Staff. This officer enjoyed the opportunity of talking to the Missouri Beta Mothers' Club, which at the time was making plans to work with the chapter and the St. Louis Alumnae Club on a Settlement School project. One club which meets annually was deprived this opportunity for getting together because the annual Mothers' Weekend was called off by the school. Their business is being conducted by mail so when the time comes that meetings can be resumed they will be ready and waiting. The fraternity can indeed be grateful for the interest and untiring efforts of these clubs.

Through the letters of the Province Vice-Presidents, and through announcements in the ARROW, clubs have been urged to seek out members of service families both new and old in the community and interest them in affiliating with the club, and individuals have been extended a most cordial welcome. Betty Hawkins Cus-

ter and Phyllis O'Day have given much time and thought to the Army and Navy Auxiliary and it is our hope that this small beginning will grow to the extent that we may be the connecting link between member and fraternity.

Your assistant to the Grand Vice-President has had the inspiring experience of participating in two chapter installations this year. The first one was that of Indiana Epsilon in the fall, and then in April that of Connecticut Alpha. These two occasions will be forever cherished memories.

During the course of the year we visited for Grand Council, Missouri Alpha and Beta, Tennessee Alpha and Beta, Indiana Epsilon, the petitioning group Sigma Upsilon Nu, now Connecticut Alpha, and Alpha Lambda Mu, an interested group at Massachusetts State College which we now heartily recommend to the fraternity for further consideration. We attended meetings of the Junior Group of the St. Louis Alumnae Club, and of the Chattanooga, Hartford, and Washington, D.C. Alumnae Clubs. We are most grateful for the friendships made both with clubs and chapters.

A manual for special supervisors of newly established chapters was prepared.

As we bring to a close another year of service to Pi Beta Phi we wish especially to express our gratitude for the privilege of working with and for Ruth Barrett Smith. Our contacts with the other members of Grand Council have been no less a pleasure. To Beatrice Purdunn, whose recently announced resignation was received with deep regret, we extend thanks for her assistance, and to the Province Vice Presidents for their cooperation.

Respectfully submitted,
MARIANNE REID WILD

NATIONAL HISTORIAN

THE National Historian who one hundred years from this time writes the history of Pi Beta Phi from its beginning through one hundred seventy-six years will record the school year of 1942-43 as one in which the Fraternity stood courageously for her ideals in a turbulent world and served magnificently in the effort of the United Nations to rid the world of ruthless aggressors.

So that this National Historian in the years to come may find Pi Beta Phi records of World War II in perfect condition the present National Historian is attempting to gather such records in systematic order. Active chapter historians are telling of their chapters' parts in the war effort, alumnae clubs are reporting their war activities, and a list of Pi Beta Phis who are serving in different branches of the armed forces is being gathered. The National Historian is grateful to Kate Riegelhuth, Nevada A, for her detailed letter in which she explained her system of keeping the war records of the University of Nevada, and to Ruth Allison, Oklahoma A, for her information concerning her work as chairman of the War Council of Northeastern State College, Tahlequah, Oklahoma.

The National Historian's office has functioned as usual throughout the year. Routine letters have been sent to chapter historians. *The History of Michigan Beta* in five volumes written by Rebecca Downey White, Colorado B and Michigan B was received in June 1942 and placed with the other histories of chapters covering the period from a chapter's beginning to 1936.

The list of accessions for 1942-43 is not as long as it should be. Will you please look through your

letters, pictures, and scrap books and send those pertaining to Pi Beta Phi to the National Historian? The Fraternity will appreciate all gifts which are received for the archives.

ACCESSIONS FOR 1942-43

Fanny K. Read Cook—Michigan B

Blue print of banner adopted 1896; pictures, Mary Eloise Schuyler, Pennsylvania B; Elizabeth Gamble, Colorado A; Kate King Bostwick, Michigan A; banquet programs 17th Biennial Convention, 1901; 50th Anniversary of Michigan B, 1938; Founder's Day, New York Alumnae, 1938; Fourth Annual Reunion of Indianapolis members of Pi Beta Phi, February 9, 1901; Grand Ball, 17th Biennial Convention; Banquet favor, Kansas City, 1901; Syracuse University songs; Hillsdale, June 19, 1900; banquet; Five pictures of home of Anne and Melinda Stuart.

Amy Burnham Onken—Illinois E

Letter from George Starr Lasher, June 20, 1942, congratulating Pi Beta Phi upon her 75th Anniversary; one group picture of the figurines of the Founders made by Miss Janette Powell; a picture of each of the twelve figurines.

Carrie Hopkins Williamson—Louisiana A

Bookplate 1912; kodak picture of Anne Stuart, 1912 Convention; place card, banquet at New Orleans Convention, 1907-08; seven clippings from New Orleans paper concerning Pi Beta Phis and Convention.

Agnes Wright Stone—Iowa B

Annual Golden Arrow letters.

Carol Cockins Tenney—Kansas A

Pictures Marry Miller Barnes, Kansas A; Sue Miles, Kansas A; Maude Mansfield Gibb, Kansas A; Carol Cockins Tenney and escort; Kansas A, early group; Emma White, Kansas A.

Alice Penfield Jones—Kansas A

Two pictures of early Kansas A groups.

Agnes Wright Spring—Wyoming A

File of correspondence, of Elizabeth Helmick concerning the Settlement School.

Adèle Taylor Alford—District of Columbia A

Manuscript from R. D. Brown, husband of Mabel Scott Brown, Maryland A, D. C. A, concerning presentation of the portrait of Grace Goodhue Coolidge to the White House; letter from Edith Barker Blattenberg, Iowa B; life of Ida Cheshire Barker. Cut of picture of Ida Cheshire Barker and of her home in which Iowa B was founded.

Rebecca Downey White—Colorado B and Michigan B

Four letters from Mary Bartol Theiss, March 7, 1938, March 14, 1938, February 24, 1938, January 30, 1938. Annual Report, Michigan Beta Association.

Erminie L. Pollard—Vermont B

Installation Banquet program of Connecticut A Nut cup favor, banquet of Connecticut A.

Several books written by members of Pi Beta Phi have been added to the Pi Beta Phi Library during the year. In the summer of 1942, Mariora Carey, Missouri A, catalogued the Pi Beta Phi Library, using the Dewey Decimal Classification System which may be followed by those who have the care of the Library in the future.

The National Historian had the pleasure of visiting Kansas A chapter for a week-end in February and of being present for initiation. The Historian enjoyed getting to know the active members of Kansas A, many Lawrence alumnae, and the Kansas A house-mother, Mrs. Dean Alt, Kansas A. Lawrence is one of the most historical places in Pi Beta Phi history and this Historian hopes she may return to study further its early Pi Phi landmarks. It was an especial pleasure to meet the first initiate of Kansas A, Hannah P. Oliver.

From Lawrence the Historian went to Kansas City and there met Lorette Chapman Terrell, Chairman of the Committee for the Restoration of Holt House, and talked with her about the displaying of the his-

torical collection in Holt House. The Historian appreciates all that Mrs. Terrell and the members of the committee have done for the Fraternity in restoring Holt House so beautifully.

The portraits of Emma Brownlee Kilgore and Fannie Thomson, Founders, painted by Alice Hyde, Oklahoma A, in 1939-40 were shown to the Kansas City Alumnae Club on Founders' Day before being taken to Monmouth and placed in Holt House.

This Historian is grateful to Miss Janette Powell of Jacksonville, Illinois, not only for the thought and effort she gave towards the completion of the lovely figurines of our beloved Founders, but for her deep interest in tracing knowledge of our Founders and for gathering for the Fraternity much material in Monmouth which would have otherwise been forever lost.

With the consent of Mr. Lutchter Stark the Nita Hill Stark Vase award for the best chapter history written in the interim of Convention has been changed to an annual award. The announcement of this award will be made in the future at the same time the announcements of the Balfour Cup, the Stoolman Vase, and other awards are made.

The chapter histories continue to do good conscientious work. The problem of judging the best from the many good chapter histories grows harder each semester.

The National Historian has enjoyed her Pi Beta Phi year. She wishes to thank the Grand President for her constant help and to express her gratitude to Beatrice Purdunn for the years of service she has so efficiently and so graciously given to Pi Beta Phi.

Respectfully submitted,

FRANCES ROSSER BROWN

PI BETA PHI MAGAZINE AGENCY

THIS is the most prosperous year the Pi Beta Phi Magazine Agency has enjoyed since its beginning with commissions on sales amounting to five thousand eight hundred twenty dollars and fifty cents (\$5,820.50). Of this amount alumnae clubs contributed \$4,795.85, active chapters contributed \$887.53, and individuals contributed \$137.12. During this same period \$344.40 has been collected from bonuses, refunds, and cancellations, which will pay the operating expenses of the agency.

The full amount of commissions earned has been paid to the treasurer of the Settlement School Committee.

Below are shown the profits for the past fifteen years:

1927-28	Approximate	\$1,200.00
1928-29	Approximate	1,100.00
1929-30	Approximate	810.00
1930-31	Approximate	950.00
1931-32	Approximate	1,500.00
1932-33	Approximate	1,400.00
1933-34	Approximate	2,050.00
1934-35	Approximate	2,000.00
1935-36	Approximate	1,450.00
1936-37	Approximate	2,366.48
1937-38	Approximate	2,445.09
1938-39	Approximate	2,716.58
1939-40	Approximate	3,153.20
1940-41	Approximate	4,018.51
1941-42	Approximate	5,123.00

Several mailings were sent to alumnae clubs and active chapters this year for magazine chairmen. These mailings included special offers, instructions, totals for the half year and totals for the full year. Supplies such as order blanks, price lists, enclosure cards were sent direct to the alumnae club and active chapter chairmen from the Franklin Square Agency.

The contest winners for the year 1942-43 were:

ALUMNAE CLUBS:

- Kansas City Missouri Alumnae Club, Mrs. George Lombard, Chairman, \$10.00 prize for making the highest total commissions (\$312.07)
- Casper Wyoming Alumnae Club, Mrs. Cecil Bon, Chairman, \$10.00 prize for making the highest per capita commissions (\$4.38)
- Portland Maine Alumnae Club, Mrs. Ralf Martin, Chairman, \$5.00 prize for making the highest percentage increase (764%)

ACTIVE CHAPTERS:

- Wisconsin A, Mary Jean Zentner, Chairman, \$10.00 prize for making the highest total commissions (\$60.40)

Wisconsin B, Nancy Hollister, Chairman, \$10.00 prize for making the highest per capita commissions (\$2.84)

Tennessee B, Rosemary Miles, Chairman, \$5.00 prize for making the highest percentage increase (4636%)

This year sixty-six chapters and one hundred seventy-seven clubs contributed to the profits of the agency. Last year the same number of each were participants. Clubs and chapters located in Canada that contributed to the magazine project were Calgary, Edmonton, Montreal, Nova Scotia A, and Ontario A.

Following is the financial statement for the year. The 1941-42 commissions are given also so that the contributors can see their gains or losses.

The Director of the Magazine Agency wishes to thank all who have contributed to the success of the agency this year, and asks for your continued interest and support. To serve as Director of the Magazine Agency with its pleasant associations with members of Grand Council, chairmen of alumnae clubs and active chapters is an exciting and interesting experience, and one that this Director will remember and cherish forever.

Respectfully submitted,
BEATRICE S. PURDUNN (Mrs. C. M.)

CENTRAL OFFICE REPORT 1942-43

THE cost of maintaining the Central Office from July 21, 1942 through May 31, 1943 was as follows:

Salaries	\$3,730.26
Rent	300.00
Express and Postage	1,146.91
Miscellaneous Expenses and Supplies	1,691.26
Telegraph and Telephone Charges	52.96
Bank Charge	4.23
Social Security Tax	32.26
Robes	172.37
Ribbon	126.54
Personal Property Tax	10.14
Total	\$7,266.97

Collections from chapters, individuals, and alumnae clubs from July 21, 1942 through May 31, 1943 are distributed as follows:

Miscellaneous	\$ 481.31
Songbooks	35.51
Stationery	315.55
ARROWS	31.05
Ribbon	101.09
Robes	270.25
Cook Books	367.77
Bibles	5.75
Installation Supplies for Connecticut A	50.00
Total	\$1,658.28

The number of initiates for the past eleven years, 1932-1933 through 1942-1943 were as follows:

	Chapters	Initiates
1932-33	78	1,140
1933-34	77	1,085
1934-35	79	1,281
1935-36	79	1,237
1936-37	80	1,347
1937-38	80	1,354
1938-39	81	1,331
1939-40	81	1,397

1940-41	83	1,513
1941-42	83	1,494
1942-43	85	1,699

The $\Pi B \Phi$ membership statistics as of June 10, 1943, were as follows:

Total Number of Initiates to Date	38,419
Number of Initiates for Year 1942-43	1,699
Number of Expulsions to Date	134
Number of Honorable Dismissals to Date	110
Number of Honorable Dismissal Reinstatements	11
Number of Honorable Dismissals Still in Force	99
Number of Dismissals in Force	19
Number of Automatic Dismissals in Force	10
Total Loss by Dismissal	262
Total Loss by Death	1,915
Total Loss by Dismissal and Death	2,177
Total Members of Pi Beta Phi Now Living and in Good Standing	36,242

Again the problem of the Central Office this year was to keep the files up-to-date. With so many changes in addresses due to the war, it has been difficult and expensive to keep up with the ARROW subscribers. It will be appreciated if new addresses are sent promptly to the Central Office.

Social Exchange Bulletins, Leader's Digests, and other publications were mimeographed in the Central Office and distributed to chapters and alumnae clubs.

To the members of Grand Council, to the national officers, to the alumnae clubs, to the active chapters, and to all who have made the past eleven years such a rich experience, the Director is grateful.

Respectfully submitted,

BEATRICE S. PURDUNN

REPORT ON JEWELRY SALES

SINCE August 1940 fraternity jewelry has been ordered through the Central Office. Chapter treasurers are requested to fill out official jewelry order blanks and forward them to the Central Office with check for the amount of the jewelry. They are then okayed and forwarded to L. G. Balfour Company for manufacture and delivery.

The following items of jewelry have been sold to members this year:

Plain Badges	185
Jeweled Badges	1,604
Recognition Pins (Gold Plated)	823
Jeweled and 10K Recognition Pins	182
Mother's Pins	111
Brother's Pins	24
Pledge Pins	1,223

Again this year the fraternity gave scholarship rings to the girl in each chapter who had the highest

scholarship rating. Seventy-four chapters ordered rings. Two chapters, Illinois B-Δ, and Indiana E both had two winners. Sixty-one rings were ordered set with rubies, indicating that the girl had won the ring for the first time; thirteen rings were ordered set with sapphires, indicating that the girl had won the ring the second time; two rings were ordered set with diamonds, indicating that the girl had won the scholarship ring for the third time. Letters of congratulations were sent to the winners of the awards by the Chairman of the Scholarship Committee.

The Director of the Central Office is grateful for the fine cooperation she has received from chapter treasurers and individuals who have sent in orders for jewelry this year.

Respectfully submitted,

BEATRICE S. PURDUNN

Settlement School Reports

REPORT OF CHAIRMAN OF SETTLEMENT SCHOOL COMMITTEE

COUNTLESS loyal Pi Phis deserve much credit for their wise determination to protect their investment in human betterment in spite of war and they have earned sincere praise for their perseverance in carrying out this policy. Because of their continued and splendid support the Chairman of Settlement School is able to report a balanced budget, with no involvements or outstanding obligations. In spite of teacher shortages, which caused disrupting changes in personnel, Committee feels indebted to our loyal group of teachers for completing successfully a very difficult year. We report the completion of at least one major achievement to record in Settlement School annals—namely the acceptance, by Sevier County Court, of the financial responsibility of the basic program of both the elementary and the secondary school.

Committee's faith that the contribution of alumnae clubs and active chapters would remain constant has been more than justified. The very slight decrease over the previous year has been offset by the increased earnings from our Magazine Agency. We confess to having had some apprehension as we set the budget for 1942-1943 year, fully aware that there were unpredictable emergencies ahead. We weighed every item of expenditure to determine whether or not it was essential to the preservation of our integrity and the fulfillment of our self-assumed obligations. We expressed the hope that the headlong rush into the demands of war would not result in Pi Phi "stuffing off" permanent obligations which would weaken our structure when this temporary, though devastating, state of war is over.

Now we know that Settlement School must have been double starred upon the preferred list of our Pi Phi family's essential obligations. This indication of enduring and steadfast purpose is pleasing proof that Pi Phi cherishes its privilege to serve humanity. Well do we know that maintaining Settlement School has been accomplished *in addition* to patriotic obligations which have been assumed by every club and chapter and by Pi Phis as individuals. Because of such unselfish endeavors Pi Phis have attracted to themselves remuneration in bountiful measure, reminding us again that—

"Faith is the brave endeavor,
The splendid enterprise
The strength to serve, whatever
Conditions may arise!"

The Settlement School Committee met at the School in late May, 1942, to plan for 1942-1943. The Chairman went to the School in November and again in April, 1943, to represent the Fraternity at the session of the County Court and give all possible help in clarifying Pi Phi's position in this all important matter of transition of financial responsibility.

This has not been an easy, carefree year for you or for our school staff, or for Committee. If you asked Settlement School's Director, she would be forced to report that shortages, teacher shortages, caused us the most concern. It has been anything but a smooth running year with this ever recurring problem of teacher replacement. Sometimes it was the draft, then Cupid, and next the understandable lure of industry's

high wages. Fortunately Elizabeth Comstock Peck possesses the fine state of mind in which happiness prevails in dark days as well as light. Both she and Superintendent Fleming should "feel contentment because of deeds well done and joyousness in service at a time when the world needs the best we have to give." They closed the school term with flying colors with only an agriculture teacher short, though they would prefer not to be reminded of the struggle to keep positions filled. Some comfort was felt in the knowledge that rural schools throughout the United States were similarly afflicted and that Smith-Hughes Agriculture teachers are apparently choice morsels in every draft board's diet.

Without this untiring and unselfish staff devotion, the substantial support and trust of Settlement School's donors would have gone for naught. Back of this front line has been a unified Committee who have met their responsibilities with unflinching promptness and a zealous determination that unsettled world conditions should not undermine Pi Phi's position, or jeopardize our future growth. To each of the following your appreciative chairman pays humble tribute: Beth Brainard LeRoy, Massachusetts A, Lolita Snell Prouty, Colorado A, Mildred Odell Sale, North Dakota A, Ann Lechlitter Munn, Iowa F. Each has shown courage and wisdom in her prompt attention to Settlement School problems, a willingness to put self in the background and a spirit of devoted cooperation which has made the two year experience of serving as chairman a soul satisfying adventure. To serve with such an inspiring group is a privilege to remember for a life time. As a retiring chairman it is with fond admiration that I remind you also of those other wonderful Pi Phis who will continue to enrich my life because of having known them and having worked with them for something worthwhile. There is Lillian Beck Holton, Jeffries Green Pace, Marie Bacon Hagee, Irene Eldridge, and Agnes Wright Spring. For these dear friends, and many more, I am indebted to Settlement School.

To Grand Council, as an official body, and to each member as a personal friend our Committee wishes to extend loving appreciation. You have given us all possible assistance and encouragement with generous evidence that you had faith in us. To the contact member, our Grand President, we extend warm greetings as we review the countless hours of added labor which our demands have caused her. Through her we have maintained a very close association with the national officers, in the belief that full knowledge of our activities and decisions would be of mutual benefit. If any progress has been made this year, and we sincerely hope that our decisions will prove constructive, it will be because of the Fraternity's faith in us which was expressed through Grand Council's friendly encouragement and their selfless wholehearted cooperation.

Lois Stoolman's regrettable misfortune has been cause for sadness as we have known her to be confined to her bed month after month. It is hoped that she will feel some happy consolation for her discomforts in the knowledge that her courage and continued usefulness to the Fraternity have won for her the

admiration which only personal sacrifice can inspire. Her uninterrupted constructive assistance has been a real inspiration. May she soon enjoy perfect health and freedom.

Staff Personnel: With the exception of the October resignation of Fern Price, as principal of the elementary school, the personnel of the department heads was unchanged, until the last month of school, when Elizabeth Comstock Peck was forced to resign as Director, because of the serious illness of her sister. Mrs. Peck had completed two years of loyal, devoted service and had won the affectionate regard of staff, Committee, and community because of her consideration for the comfort and the interests of each individual. It is with regret, real appreciation, and sincere best wishes for her own and her family's welfare that we have accepted her resignation.

Capable, generous Ethel Snow responded to our need by adding the heavy load of administrative duties to those of her own big job. This loyal and unselfish service is deeply appreciated by Committee. The Fraternity owes her devoted recognition. If there are to be jewels in Pi Phis' crown, Ethel deserves the honor.

Last fall we were grateful to Miss Edith Bader, retired Assistant Superintendent of Schools of Ann Arbor, Michigan, for promptly offering her services to tide over until we were able to find a principal and teacher for the combined seventh and eighth grade. Miss Bader brought to our school a wealth of valued experience and inspiration. She was most valuable in assembling and cataloging our elementary school library and establishing a small reading room, the nucleus of an elementary department in our future hoped for unified school-community library. Settlement School Committee and the Fraternity are indebted to Miss Bader for her generous and patriotic efforts in our behalf. We are selfishly regretful that her health would not permit her to continue to serve our school. We are fortunate, however, that she is willing to advise with our staff.

Those of you who are familiar with our teaching personnel will regret to learn that Eleanor Brabson resigned in May because of the death of both her parents. Eleanor taught the first grade for many years and is dearly loved by the community.

We regret that Pi Phis Marylyn Abel and Mary Hayward and Flora Belle DeWit Poore will not return next year. Each has given more than just a teacher's bit to her job. Their original and charming ceremony for Little Pigeon Club's 1943 Founders' Day program was a sweet tribute and a real delight to the Pi Phis present. Your chairman was proud to be a guest in Flora Belle's lovely home with Jessie Harris, Asheville Convention initiate, and her associate friend, Ida Anders, and two other Knoxville Pi Phis to make the local group add up to sixteen. Special credit is due Pi Phis Pauline Huff, and Mary Hayward for the inspiring operetta which was the year's high light and the happy success of the elementary school. First grade teacher, Mrs. Howe, was equally enthusiastic in adding to the children's complete joy in this colorful production. In fact every teacher deserves much credit for a performance which delighted the parents. They love music and need it so badly.

Superintendent Ben Fleming carried uncomplainingly a full day's teaching load in the high school in addition to his administrative duties. His fine understanding of Pi Phi ideals and his devotion and loyalty to Settlement School is a prized asset. It is hoped that

an additional teacher next year will relieve him of a part of his teaching load. Fortunate we are that he was given a six-month deferment. We hope that it may be extended to permit him to complete next year.

I wish to include in this report a reminder that our Settlement School will be in constant need of Pi Phi teachers as long as the war lasts. Haven't you always wished you might teach at Pi Beta Phi Settlement School? Here is your chance. Tennessee teaching requirements are on file with every chapter president and with all Province Presidents and vice presidents. If you would enjoy the satisfaction of using your talents for the good of your country and Pi Phi and would thrill to the stimulus of a year's comfortable living in a natural woodland paradise, you cannot afford to miss this opportunity. Pi Phi needs you if we continue to make our School a model.

Building: The School properties remain as reported last year, except that the obsolete and over crowded Health Center building, Pollard Cottage, which houses our girls and our dining room and kitchen facilities, and our elementary school, are more obsolete than ever. No new buildings have been added, no additions have been made. The three year old Arrowcraft Shop is still our pride and joy and brings us admiring comments from visitors. Stuart Dormitory, in its second year, is equally charming, corresponding in architecture and materials with Arrowcraft. In point of actual need it is difficult to state which is our number one building need. We have no favorite. Each need is number one, double starred. If a Pi Phi should feel a desire to make a lasting investment in human betterment, she could perpetuate her urge to serve by building a Health Center, or a Library, or a Dormitory for girls, or a Little Theatre, or building or buildings to house Arts and Crafts, or a Lodge for visiting Pi Phis. And if one of these fails to intrigue her she could win the undying gratitude of the entire populace by erecting a community recreation center. Certain of these investments would receive some support for upkeep from either the community or the county or the state. We believe that there is great joy and satisfaction in store for those fortunate Pi Phis who will accept the opportunity to provide buildings in which Pi Phis may work and serve.

Health Center: Continuing under the able direction of registered nurse, Marjorie Chalmers, special emphasis has been placed upon health education. Because there has been no County Health doctor for more than a year, all elementary school children of the district were given a complete physical examination by our nurse. Inoculations for typhoid, diphtheria and smallpox were given the school and pre-school children and adults, either in the schools or during the Friday afternoon clinics at the Health Center. Crippled children's work goes on as necessary with satisfying results. Every day there are evidences that work of that sort is paying dividends in health and strength for many children. Well baby clinics are conducted as usual with conferences both in homes and the office. There was some whooping cough, a few cases of chicken-pox, more of pink eye, and a little pneumonia, but on the whole, health has been at a high level—gratifying dividends from your investment in health education!

A detailed report of our effort to stress health education would take you through six weeks of Home Nursing classes for adults, two classes of First Aid for freshman boys and girls, six weeks of First Aid

instruction for seniors by Dr. Mittleman, followed by two months of practical methods, taught by nurse Chalmers. The sophomore and junior classes studied, "Health and Human Welfare" for the entire year. Health education was carried on, as well, in the rural schools at weekly classes, including study of posture, nutrition, cleanliness, care of the teeth and hair, prevention of colds and other diseases, and the health and safety rules for daily living. None of this invaluable education and assistance would be given in our area if we were not providing it.

We have a long, long way to go in the field of health service. There is crying need for tuberculosis finding and prevention, for remedial dental attention and prevention through proper nutrition education, and for enlargement and continuation of our general health education program to serve a wider area. And none of these services would encroach upon the field of a county health doctor if there was one.

Arrowcraft: Ethel Snow reports a surprisingly good year in Arrowcraft sales. Even without the usual great influx of tourists the local shop has had a very good year, perhaps because those who did come spent more money. The unusual showing of many clubs and the excellent results from most clubs has been proof that the American buying public has plenty of money and that they appreciate and want our high quality articles. Results have shown that personalized displays and enthusiastic prideful saleswomen are responsible for increased sales. With foreign sources cut off, Mrs. Snow is overwhelmed with requests for our goods.

Weaving supervisor, Winogene Redding, finds it difficult to get material and is concerned also with labor shortages. We appreciate the understanding and patience which our clubs have shown when their orders were not filled as desired. Miss Redding has been painstaking and punctilious in keeping detailed records throughout her years with us. She can tell us exactly how many utility doilies she has made and whether you like blue or pink baby blankets. A few facts are worth remembering. In 1942 our weavers earned \$14,959.57. In 1943 they earned \$12,683.79. They have woven up approximately \$100,000.00 worth of yarns since 1936. They live within a radius of ten miles, the majority within five miles. Their average earning is about \$150.00 per year, earned during about eight months out of the twelve. Ninety-three is the least number, and one hundred and six the greatest number working in any one year in their spare time in their own homes. Two have opened weaving businesses of their own. Under Miss Redding's inspired leadership, one of our weavers wrote a play, *Store Britches*, in which she and her daughter and son each acted a part. Under Gene's direction the play was presented by our Weavers Guild for three consecutive summers, giving forty-two performances to enthusiastic tourist and local audiences. It is the hope of our present Committee that this dramatic interest may be revived after the war to serve as a beginning for Pi Phi's Little Theatre of the Smokies.

Farm: Since no amount of effort could produce a qualified teacher for Agriculture, our school program was readjusted to include civics. Smith-Hughes aid will be available later when an agriculture teacher is found. The responsibility for our live stock, farm, and garden produce was transferred to the farm man under supervision of our director. Because of the draft, which included seventeen year olds, we lost most of our farm boys to the Marines, the Navy, or the Army. This situation creates a real problem for

next year. We may be forced to employ extra farm and maintenance labor. From present indications we will have more girls than we can accommodate. They have expressed a willingness to assume certain chores which the boys have previously done, such as feeding the chickens.

This year marked the passing of Lady, twenty-six years old, our faithful farm horse.

Home: It is nice to report that delicious, though economical meals satisfy our school family and still the cost is kept at thirty dollars per person for living. Where else in the United States could anyone live so economically? Under Miss Lena Hodgins' efficient supervision much garden produce has been canned, and some sold.

The long wished for paper place mats became a pleasing reality this year. Director Elizabeth Peck made the original drawing of Settlement School's domain. From this Evelyn Prouty Lewis, Colorado A, made the whimsical sketch which will carry the Pi Phi legend to Pi Phi and prospective Pi Phi. We are indebted to these two Pi Phis and to Evelyn's father, Mr. Frank Prouty, who did the lettering and presented us with the first thousand place mats. The Denver Alumnae Club generously and enthusiastically volunteered to take the responsibility for the supplying of these mats to chapters and clubs.

A lovely new color film was made under Beth LeRoy's direction. Those clubs fortunate enough to write early for it have been delighted. We are proud of Beth's sincere enthusiasm which has brought her many flattering invitations to speak about our school to non-Pi Phi clubs, as well as churches and to civic groups. Hearing of their loved Pi Phi project over a nation wide radio hookup was a thrill to many a surprised Pi Phi last fall. It is a constant source of delight to Committee to hear and see evidences of the growing national regard for that which Pi Phis have wrought because of ideals and through lowly rummage sales.

Policies: The march of events at Settlement School bring us to a long contemplated milestone. At an April session of the Sevier County Court the Squires voted to accept full financial responsibility for the basic program of both the elementary and the secondary school on a par with that provided by the county in their other schools. Our proposal to them was that we would allow them free use of our modern, well equipped high school plant, with large playgrounds, for a period of twenty-five years for a rental of one dollar per year, in exchange for the continued privilege of directing, supervising the curricula, having equal voice with them in the choice of teachers, and of supplementing their meagre county program as we wish and as far as we are able, within the limits of our gift funds. They obligate themselves to erect a new elementary school building upon ground to be purchased by them, adjoining ours. In brief we have preserved the privilege of continuing to control the school standards in order to perpetuate and improve the quality of service to these mountain people which our Fraternity has rendered for thirty-two years, and at the same time we have allowed the community to shoulder its rightful financial load.

With this important and long contemplated healthy step accomplished it becomes now our obligation to make this unified school system work harmoniously and to the advantage of both the community, the county and Pi Beta Phi, and, further, it is our signal to move forward in our entire program. It enables us

to redirect our efforts to concentrate upon a finer type of scholastic service, an improved set-up in our community relations, an enlarged health program, the building of a unified School-Community Library, adjacent to our high school building, and the expansion of our Craft program to include diversified arts and crafts under guidance of master craftsmen.

It is the sincere belief of the present Committee, and we think in harmony with the findings and avowed purposes of past Committee members, that this recent transition of responsibilities has proven the sincerity of Pi Phi's wish to make a sound contribution to human development by gradually educating a community to accept its own burdens. By so doing we have successfully completed our first cycle of usefulness to a once isolated community. It has been the responsibility of the present Committee to formulate the working plan for this new and close relationship of community and Pi Beta Phi and to clarify the idea and bring about complete accord and actual understanding. But the principle behind this balanced plan was in the hearts and minds of our early administrators. Only by the careful nourishing of this basic principle by each succeeding Committee has the final result been made possible. Sincerely do we hope that the final terms, which now stand as our Lease-Agreement, will express those idealistic plans and bear out the wishes of the many loyal Pi Phis who have contributed toward this accomplishment.

It was three years ago that Committee, with the knowledge and approval of Grand Council, gave written notice to the School Board of Sevier County that they must assume full responsibility for the housing and maintenance of their elementary school at the close of the school year 1943. This brought to a climax the years of indecision on the part of our Committee as to when this change could safely be made without endangering our school strength. By that time even the faint hearted and most sentimental were in perfect accord. The next two years were occupied in trying to work out a fair and logical plan to accomplish the desired end and still retain all the privileges which would protect our School. As a final means to this end we employed a school planning authority to advise with us, after studying our area and its natural restrictions and resources. Between the lines of Dr. William S. Taylor's survey we found the answer to our desires. He reassured us that our wish to keep control need not be wishful thinking, that a workable, fair plan could be worked out to retain supervision and influence, even though the County did assume the greater part of the financial load. He showed how we could keep a unified system by getting the County to purchase land and erect an elementary school building adjoining our high school. From this the terms of our present agreement were worked out. In 1938, Dr. Edwin Lee Holton had recommended the procedure which he felt was wise for us to follow as we encouraged the community to assume its own burden. Dr. Taylor's report confirmed again Dr. Holton's opinions. We felt doubly sure the right pattern had been set by these two educators.

The actual amount of Pi Phi funds which will be set free will not be sizable, since the County, for a period of years, has paid all the expenses of the grammar school and a part of the high school expense. It is hoped that the saving will be enough to provide supplementary enrichment such as music and art in which we have been sadly lacking throughout our training of a whole generation. If we are not spread too thinly with the three Rs—we can surely awaken appreciation for things which make our lives lovely.

In connection with current financial status of Sevier

County, Tennessee, the recent lease agreement negotiations with the County Court revealed some interesting, though rather pathetic facts. The only means of meeting the expense for purchase of land and the requested new elementary building was to raise taxes. A raise from three dollars and fifty cents on the hundred to three dollars and sixty cents was voted. The total additional money that could be expected from this raise would be only thirty-six hundred dollars per year. The additional money needed will have to come through readjustments within the present County budget. Sevier County's meagre resources can be better understood when we realize that the adjoining Knox County, though not a wealthy one, could collect as much on an eleven cent levy as Sevier County can on its \$3.60 levy. It is difficult for us to believe that the Southern states are still so limited in their abilities to educate their children. Superintendent Hodges of Sevier County Schools is President of Tennessee Teacher's Association. He gives these figures which indicate that Pi Phi's help in education is more needed in the Southern area than in any other part of the United States. Southern states have one-third the children of the nation, one-sixth the income, and one-eighth the wealth.

When a load is shifted there is always a new pressure. It was not possible or wise for us to continue to pull the load that had become uneven. The needed shift has been made in a way that will strengthen the structure upon which the community is building its own economic and spiritual independence. We have taken inventory of our own strength and weaknesses as we analyse the part which we are to play in these next few years. As soon as the plan was understood the community and County Court accepted their share with full confidence in our sincerity of purpose. Now we know that it will take diplomatic, delicate, and thoughtful direction on our part to keep pleasant our relations with the County. The success of our dreams to keep our School strong will depend almost entirely upon the quality of leadership at the School. For this reason it is understandable that our next Director shall have had training and experience in the school administrative field which will equip her for her new role of sponsor to a model school. Her proven ability in this field will give her the necessary "voice of authority" as she works with the County in spending their money. Never before has this particular training been so essential. Each past director of our School has given valued and loyal service. Each has filled the need of the moment with devotion and sincerity of purpose. Each has brought some individual abilities which advanced the quality of Pi Phi service. In seeking a new Director at the present moment when the current changes require special qualifications we realize that only through adequate preparation and experience can our next Director meet the problems which will confront her from this day on. The way is now open to advance in many fields. To do this our Director will find it an advantage if she has had training in these fields. We know that it is highly desirable that we have unbroken continuity in direction as well as broad vision and executive ability if we are to coordinate our visions, our fine national contacts, and combine these forces into a smooth running progressive, intelligently chosen program. We are sure that there is a Pi Phi with these needed past experiences and that we will be able to entice her from some other interesting job, because we can offer her an opportunity to build a center as great and as important as her talents and labor will

allow. Some Pi Phi with an urge to create will find a marvelous outlet right in Pi Phi's School in the heart of the Smokies.

Futures: For many years national advisors and Pi Phi officials have reported to you the trends which indicate a challenging opportunity for Pi Phi to make a real contribution in the upbuilding of American handicrafts. Every Pi Phi will feel a thrill of pride to be a party to a greater educational development which later will offer them an opportunity to share in its benefits. There is no reason why our project cannot grow to be very nearly self-supporting in the fields of Arts and Crafts. It is the hope of this chairman that the Committee will continue the purposeful planning toward the ideals for a center which may be dedicated to the advancement of American handicraft. This may include many fine enterprises which can grow to be self-supporting. One essential stands out beyond everything else. We must set high standards and clearly define our aims and ultimate achievements before we make a move. We should know exactly where we are going before we start. The idea is to create a diversified craft center whose name, Arrowcraft, will continue to be synonymous with beauty, simplicity, perfection in design, and fine workmanship. We can create a pattern for all America to emulate. We can serve as a source of inspiration.

The new chairman of Settlement School Committee accepts a challenging, though difficult, assignment as she assumes the direction of School affairs at the July, 1943, business session of Committee. A brilliant executive, a diplomatic coordinator, a radiant, happy personality, well grounded in Pi Phi traditions—Mildred Odell Sale possesses the balanced judgment which

makes her the ideal person to lead us through the next four years of thrilling opportunity.

Pi Phi's School is growing up but it will never lose the sentimental appeal of its early days and Pi Phis will cherish forever the heart warming thrills which were experienced because of nourishing it during its infancy. Like youth, in general, Settlement School early showed a marked tendency toward deciding its own future. With maternal pride we claim credit for influencing its personality, though environment and opportunity have played important roles the while its personality achieved a very special pattern. No Pi Phi who is far sighted can ever regret outgrowing one period as we make the most of growing and greater opportunities. Settlement School has its own ideas. Our part is to nourish them, temper them with judgment, put them to work, and encourage the development of every potential urge for human betterment.

At the moment Settlement School confesses to an urge to concentrate upon improving the quality of the School program, give adequate teacher supervision and assistance, enrich the program to make it a real credit to Pi Phi—a model school. It confesses to a compelling urge to spread its wings to include several progressive fields which would materially improve the health of a larger number of people. It confesses to an urge to do something about the recreational leisure time pursuits of a restless, growing community. It is bursting with a will to serve and the way is clearly defined. All it needs is a loving pat on the back and the words, "Do your best, we will lend a hand."

Respectfully submitted,

ETHEL H. COPP

PI BETA PHI SETTLEMENT SCHOOL—REPORT ON AUDIT OF TREASURER'S ACCOUNTS, YEAR ENDED JUNE 30, 1943

August 5, 1943

To the Settlement School Committee,
Pi Beta Phi Fraternity,
Office of Settlement School Treasurer,
Denver, Colorado.

DEAR MESDAMES:

We have examined the books and records of account of the Treasurer of your Committee for the Pi Beta Phi Settlement School for the fiscal year ended June 30, 1943. Combining the data from these records with that furnished by Homer K. Jones and Company, public accountants, from the subsidiary records of the School and Arrowcraft Shop at Gatlinburg, Tennessee, we have prepared the attached financial and operating statements.

In our opinion, subject to the limits of our verification as indicated by the following comments, the accompanying balance sheet and operating statements together with related schedules fairly reflect the financial condition at June 30, 1943 and the changes as a result of the fiscal year's operations.

The following comments are an integral part of this report, and should be considered as such. Analyses are made of certain total figures and an attempt is made to clarify certain aspects of the report for the convenience of the reader, as well as stating the extent of your accountants' verification.

COMMENTS

Cash in Banks and on Hand—\$41,341.65

The total cash consists of balances as follows:

Checking Accounts:

Denver National Bank—Settlement School Treasurer	\$10,707.70
Sevier County Bank—School	582.26
Sevier County Bank—Arrowcraft	6,633.92
Sevier County Bank—Dormitory	72.08
Sevier County Bank—House	229.01

Savings Accounts:

Denver National Bank—Settlement School Treasurer	5,000.00
Bank of Sevierville—Arrowcraft	6,079.43
Morris Plan Bank—Arrowcraft	4,848.30
Hamilton National Bank—Arrowcraft ..	5,071.95
Bank of Canada—Settlement School Treasurer (Untransferable)	62.00
Sevier County Bank—School	2,005.00
Petty cash funds—Arrowcraft	50.00

Total Cash on Hand and in Banks ... \$41,341.65

The balance in the Denver National Bank was verified and reconciled by us and the deposits to the Bank

of Canada for the current fiscal year were verified by direct communication with that bank. The answer from that bank led to the belief that Settlement School funds are not kept separate from other balances. It is suggested that the separation of present balances be made and future deposits kept separate for the various Pi Beta Phi accounts. The balance, \$62.00, is only the current year's deposits and the amount thereof has been included in the income for the year. If there have been previous contributions deposited to this bank, they have not been included in income in previous years. Even though this money is not available for immediate use, it is believed preferable to include such contributions in current income.

Other cash balances located in and near Gatlinburg were verified by the local accountants, the Homer K. Jones and Company of Knoxville, Tennessee. As with their verification of other local assets and operations, we have accepted their verification as satisfactory.

Income Cash and Coupons with Endowment Trustee—\$292.76

The balance of this account is unchanged from that of the previous year as the entire income was disbursed as follows:

Transfers to Settlement School Treasurer ..	\$1,182.94
Trustees' fees	137.81
Total Income	<u>\$1,320.75</u>

The balance is represented by cash and coupons verified by communication with Harris Trust and Savings Bank of Chicago as follows:

Cash balance	\$ 86.51
Coupons on hand	206.25
Cash and coupons on hand	<u>\$292.76</u>

Accounts Receivable—Arrowcraft Shop—\$7,741.68

The accounts receivable balances were not verified by either ourselves or the local accountants. The June 30, 1943 total represents an increase of \$1,031.43 over the total of the previous year. It is understood that occasional reports from school authorities indicate that the individual accounts are for the most part current and collectible. It has just been disclosed, however, that in the case of one alumnae club the payment of the balance was erroneously sent to the Settlement School Treasurer and thereby included in income as a contribution. This occurred previous to the current year, and as the information was disclosed following the balance sheet date, no adjustment is included in this report.

Inventories—\$24,764.70

The merchandise and supply inventories were verified to the extent of extensions and additions by Homer K. Jones and Company according to their report.

Endowment Fund Assets—\$47,146.08

The securities, as shown in Exhibit "A," Schedule No. 2, were certified to be on hand by the Harris Trust and Savings Bank of Chicago. There has been no charge to expense for amortization of bond premiums amounting to \$1,710.05. However, June 30, 1943 market value exceeds cost by \$602.87. Changes

in the Endowment Fund principal assets are shown in Exhibit "A," Schedule No. 1.

Fixed Assets—\$88,073.05

The fixed assets are itemized in Exhibit "A," Schedule No. 3, and show a total cost of \$118,745.79. Depreciation at recognized annual rates, consistent with previous years' practice, has been charged against operations in the current year. No inventory of equipment was submitted to us for verification.

It is noted that the accountant preparing the previous year's report recommended correcting the books to inventory valuation. Since this was not done, we wish to recommend the preparation of detailed lists of equipment together with depreciation reserves to check the presence of the individual items on hand and to verify that the adjusted cost is not greater than present value. It is believed that the conservative "lower of cost or present value" formula is a desirable position, especially in view of the decision to create a replacement fund.

Deferred Charges—\$2,012.61

The prepaid insurance amount was ascertained by examination of the policies on hand and by communication with the holders in the case of Liability and Fidelity Bond coverages.

Other Assets—\$999.00

The purchase of the United States Savings Bonds was for the purpose of separating from other cash accounts the nearest amount of the previous year's contribution for the specific use in construction of a health center.

Surplus Reserves—\$48,231.08

The reserve for the Endowment Fund is equal to the amount of the Endowment Fund principal balance as shown in Exhibit "A," Schedule No. 1.

The reserve for the Health Unit Building Fund was transferred from General Surplus in order to show the specific nature of the amount contributed.

The reserve for the Scholarship was credited directly as the contributions were received as they were "ear-marked" for this specific purpose. It is believed preferable to separate these amounts from operating income so there will be no danger of losing sight of the nature of the contribution, even though the amounts are insufficient currently to justify the creation of a separate cash fund.

Income and Expenses—Settlement School

The inclusion of contributions for specific purposes, with the exception of the indeterminate amount which is transferred to the Endowment Fund, has not been included in income, as noted above, as was done previously. Also, contrary to previous practices, the amount of depreciation on certain assets definitely distinguishable as pertaining to the Arrowcraft Shop has been charged against its profits. Another change in presentation on the report is in the case of the fees charged by the Endowment Trustee. Instead of being shown as a deduction from income the amount is herein treated as an administrative expense. In the accompanying report comparative figures for the previous year have been adjusted to reflect these changes.

The Settlement School operations for the year ended June 30, 1943 showed an excess of income over expenses amounting to \$558.53. Summarized, with comparative figures for the previous year, the results are as follows:

	1942-1943		1941-1942	
	Amount	Per Cent of Total Income	Amount	Per Cent of Total Income
INCOME				
General	\$17,303.65	60.32	\$14,879.27	54.68
Educational	4,135.79	14.42	4,592.86	16.88
Rentals	1,000.00	3.49	1,000.00	3.67
Auxiliary	6,246.49	21.77	6,739.54	24.77
Total Income (Forwarded)	\$28,685.93	100.00	\$27,211.67	100.00
EXPENSES				
Administrative	\$ 1,270.93	4.43	\$ 2,936.91	10.79
Instructional	7,346.54	25.61	8,276.37	30.41
Maintenance and Operation	5,008.82	17.46	5,791.17	21.28
Auxiliary	11,582.37	40.38	13,015.12	47.83
Depreciation	2,918.74	10.17	2,757.15	10.14
Total Expenses	\$28,127.40	98.05	\$32,776.72	120.45
NET INCOME FOR THE YEAR	\$ 558.53	1.95	\$ 5,565.05	20.45

The Arrowcraft Shop operations for the year ended June 30, 1943 show a net income amounting to \$9,581.18, summarized as follows:

	1942-1943		1941-1942	
	Amount	Per Cent of Total Income	Amount	Per Cent of Total Income
Total Sales	\$58,402.98	100.00	\$54,651.28*	100.00
Cost of Sales	30,212.92	51.73	32,871.89	60.15
Discounts Allowed Alumnae Clubs	\$28,190.06	48.27	\$21,779.39	39.85
	5,748.17	9.84		
Gross Profit	\$22,441.89	38.43	\$21,779.39	39.85
Operating Expenses	13,177.67	22.56	13,016.46	23.82
Net Operating Income	\$ 9,264.22	15.87	\$ 8,762.93	16.03
Additions to Income	895.47	1.53	1,460.76	2.67
	\$10,159.69	17.40	\$10,223.69	18.70
Deductions from Income	578.51	.99	57.71	.10
Net Income for the Year	\$ 9,581.18	16.41	\$10,165.98	18.60

* After deduction of discounts allowed alumnae clubs.

Totaling the income from the Settlement School and the Arrowcraft Shop we have:

Settlement School—Net income for the year	\$ 558.53
Arrowcraft Shop—Net income for the year	9,581.18

Total income for the year

This amount is reflected in the balance sheet as follows:

	ASSETS		Increase or Decrease
	June 30, 1943	June 30, 1942	
Cash funds and deposits	\$ 41,644.41	\$ 28,166.27	\$13,478.14
Accounts receivable—Arrowcraft Shop	7,741.68	6,710.25	1,031.43
Merchandise and supply inventories	24,764.70	28,915.07	4,150.37
Endowment Fund principal	47,146.08	46,073.76	1,072.32
Net fixed assets—Expenditures for new equipment less depreciation	88,073.05	90,134.47	2,061.42
Prepaid insurance	2,012.61	2,068.40	55.79
Investments	999.00	—	999.00
Total Assets (Forwarded)	\$212,381.53	\$202,068.22	\$10,313.31
LIABILITIES AND RESERVES			
Taxes payable	\$ 88.60	—	\$ 88.60
Scholarship Fund	85.00	—	85.00
	\$ 173.60	—	173.60
Comparative Totals and Increase of Surplus	\$212,207.93	\$202,068.22	\$10,139.71

The items of income and expenses recorded on the books of the Settlement School were checked in detail to receipts and vouchers. According to their report, Homer K. Jones and Company proved footings and

forwardings of books of original entry and the general ledger of the Settlement School subsidiary records. A test check was also made of purchase and sales invoices.

Recommendation has already been orally made by us to your Committee, through your Treasurer, to examine the advantages which may be gained during this period of uncertainty by carrying a monthly reporting form of insurance for protection of your inventories. We believe that an elastic coverage is

desirable to prevent the overpayment of premiums when there is a shrinking inventory and avoid an undercoverage when the inventory is increasing.

Respectfully submitted,
BALLIN, MILSTEIN AND FEINSTEIN
By R. Willard Orr

Committee Reports

COMMITTEE ON EXTENSION

UPON the unanimous vote of the chapters in Alpha Province East and the members of Grand Council, a charter was granted to Sigma Upsilon Nu of the University of Connecticut, Storrs, Connecticut. Installation took place April 9th and 10th and thus came into being the eighty-fifth chapter of Pi Beta Phi. It is believed to be the largest group which the Fraternity has ever initiated at an installation. The group had a distinguished record as a local and an exceedingly successful rushing season in competition with well established national rivals. This committee feels confident that in this group, Pi Beta Phi has a chapter which measures up to the high standards of the Fraternity.

The Fraternity has been in touch with a local group, Alpha Lambda Mu, at Massachusetts State College, Amherst, Massachusetts, for some time. This group, the first local to be organized on this campus, is anxious to petition for a charter of Pi Beta Phi. The representative who was sent to visit this group in April, reports with enthusiasm that the group and the campus on which it is situated offer an unusually fine field for extension and it is hoped that eventually we shall have a chapter there.

Inquiries which have come from the Valkyr Sorority at Missouri Valley College; Delta Chi Delta at Louisiana Polytechnic Institute; Gamma Phi Sigma at Margaret Morrison Carnegie College, have been met with cordial response. The Administration from Bowling Green State University has approached the Fraternity for the College to learn if we would be interested on that campus before allowing any of the individual groups to approach the national fraternities.

Throughout the years we have had many petitioning groups from Miami University and now a great deal of interest is being shown by the Administration there, as well as by members of our Alumnae, in a local group, Cenacle Club, which is desirous of petitioning for a charter from Pi Beta Phi.

This committee is ever mindful of anything new and interesting which might develop in any of the above groups. Also it wishes to take this opportunity to express its appreciation for the assistance and inspiration from Miss Onken and Mrs. Finger.

Respectfully submitted,

MILDRED BOWERS BALIMAN

COMMITTEE ON TRANSFERS

AS USUAL, in the Fall a form letter was sent to all chapter corresponding secretaries, telling them of the change in Transfer Committee Chairmen and reminding them of the October fifteen deadline for reporting transfers on the proper form.

Most of the secretaries were careful about this, prompt, and really sweet in their introductions. There were reports from all but twelve chapters, telling of eighty-eight girls transferred from forty-three to thirty-eight campuses. Iowa Zeta had the largest number, nine; Illinois Zeta, eight; Illinois Epsilon and California Alpha both six.

By January the material was tabulated and the list of transfers sent to Central Office. A second letter was

sent to the chapters explaining their responsibility towards transfers and reviewing briefly the rules for affiliation. The transfers themselves also received letters explaining their status. The local Advisory Committee member in charge of transfers at each campus where girls had transferred was sent a list of the girls on that campus and asked to organize them if there were more than three. In addition the Province Presidents were told what had been done and asked to get in touch with the transfers upon their visits to such campuses.

Respectfully submitted,

KATHERINE HOSMER

HOLT HOUSE COMMITTEE

DURING this year Holt House has been made more complete and has served more widely. It has been the scene of Red Cross knitting weekly, of faculty gatherings, rushing, pledging, initiation, Settlement School sale, and entertaining.

The house has had a coat of paint. Ida Jamieson Mattias, Washington A, and her family have loaned some of the ancestral furniture of the Jamieson family of Monmouth. The college has loaned a grand piano for the duration. The Settlement School sent as a gift, a lovely cream hand woven coverlet and towels. The Monmouth alumnae have given dishes and goblets and other clubs have sent money for furnishings. Flat silver has been added by using coupons of General Mills. Portraits of Emma Brownlee Kilgore and Fannie Thompson painted by Alice Hyde, Oklahoma A, and presented to the fraternity at its last convention are now in Holt House. They add interest and charm. The Founders' Room and the powder room have been completed. The figurines of the Founders are on display in the historical room. This room is now cur-

tained in flowered chintz. Other displays are being planned for the room by Frances Rosser Brown.

Mrs. Cary, the hostess, has been receiving guests and giving meticulous care to the house. As the planting grows, the yard is becoming more attractive. Mrs. Cary has a victory vegetable garden.

The committee has lost through death one of its original and most helpful members, Adeline Barnum of Monmouth. The Monmouth club has selected as its member Mrs. William Bohan. Mrs. Dallas E. Perfect of the Milwaukee club has carried on as treasurer for Florence Butler who resigned.

The cooperation of Miss Onken, Mrs. Smith, the other members of Grand Council, the Province Presidents and Province Vice Presidents has been most helpful. The Committee is planning for Holt House for the coming year. And it looks forward to the time when all members of the fraternity can visit this birthplace of Pi Beta Phi.

Respectfully submitted,

LORETTE CHAPMAN TERRELL

COMMITTEE ON SCHOLARSHIP 1942-43

THE committee is pleased to announce the highest general average for scholarship ever made by the Fraternity. Four years ago the average was 23.61, three years ago it was 25.69, two years ago it was 25.26 and this year it is 27.18 out of a possible 40.00. This improved standing is held because 46 chapters were in the upper third on their campuses and only 10 were in the lower third. Thirteen chapters were first. Three were at the bottom.

The general improvement in scholarship is due to first, the excellent advice and untiring efforts of the scholarship supervisors; second, the careful way the chapter scholarship chairmen have followed this advice and cooperated with the supervisors; and third, the work of the assistant chairman, who drawing on her experience as a successful chapter president has been most helpful to the low chapters. The chairman regrets that a very heavy school program and illness have prevented her from doing all she had planned.

It has been very difficult to get reports in this year. Conditions on campuses have been very unsettled. College offices have rightfully felt that computing comparative ratings was second in importance to keeping records on trainees for our armed forces. The Scholarship Committee suggests that when a chapter is unable to obtain a comparative rating from the college office they ask the college Panhellenic to make some arrangement for computing the ratings.

"Honors" were reported this year. There seemed to be many more than the previous year, probably because more were remembered by the chapters. The committee wishes to thank the chapters for this response and to ask again that all chapters try to turn in early in the fall the names of all members receiving scholastic honors since the previous September.

The committee has been most appreciative of Grand Council's action in awarding the scholarship ring to

each chapter. It seems to have been a real incentive for improved scholarship. All chapters applied in time for it except Indiana A, Georgia A, Oregon A, California I, and Utah A.

The committee wishes to express to Grand Council their gratitude for the inspiration of working with them and to thank all members of the Fraternity who have by their assistance contributed to the improved scholarship.

COMMITTEE ON FRATERNITY STUDY
AND EXAMINATION

THIS year I have tried to keep the work of this committee as simple as possible so as not to hamper the war activities of its various members. We have carried on only the necessary correspondence although I have tried to answer every letter requesting assistance or information by return mail.

We still have complaints that pledges have to neglect their academic work to learn the chapter roll and other fraternity information. We have attempted all year to stress the matter with pledge supervisors of giving this information gradually over a period of weeks so that there will be no need for last minute cramming.

I should like to suggest that Central Office attempt to find out the name of the alumna in charge of the

Active Chapter Examination, by return post card mailed to active chapter presidents after January 1, and then send the numbers of the questions to be selected and other material concerning the examination directly to this alumna rather than to the chairman of the advisory board. There always seems to be a slip-up in getting the material into the hands of the alumna in charge of the examination, every single year.

I wish to thank Beatrice Purdunn for her great help to me all this year during all the confusion of changing my address just at the time when annual reports were due.

Respectfully submitted,

GLADYS R. FINCH

COMMITTEE ON UNDERGRADUATE LOAN FUND

I WISH to submit the following report of operations of the Loan Fund for the year 1942-1943—

Loans made 1942-1943\$1,378.00
Repayments on Loans 6,479.50
Interest paid on Loans 397.22

Contributions

Active Chapters 497.21
Alumnæ Clubs 702.25
Tenn. A Mothers Club 7.50 \$1,206.96

Outstanding Loans—Undergraduate

Past due loans\$ 4,898.12
Loans due in 1943 2,653.50
Loans due in 1944 3,280.40
Loans due in 1945 1,700.00
Loans due in 1946 463.00

Total Undergraduate\$12,995.02
Graduate Loans \$ 1,250.00

Few loans were made this year. Detailed list of contributions from Chapters and Clubs is attached.

Sincerely,

JOSEPHINE MCCLEVERTY

COMMITTEE ON SOCIAL EXCHANGE

IN SPITE of war conditions the Committee on Social Exchange is happy to announce that the material sent in by our actives has not only been up to previous standards, but in the case of the new Rushing Bulletin it far surpasses anything done during the present Chairman's term of office. We have 74 contributions this year as against 48 last year. The style of writing has improved 100%, so much so that 36 articles are being published in the new Rushing *Bulletin* just as they were written. And it is interesting and refreshing to note that where University authorities have limited time and expenses for Rushing parties the actives have made up in cleverness of planning. Also it is encouraging to note that whereas two years ago the Cup for Cooperation was awarded because the chapter outlined its whole Rushing season, this year practically all chapters did the same and many sent in extra parties given for Pledges, Seniors, and simple chapter Get Togethers.

Now for the awards—the Cup for Cooperation goes to Colorado B for neatness of presentation, on theme used that of a Pan American week for the whole Rushing season, a theme so timely at present, and clever and patriotic Homecoming sign. Honorable Mentions are Washington A, and Louisiana B.

The Cup for Outstanding Stunt goes to Illinois E for her clever Historical Jingle which ends with Andrew Jackson saying

"My Mother was a Pi Phi boys, March on!"

Honorable Mention in Stunts goes to Louisiana B for her Drug Store Tea, Wyoming A for her Patriotic Skit and Washington A for her description of Homecoming and Illinois H for her Homecoming parody on "The worms crawled in" the idea of which was taken from Utah A's Homecoming contribution to the 1942 *Bulletin*.

Other Honorable Mentions are Missouri A and Florida A for original songs and Texas A for the most suggestions for table decoration. For the Social Exchange Hall of Fame of Perfect Chapters we present Massachusetts A, Ohio B, Ohio Δ, Virginia A, Virginia Γ, Michigan B, Indiana A, Indiana B, Indiana E, Missouri A, Missouri B, Missouri Γ, Kentucky

A, Tennessee A, Tennessee B, Florida A, Alabama A, Florida Γ, Wisconsin A, Wisconsin B, Wisconsin Γ, Illinois B-Δ, Illinois E, Illinois H, North Dakota A, Minnesota A, South Dakota A, Nebraska B, Kansas A, Kansas B, Colorado A, Colorado B, Wyoming A, Arkansas A, Texas A, Idaho A, Washington A, Oregon A, Oregon B, California A. We also present two perfect Provinces—Iota with 5 chapters with a grade of 10+ and 2 chapters with a grade of 10. Epsilon with 4 chapters with a grade of 10+ and two chapters with a grade of 10. Next in high Provinces is Eta with an average of 9 $\frac{3}{4}$.

The material sent in to be used next year reflects the spirit of the times—Homecoming Floats and House Decorations are replaced by Scrap Drives and Stamp and Bond Sales. One of the cleverest, Colorado Beta's, had 600 tin cans wired to represent a football and in the center a child's automobile with this caption

Though my motor's gone
And my tires are shot
I'm in this drive
With all I've got

And one can't help being thrilled with sentiments as expressed by Washington B. "We missed the signs, but we had something in their place that meant more to us—the University of Washington student body united doing its bit to help win this War."

Our new column, which will make its bow in the fall Homecoming *Bulletin*, Parties for Soldiers, has had mention or contribution from practically all the chapters sending in material.

In closing the Chairman wishes to thank all the Supervisors and Chapter Chairman for their fine Cooperation in these difficult times and those many chapters who sent in programs, pictures, and place cards and spoke so warmly of their use and appreciation of our *Bulletins*. May we take the liberty of saying to all Pi Phis "If you want to know what the Actives are planning and thinking for Homecoming, Rushing, and Founders' Day, please read our *Bulletins*."

Respectfully submitted,

FRANCES K. JEFFRIES

THE NATIONAL COMMITTEE ON WAR WORK

[A letter sent out to all clubs and chapters in the Spring here replaces a regular report from this committee.]

YOUR Committee on War Service takes pleasure in announcing that we have set our approval upon the granting of scholarships for the study of Physical Therapy, as a very important War Project for all Pi Beta Phis to sponsor—and to consider as our own work.

Announcements have gone out to Deans of Women, on all campuses where we have chapters, to the effect that ten scholarships in the amount of \$400.00 each are immediately available to qualified college women between the ages of 20 and 37. The amount of the scholarship is to be used as the beneficiary sees fit, either as tuition, or as living expenses, or as both.

The need of a great number of Physical Therapists especially by the Army has been stressed by the Subcommittee on Physical Therapy of the National Research Council. Nurses, so sorely needed where they are, are no longer released for training in PT work. An emergency course of six months, followed by six months at a governmental hospital, is now being offered at a number of accredited schools. Our scholarship girls may of course make application for enrollment at any qualified school that they choose, in the United States or in Canada.

Applicants will be recommended to the Pi Beta Phi War Service Committee Chairman by the Deans of Women, or by other persons in positions to speak authoritatively of applicants. Required qualifications of the candidate include:

1. Age, within the limits as stated above.
2. Two years of college work including at least a year of Biology, which may be any of the biological courses.
3. Ability to pass the physical examination, including the standard requirements for blood, vision, etc.
4. Height—5' 2", minimum.
5. Duration of service—to include not more than six months after the close of the war.

In order to make an immediate offer, Grand Council upon the recommendation of the Committee on War Service has made immediately available a sum of \$4,000.00 appropriated from the Contingent Fund. This sum we shall all want to supplement if the demand for scholarships exceeds that amount in a very large number, as we naturally hope it will. According to the latest available figures from the Army, the need for these Physical Therapists is most acute, rising to

well over a thousand. This is a field that has not been entered by organizations like our own, and one whose acute needs we can do much to relieve by financial help to girls qualified but unable to finance the training period.

It is the consensus of opinion of the Committee that every Pi Beta Phi will want to do her bit for this fraternity project. As you know, we gave \$5,000.00 to the American and Canadian Red Cross in 1940, by vote of Convention. This was a most generous gift, and probably one of the first such gifts by a women's fraternity. However, it was not a project which we all worked to support. Nor would the present fund of \$4,000.00 represent actual individual effort of Pi Beta Phis. We want you to continue to work through local agencies, as your questionnaires show that you are doing. To support our Physical Therapy project should not mean giving up any work you are now doing. We shall leave the decision to you as to the amount of money you will want to give to the Pi Beta Phi Physical Therapy Fund. We should like it to represent at the least, one dollar for every active and alumna Pi Beta Phi. This is a very small amount when considered in the light of the reconstructive work which these Physical Therapists, trained by help of that dollar, will give to your dear ones who come back from the war to spend perhaps years in hospitals, depending largely upon Physical Therapy for relief, if not cure.

Dr. Frank Krusen of the Mayo Clinic is Secretary of the Subcommittee mentioned above and I wish to quote from a letter I received from him after writing

him about our decision:

"I was delighted to hear that your fraternity had decided to set up a number of scholarships available for college women for training as physical therapy aides. I feel very certain that you will be able to accomplish a great deal of good by granting these scholarships.

"Every one of us who is interested in seeing that an adequate supply of physical therapy technicians reaches our military hospitals will be delighted to know of the magnanimous plan of your fraternity.

"If I can be of any further assistance to you, please advise me.

Very truly yours,
(Signed) Frank H. Krusen."

We realize that this announcement comes after college closed in many places, but we hope that you chapters and clubs who still are meeting this spring will have very fine announcements to make to us in return as to help you want to give this splendid Pi Beta Phi project. If any Pi Beta Phis are interested in applying for these scholarships, we shall naturally be most happy to give their applications serious consideration, but the scholarships are offered not to Pi Beta Phis exclusively. Please consult your deans of women for more specific data on requirements.

Sincerely yours in Pi Beta Phi,
GERALDINE MARS RISTINE (Mrs. L. P.)
Chairman, Committee on War Service of Pi Beta Phi,
400 East Washington Street
Mt. Pleasant, Iowa.

COMMITTEE ON FRATERNITY MUSIC

OUR committee sends greetings to all Pi Phis. We want you to know that we are holding all of the songs sent in since the last convention for our next contest. We will welcome any new song any time that you can send one in. Get your new girls to write new songs!

We have been thinking of a way to exchange songs between chapters. It has been suggested that we com-

pile a pamphlet of the most popular parodies from all over the country. A letter will be sent out in the fall to all of the chapters announcing the plans for this mimeographed song sheet—be watching for it.

There are 175 song books in the Central Office which are sold for fifty cents, plus postage. You can order one through the Director at any time.

MARGARET L. KELLENBACH

COMMITTEE ON HOUSE BUILDING AND PLANS

THE Committee on House Building and Plans has not functioned the past year. The fact that building materials have been frozen for non-essential house construction has been the cause of this condition. The chapters have been able only to have minor repair work done, in addition to painting and repapering. The chairman of this committee wishes to urge that when the war is over and when materials and labor are available, the chapters take time to consider their needs and not rush into house improvement or build-

ing just because it is possible. Materials will probably continue to be very high in price, and it is possible, also, that at first they may be of inferior quality.

The chairman wishes to express sincere appreciation of all the kindnesses shown her and is especially grateful for the consideration shown her by the members of Grand Council.

Respectfully submitted,

DOROTHY HILL THRASHER

COMMITTEE ON PUBLICITY

THE newly appointed chairman of the Committee on Publicity believes that the Committee will function efficiently and with the least effort if definite dates for correspondence are set down in a yearly calendar. Regular times for correspondence seems to be the best way to assure the Fraternity of a working committee. If all officers on the Committee feel that they have a definite responsibility to their active chapter and alumnae club chairmen, with certain times for check-ups as designated on a calendar, eventually chapters and clubs will be made publicity minded.

The new Publicity Manual which is about ready for publication and which will contain a calendar for correspondence, should be a definite help to committee members and to club and chapter publicity chairmen.

In September, all active chapters will receive letters stating the type of publicity that is wanted, urging

them to read and use their new *Manuals* and to cooperate with us in the use of the Calendar. Yearly correspondence with Province Chairmen will begin in September, also.

The chairman does not wish to make the work on this Committee a burden for she well knows the number of hours each day that are consumed in war work. But unless the Committee is a working group it certainly is no credit to the Fraternity. Therefore all committee members are asked to be prompt in their replies with letters brief and to the point; they in turn to ask the same of their club and chapter publicity chairmen.

The chairman is looking forward to the renewal of old Pi Phi friendships and to the making of new ones. Let's be a credit to the Fraternity.

Respectfully submitted,

ELVA AYLER COWAN

COMMITTEE ON CHAPERONS

THE feeling of individual responsibility to definite war work is no doubt why fewer women than usual have applied this spring for the position of chaperon; it is, however, gratifying that those applying have seemed interested in the work for its own sake—not just in the position as a job. At a recent conference between leaders of industry and of college, the former valued the superior work college women are doing, but asked emphatically that colleges train for a sense of emotional stability and of moral obligations. Who has greater influence for developing these two fine qualities than have our chaperons, living as they do with a group of college girls as a family? Such influence contributes to winning the peace as well as the war, since these girls, in turn, influence the life of future communities.

Last September, the Fraternity welcomed ten new chaperons—not counting our new Indiana Epsilon whose chaperon had served four years with another of our chapters. It speaks well for us that among our fifty five chapters maintaining Houses, there are few changes each year. Thirteen now serving have been with us at least nine years; eight of them, now

getting close to almost twice that number. Longest records are held by Miss Fleming who retired three years ago from Illinois Z and Miss Lockett who retired from Illinois H last September.

A bit of regrettable news is that Training Schools for Chaperons are discontinued this summer. The Fraternity hopes that it is only for the Duration; when they function again they will be enthusiastically welcomed for they train in dormitory life as well as in the profession.

This committee is thankful that our chaperons have as guides and moral support, our *Bulletin* on Relations between chapter and chaperon, our House Rules and Rules for Chaperons—they are definite helps in knowing what is expected from the position. As a Committee chairman, I appreciate our *Leaders Digest*—a veritable tie that binds us together under heavy responsibility if we are real "leaders." To Grand Council for never failing support and encouragement, I am deeply grateful.

Respectfully submitted,

JESSIE LOCKETT

Reports of Province Presidents

ALPHA PROVINCE EAST PRESIDENT

How heartening it is in the midst of war and all its strife, that we can look back over the year and say with honesty that our Fraternity is carrying on not only successfully but with splendid inspiration to its members and chapters which, in turn, have completed another successful, happy, and constructive year!

The chapters all participated in local war work organizations or assumed individual responsibilities. Among the work done was air-plane spotting, surgical dressings, hospital work, donating blood, helping at the Blood Donor Center, and knitting. All the chapters have a War Service Chairman who is on the watch for opportunities. Most of the chapters cut down or entirely omitted the formal dances to replace them with less expensive affairs, but this seemed to increase rather than decrease the fun and appreciation of holding the dance. Conditions on campuses vary, but every campus has, or is soon to have, men from the armed forces using the facilities of the college for training. In some cases this has meant moving the girls from dormitories to men's fraternity houses which were on the verge of being closed and the women's dormitories have been taken over by the services.

Because of the cancellation of Convention last year and the keen disappointment to the province in not being able to participate on a large scale in a convention right in our own province, the idea of a conference of chapter presidents seemed worthy and feasible. After much corresponding, a two-day conference was held August 22 and 23, 1942, at the Pioneer Hotel in Boston. Alternates had to be found for two presidents who finally could not make arrangements to be there but these girls were very able delegates and contributed a great deal to the conference; one of the alternates is now president of her chapter. Schedules were carefully planned so that discussions could be held on rushing, pledge supervision, extra curricular activities, chapter finances, and other chapter problems. Massachusetts A, the Boston and Hartford Alumnae Clubs were very thoughtful hostesses and made our week-end a delightful affair. A complete report of the conference appeared in the March issue of the ARROW. As the group was small and the problems similar, a great deal of ground could be covered and the delegates seemed to be enthusiastic about the benefits of the conference. It seemed to be the unanimous opinion that a conference of that type could be held perhaps regularly (in peace time) with undoubted advantages. Although we were unable to have any national officer in attendance, with the help of Erminie Pollard, Province Vice President, it was possible to give the delegates a national aspect through the interest of alumnae and talks on national projects.

The province has been keenly interested in and, subsequently, thrilled and proud to welcome $\Sigma T N$ at the University of Connecticut as Connecticut A of Pi Beta Phi. A get-acquainted visit was made in January by me and a representative of each chapter in the province and not only did we have an exceptionally pleasant visit but we left Storrs happy to be able to take back to each chapter glowing reports of the petitioning group. At the time of installation each chapter, with the exception of Nova Scotia A, was

represented at Storrs—Halifax presenting too many difficulties for a second trip in a war year. Maine A and Vermont B sent a representative at the chapter's own expense and the Fraternity itself sent a representative from each of the two nearest chapters, Massachusetts A and Vermont A. Vermont A also sent a second delegate at its own expense so the province was well represented. The fine reports these girls made to their own chapters and the inspiration each delegate carried to her chapter more than justified the expense and difficulties involved in travel. The visits served not only to acquaint each chapter with the matter of extension on a new campus but challenged each chapter to live up to a splendid new chapter as well. A big factor in any such opportunity for representatives of different chapters to get together and to meet national officers is the resulting exchange of viewpoints and appreciation of Pi Beta Phi and its splendid ideals.

None of the chapters in the province had a visit from a National officer this year, next year being the regular year for visits to this province. My visits were made early in October to Nova Scotia Alpha, mid-November to the two Vermont chapters and Massachusetts A, and the middle of April to Maine A, the latter visit being postponed because of an unexpected operation.

We started the year with three chapters in first place in scholarship on their campuses—Maine A, Nova Scotia A, and Vermont A. At the middle of the year the new chapter, Connecticut A, also was first on its campus and Maine A was again first, having raised its average to 2.85. This gives Maine A a record unparalleled in the province—first place with one exception for six successive semesters! Panhellenic is presenting a scholarship cup on the Maine Campus and Pi Beta Phi will be the first to have it. Nova Scotia A does not get results in the middle of the year but had fine individual results. Vermont A dropped a third place by a close margin and the other two chapters are trying hard to bring up their averages. We are a very proud province with the following scholastic honors: Maine A—Phi Kappa Phi, Phi Beta Kappa, 3 Omicron Nus, 5 Sigma Mu Sigmas; Nova Scotia A—only 1 failure in 1 course at December, one girl with 5 "firsts" out of 5 courses and two others with 3 out of 5. Vermont B—Phi Beta Kappa, Omicron Nu, summa cum laude; Massachusetts A—2 Phi Beta Kappas; Connecticut A—3 Gamma Chi Epsilons and 4 of 5 seniors took the examinations for distinction.

Activities as usual are a source of pride, the most outstanding for each chapter being: Maine A—All Maine Women, Senior Music Award, President and two members of Mu Alpha Epsilon (Honorary Music), All Maine Hockey; Nova Scotia A—two of only three girls elected to the Students Council, President Glee Club, an honorary "D" awarded by the university for work in general activities (this was the only one given on that basis), life treasurer of the class of '43, Secretary Delta Gamma, 2 members of Midlothian; Vermont A—VP Women's Forum, Sophomore Panhellenic Scholarship, First Prize in Public Speaking, Manager Debating, Secretary WAA, two class treasurers and a class president, Mortar Board Cup to most outstanding Sophomore, Portland

Club Sophomore Award, 2 members All Midd Basketball Team, 3 members All Midd Volley Ball Team, 2 WAA jackets for 1000 points in Athletics, member Skyline, Chemistry prize for the highest grade in the course for seniors, Secretary Student Union, 3 member's Who's Who, 4 members Judicial Council, 4 members Student Assembly; Vermont B—4 members Bluestockings, 4 members Staff and Sandal, 4 members Sophomore Aides, 3 members Mortar Board including President and Secretary, Student Government Executive Committee, Secretary-Treasurer Outing Club, Assistant Director and Secretary of Freshman Camp, Assistant G.S.O. Leader, VP Panhellenic, President YWCA, VP WAA, Freshman and Senior representatives and 3 Chairmen WAA, VP Students Council, Office Manager and 6 Editors CYNIC, Co-ed Major, President and Conference President International Relations, 4 Who's Who; Massachusetts A—Gamma Delta Girl, Co-ed Colonel, VP Panhellenic, Captain Volley Ball, 2 members Eta Delta Pi, 1 Chemia, Phi Nu Epsilon, 4 members YWCA Cabinet, 3 members University Defense Board, 1 member International Relations Club Board; Connecticut A—At the time of petitioning these honors were held: Presidents of WSGA, University Christian Assn., Inter-faith Council, Education Club and Archery Club; VPs of University Christian Assn., Education Club, Home Economics Club, and Varsity Club; Secretary of Varsity Club, WAA Council, WSGA Council, University Christian Assn., 4-H Club; Secretary Treasurer Grange, and Treasurer of WSGA Council and Archery Club; House Chairmen Harvey House and Manchester Hall; member Gamma Chi Epsilon, 2 Who's Who, 3 Laurels (similar to Mortar Board), President New England WSGA, State Archery Champion, Band Majorette, New honors—Secretary Student Senate, National Archery record, President Chemistry Club, President and 2 members Laurels, President and VP Home Economics Club, VP and Secretary-Treasurer Gamma Chi Epsilon.

Rushing systems have remained about as usual—Maine has a quota of 15, Boston University a quota of 8 but an additional 2 were allowed, Middlebury has a quota of 11, and there is talk of putting in a quota system at Connecticut. Dalhousie and Vermont have no restrictions. Preferential bidding is used everywhere except at Dalhousie and Connecticut but the latter will install it next year. Two thirds of the pledges were initiated and we hope to better this next year.

A great deal of valuable assistance was given by the members of the Alumnae Advisory Committees. Many hours of work were put in helping the chapters in many ways. Reports from the chairmen of the

committees in letter form were very useful to me and helpful to the chapters. I should like to take this opportunity to thank all these loyal Pi Phis and to tell them how very much their work is appreciated.

Connecticut A will probably rent a larger house next year, the one they have now holding only about 18. Miss Judson at Storrs and Mrs. Rutledge at Vermont B are both fine women and fondly thought of by the girls. We are fortunate in having them as Pi Beta Phi chaperones. Nova Scotia A again this year had to meet at the homes of the Halifax actives. Vermont A and Maine A have the same arrangement for rooms as previously—the former having rooms in Battell Block in Middlebury and the latter a room for meetings in the basement of Estabrooke Hall. This room is used by other groups during the week so it is not possible to fix it up as a Pi Phi room. One very small closet-room also in the basement of Estabrooke is set aside for the archives of all the five women's fraternities at Maine and this is proving to be inconvenient and inadequate. It is better than nothing however, and more than was available until Estabrooke was constructed. We hope that sometime in the future better accommodations can be secured.

Finances have been well handled and each chapter is ending the year with a satisfactory bank balance. All but one chapter used the Magazine Agency and every chapter was 100% in contributing to the three national projects of the fraternity—the first time this record has been achieved by this province for at least five years. Next year perhaps we will be able to make the same statement include the Magazine Agency.

The Province Amy Burnham Onken Award went to Janet Hackwell of Vermont B and the Sophomore Award, given by the Portland Maine Alumnae Club, to Dorothy Laux of Vermont A. Other girls honored by their chapters as nominees for these awards were: Maine A, Lois Savage and Phyllis White; Nova Scotia A, Mary Boswell; Vermont A, Virginia Wynn; Vermont B, Constance Pratt; Massachusetts A, Anne Swift and Eleanor Rinehart.

The addition of a new chapter has made this a year to be remembered and every chapter is looking forward to another year of happiness and pride in Pi Beta Phi.

My sincere gratitude goes to every member of the Alpha East chapters for their splendid cooperation. They are in themselves an inspiration to an officer. That the same kind of cooperation exists on every side—from every national officer, every committee member, and from every Pi Beta Phi—makes the work of a province president a constant joy. My thanks to you all for the help you have given me. I'm so glad I'm a Pi Beta Phi!

HAZEL SAWYER EVERETT

ALPHA PROVINCE WEST PRESIDENT

THIS past year has been a most interesting and enjoyable one. The new friendships and contacts I have made during my first year as Province President have made my work an enriching and thrilling experience. Although many changes and readjustments have been necessary due to the war, the chapters have carried on their regular activities pretty much as usual. On the Canadian campuses every girl must put in four to six hours a week at various war courses. Social activities have been greatly curtailed. All five chapters have been doing war work. New York A and New York Δ contributed one hundred per cent

to the Victory Loan. New York A had victrola music instead of an orchestra at their Christmas formal and put the money saved into a war bond. New York Γ has been knitting for the Red Cross. The members of New York Δ have been making surgical dressings. Many of the members of New York Δ, Ontario A, and Ontario B have been blood donors. All are working on the various war projects on their respective campuses.

All my chapter visits were made in November and were most enjoyable. The Deans of Women praised the Pi Phi chapters highly for their cooperative spirit

and their leadership.

Four chapters maintained houses this year. The three New York chapters own lovely houses, and Ontario B rents a large house. Ontario A rents three rooms in their former house, which has been taken over by the woman who has been their housekeeper for years.

There were no serious scholarship problems in the province this year. The scholarship chairmen with the help of the Alumnae Advisory members on scholarship have stressed study and study methods, and have instituted several excellent plans for raising grades. New York I holds second place on its campus. There are seventeen members of scholastic honoraries in the province.

The three New York chapters contributed to the magazine sales, with New York A heading the list.

The Amy B. Onken Award for this province was won by Margaret Stock, president of Ontario A. Margaret is an exceptional student, and a fine leader, and has contributed much both to her fraternity and her university.

As the contributions to the various funds were not sent to me because of war regulations I cannot at present report on these contributions. Fifty-one seniors have paid senior dues.

The extra-curricular achievements in the province have been outstanding. I will list some of the most important ones. New York A has the first vice-president of Women's Student Senate, two members of Eta Pi Upsilon, including the president, co-chairman of the Winter Carnival and a member of the Queen's court, junior women's editor of the *Daily Orange*, president of the Dramatics honorary, five junior guides, two members in Who's Who in American Colleges, the only freshman member of Women's Student, sponsor of the Pershing Rifles (the ROTC honorary), and Junior Beauty at the Junior Prom. Next year New York A will have the president of the Women's Athletic Association, four senior guides, and one junior guide.

Two of the members of New York I were tapped for Kalon, three are in Who's Who. This chapter also holds the following offices—editor of *Hill News*, coed editor of *Scarlet Saint*, art editor of *Scarlet Saint*, vice-president of Thelomathesian (student government), vice-president and secretary of the Women's Athletic Association, coed editor of the Year Book,

chairman of War Work, and a member of the Queen's court at Winter Carnival. Next year this chapter will have the assistant editor of *Hill News*, the president of the Women's Student Government, and every office in the Women's Athletic Association. At the end of this year they had three more of their members tapped for Kalon.

New York A has the chairman of the War Chest, chairman of the Willard Straight Bureau of Recreational Interests, women's chairman of Cornell for Victory Committee, and three on the staff of the *Cornellian* (yearbook). Next year they will have four of the offices in the Women's Student Government. This chapter also has a member of Mortar Board.

Ontario A did particularly well in athletics this year. The director of Women's Athletics is a member of this chapter, and nine Pi Phi won Athletic Awards. They had the Personnel Director of University Follies, the secretary of the Women's Undergraduate Association, and an executive of the International Student Service. The Moss Scholarship, awarded on a basis of scholarship, extracurricular activities, and personality was won by a Pi Phi. Next year this chapter will have the president, secretary, and third year representative of the Women's Undergraduate Association.

Ontario B has four members of the Student Administrative Assembly, secretary of the University Student's Commission, executive members of the Player's Guild, the Orpheus Society, and the Women's Council. This spring two of the three girls chosen for the Honour Society were Pi Phi. In the spring elections eight of the fourteen available offices in student government went to Pi Phi.

The Alumnae Advisory Boards have been a continued help to me and to their respective chapters. They and our fine chaperones deserve our appreciation and gratitude for their loyal support and unceasing service to Pi Beta Phi. I should also like to mention the fine work of the chapter officers whose cooperation and efficiency have made my work so pleasant.

I am very grateful to Grand Council, and particularly to Miss Onken, for their patient help and guidance, during my first year as Province President of Alpha Province West.

Respectfully submitted,

ELIZABETH MURRAY

BETA PROVINCE PRESIDENT

WHEN we sit down to contemplate the year just past and to make an effort to summarize its history, in Beta Province particularly, we realize how much can never be written. This year has been, of necessity, one of increasing problems and of disturbing changes. Almost every campus in the province now has its quota of trainees, either for the Army or for the Navy. Opening and closing dates have been changed, extended terms have been planned, and strenuous social and war service activities have been added to an already heavy extracurricular load. In addition, the girls have been asked to face the anxieties that must come when separated from loved ones who are a part of the armed forces at home and abroad. Thinking upon this, with the knowledge of what they have done, we feel strengthened in heart ourselves and proud because of the example they have set in courage and accomplishment. Each chapter has been a leader in true Pi Phi originality and dependability.

As one of the girls has said, it was difficult to study this year. But, there was the other side of it too. One needed to feel busy, and more than that, to feel that we were doing our job as well as we could. We are disappointed in not being able to report any first places in scholarship for this year, although Pennsylvania B held it last year and enjoyed the Cup during the beginning months of this year. Two chapters have reported that their campus authorities have discontinued determining comparative ratings. It is impossible to give a true picture of the work on this account but we know that general scholastic attitudes have been constructive and in no instance did we find a chapter casual about its scholastic record.

This has been a good year in the province in extracurricular gains. It is difficult to mention any here and not give credit to the many who have helped to create a really fine record for their chapter and province. Pennsylvania B has Louise Terrett as the new president of Mortar Board and newly elected to

Phi Beta Kappa. Phyllis Waide, chapter president, is also a member of Mortar Board. Three Pi Phis are included in the twelve girls who are to live in the Senior Honor House next year. The retiring president, Dorian Smith, has a place in the Beauty Section of *L'Agenda*. Pennsylvania Γ is proud of Mary Mackie, newly elected Phi Beta Kappa. They had three out of the five beauties in this year's annual. Ohio B has had the presidency of W.S.G.A., held by Carol Mesenberg Jones and at present is represented by the treasurer, the sophomore secretary, the junior and the sophomore town representatives. Five Pi Phis made Mirrors and one Chimes, while Martha Adams, new chapter president, has just been elected to Mortar Board. Jean Kelly is Makio Queen and Jan Underwood, May Queen. Ohio A is proud of Ruth Hammerle, recently elected to Mortar Board and recipient of the Chi Omega Economics award, and president of Psi Chi. Jacqueline McCalla, new chapter president, and Jane Finsterwald are new members of Phoenix. Jane Wright is president of Le Cercle Francaise. Ohio Δ has the presidency of W.S.G.A. (Virginia Lewis), of Y.W.C.A. (Virginia Kostulski), the presidency of two dormitories, and the presidency of three honoraries. The two Virginias are now members of Mortar Board. Rose Elizabeth Heyman has just been presented with the Bomas Analytical Chemistry award for outstanding second-year work and Virginia Kostulski has won second prize for a short story entered in a contest sponsored by the English Writer's Club. West Virginia A has been proud of Ruth Brown who has been the University Band Sponsor. Betty Aronson, chapter president, and Patti Cummins are members of Mortar Board. Patti is vice-president of W.R.A. and Betty is vice-president of Panhellenic. Both girls have been on the senior councils of Y.W.C.A. and W.R.A. and members of Rhododendron. Betty Shanklin and Louise Reeder are new members of Li-toon-awa, sophomore honorary.

Housing arrangements in the province remain the same. West Virginia A has been fortunate in being able to do extensive work in redecorating and improving their house and Ohio Δ redecored part of their apartment during last summer. I would like to speak in high praise of the house mothers in Beta Province. Each one has meant a great deal to her chapter and has given to the girls much more than

the mere routine duties implied in their work. Mothers and alumnae clubs have helped too, by gifts and personal interest in the chapter needs.

There have been some changes in the Advisory Committees—more this year than usual. But no one, touching the work of individual chapters, could fail to realize the tower of strength these loyal members of our fraternity have been to their chapters. In rushing, in organizing of finance, in care and planning for the house and in many other ways of advice and help they have given of their time and concern.

Beta Province is proud of Pennsylvania Γ, now in fourth place in total magazine subscriptions and in second place in per capita amount. Ohio Δ was the first chapter in the province to give 100% to the fraternity projects, early in the year. Other chapters gave as they could, some knowing their gifts must be small but wanting some share in the larger enterprises that make us one. When we remember the many insistent demands upon them this year and know the fine contributions they have made to various war appeals, we value their loyalty to Pi Phi very highly.

Courage for the experiences of this war-time world lies in those several ties that are most precious to us and in associations that are able to give us assurance and faith. Not least among these are those in the fraternity. May I in simple words express a feeling of appreciation that is very deep, to those Pi Phi actives who have cooperated with me in correspondence and in every other way and have made my work so much easier and happier; to the alumnae committees who have been so helpful, and especially to those individuals who have helped me to keep in personal touch through their extra correspondence; and to many fraternity officers who have never failed to assist when called upon. I'm saying "goodbye" to Beatrice Purdunn in Central Office with a lump in my throat, for she has been so fine, always. Miss Onken responds just as quickly and helpfully to the veteran in office as to the bewildered beginner and her service to the fraternity and value to the individual worker cannot be expressed. It has been a privilege to serve the fraternity through another year and to feel so much a part of something so worthwhile.

LUCILE DOUGLAS CARSON

GAMMA PROVINCE PRESIDENT

IN JANUARY Nell Spruce resigned her duties as Province President to accept a war job. Gamma Province misses her wise and capable guidance, though we all wish her well in her new work. Early in February, I accepted the responsibility as president with mixed feelings of fear and hesitancy, even though I was assured by Miss Onken and Nell Spruce that it was not too difficult a job. "Everything you will have to know is in the files," wrote Nell. And so with that assurance and inspired by Miss Onken's comprehensive letters, I started out. To make a long story short, the files which Mrs. Spruce sent to me were lost and have not been found. Needless to say, the loss is irreplaceable to the fraternity and to me, for I had counted heavily upon the past reports to guide and instruct me.

However in spite of these difficulties, I began in April making the official chapter visits, which I completed before the middle of May. Each visit was a joy and a thrill and I am truly proud of Gamma Province for the splendid year's work. Especially was

it gratifying to hear the favorable comments about Pi Beta Phi by the Deans of Women on the campuses I visited.

The chapters all occupy the same quarters as last year. Everywhere chapters spent very little toward redecoration because of the expense. South Carolina A purchased a lovely piano for their room. The girls claim they were able to win the Song Festival because of the piano. It was my pleasure to attend two very beautiful Founders' Day celebrations, one at Virginia A and the other at Virginia Γ. During my talk to the chapter at Virginia A we were caught in a black out. North Carolina A and North Carolina B celebrated Founders' Day together on the Duke campus this year. Next year there will be a few changes. At William and Mary, Virginia Γ, all sorority and fraternity dining halls will be closed. Meals will be served to all students in the college dining hall. South Carolina A writes with great sadness that the university found it necessary to take away all sorority rooms for other uses. At present the chapter

does not know what it will do next year for a room.

Each chapter reported a most successful rushing season. Rushing dates were deferred at Maryland A and Virginia I. Virginia I reported an increase of two in their quota for next year; also they will be able to fill vacancies if members leave school. North Carolina A pledged 47 girls, initiating 43. South Carolina A began the year with only 8 actives. After hard work on part of each girl, the chapter overcame this difficulty splendidly, finishing the year with 25 actives and 5 pledges.

This year war work became of vital importance to all chapters in Gamma Province. It was most interesting to see how splendidly each chapter had cooperated with college and community programs. At District of Columbia A the student government coordinated all war activities. Maryland A contributed \$200 for the furnishing of a room in the recreation center at Edgewood Arsenal. Many of the girls donated blood regularly to blood banks. At Virginia A, Virginia I and North Carolina B there were surgical dressing rooms on the campus, where the girls helped in this Red Cross activity. North Carolina A enjoyed looking after Navy children one afternoon a week so the mothers could do other war work. South Carolina A and North Carolina A helped entertain the Navy cadets on their campuses. All the chapters helped at USO centers. Most of the chapters have purchased war bonds. One chapter requires the buying of a war stamp for tardiness to meetings. At North Carolina B, Barbara Jarden, president of the chapter this past year, organized the COGS (College Organization for General Service) as an all-campus, war-work activity. Not only are Gamma Province Pi Phis serving as chapters, but they are also serving individually. Several members have joined various branches of the services—as SPARS, WACS, WAVES, and nurses. Kathleen Curtis of North Carolina B and Jacqueline Fowlkes of Virginia I will begin this month to serve our government in a capacity about which they are not at liberty to tell us much.

Activities were again excellent, each chapter having good activity requirements. There are in Gamma Province many girls prominent in campus positions: chairmanships, social activities, athletic events, May Courts, honorary fraternities, and many other honors. Again on every campus we had elections to Mortar Board or its equivalent. Virginia A had the president of Student Government; Virginia I, the president of Mortar Board, and D.C. A, the treasurer of Mortar Board. Maryland A has the chairman of College Spirit Program which sponsors orientation week. At Virginia A, Frances White, who was president of the sophomore class, was elected president of the

rising junior class—an election particularly unusual in that this has happened only twice before in the history of the college. Five chapters were represented in *Who's Who in American Colleges and Universities*. In the May Court of 14 at North Carolina B, six were members of Pi Beta Phi. Four Pi Phis were in the May Court at South Carolina A, and one of Virginia A.

The Amy Burnham Onken Award for the province was won by Katherine Black of Virginia A. Kitty has made an unusual contribution to her chapter and her college. She won almost every honor on the campus, and her merit deserves this recognition. She was one of the 30 students chosen by Sir Norman Angel to participate in the Institute of World Affairs, which will be held under the auspices of the Students International Union. The six other girls nominated by their chapters were in the true sense of the word fine examples of the standards set by the requirements for this honor. They were: Frances Lee Flynn, Maryland A; Charlotte Patterson, D.C. A; Jacqueline Fowlkes, Virginia I; Julia Mebane, North Carolina A; Kathleen Curtis, North Carolina B; and Doris Nash, South Carolina A.

In scholarship Gamma Province has one first place—North Carolina A has ranked first on the campus for the past seven years. Three chapters held third place; one tied for fourth place; and one has ninth place. The seventh chapter was not rated since such listings have been discontinued at that institution. Four chapters had members elected to Phi Beta Kappa; two chapters had members elected to junior scholarship societies. The scholarship chairmen are all conscientious and are eager to improve scholarship in their chapters.

Chapters in the province were visited in the late fall by Mrs. Finger, Grand Secretary. Her presence and her helpful advice were greatly enjoyed and appreciated—and long remembered, for when I visited the chapters six months later the girls were still talking enthusiastically about Mrs. Finger's visits and how much she has inspired them as well as helped them.

I am indeed grateful for the privilege of serving as president of Gamma Province. And I should like to thank Miss Onken, Mrs. Spruce, Mrs. Finger, Mrs. Purdunn, and all national officers who have so kindly helped me through the ordeal of learning to be a province president. I have as yet a great deal to learn. I am particularly grateful to all chapter officers and others who so graciously and cordially welcomed me, and for the splendid cooperation at all times.

Respectfully submitted,

SUSAN ROSE SAUNDERS

EPSILON PROVINCE PRESIDENT

WITH this report I regretfully terminate my two-year term of President of Epsilon Province and nearly twenty years of service in minor capacities for the Fraternity which I love.

It is with a feeling deeply kin to sadness that I resign from an association which has become a part of me. It is like closing the pages of a well-worn memory book; like burning one's first cherished love-letters; or bidding farewell to a favorite friend. Only the knowledge that my work is to be taken over by Mary Jane Hill Trowbridge, Missouri A, one of the most capable and enthusiastic Pi Phis I have ever known, gives me consolation.

The war certainly moves in mysterious ways its evils to perform. While I personally have been fortunate in escaping the real sorrows of it, indirectly it is responsible for my giving up a work which is very near my heart. Only the greater obligation to my home and family has made it seem a part of wisdom to resign.

The chapter visits have always seemed to me to be the frosting on the cake. This year my cake has gone un-iced because it was impossible for me to leave my home to make the required visits. I am indeed grateful to Mrs. Wild, who visited the Tennessee chapters for me, and to Mrs. Holton, who made

the rounds of the Missouri groups in my place. Since I live in Louisville, I officially inspected Kentucky A in February. Although I have weekly contacts with the girls of this chapter, no outside officer could have been entertained more graciously and effectively than I was. I am confident that both Mrs. Wild and Mrs. Holton found my other groups equally as socially adequate.

It is always difficult to give a clear picture of conditions when one has been more or less on the outside looking in. Since I could not visit the Tennessee and Missouri chapters this year and as yet have not been furnished with copies of the reports, this summary may not present an accurate picture of conditions as they actually exist. I am grateful, however, to the presidents of the various chapters for their friendly, informal, and informative letters, without which this report would be impossible. I am grateful, too, to the other chapter officers and committee chairmen who wrote in such vivid detail. If I am able to portray province conditions in their true light, credit should go to those girls who did more than was expected of them in keeping me informed of changing conditions. I can truthfully say that my correspondence with the chapter presidents has been the most delightful part of my year's work.

Last year Epsilon Province had three chapters ranking first on their campuses in scholarship. Although the year's averages are not yet available, I regret to report that for the first term of the year no chapter led its campus in scholarship. Only two chapters made gains. Undoubtedly Missouri A deserves special commendation for bringing its scholarship up from 11th to 5th place. Tennessee B made a very slight gain of .07, but the attitude behind the effort is worth recording. Missouri B, after reaching first place last year, slipped to 6th the first semester of this year, but has hopes of bettering its record when the final year's grades are in. Perhaps Missouri Γ came nearer maintaining its scholastic supremacy than any other chapter, with the three year scholarship cup in its possession, it was practically assured of winning the first leg on the second cup. Not until the morning when the cup was to be awarded was an error discovered in the computation and Missouri Γ dropped to second place by the tiny difference of 1/100 of a point! This was indeed a disappointment. Kentucky A, who has held first place at the university for four consecutive years, dropped slightly the first semester, as did Tennessee A, also a long-time scholarship winner.

I feel that this scholarship drop is purely temporary and that since all groups are acutely conscious of their deficiency it will be only a matter of another term until the chapters will again be in their rightful place. I shall watch with interest the improvement, which I am confident will be forthcoming.

It has always been a source of distinct pride that the girls of Epsilon Province were outstanding in campus offices and college honors. This year the chapters have not only held their own but in many cases seem to have surpassed their previous record. Outstanding honors which have been heaped upon our chapters are as follows:

Tennessee A: Homecoming Queen and 3 members of Co-Ed Cotillion. 1 University Players. 2 members of Mocette Athletic Association. 1 member of honorary German fraternity. Secretary of freshman class. President and treasurer of W.A.A. 1 member of *Collegium Musicum*, honorary music fraternity. 1 member elected to "Who's Who in American Colleges." Reporter on the *Echo*.

Tennessee B: President of the Athenium Club, honorary junior woman's society. Junior representative on Woman's Council. Freshman representative on same council. Secretary of the Lotus Eaters, sophomore honorary. 2 members of *Hussler* staff. 3 members of Tri-Arts Club. Assistant swimming instructor. President of the Woman's Honor Council. 2 members of Ja-Vu. 1 on news staff of the *Commodore*, yearbook. Campus reporter on leading Nashville paper.

Missouri A: Won the swimming meet. 2 leads in "My Sister Eileen." Assistant Editor of *Missouri Students*. 1 of 4 on panel for Victory meeting. Treasurer of Mortar Board. Treasurer of K.E.A., sophomore honorary, and 3 members. Fraternity sweetheart for 1943 Panhellenic dance. 2 freshmen made highest grades on campus.

Missouri B: Homecoming Queen. Maid of Honor to Junior Prom Queen. Special Maid at Engineers' Masquerade. Secretary and 3 members of Mortar Board. 2 elected to Freshman Commission. President of Freshman Commission. 4 members, President and Secretary of Ternion. Vice-president of W.A.A. Manager and Assistant Manager of Basketball. Cup in Basketball tournament. Cup in Badminton. Second in all other sports. President Freshman Hockey team.

Missouri Gamma: President of Campus Red Cross. President and Secretary of French Club. Secretary of Red Peppers. President and Vice-President Sigma Alpha Iota. 15 members and Secretary of Drury Lane Troupers. News Editor, Managing Editor, Society Editor, and 6 reporters on the *Mirror*. Secretary of the Student Christian Association Cabinet. 2 members of Skiff, senior women's honorary. Editor of *The Sou'wester*, yearbook. 2 members of Student Senate. Won Basketball championship. 2 beauty queens for yearbook. 6 members of a cappella choir. Sigma Nu Queen. Chairman W.A.A. Board.

Kentucky A: President, Woman's Defense Council. President, Woman's League. Vice-president, Woman's League. Vice-president, Home Economics Club. Vice-president, senior class. Secretary of All-University Council. Secretary sophomore class. Head Cheer Leader and Assistant Cheer Leader. Head of Volleyball. 2 members of Woodcock Society, similar to Phi Beta Kappa. 2 members of Pallas Club, similar to Mortar Board. Winner of the Swimming trophy. Second in Ping Pong. Second in Archery. Second in Fryberger Sing. 2 selections to "Who's Who in American Colleges." Parts in Little Theatre plays. War Service chairman.

Housing conditions in the Province remain virtually unchanged since last year. Of the six chapters, two live in fraternity houses, two rent rooms or apartments on or near the campus, and the other two have small lodges which they enjoy for meetings and small parties. These adjoin the University grounds. The greatest improvement seems to be in Tennessee Beta's house where the living capacity has been increased from six to ten by the remodeling of the second floor porch by the addition of double-decker beds and adequate closet space. The chapter turned its small breakfast room into a dressing room and lounge for town girls. Mrs. John McLean is still the efficient and attractive hostess for this group and her charm lends much to the atmosphere of the house. Missouri Alpha's spacious fraternity house is graciously presided over by beloved Mother Hill. The lodges used by Tennessee A and Kentucky A are adequate for their needs since the girls all live in town and hence need only a place for meetings, small parties, lunches, and between-class gatherings. Kentucky Alpha's Mothers' Club very generously re-

finished the floors in their house and gave them a beautiful wine broadloom rug for their living room. Missoua Γ and Missouri B have club rooms. The former rents a small apartment across the Drury campus where it is prepared to serve its regular Wednesday lunches and small parties, and the latter has a spectacular room in the Woman's Building on the Washington campus which is the envy of many groups because of its clever decoration. Rationing has perhaps affected the food situation in the fraternity houses but the inspecting officer can give this better than I.

Without exception the chapters in Epsilon Province have taken the lead in campus war work and the furthering of defense plans. The Deans of Women are enthusiastic in their praise of the Pi Phis for their dependability in carrying out to successful completion any plan that is suggested. Tennessee B, in addition to doing its share of Red Cross work, recently donated to Vanderbilt a flag and flag pole which was dedicated to the men in the armed forces. Missouri Γ was the first group on its campus to contribute 100% to the drive to assist foreign students in distress under the Student Service Union. This chapter donated \$50 to this project. In addition they made 32 housewives kits for service men. Missouri A girls do mending and sewing for the service men and the president headed a group of girls who entertained them regularly. In spite of heavy schedules, Missouri Betas were extremely active in war work, many of them qualifying as Nurses' Aides. Kentucky Alpha's president was also president of the Women's Defense Council which promoted the sale of war bonds, knitted for the Red Cross, and supervised First Aid and Motor Corps work. Many of the girls attended the Fort Knox dances regularly and helped entertain soldiers at the Louisville Service Club, which, incidentally is under the direction of an alumna of this chapter. Tennessee A had charge of Red Cross collections and did its share of helping entertain soldiers. Many of the girls in the Province have been blood donors.

In spite of the outside demands made by the chapters for donations of one kind or another and the emotional appeal of organizations who use the war as an excuse to further their own ends, this Province has not forgotten its first obligation, its own philanthropic projects. I feel that the girls are keenly conscious of the fact that education is the big factor in building the world of tomorrow and their interest in subscribing to the Loan Fund, the Settlement School, and Holt House, is indication of this attitude. I regret that the amount collected, however, falls short by approximately \$50 of the contributions a year ago.

Thirty-three seniors paid dollar dues at graduation time.

The magazine sale statistics from May 16, 1942, through May 15, 1943, bring to light the gratifying news that Epsilon Province leads all others with a total of \$836.44 in commissions earned, of which \$747.85 was from clubs and the remaining \$88.59 from chapters. Tennessee B won the \$5.00 prize for the chapter making the greatest percentage increase.

I was particularly gratified at the showing made by the chapters in the fraternity examination. The active chapter average was 98.88, with five of the six chapters on the honor roll 100%: Missouri Gamma, 100; Tennessee B, 99.87; Kentucky A, 99.76; Tennessee A, 99.57; and Missouri A, 98.61.

Three pledge groups were 100% on honor roll: Tennessee B, 99.97; Missouri Γ, 99.92; and Kentucky A, 99.88. Florence Hunt Isert, Province Supervisor, has done a fine job in her work with both the actives and pledges.

Six outstanding girls were candidates for the Amy B. Onken Award, and the decision was a difficult one to make. Missouri A nominated Lena Lou Dickinson; Missouri B, Ann Purnell; Missouri Γ, Nancy Crane; Tennessee A, Sue Johnson; Tennessee B, Jeanne Fonville; and Kentucky A, Virginia Powell Reid. Ann Purnell received the award. She undoubtedly possesses all of the qualifications essential for a national winner, and I am sure my chapters all join with me in the hope that she is chosen for this high honor.

The fact that there has not been a single discipline problem in the Province may be credited to three things: (1) the splendid guidance of the chapters by presidents who in spite of outside demands on time and energy, changed campus conditions which in some cases disrupted the regular routine, and world troubles, have cheerfully piloted their groups through trying times; (2) the dependability of the splendid Advisory Boards whose members have served faithfully and well, and (3) the wholehearted backing of the alumnae clubs.

Only one chapter, Kentucky A, changed presidents in mid-stream. Virginia Powell became Mrs. Reid at Christmas time and the office of president was vested in Ann Barnes. Both were excellent officers. These, together with Toni Stanley of Missouri A, Jane Andrews of Missouri B, Jean Slaymaker of Missouri Γ, Sue Johnson of Tennessee A, and Jain Nichols of Tennessee B, deserve high commendation for keeping their chapters at an even keel in war times and helping me to put my finger on the pulse of the Province through their informal and unsolicited correspondence.

In conclusion I wish to thank the members of Grand Council, and particularly Miss Onken, for the consideration and patience shown me during my two years incumbency. The complete understanding of all of you and that of every committee chairman and the Director of Central Office has made it possible for me to carry through to completion, though perhaps not so gloriously as I had hoped, the duties of an office I had longed for for years. My one regret is that I shall never have the privilege of leading this Province to a National Convention.

As I look back over the years I have only admiration for the girls of Epsilon Province. So long as every chapter in the country measures up to our standards there'll be no sleepless nights for Grand Council; so long as every chapter in the country has girls comparable to those in Missouri and Tennessee and Kentucky there'll be no need for Uncle Sam to ring the curfew on youth.

As so I close my Pi Phi memory book for a little while. Now and then I shall take it out and live in retrospection those happy days when I was a part of the official family of Pi Beta Phi, and in the deep secret places of my own Pi Phi heart I shall always be grateful for the opportunity of serving the fraternity that I love.

Respectfully submitted,
RUTH WILSON COGSHALL

Send Magazine Subscriptions to Central Office.

ZETA PROVINCE PRESIDENT

THE contacts I have made with active Pi Phi since I became Zeta Province President in October have been one of the richest experiences through which I have ever lived. I have been able to see the splendid influence that the spirit and ideals of Pi Beta Phi has had upon these college girls. Even they do not, and probably will not realize until later, the good that their fraternity does do for them as individuals and as American citizens.

There was much for me to learn in the fall, including typing. But, the chapters have been cooperative. I have been so pleased to see one chapter, Florida F, come up from fourth place to first place in scholarship on campus. A very fine achievement has been that of Alabama A who has held first place in scholarship on their campus for seven consecutive years. Florida A lost first place by one tenth of a point, while Florida B, who won the Campus Scholarship Cup for holding first place for three consecutive years, has dropped to third place. They worked very hard this semester, however, to come back up. Georgia A hasn't heard its campus rating from its college yet, so we are all waiting eagerly to hear as we think it will either be top or very near it.

I enjoyed my first official visits to the five different campuses. Florida B and Georgia A have their own houses which are very attractive. The chaperon for Florida B is dearly loved by the chapter. The chaperon with Georgia A manages their dining room, and in this day and time her efforts as manager are tremendously appreciated by the girls and the Alumnae Advisory Committee. I found the chapter rooms of Alabama A and Florida A most attractively furnished. They are spacious and the views from both windows are very lovely. Florida F still has the use of Mayflower Hall though the second floor was occupied by independents this year. The Pi Phi used the third floor which has outside balconies for the bedrooms. However, this chapter feels the need greatly for a chapter room as an inducement for even greater Pi Phi spirit and respect, as sitting on the floor of the chaperon's small sitting room is a little too informal.

The activities and honors of the five chapters have been a great source of pride to me. I feel like a fond mother with her children performing fine and honorable feats. Of course, there have been a few problems, which are only natural. But before the end of the year they all unraveled and receded into the woven pattern of the school year. I would like to present the extracurricular activities of Zeta Province.

Florida B had the president of College Government Association, secretary of the freshman class, secretary of Panhellenic, chairman of Junior Minstrels, two members of Who's Who, member of *Mademoiselle's* College Board, May Queen, one Phi Beta Kappa, one Phi Kappa Phi, editor of *Florida Flambeau*, chief sponsor of the Military Ball at the University of Florida, third vice-president of College Government Association; for next year they have the president of junior class, president of Panhellenic, vice-president and the secretary of sophomore class as well as other social and minor honors.

Alabama A had the editor of *Hilltop News*, two members of Who's Who, the vice-president and the secretary of Executive Council, chairman of the Women's Division of Executive Council, the treasurer and the vice-president of W.A.A., the president, secretary and historian and another member of Mortar Board, three freshmen tapped for Alpha Lambda Delta, president of Phi Sigma Iota, treasurer of Pi Delta Psi, two presidents of the two women's dormi-

tries, five members of Freshman Commission of Y.W.C.A., and president of Chi Nu Tau as well as other honors and offices.

Two members of Florida F were chosen for Who's Who, editor of *Tomokan*, secretary of Student Council, president of Key Society (similar Phi Beta Kappa), one hundred per cent War Time Activities, national ranking tennis star, two members of Phi Beta, one member of Pi Gamma Nu, two Theta Alpha Phi, treasurer of French Club and two Nurses' Aides. The chapter won first place in the intramural swimming meet and second place in the horse show.

Florida A had a member of Who's Who, vice-president of Student Government, one Pi Gamma Nu, one Phi Society (freshman honorary), secretary-treasurer and vice-president of Phi Society, treasurer of Senior Class, secretary of Panhellenic, secretary of W.A.A., secretary of Honor (similar Mortar Board), secretary of freshman Law class, secretary of *Scroll and Key*, president of Hatter Art Club and president of Blazer Club.

A member of Georgia A was secretary-treasurer of Coordinate Campus, president of "Z Club" (six outstanding freshmen), president of Mortar Board, past president of Pioneer Inner Circle (literary honorary) and the new president and secretary-treasurer of Pioneer Inner Circle and the new president and secretary-treasurer of Pioneer Club, president of Kappa Delta Pi, president of Panhellenic, two Junior Women editors of *Pandora*, president of Zodiac (sophomore honorary), one Theta Sigma Phi and the president of sophomore class, as well as beauty section members and athletic honors.

Zeta Province has, also, contributed one hundred per cent to Holt House, Settlement School and the Loan Fund.

I presented the Amy Burnham Onken Province Award to Peggy Caldwell of Florida F at the Founders' Day luncheon.

While I found the chapters excelling in scholarship, they certainly did not lack social graces and good times. Alabama A and Florida F have been very helpful to the Cadets on their campuses by providing cookie jars, picnics, dances, and a friendly attitude. Florida B and Florida A did Red Cross work. Georgia A and Alabama A donated blood to the Blood Plasma Bank. Of course, there has been a feeling of unrest throughout the colleges but the Pi Phi are to be commended for their realization of work to be done and to be done better than ever now, as that is their contribution to the war effort.

The Alumnae Advisory Committees have been helpful this year to their chapters in spite of gasoline rationing and other war troubles. I doubly appreciated their kindness and helpfulness to me and my meetings with them, and I'm sure the chapters did, too.

I would like to express my thanks to those national officers who have aided me in my work. I am regretful that Mrs. Purdunn will no longer be in Central Office for I felt I really knew the Pi Phi who signed "B" at the end of her letters. I sincerely wish for the speedy recovery of Mrs. Stoolman who has spent such a trying time in the hospital. Miss Onken's help and advice have been invaluable and I only hope I have lived up to her expectations and those of Pi Beta Phi. May I wish every member of the thirteen Provinces and the Grand Council of Pi Beta Phi good luck and happiness for the coming year.

Respectfully submitted,

DOROTHY ESTES ELLIS

ETA PROVINCE PRESIDENT

THE work with the eight chapters in Eta Province this year has given me a much broader and closer understanding of my province, both the individual girls and the chapters. It has been a pleasure to see the steady gain and progress that have been made in every chapter. Due to the unsettled conditions, I wondered if the year would bring difficulties, but the girls have taken things in their proper stride and there have been no real problems.

I made my chapter visits before Christmas this year. I was sorry to decline the invitation of the Champaign-Urbana Alumnae Club for Founders' Day, which was celebrated with a banquet at the Illinois Zeta chapter house, but transportation problems prevented me from having this pleasure.

The size of the chapters has been the same approximately as other years. 138 girls have been initiated and 73 girls have graduated.

The scholarship of the province as a whole has improved. Study hours and requirements were studied and stricter rules put in force, with a careful checking of the hours spent in study. The grades of the rushees were considered carefully. The tutor system was used in most chapters, either the girls doing the tutoring or in one chapter, a tutor was hired for two hours, five nights a week. Wisconsin A raised their ranking two places, from the second semester of 1941-1942, to the first semester of this present year. Wisconsin B raised from third to second place, Wisconsin I raised two places as did Illinois Z. Illinois H was awarded the Panhellenic scholarship cup, their average broke an all time school record. Averages will not be computed at Knox, until the end of the year, but the averages for the two terms, indicate they will stand first in ranking. Northwestern is not computing averages during the duration, so there is no way of judging their average.

There are honor students in most of the chapters but Wisconsin B had one Φ K B, there were three at Illinois B- Δ , with Mary Onken having straight A all four years. There was one Φ B K at Illinois Z and one similar to Φ B K at Illinois H, who graduated magna cum laude.

The officers and chairmen were the most efficient, conscientious and cooperative since I have held my office. In almost every instance, they were well trained. The presidents were responsive and enthusiastic, and the pledge supervisors gave the pledges excellent training. Internal development and organization have been stressed. I found good note books of most officers and chairmen, with ideas and suggestions, suited to their local chapter, to be passed on to their successors. Some of these notebooks are used as models, such as the Social Chairman's at the University of Illinois. The programs planned for the meetings were good, some were given with the pledges attending. Most of the reports and letters have been sent on time. The letters from the officers and chairmen with their information and news, have been enjoyed greatly.

Illinois A and Wisconsin A are the only chapters not under quota system. The rushing chairmen had complete rushing plans and rushing was most successful in every chapter and very desirable girls were pledged.

There has been greater prominence in activities this year than previously, with even more offices and honors for next year. Pi Phi's are represented in all the different activities in each school. It is impossible

to list the activities of all for the eight schools in this province but I will mention a few. Wisconsin A had one Mortar Board, three in Senior Bench, similar to Mortar Board at Wisconsin B, Illinois A had 4 in T II, similar to Mortar Board, three in Mortar Board at Illinois B- Δ , one in Mortar Board at Illinois E, three in Mortar Board at Illinois Z. In *Who's Who*, there are two at Wisconsin B; one at Wisconsin I; one at Illinois A; three at Illinois B- Δ ; and three at Illinois H. At Wisconsin A there was a Prom Queen, Queen of Interfraternity Ball, Queen of Homecoming Ball, with one in the Court of Honor, Haresfoot Court of Honor. At Wisconsin B there was a Queen of Homecoming; at Wisconsin I, same girl was both Queen of Homecoming and Queen of Prom, and there was a member of Queen of May Court of Honor; at Illinois A there were three Queens of the yearbook and Queen of Navy Prom; at Illinois E there was the Navy Ball Empress (having had three Empresses out of the last four and the fourth year one was in the Court), also, a Marine Queen of Court at the Junior Prom; at Illinois Z, First Maid of Honor at the Agricultural School Dance; at Illinois H, a Homecoming Queen and attendant and a War Bond Queen. Other honors at Wisconsin A include vice-president of Δ Φ Δ ; treasurer of Z Φ H; sorority and senior editor of yearbook; chairman of campus sorority rushing; chairman of sorority presidents; secretary of Y.W.C.A.; first place in all University Horse Show; one each on Badger Board, Student Board, and War Coordinating Board; important position at Student Union; two with Badger Service Keys. At Wisconsin B there is the vice-president of W.A.A.; vice-president, secretary, treasurer, and sophomore class representative in I.A.W.S.; secretary of International Relations; director of Players; vice-president and secretary of religious committee; treasurer of Ka η e; vice-president of senior class, secretary of sophomore; secretary of general board; secretary of Shakespeare Club; president of Freshman Dormitory. At Wisconsin I, there are two Councilors; two on Judicial Board; president of French Club; treasurer of Science Club; treasurer and secretary of Art Club; president and secretary of Town Girl's Association; desk editor on *Laurentian*; two in H Σ Φ ; secretary and treasurer of Φ Σ I; winner of bowling tournament. At Illinois A there is the editor of the *Oracle*; assistant editor of the yearbook; secretary of the Student Body; President of a Hall; three presidents of houses; president of Crimson Masque; an award to the most outstanding freshman girl; one in H T Δ ; one in II Γ II; one in T Z I. At Illinois B- Δ , there is the secretary of Y.W.C.A.; president of W.A.A.; president of L.M.I.; president of Spanish Club; three in Σ A I; two in Φ B; one each in B B B; and Δ Σ P; financial manager of Siwasher; two R.O.T.C. Sponsors; secretary of Curtain Call; secretary of Senior Class; co-editor of the *Gale*; and two on the Mademoiselle Board (twins). At Illinois E, five in Student Government; seven on Wildcat Council; one in Shi-Ai; one each on freshman, sophomore and junior council; business manager of the *Syllabus* (since the manager left for service). At Illinois Z, president of Terrapin; one junior and one sophomore managership of Star Course; board member in W.A.A.; one on Illini Board of Control; general chairman of Doll Show for Y.W.C.A.; president of Scimitar; president of Torch (junior activity honorary); four in Shi-Ai; two

in Shorter Board (senior activity honorary); Pep Rally Chairman of the University (very important office); one each of junior, sophomore and two freshman jobs on the yearbook; vice-president of Z Φ H; one in Σ I B (year-book honorary); one in Θ Σ Φ; one in Φ T O. At Illinois H, senior secretary, sophomore vice-president and secretary, freshman secretary; editor of *Decaturian*; vice-president and secretary of French Club; vice-president of Student Council; winner of the History Prize; Award for excellence in Debate; winner of W.A.A. sweater in intramurals; Prize for acting for four years; secretary of Π M Θ; three in Φ Bi Chem.; vice-president of Σ A I; president and secretary of Π K Δ; two winners of French prizes.

There are large beautifully furnished chapter houses at Wisconsin A, Illinois E, and Illinois Z. These are kept in perfect order and repair. The house at Illinois H is small but attractive, and many in this chapter are Decatur girls. Wisconsin B has a lovely new house, which is just two years old. Since the girls live in dormitories, it is only used for social activities, meetings, ceremonies, and parties. Wisconsin I has rooms in the Panhellenic House and Illinois A has rooms in the Registrar's House. Both were re-decorated and done over this past fall and are very attractive. Illinois Z is the only chapter where the pledges live in the house.

There are three Pi Phi Deans, at Wisconsin, Illinois, and Lawrence. Miss Wollaeger is the new Dean at Lawrence. It was gratifying to hear no Dean give any criticism of the chapter as a whole or of the girls. Their cooperation, successful rushing season, campus honors and offices, and interest in scholarship were mentioned by all.

Pi Phi is fortunate in having women of high ideals, charm, poise, and ability as chaperons. Of the five chaperons in the province, two are new, at Wisconsin A and Illinois H. There is a temporary chaperon at Wisconsin B now, as the former chaperon left before Christmas.

There are fine awards in every chapter for prominence in activities and scholarship.

Most of the alumnae advisory boards are well organized, working in close harmony and in close cooperation with the active chapter and striving to promote the chapter strength and development.

There are Mothers' Clubs at Wisconsin B, Wisconsin I, Illinois E, and there is a new one at Illinois H.

The chapters have supported the three projects 100% as has been done for several years. Wisconsin B has an annual sale of "mums" at Homecoming to make their money for the Settlement School. Their sale was so large this year, that half of the money was given to charities, while at Illinois Z each girl contributes \$1.00 to the Settlement School. The other chapters take their contributions from their treasury. I was delighted to know that Wisconsin A won the prize for making the highest total commissions for chapters in Magazine sales. Also, Wisconsin B, Illinois Z, and Illinois E were second, fifth, and eighth respectively in total commissions. Also, Wisconsin B won the prize for having the highest commissions per capita for active chapters, which was fine, and Wisconsin A, and Illinois Z were fifth and sixth, respectively, in this contest. Wisconsin I was fourth of the chapters, having the greatest increase for the year. I appreciate the cooperation of the chapters in making this fine showing. All but one chapter has supported this Agency for the past three years. The Province leads the other provinces in total sales for chapters, too.

Most of the treasurers have been efficient and the financial condition of every chapter is sound, although there has been some delinquency but it is smaller than a year ago.

Wisconsin A publishes Tips from the Arrow and Illinois E, the Whirl of the Arrow at intervals during the school year. Wisconsin B and Illinois H send typed letters to the alumnae during the year. These publications and letters keep the alumnae informed of chapter news and events.

Illinois H was glad to have the second award for the "I Will Code." These splendid discussion topics sent by Dean Leonard have meant a great deal of inspiration to the actives.

Illinois Z was proud to have Eleanor Sexton, graduate at mid-year, sent by the fraternity to work with the group at Storrs, Connecticut.

The Eta Province Amy Burnham Onken Award went to Jane Ann Vernon, of Illinois B-Δ, who was selected by the Curtiss-Wright Aeronautical Company for technical training in engineering. She is at Penn State and was made president of her dormitory and a member of the Student Council two weeks after she arrived.

Northwestern and Knox went on the term system this year and in July, Lawrence starts a new semester, running into November. Rushing will start July 3. About twenty-five girls are planning to attend.

The chapters have done their part in war work. Due to transportation, the annual party for underprivileged children was called off at Wisconsin A, but the money was given to the Welfare Association instead. They won \$5.00 in War Stamps for contributing the most, in trophies, in the Scrap Drive. They have been on the honor roll in the buying of war stamps. 80 were selected from 718 applications and six were Pi Phi, for the Emergency Nursing Course. In the Red Cross Nursing, for which no credit was given, several went for four hours weekly, with more Pi Phi in this than any other house. Three were taking Blue Print Reading. Some were taking Camouflage courses. When the Blood Bank was there, more Pi Phi contributed to it than any other group. Some took Advanced First Aid courses, others worked at the Red Cross, while others knit. One girl graduated in February, is a WREN in the British Navy. Another was selected by the Curtiss-Wright Aeronautical Company for training and is at Minnesota. The chapter has held open house for the soldiers and assisted at the Union with the "At Ease." At Wisconsin B, some of the girls have entered the student classes of air raid wardens and surgical dressings. Air corps men have been entertained at an open house. Every active at Wisconsin I has been pledged to buy a war stamp every week. One of the girls donated blood to the Red Cross and she has been studying radio and code in a special class for war purposes. All contributed to the Red Cross Drive. At Illinois A, Pi Phi sold more war stamps than any other sorority. The girls do bandage rolling and have been hostesses at some of the parties planned for the Navy men at Monmouth. Illinois B-Δ saved the money from not having a big formal and purchased defense bonds (all sororities united in one party). The girls act as hostesses at the U.S.O. and one heads the Red Cross work on the campus, another is co-chairman of War Drives, while several have enrolled in the Home Nursing Course. Illinois E goes en masse on Thursday nights to roll bandages for the Red Cross at the Women's Club. They were the first group to start working there. The chapter gave \$20 to the Evanston Community War Chest; \$25 to the Christmas Charities; and \$50

individually for the same cause; \$10 to the Association of the Blind in Illinois; instead of a Christmas party, games were sent to the Evanston-N.U. Community Clubs; \$56 to the campus Christmas Charities. The chapter helped fill socks for the soldiers at Christmas and assisted the Alumnae Club in sending kits for the nurses overseas. The chapter led the Gentile houses in the War Stamp Drive, around \$2500 was bought. Blood has been donated twice for the Blood Bank, and a skit was given for the U.S.O. at Ft. Sheridan. Some are taking some of the war courses offered by the University. At Illinois Z, the girls have been interested in the Woman's Auxiliary Training Corps, comparable to a non-compulsory ROTC unit for girls. A Pi Phi is platoon captain of the Illini WATC unit. One of the girls entered the WAVES and is now at Hunter College. The girls buy war stamps weekly and they help at the U.S.O. on Sundays and Friday nights. Giving a tea dance, instead of a formal, \$25 was given to the Red Cross. Margie Bitzer, Pep Rally chairman and hostess, gave \$12,000.00 in a local War Bond Drive. A junior will be co-chairman of the committee that will plan recreation for service

men sent to Illinois for training. Mary Squires has won her cap, pin and insignia of nurses aide and is starting to complete 150 hours in a local hospital, while continuing her class work. The girls have taken First Aid Courses and helped in knitting and bandage rolling. At Illinois H., the chapter won first place in the War Bond Drive, more than \$10,000 was sold. Two parties have been given for the air cadets.

The atmosphere has been fine in every chapter. Unity in the active chapter and among the pledges was apparent, combined with mutual understanding and interest in each other. The attitude and spirit in each chapter was good and friendliness and hospitality were exhibited. It is with regret that I see the seniors graduate this year, as my first contact with them was when they were pledges.

I wish to express my sincere appreciation to all alumnae, officers, Grand Council, and especially Mrs. Stoolman and Miss Onken, for their counsel and advice.

Respectfully submitted,
MIRIAM E. WILLIAMS

THETA PROVINCE PRESIDENT

THIS first year of serving as Theta Province President has brought the pleasures of widened horizons of friendship, a greater knowledge of the structure of the Fraternity, and a deepened appreciation of its officers. Chapter visits were made in the fall to Iowa A, Iowa Z, Minnesota A, North Dakota A and Manitoba A, and during the late winter to Iowa B and Iowa F. In all cases, the chapters were gracious and charming hostesses. The Iowa chapters were fortunate in entertaining a national visitor, Ruth Barrett Smith, and in profiting by her suggestions.

Theta Province has responded enthusiastically to the discussion topics furnished by Dean Leonard. Two chapters received national awards for their "I Will Codes," Manitoba A and Iowa Z, the latter with first prize. Manitoba A found the topics so stimulating as to require extra time for discussion, and inaugurated "cocca hours" each Friday at the chapter room for this purpose.

Chapter houses continue to be well maintained and beautifully kept. Credit for this should be extended not only to the chapters, but to the competent chaperones and to the house corporations. Minnesota A, Iowa Z, and North Dakota A chapter houses have been partially redecorated, and Iowa F's house is scheduled for interior painting this summer. Iowa A and Manitoba A maintain attractive chapter rooms in private homes.

We regret that this is Mrs. Hall's last year with Minnesota A; she has been a gracious hostess and an able manager for that chapter. Mrs. Owens continues her fine work at North Dakota A, Mrs. Cruikshank at Iowa Z, and Mrs. Brown at Iowa B. Mrs. Graham, new this year, has found a secure place in the affections of Iowa F.

Weekly Red Cross activities and entertainment of service men have replaced peace-time activities on all campuses. Most chapters have a Red Cross or War Work Chairman, and contributions of money and time for war activities have accompanied a curtailment of the customary expenses of entertaining.

War-time restrictions have necessitated the temporary abandonment of province conferences, state days, and Founders' Day celebrations of several chapters together.

Theta Province chapters contributed \$84.00 to the Settlement School; \$32.00 to the Loan Fund; and \$27.00 to Holt House. All chapters contributed toward national projects.

In scholarship, three chapters rated first for 1941-42: Iowa A, Iowa F and Iowa Z, Iowa B and North Dakota A were third; Manitoba A, fifth; and Minnesota A, sixth. On most campuses, scholarship ratings are very close, and there may be only a few hundredths of a point between two rankings.

Activities have been many and fine. Manitoba A claims the President of the Women's Association, Lady Stick of Arts, President of Third Year Home Economics, Vice-President of Second Year Home Economics, Women's Sports Editor of the *Manitoba* and the Hart Scholarship for Classics. North Dakota A has two members of the YWCA Senior Cabinet, Vice-President of Women's League, Senior Class President, Treasurer of Mortar Board, Campus Sister Chairman, Toast of the Battalion, and Presidents of Delta Phi Delta and Phi Chi Theta. Activity honors at Minnesota A include Secretary of Minnesota Foundation, Chairman of Saturday Night Union Dances, Junior WSGA Council, a member of Theta Sigma Phi, YWCA President, Navy Sweetheart, one Mortar Board, Vice-President of Union Board, and Chairman of Freshman Week. Iowa A members are active in dramatics, band, and Red Cross activities. Iowa B has eight members on the Editorial Board of the *Simpsonian*, five on the all-college Honor Roll, seven in the cappella choir, the Business Manager of the student paper, and the YWCA President. Iowa F also has a YWCA President, two Presidents of Departmental Clubs, Junior Prom Girl, President of Emergency Council, Co-Chairman of Geneva Conference, President of Social Council, two Mortar Boards, three Omicron Nu members, two members of Psi Chi, and one each in Phi Upsilon Omicron and Theta Sigma Phi, as well as Editor of the *Homemaker*. Iowa Z claims six Phi Beta Kappas, two Mortar Boards, two members of Seals Club, three of Theta Sigma Phi, two in Phi Sigma Iota, the Business Manager of the *Hawkeye*, Honorary Cadet Colonel, eight officers of the University Women's Association and a member of the Board of Publications.

The Theta Province Amy Burnham Onken Award

was won by Elizabeth Charlton of Iowa Z, who is a Phi Beta Kappa, a Mortar Board, Honorary Cadet Colonel, Editor of the yearbook, and has an all-college average of 3.5.

May I thank all who have helped to make this year a successful one for Theta Province; Geraldine

Ristine, who left the chapters in strong condition; the Alumnae Advisory Boards who are so generous with time and effort; the chapters; the chaperons; the Fraternity officers; and Miss Onken for her unflinching help and support.

ANNE H. TAUBER

IOTA PROVINCE PRESIDENT

AS THIS my final year as a Province President draws to a close, my work is filled with both joy and sadness—joy because my chapters are doing well and sadness because I shall retain few of the close contacts which have meant so much to me.

Colorado A has been the proud possessor of the Stoolman Vase this year. The Amy Burnham Onken Award for Iota Province was presented to Helen Kelley Hopkins of Nebraska B.

The three western chapters were fortunate in having Mrs. Smith with them this year, and received great inspiration from her visit.

Of the seven chapters in Iota Province, six are in the upper third of their comparative scholastic lists. Last year South Dakota A and Colorado A held first places, Kansas Beta and Wyoming A second places, and Nebraska B third place. So far this year Kansas B, Colorado A, Colorado B, and Wyoming A have received the scholarship cups for first place on their respective Panhellenic lists. Representatives in Phi Beta Kappa include one each from Kansas A, Colorado A, Colorado B and Wyoming A, and Phi Kappa Phi memberships list one from Kansas B and one from Wyoming A. Thirty-one girls in the province are listed in other honorary organizations: South Dakota A one, Nebraska B ten, Kansas A one, Kansas B nine, Colorado A six, Colorado B two and Wyoming A two. Nebraska B had seven members cited for superior scholarship at Honors Convocation and Wyoming A had six on the Dean's Honor Roll and six Honor Books given to outstanding students. One member of Kansas B received the American Institute of Architects Award, and another the plaque for having the highest grades of any freshman last year.

Iota Province is very strong in extra-curricular activities. Its Mortar Boards numbered fifteen: Nebraska B had the vice-president and two; Kansas B the president and three; Colorado A two; Colorado B the secretary, treasurer and three; and Wyoming A the president. Next year's Mortar Boards include one from South Dakota A, two from Nebraska B, two from Kansas A, the treasurer, historian and two from Kansas B, one from Colorado A, three from Colorado B, and one from Wyoming A. *Who's Who in American Colleges and Universities* listed one from Nebraska, three from Kansas B, and one from Colorado A.

There have been many miscellaneous honors, some terms of office are finished and some are to carry over into next year. South Dakota A reports four members in Guidon, Nebraska B has the A.W.S. president and two on Student Council, the Y.W.C.A. president and three cabinet members, the Co-ed Counsellors president and two on the cabinet, the W.A.A. president, secretary, treasurer and one on the board, the old and new Sigma Alpha Iota presidents, the president of Theta Sigma Phi, the old and new News Editors of the *Daily Nebraskan*, one on War Council,

and the manager of the All School U.S.O. Benefit Show. They won first place for their skit in the Co-ed Follies. Kansas A has two members on W. S. G. A. Council, including the point system manager, the Major (president), a Lieutenant, a Sergeant, and several other officers in the Co-ed Volunteer group, the secretary of the junior class, secretary of the freshman class, Y. W. C. A. treasurer, and president, vice-president, business manager and intramural manager of W. S. A. Kansas B has the Editor-in-chief of the *Royal Purple*, recording secretary and two others on the Student Government Association Council, the old and new vice-presidents, treasurer, and three on the cabinet of the Y. W. C. A., the president, vice-president, treasurer and one in Dynamis (all school), the president and three members of Enchilatus, the secretary-treasurer of Phi Mu Alpha, the president, secretary-treasurer and two members of Prix (Junior), and the president of the Home Economics Club. Colorado A's list includes Editor-in-chief of the *Coloradoan*, several assistant editors, and the head of all Coloradoan organizations, vice-president of A. W. S., three on Senate and two in House of Representatives, president of Spur, president of Hesperia, one on the Y. W. C. A. cabinet, one on the W. A. A. board, vice-president of Co-ed Counsellors, president of Kappa Delta Pi, and several dormitory officers. Colorado B has A. W. S. presidents on Campus and at the School of Commerce, and the new A. W. S. president on Campus, the Panhellenic president, secretary of the School, junior class vice-president, senior class secretary, sophomore vice-president, treasurer of Prospectors, corresponding secretary of W. A. A. One of their members won the Phi Chi Theta Key given to the outstanding woman at the School of Commerce. Wyoming A has six members on Senate. South Dakota A and Nebraska B won first places in the Inter-sorority Sings. All groups are active in dramatics, especially South Dakota A, Nebraska B, Kansas A and Wyoming A. All chapters have been participating in war work. There were two May Queens in the province this year from Nebraska B and Colorado B. Other queens totalled sixteen: South Dakota A one, Nebraska B one, Kansas B three, Colorado A four, Colorado B four, and Wyoming A three.

All the Deans of Women praised our chapters. There are no serious problems of any kind in the province. The advisory committees are splendid and work in close harmony with the active chapters.

It is with a deep feeling of regret that I give up this office. I love my girls; they are so fine in every way. May I take this opportunity to thank all with whom I have worked, Miss Onken particularly, for the help and cooperation so freely given.

Respectfully submitted,

COLEITA AITKEN

KAPPA PROVINCE PRESIDENT

IT HAS not always been the good fortune of this Province to have a Balfour Cup Chapter although we have had our share and are ambitious for more. Texas A, winner of the Balfour Cup this year is certainly deserving of that honor and Kappa Province is proud of the record that particular chapter has made.

This year the Amy B. Onken Award went to Mary Jane McAnally, Oklahoma A. To mention briefly a few of Janie's activities; she was active in Y.W.C.A. work, in the Women Student's Association, has been active in Intersorority Relations on her campus, and was co-chairman of the Memorial Committee. She was a member of the Rush Committee which revised the booklet "Tips to Rushes." She was Personnel Manager for the University Union Activity Center. She was a member of the Carnival Committee and was subsequently appointed to the President's Undergraduate Life Committee. Janie was made Chairman of the Career Conference. She was Treasurer of the Freshman Class, and Fashion Editor of the *Covered Wagon*. She was Co-Ed Counselor for two years, was a member of the Radio Forum and of the Panhellenic Council. Janie took an active interest in the French Club and El Modjii. She was named to *Who's Who in American Colleges* and was tapped for Mortar Board. Her scholarship for three and a half years work is 2.45 which is equivalent to an A minus average.

Kappa Province showed a great interest in campus activities this year. I wish that space permitted and I could give all the clubs and organizations to which Pi Phi belonged and worked for. I am particularly proud of their record in Activities. The most important of the honors won by the chapters are as follows: 9 Phi Beta Kappas, 14 Mortar Boards, 18 Alpha Lambda Deltas, 4 elections to *Who's Who in American Colleges*, 1 Treasurer of Panhellenic, 1 treasurer of W.A.A., 1 President of Eta Sigma Phi, 1 Vice-President of Sigma Xi, 1 President of Bluestockings, 1 Treasurer of B.R.A.T.S., 1 Vice-President of F.O.O., 1 Secretary of F.O.O., 1 President of the Campus League of Women Voters, 1 President of Pierian Literary Society, 1 President of P.O.O.N.A., 1 President of Mortar Board, 1 Vice-President of Sigma Alpha Iota, 1 President of N.U.T.T., 1 President of Panhellenic, 1 President of W.S.G.B., 1 President of Purple Jackets, 1 Vice-President of Mortar Board, President of A.W.S. 1 President of Phi Epsilon Omicron, President of Mixed Chorus, 1 President of the Home Ec. Club, 1 President of Boots and Spurs, 1 Recording Secretary of the Y.W.C.A., 1 President of P.Z.A.T.L.X., 3 Presidents of Sigma Alpha Iota.

There was 1 "O" Club Queen, 1 Sweetheart of Sigma Chi, 1 Homecoming Queen, 1 Darling of L.S.U., 4 winners of awards.

The chapters in the Province have been active in War Work of various kinds. The Louisiana Alpha girls collected scrap and old magazines, contributed to the Blood Bank, and last February helped with the Food Rationing. Texas Beta donated a piano to the U.S.O. at the beginning of the year and later with the proceeds from a rummage sale bought a victrola-radio combination for the U.S.O. Room at the Union Station in Dallas. They have knitted, bought stamps and bonds, and donated generously to the Red Cross. Oklahoma Alpha worked closely with the U.S.O., served on many committees, knitted, rolled bandages, studied First Aid, and belonged to the Motor Corps. Oklahoma Beta bought a War Bond with the money they had set aside to use for their "Sneak," bought 25 blankets for War Relief and 17 Red Cross Kits. The Texas Alpha Chapter bought 3 \$100.00 War Bonds, entertained from two to four soldiers at dinner each Sunday, helped to entertain soldiers on Saturday afternoons at the Sunroom, belonged to many Red Cross projects and led the campus in their contribution to the War Effort. Arkansas Alpha and Louisiana Beta also did their part in War Work.

One of the chapters was penalized for the violation of a Rush Rule although it was an alumna who committed the error. Rushing as a whole was most successful in the Province during the year.

I am sorry to report that there has not been a 100% contribution to the Holt House, Loan Fund and Settlement School Funds. Four of the chapters contributed generously and are 100%. The remaining ones may have simply overlooked sending in their checks because I hope that the chapters feel it a privilege to contribute to such worthy causes as those which Pi Beta Phi sponsors.

Oklahoma Beta welcomed a new hostess, Mrs. Robbie Shubert, last Fall. The other three chapters which have houses continue to have the good fortune of having Gladys Scivally, Mrs. Clifton, and Mrs. Walton with them. Mrs. Derryberry served as the chaperon for Texas Beta at their apartment.

It is with sincerest appreciation for what has been done for me this past year that I say thank you to the members of Grand Council. I also want to add that I am grateful to Beatrice Purdunn and the former Kappa Province President, June Granger, for the help and suggestions they have given me.

Respectfully submitted,

ELIZABETH TRUMBO BRANAN

LAMBDA PROVINCE PRESIDENT

THE year 1942-1943 will stand long in the memory of Lambda Province of Pi Beta Phi as the year of many changes in the colleges and universities dear to the hearts of the members of this Province. The corridors which once echoed to nothing more serious than the laughter of co-eds now hear the march of the military regiments which are receiving their training to take up the fight for democracy. Red Cross, U.S.O., and War Bond Drives have taxed an already full schedule, but through all of this our girls

have stood steadfast, holding to standards and changing only the surface pattern of fraternity life.

All of the Chapters of Lambda Province began the year with banner rushing seasons. The excellent work of the Alumnae Advisory Rushing Committees is beginning to show in the personnel of our Chapters. The Chapter membership rolls fortunately showed no decrease in membership. The girls of our Chapters seemed to realize that they could best prepare themselves for both the present emergency and the post

war problems by making the most of their educational advantages. A Lambda Province girl who will carry her educational opportunities still farther is Jeanne Peckenpugh of Washington Beta; Jeanne was an Amy B. Onken award nominee in 1942 and has this year received the Pi Beta Phi Fellowship and plans to enter the School of Speech at Northwestern University.

The scholarship in the Province has on the whole been gratifying. Oregon Alpha averaged seven honor roll students during the year and one Phi Beta Kappa. Oregon Beta took first place in scholarship on the Oregon State Campus for Winter Term. Washington State stood third for Winter Term and had two elections to Phi Kappa Phi. Washington Alpha distinguished itself with three of its seniors being elected to Phi Beta Kappa. Alberta Alpha kept its high place in campus scholarship and for last year had the Lambda Province Scholarship Plaque. It is impossible to pass the subject of scholarship without mentioning three very outstanding Chapter presidents. All of the Chapter officers are excellent fraternity leaders, but Mary Louise Vincent of Oregon Alpha, Charlotte Ann Thompson of Washington Alpha, and Lola Johnson of Washington Beta have made outstanding records for leadership in the House, on the campus and in scholarship. Mary Louise and Charlotte Ann were both members of Mortar Board and Phi Beta Kappa; Lola Johnson was a member of Mortar Board and of Phi Kappa Phi.

In activities Lambda Province is indeed outstanding. At Washington Alpha, Ruth Weinker is A.W.S. President. Nancy Ames, who was President of Oregon Alpha Chapter, was elected Vice-President of A.W.S. and then Student Body President of the University of Oregon. Patty Flynn, new President of Montana Alpha, is Vice President of A.W.S. and Vice President of the Student Body. We are well represented in every type of activity and honorary. The Province had eighteen members of Mortar Board this year, four Phi Beta Kappas, two Phi Kappa Phis, Senior, Junior and Sophomore Service Honoraries and membership in Honoraries for Advertising, Foreign Language, Journalism, Psychology, Home Economics, Dietetics, Physical Education, Education, Radio, Dramatics, Commerce, Dancing, and Music. In addition to this, there were many important chairmanships in A.W.S.

and Y.W.C.A., and many of our girls were outstanding in publications. Also, Lambda Province had many girls chosen for beauty queens, prom queens and regimental sponsors.

There has been a stronger National feeling in the various Chapters this year and a striving to measure up the other Chapters in the Province and to the Fraternity as a whole. Each Chapter has concentrated on the phase of fraternity life in which it felt itself lacking. The articles of Dean Leonard have been an inspiration to the Chapters and have given thoughts for serious consideration.

It is always a pleasure in going about the Province to meet the fine women who serve as Deans for the colleges at which Pi Beta Phi is represented. It is gratifying to hear of the place of leadership that Pi Beta Phi holds in the Northwest college world.

The actual Chapter houses of Pi Beta Phi were all found to be in excellent condition this year. The Alumnae Advisory Boards, with characteristic far-sightedness, had seen to it that necessary repairs were made before the school year began. One interesting move was made by Montana Alpha. These girls have never been able to live together, as the quadrangle which they lease from the University will house only one-third of the Chapter. When the Government moved troops into the quadrangle, the girls were able to lease a fraternity house for the duration, and a wonderful time is being enjoyed by a group which has never known the joy of living together.

We are unusually fortunate in the women who are serving the Chapters as chaperons. At this time we are aware of the loss of one who will not be with us next year. Miss Fanny MacCamant, who has been at University of Oregon for nine years, is retiring. We sincerely hope that there will be no further changes.

The ever helpful Alumnae Advisory Boards have done more than ever to emphasize in these troubled times the standards of Pi Beta Phi. I wish to thank the Advisory Board members, the Central Office, and the Grand Council for their help and guidance throughout the year. It has been indeed a pleasant year for me, and for the Chapters a most profitable and gratifying time.

Respectfully submitted,

LOU ANN TUFT

MU PROVINCE PRESIDENT

THIS year of 1942-1943 has been a difficult one— one of unrest, questioning, and of changing old patterns for new. But amidst the confusion of war and its resulting unrest there is no questioning of the fundamental values of the ideals and standards given us by our Fraternity. Those basic truths of Pi Beta Phi, a fraternity conceived in a post war period and which has weathered wars before, have proven and will continue to prove a bulwark in this crisis.

Visits were made by this officer in October to Nevada Alpha, Utah Alpha, California Gamma, California Delta, and Arizona Alpha. January saw her at California Beta, and her official visit to California Alpha was made during the first week of March. All chapters had the inspiration of a Grand Council Member's visit, the ARROW Editor visited all but Utah Alpha, which had a return visit from the Grand Vice-President who did not complete her visit there last year.

Three of the seven chapters were in the upper third in Scholarship for the year 1941-1942. Nevada

Alpha remained in first place on its campus, which place it has held continuously since the spring semester of 1939. Utah Alpha came up to second place from sixth, and California Gamma came to second from fifth. The other four chapters are working hard to be in the first group for this year. Great emphasis has been placed on scholarship, all chapters having strict study requirements for pledges, and most chapters placing all active members who fall below chapter average on study schedules. Universities are stressing the patriotic responsibility of students to maintain high scholastic standings, plainly indicating that only those students who are eager and willing to do excellent academic work are justified in continuing college work at all. Averages are very high everywhere, which would indicate that students are really serious in their desires to prepare themselves for leadership in the challenging future.

Individual scholastic honors have been as follows: California Alpha—2 Phi Beta Kappa; California Beta—1 Phi Beta Kappa, 5 departmental honors; Cali-

fornia Gamma—2 Magna Cum Laude Graduates, 1 Cum Laude Graduate, 3 departmental Honor Students, 1 Freshman Honors; Nevada Alpha—2 departmental Honor Students; Arizona Alpha—1 Graduate with Distinction, 1 Sophomore Honors, 5 departmental Honor Students; Utah Alpha—2 Phi Kappa Phi, 2 departmental Honor Students, 3 Freshman Honors.

As everywhere, University campuses have had War Activities added to their already overflowing schedules. Just as women are taking on their own house work in order to release maids for industry and are finding additional time for long hours of service to Red Cross, Civilian Defense, and U.S.O. by eliminating bridge parties, teas, and luncheons, so are the college girls adding their bit to these worthwhile and necessary fields by eliminating all but the most essential of regular extra-curricular activities. Each chapter in this province had a War Chairman before it was suggested by the Fraternity. These War Chairmen coordinate the war activities of the chapter with those sponsored by the War Board of the University. All chapters are sponsoring the selling of bonds and stamps, members are being blood donors, are rolling bandages, and are participating generously in other patriotic ventures. Outstanding war efforts reported have been California Alpha's organizing of "Minute Maids," California Beta's 19 Nurses' Aids and four part time shipyard workers, California Delta's three war plant workers, Utah Alpha's Nurses Aid and Motor Corps members. California Delta's second place as April's "House of the Month" for points won in all war activities.

Essential peace time activities on each campus are receiving the support of Pi Phis, and with so many men leaving campuses many positions formerly held by them are now being taken over by the women students. In our chapters the importance of following through in one specific activity field throughout the full college program has been stressed, as well as the importance of chapter members entering diversified fields rather than all placing their efforts in one or two places. Campus recognition for efficiency and dependability have resulted in the following honors: California Alpha—2 Cap and Gown (similar to Mortar Board), 2 Women's Council members, 1 Cardinal, 2 Associated Student's Executive Council, President Ski Club, Secretary Freshman Class, 3 Sponsors to live in Freshman Dormitory for next year. California Beta: 2 Mortar Board, Vice-President of Associated Students, Editor of Year Book, Chairman of Women's Judicial Committee, President of Intramural Board, General Manager of Little Theatre, 4 Prytanian, 1 Panile (sophomore honorary), 2 California Club (chosen by President of the University for outstanding service to the University). California Gamma—2 Mortar Board (president), 2 Amazons, Panhellenic President, W.A.A. President. California Delta—1 Key and Scroll (Junior Women's Service Honorary), 2 Spurs, President of Freshman Club of Y.W.C.A., Junior Class Vice-President, Treasurers of Panhellenic, Y.W.C.A., and University Recreational Association, 1 Y.W.C.A. Cabinet member. Arizona Alpha—2 Mortar Board (Treasurer), 5 F.S.T. (Junior Honorary), 4 Spurs (Vice-President and Secretary), 1 W.A.A. Board, Associated Women's Students Publicity Chairman, President of Art Honorary, President and Secretary of Speech Honorary, President Panhellenic. Utah Alpha—1 Who's Who in American Colleges, Vice-President Associated Students, Senior Sponsor of R.O.T.C., President of Trotters, 4 Spurs, 1 A.W.S. Council member. Nevada

Alpha—2 Who's Who in American Colleges, President of Associated Women Students, Chairman Upper-Class Judicial Committee.

Because we all know that all work and no play makes "Jill a dull girl" recreational and social functions have not been eliminated entirely. There have been many social honors—California Alpha's Guest Editor of *Mademoiselle*, 2 queens of the Month; California Beta's pledge who became the coveted Sweetheart of Sigma Chi, and their 2 Ace of Clubs, California Delta's 4 Tic-Toc, and 3 Guidons; Arizona's winning of the Song Fest, Nevada Alpha's 2 Homecoming cups, and Utah Alpha's "Spur of the Moment" attendant.

Several chapters have reported WACS and WAVES and a California Alpha member won an internship in the Department of Public Affairs in Washington, D.C.

Although college campuses have been drastically affected by the war, enrollment of women has held up surprisingly well in this province and though many girls have left school to be married, or have graduated early because of the accelerated college programs, and some have taken positions, the size of chapters has remained about the same except in one or two instances. There were 175 girls pledged to Pi Beta Phi in Mu and 130 have been initiated. California Alpha and Utah Alpha both have deferred rushing and both have a quota system. Other chapters rush in the fall and have no quota. California Alpha had a Panhellenic penalty which was later lifted.

To Marian Houston Swahlen of Arizona Alpha went this Province's Amy Burnham Onken Award, for her outstanding service to her University and Fraternity.

Members of Alumnae Advisory Committees have given devoted service to their chapters, without exception, and all chapters have had fine and outstanding women as chaperons. In the seven chapters all of whom own their own chapter houses, there have been three Pi Phis and a Pi Phi Mother acting as chaperons.

Meetings with the Deans of Women were most gratifying. Everywhere they expressed their appreciation of the cooperation of our chapter members, and complimented us on the quality of our membership.

National projects of the Fraternity have had 100% support from these chapters. A total of \$195 has been given this year, \$88 to the Settlement School, \$56 to the Loan Fund, and \$51 to Holt House. In addition four of the seven chapters have supported the Magazine Agency, commissions amounting to \$45.01. Graduating seniors paid \$61 in National Alumnae Dues.

On the Stanford University Campus this year there was a violent anti-women's fraternity movement, and this matter has not yet been settled. A committee of the Trustees of the University has taken the question under advisement, and has not rendered a decision as yet. Everything possible has been done by this officer, by the Alumnae Advisers, and by the Grand Council to prevent our losing this splendid chapter.

In finishing this third year as President of Mu Province, it seems that words expressing gratitude for the guidance and assistance given by the members of Grand Council are futile. Both Miss Onken and Mrs. Alford were a great source of strength to me in the Stanford Panhellenic situation, and to them goes my particular appreciation.

Respectfully submitted,

EDYTH ALLEN MANNING

Reports of Province Vice-Presidents

ALPHA PROVINCE EAST VICE-PRESIDENT

ALTHOUGH the total membership has decreased in this province, there has been a slight increase in some clubs and Montreal is again 100% in membership. Most of the scheduled meetings have been held but not always as planned due to gas, fuel oil, and food rationing.

Two more clubs, Boston and Halifax are 100% this year leaving only two which are not contributing to all Fraternity projects. The active chapters are 100% for the first time in several years.

The province is delighted to welcome in its borders the new chapter Connecticut Alpha and the twenty-two alumnae who were initiated. Hartford had the thrill of sharing in the installation and meeting Miss Onken, Mrs. Wild, and Mrs. Everett. Boston sent a representative as did all active chapters except Nova Scotia A. Hartford and New Haven are looking forward to having an active chapter near.

The Vermont Pi Phis had a picnic at Rutland in August; Mrs. Rugg told of her experience as ARROW editor. The meeting of presidents of active chapters in Boston in August was most stimulating. Boston alumnae entertained at dinner and took the members for a moonlight sail on the Charles River. Transportation difficulties prevented my attending the Maine meeting the last Sunday in July.

Portland won the national award for the greatest percentage increase in magazine subscriptions, with 764%; New Haven was fifth with 364%. Portland was also fourth highest in commissions per capita and Hartford seventh. Mrs. J. F. Haggemen, Concord, has offered to send in subscriptions of New Hampshire Pi Phis. In spite of an increase in the amount and greater interest, the province is lowest nationally in total amount.

Arrowcraft was shown by the Boston club at the Handicraft Show, but the sales were not so great as those at the Flower Show last year. Halifax and Montreal find it impossible to have a sale but Burlington, Hartford, and Portland report increased sales.

For the third year Portland has offered a sophomore award to the most constructive member of that class in the province. This year the award, a bracelet, was given to Dorothy Laux, Vermont Alpha.

The cooperation of all officers of the clubs and their resourcefulness in meeting changing conditions have been an inspiration. My sincere appreciation goes to members of Grand Council for their never failing help. I especially want to thank Beatrice Purdunn for her cheerful and efficient assistance.

Respectfully submitted,

ERMINIE L. POLLARD

ALPHA PROVINCE WEST VICE-PRESIDENT

WHEN I look back on this year of club work I realize that most of the things I feared haven't happened at all. True our club membership has fallen, which is not strange considering the constant moving of Pi Phi families due to service and industrial requirements. Most encouraging has been the continued interest in maintaining our clubs as living organizations and each of them has tried to work out a program to fit a particular problem, all being affected alike by difficulty of transportation, lack of household help, and pressure of added civic and patriotic projects. All have met the requirements of chartered clubs and have emphasized their intention of working together as often as possible, so as to preserve the nucleus of their organizations in preparation for more normal times in the near future. I

wish to thank most sincerely, the club presidents and other officers for their loyalty to the fraternity, and all the members for their contributions to its long-established projects. Although unable to make my regular visits, their cooperation in keeping me informed about their respective activities has made me feel very close to them and I appreciate the personal messages that are included in their monthly letters. In serving as a province officer I have had the opportunity of making many lasting friendships and for this privilege I am most grateful. My hope, in looking forward to 1943-'44, is that by next June our darkest days will be behind us, and that we will be planning to meet together as usual in a "Victory Convention."

Respectfully submitted,

MARY H. SCOTT

BETA PROVINCE VICE-PRESIDENT

AT LEAST half of Beta Province is in the area where gas restrictions are especially strict and there is a ban on pleasure driving which affects clubs a great deal. Of course, the whole fraternity has felt the changes of our way of living and find that it takes a little more effort to be an active member of Pi Beta Phi.

The clubs in the province have done very well in overcoming handicaps and have given everyone cause to be proud of them. With only two exceptions, they have been able to have at least the four required meetings and many have had the usual number. We are certain that within another year, the others, having managed three meetings this year, will have their difficulties ironed out and be able to go ahead as they have previously.

A new club at Fairmont, W. Va., gives us cause to be especially proud. Surely this is proof of what friendships and our fraternity mean to us when a group feels a club should be formed in these turbulent times. We are very happy to welcome these new members.

Ten of the seventeen clubs are 100% in contributions to our projects. We lack only a few memberships to equal our all-time high of last year. Commissions for magazine subscriptions have increased and, in this respect, special mention should be made of the Pittsburgh Club which continues to send in such a large number. The Cleveland Club also deserves special mention for the splendid contribution made to the Settlement School.

Many have contributed to the Red Cross and all

clubs are helping in the war effort in every way possible—perhaps not as a group but always as individuals. A number of the clubs have members who are serving in the WACs and the WAVES.

It is nice to look back upon the year and think how enjoyable it has been. But this would not be the case if there had not been the splendid cooperation

of the clubs, and the patience and helpfulness of the fraternity officers, their assistants and chairmen. It is a satisfaction to have this opportunity to tell all of you that it is very much appreciated.

Respectfully submitted,
LOIS VASEK

GAMMA PROVINCE VICE-PRESIDENT

THE gasoline situation and the tire rationing has been felt most keenly by all of my clubs. Tri-City, composed of members in three cities, thirty miles apart, found it necessary to disband for the duration. They will, I am sure, be an active club again as soon as things are back to normal.

Four of the clubs have held Arrowcraft sales with most satisfying results. Our magazine chairmen have all been most active this year.

Every club has Red Cross workers, U.S.O. hostesses, Grey Ladies, and Nurses Aides. You wouldn't dare go to some of the meetings without your war knitting. If you did you would be making bandages and dressings before you knew it.

The will of all the alumnae clubs to carry on their war time responsibilities has shown the true Pi Phi spirit.

The Founders' Day celebrations of all the clubs were less formal and elaborate than in other years, but were none the less impressive.

It has been a joy to again have the privilege of serving the fraternity this past year.

May I thank all of Grand Council, especially Ruth Smith and Marianne Wilde, for their helpful letters and encouragement.

Respectfully submitted,
MARY SCHAAFF GREER

DELTA PROVINCE VICE-PRESIDENT

MUCH credit is due those clubs of Delta Province that have carried on so well during a most trying year. Gasoline rationing, and constant moving of Pi Phis are made evident by the smaller membership in the province. While the results of the year did not measure up to expectations in many cases, still it must be realized that they were much more difficult to attain. Therefore, a final review indicates success.

Seven clubs are 100% in their support of the Settlement School, Loan Fund, and Holt House. Eleven clubs contributed to the Settlement School, eleven to the Loan Fund, and seven to the Holt House. Seven clubs sold Arrowcraft products, while all but one club earned commissions for the Magazine Agency.

The report of the Magazine Agency shows that Delta Province was fifth in the list of commissions earned by provinces. Indianapolis was third, and Detroit eighth on the list of highest commissions per club, while Bloomfield Hills was second on the list of highest commissions per capita. Although Southwestern Michigan and Terre Haute became inactive this year, they continued to send in subscriptions.

A slight decrease in membership will be noted, both in paid memberships and the number of affiliated 1942 graduates. Total for the year is 430, as compared with 490 for 1941-42.

The annual Indiana State Luncheon was held as usual in Indianapolis on April 24, with an attendance of 250 Pi Phis. Dr. M. O. Ross, president of Butler University, was the speaker. The Indiana Pi Phis took up a birthday collection at the luncheon, and with the money purchased three series F War

Bonds for Holt House. It was a pleasure to be able to attend this Founders' Day celebration and to attend also, the luncheon given by the Detroit club on May 8.

Relations between clubs and active chapters have been most satisfactory. In every case, the club president has been pleased with the functioning of her committee on rushing recommendations. A few clubs contributed money, but in all cases clubs have helped in any way that they could.

It is a distinct pleasure to announce that the Delta Province gavel has been awarded to the Indianapolis club for the coming year. Increased membership, larger donations to the three projects, and increased Arrowcraft sales and magazine commissions are only a part of their achievements this year. In addition, the club was the first to contribute to the Physio-Therapy Fund, and in every instance, has given splendid cooperation throughout the year.

No visits were made this year, but it was a privilege to be able to attend the installation of Indiana Epsilon at DePauw University. This was an experience that always will be remembered, and was an inspiration not only to this officer, but to all who were present.

Delta Province Vice President appreciates the privilege of having had the opportunity to serve Pi Beta Phi during the past six years, and she wishes to thank all those who have contributed so much of their time and effort to the work of the alumnae department.

Respectfully submitted,
HELEN ANDERSON LEWIS

EPSILON PROVINCE VICE-PRESIDENT

No Report Received

ZETA PROVINCE VICE-PRESIDENT

THE alumnae clubs of Zeta Province have met and overcome the obstacles of strict gasoline rationing, the loss of tried and true club officers and members,

and the unusual number of affiliated seniors who took places in the working world. That the province record shines forth so brightly, in spite of these trying times,

is a tribute to each and every alumnae club in Zeta Province.

Of the eleven clubs in the province, two were unable to organize and have disbanded for the duration. Credit is due the members of these clubs for their continued support of the magazine sales. The remaining nine clubs were 100% in contributions to Settlement School, Loan Fund and Holt House. Miami sent \$5.00 to the Settlement School library fund. It is a pleasure to report that the contributions to Settlement School were \$15.69 over last year's amount. Holt House contributions were a happy increase of \$8.50 over last year's amount. Five clubs had Arrowcraft sales and the magazine commissions were earned by eight active clubs and two inactive clubs.

This record is especially gratifying when it is noted that the total membership for the province is a decrease of 59 members over last year's figures and a decrease of two clubs. Two clubs, Lakeland and Jackson, Miss., had 100% paid membership.

All the clubs are actively engaged in Red Cross and Civilian Defense Work. The Jacksonville club took an unprecedented step as a civic and war-minded organization when, last August, the club made a survey of juvenile delinquency for the Study Planning Committee of the Council of Social Agencies. The C.D.V.O. is giving credit to each Pi Phi for the hours she worked on the project which will entitle many to wear the Civilian Defense Service Pin. The Jacksonville club, also, provided refreshments for the U.S.O. The Jackson, Miss., club meets and sews once a week for the Red Cross. This club of twelve members entertained four hundred soldiers and served punch and cookies. Tampa members, through Inter-Sorority Council, sponsors a series of dances for Officers at Yacht Club and Service Men at Tourist Center. The president of the Tampa Alumnae Club, Eleanor Bushnell, is president of the Inter-Sorority Council. The Atlanta club gives weekly bridge parties for the soldiers at the Lawson General Hospital. The

other clubs are contributing to Red Cross, U.S.O., and doing a splendid amount of work.

Several of the clubs gave to local causes. Miami paid off the remainder of the pledge made to contribute \$120.00 to the Crippled Children's Hospital. A plaque will be placed in the hospital inscribed with their name. The Miami club, also, contributed \$25.00 to the War Chest. Atlanta sponsored plays for the benefit of Panhellenic Scholarship Fund. Birmingham contributes to Scholarship fund maintained by Panhellenic. Tampa takes very active part in Inter-Sorority Council.

All the clubs have contributed generously of time and money to help in summer rushing. Birmingham gave \$25.00 to help buy a rug for the Alabama Alpha chapter.

The Province takes pride in the accomplishments of Adine Lampton Wallace (Mrs. George) Wisconsin Alpha and member of the Jackson club, who has been named a \$1.00 a year woman by Washington. Atlanta club member, Mrs. E. M. Robinson, I.C. member and Founder of Atlanta Child's Home, Mrs. Robinson is Life President of the Home.

Each club reported a thrilling renewal of Pi Phi spirit and loyalty in the gatherings to celebrate Founders' Day. The Miami Cooky-Shine was honored to have the Pi Beta Phi Grace given by Anna Burgoyne Stebbins (Mrs. Arthur C.), charter member of Michigan Alpha, fifty-five years a lovely, loyal Pi Beta Phi.

My year has been full of joy and friendship due to the fine cooperation and help I have received from all the officers and members of the Zeta Province Alumnae Clubs. My gratitude to Grand Council, for the willing and inspirational assistance which was with me during my entire year, is heartfelt. For the opportunity to work with and for Pi Beta Phi, I am most grateful.

Respectfully submitted,
HELEN CAVENAUGH LLOYD

ETA PROVINCE VICE-PRESIDENT

TAKING everything into consideration, Eta Province has carried on very well this year. While memberships have decreased, some donations to Settlement School and to active chapters have increased. Donations to the Loan Fund and to Holt House have decreased but Eta Province stood third in magazine sales. Average attendance at meetings has decreased, which would be expected.

Many clubs have done unusually well, finding time for much war work without interfering with fraternity work. Squares for afghans have been knitted during meetings and many finished afghans have been turned in. Helmets and scarfs have been knitted and Red Cross sewing has been done during meetings. Boxes have been sent to overseas nurses. Cookies have been made for the U.S.O. centers. Contributions to Red Cross, Camp Hospital Corps, Women's Service Corps

and to Chinese students. Several clubs have bought war bonds and stamps and all clubs are interested in the new war project. Much individual work has been done by members.

I have made no official club visits this year and I have missed these contacts which I feel are so helpful and so enjoyable. However I did have the opportunity of meeting, for the first time, our Grand Vice-President, Mrs. Smith, and also Mrs. Copp, chairman of the Settlement School committee, the committee which has done so much for our project, the Settlement School.

I wish to thank the officers who have been so cooperative and all those who have helped me this year.

Respectfully submitted,
HARRIETTE A. MACCLYMENT

THETA PROVINCE VICE-PRESIDENT

DUE to an active and time-consuming interest in war work and also to the fact that many of our members have been on the move this year, we in Theta Province show a decrease in the number of paid members and in the amounts of our gifts sent to the fraternity projects. Our total membership is 374, which is 69 less than a year ago. Our clubs are 100% in giving

to the Settlement School, the total amount being \$340.00, a decrease of \$50.00. The Loan Fund total is \$33.00, \$18.00 less and to Holt House we sent \$12.00, \$46.00 less than last year.

The interest in the work of the Magazine Agency is good. Theta Province Clubs earned a commission of \$263.12. Eight clubs have larger commissions than a

year ago and six clubs, less. There is a growing interest in this means of earnings money for the support of our Settlement School and it is gratifying to have several of the clubs have an active committee now who for some years did not avail themselves of this painless means of School support.

Several of the clubs sent checks, books and other gifts to Gatlinburg for Christmas and until the war interfered with travel many Pi Phis from this section of the country were including Sevier County in vacation plans.

The war work reports are varied, interesting, and satisfactory. Each club is doing its full share and I am sure the reports, good as they are, are not complete. In addition to time-taking services many clubs are buying bonds and stamps.

As always the chief interest of the club is the active chapter, even when there is not a nearby chapter. Many times the financial gifts made to the chapter are not reported. Almost never do we know of the innumerable small emergency calls answered by alumnae. Our girls appreciate this help and the alumnae are glad of the opportunity to contact the girls. Contacts thus made are valuable to both the chapter and alumnae.

There has been a predominance of Quiz Programs in the province this year and these have been instructive and interesting.

Founders' Day celebrations were held as usual in almost every case but they were more simple than in previous years. An outstanding program for this

Day was one where the alumnae and actives joined for dinner and then the program was a Round Table discussion of fraternity matters in which both groups took part. Several wrote that this was one of the finest Founders' Days those members had ever had.

Our main difficulty seems to be to find women who feel that they have the time to serve their clubs as officers. It is always a mistake to insist upon anyone taking an office for she is apt to be inefficient but if we could each feel a responsibility to take our turn, club work would not be a burden.

Four clubs in the province were visited this past year; Sioux City, Council Bluffs, and Mt. Pleasant in Iowa, and the Minneapolis Evening Club in Minnesota. All were having good years and their hospitality was very much appreciated.

Clubs in Theta Province have done a valiant piece of work in contacting the war worker or war wife who may be in the community for a limited time. These contacts are interesting and valuable for all concerned and are a definite contribution which the club can make to Pi Phi sisters who are in a strange community.

After serving ten years as Theta Province Vice President, I shall miss my club contacts as another takes over this work. I shall always owe a debt of gratitude to Ruth Smith who appointed me to this office and to the fraternity which has become increasingly dear.

Laura Storms Knapp

IOTA PROVINCE VICE-PRESIDENT

DESPITE the fact that time has been at such a premium the clubs of Iota Province have functioned very well. Not as much progress has been made as was desired yet there have been increases in some respects. Three clubs, Hutchinson, Manhattan, and Vermillion are 100% in membership, and eleven clubs are 100% in contributions to the fraternity projects. A total of 507 memberships were paid.

For the first time in many years this province did not lead in magazine sales, however one club, Casper, won the prize for the per capita basis.

The contributions to the three fraternity projects represented work and effort on the part of each club. \$654.72 was sent to the Settlement School, \$50.00 to the Loan Fund, and \$53.00 to Holt House. Five clubs sold Arrowcraft amounting to \$2,790.33. This is noteworthy indeed. The chapters received the usual aid in rushing, gifts and cash, which shows the re-

sponsibility toward the actives that the alumnae feel.

The Iota Province Vice-President has enjoyed every one of her five years in this office and feels that if the clubs derived half the benefit from her efforts that she received from her associations with them and with the fraternity officers the time was well spent. It has been a real privilege to serve in this capacity, the contacts made through visits and correspondence will always be a source of pleasure. It has been an inspiration to work with such fine officers as Miss Onken, Mrs. Smith and Mrs. Wild. Their timely advice and help will always be remembered. Mrs. Holton, Mrs. Purdunn, and the committee chairman have cooperated so well it made the work easier. To work for Pi Beta Phi is to serve the finest in fraternities.

Respectfully submitted,

Marjorie H. Colvin

KAPPA PROVINCE VICE-PRESIDENT

IT IS with mixed feelings of pride and disappointment that this report of Kappa Province for the year 1942-43 is submitted—pride that many of the clubs, particularly the smaller ones, have increased in membership and interest; disappointment that the larger city clubs have lost some in membership, and have been forced to hold fewer meetings. Dallas is the exception to this statement. Her paid membership remained practically the same as last year, and her activities were greater. Also, a full schedule of meetings was maintained. The most successful Arrowcraft sale "of all time" was held, over \$1,200.00 worth of goods being sold. Another fine Arrowcraft sale of \$565.83 was held by the Nita Hill Stark club in Beaumont, Texas. These sales, together with such

donations as \$200.00 each from Dallas and Houston, \$106.47 from Nita Hill Stark club, \$100.00 from Austin, \$55.00 from Oklahoma City, and \$40.00 from Corpus Christi, show a continued interest in the fine work which is, as always, being done by our Settlement School.

Regrettably, the province is not 100% in contribution to all the Fraternity projects, so that remains a goal toward which we must continue to strive. It will be the earnest endeavor of the Province Vice-President to be able to report a greatly increased response to all Pi Phi projects during the next year.

Everywhere patriotic work has been stressed, sometimes in the name of the club as a whole, other times in the name of individual Pi Phis. In both cases the

results are most gratifying. The Dallas club, in connection with the alumnae of Zeta Tau Alpha, raised money for equipping the U.S.O. Lounge at the Union Terminal. The Oklahoma City club became a unit in the American Women's Volunteer Service (to sell war bonds). All clubs report constant service at the Red Cross, U.S.O., and taking charge of recreational work at Camps and camp hospitals.

Among the many outstanding individual works all clubs in the Province can be proud to claim Mildred Moss of Little Rock, who as Acting Director of the State Board of Health for Arkansas, supervises the running of all the blood tests for Arkansas draftees;

and Mrs. David Ball of Houston, who runs the Appeal Board for ten counties.

Founders' Day was affectionately celebrated throughout the Province, and from all accounts seems to be enjoyed and appreciated more than usual. It seems that a real effort is being made to hold things together until a brighter future dawns.

To the club officers who have worked so faithfully and to the members of Grand Council whose cooperation and advice are always so freely given, I extend my deepest gratitude and appreciation.

Respectfully submitted,
OLIVIA S. MOORE

LAMBDA PROVINCE VICE-PRESIDENT

No Report Received

MU PROVINCE VICE-PRESIDENT

ALL twenty-four clubs in Mu Province have functioned to some extent, though meetings in the case of a few clubs, particularly one or two smaller ones, have been held to a minimum. This is due partly to the fact that membership in some groups is divided between two towns or scattered over an entire county, and partly to the fact that with practically all members engaged in war work, including swing shift, graveyard, and daytime, it is impossible to get a group together at any one time.

This difficulty in making contacts also accounts in large measure for the decrease of 175 in national membership.

In comparing Settlement School contributions, this year and last, we find that in the race between the two years, five clubs ran neck and neck with themselves, ten came in behind themselves while nine overtook and passed themselves with such ease that had a certain one of the losers only done as well as the break-evens, the race would have been won for this year. Instead, a loss of just over \$90.00 must be reported for the province.

Loan Fund totals, too, were less but the increase in those of Holt House donations and of magazine commissions absorbed this loss, almost twice over.

Due to the lateness of several questionnaires, finals on Arrowcraft sales are not possible, but it can be reported that San Francisco leads all clubs reporting with a total sale of \$1180.60.

In view of the fact that the entire coastal area is practically an armed camp and that in most districts throughout the province, nearly every member is engaged in a full-time war job, either of voluntary service or in actual production, the fact that total support of fraternity projects, including Glendale Club's gift of \$50 to the new physical-therapy project, lessened by just under \$100, testifies to the vitality of fraternity interests.

As to war projects, the actual cash expended must run into hundreds of dollars if the gift of San Fran-

cisco Club of approximately \$190 for emergency ambulance equipment and that of Glendale Club of \$50 toward providing a blinded soldier with a seeing-eye dog can be used as examples. Practically all clubs gave to Red Cross, many to U.S.O. and other service organizations while many groups included individual members of the voluntary services, if not, indeed, an entire unit. Fresno Club continued her support of a war orphan and Marin County Club made a gift of \$50 to Sunny Hills Orphanage. The list of these efforts is long and varied.

Because of the curtailment of fraternity activities, necessitated by these war days and because of the interruption of so many Pi Phi contacts, innumerable letters have, in varying phrases, expressed the feeling of a great void and a longing for the time when these ties may be taken up again on the same scale as before. In these expressions there is often evident, a richness of devotion to fraternity ideals and a realization of what the Fraternity really means. Important as are the more tangible evidences, this is the greatest gift given by her daughters to Pi Phi.

As five years of service with and for Pi Beta Phi must be brought to a close, Mu Province Vice President finds it difficult to express herself. All the inspiring inner-knowledge of the clubs of the province, all the fun and work of visiting them, all the interesting new outlooks and methods, all the friendly reception she has found, these and the friendships added, some very close and dear, these make any phrase of hers seem trite and inadequate.

To all the officers of clubs, to all lay members who have done so much to make these years a time of happiness, and to all members of Grand Council who have been so understanding of shortcomings and who have so often given her confidence and encouragement, she can only say a very plain "Thank you" and mean it from her heart.

Respectfully submitted,
HELEN M. WAUGH

**Please note carefully all changes in officers and addresses
in the Directory in this issue.**

Alumnae Club Reports

"Our real progress is not written into the minutes of our meetings; it is in the increased friendliness which has developed in each of us for the others of our group whose family circles have been broken by the war and other sorrows."

—GRAND RAPIDS CLUB SECRETARY

ALPHA PROVINCE EAST

BURLINGTON, VERMONT

Since defense activities and transportation problems have made the holding of meetings somewhat difficult, only four regular meetings were held this past year by the Burlington Alumnae Club. Two were largely business meetings, the opening session in October and the annual meeting in April. Dr. Katherine McSweeney spoke at the November meeting and the history and constitution meeting in January was in the form of a quiz conducted by Jane Allen.

A large number of handicraft products were sold at the annual Settlement School sale held at the chapter house December 3. To entertain the active girls and enable the alumnae to become better acquainted with them, a coffee hour was held in February at which all the active chapter and many Burlington alumnae were present.

MARION G. HERBERG

HARTFORD

The Hartford Alumnae Club held its last meeting of the year on June 2 with a picnic at the home of Martha Lohman in Windsor. We invited husbands to attend as has been our custom in the past. This year, however, gas rationing kept many away and our attendance was not as large as usual.

The membership of our club has swelled with the initiation of many of the alumnae of the new Connecticut Alpha Chapter at Storrs, Connecticut. The Hartford Club was in charge of the installation and initiation of Connecticut Alpha. Betty Dow was chairman of the committee in charge of all arrangements. Our alumnae in Hartford all made an effort to attend the banquet on Saturday night at which time we all had a chance to meet and talk with Amy B. Onken.

The Hartford Club is planning to assist the active Connecticut Alpha Chapter with a rushing tea to be held in Hartford some time in July.

BETTY TAYLOR

MONTREAL

Our first meeting was held on September 22. A committee was appointed to look after refreshments, the hostess to be responsible only for her home, dishes, etc.

We had two guest speakers this year. One spoke on her experiences as a nurse in the mountains of Kentucky, while the other told us of the organization and activities of the Auxiliary Volunteer Services.

We had our annual Valentine mixed party. There was a variety of entertainment consisting of a ping-pong round robin, bridge, Romali, and cribbage. War Savings Stamps were given as prizes.

One of our meetings was a dinner-musical, and at our March meeting Sally Ross read a paper on "Literature and War." Our average attendance for the year has been from 15 to 21 members. Our Founders' Day luncheon was held at Eaton's, 26 being present.

In September we lost a valued member in the passing of Mrs. Anderson. She has been interested and active in our club. Flowers were sent and some of the girls were able to attend the service.

Our fees were the same as last year: three dollars, if paid before November 15, and four dollars, if not paid until after that date. We had 100 per cent paid up membership.

We donated \$5.00 to Federated Charities, \$5.00 to the Red Cross, \$5.00 to Settlement School, \$2.00 to Loan Fund, \$1.00 to Holt House, and \$7.35 for our Christmas stockings

for the Children's Memorial Hospital, as well as the baby garments knitted by the girls. We also sent in about a dozen magazine subscriptions.

MRS. L. S. REYCRAFT

NEW HAVEN

The New Haven Alumnae Club held four meetings during the year; two of these were outstanding. One, a bridge party, included the husbands of the club members and constituted a formal welcome to many newcomers. Several officers stationed in the Air Corps at Yale University were invited as guests.

April 13, the last meeting of the year featured a report on the installation of Connecticut Alpha presented by Mrs. Pearsall, alumna of Connecticut University and a resident of New Haven. She was initiated April 12. At this meeting a member of the Speakers' Bureau of the Women's Organization for War Savings spoke on the need for purchasing war bonds and stamps. Following this the members discussed ways they might assist the war effort.

Although no general group project has been undertaken in this connection, individual members have been active in New Haven Red Cross, New Haven and Connecticut War Councils, Women's Organizations for war savings, serving in hospitals, making corsages, etc.

The New Haven Club is looking forward to assisting our new chapter at Connecticut University in every possible way next year.

The club issued a new membership list and meeting calendar which has helped in maintaining club interest. There have also been many excellent news items in local papers.

CORNELIA L. NEWTON

PORTLAND, MAINE

The Portland, Maine, Alumnae Club started its year in September with a business meeting to plan future meetings, the amount of dues to be collected, and methods to be used to interest members in the local organization.

The club's Annual Settlement School Tea was held in October. A delightful as well as successful time was had by all.

Two cooky-shines were held during the year. One was given at Christmas time for the local actives of the University of Maine Pi Beta Phi and really was the highlight of the year, as many of the alumnae not seen for several years were able to attend. The club was also introduced to a new member—Mrs. Spurgeon Wuerthenberger (Agnes Downs, Virginia I). Many and varied dishes were brought. The other cooky-shine was held at the April meeting to celebrate Founders' Day at which time a review of the Initiation Service was given.

In order to raise money to pay for a Defense Bond the club held a quiz on the Constitution and History of Pi Beta Phi, each member paying a cent for the question missed.

Other meetings held were a first aid lecture in January, a book review in March, and two picnics, one held in November and the other to be held in July at which time the members will sew together the afghan which is the project chosen by the Portland alumnae as their part in the war effort.

At the final business meeting in May it was decided to donate five dollars each to the Settlement School, to Holt House, and to the Loan Fund.

DOROTHY FRYE

ALPHA PROVINCE WEST

BUFFALO

The Buffalo Alumnae Club held seven dessert luncheon meetings and three evening meetings during the year. Thirty-two members were enrolled in the club with an average attendance of twenty-five.

This year the members made voluntary contributions to the Settlement School fund. In addition, a small sale of Arrowcraft articles was held at one of the regular meetings at which products amounting to \$23.44 were sold. Commissions from the sale of magazines amounted to \$23.00. A gift of \$32.00 was sent to the Settlement School and a gift of \$25.00 to New York Gamma. \$25.00 was also sent to the Red Cross.

One member, Jean Short, enlisted in the WAVES. Founders' Day was celebrated with a model initiation. Panhellenic, in addition to taking charge of a booth selling War Savings Stamps, voted to decorate and furnish the local WAAC recruiting office. Funds for this purpose were raised from the Panhellenic treasury and a contribution from each participating unit. Pi Beta Phi donated \$20 toward this project.

The usual Christmas party, including husbands, was held at the Westbrook, but the annual June picnic was omitted this year.

BESSIE BLANCHARD MEINWEISER

MID-HUDSON VALLEY

Our membership has been cut down to six this past year because of gas rationing, so our activities and contributions have been correspondingly cut. We have given \$2 to the Loan Fund and \$5 to the Settlement School. We have had covered-dish suppers and celebrated Founders' Day with a dinner. Our little gatherings have been enjoyable and we are happy that we have been able to get together occasionally. We look forward to the days after the war when our members can again meet with us and resume our usual activities.

PATRICIA DUNN

NEW YORK

During the war year 1942-43 our club has carried on remarkably well. Activities began in October with a supper meeting in the Panhellenic Club room and closed with the Founders' Day tea on May 1. Meetings have been well attended and interesting programs given. At the annual sale of Settlement School goods over \$625 was taken in. The Christmas party included the giving of toys for needy children. At the Pan-American meetings motion pictures were shown. An art museum tour brought a number of new arrivals in New York to the meeting. At the Founders' Day tea, seven past presidents stood in the receiving line. Although we shall cut the number of meetings for the coming year, we shall have a few get-together meetings at Beekman Tower during the summer months.

PAULINE H. NEEDHAM

ROCHESTER

The Rochester Alumnae Club under the leadership of Genevieve Van Saun has presented an interesting program and maintained its high spirit of fellowship this year, despite losing several active members as a result of wartime activities. Owing to difficulties of transportation and service to war projects during the daytime, the club has found that evening meetings have been better attended. Working members and those with young children have thus had greater opportunity to become better acquainted. The final meeting of the year was held on May 20, at which the following reports were made: \$50 was sent to the Settlement School; magazine subscriptions contributed over \$62 to the Settlement School; \$5 was contributed to the Loan Fund; \$10 to active chapter fund (Cornell); and \$5 to local charity (Ravenscroft).

GEORGIA OSBORN DUNKEL

SYRACUSE

"Enthusiasm as usual" was our slogan this year. Although more members came to meetings on the city buses, and the food we served was less varied and profuse, we are proud to say there was no rationing of the Pi Phi spirit.

We held a total of twelve meetings, alternating afternoons and evenings, and wound up the year's work with the annual meeting and election at the home of Charlotte Chaffee.

VIRGINIA KEMLER HOWARD

Because of our early Commencement date, we combined our Founders' Day celebration with the annual Association dinner at the chapter house. One hundred and twenty-seven Pi Phis were present on that occasion, one of the largest in our history.

Settlement School products found their usual market in Syracuse homes; and we contributed \$25 to the Settlement School and \$10 to the Loan Fund. These amounts are somewhat smaller than our contributions in years past because this year, we depended entirely on additional club dues for income instead of holding a rummage sale or series of bridge parties.

CHARLOTTE N. CHAFFEE

TORONTO

The Toronto Alumnae Club has seen many changes in membership during the season 1943-1944. Twelve of our group have joined different branches of the Women's Service, and many have moved to other parts of Canada. In return Pi Phi from clubs in Canada and the United States have joined us.

Four general meetings were held at which the activities of the groups were centralized. The four groups comprising the alumnae met semi-monthly throughout the winter to carry on war work. This entailed knitting for the Navy League and a regiment in Iceland, packing boxes for England and sewing for the Infants' Home. The "Old Guard" made new initiation gowns for the active chapter. The alumnae also resumed responsibility of the Red Cross Canteen at Christie Street Hospital once a week.

Contributions to Settlement School, Holt House, and the Loan Fund amounted to \$50. In December a birthday cheque was given to the active chapter for house renovations.

Founders' Day and initiation were celebrated with the actives at a very successful banquet at the Granite Club. We closed the season with an enjoyable picnic supper in honor of the graduating class.

JEAN SCOTT

WESTCHESTER

This year we have held four business meetings, the first being in October 1942, at the home of Mrs. Chas. Neale in Scarsdale. After the usual business, reports were given by members in various branches of war work, including the Blood Donor Unit, Nurses' Aides, Nutrition, U.S.O., Defense Council, and knitting for the Army and Navy. Few of us had a very broad knowledge of the many types of war work being done and the reports were most welcome and informative as well as interesting.

Due to the curtailment of driving in the East, we found it impossible to hold our annual Settlement School sale and tea and in its place we held a Settlement School and business meeting in December at the home of Mrs. Peter C. Reilly in Larchmont. At that time the items which we had on hand were displayed, most of them sold and the remainder raffled. We collected \$110.30. All members had been asked to bring gifts for a Christmas box for the children at the school.

Our third meeting was combined with our Founders' Day luncheon, held this year at the Therese Worthington Grant Tea Room in New York City. We had two speakers, the first being Anne Colver, a member of the New York City Alumnae Club and the author of the June selection of the Literary Guild, *Mr. Lincoln's Wife*. Miss Colver's talk was most interesting and we found her a delightful speaker. Our second speaker was Mable Mason, one of our own Pi Phis, who is chairman of the Westchester Blood Donor Unit of the American Red Cross. One of the many highlights of her talk was an account of the unit's trips to Sing Sing Prison.

Our fourth meeting was in May in Pelham Manor at the home of Mrs. Edward Hudson. Mrs. George Steigler of the Red Cross was invited to speak to us with regard to a new project we are considering in connection with our war work. After our business meeting, which included a discussion of our constitution, a delicious war-time tea was served, all sandwiches and cakes being made of unrationed products. Recipes were furnished to all present.

We have collected \$185.25 this year through our magazine subscriptions. Our book group has found it necessary to give up meetings and exchange books by mail. Our bridge group has, to date, been able to continue, war stamps being given as prizes, and our knitting and sewing groups have been working hard all year.

We feel that we have kept our club going under truly difficult conditions and though our attendance at meetings has fallen off to quite an extent, we are pleased that we have done no worse and we are sincerely hopeful that we will be able to continue with at least as many as we have now.

BETA PROVINCE

AKRON

Our club has had nine meetings with an average attendance of 18. The opening meeting in September was a luncheon bridge at the Portage Country Club. Our guest speaker was Helen Hogue, a charter member of our club. She is now Women's Personnel Manager of the Thompson Aircraft Company of Cleveland. At the Christmas meeting a lovely Christmas story was given by Alta Clover. Louise Warden had the annual cooky-shine and Founders' Day party. At the January meeting Nancy Pearce gave an interesting talk on the Settlement School. We gave \$75 to the Settlement School, \$55 to the Red Cross, \$5 to the Pi Beta Phi Physical Therapy Fund, \$2.50 to the Loan Fund, \$1 to Holt House and \$15 to the Convention Fund.

EILEEN DISE HOLMQUIST

ATHENS

The Athens Alumnae Club's project for the past year was made in a joint gift with Ohio Alpha's active chapter in presenting an emergency blackout lamp to the City of Athens.

A large benefit bridge at the active chapter house netted sufficient funds to pay for the club's share. A bazaar, as well as a display of Settlement School articles, was held at the same time.

The supper meetings were well attended during the year and the club membership increased. Many members took an active part in Red Cross and Civilian Defense Activities.

Founders' Day was celebrated with Ohio Alpha at the active chapter house.

Five members—Helen M. Gray, Margaret Stalder, Lucille Finsterwald, Florence Nichols, Virginia Harger—served on the Alumnae Advisory Board during the year.

Contributions: \$5.00 to Holt House; \$3.00 to the Loan Fund; \$3.00 to Settlement School and \$5.00 to Red Cross.

HELEN GRAY

CINCINNATI

Our club has had a successful year, the average attendance being 13 out of a paid membership of 27. The highlights have been the Christmas party and the cooky-shine. At a luncheon in the fall, there was a display of Settlement School goods from which the sale amounted to \$316.61. The sale of calendars, Christmas wrappings and magazines was higher than usual. Plans are being made for a rummage sale next fall. Founders' Day luncheon was held May 1. The year closed with a party for the men at the country home of Mrs. George H. Bong (Estelle Robnett). We plan a party for Pi Phi newcomers in the Cincinnati area early in the fall in order to get acquainted with them and interest them in our projects. We gave \$135 to the Settlement School, \$10 to the Loan Fund, \$10 to Holt House, \$5 to Army and Navy Relief, and \$10 to local charity. Ohio Delta chapter was the recipient of our yearly gift to an active chapter in Beta Province.

MARY HERSHBERGER CLARK

CLEVELAND

The Cleveland Alumnae Club, which is divided into three groups this year, East Side, West Side, and Junior Auxiliary, has 129 paid members. We have had three joint meetings, October dinner, Founders' Day luncheon, and June picnic. The East Side group has had five additional meetings, the West Side has had seven, and the Juniors have had four.

Our contributions have been:

Settlement School	\$1,000.00
Red Cross	60.00
Loan Fund	10.00
Holt House	25.00

Gifts to active chapters were:

\$20.00 to West Virginia Alpha.
\$90.00 for an outdoor fireplace to Ohio Beta.
Punch cups to Ohio Alpha.

Arrowcraft goods sold amounted to \$650.05.

Mrs. F. L. Simmons, our magazine chairman, turned in \$63.00 in commissions, which was double that earned in any other year, and Mrs. J. E. Kewley made an all time record redeeming tax stamps. She has collected \$220.54 from that source.

KATHARINE L. BARTON

DAYTON

The Dayton Alumnae Club concluded a successful and interesting year with a June dinner meeting at the home of

Mrs. H. E. Jennings. We have been fortunate in finding many new Pi Phis here this year.

Most of our meetings have been dinners and have had an average attendance of twenty-five. Our first meeting last fall was at the country home of Mrs. Carl Henze in October. In November Mrs. Charles Mathews entertained us at her home, both for the regular monthly meeting and for the annual Settlement School bridge party and sale later in the month. Our club sent \$80 to the Settlement School.

The Christmas party and December meeting was at the home of Mrs. Benton Mellinger. This year each member brought toys which were taken to the Barney Community Center for the youngsters' holiday.

In January we met at the home of Mrs. D. L. Robertson. Mrs. Marion Crews had the group at her home for the February dinner and we went to Mrs. Joseph Cowden's in March.

Our Founders' Day luncheon was held this year at Rike's Dining Room on Saturday, May 1.

We were happy to send \$10 as our contribution to Holt House.

VIRGINIA ROWE HOLLAND

FAIRMONT

Fairmont Alumnae Club is now a year old, having been organized in May 1942. There is a resident membership of 14 and 4 other Fairmont Pi Phis have joined their husbands at training centers and one has joined the WAVES. One member was a member of I.C.

The club has had five meetings and a luncheon meeting to celebrate Founders' Day. Showing the Settlement School film at the meeting devoted to Settlement School gave us a better acquaintance with the school and surroundings.

Even though the club is barely in its infancy, contributions were made to Settlement School and Holt House.

MARGARET E. DARDEN

HARRISBURG-CARLISLE

The club year opened with a luncheon meeting in October. Officers were chosen and plans were made for the year. In November our club assisted at a Panhellenic tea. The January meeting included a business session followed by a social hour. At the February meeting the program consisted of book reviews of several current biographies. The March meeting was given over to a study of the Constitution and Settlement School. Founders' Day was celebrated with the usual luncheon. We have contributed \$200 to the Settlement School, \$2 to the Loan Fund, \$3 to Holt House and \$5 to the active chapter.

MARY RHEIN

MORGANTOWN

The Morgantown Alumnae Club had a successful year under the able leadership of Elizabeth Wade. We opened the year with a dinner meeting at the Hotel Morgan where all of our regular monthly meetings were held. In November we helped the newly formed Mothers' Club with a benefit bridge party in Elizabeth Moore Hall. In December we entertained the pledges of the active chapter with a Christmas party at the chapter house.

Our club entertained the Mothers' Club in February and the affair proved so successful that we plan to make it a yearly occurrence.

We joined the active chapter in celebrating Founders' Day with a cooky-shine.

The last meeting of the year was a breakfast for the seniors of the active chapter at the Sally Tea Room. A number of out-of-town alumnae were back for the affair.

Our club bought three new mattresses for the chapter house and contributed \$100 made at a rummage sale in March.

MRS. CHARLES H. AMBLER

PHILADELPHIA

The Philadelphia Alumnae Club experimented with a new system of meetings this past year, having four meetings for the club as a whole and the remaining months the meetings were held in sectional groups.

The 1942-43 season opened with a supper and business meeting in October at the lovely new home of Mrs. Henry G. Hood (Beatrice Whiteside) in Germantown. December 1 was the Christmas Tea which is held annually to promote the sale of Settlement School products to Pi Phi and their friends. The Founders' Day banquet on April 24 was held at the Cosmopolitan Club. A short business meeting with the election of officers was held and the program was highlighted

with Mrs. Gordon A. Meader (Aurelia Trauger) giving a group of readings in keeping with the Easter season. The picnic at the Villa Nova home of Mrs. H. Morgan Ruth (Isabel Jacobs) was a grand climax to the group's activities.

The monthly meetings were held among the individual groups including: Central City, Germantown, Main Line, and Chester County. These sectional meetings were fairly successful and it is hoped next year that they will prove well worth while, for with the restricted transportation for the duration the individual group meetings will hold the nucleus of the alumnae club together.

CAROL HAGAMAN MILLER

PITTSBURGH

The Pittsburgh Alumnae Club of Pi Beta Phi held five meetings during the year 1942-43, all luncheon meetings. In October orders were taken for Settlement School products and one of the members gave an interesting talk upon her experiences as a court tipstaff. At the Christmas meeting presents were collected to be sent to the children at Settlement School. The Constitution was the subject of the February meeting, and in April the club joined with the South Hills Club to celebrate Founders' Day. The new officers were installed at the last meeting of the year, and an interesting book review and a discussion of the group's various activities in war work were given.

The club bought a \$100 War Bond, and made the following contributions: Settlement School, \$50; Holt House, \$5; Loan Fund, \$2.50; gift to active chapter, \$5; Red Cross, \$15.

LAURA HAYS

SOUTHERN NEW JERSEY

The club has followed the usual pattern for the four meetings of the current year. Our meetings have been in the Walt Whitman Hotel in Camden, the business session being followed by a program in which some intimate part of the fraternity life was studied in detail. A social time at luncheon followed. The club is proud to report that every member is knitting and making surgical dressings for the Red Cross. In addition each of us is concentrating her service to her country in some special field such as the Grey Ladies or Canteen work.

On Founders' Day the club renewed allegiance to the principles of Pi Beta Phi, thus closing an outstanding and satisfying year. Our members are working informally this summer making afghans for the soldiers at Tilton Hospital at nearby Fort Dix.

RUTH H. GRAY

SOUTH HILLS, PITTSBURGH

The club opened the season with a supper on September 14. At this time plans for the coming year were made by each committee and the president, Mrs. G. H. Zimmerman. The monthly meetings have been well attended and the club has enjoyed a successful year. In April our club joined with the Pittsburgh Club to celebrate Founders' Day at a luncheon at the College Club. In June the club held its annual picnic to which the husbands were invited. We have contributed \$50.00 to the Settlement School, \$5.00 to the Loan Fund, and \$5.00 to Holt House.

MARY WALTON IDLER

TOLEDO

With the June meeting the Toledo Club will close a successful and pleasant year. In spite of war and rationing the attendance has been excellent, averaging between twenty-five and thirty out of a membership of thirty-nine. The September meeting was dedicated to the active chapter and in January we showed a color film of the Settlement School. The February meeting was in the form of a radio quiz, borrowing the name "Truth or Consequences," questions being based on the Constitution of Pi Beta Phi. Founders' Day luncheon brought as our honored guest Mrs. Hamilton, who has been a Pi Phi for more than fifty years. Timely and enjoyable programs have been presented at the other meetings. Sales of Arrowcraft goods amounted to \$235 and magazine sales to \$41. One of the club projects has been the donating of candy, cookies, magazines, and cigarettes to the USO. Our members have all helped in the war effort and we now have under consideration donating as a group to the Red Cross blood bank and also furnishing a day room at Camp Perry, Ohio. We have given \$20 to the Red Cross, \$35 to the Settlement School, and \$15 to the Loan Fund.

BETTYANN HODGE SMITH

GAMMA PROVINCE

BALTIMORE

The October meeting of the Baltimore Alumnae Club was a cooky-shine. Mrs. William Plummer (Margaret Torsch) was the hostess.

In November, the Settlement School Committee sponsored a tea and sale of Arrowcraft. Mrs. Donald Huenink (Mary Prewitt) was the chairman.

Mrs. Elsie Clark Krug was the guest speaker at the January meeting. Her program included the reading of Chinese poetry. Maryland Alpha actives were guests at this meeting. Peggy West was the hostess.

The March meeting was held at the active chapter's apartment near Goucher College. The speaker was Miss Wilma Shields of Louisiana Alpha. Miss Shields is assistant to the Field Director of the O.C.D.

Founders' Day was celebrated in April by a banquet at the Longfellow Hotel. Miss Leona Buchwald spoke on "Women in War." Maryland Alpha was present, and the senior induction into the alumnae club took place at this time. The program for the banquet was planned by a joint committee of the alumnae club and the active chapter.

Mrs. John Tottle (Helen Doll) was hostess at the June meeting, which was the annual luncheon and swimming party.

The contributions of the club for the year 1942-1943 include \$83.67 to the Settlement School, \$61.62 to Arrowcraft, \$10.00 to the Loan Fund, \$11.93 to Maryland Alpha, and \$35.20 net for the Magazine Fund.

JEAN CRITCHELOW SPECK

WASHINGTON, D.C.

The Washington Alumnae Club has maintained its average in membership and number of meetings despite wartime conditions. Of five hundred eighty resident alumnae, one hundred twenty-five were members of the club—ninety-seven in the senior group and twenty-eight in the junior group. Seven regular meetings, two in the afternoon, were held and were well attended. The D.C. Alpha active chapter joined us to celebrate Founders' Day at a luncheon at the Statler, at which Mr. Robert Sherwood, well known playwright, was the speaker.

With an unusually busy membership, personally active in war work, the maintenance of our Pi Phi contributions stands as more than an ordinary achievement. Our Settlement School contribution was two hundred dollars; smaller pledges were sent to the Loan Fund and Holt House. Our annual gift to the local chapter was continued. Three hundred forty dollars worth of Arrowcraft was sold. Magazine subscriptions for both the junior and senior groups amounted to six hundred twenty dollars.

The alumnae club gave a large tea in the fall before the college year began to which all local girls going away to colleges with Pi Phi chapters were invited.

Throughout the year we have cooperated with the City Panhellenic when called upon in providing chaperons for weekly U.S.O. dances at the Y.W.C.A.

All in all, it has been a very busy and varied year.

HELEN N. HERZOG

DELTA PROVINCE

ANN ARBOR

The members of our club have been engaged in many phases of war work. Mrs. Palmer Christian (Lois Wilkinson) is chairman of the Blood Donor Service of Washtenaw County and Mrs. Charles Fisher (Elsa Apfel) is chairman of the Neighborhood War Clubs of Ann Arbor. Last November the active chapter invited the club members to a tea in

honor of Mrs. Mildred Cricker, the new house mother. In January the club gave a tea for our new members. On May 1 we celebrated Founders' Day and also held the annual meeting of Michigan Beta Alumnae Association. Pledge luncheon and initiation were combined into one day's program. Eleven upper classmen pledged last fall and sixteen freshmen pledged this spring.

RUTH G. GAULT

BLOOMINGTON, INDIANA

The Bloomington Alumnae Club held seven regular meetings this year. The opening meeting in September was held at the chapter house. Special problems of the active chapter were considered.

At the November meeting, Indiana Beta pledges were honored, with a chop suey supper at the home of Mrs. Stith Thompson.

A very successful white elephant sale to raise money for the Settlement School was held in December. Mrs. William Thornbury was hostess.

Seniors of Indiana Beta were entertained at a dessert meeting at the home of Mrs. Bo McMillin in March. The induction of seniors in the alumnae club was held at that time.

The annual contributions to Settlement School, Loan Fund, and Holt House were made.

As a part of its war time service, the club periodically donated cookies to the U.S.O. Center here. Many members of the club have been active as U.S.O. hostesses, working in Red Cross and assisting with the Day Nursery.

ANN NOBLE

DETROIT

Due to gas rationing, the club has had only two general meetings during the year. In November, we had a membership dessert bridge and in May, the Founders' Day luncheon at the Book-Cadillac, with a showing of the Settlement School film, after a few brief talks and the candle-lighting ceremony.

The four sectional groups have had excellent attendance at their monthly meetings and have rolled bandages for one of the larger hospitals all winter. The East group has donated sandwiches to the U.S.O. We also have \$149 in War Bonds and have given \$28 to the War Chest.

The club has contributed \$100 to Settlement School, \$5 to Holt House, and \$10 to the Loan Fund.

DOROTHY GRAY JOCELYN

FORT WAYNE

Fort Wayne Alumnae Club members enjoyed a rather quiet season. With 34 active and 9 inactive members the roster was considerably depleted in comparison with former years. This has been due mostly to the departure of so many members to join their husbands in service at their posts of duty, and also because others have answered the call for volunteer women war workers and have busied themselves with full time jobs in industry or business. During the year two programs devoted to subjects concerning the war were held. Mrs. Edgar Mendenhall presented a program on nutrition in connection with her activities as head of the Fort Wayne "Army in Aprons." At another meeting members contributed jellies and canned goods and sewed on articles for the College Club Day Nursery, sponsored by Panhellenic, and whose capacities have been greatly overtaxed due to the strains of war needs. At the opening of the season a poll showed that approximately 90 per cent of the members were actively engaged in war work, including USO, Red Cross and Service Men's Club, which are busier here than in some places because of the location in Fort Wayne of two army camps, Camp Scott and Baer Field. Because of this it was felt unwise for the club to undertake any project of its own and the club was maintained mostly purely on a social basis and service as a source of real relaxation for its busy members. Contributions were made from dues only, and were as follows: Settlement School, \$10.00; Holt House, \$5.00; and Loan Fund, \$5.00.

FLORENCE HOLMGREN

FRANKLIN

Our club year began last fall with the presentation of the Humanities Award to the Pi Beta Phi senior girl at Franklin College showing the most interest in art, music, and drama. At the Settlement School meeting articles were displayed and quite an increase in sales over previous years resulted. The constitution meeting was a most enjoyable one for we were all refreshed on Pi Beta Phi rules and regulations by means of a "quiz" program. The founding of Indiana Alpha was celebrated in January, two of the founders being honor guests. Because of the shortening of the college year we dispensed with our social meeting. The new officers were installed at our April meeting.

With a membership of twenty-seven, our contributions for the year were: Settlement School, \$5.00; Loan Fund, \$2.50; Holt House, \$2.50.

Our group has offered the services of its members on Friday nights at the U.S.O. Jane Deming attends their monthly meetings as alumnae club representative. Although not representing the Franklin Alumnae Club as a group, many of our members are active at the local Red Cross Headquarters.

Our club year formally over, we still have in store a Commencement Dinner to be held May 8, for members of Indiana Alpha.

JEAN RIDER

GRAND RAPIDS

Looking back over the winter of 1942-43 we feel that our club has had a most successful year. The meetings have been well attended and our treasury always in the red—in fact we have been so rich that we managed donations to the Red Cross and the Herald Santa Claus girls.

But our real progress is not written into the minutes of our meetings; it is in the increased friendliness which has developed in each of us for the others of our group during a winter when our ranks have been depleted by death and accidents and by the loss of members because of the war.

HENRIETTA MCG. SULLIVAN

INDIANAPOLIS

The Indianapolis Alumnae Club of Pi Beta Phi opened the year with a luncheon at the Indiana Gamma House at Butler University in September. Members of the club who attended the installation of Indiana Epsilon at DePauw University gave an enthusiastic account of Indiana's newest chapter of Pi Beta Phi which the Indianapolis Alumnae Club had sponsored.

The club program has included speakers from the Indiana State Legislature, Office of Civilian Defense, Indiana State Library, and Better Business Bureau. Because of gasoline rationing, a number of meetings have been held at the Central Y.W.C.A. in the downtown section of the city.

The Indianapolis Alumnae Club entertained more than six hundred soldiers at a Thanksgiving Eve party at the U.S.O. center. In addition, many members of the club are engaged in war activities.

The annual Pi Beta Phi State Luncheon in honor of our Founders was held at the Indianapolis Athletic Club on April 24, 1943. Pi Phis living in the city and in the vicinity of Indianapolis attended.

The Indianapolis Alumnae Club sponsored a play at the Civic Theater in November as their money-making project for the Settlement School and made more than two hundred dollars. At Christmas, the club gave subscriptions to *Life Magazine* to the active chapters in Indiana. A gift of twenty-five dollars was sent for the new national wartime project, the Pi Beta Phi physical therapy fund. Mrs. Virginia Brackett Green, Indiana I, will be president of the club again next year.

MARTHA W. SCOTT

LAFAYETTE

Reports show that the Lafayette Alumnae Club has enjoyed a successful and worthwhile year under the direction of Mrs. Mary Lynne Barrett.

Six monthly meetings were held in addition to the annual Settlement School tea in November and the March bridge party. In December and April dinner meetings were given, honoring the graduating seniors, at which time they were presented with Pi Beta Phi cook books. The January pledges were entertained at the February meeting.

Funds have been raised through the sale of Settlement School products, the total sales amounting to \$325, and one bridge party.

Contributions were sent to the Settlement School, active chapter, Loan Fund, and Red Cross Loan Fund. An afghan of wine and blue was presented to the Red Cross. The club also furnished a recreation room at the chapter house. Members have participated actively in war work. Many helped sell war bonds and stamps at the Panhellenic booth in a downtown store. The club took an active part in the local Panhellenic organization. Several members attended the State Founders' Day Luncheon.

The year's activities terminated with the installation of officers at the May meeting. Every member looks forward to a busy and interesting meeting next fall.

MARY MATHER

SOUTHWESTERN INDIANA

The Southwestern Indiana Alumnae Club has enjoyed another profitable year. As in years past, supper meetings have been held at the homes of Evansville members on the second Monday of each month. Unfortunately, the attendance has been confined to Evansville residents, due to war time travel restrictions.

Settlement School products were displayed during November and December and a sizeable profit was obtained from the sale of them.

All members are volunteering their services in one manner or another in the war effort. As a group project, the club

decided to fill Christmas stockings for the boys in service. Several hundred of them were distributed at the Red Cross Canteen during the holidays.

During the Christmas holidays, a luncheon bridge was held at the Mayfair Party House for the actives who were home for their vacations.

The last meeting of the year will be a box lunch picnic, to which husbands are invited. Plans for summer rushing are being formulated. During the summer the members also hope to contact Pi Beta Phi who have recently moved to Evansville.

JANE LUDWIG TURNER

EPSILON PROVINCE

CHATTANOOGA

The club has held regular monthly meetings on the second Wednesday evening of each month and the attendance has been unusually good. The afternoon group and the evening group have combined due to the acute transportation facilities. All felt it best to meet together.

We were most happy to have Mrs. R. S. Wild with us for our May meeting. The newly elected officers entertained her at dinner at the Read House after which she attended the regular monthly meeting. The new officers for the year 1943-1944 were installed at this meeting. Mrs. Wild gave many helpful suggestions which we shall adopt very soon.

The June meeting was held at the chapter house and the alumnae club had as its guests for supper the 1943 graduates of the University of Chattanooga. Gifts were presented to each guest of honor.

The Mothers' Club also entertained the graduates at a tea on May 30. This is an annual party given by the Mothers' Club and is always held on a Sunday afternoon.

NANCY STONE GARDNER (MRS. HUGH P.)

COLUMBIA, MISSOURI

The Columbia Alumnae Club's gifts to national projects during the last school year included \$100 to the Settlement School in addition to magazine commissions of \$43.40, \$5 to Holt House, and \$5 to the Loan Fund. At the annual Settlement School tea, \$249.75 worth of goods was sold. In February the club entertained Missouri Alpha chapter at dinner.

Mrs. Edwin L. Holton, assistant to the grand treasurer, visited here in April and was honor guest at a meeting at the home of Mrs. H. E. Scurlock. Officers who came to Columbia in the fall of 1942 were Mrs. Robert Wild and Mrs. Donald Lyons.

Alumnae and actives celebrated Founders' Day at the house, and scholarship awards consisted of a bracelet presented to Jeanne Rogers by the club and a ring given to Barbara Old by the chapter.

In May Mrs. Leigh M. Trowbridge returned to Columbia for the duration and was appointed Settlement School chairman for the coming year.

Nancy Cortelyou was chosen president of the corporation in charge of business affairs in May, succeeding Mrs. Norman Asel, who left to join Mr. Asel in St. Louis.

Although wartime activities have been carried on by the club, the organization has continued all Pi Beta Phi projects

under the leadership of Mrs. Hartley G. Banks, who has been re-elected president.

QUEEN SMITH

MEMPHIS

Monthly pot-luck luncheon meetings have been held throughout the year with splendid attendance. With a large naval base and the Fourth Ferrying Group located in Memphis we have welcomed many new and interesting Pi Phis. Our efforts and programs have centered on war work, the book reviews dealing with world affairs. The chief events on our social calendar have been the luncheon for Mrs. Donald Lyons, our province vice-president, the Christmas party for husbands and escorts, the Founders' Day luncheon and a post-season picnic. Brooks Memorial Art Gallery had a lovely display of Settlement School products during the month of May and many articles were sold. As our contribution to our nearest active chapter, Tennessee Beta at Vanderbilt, the club made attractive guest towels. We sent \$5 to the Loan Fund and \$10 to the Settlement School.

VIRGINIA HINKLE UMSTED

NASHVILLE

The Nashville Alumnae Club held nine regular meetings from September through May. In October the club entertained the pledges of Tennessee Beta with a Coca-Cola party at the home of one of the alumnae. Renewed interest was gained from the visit of Mrs. D. E. Lyons in December. This year the sale of Arrowcraft Products was the most successful yet, totaling \$341.91.

Dean Blanche H. Clark, dean of women at Vanderbilt University, was honored at the January meeting, when she addressed the club. Work on magazine subscriptions was profitable, the total being \$125.17 with earned commissions of \$47.57. A contribution of \$10.00 was sent to the Settlement School; \$2.00 to Holt House, and \$1.00 to the Loan Fund. The club gave \$10.00 to be used at the Soldiers' and Sailors' Lounge at the Nashville Union Station.

Tennessee Beta and the alumnae group observed Founders' Day with a box supper held at the chapter house. Cousins were given to the seniors at this time.

A picnic supper in May concluded the year's activities. This was a farewell party for Mrs. E. B. Wagner, who has gone to Los Angeles to make her home for the duration. Mrs. Wagner was an outstanding member of the club and active in Red Cross work in Nashville.

FRANKIE M. PARKER

ZETA PROVINCE

JACKSONVILLE

One of the most successful years in the history of the Jacksonville Alumnae Club was recently brought to a close by the inauguration of the new officers by Mrs. Frederic Foill, retiring president. In magazine subscription sales, under the chairmanship of Mrs. Kenyon Parsons, our club has skyrocketed to a position among the eight highest in the country in magazine sales. The Arrowcraft sales, under Mrs. Earl Harby's direction, totaled about \$350, a record for this club.

Rushing was very successful, with several new Pi Phis added to the Jacksonville list. Last but not least, the club found new inspiration in working together on the war project survey we undertook for the Jacksonville Community Chest—"Youth in Conflict with the Law." Contributions made by the club were: \$25 to Settlement School; \$10 to Loan Fund; \$5 to Holt House.

The programs at the meetings throughout the year were very interesting and stimulating. Mrs. Walter Schultz, membership chairman, has done an excellent job of contacting new members. We have enjoyed knowing the many new members among Army and Navy wives stationed here temporarily, and will be very regretful to tell them good-bye. With war work as our prime interest we are looking forward to another busy year.

(MRS. W. F.) WINIFRED YANDELL

MIAMI

The Miami Alumnae Club has enjoyed a successful year under the capable leadership of Mrs. J. E. Lindley (Lillian Ellison). The club started the 1942-43 year with a banquet at the Coral Gables Country Club honoring rushees. Later in the summer a dance was given which was a financial success enabling the club to send to the Settlement School \$50.00, Loan Fund \$15.00, Holt House \$5.00, and the War Chest \$25.00.

Our monthly luncheon meetings were well attended in spite of gas rationing and the active part the club members have been taking in war work. Outstanding meetings of the year included the Settlement School program in November, the Christmas luncheon at the Towers honoring the actives and pledges of this area, and the Founders' Day celebration in April. Highlighting the cooky-shine was the Founders' Day skit written by Missouri Beta. Authentic costumes were worn. New officers were installed at this meeting. An Arrowcraft sale was held at the Christmas luncheon.

Two books, *Our World and Guadalcanal*, were presented to the Settlement School library.

The Miami Club is very proud that one of its members, Helen Cavanaugh Lloyd, was made province vice-president this year. Her presence at our meetings has been an inspiration and a great help to us.

VIRGINIA P. WOOLLEY

ETA PROVINCE

AVON (LIBBIE BROOK GADDIS)

The Libbie Brook Gaddis Club, with a membership of fourteen, has held six meetings during the past year, with an average attendance of nine. One meeting was given over to sewing for the Fulton County Red Cross.

Magazine subscriptions were received to the amount of \$10.95.

Contributions were as follows: Settlement School \$4.00, Loan Fund \$3.00, Monmouth Alpha \$4.00, Illinois Beta-Delta \$4.00, and Holt House Fund \$4.00.

EDITH CRISSEY

CHAMPAIGN-URBANA

Champaign-Urbana Alumnae Club has had 43 paid members out of the 62 resident alumnae. Our dues are \$2. We had eight meetings. Programs consisted of talks on Pi Phi alumnae affairs, reports on the active chapter, Illinois Zeta, talks on national affairs, a card party, an evening of travel pictures. We celebrated Founders' Day with the active chapter at the chapter house. The Settlement School tea was the most successful we have ever had, making possible our sending \$70. We gave \$150 to the active chapter and made a contribution to the Red Cross. During the year the freshmen and seniors were guests at an evening meeting. Mrs. Stoolman remains in St. Luke's hospital in Chicago.

RUTH BELL

CHICAGO NORTH

During the past year the three groups of Chicago North Alumnae Club have had four large joint meetings: cooky-shine, Settlement School tea, spring luncheon, Founders' Day luncheon. The three groups have met regularly every two weeks for dessert and bridge. The board has had monthly meetings.

The club has sent contributions to the Loan Fund, Settlement School, and the Monmouth College chapter. We sent boxes at Christmas to Settlement School.

Last summer we had a benefit bridge for China Relief. In the fall we sponsored several Overseas Nurses Units, sending gift boxes and letters until government regulations curtailed overseas shipping. Our latest war project is knitting scarves and helmets for the Navy men stationed at Glenview Air Base.

Several of our members, whose husbands are in the armed forces, have moved away from Chicago. We are sorry to lose them, and only hope they will return and be with us again.

Chicago North extends welcome to all Pi Phis in the Chicago North area and urges all newcomers to Chicago to contact Mrs. John P. Madden, 7426 N. Damen Ave.

ELEANOR WHITE PANNIER

CHICAGO NORTH SUBURBAN
(NORTH SHORE)

1942-1943 REPORT

126 dozen cookies to U.S.O.	50.00
5 boxes to nurses overseas (value \$10.00 per box) .	50.00
Army helmets and scarfs knitted	
Apples, playing cards, and magazines to Service Men's Center	
50 U.S.O. scrapbooks filled	
40 "Christmas stockings" sent to boys in armed services	

RUTH A. ERICKSON

CHICAGO SOUTH

Another interesting and busy year for Chicago Alumnae Club South under the leadership of Mrs. J. P. McShane terminated with a most enjoyable Founders' Day Book Tea at the home of Mrs. T. C. Browning, Mrs. Warren T. Smith, Grand Vice-President, was an honor guest. She was as delighted as we with our "silver offering" which will make possible the purchase of \$50 worth of books for the library of the Settlement School. Our contributions of \$100 for the Settlement School and \$10 for Holt House have been forwarded.

Mrs. Smith's visit was indeed a pleasure. She told us about the new chapters, Indiana Epsilon and Connecticut Alpha, and many highlights about Pi Phi in general. We are eagerly anticipating the Pi Beta Phi National Project of the establishment of scholarships for physical therapy study. This is indeed a vital contribution to the war effort and to the rehabilitation program following the war.

We continue to receive grateful letters from the many nurses to whom we sent gift boxes. At present we are planning a Pi Phi Day party to be held in August for the men of the South Shore Naval Aviation Training School.

Despite changes in membership due to general war conditions, our attendance is very good and interest in Pi Phi remains intact. Our new president, Mrs. R. C. Febworth, who is likewise president of the Chicago Area Council, anticipates an active year for the Chicago Alumnae Clubs.

VELVA DEMOSS SHORTZ

DU PAGE (NINA HARRIS ALLEN)

Because of the gas rationing, the Nina Harris Allen Alumnae Club held only five meetings this year. There were fourteen paid members.

During the fall, the club sent boxes to the Army nurses overseas. In December the club sent books to the Settlement School instead of the usual Christmas box of toys.

Ten dollars was sent to the Settlement School, five to the Loan Fund, and five to Indiana Epsilon chapter at De Pauw University.

The final meeting was a "covered dish" supper, held at the home of our president, Mrs. F. W. Homan. This was in observance of Founders' Day.

FLORENCE GENTRY

ELGIN

1942-1943: Resident alumnae, 13; paid membership, 11; amount of dues, \$2.00; number of meetings, 4; average attendance, 9; Settlement School, \$5.00; Magazine Fund, \$7.50; Loan Fund, \$1.00.

The Elgin Alumnae Club held four meetings during the past year. We had thirteen resident members with an average attendance of nine.

We feel the loss of so many of our members from our small organization. Lucy M. Malvern (Mrs. Lewis K.) has left Elgin to establish her home in Winter Park, Florida. Others who have left to join their husbands in service are Mary Coleman (Mrs. Charles), Katherine Dougherty (Mrs. Emmett W.), Beth F. Dunn (Mrs. E. H.), Ruth T. Wiekhorst (Mrs. Lovel T.) and Barbara H. Estes, whose husband has been transferred to Dayton, Ohio, where he is in production engineering of the Bombardment branch. Both Lieutenant and Mrs. Estes hold pilots' licenses.

The club held the four required meetings covering the Settlement School, the Constitution, and the Founders' Day programs. No special project was undertaken by the club this year. Each member of Pi Beta Phi is actively interested in Red Cross work; however, war work as a unit was not attempted due to the size of our club.

MARION V. H. MARTIN

FOX RIVER VALLEY

Our club had seven meetings during the past year, all of them held in Appleton or Neenah. The alumnae have been active in rushing this year. We had a supper for the Pi Phis in the graduating class at Lawrence College and we have kept in close touch with the active chapter there. We have sent contributions to the Loan Fund, Holt House, and the Settlement School. Our members have all been active in various forms of war work. We look forward to the future when Pi Phis from neighboring towns such as Oshkosh, Manitowoc, and other towns in the Fox River Valley can again attend our meetings.

ALAINA MEYER HARTWELL

GALESBURG

Our meetings were limited to six this past year in view

of transportation difficulties and the accelerated war time schedule of our members. The opening function was the annual rushing dinner followed by four dinner meetings held in the homes of members. Founders' Day banquet was held in the Oak Room of the Galesburg Club on April 28. Eighty persons were present including members of the active chapters, alumnae, and patronesses. After the presentation of awards to members of the active chapter, fraternity songs were sung and a clever minstrel show was given. The banquet was followed by the annual alumnae business meeting. We have given \$50 to the War Chest, \$25 to the Red Cross, and \$25 to Illinois Beta Delta. We are in charge of the Service Men's Center on certain days.

DOROTHY GARVER

JACKSONVILLE, ILLINOIS (AMY B. ONKEN)

The club opened the 1942 season with a picnic at the beautiful home of Mrs. Charles Drury. Mrs. Erma Elliott Johnston of Jacksonville was elected president, Mrs. Roy Sudbrink of Beardstown vice-president, and Miss Marianne F. Landon of Jacksonville secretary-treasurer. Miss Mary Frost of Denver and Mrs. Charles Miller of St. Louis were guests. The September meeting was at the home of Miss Onken in Chapin and in October we were guests of Miss Katharine Bagby in Rushville. In November Miss Janette Powell gave a tea at which she showed figurines of the Twelve Founders with a description of each person depicted. Later in the month a group from our club went to Monmouth when these figurines were placed in a cabinet at Holt House. Founders' Day was celebrated with a luncheon at the Dunlap Hotel. We have given \$12 to the Settlement School and \$4 to Holt House. The final club meeting in May was held at the home of Mrs. Charles Rhodes in South Jacksonville when officers were elected. We have fourteen paid members.

MARIANNE F. LANDON

MADISON

The Madison Alumnae Club has completed its meetings and will not resume meetings until September, before rushing. Owing to inclement weather and considerable illness we had only four meetings at homes and the fifth was the Founders' Day gathering at the Pi Phi house for the alumnae.

THETA PROVINCE

BURLINGTON, IOWA

As is customary four meetings were held by the Burlington Alumnae Club during the 1942-43 year. A supper party held October 22 at the home of the president, Mrs. Emil Gerdes (Edythe Beard), was the initial meeting and plans were formulated for the year. Mrs. William F. Gilman (Edna Uhler) opened her home for the Christmas dinner party December 3 at which time a box was packed for the Settlement School under the supervision of Mrs. William F. Weibley (Fthel Cowan).

At the February 11 meeting held at the home of Mrs. Harold I. Wilson (Lucia Hurd), Mrs. S. A. Knapp, province vice-president, was the honored guest. Founders' Day was observed with a banquet at the Burlington Golf Club house and, as has been done regularly for the past few years, a gift was sent to the Settlement School.

A highlight of the year was the Settlement School tea held at the Iowa Ordnance Plant Recreation Center November 3. Panhellenic members residing in the I.O.P. area assisted with the courtesies of the afternoon which not only benefited the Settlement School, but afforded an opportunity for newcomers to meet local townpeople.

During the year contributions were made to the Settlement School, Holt House and the Loan Fund. No war work has been undertaken by the club as a unit but each member is conscientiously doing her share to the best of her ability.

ELINOR T. LUNDGREN

CEDAR RAPIDS

The Cedar Rapids Alumnae Club held four luncheon meetings and five dinner meetings during the year. Nineteen members were enrolled and we had an average attendance of fourteen. We made \$28.70 commission on magazine subscriptions and \$26.35 at a rummage sale. \$35.00 was sent to Settlement School. Members have been active in Red Cross work, canteen and nutrition classes. Velma Geiger was city chairman of the latter.

The year closed with a cooky-shine at the home of Alice Howe Barry. Rena Hubbell of Washington, D.C., Iowa Zeta, was welcomed as a new member. An interesting program on "Our Founders" was given by Velma Geiger. Rushing

Our average attendance for this year was about 20 members, with a paid membership of 23.

This year we contributed \$25 to Settlement School, \$10 to the Loan Fund, and \$20 to our Madison Community Chest.

This year we entertained the seniors at our November meeting instead of waiting until the end of the school year when they are so busy. Our last meeting was held in May at the home of Mrs. Richard Woodman, at which there was a large attendance. We elected new officers for the coming year and discussed the rushing list for Fall.

We are hoping and expecting to have monthly meetings again starting in the Fall, and our new officers want to get some new members to offset those we have lost. As our members have their own individual war activities, we do not do war work at our meetings, other than knitting which many of the members bring to meetings.

MRS. JOHN I. FELSHER

MILWAUKEE

Our club has held nine monthly meetings at the homes of members except for the Founders' Day banquet which was held at the White Manor Inn. Our average attendance has been 25. The sale of Settlement School goods amounted to \$621.75, magazine subscriptions to \$39.22. We sent \$200 to the Settlement School and \$10 to Holt House. Twenty-five cents was collected from each member attending each meeting to take the place of small group donations collected in previous years. As a final project of the year, the club went as a group to the Red Cross to make blood contributions.

FRANCES D. WYCOFF

SPRINGFIELD, ILLINOIS

Our club has had a membership of twenty-five this past year. Each member sold old clothes and junk in order to earn money, thus enabling the club to send \$30 to the Settlement School and \$5 to the Loan Fund. During the year we have had six meetings, including a tea, a Christmas party, a Valentine party and a Founders' Day luncheon.

WINONA W. DENNIS

was discussed and plans made for assisting the active chapters with rushing by giving a party in the earlier part of the summer. Our club has had a happy and enjoyable year under the leadership of Mrs. Nichols.

MADGE ELLIOTT FISHER

DULUTH-SUPERIOR

The Duluth-Superior Alumnae Club has held its meetings quite regularly this year, in spite of changing conditions, on the first Saturday of each month. Nineteen out of about twenty-five resident Pi Phis are paid members. Our contributions have necessarily been cut somewhat and we were able to send the Settlement School only \$40.00. We did sell some Arrowcraft products, which we feel is also a contribution. We are very happy to welcome Mrs. C. A. Berlin (Alice Murray), Washington A, and Mrs. A. M. Harwood (Nyta Latimer), Iowa A. Our last meeting was a picnic luncheon at the home of Gladys Bowman. Gasoline rationing will deprive us of one of the most anticipated events of the year—the all-day picnic at Lake Minneaug. Genevieve Launsbury's summer place. We were sorry to have Mary Stewart move away from Duluth.

RUBY BURTNESS OLMSTEAD

INDIANOLA

Our club had 23 paid members this year and an average attendance of 15 at the monthly meetings. We gave \$5 to the active chapter, \$5 to the Loan Fund, and \$5 to the Settlement School, besides magazine commissions.

In October we had a shower for our president, Ruth Greenwalt Parsons. In November we served the Homecoming dinner, and held a successful rummage sale with the Mothers' club. In December we acted as hostess at a reception in her honor following Harriet Henders' concert. In February we served the initiation breakfast for the actives and Mrs. Ann Tauber of Ames, our visiting province president.

One of the highlights of the year was our Founders' Day celebration, when the Indianola members of the Order of the Golden Arrow served tea to the actives and alumnae, with our Grand Vice-President, Mrs. Smith, and Miss Mary

Craig of Des Moines, who has been a Pi Phi for 60 years, as our special guests. Last Christmas we sent out our annual letter to the members of the Order of the Golden Arrow for the second time.

We have not done any war work as a club, but every member has been busy making surgical dressings, garments, quilts, and sweaters, and attending first aid classes.

AGNES WRIGHT STONE

IOWA CITY

The 1942-43 calendar of events for the Iowa City Alumnae Club was one filled with activity. Members devoted many hours to local war-time activities, including Red Cross, civilian defense and similar organizations. Assisting with the entertainment of servicemen at the Hospitality Club was one of the projects in which the group participated.

Monthly supper meetings were held and three of them were with the active chapter; the annual scholarship dinner, the building corporation dinner, and the Founders' Day celebration. At one meeting the pledges were feted, and at another the graduating actives were honored.

In its work with the active chapter, the alumnae club assisted with the rushing program and joined in the entertainment of visiting province and national officers.

Contributions made during the year included \$25, Settlement School; \$15, Iowa City Red Cross; \$5, Hospitality Club.

EULALIA K. SEILER

MINNEAPOLIS

We have had a full and pleasant year. Our program was varied and full of interest, providing plenty of opportunity for renewed friendship. We have welcomed several new alumnae and are always very happy to have them with us. The Founders' Day banquet, which was well attended, was so informal and enjoyable that members were loath to go home. The club made the following contributions this year: Settlement School, \$25.00; Holt House, \$1.00; Loan Fund, \$10.00; active chapter gift, \$13.00. We look forward to an active year during 1945-1944.

CHARLOTTE L. CHOPE

IOTA PROVINCE

CASPER

The Casper Alumnae Club held nine meetings during the year 1942-43. Among the activities of the year were: Individual summer rushing followed by the regular rush party in September; annual rummage sale in October; dedication of a magazine subscription to the Hospital Room at the Army Air Base at Casper and contributions to the Cooky Jar at the Casper Service Men's Center; attendance at Panhellenic meetings; Christmas gift to active chapter at Laramie; \$10.00 prize to Casper Alumnae Club for the highest commission per capita in magazine sales. Two members of the Casper Alumnae Club have joined the Women's Service Organizations; Dorothy Marshall enlisted in the Spars and Bernice Mitchell in the Marines.

Contributions for the year were: Settlement School, \$10.00; Loan Fund, \$1.00; Holt House, \$1.00; Wyoming Alumnae Chapter, \$15.00.

The final meeting of the year was the Founders' Day Celebration at the home of Mrs. Cecil Bon.

BETTE J. NEWMAN

COLORADO SPRINGS

The Colorado Springs Alumnae Club held only the required four meetings during the past year, instead of the usual six or seven, due to the many war activities of our members. Shortly after the first meeting, our president, Mary Foster Haney, whose husband is in the medical corps of the army, moved to Denver for the duration and Mildred Jean Martin completed the term.

Money was raised for the Settlement School by assessing each member one dollar in addition to regular dues. Also, we uncovered a "gypsy basket" which had been circulating for several years and found it to contain five dollars and a quarter, which was put in the treasury. Sixteen dollars was sent to the Settlement School, three dollars to Holt House, and three dollars to the Loan Fund.

At our Founders' Day luncheon, the following officers were elected for the coming year: Allene McCully Brugger, president; Em Moore Dobbins, vice-president; Lucile Adams, secretary; and Helen Jean Stewart Burton, treasurer.

LUCILE ADAMS

SIoux CITY

An average of ten members attended the six regular meetings of our club during the past year. Our province vice-president, Mrs. Knapp, paid us a delightful visit recently. The active chapter at the University of South Dakota joined with the alumnae club in celebrating Founders' Day. There was an interesting program about our Founders followed by the singing of fraternity songs. We have given \$10 to the Settlement School.

JANETTE WALLING

WINNIPEG

The past year in the Winnipeg Club has been a very active one, starting in September with the organization meeting and rushing tea. In preparation for the Thrift Craft sale, a Talent party was held in October, and in November a party for the new pledges was held.

The Thrift Craft sale in December was even more successful this year, the proceeds going again to The Winnipeg Bundles Unlimited, for civilian relief overseas. The alumnae continue to work in groups making layettes, afghans, and clothing. Mrs. Klein entertained the club delightfully at her annual Christmas party. The initiation banquet was held in January at the Fort Garry Hotel. The February meeting, a supper-bridge, was also the Constitution meeting and was held in the form of a quiz contest.

The Settlement School meeting was in March and also the nominations for the new officers.

Founders' Day was observed with a banquet instead of a luncheon.

The elections were held in April, and in May the annual meeting.

About 25 Manitoba Pi Phis have volunteered as hostesses and canteen workers for the United Services Center here. Jean Menzies is in charge of this group. The Settlement School was sent \$4.00, the Loan Fund, \$2.00, Holt House \$1.00. The Pi Phi week-end was held at Gimli, Manitoba, on May 22.

MARY ROGERS

DENVER

Our club held eight regular meetings during the year including the Founders' Day celebration. Attendance has been good in spite of war restrictions and duties. We have alternated supper and luncheon meetings. Our programs have included one on the Settlement School, one on The Writing of the Short Story and one on The Children of Wartime England. Members from Colorado Beta were hostesses at one meeting and we held our usual Christmas party. There was a Settlement School tea and sale and a tea for the graduates coming into the club. We gave \$300 to the Settlement School, \$5 to the Loan Fund, \$10 to Holt House, \$75 to Colorado Beta rushing and \$40 to the Needlework Guild. An interesting and successful project has been the decorating and furnishing of a Day Room for the WAACs at Lowry Field. A total of \$217 was raised for this purpose.

MILDRED BAILEY MACDONALD

MANHATTAN

The club year opened with a cooky-shine and business meeting after fall rushing. Besides regular meetings, we have met at a luncheon for initiates and patronesses, the Founders' Day banquet, and a spring picnic.

Province President Colita Aitken met with the advisory board in October.

The club has one hundred per cent membership. There are thirty-one members. Our contributions for the year have been: Settlement School, \$100.00; Arrowcraft, \$945.00; Holt House, \$5.00; Loan Fund, \$5.00; Magazine Agency, \$34.25; City Panhellenic, \$7.25; Rushing, \$5.00; House Christmas Gift, \$25.00.

EDITH McCAULEY PEAK

OMAHA

Outstanding events of the year for the Omaha club were the Christmas tea for Pi Beta Phi mothers and active members; a Founders' Day luncheon, April 21, when Ruth Barrett Smith, Grand Vice-President, was our guest and speaker; and a picnic in May. A three-day sale of Settlement School products in November brought in a total of \$451.20.

Paid membership of the club numbered forty-three. Contri-

butions to fraternity projects have been: Settlement School, \$100, including \$22.10 from magazine sales; Loan Fund, \$10; Holt House, \$5; and to Nebraska Beta Chapter, \$25. Other donations included \$15 to the Community Chest and \$20 to the Red Cross. We also furnished and served refreshments at an invitation reception held by the U. S. Navy, for the purpose of creating interest in the WAVES, among college women.

It is planned to make an intensive drive to enroll all Omaha Pi Beta Phi alumnae next year, with a special welcome for newcomers, in order to increase the attendance and activities of the club.

HELEN CHRISTY MAY

POUDRE VALLEY

The club has held four luncheon meetings this year in the homes of members. With a membership of fifteen there has been an average attendance of eleven. Our club activities have been somewhat reduced because of war duties but the year has been a profitable one. Our Magazine Sales commission amounted to \$5.90 locally. In addition, one of our members took out other subscriptions to be credited to our club. We have contributed \$3.00 to the Settlement School, \$1.00 to Holt House, and \$1.00 to the Loan Fund. Our gift to the nearest active chapter (Denver) was a handsome wooden tray. At our closing luncheon in May we showed films of the Settlement School which were most interesting. We are glad to welcome at our meetings those Pi Phis whose husbands are in the service.

NORMA L. NYE

KAPPA PROVINCE

AUSTIN

The year's activities for Austin Alumnae Club started in August with a luncheon for rushees. In October, a tea was given for new pledges.

A successful Settlement School tea was held in November at the chapter house. Also, several rummage sales were held during the fall. From these projects, the club was enabled to send \$100.00 to the Settlement School and \$5.00 to Holt House.

The club entertained with a Christmas party at the house for enlisted men of Bergstrom Air Base at nearby Del Valle. Later, a terrestrial globe and ash trays were given to the day room at this field.

In April, the club, with the active chapter, celebrated Founders' Day with a dinner at the Austin Country Club.

During the coming year, it has been decided to have all meetings at the chapter house, because of its central location. No refreshments are to be served.

The club gave \$10.00 to Texas Alpha for a summer rush party.

Due to the war, the membership changes continually. The club misses its members who have moved away, but also derives great pleasure from welcoming Pi Phis who move to Austin from all parts of the country.

MARY MOORE SEARIGHT

CORPUS CHRISTI

The Corpus Christi Alumnae Club meets once a month. Membership varies as navy people come and go. We bring clothes and canned food to the December meeting for distribution to a needy family at Christmastime. We spent \$5.00 additional for shoes and other things needed by this family.

The club has contributed to the Settlement Schools and the Red Cross, paid the monthly milk bill of a tubercular family, given money for entertainment at the U.S.O., as well as baking cookies for the same. We always give and pay for the summer rushing parties here in the city.

VERA KIRKPATRICK

DALLAS

The Dallas club has 64 paid members with an average attendance of 35. This year we have given \$200 to the Settlement School, \$66.32 to the magazine fund, \$5 to the Loan Fund, \$18.50 to Holt House, and \$55 to the active chapter. Our sales of Arrowcraft amounted to \$1080.65. Our dues are \$2 a year and we have had nine meetings. We have also donated \$50 to the Dallas U.S.O.

FLORENCE H. PECKENPAUGH

FORT SMITH

Our club has met regularly on the first Monday of the month with a business session followed by a social hour. We

WICHITA

The Wichita Alumnae Club held six dinner meetings during the 1942-1943 season, in addition to Founders' Day Banquet and Cooky-shine. Of the approximately 115 resident Pi Beta Phis, about forty are active members.

The main activities this year have centered on war work. Serving as hostesses at the Wichita Canteen and selling War Bonds and Stamps under A.W.V.S. are the two group-sponsored projects. Individual members are active in A.W.V.S., Red Cross, and Civilian Defense work.

A Christmas dance held in conjunction with Kappa Kappa Gamma and Kappa Alpha Theta was very enjoyable and successful as the year's money-making project.

Contributions made were \$5.00 to Holt House, \$5.00 to Loan Fund, \$106 to Settlement School, \$5.00 to the Women's Bond Selling Organization, \$9.00 to send a deserving Girl Scout to camp and 45¢ per each paid member to help furnish a Recreation Room at Ft. Riley. Christmas gifts were sent to Settlement School and to soldiers at Ft. Riley and a bushel of apples is sent monthly to the Wichita Canteen.

Together with active chapter members, simple parties have been held, both at Christmastime and during the summer months for rushees. New Panhellenic rules limit these to "coke" parties with not more than twelve actives and rushees together, with the exception of one party where very simple food may be served.

NANCY HUBBARD

gave two rushing parties during the summer, one a picnic and swim and the other a luncheon at Hardscrabble Country Club. Founders' Day was celebrated with a cooky-shine at the home of Mrs. R. S. Turner, II (Sally Cooper). We gave \$10 to the Settlement School, \$5 to Holt House, \$5 to the Loan Fund, \$5 to the Red Cross and \$3 to the U.S.O. Our magazine fund amounted to \$20.40 which placed us third in the province. As Camp Chaffee is near Fort Smith, we have had the pleasure of having visitors at every meeting. We try to contact every visiting Pi Phi.

RUTH MCKINNEY CRANE

HOUSTON

The Houston Alumnae Club held four regular meetings and one Founders' Day luncheon during the past year. Although the meetings were reduced to five, our contributions remained the same: Settlement School, \$200.00; Loan Fund, \$10.00; Holt House, \$10.00.

MARY TANCRED THOMPSON

LITTLE ROCK

The Little Rock Alumnae Club activities for the past year were somewhat curtailed by the individual wartime activities of its members. Monthly meetings were held, however, the usual subjects of Settlement School, History, active chapter, and Constitution forming the programs. Founders' Day was celebrated with a cooky-shine at the home of Frances Sue East. The more than thirty alumnae present represented ten different active chapters.

The Little Rock Club carried on its national project as the exclusive makers of the official Pi Beta Phi handkerchief, blue with wine-colored monogram in the corner.

A Little Rock girl was enabled to take a business school course by borrowing from the alumnae club loan fund. She was the third girl to benefit from the fund.

A rush party was held during the summer for Little Rock girls going off to school. In response to a notice which the club put in the ARROW, asking Pi Phis with relatives stationed at Camp Robinson to write to the club, we received several replies and entertained the young men at a picnic.

ELIZABETH PAISLEY HUCKABY

TULSA

In the enthusiasm of the Tulsa Alumnae Club to be patriotic only four meetings were held during 1942-43. This was a poor experiment and proved most unsatisfactory. The gas and rubber saved were not worth the gesture. The long period between meetings slowed up interest and caused the paid membership to lag. But probably the most serious fault was the lost opportunity of contacting the new Pi Phis in town who had hoped to become acquainted by frequent Pi Phi meetings. We expect to return to our monthly meetings this fall.

Five dollars each were contributed to Holt House and the

Loan Fund. During the year \$145.65 worth of Arrowcraft products were sold. To this a ten dollar gift was added. A check will be sent to the nearest chapter, Oklahoma Beta, in the fall. Profits from the sale of magazines amounted to \$7.65.

Monday is Pi Phi day at Red Cross headquarters. Hours earned on that day are also credited to the alumnae club. Pi Phis took their turn in providing sandwiches and cookies

for the canteen at the U.S.O. At our last meeting \$10 was given to the R.A.F. Canteen to help with entertaining the British Air Cadets who are training at schools near Tulsa.

Founders' Day was observed very simply with a buffet supper in the home of Mrs. Arthur F. Truex (Georgina Davis, Nebraska Beta). Fifty-five Pi Beta Phis were present

GEORGINA DAVIS TRUEX

LAMBDA PROVINCE

BUTTE-ANACONDA

Our meetings have been held in the homes of members on the last Monday evening of the month. In August we sponsored a tea for those girls leaving for college. At the October meeting Lieut. Joyce Burton of the WAACs spoke to us. In December we contributed gifts for soldiers for A.W.V.S. train service. The February meeting was given over to a study of the History and Constitution. Officers were elected in March. Founders' Day was celebrated in April with a dinner at the Hotel Freilen, when several out-of-town members were with us. We have contributed to the Settlement School, the Loan Fund, the Red Cross, and our nearest chapter. In June the active girls from Montana Alpha were our guests. Our members are all working in various phases of national defense.

EDITH ROBERTS

EDMONTON

The Edmonton Alumnae Club had 43 paid members this year. The great influx of Americans to our city has brought us into contact with many American Pi Phis. We certainly have enjoyed having them attend our meetings, and hearing about their home chapters has proved very interesting.

Throughout the year, the alumnae gave several teas for the actives. In May the club entertained the graduates at a breakfast party held at the very attractive country home of Mary Sandin.

Magazine subscriptions totaled \$28.27. We contributed \$7.00 to the Loan Fund and \$10.00 to the Alberta A Chapter. To help further the war effort, we are buying war certificates out of the house fund and are each giving 25¢ a month to buy materials with which we knit articles for British refugee children. In addition to this we have made donations to the Red Cross Superfluity shop and collected magazines and books for lads in the Services.

MARION J. DUNK

EVERETT

Of the fifteen paid memberships last fall, only six alumnae have been active in carrying on an interesting and successful year. We have met regularly every month and carried on all our projects; a Settlement School sale of more than \$350; a Founders' Day observance with dinner at the Yacht Club and an interesting talk by our Grand Vice-President, Ruth Barrett Smith, on Holt House; and our year was concluded with a picnic supper-party to introduce rushees to members of Washington Alpha. Mrs. Smith has graciously offered us her home at Lake Stevens for this picnic which is a request of Washington Alpha to repeat a similar occasion of last summer.

Dorothy Knudson who is working in Seattle presented us with an attractive scrap book—the lovely wooden cover bears a Pi Phi seal—and we are glad to have such a satisfactory place for all our memos.

Our contributions this year include \$25 to Settlement School, \$5 to Holt House and \$1 to the Loan Fund.

LOUISE W. DAHLER

PORTLAND (OREGON)

We have had ten meetings with an average attendance of 60 out of 85 paid members. We honored Founders' Day with a lovely tea at the home of Mrs. Harold Broughton in place of the traditional banquet. Our last meeting was a picnic in June at the home of Mrs. Milo K. McIver with a showing of Settlement School films. We have had an average of 13 hostess hours weekly at the U.S.O. lounge. We packed and gave gift boxes to soldiers at Christmas and also gave baskets of food to needy families. We served half a day as a group at the George White Center during Panhellenic week. Credit for 3750 hours of Red Cross sewing was given the club. We hemmed and mended five dozen dish towels for the county hospital. We gave \$100 to the United War Chest, \$40 to the Red Cross, \$25 to the Settlement School, \$10 to the Loan Fund, \$5 to Holt House, and \$20 to each of the two active Oregon chapters. We sold Arrowcraft goods amounting to \$1242.41 and raised \$15 from magazine subscriptions.

HELEN CORNWELL COPELAND

SEATTLE

The Seattle Alumnae Club held its final meeting of the year at the home of Mrs. Floyd Ellis. It was a picnic supper honoring the seniors of the University of Washington, preceded by a business meeting at which time new officers were elected. Mrs. E. B. Carroll, who for so long has been active in the alumnae club, was elected president.

The April meeting, a traditional cooky-shine, took place at the chapter house; it was thoroughly enjoyed and very well attended.

In spite of the many other demands on the time of every member, we bring to a close another successful year and all are eagerly anticipating the fall re-opening of activities.

ELIZABETH S. PICKTON

SPOKANE

We closed a successful year with the May meeting at the home of our new president, Edna Axtell, when our new officers were installed and committees named. We have given \$50 to the Settlement School, \$3 to Holt House, \$5 to the Loan Fund, \$20 to the Red Cross, \$5 to the Community Chest, and gifts to the active chapters at Pullman and Moscow. We dispensed with the formal Founders' Day banquet and instead spent a friendly and happy evening in remembrance at the home of Bernadine Johnson. New faces are with us each meeting, as wives come to Spokane to be near their husbands in the service.

HARRIETT SCHLOMER

TACOMA (INEZ SMITH SOULE)

The final meeting of the year was held in May at the home of Mrs. Addison Forrester when new officers were installed. We have had six regular meetings with an attendance varying from 35 to 18. In addition we entertained at the U.S.O. and at Christmas gave a party for the active girls home for vacation. We have given \$45 to the Settlement School, \$10 to the Red Cross, \$5 to Holt House, \$5 to the Loan Fund, \$10 to the Tacoma War Chest, and have also bought a \$100 War Bond.

MARIE BETCHARD IVERSON

WENATCHEE

The Wenatchee Club ended a successful year with our Founders' Day dinner held at the home of Mrs. Walker Pickens. Following dinner officers for the next year were installed.

We have contributed \$205.40 to the Settlement School, \$50 to Holt House, \$5.00 to the Loan Fund, and \$5.00 to the Red Cross.

Our members have contributed most generously of their time to the local Red Cross chapter. Mrs. Howard Fletcher is at the head of the Surgical Dressing for Wenatchee.

BECKY NICHOLSON

YAKIMA

The Fannie Whitenack Libbey Club closed a successful year under the capable leadership of Ruth Ley Howard of Washington B. The outstanding work of the year was done for the Red Cross. From September till March the monthly meetings consisted of an early dinner in town, a short business session, and two and one half hours work in the surgical dressing room of the Red Cross. The club donated \$5 to this organization and to the Settlement School. Many articles from the school were purchased by the members at Christmas.

At Christmas a holiday luncheon was held in honor of the actives home from college. The spring meetings were held in the homes except the Founders' Day Banquet, which was held at the Studio Tea Room. The program included a welcome from our president, who brought greetings from the National President, and a candle-lighting ceremony for the founders. A special candle was added this year for a member, Marian Nelson, who passed away this February. At the May meeting installation of officers and plans for a summer picnic brought the club's activities to a close.

MARY NELSON LOGAN

MU PROVINCE

BERKELEY

The termination of the year's activities found all members increasingly engaged in war work. The outstanding meetings of the year have been the Settlement School tea at the chapter house and the initiation banquet given to the chapter by the alumnae. The final meeting of the year was held at the home of Amy Burlingame Davies, out-going president. Plans for the coming year were made and Settlement School articles were displayed. We have given \$50 to the Settlement School, \$50 to the active chapter. We made \$574 at our sale of Arrowcraft articles.

BETTY DANIEL KRAEMER

FRESNO

In spite of ration restrictions our club has carried on. We have enjoyed no-host luncheons and after short business sessions have adjourned to the Red Cross chapter house to work in the different departments. As in previous years we have sent \$15 to our adopted English boy. We gave \$5 to Holt House. Individuals of our club are contributing generously to civilian war effort.

LURA FERGUSON

GLENDALE

Glendale Pi Phi celebrated Founders' Day with a lovely buffet supper at the home of Evelyn Ogborn. The chief feature of the program was a talk by Emma Harper Turner, Past Grand President, in which she described the Early Days of the Alumnae Department. She stressed the ideals of Pi Beta Phi and left us all with renewed vows to make Pi Phi a democratic factor in the coming peace. June 1 we ended the year with a delightful dinner at the home of Mae Short. We have contributed to the Settlement School, the Physical Therapy Scholarship Fund, and the Hazel Hurst Foundation for the Blind.

MARJORIE FULLER CAMPBELL

LONG BEACH

The Long Beach Alumnae Club has had a good year, with eleven regular meetings, four Board meetings, and two luncheon meetings. One luncheon was held last August for rushees.

The Christmas party included husbands as usual and Laura Barr's lovely home, was the setting, with the exchanging of White Elephants giving zest to the bridge game.

There was much sickness during March, so the cooky-shine at Ruth Miller's home was not too well attended, only twenty-two.

Winifred Morris was home hostess for Founders' Day. Chairmen were Helen Cunningham, dinner, and Ruth Hanker, program. This is the one formal meeting of the year. Annis Kinkel Griswold sang the Pi Beta Phi Ballad and Pi Beta Phi Hymn, accompanied by Louise Spalding Malin. Mrs. Malin also read some of the treasured letters of the IC's. Candle lighting was by Kitty Cody, assisted by her daughter Marjorie. This was followed by the Loving Cup Song. The special message was "Bouquet to the Founders," written and given by Mrs. Leah Shirey. The closing was the singing of the Anthem.

The new officers were installed at the May meeting, held with Louise McGill. The yearly report and instructions were given to the Secretary to send twenty dollars to the Settlement School, ten dollars to the Loan Fund, five dollars to the Holt House, and five dollars to the Red Cross.

The retiring officers were given a vote of gratitude for two years of service and a pledge of active help to those assuming office.

MARJORIE WHITNEY PRATT

LOS ANGELES

The Los Angeles Alumnae Club has had a busy but most enjoyable year under the capable leadership of our president, Dorothy Belknap. Many members have been unable to attend regularly due to the war work they are doing and due to gasoline rationing, but an average attendance of 45 members have been present. We have 112 paid members. The club has had two all day combined group meetings, one luncheon meeting, three dinner meetings and one dessert bridge held at Gray Lady Hut, the Founders' Day Celebration held at California Gamma Chapter House with California Gamma and California Delta as hostesses. A very delightful program was given representing each chapter, closing with the effective candlelighting service. The Professional Group has had two evening meetings, the Book Group two teas in addition to the combined meetings. The Junior Group has had eight meetings.

No benefit was held this year but the clever letter asking for donations for Settlement School Fund is still bringing good results, the amount sent so far is \$188.50. The drawing for the coverlet made at Settlement School will be held at the picnic June 12. The returns will be added to our fund. We have sent \$15.00 to Holt House Fund, \$10.00 to Loan Fund, \$25.00 each to active chapters, California Gamma and California Delta. The sale of Settlement School products has been greatly increased to \$509.50 through the efforts of the chairman, Ethel Moore. Magazine subscription profits amounting to \$53.50 by Anne Bahnsen. In addition to 64 members giving 13,882 hours to Gray Lady Red Cross Service, others are doing Production and U.S.O. Canteen and Hostess Service. Our Panhellenic representative, Ruth Grady, is chairman for U.S.O. where dances are given once a month. Junior Club members served in Motor Corps during the year under the leadership of Ann D'Aule and have given hours to Red Cross, knitting afghans and collecting layettes. Under instructions given by Netta Young, our Gray Lady Chairman, we are learning Occupational Therapy. She took the course at U.S.C. and is instructing all Gray Ladies who care to do this work for wounded soldiers who are returned to our hospitals. We wish to extend a sincere invitation to all visiting Pi Phis or those locating in or near Los Angeles to contact our new corresponding secretary, Mrs. Everett Mattoon, 305 South Linden Dr., Beverly Hills, Calif., so that you may receive our monthly notices.

RUTH ROSE POSTELL (Mrs. P. S.)

MARIN COUNTY

We maintained a booth at the Annual Grape Festival last October which brought in \$11 profit. At our booth where rosettes were sold we made \$11.50. At our Arrowcraft sale we made \$185.78. Husbands' Night we celebrated with a barbecue. We donated food and were hostesses for a large U.S.O. party. We have 13 paid members and have had 12 meetings with an average attendance of 13. We gave \$10 to the Settlement School, \$2 to the Loan Fund, and \$3 to Holt House.

HAZEL BROWN

PALO ALTO

Although we have had only four regular meetings this year each one has been interesting and worthwhile. The September luncheon was given over to greeting new Pi Phis in the community. The November Historical Meeting was held at the chapter house where we also had a display of Settlement School craft. We had a delightful Founders' Day tea at the chapter house and invited neighboring alumnae clubs as our guests. Many girls from the active chapter at Berkeley came also. Adele Taylor Alford, ARROW editor, was our honored guest and speaker. In May we gave our annual breakfast for the initiates after which we went to the chapter house for initiation. We have met informally on Tuesdays at the Red Cross workroom to have luncheon and work together. Settlement School goods have been on display at the campus home of Eleanor Almack all during the year and the sales have been gratifying. We have 29 paid members.

MARIAN F. SMITH

PASADENA

Our club has met regularly during the past year with good attendance and an increase of nine new members. Red Cross work has been done by one group, another has given volunteer service to the Visiting Nurse Association, and another has worked at the Hospitality House in South Pasadena. We gave \$50 to the Settlement School, \$5 to the Community Chest, \$5 to Holt House, \$5 to the Loan Fund and \$10 to the Red Cross. We made \$150.50 from the sale of magazine subscriptions. Founders' Day was celebrated with a cooky-shine at the Pasadena Woman's Club. Members came in the costumes of our Founders' time and the program was directed by Maudie Doble Prickett. A picnic supper at the home of Helen Kerman completed the year.

GEORGIA L. HILSDORF

RENO

Reno Alumnae Club has had a very busy year. Many members are now engaged in war work, some making surgical dressings, some doing Gray Lady duty, and many belonging to our own Canteen Unit. We have purchased one war bond, and plan to buy more.

Contributions were as follows: Settlement School, \$12.50; Holt House, \$2.50; Loan Fund, \$2.50.

Our meetings average about twenty-five present and we plan to continue during summer with an idea of aiding the rush-

ing program. At Christmas, we contributed a useful gift to the house, and have entertained the actives and pledges during the year.

RUTH COLEMAN (Mrs. J. W.)

SALT LAKE CITY

Due to the war the Salt Lake City Alumnae Club has had no social meetings this year, but have given of our time and energy to helping the Red Cross and selling war bonds. We had an informal meeting in December, a cooky-shine in January and a meeting devoted to a study of the Constitution in March. We gave \$10 to the Settlement School and \$1 to the Loan Fund.

KATHRYN B. TEMPEST

SAN FRANCISCO

San Francisco Alumnae Club under the second year of war restrictions completed most of its planned program.

Early September opened the year with a supper meeting at the home of President Estelle Bagley. In October at Mrs. Preston King's a book review was given by Ruth Hergert at an afternoon meeting. In November the Settlement School products were placed on sale for three days downtown and made history for the club in the amount of sales. In mid December the young business women were hostesses at a dessert meeting where toys were gathered for Christmas distribution to underprivileged children. The Founders' Day meeting, usually a joint affair with other Bay Area clubs, had to be an individual club party because of travel curtailments. The San Francisco Club held a breakfast and business meeting.

Many scrapbooks were turned into the U.S.O. for distribution by them. One hundred eighty-seven dollars was donated to the A.W.V.S. for three sets of emergency ambulance equipment for their station wagons. To the Settlement School went seventy-five dollars and to Holt House and the Endowment Fund twenty-five dollars each.

This has been the largest year financially in the history of the club. One thousand one hundred seventy-nine dollars was the total amount of sales in Settlement School goods alone.

LOIS HESSON

SANTA MONICA

In spite of dim-outs, black-outs, and greatly increased responsibilities, our club has functioned admirably during the past year. Our activities have centered on war work. We have had charge of providing the food and hostesses for the U.S.O. canteen here one day each month. Many of our members belong to the Gray Ladies, assist as Visiting Nurses' Aides and give regular hours on Red Cross canteen duty. We gave \$50 to the Settlement School, \$5 to Holt House, \$10 to the Loan Fund, and have given recognition pins to the outstanding girls in the active chapters at U.S.C. and U.C.L.A.

HELEN KUHN

TUCSON

The Tucson, Arizona, Alumnae Club has completed its usual successful year. Under the leadership of its president, Frances Loftus Beal, its thirty-five members have entered whole-heartedly into war work and have at the same time continued their monthly social meetings. Besides making their usual contributions to Settlement School, Holt House, and the Loan Fund, the members helped Arizona Alpha with rushing, gave parties for the pledges and seniors, and also gave the chapter subscriptions to *Time Magazine* and *Reader's Digest*. Highlights of the year were the visits of Mu Province President, Mrs. Manning, and of Mrs. Alford. While these visits were made officially to Arizona Alpha, the alumnae club entertained each officer and gained the invaluable inspiration that always comes from visits of national officers. At the dinner for Mrs. Alford, the author of *Chicken Every Sunday*, Rosemary Taylor, charter member of Arizona Alpha, told of the writing of the book and an autographed copy was given Mrs. Alford. The year closed officially with Founders' Day Celebration at the home of Martha Crowell Nelson, where instead of the customary banquet Arizona Alpha and the alumnae club had a special dessert featuring the traditional Arizona Alpha cakes. Under the direction of Jessica Miller the actives gave the "Wishing Well" play, effectively using the patio and swimming pool as the setting and concluding the play with the singing of the two songs which won first place for Arizona Alpha at the University "Sing."

MARGARET NEAL HERNDON

Send Holt House subscriptions to treasurer of Committee, whose name appears in the Directory pages.

ALUMNAE PERSONALS

ALABAMA ALPHA

Personal

Helen Turner is in American Red Cross Recreation Work, overseas assignment.

Peterson, Virginia Karback: Brother—Lt. Bert Karback, Pilot, U.S.A. Air Corps.

COLORADO BETA

Marriages

Betty Jo Buell and Sheldon W. Kennedy on October 11, 1942.

Patricia Anne Large and Maurice James Wedum on May 1, 1943.

Mary Margaret McGilvray and Lt. Gay Campbell, a graduate of Alabama University, on July 9, 1943.

Mary Elizabeth Bailey and Capt. George Filmer.

Births

To Mr. and Mrs. Wm. J. Lake (Mary E. Kinnoch), a son, born April 6, 1943.

To Mr. and Mrs. A. Marcus Anzick (Wynnogene Welker), a daughter, Frances Elaine, on March 18, 1943.

To Mr. and Mrs. P. E. Brookover (Florence Shilcock), a daughter, Jean Elaine, on March 30, 1943.

To Mr. and Mrs. Eugene Kingman (Elizabeth Yelm), a daughter, Mary Martha, on April 5, 1943.

To Mr. and Mrs. Harlow K. Ripley (Virginia Taylor), a daughter, Virginia Lee, on December 7, 1942.

To Lt. and Mrs. C. W. Starks (Georgia Bell Patch), a son, Charles Allen, on July 5, 1943.

To Mr. and Mrs. John Allen (Mary Lou Stanfield), a son in June, 1943.

Personals

Mrs. Lewis H. Mahoney (Freda Louise Johnson) is teaching Physical Education at the Japanese Relocation Center at Granada, Colo.

Lucy Bartholomew visited her sister, Mrs. Carl Melzer (Grace Bartholomew) in Denver during the summer.

Martha Ann Lee is engaged to Gerald Christensen and plans to be married in October.

Mr. and Mrs. Leo Alexander (Jeanette Foster) and their two children have returned to Honolulu to live.

Mariana Gardner is now practicing medicine in Denver after completing residencies at Bellevue Hospital, New York, and Children's Memorial Hospital, Chicago.

Mr. and Mrs. Fredrick Templeton (Margaret Shattuck) with their son, Fredrick, and daughter, Susan, are now living at 2167 Casa Grande, Pasadena.

Thyra Schroder is very active in the A.W.V.S. and now holds the rank of Captain.

Ensign Alice Aronson of the WAVES is now stationed in Washington, D.C.

Mary Kircher spent the summer at Stanford, studying for an advanced degree.

Capt. Stephen R. Hanmer, husband of Mary Virginia Marchant, has been promoted to be a temporary major only 11 years after graduating from West Point. The rank is temporary because it is given during normal times only after 17 years' service. Major Hanmer spent two years in the Philippines and for six months in 1938 helped build some of the roads in Bataan Peninsula. He is chief executive assistant to the U. S. Army district engineer in Buffalo and his office is gradually taking over the supervision of all construction for the Army in the district.

Relatives in Service

Campbell, Mary Margaret McGilvray: Husband—Lt. Gay Campbell, U.S.A.

NOTICE TO CANADIAN CHAPTERS

Canadian chapters make all checks for payments of initiation fees and contributions to all funds payable to the Assistant to the Grand President, Miss Isabel A. Clark, 196 Elm St., Winnipeg, Manitoba, Canada.

GENERAL INSTRUCTIONS

Chapter treasurers should see that the Financial Statement to Parents of Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should only be sent to the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.

Chapter treasurers should see that badges are ordered through the Central Office. It takes two weeks to complete badge orders. Badges for prospective initiates should not be ordered until all initiation requirements have been met.

Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to the Assistant to the Grand President.

The corresponding secretary should report to the Central Office changes in chapter officers if they are made, any time during the year.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office, explain the situations, and receive special permission to vary from the established dates.

SEPTEMBER 10. Chapter president send letter to Province President. Chapter officers meet, read manuals, and prepare for college year.

SEPTEMBER 25. Chapter scholarship chairman send Scholarship Blank #1 to the National Scholarship Chairman, one copy to Province Scholarship Supervisor, and one copy to the Province President. NOTICE

PI BETA PHI SETTLEMENT SCHOOL BEQUESTS
Legal title for use in making wills:

"The Pi Beta Phi Settlement School, of Pi Beta Phi, at Gatlinburg, Tenn."

Parents Want to Help!

WAR is a GRIM BUSINESS. *With sons and daughters serving in the Armed Forces, parents want to express their love and boost morale—especially for you.*

But there is so little they feel that they can do!

Now is the time when you can be kind, thoughtful and generous. Give them the opportunity to express these feelings with some small gift—something mounted with the coat of arms, selected from the 1944 BALFOUR BLUE BOOK which we will mail them.

ALL YOU NEED TO DO is mail us a post card and we will do the rest. Plainly hand print or legibly write:

1—Your present rank and name
with complete address—and fraternity.

2—Parent's name and address.

REMEMBER—*A penny post card or franked card will do.*

1944 BALFOUR BLUE BOOK
Shows rings, bracelets, pendants, saddle leather, plaques, and fine gifts.

Mail post card for FREE COPY!

We take particular pride in our
DOUBLE DUTY

serving fraternity men and women in the Armed Forces as well as undergraduates in college.

STATIONERY: to keep alive precious old or new friendships. Samples.

HONOR ROLLS: Scrolls or plaques. Write for pamphlet.

LEATHER GIFTS for the man in Service. See Blue Book.

WALL PLAQUES with Service insignia. Made of non-critical material. Shown in 1944 BLUE BOOK.
