

ARROW

OF PI BETA PHI

SPRING 1956

Remember the Centennial Fund

FROM A LETTER DATED MAY 5, 1955

"One never knows of course, but the probability is I'll not be around for the 1967 Pi Phi Centennial celebration or if I am I mistrust there will be surplus pennies to contribute to the fund—so to make sure of adding my bit I am enclosing a check on which interest will perhaps increase a bit before it is put to use. I wonder what the projection will be—something worth while I am sure, and the ARROW will tell what is decided on.

Pi Phi did add much to life's satisfactions."

Thus did Augusta Kelley Meigs, Vermont Alpha 1895, respond to the appeal of the Centennial Fund Committee that appeared in the Spring 1955 issue of the ARROW. Each year the Fund honors a specific Founder. This year the thousands of us who agree with Mrs. Meigs that Pi Beta Phi adds much to life's satisfactions, may make our donations to the Centennial Fund in honor of Margaret Campbell, whose love for our country and our people was ever her outstanding characteristic. It was Margaret Campbell, who once explained that our fraternity was founded for fun, and also because the girls wished to help a needy Monmouth family, and felt they could do much better if they were organized. So, in our past we find the tradition of good times and "doing unto others" which is the heritage it is our privilege to carry on. May our Centennial Fund be a means to this end.

ALICE WEBER MANSFIELD,
Grand Vice-President.

Club and chapter treasurers make checks payable to "Treasurer of the Centennial Fund" and send to the Province Vice-President.

Pi Beta Phis not affiliated with any alumnae club make checks payable to "Treasurer of the Centennial Fund" and send to:

MARIANNE REID WILD

*Come to Convention
in
1956*

It is said that "the third time is the charm." For the third time Pi Beta Phi will be holding its Convention at the Huntington Sheraton Hotel in Pasadena, California. It really doesn't take a third time for us to know that California can be a charming hostess.

We are all eager and looking forward to sharing in the hospitality to be offered by Pi Province.

Convention is a never-to-be-forgotten experience.

It is working together and playing together. Let's all get together June 24th-30th in Pasadena.

Come to Convention in 1956.

Announcement

Grand Council announces with regret the withdrawal of the charter of West Virginia Beta at Davis and Elkins College. No blame whatever attaches to the girls who have made up the chapter this year nor in previous years. The present chapter members become immediately members of the national alumnae association, with full privileges in any alumnae club.

Corrections

On page 44 of the Fall issue of the ARROW, the word Convention was used in error in the sixth paragraph—it should read Centennial.

On page 112 of Winter ARROW, the heading with the picture of those present at the reunion should read Vermont B.

And Now Convention

That time is coming close! It is time to be planning your trip to Pasadena. Further information you will need is included in this issue—registration blanks, news of possible post Convention tours, are here for your use.

Come to Pasadena with eager anticipation of the joy of seeing Pi Phis from all over the country, and of making new friends among them, besides all the old friendships that will be renewed. Come in a mood of true loyalty to Pi Beta Phi ideals, with zeal for promoting the future progress of the Fraternity, and with enthusiasm for all projects both national and local. That is what active members and alumnae alike need most in these days—enthusiasm for Settlement School, Emma Harper Turner Fund, Centennial fund, as well as for all the interesting and worth-while local projects that keep our members active and prominent in their communities.

Above all, may we as alumnae come with the desire to learn new ways to increase our strength through wise recommendation of possible pledges, looking always towards those acceptable to the Fraternity at large, as well as to those who will help in strengthening the local standing of our chapters.

These are obligations on all those who come to Convention, actives and alumnae, and delegates and visitors.

RECREATION DAY—*June 27th*

→ JUNE is a beautiful month in Southern California, and the weather should be perfectly inviting for any choice a Pi Phi wishes to make for Recreation afternoon . . . swimming, golf, tennis, riding, bridge, shopping or sightseeing. The pre-arranged tours will take in the Los Angeles and Pasadena spots of interest and even include a movie studio and Disneyland. The choice will be hard to make!

The hotel has many opportunities for those, who feel they have had too many sedentary hours at convention, to "get in trim" in the beautiful hotel pool in its tropical setting, on the championship tennis courts where Helen Wills Roark and Ellsworth Vines have played the game, and in a little milder form on the badminton courts or at the ping pong tables. You can practice your putting on the hotel greens, or have the hotel arrange for you to play on a nearby private golf course. We haven't forgotten those of you who like to ride, either, and the hotel will make arrangements so that you can be transported in ten minutes to a woodlike setting of a private riding academy.

Bridge and Canasta pals can order tables set around the pool and enjoy their game in its beautiful setting resembling "a little bit of tropical Hawaii," with the snack bar at their elbow offering continuous refreshment.

One can find almost anything in the beautiful hotel shops, but the "confirmed shopper" will not want to miss the lovely new stores on Lake Ave., a few minutes from the hotel by auto, or actually in walking distance. Pasadena stores are open Monday and Friday evenings, also.

Our special four-hour tour will leave the hotel at 1:30 and will be so full of special attractions that we will not be surprised to see many native Californians on the buses. It will go via the new Hollywood Freeway to Hollywood and one will see the famous

intersection of Hollywood and Vine, the broadcasting studios, the late Sid Grauman's beautiful Chinese theatre where the stars have felt privileged to place their footprints in the cement of the foyer. On to famous "Sunset Strip" where one will see the popular night spots such as Ciro's and the Mocambo.

Among some of the most beautiful homes in the world in Beverly Hills and Bel Air, the residences of the movie stars will be pointed out to you, and as the bus follows picturesque Sunset Boulevard you will see a glimpse of the blue Pacific Ocean at Santa Monica and return to Universal International studios where one will see the makings of whatever picture is in progress and some of the well-known stars at work. With that, the piece de resistance, the tour will return to the hotel in time to relax before the beautiful Hawaiian Luau that evening. Another tour leaving at 1:30 will take you directly to Disneyland, the new wonder of Southern California, and return late afternoon. (This tour is also being planned for those who can remain on the Saturday morning after convention.) And yet another choice of tours, leaving right after lunch will take you to Pasadena's famous Huntington Library and Art Gallery where the world reknowned "Pinky" and "Blue Boy" are exhibited, past the Rose Bowl, Civic Center and lovely homes of Pasadena. The fun of the luau will be a perfect ending to an enjoyable day.

If our June weather follows its usual lovely habits it will not be too hot, and you will need to bring a light suit, cottons, sports clothes, a formal for the banquet and a light wrap for evening (and per chance daytime wear).

Pi Province Pi Phis are doing everything possible to make this 1956 convention the best ever. We hope to renew friendships with those of you who attended the 1929 and 1940 conventions, and make new friends of all of you coming to Pasadena for the first time. See you in June!

DONA SCHMIDT KENDALL, *Recreation Chairman*

POST-CONVENTION TOUR

→ THE TROPICAL splendor of Hawaii is only eight hours from Los Angeles, so why not fill a long-time dream and extend your convention vacation to this wonderland . . . 7 days of absolute enchantment. For those who wish a shorter trip, Mexico City offers one of the most interesting vacations one can have anywhere. The past lives still in the temples and pyramids of the Aztecs, and the advancement of modern Mexico is spectacularly shown in the tremendous, modernistic University of Mexico, and in the new and beautiful hotels and restaurants. Perhaps you would like to see more of the Los Angeles area, or Carmel, Yosemite or San Francisco.

Complete trips have been planned by experts to insure your utmost enjoyment of these wonder spots. If interested please indicate on your registration blank, or write directly to our Convention Guide, Mrs. Wilmot G. Gordon, 1155 South Oak Knoll Ave., Pasadena 5, California. *Please note* that it is VERY IMPORTANT TO DECIDE ON POST-CONVENTION TOUR AS EARLY AS POSSIBLE so that we may be assured of the best reservations on these trips. Also it will be necessary to arrange return transportation accordingly. We wish to help you make this a convention and vacation you will always remember.

Lights On in the NATIONAL PANHELLENIC CONFERENCE

By Julia Fuqua Ober, Kappa Delta

→ THE PANHELLENIC light was re-fueled at The Greenbrier in White Sulphur Springs, West Virginia, November 14-18. Members departed at the end of five days in session with a feeling of plan, of promise, and an eagerness to get on with the job.

The little lady from Texas, Mrs. Robert Carlton Byars, Delta Gamma, held a steady light as she presided over the Conference. It was easy to understand why the trustees of IRAC prepared a song about that "yellow rose of Texas"—which was sung by an impromptu group led by Judge Frank Myers, IRAC Chairman, at the dinner when Judge Myers spoke to us. Mr. L. G. Balfour of IRAC supplied yellow roses.

The entire Executive Committee earned the appreciation and admiration of the Conference for their work so well done. In addition to Mrs. Byars, the members were Mrs. Cicero F. Hogan, Gamma Phi Beta, Secretary, and Mrs. Darrell R. Nordwall, Alpha Chi Omega, Treasurer.

The banquet gave a lovely rosy glow. Gamma Phi Beta prepared such a setting for this last evening of the Conference that we felt as though we were on the pink cloud for which we often yearn. Pink taffeta cloths covered the dining tables on which lay

gold covered programs with pink pages, to which was attached a fresh pink carnation.

Mrs. Byars' message at the opening of the Conference set a tone of dignity, of friendship, and

workmanship. She called attention to the value of reviewing and evaluating the National Panhellenic Conference and determining the course for the next biennium. She referred to these as "troublesome times when fraternities have been hurt by a hostile press and certain segments of the motion picture

industry who deliberately sought controversial material for monetary reasons. Fraternity leaders thought it wise to refrain from rebuttal. The lack of a good press has not served to block progress of fraternities, however, for on an average, one chapter has been added every two weeks."

The Secretary, Mrs. Hogan, noted that the total membership figure of 815,695 recorded by 31 active members and one associate member, showed a little more than nine percent increase for the biennium. As of June 1, 1955, there were 1,767 college chapters with 75 new chapters added, and 4,202 alumnae groups with 397 added during the period. Iota Alpha Pi was greeted as a new associate member.

The Treasurer, Mrs. Nordwall, reported that the increase in dues voted at the 33rd Conference had made it possible to balance the budget for the past two years.

Throughout the Conference, responsibility for each member was stressed. Mrs. Byars referred to the college enrollment of 2,629,000 students today as the highest in history and looked ahead to the 4,667,000 in 1965 and 5,443,000 in 1970, asking: "What should be the chapter size? How can we maintain intimacy, loyalty, teamwork and scholastic supervision?" She answered that "NPC can help but the final answer as to the rise or fall of the fraternity system lies with each National Council of the member groups."

Hostesses for the Conference were the national officers of the Executive Committee fraternities: Delta Gamma, Gamma Phi Beta, Alpha Chi Omega. Delta Gamma arranged the tea of the first afternoon of the Conference. This gave opportunity to the 152 fraternity women present to meet and talk together informally.

Alpha Chi Omega arranged the decorations for the dinner at which Judge Frank H. Myers, (Kappa Alpha Order), IRAC Chairman, spoke. The hostess fraternity's red carnations were everywhere amidst the Greek letters in centerpieces. The face of Hera, the patron goddess, was on the dinner program cover. This was the occasion for the presentation of The Fraternity Month Award which is given by Mr. and Mrs. Leland F. Leland. Mrs. Clarence P. Neidig, Pi Kappa Sigma, Committee Chairman, announced that the University of Kentucky Panhellenic was the recipient with Iowa State College and Alabama Polytechnic Institute receiving honorable mention.

Judge Myers' subject was "The Weak Sister." He pointed out the importance of membership selection to avoid the weak sister. He said: "Because of the continual turnover in the college chapter, there is need for alumnae support (which a weak sister does not give). Every prospect for membership should be carefully screened and after selection should be given adequate pledge training and post-initiation education. Each member is a living example of her fraternity's ideals. Her conduct can be charged against all fraternities wherever they exist. The American fraternity is native to America. Failing to mold character, we contribute to the weak sister."

The Executive Secretaries had as their guest speaker at dinner, Mr. Cecil J. Wilkinson, Executive Secretary and Editor of Phi Gamma Delta. Miss Helen Glenn, Alpha Delta Pi, chairman, presented Miss Irene Boughton, Delta Zeta, Mrs. Zenobia Keller, Phi Mu, and Miss Clara Pierce, Kappa Kappa Gamma, to the NPC to explain in witty yet accurate vein the intricacies of a central office at work.

The Editor's Conference, like the Executive Secretaries', held daily meetings with Mrs. George L. Burr, Jr., Sigma Sigma Sigma, chairman. The editors burned their candles at both ends but the secretaries exceeded them by burning theirs also in the middle. The editors presented Dr. George Starr Lasher, Theta Chi's and Baird's Manual's (1956) editor, as speaker to the joint meeting of NPC, Secretaries and Editors. It was at that time, too, that two former editors spoke who had gone into presidencies of their respective groups, telling what they considered the responsibility of each officer to the other in the editor-president relationship. These editors-to-presidents were Mrs. Noel Keys, Alpha Phi, and Mrs. Julia Fuqua Ober, Kappa Delta. Incidentally, the Editors' Dinner honored persons who had served their groups as editors and also as presidents, of whom there were seven present.

Back row: Mrs. Stanley Striffler, $\Delta \Sigma \Delta$; Mrs. Leland Deck, $\Delta \Sigma E$; Mrs. Paul Jenkins, $\Delta \Sigma T$; Mrs. Francis Craflage, $\Delta \Sigma T$; Mrs. Alex Zawistowski, $\Theta \Phi \Delta$; Mrs. Robert H. EDITOR'S CONFERENCE

Center row: Mrs. Edward Zahour (Associate Editor), $\Gamma \Phi B$; Mrs. Lloyd N. Hansen, $\Delta \Delta \Pi$; Mrs. Stanley Brooks, $B \Sigma O$; Mrs. Henry G. Booske, $\Pi K \Sigma$; Miss Ann Hall, $\Delta X \Omega$; Mrs. Donald Pierce, ΦM ; Mrs. Allen Parr, $K \Delta \Theta$.

Front row: Mrs. John E. Stevenson, Jr., ΔT ; Mrs. Robert S. McGurn, $A \Phi$; Miss Katherine Davis, $A O \Pi$ (Sec.-Treas., 1955-57); Mrs. Harold S. Eberhardt, $A \Gamma \Delta$ (Chairman, 1955-57); Mrs. George L. Burr, Jr., $\Sigma \Sigma \Sigma$ (Chairman, 1953-55); Mrs. Robert S. Harris, $A E \Phi$; Mrs. Edwin Liss, $I A \Pi$ (Associate NPC).

The Housing Committee, Mrs. Ade Schumacher, Kappa Delta, chairman, reported 23 new houses built, 10 houses purchased, 82 houses remodelled during the biennium. Construction costs ranged from \$78,972.00 for a house accommodating 28 persons to \$250,000.00 for a house for 50 persons. Again there was affirmation of the general policy of *no group giving* a chapter funds for building or purchasing a house and no group granting loans to cover the entire cost of the house; the loan being only a portion of the total indebtedness.

Mrs. Robert S. Wild, Pi Beta Phi, reported as chairman of the Committee on Education. She recommended that the incoming committee make a study of the grades of freshmen women in relationship to their grades after becoming pledges to fraternities. The NPC's observer is one of 300 persons permitted to observe the White House Conference on Education.

Also, the Beekman Tower Hotel (Panhellenic House), as reported by Mrs. W. C. Roberts, Zeta Tau Alpha, paid dividends to common stock holders

and a complete survey is being made now of the physical plant and of its neighborhood in which the United Nations headquarters is also located.

Further, that NPC is a member of Women United in United Nations and has an observer to United Nations, but has never taken part actively, reported by Mrs. Ade Schumacher.

The Executive Committee of the National Panhellenic Conference for 1955-57 was presented: Chairman—Mrs. Cicero F. Hogan, Gamma Phi Beta; Secretary—Mrs. Darrell R. Nordwall, Alpha Chi Omega; Treasurer—Mrs. Joseph D. Grigsby, Delta Delta Delta. Before we passed down the receiving line formed by our new officers, Mrs. Hogan said, in her acceptance message: "Our thinking must extend even further into tomorrow as to what is best for the fraternity system. The loyal, cooperative spirit of 1953-55 biennium has influenced the Conference. It is not enough to have a light within us, it must shine out. It must be re-fueled." On this note the 34th National Panhellenic Conference adjourned.

Would you like to work for Pi Beta Phi at the Settlement School? From time to time we need teachers, bookkeepers, house managers and assistants to the Director. If you are interested, won't you please submit your name for the list to be considered when a need arises? Contact Mrs. Virginia Brackett Green, 2650 Sutherland Avenue, Indianapolis 5, Indiana.

Pi Phis Work for a Good Start in Life

Shamrocks House Inc.

→ SHAMROCKS HOUSE INC., a home for neglected teen age girls, is a new development in youth welfare in Kansas City, Missouri. The home has been generously provided and furnished at a cost of \$35,000, by Mr. and Mrs. J. Frank Hudson, the parents of two Kansas A alumnae, Joan Hudson Hamilton '50 and Marilyn Hudson '54. The girls have made the draperies, individual laundry bags and an individual bulletin board for each room and have also contributed their ideas and suggestions on house rules, drawn from their experiences at the Pi Beta Phi house in Lawrence. For example, the smoking rules that were set up for Shamrocks are just like those for Pi Phis: the regulations about where pajamas are to be worn are the same as in Lawrence; the cute little clothes-pin napkin rings with the girl's name on it is a Pi Phi idea, and the sign in and out method for meals was also a Pi Phi method.

The Shamrocks is not just an ordinary house but it is transition home for socially deviant girls. The girls who live in this house have either committed minor offenses or their parents have violated the social norms, and they have consequently received a high school education and vocational training in a city or state institution of correction. After graduation, the girls are outfitted with some new clothes and are sent from the institutions to forge their way as well as possible. It was soon realized that this

was not fair to the girls, or to society as a whole, and the Shamrocks House is the necessary transitional home in which the girls may have a good start in life. The Kansas City Alumnae Club recently received the following letter from Mrs. Hudson:

"Although our Shamrocks House is operating on a two year experimental basis, we feel certain that it will be a success and a great service to our community. The house-parents and the trained social worker have all the confidence in the world that with the surroundings and the environment that we are able to furnish these 16 girls, our present capacity, they will be able to grow and mature in such a way that they will be valuable citizens some day.

I would like to express my thanks at this point to your organization, Pi Beta Phi. Without the experience and training that my girls received in Lawrence, I feel that the task would have been much more difficult. Pi Phi has made them hard workers and able to cope with many different kinds of situations: their suggestions about procedure were really invaluable; their experience in community living gave us a great store of rights and wrongs to draw from; and their ability to plan and execute a project was certainly fostered if not initiated by their participation in sorority life. To all of you I say thank you."

PI PHI Personalities

Margaret Sahlin, Ohio University's First Woman to be Graduated with a 4.0

Miss Margaret Sahlin, past president of Ohio Alpha, was recently honored in an article which appeared in *The Ohio Alumnus*. She was the first woman and the second graduate to maintain a straight 4.0 during her college career. Margaret was a political science major at OU and has accepted a \$2700 Ford Foundation Fellowship to Columbia University, in the School of International Affairs and the Russian Institute. In order to accept this scholarship, she had to turn down scholarships from Radcliffe, Michigan, California, and Columbia.

Margaret entered Ohio University on a scholarship and received scholarships every year because of her straight-A record. But along with her studies, Margaret also found time to become a campus leader in activities. She was a member of the *On Post* staff for three years, publicist for Women's League, publicity chairman for Political Week, Keynotes editor

of *Chimes*, a charter member of the Cutler Society, a member of Mortar Board and Phi Beta Kappa.

Academically, she won the Alpha Delta Pi award to the sophomore woman with the highest grades, the Women's League award to the woman with the highest grades (two years) and the Alpha Lambda Delta award to the woman graduating with the highest grades. Margaret also applied for and received the Harriet Rutherford Johnson scholarship award during her senior year.

Winner of French Honors

Miss Amy Crabbe, Iowa Beta and member of the Omaha Alumnae Club, has been honored by the French government for her services in promoting the French language, science and culture. Miss Crabbe is on the North High School teaching staff and is president of L'Alliance Francaise.

Miss Crabbe received the metal, "Les Palmes Academiques." It was presented to her by Baron Louis de Cabrol of Denver who is the Consul General for Nebraska and six other states. He noted her 30 years as a teacher of French. On her return from numerous visits to France, she "never has failed to bring to others the best of her experiences," he said.

News FROM LITTLE PIGEON

Edited by Louise Wheelock Dobler, Washington Beta

→ "SUMMER WORKSHOP"! Do you know what it is, where it is, and why? Do you know that for eleven years it has been the "open sesame" for hundreds of men and women in search of knowledge and training in Arts and Crafts? Do you know that although it is another Pi Beta Phi success in pioneering, that it is open to everyone? . . . that the school is planned for those who want to learn "just for fun" as well as for those who must learn to make a livelihood, earn college credit, or assist in mental or physical re-habilitation?

But perhaps you would prefer to hear, first-hand, from some of the students who have been enchanted by the Craft Workshop in the Smokies. In the sessions for the summer of 1955 there were six active Pi Phis included in the largest enrollment to date—an enrollment that brought students from 27 states, from Canada, and from Lebanon; and taxed to the limit, our capacity to house students. Three of those Pi Phis served as graduate assistants. One of them, Mary Jean Stoddard of Iowa Gamma, writes from her experience of two years at Workshop:

PI PHIS IN ATTENDANCE AT THE 1955 SUMMER WORKSHOP

"I am so happy to give information about Summer Workshop at Gatlinburg. I have been there for the past two summers, and I can't understand why more Pi Phis don't attend! One of the questions I am asked most often is, "Can people other than Pi Phis go?" And yet, most of the people are not Pi Phis!

"The first summer I went just as a student because I am an Applied Arts Major and a Pi Phi. With such a combination, I thought I should not pass up an opportunity like this! I found that Gatlinburg was worth far more than just an opportunity to me. The twelve college credits I earned are minor in relationship to my other experiences. For instance, just this last summer Grand Council, Settlement School Committee, and all the Province Officers met in Gatlinburg during the month of June. We had several opportunities to meet and to get to know these women. One night Grand Council invited all the Pi Phis in Workshop to dinner at the Inn. We also met them at a tea in the Ruth Barrett Smith Staff House, at luncheons, and as they toured the Workshop. Now I feel as if they are my personal friends—not just names in the front of the ARROW, and I will always cherish these friendships.

"During the two summers I was there, I got to know and to understand the workings of the Settlement School itself. It's good to know the people who manage it. We even took a field trip to the homes of some of the weavers who make the lovely things that are sold at Settlement School teas. We saw Mary Owenby, the woman who weaves the beautiful stoles. Her log house is on top of a hill. There are pegs in the posts of her front porch which she uses as her warping frame. Her loom is over 100 years old, and she has been weaving for Pi Phi for more than twenty-five years.

"Workshop was all I could ask it to be. The atmosphere was very casual. We learned to know our teachers—each an excellent craftsman in his or her own right—not only in classes, but also as friends. We ate and talked with them. The Labs were open from 8-12, 1-5, and 7-9. Whenever there was no scheduled labs in the classroom we could go in and work. And everyone went in and worked! As a graduate assistant last summer, the hardest thing I had to do was to "shoo" people out of the labs at closing time! And in the free time the instructors were there—in the labs—ready to help—not because of anything in their contract, but because they wanted to be helpful. The general atmosphere was wonderful.

"As Graduate Assistants we went to Gatlinburg a few days early and helped to organize the labs. During the school term we kept charge of the 'Office,' opened the labs at night, and did other jobs that would lighten the burden for the staff. For this we received room and board, had time to take one three-hour course and were paid \$125."

Another interesting first-hand report comes from Ileana Oliver, an active from the University of

Washington in Seattle, who was enrolled just as a student. Of her experience she says,

"My major at the University is textiles, clothing, and art. Since crafts are my main interest, I was eager to attend the Workshop in Gatlinburg and to devote my time exclusively to pottery and weaving since I had a background in those two crafts. It was all I had hoped for, as we had little reading and studying to do since we devoted every moment possible to our craft. The enthusiasm and interest everyone had in her work was an inspiration and a challenge to me. There were no loafers, and we all had fun because we enjoyed our work.

"Of course I think our inspiring teachers were the secret to our unwavering interest. Emphasis was placed on our creativeness and design. In weaving, Miss Redding assigned each of us to find a flower, a rock, or any object of nature with coloring. Then we would plan a warp in the same colors and same proportions as they were distributed in the object. Sara Young, my pottery instructor, emphasized using our imagination in making ceramics, as I understand other instructors did in the classes for metal work, jewelry, design, and enameling. It wasn't easy to try to think up something entirely original, but at least we were taught not to copy someone else's work.

"There was a warm, friendly, informal atmosphere in the school, and to be comfortable in the weather, dress was very casual. All the young girls wore shorts and blouses most of the time, while the older women wore cotton dresses. The friendly feeling in the school made it easy to become acquainted, and we seemed to be interested to find in what ways we differed from one another—comparing accents and figures of speech were immediate topics of conversation. In the evenings we had happy, and sometimes hilarious times, in the "dorm" and walking about the "burg" buying candy at any of the many candy kitchens, or just watching the tourists, many of whom were honeymooners, and having iced tea or other cool soft drinks at the 'Copper Still.'

"Our trips to the workshops in the area, and to the homes of the hill people where articles that are sold by Arrowcraft are made, gave me a better understanding and appreciation of the altruistic work of our fraternity and the skill and simplicity of these people.

"My Tennessee summer was one of the finest vacations I will ever hope to have. It offered me a chance to see another beautiful section of our great country, at the same time giving me a chance to work at crafts with interesting girls and women from other parts of the United States and foreign countries. I wove eight yards of woolen material and made 12 pieces of pottery; and every time I wear the dress I made from this material, or look at the pottery on a shelf in my room, I thank Pi Beta Phi for providing such a wonderful spot for advancement through fun and work in arts and crafts."

FIRST FOREIGN CRAFT STUDY TOUR

Huge Success

→ ON JULY 20, 1955 the first Foreign Craft Study Tour, jointly sponsored by the University of Tennessee and Pi Beta Phi, left for Norway, Sweden, Denmark, Finland, France and England with Miss Marian Heard as the instructor. Miss Heard, Professor of Craft Design at U.T., Director of the Summer Craft Workshop, and a Pi Beta Phi, in the following article reports to the fraternity on the successful venture.

"Little did I think that the University of Tennessee—Pi Beta Phi Foreign Craft Study Tour would be a reality so soon—just one year after I told you of my dream at the Miami Convention. What a wonderful dream come true, thanks to Mrs. Virginia Green and Dean Jessie W. Harris, two people who can put the wheels of progress into action in a mighty big hurry.

"I had twenty-four people with me; we had planned on a group of twenty but the last four to apply wished so much to go, we gave in. They came from fourteen different states: New Hampshire, Connecticut, Massachusetts, New York, Indiana, Illinois, Michigan, Minnesota, Nebraska, Arkansas, Kentucky, Georgia, North Carolina and Tennessee.

The group came from varied professions—elementary school teachers, high school teachers, college teachers, occupational therapist, child guidance specialist, business woman, teachers of crafts in mountain settlement schools, teachers of arts and crafts in adult classes and a manager of a very fine gift shop. We thought the husband of the latter was courageous to want her to go leaving three children, the youngest of which was three years. Our range of ages was from two university co-eds to one person over sixty. The fact that we came from different parts of the country, that we had a wide age range and that our art and craft experiences were in different areas, all added to the interest of the group.

We traveled by plane, boat, train and bus; also let me add we discovered the lost art of walking! Some were a bit timid of the flying but the weather was kind to us or the navigator was wise; we never did get a good scary bump. All came back confirmed believers in plane travel.

We saw well-known craftsmen at work, visited famous schools, museums, and craft factories, and studied craft organizations of each country. We had the opportunity of seeing one international exhibit

Pi Beta Phi—University of Tennessee Tour of Europe.

held only once every twenty-five years. We did plenty of just-for-fun sight seeing in London and Paris.

We observed how the people lived; we visited homes; we ate too much of the wonderful but fattening Scandinavian food. People seemed to go out of their way to be helpful to us; they were so eager that we get a good impression of their countries.

I was very proud of our study group; they were so thoughtful and interested. The guides would tell me how kind, considerate and attentive a group we were and that it was a pleasure to be with us. The owner of our hotel in Paris got up to eat breakfast with us at 5:30 the morning we left for the States. Our guide told me he had never seen that before!

We got back without one small accident, without one bag or passport lost, without any lessening of the enthusiasm of the group. We are now all showered with requests to make speeches about the tour. I guess they all feel as I do: we had such a rich experience, we want to share it with others. Now we all want to go again. A new world was opened up to twenty-five people, thanks to the University of Tennessee—Pi Beta Phi Foreign Craft Study Tour."

* * *

We are glad to announce at this early date that those who missed this first Craft Study Tour may look forward to a second one in 1957 when the University and Pi Beta Phi will again unite in the promotion of such a project. University credits of 6

quarter hours may be earned. Address Foreign Craft Study Tour, College of Home Economics, University of Tennessee, Knoxville, Tenn., for further information.

Chapter LETTERS

Edited by Marjorie Brink, Indiana B

Letters marked with a star are unusually good in form and content

ALPHA PROVINCE

MAINE ALPHA—UNIVERSITY OF MAINE. Chartered, 1920. Pledge Day, December 11, 1955. After Maine A completed a very successful rush season, the alumnae entertained the actives and the new pledges on the night of bowpinning at the home of Mrs. Irwin Douglass in Orono. This event was sponsored jointly by the Eastern Maine Alumnae Club and the Portland Alumnae Club.

Carol Stevenson, a pledge, was chosen Calico Queen at the Farmer's Fair.

The Interfraternity Council and the Panhellenic Council jointly sponsored a Halloween Party for the Orono children who were divided among the fraternities according to their age groups. Representatives from the six women's fraternities helped organize the parties at each of the seventeen fraternity houses. This attempt to cement relations between the Interfraternity Council and the Panhellenic Council, as well as to assist the college community in providing a well organized Halloween celebration proved very successful.

The chapter held its annual stag dance at the Memorial Union. The proceeds from this affair went towards the local scholarship which is offered to a deserving woman student at the University of Maine.

PLEGDED: Judith Adams, Ann Cruickshank, Needham, Mass.; Marjorie Bancroft, East Orange N.J.; Joann Dumont, Presque Isle; Deanna Dunfee, Wantagh, Long Island, N.Y.; Judith Fleet, Port Washington, N.Y.; Alola Giffin, Norfolk, Va.; Helen Inman, Houlton; Sandra Pendleton, Judith Webster, Bangor; Marianne Schmidt, Secaucus, N.J.; Sally Springer, Brewer; Carol Stevenson, Reading, Mass.

JANE WISEMAN

NOVA SCOTIA ALPHA—DALHOUSIE UNIVERSITY. Chartered, 1934. INITIATED: Beverly Ball, Elizabeth Stuart, Kathy Sissens, Frances D'Argent and Sheila Earle.

The first Chapter event of the season was the Fall Rushing Party using the Angel theme.

A joint Pantry Sale was held by the Actives and alumnae, for the Canadian Project.

The pinning of the pledges took place at $\Phi K \Phi$ after a victorious Dalhousie Football Game.

The usual \$50.00 scholarship was given to the Registrar for a needy student, whose picture appeared in the Halifax Newspaper for receiving the award.

The annual Panhellenic Coke Party was held at $\Phi \Delta \Theta$ with the mothers of the Freshmen being invited.

President Tinker Pullen is House Chairman of Sherriff Hall and Secretary for the Class of '56. Helen Scammell is editor of the

Tinker Pullen, Nova Scotia A

Dalhousie Year Book, *Pharos*, with Olga Apinis and Marilla Meritt in executive positions; Marilla is also a feature writer on the *Gazette*. Secretary of the Commerce Company is Mary Lamb. Jean Anthony is Secretary-Treasurer of the Dalhousie Girls Athletic Club. Carmel Romo is Assistant News Editor of the Dalhousie Paper the *Gazette*.

Tinker Pullen was chosen Commerce Queen to represent the Society in the Annual Campus Queen elections.

CARMEL ROMO

VERMONT ALPHA—MIDDLEBURY COLLEGE. Chartered, 1893. Pledge Day, November 21, 1955. Vermont A spent much time and energy redecorating the sorority rooms in order to get them ready for rushing. Much of the work such as painting was done by the girls.

Julia King was elected to $\Theta B K$ after completing six semesters at Middlebury.

Just before Christmas vacation Vermont joined ΘX for a Christmas party for children in the town of Middlebury. Other fall activities included the Arrowcraft sale and a bake sale sponsored by the sophomore members of Vermont A.

PLEGDED: Emily Andrews, Great Barrington, Mass.

HEATHER HAMILTON

VERMONT BETA—UNIVERSITY OF VERMONT. Chartered, November 24, 1898. INITIATED: Grete V. Isbrandsten, Bay Shore, N.Y., and Jane A. Bohlinger, Trenton, N.J.

Vermont B, in conjunction with A I, sponsored a Christmas party for thirty underprivileged children. The children received gifts and were entertained with movies, games, and singing.

Nancy Becher has been selected to write script for the new University of Vermont radio station.

Since formal rushing now takes place between semesters, Vermont B is grateful to other chapters of Alpha Province for the helpful hints and clever ideas which were exchanged at a meeting early in the fall semester.

MARILYN FALBY

MASSACHUSETTS ALPHA—BOSTON UNIVERSITY. Chartered, March 17, 1896. Pledge Day, October 24, 1955. Marilyn Young was one of the seven finalists for the Military Ball, and Shirley Stevens and Catherine Burns placed third and second for Homecoming Queen. Proceeds collected for the Queen were given to the Jimmy Fund.

Massachusetts A played its annual Powder Bowl game to a scoreless tie. Proceeds from the game were given to Perkins Institute for the Blind.

The chapter had a busy holiday season which included the Christmas Party given by the pledges, and a skating party with $\Sigma \Phi E$.

Attleboro; Joyce Jackman, Whitensville; Ellie Harris, Lexington; Ellie Kallins, Greenfield; Cynthia Stetson, Springfield.

Massachusetts B members returned last fall to a newly redecorated chapter house. Even more exciting, however, was the honor of retiring the University Scholarship Tea Set for the first time. BETA PROVINCE

NEW YORK ALPHA—SYRACUSE UNIVERSITY. Chartered, 1896. Pledge Day, November 15, 1955. New skits, costumes, and decorations enhanced New York A's rushing schedule, with a new quartette. But when one little boy did a somersault on the floor as his contribution to the game, the girls decided it was time to serve refreshments!

KAREN MILLER

Opportunity in Indiana

Attention graduate students of Pi Beta Phi! Indiana Beta is looking for a graduate assistant for the coming year.

For several years the chapter has had a graduate member of Pi Beta Phi live in the house to serve as graduate assistant. She helps girls with homework, attends chapter meetings, and assists the housemother in some routine duties.

The chapter has found that the experience of someone who has had a similar background in the sorority is invaluable. A graduate member has met the problems of the sorority system as an underclassman and understands that point of view. She has the

additional advantage of having been out of school and seeing the same problems from a slightly different perspective.

Our graduate assistant is "one of the girls" and participates in sorority activities and social functions. Active members feel free to go to her with any problem, from what to wear to how to study for a zoology final.

In return for her services, she is given her room and board free from the sorority, and the University remits her fees and tuition.

Any members interested please send applications to Mrs. Robert L. Clegg, president of A.A.C., North Washington, Bloomington, Indiana.

Would you like to serve as Graduate Assistant at the Summer Craft Workshop in Gatlinburg, Tennessee this summer? Two lucky Pi Phis who are Art Majors will have this opportunity. If you are interested, send your application and qualifications to Mrs. Virginia Brackett Green, 2650 Sutherland Avenue, Indianapolis 5, Indiana. You will receive your room and board plus \$125 and have the privilege of taking one credit course without fee!
